DR. EARL WATSON
520 W. CLARA
IOWA PARK, TEXAS

IOWA PARK LEADER

VOL. XI, NO. 8 THURSDAY, OCTOBER 25, 1979 25 CENTS
IOWA PARK, WICHITA COUNTY, TEXAS 76367

SPOOKY NEIGHBORS - Two homes in south Iowa Park are traditionally decorated for Halloween. They are the homes of Mr. and Mrs. Jerry Robertson, 111 W. Chestnut, and Mr. and Mrs. James Yarbrough, 808 S. Yosemite. The couples work together each year in decorating. Wednesday will be Halloween in Iowa Park.

Rebounding Hawks take on Kangaroos

Still smarting from Thursday's upset by Hirschi, the Iowa Park Hawks take on the district-leading Weatherford Kangaroos in Hawk Stadium tomorrow night.

The Hawks turned over the ball five times on miscues last week and were defeated by Hirschi 21-9. Weatherford was resting with an open date.

Weatherford, with nine starters from last year, is doubtlessly remembering the Mean Green 14-7 win that dampened the Kangaroo homecoming. That was Iowa Park's only district win for the season.

Thursday's loss to Hirschi was Iowa Park's first this year, but the Hawks still have a chance to take the Dist. 4-AAA crown.

"I think if we win our next three games (that's all there are on the schedule), we will win district," commented Coach Tommy Watkins.

He pointed out that the district is extremely close, and any team can knock off its opponent on a Monday night. Weatherford and Burkburnett are undefeated after two district games. Iowa Park and Mineral Wells are 1-1; Hirschi is 1-1; Vernon is 0-1; and Graham is 0-3.

Vernon and Graham play tomorrow, as do Burkburnett and Hirschi.

Next week Graham plays Mineral Wells. Weatherford takes on Burkburnett and Hirschi plays Vernon, while the Hawks have an open date. The final two weekends it's Burkburnett-Iowa Park, Mineral Wells-Hirschi, Vernon-Weatherford, and Hirschi-Graham, Iowa Park-Vernon, Weatherford-Mineral Wells.

The Kangaroos made hash of Hirschi, 29-6, but had a harder time defeating Graham 28-13, the same team Iowa Park whopped 42-0.

In their non-conference games, Weatherford plays such ho-hum teams as Fort Worth Brewer, 42-21, Burleson, 20-6, and Granbury, 28-0, and lost to Azle 10-8.

Leading the Kangaroos, and all runners in the district in yards rushing, is runningback Doug Jefferson, who has carried the ball 102 times and gained 675. In district games he is averaging five yards for 41 carries, 208 yards.

Quarterback Tony George figures to be a tough competitor. He was last year when a sophomore. He's also a good passer, completing 33 of 99 attempts this season for 584 yards. James Holybee is his favorite receiver, snaring 15 receptions for 310 yards. Holybee is also leading the district for interceptions on defense.

with three. Jefferson has scored 48 points this

Johnson pleads guilty

Calls for influence from friends on punishment

After pleading guilty to two counts of interstate transportation of stolen property yesterday morning, Bobby Johnson asked for public influence on his sentencing.

The Iowa Park grain dealer appeared in U.S. District Court, before Judge Eldon C. Mahon, and admitted guilt on two of 17 counts which had been brought against him by a federal grand jury. Johnson was arraigned on Nov. 19, but now, according to Judge Mahon, sentencing on the guilty pleas will be held at 11 a.m. Nov. 18, in the same courtroom.

Following the re-arraignment hearing yesterday, Johnson was allowed to make a short statement on

the steps of the federal building, when he said: "If I have any friends out there that can help me with my sentencing, to call my mother there in Iowa Park."

He also asked forgiveness from those whom he had "sinned against." "Though the courtroom was far from crowded, the audience was made up almost entirely of Johnson family and representatives of the news media," reported a reporter.

Judge Mahon told Johnson he could be fined a maximum of \$10,000 and imprisoned a maximum of 10 years on each count, and carefully explained the maximum could be \$20,000 in fines and 20 years in prison.

Throughout the proceedings, the judge carefully dissected the law and everything concerned with the case, and repeatedly asked Johnson if he understood fully, to which Johnson would reply "Yes sir, I understand."

Following his July 14 capture in Rexburg, Idaho, Johnson had pled not guilty on all 13 counts of interstate transportation of stolen grain and four counts of aiding and abetting his brother, H.C., in the same offense.

After plea bargaining, Assistant U.S. Attorney R.H. Wallace agreed to not prosecute the remaining counts once Johnson pled guilty on the two

counts.

Gene Douglass, attorney representing Johnson, said in court yesterday that District Attorney Tim Eysen had written a letter that any state also would not prosecute any of the other counts. However, Judge Mahon pointed out that his court could not hold the state to any such agreement, in case the state should change its mind in the future.

Johnson should plead guilty, his punishment would be set by the judge in a federal court, which was different from a state or county court where the jury recommends the punishment.

During the early part of the questioning, Judge Mahon recommended to Johnson that he not change his plea, since he had already pled not guilty at an earlier hearing.

He pointed out the advantages of an accused in being tried before a jury, where the accused must be found guilty "beyond any reasonable doubt" by the jury.

The two counts to which Johnson pled guilty, which were numbered 12 and 13 in the indictment, both concerned wheat which had been taken from storage in Oklahoma receiving points, transported through Bowie, and taken to Fort Worth where it was sold on a market in excess of \$3 per bushel.

Douglass, at one point in the hearing, pointed out a disagreement on the amount of grain concerned in the indictments, saying the amount was less.

But Judge Mahon said the shortage figures were not material, but rather "the elements of the offense." It could be 200,000 bushels or 600,000 bushels. It is the elements of the case he said.

"The court finds that there is factual basis for your plea and accepts your plea of guilty, and finds you guilty of offenses charged in counts 12 and 13 of the indictment," Mahon

said.

One bearing on the punishment of the case is a life's history of Johnson, which is to be compiled by a probation officer. Mahon said everything that can be learned about Johnson, from birth to the present, will be compiled. The judge will study that, along with the case, before imposing punishment.

Early in the hearing, Johnson requested that his name be changed to Bobby Mangel. He said the proper name is Bobby Mangel Johnson, not Robert M. Johnson. Mahon agreed, when Johnson confirmed the information was correct, that from that point on, all records would refer to him as Bobby M. Johnson.

Johnson disappeared Jan. 3, 1977, when he reportedly fell from the side of a boat in the Gulf of Mexico. He was sought by state and federal officers some two and a half years before being found in Idaho.

Bond was first set at \$1-million, but was later lowered to \$500,000. Unable to make even the lower bond, Johnson has remained in Wichita County jail.

He appeared in court yesterday wearing a dark gray western suit, closely shaved except for heavy sideburns, and his hair stylishly trimmed. He was carrying what appeared to be a small, black-covered Bible.

He entered the courtroom at 10:33, some three minutes after the hearing was reportedly to start. As he entered the door, he looked up at members of his family, smiled and waved his hand slightly.

Judge Mahon entered the courtroom at 10:50. From the time he instructed Johnson and his attorney to stand, at 10:54, until the hearing was adjourned at 11:48, both men stood without moving from the one location.

Football player recovering from serious blood disorder

The situation was cautious and critical for a young Iowa Park High School football player until Monday morning, when he was taken from the "seriously ill" list at Sheppard AFB Hospital.

Mike Ray was found to have a serious blood disorder following Thursday night's football game in Wichita Falls against Hirschi High School.

His mother, Mrs. Bob Ray, 114 Wood Circle, said the youth showed her numerous dark bruises over his body when he arrived home Thursday night. They were so serious-looking, she said she knew it was not normal, and the family went immediately to the base hospital.

He was admitted Friday morning after tests indicated his blood platelet count was down to 8,000. Normal is about 250,000.

In the absence of platelets, the

blood cannot coagulate, and the patient becomes what is commonly termed as a "bleeder." Mrs. Ray said the bruises were described by the doctor as a "Blessing," because they gave alert to the situation. Had he not bruised, and instead have been cut in some way, he possibly could have bled to death, according to the doctor.

Tests conducted have not given the doctors any reason, as yet, for the disorder. They don't know if the body is throwing off the platelets, or if something in the boy's blood was destroying them.

But it is obvious the body is rebuilding its platelet count, because the count had increased to 45,000 by Saturday, and 152,000 Tuesday morning, without any injections.

Ray's body is a mass of bruises, according to his mother, because everywhere he received a blow, blood

vessels burst, and bled underneath the skin, making the bruises. They are even inside his mouth, she said.

Ray was hit, several times, in Thursday's game. He carried the ball 12 times in the three quarters he saw action. When not carrying the ball, he was blocking, according to his assignments.

The doctors don't know yet how long Ray has suffered with the blood disorder, though it is apparent the platelet count had not been extremely low until last week's game because no signs of multiple or extreme bruising were apparent until Thursday.

Ray is a junior at Iowa Park High. Going into last week's game, he was tied for the lead among District 4-AAA backs for scoring this season, with 48 points. He was fifth among ball carriers of the league in rushing yardage, having gained 429 yards on 79 carries, a 5.4-yard average.

Daylight Savings Time Ends
OCT. 28

BUSY CHILI COOKS - The Iowa Park MuleSkinners had a busy day Saturday, after obligating themselves to two events. During the day they cooked for the annual Red River Chili Cookoff, and fed some 50 pounds to visitors. That evening they fed their finest red brew to some 330 women from Northwest Texas attending a Beta Sigma Phi meeting in the Wichita Falls Activities Center.

23 Study Club members look at Social Security

The purpose of the 23 Study Club program Thursday afternoon was aimed at taking a look at the Social Security system, to discover some of its current problems and options to put it in shape for the future.

Mrs. Travis Smith and Mrs. Keith Aulds composed the panel to furnish the informative topics through narration, charts and statistics.

Mrs. Smith's topic was

"The Social Security System - from Then up to Now." She began by asking "Where did the term Social Security come from and what's behind it?" Then she used the definition of Lord William Beveridge, an English economist, which was: "A job when you can't work and income when you can't." to answer the last part of the question.

She observed that man has been concerned with his

economic security and devised numerous methods to cope with the problem throughout history. She cited the huge granaries built by Joseph as an attempt to make life more secure, and food storage and migration practices by nomadic tribes as very early examples.

Mrs. Smith stated that European craft guild organized insurance benefits plans as far back as the Middle Ages, but that Germany was the first government to operate compulsory social insurance, starting in the 1880s, and from that movement 700 nations now have systems to collect taxes and pay them out as benefits for earnings lost.

She discussed the series of gradual changes and events in our nation, leading up to the Congress of the United States passing the Social Security Act which was signed into law by Franklin D. Roosevelt Aug. 14, 1935. She described the grants and tax base rates for the employer and employee then, and gave a running sketch of the changes during the 44 years of its existence. Paving the way for the next talk, she concluded with "This year's pay out in Social Security benefits is estimated at \$135-billion, which is more than the Defense Department budget."

Mrs. Aulds' topic was "Will It Be There When We Need It?" She used a chart

to depict some of the storm clouds over Social Security, showing why more than 80 percent of the people doubt that they will receive full benefits when they are eligible for them, and another to show options for its survival.

The projections that the Medicare hospital trust fund would be gone by 1992, the retirement fund would be no more by 2025, and the Social Security deficit would be over a trillion dollars by 2052 headed the apprehensions for the future of the system. The escalation of tax rates followed.

The options mentioned were: a shift to the treasury, universal coverage required, roll back of tax paid increase, crack down on waste and fraud, tightening of eligibility standards, elimination of "double dipper" and \$255 death benefits, and reduction of dependent benefits.

The meeting was held in the home of Mrs. C.L. Metz with Mrs. Sam Hill the co-hostess. Mrs. L.E. Brooks was program leader.

Mrs. Earl Watson used "Too Busy Not to Pray" by Jo Carr and Imogene Sorley for the meditation.

For the arts feature, Mrs. T.M. Thaxton read the poems, "Works" by John Greenleaf Whittier, "A Bag

of Tools" by R.E. Sharp, and "Common Task" by Grace Noll Crowell.

Mrs. Erwin F. Soell, president, gave a report on the recent Santa Rosa District workshop meeting at Vernon.

During the social hour refreshments were served from a table laid with ecru linen and appointed with striking Halloween arrangement.

Twenty-one members were present.

Shower fetes bride elect

Miss Terri Hanson, bride-elect of Keith Dyer, was complimented at a prenuptial shower Sunday afternoon in the home of Mrs. Hubert Stephens in Wichita Falls.

Miss Diana Stephens, the hostess, was assisted by Mes. Alvin Michael, Larry Ballard and Dan Tucker.

Decorations for the function were governed by apricot and brown, the colors chosen by the honoree for emphasis in the couple's wedding Nov. 30 at the Southwest Baptist Church in Wichita Falls.

The colors were given special attention on the refreshment table laid with white lace accented with apricot silk runners. A miniature apricot-colored tree holding white doves, brown baskets filled with flowers and apricot net rice bags was the attractive

centerpiece. The white sheet cake was decorated with frosting roses in the chosen hues, and these were centered with small kitchen gadgets for the honoree. Other appointments were baby pictures of Miss Hanson and her fiancé.

Special guests were Mrs. Sheldon Hanson and Mrs. James Dyer, mothers of the betrothed couple.

Forty called during the reception hours.

Kidwell carnival slated Saturday

The annual Kidwell Elementary PTA Halloween Carnival will be held Saturday between 6 and 9 p.m.

A meal consisting of pinto beans, cornbread and corn on the cob will be offered for the entire family. Tacos, Frito pie, homemade cake and pie will also be available.

The carnival will feature booths for both children and adults. Some of the attractions will be cake, pie and toy walks and a Christmas shop.

Kidwell students in grades 2, 3 and 4 have been selling advance tickets at 25 cents each. These tickets may be used for any of the activities or to eat in the cafeteria. They may be purchased from the students who are selling them today or during the carnival at the school.

The profits from the carnival will be used for projects which benefit the students.

Optimist Club hosts successful meeting

The Optimist Club of Iowa Park was host over the weekend to what was considered the most successful board meeting of the North Texas District in many years.

The convention was kicked off Friday with a hello party at the Gateway Inn in Wichita Falls. Each member of the local club and their wives dressed in a costume, from the "Dirty Old Man" to a cheerleader.

Clayton Day, North Texas District governor, and Jack Stroman, Optimist International vice president, both expressed the next day how great the party had been. "The hello party last night was the best I've attended since I've been an Optimist, which has been some 30 years," Day said Saturday. The NOW luncheon,

which is meant to promote membership growth, was held Saturday at the Iowa Park High School. Some 175 men attended the luncheon, and 25 more during the afternoon session.

Speeches were given by James Richter, Zone Three Lt. Gov., on the history of Optimism; Jim-Grove, Iowa Park president, on the history of the Iowa Park club; Danny Parkerson, who gave a recruiting speech.

Ladies attending the convention were kept busy,

Saturday was started with a breakfast at the Gateway. At noon, a luncheon and style show was held at the First Methodist Church of Iowa Park. Later some 100 women went on a shopping trip to the Velfree Shop and Country Collections, where artist Jack Stevens was on hand to explain his works.

A dinner-dance concluded Saturday's activities at the Gateway.

The convention was officially concluded with a Family Affair breakfast.

AEO members discuss plans

Mrs. Gene Bond was hostess for the Alpha Epsilon Omicron chapter of Beta Sigma Phi meeting Monday evening. Mrs. Roy Dorman led opening rituals. Gayle Cleghorn presided during the business period. Mrs. Danny Holman, ways and means chairman, reporting on the chapter's flea market held over the week end said that it netted \$84.

The discussion of forth

38 attend CW meeting

Thirty eight members of the Christian Workers class of First United Methodist Church met Thursday evening in the Fellowship Hall for the monthly covered dish meal and social.

During the business directed by Herman Mahler, it was reported that the Rev. Don Youngblood, a former pastor was improving in an Archer City hospital following a stroke.

Mrs. Bertha McDonald introduced Scott Fowler, who accompanied himself at the piano for his four vocal selections, such as his own composition. These included "Spirit of God", "The Losers", "New Creation" and "Fall in Love with God." Scott Stubbs was another guest.

The dinner was hosted by Mr. and Mrs. Swan Reaves and Mr. and Mrs. Roy Lakey.

Friendly Door Lunch Menu

Thurs., Oct. 25 - Ham, macaroni, tomatoes, cabbage, beets, sheet cake.

Fri. Oct. 26 - Mexican casserole, tostadas, soup, salad, applesauce.

Mon. Oct. 29 - Swiss steak, potatoes, peas, carrots, salad, mixed fruit.

Tues. Oct. 30 - Salmon croquettes, tater tots, vegetables, slaw, cake.

Wed. Oct. 31 - Chicken, dumplings, potatoes, green beans, salad, prunes.

"Worth waiting for" is the way Mrs. Carl Flatt describes her Coconut Sour Cream Cake. The coconut cake, retaining its popularity through so many years, still seems to be the favorite of so many Americans today.

Coconuts, the fruit of coconut palm, are a very important crop. It is not known where the coconut palm comes from. Scientists believe that nuts from the tree have been carried by ocean tides, as well as by man, from one tropical country to another. It has been impossible to find the original home of the palm since it is reputed to have been growing in every tropical land since the dawn of history.

The origin of the coconut palm is not the important thing - the fact that it found its way to America is of prime importance. Confectioners and bakers make good use of it. They use shredded coconut, either canned, dried or in the natural milk, and its popularity for use in making pies, cakes, candy and cookies is hardly equalled.

The former Carol Talley was graduated from Valley View High School where she played the steel guitar with a group that was much in demand to provide entertainment for various activities, one of these being the

Mrs. Carl Flatt

annual Iowa Park Noon Lions Club Minstrel. She and her sister have played at some area Western Jamborees in recent years.

Carol has attended Northwest Assembly of God in Wichita Falls. In addition to playing the guitar, she enjoys upholstering to the degree that she and her husband, who is general manager of Texhoma National, have their own upholstery shop in South Gate Gardens, and she also likes to do oil painting.

The Flatts have a son, Carlan, a junior high student.

dissolved. Add sugar, oleo, egg, salt and half the flour, beat until smooth.

Mix remaining flour until dough is easy to handle. Place in greased bowl, turning to grease top. Cover loosely with foil. Refrigerate 2 hours (over night is better).

When fresh rolls are desired, remove dough from refrigerator, cut amount needed and return remaining dough to refrigerator. Dough may be kept 3 or 4 days.

RED WINE STEW

- 2 lbs. lean and tender stew meat
 - 1 pkg. Lipton Onion soup mix
 - 1 can cream of mushroom soup
 - 1 can mushrooms
 - 1/2 cup water
 - 1/2 cup red wine
- Bake covered in 325 degree oven for 2 1/2 or 3 hours.

Joseph Hugh, an eight-pound, 15 ounce son, was born Sept. 17 to Mr. and Mrs. Jimmy Wolfe of Kamay. He has one brother, Sammy, seven, and a sister, Shellie, four.

Grandparents are Mrs. Billie Wolfe of Lampasas, Mr. and Mrs. Fred Higham of Sterling Heights, Mich. Great grandparents are Mr. and Mrs. George Ellis of Oshawa, Ontario, Canada.

REFRIGERATOR ROLLS

- 2 cups warm water
- 2 pkgs. Fleischmanns active dry yeast
- 1/2 cup sugar
- 1/4 cup soft oleo or shortening
- 1 egg, beaten
- 2 t salt
- 6 1/2 or 7 cups all purpose flour

Measure water into large warm mixing bowl. Sprinkle in yeast and stir until

COCONUT SOUR CREAM LAYER CAKE

- 1 (18 1/2 oz.) pkg. yellow cake mix
- 2 cups sugar
- 1 - 16 oz. carton sour cream
- 1 - 12 oz. pkg. frozen coconut, thawed, fresh coconut, or angel flake (If angel flake coconut is used, cut down sugar from 2 cups to 1 1/2 cups)
- 1 1/2 cups frozen whipped topping, thawed

Prepare cake mix according to pkg. directions, making two 8-inch layers. When completely cool, split both layers.

Combine sugar, sour cream and coconut, blending well; chill. Reserve one cup sour cream mixture for frosting, and spread remainder between layers of cake.

Combine reserved sour cream mixture with whipped topping, blend until smooth. Spread on top and sides of cakes. Seal cake in airtight container and refrigerate for three days before serving.

CHICKEN CASSEROLE

- 1 fryer, cut up
- 1 envelope Lipton Onion Soup Mix
- 1 can chicken or mushroom soup
- 1/2 to 1 cup water

Cook covered at 350 degrees for 1 hour or longer, depending on size of chicken. This makes its own gravy. Can also be cooked in slow cooker.

SOUTH OF THE BORDER CASSEROLE

- 3 lbs. ground meat
- 1 can Rotel tomatoes with chillies
- 1 can cream of mushroom soup
- 1 large can ranch-style beans
- 2 lbs. Velveeta cheese, shredded
- Large cheese-flavored Doritos

Cook ground meat with some chopped onion and green bell pepper, if desired. Drain if there is a lot of grease. Mix together soup, tomatoes, chopped, and beans.

Spoon in layers beginning with Doritos on bottom and ending with cheese on top. Use one large casserole or may be divided into 3 small casseroles. Freezes nicely. Heat until bubbly, covered, about 20 minutes at 425 degrees.

As I See It....

This is one of the most pleasant time of the year, but also one of the most confusing.

That front last week brought some cool weather to the area. Now we don't know what to put on in the mornings. It'll be real cool when we start to work in the chill of the morning, and by middle afternoon we are rolling up our sleeves and wishing for lighter weight pants. And then we can't remember to take that jacket or sweater home in the afternoons after work.

Where else in the world can you find weather like our's. One day we have temperatures around 100, and the next day it's frosty.

Louis Sefcik tells me he saw some frost in the ditches between his home northeast of town and the store Tuesday morning.

Something else that is confusing,

takes place Saturday night. Remember what happens?

You are supposed to set back your clock one hour so we can stop saving time. Remember the saying "Fall back, Spring forward."

Really, there's not much problem to remember to change the clock. That part is simple. It's trying to change my sleeping and eating habits that give me fits. Maybe our elected officials who voted for Daylight Savings Time can pass some legislation which will make our sleep and hunger change with the clock changes.

There's some other confusion around town, since last Thursday night. Everyone seems to be asking the question "What was wrong with the Hawks?" And according to one of the athletes, the fans are asking the players themselves that question.

Well, first of all, they are high school athletes, and as such, subject to having an off night as an athlete.

You don't think much of that as an excuse? How can an entire team be off at the same time? Well they weren't off, all those members of the team. In fact, Coach Tommy Watkins says the line never played a better game.

Still not satisfied? Well try this one: two weeks ago, the Pittsburg Steelers, world champions of professional football and three-time Super Bowl champs, lost the ball nine times on turnovers. You don't have to be a high school athlete to make mistakes. It happens to the best of them.

Maybe there'll be another parallel. Pittsburg came roaring back with an almost perfect game Monday night and humiliated a good Denver team. Maybe the Hawks can do the same to Weatherford.

While admitting I'm confused with the changes that come in the fall, I was wondering: Does it stay fall all year round in Washington D.C.?

Letters to the Editor

Dear Mr. Hamilton,

The idea of 4,400 school districts being shut down because of teacher strikes is appalling. The idea of even 440 (4% of 11000) being shut down is also appalling. Teacher strikes deprive our children of the opportunity to learn such fundamental skills as reading, writing, and percentages.

The unionization of teachers is anathema to me, also, but I don't believe in dropping out. TSTA members must stay with the organization and fight against such insidious concepts from within.

Many TSTA members, including myself, want to sever all relations with the NEA. At the last state convention, a proposal to do just that was defeated by a narrow margin. If TSTA can maintain a membership of responsible people, this can be accomplished.

If, as you suggest, teachers drop out of TSTA, the end result would be the strengthening of the pro-union forces. The way to effect a change for the better is to stay in the system and fight -- not run!

/s/ Elizabeth Meux
TSTA Building Representative
Iowa Park High School

TRICKY GEAR SHIFT - An automobile being driven by Stacy Forman, 713 Manes, Tuesday afternoon wound up in a helpless position. The driver said she was traveling east on the access road when her hand accidentally hit the gear shift, throwing it into reverse, and winding up on the guard rail next to Gordon Lake.

Worth Quoting

Howard may be doing a real therapeutic service for the American public, says writer Glenn Rea.

UW report set today

The fourth report meeting for the annual United Way campaign is set for 10 a.m. today at the Texas Electric Reddy Room in Wichita Falls.

Iowa Park Chairman Keith Aulds encourages all local volunteers working in the campaign to attend.

Victory Day for the drive is scheduled Nov. 15. Weekly report meetings will be held each Thursday in Wichita Falls. The campaign is seeking \$1,314,500 to fund 33 agencies in Iowa Park, Burkburnett and Wichita Falls.

"Think about it a minute. Monday is simply one of those black days. Nothing goes right at work, and the frustrations are building. The husband goes home, eats a charred dinner and then settles in for an evening of Monday night football.

"Now, he can take out his anguish and frustrations on Howard rather than the wife or kids," Rea says.

In fact, Rea tells about a guy in Colorado who is capitalizing on this very theory. The man runs a bar somewhere in the Golden State that includes one of those giant-size screens for the benefit of patrons who want to sip and watch football at the same time.

Each week he buys an old television set and sits it up. He sells \$1 chances for the right to really take out frustrations on Howard Cosell.

The winner of the drawing gets a rifle and one bullet. He then gets the

pleasure of shooting out the picture during a closeup on Howard Cosell. Now, that's the American free enterprise system!

BILL ELLIS
Friona Star

Criminal mischief, theft are reported

Criminal mischief and theft of meat were reported during the week to the Iowa Park Police Department.

A plate glass window was reported to have been broken at the Time Out, former Jiffy on Johnson Road, early Thursday morning. The same was reported two evenings earlier. Cost per window is \$250.

Carl Pool, 830 N. Park, said Sunday his freezer in his garage had been ransacked and some \$150 to \$200 worth of meat taken.

Rebounding

Continued from page 1

year, George 30 and Scott Peoples 18.

A scoring showdown between Jefferson and Iowa Park's Mike Ray won't come off tomorrow. Ray, who also has racked up 48 points on the year, will probably be out the rest of the season due to a blood disorder.

Watkins is counting on four players to fill in for the sophomore fullback. He's been working with James Spears in that slot, as well as Toby Smith. Now he's started working Mike Smith, 185-pound noseguard, and has brought up from the junior varsity Chris Nethery.

The loss to Hirschi may have taken some heat off the Hawks. Watkins says opponents will possibly concentrate more on their work in preparation for other teams, and not as much on beating Iowa Park now that the Hawks have a district loss.

Watkins says Iowa Park and Weatherford personnel are very similar, and expects a close game.

About the Kangaroos, Watkins said "They may be the best team in the district, but I still don't think they will win it."

Risa Roberts recognized

Risa Roberts, daughter of Mr. and Mrs. Ross O. Roberts, has been named the Opti-Mrs. Student of the Month giving special recog-

niton to her accomplish-ments in band.

A senior at Iowa Park High School, she is a Double A honor roll student, treasurer of the senior class, secretary of the National Honor Society in which she is a two-year member.

She has been a member of the band seven years, serving as vice president when she was a junior and president this year. She has belonged to the stage band one year, A Cappella Choir three years and Madrigal Singers one year.

She was chosen for All-District Band two years,

All-Region Band three years, All-Region Orchestra one year and All-Area Band one year.

She made Division I at UIL Solo and Ensemble Contest and Greater South-west Music Festival. She was also named Who's Who in band during her sopho-more year, and chosen to attend Girl's State at Seguin during the summer of 1979.

She is a member of the Iowa Park Church of Christ. She plans to attend Texas Tech University and is presently considering a major in psychology.

Deep Basins:

AMERICA'S NEXT GREAT SOURCE OF NATURAL GAS?

Producers are finding a lot of "super" gas wells in Oklahoma's and Texas' deep basins. A super well produces enough gas in a year to equal the energy in a million barrels of oil. This is enough gas to heat 1,000 homes for almost 56 years!

Exploration of these ultra-deep basins is gaining momentum now that producers have the technology to drill below 20,000 feet. In fact, many industry experts believe the deep basins will be America's next great source of gas.

The average gas well costs about \$300,000 to complete. A deep well can cost up to \$10 million, which explains why it's often necessary to pay higher prices for the gas we buy.

Lone Star has been buying gas from shallower production in the deep-basin areas for years. Our pipeline network will help us buy new gas selectively, negotiate hard for terms favorable to you, and deliver the gas efficiently and economically.

Producers now have the technology to tap enormous, previously unreachable gas reserves in this area's ultra-deep basins.

Gas. It's plentiful, efficient and right for the times.

TURNOVERS COSTLY

Hawks hand Huskies 21-9 win

Give turnovers, four of them in the final quarter, Thursday night paved the way for Iowa Park's first defeat of the season.

The Hawks dominated Wichita Falls Hirschi in almost every category, but the Huskies played errorless ball, and that was the difference.

The first three turnovers, all fumbles, didn't hurt Iowa Park, because the Hawks were well within striking distance. But when Hirschi scored twice within 15 seconds of playing time, it was more than the Mean Green could overcome, and the Wichita Falls school went on to win, 21-9.

Taking the opening kickoff, the Hawks looked like they were going to blow Hirschi completely out of the stadium. They picked up three first downs, gaining 41 yards, on four carries, but on the fifth play fumbled on the Husky 35.

Still in the first quarter, the Hawks had an apparent first down on Hirschi's 40 yard line, but a five-yard penalty set them back on their own 40, and they had to punt the ball away.

Iowa Park had the ball six times in the fourth quarter. The Hawks had to settle for a field goal after a minor penalty took them out of touchdown range. Then, on their next possessions, they fumbled, were intercepted, punted, fumbled, and were intercepted.

The loss gave the Hawks a 5-1-1 record for the season, while Hirschi now stands 2-4.

Iowa Park scored first, putting together a 78-yard drive late in the second quarter, mostly on the passing of Curtis Martin.

The junior quarterback hit Robert Hastings on a 32-yarder, with Hastings making some nifty moves on his own after taking the ball 16 yards down field. Mike Ray rambled 13 yards, when Martin followed with a pass to tight end Ronnie Reusch for 16 to the Hirschi 18.

Martin was sacked for a four-yard loss two plays later, and then hit split receiver Robert Brown on a 19-yard scoring play. Ironically, Hirschi's main player, R.L. Harris, tipped the ball into the air before Brown hauled it in for the TD.

It was Harris who, later in the fourth period, intercepted a Martin pass and returned it 55 yards to put the game out of reach for the Hawks.

Ron Taylor's kick for the extra point was pulled wide to the left of the goal posts, leaving the Hawks a 6-0 lead.

Early in the third period, a 10-yard punt by Harris gave the Hawks a scoring opportunity at the Hirschi 43. But their drive stalled at the Husky 31, and it was then that the hosts turned the tables on the Hawks.

Hirschi put together a nine-play drive and kicked the extra point to take the lead 7-6 with 4:59 still remaining in the third stanza.

The Hawks came roaring back after the following kickoff, and used the balance of the third quarter to march steadily to the Hirschi three yard line.

On second down, the Hawks were assessed a five-yard penalty for lining up off sides. Martin hit Taylor with a short pass which took the ball back to the two. Then Martin attempted a lateral pass to Troy Thompson. The ball was missed and went out of bounds on the six.

Taylor was called on to attempt a 27-yard field goal, into a strong southerly wind, and was successful. That gave the Hawks a 9-7 lead with 11:31 remaining in the game.

Hirschi was unable to move the ball on its next possession, and punted to the Iowa Park 27. The Hawks drew a five-yard penalty for motion, and on the next play the handoff from Martin to Hastings was bobbled, and Hirschi had the ball on the Hawk 20. The Huskies scored four plays later, and tacked on the extra point.

When the following kickoff started downfield, there was still 7:57 showing on the scoreboard clock.

The kick was short, and Reusch gave the Hawks excellent field possession on their own 42.

But on the first play from scrimmage, a pass to Reusch bounced off his fingers and into the waiting arms of Harris, who crossed the goal line untouched.

Besides showing Hirschi with a 21-9 lead, the scoreboard also showed 7:42 remaining in the game.

Trailing by two touchdowns, the Hawks were

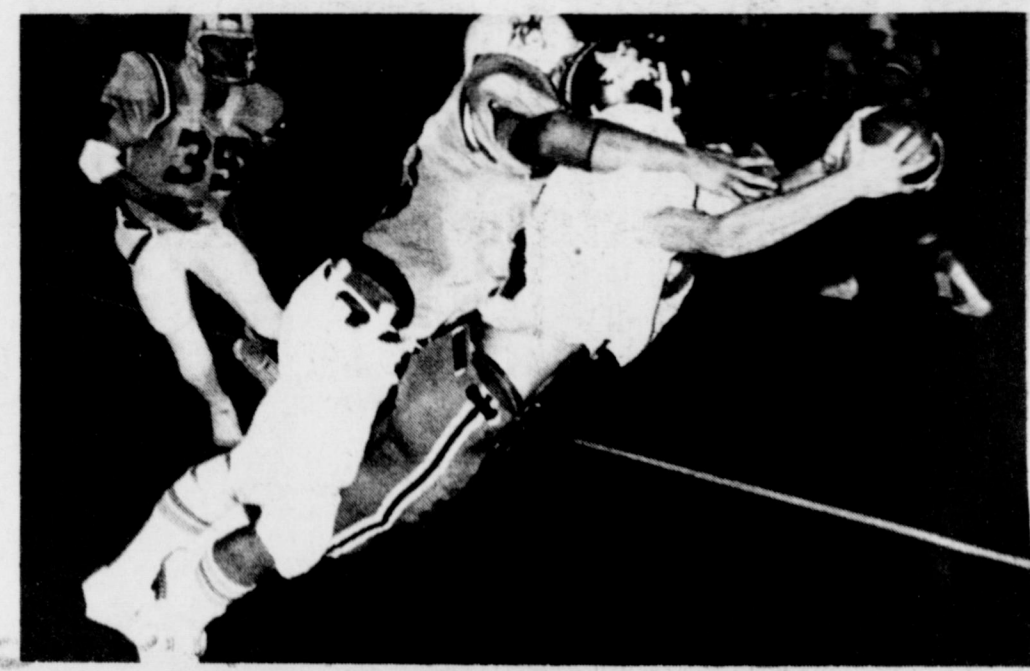

forced to go to the air. They were not only fighting the clock, but a steady wind of about 20 miles per hour as well.

Martin attempted 19 passes and completed eight of them, but couldn't get any points on the board, though

they did get as close as the Hirschi 21.

For the night, Martin completed 12 of 28 attempts for 167 yards. Thompson accounted for 100 of the Hawks' 154 yards rushing, carrying 20 times. Ray had 55 yards on 12 times with the ball.

Big Red sinks Pirates' ship, 33-8

The Holliday Eagles ignited a second-half fireworks display, led by runningbacks Ray Looney and Jim (Chisel) Ezzell, to upend a fiery group of

EAGLE INTERCEPTION GETS WHISTLE ... referee goof cost Eddie Flowers yardage.

Pirates, 33-8 in Petrolia Friday night.

The Eagles started things off with a bang, taking big hunks of yardage from the opening kickoff all the way to the Petrolia 13. But the Eagles were soon to find out they had a legitimate district contender on their hands, as four straight handoffs to Looney netted only five tough yards, and Petrolia took over on downs.

Three plays later Petrolia punted after the Pirate's initial drive was swamped by the Eagle defense.

Again the Eagles were to experience frustration after driving for a first down, then losing the ball on a fumble.

Petrolia was forced to punt after three pass incompletions. But Russell Harrison, the Pirate punter, failed to use the steady gale that blew consistently from the southeast all night as Joe Chase blocked the kick, giving the Eagles excellent field position.

But the Eagles again encountered problems from the swarming Pirate defense, losing the ball on downs at the Pirate 28.

Petrolia immediately went to the air, completing one for 13 yards to the Pirate 41.

The Pirate aerial attack proved to be their most dangerous weapon, with sophomore quarterback Wendell Chitwood completing 10 of 24 passes for 181 yards, the most yards passed against the Eagles this year.

Yet the running game for Petrolia was akin to a disaster, especially in the first half, when the Eagles held runners to minus-10

yards. Holliday used the second quarter switch to their advantage as Eagle punter Cameron Honea kicked with the wind on two occasions for 37 and 42 yards, in the process keeping the Pirates far from the goal line.

The Petrolia punter, on the other hand, not only had the wind in his face, but past memories of Chase to ponder on.

The Pirate punter's memories soon turned to nightmares when his next punt attempt deep in Pirate territory at the 15 was again blocked by Chase. Carl Martin alertly grabbed the ball in midair and proceeded to the Pirate five. Two plays later Looney took it four yards for the touchdown. Joe Collier kicked the first of three conversion points for the evening, giving the Eagles a 7-0 lead with four minutes left in the half.

SECOND HALF

Eagle fans may never know what went on in the locker room at halftime, but it became obvious the offensive line had learned something. Huge holes carved for the runningbacks to run in became more and more pronounced as the third quarter progressed.

Holliday mounted a scoring drive on the Eagle's initial possession of the third quarter, going 67 yards in eight plays, capped by Looney's one-yard plunge for the touchdown. Two plays would have been sufficient, but a 48-yard touchdown run by Looney was nullified by an Eagle penalty.

Petrolia threatened to score on the Pirate's next

possession, driving to the Eagle 10, mostly through the air. Petrolia moved freely down the field on passes for 12 and 40 yards. The drive was thwarted when Eddie Flowers intercepted a Chitwood aerial in the endzone. Flowers ran the ball back to the Petrolia 26, but an admitted blunder by the officials sent the ball back to the Eagle 23.

Holliday was set back 11 yards on the next play, where the Eagles now faced first and 20 from their own 12. Looney carried four consecutive times for the needed yardage. Then, almost before the chains were even set, Looney was off to a 70-yard touchdown jaunt, leaving Pirate defenders far behind and Eagle fans howling with elation.

Chitwood was forced out of the game after receiving a vicious blow administered by Ezzell at the Eagle 27. Larry Guice completed his first attempt on the next play for eight yards, then fell victim to the blitz from Ezzell and Chase. Gregg Dillard picked off the deflected pass, giving the Eagles possession at the Holliday 35.

Chase and Looney worked the ball from the Eagle 35 to the Pirate 36 in six plays. Ezzell then decided to even up his performance offensively with his defensive work, breaking loose 31 yards for an apparent score.

However, for the second time in the game, an Eagle penalty nullified the run. Petrolia apparently neglected to remind Mr. Ezzell lightning doesn't strike the same place twice, when two plays later Ezzell rounded

left end for 36 yards and the touchdown, giving the Eagles a commanding lead at 26-0 with eight minutes remaining in the game.

Collier picked off a Pirate aerial at Petrolia's 45 on the next Pirate possession. Runs by Martin, Ezzell, Larry Boydston and John Dyer netted an Eagle first down at the Pirate 27. Three plays later Ezzell again shredded the Pirate defense for a 23-yard scoring run.

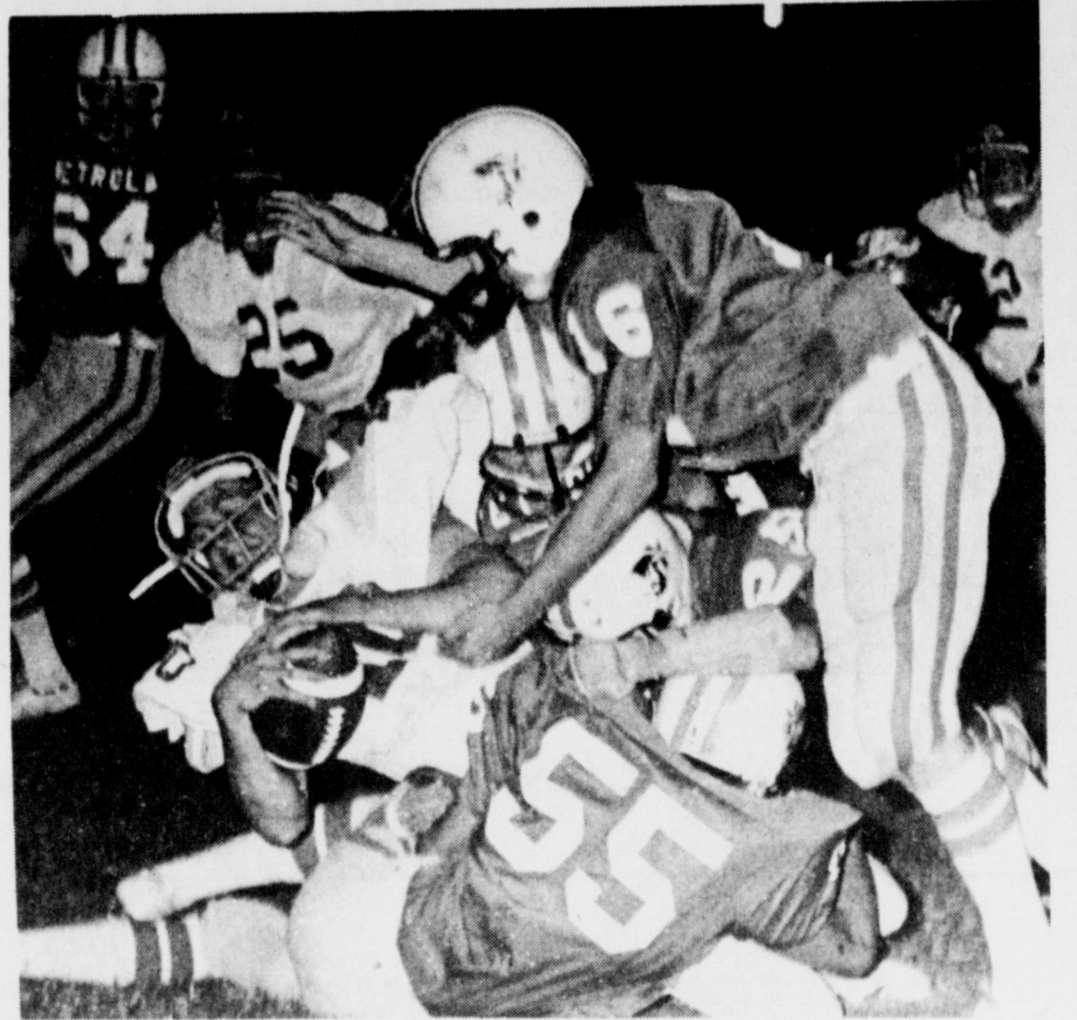

Petrolia pieced together

the Pirate's only touchdown of the game, using an aerial attack that at times had the Eagle defense bending, but up until now never breaking.

Aided by an interference call in Eagle territory at the 25, Petrolia connected on two of three passes with the final pass from Guice to Timmy Gee from 12 yards out for the score. A two-point conversion attempt was good with Guice again connecting with Gee, freezing the scoreboard at

33-8 and insuring the Eagles the top spot on the totem pole in District 13-A with a 3-0 district record.

Obituaries

James Wainscott

Services for James Franklin Wainscott, 22, of Wichita Falls, who died from injuries received in an automobile accident Saturday, were Tuesday afternoon in Aulds Funeral Home in Archer City.

The Rev. Bill Potts, pastor of the First Baptist Church in that city, officiated. Burial was in the Archer City Cemetery.

He was born Sept. 21, 1957, in Fullerton, Calif.

Survivors include his wife, Donna of Wichita Falls; his father, Mark Shirley of Iowa Park; mother and stepfather, Mr. and Mrs. Paul H. Jones of Wichita Falls; two brothers, Eddie Pittman of Wichita Falls and Lonnie Wainscott of Ada, Okla.; two sisters, Kathy Pittman and Cheyenne Dunn, both of Wichita Falls; his grandmother, Mrs. Gladys Huffman of Archer City; and grandfather, Herbert Casey Jones of Wichita Falls.

Alton B. 'Pappy' Parker

Services were Wednesday in Hampton-Vaughan Funeral Home for Alton B. "Pappy" Parker, 75. The Rev. Ron Redding, pastor of Allendale Baptist Church, officiated. Burial was in the Hopewell Cemetery near Bellevue.

He was born April 3, 1904, in Sentinel, Okla. and had resided in Wichita Falls 38 years. He was a retired paint foreman for Wichita Engineering Co. and a member of Pleasant Grove Methodist Church.

He is survived by two sons, Chuck of Holliday and Sonny of Wichita Falls; two sisters, Mrs. Jackie Reid of Decatur and Mrs. Flora Guinn Danford of Bowie; eight grandchildren and one great-grandchild.

Mrs. Linna Belle Levell

Funeral service for Mrs. Linna Belle Levell, 78, of Kamay, who died Tuesday in a Wichita Falls hospital, will be today at 2 p.m. in Owens and Brumley Funeral Home.

The Rev. Bob Bryan, pastor of the First United Methodist Church in Holliday, will officiate. Burial will be in Crestview Memorial Park.

A 56-year resident of Kamay, she was born Feb. 6, 1901, in Killeen. She was a retired saleslady for Avon products and a

member of the United Methodist Church.

Survivors include four sons, J.C. Jr. of Wichita Falls, L.B. of Hawaii, Gene of Gainesville and Bobby D. of Fort Worth; a brother, M.B. Thornton of Caldwell; three sisters, Ruby Stoneham of Copperas Cove, Kate Parker of Killeen and Ethel Gibbs, of John Day, Ore.; 12 grandchildren, 8 great-grandchildren and one great-grandchild.

Pallbearers will be Ray Rockwell, Raymond Crenshaw, Johnny Birdwell, Hardy Gage, Jack Forbes and Henry Coats.

Mrs. Frankie Van Pelt

Mrs. Frankie Leonis Van Pelt, 66, of Byers, mother of J.D. Van Pelt Jr. of Iowa Park, died Saturday in a Clay County hospital.

Services were Tuesday afternoon in Hawkins-Hillard Funeral Home, with the Rev. Johnny Baker officiating. Burial was in the Riverside Cemetery in Byers.

She was born April 30, 1913, in Cumberland, Okla.

Other survivors are her husband, J.D. of Byers; two sons, Harold of Wichita Falls and Robert of Byers; and five grandchildren.

Mrs. Juanita Pearcy

Services for Mrs. Juanita Pearcy, 56, of Wichita Falls, sister of Mrs. B.M. McNeely of Iowa Park, were Wednesday in Owens and Brumley Funeral Home.

Rev. Joe Patterson, pastor of First Baptist Church at Dean, officiated. Burial was in Crestview Memorial Park.

A native of Electra, Mrs. Pearcy was born May 16, 1923, and had resided in the Wichita Falls area most of her life. She was a member of Dean's First Baptist Church.

She is survived by her husband, Edward; three daughters, Carolyn Oiler of Arlington, Linda Scorggs of Germany and Lisa Duhon of Wichita Falls; a son, Edward Jr. of Arlington; three sisters, Mrs. George Ackerman of Bowie, Mrs. Ted Ezell of Arlington and Mrs. McNeely of Iowa Park; two brothers, E.E. Tucker of Bowie and J.C. Tucker of Fort Worth; and four grandchildren.

Texans think court rulings hinder police

Four out of every five Texans feel that rulings by courts in the area of law enforcement have hindered police in their efforts to control crime.

This was one of the findings of the latest Texas Crime Poll, a survey of opinions and attitudes in the area of Criminal Justice conducted by the Criminal Justice Center at Sam Houston State University.

A total of 1,530 Texans from 180 counties participated in the survey. Thirty-four percent said court rulings have "severely hindered" police and 45% said such rulings have "somewhat hindered" police. Dr. Victor G. Streecher, dean and director of the Criminal Justice Center, agreed that courts have made it extremely tough for police by limiting the practicality of obtaining admissions of guilt and by overestimating the availability of scientific aids.

After committing a serious offense, most humans feel guilt and some compulsion to confess, said Streecher.

"We shouldn't carry the (rights) warning to such a level that we virtually dissuade him or her from talking at all," he said. "Protecting a person from that person's own impulse to confess should not be part of the law."

Courts have also assumed that police have scientific evidence-gathering capabilities that they may not have, he said.

"It's still basically detective leg work, statements and eye-witness identifications that we use in our trade, much more than physical evidence scientifically prepared for presentation. We're moving in that direction, but we're not there yet."

Another Crime Poll question concerned the use of deadly force by policemen. Almost all of the respondents (92%) indicated that police should be allowed to use deadly force to protect

themselves from serious injury or death.

Moreover, almost three-fourth (74%) indicated that police should be allowed to use deadly force "to stop someone who is running away from a violent crime and 69% said "to prevent crimes of violence."

Forty-one percent indicated that police should be

allowed to use deadly force "to stop someone who is running away from a major crime against property," and 34% indicated that its use should be allowed "to prevent major crimes against property (for example, burglary or auto theft)."

Streecher said it is obvious that people want deadly

force used to protect them, but do not consider that it might be used against them. He is also concerned that police not be forced to make split-second judgements on the risk of life and its relation to property value.

"In the judgment of most police executives at this time, unless you know you have a serious offense, and

unless you know that a person is likely to remain dangerous if left to escape and be at large, you really shouldn't use deadly force," said Streecher.

"The problem is that policemen don't get these situations with big signs on them, and cue cards to read from saying "This is a serious offense," he said.

Breakfast: Cereal, milk, juice.
Lunch: Steak fingers, gravy, butter beets, noodles, dessert, milk.

Wednesday, Oct. 31
Breakfast: Oatmeal, butter, toast, milk.
Lunch: Hamburgers, potato chips, lettuce, tomatoes, dessert, milk.

Two awards for Finnell

Culminating an active two weeks of governmental work, Rep. Charles Finnell received two awards for his legislative efforts.

Finnell was recognized by the State Bar of Texas for his "invaluable assistance to the programs and activities of the State Bar during the recent 66th Legislative Session." State Bar President Cullen Smith issued the certificate of award on behalf of the board of directors of the statewide association.

Earlier in the week the 53rd District legislator was honored by the Good Neighbor Commission of Texas for his "outstanding work in the field of mutual understanding and solidarity among the peoples of the Western Hemisphere."

Talk is cheaper than you think.

How to save up to 60% on Long Distance.

If you're one of those who thinks a Long Distance call is a luxury, read on. The trick to saving money while keeping in touch with family or friends is knowing when to call, and calling One-Plus.

Call between 11pm and 8am.

Before you groan about how you can't stay up late or see straight in the morning, think about it.

You'll be saving up to 60%! If you're a night person, you probably don't start counting sheep until after 11 pm anyway. And if you've got friends and family to call out west, it'll be a perfectly civilized 9 or 10 pm when their phone rings. If you like to see the sun rise, and you know folks back east, it'll be an hour later on their end.

Call out of state anytime before 8 am and you can talk all day if you want and still save 60%. In-state calls are also greatly reduced. Just remember to dial One-Plus.

Reach out on the weekend and save up to 60%.

Now this is a stroke of good luck: a really cheap Long Distance phone call just when you may want it most. Call any time between 11 pm Friday and 5 pm Sunday and really save. For instance, dial One-Plus and you can

make a ten-minute call to Atlanta for only \$1.55. That's almost worth making a new friend in Atlanta for.

Even on weeknights, save up to 35%.

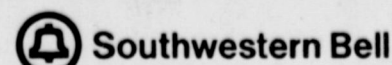

Sometimes you can't wait for the weekend. Or you don't want to. But you can still save plenty Sunday through Friday from 5 pm to 11 pm. Think about what a bargain it is to call someone 1900 miles away, talk it up for ten minutes, and only run a tab of about \$2.00. There's just no other way to get close to a faraway friend or relative so quickly, so cheaply.

On weekdays it's still a bargain.

Here's a surprise. From 8 am to 5 pm, a Long Distance chat still doesn't cost very much. A five minute call out of state, to anywhere in the continental U.S. is only about \$2.50 when you dial One-Plus. Think of how good the sound of your voice would be to a friend (not to mention your mother!) right in the middle of the day.

Reach out and touch someone.

ALL SMILES - Mrs. Bob McFarland had a reason for smiling when she won the cheese basket Saturday evening during the Beta Sigma Phi area convention held at the Activity Center in Wichita Falls where 16 chapters were represented. She is a member of the Alpha Epsilon Omicron chapter which made arrangements for the catered meals.

Red Cross adds new instructor

Jan Beall, chapter manager of the Wichita County Chapter of the American Red Cross, has announced the addition of Mike Dreyer to the professional staff.

Dreyer has assumed the position of director of

American Red Cross Community Education. In this capacity, he will work with water safety, first aid, nursing services, and youth services activities.

"We are very pleased to have Mike with us," stated Mrs. Beall, "he brings

several years of experience in Red Cross to this position. He is an instructor and instructor trainer in all of the first aid and water safety courses the American Red Cross offers, as well as some of the nursing courses. We are expecting great things from Mike and invite all of our volunteer instructors to drop in and meet him."

Dreyer comes to Wichita Falls from the Maricopa County Chapter of the American Red Cross in Phoenix, Ariz. He is a certified Emergency Medical Technician (EMT) has taught courses not only through the Red Cross, but through the Civil Air Patrol where he was an officer for many years, the Civil Defense, Maricopa County Sheriff's Department and local colleges in Phoenix.

He will be developing interested people as instructors in all American Red Cross courses so that safety, boating, health, and

nutrition topics are spread throughout our community.

In school programs, community classes and skill demonstrations will also be a part of Dreyer's responsibility.

As one of his first responsibilities, Dreyer attended a safety services conference held in Fairfield Bay Ark. Topics covered included the new courses, updated materials and new information being developed in all areas of community education.

"I am excited to be in Wichita Falls, and look forward to working with the volunteers and the community at large. My office is open to anyone at anytime. I invite any present volunteer or even those who would like to volunteer in areas of water safety, first aid, cardiopulmonary resuscitation (CPR), youth or nursing services, to stop in and visit," stated Dreyer.

TOPS meets

Twenty members of the TOPS Club weighed in for the Monday night meeting. Mrs. George Boles was TOPS Queen and Mrs. A.O. Beall the KOPS Queen for the week.

Interest in the meeting was generated through discussion of the current point system which will run for six weeks and the losers will be responsible for arrangements for the Christmas party.

Mrs. Lloyd Lowe, assisted by Mrs. Gene Young, provided the program.

IN SOME AREAS

Moisture adequate for planting wheat crop

Don D. Decker
County Agent

An inch of rain will wet the soil to a depth of about 3-4 inches. The rain last week varied from two inches south of Iowa Park to one-half inch of moisture in the area across the top of the county. Some wheat growers got enough moisture to plant - others did not. The area with only one-half inch of moisture is

certainly a high risk for planting. When the soil is wet to only one and one-half to two inches deep, the seed will be very close to dry soil. Since a field cannot be perfectly level, the drill disc will go deep enough in places to put seed in dry soil.

Willie Thorman has started drilling some of his fields south of Wichita Falls. He got about one inch of rain wetting the soil down to three inches. His seed are being planted about one and one-half inches deep so he has about one and one-half inches of moist dirt under the seed. This is enough to get the crop up, however, it will need additional moisture soon.

Doug Wineinger is sowing some of his fields on sandy soils at Thornberry. A three-fourth inch rain wet his soils down to nearly three inches. Planting will give about one and one-half inches of moist soil beneath the seed. Additional moisture will be needed soon.

Some growers are having to wait for the fields to dry up enough for sowing. Rex Wells, Ray Hicks, and Fred Daume got adequate moisture for planting. They got one and one-half to two inches which wet the soil profile down as deep as 6 inches.

Larry McAlister of Punkin Center scarcely got one-half inch of moisture. Growers in the northern part of the county are still waiting on more moisture for planting.

There is still plenty of time to get the wheat crop planted so none of the growers have pushed the "Panic Button". Doug Wineinger planted wheat on October 26 last year and made a good crop. In fact, the old timers say, "Early November is the best planting date when grain production is the only consideration. The Novem-

ber planted wheat provides little grazing."

Norman Roberts who is located west of Burkburnett is a new cotton grower this year. He has a good crop, but I think more is involved than "beginners luck" - he has followed the recommended cotton production practices.

Since he is in the cotton growing business, harvesting of the crop had to be considered. Harvest equipment is expensive and about 400 acres of cotton is needed to justify the investment.

Roberts and his son, Kenny, decided to purchase harvesting equipment and to do custom harvesting. They bought an AC self-propelled broadcast stripper and about 12 large trailers. They have been working for several weeks making some modifications to their machine. For example, the hollow shaft which holds the stripper fingers has been replaced with a solid shaft. Adjustments were made to provide maximum air flow through the machine.

They have been working closely with W.H. and Terry McAlister on the needed changes. McAlister's have been operating two of these machines for several years. "Experience", which is a dear teacher, gave them insight on modifications needed for operation in this area.

Morton used "artificial frost" on part of his field. There was a 15 acre strip in the field which had not reached the 85 percent open boll stage. He treated this portion with too many green bolls with a light application of Paraquat. This hardened the plant causing the green bolls to pop. Then the entire field was defoliated with arsenic acid about a week later. They are getting set to operate around the clock if necessary.

The Living Word

Death is no stranger to our world. We have often watched this Grim Reaper barge into our homes and snatch some loved one away. What a trail of sorrow death can leave! Yet we must realize "that it is appointed unto men once to die, but after this the judgement" Hebrews 9:27. Death comes every day to someone, and some day to everyone! What should be our attitude toward death?

We must realize that death came by sin, Romans 5:12, and that the sting of death is sin, 1 Cor. 15:56. When God made man, He placed him in the Garden of Eden and charged him with the responsibility of dressing and keeping it. Genesis 2:16, 17. When man ate of that forbidden fruit, God said to him, "For dust thou art, and unto dust shall thou return" Gen. 3:19. Sin therefore was the cause of death. When God said, "For dust thou art, and unto dust shalt thou return." He was not speaking of the soul, but of the body. When death comes, we are told, "then shall the dust return to the earth as it was; and the spirit shall return to the God who gave it." Ecclesiastes 12:7. Death is a separation of the spirit from the body, for the body without the spirit is dead, James 2:26.

Death is not an ending of it all, for there is something beyond the grave. While the body dies and goes back to the dust, yet the soul continues to live on and on throughout eternity. Jesus said, "Marvel not at this; for the hour is coming in which all that are in the graves shall hear his voice, and shall come forth; they that have done good, unto the resurrection of life; and they that have done evil, unto the resurrection of damnation" John 11:25. All that are in the graves will some day come forth. There will be a resurrection. Death does not end it all. The reason many fear death is that they are afraid of that resurrection of condemnation. Unless a man believes and receives Christ, he has every right to be afraid of that resurrection. "It is a fearful thing to fall into the hands of the living God," Hebrews 10:31.

To the Christian Paul considered death a gain because of the crown of righteousness that was awaiting him on the other side. To those that love the Lord God has promised a marvelous heritage. He has promised to make them heir on the heavenly kingdom. James 2:5. Had Christ not been in Paul's life, there would have been no gain in his death. There can be no gain in any man's death if Christ has been absent from the man's life! Hence, "Blessed are the dead which die in the Lord from henceforth; Yea, saith the Spirit, that they may rest from their labors; and their works do follow them" Rev. 14:13.

CARD OF THANKS
Words are hardly enough to express my thanks for the prayers, concern, flowers and cards that I received during my stay in the hospital. I thank you so much.
Barbara Sampley

CARD OF THANKS
We are indeed grateful for all the love and kindness shown us during the passing of our loved one, Eula Mae Bushy, to take some of the sadness from our hearts. We have been strengthened through your prayers, visits, food, cards and beautiful floral offerings and encouraged to carry on in a manner that will honor her memory and be worthy of your friendship. May God richly bless each of you.
