Mobile homes get attention

Mobile homes dominated Monday night's meeting of the Iowa Park city council.

The subject appeared three times on the agenda, and consumed a greater portion of the meeting, which lasted more than three hours. Besides discussion of a mobile home ordinance, one request to place a mobile home was made, and another was for a variance concerning a mobile home already in place.

During the discussion of a mobile home ordinance, City Administrator Steve Morath said the present zoning ordinance does not require mobile homes to be confined to "mobile home parks", but only that they must "conform to or blend with the surrounding area."

"Right now I don't know of any area where I would reject an application for placing a mobile home (in the city), other than in subdivisions where there are deed restrictions which prohibit it," Morath said.

Members of the council and the administrator had expressed concern that indiscriminate locating of mobile homes throughout the city could lead to the lowering of values of permanent homes, and that mobile homes did little toward improving the long-term tax structure of the community.

Early in the meeting the council approved placing of a mobile home in the 600 block of West Washington. Two brothers, sons-in-law of Bob

Frazier, plan to live as neighbors, one in the mobile home and the other currently constructing a home there. They share four lots, it was explained.

Frazier told the council the area was nothing but mesquites and weeds now, and anything would be an improvement.

Members of the council at first thought the home under construction was being built in a flood area, but a study of the map proved the home site to be just out of the area. The house is being constructed to face Second Street, which is presently a ditch cut by the city to carry water during heavy rainfall.

Mark Bottles was granted a variance from the city's set-back

requirement, which will allow him to build a porch and carport closer to the street than normally permitted.

It was pointed out that other homes in the neighborhood, Block 101, were built before the ordinance was written, and all were closer to the street (one or two even in the city's right of way), so the variance would not be a problem to the neighborhood.

Bottles' request to build the carport within three feet of the side property line was denied, however.

OTHER BUSINESS

In other business, the council took the following actions:

- * Appointed Kennie Jones to replace Mike Robertson on the Planning and Zoning Commission.
- * Approved a \$4,376 bid from Fire

- Appliance, \$2,350 bid from P.J. Redman for warning sirens, and a \$2,787 bid from Mercer Electric for installation.
- * Approved advertising for bids to sell an old garbage truck and for purchase of street signs.
- * Approved new rates for non-residence garbage collection.
- * Approved annexation of 902 W. Highway.
- * Allowed a proposal to change the holiday pay policy for the police department to die for lack of a second to the motion.
- * Approved Mayor Johnny Crawford to enter into a contract for sale of water to Sereno Lago.
- * Authorized write off of \$202.66 in delinquent accounts.

ILLEGAL WIND - Tuesday's cold front was accompanied by gusts of winds which violated the speed limit on the Access Road, and also violated the sign itself. Strong winds gusting over 40 miles per hour broke one of the bolts holding the sign. The front dropped unseasonably high temperatures which exceeded 100 degrees to more seasonably-acceptable levels of 40 to 70 degrees.

GRAHAM HERE FRIDAY

Hawks seek revenge

You don't get a second chance at an opponent after you lose a football game. But for most of Iowa Park's Hawks, tomorrow is just about as good.

Almost every member of the Mean Green was on hand last year at Graham, when the Steers humiliated them with a 44-6 defeat. Those same Hawks felt they should have won the game. But last year they just couldn't stop the big plays of the Steers.

That loss, and others suffered at the hands of District 4-AAA has been burning in the memories of the 1979 Hawk edition. They pretty well proved it last week when they came from behind to tie the pre-season favorite to cop the conference crown, Mineral Wells.

At the same time, Graham was being dropped into the cellar of the district by Weatherford, 28-13. The Steers are 2-3 on the season.

Coach Tommy Watkins and his crew of coaches have been working hard on the Hawk defense against the pass, because that's what killed them last year at Graham, and the Steer offense still counts heavily on the aerial attack.

Apparently what the coaches are teaching is working, because the Hawk secondary allowed Mineral Wells only one completion out of seven attempts last week.

Graham's quarterback, Peter Bennis, completed seven of 13 passes against Weatherford last week for 73 yards. On the season, the Steers are leading the district with an average of 121 yards per game. Bennis has completed 34 of 71 attempts this year.

Major tool in the Graham aerial circus is receiver Bobby McCool, who snared three of those passes against the Kangaroos. For the season, he has caught 16 for 447 yards, and six touchdowns. McCool is remembered by Hawk fans as the receiver who

broke for a 92-yard touchdown at Graham last year.

Defensively, the Steers have given up 269 yards average in their five games, while the Hawks have averaged 337 yards total offense in their five outings. One of the mainstays in the Steer defense is linebacker Hugh Bates, who at 5-10 and 190 pounds possesses 4.6 speed in the 40-yard dash.

Graham's two wins were 27-6 over Sweetwater and 28-6 over Castleberry. Losses were 36-34 to Stephenville and 38-28 to Breckenridge.

Whether split receivers Randall Schram and Wes Klinkerman will be back in uniform tomorrow was still a question Tuesday afternoon. Both sprained their ankles prior to the Jacksboro game and were still

limping noticeably when trying to run this week.

Coach Watkins has pulled up three players from the junior varsity this week to bolster his depth. He says Jim Smith will alternate at tailback with Troy Thompson; Steve Harris will give breathing time to a starter at the linebacker position; and Dan Muckensturm will be the backup for the monster position on defense.

James Spears, who has been alternating with Thompson at tailback, has been moved to the starting fullback slot. He was pressed into service in that position last week when Mike Ray was unable to play the second half against Mineral Wells after being stung by a bee.

The second round of the District 4-AAA battle will begin at 8 p.m. in Hawk Stadium.

MEETING TONIGHT

Council to adopt budget, set rate

A public hearing on the city's budget for 1979-80 and the tax rate was held prior to the regular council meeting Monday night.

The budget calls for expenditures of \$1,378,430, with revenues of \$1,286,986.

The tax rate, to be set at a called meeting of the council at 7 this evening in council chambers, will be \$1.75 per \$100 valuation. Of the \$1.75, \$1.44 will be for general operating fund and 31 cents for bond retirement.

Monday's hearing was required because the revenue generated by

the tax rate would be 8.7 percent greater than tax money generated during the past year, due to construction and increased property assessments.

A breakdown of the budget calls for: \$134,492, city administration; \$127,346, street department; \$32,481, sanitation landfill; \$77,008, sanitation collection; \$135,124, police department; \$50,572, police dispatch; \$27,100, fire department; \$23,133, parks and recreation; \$3,400, youth center; \$17,464, library, amounting to \$629,120 for the general fund.

For the water and sewer fund,

expenditures anticipated are: \$56,876, utilities and administration; \$104,796, water distribution; \$237,871, water purification; \$65,279, waste water treatment; totaling \$464,822.

Two other items will be on tonight's agenda, according to Steve Morath, city administrator.

Council members will consider a permit request from Robert Harper to locate a mobile home in the 500 block of West Washington.

A request will also be considered to open a portion of Second Street, north from Washington.

School to reimburse teacher pay withheld

The Iowa Park school board Tuesday night voted to refund salaries to teachers, withheld when they did not turn in physicals at the start of school, and then changed a policy requiring annual physicals.

Trustees voted to refund salaries to teachers who were docked their wages for each day they failed to turn in the physicals and TB tests. The motion covered five teachers affected this year and two last year.

The action came after art teacher Holly Humphries explained to the board that some of the teachers were confused on the policy, though she admitted she had taken her TB test and had her physical, but forgot to turn them in at the prescribed time.

Among her objections to the policy was the fact she had not been told until the end of a work day that her salary was being docked because she had failed to turn in the forms.

When trustees changed the policy, which requires annual TB and physical tests so that they are required only when beginning work with the district or having been on a leave of absence longer than 183 days, they recommended to administrators that teachers not providing their required forms should have their contracts voided immediately, and not withhold salaries.

Later in the meeting, high school principal Bob Dawson said "I'm very happy about your decision on withholding the pay. The issue has had very bad effect on teacher moral."

Dawson and Jimmy Alsup, junior high principal, made reports concerning their campuses to the board. Both were similar, concerning

drops in enrollment and having no problems with students.

The high school principal said his enrollment as of Tuesday was down to 706, after eight students had withdrawn this week. He said

enrollment two years ago, at the same date, was 769.

With a senior class enrollment of 175, Dawson said his campus would shrink even more next year, because the eighth grade had only 127 in it

this year. At the current rate of enrollment decreasing, he said the school would drop to a smaller classification within the next three or four years.

There are 166 enrolled in the

freshman class (down from 212 two years ago), 189 sophomores and 176 juniors.

He accredited the ease with which school was started this year with the fact there are only four new teachers on campus, and the good attitude of the students.

Alsup said his good year's start was because the enrollment was smaller, only two new teachers, and his own gaining of experience.

The junior high has 286 students, down from the 406 figure of five years ago. There are 159 in the seventh grade and 127 in the eighth.

With the lower enrollment, fewer are also participating in extracurricular activities, Alsup said. Only 65 students are in the band, down from a normal of 85 to 95, and 73 are out for football, down from about 100.

As he reported last year to the board, Alsup said it was almost impossible to get volleyball games for his students, and he could not recommend continuing the sport next year.

Alsup explained he was able to get four games scheduled this year, after contacting 12 schools in the area. Two games were with Notre Dame and two with Windthorst. Since scheduling, Windthorst has cancelled one of those.

A trip for eighth grade students to Fort Worth to see a play at the Casa Manana was turned down by the board. Trustees said they were having to cut wherever, and this was one trip out of many which would be refused during the year, over the school system.

Trustees did, however, approve a

Continued on page 5

Chamber plans annual parade

Plans are already underway for the third annual Wichita County Christmas Parade, to be held Dec. 8 in Iowa Park.

Letters have been sent to organizations over the county by the Iowa Park Chamber of Commerce by Danny Parkerson, president, informing them of the event which last year drew over 80 units and was viewed by some 8,000 persons.

Parade participants will be competing for the People's Choice and Special Judge's awards, which will be in cash.

To begin at 11 a.m., the parade is to form at 10 in the Park West Shopping Center.

MAYOR BECOMES MEMBER - Mayor Johnny Crawford was the first to purchase a 1979-80 Iowa Park Recreational Activity Center membership card, as the annual October membership drive got underway this week. Making the sale is Mrs. Vern Mikkelsen, president of the RAC board of directors.

Preservation of birds club's meeting topic

The 23 Study Club resumed activities for the new club year Thursday morning at a breakfast held in the dining room at Perkins Boy Scout Reservation, a suitable site for the conservation program following the meal.

Hostesses were Mmes. T.M. Thaxton, Rollins Woodall and Homer Blalock. The long white-covered tables were appointed with

colorful nature place mats and bouquets of assorted fall flowers.

Mrs. O.E. Lochridge was program leader and Mrs. Travis Smith offered the invocation. The title of the program was "As We Learn About Bird Preservation We Serve Future Generations."

Highlights of the program were lectures by Mrs. Sam Hunter, a guest, an official counter for the Audubon

Society, who spoke on "Winter Feeding for Local Birds" and Mrs. Chauncey Weiler who used for her topic "Foster Parents for Whooping Cranes".

Supplementing the talks were nature poems read by Mrs. Earle Denny, who chose "A Parable" by Georgia B. Adams, "A Speck of Brown" by Cosmas J. Dokos, and "Like the Sturdy Oak" by Vera Wardman.

"Scientists claim that man cannot live more than nine years without birds, our first line of defense against insects and weeds. They require their weight in insects and weed seeds each day, so it is crucial that we feed them during the winter", Mrs. Hunter said to introduce her talk.

She advised continuous feeding of the birds once it was started explaining that the feathered friends depending on it would freeze if the food is not put out consistently. She also reminded her listeners that late winter and early spring are critical times for birds and that feeding must continue until the worms are out. She also stressed the importance of keeping a supply of water thawed, warned against feeding peanut butter by itself and using honey in hummingbird syrup.

Mrs. Hunter recommended seeds, peanuts, cheese, oatmeal, dry cake, stale

doughnuts, bread, scraps, suet and bacon drippings as good foods for winter feeding of birds.

Mrs. Weiler described the four-year cross-fostering experiment, a dramatic attempt by scientists to save the whooping cranes from extinction, which involves substituting whooping crane eggs for sandhill crane eggs in the nests of the latter birds. The experiment is taking place at Grays Lake, Idaho, a great gathering place for the sandhill cranes.

She stated that the whooping cranes were thought more than once to be extinct during the century, and that in 1941 only 15 of the majestic birds could be found. She told that scientists were delighted when a small group was found wintering at Aransas Pass, having flown all the way from Wood Buffalo National Park in Canada. The U.S. Government soon made the area a Wildlife Region and laws were enacted to protect the cranes at the refuge or in migratory flight.

Mrs. Weiler described the steps leading to the cross-fostering project which have included establishing a captive flock at Patuxent Wildlife Center in Maryland to insure fertile eggs, and nurturing a "back up flock" along another migratory route from Grays Lake.

Whooping crane eggs were carefully flown from Canada and Maryland and substituted in nests of sandhill cranes. The speaker said that eight baby whoopers have survived the summer at Grays Lake, which increases the number of young ones to 17, and will make the flight with their foster parents to Bosque del Apache, N.M. to winter there. Seventy-six will make the flight from Canada to Aransas Pass this year.

In conclusion, Mrs. Weiler said "The cross-fostering venture is unfolding according to plan. We shall watch with interest this experiment in saving the whooping cranes from extinction."

Mrs. Erwin F. Soell, president, directed the business following the program. Mrs. Earl Watson, federation counselor, announced the Santa Rosa District fall workshop Saturday at Vernon.

Mrs. Joe Singer gave a report on the recent Arts and Crafts Show held to benefit the Iowa Park Library. She reported \$120 taken in for Friends of the Library memberships; \$110.14 for commissions on arts sales; \$125 on auctioning of Jack Stevens' picture; \$55 on the woodrack; and in excess of \$350 on the Philia Study Club quilt.

Eighteen members and one guest attended the meeting.

Philia Club has program

The Philia Study Club held the October meeting Monday evening in the home of Mrs. David Springer, with

PENNY WALSMITH and DONNY THORP

Announce engagement

Mr. and Mrs. Virgil Walsmith announce the engagement and forthcoming marriage of their daughter, Penny Lynn, and Donny Thorp, son of the late Mr. and Mrs. Richard Thorp of Topeka, Kansas.

Miss Walsmith was graduated from Iowa Park High School where she participated in pep squad, thespians, FHA, FTA and is employed at Tex-Color Lab in Wichita Falls.

Her fiance attended Topeka West High School in Topeka, Kansas. He played football and was on the boxing and karate teams. He

is employed at K-Mart and plans to enter Midwestern State University in January. The wedding will take place Nov. 24 at the Iowa Park Church of Christ.

A good egg-separator is a small funnel.

Danny, KC Dolls set performances

Danny and the Kansas City Dolls and the entire show will perform Saturday at the Wichita County Fair, starting at 6:30 p.m., they will perform once each hour until midnight.

Danny Parkerson is director of the show.

LOOK WHO'S NEW

A daughter, Dolores Ann, was born Oct. 5 in Wichita General Hospital to Mr. and Mrs. Wayne Schroeder. She weighed seven pounds, eight ounces.

Grandparents are Mr. and Mrs. Richard Schroeder and Mr. and Mrs. Bob Hamilton of Iowa Park. Great-grandparents are Mr. and Mrs. Carl Sullivan of Iowa Park, Emil Schroeder of Burkburnett, Margaret Cole of Wichita Falls and S.C. Brewton of Hereford. Stella Gerstle of Middlesboro, Ky. is her great-great grandmother.

BRYAN EZZELL and LISA SHULTS

Couple sets wedding date

Mr. and Mrs. Jack Shults of Rising Star, former residents of Iowa Park, are announcing the engagement of their daughter, Lisa Beth, and Bryan Allen Ezzell, son of Mr. and Mrs. R.T. Ezzell of Rising Star. The wedding is planned for Nov. 17 in the home of the bride's parents.

Miss Shults was graduated from Iowa Park High School with the class of 1979 and is presently a freshman at Cisco Junior College.

The groom-elect was graduated from Rising Star High School in 1977 and is in a partnership farming operation with his father.

Conservation with color

Barbara Cornelius, county extension agent, gave a program on "Using Color for Energy Conservation" for the Park Area Extension Homemakers Club at the meeting Wednesday. The program emphasized that color plays a most important part in energy conservation. Mrs. W.E. Karstetter conducted the business. Members answered roll call by giving their choice of color that would be most pleasing in the decor of their homes.

An invitation was accepted to be guests of the Jan Lee Extension Homemakers Club Oct. 29.

Fourteen members were present. Mrs. Grace Chastain will be hostess for the Oct. 17 meeting. New members are welcome and those interested in joining should contact Mrs. Karstetter at 592-4698.

MR. and MRS. JOHN CLAPP SR.

Annual supper, installation held by Friendship class

The Friendship class of First Baptist Church held the annual salad supper and installation service Monday evening in the Fellowship Hall of the church.

Mrs. C.L. Metz, president, used a Who's Who theme to give a brief resume of the class activities and accomplishments during the past 17 years and to introduce officers and members.

Mrs. E.T. Patterson chose "Friendship" for the theme of the devotional period. Bill Curry, director of the Sunday School department of the church, sang "Because He Lives" to conclude the devotion. He was accompanied by Mrs. Kenneth Via at the piano.

The vocalist and pianist provided other special musical number during the evening which included "The Light of the World" during the installation service and "The Lord's Prayer" for the benediction. Mrs. Howell Farnsworth conducted the impressive

installation ceremony using for her theme "Christ Our Light". Pink and purple, the class colors, were featured in the interest center which held one large pink pillar candle and several tall slender purple candles.

Mrs. Farnsworth listed the virtues of light as giving, cleansing, preserving and beautifying life and emphasized how Christ does all these things to human lives. She gave each officer who assumed duties for the year a small candle for her to light from the big pink candle.

Officers installed were Mmes. C.A. Hicks, teacher; Earle Denny, assistant teacher; Elmer Singleton, president; J.W. Raney, vice president; W.A. Scott, secretary; A.A. Simmons, assistant secretary; L.B. Jones, corresponding secretary; D.H. Ford, treasurer; Homer Blalock, reporter; Leo Fletcher, Clay Davis,

R.G. McLaurin and Dewey Steed, group captains.

Other special guests were Rev. Howell Farnsworth, Phil and Holly, Miss Celeste Glenn; Mmes. Dennis Conarty from Broken Arrow, Okla., Gene Young, co-director of Adult III Sunday School Department, Bill Curry. Husbands of members present were C.A. Hicks, Herman Kight and Bert Colley.

Members hold salad luncheon

The Alathean Sunday School class of First Baptist Church held a salad luncheon Tuesday in the Fellowship Hall of the church. Ten members, two bride builders attended and the Rev. and Mrs. Howell Farnsworth were guests.

Mrs. W.F. Booher was the presiding officer. Mrs. Farnsworth and Mrs. O.E. Lochridge were in charge of the music and Mrs. D.O. James brought the devotion on the 23rd Psalm.

The class voted to replace a tree that had been planted in memory of the late Charles Roby and to make a monetary donation to the purchase of song books for the chapel.

TOPS meet

Fourteen TOPS Club members weighed in. Mrs. Barbara Tucker was welcomed as a new member. Mrs. George Roy and Mrs. Claud Roy were visitors at the meeting Monday night.

Honors were afforded to Mrs. Pauline Steele and Mrs. Allen Little, the KOPS and TOPS queens for the month of September. Mrs. A.O. Beall and Mrs. Hoyett Baker, queens in the same classes for the week.

Members drew names for secret pals, and it was announced that a new contest would start next week.

Show, awards are discussed

The Iowa Park Arts and Crafts Association met Thursday to review the "People's Choice Arts and Crafts Show" held during the Whoop-T-Do.

It was reported that cash prizes donated by local and area merchants, amounting to \$300, were given to 17 exhibitors. Mrs. Jack Witherspoon received the Best of Show award.

Clapps observe 60th anniversary

Mr. and Mrs. John W. Clapp Sr. commemorated their 60th wedding anniversary Sunday at a dinner attended by 40 relatives and later at a reception where relatives and friends were present.

The affair was hosted by the couple's sons and their spouses, Mr. and Mrs. John Clapp Jr. and Mr. and Mrs. Leslie Clapp and held in the home of the former couple. They were assisted by the honored couple's grandchildren, Mr. and Mrs. James Conner and Bill Clapp of Iowa Park, Jim Clapp of Monahans, Leslie Clapp Jr. of San Francisco, Calif. and Larry Clapp of Bryan. Pam and Jim Conner, great-grandchildren, were present to enhance the enjoyment of the occasion for Mr. and Mrs. Clapp Sr.

The couple married Oct. 2, 1919 in Dallas and moved to Iowa Park 40 years ago. He was owner of the Northwest Material Co. for a number of years.

Out-of-town relatives and friends who attended the family dinner included Mr. and Mrs. Charlie Clapp of Dallas, who have been married 61 years. Others were Messrs. and Mmes. Walter Carona, Don Klapp, Mrs. Ann Holman and family, Dale Girard and children, all from Dallas; Mrs. Luther Armstrong of Atlanta, Ga., Mr. and Mrs. Harry Johnson, Altus, Okla.,

Mr. and Mrs. Gerald Burgess of Canton. The reception table was centered with a fall floral arrangement and appointed with the 60th anniversary cake and an antique cutglass punch service.

Worth Quoting

I like to go along with (as much as possible) the mandates handed down by the hierarchy of Washington D.C. We should all make an attempt to see that each and every program has, at least, a chance of succeeding even though we don't personally believe it will.

We, at the Electra Star-News, plan to make every effort to comply with the Emergency Building Temperature Restrictions placed into effect July 16th by President Carter and which is designed to conserve fuel oil so our Northern Countrymen don't freeze their buns off this winter.

Most local businesses, churches and other places deemed by the powers to be, received a nifty little handbook within the past three weeks outlining the restrictions, exemptions and penalties for not complying. We also received a semi-official looking certificate to place on our walls telling customers that we are making an attempt to comply. I say making an attempt, because some of the restrictions and/or exemptions are so confusing that we really won't know if we are in compliance until one of those beaucroatic auditors comes in

and swings his little swizzle-stick around a couple of times and tells us, yea, or ney.

What I find most insulting about the entire handbook, though, is on the inside of the front page. It's a letter from the Secretary of the Department of Energy. He thought so much of this letter that he didn't even tell us what his name is...just The Secretary Department of Energy.

The key words in this letter are "fuel oil" and the conservation of the same. I've been sitting here just wondering how many businesses South of the Mason-Dixon Line heat with fuel oil? I have also wondered how setting my thermostat back to 65 this winter on my gas-burning furnace will help in any way conserve "Fuel Oil?" In like manner, I have wondered how turning my cooling up to 78 degrees will help to save "Fuel Oil" . . . since my air-conditioner runs off of electricity which is produced by gas and coal-fired generators.

Somehow, I just can't make the connections. I don't really mind turning the thermostats, but it appeared to me kinda like a fat man

making his slender wife go on a diet with him so he'll have someone to share the suffering with and then have that much more to eat when he goes off the diet.

I guess that's the kind of "straight thinking" you get when you have someone of his league coming with so-called solutions to energy problems.

But, it could be a lot worse...and it may be quicker than we think should a certain Senator (who I will tastefull leave unnamed) defeat President Carter for the Democratic nomination and then win election in November of next year.

I do not see how the Democratic Party, with the two most prominent candidates they now have, will ever expect to carry the South and the energy producing states.

Personally, I believe the Democrats are going to have to do a lot better than what they have now to carry the election in November.

JOE THOMPSON
Electra Star-News

Letters to the Editor

Dear Bob,
"Thank you" is so inadequate for all the hours you gave in order for us to have our street dance. You'll never know how much we appreciate your interest and help. The "RAC" is fortunate to have friends like you. I think everyone had a good time and I was very pleased with the crowd that turned out.
Thanks again.

Sincerely,
Betty Merriman

Burglars hit auto body shop

Burglars took more than \$400 worth of tools and other items from a body shop at 201 S. Wall, according to a complaint filed by Doug Caroland.

Sometime Friday night the rear door was reportedly forced open to gain entry.

Listed as taken were an eight-track dash player, mag wheel, lock wheel, tool box, set of wrenches, tape carrier, 35 tapes, five sets of sockets, set of star bits, 18 wrenches and a set of truck size sockets.

As I See It....

I saw one of the most beautiful young women in the world Friday afternoon.

She's my first granddaughter. The situation can't go by without using the old cliché "My, how time does fly."

It seems only a couple of years ago that our number two daughter, Kimberly Ann, was born. . . but it's been more than that. And it seems only a couple of months ago that she became the first of our children to marry. . . but it's been almost a year and a half.

School

trip for officers of the local Future Farmers of America chapter to the national convention at Kansas City.

Making the request, Jimmy Howell, teacher, explained that the group qualified to attend the invitation-only meeting because local president Wendy Hicks had been elected a state vice president.

Part of the \$1,431 expense for seven students and two adults will be paid by the Young Farmers Chapter, \$500, and \$432 has been raised by student projects. Trustees voted to spend the balance, \$488, to make up the difference.

Field trips and organization meetings in other cities for the Office Education Association and Home-making department were approved.

Resignation of fourth grade teacher Becky Bishop was approved, and Patricia Coker was hired as replacement. Donna Woody was also hired for the Electra West Wichita Coop department.

UW report due today

The second report meeting for the annual United Way campaign is scheduled for 10 a.m. today in Wichita Falls at the Texas Electric Reddy Room.

All Iowa Park volunteers working in the annual drive are encouraged to attend. The goal for 1979 is \$1,314,500.

Mahler is state winner

Barry Mahler won the Texas Young Farmers Association speaking contest at Waco last week, and is now eligible to compete for the national championship.

Mahler's topic was "How Farm Exports Benefit the Consumer." Each speaker must submit to a question and answer period following his presentation. The contest is sponsored by Elanco Chemical Co.

The national contest will be held Nov. 25 in Toledo, Ohio.

Mahler also will be a candidate for the president of the Texas Young Farmers when the organization holds its annual convention in San Antonio in January. Some 20 members of the local chapter are expected to attend the meeting.

Melvin Joyner was elected Area IV secretary at a recent area convention in Winters. At the meeting, the Wichita County Young Farmers won the Radio and TV Award, and was runner-up for the most outstanding chapter award.

Coach Tommy Watkins said Friday night's district opener at Mineral Wells would be decided in the fourth quarter, and he was right. In fact, it was the final two quarters.

Iowa Park and Mineral Wells fought to a 14-14 standstill. But the score fails badly to tell the story of the game.

The Hawks and Rams were also tied in penetrations, two each. But if the 4-AAA championship is to be decided on the basis of Friday's game, Iowa Park would be the winner, because the Hawks had more first downs, 17-8, than the host Rams.

Neither team was able to mount a serious scoring threat in the first quarter, as the two teams punted back and forth. But all the play was on Mineral Wells' end of the field, with Hawk kicker Ron Taylor sending three punts to the Ram 20, 21 and 20, respectively.

Late in the opening period, however, the Hawks got the first break of the game, when defensive end Tim Blackwell covered a Ram fumble on Iowa Park's 44 yard line.

The Mean Green offensive platoon picked up 21 yards on three carries before the quarter ended. But on the first play of the second stanza, Iowa Park was called for a clipping penalty, and was set back to the Hawk 43.

Quarterback Curtis Martin connected on two passes, a 12-yarder to Ronnie Reusch and another for 25 to Taylor, to set up a dramatic 20-yard scamper by wingback Robert "Hasty" Hastings that lit up the scoreboard for the first time.

However, Taylor's kick for the extra point was blocked, and that point became an important factor in the game.

Mineral Wells had the ball three times during the rest of the second quarter, and scored twice. Both scoring plays were identical, with quarterback Jesse Kimbrough drawing the defense as he would start around right end, and flipping the ball out to wingback Rex Walker. The first TD covered 65 yards and the second 34. Kimbrough kicked both extra points, and the Rams led 14-6 at the halftime intermission.

Those 99 yards picked up on the two big plays were almost half what the Rams

had for the evening. Mineral Wells gained 155 yards in the second quarter, and had 49 in the first. The hosts, at the intermission, led in first downs, also, 7-6.

DIFFERENT STORY

But the second half was a different story.

Not only did the Hawks score again, and tie up the score, they also completely shut down the Ram offense. Mineral Wells was limited to three net yards in the third quarter, and 38 in the fourth, 19 running and 19 passing. But also important was the fact that Mineral Wells gained only one first down, that coming off the pass Kimbrough was able to complete.

Iowa Park scored on its first possession of the third period, when the Hawks marched 80 yards to paydirt.

After fighting their way to the Ram 30, a 15-yard holding penalty appeared to be major trouble for Iowa Park. But on the next play, Martin threw 30 yards to Robert Brown, who made a difficult adjustment in order to catch the ball, especially with two defenders at his side. He went out of bounds at the 15.

Hastings picked up two and Troy Thompson skirted left end 11 yards to the two. The Rams were penalized a yard for being off sides, and on the next play, Martin ran a quarterback sneak over center for the touchdown.

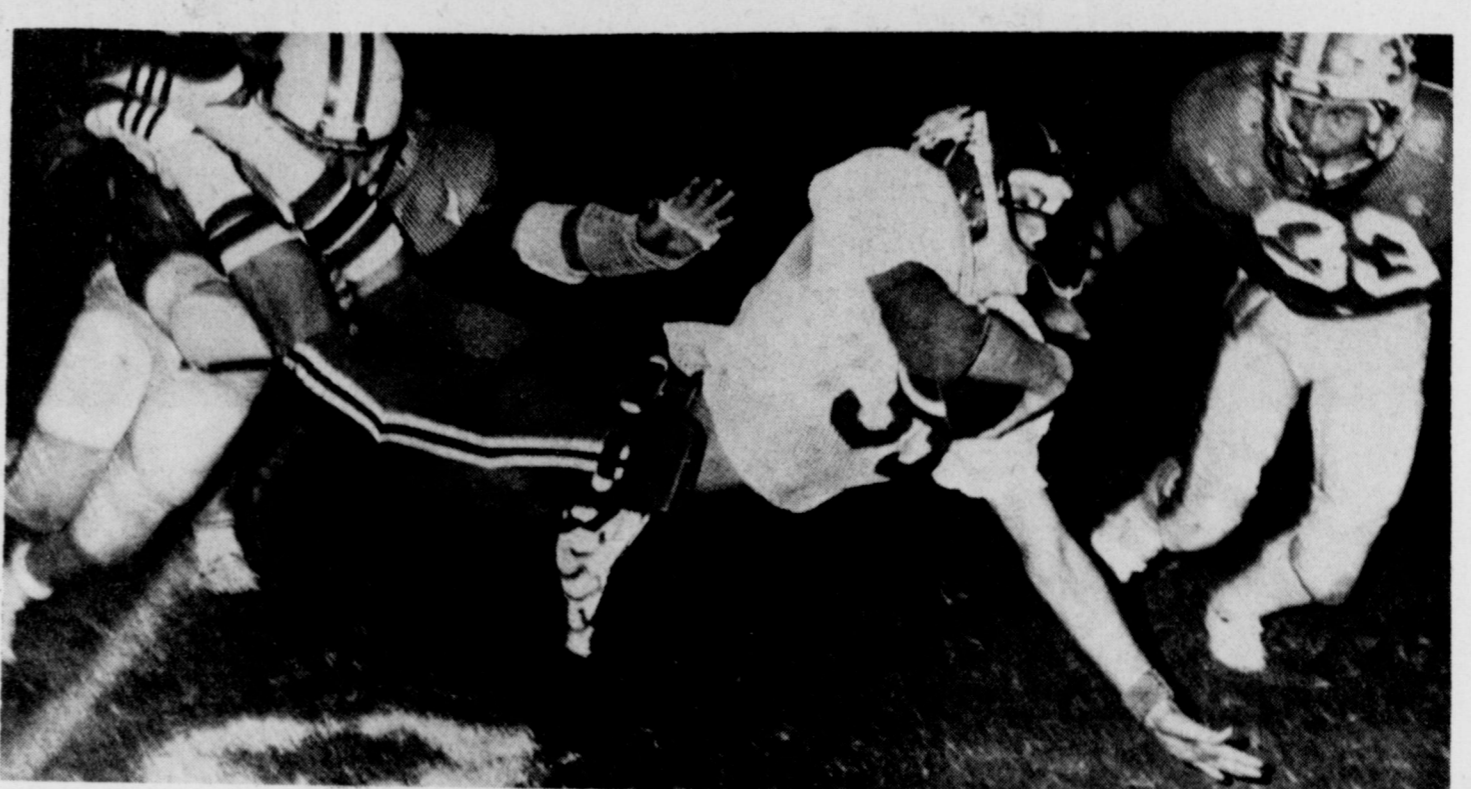

Trailing by two points, Martin took the snap on the extra point try, started to his right, saw a hole, and drove to the goal line for the all-important two points which evened the score with 3:12 still remaining in the third quarter.

Mineral Wells had two opportunities to pull the game out of the fire in the final quarter, but both times the Mean Green defense put down the Ram challenge.

Thompson lost the ball on a fumble at the Ram 40 on the fourth play of the period. But Mineral Wells was forced to punt four plays later.

On their next possession, the Rams got the ball on their own 46 yard line. After picking up five yards on a run, Kimbrough completed his only aerial of the evening, to the Hawk 30 yard line.

But four plays later, still at the 30, the Rams tried another pass, and linebacker James Spears picked it off at

TAILBACK TROY THOMPSON MAKES PATENTED DIVE FOR 7-YARD GAIN
... speedy Hawk runner gained 141 yards against Mineral Wells.

the 23 yard line, with 4:46 still showing on the scoreboard clock.	Iowa Park's fans, who had been roaring with pride all night, really got their lungs to working then, as the Hawks marched all the way to the Ram 22. There, with fourth down and three yards	lacking for a first, Martin's attempt to pass to Reusch was blocked, and Mineral Wells took over with 52 seconds left in the game.	The Rams had to punt four downs later, and Iowa Park scoring chances still looked alive when Hastings returned the punt from his	IP 17 243 67 310 3/11 1 5-55 5/35	First Downs Yards Rushing Yards Passing Total Yards Passes Fumbles Lost Interceptions by Penalties Punts	8 226 19 245 1/7 4 0-36 7/39

Eagles fly waaaaay over Chico, 53-0

While folks are still wondering whether or not Chico is in or out of Holliday's range, competition-wise, the Eagles nevertheless played an unwelcome visit to the home of the Dragons Friday to continue the perennial domination of their hosts, blanking them 53-0.

The Eagles so overwhelmed the Dragons, the game eventually led to a lesson in f-o-o-t-b-a-l-l as the Big Red ran, defended, took advantage of mistakes, and played with poise as if to teach a lesson that Chico well needs.

Holliday rushed for 445 yards in the game, adding 51 yards in the air, while chalking up 19 first downs. The Eagles lost the ball on one turnover, a fumble, compared to five turnovers by the Dragons, four on fumbles and one interception.

Fullback Carl Martin showed some excellent moves as he rushed 13 times for 156 yards to lead all Eagle rushers. Martin also scored two of Holliday's eight touchdowns for the night.

James Porter rushed 10

times for 108 yards, with one TD; Jim (Chisel) Ezzell gained 81 yards on four carries, including a 67-yard touchdown jaunt in the third quarter (a 60-yard punt return for another, was called back on a clipping penalty). Ray Looney rushed 13 times for 54 yards and two touchdowns. Joe Chase had three rushes for 20 yards; and Larry Boydston four carries for 26 yards and a TD.

Defensively, you couldn't ask for a better performance as Tommy Sadberry, Jody Collier, Kent Lemons, Scott Reece, Chase, and company did what they do best, and that's punish, punish.

Chico rushed 34 times for 21 net yards, with the quarterback eating the ball five times for minus 47 yards. The Dragons attempted 16 passes, completing five for 77 yards, with one interception.

Holliday wasted no time offensively from the start of the game as they moved the ball 70 yards in five plays for the first scoring-drive of the evening, capped by Porter's 45-yard sprint to paydirt with 9:39 remaining in the

first stanza. The PAT was no good, and the Eagles kicked off to the Dragons leading, 6-0.

Contrary to Holliday's offense, the Dragons sputtered from the first series of downs, after gaining seven yards in two rushes, then losing five for delay of game. On the next play, Reece converged on a Dragon fumble, claiming the ball for the Eagles deep in Chico territory at the 28.

Four plays later, Looney found a sizeable hole made by the Red line off left tackle, and punched his way four yards for the touchdown. This time Collier found his mark on the PAT, giving Holliday the advantage, 13-0 with just over six minutes left in the first quarter.

Both teams traded the ball back and forth into the second quarter, until Porter intercepted a Dragon aerial at Chico's 41.

Runs by Porter and Looney took the ball down to the Dragon 15, where a holding penalty on the next play set the Eagles back at the 30 facing first and 25.

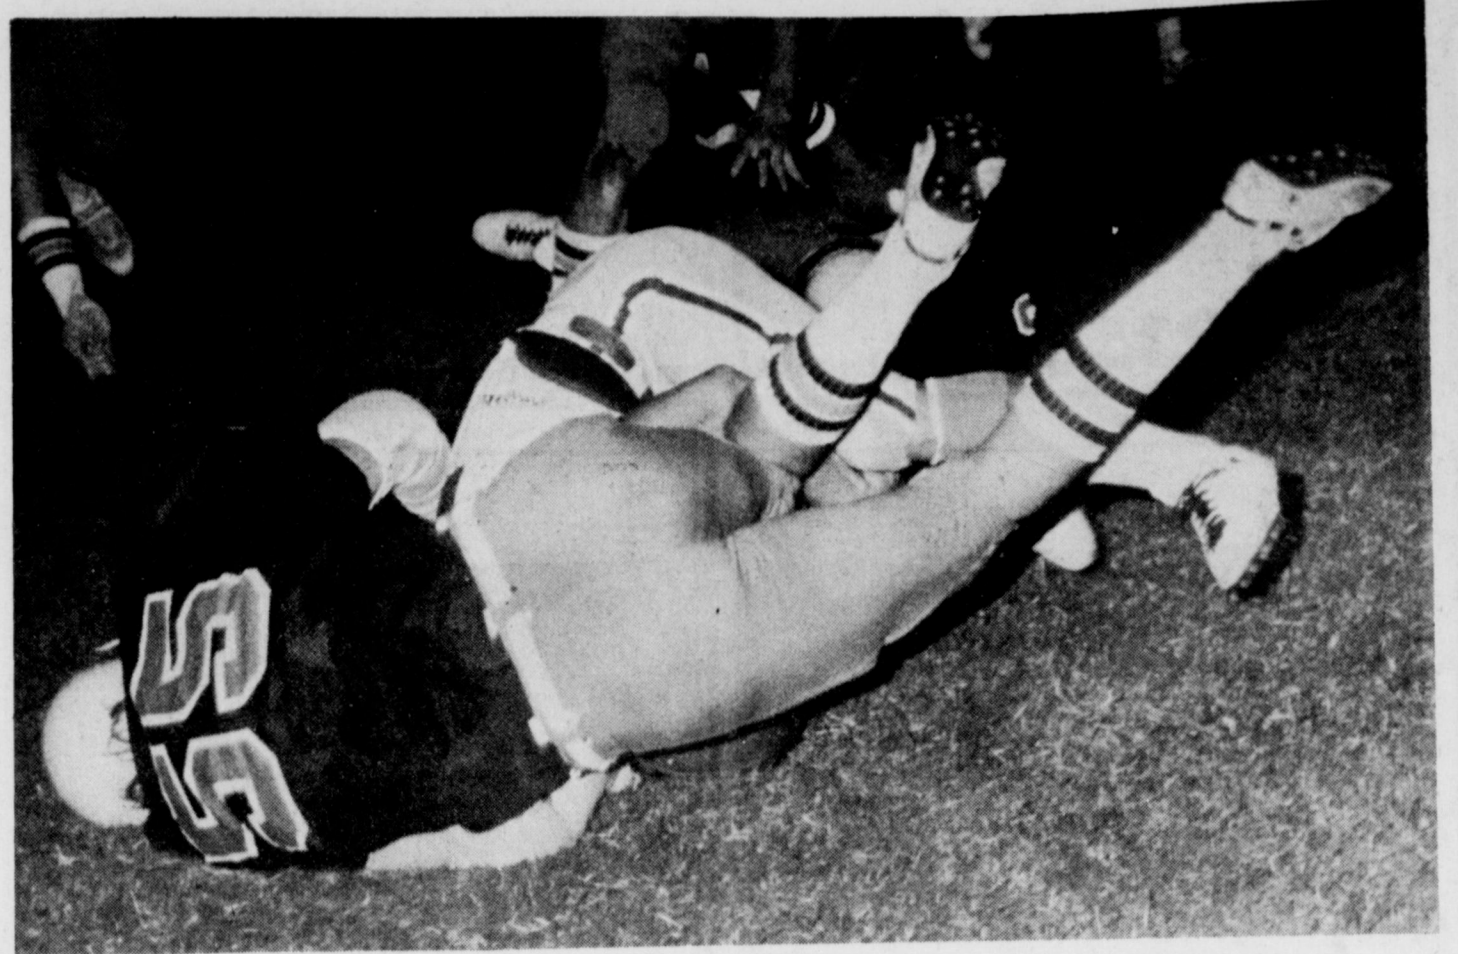

After a five-yard run by Martin, Porter took the

pitch from quarterback Joel Mankins, pulled up on the left side, and lofted a perfect strike to sophomore Eddie Flowers, who then proceeded to tightrope the sidelines past the goal line before being met by a host of Dragon defenders. With the point-after good, the Eagles led, 20-0 with 9:20 left in the first half.

Chico, after recording only one first down the entire first half, gained three more after the initial kickoff in the second half, aided by a 15-yarder for facemasking and a pass reception netting 15 more. On third and four at the Eagle 28, Chase forced a Dragon fumble that was recovered by Sadberry, ending Chico's most serious scoring threat of the evening.

Ezzell then proceeded to romp 67 yards, outrunning his defenders to paydirt after first finding a huge hole in the middle of the line. The PAT was no good, but nevertheless, Holliday led 26-0.

Lindy Dolberry snuffed Chico's hopes for a first down after the kickoff, as he pounced on the Dragon

IT'S THE END of the trail for sophomore Ray Looney as he is collared by a Chico defender after a 7-yard gain.

quarterback on second down for a minus seven yards. Chico could move the ball no further, and punted the ball away, giving the Eagles possession at their hosts' 47 with six minutes left in the third quarter.

After runs by Looney, Chase, and Martin put the ball at the Dragon 12, Martin found a hole on the left side, and shook off two tacklers to claim his first touchdown of the night. The PAT was good, and Holliday stretched its lead to 33-0.

On the ensuing kickoff, Chase caught the Dragon receiver with a shoestring tackle at the three yard line. Three plays later Boydston apparently intercepted a pass, but the ball was given

back to Chico on a pass interference call.

At this time, some of the Dragons apparently decided to rid their frustrations by fighting, with one player being escorted to the home bench by a referee.

Failing to move the ball, Chico punted to the Dragon 35. Porter broke loose on the first play for 21 yards. Two plays later and facing third and one, the Eagles were again called on a holding penalty, ending what probably would have been Holliday's seventh touchdown of the evening.

After again failing to move the ball, Chico punted away to the Dragon 45. Holliday took the ball down to the six in five plays,

where Looney ran it over for the score, giving the Eagles a 39-0 lead with the PAT good.

Again, for the second time of the night, an Eagle defender intercepted a Dragon aerial, only to have it nullified by a penalty.

Chase intercepted the ball at Chico's 35 and ran to the end zone, but an offsides ruling called the play back.

Chico called the ball to the Dragon 49 two plays later, setting up a two-play scoring drive, capped by Martin's 46-yard touchdown run with 6:19 remaining in the game. The PAT by Collier was good, and Holliday built the lead to 46-0.

Holliday defenseman Kyle

Brown recovered a Dragon fumble on Chico's fourth play from scrimmage. The Eagles scored the final touchdown of the evening, overcoming 20 yards in penalties on rushes by Martin (36) and Boydston (19). Boydston got the final call as he rammed his way in from the one, freezing the score at 53-0 with the PAT good.

Hrncirik-Ayres nuptials are exchanged Saturday

The First Baptist Church in Holliday was the setting for the formal wedding ceremony Saturday evening uniting Miss Judith Gay Hrncirik and Perry Lynn Ayres. Steve Adams was the officiating minister.

The bride is the daughter of Mr. and Mrs. Johnny J. Hrncirik and the groom is the son of Mr. and Mrs. C.D. Ayres.

The candlelight setting featured cathedral candles aglow in arched candelabra entwined with boxwood, white spider and button mums in the center of the altar area. On either side the candles burned in spiral candelabra. Flanking these were bouquets of white gladioli atop ivory pedestals, and the illumination was completed with lighted tapers at the extremities of the space. The church pews were decorated with boxwood, white spider mums and white satin bows.

Mrs. Charles Box, organist, presented a medley of favorite wedding songs for the prelude music. She furnished accompaniment for solos by Kevin Kelly, vocalist, who sang "We've Only Just Begun" for a pre-nuptial selection and "Wedding Prayer" near the close of the ceremony. The organist played the marches of tradition for the entrance and exit of the bridal party.

The bride's father escorted her to the altar and presented her in marriage for both parents. Her formal wedding gown was fashioned of Chantilly lace designed with a V neck, bishop sleeves with a deep inset of double imported organza above the tight lace cuffs and a lace insert at the waistline threaded with narrow white satin ribbon. The skirt interest was heightened with a fitted peplum over a full ruffle that encircled the skirt and chapel train.

A tiara-style cap trimmed

in lace and pearls held her one-tier veil edged in lace with blusher attached. She carried a cascade bouquet of gardenias and stephanotis and observed bridal traditions by wearing an heirloom gold chain for "something old"; a strand of pearls loaned by Mrs. Garland Welch for "something borrowed"; her lovely wedding costume, the blue garter and sixpence in her shoe completed the sentiments.

Miss Molly Richardson of San Angelo, participated in the wedding as maid of honor. Bridesmaids were Miss Jolene Ayres, sister of the groom, Miss Julie Hawkins and Miss Alisa Gamble. They wore identical gowns of yellow Qiana accented with crochet at the necklines, soft blouson bodices and full skirts. They carried cascades of white button mums and carnations centered with yellow gladioli.

Jon Hrncirik of Seymour and Misti Hrncirik of Iowa Park, cousins of the bride, were ring bearers, and Chasti Hrncirik of Iowa Park, another cousin, was flower girl.

Terry Ayres served as best man for his brother. Groomsmen were two of his cousins, Mike Ayres and Larry Ayres, and Andy Barton. Lighting the candles and serving as ushers were Brent Hrncirik, brother of the bride, and Sonny Henson.

The registry table was placed in the foyer of the church for guests to register preceding the wedding. The table was laid with a floor length white satin cloth topped with pale yellow lace and held a silver bowl filled with mint green and yellow carnations, the bride's book and yellow feathered pen. Miss Jamie Honea presided at the table.

The reception was given by the bride's parents at the

church. The bride's and groom's tables were draped with white satin to the floor. To distinguish them, the bride's table featured an overlay of yellow lace and the groom's table was topped with beige polyester burlap.

The adornments on the bride's table were a centerpiece of pale yellow and mint green carnations, the four-tiered white cake trimmed with cascades of velvety yellow frosting roses, two sets of round etched pillars, a top ornament created of two white feathered doves, one at the top and the other at the base of a white satin heart, and the silver punch service.

The center arrangement for the groom's table consisted of yellow and mint green carnations combined with fresh pears, green apples and grapes. The double-ring chocolate cake was decorated with clusters of shaded green grapes and served with coffee from a silver service.

Bell-shaped net rice bags were handed out by Karla Biggerstaff and Lisa Welch. Reception assistants were Miss Sandra Hrncirik, Miss Karen West; Mmes. Davie Carpenter, David Box and Garland Welch.

The groom's parents gave the rehearsal dinner at Frontier Steak House.

After a trip to Louisiana, the couple will live in Holliday. The bride was graduated from Rider High School and is employed by Dr. D.D. Beeson Jr. The groom, a graduate of Holliday High School, is employed by Ayres Welding Co.

Special wedding guests were Mr. and Mrs. Elmer Biggerstaff of Holliday and Mr. and Mrs. Albert Hrncirik of Seymour, the bride's grandparents, and Mr. and Mrs. J.O. Ayres of Holliday, the groom's grandparents.

MRS. PERRY LYNN AYRES

Trustees approve work at stadium

Holliday School Board members elected a member to serve on the county-wide tax appraisal board, discussed renovations to the high school football stadium, voted to advertise bids for the removal of the old fence and turned down a motion for the removal of corporal punishment for grade failure in a meeting held Monday night.

Board members appointed fellow member Don Talley to serve on the County Tax-Appraisal Board. Also passed was a two-year contract with Pritchard and Abbott to handle the tax roles with a built-in stipulation that if the tax board is in existence in the second year of the contract, the contract will be null and void.

Also discussed was the installation of a new fence and the beginning of construction of the track at the high school stadium.

Members also discussed the possibility of another exit from the stands, and drainage of the playing field. Appointed to a committee to study these possibilities for further discussion were Bob

Martin, Larry Finnell, Dan Owen, Bill Lee, and Don Lucy.

A motion was passed for the advertising of bids for the removal of the old fence, including the poles as well as

the wire.

A motion was made by board member Finnell that the Holliday I.S.D. not apply corporal punishment for grade failure. The motion was not passed.

The Bulldogs, according to Texas Football Magazine, have seven returning lettermen this year, including a speedy wingback in Lupe Benavides (5-10, 145) and returning junior quarterback John Aaron.

Millsap is 3-2 this season and 0-1 in district competition.

The Bulldogs, according to Texas Football Magazine, have seven returning lettermen this year, including a speedy wingback in Lupe Benavides (5-10, 145) and returning junior quarterback John Aaron.

Millsap is 3-2 this season and 0-1 in district competition.

negligent throwing of such things. Persons apprehended for such a violation can face penalties up to \$200.

Also discussed and passed was the pay period for city employees, with the pay period moved to Wednesday of each week, allowing employees to receive their checks around noon on Friday.

In other action, council members studied ordinances concerning the installation of sewer lines to homes within the city limits and their subdivisions.

Holliday School Menu

Breakfast: Rice, milk, toast, butter.
Lunch: Hamburger, potato chips, lettuce and tomatoes, dessert, milk.

Thursday, Oct. 18
Breakfast: French toast, syrup, milk.
Lunch: Creole spaghetti, blackeyed peas, batter bread, syrup, salad, milk.

Millsap figures tough

Holliday's Eagles are looking toward a tougher match than last week's opponent, Chico, when the Millsap Bulldogs enter town for a district bout tomorrow night.

Although the Bulldogs bowed to Petrolia last week, 38-0, Eagle coach Don Lucy

thinks tomorrow night won't be an easy chore by any means.

"Millsap lost the ball on turnovers quite a bit last week, and that hurt them," remarked Lucy. "But the Bulldogs also beat Perrin in a scrimmage early in the season, and Perrin went on to beat Chico 44-0."

Archer sheriff's office gets state-funded grant

Rep. Charles Finnell announced this week the approval by Gov. Bill Clements and the Criminal Justice Division of the Governor's office of two grant projects for Archer County and the Nortex Regional Planning Commission totaling \$35,021.

Both programs will provide area law enforcement officers with the necessary equipment and manpower needed to improve handling data related to a crime not only at the scene of the crime but also in the agency offices.

"These grants reflect the

concerted effort by the governor's staff to aid area law enforcement officers in the support and improvement of the criminal justice system in Texas," Finnell said. "With this added support, local officers will be able to provide area citizens with more efficient law enforcement."

Funds totaling \$1,704 will be used by the Archer County Sheriff's Department to purchase equipment needed to record all the necessary data acquired through the course of an investigation of a crime. The equipment consists of seven microcassette recorders, one microcassette transcriber and accessories.

The project for the Nortex Regional Planning Commission funded \$34,317, will continue local criminal justice planning during fiscal year 1980. Funds will be for a qualified criminal justice planning staff to provide local input into Texas' criminal justice planning process. The local planning unit will develop a plan describing area crime problems, identifying ways to stop the problems and prioritizing crime reduction programs.

Style show is planned

A style show sponsored by the Holliday PTA was discussed at an executive meeting held recently at the home of president Joe Bynum.

The style show, planned for Tuesday, Oct. 23, will feature clothes from The Willow Tree, and jewelry from Cardan and Co. of Wichita Falls. Furniture and other settings will be furnished by White's Store of Holliday.

A door prize will be given away at the show.

HEAVY DAMAGE was inflicted to the Ted Williams home, 202 E. Crystal, Saturday afternoon. Origin of the blaze has not yet been identified. Firemen could not use the fireplug in the foreground, apparently because of a faulty valve, and had to use another plug nearby.

90th birthday is observed

Mr. and Mrs. H.K. Gregg were hosts for a dinner Sunday honoring her father, H.L. Latham of Seymour on his 90th birthday. His wife, who has been his helpmate for 58 years, accompanied him to the dinner.

Other children and their spouses present were Mr. and Mrs. Melvin Wicker and Mr. and Mrs. Harold Latham of Seymour, and Mrs. Bob Tucker of Wichita Falls.

Grandchildren present were Messrs. and Mrs. Mike Young and children, Lonnie Scott and Brandon, Gary Tucker and children, Lynn Tucker and Kelly; and Mickie Gregg from Iowa Park; Mr. and Mrs. Jackie Howry and girls from Wichita Falls; Mr. and Mrs. Jim Donnell and children, Mr. and Mrs. Charles Wicker and family and Richard Latham from Seymour. Miss Annette Carndhan from Bomarton was a guest.

Mr. Latham is a World War I veteran and a longtime farmer of Baylor County. He lived at Bomarton for a number of years and moved to Seymour 11 years ago.

Municipal Court Records

Results of municipal court held Thursday were:
 Sandra Lummus James, speeding, \$40.80;
 Jerry Wayne Beggs, no valid vehicle inspection, \$28.50;
 Danny Wayne Gray, exhibition of acceleration, \$38.50;
 James Franklin Jump, expired drivers license, \$38.50;

Obituaries

George W. Atchley

Services for George W. Atchley, 61, of Holliday were Saturday afternoon at the First Baptist Church in Holliday.

Rev. Mike Grishman, pastor, and Rev. Darius McKay, pastor of Trinity Baptist Church in Wichita Falls, officiated. Burial was in Highland Cemetery in Iowa Park under direction of Owens and Brumley Funeral Home.

Born Feb. 7, 1918, in Bowie, he was an oil field pumper employed by Arcadia Refinery.

He is survived by his wife, Dorothy; four brothers, Houston of Brownfield, Johnny of Crowell, Junior of Lubbock and Charles of Windthorst; a sister, Eula McVey of Los Angeles; and three grandchildren.

Ernest Ellis Hammons

Ernest Ellis Hammons, 69, a 44-year resident of Newcastle and stepbrother of Mrs. Robert E. Goodloe of Holliday, died Friday in an Olney nursing home.

Funeral service was held Sunday in the Church of Christ with Ed Jones, minister of the Hamilton Street Church of Christ, officiating. Burial was in the Newcastle Cemetery under direction of Lunn Funeral Home.

Born Nov. 3, 1909, in Erick, Okla., he was a trucker, member of the Church of Christ, and a World War II veteran of the Signal Corps. He was married to Eula Suitor in 1931 in Clayton, N.M.

Survivors include his wife; a son, Ernest Jr. of Graham; two daughters, Mrs. Patsy Lee Davis of Newcastle and Mrs. Betty Jo Holloway of Larado, Mo.; a stepbrother, Mack Suiter of Olney; three stepsisters, Mrs. Christy Connel of Harrison, Ark., Mrs. Joe Gray of Newcastle and Mrs. Goodloe of Holliday; nine grandchildren and one great-grandchild.

Russell J. Noe

A funeral mass was celebrated Saturday morning at St. Mary's Catholic Church in Alton, Ill. for Russell J. Noe, 47, who died Wednesday after a lengthy illness.

Father Neal Dee was celebrant and Father Frank O'Hara was co-celebrant for the mass. Burial was at Montrose Cemetery, Ill.

Born in Alton, he married Norma Jean Moer, daughter of Mr. and Mrs. Carl Moer of Wichita Valley Farms, at the Sacred Heart Church in Wichita Falls, Oct. 17, 1953. He was a foreman at the Electric Melt Shop in Alton where he had been employed for 28 years.

Survivors include his wife of the home; his parents, Mr. and Mrs. William R. Noe of Alton; a daughter, Sandra of the home; four sons, Gregory and Bruce, also of the home, David of Ft. Smith, Ark. and Edward of the U.S. Navy, stationed at Charleston, S.C.; two brothers, Paul of Highland and Phillip of South Bend, Ind.

Attending the services from Iowa Park were Mr. and Mrs. Delbert Catlin and Brian Catlin, who served as one of the pallbearers, Mr. and Mrs. James Moer, and Mr. and Mrs. LeRoy Moer of Wichita Falls also attended.

John Perkins

John Perkins, 69, of Paducah, father of Mrs. Bernice Starnes of Iowa Park, died Friday after a lengthy illness.

Services were Sunday in Missionary Baptist Church with Rev. Bob Fisher, pastor, officiating. Burial was in Garden of Memories Cemetery under direction of Norris Funeral Home.

A resident of Cottle County since 1948 and a retired farmer, he was born Oct. 6, 1909 in Hill County.

He is survived by his wife, Donna; three sons, Edward of Irving, Bill of Paducah and Don of Childress; one daughter, Mrs. Starnes of Iowa Park; six sisters, Mrs. Mary Bennington, Mrs. Lillian Shirley, Mrs. Helen Sellers, Mrs. Delores Wiggins, Mrs. Frances Owens and Mrs. Lorene Thornberry, all of Oklahoma; two brothers, Ortha of Oklahoma City and R.A. Brezell of Fort Worth; 13 grandchildren and 10 great-grandchildren.

Driving course scheduled here

A Defensive Driving Course will be offered to those interested beginning Oct. 29 at the First Baptist Church, according to Officer John Brown of the Department of Public Safety.

The course, designed to enhance driver awareness of defensive driving as well as giving those certified at the end of the course a 10 percent discount on their personal automobile insurance rates, will meet from 7 to 10 p.m. Oct. 29, 30, and Nov. 5. Cost of the course will be \$2.25 for the workbook and certificate, with instruction provided by

Officer Brown.
 Interested persons should contact Barbara Adams, secretary of the First Baptist Church, at 592-4244.
