## Graduation ceremonies Friday in Hawk Stadium

Some 148 Iowa Park High School students are expected to receive graduation diplomas in ceremonies slated for 8 p.m. Friday in Hawk Stadium.

Ceremonies, as in the past, will be held outside, weather permitting. Should inclement weather develop, the event will be moved into the auditorium, with attendance limited to tickets issued to graduates for members of their families.

The Hawk Band will play both the processional and recessional,

as well as some special music following presentation of diplomas.

Invocation will be offered by Mike Priddy and benediction by Gary Lyles.

President of the graduating class, Bruce Holder, will make the traditional presentation of the class key.

The salutatory will be given by Travis Little, and valedictory by Jill Koonce.

Presentation of the class, by

Bob Dawson, principal, will follow his announcement of the top 10 academic students, who are Koonce, Little, Chris Jones, Lori Merrill, Teena Cook, Diana Smith, Cheryl Dowell, Kelli Richter, Chuck Thompson and Lynette Flick. Each will be presented a certificate.

The class will be accepted by Faris Nowell, superintendent of schools, and presentation of diplomas will be made by Bill Spruiell, president of the board of education.

## TESCO seeks 16% increase

Texas Electric Service Co. this week filed a request for a 16.1 percent systemwide increase in revenues.

The request, which was filed with the cities served by TESCO and with the Public Utility Commission in Austin, would provide an additional \$88-million in revenue.

The increase in rates is necessary because of the effect of inflation on Texas Electric's operation, including its program to build new generating plants that use lignite coal and nuclear fuels, said Wayne House, TESCO manager in Iowa Park.

"Our goal is to see that our customers continue to have a reliable supply of electricity at reasonable prices," he said. "To do this, we must continue our program to reduce our dependence on natural gas and oil as fuels to generate electricity."

TESCO can no longer obtain low-cost long-range gas contracts, and the government has required utilities to help the nation conserve oil by using other kinds of fuels to generate electricity, House said.

The company already has on hand long-range supplies of lignite and uranium, the two most abundant and most economical fuels available.

"We have made good progress in our program to build generating plants that use these two fuels," House said.

But he said the company's fuel-changing program has been hit especially hard by inflation since it began 10 years ago.

The company's first lignite-fueled plant was completed in 1971-72 at a cost of \$130 per kilowatt. By contrast, units completed in 1977-78 cost more than twice that amount.

Nationally, the inflation rate in the construction industry was 12 percent in 1978. "With these kinds of inflation rates affecting construction costs, we estimate it will cost \$583 per kilowatt to finish our Forest Grove plant in 1984," House said.

He said the fuel-changing program also had been hit by the ever-growing costs of complying with government regulations.

At the company's first lignite plant, the required air quality control equipment cost \$4 per kilowatt. At two units completed in 1977-78, the required equipment cost \$58 per kilowatt.

"We are committed to operating our plants in an environmentally acceptable way," House said. "But all these regulations add considerably to the price of electricity."

generating units will continue to mean lower overall electricity bills for customers.

"The total price of electricity is made up of two items: Base rate and fuel cost," House said. "By increasing the base rate, we are able to continue building plants that use cheaper lignite and uranium fuels."

"If we were not building these plants, base rates would be lower. But these lower rates would be more than offset by higher fuel costs, and the result would be a higher total

price to the customers," he said.

Under the proposed rates, increases for specific residential customers would vary according to the time of year and the amount each customer uses. Generally, a customer whose bills are in the range of \$30 to \$40 per month would see an increase of about \$5 a month.

Although the increase could take effect on June 21, in the past the PUC and city councils have postponed the effective date to study the request further. Therefore, it is not expected to take effect before next fall.

### Memorial Day service slated

Rev. Clyde Markee, pastor of First Christian Church, will be the speaker for the Memorial Day service planned by the Highland Cemetery Association Sunday at 2:30 p.m. The service will be held at the cemetery if weather permits, otherwise, it will be held at First Christian Church.

Dallas Ralston is president of the association and Hoyt Watson is vice president. Financial contributions to make the cemetery a beautiful memorial can be made to Roberta Hill, treasurer, P.O. Box 514.

### Rain measurements vary

Wheat farmers have been casting cautious eyes toward the clouds the past week, as harvest of what appears to be a bumper crop nears.

Rainfall this week ranges from 2.32 inches to well over 5.1 inches, according to reports of measurements.

Some damage was reported to wheat fields northwest of town in Sunday's rainstorm. Extent of the damage will not be known until hot weather gives the stalks a chance to straighten.

Some crops are said to be lying on the ground.

The Experiment Station measured an even two inches out of Sunday's

storm, less than measurements reported from the northwest sector.

Monday's rainfall was considerably heavier north and west of town than the Experiment Station reported. While some reports told of over two inches, the Experiment Station, located southeast of town, had only .32 of an inch.

For the year, the Experiment Station is reporting a whopping 12.22 inches of moisture, as compared with 6.85 for the same period last year.

Temperatures have varied considerably the past week, with 102 reported in Wichita Falls Saturday afternoon, and night time temperatures early this week dipping into the 50s.

MYSTERY VEGETABLE HAD HIM FOOLED  
...Tip Martin holds "tomatoes" in backyard garden

## Strange happenings in the tater patch

The miracles of gardening sometimes produce mysteries and such was the case this week when Tip Martin of 608 Pasadena returned from vacation to find strange things happening in his potato patch.

What he found could only be described as "Topatoes" growing above the ground and a healthy crop of regular spuds beneath the surface.

Naturally, the russet potatoes he harvested from the muddy soil didn't

alarm Martin. But those little green "topatoes" left him scratching his head.

"I just don't know how come it to happen," Martin said.

His five potato plants bearing "Topatoes" had been started from seed potatoes purchased at a local grocery store. Martin had never grown tomatoes in that area of his garden and he and his wife weren't in the habit of tossing table scraps into

the garden that might have contained tomato seeds.

So what caused Martin's five potato plants to sprout those clusters of fruit resembling tomatoes?

Iowa Park nurseryman George Baker theorized it was a cross between a potato and tomato grown by some gardeners as a novelty. He said it could be achieved by imbedding a tomato seed into a seed potato before planting with the moisture of the seed potato germinating the tomato seed.

Tim Hunter, manager of the Texas A&M University Experiment Station south of town, said he had read about the novelty plant. At first he thought Martin might have purchased seed potatoes that had been part of a novelty experiment.

But after further investigation and information from A&M's potato expert, Hunter explained the top fruit was a potato "seed pod."

The seed pod, which is the true seed of a potato, "is not anything

extremely rare or unique" to large-scale potato producers, Hunter said.

It is unusual to home gardeners, Hunter said, because potato flowers usually don't mature or the spuds are harvested before the pod forms.

Don Decker, Wichita County extension agent, described it as a

common phenomenon. The pod is the actual fruiting structure of the potato itself, Decker said.

Hunter said the only use of the seed pod is in genetic research and breeding. He said a "topato" shouldn't get much larger than a half dollar in circumference and would turn a brown color when left to mature.

## Kent Roberts, James Cowley junior high honor students

Kent Roberts and James Cowley will lead the entourage of Iowa Park eighth graders who will pass through the educational threshold from junior high into high school during eighth grade graduation ceremonies at 8 p.m. Monday in the high school auditorium.

Roberts, the son of Mr. and Mrs. Ross Roberts, earned the eighth grade valedictorian honors by maintaining a 98.57 grade point average.

Cowley is the eighth grade class salutatorian. He is leaving junior high with a 97.91 grade point average. He is the son of Mr. and Mrs. Harold Cowley.

Among the "top ten" eighth graders making the transition are Lori Barr, Paula Clark, Darla Flick, Robbie Hausler, Jeff Lawson, Ricky Moss, Keith Starr and Brad Thompson.

During the honors day program held earlier at the junior high, outstanding students in academics and athletics were recognized.

Other eighth graders cited for scholastic achievement were Benny Adams, Valorie Black, Charles Gilstrap, David Hildebrand, Sarah Lowe and Cindy Lyles.

Seventh graders honored for scholastic achievement were Loretta Bartow, Brenda Cook, Michelle Evans, Jan Hale, Peggy Harbuck, Betsy House, Tracy Lawson, Kim Price, Brenda Simons, Susan Streich, Dana Trantham and Craig Whisnand.

Recipients of the Outstanding Youth Award given by Epsilon Sigma Alpha were Alisa Cain and Marc Klinkerman.

Principal's Award went to Paula Clark and Ricky Moss.

Kent Roberts received the Band Director's Award, while the John York Award was shared by Kevin Bidy and Benny Adams.

Brenda Cook received the Choir Director's Award.

The Randy Kuehler Memorial Band Award was given to Susan Streich.

### Bicycle accidents five years apart

Lightning does sometime strike twice in the same place, according to the Jim Sargent family.

Fourteen-year-old Danny Sargent was riding a bicycle to junior high Wednesday morning when he was struck by an automobile at the intersection of Park and Colorado, sending him to the hospital at Sheppard AFB.

It was about five years ago, in the early fall, when Danny's older brother, Michael, was struck while riding a bicycle at the intersection of Fourth and Access Road.

The younger Sargent reportedly received a broken right leg and multiple abrasions and contusions.

### Local blood drive chairman optimistic

A note of optimism was expressed that Iowa Park may come very close to meeting its 75-pint goal when the Red Cross Bloodmobile visits here Tuesday afternoon.

N.D. Hodson said the recent demonstration by the Red Cross in helping people following the April tornado in Wichita Falls, plus the people's awareness of a need for blood following the usual traffic accidents on highways during Memorial Day weekend, should attract greater participation.

Hodson said the Bloodmobile will be at the First Christian Church from 1 to 6 Tuesday afternoon.

Members of the ESA sorority will be providing management support and assistance.

The local blood drive chairman recognized that school would be dismissed for summer vacation, and eligible aged students have accounted for a large portion of blood donated here recently. He said he hopes these same young people will continue their support.

### Wall plaque is planned

A new plaque will adorn the walls of the Iowa Park Chamber of Commerce office, on which the names of past presidents will be listed.

At Monday's regular monthly meeting of Chamber directors, Charlie Lee said he and Louis Sefcik were working together to design a plaque for the office.

Among reports made during the business meeting, Lee told of Iowa Park having an F-15 jet fighter dedicated to the community. Unveiling of the aircraft with Iowa Park painted on its side was made Friday afternoon at Sheppard AFB.

Keith Aulds, who served as chairman of the recent community

Clean Up Week, recommended the Chamber in the future not attempt to get organizations and individuals to clean up street sides and parks, because of lack of participation the past two campaigns. He applauded residents and property owners for their cooperation, however, saying that portion of the campaign was a success.

Directors agreed that brochures containing statistics on Iowa Park, which are handed out to interested persons, should be updated. Lee volunteered to print 2,000 new brochures and Wayne House is to assist Mrs. Ray Pittman, secretary, in collecting information.

Continued on page 12

# Robinson-Burnam vows are recited Saturday

The altar decorations for a double-ring ceremony performed Saturday afternoon at City View Baptist Church, where Miss Cathy Lynn Robinson became the bride of Randall Roy Burnam, were highlighted by two arrangements of white gladioli, mums and carnations uplifted by tall Grecian columns. The church pews were decorated with clusters of greenery tied with satin bows.

Rev. Ron Redding, pastor of Allendale Baptist Church, was the officiating minister for the service uniting the daughter of Mr. and Mrs.

L.R. Robinson of Wichita Falls and the son of the late Mr. and Mrs. J.A. Burnam of Cisco.

Mrs. Mike Smith provided the organ and vocal music for the wedding. She played a medley of contemporary selections for prelude numbers, furnished accompaniment for her solo "Evergreen" and included the traditional wedding marches in her offerings.

The bride's father escorted her to the altar and gave her in marriage for both parents. She wore a formal gown of sheer-ganza enhanced with Chantilly lace

featured in a yoke bordered with a ruffle of the same delicate network of threads. The ruffle trim was repeated at the elbows of the long fitted sleeves. The crystal pleated skirt that extended into a chapel train was graced with the lace ornamentation in a wide trim at the hemline.

The bride chose a sheer-ganza and lace fingertip veil cascading from a camelot cap dotted with seed pearls for her headpiece. Her spring bridal bouquet was centered with three red sweetheart roses and finished with long satin streamers.

Adding sentiment to her wedding gown, the bride wore a gold locket that belonged to the groom's mother, a piece of jewelry that had been worn three times previously by family members for their weddings.

Participating in the wedding as bridal attendants were Mrs. Larry Whitaker of Kamay, the matron of honor, Miss Leah Gregg of Iowa Park, niece of the groom, the maid of honor, and Mrs. Mike Mills of Wichita Falls, the bridesmaid. They were attired in sky blue satina polyester full length dresses made empire style accented with touches of blue velvet ribbon. They

wore white picture hats trimmed with spring flowers and blue velvet ribbon and carried bouquets of spring flowers tied with blue ribbon.

Miss Kristi Pearce of Wichita Falls, cousin of the bride, and Miss Christena Gregg of Iowa Park, niece of the groom, were junior bridesmaids, and little Miss Courtney Burnam of Iowa Park, the groom's niece, was flower girl. They wore floral designed polyester cotton floor length dresses with cape style sleeves and small barrettes of seasonal flowers in their hair. The junior bridesmaids carried bouquets identical to those carried by the other feminine attendants and the flower girl carried a white basket filled with blossoms to match the floral theme of the wedding.

The groom's wedding attire was a white tuxedo with tails and his boutonniere was two red sweetheart roses intermingled with greenery. The best man, groomsmen and ushers wore light blue tuxedos and the bride's father wore a navy blue tuxedo.

Benge Burnam of Iowa Park was best man for his brother. The groomsmen were Wendell Burnam, another brother, and Larry

Williams, both of Iowa Park. Serving as ushers were Tommy Pearce, cousin of the bride, and Kevin Merkel, both of Wichita Falls.

After the ceremony, the bride presented Mrs. H.J. Bishop of Brownwood, grandmother of the groom, with a long stemmed red rose, and the groom presented her mother with an identical flower.

The newlyweds are both employed as distribution clerks at the Wichita Falls Post Office. She was graduated from Rider High School and he was graduated from Iowa Park High School. Both attended Midwestern State University.

They are spending their honeymoon in Dallas and on Galveston Island. Choosing casual clothes for travel, she wore a white terry cloth dress with spaghetti straps and he wore a gray corduroy suit.

The bride's parents hosted the wedding reception at the church. Mrs. Jackie Perkins presided at the bride's book at a table covered with white lace. A brandy snifter filled with pastel-colored daisies and a

pink plume pen were table appointments.

The bride's table was draped with white lace over pink and the groom's table was laid with lace over green. Baskets of fresh spring flowers were the centerpieces for both tables.

The three-tiered white bride's cake was decorated with clusters of frosting flowers in spring hues and topped with a miniature bride and groom dressed in their wedding regalia standing in a lace-trimmed heart. The groom's chocolate cake was served with coffee from a silver service and hers was served with punch from a crystal service. Napkins on both tables were white imprinted with gold bells and names of the newlyweds.

Reception assistants were Mrs. J.D. Jarnigan, Misses Debbie Oliver, Melinda Tate and Sharon Kimberley. Houseparty members were Mmes. D.N. Pearce, Faye Phillips, Horace Robinson and S.A. Robinson.

Jolene Burnam of Miami Spring, Fla., sister of the groom, was an out-of-town guest.

MRS. RANDAL RAY BURNAM

Happy 90th  
Wedding Anniversary  
Gloria & Richard  
and we wish you 90 more.  
—from Your Friends

## Luncheon fetes wedding party

Mrs. Tamara Thompson and the young ladies who will be her attendants when she recites marriage vows with Frank Trotter Saturday evening were honored at a bridal salad luncheon Saturday.

Mrs. Norma Young and Miss Shannon Young were hostesses for the luncheon at their home Saturday. The meal was served in both formal and informal settings.

A strawberry theme was chosen, out of respect for the future bride's attraction for the fruit, for the informal table laid with white linen. A silver bowl filled with the fresh berries and a straw tray holding paper replicas of the fruit on the vine were table decorations. Baskets of the juicy, red fruit were pictured on the napkins.

The formal table was covered with white cutwork linen and set with fine china and silver. The floral centerpiece was a bouquet of yellow roses.

Others attending the luncheon were Mrs. Dale Thompson and Mrs. Johnnie D. Trotter, mothers of the engaged couple.

# Here's what fuel means on your electric bill.

The cost to provide your electric service is divided into two parts: base rate and fuel. The base rate covers the cost of bringing electricity to you—things like the miles of lines, substations, power plants and the Texas Electric employees to make it all work are included in the base rate. But the other part of your bill, fuel, is what some people don't understand. The "fuel" amount on your bill is what we must pay to buy the natural gas, oil or lignite coal that we use to make your electricity. Without that fuel, all the other things that make up your electric service system would be

useless. We must burn fuel to make your electricity. How much we use each month to make your electricity is shown by the fuel amount on your bill. At Texas Electric, we want you to understand what you're paying for.

W. N. HOUSE, Manager, Phone 592-4149

PAM STODGHILL

### Shower fetes bride elect

A miscellaneous bridal shower was given Wednesday evening for Miss Ruth Robertson, bride-elect of David Wagoner, in Texas Electric Reddy Room by Miss Carolyn Copas and Miss Sharon Miller.

Classmates and young friends of the honoree were on the invitation list. Mrs. Joe Robertson and Mrs. Hank Wagoner, mothers of the future bride and groom, were present at the party.

Decorations were governed by green and yellow colors. The refreshment table and registry table were covered with white lace and each held a bride and groom linked together with a pretend wedding band to which satin ribbons were attached.

The cake was decorated in the chosen colors noted in frosting flowers and names of the engaged couple.

KATHY HINES AND MARK SIMONS

### Announce engagement

The wedding of Miss Kathy Hines and Mark Simons will be solemnized August 11 at First Baptist Church, according to her

parents, Mr. and Mrs. Ken Hines, who are announcing the engagement and forthcoming marriage. Parents of the prospective groom are Mr. and Mrs. John Simons Jr. of Artesia, N.M.

Miss Hines was graduated from Iowa Park High School in 1977 and is attending Hardin-Simmons University where she is a member of Delta Social Club. Her fiancé, also a student at H-SU where he belongs to Sigma Delta Sigma Social Club and is active in ROTC, was graduated from Artesia High School.

### Strickland gets \$500 scholarship

Stuart Kent Strickland, who will be a senior at Wichita Falls Senior High School next fall, has been selected to receive a \$500 scholarship from Project SEED to conduct basic chemical research at Midwestern State University.

He will be working in the area of organic synthesis under the direction of Dr. Eldon H. Sund, Professor of Chemistry.

Sponsored jointly by MSU and the American Chemical Society, the purpose of Project SEED is to encourage students interested in careers in chemistry and to prepare them for college work.

Strickland is the son of Mr. and Mrs. Weldon Strickland of Iowa Park.

SANDRA KAY FRAZIER

### Couple picks August date

Mr. and Mrs. Bobby W. Frazier announce the engagement of their daughter, Sandra Kay, and G.L. Smith Jr., son of Mr. and Mrs. G.L. Smith.

Miss Frazier was graduated from Burk Burnett High School and is presently

working for Texas Water Crafters. The groom-elect was graduated from Iowa Park High School and is employed by E.W. Moran Drilling Co.

The couple will be married August 11 at the First Christian Church.

### July date is selected

The engagement of Miss Pam Stodghill and James R. Pappas has been announced by her parents, Mr. and Mrs. Jimmie K. Stodghill of Wichita Falls. The groom-elect is the son of Mr. and Mrs. James H. Pappas of Iowa Park.

The wedding will take place July 6 at the First Christian Church in Wichita Falls.

Miss Stodghill, a student at Midwestern State University was graduated from Wichita Falls High School. Her fiancé was graduated from Iowa Park High School and MSU and teaches math

at Crystal City Junior High School.

### TOPS meets

Twelve weighed in during the TOPS Club meeting Monday night. Queens for the past two weeks were named. These were Mrs. George Boles and Mrs. James Bowerman, TOPS; Mrs. Lloyd Lowe and Mrs. C.O. Dodd, KOPS.

Mrs. Boles was named chairman of new weight control contest which will run through June 4.

The club will not meet next week due to a conflict with Memorial Day holidays.

## STATE NATIONAL BANK

IOWA PARK, TEXAS

Member F.D.I.C.

**Communication is important**

Barbara Cornelius, Wichita County Extension Agent, gave a program on "Family Communications" for the Park Area Extension Homemakers Club Wednesday in the meeting at Mrs. Nancy Henderson's home. She emphasized that family communications meant more than talking and listening because both could not be done at the same time. Mrs. W.E. Karstetter directed the business. When members answered roll call they gave the safety protection most practiced.

Upcoming activities discussed included a bus trip to Palo Duro Canyon in July; selection of candidates from the Wichita County Council to attend the state meeting at Fort Worth; and the fall round-up. The next meeting will be a covered dish luncheon June 6 at the home of Mrs. Floyd Stermer for the last meeting of the year. The recreation committee composed of Mmes. Roy Fortner, Joe Cope and James Todd will be in charge of arrangements.

**Cook of the Week**

During colonial days, home canning was a way of life in order to insure food throughout the winter. In spite of the limitations of preservation, American ingenuity prevailed and some of our recipes for canning foods today are very old. The pressure method of canning has made the process easier and faster, yet the hot water bath method is still used for some fruits and vegetables today.

In this time of tight economy, more and more people are realizing the worth of making their own gardens and of either canning or freezing the produce to insure good eating and lower food bills during the winter. Canning has never been out of vogue even though it has been replaced in some cases by freezing. This year there seems to be a revived interest in canning, and Mrs. Perry Johnston must have been aware of this when she submitted all canning recipes this week.

Jo Ann Johnston, a young matron, said that she got a touch of what is commonly referred to as "the good old days", even to the extent of making lye soap in a wash pot, when she grew up on a farm in Colorado. She had experience growing gardens and canning the fruits and vegetables and she still finds it satisfying and rewarding. A native of Colorado, she was graduated from high school at Norwood and later the Western Slope Beauty School. She and her husband Perry, who is now employed by Robertson Oil Co. in Burkburnett, moved to Iowa Park in 1959. They have one son Terry, a senior at Midwestern State University.

Jo Ann enjoys oil and tile painting, decorating cakes, sewing and gardening and collecting rocks with her family. She is a member of the Iowa Park Art Association.

**SUMMER SQUASH**  
Wash but do not peel, trim ends. Cut squash into 1/2 inch slices, halve or quarter to make pieces of uniform size. Pack raw squash tightly into clean jars to 1 inch of top of jar. Add 1/2 t salt to pints and 1 t to quarts. Fill jar to top with boiling water. Adjust jar lids. Process 10 lb. pressure 25 minutes for pints and 30 minutes for quarts.

**SAUERKRAUT**  
**[made in jars]**  
Small amount:  
5 lbs. cabbage  
3/2 T salt  
Large amount:  
40 lbs. cabbage  
1 lb. salt  
(1 lb. fills 1 pint jar)

Remove outside cabbage leaves and wash thoroughly. Quarter cabbage and shred finely. Put cabbage and salt in a large pan and mix with hands. Pack solidly into jars within 1/2 inch of top. Fill with cold water to within 1/2 inch of top of jar. Put on cap, screwing band firmly tight. Put jars in a newspaper-lined box and place in a cool place for 3 or 4 days. When fermentation ceases (no active bubbles), wash jars, tighten bands and process in boiling water bath for 15 minutes. Start counting processing as soon as jars are placed in actively boiling water. Freshly picked cabbage is the best.

**PICKLED OKRA**  
3 lbs. okra  
3 cups white vinegar  
3 cups water  
Salt  
Garlic clove  
Hot peppers

Use only small freshly cut okra pods, cutting as much of the stem as possible. Wash and drain. Pack okra into sterilized jars, add two slices of garlic, 1 hot pepper and 1/2 t salt to each pint jar. Boil vinegar and water together. Fill jars with boiling brine to within 1/2

**JALAPENO RELISH**  
2 qts. ripe tomatoes  
2 large onions  
3-4 Jalapeno peppers (to suit taste)  
2 1/2 t salt  
Finely chop tomatoes, onions, peppers and salt. Mix well. Pack into 1/2 pint jars to within 1/2 inch of top of jar. Screw bands down tight. Process 10 minutes at 5 lb. pressure or 50 minutes in boiling water bath.

**BELL PEPPERS**  
Clean and wash green and red peppers; cut into 1/2 inch pieces. Pack tightly into jars. Add 1/4 t salt to half pints, 1/2 t to pints and 1 t to quarts. Cover with boiling water to within 1/2 inch of top. Adjust lids. Process half pints 5 minutes, pints 10 minutes and quarts 15 minutes at 10 lb. pressure. To use peppers in stew or soup, cook the other ingredients until tender; add pepper and simmer 10 minutes.

**GREENS**  
Use tender, freshly-picked greens. Wash thoroughly through several pans of cold water. Wilt greens in large pans. Pack into hot jars. Add 1/2 t salt to each pint and 1 t to each quart. Add precooking water to 1/2 inch of top (if not better) or use fresh boiling water. Adjust lids. Process pints 45 minutes and quarts 70 minutes at 10 lb. pressure.

**BLACKEYED PEAS**  
Shell and wash peas. Pack in jars to 1 1/2 inch of top for pint jars and 2 inches for quart jars. Cover with boiling water leaving 1/2 inch

Mrs. Perry Johnston

space at top of jars. Add 1/2 t salt to pints and 1 t salt to quarts. Adjust lids. Process pints 35 minutes and quarts 40 minutes at 10 pound pressure.

Fresh shelled pinto beans are canned the same way except process pints 40 minutes and quarts 50 minutes at 10 pound pressure.

**CANTALOUPE HONEY**  
**[makes 4-8 oz. jars]**  
2 large cantaloupes (about 2 1/2 pounds each)  
1/2 cup lemon juice  
5 cups sugar

Dash of salt  
1/2 t ground nutmeg  
Cut cantaloupe in wedges. Scoop out seeds and pare. Put through fine blend meat chopper. Measure ground pulp and liquid; add water if needed to make 5 cups. Combine with lemon juice, sugar and salt in large bowl. Heat to boiling, stirring constantly until sugar dissolves. Then cook slowly, stirring often for 1 hour and 15 minutes or until thick as honey. Remove from heat and add nutmeg. Stir and skim after 5 minutes. Pour in jars and seal.

# Letters to the Editor

Dear Mr. Hamilton,

I read your article in this week's

LEADER, and I agree with you all the way about shopping in Iowa Park. I work in Wichita Falls and get off

work at noon every day. It would be much more convenient for me to stop then and do my shopping, but for the most part I come on to Iowa park and do this, but it is very hard to shop in some of the businesses in this town.

For instance, the day after the tornado struck Wichita Falls; I went up town to do some shopping and saw on the door of one grocery store, which I will not name at this time, the following notice "WE WILL ACCEPT NO CHECK ON THE SOUTHWEST NATIONAL BANK". Now do you believe for one minute that this bank had no plan by which those people who had accounts there could have recovered their losses even if the bank had been completely destroyed!! Somehow I believe these checks would have been honored, and I just cannot bring myself to trade with a store that would penalize innocent people just because the bank they chose happened to have been in the path of the tornado. Other businesses may also have had this notice, but I visited a half dozen or so and that was the only one I saw. Somehow this seemed about the last straw these people would have needed after what they had already been through.

I do still shop Iowa Park, but I am sorry this grocery store is "Off Limits" to me.

Disappointed in some,  
Faye Birdet

Mr. Bob Hamilton:

We merchants of Iowa Park would like very much to commend you for the "As I See It" editorial in the May 17th edition. We thank you for the write up and hope that the people of Iowa Park read this and realize the true statistics of this. We as merchants can only contribute to our community as the power of the community helps us to do.

Thank you.

# As I See It....

As I've always done in the past, I'll ask you readers to tolerate this edition's column entirely to the seniors of our graduating class.

So you're graduating from high school tomorrow night! That's great, and I'm sure well deserved. It's been a long 12 years, well over half your lives.

What are you going to do with what you've learned those 12 years? Continue your education? Go directly into the business or labor field? Play around a while until you decide?

Whatever you do, whatever your plans, may I suggest you at least consider, sometime in the future, becoming a member of your community.

For a large percentage of you, I'm sure the attraction of a big city beckons. Gosh, there's all those things one can do in the big city, like concerts, night clubs, professional ball games...and not to overlook all those jobs being offered at high

salaries.

But consider, is this really for you? I can only speak from my own observations. My likes and dislikes. But to some, they may be of some help.

In the large city, there is nothing but a continuous stream of unknown faces. You are but a fine grain of sand on an endless beach. You are nobody, looking for something, doing the routine ritual of going to work and looking for something to break the monotony.

Look at all the suburbs around the cities and they should tell you something. Most of those people are trying to get away from the big city and life it offers. Some commuters drive over 100 miles a day, just to have a life somewhat like we enjoy right here in Iowa Park.

Now that you're becoming persons of your own, no one can tell you what to do and how to live your life (though the government will do its best). So consider what I'm saying.

Here, it's nice to know everyone by name, or at least by sight. It's a comfort and security one only realizes once they've been in the city for a while.

Are there things about Iowa Park you don't like. Well, now that you're ready to take your place among the community's leaders, it's up to you to work toward those changes you've always wanted.

We've got a big investment in each of you. The main investment is our love and desire you have the best we can offer.

But did you consider the monetary investment? In your class alone, the taxpayers have approximately \$1-million invested in providing you 12 years of education, facilities, activities and all those things that go into formal education.

We'd like you to join this adult society. Become a part of us.

Together, maybe we can succeed in producing other fine graduating classes as you all are.

## Clothes taken from laundry

Iowa Park police are investigating a Tuesday night incident involving the theft of clothes from a commercial laundry.

Vicky Huckaby, 206 W. Washington, left the Davis Wash House for about an hour Tuesday night. When she returned to pick up the clothes that she had left drying she found they had been stolen.

The thieves got away with five pairs of jeans and a half dozen shirts.

Police received a report last week from Barbara Sampley, 111 W. Jefferson, that the girls softball park concession stand at Washington and Bell Road had been burglarized.

The burglars broke an electric meter and left a refrigerator door open.

## Humor 'n Whimsey

Joe Riordan

The deaths of Popes Paul VI and his successor John Paul brought back a memory of a true story I heard in 1958 following the death of Pope Pius XII.

The story is not so much about the death of Pope Pius XII or the selection of his successor. Mostly, it's about a nine-year-old youngster I'll call Herschel—because that isn't his real name. He was an American-Hebrew—descendent of Abraham—the father of all Hebrews.

Young Herschel was a Jew by faith. A grammar school student by law. A sports fan by choice. Baseball was his favorite and he knew almost all of the players in the national league—particularly those who played for the team in his home town of St. Louis.

According to the story the death of Pope Pius XII was discussed in the school Herschel attended. After all every Pope is "the Bishop of Rome,

the visible head of the Church and Vicar of Christ on earth" to about 543,000,000 members of the Roman Catholic faith—many of whom live in St. Louis—so the discussion was natural.

But, Herschel didn't understand the situation clearly and he discussed it with his mother that afternoon between bites of peanut butter and jelly sandwich.

"Mother, if the Pope is really dead then what will all the Catholics do?"

"Elect a new Pope, of course."

"How do they do that?"

"The cardinals will meet in Rome and vote to make one of their members the new Pope."

When the thought hit home Herschel almost dropped his sandwich.

"The Cardinals elect the new Pope? Boy, I sure hope Stan Musial gets the job!"

TOM VENHAUS will become president of District IX, Texas State Teachers Association, June 1. He is shown discussing plans with Cecile Russell of Amarillo, who will also become the state president. Venhaus, former faculty member in Iowa Park schools, is now counselor at Byers, Bellevue and Midway schools. His wife remains on the local faculty. They reside at 1517 Douglas.

## MAJOR LEAGUE STANDINGS

Dodgers	7-1
Giants	4-3
Yankees	3-4
Pirates	3-4
Astros	1-6

All Major League games scheduled for Tuesday were cancelled due to rain. Both games will be made up Saturday.

**Yankees 5, Dodgers 1**  
 Friday night's game between the Dodgers and Yankees turned out to be a pitching duel between Dodger Van Hedrick and Brian Fowler of the Yankees. Hedrick picked up a no-hitter, his fifth win in as

many starts, while striking out 12 Yankee batters and giving up no walks or hits. Wayne Kenyon was the only Yankee to reach first base when his infield grounder was bobbled.

**The Dodgers collected five hits and three walks to score the game's only runs as Fowler struck out 10 Dodgers.**

**Both teams failed to reach base until the fourth inning, and the Dodgers also tallied in the fifth to win.**

**Giants 11, Pirates 2**  
 Mark Copeland hit two for three, but both were for home runs, in consecutive at-bats, for the Giants. Steve Biddy went three for three

and scored three runs. Bobby Shaffer struck out nine Pirates, including the first seven he faced. Shaffer, Brad Huff and Jimmie Collazo each batted two for three.

For the Pirates, Donnie Dietrichson had two runs with two at-bats. Richard Spears struck out three and batted one for two.

## MINOR LEAGUE

**Indians 19, Oilers 8**  
 Game was called due to time limit with Indians batting in top of third inning.

Brett Hale had a home run and double for the Indians, Gary Kissner a pair of triples and Jason Yardley a

double and three singles. For the Oilers, Michael Pipen collected a single and triple and Kathy Walker a pair of singles.

**Indians 4, Cubs 4**  
 The game was called at the end of five innings because of time limit, with the score tied. The Cubs and Indians are division leaders in the Minors.

Robert Adams pitched five innings for the Cubs and struck out 11 Indians. Brett Hale and Joe Slack pitched for the Indians.

Jason Yardley had three singles for the Indians and Greg Feltman made the fielding play of the game when he threw out a runner at home plate, throwing from center field.

## Shower fetes bride elect

DEBRA MILLER

### Debra Miller TWU graduate

Debra Dawn Miller, daughter of Mr. and Mrs. Harold L. Miller, received a B.S. degree in nursing from Texas Woman's University May 19. She belonged to the Texas Nursing Students Association at the University.

A graduate of Weatherford High School, Miss Miller will work at Wichita General Hospital this summer until she takes her state board examination July 10-11. Then she will be working at St. Paul's Hospital in Dallas in the nursery department.

Following commencement exercises, Miss Miller was honored at a reception given by her parents at the motel where they were staying. Relatives and close friends made up the invitation list.

The colors of pink and burgundy emphasized in decorations and corsages imparted interesting distinction to a miscellaneous bridal shower given Thursday evening to honor Miss Darla Daugherty who is betrothed to Robert Bradberry.

Composing the hostess list for the social function held at Texas Electric Reddy Room were Meses. Jim Barbour, Roy Boutwell, Randy Catlin, Johnny Cooley, Steve Kelly, Gene Kyle and Wayne Marshall.

The refreshment table highlighted the chosen colors in a most gracious fashion. The richness of its applied lace cloth over burgundy was enhanced with the silver appointments.

The dignified centerpiece was a silver vase holding pink carnations and daisies, burgundy roses and baby's breath. A sentimental touch to the refreshments was the double bell-shaped cake decorated with pink roses and lettered with "Darla and Robert", which seemed to ring out the good news of the approaching wedding.

The bride's book and feather pen were placed on a round table covered with a white linen cloth bordered with a lace applique ruffle. Terri and Shari Cooley presided at the table securing names of guests who attended the reception.

Miss Dayna Daugherty, sister of the bride-elect, assisted her with opening the gifts which were placed on a table laid with lace over burgundy for display.

The hostesses presented the honoree, her mother, Mrs. Don Daugherty, and her fiance's mother, Mrs. Eulas Bradberry, with corsages to complement their costumes.

Included on the list of special guests were Mrs. George Bartosh and Mrs. George Daugherty, grandmothers of the future bride.

### Steve Arrington graduates H-SU

Steve Arrington, son of Mr. and Mrs. Andrew Arrington of Iowa Park and a graduate of Iowa Park High School, was graduated from Hardin-Simmons University at Abilene in ceremonies held May 13 in Behrens Chapel Auditorium.

Arrington was one of 28 who received degrees in bachelor of business administration. Approximately 215 degrees were awarded during commencement exercises.

### Jay Cantrell named officer

Jay A. Cantrell, a Wichita Falls lawyer and graduate of Iowa Park High School, has been elected to the Board of Directors of the Texas Young Lawyers Association of the State Bar. The announcement of Cantrell's directorship was made by Tom Hanna, Executive Director of the State Bar at the Texas Law Center.

Cantrell, who was unopposed for the District 13 directorship, will serve for two years, beginning at the conclusion of the annual State Bar convention June 26-29 in San Antonio.

The Texas Young Lawyers Association (TYLA) is composed of State Bar members 35 years of age or younger.

### 4 pianists earn ratings

Four piano students earned Superior Plus ratings in the National Guild Piano Auditions held in Wichita Falls recently.

They are Tim Adcock, Denny Anderson, Eric Birk of Iowa Park, and Kent Lilley of Holiday. All four earned membership in the honorary piano organization "Critic Circle" which recognizes outstanding piano scholars.

Each of the boys have won numerous piano awards this year by participation in the Baroque Festival, Sonatina-Festival, University

Interscholastic League, Greater Southwest Music Festival, and Mountain View College Piano Solo contest.

For the Guild Audition, each of the boys played nearly 10 selections which were composed by Bach, Bartok, Brahms, Haydn, Jones, Mozart, Rachmaninoff, and Schubert.

The boys will be participating in the Piano Division of the state solo and ensemble contest to be held in Austin, June 1 and 2. Tim, Denny, and Kent are students of Margaret Bebb, and Eric is a student of Sandra Lewis.

### Blood need is program

Patti Tucka, donor recruiter for the American Red Cross, gave a program stressing the importance of blood donations for the Evening Lions Club Tuesday.

Introduced by Arch Hughes, she first showed a film describing two types of people, those who give blood regularly and those who never donate. She then told the group how Iowa Park was involved in the Red Cross Bloodmobile. She said that its next visit would be Tuesday following the Memorial Day holiday when the supply of blood at the bank might be low because of accidents during the holiday.

Special vocal music was presented by Missy Logan

and John Teel, fourth grade students of Miss Karlene Eastman who accompanied them on the piano. They sang "Don't Fence Me In" for a duet number. Missy sang "If I Could Talk to the Animals" and John sang "Bless the Beast and the Children" and "You Light Up My Life". Mrs. G.L. McWilliams sang two patriotic numbers.

Other guests were Miss Teri Shoemaker, Mrs. Arch Hughes, Mrs. Sam Hunter, Dan Carson and Larry Huckaby from Burkburnett. Dan Griffith was elected to membership in the club.

## 4-H NEWS

District 3 Teen Leader Lab is scheduled for June 18-20 at the Texas 4-H Center Brownwood. The cost for two nights lodging, seven meals, and insurance is \$13.75. It will be an exciting time of learning and fun.

This year's theme is Close Encounters with Communication Today. There will be time for recreation and meeting 4-H'ers from other counties. The registration deadline is June 1. The quota for Wichita County is ten, so sign up now at the County Extension Office, 766-0131.

### 4-H Roundup

Wichita County will have three representatives at Texas 4-H Roundup, June 5 & 6 at Texas A&M University at College Station.

### Iowa Parkans earn awards

Two Iowa Park residents who work at Sheppard Air Force Base have earned \$175 through the Air Force Suggestion Program.

The two ideas represent an estimated savings of \$2,075 to the Air Force.

Robert T. Robinson, with the 3770th Technical Train-

ing Group, earned \$125 for his idea to delete communications security from initial skills courses.

Harold L. Miller, 3750th Consolidated Maintenance Squadron, received \$50 for a suggestion to construct and use a protective cover on electronic test equipment.

**Party honors IPHS senior**

Miss Gaye Williams, a senior at Iowa Park High School, was honored with a banana split party Tuesday afternoon at the home of Mrs. Billy C. Fraser in Wichita Falls. Co-hostess was Mrs. Jack Price.

A manzanita tree decorated with green and white flowers, miniature bows and diplomas complimented the serving table. Party favors were miniature flower pots holding green and white flowers.

Special guests were Mrs. Wylie Williams and Gwyn Williams, mother and sister of the honoree. Other guests were Connie Bryan, Janis James, Kathryn Mattis, Carrie Mahler, Kelli Richter, Valerie Ward, Debbie Baxter, Tammy Case, Jo Ann Curry, Diana Smith and Cheryl Dowell.

Miss Williams is in the Hawk Band and is co-editor of the annual staff. She plans to attend Midwestern State University.

**Optimist Club presents bonds to four students**

Four outstanding vocational students at Iowa Park High School were honored by the Optimist Club Thursday evening when each was presented \$50 savings bonds. Recipients were Jere Ellison, son of Mr. and Mrs. W.K. Brumbeloe, auto mechanics student; Traci Salmon, daughter of Mr. and Mrs. Charles Salmon, cosmetology student; Scott Cameron, son of Mr. and Mrs. Keith Cameron, auto body student; and Jeff Nolen, son of Mr. and Mrs. Robert Nolen, building trades student. Presentation of the awards was made by

James Richter, Optimist Club president. Richter pointed out that the Optimist Club, as a "friend to youth", desired to have a part in assisting outstanding youth. Ellison is instructed by Robert Sumner, Salmon by Valer Mae Jones, Cameron by Wendell Allen and Nolen by Gary Lyles. Special guests at the event were Harold Cowley, assistant superintendent in charge of vocational instruction; Carl King, vocational counselor; Richard Davis, job placement coordinator; and Bob Dawson, high school principal.

# Risa Roberts selected to attend Girls' State

RISA ROBERTS

Risa Roberts, daughter of Mr. and Mrs. Ross Roberts, has been selected by the Leo H. Smith Unit 637, American Legion Auxiliary, to attend the annual Bluebonnet Girls State held at Seguin Lutheran College, June 19-29.

Girls State is a mythical 51st state where, for a period of 10 days, 569 girls from all over Texas are citizens. These citizens organize their own city, county and state governments, and learn to choose their own officials in accordance with regular election procedures. They also learn the duties of city, county and state officials.

The girls will introduce and debate their own bills in a legislature, and administer justice by their own law enforcement agencies and courts. In Girls State, the young citizens "learn by doing". The political parties are solely mythical for the sole purpose of enabling the

girls to set up their own city, county and state governments using the existing constitution and laws as guides.

The citizens will be divided into two political parties, National and Federal. They will spend one day at the State Capitol which will offer them the opportunity to assemble in the halls of the legislature and to meet state officials.

Risa will be a senior at Iowa Park High School next year. She was named to the National Honor Society this year. She is a member of the Hawk Band and served as vice president during her junior year. She is a member of the A Cappella Choir, varsity tennis team.

She was salutatorian of the Iowa Park Junior High graduating class. During her freshman year, she was a member of both All-Region Band and All-Region Orchestra. In her sophomore year, she made All-District

Band first chair. All-Region Band, received Division I on snare drum solos at UIL contest and Greater Southwest Music Festival. She

The Monday evening meeting of Alpha Epsilon Omicron chapter of Beta Sigma Phi to close out the year was highlighted by rituals ceremony, presentation of awards and installation of officers.

Mary Beth Todd was the hostess and Florence Holman led opening rituals. In answering roll call, each affiliate told what gave her the most joy in life.

Karen Fullerton was the presiding officer. Recipients of the chapter's awards for the year were Wanda Wilson, program; Barbara Peeler, pledge; and Fullerton, Marge Conklin, Lavonne Stogner, Gloria Bond,

received the Optimist Youth Appreciation award. She was selected by her teachers to attend Girls State for her all-round citizenship and leadership.

Risa and her mother and Mrs. Franklin Farnsworth, Girls State chairman, will attend a luncheon in Dallas

Officers installed for 1979-80 were Gayle Cleghorn, president; Gloria Bond, first vice president; Mary Beth Todd, second vice president; Lavonne

Stogner, recording secretary; Barbara Peeler, corresponding secretary; Lela Garrels, treasurer.

Sue Owens led the closing rituals.

June 9 for the purpose of getting acquainted with ladies and girls who will be attending Girls State from this area.

## Rituals ceremony held at meeting

Gayle Cleghorn and Lela Garrels, perfect attendance. The president's gavel was presented to Mrs. Fullerton who gave charms to all the officers.

Pledge rituals were conducted for Debbie Stubbs and rituals of affirmation for Mary Beth Todd, Gayle Cleghorn and Barbara Peeler.

"The Full Life" was the title of the program led by Wanda Wilson. She was assisted by Linda McFarland, Kay Alderson and Barbara Peeler. The point of emphasis was that the full life should be so enriching that nothing else would be needed to enlarge it.

Michael Sargent spring graduate

Michael Sargent of Iowa Park is a candidate for spring graduation at Texas State Technical Institute in Waco. He has completed a skill development program in automotive mechanics.

Sargent is a 1977 graduate of Iowa Park High School and is the son of Mr. and Mrs. Jim Sargent of 504

# Outstanding athletes are recognized Friday

Climaxed an annual awards dinner, Iowa Park High students announced the outstanding athletes in their respective sports.

Instead of the traditional spring sports banquet, held in the cafeteria, this year's event was a picnic at which students swam, played volleyball and studied some sports.

The banquet consisted of hamburgers and hotdogs.

with all the trimmings, prepared by the Iowa Park Kiwanis Club.

All varsity sports, with exception of football, were represented. Recipients included:

**BOYS BASKETBALL** - Outstanding Player, Randall Griffith; Outstanding Team, Joe Ann Curry; Most Improved, Steven Williams.

**GIRLS BASKETBALL** - Five Time Award, Jo Ann McLaugh; Best Award, Jill Wattle and Tammy Richardson; Best Award, Penny Baker.

**BOYS BASKETBALL** - Five Time Award, Jim Richardson; Best Award, Randall Griffith; Best Award, Penny Baker; Best Award, Penny Baker.

**GOLF** - Outstanding Player, Foster Warfield.

**GIRLS TRACK** - Outstanding Athlete, Kit Brown.

**BOYS TRACK** - High Point Award, Rip Fuller; Most Dedicated, Anthony Letwin.

**BASKETBALL** - Most Improved, Foster Warfield.

ATHLETES AND DATES MAKE WAY THROUGH CROWD LINE...swimming, basketball, volleyball, hot dogs, order of the day.

## Hawks absent from all district list

Two all-district baseball teams were announced during the past week, but none of the Hawks made the first teams of either selection.

Four Iowa Park players were on the honorable mention list, as selected by the District 6-AAA coaches. They were Forrest Warfield, Len Muckensturm, Robert Combs and Gary Blakerby.

The other list was prepared by sports writers of the district, and two Hawks made the second team selection. Muckensturm was named to third base and Troy Letwin was listed as designated hitter.

Sportswriters also named on their honorable mention list: Roy Henderson, Marfeld, Combs and Chuck Thompson.

Muckensturm had the lowest batting average of any player on the second team, .266. Letwin was hitting at a .394 clip in 22 games. He was credited with 22 hits in 55 official at-bats. He ranked sixth among district batters' averages.

Thompson was also listed as a designated hitter on the honorable mention list. The sportswriters had him down twice, also making honorable mention at third base. Marfeld, a sophomore doing with Letwin and Muckensturm, finished with an even .300 batting average. Combs, a junior, was .278.

Combs and Marfeld scored the most runs for Iowa Park, six each, while Letwin and Blakerby each had five.

Combs led the Hawks in most runs batted in, eight, which ranked him among the top 10 in the district for that category. Letwin had seven, Muckensturm five and Marfeld four.

Grant's High Series, a picnic, led all district activities with a .855 average, and most two-base hits. Five. Continued four two-bases.

## Vernon captures 1st annual All Sports Trophy

Vernon used a strong lead in the spring sports by winning district titles in boys track and tennis to capture the 1st annual all sports trophy which is sponsored by the 6-AAA sportswriters.

The shiny gold and trophy which has figures representing each sport will be presented to Vernon High School by Paula Noel, sports editor of the Vernon Daily Record.

It was a three school race right down to the wire with Lewis just clipping Hirschi 75 to 73 points.

Burkhardt finished a strong third, thanks to a baseball championship in the final sport, with 71 points. Vernon has been strong in the spring sports for several

years and always get good support from the Lady Lions. The Lady Lions contributed 36 points with a district title in tennis and a second place finish in track.

Hirschi led the girls' division with 32 points while Iowa Park was third with 25 points. Burkhardt won 50 points in the boys' division followed by Vernon

with 40 and Hirschi with 40 points.

Mineral Wells, which finished 6th overall with 30 points, was more district titles than any other school with four although girls' golf was not included in the all sport standings. The Rams won boys basketball, girls' basketball, and boys' golf. Burkhardt captured

three titles which included football, girls' volleyball, and baseball. Vernon won titles in tennis and boys track while Hirschi captured the district title in girls' track.

In the overall standings, Graham was third with 54 points followed by Iowa Park with 50 points and Weatherford with 49 points.

	F*Ball	B. B*ball	G. B*ball	B. Track	G. Track	Tennis	B. Golf	Volleyball	Base Ball	TOTAL

WEATHERFORD	6	9	8	2	2	6	4	2	10 1/2	49 1/2

## Kelly Riggs is winner

Kelly Riggs, a senior at Iowa Park High School, has won second place in the Young Designers contest sponsored by the Texas Agricultural Extension Service of Wichita County. The purpose of the contest was to allow Wichita County youth opportunities to acquire skills and apply knowledge in interior design and selection of home furnishings by making either a living room, family room or bedroom presentation.

She became a semi-finalist by designing a bedroom in a soft pink and apple green color scheme featuring a canopy bed and white

wicker furniture. As a semi-finalist, she competed by setting up a vignette in the Pilgrim House in Wichita Falls. It consisted of yellow contemporary furniture accented by a brass bed and a warm color scheme and earned second place in the contest.

Kelly has been enrolled in the Home Economics Co-Op program at Iowa Park High School under the direction of Cindy Mannas. Her training station has been Vera's Interiors, an interior decorating studio in Wichita Falls.

## Scholarship for Hildebrand

Marc Hildebrand, son of Mr. and Mrs. Harold Hildebrand, was one of two high school seniors who were awarded \$300 scholarships by the NCG Wives Club at Sheppard AFB Thursday during a luncheon. A senior at Iowa Park High School, he will enter Midwestern State University next fall and study pre-law.

# 38 seniors to graduate

Thirty-eight Holliday High School seniors will walk across the auditorium stage tomorrow night during commencement ceremonies.

Graduation is scheduled for 8 p.m. Friday in the Erma Barton Memorial Auditorium.

The graduating seniors will enter the auditorium to the procession played by Mrs. Fern McAllister and Mrs. Doris Anderson.

Gary McKay will give the salutatory address, and Katie Williams will make the valedictory talk.

Stanley Craddock will speak on "The Best Is Yet To Come," and Dennis Holt will make a talk entitled

"Reach Out."

Diplomas will be handed out by school board members Terry Parnell and Tommy Mankins.

Arion Award for band will be given by Dwade Reinsch, band director.

Bill Crabbs, principal, will present a scholarship and the Class of 1979.

Steve Parnell will present the senior gift, and Larry Denney will give the benediction.

## HOLLIDAY NEWS

### Hall elected mayor

Tom Hall was elected to a one-year term as Holliday's mayor during a special election Tuesday.

Holliday voters also elected John Goforth to the Place 5 city council seat.

Tuesday's special election was aimed at bringing an air of solidity to the council which has been plagued the past few months with excessive absences, Ben Ezzell's resignation as mayor and the resulting shorthandedness in the municipal administration.

In the wake of an unsuccessful bid for the mayor's post a year ago, Hall won Tuesday's contest with 94 votes.

Mary Nell Killian followed with 72 votes, Leo Chappell received 45 and Mary Denney received 31.

The special mayor's election which necessitated the approval of Governor Bill Clements was called to fill the vacancy caused by Ezzell's mid-March resignation. Mayor Pro Tem Jim Virdell had handled the responsibility in the interim.

The special election was styled to accommodate a run-off between Goforth and Rodney Hodgkins, who each polled 123 votes in the regular April municipal balloting.

Although his name appeared on the ballot, Hodgkins withdrew from

the race two weeks ago because of a job transfer to Oklahoma.

Goforth won the council seat with 177 votes, while Hodgkins received 43.

Tuesday's election will serve to remedy one of the Holliday City Council's most serious woes—office vacancies which left the council operating with the bare essentials the past two months.

Election results were scheduled to be canvassed and new members to be sworn in last night.

Providing no conflicts occurred, the city administration will be brought up to par with Hall as mayor.

Serving on the council will be Virdell, Goforth, Mike Parker, Jimmy Willis and Leon Addison.

The only problem that might occur would be a conflict of interest concerning Hall's other positions with the city.

The council was informed at Monday night's meeting that Hall wished to resign as dump ground superintendent effective June 1.

But Hall still holds the position as city judge. In order to assume the mayor's responsibilities, Hall might also have to resign as judge to dodge a conflict of interest with that post since he receives a commission on each fine imposed.

### EDITORIAL

## Should city learn from history?

Tuesday's special election in Holliday gave the municipal administration something it needed desperately, a full slate of officers.

And with the turn of events comes an excellent time for the council to give itself a healthy dose of spring tonic to fight off one of the ills that has continually plagued it. The council has long suffered a lack of organization and direction. Now is the time to remedy the situation.

Theoretically, the city government in Holliday is structured for that responsibility to fall on the mayor's shoulders.

Newly elected mayor Tom Hall says he has the time to oversee the daily operations of municipal operations; however, it only takes a short glance back into the past to show it doesn't work.

The two most recent mayors resigned before their tenures ended and is evidence of the monumental pressures that come with the job.

The city may be structured for the mayor to always run with the ball, but is it fair? History says it is not.

There are two solutions to the problem of dispersing responsibility.

The most attractive solution would be for the council to hire a city secretary-administrator, someone who could handle the bookkeeping chores and ride herd over municipal workers, someone who could handle the citizenry complaints and manage the policies established by the council.

But someone with those talents would demand the combined salary of two or three persons currently on the city payroll.

Could the city afford such an employee? Can the city continue to blunder along much longer without such an employee?

The other reasonable solution to the problem would be for the council to distribute responsibilities among itself with one councilman overseeing street maintenance, another over police, another over trash collection and so on. It would take some of the pressure off the mayor, and place some of the responsibility where it should have been all along.

If Hall insists he wants to run with the ball daily, perhaps he should be allowed that privilege. That's the way the government is structured.

But it hasn't worked in recent years, and retrospect teaches lessons that should not be ignored.

—LEWIS SIMMONS

## City council adopts new animal ordinance

Holliday City Council Monday night adopted a new animal control ordinance and denied a rate hike request by Texas Electric Service Company.

TESCO is seeking a 16.1 percent increase in rates charged consumers statewide to finance new production facilities.

Holliday City Council made quick work of the issue Monday night and unceremoniously denied the utility's request to implement the increase here. The council's action will in effect, postpone any increase until November.

After making some changes in the draft presented by city attorney James Cook, the council adopted a seven page animal control ordinance.

The new ordinance will become effective June 1; however, councilmen indicated they would be lax in some portions of the ordinance to allow animal owners time to install fences and meet other requirements.

The city does not have an animal warden on the payroll at this time.

Cook also explained the new ordinance was not ex post facto and could not outlaw certain conditions that already exist.

The ordinance regulates the keeping of dogs, fowl and other livestock in the city limits.

It specifically forbids owners to allow their dogs to run at large and requires

dogs to be vaccinated for rabies, licensed and tagged.

If found guilty of misdemeanor under sections of the ordinance, animal owners may be fined up to \$200.

City officials reported 96 dogs were vaccinated during Saturday's annual rabies clinic. Mayor Pro Tem Jim Virdell said that was the most dogs ever vaccinated at the annual event.

In other business the council scheduled a special meeting for last night to canvass special election ballots and to install new council officers.

At the special meeting councilmen also were scheduled to review applications for city secretary and a general maintenance employee and to meet with Don Penning-

ton, police chief. Councilman Mike Parker said Pennington was requesting a pay raise.

Councilmen also approved the working for an agreement to be signed by homeowners having the city install drainage pipes in their driveways.

In the agreement, the homeowners agree not to hold the city liable for any mishaps that might occur during the installation of the drainage pipes.

The council was informed that Tom Hall would quit his dump ground superintendent's job June 1. The council gave Virdell authority to hire temporary help.

The council voted to pay Mrs. Ruby Green \$36 for her work in the regular city election.

Councilmen discussed changing water meter deposit rates and tapping fees for water and sewer services.

Roy Ling met with the council concerning the extension of city water service to a development of his north of town along FM 368.

The council decided to seek bids on electrical work at city hall.

**HOUSE APPRECIATES** State Representative Finnell of Holliday here receives a gavel from Speaker of the Texas House Bill Clayton. The gavel was presented to Finnell for his work as vice chairman for appropriate matters for the Committee on Transportation during the 66th Session of the State Legislature. Clayton called the session a success for the people of Texas and credited Finnell for his assistance in the House.

**NOTICE**  
**CARD OF THANKS**  
 We thank our students of the Iowa Park Branch of Lucille Duran School of Dance for their excellent performance of the musical "Thank Heaven for Little Girls." The flowers you presented to us were lovely, and we appreciate your thoughtfulness so very much. We wish you a fun summer and will look forward to dancing again in the fall. A special thanks, also, to the parents for their support. Jay Hedrick Susan Anderson

**CARD OF THANKS**
