DR. EARL WATSON
520 W. CLARA
IOWA PARK, TEXAS

THE FIRST - Vern Mikkelson, right, this week was named the first Cryovac employee hired at Iowa Park to reach five years service with the firm. The technical supervisor was presented a company pen in observation of the achievement by Charlie Lee, plant manager. Mikkelson, who joined Cryovac after 24 years in the U.S. Air Force, resides at 908 Dosa.

More story on field than football

There was more drama taking place on the field in Hawk Stadium Friday night than the Hawks' come-from-behind 21-9 victory over league-leading Weatherford. One of the stars in the game didn't know whether his mother would live through the 48-minute athletic contest. Mrs. Joyce Taylor was hospitalized in Wichita General late Thursday night following a one-car accident on the Old Iowa Park Road. She remained in the intensive care unit until Tuesday, when she was moved into a private room.

Mrs. Taylor was returning to Iowa Park when, somewhere around 10 or 10:30 p.m., she lost control of her car. The vehicle apparently veered onto the meridian and then across the ditch, striking a utility pole and shearing off a natural gas meter. The lone occupant in the vehicle, Mrs. Taylor was thrown out of the car. For some reason or another, she was not found for about two hours. During the meantime, an ambulance was dispatched to the scene, according to one of her sons, Ron, but the driver did not locate the accident

and returned to Wichita Falls. When Mrs. Taylor was found, she was said to be very near the broken gas meter, which had been spewing its contents throughout the time. Her son says his mother has not spoken, and hardly moved, during her stay in the hospital. An impulse sensor attached to her chest is a possible indication that she can hear. Ron said the meter reacts whenever someone talks to her. He said he also could feel a reaction in her hand when he grasps it to hold. Ron and his older brother, Don, live with their divorced mother in

Woodbriar Apartments. Don is a graduate of Iowa Park High and Ron is a senior. The football team presented Ron with the game ball following the victory over Weatherford. "I think they would have done it even if it hadn't been for his mother's condition," commented Coach Tommy Watkins. The gifted athlete not only led the team in defensive tackles, with 14, but he kicked three extra points, did the kicking off and punting, and played tight end on offense. One of his tackles led to the only pass interception of the contest. Ron said hospital personnel had not been able to tell him if his mother's condition had been caused by injuries sustained in the wreck, or if it were from the gas fumes. Mrs. Taylor is employed at the laundry at Sheppard AFB.

Valley Farms reunion slated

The Wichita Valley Farms annual reunion will be held Saturday at the Community House. Registration will begin at 5:30 p.m. Mrs. Clark Robinson will be in charge of registration.

Each family will bring one or more covered dishes and coffee and tea will be provided for the meal that will start at 6:30 p.m.

Voters asked to decide fate of 3 amendments

Very little interest has been shown locally in three state constitution amendments which will be voted on Tuesday. Only nine absentee ballots had been cast in the county, as of yesterday morning, according to Jerry Padgett, county clerk. Absentee voting will continue through Friday. The local absentee ballot box is at the school/city tax office. Polls will be open from 7 a.m. to 7 p.m. at the following locations: Prec. 32, county agriculture building; Prec. 33, Faith Baptist Church; Prec. 34, Valley View School; Prec. 35, Kamay Community Building; and Prec. 60, Valley Farms Community House. All proposed constitutional amend-

ments must pass by a two-thirds vote of both houses of the legislature before being submitted to the voters. Should voters approve all three amendments, it will bring the total number of amendments to the 103-year-old constitution to 224. The proposed changes would: 1. Call for changes in the terms of notaries public. 2. Provide for legislative review of rule-making of state agencies. 3. Authorize \$10-million in state bonds for the purchase of farm and ranch land, similar to the Veterans Land Program. Argument for changing terms of notaries public includes extending the term of office of notaries public from two years to four and appointing notaries public for the state instead of

**Polls Open

for each county will reduce government personnel and will reduce cost to both government and notaries public by decreasing the number of renewals and reappointments to be made. Argument against the change is the convenience and personal contact that is found in county clerks' offices, especially in rural counties, would be lost if the secretary of state took over all responsibility for appointing and reappointing notaries public. Argument for the second issue includes the proposed amendment would provide for the close and continuing supervision needed by the state bureaucracy in order to make it more responsive to the people and to the public policies expressed by the legislature. Arguing against the proposal would include the amendment clearly would infringe upon one of the fundamental principals of American government - separation of powers. Under this principal the legislature makes law, the executive branch carries it out, and the courts resolve disputes under the law. Legislative review of agency rulemaking is an obvious encroachment of executive power. Arguments concerning state bonds for farm and ranch land purchases include: FOR: The family farm makes an important contribution to the health and economic well-being of the state, but the average age of Texas farmers is reaching 55. This proposed amendment would aid young men and

women who have been unable to begin in the farm and ranch business because of the high price of land and the extremely high down payment required on the land (now averaging 20 percent) by making affordable loans available. AGAINST: A state guaranteed loan program financed by bonds means that the state is, with borrowed money, assuming the risk of default for loans made by private lenders. Not only is this government interference with the traditionally free marketplace, but it is also an unreasonable assumption of risk without tangible benefit to the state

as a whole. If the presently unstable economic conditions were to worsen, the taxpayers would bear the cost of the defaulted loans. The potential for that default is reflected in current interest rates and down payment requirements; without these provisions, state guarantees would not be needed to encourage private lenders to make loans. (Arguments for and against the proposed changes were provided by the staff of the Texas Legislative Council.)

UW campaign near goal

A tally last week at the third report meeting showed the annual United Way campaign had reached 65.8 percent of its goal of \$1,314,500. Actual money figure reported by

volunteer workers from Iowa Park, Burkburnett and Wichita Falls was \$865,240, eventhough, once again, Iowa Park received the "dead man" award for only 10 percent recorded in the major firms division. Vern Horsky is chairman of that division. Both the Recreational Activities Center and Friendly Door receive funds from the annual drive. Keith Aulds, local chairman, pointed out "All our citizens are very fortunate to have these additional agency services available in Wichita Falls and Burkburnett. They're all there when we need them, and it's up to each one of us through our donations to make sure they remain available." Iowa Park's local campaign is beginning to accelerate, Aulds said. "We have only two report meetings remaining before the final count, and we certainly want Iowa Park to be up there at the top in our financial support. But our volunteers are going to have to start working harder."

Auto, tools reportedly stolen from garage

Burglars broke into two Iowa Park businesses Tuesday night, according to reports. Deryl James told police someone knocked a panel out of the rear door to his garage, removed the jack and spare tire from the trunk of an automobile belonging to Glenn Jameson, filled the trunk with an estimated \$5,000 worth of mechanic's tools, and made off with everything. Drawers to James' desk had been rifled, but nothing was found to be missing. Preston Giles said someone broke into his Discount Food Store, and the only thing apparently missing was some bologna. Three reports were filed with police Monday morning, including

attempted entry to Bradford Elementary building, criminal mischief and theft. Patrolling officers notified Principal George Taylor they had found window screens torn and a window pried open about 1:30 a.m. An inspection of the building failed to provide any tips on who did the damage, or of anything missing. Mrs. Suzie Cavinder, 112 James Drive, told police someone had broken the front windshield of her automobile overnight. Sometime over the weekend, someone reportedly took two sets of water skis from a boat in the back yard of John Rentschler at 523 W. Texas. Loss was said to be approximately \$200.

New electric rates apply to winter bills

In response to the Public Utility Commission (PUC) Oct. 16, Texas Electric Service Co. has filed tariffs for electric service with the PUC and these tariffs are subject to commission approval. The tariffs amount to an 11 percent average annual increase in residential bills. The commission order directed that the difference between summer and winter rates be eliminated for all residential customers except customers who have all electric space heating. Therefore, customers would see the effect of the rate increase only on their winter bills, those received November through May. Wayne House, local manager, said the first bills received by Iowa Park area customers would reflect from one to four days of the new rate and the rest the old rate. The reason being that meters are read by zones. All bills in December will be under the new rate. No increase would be seen in summer rates, according to the new structure. The rate during the summer would decrease slightly. Compared to last year, customers could see a small decrease in their summer bills if they use the same amount of electricity and if there is no change in fuel costs. The result of the elimination of the difference between summer and winter rates would be to spread the costs of providing electric service more uniformly throughout the year. Under this structure, standard residential rates would be the same year round. The standard residential customer whose bills for a year average \$30 per month would see an average annual rate increase of about \$35 over that 12-month period, or about \$3 per month, according to information from

TESCO. But under the new rate structure, that annual rate increase would appear only on the seven winter bills. All electric space heating residential rates under the new structure would be the same for the summer and for the first 525 kilowatt hours used each winter month. A lower rate will be charged in the winter for any kilowatt hours used over 525 each month.

As I See It....

Keep your fingers crossed and giving your support to the Hawks, and Iowa Park just might have its first district championship in football since 1970. The team is improving each week, as evidenced by play against some very good opponents. And there is no reason I can see that it will change. Even with that loss to Hirschi, the Hawks are well in the thick of the title race. But they're going to need some help, not only from you the fans, but from at least one other team. It works out this way: Burkburnett has three wins, no losses, and one tie;

Weatherford and Iowa Park have two wins and one loss, but the Hawks have a tie and the Kangaroos don't; Mineral Wells and Vernon are 1-1-1 each. Okay, if the Hawks can beat both Burkburnett and Vernon, the only two games remaining on their schedule, they will at least represent the district. ... IF Weatherford loses or is tied by either Burkburnett, Vernon or Mineral Wells. And that's the order in which they play. The Hawks can well use this week's open date, not only to recover from numerous bruises and sores which could slow down the players, but also

so they can better prepare for Burkburnett a week from tomorrow. The last two games just happen to be against the District 4-AAA co-champions of 1978. Burk represented the district because the Bulldogs had beaten Vernon, eventhough both had the same won-loss record. Iowa Park has won only one district title since moving up to Class AAA back in 1971, and that was in baseball. This just may be the year the Hawks return to their former status of being a state power in football. Wouldn't that be great?

A SAMPLING of the items to be sold Saturday at the annual United Methodist Women's Bazaar is shown by Sue Owens, left, Karen Jackson, Mildred Keeter and Freda Parks. Besides the bazaar items, members will also be serving the public stew, chili, sandwiches, drinks, cake and pie. The event starts at 9 a.m. and continues until 3 p.m.

Cook of the Week

Mrs. Pat Loehrlein

Many ingredients and spices which American cooks use today to make exotic addition to everyday cooking have interesting tradition, myth and history.

Lettuce, one of the main ingredients in Mrs. Pat Loehrlein's Taco Salad recipe, is probably the oldest and most popular vegetable known to man. The Persian kings, who called it kahn, served it at their royal tables as early as 550 B.C.; Aristotle praised it; Columbus took the seed with him to Isabela Island in the Bahamas. The name "lettuce" can be traced to the Old French laitues.

Mrs. Loehrlein's Pea Pickin' Cake made its debut in the Leader Cook of the Week recipes, and it sounds like it might be a dessert that could be called royal fare.

Becky and Pat Loehrlein are really newcomers to Iowa Park having moved here in September from Longmont, Colo. He is an air traffic controller at Sheppard AFB.

Becky was reared and graduated from high school in a small town in southern Ill. She attended Mt. Vernon Junior College and a business college in Evansville, Ind. She has worked at St. Mary's Hospital and as a legal secretary for an attorney in Evansville, a district secretary for an insurance company in Ind., and librarian secretary at Texas A&I College in Laredo. She attends the Iowa Park Church of God.

Becky has a variety of interests and hobbies which include antiques, fishing, motorcycles, reading, doing needlepoint and making hooked rugs.

Talk is cheaper than you think.

How to save up to 60% on Long Distance.

If you're one of those who thinks a Long Distance call is a luxury, read on. The trick to saving money while keeping in touch with family or friends is knowing when to call, and calling One-Plus.

Call between 11pm and 8am.

Before you groan about how you can't stay up late or see straight in the morning, think about it. You'll be saving up to 60%! If you're a night person, you probably don't start counting sheep until after 11 pm anyway. And if you've got friends and family to call out west, it'll be a perfectly civilized 9 or 10 pm when their phone rings. If you like to see the sun rise, and you know folks back east, it'll be an hour later on their end.

Call out of state anytime before 8 am and you can talk all day if you want and still save 60%. In-state calls are also greatly reduced. Just remember to dial One-Plus.

Reach out on the weekend and save up to 60%.

Now this is a stroke of good luck: a really cheap Long Distance phone call just when you may want it most. Call any time between 11 pm Friday and 5 pm Sunday and really save. For instance, dial One-Plus and you can

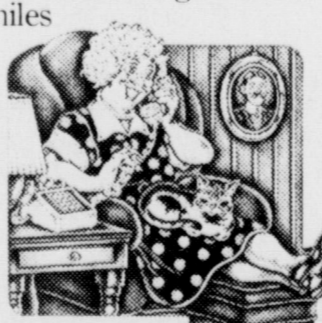

make a ten-minute call to Atlanta for only \$1.55. That's almost worth making a new friend in Atlanta for.

Even on weeknights, save up to 35%.

Sometimes you can't wait for the weekend. Or you don't want to. But you can still save plenty Sunday through Friday from 5 pm to 11 pm. Think about what a bargain it is to call someone 1900 miles away, talk it up for ten minutes, and only run a tab of about \$2.00. There's just no other way to get close to a faraway friend or relative so quickly, so cheaply.

On weekdays it's still a bargain.

Here's a surprise. From 8 am to 5 pm, a Long Distance chat still doesn't cost very much. A five minute call out of state, to anywhere in the continental U.S. is only about \$2.50 when you dial One-Plus. Think of how good the sound of your voice would be to a friend (not to mention your mother!) right in the middle of the day.

Reach out and touch someone.

Speech therapist Lioness speaker

Mrs. Jerry Gholson, speech therapist at North Texas Easter Seal Rehabilitation Center in Wichita Falls, presented the program for the Iowa Park Lioness Club Thursday evening. The group met in the home of Mrs. Faris Nowell and Mrs. Sam Hill was co-hostess.

Mrs. Gholson said the purpose of the center, which had only two therapists at the start and now has a staff of 17, was "to help people help themselves to conquer their handicaps so that they may have hope for more active, healthy, happy and productive lives".

She said that the center which serves eight counties and treated 445 patients last

year was supported for the most part by the Easter Seal Telethon, Oil Bowl and cattle auction.

Mrs. Gholson, who described her work as "rewarding and demanding", gave a resume of the service rendered at the center emphasizing the

learning and language difficulties, strokes and infant stimulation. The new programs include teach your children to talk, arthritis clinic and pre-natal class.

Mrs. Sam Hunter, president, was program chairwoman. Members gave famous patriotic quotes to answer roll call.

Mrs. Homer Blalock used "The Glory of Autumn" for the topic of the devotion.

Refreshments were served from a table laid with ecru linen and centered with a bouquet of fresh yellow daisies, apricot carnations and baby's breath.

Shower fetes bride elect

Miss Catherine Knezek, bride-elect of Daryl "Butch" Baker, was complimented at a miscellaneous shower Sunday afternoon. The party took place in the home of a cousin, Mrs. Danny Holman in Holliday. Two other cousins, Mrs. Steve Findley and Miss Michelle Findley of Arlington, were co-hostesses.

The rich autumnal colors of brown, gold and bronze that will be carried out in the couple's wedding November 24 at the Sacred Heart Catholic Church in Wichita Falls governed decorations for the event.

The refreshment table was laid with brown linen and centered with fresh seasonal flowers in the chosen shades. An assortment of fall fruit breads and

other refreshments repeated the autumnal theme.

Mrs. Leo Knezek of Iowa Park and Mrs. L.L. Baker of Childress, mothers of the engaged couple, were special guests. Other out of town relatives were Mrs. Ernest Knezek and Mrs. John Knezek of Seymour, aunts of the bride-elect.

Rocks topic of speaker

Vern Horsky, who is recognized as a connoisseur in lapidary work, gave the program for the Iowa Park Garden Club in a meeting held Friday morning in Texas Electric Reddy Room.

"Another World" was the title of the program which showed how crusty old rocks, when opened, could reveal another world of beauty and wonder. He said that by using a magnifying glass one could see dimensions of beauty in each rock that he looked at.

Horsky has an assortment of lovely necklaces, pins, rings, belt buckles that he has fashioned out of rocks to attest to their hidden beauty.

Mrs. Frank Harlin gave the thought for the day on "Remember What You Say". Hostesses were Mrs. R.L. Good and Mrs. David Parkey. Twelve members attended.

TOPS meets

Mrs. James Bowerman was in charge of the program at the TOPS Club meeting Monday night and introduced Mrs. Arvilla Dewhitt and Margaret Wilson of Wichita Falls who showed a preview of the film "Jesus", which will be shown at Sikes Center between Nov. 3-15.

Two new members, Mrs. Effie Walsh and Mrs. Roy Farr, were welcomed, and Mrs. Ilene McCoy and Jennifer Bowerman were introduced as visitors.

Mrs. Don Wynn was KOPS Queen and Mrs. Ronald Putman was TOPS Queen for the week.

Twenty-three members weighed in.

A large part of saving energy — and money — is simply a matter of cutting waste. In these days of "scarce" energy and inflation it's important to all of us to conserve. You can start by maintaining your own home.

Seal cracks around doors and windows with caulking and weatherstripping to stop heat and cooling leaks.

Check to ensure that ductwork is well insulated and sealed. If this is not done right, much of the heating and cool-

ing escapes into your attic. Consider installing storm windows in your home. They save energy by creating an insulating layer of air between the temperature outside and temperature inside your home.

For the full story on saving energy — and energy dollars — get our Unhandy Person's Guides. Just call Texas Electric or ask for them on the comments section of your next electric bill. They'll help even the most unhandy person tighten up his home. At Texas Electric, we want to help you keep your electric bill down.

Iowa Park knocks off 'Roos

Tailback Troy Thompson ran wild and the Mean Green defense did itself proud here Friday night when the Hawks put it all together to defeat Weatherford 21-9 in an important District 4-AAA battle.

Thompson set a career high in rushing against the vaunted Kangaroo defense, carrying the ball 28 times for 260 yards. That was exactly double the 130 he had against the 'Roos last year.

The senior tailback scored on a 74-yard jaunt in the third quarter, and again in the fourth, on a 70-yard scamper.

Weatherford was averaging 266 yards rushing against district opponents, and 238 against all six opponents this season, going into Friday's contest. The Kangaroos picked up 48 yards in the first quarter and 23 in the second. But in the third period, the visitors were held to a minus three yards, and minus 14 in the final quarter, for a net 55 yards rushing for the evening.

The Kangaroos had averaged 111 yards per game passing, before Friday. They completed three out of 14 against the Hawk secondary. The first was for 15 yards, but the receiver fumbled the ball after a couple of steps and Troy Linthicum covered it. Then they completed a 46-yarder. And then on the third reception, tackle Tommy Ross hemmed in the receiver, for a 16-yard loss.

Weatherford's fine Punter, Larry Stokes, kept the Hawks in trouble the entire first half, and the Hawks in effect spotted the Kangaroos a nine-point lead.

The 'Roos scored in the first quarter, the drive set up by a 19-yard punt return to the Hawk 35. After picking up a first down on the Hawk seven, tackles by Ron Taylor and Ronnie Reusch netted the visitors two yards on three carries. The 'Roos then set up to kick a field goal, but Taylor's vault over the center in an effort to block the kick was ill timed, and a penalty was stepped off half the distance to the goal line.

Weatherford elected to go for the touchdown from the shorter distance, and made the end zone on a pitchout to the left. The extra point kick was wide of the uprights, however.

Time ran out for the

Hawks on their first serious scoring drive. After Weatherford attempted a field goal with 3:15 remaining in the first half, the Hawks drove from their own 20 to the Weatherford 21 where, with 27 seconds left on the clock and no times out remaining, three passes fell incomplete.

The Weatherford fans breathed a brief sigh of relief midway in the third period, when Weatherford's field goal kicker connected on a 41-yard, wind-aided attempt.

HAWKS SCORE

The Hawks came roaring back following the kickoff. From their own 17 yard line, seven plays (three by Thompson for 60 yards) took the ball to the Weatherford 16. That's where on fourth down and a yard needed for a first down, fullback James Spears broke over left guard and scored Iowa Park's first touchdown, with 3:41 remaining in the quarter.

Each team had the ball twice more before the quarter ended. The Hawks, on their second possession, fielded a Weatherford punt on the Iowa Park 26. That's when Thompson used 14 seconds on the scoreboard clock to race 74 yards for his first TD of the evening. He had to break a couple of tackles at the Weatherford 35 before going into the end zone.

Weatherford punted four plays after the following kickoff, to the Hawk 27. Thompson ran three times, for two and one yards, and then 70 for the other touchdown.

Both the touchdowns were on end runs to Thompson's right. He would take the pitch from Curtis Martin, pause only slightly to wait for his blockers to make their moves, and spurt through the holes into the secondary.

After each of the Hawk touchdowns, Taylor kicked the extra point.

GARY MCKAY

Receives scholarship

Gary McKay, Midwestern State University freshman, was named the recipient of the first annual R.W. Spenser Memorial Scholarship in electronics. R.W. Spenser, father of Mrs. Marilyn Whitfield of Holliday, was an electronic technician for Dresser Atlas. Spenser died last March, and the scholarship fund was established through memorials made to MSU and matched by Dresser Atlas. Gary will receive \$100 per semester.

Bloodmobile here Monday

The Bloodmobile will be at the Holliday School cafeteria Monday for those wishing to donate to the Red Cross. Hours will be from 3 p.m. until 6:30 p.m.

Vo-Ag class at HHS?

Should vocational agriculture be added to the curriculum of Holliday High School? Clay Lindley thinks so, and he's working toward that goal. Lindley has four petitions in circulation which he plans to present to the Holliday school board at its next regular meeting, Nov. 12. Besides having one of the petitions, others are in the

care of Charlie Boyce, Jimmy Holmes and at Rick's Gulf Station. Lindley, who was in the charter Vo-Ag class at Iowa Park High School, is encouraging as many persons as possible to sign the petitions. He points out that those signing must be residents of the Holliday school district. He is also encouraging as many supporters of the proposal, as possible, to be at the board meeting when the petitions are presented.

Turkey meal set Tuesday

The Sophomore Class' annual Thanksgiving supper will be held Tuesday from 5 p.m. until 8 p.m. in the Holliday School cafeteria.

The menu will include turkey and dressing, creamed potatoes, green beans, hot rolls, butter, coffee, tea and homemade pie.

Tickets can be purchased from any sophomore or at the cafeteria door. Prices are \$2.75 for adults and \$2 for students.

FHA raises \$497

A total of \$497 was netted by the Future Homemakers of America (FHA) during a recent Bike-a-thon sponsored by the FHA. Deloras James collected the most money in the drive with \$101. Faye Wood was second with \$100.

The Bike-a-thon is an annual event where donations from participants are given to St. Jude's Children's Hospital.

Eagle-Indian match set here

The Holliday Eagles, after spending last week's open date mending some old wounds and polishing up some rough edges, will start down the backstretch of the Eagles' 1979 campaign tomorrow night when they host the Nocona Indians in Holliday.

Eagle coach Don Lucy suspects the last half of district competition, with three remaining games, will be the toughest test for Holliday. The Eagles must now face Nocona at home, travel to Archer City for the county bragging rights next week, and then return to face Boyd at home for the district finale.

Boyd, by the way, is tied

with Holliday in the District 13-A race after defeating Archer City, Chico, and Nocona. Boyd is undefeated for the season, with a 5-0 mark.

Asked about the Eagles' last game against Petrolia, where Holliday won 33-8, Lucy stated, "There was an overall good effort from the boys in that game. They (Holliday) went into the game determined to win it, and they weren't to be denied."

Nocona pulled from within the cellar of District 13-A with a win over Chico, 25-0. The rest of the season has not been too bright for the young Indians, who now stand at 1-6-1. Asked what to expect from the Indians

Friday night, Lucy said, "They have gotten pretty desperate so far this season, trying to find an offensive formation that would work for them. Nocona started the season with a wishbone backfield, then switched to a split backfield, but are now back to the wishbone."

Lucy went on to mention a few standouts at Nocona in the Indian's quarterback, Darren Meekins (5-11, 160) and split end Brad Breeze. Meekins will call signals behind an almost totally new offensive line than the Eagles encountered last year, as graduation hit Nocona hard after a 4-6 season.

Boyd, by the way, seems to have caught the attention

of the Texas AP writers, climbing into a tie this week to 10th in the state with a 7-0 season mark. Boyd had defeated district opponents Archer City, Nocona, and Chico so far, with Millsap, Petrolia, then Holliday left to play. Boyd also finished preseason undefeated with wins over Class B opponents Alvord, Paradise, and Godley, plus a victory over Class A Aubrey.

District standings thus far this season are:

Holliday	3-0
Boyd	3-0
Petrolia	2-1
Millsap	2-2
Archer C.	1-2
Nocona	1-3
Chico	0-4

FHA banquet set Nov. 17

The Holliday Future Homemakers of America (FHA) banquet will be held Wednesday, Nov. 17 at the Holliday Inn East in Wichita Falls.

Theme of the banquet will be "You Light Up My Life." FHA King Kent Lemons and escorts Tommy Sadberry and Jim Ezzell will be honored.

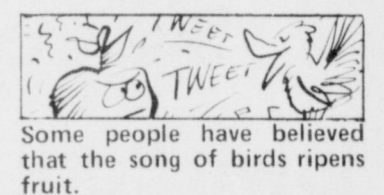

Nominees for FHA queen, to be announced at the banquet, are Diane Wylie, Brenda Flatt, and Kristi Moer.

Speaker for the banquet will be Mrs. Kay Lucy, speech and English teacher at Holliday High School. Entertainment will be provided by Laurie Mauldin and Kent Lilley.

Superintendent said recovering

Ray Coe is reportedly resting in satisfactory condition in Wichita General Hospital after undergoing a gall bladder operation. Coe's wife stated that the operation was very successful and he is in fine condition.

Coe has been with the Holliday School System since 1960, and is going into his ninth year as superintendent. Mrs. Coe is an elementary school teacher at Bradford Elementary in Iowa Park. The couple resides at Wichita Falls Highway in Holliday.

Some people have believed that the song of birds ripens fruit.

Kid football playoffs slated Saturday

For those who are shopping around for a real bargain, try this: four football games for the price of one regular admission.

The Top of Texas Kid Football League will have its playoffs Saturday at Griffith Field, on West Magnolia. First of the games will be at 2 p.m., between Sheppard Bulldogs and Henrietta,

followed by Seymour Cougars and Henrietta Bearcats at 3:30; Iowa Park Bears and Iowa Park Longhorns at 5:30; and Iowa Park Warriors and the Electra Cougars at 7:30.

The games will determine the champions between East and West zones.

Seymour, Electra, Iowa Park West and Sheppard AFB West make up the West zone. Henrietta, Holliday, Iowa Park East and Sheppard AFB East make up the East zone.

The Iowa Park Bears won the East Pee Wee division, and the Iowa Park Longhorns won the West Pee Wee division. Electra Cougars won the Midget West zone and Iowa Park Warriors won the east zone.

Admission to the playoffs will be \$2 for adults and \$1 for students.

"For some real good kid football, come out and see these young kids play," stated Gordon Griffith, league director.

Vernon wins two

Vernon swept two matches from Iowa Park here Thursday in District 4-AAA volleyball play.

The visiting Lady Lions won 13-9 and 15-7.

Junior Hawks win

Iowa Park Junior High swept a pair of games with Childress, Tuesday evening.

The seventh grade won 6-0 and the eighth grade 16-6.

Eight make All-Region

The Iowa Park A Cappella Choir placed eight members and three alternates in the All-Region Choir in auditions held Saturday at Wichita Falls High School.

The singers were previously members of the

All-District Choir and advanced to the All-Region auditions. The All-Region members will now advance to Area tryouts in their quest for All-State Choir. Area auditions will be held on Nov. 29-30 in Abilene.

The finalists include: Joanni Jennings and Jane Dickey, First Soprano; Meri Lynne McIlroy, Second Soprano; Kerri Edwards, First Alto; Lorena Smith, Second Alto; First Tenor, Buddy Mercer; Second Tenor, Eric Birk; and First Bass, Scott Fowler.

Alternates include: Michele Mueller, Soprano; Jim Hodges, Tenor; and David Horsky, Bass.

Disco, belly dancing slated

Two types of dancing, disco and belly, are on tap at the Iowa Park Recreational Activity Center, according to Betty Merriman, director.

Mr. Disco will play for the teenage dance Saturday, starting at 8 p.m.

Dates for a belly dancing class have been set. The first class will be at 7 p.m. Tuesday, Nov. 13.

Also beginning Nov. 13 will be a class in Rhythmic Aerobics, an exercise program.

ABOUT TOWN

Mr. and Mrs. Jack Church and family who have lived in Iowa Park six years will leave Saturday for an assignment at a New Jersey Air Force Base. He has been stationed at Sheppard AFB.

Obituaries

James Robert and Daisy Mae Stogsdill

Joint funeral services for James Robert Stogsdill, 72, and his wife, Daisy Mae Stogsdill, 79, an Iowa Park couple who were killed Tuesday morning when their car was involved in a head-on collision near Hamilton, Mo., will be Saturday at 10:30 a.m. in Tanner-Aulds Funeral Home.

Mr. and Mrs. Stogsdill, who had lived in Iowa Park 23 years, were on a vacation trip and had been gone from home about a month.

He was born Jan. 25, 1907, in Stephens County, Okla., and she was born Sept. 15, 1900, near Dallas. He was a retired teacher, having taught in the Iowa Park Schools for 20 years and at Sheppard AFB earlier. She was a housewife.

They are survived by three sons, Jim Stogsdill of Spring, Gilbert Stogsdill of Lubbock and Charles King of West; two daughters, Mrs. Dewey Coldiron of Sudan and Mrs. Doug Bilbo of Waldorf, Md. He is also survived by a sister, Mrs. Fred Parkey of Iowa Park; two brothers, Gilbert and David, both of Duncan, Okla.

CARD OF THANKS

We are grateful for all the help we have received since the loss of our home due to a fire. Our thanks to everyone, and special thanks to our pastor, and Faith Baptist Church and the firemen who came to our aid. Your prayers and concern have been appreciated. Thank you. Love,

Ted, Bobbie and John Ed Williams

Ticket sale raises funds

The Kidwell PTA executive board met Tuesday night with Mrs. Steve Catlin in charge.

Winners in the advance ticket sale for the Halloween Carnival Saturday night which grossed \$3,538.30 were announced. These were Angela Gilmore, who sold 380 tickets, Valerie

Hedrick, 350 and Brian Pyle, 206.

Plans were made for the regular PTA meeting at 7:30 p.m. today in the school cafeteria. Paul Strong, dean of students at Wichita Falls High School, will be the guest speaker and the kindergarten class will present a program.

During the meeting, the upcoming spice sale was discussed. Mmes. Philip Welch, Michael Danchak and John Rains were named on the committee in charge. The sale will start Nov. 14.

It was decided to review the suggestions by teachers on improvements and to meet with them for further discussion.

Two airmen retire here

Five civilian employees at Sheppard AFB retired during September. Two are residents of Iowa Park, one lives in Burkburnett, and one in Scotland.

Those from Iowa Park are Woodrow W. Atkinson (30 years) and Clifford Whitt (16 years). Atkinson was assigned to Air Force commissary service. Whitt worked with 3750th Consolidated Maintenance Squadron.

Edna R. Walker (24 years) living in Burkburnett, was assigned to Sheppard's Regional Hospital. Billy B. Selby (41 years), formerly with Air Force commissary service, will live in Scotland.

Kermit D. Baker, (31 years), was assigned to 3760th Technical Training Group.

Is marriage ever hopeless? Sometimes marriages have been established on so shaky a foundation that it seemed impossible for it to last. Even on these occasions, in view of God's word, it is best if at all possible to help the couple work out their problems. Surely there are enough influences against the home without the Christian adding a negative force. "Hopeless" marriages seem to fall into three distinct categories.

First, marriages tend to appear hopeless, so far as their permanence is concerned, when there is no knowledge of or commitment to the teachings of God concerning marriage. When the pressures of life come on, unless there is a knowledge of God's Will and a loyalty to that Will, marriages often break up. It is for that reason that it is good for us to consider the teachings of God's Word concerning marriage.

In the beginning of the Bible God said, "It is not good that the man should be alone" Gen. 2:18. Then God proceeded to form woman and to bring her to man as a suitable companion. At this point Adam said, "This is now bone of my bones, and flesh of my flesh; she shall be called Woman, because she was taken out of Man. Therefore, shall a man leave his father and his mother and shall cleave unto his wife; and they shall be one flesh" Gen. 2:23, 24. This was God's original plan for the happiness and good of mankind. ONE WOMAN FOR ONE MAN FOR LIFE is a very simple and a very satisfying formula even yet!

Later in the Old Testament the words of Solomon encourage us to "Live joyously with the wife whom thou lovest all the days of thy life..." Ecc. 9:9. From the same wise man came the words, "A worthy woman who can find? For her price is far above rubies. The heart of her husband trusteth in her. And he shall have no lack of gain. She doeth him good and not evil all the days of her life." Prov. 31:10ff. In the New Testament Jesus included in his Sermon on the Mount the admonition, "Ye have heard that it was said...Whosoever shall put away his wife, let him give her a writing of divorce; but I say unto you that everyone that putteth away his wife, saving for the cause for fornication, maketh her an adulteress; and whosoever shall marry her when she is put away committeth adultery" Matt. 5. This same passage is found in Matthew 19, where Christ recognized that at certain times in the Old Testament period people were allowed to put away their wives, but then added, "...from the beginning it hath not been so." A knowledge of these guidelines from God and a commitment to live by them is the strongest foundation that a marriage can have! (To be continued)
