IOWA PARK HIGH SCHOOL HOMECOMING QUEEN NOMINEES Angie Guyton, left, Lisa Stone, K.K. Connor and Stephanie Frazier.

Big turnout expected for homecoming events

Former Iowa Park High School students from over the state and many other states are expected to return home this weekend for the annual homecoming festivities.

Events have been scheduled starting today, and continuing through Saturday evening.

A parade at 4:30 Friday afternoon will get the weekend started. Sponsored by the Student Council, this year's parade theme is "Almost Anything Goes. Floats, automobiles. bicycles, horses and marching groups are expected to participate.

Center.

Tonight, instead of the traditional bonfire, a town-wide pep rally will be held at Hawk Stadium. To begin at 7:30, the rally was opted in place of the bonfire because of hot weather primarily, according to Jeff Shaw, Student Council president.

Friday night, the homecoming football game will be between the Hawks and the Jacksboro Tigers. Homecoming queen will be announced during ceremonies prior to start of the game. At halftime, members of the 1969 state championship football team will be introduced. They are official guests of homecoming this year. A dance for students will follow the game. Saturday night, a banquet for former students at the high school cafeteria will climax the weekend's activities. To begin at 6:30 p.m., some 300

students whose graduation year ended with nine will be made. Also, during the business session, officers of the Ex-Students Association will be elected.

WHOOP-T-DO Something for everyone Saturday

It's Whoopt-Do time! There'll be something for everyone Saturday, whether they are observers or participants, regardless of age or interests.

Whoop-T-Do was begun a few years ago by the Chamber of Commerce for three reasons: first to have an annual town-wide event: secondly to give people attending Iowa Park High homecoming something to do Saturday, between Friday night's football game and the ex-student banquet Saturday night; and thirdly, to have a major fund-raising project for organizations in the town.

It has grown now to a full day, and extending into the evening. The largest turnout of booths ever has been registered this year. 29. Everything starts at 9 a.m., and the final event will end around midnight. Most of the activities will be located in the 100 block of East Cash.

However, other events will spill out to various parts of town. Two events will take place at the junior high that morning. Boy Scout Troop 38 will hold two running events, open to the public. The first. at 9 a.m., will be a mile run, with

competition in six age categories. There will also be six age groups in the 10,000 meter marathon, which is to begin at 9:30. Cash Street will be closed off from

the junior high to Bell Road, and Bell will be closed from that intersection to the Expressway, which will be the course for the marathon.

Because Cash will be closed at the junior high, those who plan to attend

the annual Punt, Pass and Kick competition at the junior high football field will have to enter the stadium on the north side. The contest, sponsored by Shaw Motor Company, is also to begin at 9 a.m.

First event at the midway, 100 block East Cash, will be Danny and the Kansas City Dolls. It will be announced from a stage located in front of the Chamber of Commerce office.

Other events scheduled during the day include:

9:30 - Bradford and Kidwell Fourth Grade Choir.

9:45 - Valley View Fifth Grade Choir. 10:00 - Danny and the KC Dolls 10:30 - Iowa Park Junior High Band 11:00 Lucille Doran School of Dance 11:30 - Iowa Park High School Band

- 12:00 Special Variety Show
- 1:00 Annual Turtle Trot
- 1:30 Iowa Park Junior High Choir 1:45 - Miss Whoop-T-Do Contest, ESA
- 2:00 Danny and the KC Dolls
- 2:30 Jack Stevens painting auction.
- 3:00 Iowa Park High School Choir
- 3:30 Danny and the KC Dolls
- 4:00 Iowa Park School of Dance
- 4:30 Danny and the KC Dolls
- 8:00 Street Dance

Youngsters are encouraged to have a turtle, of any species, at the Turtle Trot race track in front of the Chamber office at least 15 minutes before starting time. Prize for first place will be a \$25 Savings Bond, sponsored by Tanner-Aulds Funeral Home.

The Stevens painting, which has become a tradition with the

Whoop-T-Do, is by nationally-famous western artist Jack Stevens of Valley View. Proceeds from the auction will go to the Iowa Park Library Fund. The street dance is a new addition. Sponsored by the Iowa Park Recreational Activity Center, it will feature disco music, and will be held in the 100 block of West Cash.

Booths, with a brief explanation of each, will be as follows:

Noon Lions - Coca-Cola booth in middle of street.

Hawk Booster Club - selling burritos and apple dunking.

Hawk Booster Club - selling pictures taken over the past eight years by the Iowa Park Leader, in the old fire station.

TOPS Club - flea market.

American Legion Auxiliary - corn dogs and coffes.

Girl Scouts - Scouting information booth.

Evening Lions Club - carnival skills events.

Optimist Club - spin wheel. CWF of Christian Church - beef

stew, cobbler, tea. Bradford P-TA - pickles, lolly pop

tree, peppermint stick with lemon. 23 Study Club - arts and crafts show, featuring "Best of Show" judging by the public.

Opti-Mrs. Club - car smash. Rotary Club - rifle and pistol firing demonstration.

Future Farmers - nachos and sandwiches.

Future Farmers - selling hats. ESA Sorority - painting booth. ESA Sorority - Whoop-T-Do Queen contest.

Eastern Star - ice cream, cake slices.

4-H Club - pony ride. Vocational Nurses - hot dogs, chili

dogs, Dr. Pepper. Kidwell P-TA - string pull. AEO Sorority - caramel corn. MuleSkinners - chili, beans, iced

The parade will form at the junior high, travel west on Cash Street to Yosemite, do a U-turn on Park Street, continue north to Bank Street, and break up at Park West Shopping

Funds released to pay debts

More money owed area farmers and other creditors by jailed grain dealer Bobby Johnson is expected to be received sometime next month.

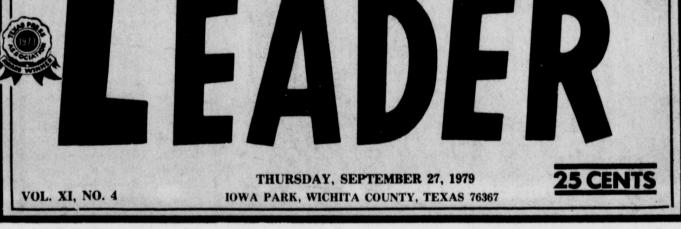

A check for \$225,000 was sent Tuesday to the Texas Department of Agriculture for disbursment. The money represents a bond which had been held for a period after a civil suit was filed concerning Johnson's debts.

Keith Nelson, 78th District Court judge, ordered the funds released and to be paid toward almost \$2-million in debts. About half of what creditors and farmers say is owed them has been awarded through federal bankruptcy hearings.

Johnson remains in Wichita County jail awaiting trial in November, unable to make half-million-dollar bail.

reservations had already been made at the Chamber of Commerce office by Wednesday afternoon by those planning to attend.

Special recognition of former

Methodist Youth Group - putt putt golf.

Band Boosters - dunking machine. Lioness Club - cakes, pies. Camp Fire Girls - cake walk. High School Choir - lemonade. American Legion - bingo.

Sponsored by the Philia Study Club, children and students through high school age will exhibit arts and crafts. Their display will be by the Koonce-McCullough building. Displays should be in place by 9 a.m., and picked up by 3:30 p.m.

Hawk-Tiger battle homecoming feature

It'll be the Iowa Park Hawks against the Jacksboro Tigers at Hawk Stadium tomorrow night, as the feature of the 1979 Iowa Park High School homecoming.

Starting time for the last non-conference game of the year will be 8 p.m.

Among the festive crowd will be members of the 1969 team that won for IPHS its first state football championship. As special guests, members of the team will receive free tickets, and be introduced during halftime activities.

When the Tigers were scheduled for the homecoming game, fans wondered what kind of score the Hawks would roll up on the visitors. After all, Iowa Park had beaten them in Jacksboro last year, 35-6, during a building year.

This was supposed to be an easy game for Iowa Park. The Hawks are being compared with the 1969 team. and are 3-0 on the season, after some

impressive pre-season scrimmages. But Coach Tommy Watkins is far from taking the game lightly. In fact, he says he's worried.

The Hawks are still a question. They blew Bowie out of the stadium with a 21-0 win in the season opener. But then came back to edge by Decatur 7-6, and last week showed power in scoring, 37 points, but allowed Bishop Lynch to run up 35 againt the defense.

Jacksboro dropped its opener 10-0 to Azle, a larger school. The Tigers then got on the winning road with a 32-6 decision over Springtown.

Very few eyebrows were lifted over the Springtown win, but they flew up last week when the Tigers put down Olney 20-14. Only the week before, Bowie had to kick a field goal in the final seconds to edge Olney 21-18.

Watkins wasn't at all pleased with his defensive platoon's allowing the Friars to roll up 35 points. After all, Hirschi had shot down Lynch 34-12 in the season opener.

"Jacksboro is as good as anybody I've seen at any time," Watkins said this week. He complimented Jacksboro's coach, Chuck Curtis, a long-time winner who returned to coaching ranks this year, saying he is getting good effort out of the Tigers.

In preparation for the game, Watkins and his staff returned to "working on fundamentals, blocking and tackling" this week. He said he worked the club out hard Monday and Tuesday.

Concerning Friday's game at Dallas, the Head Hawk said his good players played bad, and his marginal

*

players were really bad.

Exceptions were Troy Thompson and Troy Linthicum. Watkins said Thompson ran very well with the ball, while he was covering 125 yards and scoring twice.

Only one Hawk is questionable as to whether he will play tomorrow.

Watkins said senior split receiver Randall Schram injured his ankle Monday, and he wouldn't know until late this week whether he would be able to play.

Schram has caught four passes this season, three against Lynch, for 112 vards.

Tragic accident Friday takes life of young girl

A tragic collision in Wichita Falls Friday evening, involving two vehicles both from Iowa Park, took the life of a young Wichita Falls girl.

Ten children were riding in a van being driven by Mrs. Carolyn Sims of Iowa Park, when the vehicle stopped on the side of Old Iowa Park Road, and a pickup driven by Roy Palmer, also of Iowa Park, slammed into its rear end.

Critically injured was 10-year-old Dena Swenson, who later was pronounced dead at Wichita General Hospital.

The youths were to have a slumber party that evening. They had driven to Wichita Falls, and were on their way to Sand Beach when the accident took place.

Mrs. Sims explained that she was confused as to where the recreation facility was, and had stopped on the side of the road in the 2900 block, near City View school campus, before continuing.

The van spun into a deep ditch, and eight children were thrown from the vehicle.

Shelly Thomas, 10, of Iowa Park, was listed in fair condition early this week.

Sharon Pope, 10, of Wichita Falls, was treated and released.

Kim Nicholson, 10, of Iowa Park, was treated and released.

Mickey Sheller, 9, of Wichita Falls, escaped injury.

Shelia Langston, 10, of Iowa Park, was treated and released.

Rusty Sims, 15, was treated and released.

Kimberly Sims, 11, of Iowa Park, was treated and released.

Chastity Sims. 6. of Iowa Park, was treated and released.

Carol Muckey, 10, of Wichita Falls, escaped injury, as did Mrs. Sims.

Palmer, 67, was the sole occupant of the pickup, and Monday was listed in serious condition in the hospital.

At least two nurses from Iowa Park arrived on the scene soon after the accident and reportedly administered first aid until ambulances arrived to take the victims to the hospital, according to witnesses.

City services to cost more

Working with an exceptionally heavy agenda, the city council Monday night approved increased rates for water customers, garbage collection for non single-family residences and for Lone Star Gas Company.

Aldermen also reconsidered selling water to a site on West Highway, and approved re-zoning two blocks of land for multi-family structures.

A budget and tax rate was also tentatively approved, pending a hearing Oct. 5.

New water rates will be \$3.75 minimum for first 2,000 gallons; \$1.35 over 2,000 to 5,000; \$1.05 over 5,000 to 10,000; and 95 cents all over 10,000. Out of city rates will be \$15 minimum, with corresponding rates of \$3.15, \$2.50 and \$2.25.

New water tap rates are \$100 for three-quarter inch tap, in city, and \$200 outside: \$175 for inch tap. \$250 outside city.

Rates set for garbage pickup were almost doubled. Those receiving pickup six days a week were raised from \$20 to \$40 per month; \$15 per month individual container pickup twice weekly; and cost prorated for two or more businesses sharing same container.

Major change in the gas company's rates is the fact that different rates will be charged during summer and winter months.

New gas rate will be \$2.595 in the winter and \$2.345 in the summer, with a \$2 per month minimum billing for residences and \$4 for commercial customers. Summer rates are applicable between the meter reading dates in May and October, and winter rates the other months.

VOTE RECONSIDERED

Council members voted to reconsider action taken in the previous meeting, when they voted to sell water to a proposed customer at

902 West Highway.

On a vote of 3-1, with one abstaining, the council rejected selling water to the customer unless the owner petitions to annex the property into the city.

At issue was a policy adopted by the council to not sell water to a new customer outside the city, when the property adjoins the city limits, unless the land is annexed.

Voting to reconsider the action were Aldermen Lita Watson, Bud Adams and George Hammonds. Bill Gilmore voted against, and Johnny Lee abstained.

Acting on the recommendation of the Planning and Zoning Commission, the council approved re-zoning of Blocks 16 and 17 of the First Addition, which is in the north part of town between Pacific and Gordon Lake.

Developer Kenneth Beall proposes Continued on page 5

Openings told for classes

There are still openings in the rhythmic aerobics class on Thursdays at 10 a.m., and in the yoga classes Tuesdays at 10 a.m. or 7:30 p.m., according to Betty Merriman, director of Iowa park Recreational Activity Center.

October is membership month at the RAC. Mrs. Merriman says. All memberships become due. A drive is underway. Memberships are \$2 annually.

The RAC's regular Saturday night disco dance will move to the business district this week for a big homecoming and Whoop-T-Do street dance. Music will be by Iowa Park's own disc jockeys Steve Beavers and David Horsky.

Obituaries

Mrs. Lenora Clingman

Mrs. Lenora A. Clingman, 90, died Sunday in a Wichita Falls nursing home. Funeral services were Tuesday morning in Tanner-Aulds Funeral Home. The Rev.

Mike Jackson, pastor of First United Methodist Church, officiated, and burial was in Highland Cemetery.

Mrs. Clingman, who had resided in Iowa Park for 60 years, was born Aug. 22, 1889 in Jacksboro. She was a member of First United Methodist Church.

She is survived by two sons, O.R. of Pueblo, Colo. and Joe of Burkburnett; three daughters, Mrs. Roy Sawyer of Iowa Park, Mrs. Norman C. Roberts and Mrs. Cora Lee Harmon of Burkburnett; a brother, the Rev. W.F. Smith of Waco; 14 grandchildren; and 22 great-grandchildren. Pallbearers were Miles Thompson, W.A. George, Wayne House, Sam Hunter, O.N. Newman and Rollins Woodall.

Robert Forbess

Services for Robert Forbess, 24, of Holliday, who died Sunday in a Wichita Falls hospital, were Tuesday in the University Park Church of the Nazarene. The Rev. William A Ulmet, pastor, officiated, and burial was in Crestview

Memorial Park under direction of Hampton -Vaughan Funeral Home.

Forbess was born Aug. 21, 1955, in Ardmore, Okla. He was a butcher, a member of the University Park Church of the Nazarene and Joseph A. Kemp Masonic Lodge.

Survivors include his wife, Kathy; a daughter, Carolyn; two sons, Joey and Kim Alan, all of the home; his mother, Mrs. Ralph Glandon of Dean; two sisters, Mrs. Mike Hanes of Wichita Falls and Mrs. Tommy Poisot of Dean; a brother, James of San Angelo; two stepbrothers, Mike Glandon of Owass, Okla. and Mark Glandon of Oklahoma City.

Mrs. Annie Nolen

Services for Mrs. Annie L. Nolen, 70. were Saturday afternoon in the Church of Christ with Bill Jones and Michael Danchak, ministers, officiating.

Burial was in Crestview Memorial Park in Wichita Falls under direction of Tanner-Aulds Funeral Home.

Mrs. Nolen, who had lived in Iowa Park 35 years, was born Sept. 9, 1909, in Tracy City, Tenn. She was past president of the Park Area Home Demonstration Club and was active in PTA for several years. Survivors include a son, Robert of Iowa Park; a daughter, Mrs. Betty Hallford Wolfe of Iowa Park; two sisters, Nellie Thornberry and Mrs. W.L. Yates, both of Nashville, Tenn.; six grandchildren and a great-grandchild.

Dena Renee Swenson

Services for Dena Renee Swenson, 10, of 3025 Poole, Wichita Falls, who died Saturday after an automobile accident Friday night, were Monday at Owens and Brumley Funeral Home.

Dr. Artie Alexander, pastor of Fairway Baptist Church in Wichita Falls, and the Rev. Howell Farnsworth, pastor of First Baptist Church in Iowa Park, officiated. Burial was in Crestview Memorial Park. She was born June 19, 1969, in Dallas. She was a fifth-grade student at Cunningham Elementary School.

Survivors include her father, Charlie Swenson of Lewisville; her mother, Judy Stephens of Wichita Falls; her stepmother Mrs. Ann Swenson of Lewisville; her stepfather, Jack Stephens of Wichita Falls; a stepsister, Brandi Stephens of Wichita Falls; a stepbrother, Wayne Pugh of Lewisville; a grandmother, Mary L. Swenson of Wichita Falls; a great-grandmother, Mrs. Vida Bridges of Arlington; a step-grandmother, Corine Stringfield of Ferris; and her step-grandfathers, Thomas Alvey and Al Skelton, both of Wichita Falls.

Mrs. Alzie Oma Conway

Mrs. Alzie Oma Conway, 83, a former 40-year resident of Iowa Park, died Saturday in a nursing home at Gunter where she had resided for the past nine vears.

Services were Monday at Tanner-Aulds Funeral Home with Mike Danchak and Bill Jones, Church of Christ ministers, officiating. Burial was in Highland Cemetery.

She was born Jan. 17, 1896 and was a member of the Church of Christ.

Survivors include a son, James E. of Durant, Okla.; two daughters, Mrs. Florence Hunter of Ennis and Mrs. Ruth Smotherson of Tyler; three sisters, Mrs. Ola Ledbetter of Grand Saline, Mrs. Lela Featherston of Duncanville and Mrs. Florence Scott of Alba; 15 grandchildren, 20 great-grandchildren; and three greatgreat-grandchildren.

Pallbearers were Dean Simmons, Charles Simmons, G.O. Wester, Jack Vestal, W.B. Shook and Raymond Good.

28 attend buffet mea

Seven guests and 21 members of the Christian Workers class of First United Methodist Church attended the monthly buffet supper Thursday evening.

Guests from Sheppard Air Force Base were Capt. Jung-An Chen and Capt. Fu Shing Lee from China, Civ. Lt. Treesye Koning Yamin from Indonesia, Capt. Vorapan Thongsook from Thialand, Iline Swadley from the Foreign Training Office and Jake Long, the bus driver. Mrs. Gladys Thompson was another guest.

Hosting the dinner were Mrs. T.C. Scott, Mrs. Bertha McDonald, Mr. and Mrs. Otis Gay, Mr. and Mrs. Herman Mahler and Mrs. Carl Sullivan. The tables were decorated with vases of silk roses and green place mats.

A famous song begins with the statement, "Anything you can do I can do better." Conceit or "pride" is one sin that most of us feel we do not have to be concerned about. Yet pride, like all sins, has a subtle side. God, through his Word, is very explicit. "The pride of your heart has deceived you, you who live in the clefts of the rock, whose dwelling is high, who say in

Obadiah 3. Belshazzar was a proud man, but "When his heart was lifted up and his spirit was hardened so that he dealt proudly, he was deposed from his kingly throne...his mind was made like that of a beast" Daniel 5:20. In the New Testament "On an appointed day, Herod put on his royal robes, took his seat ... the people shouted, the voice of a god...and angels smote him because he did not give God the glory and he was eaten by worms and died" Acts. 12:21. Pride leads to destruction, defeat, humiliation and ultimately death. We as a nation of people have been proud for years. Some of the difficulties we are experiencing now may be the result of our inability to deal with the crisis that we are facing secondary to

our pride in past glories. We can have our pride broken down by undergoing

death of Mrs. Adlyne Etheridge, 86, a former resident of Iowa Park. She died Monday in San Diego, Calif.

Mrs. Etheridge moved from Iowa Park in 1971 after a long residence. She was a member of the Church of Christ here.

She is survived by a daughter, Mrs. George Brooks of San Diego and two granddaughters.

a change in which we are able to give up our love of self and acquire a love of God through Christ. The change may be sudden or gradual, "Unless a grain of wheat falls into the earth and dies, it remains alone: but if it dies, it bears much fruit. He who loves his life loses it" John 12:24,25. "If we have been united with Him in a death like his, we your heart, "Who will bring me down to the ground."

shall certainly be united with Him in a resurrection like His" Romans 6:5. No one could have been "broken" more than Christ on the cross. By our union with Christ in his death, our spirit is broken. The cross and baptism are the means to breaking down pride. Baptism, by its very nature, is an act of humility. It is much more difficult than "Accepting Christ into our hearts" because Christ not only becomes a friend through baptism, but a master.

Loving self less and God through Christ more is a continual process that each of us as Christians must work on daily. Understanding the pervasive nature of pride is one step toward conquering pride.

IOWA PARK LEADER, IOWA PARK, TEXAS, SEPTEMBER 27, 1979, PAGE 5

Tax appraisal board topic tonight

Representatives from each of the 10 taxing districts in Wichita County will meet at the high school cafeteria at 6 this evening to vote on a plan for establishing a county-wide tax appraisal district.

A similar meeting was held last week in Burkburnett.

The state legislature passed a bill in the last session which requires a single taxing office be set up in each county, or series of counties, to achieve more uniform tax assessments.

Under the new law, a five-member district board must be elected, unless the entities within the district decide by a three-quarter margin to increase the number.

Both the Iowa Park city council and school board have indicated they wanted more representation than would be achieved with a five-member board, and have settled on a board which would be comprised of eight members.

Under the plan, which was discussed last week, one board member would be named to represent both the Iowa Park city and school.

City

Continued from page 1

to construct duplexes, triplexes and possibly quadplexes in the area, all of which he proposes to sell rather than rent.

Beall was present, and said platting of the land had not yet been completed. He did not say when construction would begin.

Aldermen also approved the low bid of \$3,000 for 10 pocket pagers for the fire department, submitted by P.J. Redman. They rejected a lone bid for warning sirens, because only one bid was submitted, and will readvertise.

A tentative budget of \$1,378,430 was approved. If a rate of \$1.75 is adopted at the Oct. 8 meeting, revenue is expected to be \$1,286,986.

Expenditures of federal revenue sharing funds for the coming year were also approved.

Aldermen will spend \$110,000 on street paving and seal coating, \$15,000 for expansion of the police department building, and \$20,000 on a vehicle storage building, leaving an anticipated \$12,671 carryover in the

me. ible and

of

The same would be for Burkburnett city and school and Electra city and school.

Wichita County would be joined by the City View school in naming a representative, while the city of Wichita Falls and Wichita Falls school would each have two representatives, making the eight-member board. The district-wide board would have

the responsibility of choosing a

property appraisal system which would be under direction of a chief appraiser, who would be hired by the board.

The new district would not handle any money, other than disbursing funds assessed each present taxing entity for the operation of the new district. Present districts would continue to collect their own taxes, and set their own rates annually.

Men charged with assault

Two Iowa Park men were freed on \$10,000 bail each Tuesday from Wichita County jail after being charged with aggravated assault on a police officer.

Elbert "Tiny" Owen and his son Johnny were arrested Saturday evening and placed in jail after an incident at the intersection of Colorado and West Highway.

The younger Owens, 19, was stopped by police while driving through town at a reported high rate of speed. An argument ensued, according to officers, during which the young man allegedly kicked and bit two officers.

The father arrived a few minutes later and he reportedly attempted to interfere. At that time four members of the police force were on the scene. One other officer was allegedly slightly injured.

Schools schedule open house dates

Public Schools Week will be observed in two phases in Iowa Park this year, according to Faris Nowell, school superintendent.

Open house will be held at the elementary campuses next week, and at the junior and senior high schools in March.

The Valley View campus will hold open house from 7:30 to 9:30 p.m. Monday. The same hours will be observed when Bradford open house is held Tuesday, and at Kidwell Thursday.

Teachers will be in their rooms to answer questions from parents, and projects of students will be on display. Each school is expected to have a program for the visitors.

Both men were placed under arrest, taken before Justice of the Peace Virgil Hill, and after bond was set, taken to jail in Wichita Falls.

Date for trial will be set after the two are indicted, according to a spokesman for the District Attorney's office.

Parkerson, not Key

The Iowa Park Chamber of Commerce has a new president, but he's not the one reported in last week's issue of The Leader.

Succeeding Bill Bates as president is Danny Parkerson, who has been serving as first vice president. Tommy Key, reported as the new president, actually moved to elect Parkerson at the monthly meeting of the board of directors.

We regret the mistake.

Letter to the

Dear Mr. Hamilton

Thank you so much for the nice obituary for my brother, Andy W. Taylor, that was in the Leader Sept.

Editor

13. It was worded perfectly. We enjoyed reading the Leader and think it is a well organized paper. I grew up in Iowa Park and I will always love the town and the people.

> Sincerely, Mrs. John (Taylor) Rathke 312 Fairview Sherman, Tex.

As I See It

Believe it or not, there are some folks down at Graham who think their band and pep squad should sit on the "home" side! That's not only amazing, but it's years late in coming.

The lead story in last Thursday's issue of The Graham Leader was about the school board deciding to give the proposal a two-week trial. They're going to let the band and pep squad sit in the west stands (with all the grownups) for Friday's game with Castleberry and Oct. 5, homecoming against Weatherford.

down that way, it seems a good number of schools south of here, like Graham, Brownwood and Breckenridge, adopted the policy years ago for the school band and pep squad to sit on the same side as do the band. pep squad and visiting fans from the opposing school.

The only reason I can figure is that the hometown fans can hear their band better that way, or it gets the kids out of the grownups' hair for an evening, or it's a surefire way to irritate the visitors.

We've had some real serious problems going to games where they sit like that. Some of our people have been painfully injured because the host students use our seating area as targets for their missiles.

I've always felt our fans have gotten the worst of it, having to be squeezed in between two student groups, because of the fighting, noise, lineups at the concession stands and rest rooms, verbal abuse and intimidating stares from openly hostile supporters of the home team.

The schools have apparently continued the policy, feeling their visitors should be subjected to the same hostile environment as they received the year before when they were the visitors.

They collected 279 signatures from fans in the parking lot, asking the school board to allow the band and pep squad to sit on the home side, and presented the list to the school board. One trustee who had voted against the proposal earlier commented at the meeting "Since the last meeting I've been told by my own kids and

others that I was totally wrong. And

after going to the last two ballgames, if it will help them win, I'll give them my seat."

I'd like to see the University Interscholastic League pass a rule which requires total separation of bands, pep squad and fans by the football field.

There was one game where the host band was positioned almost directly behind the Iowa Park team bench, and it was almost impossible for the coach to talk with the players because the band played almost continuously. It appeared to be done on purpose.

If those folks want some visitors' opinions voiced at the next meeting of the Graham school board, we could get a group of volunteers from here who can show scars to back their comments.

I hope we can get a good turnout of men Friday night who were on the

great 1969 state championship football team. How fitting that they should get together for homecoming, 10 years after their year of glory.

Last Friday was sort of a mini homecoming for Hawk fans and former players. Attending the Dallas Bishop Lynch game were four members of the '69 team: Gary Frazier, Steve Berry, Steve Watson and Newt Newman. A couple of other former Hawks, John Sullivan and Bud Horine were in the stands, as was former manager Gary Sharp and "super fan" Gene Sharp.

I know notice was short for these guys to make plans to attend, and that all of them can't make it. But I certainly look forward to seeing those who can come.

I think it would be well to speak now, and invite the 1970 Class AA Co-Champion Hawks to homecoming next season. Date hasn't been set yet, but I'll let you know as soon as it is.

For those of you who haven't been

NOTICE OF TAX INCREASE

Reg. \$459

\$**399**00

The City of Iowa Park proposes to increase your property taxes by eight and seven-tenths (8.7) percent.

A public meeting to vote on the proposed increase will be held Monday, October 8, 1979 at 7:00 p.m. in Council Chambers in Iowa Park City Hall, 103 N. Wall, Iowa Park, Texas.

The City of Iowa Park City Commission has considered the proposal and voted in a meeting of the City Commission as follows:

FOR the proposal to Increase Taxes: Johnny Crawford, Mayor Lita Watson, Commissioner Lita Watson, Alderman Johnny Lee, Alderman Bud Adams, Alderman George Hammonds, Alderman **Billy Gilmore, Alderman** AGAINST the proposal to Increase Taxes: None

PUBLIC NOTICE

The Iowa Park City Council has published the accompanying Notice of Tax Increase to Comply with Article 7244c, Civil Statutes of the State of Texas

IT DOES NOT, HOWEVER, REPRESENT A TAX INCREASE, BUT RATHER AN **INCREASE IN THE TAX RATE PRODUCED** IN THE STATE REQUIRED FORMULA **PROVIDED FOR IN ARTICLE 7244c.**

The Truth in Taxation Tax laws of 1977 require that tax offices annually publish a calculated rate to reflect the tax rate required to collect the same revenue within three percent (3%) that was collected the prior year.

The increase noted in the accompanying notice does not represent an increase in the actual tax rate set by your City Council but reflects only the increase in Valuation set by the Board of Equalization.

The Tax Rate set by the City of Iowa Park in 1978 was \$1.75 and it is anticipated that the 1979 tax rate will remain at \$1.75.

The rate of increase in the accompanying notice is an average only; individual changes may be more or less depending on the property involved.

IOWA PARK LEADER, IOWA PARK, TEXAS, SEPTEMBER 27, 1979, PAGE 7

Lee-Moorhead nuptials exchanged here Friday Miss Sandy Bea Lee, seven-branched candelabra

daughter of Mrs. Sally Lee and Sam Lee of Iowa Park, and John Kenneth Moorhead, son of Mr. and Mrs. J.B. Moorhead of Wichita Falls, exchanged wedding vows Friday evening at the First United Methodist Church, with the Rev. Michael Jackson officiating. Escorted to the altar by her father who presented her in marriage for both parents, the bride wore a lovely formal white organza gown over taffeta designed with a pearl-sprinkled Chantilly lace empire bodice and sheer lace sleeves trimmed in lace appliques. The dainty picture was enhanced with a soft bow falling in streamers at the back waistline and a full skirt set apart with a hemline flounce headed with lace appliques that flowed into a chapel train.

1

A Juliet cap of lace and pearls held the bride's illusion fingertip and blusher veils adorned with the lace ornamentation. To complement her gown she carried a bouquet of all-white silk flowers consisting of pixie carnations and baby's breath, satin cascading ribbons and a removal corsage that was lifted for her to wear with her going away costume.

In observing bridal traditions, she carried a friend's heirloom lace hankerchief for "something old"; wore diamond ear rings loaned to her by her sister, Miss Candye Lee, for "something borrowed"; chose the traditional garter for "something blue" and slipped the lucky sixpence in her shoe.

Featured in altar decorations were pyramid candelabra arranged with separate

streamers. They wore peach entwined with boxwood daisies in their hair. holding cathedral candles. Miss Peni Lee, another The glow from the lighted sister of the bride, was tapers spotlighted the altar flower girl. She was attired table holding a large open in a peach sheer frock with Bible backgrounded with a empire waist, three ruffles gold cross and flanked by forming the short sleeves white candles burning in and three full ruffles gold candlesticks. Two large forming the skirt. Two arrangements of white self-fabric bows accented the gladioli, roses, peonies and gown, one at the side front mums lifted by tall white centered with a matching stands marked the altar area flower and the other floating in streamers at the back extremities to complete the decorative setting. The waistline. She carried flow-

Eagles return to winning ways

The Holliday Eagles, combining an effective rushing game with the return of their patented swarming defense, upended the Henrietta Bearcats 32-0 last Friday night in Henrietta.

With the return of Jim Ezzell, the Eagle's utility runner, defender, and spiritual leader, Holliday completely dominated the Bearcats, rushing for 413 yards while holding their opponents to only 64.

On the Eagle's initial

of James Porter, Looney, drive of the evening, it Ezzell, and Carl Martin looked as if bad luck would behind some spectacular again hound the Big Red blocking by the always when running back Ray consistent Big Red offensive Looney fumbled the ball line. The only pass reception over to the Bearcats at the of the game for Holliday, an host's own 30. But, after the 11 yard reception to Lindy Eagle defense gave Henri-Dalberry helped loosen up etta's offense a taste of what Henrietta's defense and kept was to be, their finest the drive alive while still in defensive effort to date this Eagle territory. year, Holliday was not to be With a first and goal at denied as they marched

assessed the Eagles, and they now faced first and goal from the 13. Looney ran 11 yards through a host of Bearcat defenders on the next play, setting up a two-yard scoring plunge by Porter. The PAT by Jody Collier was true, and the Eagles led 7-0 with six minutes gone in the first stanza.

Holliday scored twice in the second quarter, taking advantage of two Bearcat fumbles that put the Eagles in good field position.

The first scoring drive of

the second quarter began at the Eagle 47 after a fumble recovery by Joe Chase, whose defensive play coupled with some outstanding running made the big sophomore a sore spot in Henrietta's game plan.

The 53-yard drive took only six plays, with Ezzell bulling his way for 23 yards to the Bearcat 41, and a 26-yard romp by Porter to the two where Looney took

it over for the score. The PAT by Collier was blocked, and the Eagles felt firm ground leading 13-0 with 8:57 left in the first half. The third score of the

evening was also a result of another Henrietta fumble, this one recovered by Greg Dillard at the 41 and in Bearcat territory. Runs by Looney, Martin, Porter, and Ezzell put the pigskin at the three yard line, setting up Porter's second touchdown of the evening on a three yard scamper around the left side. The PAT was wide to the left, and Holliday left the field for intermission sitting on a comfortable lead. 19-0. The Eagles started where

they left off in the second half when Kent Lemons recovered a Henrietta fumble at the Big Red's own 32, pouncing on the ball after a lateral pass attempt by the Bearcat quarterback missed it's mark.

Bearcat territory. At one time the drive seemed to have bogged

back Gregg Graves handed the ball off to sophomore Eddie Flowers, who snaked his way for seven yards to keep the drive alive. Two plays later, Porter ran his touchdown total for the night to three on a four yard run. The PAT was again no good, but nevertheless the Eagles led, 25-0 with three minutes left in the third quarter.

The final touchdown of the evening came on a 48-yard drive by the Eagles in the early going of the fourth quarter, this time taking only five plays as Chase scampered his way for 28 yards and paydirt. The PAT, with 10:57 remaining, was good and Holliday iced the game at 32-0.

Offensively for the Eagles, the rushing game was the best it has looked all year, with six Eagle runners recording good yardage. Porter led all rushers with 128 yards in 23 carries. Looney rushed for 102 yards in 20 carries; Ezzell 13 rushes for 77 yards; Martin 12 carries for 68 yards; Chase five rushes for 30 yards; and Flowers one rush for seven yards.

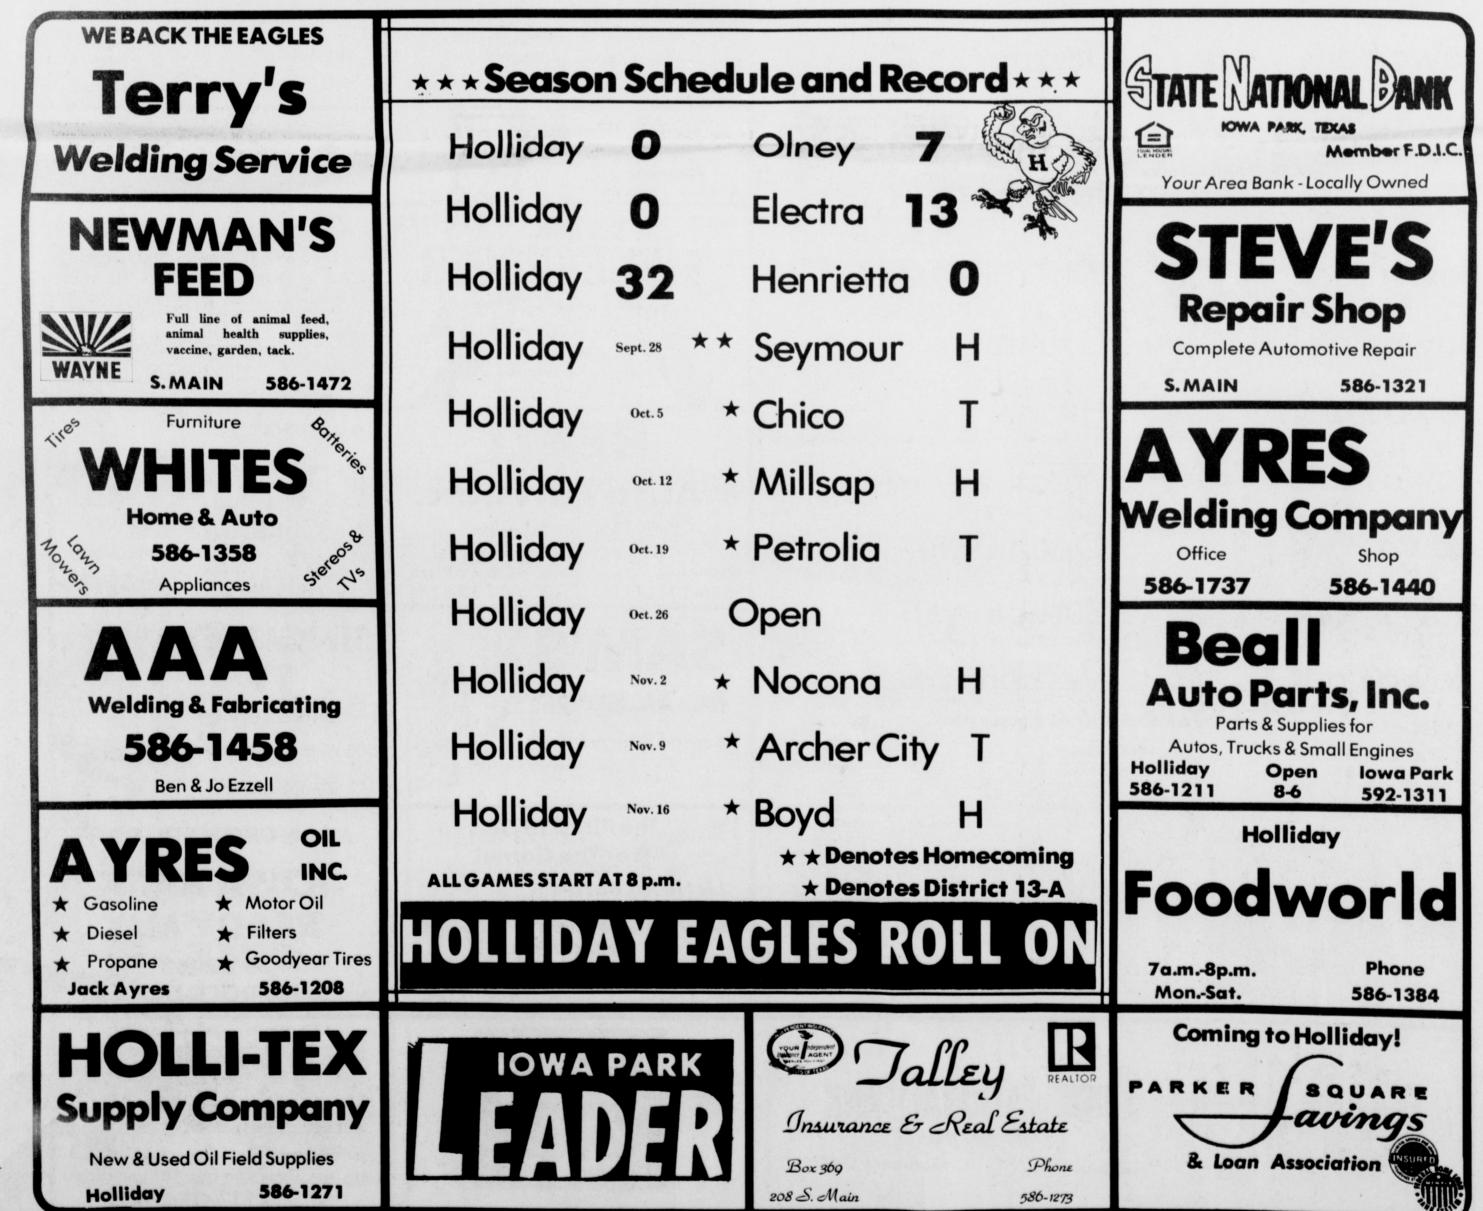

Eagle quarterbacks attempted five passes, completing one for 11 yards. Cameron Honea, the Eagle's punter almost got the night off, punting only once for 22 yards.

BIG WEEKEND Eagles host Seymour for homecoming tilt

festivities for Holliday High School will begin Friday night at 8 p.m., when the Holliday Eagles host the Seymour Panthers in a non-conference tilt.

The Eagles, fresh off a 32-0 drubbing of Henrietta last week, will face their last AA opponent this year before district play begins. Seymour is 2-1 thus far this season, beating Munday and Crowell handily while losing to state-ranked Haskell last week, 31-15. The Panthers have 16 starters back from last year's 2-8 season, including what Eagle head coach Don Lucy terms as "the fastest, most dangerous back we have faced this year" in number 44, Willie Beamon. Beamon has the ability to make the big play (he scored both touchdowns for Seymour against Haskell on nine and 70-yard runs) and can run up the middle as well as he can around the end, says Lucy. Another standout for the Panthers is Glenn Peters (6-1, 200) who handles the linebacking, punting, and

Holliday School Menu

Friday, Sept. 28 Breakfast: Pancakes, butter, milk, juice. Lunch: Fish, macaroni & cheese, cole slaw, tarter sauce, milk, dessert. Monday, Oct. 1 Breakfast: Doughnuts, juice, milk.

Lunch: Chicken fried steak, whipped potatoes, green beans, dessert, milk, rolls. Tuesday, Oct. 2 Breakfast: Oats, milk, toast, fruit, butter. Lunch: Barbeque on bun,

French fries, spinach, milk,

The 1979 homecoming running duties quite handily.

> Holliday will be without the services of senior standout Shayne Owen, who underwent surgery Tuesday for a knee injury sustained during last week's game. Owen is expected to miss at least six weeks of play. Replacing Owen at his defensive halfback position will be either Larry Boydston or Greg Graves. Vying for the starting wingback position also vacated by Owen will be Boydston, Eddie Flowers, or Kyle Stone.

ACTIVITIES

Preceding the football game will be the crowning of the 1979 football queen. Nominees and their escorts are: Lonnita Moore, daughter of Mr. and Mrs. Lonnie Moore, escorted by Jody Collier; Kristi Lucy, daughter of Mr. and Mrs. Don Lucy, escorted by Jerry Jones; Suzan Dillard, daughter of Mr. and Mrs. Gary Dillard, escorted by Joe Chase; and Teresa Ashley, daughter of Mr. and Mrs. Loyd Ashley, escorted by Gil (Ted) Gilbert.

During the halftime intermission, the 1979 band queen will be crowned. Nominees and their escorts are: Ellen Parker, daughter of Mr. and Mrs. Mike Parker, escorted by Doug Peters; Gayal Davis, daughter of Mr. and Mrs. Jerald Davis, escorted by Bill Holton; and paula Sanders, daughter of Mr. and Mrs. C.W. Sanders, escorted by Larry Henry.

Insects hit trees, bushes

ing havoc on many trees in the area, especially in the vicinity of Iowa Park.

Mrs. Rex Lehman is experiencing heavy twig losses on her locust trees located in her yard northeast of Iowa Park. Mrs. R.L. Duffey is experiencing similar damage on her mimosa and pecan trees in her yard in Iowa Park. Their damage causes the tree to look "ragged", but in reality very little damage results from their cutting twigs off of the tree, according to Don Decker, county agent.

Neighborhood children often get the blame for cutting twigs off of the tree. But the real culprit is a gray said. beetle about one inch long with antennas twice as long as the body. Their gnawing on the twigs leaves an extremely clean cut. It appears smooth enough to have been made with a knife of a lathe.

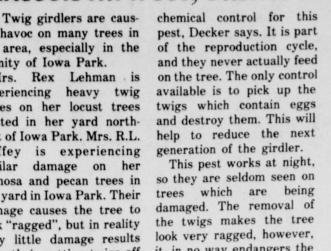

Unfortunately, there is no

Camp Fire leaders

to have workshops

Blue Bird and Camp Fire leaders, assistants and sponsors will be welcomed to a three day leadership training by Sam Beard, president of the North Central Texas Area Council of Camp Fire Girls.

Fall training will be held Tuesday and Wednesday at Fain Memorial Presbyterian Church in Wichita Falls from nable, council delegate. 9 to 11:30 a.m. Outdoor day training will be held on Oct. 4 from 9 a.m. to 1 p.m. at Harrell Park, the councilowned 16-acre-park located in Wichita Falls.

AMBURGERS **805 West Highway** FOR TAKE OUT ORDERS

Four students earn National Merit honors

The National Merit Scholarship Corporation has announced two Iowa Park High School seniors are semifinalists in the 25th annual scholarship competition, and two others have been designated commended scholars.

Jeff Shaw and Michelle Baker are the semifinalists and Tony Bartow and Norman Guinn commended scholars.

Of more than a million students entering the initial competition, approximately 15,000 from throughout the United States will be considered for "finalist" standing. Of the finalist group, approximately half will be recipients of scholarships.

Commended scholars are those who score very well on the National Merit examination, but were slightly below the score required for semifinalist consideration. Each will receive a certificate from the corporation.

Shaw is a two-year member of National Honor Society. He is president of the Student Council. Shaw was junior class favorite, a University Interscholastic League winner at both regional and state contests, a member of Thespians, Who's Who in Speech, junior representative to Student Council, and a varsity tennis player.

The son of Mr. and Mrs. Luther Shaw, he was a delegate to Boy's State in Austin last summer.

Miss Baker, daughter of Mr. and Mrs. Kendall Baker, is a two-year member of National Honor Society, a member of the Hawk Band, Thespians and Future Teachers of America.

Bartow, son of W.A. and Betty Bartow, is a two-year member of National Honor Society, a UIL winner, band member and band representative.

The son of Mr. and Mrs. Glenn Guinn, Norman also is a two-year member of National Honor Society, UIL winner, Who's Who in chemistry, a spring sports award winner, Hawk Band member, and band representative.

This marks the first time that Iowa Park High School has had two semifinalists named the same year, as well as having two commended scholars.

Taylor heads Building Trades

The Iowa Park High School Building Trades announced this year's officers at a meeting held recently.

Elected were: Ron Taylor, president; Tracy Brookshire, vice president; Ricky Mooring, secretary; Barry Phillips, treasurer; Jeff Dietrichson, reporter; Kelvin Hamilton, parliamentarian; and Jim Thomason, sergeant at arms.

The Building Trades will begin building this year's home on the 700 block of Clara.

Started some years before, Building Trades has built a new home each year as a class project.

Producers hold interest

Information provided by producers tended to create the greatest interest at the recent Soil Fertility

Seminar. Fred Dwyer talked about seedbed preparation, Rex Wells covered wheat seeding rates, and Tom White touched on liquid fertilizer. Dr. Carl Gray, Extension Soil Chemist, explained the use of fertilizers for maximum profits.

Seedbed preparation was

Joan Shierry Sales Associate

the tight soil he suggested using "duck feet" on a chissel plow directly behind the combine. The second plowing is the deep one, and it is the plowing which makes the greatest contribution to land preparation. If straw is a problem, a tandem disc might be required on the third plowing. Dwyer does not like to use a disc, but it is needed sometimes to get rid of the trash. He prefers to use duck feet the third plowing to cover the straw in a normal year.

divided into tight land and

sandy land by Dwyer. On

One hundred pounds of anhydrous ammonia is applied on the fourth plowing using 18 inch sweeps running about $3^{1/2} - 4$ inches deep. This gets the fertilizer at about the right depth.

His fifth plowing is running sweeps ahead of the grain drill. Dwyer's land preparation calls for monthly plowing starting immediately after harvest.

On the sand, 16 inch sweeps are used instead of duck feet on the first plowing. He said, "I don't ever care about plowing deep on the sand. Developing a little hard pan might be beneficial." Sweeps are used to keep the land free of weeds with 5 plowings.

Varying wheat seed rates

are used by Rex Wells according to earliness. He uses 60-65 pounds of seed per acre on land planted October 1-15. Wells rule of thumb is "to add 10 pounds of seed to the seeding rate with every 15 days which

PUBLIC NOTICE

ORDINANCE NO. 306 AN ORDINANCE OF THE CITY OF IOWA PARK, TEXAS, PROVIDING THAT THE CODE OF ORDINANCES BE AMENDED BY REVISING SECTION 19-24 and 19-25 OF SAID CODE: PROVIDING THAT THE MONTHLY WATER RATES BE INCREASED FOR ALL WATER CUSTOMERS.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF IOWA PARK, TEXAS:

Section 1: That section 19-24 and 19-25 of the Code of Ordinances of the City of Iowa Park, Texas, be amended so that such section shall read as follows:

"Sec. 19-24. Monthly water rates--Inside City.

The monthly rates or charges for services furnished by the waterworks system to a consumer within the city shall be as follows:

(A) GENERALLY: First 2,000 gallons, mimimum, \$3.75;
Over 2,000 to 5,000 per thousand, \$1.35; Over 5,000 to 10,000 per thousand, \$1.05; All over 10,000 per thousand, .95.
(B) MULTIFAMILY DWELLING UNITS:

(1) Where the water is metered to each unit, the charge will be the same as subsection (A) as applicable.

(2) Where the water is metered by the complex, a charge of twenty dollars (20.00) plus two dollars (2.00) per dwelling unit will be the minimum charge. The charge for the number of gallons used will be the same as those in subsection (A) as applicable.

"Sec. 19-25. Same--Outside city.

The monthly rates or charges for services furnished by the waterworks system to a consumer outside the city shall be as follows:

(A) GENERALLY: First 2,000 gallons, minimum, \$15.00;
Over 2,000 to 5,000 per thousand, \$3.15; Over 5,000 to 10,000 per thousand, \$2.50; Over 10,000 per thousand, \$2.25.
(B) MULTIFAMILY DWELLING UNITS:

(1) Where the water is metered to each unit the charge will be the same as subsection (A) as applicable.

(2) Where the water is metered by the complex, a charge of twenty dollars (20.00) plus twelve dollars (12.00) per dwelling unit will be the minimum charge. The charge for the number of gallons used will be the same as those in subsection (A) as applicable to each individual dwelling unit.

Section 2: That all ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

He expressed concern about drills being operated at excessive speed. The operator manual on his drill indicates it is designed to operate at $4^{1/2}$ miles per hour. If the speed is increased to 6 miles per hour, he questions if there could be an adverse effect on seed distribution in the drill row. All of his land is tight and he prefers to use a drill with a press wheel. Wheat comes up 3 days faster where the covering soil is pressed.

Tom White explained his plan to use dual injection of anhydrous ammonia and liquid fertilizer on wheat. The anhydrous will be applied with the conventional sweeps while the liquid (approximately 13-34-4) will go down with knives. Both will be applied at the same time with the plow.

White said, "It is a trade-off - the liquid cost more, however, it will eliminate working with fertilizer at planting time." He became interested in dual injection after studying some Kansas research reporting yield boost from this method of fertilization.

Smith receives

preaching license

Tommy Smith, who is Brotherhood director, a teacher in Sunday School and Church Training at Faith Baptist Church, was licensed to preach during the Sunday night services. The Rev. Ken Cole was in charge.

Paul Arrington and Jack Hayley will be ordained as deacons during the next Sunday night service. The ordaining council will convene at 6 p.m. and Rev. Cole will direct the ordination service.

ORDINANCE NO. 307

AN ORDINANCE OF THE CITY OF IOWA PARK, TEXAS, PROVIDING THAT THE CODE OF ORDINANCES BE AMENDED BY REVISING SECTION 19-21 OF SAID CODE; PROVIDING THAT THE WATER TAP FEES BE INCREASED.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF IOWA PARK, TEXAS:

Section 1. That Section 19-21 of the Code of Ordinances of the City of Iowa Park, Texas, be amended so that such section shall read as follows:

"Section 19-21. Tap Fees - Water; Location of meter and tap. For connection to the city water line there shall be a charge for water taps as follows: ³/₄ inch water tap, \$100.00 Within City, \$200.00 Outside City; 1 inch water tap, \$175.00 Within City, \$250.00 Outside City.

The charge for all water meters and taps larger than one (1) inch will be determined by the city on an individual basis. Every water meter and tap will be set on the property line by the city and the property owner is responsible for extending their line to this point. All water meters shall become the property of the city upon installation and the city will be responsible for maintenance of same.

Section 2: That all ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

PASSED AND APPROVED THIS 24TH DAY OF SEPTEMBER, A.D. 1979. ATTEST:

Time is right

The time is right for fall fertilization of the home awn. There is ample time for fertilizer to stimulate rigorous growth prior to the irst average killing frost on Nov. 9. according to Don Deeker, county agent.

Philip Welch of Iowa Park is using a soil test to determine the fertility needs of his lawn. The tests shows a need for nitropon and phosphorons with an adeuate supply of potassium dready in the soil it also ndicates the presence of ome salt (sodium) but not enough to interfere with awn growth

Wetch is fertilizing his awn according to the soil est permmendation It. alls for a fertilizer with about twice as much nitrogen as phosphorous. This is also the standard ertilizer recommendation approximately two parts of nitrogen to one part of hosphorous in the absence of a soil test. Examples nelude 20.10-0 20-10-55 2-8-8 etc. Remember the irst number represents nitrogen the second is phosphorous, and the third umber is petassium.

Soil test kits are available t the county agent's office. amples are mailed to the xtension soil testing labratory in Seymour at a cost f \$4 About two weeks is equired to receive a report in the soil sample. Decker

Familizer is applied at the rate of 15-29 pounds per 1.000 square feet This figures 100 pounds of fertilizer for the lawn of an Andrana dive home

Uniform application can be best accomplished by IPRICATE PLANO for shie applying one half of the 085 500-1000 fertilizer traveling back and forth in the same direction Then the remainder of the fertilizer is applied by traveling in a crossway direction A inerrores? sproader or hand throwing probably gives the best distribution

The pardener can depend POR SALE _ 1977 model on fall showers to carry the 19 foot Glastron ski rig with fertilizer into the soil or walk through windshield. watering the lawn can speed 175 HP onthoard Johnson up this process said Docker notor.
