20 CENTS

## School board approves \$3.7-million budget

Though the Iowa Park school board Tuesday night adopted a budget which exceeded \$3-million for the first time, the tax rate was cut 16 cents.

A budget of \$3,708,151, which includes approximately half a million dollars for the West Wichita Co-op, is almost \$500,000 higher than the amended budget for the 1978-79 school year (\$3,262,466).

The two major increases in the budget were \$138,701 in payroll costs, which are anticipated to be \$2,437,864, and \$174,124 in capital outlay, estimated at \$373,079.

Trustees set the tax rate at \$1.58 per \$100 valuation. The rate last year was \$1.74.

Two different district assessed valuations are being used this year for the first time.

For the purpose of collecting maintenance taxes, which are those funds collected locally for the operation of the school system, the district value is set at \$68,576,440. A \$1.38 per \$100 valuation is the rate set.

A 20-cent rate was set for debt service, and will be collected on a

district value of \$75,631,790.

Reason for the difference in the two district values is included in the recently-passed tax relief bill, written by the state legislature.

Property exemptions included in the bill apply only to collections of maintenance taxes, and not debt service taxes. The latter is used to pay bonded indebtedness, and at the time district voters approved the bonds, no exemptions were recognized, therefore the values of all properties in the district must be taxed until the bonds are paid, according to school personnel.

Included in the 1979-80 budget is \$294,500, which will be used to pay cash, rather than being financed, for construction of the new gymnasium at the high school campus, it was explained.

Besides payroll and capital outlay expenditures, other categories include \$243,745 for purchased and contracted services; \$225,299 for supplies and materials; \$189,125 for debt service; and \$139,039 for other operating expenses.

Under revenues, trustees anticipate receiving \$1,172,386 from local and intermediate sources; \$2,216,265 from the state; and \$25,000 from the federal government, for a total of \$3,413,651. Anticipated carryover from the 1978-79 budget is \$587,216, giving the school an anticipated

\$4,000,867 to operate on this year and leaving an estimated \$292,716 at the end of the year.

Trustees approved travel pay for all school personnel, based on pay proposed by the Texas Education Agency. The per-mile rate was raised from 18 cents to 20 cents, and per-day per diem was increased from \$30 to \$40.

The board also approved a proposal to pay Tommy Watkins, head coach and athletic director, \$100 per month for his in-district travel.

A list of seven substitute teachers was approved by the board, two of whom do not have state teaching certificates. Supt. Faris Nowell pointed out there was a severe shortage of qualified persons willing to do substitute teaching, not only locally but apparently over the state.

Concerning a proposal by a group of Wichita Falls businessmen to purchase a tract of land from the school, located north of Kidwell Elementary campus, the group was told the land could be purchased for 20-cents per foot, the going rate for property in the city.

J.O. McCullough said he had responded to the group with the price, after the businessmen had first approached the board with an offer of seven cents per foot.

No response had been received as of the meeting.

SWARMING HAWKS coverage on an Electra runner during a controlled scrimmage here Thursday afternoon. Iowa Park's varsity and junior varsity will travel to Lawton Friday to scrimmage Lawton MacArthur, top-ranked AAA

team in Oklahoma with 18 returning lettermen from 1978. The JV scrimmage is slated to begin at 6 p.m., with the varsity following about 7:30. Scrimmage site is the Cameron State Univ. stadium.

## City council is asked for new library building

Only one suggestion was made Monday night on how the city might spend \$157,671 of federal revenue sharing money during the coming year.

The Iowa Park Library Board asked that a new, larger facility be obtained to house the library's 10,000-plus books.

With all but three members of the board present, Mrs. Dutch George, chairman, pointed out that the structure now housing the library is difficult to find, in serious need of repairs, and inadequate to house all the library's books, let alone the additional services and space needed for other programs the board wants to offer.

Some eight years ago the library was moved from the back room of the

Chamber of Commerce building into the house west of the junior high building, which had for a number of years served as the Home Economics classroom and laboratory for Iowa Park High School.

"We've outgrown it," stated Mrs. George, who went on to say there isn't enough floor space unused for any more bookshelves, and that all the closet space is consumed as storage for unshelved books and reading materials.

An average of 1,500 books are checked out each month at the library, indicating the traffic the facility enjoys. Yet many people do not even know Iowa Park has a library, or where it is located, Mrs. George stated.

"Perhaps we can work together (city and board), and get it done," she said. "We plan to raise money. We will work."

With aldermen openly agreeing with the library board, though no action was taken during the meeting, Mayor Johnny Crawford said "We appreciate your bringing us your problem and we will pursue it."

No one in the audience offered any other suggestions on how the revenue sharing money might be spent, but later in the meeting, while the council was working on its budget for the upcoming year, comments indicated much of the money will be expended to improve street paving throughout the city.

### ISSUES TABLED

Aldermen voted to table a proposal to lease a portion of South Park Street to Billy James, and also to table action on a consultant's report concerning the rate increase proposed by Lone Star Gas Company.

Bill McMorris and Associates of Amarillo, the consulting firm, suggested in his findings that Lone Star was due a rate increase, but about half what it sought.

Lone Star is asking a 15.44 percent increase, but the consultant recommended only a 6.55 percent hike.

The council has approximately 60 more days in which to act on the rate proposal, or the utility company's request will automatically go into effect, it was pointed out.

City Administrator Steve Morath explained the high points of the new

property tax reform bill which was passed during the recent legislative session.

The bill eliminated separate tax appraisal offices for each governmental entity, and creates one office per county, Morath said.

Before Dec. 1, a county-wide tax appraisal district board of directors must be named, containing a minimum of five members. Voting on the members will be each of the present taxing units, with their votes based on the amount of taxes now being collected.

Morath explained that the City of Wichita Falls and Wichita Falls School District would be the two major units in the countywide organization, and thus would carry the most clout.

Unless the county-wide office is so designated by a given tax unit, the setting of tax rates and collections will continue to be the responsibility of the smaller tax units, such as the city council and school board locally.

The responsibility of the county-wide office will be to establish a value on property which will be used by all taxing units collecting taxes on the property.

Morath explained that it was possible, if the council wanted, to designate the county-wide office as both tax assessor and collector, to collect taxes for the city, which is now contracting with the local school district to handle that responsibility.

The last hour and a half of the meeting, which lasted until midnight, was used by council members to work on the new budget, which is to go into effect Oct. 1. It will be up for adoption at the next meeting.

## Bike-A-Thon set Saturday

The Cystic Fibrosis Bike-A-Thon will take place Saturday. Registration will be held from 7:30 - 8:30 a.m. at the junior high school, and the ride will begin immediately. Wanda Solomon and Cindy Swope are co-chairmen of the ride for Iowa Park.

It will be necessary for each rider to register, according to the chairmen. The ride will start at the junior high school, continue to Valley View, then return to the starting point. There will be rest stops and refreshments at Burnett Park and Valley View. There will also be cars available to pick up riders who are unable to make the complete route.

Prizes have been donated by Louis Jewelry, TG&Y, The Famous, Park Pharmacy, Settle Drug and Parkway True Value. For further information on how to obtain entry blanks and other particulars concerning the Bike-A-Thon, call Mrs. Solomon at 592-4375 or Mrs. Beavers at 592-4321.

## Season ticket sales to open

Season tickets for reserved seats at Iowa Park Hawk football games will go on sale to the general public at 6:30 p.m. Tuesday.

Ticket sales will be held in the concession stand across the hall from the gymnasium. Entry to the building will be through the doors near the southwest corner of the building.

Option seat holders have until 4 p.m. tomorrow to exercise their options. These seats are reserved for persons who contributed toward construction of Hawk Stadium and have renewed their options annually by purchasing season tickets.

For a book of five tickets, which includes games against Decatur, Jacksboro (homecoming), Graham, Weatherford and Vernon, the price will be \$10.

Price for a ticket at the ticket window will be \$3 as set by the District 4-AAA council.

## Enrollment continues decline

Enrollment in Iowa Park schools this year has continued a decline that began some eight years ago.

School officials reported 1,862 students enrolled the first two days this week, down 36 from this time last year, and 106 from the first day of the 1977-78 school year.

By campuses, 356 enrolled at Kidwell Elementary, 250 at Bradford Elementary, 262 at Valley View, 283 at the junior

high and 711 at the high school.

Officials believe more students will join classes early next week. Traditionally, some families take their vacations over the Labor Day holiday, and hold their children out of school until the Monday holiday is over.

Some officials estimate peak enrollment could reach 1,900 at some point during the year. They cite the 1977-78 enrollment, which started out at 1,968 and peaked at 2,020.

TWO IOWA PARK STUDENTS didn't make it to class on opening day Monday, when their car was involved in a near head-on collision with a van about two miles east on Old 287. Sisters June and Janet Burns were enroute to Iowa Park in this automobile when they lost control, crossed the divider, and smashed into a business van, upper left, being driven to

Wichita Falls by Phil Travis. June, 17, and Janet, 14, reportedly were in stable condition at Sheppard AFB hospital yesterday. They were to start classes as a junior and freshman, respectively. Travis, 600 W. Washington, an employee of City Vending Co., remained in Wichita General Hospital Wednesday.

## Weather Report

Weather reports are officially compiled for Iowa Park at the Texas Experiment Station, southeast of town.

Total for year.....	26.65
Total last year.....	16.71

# Cook-Stucki nuptial vows solemnized here Saturday

The marriage of Miss Debra Lynn Cook and Mark Andre Stucki was solemnized Saturday afternoon at the Church of Christ. Bill Jones was the officiating minister.

Parents of the couple are Mr. and Mrs. Forest G. Cook and Mr. and Mrs. Harold Stucki Jr.

The sentiment of the

occasion was enhanced through the nuptial and reception decorations arranged by the groom's aunt, Mrs. Frank Rivas of Wichita Falls.

The altar area of the church was centered with a white wrought-iron arch enriched with gypsophila touched at intervals with yellow orchids, and centered with two large white wedding bells. Attached to the arch at the sides were white stands holding yellow gladioli.

A white wrought-iron cushion-padded kneeling bench standing under the ornamental curve was topped with a Bible-shaped white satin pillow covered with white satin touched with lace, seed pearls and sequins and opened with an orchid marker at embroidered messages to the bride and groom. The lower part of the bench held two white satin pillows.

On either side of the baptistry baskets held spreading arrangements of white mums and yellow gladioli and the lower altar was marked with white wrought-iron wing-shaped candelabra from which tall white candles arose.

Adding interest to the church decorations were the pew markers featuring nosegays of silk orchids, and stephanotis and baby's breath. These were topped with yellow satin bows from which wedding bells outlined with delicate pearls cascaded.

As guests arrived at the church for the wedding, they registered in the foyer. The table was covered with

yellow satin overlaid with white lace. Garlands of emerald interspersed with white silk stephanotis and orchids spread along the table linking the appointments.

Spotlighted in the table decor was a satin and lace-covered gold and white Bible opened with two yellow cymbidium orchids and trailing white and yellow stephanotis at the bride's favorite scripture passage. The other appointments included a bouquet of white silk orchids and stephanotis, yellow baby's breath flanked by yellow tapers aglow in tall brass candlesticks from Mexico, bride's book and yellow plume pen.

Miss Kathy Johnson, who directed the signatures of the guests, also handed them yellow and white net rice bags from a delicate yellow lace umbrella which had a handle spruced with a yellow silk orchid nestled in a yellow bow.

Vocal wedding selections were presented by Karen Pearson of Midwestern State University. She sang "Evergreen" for the processional. During the ceremony, she offered "The Wedding Song", "The Wedding Ring" following the exchange of rings, and "One Hand, One Heart". She concluded the musical contributions with "Twelfth of Never" for the recessional.

The bride, presented in marriage by both parents, was escorted to the altar by her father. She wore a beautiful white Chantilly lace gown over taffeta. The tight bodice was distin-

guished with a sheer yoke traced with pearls and ruffled lace, a sweetheart lace neckline and cap sleeves. Rows of slightly gathered lace enhanced the beauty of the full skirt above floor level in front, and the flowing chapel train.

A Juliet cap of lace and pearls held the fingertip veil of illusion and the blusher.

The bride's bouquet will forever be one of the happiest memories of her wedding. Fashioned on a fan of yellow lace, it was centered with eight white silk orchids complemented with scattered white and yellow silk stephanotis, four delicate miniature glass flowers to reflect the light, and baby's breath. Cascading from the bouquet were pearl-trimmed satin wedding bells and lace leaves accented with rows of pearls.

In observing bridal sentiments, she wore the "something blue" garter made by Mrs. Harold McCord; the groom's mother's necklace for "something old" and "something borrowed"; her bridal costume for "something new" and the lucky sixpence in her shoe.

Miss Mary Lyles of Wichita Falls took part in the wedding as maid of honor. Bridesmaids were Miss Vanesa Stucki, sister of the groom, and Miss Brenda Cook, sister of the bride.

They were attired in long yellow crepe blouson-style, accordion pleated gowns with fashionable cape-effect drapes around the low necklines. Their bouquets consisted of white silk

cymbidium orchids and stephanotis showered with pearl-trimmed white lace leaves and baby's breath. They wore matching flowers in their hair.

Best man for the groom was Jeff Fallen of Wichita Falls. Kerry Johnston of Dallas and Chris Lester of Iowa Park were groomsmen. Ushering and seating guests were Frank Baston of Iowa Park and Kyle Ayers of Olney.

The groom wore an all-white tuxedo and a boutonniere of white silk stephanotis. His attendants, ushers and fathers wore yellow dress tuxedos with white ruffled shirts.

The bride's mother selected a peach nylon dress styled with a high neckline, yoke, gathered bodice and long full sleeves for the wedding. The groom's mother wore a two-piece peach Qiana dress with a pleated bodice featuring a scoop neck and long full sleeves. They wore white orchid shoulder corsages.

The bride and groom were both graduated from Iowa Park High School. She belonged to Future Homemakers of America and Office Education two years and to pep squad one year. She is presently employed at Gates Rubber Co. He is a senior at Midwestern State University majoring in music education. He belongs to Kappa Kappa Psi and works as a respiratory therapist at Bethania Hospital.

The reception following the wedding was held in the Fellowship Hall of the church and hosted by

parents of the newlyweds.

The bride's table was laid with white lace featuring a gathered yellow skirt that fell to the floor from a garland of emerald that bordered the top of the table. The same greenery encircled the cake which centered the table and extended to other appointments. Flanking the cake were tall yellow candles burning in three-branched silver candelabra. Lending emphasis to the decor were the silver and crystal services.

The traditional style three-tiered bride's cake was artistically decorated with intricate border designs, cascades of pastel yellow roses with pale green leaves, and two sets of Grecian columns giving it graceful height. The top ornament was the popular miniature bride and groom, she wearing white satin and he in formal wedding attire, standing before a jeweled heart topped with white satin wedding bells filled with pale blue silk lilies of the valley, and a pouf of white net.

Napkins on both tables were white accented with silver wedding bells and the names of the bride and groom and their wedding date.

The groom's table was laid with a full length off-white linen polyester cloth where the emerald greenery was repeated in the decorative scheme. The chocolate cake was decorated in yellow musical symbols in keeping with the groom's talents. The silver coffee service, a nosegay formed of yellow silk ribbon and glass flowers, and silver tray on a gold base filled with yellow mints, and crystal trays in silver holders filled with nuts added finishing touches to the setting.

Reception assistants were Miss Lauri Long, Miss Carol Crush, who served at the bride's table, Mrs. Frank Rivas and Miss Vanesa Stucki, who presided at the groom's table.

Following the wedding, the couple left on a wedding trip to Reno, Nevada, the

MRS. MARK ANDRE STUCKI

bride wearing a beige pant suit with harmonizing accessories. They will live in Wichita Falls when they return.

Special wedding guests included Mr. and Mrs. Robert Molina Sr. of Holliday, grandparents of

the groom, Mr. and Mrs. Lon Cook of Mountain Park, Okla. and Mrs. Merine Combs of Snyder, Okla. grandparents of the bride.

Other guests were Messrs. and Meses. Melburn Sparks and Larry, Oklahoma City, Paul Riggs and Stephanie, Frederick, Okla., Bill Holman, Duncan Okla., Mrs. Mark Meason, Lawton, Okla., Ronnie Combs, Snyder Okla.

Attending from Wichita Falls were Mrs. Robert Molina Jr., Joe Molina, Mrs. John Renollino, Ruth Davis, Mr. and Mrs. Frank Rivas, Mr. and Mrs. Lee McQuerry, Mr. and Mrs. Frank Rivas and Robert Lyles.

### TOPS meets

During the TOPS Club meeting Monday night, Mrs. Don Wynn was declared winner in the weight loss contest that ended that night. Mrs. Era Mae Baxter was KOPS Queen and Mrs. Lee Towns was TOPS Queen.

During the meeting, plans were made to attend an area workshop at Vernon Sept. 15 at which time each club will present awards to weight losers. It was announced that the club meeting next Monday will be held at 10 a.m. instead of the regular meeting time in view of the Labor Day holiday.

Seventeen members weighed in.

## Kidwell P-TA adopts \$694 budget for year

The Kidwell P.T.A executive board met Tuesday night with Mrs. Steve Catlin, president, in charge. During the meeting, the budget of \$694 for the year was approved. Sept. 13 was the date set for open house, and Oct. 27 was set for the annual carnival. It was decided to have the string pull for Whoop-T-Do participation this year.

Mrs. Catlin named chairmen and committees to serve with her and the other officers during 1979-80. Other officers are Mrs. Harrell Riggins, vice president; Mrs. Jake Jacobi, secretary; Mrs. Don Wilson, treasurer; and Bob Cole, parliamentarian.

Committee chairmen named were Mmes. Lewis Hedrick, R.F. Hogue, citizenship and legislation; Michael Jackson, character and spiritual; William Boucher, cultural arts; Kenny Gilmore, program; Mike Wade, room representative; Richard Davis, publicity and publications; Kenny Gilmore, historian.

Other chairmen include Mmes. Charles Brown, health and safety; Mike Yung, M.K. Johnston, hospitality; Johnny Rains, James Jump, Johnny Bernstein, registration; Mike Williams, G.A. Boyd, carnival; Richard Logan, Don Davis, Whoop-T-Do; Jake Jacobi and Johnny Rains, float.

The regular P.T.A meetings will be held the first Thursday and the executive board will meet the last Tuesday of the month throughout the school year.

MR. and MRS. HURSHEL PIERCE

## Couple to observe 50th anniversary

Friends of Mr. and Mrs. Hurshel Pierce of Bowie, former residents of Iowa Park, are invited to attend a reception Sunday commemorating their 50th wedding anniversary. The function will be held at Texas Electric Reddy Room between 3 and 5 p.m.

their home at Thrift, Texas until 1940 when they moved to Iowa Park where they lived for 32 years. They were members of the First Baptist Church here. He worked for Wilson Mfg. Co. and she worked for the local postoffice.

Hosting the reception will be the couple's two sons and their families, Mr. and Mrs. Randall Pierce, Lance, Richie and Robin of Wichita, Kansas, Mr. and Mrs. Ralph Pierce and Rodney of Lancaster, and Thomas Dale and Renee Pierce of Del City, Okla.

Mr. and Mrs. Walters were married in Walters, Okla., Sept. 5, 1929. They made

In old China a registry was kept listing all the local gods incarnate.

## Shower fetes bride elect

Pink and burgundy, the colors chosen by Miss Vickie Krum for her Sept. 15 wedding when she becomes the bride of Steven Morgan, were emphasized in a prenuptial shower given in her honor Wednesday evening.

Hostesses for the courtesy given in Texas Electric Reddy Room were Mmes. Robert Robinson, Don Beals, Jimmy Kasparek, Don Cook and Gene Owens.

The prevailing colors were noted especially on the refreshment table and in corsages composed of pink carnations tied with burgundy and pink ribbons presented to the honoree, her mother Mrs. Phil Krum II and the prospective groom's mother, Mrs. Richard Morgan.

The serving table was covered with white lace over pink. The decorative pattern included single pink candles burning in gold holders, and the crystal punch bowl, each encircled with burgundy colored flowers.

A white lace-covered table held the bride's book and plume pen where guests registered as they arrived.

Other special guests were Miss Connie Krum and Miss Pam Morgan, sisters of the betrothed couple, Mrs. Phil Krum III, Mrs. Kenneth Krum and Mrs. Leon Smith, all of Wichita Falls.

SANDY BEA LEE

## Announce engagement

The engagement of Sandy Bea Lee and John Kenneth Moorhead is being announced this week by her parents, Betty Lee and Sam Lee. Parents of the groom-elect are Mr. and Mrs. J.B. Moorhead of Wichita Falls.

The wedding will take place September 21 at the First United Methodist Church.

Miss Lee was graduated from Iowa Park High School. She attended the University of Texas at Arlington and Midwestern State University where she was a member of Alpha Phi. She is employed by Crum and Forster Insurance Co.

Her fiancé was graduated from Rider High School and the University of Texas with a B.A. degree. He is employed by McCoy's Building & Supply Co.

## Camp Fire organization has new campaign slogan

"Discover Camp Fire" is the new slogan being used to begin the membership drive for the North Central Texas Area Council of Camp Fire. Bright yellow brochures describing the program will be distributed in the schools by area town organizers.

In Iowa Park Mrs. Genia Chafin and Mrs. Wanda Wilson are area town organizers.

Camp Fire is a member agency of the United Way and includes Archer City, Bowie, Burkburnett, Byers, Electra, Henrietta, Iowa Park, Olney and Wichita Falls. Groups are being organized in schools throughout the council area. Learn how Camp Fire can enrich your daughter's life. The agency is made up of four progressive age levels.

Blue Birds attend the first, second and third grades. Adventure girls are in the fourth, fifth and sixth grades. Seventh and eighth graders belong to Discovery Club, and high school girls are members of Horizon Club.

A trained staff, assisted by volunteers, plan activities to suit today's girl. In

addition to the group activities planned by the girls with their leaders, many council events are being introduced this year. Included in the council program are: Sing-Ins, Parade of Toys, National Art Competition Contest, Council-wide Ceremonial, Easter Egg Hunt, and Dad-Daughter Banquet.

### School zone safety urged

Major C.W. Bell, Regional Commander of the Texas Department of Public Safety at Lubbock, said "There are hundreds of thousands of good reasons why Texas Motorists should use extra caution while driving near schools.

"Many of our youngsters will be going to school for the first time and will not be aware of the many hazards existing on Texas' busy streets and highways.

"Precautionary measures, such as traffic signs and signals, safety zones and pedestrian crosswalks, are virtually useless if your children have not acquired good pedestrian safety habits," he said.

Children's responsibilities to and from school include: observing all traffic signs and signals, walking against the flow of traffic when no sidewalk is present, crossing streets at designated crosswalks, and maintaining orderly conduct while enroute to and from school.

"As parents, we must be absolutely sure our children have a clear understanding of traffic dangers. In addition, as drivers, we must always be on the lookout for school children. It is our responsibility—as a parent—as a motorist—as a citizen," said Major Bell.

## Two graduate from college

Two Iowa Park men were graduated from Hardin-Simmons University in Abilene Aug. 17.

They were Steve Hines and Sam Callaway.

Hines received his BBS in marketing and pre law. He belonged to the Sigma Delta Sigma fraternity, was active in intramural sports, member of Moody Center planning committee, Nix Hall dorm council and Pre Law Club.

He is currently associated with the Dillard's Executive Program at Abilene.

Callaway received his BA at the same time his wife, Vicki Lynn (Pierce) received her PHT (Putting Hubby Through) certificate.

Active in Sigma Delta Sigma also, Callaway was a

member of the Hardin-Simmons Cowboy Band, and was a full-time pastor at Longworth Baptist Church in nearby Roby. He was ordained last March at Faith Baptist Church. Mrs. Callaway works at a bank in Abilene.

Callaway plans to remain in Abilene for about six months, where he is also working at a school for boys in the evenings. He plans to enter Southwestern Baptist Seminary in Fort Worth, where he will work toward his master's degree.

Both Hines and Callaway are graduates of Iowa Park High School.

The first Atlantic telegraph cable was opened in 1858.

MR. and MRS. HENRY COATS

## Reception Sunday to honor couple

Mr. and Mrs. Henry Coats of Kamay will be honored Sunday from 2 to 5 p.m. at their home in observance of their golden wedding anniversary. Children of the couple, Messrs. and Mrs. Billy Rex Coats of Andrews, Royce Coats of Holliday, Glenn Coats of Wichita Falls and Don Coats of Vernon will be hosts for the reception.

Mr. and Mrs. Coats were married Sept. 5, 1929 in Walters, Okla. They have lived in Kamay 42 years where he was employed 34 years by Gulf Oil Co. She is

the former Eva Pruitt. They are members of the Kamay Baptist Church.

The couple have nine grandchildren, who will assist with the reception, and a great-grandson.

### Barbecue, dance set at Diversion

The 12th annual Labor Day barbecue and dance at Lake Diversion will be held Sunday, starting at 7 p.m.

Tickets are \$3, available at the gate. With the ticket, gate admission is reduced by half. Reservations can be made by telephoning Judy Morrow at 438-2257.

Two prizes, a charcoal smoker and a casting reel, will be given away during the evening.

**LOOK WHO'S NEW**  
Mr. and Mrs. Jim Arnold announce the birth of a daughter, Suni Shai, born August 15. She weighed seven pounds. She has one brother, Jayde Layne and one sister, Jai Ja. The grandparents are Mr. and Mrs. Hap Rogers and Mr. and Mrs. Joe Arnold, all of Tullia. The baby has one great-grandmother, Mrs. Mary Roden of Dumas.

## Local UW leadership named

Local leadership areas for the annual United Way campaign which starts Sept. 13 have been announced by Keith Aulds, Iowa Park Chairman. Named to head the various divisions for the city are David Parkey, advance gifts; Vern Horsky, major firms; Steve Morath, public employees; Dr. Carter Pirkle, professional, and Bill Steger, metro.

The campaign goal is \$1,314,500, a 10 percent increase over the \$1,189,000 raised last year by Iowa Park, Burkburnett and Wichita Falls. "The increase is a necessity to allow the agencies of the United Way funds to maintain a high level of service," Aulds said. "This year we've all seen the Red Cross and Salvation Army actively at

work following the tornado, but other agencies were also very vital during that critical time," Aulds said. He cited the work of local Boy Scouts, the Senior Citizens Center and "the many volunteers who assisted the various groups in disaster recovery services."

The drive is conducted annually through businesses. Funds obtained from the campaign are allocated by the United Way Budget Committee to serve the needs of 33 North Texas groups.

Two Iowa Park agencies, the Friendly Door (Senior Citizens) and the Recreational Activities Center, receive funding from the United Way. Other agencies in the North Texas Area that benefit from the drive are: Association for Retarded Citizens, Central Boys' Club, Northeast Boys' Club, Southwest Boys' Club, Boy Scouts, Burkburnett Boys' Club, Burkburnett Child Development Center, Burkburnett Senior Citizens, Burkburnett Youth Center.

Also included are Camp Fire Girls, Child Care, Inc., Children's Home, Community Council, East Side Girls' Club, Girl Scouts, Individual Development Center, Mental Health Association, Northside Girls' Club, Sheppard Air Force Base Youth Activities Center, Salvation Army, Senior Citizens Services of North Texas, Southside Girls' Club, Texas United Community Services, USO, American Red Cross, YMCA, East Branch YMCA, and YWCA.

## As I See It....

For the life of me, I can't see any reason why anyone living in Iowa Park, Burkburnett, Electra, Kamay, Valley View, Kadane Corner, Punkin Center, the Wichita Valley, or anywhere else should contribute money to Wichita Falls to help that city of over 100,000 "develop in an orderly fashion."

According to the Wichita Falls Record News Monday morning edition, the commissioners court was asked to contribute \$15,000 to the "Goals for Wichita Falls Committee".

A similar amount is expected from "other private sectors" while \$25,000 each is expected from the city of Wichita Falls and the Wichita Falls Board of Commerce and Industry.

Let me point out that I like John Gavin, chairman of the committee who made the request to the county commissioners. I admire the group of people who have gotten together, recognized the needs of their community and dedicated their efforts to correct them. That's the stuff good communities are made of.

But I cannot agree with the former Wichita Falls mayor when he says what's good for Wichita Falls is good for Wichita County, if it means costing non-residents of the county's major city.

By virtue of being the major trade center of the area, Wichita Falls bites hard into the economy of businesses in Iowa Park and other towns in the area. Because their trade area is so large, Wichita Falls businesses operate on a volume which allows them to offer items merchants in

Iowa Park could not afford to keep in stock. And when people go to the city to buy such items, they often shop around and buy items that are in stock here.

If all the dollars spent by Iowa Park residents in Wichita Falls were kept in Iowa Park, the sales tax alone would afford us enough money to have beautiful streets, or a community building, or a new city hall, or a new library, or lower taxes, or maybe all of them.

I've mentioned in this space before my concern over Wichita Falls organizations calling business people in Iowa Park to make donations for tickets to carnivals and such. With some 14 times as many people and 50 times as many businesses, Wichita Falls calls on Iowa Park for financial help?

There's no doubt that the Wichita Falls Goals committee will succeed in its project, nor is there any doubt it will get the funds it needs.

But, for heaven's sake, why ask

non-residents to help pay? Especially when the committee admittedly doesn't have a plan of projects. The article stated "more than 200 volunteer workers and 11 advisory subcommittees intend to spend about two years compiling a goals list."

What's good for Wichita Falls is good for Wichita County is slightly different than the policy prescribed by the Wichita Falls Board of Commerce and Industry in the past. That was, what's good for the area is good for Wichita Falls, and the organization worked with that policy in mind.

I hope that before any Wichita County tax money is given to the Goals Committee (and there might be some legal question there as there is the City of Wichita Falls giving money), the commissioners court finds out just what it is the money will be spent on, and how it will help the area residents.

And I believe that's just what the court intends to do.

## Worth Quoting

Brownwood is going into Class AAAA next year.

But before any farewells are bid to the perennial state contender, so are Vernon and all other Class AAA teams under a new designation system planned by the University Interscholastic League. But there will be no creation of a new super division as rumored for the past year.

According to UIL athletic director Bill Forney, the Class B terminology will be eliminated in favor of Class A, Class AA, Class AAA, Class AAAA and Class AAAAA. Or simply, each school will move up one classification. Why all the bother? The change is being made at the request of some of the state's smaller schools which have complained the B designation gives the connotation of sub-standard competition rather than an indication of size in the eyes of the public.

Whether or not that is the case, all Texas schools will be "grade A."

That modification is expected to come when the UIL completes district alignment in October for the 1980-81 and 1981-82 school years.

For the past two years, the enrollment cutoff points have been Class B, up to 129; Class A, 130-254; Class AA, 255-579; Class AAA,

580-1259; and Class AAAA, 1260 and up.

It's not known if the cutoff points will be revised. But there is general feeling that some adjustments should be made for Class AAAA to compensate for school consolidations, such as in Plano and Lewisville, that create an imbalance within the classifications and tax the resources of the small AAAA schools, human and otherwise.

For that reason, discussion the past several years has turned to creation of a new super team conference, but the UIL has given no indication that any new classification will be implemented within the near future.

PAULA NOEL  
Vernon Record

Since the energy shortage and the dependency of America on the OPEC nations, the barrel (42 gallons) has become a timely and more common unit of measurement. Listed below are the prices Americans are paying for various items as the costs relate to this popular unit of measurement - the barrel.

Yogurt - \$58.80; milk - \$84; butter - \$302.40; Aramis (after shave lotion) - \$10,752; caviar - \$13,440; silver - \$421,427; house paint - \$294.

Crude oil - \$22; coffee - \$483; Right Guard (deodorant) - \$1,177; gasoline - \$35.28; copper - \$2,643; perfume - \$48,400; Jack Daniels Whiskey - \$1,848.

Gold - \$24,320,867; Coors beer - \$168 - Coca Cola - \$92.40; uranium - \$243,500; salt - \$53; sugar - \$94; Edge (shaving gel) - \$1,067; flour - \$41; peanut butter - \$407; and honey - \$403.

WALTER BUCKEL  
Lamesa Press-Reporter

## Three complete gallon levels

Three donors reached gallon levels Thursday when the Red Cross Bloodmobile made its scheduled stop at the First Christian Church.

According to Mrs. Kennie Jones, chairman of the project sponsored locally now by the Epsilon Eta Sorority, Charles S. Smith completed his second level, while Charlie Lee and Kennie Jones each completed their gallon amounts.

All three are employees of Cryovac. Smith is training supervisor, Lee is manager and Jones is quality control manager.

Forty-three pints of blood were collected from 46 donors, three of whom donated for the first time. Iowa Park's quota is 75 pints.

## Criminal mischief reported to police

A single case of criminal mischief was reported to Iowa Park Police during the past week.

Approximately 5 p.m. Saturday, Jerry Denton, No. 4 Surrey, reported a gunshot, possibly an air gun, broke his patio door. Loss due to damage was estimated at \$180.

# Cook of the Week

After all the excitement of old shoes, rice, and a honeymoon comes the settling down time, the time of building a life together, and the time for the new bride to concentrate on being a successful homemaker which includes knowing how to plan and prepare well-balanced meals. Some rely heavily on mother's

advice and cookbooks.

Mrs. Doug Chaney, wife of an Iowa Park Junior High School coach and teacher, the former Anita Burchett, a bride of only a few weeks, may have been "armed" with her mother's advice and a lot of cookbooks, but she was also prepared through her education and experience, with a sort of "kitchen degree", to assume her role as a homemaker.

A graduate of Ardmore, Okla. High School, she received a B.S. degree in home economics education with a minor in business education from Southeastern State University at Durant, Okla. She made a host of friends among both adults and young people in this area during the two years she served as assistant county extension agent.

During that time, one of her duties was to work with 4-H girls, and perhaps many of them will forever remember the things they learned from her when they establish homes of their own.

Anita is presently working as a consumer education specialist for Lone Star Gas Co. She belongs to the Business and Professional Women, American Home Economics Association and Faith Baptist Church in Wichita Falls. Her hobbies are singing, sewing, cooking and bicycling.

**JIFFY**

- CHILI-HOMINY BAKE**  
 1 lb. ground beef  
 1/2 cup chopped onion  
 1-1 lb. can chili (2 cups)  
 1 T chili powder  
 1 can cream of chicken soup  
 1 can (1 lb. 4 oz.) yellow hominy or whole kernel corn  
 2 T sliced ripe olives  
 1/2 cup shredded cheese

Cook ground beef and onion till meat is browned; drain off grease. Stir in remaining ingredients except cheese. Spoon into 2 qt. casserole. Cover; bake for 25 minutes at 350 degrees; sprinkle with cheese and bake uncovered 5 minutes.

**JELLO DESSERT**

- 2 small pkgs. lemon jello  
 3 cups hot water  
 1-#2 can (20 ozs.) chunk pineapple, reserve juice  
 1 1/2 cups miniature marshmallows  
 3 bananas, cubed  
 1 cup pineapple juice  
 1/2 T flour  
 1/2 cup sugar  
 1/2 pint whipping cream or 2 pkgs. Dream Whip  
 1 egg yolk, beaten  
 1 cup grated cheddar cheese  
 Dissolve jello in 3 cups hot

water; partially gel. Add pineapple, bananas and marshmallows. Chill in large flat dish. Heat pineapple juice. Add flour and sugar to beaten egg. Mix with juice and cook until thick, stir constantly. Cool. Fold in whipped cream. Cool. Pour over jello and sprinkle with cheese.

**COCO LOPEZ**  
**(CREAM OF COCONUT) CAKE**

- 1 white cake mix  
 1 can cream of coconut  
 1 pkg. coconut  
 1 medium size Cool Whip  
 Bake cake according to package directions adding 1/2 pkg. coconut. Cool. Pierce cake well with fork and pour cream of coconut over top. Let stand a few minutes before icing with Cool Whip and rest of coconut. Cake is best refrigerated.

**FIESTA HOMINY**  
**CASSEROLE**

- 1 T salad oil or shortening  
 1 onion, chopped  
 1 clove garlic, minced  
 1/2 t cumin

1/2 t salt  
 2 cans (14 1/2 oz.) hominy, drained  
 1 pkg. (1 3/8 oz.) sour cream sauce mix or 3/4 cup canned imitation sour cream  
 1/2 grated cheddar cheese  
 1-4 oz. can green chilies  
 Sauté onion and garlic in shortening until clear. Add remaining ingredients and pour into greased 2 quart casserole. Bake at 350 degrees for 15-20 minutes. Makes approximately 8 servings.

**CHEESY CHICKEN**

- 4 chicken breasts  
 1 pkg. Cheddar cheese (10 oz.)  
 2 cans mushrooms  
 1 can cream of mushroom soup  
 Minced onion  
 3/4 - 1 1/2 cup rice (long-grain)

1 can beef broth  
 1 can onion soup  
 Brown chicken in margarine. Pour off margarine after browning and pour over chicken the heated mixture of 1/2 of Cheddar cheese, mushrooms, mushroom soup, and minced onion. Bake 1 hour at 450 degrees. Heat beef broth and onion soup; add to rice, top with remaining cheese and bake at same temperature for 45 minutes.

# SAVE ENERGY.

Lone Star wants you to know you can use less gas to cook the same number of meals.

The new energy-efficient gas ranges with such features as automatic pilot-less ignition, additional oven insulation, circulating oven air and improved burners can make a nice difference on your gas bill.

They use up to 30% less gas than the older models

without these energy-saving features.

Spending less for energy by using less is one way you can fight inflation. With an energy-efficient gas range, you can save a little money on every meal you cook.

We're not suggesting you rush out and buy new appliances. But if you are in the market for new ones, there is—in our opinion—only one kind to buy from now on: the new energy-saving, money-saving appliances.

Give the Inflation Wolf a tough time with energy-efficient gas appliances.

Use up to 20% less gas to heat water.

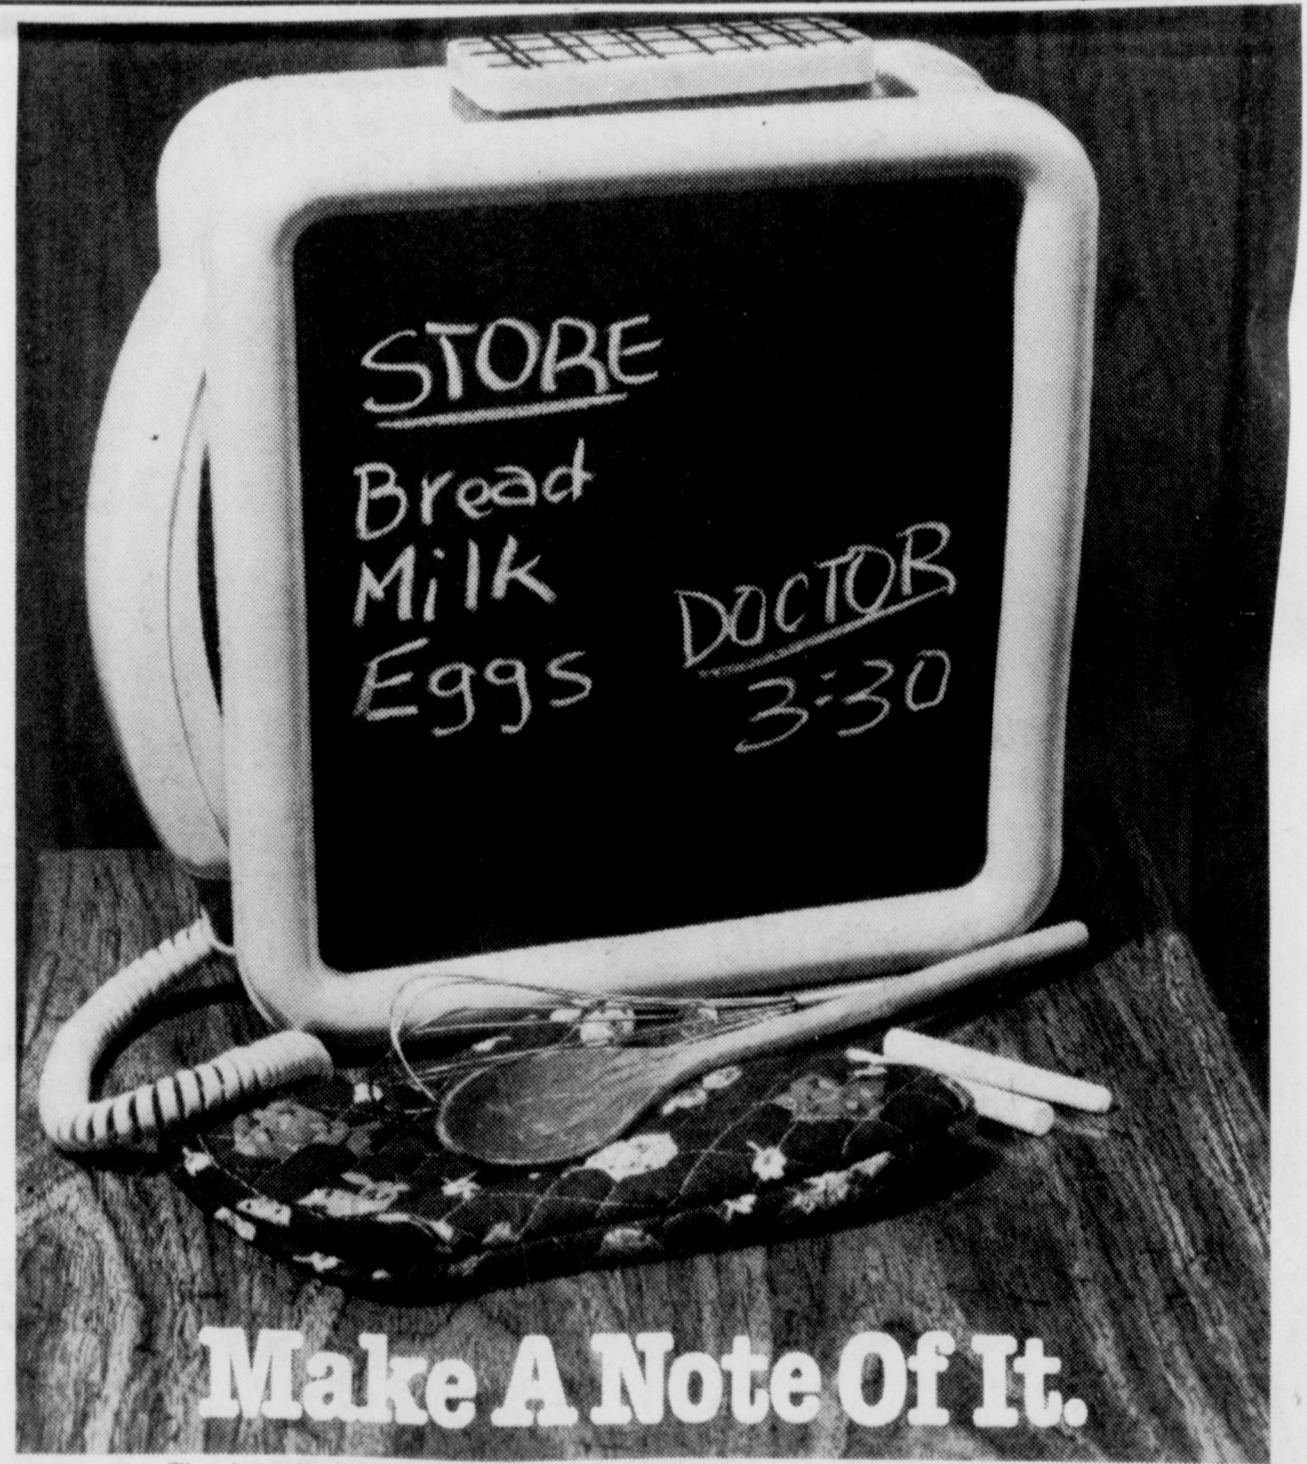

Use up to 20% less gas to dry clothes.

Use up to 20% less gas to heat.

The Inflation Wolf is at your door, and it looks as if he's come to stay. You can make him feel less welcome, however, by reducing the bite he'll take from your paychecks. And the new energy-efficient gas appliances can help you hold the line on energy costs without cutting back on the conveniences energy provides.

**Lone Star Gas Company**  
 Gas. It's plentiful, efficient and right for the times.

**Make A Note Of It.**

This handy wall phone is as functional as it is attractive. Available with Touch-Tone® service or rotary dial, the Noteworthy® has a place for everything. Including the phone book. And it comes in four fashion colors.

You'll never have to worry about repairs, because the working components are owned by the Bell System. We'll fix them anytime there's a problem, without additional charge.

You'll find the Noteworthy® at your nearest PhoneCenter Store, where you can also choose from a variety of other colorful and attractive styles. Or call your local Southwestern Bell business office. Choose a phone that's genuinely you and genuine Bell.

The Noteworthy. \$15 a month for five months or a one-time charge of \$75.

Prices do not include taxes or, if applicable, installation and recurring charges. If necessary, hearing aid adapters are available from your telephone company.

Park West Shopping Center  
Iowa Park School of Dance**

Unlike their first pre-season scrimmage last year against Electra, the Iowa Park Hawk coaching staff was far from displeased with what they saw here Thursday.

Though the coaches admitted their initial thoughts of the workout were somewhat disappointing, they said after more consideration that they were pretty happy with the showing of the 1979 Hawk varsity.

The practice field was ringed three and four persons deep with fans following both teams, forced to watch from mostly standing positions because the Hawk Stadium couldn't be used. And many who had planned to see the action, missed it all.

The scrimmage was moved to the practice field, and the time changed, after a heavy rainstorm Wednesday night soaked the game field. Coaches, not wanting to tear the field up before the season started, moved the action to the practice area. In doing that, the

**DETERMINED ATTEMPT TO CATCH A PASS IN SCRIMMAGE**  
...Randall Schram dives in good effort.

starting time had to be moved up to 6 p.m. from 8 because there are no lights on the practice area. Prior to the varsity

scrimmage, freshman and junior varsity teams held scrimmages simultaneously on separate fields. The freshmen outscored Electra 2-0, and the JV 4-0.

Format for the varsity scrimmage was for the first units to run 20 plays each, second units 10 plays, and then first units return in game-type play, with three possessions with the ball each.

The Hawks scored once during the first unit possession, on a 49-yard scamper by fullback Mike Ray. Robert Brown scored on a 40-yarder when the second unit had the ball. Neither team could muster a touchdown in the final series

of play.

Electra was held scoreless the entire afternoon.

In the first 20 play series, Electra gained 36 yards rushing and 15 passing for 51 yards and two first downs. The Hawks picked up 109 yards rushing, three passing, and four first downs.

In second unit action, Electra ran for 62 yards and four first downs, while Iowa Park gained 71 rushing, 10 passing, and four first downs, while scoring.

During the final game-style session, Iowa Park picked up 63 yards rushing and nine passing, with four first downs. This includes losing the ball on the first

play of one possession.

Electra netted only two yards rushing, 18 passing, and one first down.

Individually, for the entire afternoon, Hawk runners gained: Troy Thompson, 12 carries for 65 yards; Mike Ray, seven carries, 70 yards; James Spears, five for 19; Robert "Hasty" Hastings, five for 35; Robert Brown, four for 50; Troy Lathicum, two for seven; Ron Taylor,

two for eight; and Curtis Martin, one for minus 17.

Coach Tommy Watkins said Electra's first unit was at least as good a team as it was last year, when the Tigers gave the young Hawks all they could handle.

About the Hawks, Watkins said they still had a lot of work to do, especially on offense, but they were far ahead of this time last season.

## Writers pick Hawks second

The Mineral Wells Rams are the consensus favorites of District 4AAA sportswriters to win the conference football championship this season.

The Rams narrowly edged Iowa Park and Weatherford in a poll taken recently.

On the basis of seven points for first pick, six for second, and so on down, Mineral Wells received 41 points; Iowa Park 39,

Weatherford 37; Burkburnett 29; Vernon 23; Graham 15 1/2 and Hirsch 11 1/2.

Four writers picked Mineral Wells to win, Iowa Park, Burkburnett and Weatherford each received a first-place ballot.

Voting of the sports writers jived with voting of coaches in the district. However, two other state-wide polls placed the Hawks ahead of the Rams.

## Two remain in records

Two athletes well-known to Iowa Park football fans remain in the record books of Texas Tech University.

In the 1979 Football Media Guide, published by Tech, former Hawk great Greg Frazier and current Hawk assistant coach David Baugh are in the records, both for pass interceptions.

Frazier's best season was 1976, his junior year, when he snagged five, returning them 42 yards. Baugh stole five aerials in 1966 and was credited with 69 yards in returns.

Baugh is fourth among Red Raiders for career

interceptions. Playing 1965-67, he was credited with nine interceptions, and Frazier with seven.

## Boosters slate

### Monday meeting

Hawk Booster Club members will meet at 7 p.m. Monday in the field house, according to Howard Khakerman, president.

Besides watching the film of the Lawton MacArthur scrimmage and hearing comments from coaches, members of the junior varsity team will be introduced.

# GARAGE SALE

## Here's a handy sign for your garage sale!

And here are some helpful hints for holding a successful sale:

1. When you're rounding up those usable but no-longer-used items for your sale, be sure to check all the storage areas in your home -- the basement, garage, attic, closets, seldom used cupboards.
2. Saleable items include outgrown bicycles, lawn and patio furniture, small appliances, dishes, kitchen utensils, toys, golf clubs, and other sports equipment, lawn mowers, decorator items, books, records, musical instruments -- your "extras" may be "extra-special" to someone else!
3. Visit a few garage sales before you hold your own. You'll get great ideas, and maybe pick up a treasure or two.
4. Once you've picked the date for your sale, call the Iowa Park Leader Classified Department at 592-4431 and place your Garage Sale ad. Your ad will reach 7,360 people in Wichita County and surrounding areas. Just 5 cents a word.
5. When you're clearing out your garage, you'll probably discover that some of the items in there will have to stay there -- even though you won't be selling them. Try to cover these "not-for-sales" or push them out of the way.
6. Use tables to display as many of the sale items as possible. Items on the floor of the garage, especially small items, may be overlooked by prospective buyers.
7. Make sure there is enough walking space through the garage, and that sale items are easy to reach.
8. Put a price tag on everything! Prospective buyers will appreciate it, and you'll find it makes things easier for you.
9. Before your sale begins, be sure you have change and some sort of cash box on hand. Set up a "check-out" table just outside the garage.
10. Be ready for rush at opening time -- garage sale shoppers like to come early, and with your ad in The Leader, you'll have plenty of shoppers!

(You may cut out and use the sign on this page. Just paste it on heavy cardboard and post it by your house.)

CALL THE IOWA PARK LEADER MONDAY THROUGH FRIDAY 8:30  
a.m. to 5 p.m.  
Deadline for Thursday's paper is 10 a.m. Wednesday.

# Obituaries

## Clinton Earl Farr

Funeral services for Clinton Earl Farr, 23, Fairview, Montana native, were held Saturday at Fulkerson Memorial Chapel in Sidney, Mont., with Jim Lanius of the Church of Christ officiating. Vocal selections were sung by a Church of Christ ensemble. Pallbearers were family and friends. Interment was in Mona Cemetery under direction of Fulkerson Funeral Home.

Farr was born at Sidney Oct. 1, 1955, son of Roy and Margaret Farr. He was raised in Fairview until the age of 14 when he moved with his parents to Iowa Park where he completed his schooling. He began working in the oil fields in Wyoming where he joined his older brother, and then to Hawaii and Texas. He was married to Lorri Mae Woods at Iowa Park on Sept. 4, 1976. In December 1978 he returned to Montana, living in Fairview and working the oil fields in the area.

Farr died Monday, Aug. 20, when a canoe capsized with him on the Yellowstone River near Sidney. Searchers found his body Thursday about 200 yards downstream.

He was a member of the Church of Christ. Surviving him are his wife, Lorri of Fairview; his parents, Roy and Margaret of Iowa Park; three brothers, LeRoy Farr of Milan, Italy, Larry Farr of Dukhan, Qatar, and Richard Farr of the family home in Iowa Park; two sisters, Shirley, Mrs. Mark Harbison of Denver, Colo. and Sheila Farr of the family home in Iowa Park.

## George Luther Smith

Funeral service for George Luther Smith, 78, was held Saturday in the Owens & Brumley Funeral Home at Bowie. The Rev. Tiff Covington, pastor of Pleasant Mound Freewill Baptist Church, officiated.

Masonic graveside rites were conducted by the Spanish Fort Masonic Lodge. Burial was in Elmwood Cemetery.

Smith was born Dec. 29, 1900 and had lived in Montague County since 1929. He was a retired oil company worker, a member of Spanish Fort Masonic Lodge and Burlington Masonic Lodge.

Survivors include his wife, Ida Mae; one son, G.L. Smith of Fort Worth; four daughters, Mrs. Helen Belcher of Marlow, Okla., Mrs. Cliffie Hill of Spanish Fort, Mrs. Billie Stark of Bowie and Mrs. Sue Nowell of Gainesville; three stepsons, Joe Vaughn of Costa Mesa, Calif., Jackie Vaughn of Carlsbad, N.M. and Gary Vaughn of Bowie; one stepdaughter, Mrs. Beverly Myers of Bowie; five brothers, Doc of Iowa Park, Ira and Roy of Wichita Falls, Woodrow of Huntsville, Ark. and Ledford of Odessa; three sisters, Mrs. Cliffie Holbrook of Electra, Mrs. Jody Shelly of Kermit and Mrs. Lorene Barbett of Midland; 27 grandchildren and 12 great-grandchildren.

## Mrs. Allie Linkletter

Services for Mrs. Allie Linkletter, 85, of Archer City, a former resident of Iowa Park, were August 13 in Tanner-Aulds Funeral Home.

The Rev. Rick Harris, pastor of the Central Christian Church in Wichita Falls, officiated. Burial was in Highland Cemetery.

Mrs. Linkletter was born March 15, 1894 in De Kalb County, Tenn. and was a member of the Archer City Church of Christ.

She is survived by one son, Billy Joe of Fort Worth; a daughter, Mrs. Grace Henderson of Archer City; a son-in-law, Dallas Ralston of Iowa Park; 13 grandchildren and 14 great-grandchildren.

## Mrs. Ella E. Baker

Services for Mrs. Ella E. Baker, 82, a five-year resident of Iowa Park, who died Monday in a Wichita Falls hospital, were Wednesday in Melton Funeral Home in Breckenridge.

Richard Russell, minister of the First Christian Church, officiated. Burial was in the Breckenridge Cemetery.

She was born Feb. 13, 1897, in Parker County and had lived in Jacksboro before moving to Iowa Park.

Survivors include two sisters, Mrs. Mary Severson of Weatherford and Mrs. Willie Grantham of Irving; and a brother, Tom Burns of Weatherford.

## Mrs. Phillip B. Little

Mrs. Phillip B. Little, 80, a 40-year resident of the Wichita Falls area, died Friday in a Wichita Falls hospital. She was born March 6, 1899 in Nacocoches.

Services were Monday morning at Owens and Brumley Funeral Home. The Rev. David Bonner, pastor of Floral Heights Baptist Church, officiated. Burial was in Crestview Memorial Park.

She is survived by three sons, Leon and Durward, both of Iowa Park and Elbert of Katy; three daughters, Lorene Little and Janice Little, both of Iowa Park, and Clydie Mae McReynolds of Amarillo; a half brother Hubert Maynard of Mexia; 12 grandchildren, and five great-grandchildren.

## Frank Lee Glasgow

Services for Frank Lee Glasgow, 60, a longtime resident of the Valley View community, were held August 15 in Tanner-Aulds Funeral Home. The Rev. R.B. Reed, pastor of the Bible Baptist Church at Electra, officiated. Burial was in the Electra Cemetery. He was born Sept. 27, 1918 in Italy, Texas.

Survivors include two brothers, Edgar of Iowa Park and Billy Joe of Wichita Falls; four sisters, Mrs. Clemmie Swanson of Iowa Park, Mrs. Marie Bearden and Mrs. Jewel Kauthen, both of Wichita Falls, and Mrs. Dorothy Bowery of Electra.

Pallbearers were James Gilmore, Charles Bearden, Clay Glasgow, W.H., Bobby and Johnny Fulfer.

## William Edward Orton

Services for William Edward Orton, 46, brother of Sue Weaver of Iowa Park, were Friday in Bellevue Methodist Church. The Rev. Ester Hammond, pastor and Phil Williams officiated.

Burial was in the Bellevue Cemetery under direction of Burgess Funeral Home. A lifelong resident of Bellevue, he was born May 24, 1933 and had served in the U.S. Army. He was a rancher.

Other survivors are his wife, Elizabeth; his father, Thomas Edward of Bellevue; four sons, Robert Allen of Lampasas, William John, Harry Downs and Edward Andrew, all of Bellevue; two other sisters, Jeane Shoemaker of Bellevue and Cindy Erwin of Borger; and a grandchild.

## Mrs. W.T. McQuerry

Services for Mrs. W.T. "Anna" McQuerry, 77, of Wichita Falls, mother of W.T. McQuerry Jr. of Iowa Park, were Saturday in Hampton-Vaughan Funeral Home.

The Rev. Steve Lee, pastor of City View Baptist Church, officiated. Burial was in Riverside Cemetery.

Born Jan. 1902 in Cameron, she had lived in Wichita Falls 60 years. She was a member of City View Baptist Church and World War II Ladies Auxiliary. She was retired from civil service.

Other survivors are a daughter, Beulah Bowman of Oklahoma City; three grandchildren and seven great-grandchildren.

## Michael Medlinger

Services for Michael Francis Medlinger, 79, mayor of Pleasant Valley, who died Saturday in a Wichita Falls hospital, were Monday afternoon at Tanner-Aulds Funeral Home.

Msgr. Charles King officiated. Burial was in Highland Cemetery.

He was born Feb. 11, 1900, in Henrietta and had been a resident of Pleasant Valley 50 years. He was a partner in Midway Fish Farms and a member of Sacred Heart Catholic Church in Wichita Falls.

Survivors include a daughter, Mrs. Stanley Taylor of Wichita Falls; two sons, Jim of Iowa Park and Tom of Pleasant Valley; five sisters, Mrs. J.W. Morton of Shreveport, La., Mrs. Leonard Yeglin of Houston, Mrs. Ben Hillerman of Oklahoma City, Mrs. Norman Crawford and Mrs. Celeste Malonee, both of Wichita Falls; a brother, Francis Medlinger of Hastings, Okla.; eight grandchildren and a great-grandchild.

## Underground homes topic of Wichita Falls seminar

"Underground Gardens and Homes" is the copyrighted name for the seminar to be held in Wichita Falls Saturday, Sept. 8. Specialists in the area of design, engineering, concrete, water proofing, insurance, solar and wind energy, and investments, will be featured in the one-day program that will be in the Hardin Auditorium on the Midwestern State University Campus.

Jay Swayze, president of Geobuilding Systems, Inc., will present slide programs on existing homes showing the advantages of underground buildings. Persons who attend the seminar will have the opportunity to present questions to each speaker. Swayze, builder of the first modern underground home in Plainview, in 1962, stated that the program will cover step by step the "do's" and "don'ts" of underground building.

A special feature of the seminar will be a talk by Gene and Nelda Williamson, owners of a Swayze designed underground home near Newcastle. The Williamsons have lived in their home about one and one-half years.

Portland Cement Association and W.R. Grace Company will have special

programs in their particular areas of expertise. PCA is the national association for cement contractors and leads the efforts for new developments in concrete and construction. W.R. Grace Company is the manufacturer of bituthene, a water proofing product that has been proven to be highly successful over the years.

"Underground Gardens and Homes" is also the title of a book to be published in the next few months by Geobuilding Systems, Inc. The seminar and the book will demonstrate the qualities of the earth that make possible the construction of homes that provide lasting beauty, more security, and better economics for upkeep and utilities. Persons interested in building underground should be able to get most, if not all, of their questions answered at the seminar.

Advanced registration for the seminar is now underway with interested persons being able to contact Geobuilding Systems, Inc., Box 1556, Hereford, Texas. The price is \$40 per person or \$60 for a man and wife to attend the one day program. Hours for the seminar will be from 8:30 a.m. to 5 p.m. with morning registration beginning at 7:30.

## Spray area pecan trees this weekend says agent

The first application in the control of the pecan weevil is scheduled for this weekend. A second application is made 10-14 days later. The spray program is designed to control the weevils before they can deposit eggs into the nuts, according to Don Decker, county agent.

The pecan weevil is a fall pest. Eggs are deposited inside the pecan, a grub hatches, and it consumes the kernel. The grub then makes an exit hole in the shell, which indicates weevil damage.

The exact time to spray for the weevil is just as the pecan changes from the water stage to the gel stage. The female weevil has the instinct to make her egg deposits in the gel or early dough stage. This stage can support the development of a weevil grub. Her instincts keep her from depositing eggs into water stage, which would prevent egg hatching.

The recommended control

## Dance Saturday at RAC center

The Labor Day weekend dance Saturday at the Recreational Activity Center will feature "The Voyagers".

The center is still collecting rummage for the sale Sept. 8, from 9 a.m. to 5 p.m. Betty Merriman, director, stated that people who had items to donate could bring them by the center, 304 E. Texas, Tuesday through Saturday during the afternoon, or call 592-4471 or 592-5835.

## Finnell reviews topics for committee studies

Rep. Charles Finnell recently previewed possible topics for study by committees of the Texas House of Representatives, and demonstrated that the work of this session of the Texas Legislature is far from over. Finnell explained that the suggested topics, referred to as "the interim charges," might well form the basis for next session's legislation, or

could even be presented during a special session. "We in the House Appropriations Committee have been charged first of all with overseeing the effective use of state funds recently allocated by the Texas Legislature," Finnell said. Among cost-saving measures to be studied by the Appropriations Committee

are increased use of telephone communications instead of travel, and a study of the feasibility of some state agencies using temporary help rather than permanent employees. As a member of the Transportation Committee, Rep. Finnell expects to continue in his role as Vice Chairman for Appropriative Matters, and review all appropriations-related actions of the Texas transportation agencies. The Transportation Committee will also be reviewing the administration of contract funds for highway construction, and the rail

road crossing situation in Texas. "The impact of rail traffic on our district, especially in the form of coal trains, can only increase," Finnell noted, "and we must likewise increase our commitment to safety, especially at hazardous crossings." Committee staffs are currently preparing for the first round of hearings coming this fall, and set to continue throughout the interim.

**General Information**

Generally anyone 18 years of age is eligible to enroll. High school seniors may enroll with the permission of the high school principal and the registrar. Other persons who did not finish high school, may enroll if over 18 and out of public school a full year or have successfully passed the GED tests. Texas residents may enroll for 2 courses for \$50.00 or 3 courses for \$61.00 plus textbooks.

**CONTINUING EDUCATION COURSES**

Beginning Typing I, Intermediate Typing I and Basic Bookkeeping I are scheduled as non-credit continuing education courses in cooperation with the Burkburnett Community Education Program. Interested persons may register in advance with Danny Taylor at the Burkburnett School Administration Building.

**Now that temperatures and electric bills are up, your air conditioner needs all the help it can get.**

Hot summer temperatures make your air conditioner work longer and harder. That's one reason why your electric bill is higher. But there are some things you can do to help. Change or clean your air conditioner's filter to let air flow freely. And trim grass and weeds from around the outside unit for good air circulation. Inside, close blinds and drapes to help keep out the heat. And try to

To feel cool at this temperature, use a small portable fan to circulate air in the room. For more ways to cut down high summer electric bills, get Texas Electric's free energy tips booklet. Just call Texas Electric or ask for the booklet on the comment portion of your bill.

**Scrimmage Friday here with Bowie**

The Holiday Eagles, coming off an impressive scrimmage Friday against Knox City, will set out to disprove the preseason polls against the Bowie Jack-rabbits tomorrow night. Bowie, rated by some polls to take the state AA title this year, promises to be quite a challenge to Don

Lucy's Big Red football team. But, judging by the team's enthusiasm this week in practice, the Eagles are not taking this match

lightly, although it does not count, record-wise. The scrimmage will begin at 6 p.m. with the freshmen and J.V. taking the field.

The varsity will then scrimmage at around 7:30. All of the scrimmage will be on the high school football field, weather permitting.

**HOLLIDAY NEWS**

NEW FACES among the Holliday school faculty this year are, from left: Tom Moody, band instructor; Walter Lemons, PE and history; Patty Wade, English and Spanish; Kathy Baker, PE and girls' athletics; Ann Doan, fifth and sixth grade math; Donna Case, kindergarten; Danny Holman, fifth and sixth grade English; and Mike Greer, history and high school coach.

**Band Club to meet**

The first Holliday Band Club meeting is set for Tuesday, beginning at 7:30 p.m. in the high school band hall. This year's president is Mrs. Sandy Goodwin. Members will meet with the new band director, Thomas Woody.

**Holliday School Menu**

Thursday, Aug. 30  
Breakfast: Cinnamon toast, syrup, milk.  
Lunch: Fish, tartar sauce, macaroni and cheese, black-eyed peas, corn bread, butter, milk, dessert.  
Friday, Aug. 31  
Breakfast: Smokies, toast, jelly, milk.  
Lunch: Chalupas, taco salad, lettuce, tomatoes, milk, dessert.  
Tuesday, Sept. 4  
Breakfast: Peanut butter, jelly, toast, fruit, milk.  
Lunch: Barbecue on bun, French fries, sweet relish, milk, dessert.  
Wednesday, Sept. 5  
Breakfast: Cereal, milk, juice.  
Lunch: Burrito with chili, Spanish rice, ranch style beans, dessert, milk, bread.  
Thursday, Sept. 6  
Breakfast: Cinnamon rolls, milk, fruit.  
Lunch: Corn dogs, mustard, corn, milk, dessert.

**Wreck, pot charge keeps officer busy**

A major wreck with minor injuries and possession charges against four Vernon men highlighted this week's police records. Ronnie Boren, from Iowa Park, was involved in a one-car accident Saturday night on 368 South, just north of the high school. Boren apparently lost control of his automobile, running off the road and hitting a tree. Gold Cross ambulance attendants treated Boren for minor injuries at the scene at which time he refused

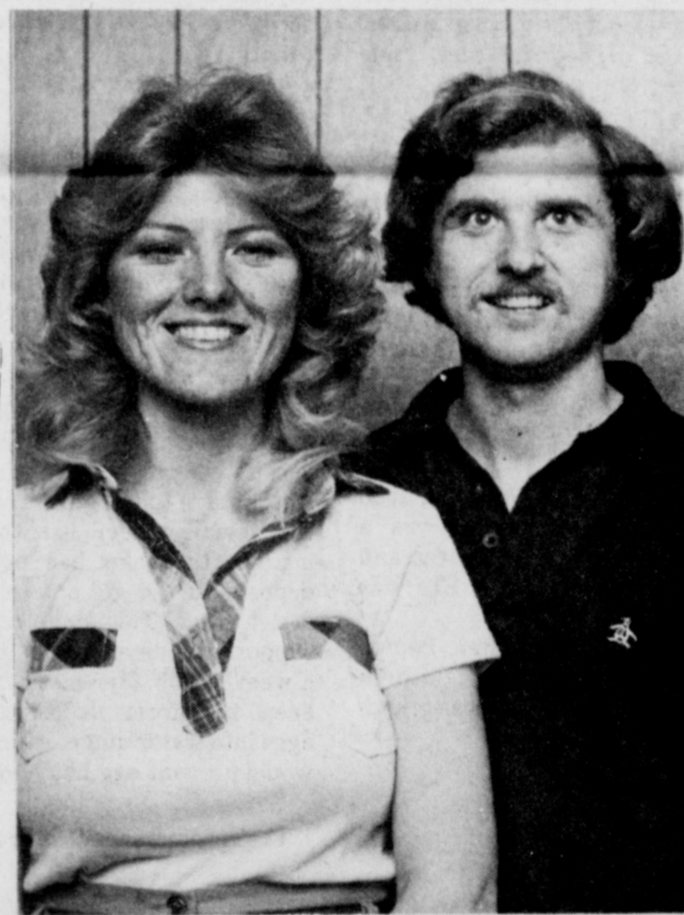

further treatment. The car was estimated a total loss. Four Vernon men were charged with possession of under two ounces of marijuana late Saturday afternoon, after the car they were in was observed being driven recklessly. The driver of the vehicle was also charged with DUID (driving under the influence of drugs). All four men were taken before the Archer County judge, where each was assessed \$202 in fines. The driver was fined an additional \$202 for DUID. In addition, all men were given 30-day jail sentences that were later probated for a year.

**No classes set Monday**

Students attending classes in the Holliday school system will get an early reprieve with the school closing for Labor Day, Monday. Figures indicate enrollment this year totals 716, an increase of 41 over early enrollment last year. There are 353 in elementary grades and 363 in junior and senior high.
