

July 5

IN RECORD TIME

Council approves budget, contracts

The Iowa Park city council approved an ordinance, two resolutions, a three-month interim budget and threw in a couple of other discussions in record time Monday evening.

The called meeting required just over 15 minutes.

Primary purposes of the meeting was to approve a budget which will carry the city's business during a three-month period. It was required since the city has changed its fiscal year to begin October 1, instead of July.

The ordinance adopted the three-month budget, which calls for expenditures of \$377,996 and income

of \$199,659 to go with unencumbered funds available of \$364,694, leaving funds available at the end of the period of \$186,357.

Revenue included \$48,455 from general fund; \$133,804 from water and sewer fund; and \$17,400 from general revenue sharing for a total of \$199,659. Unencumbered funds available include \$216,411 general fund; \$65,973 water and sewer fund; and \$82,311 general revenue sharing for a total of \$364,694.

Expenditures include: \$196,026, operational-general fund; \$147,071, operational-water and sewer fund; \$20,772, debt retirement-revenue bonds, for a total of \$377,996.

Monday was the second reading of the budget, and when comment was called for from both council and audience, none was offered.

WATER SALES

Both resolutions approved by the council concerned sale of water outside the city.

The first was a revised contract for the sale of water to the Wichita Valley Water Supply Corporation.

Besides increasing the rate schedule from 40 cents per thousand gallons to 60 cents, the new contract would allow the rate schedule to be modified annually, rather than every five years, to coincide with terms of the city's water purchase contract

with Wichita Falls.

The other resolution approved a contract to sell water to the Sereno Lago housing development on Horseshoe Lake.

Not to exceed 25,000 gallons a day unless specifically approved by the city, Sereno Lago is to pay a minimum of \$15 per platted lot, whether developed or not, \$2.50 per thousand gallons from 2,000 to 5,000 consumed per plat; \$2 from 5,000 to 10,000; \$1.80 from 10,000 to 20,000; \$1 from 20,000 to 30,000; and 70 cents all over 30,000 gallons, per plat.

The contract would be void should Wichita Falls cease selling water to Iowa Park, and Sereno Lago cannot fault Iowa Park should any legal problems develop between the city and the Wichita Valley Water Supply Corporation.

Sale of water to the development will generate \$900 per month revenue for Iowa Park, not including water

consumption.

APPOINTMENTS

Ralph Beall, John Mixon, Charles Tillery, Richard Ashton and John Brown were reappointed to the Traffic Safety Council and Phillip Welch was named to replace Lewis

Simmons. Terms of Council members are three years.

During a general discussion, Street Superintendent Charley Helms was instructed to have the city sprayed for mosquitoes weekly, on a regular basis.

IOWA PARK LEADER

VOL. X, NO. 44 THURSDAY, JULY 5, 1979 20 CENTS

IOWA PARK, WICHITA COUNTY, TEXAS 76367

Bid doins' slated at Lake Diversion

The Lake Diversion Sportsmen's Club will host a big arts and crafts show and barbecue for the public Saturday, at the lake.

Jack Stevens, local western artist, will display his work and judge other entries, from 10 a.m. to 5 p.m. Exhibitors wishing to make reservations should contact Mrs. Kenneth Cunningham at 692-0868.

The Iowa Park MuleSkinners will cook and serve barbecue at 7:30 p.m. Meals will be \$3 per plate.

PEYTON PARKERSON STATE WINNER
...New Miss La Petite crowned Friday

Peyton wins state crown

Peyton Michele Parkerson, daughter of Mr. and Mrs. Danny Parkerson of Iowa Park, was crowned 1979 Texas Miss La Petite last Friday at San Angelo.

Peyton, 6, competed in the division for young ladies 3-6. Competition included interview, party dress and sportswear.

Peyton will continue into the World Finals slated for August 3-12 at the Fontainebleu Resort Hotel at Miami Beach. From there she will join other state, national and world winners for

an educational tour of the Bahamas. She will be accompanied by her mother and Mrs. Eddie Stolpher of Iowa Park.

In addition to the state title, Peyton also was awarded eight first place trophies in the Pro-Am/Command Performance Competition Pageant. She performed a tap dance and vocal selection in the talent competition. She was awarded sweepstakes in her age division and overall sweepstakes winner.

Ma Bell seeks rate increase

Southwestern Bell Telephone Company last week asked the Public Utility Commission for \$145.2 million in new Texas rates.

Local residence telephone service in Iowa Park will actually cost 45 cents less per month than it did in 1976 if new rates proposed are

approved, according to Gary Cook, local manager.

Cook pointed out that in January of 1977, the local one-party residence rate here was lowered from \$7.75 to the current rate of \$5.75. The local one-party business rate was lowered from \$21 to the current rate of \$13.

Southwestern Bell is proposing to increase the local one-party residence rate to \$7.30. The one-party business rate would increase to \$17.65. Service rate for two-party residence would increase from \$3.65 to \$5.10 under the proposal.

The utility company claims supporting documents point to an actual revenue need of \$242.9-million, rather than \$145.2-million, but held the request in line with President Carter's anti-inflation guidelines, according to Doyle E. Rogers, the company's vice president for Texas.

"We are committed to meet the president's guidelines on price increases," stated Rogers. "Consequently, we're asking the Commission to approve only \$145.2-million."

The overall increase for the company's state-wide system would be 6.09 percent in intrastate revenues.

Included in the request are proposed increases for basic local service, key telephones, PBX equipment, Centrex, miscellaneous equipment, and charges for connecting, changing and moving telephones.

"In the past three years, we've spent almost \$3-billion in construction expenses to keep up with increasing demand for customer service across Texas. This year, we expect to spend another \$1.2-billion on construction," Rogers said. "We have no choice but

to spend those dollars. Meeting growth is part of our obligation as a public utility," he said.

"Meanwhile, inflation continues at a rapid rate. We've trimmed expenses, we've generated additional revenues through sales efforts, and improved technology has helped blunt the effects of increased costs. Yet, our earnings in Texas still fall well below our need," Rogers emphasized.

In 1978, the PUC authorized a return of 9.488 percent on the company's investment in Texas. Bell claims to be earning 8.35 percent and actually needs a 10.97 percent return to keep up with investments in the state.

Home building in Iowa Park almost non-existent today

Construction of homes has come to a screeching halt in Iowa Park, apparently the result of high construction costs and interest rates, combined with competition for builders and materials in neighboring Wichita Falls.

For the second straight month, no building permits for new homes were issued by city hall during June. In

fact, that's three of the six months in this year in which no home building permits were issued.

Thus far, seven permits have been issued to build homes in the city this year. During the same six-month period in 1978, 20 permits were issued. In 1977, 14 permits had been issued, and 21 during the same time in 1976.

In fact, had it not been for a permit taken out by LeRoy Foix to build an auto service center at 302 W. Highway, site of the old Fina station, June's permit total would have been lower than May's.

Permits amounted to \$26,950 in construction, compared with \$23,210 in May. That brought the total to \$429,217 for the year, as compared to the \$957,960 for the same six-month period in 1978.

Permits issued in June included: Mark Boyer, 306 E. Crystal, mobile home (HUD), no charge; W. Leo Thomas, 605 W. Clara, storage building, \$500; Tom Compton, 304 W. Clara, storage building, \$500; Mary Bartow, 133 James, patio, \$500; Jimmy Green, 107 Wood Circle, garage, \$1,250; Jim Pendergrass, 308 W. Crystal, mobile home, \$2,500; Kenneth Garrett, 716 W. Alameda, addition, \$1,000; Evelyn McLaughlin, 805 E. Ruby, mobile home, \$6,000; LeRoy Foix, 302 W. Highway, auto service center, \$13,200; Bill Hamilton, 909 Foley, garage, \$1,500.

Mower stolen

Terry Bowen, 400 E. Bank, reported to police Monday the theft of a lawn mower valued at \$1,099.95 taken from his back yard. Someone also had torn the residence's window screens, police said.

NEXT WEEK

Street dance being planned

The second annual street dance slated here Saturday, July 14, promises to be "bigger and better", according to a spokesman for the Iowa Park Volunteer Fire Department sponsors.

Proceeds from the evening's activities will be used to help finance a van which the firemen will use for carrying emergency equipment.

The dance will again be held in the 100 block of West Cash.

Beginning at 7 p.m., the Iowa Park MuleSkinners will serve a chili and beans dinner, and dancing will commence at 8 with the music of the Ozan River Band. Members are George Duke, Coy Lee, Fred Hayes and Don Bower.

Throughout the evening, hot dogs, chips, soft drinks and iced cold watermelon will be available.

Prizes will be awarded during the progress of the dance, including a

man's hairy legs contest (\$10 first prize and a bottle of hair grower second prize); \$10 prize to the person who brings the most people to the dance (you must register the names and number of persons before 9 p.m.); and an award will be given to the senior citizen, attending the dance, who has lived the longest in Iowa park.

One of the big features at last year's dance was when persons would pay to throw a pie in someone's face. Firemen have indicated they would have a similar offering this year.

Also to be on hand for the evening will be radio personalities from Wichita Falls.

The dance last year, which was considered successful, was held to raise money to purchase a Jaws of Life apparatus.

Phosphorous aids wheat production

By Don Decker
County Agent

Phosphorous is required for an adequate soil fertility program on wheat according to a result demonstration by Loys and James Barbour near Rifle Range Road. Nitrogen in the form of anhydrous ammonia has been the best fertilizer buy for the past several years, however, phosphorous needs were reflected in the results of this trial.

There is a good rule of thumb on fertilizer requirements for wheat production. Approximately 2 pounds of nitrogen and 1 pound of phosphorous is needed to produce 1 bushel of wheat. We can get by for 2 or 3 years with the addition of nitrogen alone. During that time, the

phosphorous becomes more depleted and it becomes a limited factor in production.

The fertilizer rates and the yield in bushels per acre in Barbour's demonstration included 80-0-0 - 55.8 bushels, 40-40-0 - 54.7 bushels, 0-40-0 - 54.3 bushels, 80-40-0 - 50.8 bushels, 40-0-0 - 46.4 bushels, 40-40-0 - 46 bushels, 80-0-0 - 45.4 bushels, and the 0-0-0 check - 39.5 bushels.

A cost analysis of these fertilizer rates and added yield shows the 0-40-0 as the most profitable rate. The cost of the fertilizers subtracted from the added income amounted to \$49.72 per acre when compared to the check plot. The other rates and the added income per acre were 40-40-0 - \$41.28, 80-40-0 - 136.82,

80-40-0 - \$17.67, 40-0-0 - \$16.51, 40-40-0 - \$8.95, and 80-0-0 - \$16.16.

It is interesting to note the 100 pounds of anhydrous ammonia alone gave the poorest yield response and the lowest income return per acre than any of the other fertilizer combinations. I think this tells us something. We have gone about as far as we can with nitrogen alone and our attention must include the phosphorous needs too.

These plots were harvested with a miniature combine brought in by Gulf Chemical to harvest the Carbyne test plots for wild oat control. Appreciation goes to Jim Gordon, Norm Hubbard, and Dick Arnett of Gulf Chemical and Lane Hanson, Assistant County for har-

vesting this demonstration.

There were other factors affecting wheat yields more than fertilizer placement in the demonstration by Frank Wolf, near Thorndale. This goes along with my theory - the most important thing is to get the fertilizer applied.

A broadcast application of 100 pounds of 18-46-0 before planting produced 36 bushels per acre while 75 pounds of 18-46-0 applied with the seed at planting made 35 bushels per acre. Both fields have an additional 40 pounds of nitrogen applied as anhydrous ammonia prior to planting.

A cost analysis shows the additional one bushel of wheat was valued at \$3.90. Additional cost of the 25 pounds of 18-46-0 per acre

for the broadcast treatment amounted to \$2.68 per acre. This figures the additional 25 pounds of fertilizer applied in a broadcast manner returned \$1.22 per acre. Incidentally, these yield differences were not significant.

I think fertilizer placement with the seed is okay or even desirable provided the rate is not sacrificed. It still takes 2 pounds of nitrogen and 1 pound of phosphorous to make a bushel of wheat. In order to prevent damage to seed germination, the amount of actual nitrogen or potassium can not exceed 16 pounds per acre. This means the rate of 18-46-0 should not exceed 85 pounds per acre placed with the seed.

Jobs available, but no takers

"Where have all the unemployed workers gone?", city personnel are wondering.

In the street and sanitation departments alone, the city is desperately short four persons, while having only three working.

Charley Helms, street superintendent, said he needs two laborers and a blade operator, while the sanitation department is short a truck driver.

Helms told council members Monday that such things as pothole patching of streets is virtually impossible until some workers are employed.

At an earlier meeting, City Administrator Steve Morath commented that had the city not made its move to mechanize trash pickup, Iowa Park would be in serious difficulty right now.

Daughterity-Bradberry vows recited here Saturday

At the invitation of Miss Darla Denise Daughterity and Robert Earl Bradberry, together with their parents, Mr. and Mrs. Don Daughterity and Mr. and Mrs. Eulas Bradberry, a host of friends and relatives assembled at the First Christian Church Saturday evening to share in the joy of the young couple beginning their new life together when they exchanged their marriage vows.

The Rev. William L. Stanford of Athens, a retired minister who had

directed the groom's four sisters in the recitation of their marriage vows, was the officiant.

Altar decorations featured an abundant use of candles providing illumination for the setting. A seven-branched candelabrum swathed with leather fern holding cathedral candles that were lighted by Darrell and Lewis Johnson, cousins of the groom, before the ceremony was focused in the lighting. Four other candelabra decorated with the same foliage were filled with votive candles to accentuate the soft lighting effect.

The decorative pattern was completed with two artistic floral arrangements emphasizing pink and burgundy, the bride's colors, these consisting of pink gladioli and happiness roses. Pew ties were pink satin bows adorned with pink poms and baby's breath.

The nuptial music was furnished by Mrs. Sheldon Brown, pianist and Coy Lee, vocalist, who sang "What a Difference You've Made in My Life" and "Let's Take the Long Way Around the World." Mrs. Brown offered "More", "Twelfth of Never" and a medley of favorite wedding songs as guests assembled and her additional contributions were the processional by Lohengrin and recessional by Mendelssohn.

The bride was lovely when she was escorted by her father and presented in marriage by both parents. For her wedding, she selected a Chantilly lace gown that gave the romantic impression of both modern and old-fashioned bridal looks. Fashioned with a tight

bodice sprinkled with pearls, sabrina neckline, tight tapered sleeves, the long billowy skirt that formed a chapel train was distinguished with row upon row of tiers.

Her tiered illusion veil outlined with pearls cascaded to fingertip length from a camelot cap of lace and pearls. She carried a white cattelya orchid surrounded with pink roses on a white Bible covered with lace and pearls having a white linen hankie inside, both items having belonged to the bride's late great-grandmother and provided two of her three "something old" traditions.

The third was a wedding ring of Mrs. Roman Bartosh, her maternal grandmother. For other sentimental accessories, the bride wore her mother's diamond necklace for "something borrowed", the popular garter for "something blue" and completed the rhyme with the sixpence in her shoe.

Preceding the bride to the altar were a maid of honor, two bridesmaids, a flower girl and ring bearer, and a train bearer followed.

Miss Dayna Daughterity, sister of the bride, was maid of honor. The bridesmaids were Mrs. Danny Cullers, sister of the groom, and Mrs. Wayne Marshall of Wichita Falls. Miss Barbara Heidrich, niece of the groom, was flower girl, and Miss Lareasa Lynn, cousin of the bride, was train bearer.

Each wore a long pale pink crepe dress styled with butterfly sleeves, a slightly raised bodice trimmed with a white nylon ruffle embossed with embroidered burgundy roses and A-line skirt. The attendants car-

MRS. ROBERT EARL BRADBERRY

ried single burgundy roses with long stems, and the flower girl carried a white basket of pink pom mums.

Marc Daniel Cullers, the groom's nephew, carried the rings on a white satin pillow that was made by the bride's maternal grandmother to hold the rings of the bride's parents at their wedding.

The groom and each masculine participant wore burgundy tuxedos with pink shirts, the groom wearing a boutonniere of pink roses with his.

Don McCormack was best man. Randy Griest, cousin of the bride, and Albert Alambar were groomsmen. Two of the bride's cousins, Danny Lynn of Grand Prairie and Harold Gibson of Sulphur Springs, ushered and seated wedding guests.

The mothers of the bride and groom were honored during the service when the bride presented them with long stemmed red roses at appropriate times. Mrs. Daughterity wore a mauve pink Qiana gown with a pleated bodice and a pink cymbidium orchid, and Mrs. Bradberry wearing an apricot knit gown complemented it with a yellow cymbidium orchid.

The newlyweds were honored at a reception hosted by the bride's parents following the wedding. It was held in the Fellowship Hall of the church.

The bride's table possessed outstanding beauty in the setting. The floor length white cutwork embroidered cloth was draped over burgundy polyester, and the floral centerpiece composed of happiness carnations, pink poms and baby's breath depicted the bride's chosen colors.

A distinctive look for the four-tiered bride's cake was achieved by dramatic scrolling, pink roses with burgundy accents and graceful tier dividers. The top ornament, which was created with lace wedding bells nestled in pink lilies of the valley and orange blossoms, exuded an air of simple elegance. The crystal and silver services, bridal napkins, added grace to the table.

Mmes. Roy Boutwell, Gene Kyle and Danny Lynn, cousin of the bride, presided at the table during the reception.

Mmes. Donna Walsh, Johnnie Heidrich, and Sam-

my Heidrich, sisters of the groom, served at his table laid with ivory satin. The table held the chocolate cake frosted all over in a lighter shade. The names of the bride and groom and their wedding date and chocolate roses were top decorations. The cake was baked and decorated by Mrs. Randy Catlin, a close friend of the bride's family. The silver coffee service and an arrangement of pink and burgundy carnations contributed to the decorative effect of the table.

As guests entered the Fellowship Hall, they registered in the bride's book with a pink plume pen at a table covered with white linen bordered with an eyellet embroidery ruffle. The table held a bouquet of pink roses. Mrs. Donnal Fields of Wichita Falls sat at the table to direct signatures.

Sharon, Christie, Timmy and Brenda Heidrich, and Billy Wayne Sigafus, the groom's nieces and nephews, distributed the pink and burgundy net rice bags.

The groom's parents hosted a catered dinner at the American Legion Hall Friday evening in connection with the wedding rehearsal.

The newlyweds were both graduated from Iowa Park High School. She is employed at Gibson's Discount Center and he works for Washex Machinery Corp. They took a short wedding trip to Dallas and she traveled in a burgundy pant suit with a cream-colored blouse. They will live in Iowa Park.

Grandparents of the couple attending the wedding were Mr. and Mrs. George Daughterity, Mr. and Mrs. Roman Bartosh and Mrs. Leslie Bradberry.

Friendly Door gets vehicle

The Friendly Door has acquired a 1965 station wagon to use in serving the needs of members, according to Myrna Robinson, site manager.

New members during June were Mr. and Mrs. Ed Reed, Mr. and Mrs. Roy Blevins, Leon Willis and Dallas Ralston.

Volunteer workers during the month were Lita Watson, Marian Andersen, Helen Dale Roberts, Amy Conley, Ferne Corder and Mr. and Mrs. T.M. Clark.

A kid party will be held Tuesday and members are asked to dress like they did when they were kids. There will be judges and a prize for the best dressed.

VICKI KRUM and STEVEN MORGAN

Announce engagement

Mr. and Mrs. Philip S. Krum II are announcing the engagement and approaching marriage of their daughter, Vicki Ellen, to Steven Gregg Morgan, son of Mr. and Mrs. Richard D. Morgan of Wichita Falls.

Miss Krum was graduated from Iowa Park High School in May. She was chosen "Who's Who Among American High School Students and the Opti-Mrs. Student of the Month in business. She belonged to the A Cappella Choir her junior year and the Office Education Association for two years where she served as secretary-treasurer her junior year and as secretary her senior year. She was employed at Cryovac her senior year in conjunction with Vocational Office Education training. She is presently employed by Kinney's Shoes in Sikes Senter.

The future groom, who has been employed by

Kinney's Shoes for three years and is presently the assistant manager, was graduated from S.H. Rider High School this spring. He was a three-year member of Deca and the recipient of many awards, including the prize-winning essays which earned for his employers the "Employer of the Year" award for the past two years.

The couple will exchange their vows Sept. 15, in the First United Methodist Church in Iowa Park.

Cook of the Week

Mrs. Roy Reid

"Cooking comes from the heart as well as the hearth" - an adage, is the best way to describe how Mrs. Roy Reid feels about cooking. It is more than a hobby to her and it is an activity to be enjoyed rather than a chore. Preparing food that is pleasing to both the eye and palate has a tranquilizing effect on her, so it indeed does come from her heart.

The recipes that she is sharing with us today are all dessert recipes. She said that they were old-time favorites given to her by family and friends, but each sounds like it would be a grand finale to any meal.

The Reids have lived in Iowa Park about a year. He is a salesman for Employers Insurance and she works in the personnel department at John B. Barbour Trucking Co. They have four children, Rusty, Renea, Sherry and Tina.

Linda was graduated from Community High School at Copeville. She has worked for Employers Insurance at the home office in Dallas three different times. In fact, that is where she and Roy met and later married. She is a Baptist. In addition to cooking, she enjoys arts and crafts and sewing.

ungreased pan at 350 degrees for 30 minutes.

FROSTING

Powdered sugar (about 1 or 1 1/2 cups)
1 or 1 1/2 T melted margarine
A few drops of pure almond extract
2, 3 or however many T of milk to make it smooth.
Stir in all ingredients in a bowl until smooth. Spread on cooled cake. Can sprinkle cake decorations on top.

KENTUCKY DERBY PIE

1/4 cup Mrs. Butterworth's syrup
1/4 cup sugar
1/4 cup margarine
3 eggs
1 to 2 T Bourbon
1/2 cup chocolate chips
1/4 cup pecans
Whip together and pour into unbaked pie shell. Cook at 350 degrees for 45 minutes.

CHERRY PINEAPPLE DESSERT

1 #2 can pineapple
1 can Eagle Brand milk
9 oz. Cool Whip
1 can cherry pie filling
1/2 cup nuts
Stir all ingredients together; chill or spread in flat pan. Cut into squares and serve on lettuce leaves.

PUMPKIN DATE BREAD

Grease well, but do not flour
5 1 lb. coffee cans. Preheat oven to 275 degrees. Sift together in very large bowl:
5 cups flour
4 cups sugar
4 t soda
2 t cinnamon
1 t cloves
1 t salt
Make well in center and add:

1 large can pumpkin
1 cup salad oil
2 cups chopped nuts
2 cups chopped dates
2 t vanilla
Mix all together and divide equally in five cans. Each will be a little over half full. Bake 1 1/2 hours or until done. Remove from oven and let stand for 5 or 10 minutes. Remove from cans and cool 8 to 10 hours. Return to cans and snap on lids. Store in ice box at least one week before serving.

FRESH FRUIT PIE

1 small can crushed pineapple
3 Tbs. cornstarch
Bring to boil and add:
1 box strawberry jello
1/2 cup nuts
1/2 cup sugar
1 box (small) frozen strawberries. (If fresh strawberries are used, use 1 cup sugar.)
Let the mixture cool and add:

4 large bananas folded into mixture
Pour into graham cracker crusts and top with Cool Whip. Place in refrigerator for about 45 minutes before serving.

WACKY CAKE

1 1/2 cups sifted all-purpose flour
2 T cocoa or 1 oz. square chocolate
1 t baking soda
1/2 t salt
1 cup sugar
1 t vanilla
1 T vinegar
1 egg
1/2 cup Wesson or Crisco cooking oil
1 cup cold water
Sift dry ingredients together in pan. Add remaining ingredients and stir until well mixed. Bake in

SNB

How to get more capital from SNB

(It's as easy as one, two.)

one

Simply open an individual or commercial savings account at State National Bank. Because starting July 1, SNB will begin paying 5 1/4 % higher than we were previously permitted to pay you. And that's a nice boost for your savings dollars. That's more capital from SNB. But that's not all.

two

New four-year Money Market Certificates of Deposit will also be available at SNB on July 1. Available from \$1,000, these special four-year non-negotiable CD's will bear an interest rate of 1 1/4 % below the average four-year yield for U.S. Treasury securities. The rate is determined by the Treasury and will be announced three business days prior to the first of each month. It will be effective for the full month. And it will not change during the period the deposit is outstanding. Any of our personal bankers will be glad to quote you the effective rate beginning June 27. As with all CD's, a substantial interest penalty is required for early withdrawal. So to get the best for your savings, bring your capital to SNB. We're all you need.

IOWA PARK, TEXAS

Member F.D.I.C.

Mr. and Mrs. Robert Dawson of Dallas announce the birth of their second son, Peter Gettings, born June 26 at Baylor Hospital. He weighed seven pounds, one ounce. His brother, Phillip, is four and a half years old.

Grandparents are Mr. and Mrs. Bob Dawson of Iowa Park and Mr. and Mrs. Marion Drury of San Antonio. The great-grandmothers are Mrs. Jettie Maxey and Mrs. Mona Dawson of Hayti, Missouri and Mrs. Alice Lightfoot of Austin.

Todd Dennis, a seven pound, two and a half ounce son, was born to Mr. and Mrs. Dennis Yeager June 20th. He has a brother, Jason, 20 months old.

The grandparents are Mr. and Mrs. Weldon Strain of Mesquite and Mr. and Mrs. Gene Yeager of Forney. The baby's great-grandparents are Mrs. H.G. Strain of Allen and Curley Thompson of Utopia.

Roberts-Huffman wedding held Saturday evening

The main altar of First Baptist Church was impressively appointed with a central brass arch candelabrum flanked by seven-branched candelabra Saturday evening for the wedding of Miss Karen Lynn Roberts and Anthony Howard Huffman. Each candlestick holding lighted cathedral candles was given a lift by the discreet addition of emerald greenery and white satin bows.

Two bouquets of white gladioli, blue cannas, gypsophila supported by brass stands accented with white satin bows played an important part in the eye appeal of the lower altar. The unity candelabrum in the outer altar repeated the greenery and silk bows, and the church pews reserved for family members were marked with the bows.

Two customs that are fast becoming wedding traditions were observed during the service. One was the

presentation of long stemmed roses to mothers of the bride and groom by the bride. The other was the lighting of the unity candle by the couple to seal their vows.

The Rev. Fred McDowell, associational director of missions, officiated the double-ring nuptials to unite the daughter of Mrs. Clifton Roberts of Fort Worth and the late Mr. Roberts, and the son of Mr. and Mrs. Carter L. Huffman of Wichita Valley Farms.

The bride walked to the altar on the arm of her grandfather, James W. Clubb of Lake Kickapoo, who gave her in marriage. Her formal Chantilly lace wedding gown had a distinctive nostalgic touch achieved through the tiered hooped skirt that floated into a chapel train, fitted bodice, long sleeves that terminated in points at the wrists. The sheer bodice yoke and high lace collar were sprinkled with seed pearls.

Her veil, consisting of three fingertip tiers of tulle and the blush veil, was held by a camelot cap of lace and pearls. The bridal bouquet in cascade style was composed of white sweetheart roses, blue miniature carnations, baby's breath and ming fern. The organ and vocal music for the wedding reflected both the sacred and romantic moods of the occasion. Mrs. Jerry Gholson, organist, presented a program of prelude selections. These included "Savior, Like a Shepherd Lead Us," "I'll Walk Beside You," "Evergreen" and "Wedding Song".

She played the accompaniment for Chris Lester's solo renditions, "You Light Up My Life" and "We've Only Just Begun" before the ceremony and "Wedding Prayer" during the service. She sounded the familiar strains of "Here Comes the Bride" for the entrance of the bride and played Mendelssohn's composition for the recessional.

The bridal attendants wore identically styled long sheer empire gowns embellished with white daisies fashioned with short puffed sleeves and bouffant skirts with ruffled hemlines. Their colorful nosegays featured silk daisies in spring bouquet colors and white net puffs in lace holders. They wore hair combs covered with miniature silk flowers in the same shades.

Miss Kathy Sue Roberts, sister of the bride, was maid of honor and wore blue. Bridesmaids wearing yellow, apricot and pink, respectively, were Miss Teresa Rich, the bride's cousin, Miss Kim Bryant and Miss Denise Lemons.

Little Miss Elaine Cossey, flower girl, wore a frock the color of the maid of honor's gown. She carried a white wicker basket with a handle tied with a silk bow centered with a pair of white

MRS. ANTHONY HOWARD HUFFMAN

lovebirds filled with pastel silk flowers.

Brady Hampton of Springtown carried the rings on a white satin pillow trimmed with silk daisies.

The groom and all male members of the wedding party wore light blue tuxedos and pale blue ruffled shirts. For his boutonniere, the groom wore three white sweetheart roses mixed with leaves and baby's breath.

Russell Swanson was best man. Groomsmen were Tim Rich, cousin of the bride, Dee Vaughn and Lonnie Cordell. Ushers were Paul McLemore and David McLemore of Pittsburg, cousins of the bride, and another cousin Mark McLemore of Pittsburg, lighted the candles.

Mrs. Roberts and Mrs. Huffman complemented their wedding gowns with white orchids trimmed in colors of their gowns. The former was attired in a high-waisted mint green double knit polyester gown with a sheer chiffon cape, and the latter selected a dusty rose double knit polyester dress with a cape attached at the shoulders.

The bride's mother was hostess for the wedding reception held in the Fellowship Hall of the church. She was assisted by Mmes. Phillip Hall and Robert Gunter of Fort Worth, Belle Derr of Sulphur Springs, the bride's aunt, David Ratke of Perryton, Opal Brown of Wichita Falls, Alton Hunter; and two other aunts of the bride, Mrs. Mary McLemore of Pittsburg and Mrs. Gus Rich of Iowa Park.

Miss Sherry Williams served at the bride's book placed on a round table laid with white lace caught up in swags over blue. The couple's wedding invitation, that had been hand-painted with white daisies by Mrs. Rich, stood on a gold easel in

decorated with multiple daisies, asters, roses and petunias in spring colors. A set of Italian filigree dividers lifted the top tier to show a blue orchid on the third tier. The complimentary top ornament was a pearled heart anchored on a latticework and baby's breath dais where two white feathered doves were perched, one at the top looking down on the other. Crystal and silver services and the bridal napkins were additional table appointments.

The groom's table was covered with an imported embroidered ecru linen cloth. The table held a silver compote centered with a hurricane globe candle ringed with silk daisies, the chocolate cake topped with the reluctant groom and the silver coffee service.

A large white wicker basket adorned with a silk bow and lovebirds on the handle held the net rice bags on a separate table.

The groom's parents hosted the rehearsal dinner Friday evening at their home.

After a wedding trip to Colorado, the newlyweds will live at Lubbock. The bride was graduated from Azle High School where she was in FHA and HERO. She and her parents formerly lived in Iowa Park. She is the granddaughter of Mrs. Clifford Roberts of Iowa Park and Mr. and Mrs. James W. Clubb of Lake Kickapoo.

The groom was graduated from Iowa Park High School and is a senior at Texas Tech where he was on the Dean's List two years. He was in Alpha Zeta, Range and Wildlife Club, S.C.S.A. at Tech where he is employed.

ABOUT TOWN

Becky Nicks of Amarillo is visiting her grandparents, Mr. and Mrs. Harroll Brown and has celebrated her sixth birthday at a party during the visit.

Teresa Siddle to attend national convention

Teresa Siddle, a senior at Iowa Park High School, will be one of 195 Texas delegates attending the 1979 Future Homemakers of America (FHA/HERO) National Youth Leadership Meeting, July 9-12, at the Washington Hilton Hotel in Washington, D.C. She is Area IV vice president in charge of projects.

Representing more than 65,000 members of the Texas FHA, she will be among approximately 2,000 delegates throughout the nation attending the four day conference.

Planned to correlate with the theme "Future Unknown - Dare to Determine Your Own", the meeting's objective is to help Future Homemakers explore their future and the future of the family. Convention delegates will participate in sessions focusing on the future and how one plans for it, and resources and aids to

chapter planning. They will visit their congressmen at the Capitol and other governmental and educational agencies.

Terry Sanchez, Del Rio, and Robert Castle, Temple, will be Texas delegates for national office.

In 1870 the U.S. population was 38,558,371. Today it is over 215 million!

As I See It....

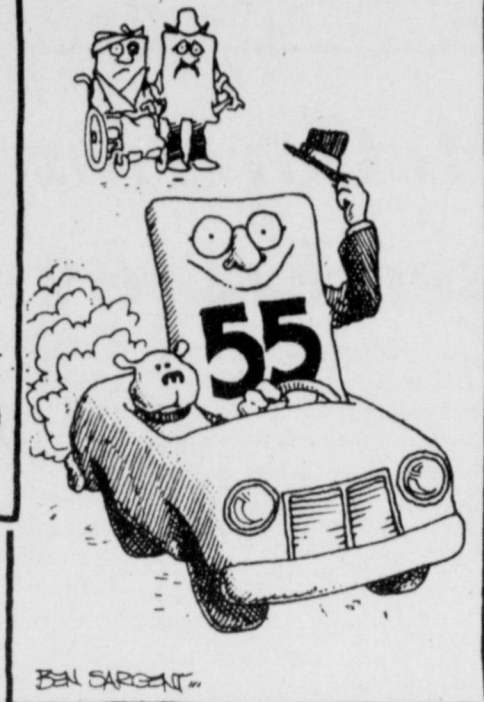

ONCE THERE WAS A LITTLE SPEED LIMIT WHO WASN'T NEARLY AS MACHO AS THE BIG SPEED LIMITS. THEY LAUGHED AT HIM AND CALLED HIM A MILKTOAST, AND WORSE.

BUT ONE BIG SPEED LIMIT KEPT CRACKING UP IN ACCIDENTS. AND ANOTHER WENT BROKE BUYING GAS. AND SO IT WENT.

AND THE LITTLE SPEED LIMIT WENT PUTTERING RIGHT ALONG, SAVING GAS, SAVING MONEY, SAVING LIVES.

If you think government is big now, you can't believe what we could have facing us.

Already there is considerable talk about "nationalizing" the oil industry. The latest is for the government to form a corporation and be the sole importer of crude oil from foreign nations.

That figures. The government could make a big hit with the public by taking over the oil industry and reducing the price of gasoline by 50 percent. It's simple, just cut the cost by supplementing it with tax dollars.

Sound silly? Well, that's what is planned for nation-wide medical care. And who's the biggie who's building all the support for the plan? The next president of the United States, that's who.

No, not Jimmy Carter. The next president will be Edward Kennedy.

No, I'm not a Kennedy man. In fact, I'm 100% against him and what he stands for. But the pure fact of the matter is, he has everything working for him.

First of all, he has the Kennedy name. That's worth a majority of the vote to start with. Half his campaign is already won because of the memory of brothers John and Bobby. Of course no one can tell you what John and Bobby did FOR this country, but that doesn't matter.

Secondly, Edward has someone else working day and night for him: Jimmy Carter. A recent poll indicates less than 40 percent of those asked are pleased with the way Carter is running things. The comedians wrecked Gerald Ford's election chances by making big fun of his stumbling and tripping. Carter has only to open his mouth and a comedian has 30 minutes of material that will make your ribs sore.

Thirdly, the minorities are right down Kennedy's alley. The old chicken in every pot and car in every garage political pledge doesn't hold a candle to what Edward offers. He's already got the following of leaders from two minority groups in his camp, and that's a heap of votes, folks.

Carter will not be able to get the party's nomination to run for a second term, and that leaves only Teddy. So for the fourth reason he'll be elected, he's a Democrat. Democrats are in

power. That means a major portion of all appointed and hired government people are Democrats. And that, folks, is one of the biggest voting blocks ever known to man.

Oh, another little helpful item for Kennedy. The Democrats have selected New York City for its convention site. And that is home stomping grounds for the liberals, who will completely take over that little meeting.

We got a good taste of how the government can help us this week, when state governors were given authority to allocate five percent more of the state's gasoline to cities. That's where the cars are, they offered as the reason.

Well, besides being where the cars, or votes, are, let's also remember that billions, not millions, of tax dollars have also been spent in the cities where the cars are, for mass transit buses, trains and subways. Seen any around Iowa Park lately?

Worth Quoting

I don't find it at all hard to believe that the American Public prefers another man over President Carter for the 1980 presidential election. I do find it extremely hard to believe, if one can believe the network media's public opinion poll, that that man is Senator Edward Kennedy.

Can the people of this country possibly forget Chappaquiddick faster than Watergate? We seemed ready to crucify one and now it seems we have forgotten the other.

Well, this is one ole country boy

that can't forget either and Senator Kennedy is not this writer's choice to lead the people of this nation.

Even if you could erase the mysteries of that eventful night, he still would be among the bottom contenders for this scribe's vote ... just ahead of George Meany, Spiro T. Agnew and Ralph Nader.

This country has had enough Kennedy-type freespending philosophies and his recently introduced National Health Insurance plan is just a pleasant way of saying socialized medicine ... and we can ask Canada

and Great Britain about their success with socialized medicine.

His stands on deregulation of the oil and gas industry do not set well with people in this part of the country either.

I just can't see how the people of this nation who are crying out "Too much government," or "Too many taxes," or "too many bureaucrats" could ever consider Edward Kennedy as a possible candidate.

Fireworks possession against law in city limits

Future holidays in Holliday may be a little less noisy when the city begins enforcing its ban on fireworks.

Holliday City Council meeting an ordinance was amended to outlaw the possession of fireworks inside the city limits.

of fireworks inside the city has been against the law. But that has not solved the problem since the culprit must be caught in the act of igniting fireworks to be prosecuted.

Several councilmen said they had received complaints of fireworks being exploded all hours of the day and night, but Police Chief Don Pennington said he has been unsuccessful in at-

tempts to catch anyone in the act of exploding noise makers. On a motion by Councilman Jim Virdell, the council decided to ban the possession of fireworks inside the city limits altogether. Fine for conviction could be \$100. However, legal requirements restrict the new law to go into effect until the

next time fireworks go on sale. In other business Monday night the council approved a contract with Elvin Hoover, water superintendent, to do additional mowing on week-ends. The council approved revisions to its water and sewer tap ordinances, and changed the status of

Holliday from a "town" to a "city." Councilmen approved a street extension and a request by Carl Nichols to tap the water line on Eagle Drive. Insurance covering members of the Holliday Volunteer Fire Department was renewed with Talley Insurance Agency. The

\$437.50 annual premium provides \$5,000 for death-dismemberment, \$65 weekly disability pay and \$5,000 accidental medical coverage. The policy covers firefighters as well as bystanders who might be needed in an emergency situation. The council heard a proposal from Burt Davenport with Nutt-Shell home and commercial sewage treatment systems. Bob White received approval to lower the water line on his land along FM 1954. Councilmen agreed to loan a key to the dump ground to Mrs. Bill Carver, who is tearing down a house and needs late evening access to the landfill.

HOLLIDAY NEWS

Carver-McCord nuptials solemnized Friday night

Miss Pamela Renae Carver, daughter of Mr. and Mrs. J.H. Carver, became the bride of Cecil Dee (Dusty) McCord, son of Mr. and Mrs. Dorwin Stanford of Archer City, Friday evening at the Holliday United Methodist Church. The Rev. Bob Bryan, pastor, performed the double-ring ceremony.

The altar decorations featured candles uprising from brass candelabra decorated with wedding greenery and white silk flowers and the unity candle grouping. White satin bows and greenery marked church pews.

Mrs. Roy McAllister, organist, provided the wedding music. She played "Evergreen", "If", "twelfth of Never", "Colour My World", "Love Story" and "What a Difference You've Made in My Life" preceding the ceremony and the time-honored wedding marches.

The bride's wedding gown was of imported sheer organza accented with Venise lace medallions on

the bodice and narrow Venise lace trim on the skirt and sleeves. The bodice was designed with a Queen Anne neckline and bishop sleeves and the skirt flowed into a chapel train trimmed in lace. She wore an elbow length tiered veil attached to a cap of the chosen lace dotted with pearls and carried a cascade bouquet of yellow roses and daisies with long streamers. She was given in marriage by her father.

Miss Karen Richeson of Little Elm was maid of honor. The bridesmaids were Mrs. Richard Tigrett of Holliday, sister of the bride, and Miss Phyllis Stanford of Archer City, sister of the groom. They wore identical yellow crepe empire gowns, with chic spaghetti straps and yellow Chantilly lace capelets. They carried brandy snifters with lighted candles in yellow votive cups encircled with yellow silk roses and tulle finished with streamers of yellow ribbon.

Miss Lisa Talley and Miss Tommylu Lavender, the candlelighters, wore blue gowns patterned like the attendants' frocks and yellow silk rose wrist corsages. Shannon Fulfer, niece of the bride, in her role as flower girl, was attired in a long white eyelet dress trimmed with yellow satin ribbon and white lace. She carried a white woven basket filled with yellow and white silk rosebuds and dropped white tissue hearts.

Keith Fox of Archer City was ring bearer and wore a white tuxedo trimmed in light blue.

Rusty McCord, twin brother of the groom, was his best man. Groomsmen were Bobby Evans and Billy Burks, all of Archer City. Johnny Mark Carver, brother of the bride, and Andy Walker of Olney, the groom's cousin, were ushers. The groom chose to wear a solid white tuxedo and white shirt, both trimmed in blue, and a yellow silk rosebud. The groomsmen wore light shirts trimmed in light blue, and fathers of the couple and ushers wore midnight blue tuxedos and white shirts.

During the processional, the bride paused by the pew where her mother was seated to present her with a white silk rose with a long stem, and remembered the groom's mother with a duplicate flower during the recessional.

The bride's mother wore a long light blue Qiana dress with blouson top and A-line skirt, and the groom's mother was attired in a long blue-gray Qiana dress with a tiered dress with a tiered ruffle bodice and A-line skirt. They wore white orchids.

The bride was graduated from Holliday High School and the groom was graduated from Archer City High School and Aero Tech.

The wedding reception took place in the Fellowship Hall of the church and was hosted by the bride's parents.

The registry table was covered in white and held the bride's throw-away bouquet, two white woven baskets filled with yellow and blue satin rosebud rice bags, bride's book and plume pen.

The cover for the bride's table featured a white lace cloth over yellow. The centerpiece was formed of yellow, blue and white silk flowers. The white napkins were imprinted with a large M and below that the names and wedding date of the newlyweds.

The bride's cake was of three tiers separated with lacy columns and decorated with refreshing yellow and blue frosting roses. The top tier was adorned with white satin wedding bells trimmed with pearls and tulle accents. A silver punch bowl completed the table decor. Mrs. Howard Lyles, Mrs. Jess Lynch and Miss Julie Baggett served at the table.

The groom's favorite western hat and a horseshoe shaped chocolate cake claimed attention at the groom's table laid with white lace over blue. Miss K Lynn Lewis and Miss Jo Ann Walker, cousins of the groom, served at the cake and silver coffee services.

The rehearsal dinner was given by the groom's parents in the Fellowship

MRS. CECIL DEE McCORD

Hall of the church. For travel, when the newlyweds left for Dallas on their wedding trip, the bride wore a yellow Qiana dress and a white silk orchid corsage. They will live in Archer City.

Conner-Wilson wedding held in Wichita Falls

A wedding ceremony was performed Saturday evening in the Southwest Baptist Church in Wichita Falls by the Rev. Larry Lilley to unite Miss Tamara Gail Conner, daughter of Mr. and Mrs. Doyle W. Conner, and Michael Eugene Wilson, son of Mr. and Mrs. Harold E. Wilson.

The bride wore a woven nylon and cotton Chantilly type-lace gown lined in woven acetate styled with a square neckline trimmed with lace ruffles, long unlined lace sleeves with covered button trim and ruffled cuffs, and a five-tiered bouffant skirt with full attached chapel train. She carried a bouquet of yellow and white silk roses. She was given in marriage by her father.

The wedding decorations featured a large table bouquet of yellow and white silk roses and carnations flanked by candelabra, and the unity candelabrum accented with yellow ribbons and greenery.

The bridal attendants wore long gowns in spring colors. Miss Chris Wilson, sister of the groom, the maid of honor, wore a blue dress trimmed in ruffles and carried yellow, pink and blue silk flowers.

Bridesmaids wearing pink and blue frocks, respectively, were Miss Tracy Park and Miss Tenya Goodwin. The candlelighters wearing long blue sun dresses and wrist corsages were Miss Lisa Talley and Miss Tommylu Lavender.

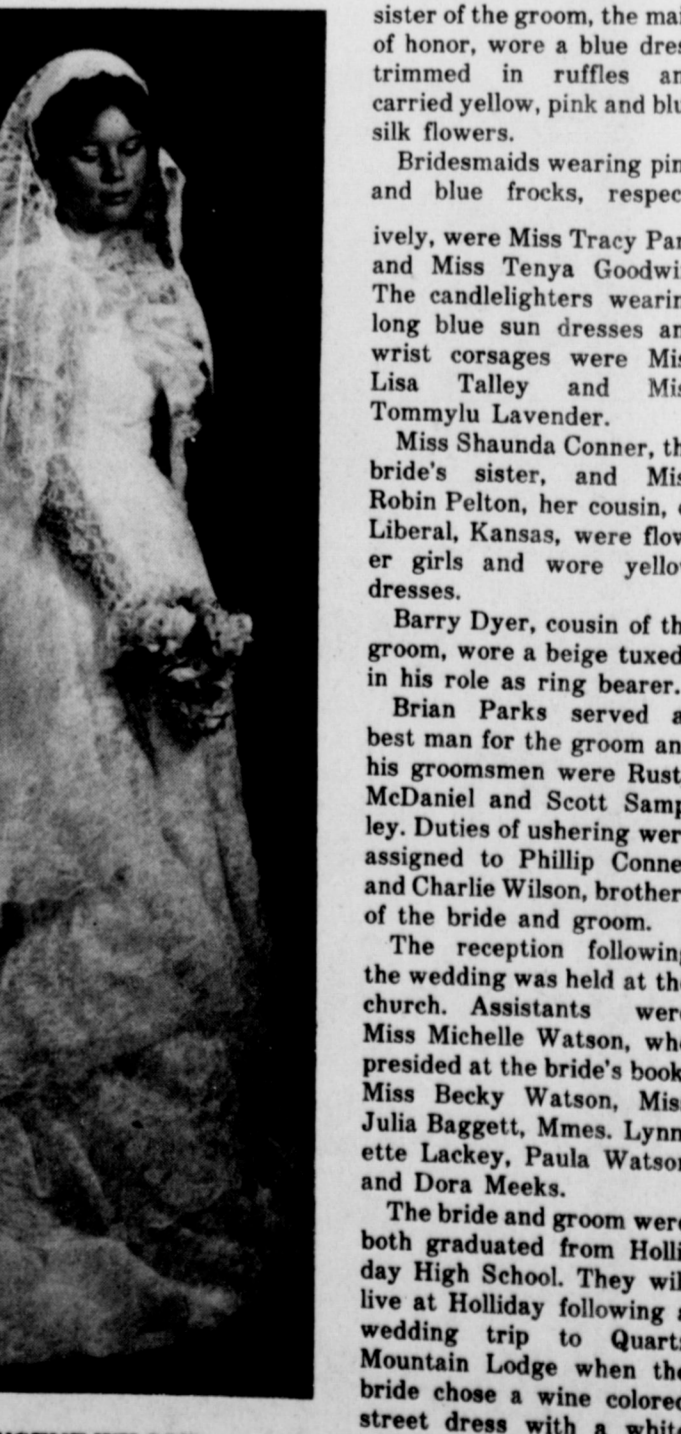

Miss Shaunda Conner, the bride's sister, and Miss Robin Pelton, her cousin, of Liberal, Kansas, were flower girls and wore yellow dresses.

Barry Dyer, cousin of the groom, wore a beige tuxedo in his role as ring bearer.

Brian Parks served as best man for the groom and his groomsmen were Rusty McCord and Scott Sampley. Duties of ushering were assigned to Phillip Conner and Charlie Wilson, brothers of the bride and groom.

The reception following the wedding was held at the church. Assistants were Miss Michelle Watson, who presided at the bride's book, Miss Becky Watson, Miss Julia Baggett, Mmes. Lynette Lackey, Paula Watson and Dora Meeks.

The bride and groom were both graduated from Holliday High School. They will live at Holliday following a wedding trip to Quartz Mountain Lodge when the bride chose a wine colored street dress with a white orchid corsage for travel.

—SPEAKERS—

MONDAY - Jerry Jackson, Wichita Falls
TUESDAY - Rick Kaulfhold, Suda
WEDNESDAY - Verner Hayhurst, Archer City
THURSDAY - Winter Johnson, Wichita Falls

—SONG LEADER—
Larry Tittle, Electra

We invite you to come and hear the message of Christ preached.

Eleven attend TOPS meeting

Eleven members weighed in Monday night at the TOPS Club meeting when the scales showed that Pauline Steele was the KOPS and Mrs. J.C. Helms the TOPS queens for the week.

An executive board meet-

ing was held to make plans for future programs and contests. It was voted for each member to keep a calorie chart and to bring it to the meetings. The suggestion by Mrs. George Boles, contest chairman, that the member who had gained the most during this week give a gift Monday night to the one who had lost the most weight was accepted. Secret pals will be revealed and gifts exchanged at that time.

The temperature on your home freezer should be kept at 0°F or below.

Fleas are problem

**By Don D. Decker
County Agent**

Where have all the fleas come from? The telephone has been ringing off the wall at the extension office with inquiries on how to control fleas. Most infestations appear to be related to pets in and around the home. Successful control must be based on treating the premises and pets at the same time. Otherwise, one will reinfest the other.

Fleas inside the home can be controlled by spraying with either Diazinon, Baygon, or Malathion. Malathion has a bad odor, so one of the other chemicals may be more desirable. Diazinon and Baygon are used at the rate of one tablespoon per gallon of water, while Malathion requires two tablespoons. However, the label recommended rate should be followed.

I prefer to spray inside the home with a hand operated pistol grip sprayer. These are usually one quart size. There is little to no "over spray" with this inexpensive sprayer.

A thorough spray application is applied to base boards and door facings, while walls are sprayed to a height of one foot. A light mist is applied to all rugs, carpets, and upholstered furniture. Both topside and underside of the furniture is covered with a light mist. The light mist spray should not stain the furniture, however, a person may want to try only a small spot before treating the entire piece.

Every effort should be made to avoid direct skin contact on the furniture for a couple of days. A clean sheet can be draped over the furniture after the mist has dried. If small children are involved, a family may want to use Malathion due to the fact that it is less toxic.

The yard can be sprayed with either Diazinon or Sevin. The rates need to be increased to five tablespoons per gallon of water. At least one gallon of spray should be used per 1,000 square feet. It is important to treat door facings, patio, porches, foundation, lawn, beneath shrubbery, and pet quarters. Dogs can be dipped into a mixture containing 12 ounces of Malathion in 5 gallons of water. Flea collars or Sevin dust can be used on cats or dogs. Flea collars are also helpful in preventing reinfestation.

Obituaries

Mrs. Lucille I. Lowder

Services for Mrs. Lucille I. Lowder, 76, a 52-year resident of Holliday, were Tuesday afternoon at the First Baptist Church in Holliday. The Rev. Darius McKay, pastor of Trinity Baptist Church in Wichita Falls, officiated. Burial was in the Holliday Cemetery under direction of Owens and Brumley Funeral Home.

She was born Sept. 19, 1902 in North Dakota and she was a beauty operator. Survivors include her husband, Robert C. Lowder; two sons, Robert A. of Holliday and Richard Lee of Lake Kickapoo; a brother, Henry Wapshot of Lemon Grove, Calif.; two sisters, Julia Raby and Annie Brouse, both of Alberta, Canada; 10 grandchildren and five great-grandchildren.

Municipal Court Records

Results of municipal court held here Thursday were:

Gordon Clark Bohannon, speeding, \$58.50; Gordon Clark Bohannon, eluding a peace officer, \$203.50; Marion Lynn Tucker, speeding, \$28.50; Scott Ramsey Hutson, no driver's license, \$28.50; Linda Perry Smallwood, speeding, \$28.50; Arbie Marie Rusk, speeding, \$30.50; Vicki Ellen Crum, unsafe passing, \$28.50; James Reed Murfield, failure to yield right of way to oncoming traffic, \$28.50; Thomas Frank Schenk, speeding, \$39.50; Coy James Lee, speeding, \$28.50;

Thomas Allan Marshall, speeding, \$28.50; David Wayne Hutson, speeding, \$28.50; Travis Don Bales, speeding, \$28.50; Shirley Hopkins Boswell, speeding, \$30.50; Michael D. Richter, disobey stop sign, \$28.50;

Regina Jolene Whipple Kremier, speeding, 29.50; Jans Juergen Trammer, disobey stop sign, \$28.50; Russell Burn Odum, speeding, \$35.50; Larry Leroy Goin, excessive noise, \$38.50;

Richard Wesley Smith, no driver's license for motorcycle, \$38.50; Michael Edward Elwell, exhibition of acceleration, \$38.50;

Michael Edward Elwell, reckless driving, \$38.50; Francis Kay Green, disorderly conduct, \$28.50; Francis Kay Green, public intoxication, \$28.50.

Smith family reunion held

The descendants of the late Mr. and Mrs. A.G. Smith of Jacksboro held the annual family reunion recently at the A.S.C.S. building. Their two children who are still living are Mrs. Lenora Clingman, who was unable to attend, and the Rev. W.F. Smith of Waco, who opened and closed the meeting with prayer.

Those from Iowa Park in attendance were Messrs. and Mmes. Roy Sawyer, Harroll R. Brown, Farley Friday and David, Lloyd Smith, Ralph McCann, Pete Gonzales and Kris, Louis Sawyer, Ronnie and Jeff. Mrs. Linda Dressel, Hope and Skip, Mrs. LaRue Smith, Mrs. Jessie Smith. Out-of-town family members present were Messrs.

and Mmes. Bill Bost, Robert McGee, Gary Scott, Mark, Julie and Tim, W.F. Smith Jr., Norman Roberts, Rodney Roberts, Heath and Rochelle. Others were Mrs. Sherrie Nicks and Becky, Mrs. Mary Lea Phipps, Mrs. Joy Kirkpatrick, Melanie and Holly, Roger Janson, Danite Roberts, Cheryl Petrockey, Mrs. Danny Roberts.

Iowa Parkans on honor rolls

Two Iowa Parkans were named to spring semester honor rolls at North Texas State Univ., according to Dr. Miles Anderson, vice president for academic affairs.

Steven Lee Berry, son of Mrs. W.T. Crawford, was on the 4.0 honor roll (all A), and Holly Jane Burrell, daughter of Mrs. Helen Burrell, was on the 3.5 honor roll.

Of the 15,981 students enrolled at NTSU in the semester, some 314 were listed on the 4.0 roll and 1,054 on the 3.5 listing, which includes those students whose grade average was midway between an "A" and a "B".

Party given for grandson

Mr. and Mrs. Billy Joe Carter gave a birthday party in their backyard Tuesday evening to celebrate the second birthday of their grandson, Billy Glen Whitis. Their gift to him was a swing set and a matching sand box.

The party decorations and favors carried out a Snoopy and Woodstock theme.

Children attending were Jennifer Spruiell, Julie Whorton, Michael Miller, Katrina Blackerby, Andy Chamberline, Chad Brian, Dustin Laguna, Brian and Lori Spruiell and Tyson Spruiell.

Other adults present were Mrs. Joni Whitis, mother of the one in whose honor the birthday was given; Tanya Laguna; Messrs. and Mmes. Walter Spruiell, Dan Spruiell, Jerry Spruiell, Duncan Spruiell, Barry Spruiell; A.A. Brannon, Linda Spruiell, Chris Brannon, Cindy Blackerby and Veda Miller.

Operation Tighten-Up can make a difference.

At Texas Electric we want to help you get the most for your energy dollars. And we're doing something about it.

All over our service area . . . in neighborhoods just like yours . . . we're holding Operation Tighten-Up workshops. These one-hour sessions are designed to

give you tips on home energy management. And a look at how simple do-it-yourself maintenance such as caulking, weatherstripping and insulation checks can make a difference in your electric bill.

To find out how you can have an Operation Tighten-Up work-

shop for your church, club or neighborhood group, just call Texas Electric. The more you know about using . . . and saving . . . energy, the better.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective August 3, 1979.

It is expected that the requested rate schedule will furnish a 6.09 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the company's public business offices in Texas.
