DR. EARL WATSON
520 W. CLARA
IOWA PARK, TEXAS

IN PARTY PRIMARIES

Good turnout predicted Saturday

A good turnout is predicted Saturday when Iowa Park voters join Texans in selecting nominees to public offices from the Democratic and Republican parties.

Republicans from Precincts 32, 33, 34 and 60 will cast their ballots at the GOP poll at the First Christian Church here from 7 a.m.-7 p.m. Saturday. Precinct convention will be held at the poll immediately after balloting ends at 7 p.m.

Democrats also will mark their ballots from 7 a.m.-7 p.m. Saturday.

Precinct 32 residents will vote at the ASCS Office, Precinct 33 at the Faith Baptist Church, Precinct 34 at Valley View School and Precinct 60 at Pleasant Valley Community House.

Precinct conventions at all four Democratic voting locations will begin at 7:15 p.m. Saturday.

A surge in absentee balloting which ended Tuesday showed encouraging signs of a good voter turnout.

A total of 40 Iowa Park Democrats voted absentee, and two Republicans here cast absentee ballots.

Wichita County Clerk's Office handled 682 Democratic absentee ballots and 64 GOP absentee votes.

In addition to having to decide their favorite candidates, many Wichita County voters will encounter for the first time the new voting machines purchased by county commissioners.

REPUBLICAN BALLOT

Only two offices are opposed on the GOP ballot.

Bill Clements, Ray Hutchison and Clarence G. Thompson each are seeking the Republican nod for

governor.

The GOP race for U.S. Representative of the 13th Congressional District will be between Larry Kelly and Clifford A. Jones.

Unopposed in their bids for GOP endorsement are Jacquie Allen, county chairman; Gaylord Marshall, lieutenant governor; John Tower, U.S. Senate; Josephine Riner, county clerk; Gail L. Sogard, State Representative of 53rd District; James W. Lacy, unexpired term Railroad Commission; and Jim Baker, attorney general.

At least one element of excitement on the GOP ballot will be the proposition on whether the next legislative session would enact a bill to permit pari-mutuel betting on horse races by local option.

Proposition 2 on the Republican ballot asks if the next legislative session should enact a bill to provide for the election of delegates to a political party's national nominating convention by the voters in that party's primary.

A third proposition asks GOP voters if the next legislative session would propose a constitutional amendment to place a limit on the amount of taxes which can be levied by the state and local governments.

DEMOCRATIC BALLOT

Democrats also will be asked to decide if pari-mutuel horse racing should be allowed in Texas by local option.

A second proposition on the Democratic ballot asks if the next legislative session should authorize higher interest rates on loans of less than \$5,000.

On the local scene incumbent Virgil Hill is unopposed in his bid to return as justice of the peace from Iowa Park's Precinct 3.

A.F. "Prof" Edwards is unchallenged in his quest to remain the county Democratic chairman.

Runoffs are a possibility in at least three county races.

Ann L. Krempf, Tom Bacus and Tom Schrant are sharing the Wichita County judge box, as are Mary Lynn Welborn, Carl O. Wilson and Bob Terry in the county treasurer's race.

Clyde B. Freeman Jr., Jerry Padgett and Howard Allison are vying for the Democratic nomination as county clerk.

Unopposed are Wayne Wiggins for district clerk and Gordon R. Hand for county surveyor.

Charles Finnell is unopposed in his bid to return as the state representative from District 53.

Other local unopposed Democrats are Ray Farabee, District 30 State Senate and Calvin Ashley, 30th District Court judge.

Contested state races are headlined by the gubernatorial election populated by Dolph Briscoe, John Hill, Preston Smith, Donald R. Beagle and Ray Allen Mayo.

Joe Christie and Bob Krueger are running for one of Texas' U.S. Senate posts, and Democratic hopefuls for state treasurer include Harry Ledbetter, C.R. Sanderson and Warren G. Harding.

Mark White and Price Daniel Jr. face each other in the attorney general's race, and the contest for lieutenant governor includes Troy Skates, Bill Hobby, James L. McNeese Jr. and John Hill Westbrook.

Don G. Sewell, Joe A. Hubenak and Reagan V. Brown are running for agriculture commissioner.

Unopposed are Jack Hightower, 13th District U.S. House of Representatives; Bob Bullock, state comptroller; and Bob Armstrong, land commissioner.

About half the other races for state offices including the Railroad Commission and various higher courts are contested.

HONOR GRADUATES of Iowa Park High Class of '78 are Lisa Bartow, left, daughter of Mrs. Betty Bartow, valedictorian, and Tracie Siddle, daughter of Mr. and Mrs.

W.B. Siddle, salutatorian. The two will make their traditional speeches at graduation ceremonies May 26.

THURSDAY, MAY 4, 1978
IOWA PARK, WICHITA COUNTY, TEXAS 76367

VOL. IX NO. 35 20 CENTS

City, school schedule meets next week

School trustees will be trying to find an extra day for school and city aldermen will be holding two hearings concerning public funds, when they meet next week.

The city council will meet in council chambers at 7 p.m. Monday, and school trustees at 7:30 p.m. Tuesday in the junior high library.

The state agency forgave two of the three days students missed attending school because of bad weather, but the third day must yet be made up, according to Supt. Faris Nowell.

The problem trustees will be facing is what day that will be done. According to the school calendar, graduation is to be held May 26, a

Friday. The following Monday is Memorial Day.

Hearings on proposed expenditures of revenue sharing funds, and a community development block grant, will be held by the city council.

City Administrator said alderman

will also be asked to confirm appointment of a new police officer and hold a work session on the 1978-79 budget. Additionally, an agenda item might be a discussion between the council and the city attorney on possible litigation.

Building permits issued for seven new homes here

Building permits were issued for seven new homes during April, lofting the month's permit total to \$216,300.

For the year, permits have now

been issued amounting to \$628,385. Construction in the city is well above previous years, for a four-month total. In 1977 permits amounted to \$384,322, and in 1976 it was \$327,210.

With construction indications given by contractors here, coupled with the existing permit total, Iowa Park appears to be headed toward its highest permit total record, which was \$1,735,750, set in 1962.

Permits issued during April included:

- Herman Beavers, 109 Hawthorne, encasing mobile home, \$2,500;
- Jerry Spruiell, 302 E. Lafayette, garage and storage shed, \$3,000;
- Calvin Huff, 1326 Sunset, addition, \$4,000;
- Roy Wright, 606 S. Park, alteration, \$5,000;
- T.J. Bailey, 409 Texowa, mobile home and storage shed, \$13,000;
- William Skelton, 105 E. Lafayette, mobile home, \$8,000;
- Bill Sharp, 204 W. Emerald, new residence, \$27,000;
- Bill Sharp, 200 W. Emerald, new residence, \$27,000;
- Bill Sharp, 202 W. Emerald, new residence, \$27,000;
- O.D. Davenport, 515 W. Clara, storage building, \$250;
- Eugene Martin, 1105 Lincoln Drive, addition, \$900;
- Bill Swan, 708 Mockington Dr., new residence, \$25,000;
- Bill Swan, 710 Mockington Dr., new residence, \$25,000;
- Bill Swan, 714 Mockington Dr., new residence, \$25,000;
- Rip Smith, 911 Foley, new residence, \$23,650.

Singers earn honors at Southwest Festival

Iowa Park High School vocalists returned home from last weekend's Greater Southwest Music Festival at Amarillo with a trunk load of honors.

The boy's quartet was rated "Outstanding Quartet" of the festival; Norman Flowers was rated "Outstanding Vocal Solo"; and numerous soloists earned the highest rating, Div. I.

The quartet is composed of Flowers, Scott Fowler, Chris Lester and Lee Gwinn, all of whom have won top vocal honors in high school, including all-state.

Flowers received high praise from his judge, Dr. Lee Kyilson, of the University of Miami.

The IPHS Singers, a madrigal of 10 voices, were rated Div. I. Members include Carrie Cole, Tandra Wilkerson, Donna Casper, Robyn Walsh, Michelle Miller, Darlene Mahler, Lester, Flowers, Fowler and Randy Gibson.

Soloists receiving Div. I were Cole, Annette Nanez, Fowler, Gwinn and Flowers.

Vocalists receiving Div. II ratings were David Flowers, Karen Arrington, Kerri Edwards, Kamela Edwards, Gibson, Connie Bryan, Walsh, Tandra Wilkerson, Lester.

Annual concert slated Tuesday

The annual spring concert of the Iowa Park High A Cappella Choir will be presented at 7:30 p.m. Tuesday in the school auditorium.

Divided into three sections, the concert will consist of sacred, novelty and pop music.

Other selections will be provided by the Tempos and the men's quartet.

Admission will be \$1.25 for adults and 75 cents for students. Records, including those of past years, will be available for sale.

Weather Report

Weather reports are officially compiled for Iowa Park at the Texas Experiment Station, southeast of town.

Rainfall for week	.85
Total for month	.85
Total for year	5.43
Total last year	7.87

'Jaws of Life' demo slated here Saturday

Do the citizens of Iowa Park want the availability of a "Jaws of Life" apparatus?

That's what members of the Iowa Park Volunteer Fire Department want to find out.

Two separate vehicle accidents in which operators had to be freed from crushed cabs have occurred during a week's period here in the city. Had either one been seriously injured, they would have not been in time for medical attention, according to Department spokesman.

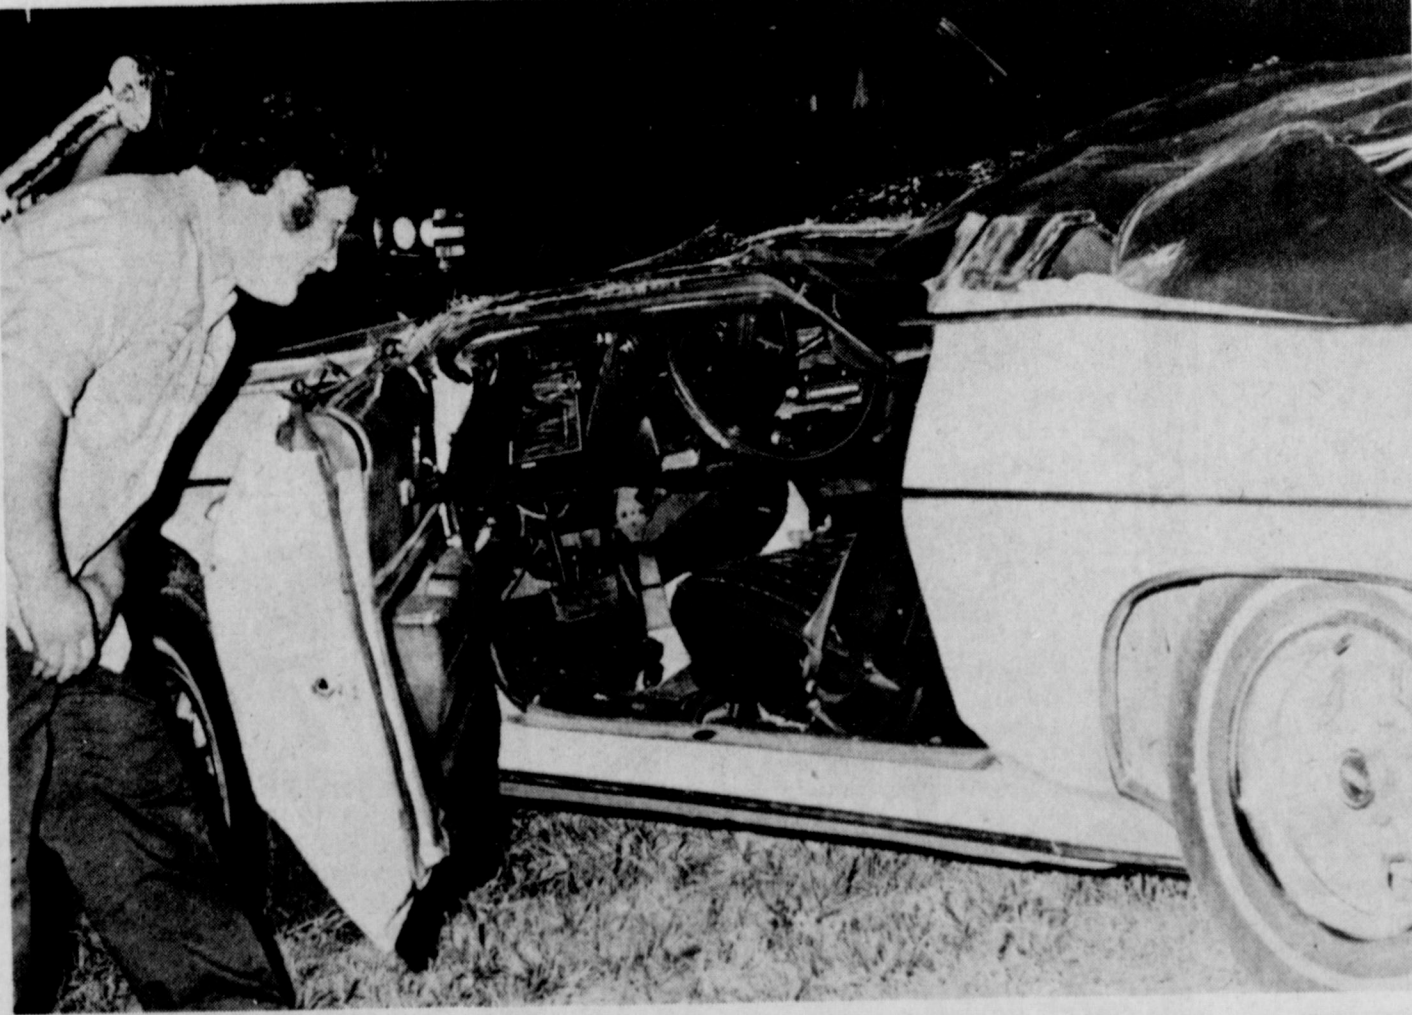

A demonstration of a "Jaws of Life" will be given at 2 p.m. Saturday, on Cash Street in front of the Chamber of Commerce building. Members of the Electra Volunteer Fire Department will give the demonstration, which is expected to last between half to three-quarters an hour.

At the demonstration, IPVFD members hope to get enough reaction from citizens on whether to start a campaign to raise the funds, approximately \$5,500, to purchase a "Jaws of Life".

"If we do buy a 'Jaws of Life',

Bloobmobile here Friday

Seventy-five pints of blood is the goal to be collected from donors when the Red Cross Bloobmobile sets up at the First Christian Church from 1 to 6 p.m. Friday.

CLOSE CALL -- Eddie Ray Browning of 318 W. Diamond escaped serious injury Sunday night when he lost control of his automobile and overturned on Johnson Road while

attempting a turn onto W. Magnolia. He was treated and released from Wichita General Hospital.

Adams-Lewis wedding vows exchanged here Saturday

Wearing a formal white sheer gown enhanced with Chantilly lace over peau de soie, Miss Deborah Lee Adams became the bride of Steven Paul Lewis Saturday afternoon in double-ring nuptials performed at First United Methodist Church.

The Rev. Jim Connatser, pastor, performed the two o'clock ceremony to unite the daughter of Mr. and Mrs. Floyd J. Adams of Iowa Park and the son of Mr. and Mrs. William F. Lewis of Lawton, Okla.

Guests signed the bride's book in the church foyer at a table covered with heirloom lace over blue taffeta Mrs. John Adams, sister-in-law of the bride, secured their signatures.

As the bride walked the aisle to the altar on the arm of her father, who gave her in marriage for both parents, she plucked a long stemmed red rose from her bouquet to present to her mother and kept another one to give to the groom's mother following the ceremony.

The bride's gown was fashioned with a high neckline and yoke framed with Chantilly lace motifs showered with seed pearls which were seen again on the long sleeves closed with self-covered buttons at the wrists. Side panels of the lace motifs extended down the front of the gown from the shoulders to the floor and on the back of the bodice to a Dior bow at the raised waistline where the chapel train became a part of the gown.

A Juliet cap of Chantilly lace and seed pearls held the tiered illusion veil. She carried her late great-great-grandmother's embroidered linen handkerchief, borrowed ear rings from her maid of honor, wore the blue garter and lucky penny in her shoe to observe bridal traditions.

Completing the lovely picture, the bride carried a cascade cloud bouquet of miniature carnations, daisies and baby's breath in spring colors accented with silk butterflies and hearts.

The altar decorations consisted of two fifteen-branched brass candelabra ornamented with emerald greenery, white satin bows and white tapers, two large arrangements of pastel-colored carnations and daisies, and a brass kneeling bench with white cushions. Pews for the parents were marked with clusters of flowers like

those chosen for the nuptial space.

The wedding music was provided by Mrs. John Mixon, organist, and Miss Betsy Burrell, soloist. The organist played a medley of traditional prelude selections, the marches and accompanied Miss Burrell for her offerings, "The

Wedding Prayer" and "The Lord's Prayer."

Miss Tina Muhlinghouse of Azle participated in the wedding as maid of honor. Bridesmaids were Miss Sherrell Lewis of Lawton, Okla. sister of the groom, and Miss Karen Owens. They wore long light blue polyester organza gowns

with ruffled front and back V-necklines, set-in waists with fabric flowers at the back, capelet sleeves, flared skirts with smart hemline flounces. They wore bands of blue flowers in their hair and carried small cloud bouquets of pastel daisies and baby's breath.

The groom wore a blue daisy cluster boutonniere with his all-white tuxedo and the male members of the wedding party wore white daisy clusters with their light blue tuxedos.

Charles Adams of Lawton, Okla. was best man. Groomsmen were Jay Snider of Cyril, Okla. and Greg Ebish of Apache, Okla. John Adams of Wichita Falls, brother of the bride, was usher.

The bride was graduated from Iowa Park High School and received a degree from Midwestern State University in electronic technology. She is attending Vernon Regional Junior College and works for Texas Electric in Wichita Falls. A graduate of Lawton Eisenhower High School, the groom attended the University of Oklahoma and works for KLUR Radio.

For the wedding, the bride's mother wore a street-length mauve pointelle polyester dress with a dirndl skirt and a scarf that dipped to points in both front and back, then tied at the shoulders. The groom's mother wore a yellow knit suit with a jersey knit blouse that tied in a bow at the neckline. Both wore matching daisy and baby's breath corsages.

A reception was given by the bride's parents in the Fellowship Hall of the church following the wedding to honor the newlyweds. Mrs. Georgia Flanagan, pianist, furnished a musical background.

The bride's table was tastefully draped with a white satin cloth overlaid with a white lace cloth accented with clusters of spring-colored roses. The centerpiece was a tall triangular floral arrangement emphasizing the blossoms and hues that decorated the nuptial area.

The refreshing spring colors were repeated in the cascades of frosting flowers that decorated the four-tiered bride's cake divided with two sets of Grecian pillars. The top ornament, which imparted special distinction to the confection, was a floral-laced canopy touched with multi-colored flowers and green ribbons covering white porcelain bisque angels kissing under a lace-trimmed arbor of silk roses and delicate lilies of the valley. The crystal services blended with the delicate table setting.

The groom's table was laid with a tailored beige linen cloth trimmed in brown and held yellow pillar candles burning in heavy antique holders. The chocolate horse-shaped cake was trimmed with yellow rosebuds. A silver coffee service was an additional appointment.

The registry table at the reception was covered with white lace over satin and held a tall white plume pen and the bridal attendants' bouquets.

Assisting with the reception were Misses Linda Trent, Vickie Thompson, Karen Andersen, Lisa Muhlinghouse and Mrs. Rickie Riley. Rice bags were handed to the guests by Misses Sandy Lee Snider, Becky Dominy and Dee Ann Todd.

The rehearsal dinner was hosted by the groom's parents at Trade Winds.

The couple will live in Burk Burnett following a trip to Waco and San Antonio.

Out-of-town wedding guests were Mrs. Marvin Turner of Lawton, grandmother of the groom, Mrs. Harold McIntyre, Mr. and Mrs. Floyd Adams, all of Mt. Morris, Mich., grandparents of the bride; Mrs. Brenda Dominy and Becky, Mr. and Mrs. William Matter of Mt. Morris, Mich.; Mr. and Mrs. Berky Means, Winfield, Kans.

Others were Mrs. Floyd Kennedy Jr., Messrs. and Mmes. Lowell Ambrose, Julia and Kristie, Harold Singletary, Joe Harrell and Kay, all of Lawton, Okla., Mrs. Inez Brown and Lee Turner of Marlow, Okla., Mrs. Jean Snyder of Cyril, Okla., Mark White, Reno, Texas, Chris and Kim Garrison, Adrian, Texas, Mr. and Mrs. Loyd Muhlinghouse and Lisa of Azle.

JULIE COCKRUM and JACKIE DENTON

August date is selected

Mr. and Mrs. James Cockrum are announcing the engagement of their daughter, Julie Carol, and Jackie D. Denton, son of Mr. and Mrs. Eugene Denton of Hobbs, N.M.

August 2 has been chosen by the couple for their wedding date.

Miss Cockrum was graduated from Iowa Park High School. Her fiancé, who is a coach at Iowa Park High School, was graduated from high school in Hobbs, N.M. and New Mexico State University.

Installation ceremony is meeting highlight

Mrs. Frank Harlin, member at large, gave the Founders Day program and conducted the installation ceremony for Epsilon Eta chapter of Epsilon Sigma Alpha Tuesday evening.

The meeting was held in the home of Mrs. D.W. Mercer with Mrs. Bill Vanek serving as co-hostess.

Preceding the program, Mrs. Charles Dudley directed the period devoted to business.

A report on the Pace Park playground equipment project was heard and plans were made to add more equipment. Mrs. Kennie Jones, chairman of the St. Jude Bike Ride scheduled for June 3, gave a progress report. Plans were made for the annual banquet at Holiday Inn Downtown May 23 to close the year's activities.

Mrs. Harlin gave an informative talk on "The Founding of the Texas State Council of ESA," covering the history from the beginning of the council in 1949. She stated that there were 36 widespread chapters and that they divided

the state into seven districts.

Continuing, Mrs. Harlin said that in May 1950 Texas influenced the International Council to adopt the "Aid to Handicapped Children" program. She discussed the growth of Texas Council chapters and the vast amount of monies, hours and donated goods given through Texas ESAers through the years.

Mrs. Vanek presented Mrs. Harlin with her 25-year service pin.

Officers installed for 1978-79 were Mmes. Vanek, president; Bill Hrcncirik, first vice president; Roy Johnson, second vice president; Allen Gilstrap, treasurer; Jean Proulx, recording secretary; Charles Dudley, parliamentarian.

Accepting the gavel from Mrs. Dudley, the new president announced her theme for the coming year to be "The Precious Gift of Life is Love".

Also present were Mmes. Tom Venhaus, Carlton Hicks, Dalton Bleeker, R.B. Faulkner, Tom Compton, Ricky Vanek, Bob Hunt and Paul Tiggert.

LOOK WHO'S

NEW

Mr. and Mrs. Stephen D'Wayne McGhee announce the birth of their second daughter, Kelli D'Ann. She was born April 28 and weighed eight pounds, four and one fourth ounces. Her sister, Lori Kay, is four and a half years old.

Grandparents are Mr. and Mrs. Jack Capps of Iowa Park and Mr. and Mrs. Jimmie McGhee of Wichita Falls. The great-grandparents are Mr. and Mrs. R.D. Alsop of Vernon, Mr. and Mrs. Louise Johnson of Bellevue and Mr. and Mrs. Burl McGhee of Elkins, Arkansas.

Mr. and Mrs. Terry Walls of Wichita Falls announce the birth of a six pound, fourteen ounce son, Terry Michael, Jr., May 2.

Grandparents are Mr. and Mrs. O.P. Walls of Iowa Park and Mr. and Mrs. Glenn Sharp of Wichita Falls.

Japan trip film shown

Mrs. Omega Harris of Wichita Falls, a teacher at City View, presented a program of slides and narration on Tokyo, Japan for the Iowa Park Lions Club meeting Thursday evening. The slides were taken or bought during her visit to the capital city of the empire of Eastern Asia in the summer of 1977.

The meeting was held in the home of Mrs. Wm. Nunn and the hostesses were Mrs. W.E. Karstetter and Mrs. D.O. James.

Mrs. W.F. Booher used

"Drama of Spring" by Walter R. Courtney, D.D. for the devotion and closed with "Tranquility", a poem by Laverne P. Larsen.

During the business, officers were elected to serve during 1978-79. Composing the slate will be Mmes. W.E. Karstetter, president; Faris Nowell, vice president; Keith Aulds, recording and corresponding secretary; Wm. Nunn, treasurer; Sam Hill, Lionses tamer; Sam Hunter, tail twistress; L.E. Brooks, parliamentarian; D.O. James, historian; R.A. Tanner, chaplain; Homer Blalock, reporter; W.F. Booher, telephone chairman; Aulds, James and Hill, directors.

DAVID LEWIS and DEBRA BROWN

Eighth grade play presented

The cast of the eighth grade play, entitled, "Who's Feudin' Now?" has successfully concluded their "season".

The cast consisting of Eric Birk, Leslee Phillips, Tammie Richardson, Mark McKinley, Jayne Elliott, Dana Hicks, Robbie Wheeler, Kristi Lemmon, Mark Williams and Marianne York performed at the Junior High, Valley View and for the Friendly Door.

The stage crew for the play was Bobby Britt and Jon Dressler.

Mr. and Mrs. Randy Underwood of Iowa Park are the parents of a son, Brandt Lee Underwood, born April 17. He weighed 6 lbs. 11 oz. Grandparents are Mr. and Mrs. H.G. Adams, Jr. and Mr. and Mrs. A.C. Underwood all of Ranger. Great-grandparents are Mrs. H.G. Adams, Sr. of Ranger and Mrs. L.B. Gordon of Bokchito, Oklahoma.

Announce engagement

Mr. and Mrs. Carlton Brown announce the engagement of their daughter, Debra Lynn and David Clinton Lewis, son of Mr. and Mrs. Truman Lewis of Wichita Falls.

Miss Brown was graduated from Iowa Park High School. She attended West Texas State University where she was a Delta Zeta pledge. She is a sophomore at Midwestern State University and belongs to Alpha Phi. She also works as an accounting clerk for Bailey-Meissner.

A graduate of Rider High School, where he was on the varsity football and track

Pupils winners

Seven pupils from Sewell Studio were declared winners in the National Piano Playing Auditions last week.

The winners were Tanya Jones, Deanne Patterson, Pamela Foreman, Leslie Britton, Debbie Bowden, Kevin Robnett and Alisa Cain.

teams, a member of the Spanish Club and FFA, the groom-elect works for Electric Machine Shop.

The wedding will be an event of June 2 at the Church of Christ.

Alpha Psi Omega to hold initiation

Eight MSU freshmen will be initiated into Alpha Psi Omega, national honorary fraternity in theatre, at 6:30 p.m. May 13 in the MSU Fine Arts Center.

Theatre majors to be initiated include Paul Cox and Mary Hestand, Irving, Richie Dye, Grand Prairie; Stacy Edwards, Henrietta; Sandy Hammack, Iowa Park; Betsy Kidd, Wichita Falls; Clara Phillips, Houston; and Christopher Wright, Burkburnett.

A reception and the annual Alpha Psi Omega banquet will follow the initiation ceremony.

Friendly Door plans picnic

May has been proclaimed National Senior Citizens Month. The Friendly Door will join the other Doors and attend the annual picnic at Lucy Park Friday from 11

a.m. until 2 p.m. Those who plan to go are asked to be in front of First United Methodist Church in time to be loaded on the school bus by 10:30 a.m.

Myrna Robinson, site manager, said that members of Friendly Door were to bring a covered dish, or fried chicken if they preferred to bring meat. They are also to bring a lawn chair for their comfort.

Board members will be honored at a covered dish luncheon. Friendly Door members are to bring meat, vegetables or salad. Drinks, bread and dessert, which will be the birthday cake, will be furnished. Following lunch, entertainment will be furnished by Mrs. Otis Gay and Steve Brackeen.

Myrna Robinson has been site manager of Friendly Door since its inception. Lois Lynn was named assistant several months later. The Iowa Park Optimist Club has volunteered to do minor home repairs for Senior Citizens. The service is available by calling 592-9311.

India work emphasized

Mrs. H.W. Carter directed a business meeting for the United Methodist Women in their meeting Tuesday morning.

Mrs. M.L. Hines reminded members that emphasis during May will be placed on mission work in India and that a completely voluntary food ship will embark for Indonesia in the near future.

Miss Ethyle Kidwell, Christian Global Concerns chairman, announced that Mrs. J.N. Palmer, a returned missionary from Haiti, would be the speaker at Floral Heights United Methodist Church May 9 and that guests would be welcome.

Announcement was made of a dinner and playlet May 7 to honor the Methodist high school seniors.

Mrs. Otis Gay led the devotional period using for a topic "Living One Day at a Time". She emphasized that living one day at a time runs through all the teachings of Jesus who taught to prepare for tomorrow but not to be anxious. "The purpose of living is to find God through Christ and that is all we need," she stressed. Mrs. Phil Krum sang "Just for Today" to conclude the

devotion.

Others attending were Mmes. James Owens, Larry Parks, Jim Connatser, Charlie Lee, Bertha McDonald, James A. Sewell, George Trammell, L.A. Teal, Rafael Carrillo Miranda, Carl Sullivan, Miles Thompson, Kathleen Hatten, Eldon Thompson and E.L. Gallop.

Tuesday, May 9, will be a very important day to Friendly Door when a celebration is planned for the first anniversary and membership drive. A table will be set up to take dues which are still one dollar. Friendly Door, which started with 125 charter members, now has a membership of 337, according to Mrs. Robinson.

Girl Scout troop finishing program

The Girl Scout Junior Troop 29 of Iowa Park is completing its spring program and making plans for the summer scouting activities.

The girls have had several worthwhile service projects during the current year. A paper drive was held during the year to provide funds for the projects, the first of these being the purchasing of toys and food for a day care center.

The Girl Scouts then earned a "Toymaker" badge by making stuffed dolls, wooden race cars, a bean bag toss game and a toy soldiers bowling pin game for the children's ward at Wichita Falls State Hospital.

Other projects included donating two red bud trees to Bradford Elementary

School to replace some of the trees damaged earlier by vandals, and planting a flower garden at First Presbyterian Church in appreciation for the use of the facilities for the weekly meetings.

The troop voted to add to their inventory of camping equipment with part of the successful cookie sale money this year. Three tents and a stove were purchased. The girls are presently working on plans and skills for a camping trip and summer Day Camp.

Composing Girl Scout Troop 29 are Thresea Bennett, Jenny Black, Brandee Blewett, Annette Brown, Alicia Compton, Tina

Featherston, Tracey Hall, Robbin Isbell, Charlotte King, Keri Knecht, Jeanne McAbee, Amy Silvers, Carolyn Smith, Tammie

Smith and Lisa Weed.

The leaders are Mrs. Michael Brown and Mrs. E.E. Compton, Jr.

Human relations meeting program

Alpha Epsilon Omicron chapter of Beta Sigma Phi had perfect attendance at the meeting Monday evening held in the home of Tanya Lagunas.

Karen Fullerton led opening rituals and Sue Owens led closing rituals.

Toni Lunsford received rituals of the badge and Mary Beth Todd gave the program on "Human Relations."

Members responded to roll call to "Are you an introvert or extrovert?"

Other chapter affiliates in attendance were Diane Attwood, Gloria Bond, Fay Bradford, Gayle Cleghorn, Marge Conklin, Lela Garrels, Florence Holman, Sharon Klinkerman, Wanda Wilson, Jimmie Isbell, Carol Wallace, Penny Veal, and Lavonne Stogger.

As I See It....

By BOB HAMILTON

When a newspaper endorses a political candidate, those endorsements are based on a number of reasons, such as personal contact, political affiliation, type of campaign, actions of an incumbent, candidate's relationship to one's voting district, etc.

For a number of years, I've published my endorsements, but this will be the first time I've endorsed candidates as close as the county offices. It's always been on the state and federal levels.

Now, first of all, I certainly don't think my opinions on candidates have any bearing on an election outcome. I've always held the opinion that the voters are certainly capable of making up their own minds on whom they wanted elected. But readers seem to want to know what I think about candidates, and that's why I started publically endorsing candidates.

Once again, I will knock the Republican Party for not providing the people more candidates, or a choice of candidates. In this part of the country, the two-party system is nothing more than lip service.

But here are my choices in Saturday's primaries:
U.S. Senator - Bob Krueger on the Democratic ballot. I wouldn't elect Joe Christie to clean up the mess a dog catcher makes.

U.S. Representative - Jack Hightower, unopposed on Democratic ballot, and a good man. On the Republican ballot, Clifford Jones, because he's run the most aggressive, and believable campaign.

Governor - Dolph Briscoe. I was going to go with John Hill, but any candidate who can come to Wichita Falls as many times as he has the past couple of months, and then be thoughtful enough to send his son-in-law to attract votes just hasn't won me over. On the Republican

ballot, I like Ray Hutchison, and think he will get his party's nomination.

Agriculture Commissioner - Reagan Brown. He knows agriculture, government operations, people and politics. I'll quote from an earlier column of mine: "We need more Reagan Browns".

Railroad Commissioner - Mack Wallace and John Poerner, based on personal conversations with each, and believing their stated philosophies concerning our state resources and the federal government.

Lieutenant Governor - Bill Hobby. He's not the most personable man, but I think he's done a good job in that office.

Attorney General - This is probably the toughest for me to make up my mind. I thought Price Daniel Jr. did a good job when he was speaker of the house, and I found some fault in Mark White's handling of the Secretary of State. However, it's my opinion that White is more qualified to serve as attorney general than Price, so I'll take White.

Treasurer - Warren Harding. "I'm a political animal" he once told Dolores and me, admitting with all honesty. If a man is that honest, I'll trust him with my money, knowing what I'm dealing with.

Associate Justices - Franklin Spears, T.C. Chadick, Jim Vollers and W.C. Davis.

County Treasurer - I think Bob Terry has impressed me the most, with his business background and his interest demonstrated here in Iowa Park.

County Clerk - Jerry Padgett because I like him, because he has the experience in the office, and because he is always helpful whenever called on for information. He's a good 'un.

County Judge - Because he has been in Iowa Park numerous times during the campaign, because of his experience in law, and because of his

outlook toward the leadership his office affords, no question about it: Tom Bacus.

Now, obviously, I have referred to both party primaries in this column, and you understand I'm sure that you can vote in only one party primary, either Democratic or Republican. The only time you can vote for either on one ballot is in November's general election.

But these are my selections for office. I'm sure some of them are going to come back and haunt me, especially when the runoff campaigns get started.

And so it goes

Letters to the editor

Dear Bob,

Once again I feel the need to respond to your AS I SEE IT editorial. This one of April 27, 1978. While I suspect this provocation may be intentional on your part, I really do not mind the articles that you write regarding the postal service. In fact, we may be even a little flattered by the attention you give us.

What I do mind, as I believe most thinking Americans do, is the frequent attempt of the media, including some newspapers, to create a desired impression upon the public mind by withholding certain facts which, if known, would vastly alter that impression.

Since you have stated that in the last few years postage rates for your newspaper have increased by 400 percent, I believe that your readers are entitled to know that before the phased increase began in 1973, you were able to mail your newspaper

within the county for less than one-half (1/2) cent each. Now, after the huge increase you write of, it costs you an average of approximately one and one tenth (1.1) cents to mail each paper within the county.

If you neighbor mailed a similar piece of the same weight, his cost for second class would be 16 cents, for third class 28 cents and for first class 35 cents.

I happen to share the belief of our forebearers that second class privileges should be accorded newspaper publications in order that Americans might share in the history making news of the moment. I hope this will always be the policy of the Postal Service and of our government.

I also believe that publishers have a responsibility to inform impartially and without bias the full facts of any issue addressed either editorially or as a news item, and to constantly guard against the temptation to distort by omission of facts relative to the issue at hand.

After many years of poor working conditions and a low pay schedule, employees represented by the postal unions have at last gained a fair share of the labor dollar. I, for one, am very proud of that fact.

Sincerely yours,
Lee R. McQuerry
Postmaster

stand, umpire, or do whatever they can, the program will fail.

It can be a great baseball season if only the parents will get involved. We have some great sponsors who purchase uniforms for us, but without responsible adults these are abused and or lost or just not picked up at the end of a season. The parent should see that a board member is contacted to pick up uniforms and the board member should then see that they are in a safe place until the next season.

You parents should act in a mannerly way at all games so as to set an example for your child. Everyone participating in a game is there as a volunteer and they should be treated with respect and gratitude for giving of their time and energy.

We the board don't like to demand of any parents' time, but someone is going to have to take over this responsibility next season because the same men cannot continue year after year. We will be having umpire clinics and score keeping classes for anyone interested. So you parents, come on, get involved. These kids are kids for such a short time let's enjoy them and play with them while we can. We will have a great program but only if you care enough to help out wherever you can and really be involved.

Thank you,
Gordon Griffith
592-4840

To the Public:

We the board of directors of the Iowa Park Little League have been proudly serving our baseball league, but President Johnny Brown and his staff need help badly. The six or seven men that are helping Mr. Brown cannot continue without some help from the rest of the board, coaches, managers and especially from parents. The coaches and managers are trying to coach and each team should have a responsible team mother to help with other areas, but it is up to the parents to see that the program is a success.

If the parents won't pay the required fee, work in the concession

To Band Parents,

I want to take this opportunity to say that the band is a terrific bunch of kids. Their ratings in Amarillo was not a perfect I but the kids were.

As every parent does, I wondered how my child behaved on band trips. All of them are a credit to Iowa Park and their parents.

The ten minute nap, the pillow fight, being referee and being locked in the bus when were part of the pleasure of being chaperon.

Thanks to Mr. Mooney, Mr. Cartwright and all the kids for a great time.

Mrs. Jimmy Chaffin

107 WEST PARK

'Mame' opens today at MSU Arts Center

"Mame," starring Jan Clayton in the title role, will be the inaugural production of the mainstage in the MSU Fine Arts Center. The musical will open today at 7:45 p.m. and will be preceded by a champagne reception at 7 p.m. in the Minnie Rhea Wood Foyer.

Performances also are slated at 8 p.m. Friday and Saturday and at 2:30 p.m. Sunday. A wine and cheese party will be sponsored by the MSU Ex-Students Association at 7:15 p.m. Saturday in the Art Department Gallery for persons attending "Mame."

Three award-winning one-act plays, winners in the first annual MSU Playwriting Festival for Original Short Plays which was sponsored by the Department of Speech and Drama and the Department of English earlier this year, will be presented 1-4:30 p.m. Saturday in Bea Wood Studio Theatre as the official opening of that theatre. Each playwright will be present and the plays will be directed by theatre students.

Jerome Lawrence and Robert E. Lee, playwrights of "Mame," were to arrive Wednesday to be present for the gala opening of the theatre facilities. They will present a credo which they have written especially for the new facilities prior to the opening night performance and they will critique the three one-act plays. Lawrence and Lee made the final jury selection in the playwriting contest.

"Mame" will be presented by the MSU Department of Speech and Drama, the MSU School of Music, the Wichita Falls Symphony Orchestra and the Wichita Falls Ballet Theatre. It will feature a cast of nearly 50 actors, dancers and singers, and will boast a complete orchestra.

When asked about costuming "Mame," Tamara Johnson and David Nelson, co-costume designers, jokingly screamed in unison.

"We had about 250 costumes to prepare," Johnson explained. Probably one-third of those were original constructions, one-third were reconstructions and one-third were rented or supplied from individual stocks.

Nelson pointed out that as much or more work went into remaking costumes because the original piece

had to be taken apart, altered and then put back together.

He added, "Without the support of people in the community, costuming 'Mame' would have been much more difficult. People were very generous in donating old clothes to the production - that generosity made all the difference to us."

Johnson noted that she, Nelson and the student members of the costuming crew had spent about two to three hours on each costume. "We have worked with every kind of material and notion imaginable, from satin and taffeta to chiffon and velvet, and including boas, feathers, flowers, rhinestones, glitter and sequins. The styles of costumes range from the 1920s to the 1940s."

Both designers have roles in "Mame" and both are junior theatre majors.

Don Henschel, scenographer and Director of Technical Theatre, said, "This show makes use of every piece of technical equipment in the building. There is an example of every piece used - from winches to construction knowledge, and including full lighting and sound capabilities."

"As an educational theatre experience, we've never done anything like this before."

Among other bits of technical wizardry, Henschel; Gary Moer, master carpenter; Ben Wilson, assistant master carpenter; Len Howard, scene shop foreman, and other students have constructed a giant turntable with a curving staircase on it; a half moon on which Ms. Clayton will swing, and several large painted backdrops, all especially for use in "Mame."

Dr. Michael Gerlach, MSU Director of Theatre, is directing "Mame." Frank and Irina Pal, artistic directors of the Wichita Falls Ballet Theatre, have choreographed the dances and provided stage direction; Jim Bell, MSU Choral Director, has provided choral direction, and William Boyer, conductor of the Wichita Falls Symphony Orchestra, is conducting the orchestra. Clayton has provided coach-

ing for the cast since arriving April 9.

Tickets for "Mame" are priced at \$10 for opening night and \$5 for the other performances. There will be an admission fee of \$2.50 for the wine and cheese party. Admission to the one-act plays will be free, Tim Connors, instructor of speech and drama and coordinator of the playwriting festival presentations, said.

Reservations for all phases of the gala festivities are progressing rapidly, Walter Lemons, box office manager, said. The box office will remain open through May 7 for ticket sales, he added. Reservations can be made by calling 692-6611, ext. 701.

BUSINESS

Though the name of the firm will not be changed, a partnership with Bill Bates in Bill Bates Chevrolet was announced this week.

Joe Barrios, a veteran of several years in automobile sales and rentals was introduced this week as Bates' partner.

He will move his parents here from Tempe, Ariz. early next month, as soon as housing is obtained. His wife's name is Paula, a native of Fort Worth. They have two sons, Clay, graduating high school this month, and Manuel, a second grader.

The partnership said they will be making a few changes, relative to marketing and merchandising, but they plan no changes in personnel.

Cheerleaders are selected

Cheerleader elections were recently held at the Junior High School.

Girls elected to serve as cheerleaders for the 1978-79 year are Heather Hauser and Jana Ketchersid, seventh grade; Susie Cameron, Dayna Daugherty, June Dietrichson, and Shawnee Henderson, eighth grade. Ginger Barnes is the alternate.

The girls will attend the cheerleading camp in Wichita Falls, June 5-9.

JAN NOEL

Couple picks June date

Miss Jan Noel and L.C. Clower will exchange matrimonial vows June 3 at the Church of God, according to an announcement that her parents, Mr. and Mrs. Joe H. Noel, are making today. The future groom is the son of Mrs. J.C. Clower of Wichita Falls.

Miss Noel is a junior student at Midwestern State University where she be-

longs to the Order of Diana with Tau Kappa Epsilon. She is a volunteer worker at Wichita County Humane Society and was graduated from Iowa Park High School.

The prospective groom attended Midwestern State University where he belonged to Tau Kappa Epsilon and he is a self-employed contractor.

Older Texans to meet

"Maturity Speaks! Let's Listen" is the theme of the 1978 Governor's Conference on Aging, which is expected to draw some 8,000 older Texans to the San Antonio Convention Center June 26-27.

Robert C. Benedict of Washington D.C., recently confirmed U.S. Commissioner on Aging, and Bert Kruger Smith of Austin, executive associate of the Hogg Foundation for Mental Health, will address the participants during the opening and closing general sessions.

Governor and Mrs. Dolph Briscoe will also address the conference during the opening session on Monday, June 26. "This is a conference for the elderly, not about them," said Governor Briscoe in

announcing the event as a forum "for the older persons in Texas to be heard."

In addition to these general sessions which will be chaired by Alton Bowen, chairman of the Governor's Committee on Aging, the program for the two-day conference will include presentations, panels, and discussions led by senior citizens, group seminars and workshops, entertainment by older citizens from across Texas, and exhibits by associates, state agencies, model projects serving older persons, and commercial businesses.

Free books by mail

What's more fun than a new Sears catalog? What's cheaper than a first class stamp? The answer to both questions is the new 1978 Books-By-Mail catalog now available to all homebound readers in the north Texas area.

Any person unable to get to a local public library due to a physical handicap, lack of transportation, residency in a nursing home, or who is homebound for any other reason, is eligible to receive a Books-By-Mail catalog. The catalog lists over 800 paperback books from which you can make your selections.

No library card is needed to order these books. The reader fills out the pre-addressed post card provided with the catalog, adds a 9c stamp, and mails the card to the Northeast Texas Library System in Dallas. The books arrive in a re-usable canvas mailing bag which includes a pre-paid return label.

Best sellers, mystery stories, westerns, romances, cookbooks, and joke books are among the many types of paperback books listed in the catalog. Books for pre-school and school-age children are also available.

The Books-By-Mail project is sponsored by the North Texas Library System, and is funded by state and federal tax money. New catalogs and information about the service may be obtained by contacting your local public library, or by contacting the North Texas Library System, 9th and Throckmorton, Ft. Worth, Tx. 76102 - Phone 817-335-6076.

Legalized Horseracing. Texans want it... Texas needs it!

The prospect for again having horseracing in Texas has never looked so promising.

Texans in ever-increasing numbers are realizing the recreational and economic benefits of this outstanding spectator sport and are working hard to see it become a reality after a 41 year absence.

The facts are clear...legalized horseracing is wanted by most Texans and will have a tremendous impact on the state's economy.

The most popular sport in America

Thoroughbred racing is the most popular spectator sport in America according to U.S. News and World Report.

More than thirty states have legalized horseracing including four that border Texas. Studies indicate that our neighboring states with horseracing have from 500,000 to 600,000 in daily admissions...a majority of whom are Texans!

No wonder a majority of Texans are in favor of this sport. A public opinion poll taken in December of 1977 by a private polling firm showed 66 per cent of Texans favored local option pari-mutuel wagering.

A boon to Texas' economy

Economists are equally excited about the issue. A 1972 University of Texas Bureau of Business Research Report estimated that legalized horseracing would bring in \$21,000,000 to \$33,000,000 per year to the state treasury.

"...Bay Meadows (racetrack) not only is our number one visitor attraction but also serves as a focal point for civic affairs and social events and is a major source of fund raising for charitable projects."

Ken Brown
Executive Vice President
Chamber of Commerce
San Mateo, Calif.

The horse racing industry is a brand new agricultural industry for Texas; in other states, horsebreeding and training farms have developed into a several hundred million dollar industry for those states.

"It (the economic impact of horseracing) goes far beyond the very large number of dollars and number of people employed. There are many services and retailers that benefit tremendously from the

track. We believe that those people who oppose such an endeavor are very shortsighted in their thinking."

Robert M. Zinsemeister
Director of Governmental Affairs, Chamber of Commerce
Greenbelt, Maryland

The best policed sport in the Country

In 1972, the Senate Interim Study Committee declared that horseracing is no more corruptible than any other sport. "The horseracing industry is a healthy, productive asset to our country."

Jim Richie
Executive Director
Congressional Commission on the Review of the National Policy Toward Gambling.

Again in 1972, The Texas Department of Public Safety found that a majority of states with horseracing found no additional problems created with the sport.

"Racing is the best policed sport in the world. We do not have the criminal element because racing in Nebraska is non-profit and must be

sponsored by non-profit civic organizations. It is designed to help our number one industry which is agriculture."

J. Morton Porter
Executive Secretary
Nebraska Racing Commission

In addition to strict regulations imposed on horseracing in other states, supporters are proposing that tracks in Texas be run by non-profit foundations with the revenues to go to the state and to charities.

"I have great appreciation for the race track and race trackers. That is to say that I am certainly positive to your Texas effort."

I will keep an eye and heart on pari-mutuel wagering in Texas. You owe it to Texas!

Rev. William B. Craig
Ordained Southern Baptist Minister
Louisville, Ky.

The time has come to dispell the 41-year-old myths associated with this popular spectator sport. Look at the facts.

Texans want horseracing... Texas needs it!

MACK WALLACE

Railroad Commission of Texas

"Mack Wallace... has recognized not only the importance of maintaining a healthy oil and gas industry but the needs of the consumer faced with ever-increasing energy costs."
DALLAS MORNING NEWS

"Mack Wallace... brought to the job the dedication it commanded... he has the experience it requires... he has shown himself to be a guardian of fairness for both the energy producer and consumer."
FORT WORTH STAR-TELEGRAM

"As Railroad Commissioner, Wallace's record has been marked by a keen awareness of the responsibilities of the commission... he has carried the message of Texas with vigor."
HOUSTON CHRONICLE

"Wallace... brings to the Commission the sound judgment and background that will continue to serve Texans well."
WICHITA FALLS TIMES

"Wallace is personable, reasonable sounding... and we especially appreciate his determination to make the Railroad Commission's activities better known to the public."
EL PASO TIMES

"Wallace already has established himself as an articulate spokesman for a sensible energy policy. He is a man to whom Washington should listen if it wants to stop the outflow of dollars for foreign oil without forcing hardships on American business, industry and individuals."
LUBBOCK AVALANCHE JOURNAL

ON SATURDAY, MAY 6 VOTE FOR A PROVEN LEADER FOR TEXAS

Pd. Pol. Adv. by The Mack Wallace Campaign, P.O. Box 8076, Austin, Texas 78712, Shelton Smith, Treasurer

23 Study Club big winner at state meeting

The 23 Study Club won one first place, three second places, one honorable mention and a certificate of appreciation at the Texas Federation of Women's Clubs Convention held in Austin Thursday and Friday.

The first place honor was in the Leadership Development program in the Education Department, and the club received special commendation for the manner in which the theme for the year "Lead the Way" was tied into the program.

Second places were received on the yearbook in Class B-2; Hands-Up program; overall programs. Honorable mention was deserved through the creative arts project highlighted by the annual Arts and Crafts Show to benefit the Iowa Park Library. A certificate of appreciation was given in the Care project.

Mrs. Earl Watson, president, and Mrs. Joe Singer, secretary of Santa Rosa District, and Mrs. D.O. James attended the convention.

Cook of the Week

George Norman Douglas said "The true cook - the only perfect blend of artist and philosopher". Whether cook, artist or philosopher or all three, today's homemaker finds that time is supremely important, especially if she has a family and works.

Mrs. Durhl Caussey of Holliday has all the earmarks of being able to efficiently combine her work with homemaking. Her recipes for this week indicate that she is aware of how important casseroles and dishes that can be prepared ahead of time, refrigerated or frozen, are to a working mother.

The Summertime Chicken Casserole calls to mind that chicken and summertime (which is just around the corner) are congenial companions; yet chicken is so often the answer for cooking up a regal meal any season of the year.

Debbie Caussey is a teacher for the emotionally disturbed in the resource room at Vernon Center South. Her husband, who was recently elected to the Holliday School Board and is working on a doctorate in education at Texas Tech, is a history teacher at the same center.

Mrs. Caussey was graduated from Cowley High School at Fort Worth and during her high school days she was active in the Burleson Mounties Riding Club. She attended Abilene Christian University two years and received a B.S. degree in education from Texas Christian University. She has six hours toward an emotionally disturbed certificate.

While in high school, Mrs. Caussey worked as secretary for several radio stations in Fort Worth. She has taught two years at Holliday and one each at Benjamin and Childress.

The Causseys attend Faith Village Church of Christ in Wichita Falls. They

Mrs. Durhl Caussey

have two children, Chad, three years old and Erica, ten months. Her hobbies are horseback riding, swimming and reading. She is a former member of Holliday Riding Club.

COTTAGE CHEESE SALAD

1 container cottage cheese (3 oz.) pkg. jello, any flavor
1 envelope of Dream Whip, prepared

1 can crushed pineapple, drained

Combine all of the above ingredients and refrigerate.

SUMMERTIME CHICKEN CASSEROLE

1 boiled chicken (deboned)
1 pkg. chopped broccoli
1 small jar Cheese Whiz
1 can cream of celery soup
1 can cream of mushroom soup

1 small can of mushrooms, drained

1 pkg. fried onion rings or 1 sliced onion

1 cup rice, cooked
Combine all of the above ingredients and bake at 350° for about 25 minutes or until heated thoroughly.

STRAWBERRY DREAM CAKE

1 pkg. white cake mix
1 pkg. Dream Whip not prepared

4 eggs
1 cup water

by mixing the above ingredients together. Pour into three round cake pans, greased and floured. Bake at 350° for 25 to 30 minutes. Cool.

STRAWBERRY FROSTING AND FILLING

1 pkg. Strawberry Whipped Frosting

1 carton frozen strawberries

1 pkg. Dream Whip, prepared

Prepare frosting as directed, omitting the water for the strawberry juice from

thawed strawberries. Set aside. In another bowl, prepare Dream Whip. Add about 4 T (more if desired) of strawberry frosting to Dream Whip. Stir thoroughly. Use Dream Whip mixture for filling of cake. After frosting cake with remainder of frosting, decorate with thawed strawberries or fresh strawberries if in season.

FORGOTTEN DESSERT

7 egg whites
1 t cream of tartar
Dash salt

1/2 cup sugar
1 cup whipping cream or Dream Whip

Fresh or frozen strawberries or other fruit for topping

Preheat oven to 450°. Beat egg whites slightly. Add cream of tartar and salt. Beat till very stiff.

Continue beating, adding sugar gradually, beat until sugar is dissolved. Butter a 9x13" Pyrex dish. Spread mixture in dish; put in oven and turn off heat. Leave dessert in oven overnight. (Do not peak.)

Next day, whip cream and spread over top of meringue. Refrigerate 4 hours. Top with strawberries or other fruit.

CHEWY PECAN PIE

1 9-in. unbaked pie shell
4 eggs

1 cup sugar
1 cup light corn syrup

1/2 t flour
1/4 t salt

1 t vanilla
1/4 cup butter, melted

1 cup pecans, halved

Prepare pie shell and refrigerate. Preheat oven to 350°. In medium bowl with a rotary beater, beat eggs well. Add sugar, corn syrup, flour, salt and vanilla. Beat until well combined. Stir in butter and pecans, mixing well. Turn into unbaked pie shell. Bake 60 minutes or until filling is set in center when pie is gently shaken. Cool pie completely on wire rack.

Friendly Door Lunch Menu

THURSDAY, May 4
Chicken, noodles/sauce, broccoli, salad, stewed prunes.

FRIDAY, May 5
Meat sauce/spaghetti, green beans, salad, garlic bread, cake.

MONDAY, May 8
Chicken/biscuits, English peas, cranberry sauce, applesauce.

TUESDAY, May 9
Meat balls/cheese, potatoes, green beans, salad, lemon pudding.

WEDNESDAY, May 10
Pot roast, potatoes/carrots, celery, onions, salad, peach slices.

THURSDAY, May 11
Swiss steak, corn, spinach, salad, homemade cake

FRIDAY, May 12
Barbeque chicken, beans/sauce, greens, salad, apricot cobbler.

PRICE DANIEL, JR. FOR ATTORNEY GENERAL

A PROVEN LEADER. QUALIFIED BY EDUCATION, EXPERIENCE, INDEPENDENCE AND INTEGRITY TO SERVE AS LAWYER FOR THE PEOPLE OF TEXAS.

LEADERSHIP

As Speaker of the Texas House of Representatives, Price Daniel, Jr. led the successful effort to achieve reforms in State government after the Sharpstown scandals. This resulted in the strongest and most effective legislation in the nation on:

- Governmental ethics and personal financial disclosure by public officials
- Campaign finance disclosure
- Open meetings of governmental bodies
- Lobby control and regulation
- Freedom of information and open records.

Price Daniel, Jr., a proven leader with a positive record of achievement for Texas.

ELECT BOB TERRY Democratic Party Candidate For County Treasurer

Elect a Business Man for a Business Office
26 years experience of Management and Bookkeeping

BY ELECTING BOB TERRY COUNTY TREASURER YOU CAN HELP

REDUCE the spiraling expense of EXTRA HELP in the County Treasurer's Office BY 66%.

Following is a verified account of the mounting annual expense for extra help in this office over the past 10 years:

1969 - nothing	1974 - \$ 1,015.07
1970 - \$ 105.00	1975 - \$ 4,299.67
1971 - \$ 280.00	1976 - \$ 6,552.00
1972 - \$ 192.50	1977 - \$ 6,567.00
1973 - \$ 649.60	1978 - \$ 7,207.00

(appropriated)

My Proposed Budget for 1979 - \$ 2,400.00
My 26 years of business experience will enable me to perform the duties of County Treasurer with less help and save \$ 4,800 TAX DOLLARS!!

Pol. adv. paid for by Bob Terry, 4913 Andria, Wichita Falls, Texas 76302

What are the duties of a county treasurer?

The county Treasurer is a custodian of funds and has no authority to approve or disapprove claims presented for payment. A claim, approved by the proper county authorities, when presented to the Treasurer, should be registered and paid according to date. If funds are unavailable, claims should be paid in the order in which they are registered as funds do become available.

- JOHN L. HILL
Attorney General of Texas

Your Vote Will Be Appreciated.

VOTE MAY 6TH DEMOCRATIC PRIMARY

Three receive NTSU honors

Who is Dora Davis supporting in the race for County Clerk?

I leave the job of County Clerk with one very strong conviction...the office must have strong, experienced leadership.

And the only candidate with experience that will insure the office's present level of service after I retire is Jerry Padgett.

He has worked in this office for 14 years, the past nine years as my chief deputy clerk.

As I leave after 55 years' service in the county clerk's office, I know the office will be in no better hands than Jerry Padgett.

Drouth hurting wheat crop

By Don D. Decker
County Agent

The drouth is taking a heavy toll on the county's wheat crop with yields expected to be below average for this year. Wichita county's average wheat yield is 24 bushels per

acre, and growers are saying this year's yields will be off at least 25 percent of normal.

A rain now could certainly help wheat yields, however, the drouth has already inflicted heavy yield losses. Ed Pryor, an aerial spray

applicator, says "wheat prospects do not look good from the air. Many fields have completely burned up".

Some fields have held up fairly well to the drouth stress, and any moisture now could be especially beneficial to these. Wheat on the real tight land and on the sand has suffered the most.

include Sturdy, Caprock, Maverick, Texred, Dekalb 544, Dekalb 589, and TAM 101. Later varieties without heads are Tascosa, Pioneer 915A, and Pioneer 940.

James Barbour and I made a visual evaluation of the plots on April 28, giving a prospect rating. We thought the best products were shown by Sturdy, Texred, and TAM 101 which we have a +++ rating. A +++ rating was given to Caprock, Maverick, and Dekalb 589. We gave Dekalb 544 (beardless) a + rating. No rating was given to Tascosa and the Pioneer varieties since they had not headed.

It is time to be planting grain sorghum, however, there is not enough moisture for planting. Carl and James Brockreide of Punkin Center have planted a little sorghum, and it is up to a good stand. They will plant more sorghum acreage if rains come early in May.

There is a large acreage of land in the county waiting to go into cotton, however, we must have moisture before the planting season. The county field crops committee is asking all growers to plant their cotton after May 20, in an effort to obtain a high mortality of the overwintering boll weevils. Surely, we will get adequate moisture before May 20, for cotton planting. We are expecting nearly 30,000 acres of cotton this year compared to 10,000 acres last year.

Ranges and pastures are suffering from the drouth too. Moisture could quickly reverse this situation. For example, Jay Mink of Electra says, "my pastures are trying to green-up, and a rain now would enable my grass to make a good pasture in a hurry". Stock water in farm ponds is gone or about gone in most of the pastures.

Wheat growers are invited to view the wheat variety demonstrations of James Barbour on the expressway between Wichita Falls and Iowa Park near Rifle Range Road. His trial includes 10 different varieties planted in field size plots. Each plot is marked, and they can be seen from the road without leaving the car or pickup. Varieties already headed

REMEMBERING...

By BILL D. BROOKS

GOIN' COURTIN'

Courtships between boys and girls change with the times and with each generation. Customs in different parts of the country vary as do morals and social attitudes. Conduct held serious by one generation is often laughed at by another and so it goes. Courtship itself changes but the intent and purpose remain the same: to have a good time and to somehow find that certain someone, someone worthy of a lifetime commitment.

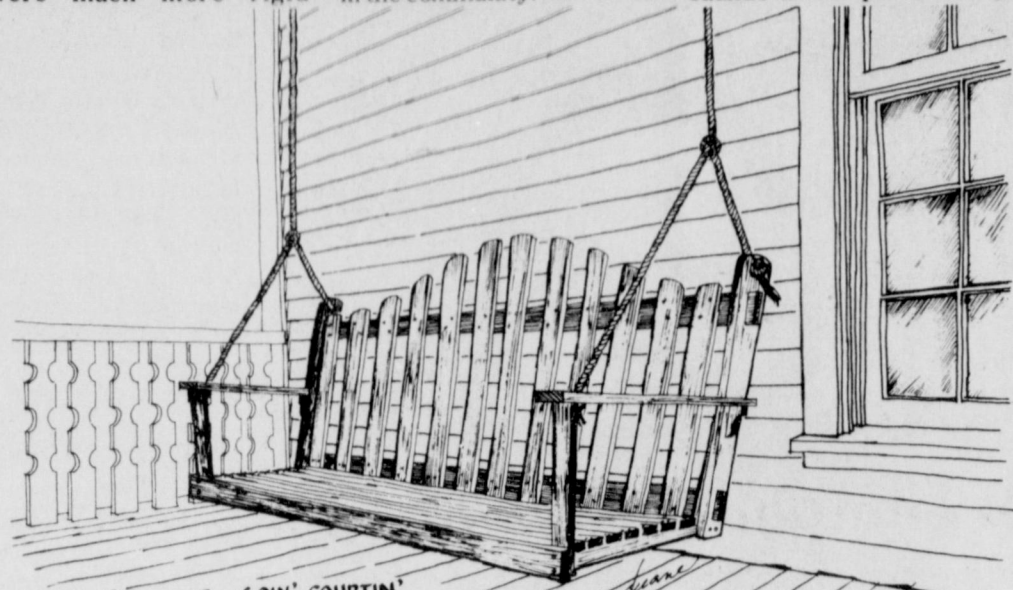

Rules of conduct on dates were much more rigid several years ago than now. In the "horse and buggy" days parents were very strict, especially with daughters. A chaperon was present at all times on the date. Gentlemen were thoroughly scrutinized before they were allowed to engage in even a conversation with the girl. Girls were encouraged to have nothing to do with the likes of shirkers, gamblers, drinkers, musicians, traveling men or anyone, for that matter, who didn't come from an established family in the community.

Places to go on dates were numerous but they usually had to be within walking distance since only the well-to-do callers had buggys. The boy usually came on horseback or walked to the girl's home and then the couple would walk to where they were going, with the girl's older brother or maybe even her father walking along with them. There were church socials, church picnics, family get-togethers and pie suppers to go to. Some communities had dances but they were strictly forbidden in others (dances were the devil's doin'). Lots of courting was done right in the girl's home, in the parlor if they had one, maybe around the kitchen table or outside in the porch swing.

Plans in full view of another member of the family. If the chaperon was the brother, a smart girl could usually devise ways to get rid of him in order for more serious courting to take place. She could usually entice him to go out into the woods to check on what the dogs were barking at or convince him she heard a noise down by the barn, anything to be alone for sparkin', spoonin', or just plain serious talking with her beau.

One young man was courting his intended but was not highly favored by her father. He used to sneak up to her window late at night to talk with her through the open window. On one such occasion he heard a noise behind him and, thinking it was her father, took off hard as he could go with no thought but to save his skin. At full speed his nose encountered a rather taut clothes line wire. Later in his adult years his face bore the mark of that night because his nose always seemed to be pointing toward his right ear. Oh yes, they got married later but it was several years before he could laugh about that clothes line.

Porch swings are not used much by today's young courtiers. Do you suppose they don't know what they're missing?

Too early to spray for pecan casebearer

By Don D. Decker
County Agent

It is too early for spraying pecan trees in the control of the pecan nut casebearer, however, we have banded some pecan trees. This will help us in accurately determining the critical date to spray in the control of this pest. Banding is a technique you can use in your own orchard to determine spray dates.

Bands have been placed on pecan trees at the Agricultural Research Center at Iowa Park. Corky Redden and Martha Moore placed 50 bands on trees while I was participating in the BCI Agricultural Tour at El Paso.

Here is the technique they used. A four inch wide roll of corrugated paper with the corrugation exposed on one side was purchased from a

book store. Redden climbed into the trees placing the bands about the limbs where the slick bark changed into the rough bark. He placed the corrugation next to the branch with the paper to the outside. Masking tape was used to secure the bands.

Between now and the middle of May, the larvae stage of the casebearer will crawl under the bands to pupate (resting stage). The

valleys of the corrugated paper makes an excellent harbor for pupation.

We will remove the bands about the middle of May capturing all of the pupa under the corrugated paper. These pupa will be placed in a jar with cheese cloth over the mouth. The jar will be hung in the orchard giving the same environment as with the trees. Last year we captured 110 pupa from 40 bands.

On the day 10 percent of the pupa hatch, eight days will be added giving the beginning date of the casebearer spray program. This critical spray program will last only five days. I will advise growers and homeowners of the recommended spray dates based on the findings from this demonstration.

March?" His explanation centered around March sown wheat never making a head. Winter grazing in his operation is provided by wheat fields. The critical forage period is March, April, and early May. This is after the cattle are taken off of the wheat but before the bermuda puts out in May.

The spring sown winter wheat is used to fill this gap. The wheat remains vegetative never making a head which gives a tremendous forage advantage. About the time the bermuda starts coming on strong, the wheat goes out still in the forage stage. This makes for an easy transition from spring wheat grazing to summer bermuda grazing.

Wolf is using wheat fields for winter forage, bermuda and native pastures for summer grazing, and the spring sown wheat, for the critical spring grazing season. It is necessary for him to feed hay or graze out a small acreage of wheat to provide March forage while the overseeded pastures establish enough growth for grazing.

The expression "we learn something every day" certainly holds true for a visit which I had recently with Frank Wolf. I learned wheat sown in early March never makes a head. This fact has a lot of implications in developing an early spring forage program.

Wolf overseeded his Coastal bermudagrass pastures with wheat early in March. He got a good stand with the drill of wheat readily visible over the entire bermuda pastures. "With normal rainfall, this overseeding would be providing an abundance of grazing by early April", according to Wolf.

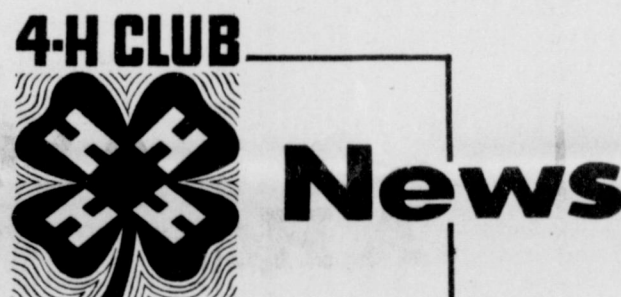

My first question was, "why didn't you overseed in September rather than

on May 11.

The State 4-H Horse Show will be held in San Antonio on July 26-29. This year there will be a new event. This will be the Western Pleasure Futurity for two year old geldings and mares. For further information contact Corky Redden at 766-0131.

4-H members from throughout the state will be participating in the first Texas 4-H Project Show at Texas A&M University, June 6-7. The show will be held in the Exhibit Hall of Rudder Center on the A&M campus, and will be in conjunction with the 1978 State 4-H Roundup. Purpose of the project show is to provide 4-H members an opportunity to exhibit project work and to display their expertise in one of the 25 project classes.

All entries in the project show will be judged the evening of June 6, with awards going to the top three placings.

Wichita County 4-H clubs are sponsoring an Omelette Rodeo Thursday, May 18, 6-9 p.m. at Poor Richards in Sikes Senter. You can watch 4-Hers cook your three-egg omelette and then choose from ingredients such as ham, cheese, bacon, onion and green pepper. The omelette will be served with toast, jelly, salad and a beverage from Poor Richards. Tickets are \$2.25 and can be purchased from any member of 4-H or from the County Extension Office. You can also purchase your ticket that night at Sikes Senter.

Kathy Johnson, Misty Hicks, and Terry Taylor from Iowa Park 4-H Club won top honors at the Wichita County Dress Revue Saturday night at Texas Electric Reddy Room. They will represent Wichita County at the District Dress Revue July 6 at Abilene.

Top in each division went to the following people: Junior Division - Pop Over Skirt, Stacy Grace; Sundress, Misty Hicks; Sportswear, Tracy Taylor; Dressy, Terry Taylor. Senior Division winners were: Sundress, Teri Steed; Sportswear, Rita Ratcliff; and Dressy, Kathy Johnson.

A group meeting of all interested 4-Hers who are willing to work on Omelette Rodeo will meet 7:00 Monday, May 8 at the County Extension Office. Don't miss this meeting!

Wichita County 4-H has started a new horse club. This will be called the Wichita County 4-H Horse Club. We will meet on May 11 at 7:00 in the Texas Electric Reddy Room in Iowa Park. Mr. Floyd Franklin will be the leader of the new club. Everyone interested in joining the club should attend the meeting

CRASHING HALT - Robert Cloyd Buzbee of 710 E. Highway failed Tuesday night to stop at a deadend on the west end of West Highway near the high school. Buzbee

was charged with public intoxication, and highway department officials estimated damage to the intersection at \$100.

Alpha Lambda Delta initiation is held

Thirty-four new members were recently initiated into Midwestern State University's chapter of Alpha Lambda Delta, a national honorary society for freshman women.

The officers for 1978-79 are Paula Beighley Boyd, president; Julie Marie Muth, vice-president; Elisa Leigh Nail, secretary; Mary Galoway, treasurer; Julie Ann Gavin, historian; and Doris

Despina George, editor. Teresa Clark of Graham is the junior advisor, and Ellen Karrenbrock is the senior advisor.

Initiates from Wichita Falls include Rhonda Gaye Anderson, Valerie Lynn Ayres, Catherine Jane Boudreaux, Marde E. Bra-shier, Kathryn Ann Brock, Cheryl Ann Burgess, Mary Maurine Cannedy, Susan Anne Caudill, Marilyh Kay Cook, Teresa Ann George and Lisa Kimberly Klepper.

Continuing the list are Sherry Lynne Laing, Brenda Jean Lister, Anne McKis-sick, Jill Moore, Dung Thi Kim Phan, Judy Lynn Ramsey, Kathryn Brock Roberson, Micheile Stough-ton, Leila M. Whiteis and Jamie Gail Wiggins.

Also initiated were Beverly Jo Burden and Diane Williams of Burkburnett, Dora Alicia Barrera of Laredo, Sheryl Marie Peau-to of Spencer, Iowa, Mary Hestand of Irving, Sherry Kay Little of Iowa Park and

Linda Sue Nichols of Altus, Oklahoma.

Mrs. Viola Grady, MSU Dean of Students; Mrs. Billie M. Smith, Secretary to the Dean of Students; and Lynda Lovelace, 1977-78 Alpha Lambda Delta presi-dent, presided over the initiation ceremony.

Alpha Lambda Delta is dedicated to the promotion of intelligent living, a high standard of learning and the encouragement of superior scholastic attainment among women with a 3.5 or higher GPA in their first year of college.

Local pear grower having hard time

Fire blight is infecting many pears in the area. This is a bacteria disease which causes leaves and twigs to turn black or dark brown. M.H. Teel of Iowa Park is having this problem with his Bartlett pears. This disease can also affect apples and pyracantha.

It is too late to spray for the control of this disease, however, pruning out the infected portion of the tree is important. Teel is removing the infected branches in an effort to halt the damage.

The infected portion on the trees is pruned-off about 6 inches below the last visible symptoms. When the cuts are larger than 1 1/2 inches in diameter, he paints the wound with a tree paint. Teel dips the pruning shears or saw into a strong household bleach solution for about 10 seconds between cuts. This prevents spreading the bacterium from one cut to another.

Homeowners or commercial growers can get excellent fire blight control by entering the Spring spray program. Bordeaux spray is applied when 10 percent of the blossoms are open. Three additional applications are made at 5-7 day intervals. Zineb or streptomycin can be substituted for the Bordeaux.

Bordeaux can cause foliage burn in the powder if not kept well dissolved while spraying. R.W. Bacon of Wichita Falls burned the foliage on one of his trees several weeks ago because the Bordeaux tended to settle-out while spraying.

There are numerous pear varieties which are resistant

or tolerant to fire blight, however, none are immune to this disease. The resistant or tolerant varieties include Orient, Moonglow, Ayers, Keiffer, Maxine, Garber, and Pineapple. The susceptible varieties are Bartlett, LeConte. Unfortunately, Bartlett is a very high quality eating pear, but it is very susceptible to fire blight making it difficult to grow in this area. There are a lot of Bartlett pears in Wichita County.

In ancient Rome it was considered bad luck to enter a room left foot first.

Decisive Choice Of Fellow Lawyers Across Texas

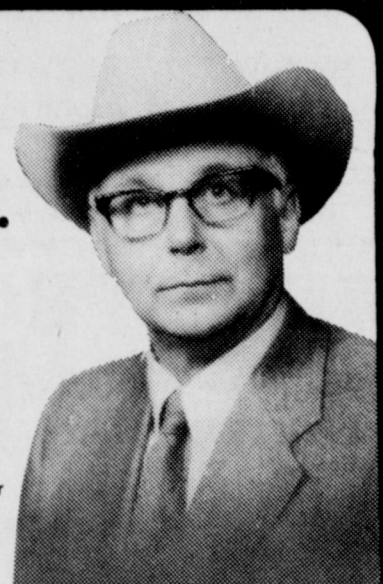

Incumbent Justice T. C. Chadick is the overwhelming choice of fellow lawyers throughout Texas; has been endorsed by the Houston Chronicle, Waco Tribune Herald, San Antonio Light, Fort Worth Star-Telegram, Dallas Morning News, Dallas Times Herald and many other newspapers throughout the state; by the Dean of the Texas Senate, A. M. Aikin; by Baylor University President Abner McCall; by 10 former Supreme Court Justices; and literally hundreds of informed people throughout the State.

In Texas, we've learned the bitter lesson of voting for a well known name, rather than a well respected and qualified candidate for this highest court position. Let's don't make the same mistake twice.

On Saturday, May 6th, let's return Justice T. C. Chadick to the Texas Supreme Court, Place Four.

John Hill Opposes State Income Tax

When he announced for Governor, Attorney General John Hill said that he would oppose — and would veto — a state income tax or any other new tax bill. He has repeated that pledge many times since. Anyone who says that Hill would support a state income tax is just trying to mislead the public.

As Attorney General, John Hill cleaned up political corruption in Duval County, sued the phone company to stop an increase in rates and worked for a national energy policy that would be fair to Texas.

As Governor, John Hill will use the state's budget surplus to reduce property taxes and to help pay more of the cost of our public schools. There will be no state income tax and no other new taxes if Hill is elected Governor.

JOHN HILL
GOVERNOR

A State Income Tax. A Hangman's Noose For Texas.

If you think taxes are choking you now, consider the possibility of a State income tax. It would be a noose around your neck. Around the neck of every Texan. And around the future of Texas.

A vote for John Hill is a vote for:

- bigger government.
- more government spending.
- more inflation.

AND FOR A STATE INCOME TAX.

A vote for Dolph Briscoe is a vote for:

- fiscal responsibility
- less — not more — government.
- continued economic growth.

AND FOR NO NEW TAXES.

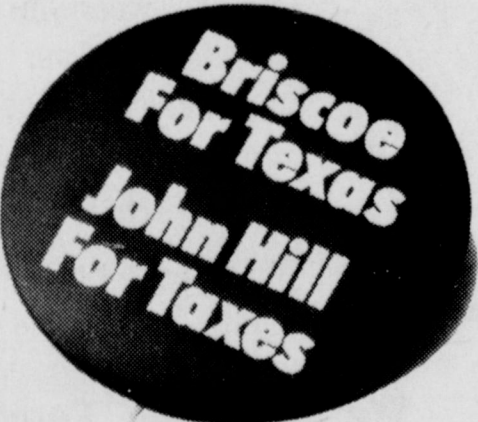

- We don't need New York-style government in Texas.
- We don't need Washington-style bureaucracy in Texas.
- And we don't need a big spending liberal activist as Governor of Texas.

LET'S KEEP DOLPH BRISCOE AS OUR GOVERNOR.

"We are already footing the bill for run-away government in Washington. As Texans we should not have to foot the bill for run-away government in Austin.

"I don't think Texas should spend itself into a state income tax. That is exactly what will happen if Mr. Hill fulfills only some of his political promises."

Governor Dolph Briscoe

Governor Dolph Briscoe For Texas

Story hour film shown

Mrs. Jerry Padgett, secretary of Friends of the Library, introduced a story hour film, "The Pleasure Is Mutual", on loan from the Ft. Worth Major Resource System, at the annual meeting of Friends of the Library Thursday night.

During the business that followed directed by Mrs. E.F. Soell, it was voted to set aside funds to purchase two counter height book shelves, as soon as costs could be determined. Librarian Kay Mashburn presented the need for books for awards to be given at the end of the summer reading program. Plans are to present first, second and third place awards in each of three categories. Individuals or organizations desiring to present one of the books may contact Mrs. Mashburn. Fresh flowers are needed for exhibit during the month of June. Fresh flower lovers in the city are asked to contact the library if they can furnish a bouquet or a single flower in a bud vase.

Obituaries

J.M. Whitaker

Services for J.M. Whitaker, 62, who died Thursday morning at his home, were Saturday morning at Tanner-Aulds Funeral Home.

The Rev. Johnny W. Haney, pastor of Grant Street United Methodist Church in Wichita Falls and the Rev. W.F. Williams, pastor of the Iowa Park Church of God, officiated. Iowa Park Masonic Lodge conducted graveside services at Highland Cemetery.

Born Oct. 23, 1915, in Chico, he had been a resident of Iowa Park 34 years. A veteran of World War II, he married Verda Martin Oct. 20, 1937, in Waurika, Okla.

Whitaker was past master of Iowa Park Masonic Lodge, past most exalted high

priest of Electra Chapter No. 358 of Royal Ark Masons and past thrice illustrious master of Electra Council No. 295 of Royal and Selected Masons. He was a member of Wichita Falls Commandry No. 59 and Maskat Temple.

He is survived by his wife; a daughter, Mrs. James R. Thorn; three sons, James, Jerry and Larry, all of Iowa Park; his stepmother, Mrs. Lula Whitaker of Sunset; four brothers, W.P. of Bowie, W.K. of Mesquite; Leland of Temple and Charles of Duncan, Okla.; four sisters, Mrs. W.W. Elrod of Sherman, Mrs. M.A. Baker Jr. of Bowie, Mrs. Kenneth Houston of Carlsbad, N.M. and Mrs. Gene Garrett of Sunset; and seven grandchildren.

Pallbearers were O.N. Newman, Jesse McCullough, Jerry Robertson, James Paris, Larry Latimer and Fay Brott.

Value of farmlands being emphasized

The United States' annual loss of five million acres of land to non-agricultural use is a special concern during this year's celebration of Soil Stewardship Week April 30-May 7. Fred Dwyer, Chairman of the Wichita Soil and Water Conservation District announced today.

This year's Soil Stewardship Week theme, "Compelling Ventures", also stresses the importance of controlling water pollution caused by run-off from unprotected farms, ranches, roadsides, and construction sites Dwyer added.

Soil Stewardship Week is a nationwide observance which emphasizes man's responsibility to protect and conserve soil, water, and other natural resources. Traditionally, churches and local citizen's group participate.

"Nearly 3,000 conservation districts throughout the U.S. will focus their atten-

tion upon conserving and preserving America's best farmlands during this 21st annual observance of Soil Stewardship Week," Dwyer said. "The U.S. Department of Agriculture estimates that of the five million acres annually lost to agriculture, nearly one million acres are classed as 'prime' land - the best and most productive land we have. We are encouraging the preservation of these top-quality farmlands for farming rather than their indiscriminate use for housing developments, highways, shopping centers, and the like."

The 1978 Soil Stewardship Week reference booklet, "Compelling Ventures," and related materials have been distributed to churches and community groups throughout the Wichita Conservation District. The publications were prepared by the National Association of Conservation Districts.

Lake Diversion roadwork set

A new bridge over the Wichita River and other roadwork near Lake Diversion was discussed at a pre-construction conference to be held in Wichita Falls Monday.

The pre-construction conference dealt with upcoming work on FM 1180, from the Wichita County Line south to FM 2846. Work will include grading, structures, base and surfacing of a 3.3 mile section of roadway in the vicinity of Lake Diver-

sion. A bridge over the Wichita River will be constructed just below the Lake Diversion Dam.

Work on the project is scheduled for May and will be completed in 150 working days. The Zack Burkett Company, of Graham, submitted the low bid of \$424,595.60.

John Maroney, Jr., is the engineer in charge of the project.

You can do it!
Proper insulation in your home could save you up to 50% on your energy bills.
And installing that insulation isn't all that hard. You can learn to do it yourself with Texas Electric's free booklet on insulation. It's one of a series we're offering to energy-conscious homeowners who want to make their homes energy efficient. Even unhandy people can make their ceilings and floors into effective barriers against summer heat and winter cold.
Other booklets in the series cover caulking, weatherstripping, storm windows, ductwork, and general maintenance. Just call us, or ask for the booklets on the comments section of your electric bill. See how easy it is to make your home energy efficient.

Rotary Club cites Farmer

Billy Farmer, son of Mr. and Mrs. J.W. Farmer, received another honor last week when he was chosen the Outstanding Student of the Month by the Rotary Club. He was named Outstanding Boy of 1976 in a contest sponsored by the 23 Study Club the previous week.

A consistent Double A honor roll student, he has a long list of honors to his credit both in junior high and high school. He received the principal's award and Outstanding Youth award from Epistol Sigma Alpha society during his last year in junior high. Previously he had been chosen Outstanding Boy in Johnson and Johnson First Aid Course, and received certificates for outstanding accomplishment in social studies and English.

In high school, he has participated in debate, played football, basketball and ran track. He is a two-year member of both National Honor Society and Fellowship of Christian

Polls set for party primary voting

Holliday Republicans and Democrats will join Texans Saturday when the two parties select their nominees for governor and other major political positions. Republicans here will cast their ballots from 7 a.m.-7 p.m. Saturday at Holliday City Hall. Democrats will vote from 7 a.m.-7 p.m. Saturday at the Holliday Community Center. None of the Democrats seeking election to local offices are opposed in their nomination bids. They also will not face Republican opposition in the November general election. The only local Republican on the GOP ballot is W.L. Lindeman, who is seeking a return as Archer County GOP chairman.

Although his is unopposed in his quest for the Democratic Party's endorsement, State Rep. Charles Finnell of Holliday will face Wichita Falls Republican Gail Sogard in the November election in District 53.

REPUBLICAN

Other candidates on the GOP ballot and the offices they are seeking include John G. Tower, U.S. Senator; Larry Kelly and Clifford Jones, U.S. Rep. 13th District; Ray Hutchison, Bill Clements and Clarence Thompson, governor; Gaylord Marshall, lieutenant governor; Jim Baker, attorney general; and Jim Lacy, Railroad Commission.

Republicans also will be asked if they think the next

session of the Texas Legislature would enact a bill to permit pari-mutuel betting on horse races by local option.

Other referendums on the GOP ballot ask if the next legislative session would enact a bill to provide for the election of delegates to a political party's national nominating convention by the voters of that party's primary and if the constitution should be amended to limit the amount of taxes which can be levied by the state and local government.

DEMOCRATIC

Democrats also will be quizzed on the pari-mutuel question.

Another proposition on the Democratic ballot asks if the next legislative session

should enact a bill to authorize higher interest rates on loans under \$5,000.

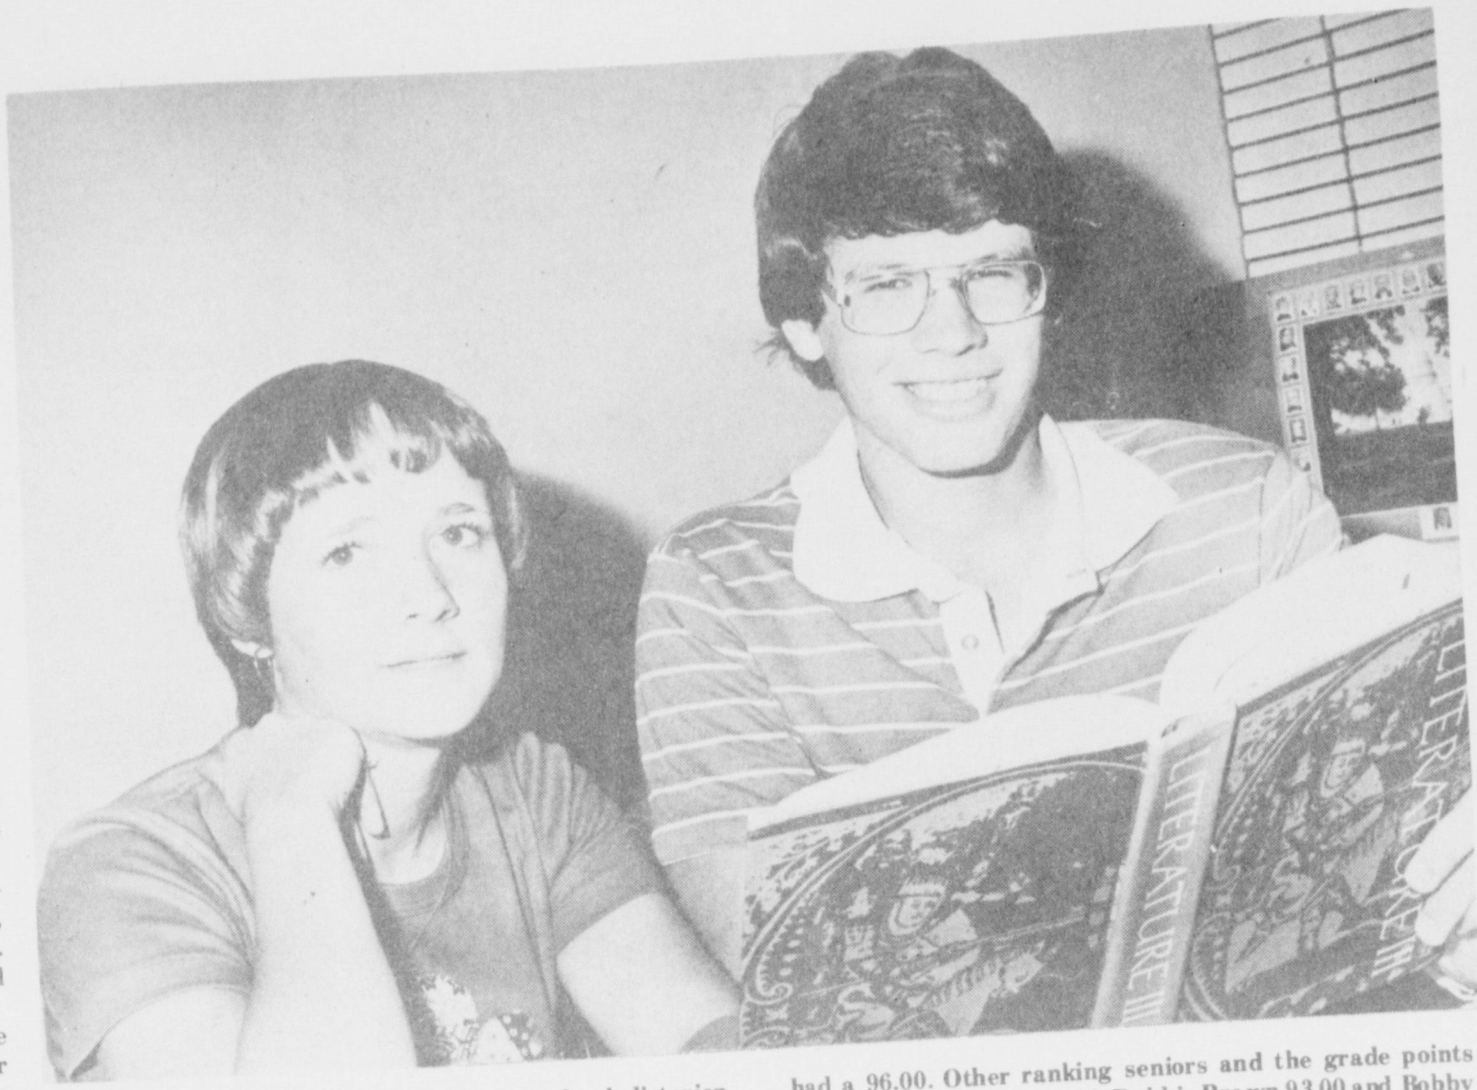

Among the more hotly contested Democratic Party races will be between Dolph Briscoe, John Hill, Preston Smith, Donald R. Beagle and Ray Allen Mayor for governor.

Reagan V. Brown, Joe A. Hubenak and Don G. Sewell are seeking the Democratic nod for agriculture commissioner.

Lieutenant governor candidates include Troy Skates, Bill Hobby, James L. McNeese Jr. and John Hill Westbrook.

Mark White and Price Daniel Jr. are running for attorney general, while Joe Christie and Bob Krueger are seeking nomination as U.S. Senator.

Unopposed in their bids for party nomination include Jack Hightower for the 13th Congressional District's seat in the U.S. House of Representatives and Bob Bullock as state comptroller.

TOP STUDENTS -- Donna Ruth was named valedictorian and Mark Mankins was tapped salutatorian of the 1978 graduating class of Holliday High School. Miss Ruth accumulated a 97.06 grade point average, while Mankins

had a 96.00. Other ranking seniors and the grade points were Bridgett Talley 94.26, Debbie Brown 93.00 and Bobby Hawley 91.98.

Holliday News

THIS ONE!

IOWA PARK LEADER

Lion-sponsored banquet Tuesday

The annual Holliday Lions Club Honors Banquet is scheduled for 7:30 p.m. Tuesday at the school cafeteria. Outstanding students will be honored, and the local civic club will award its annual monetary scholarship.

School, city meetings set

Holliday school board and city council will convene in regular sessions next week. The school board will meet at 7:30 p.m. Monday in the elementary teacher's lounge, and the city council will meet at 7 p.m. Tuesday at Holliday City Hall.

Recital Sunday

Twenty-five of Erma Barton's piano students will present a recital at 2:30 p.m. Sunday at Holliday High School auditorium. A reception will follow at Mrs. Barton's home.

Cheerleader elections held

DeDe Leonard has been selected next year's head cheerleader at Holliday High School. She and Laurie Mauldin will be the two seniors on the cheerleading squad next year. Juniors will be represented by Kim Addison and Teresa Borton, and Sophomores will be Carla Lear, Kristi Lucy and Penny Parnell.

IN SHOOTING INCIDENT

Lake Kickapoo couple face criminal charges

A Lake Kickapoo couple faces criminal charges in connection with Monday afternoon's shooting of a Holliday High School student. Following surgery for removal of a small caliber bullet that struck him just above his left knee, Scott Collier was released Tuesday from Wichita General Hospital. He is an 18-year-old senior at HHS of Wichita Falls.

Charged in connection with the shooting were Mr. and Mrs. Clarence Morris, described by Archer County Sheriff Floyd Hoggins as in their early 60s and residents on the north shore of Lake Kickapoo. Morris was charged with aggravated assault with a deadly weapon, and his wife faces conspiracy charges as an accomplice. Justice of the Peace C.D. Cox of Archer City set bond on Morris at \$3,000. Bond on Mrs. Morris was set at \$2,500, according to Deputy P.L. Pippin. The incident occurred at about 5 p.m. Monday when Collier and two other

Holliday students, Jay Wright and Bimbo Stone, were boating on Lake Kickapoo. Pippin said the boys were trying to catch some tame ducks near the north shore of the lake when gun shots were fired at their boat. The trio fled in their boat to an automobile in which Collier was transported to Archer County Hospital. He was later transferred to Wichita General Hospital for removal of the bullet. Pippin said he and two other Archer County deputies returned to the scene of the alleged incident and arrested two adults, a man and his wife. A .22 caliber rifle was recovered to be retained as possible evidence, Pippin said.

Tracksters miss state

A trio of Holliday tracksters narrowly missed qualifying for the state track meet. Dennis Holt, Holliday's and District 13-A's top discus man, placed eighth at the regional meet last weekend at Stephenville. Holt tossed the discus 137 feet, but missed qualifying for the state meet by three

inches, said Holliday track coach Bill Lee. Gerry Graves placed fourth in the 330 intermediate hurdles. He was clocked at 40.7. Although Graves did not qualify for the state meet it was at least a moral victory as he outdistanced Bryan Sicking of Muenster, who finished fifth at regional. It was Sicking who took the 330 title with Graves trailing in second at the district meet two weeks earlier in Saint Jo. Graves also qualified for the regionals in the 120 high hurdles. Although he was docketed at 15.2 for his best time of the year, the junior trackster finished seventh at the regionals. Shayne Owen, who took second in district in the 880, was clocked at 2:10 to take eighth place at regional.

Girls first, boys fourth in elementary track meet

Holliday's girls took first and the boys finished fourth in an elementary school track meet Saturday hosted by Notre Dame School at the Wichita Falls High School gymnasium. Coached by Doris Jones, the Big Red girls took top honors in four of the eight events. Holliday finished first and second in the broad jump, hurdles and 220. Big Red was first in the 330 and second in the 440 relay. Holliday also garnered numerous fourth and fifth place awards. Fifth grade team members from Holliday included Cherry Lowder and Tammy Stevens while sixth graders competing were Tonya Akers, Laura Lowder, Terri Davis, Karen Molina and Roberta Shawver. From a field of 20 schools, Holliday's girls were first with 140 team points trailed by Wichita Falls Washing-

ton with 118. The Holliday boys finished fourth overall with 77 points, according to their coach, Dan Owen. Pat Capps was first in the 330, and Joe Chappell was second in the hurdles. James Heard was second in the broad jump and third in the hurdles.

Elementary meet slated

A track meet for kindergarten and elementary students will be staged here next Wednesday, according to Dan Owen, Holliday elementary principal. The meet will begin at 1 p.m. Wednesday and is expected to attract 300 participants, Owen said. Urging parents and other interested persons to attend, Owen said the event would be free to the public.

Mrs. Wooster leads study

Using scriptures from the Bible, Mrs. Carrie Wooster directed a study of "Women in the Bible" during Monday's meeting of Holliday United Methodist Women. Mrs. Opal Pankhurst opened the meeting with prayer, and president Floyd Welch conducted the business session. Group singing included "Give of Your Best to the Master." Discussion included "Mothers of Faith," "Life of Eve," "Sarah" and "Rebecca."

Hostess for the afternoon was Ruby Smyers. Next meeting will be 2 p.m. May 15.

Holliday School Menu

- FRIDAY, May 5**
Hamburgers, lettuce, tomatoes, pickles, onions, potato chips, ice cream, milk.
- MONDAY, May 8**
Pizza, buttered corn, salad, milk, dessert.

Sandwiches, turkey roll, bologna, tuna salad, cheese, lettuce, milk, dessert.
- FRIDAY, May 12**
Deep fried fish, macaroni and cheese, peas, tartar sauce, milk, bread, dessert.

Local student going to Austin

Freda McDaniel, daughter of Mr. and Mrs. Hershel McDaniel of Holliday, will participate in the Texas Special Olympics May 24-26 in Austin. Miss McDaniel, 17, earned the opportunity to compete in the state meet by taking first in the baseball throw, second in the 25 meter run and second in the relay at the local Special Olympics meet at Sheppard AFB.

Holliday honor rolls released

- Holliday school honor rolls for the fifth six weeks have been released by principals Bill Crabbs and Dan Owen.

The Hawk Squawk

Official Newspaper of Iowa Park High School

HORTICULTURE JUDGING TEAM of Iowa Park High placed second in the first annual state contest held Saturday at Texas A&M. Jan Banks, center, was the high individual of the meet, with 532 of a possible 1,000 points, and was offered a \$100 scholarship by the A&M Horticulture Club. Other members on the team were Joann

Dickerson, left, Jo Ann Meithner, and Lory Bank, not shown. Joann Howell is their instructor. John Marshall High School of San Antonio was the team event by 21 points and will represent Texas in the national contest at Kansas City, Mo., next November.

Two Hawks qualify

Two Hawks qualified for the state meet which will be held May 12-13 in Austin. Bob Kap (number one) and Dan Gandy, second place Saturday at the regional track meet in Denon.

Kap, the defending regional champion in the discus, threw the farthest he has thrown all year, 199', but was defeated by this competitor's last throw of a 175' which set a regional record.

Iowa Park School Lunch Menu

THURSDAY, May 4

THURSDAY, May 11
Barbequed chicken, meat & cheese sandwich, soup, potato salad, pinto beans, chili pickles, bread slices & butter, chocolate & plain milk, chocolate boiled cookies, jello, ice cream.

Dear Dee and Kay

Dear Dee,
I like this guy a lot. The only problem is, I'm not popular. He doesn't even know that I'm alive. All my friends say I should forget about him because he has a reputation of getting girls "in trouble." What can I do to get him to notice me? Should I give up on him? Please help.
(Confused)

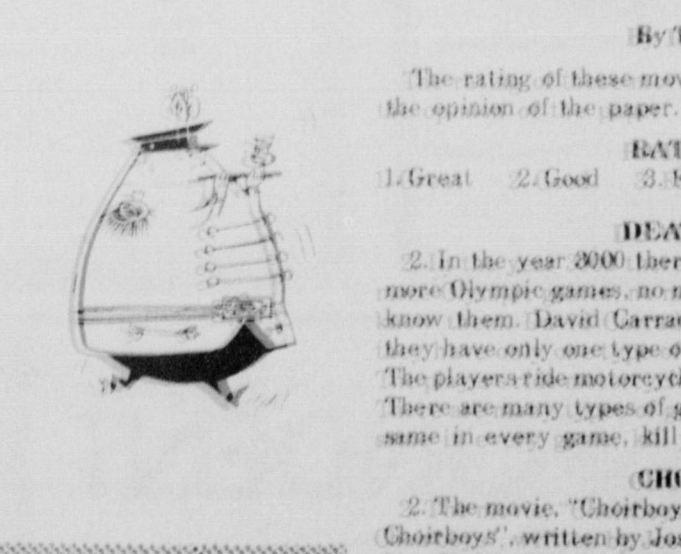

Dear Confused,
Do anything to make him notice you. Just be real nice and accidentally run into him in the halls and just happen to show up where he is. If you like him as much as you say, you shouldn't worry about what your friends say.
(Too Young?)

Senior Athlete

Trish Roberts
Trish has lived in Iowa Park all her life. She has been on the varsity girls track team for three years. She was on the regional qualifying 440 yard relay team that placed sixth at regional last sophomore year. Her junior year she ran on the 880 and mile relay teams that placed third in district. This year she was also on the 880 and mile relay teams. The mile relay

Bands compete in festival

The Iowa Park Concert and Symphonic bands competed in the Greater South-west Music Festival Friday in Amarillo.
The symphonic band received a II in concert and a III in sightreading being the only 3-A band to complete the sightreading piece. For this rating they received a plaque.
The concert band received

- Fri. & Sat. May 12-13 - Boys' State track meet in Austin
- Mon. May 15 - Baseball game against Mineral Wells here at 4:00 p.m.

Kathy earns scholarship

Iowa Park High principal Bob Dawson was informed this week that Kathy Johnson has been selected to receive a \$1,000 National Honor Society Scholarship.
Selection was made by the scholarship board of the National Association of Secondary School Principals.
The scholarship may be used to pursue a course of study leading to a degree in any accredited university, college or community junior college in the United States.
Though the largest, the NBS scholarship is one of several scholarships earned by Miss Johnson over the past couple of years.

EDITORIAL

We must earn the right

By Tim Wright
"All right everybody, out of the halls right now. If I catch you again I'm going to bust you good." This statement has been a well heard one around Iowa Park High School. By order of Mr. Dawson anyone caught in the hall between 8 and 8:25 and is not going to the cafeteria or to their first period class will be busted.

To many people this may seem harsh and unfair, but in actuality it is not. In past years the students that have hung around in the halls have practically wrecked the building. They have tried to kick holes in

Bike Ride to raise money for St. Jude's Hospital

By Jeff Shaw
High School students are encouraged to participate in the thirty mile Bicycle Ride to raise funds for St. Jude Children's Research Hospital in Memphis, Tennessee on June 3, 1978. The ride, sponsored by the Epitaph Eta chapter of ESEA Women International, is part of a national fund raising campaign benefiting the Hospital, which has benefited an Iowa Park student.
To celebrate the achievement of a \$2 million goal in their fund raising efforts on behalf of the Hospital, ESEA will be offering additional prizes as incentives to riders this year. This year's riders will earn T-shirts, backpacks, and nylon jackets according to the amounts of money raised and turned in by the event due date.
"We're expecting this year's ride to be even more fun," stated Mrs. Bill Brinkirk, local chairman. "We're excited about reaching \$2 million and plan to make this ride extra special."
Persons interested in participating in ESEA's Million Dollar Bike Ride, whether as riders, sponsors or volunteer workers, are encouraged to contact the ESEA chairman at 592-5976. Forms for securing sponsors are available at the High School and Jr. High offices.
St. Jude Children's Research Hospital, located in Memphis, was founded by entertainer Danny Thomas. The Hospital opened its doors in order to research and treat catastrophic childhood diseases. It is the largest childhood cancer research center in the world in terms of members of patients and treatment successes. The fourth floor of the Hospital is dedicated to ESEA Women International.
Children receiving care at the Hospital are treated free of charge while clinical and research discoveries developed there are shared with physicians and scientists throughout the world.
ESEA Women International, founded in 1929, is an organization of 30,000 women throughout the United States and seven foreign countries, devoted to the service of mankind.
The Iowa Park ride will begin at the Junior High School parking lot, travel down Farm Market Road 868 to Valley View and on to the Kamay Post Office and then return to the parking lot on the same route. Registration will start at 7:00 a.m. and the ride will begin at 8:00 a.m. Chaperones of the ride will be members of the local ESEA chapter and other volunteers.
So plan to join the ride on Saturday June 3, 1978. Call 592-5976 for any further information.

Hard work and wiser

Oh, the woes of the Biology I student! At the first of the school year it was the dreaded insect collections. We thought they were rough. Now we understand the meaning of the word.
It can be summed up in these words, "Wild Flower Collections." It may not seem hard to collect forty flowers, and it is not, but try to identify them! Mr. Kaspar is an intelligent, productive person with a heart of steel!

More coaches make changes

The High School coaching staff has made still more changes. Coach Jim Arnold, who replaced Neil Billingsley, will teach American History and World History instead of P.E. Coach Earnie Reusch will take over the P.E. classes.
Arnold is the new track coach and Coach Reusch was the head basketball coach at Andrews. According to Mr. Davis, vice principal, Reusch will probably serve as assistant boys varsity basketball coach next fall.

Critic's Corner

By Tim Wright
The rating of these movies is that of the critic and not the opinion of the paper.
RATING KEY
1. Great 2. Good 3. Fair 4. Poor 5. Walked Out
DEATHSPORT
2. In the year 2000 there is no more football games, no more Olympic games, no more sports at all in the way we know them. David Carradine stars in this movie where they have only one type of game, and that's to the death. The players ride motorcycles and try to kill their opponent. There are many types of games but the way to win is the same in every game, kill your opponent.
CHOIRBOYS
2. The movie, "Choirboys", is taken from the book, "The Blue Knight", written by Joseph Wambaugh, author of "The Hunter". Charles Durning stars in a movie about the wildest, toughest, funniest bunch of cops to ever don a badge. Some of the material shown will never be shown on television.

The first admiral of the U.S. Navy was David S. Farragut, who was appointed in 1865.

REMEMBERING...

By BILL D. BROOKS

The Ice House

My best friend's grandpa owned an ice house, the only one in the community. The small building was beside his home. It was up on blocks and had a loading platform in front of it that was about truck-bed height. The walls were nearly a foot thick with wood planks on the outside and galvanized metal on the inside. He said the space in the walls was packed with sawdust that kept the ice from melting. Wood slats were spaced on the floor and the hugh blocks of ice sat on them. It had a big door as thick as the walls with the biggest hinges and latch on it I just about ever saw. Near the door was a place where the ice pick had been stuck so many times it had made a big hole. A drain hole in the bottom let out water as the ice melted so naturally under the building was a favorite place for dogs and chickens to stay during hot summer days.

People would come to his ice house and buy the ice they needed. It didn't matter whether he was there or not, they would simply pick it up and write their name and the amount they got on a tablet

hanging by the door and pay him the next time they saw him.

He made regular deliveries to the homes around there and sometimes, when we were out of school, we got to go along. A full block of ice weighed 300 pounds but he handled them easily with the hooks and tongs. He would slide the blocks out onto the platform and into his truck and when he had a load, we would help him cover it with a kind of quilt-looking thing that kept dirt off the ice and kept it from melting. He drove very carefully because the ice would slide around easily and might fall off if we got to going too fast.

Most customers didn't need 300 pounds of ice so the big blocks were sawed part of the way at several places so they could be easily separated into smaller pieces of 25 to 50 pounds each.

Some people had signs in their window to tell him how much ice to leave but most people just left that up to him. He would usually check their ice box and leave whatever they needed

ICE HOUSE

(nobody locked their house back then, no need to).

If the people were at home their kids would come running out to meet us. We would feel important and tell them we were his helpers.

We would all watch as he chipped off what they needed. It was a special treat to gather up the little chunks the ice pick left behind and to hold them in our hands and

chew on them. He always managed to knock off just the same number of chunks as there were kids standing around watching but we never realized he did it on purpose.

He could easily snatch up a 50 or 100 pound block of ice with his sharp pointed tongs and carry it to their ice box, then we would be off to another customer's house.

Worth Quoting

Vince Lombardi, the legendary coach of the Green Bay Packers, wrote the following article titled, "What It Takes To Be Number 1".

"Winning is not a sometime thing; it's an all the time thing. You don't win once in a while, you don't do things right once in a while, you do them right all the time. Winning is a habit. Unfortunately, so is losing.

"There is no room for second place. There is only one place in my game and that is first place. I have finished second twice in my time at Green Bay and I don't ever want to finish second again. There is a second place bowl game, but it is a game for losers played by losers. It is and always has been an American zeal to be first in anything we do and to win and to win again.

"Every time a football player goes out to play his trade he's got to play

from the ground up -- from the soles of his feet right up to his head. Every inch of him has to play. Some guys play with their heads. That's okay. You've got to be smart to be Number One in any business. But more important, you've got to play with your heart -- with every fiber of your body. If you're lucky enough to find a guy with a lot of head and a lot of heart, he's never going to come off the field second.

"Running a football team is no different from running any other kind of organization -- an army, a political party, a business. The principles are the same. The object is to win -- to beat the other guy. Maybe that sounds hard or cruel. I don't think it is.

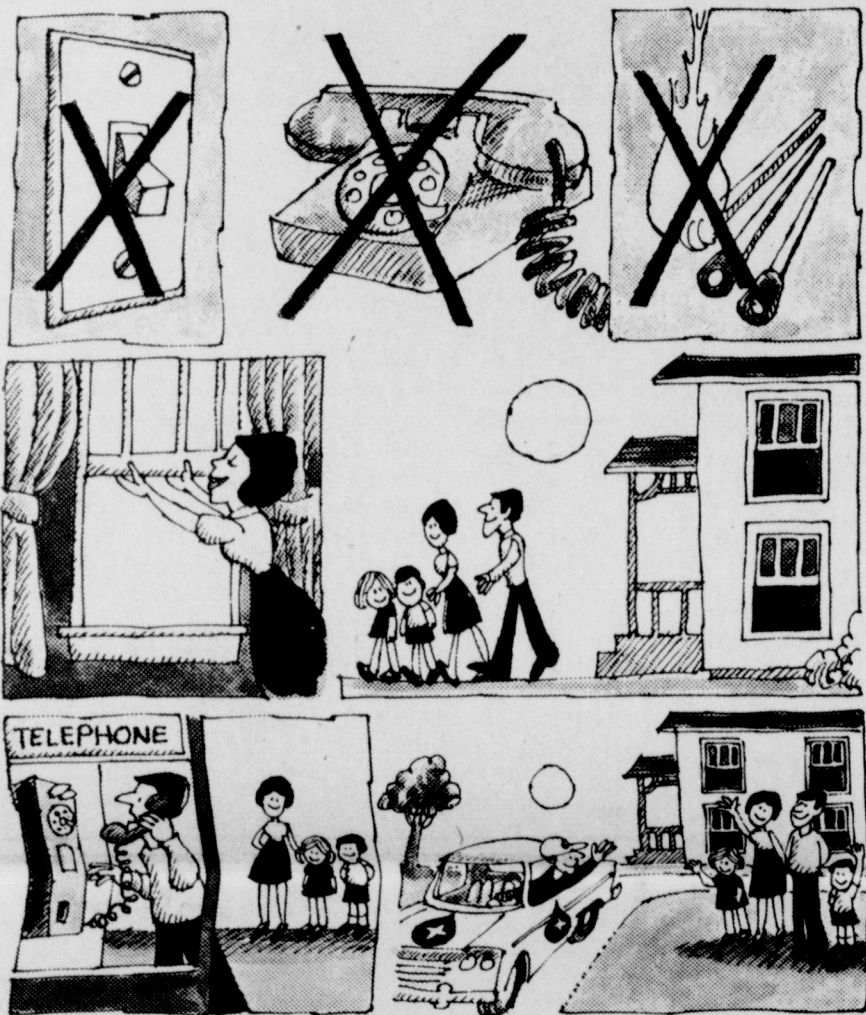

"It's a reality of life that men are competitive and the most competitive games draw the most competitive men. That's why they're there -- to

compete. They know the rules and the objective when they get in the game. The objective is to win -- fairly, squarely, decently, by the rules, but to win.

"And in truth, I've never known a man worth his salt who in the long run, deep down in his heart, didn't appreciate the grind, the discipline. There is something in good men that really yearns for and needs discipline and the harsh reality of head-to-head combat.

"I don't say these things because I believe in the 'brute' nature of man or that men must be brutalized to be combative. I believe in God, and I believe in human decency. But I firmly believe that any man's finest hour -- his greatest fulfillment to all he holds dear -- is that moment when he has worked his heart out in a good case and lies exhausted on the field of battle -- victorious."

Tear out and save • Separe y guarde

IF YOU SMELL NATURAL GAS, FOLLOW THESE 3 STEPS TO SAFETY.

The natural gas industry has an excellent safety record.

The fact that you can smell natural gas is because we add a harmless chemical to it as an extra safety feature. Otherwise, it would be completely odorless. If you detect faint whiffs of what you think may be gas, investigate. It may be something that is as easily and safely corrected as a pilot light that has gone out, or a burner valve that's partially open.

If your equipment seems to be working properly and the odor intensifies and seems to be everywhere, please follow these precautions:

1. Do not switch anything electrical on or off. Do not use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.
2. Have everyone leave the house immediately, leaving doors open to help ventilate.
3. Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine whether it's safe for you to return to the house.

You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

SI PERCIBE OLOR A GAS NATURAL OBEDEZCA ESTAS 3 NORMAS DE SEGURIDAD.

La industria del gas natural tiene un récord de seguridad excelente.

El hecho de que Usted pueda percibir el olor a gas natural se debe a que se le ha añadido un producto químico extra, que no es nocivo. De lo contrario, el gas no olería. Si detecta ciertas ráfagas de olor que cree son producidas por escape de gas, investigue. Es posible que se pueda corregir fácilmente y sin peligro, por tratarse de que una llama-piloto se ha apagado, o que una válvula de algún aparato está parcialmente abierta.

Cuando suceda que a pesar de que su equipo aparentemente funciona bien, pero el olor a gas se intensifica y se siente en todas partes, entonces siga estas precauciones:

1. No conecte ni desconecte ningún aparato eléctrico. No use el teléfono de su casa. No prenda fósforos. No haga nada que pueda producir chispas.
2. Haga que todos salgan de la casa inmediatamente, dejando las puertas abiertas para que se ventile.
3. Vaya a un teléfono cercano y llame informando a la Compañía Lone Star Gas Co., y espere hasta que los encargados de la Compañía investiguen las causas y determinen si se puede o no retornar a casa.

Es muy posible que Usted nunca tenga que enfrentarse con escapes de gas, pero queremos informarle por si acaso le sucede alguna vez. Asegúrese que toda su familia conozca estas normas de seguridad. Le aconsejamos también que guarde este aviso como referencia para el futuro. Gracias.

Lone Star Gas Company
Working energetically for your area's future.

Nursing students to receive pins

Fifty - one Midwestern State University nursing students will receive their pins during ceremonies scheduled for 10 a.m., Saturday, May 20, in the Ballroom of Clark Student Center. A reception will follow in the Cactus Room.

Ruth McFarland, Chairman of the Department of Nursing, will preside.

In addition to Lillian Jeppesen of Burkburnett, who will be named class honor student, others to receive pins include Paul Alexander, Merjean Andrews, Mary Barad, Eudora Beauchamp, Ricky Bunch, Sharon Chandler, Deborah Chirgotis, Teresa Cline, Elena Contreras, LaDonna Cooper, June Cox, LaJuana Crossland of Albany, Texas, Pamela Cullins, Naomi Curtis, Allene Daniel, Felicia Foyd and Denise Freeman of Indianapolis, Indiana. Continuing the list are

Michael Fritchen, Roselinda Gonzales, Melinda Henningson of Lakewood, New Jersey, Kenneth Howard of Henrietta, Machele Humphrey, Nancy Kerr, Julie Koetter, Gradyne Kollman-berger of Petrolia, Cindy Lee of Burkburnett, Sonja Lowe of Iowa Park, Lillian McCoy, Johnnie Mitchel, Charlene Mossman, Brenda Patterson, Sandra Pickett of Burkburnett, and Paula Pierce.

Others to receive pins are Mavis Pirtle of Throckmorton, Debra Probst, Phyllis Ridenour of Archer City, Betty Riggins of Vernon, Jaime Rogers, Betsy Sawyer of Iowa Park, Harma Shankles of Albany, Judy Silvers of Iowa Park, Debra Smith, Clarence Snider, Nadia Springer, Micki Stout of Vernon, Rebecca Thomas, Deborah Ward of Olney, Sharon White, and Beth Wolf of Windthorst.

THE HOT DOG VENDOR

There was a man who lived by the side of the road and sold hot dogs.

He sold very good hot dogs.

He put up signs along the highway and advertised in the newspaper telling how good they were.

He stood on the side of the road and cried:

"Buy a hot dog, Mister?"

And people bought.

He increased his meat and bun orders.

He bought a bigger stove to take care of his trade.

He finally got his son home from college to help him out.

But then something happened.

His son said, "Father, haven't you been listening to the radio and watching TV?"

There's a big depression.

The foreign situation is terrible.

The domestic situation is worse."

Whereupon the father thought,

"Well, my son's been to college, he listens to the radio and watches TV and he ought to know."

So the father cut down on his meat and bun orders, took down his signs and cancelled his newspaper ads and no longer bothered to stand out on the highway to sell his hot dogs.

And his hot dog sales fell almost overnight.

"You're right, son," the father said to the boy.

"We certainly are in the middle of a great depression."
