DR. EARL WATSON
520 W. CLARA
IOWA PARK, TEXAS

Street improvement project is nearer

Among the numerous decisions made by the city council Monday evening was one to advertise for bids to seal coat some 20 miles of streets and completely rebuild a two-block section of West Park.

Council members, who had not met since Oct. 8, faced a 22-item agenda, and then later sat as the city's board of adjustments to hear two other topics.

Wichita Falls engineer Ed Biggs told the council he and his staff had completed an extensive survey of the street conditions throughout the city, and proposed a sealcoating project to save the pavement.

Aldermen instructed City Administrator Steve Morath to advertise for bids on the project, which probably would be scheduled in the spring, around March, after freezing weather.

Biggs said the 200 and 300 blocks of West Park were beyond saving and should be re-paved. He also proposed that Park Plaza be completed, connecting two housing additions.

Mayor Johnny Crawford would not indicate how much the city intends to spend, because it might effect bidding. But he said it would be between \$75,000 and \$125,000.

Biggs said the project would probably require some 60 working days to complete.

Morath was also instructed to advertise for bids to expand the police department facilities, and for purchase of four vehicles which would

include a police car, two compact pickups and a ton truck chassis-cab.

Council members approved a resolution authorizing the mayor to sign a lease agreement to rent the old Koonce-McCullough building from the Evening Lions Club. The building will be used primarily for the Friendly Door meeting facility. Leasing the structure is a legal maneuver through which the city can contribute \$4,000 to the Lions Club for renovation expenses, but the city will not attempt to operate the facility.

Another resolution approved was the leasing of a structure at 902 W. Highway from Deryl James. The agreement contains an option to purchase the structure and property for \$35,000.

Mayor Crawford told the council the library board had indicated the structure would not be suitable to house the city library, but in the future the home might be moved and Fourth Street opened from Van Horn to West Highway.

No action was taken on a resolution to lease a portion of S. Park to Billy James. The subject is to be on the next meeting's agenda.

The council approved a bid from the Texas Department of Corrections to provide 335 street signs for \$5,298, noting the bid was third lowest of six received.

An ordinance abandoning 25 feet on the west side of S. Park, between Crystal and Emerald, was approved. Property owners in turn dedicated

eight additional feet for alley right of way.

Aldermen approved a 10-acre plat in the east end of Bogan Acres, but did not resolve an issue of extending water to the site. Other property owners will be contacted to see if they wish to contribute funds to enlarge the line, to improve fire protection.

The council approved a proposal to increase the insurance premium for four employees which would raise their life benefits to \$5,000. The four are 65 years of age and older, and their premium was the same as younger employees, which did not allow a full \$5,000 life insurance as provided by city ordinance.

Biggs also recommended to the city that a half-million gallon ground storage water tank be constructed near the other city ground tank to increase the city's storage capacity. Cost would be approximately \$150,000.

Mayor Crawford explained he had sought Biggs' recommendations because of limited distribution capabilities of Wichita Falls during peak use seasons.

ADJUSTMENTS HEARING

Two persons appeared before the council while it sat as the board of adjustments, following the regular council meeting.

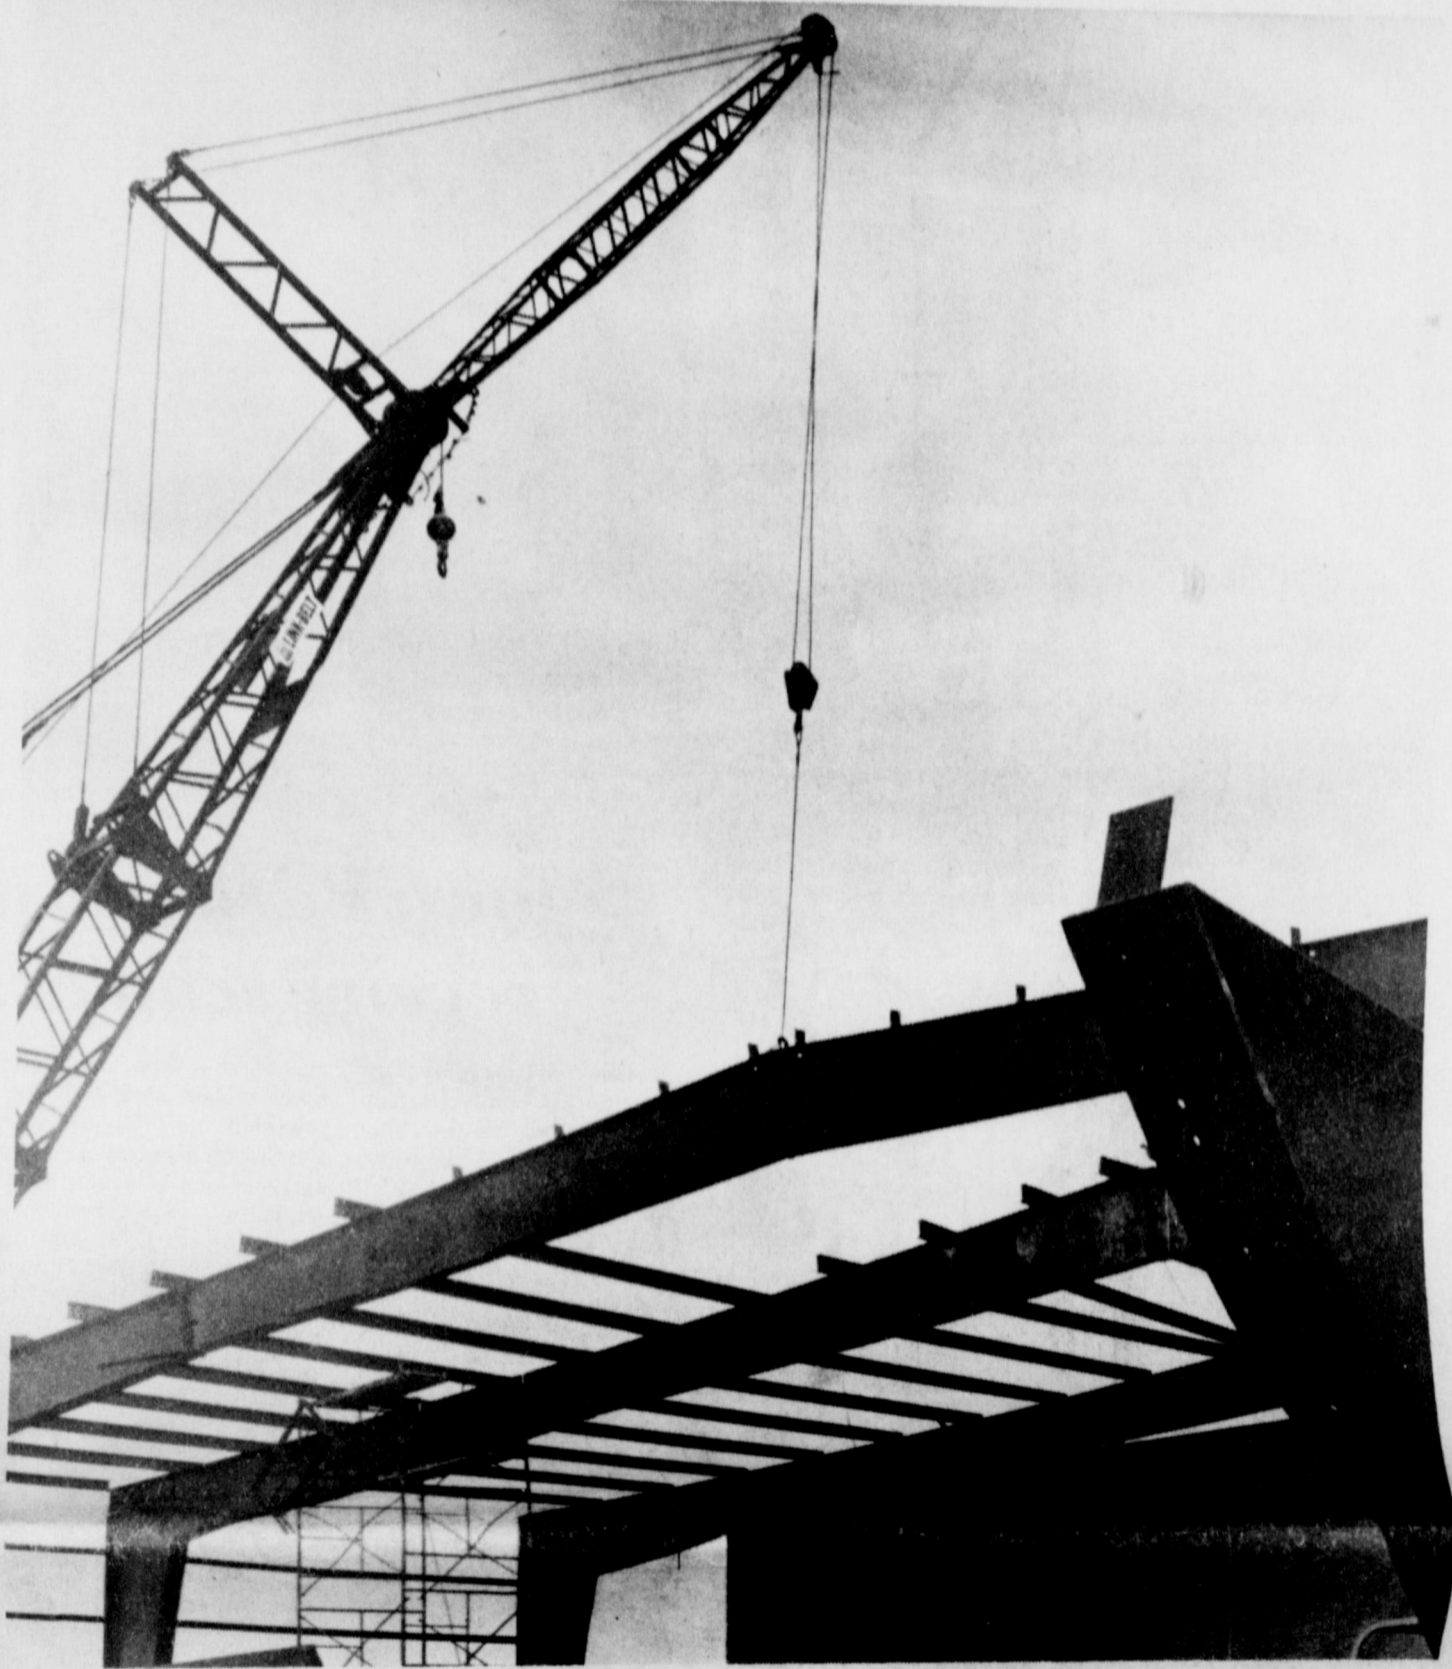

Charles Heacox was granted a variance from city ordinance to build a carport onto his home at 1132 W. Louisa. Heacox explained the addition would not interfere with

driver vision at his corner lot, as he was adjoining the Access Road, which is one-way traffic.

John Mixon, seeking a variance

from the required 6,000 square foot minimum lot for a home at 206 S. Jackson, was also given approval. He explained the owner had purchased

the land in 1962 for a retirement home site. The lot was only 4,800 feet, and would never be used without the variance.

GYMNASIUM CONSTRUCTION continues slowly at Iowa Park High School, due to illness of a key person in the firm and partially due to poor weather conditions. School officials had hoped to have use of the uncompleted facility this winter.

Leader to print early next week

The Iowa Park Leader will publish a day early next week, in order for subscribers to receive their copies the day before Thanksgiving.

All advertising and news deadlines will be moved up one complete day. Though the issue will carry a Nov. 22 dateline, which is Thanksgiving, it will be distributed Wednesday.

Thanksgiving service set

The annual Community Thanksgiving service will be held Sunday at 5:30 p.m. at First United Methodist Church.

Fund established to aid Mrs. Taylor

A fund to help defray medical and hospital expenses of Mrs. Joyce Taylor has been established at State National Bank.

Mrs. Taylor, injured in a one-car accident Oct. 31, remains in a comatose state in Wichita General Hospital, under 24-hour nursing care.

The divorcee lives with her two sons in Woodbrier Apartments.

Principals concerned about storm shelters

Two elementary school principals expressed concern over lack of protection for their students should a tornado strike their buildings.

The concern was brought out Tuesday night when elementary principals made their annual reports to the board of trustees.

Bob Cole, principal at Kidwell, said he was not satisfied with his present plan for protecting the students,

based on drills he has carried out at the campus since the April 10 tornado struck Wichita Falls.

Of main concern, Cole said, was the amount of glass in the building. He said he could crowd just so many students into restrooms and other areas, but the rest of the students had to crouch in hallways which he fears are vulnerable to shattering glass.

Valley View principal James Ward said his building was much like Kidwell.

The situation is not as serious at Bradford, according to George Taylor, who said his drills consisted of taking students to the "new wing", which is almost void of glass.

Cole told trustees he has sought solutions from various authorities as to what were the best plans of action for his students to take should a tornado threaten his building. He said he would continue seeking information in hopes of improving his present plan.

Trustees said they shared the concerns of the principals, and said they would also seek solutions, such as possibly building shelters at the campuses which could also serve as physical education facilities.

Cole told the board he now has 365 students enrolled, an increase of 13

over the first day of school and 29 more than the end of school last spring. Enrollment at Bradford is 262, 23 more than at the beginning of school. Ward reported 272 students at Valley View.

Combined, there are 74 students in kindergarten, 127 in the first grade, 124 in the second, 144 in both the third and fourth grades, 135 in the fifth and 137 in the sixth.

The Principals said their respective library programs were improved over the previous year, and none said he had any problems around the buildings.

Iowa Park banker-rancher Stanley Williamson was named by the school board to represent the school and city on the countywide tax appraisal board. Though the city council did not address the subject Monday night, it is anticipated council members will confirm Williamson's nomination at their next meeting. Nominations reportedly were due in the county clerk's office Wednesday.

INSURANCE STUDY

Trustees heard a report comparing bids on hospitalization insurance for school personnel. Marvin Trawick of Wichita Falls compared bids from six companies for board members.

No action was taken on plan until two companies are given an opportunity to re-bid on a basis other than the original bids.

Trustees are considering providing insurance for employees, but the amount of participation by the school is yet to be resolved.

Board members approved a proposed list of personnel to serve on this year's textbook committee. Approved were Faris Nowell, James Ward, Bob Dawson, Jane Cowley, Harriett Laird, Jim Arnold, Mary Rosborg, Jim Gotcher, David Baugh, Jean Johnson, Robert Sumner, Wendell Allen, Jimmy Alsop, Bob

Cole and George Taylor.

Supt. Nowell pointed out that most of the committee was composed of high school personnel, because most of the new books to be ordered this year would be for the high school.

Trustees approved hiring of five

personnel. They are Nancy Bower, Pat Cravens, Cathy Wilkerson, Danna Rateliff and Carolyn Richter.

Becky Moore, Pam Burnam and Sherry Prior were permitted to take a leave of absence, and Linda Burgoine resigned.

Hawks host Lions in game of pride

With neither team still in the running for the district championship, Iowa Park and Vernon will be playing for pride in Hawk Stadium tomorrow night. It will be the final game for both clubs this year. Kickoff is 8 p.m.

The Lions, who have dominated the Hawks for the past several years, come into the game with a poorer season record than the Hawks, but they have one more conference victory than do the Mean Green.

Vernon opened conference play with a 0-0 tie against district champion Burkburnett. Their only loss was to Mineral Wells. The Lions are 3-1-1 in district play and 4-4-1 for the season, while the Hawks now stand 2-2-1 and 6-2-1.

Iowa Park's biggest loss last year was to Vernon, when the two met in the season finale. The Lions humiliated Iowa Park 42-0.

Defense has been the big factor for the Lions this season. The Lions stand fourth among district teams, allowing only 188 yards to 4-AAA opponents. On offense, the Lions are sixth, just above Hirschi, averaging 168 yards per outing.

The Hawk offense is second only to Mineral Wells, amassing an average

of 295 yards against district opponents. On defense, the Mean Green ranks third, allowing 185 yards per 4-AAA contest.

James Wooley and Eddie Easter are the mainstays of the Lion offense. Wooley has carried the ball 40 times for 204 yards and Easter 45 times for 182 yards against district opponents. Easter has scored 30 points to lead his team in scoring.

Hawk offensive linemen will have their hands full attempting to handle mammoth Benny Gaines, Vernon's 305-pound noseguard.

Gaines and his fellow defenders will have their hands full attempting to slow down Hawk senior tailback Troy Thompson, who is the only back in the district to have already surpassed the 1,000-yard mark rushing this season. Thompson has carried 210 times, for 1,069 yards. He has a string of three consecutive 100-plus games and has picked up 696 yards on 122 carries in district play.

Only one Hawk is questionable about playing tomorrow night. Noseguard Mike Smith, a senior, was found to have a broken bone in his right foot. The doctor said it appeared to have been broken before last week's game at Burkburnett.

New officers to be elected

The annual membership meeting and election of officers of the Iowa Park Chamber of Commerce will be held at noon Monday at the First Presbyterian Church.

Following a luncheon, members will elect officers for 1980. Nominees named by a selection committee include: Danny Parkerson, president; Helen Rich, first vice president; Tommy Key, second vice president; and directors, Bill Steger, Key, Rich,

Philip Welch, Rip Smith, Bud Burch, Dr. Richard Carver, Allen Gilstrap and Mike Robertson. Nominations will also be accepted from the floor.

Newly-elected officers will be officially installed at the annual chamber banquet.

Reservations for Monday's luncheon must be made by Friday at the Chamber office. Price will be \$4, according to Mrs. Ray Pittman, secretary.

Wheeler-Green nuptial vows are exchanged here

Miss Kathy Wheeler, daughter of Mr. and Mrs. Richard Wheeler, became the bride of Billy Joe Green, son of Mr. and Mrs. Leonard Green, in a double-ring ceremony performed by Rev. Michael Jackson Saturday evening at First United Methodist Church.

A concert of appropriate prelude music was presented by Mrs. Otis Gay, organist, who also included the traditional processional and recessional in her offerings. Other musicians were Miss Lee Bates,

soloist, and Miss Toni Ozuma of Wichita Falls, pianist, who accompanied Miss Lee for her solos, "If" and "More."

The couple recited their matrimonial vows before an altar decorated with two arrangements of yellow gladioli and carnations complemented with rust mums. Tall white tapers burning in branched candelabra provided soft illumination.

The bride was given in marriage by her father. She wore a white polyester gown designed with empire waist and bodice strewn with shiny lace flower appliques which also trimmed the neck and cuffs of the sheer sleeves. The floor length skirt extended into a chapel train. Her two-tiered veil of sheer illusion was held in place by an open cap adorned with seed pearls.

The bridal bouquet was a cascade of yellow carnations and mums intermingled with baby's breath. For traditional sentiments, she wore her mother's necklace for "something old" and a garter passed on to her by her mother for "something blue."

Miss Wanda Green, sister of the groom, participated in the wedding as maid of honor. She wore a floor length gown of yellow eyelet and lace, a yellow picture

MRS. BILLY JOE GREEN

hat and carried a nosegay of carnations and mums.

Best man for the groom was Henry Crisp of

Bridgeport. Both wore brown suits and yellow carnation boutonnieres. Ushers were Gary Wheeler

of Lincoln, Nebraska and Leonard F. Greene of Iowa Park.

The bride's parents hosted the wedding reception at the Woodbriar reception room. They were assisted by the bride's grandparents, Mr. and Mrs. Gerald Konert of Genoa, Neb., Mrs. Donald Green of Grand Prairie and Mrs. Janice Davis.

The refreshment table was centered with a three-tiered cake which had special meaning because it was baked by a close friend, Mrs. Ann Wessel of Wichita Falls. The white confection was on a base of yellow net and each tier was decorated with yellow roses, cascading sweetpeas and white wedding bells. For the top ornament, the bride chose to use the bride and groom standing under a flowered archway, that was used to top her parents' wedding cake.

The bride and groom attended Iowa Park High School. She is employed by Kell Street Dairy Queen and he works for Wichita Metal Products. They will live in Iowa Park.

Special wedding guests were Mrs. Mary Green, grandmother of the groom, Mr. and Mrs. Alonzo Wheeler, Mr. and Mrs.

Gerald Konert, the bride's grandparents of Genoa, Neb. Other out-of-town guests were Mr. and Mrs. Gary Wheeler, Gary Lee and Colette of Lincoln, Neb., Mrs. Jerry Konert, Bryan and Eric of Columbus, Neb., Mr. and Mrs. John Crisp of Bridgeport, Mr. and Mrs. Donald Green and Bobby of Grand Prairie.

Shower fetes recent bride

Mrs. Mike Haire of Vernon, the former Kim Williams, was complimented at a postnuptial shower Monday evening at the home of Mrs. Glen Miller. Co-hostesses were Mmes. Clyde Patterson, C.O. Dodd, Jack Railsback, John Cummings, Gilbert Mueller, Robert McLroy, Pete Hughes, Ken Hines, Bill Curry, Donald Hill and Preston Leath.

Yellow and white governed decorations for the party. The table where guests registered was appointed with yellow silk rosebuds tied with matching satin ribbons.

The refreshment table was the focal point of interest in the setting. Covered with a white crocheted cloth over yellow, beauty and charm were added through a centerpiece of white silk roses and baby's breath in a crystal cutglass bowl, and the crystal and silver services.

The honoree was presented with a corsage of yellow silk carnations, and Mrs. Wayne Williams, her mother, and Mrs. M.T. Haire Jr., her mother-in-law, were given white silk carnation corsages.

VANESA STUCKI

Enters Nocona beauty contest

Vanesa Stucki, daughter of Mr. and Mrs. Harold Stucki, will represent Iowa Park Saturday at the North Texas and Southern Oklahoma Miss Pecan Pageant and Festival at Nocona.

The Iowa Park Chamber of Commerce is sponsoring her and Danny Parkerson is chairman of the committee. Miss Stucki, a junior at Iowa Park High School, will compete in evening gown and talent, and be interviewed by the judges. The winner in Saturday's Pageant will compete at the Texas Pecan Pageant during the summer.

Iowa Park trio at MSU receive scholarships

Cindy Flanagan, Randall Griffith and Darlene Mahler, students at Midwestern State University, attended leadership seminars last weekend after having been awarded Shanor Leadership Foundation Scholarships.

Cindy, daughter of Mrs. Georgia Flanagan, is a sophomore drama major. She is vice-president of Alpha Lambda Delta, national honorary sorority for women, and is chorister of Mu Phi Epsilon, national professional music sorority. She is a member of Alpha Psi Omega, national fraternity in theatre, the MSU Student Senate, the Artist Lecture Committee, the Council of Presidents, the MSU Acappella Choir, and is Editor of "The Waikun," the MSU Yearbook. Cindy is the recipient of the W.W. Moran Drama Scholarship, an MSU Honors Program Scholarship, and a general scholarship. She has an overall grade point average of 3.9 on 50 semester hours of college work completed to date.

She has been selected as an "Outstanding Young American" for the past two years. She appeared as Elsa in the Summer Youth Musical, "Sound of Music," and will appear as Anna in "The Pied Piper." MSU's Children's Theatre Christ-

mas presentation. Cindy was honored last spring by her selection as "Outstanding Freshman Woman" at MSU and was one of seven MSU students recognized by Southwestern Bell Nov. 14 at a Student Leader Dinner in their honor at the Wichita Club.

Randall, son of Mr. and Mrs. Dan Griffith, is a freshman art major at MSU. He had an outstanding high school record having received numerous awards in both tennis and basketball including all-district and all-tournament selections. He sang bass in the Acappella Choir. Randall was responsible for all the art work for the Iowa Park High School yearbook his senior year and won first place in the oil painting division and second place in graphics in the Wichita County Art Show. He was selected as the Outstanding Senior Boy by the Modern Music Study Club. Randall received an honor scholarship from the MSU Art Department for study with them.

Darlene, daughter of Mr. and Mrs. Clarence Mahler, is a sophomore drama major. She is a member of Alpha Psi Omega, national fraternity in theatre, the MSU Acappella Choir, and is warden of Mu Phi Epsilon, a

national professional music sorority. She is associate editor of "The Waikun." Darlene is the recipient of the E.W. Moran scholarship in drama. She appeared as Frau Schmidt in the Summer Youth Music, "Sound of Music," and recently appeared in the MSU Music Department's production of "The Marriage of Figaro." Darlene has earned an overall grade point average of 3.62 on 45 semester hours of work completed to date. She will be initiated into Alpha Lambda Delta, national honorary sorority for women, in November.

Clint and Justin Beavers of Abilene announce the birth of a sister, Misty Marie, weighing seven pounds and nine ounces, October 21. Their parents are Mr. and Mrs. Donald Beavers, formerly of Iowa Park. She is the former Linda Spain.

Grandparents are Mrs. Betty Spain of Mayfield, Mr. and Mrs. J.L. Beavers of Iowa Park and Charles O. Spain of Olney.

'Human Rights' WMU program

Two of the United Methodist Women fellowships met Tuesday morning for program study of "Human Rights". Mrs. China B. Smith was hostess for the meeting of the Rebecca fellowship, and Mrs. Chauncey Weiler was in charge of the study. Eleven members attended. The Ruth fellowship met with Mrs. C.L. Thompson. Mrs. Eldon Thompson directed the study. Twelve members and one guest, Mrs. Mike Jackson were present.

Cook of the Week

The cook book is so often a meal planner's best friend because it not only gives direction for cooking foods but it gives ideas for something different to prepare and serve to family and friends. "The Compleat Housewife", printed in Williamsburg, Va. is reputed to be the first cook book published in America. Those who have had opportunity to read the early cook books feel that they were not for the novice cooks but for those who already knew the art.

Thanks for the recipes in the files of the Iowa Park Leader - they can be understood and followed by both professed and beginner cooks. The recipes of "Here's what's cooking" from the kitchen of Mrs. Don Rice attest to the truth of the aforesaid statement.

Her Fun Plum Cake recipe sets one to wondering how long the plum has been a favorite fruit of Americans for jellies, jams, preserves, pies and cobbler, and how the plums got to America. It is thought that the pits were brought here by the colonists and were planted in Massachusetts, and that the French brought them from Canada.

A century ago, an American sailor was adventurous enough to taste the gorgeous plums he saw growing in Japan. Luther Burbank, world-famous plant breeder, came across a book written by the sailor describing the blood-red

Mrs. Don Rice

plums and sent to Japan for seedlings. Ten years later, the fruit had attained perfection.

Doyleene Rice has lived in Iowa Park about a year, and everyone who has met her feels that she definitely belongs in the proverbial "never met a stranger" class. She is very personable and enthusiastic about everything she has an interest in. A native of Wewoka, Okla., she was graduated from high school there. She attended the University of Pittsburg when the family lived there. She has been active in volunteer work in hospitals and worked at a book and gift store in Midland before moving to Iowa Park.

Don is district manager of BMW-Monarch. They have three children: Terrie, a sophomore at Texas Tech; Ken, a graduate of Iowa Park High School; and Bob a high school sophomore. They are members of First Baptist Church where Doyleene is community missions chairman of the Day WMU. She is president of the new Amity Study Club. She is an avid football fan and reader and very interested in politics.

FUN PLUM CAKE

- 3 eggs
 - 2 cups sugar
 - 1 t vanilla
 - 3/4 cup oil
 - 2 small jars plum baby food with tapioca
 - 1 t red food coloring
- Mix above ingredients well, set aside.

CHEESE APPLE

- 1/2 lb. Velveeta cheese
- 1 pkg. Philadelphia cream cheese
- 1/2 cup pecans, chopped fine

1 t garlic salt
Cream together all ingredients and roll into shape of an apple or roll in wax paper in long roll in chili powder and paprika. Chill.

TOFFEE GRAHAM

Line a 17 x 11 1/2 cookie sheet with Keebler Honey Grahams, (whole)
Melt together:
1 stick margarine
1 stick butter
1/2 cup sugar
Bring to a rolling boil and boil exactly 3 minutes. Pour over graham crackers and immediately top with chopped nuts.

Bake in preheated 325 oven for only 10 minutes. Cut in pieces and put on wax paper. If they are hard to remove from pan, put in oven a minute.

Note: You HAVE to use butter and margarine

CRANBERRY SALAD

1 pkg. cranberries
2 apples
2 oranges
1 lemon
1 1/2 cups sugar
1 cup nuts
Wash cranberries and grind in food chopper or blender, along with peeled and sectioned apples, oranges and lemon. Add sugar and ground nuts. Refrigerate. Let set overnight. This will keep well refrigerated about 4 weeks or more.

ONE-HOUR ROLLS

2 pkgs. dry yeast
1 cup warm water
1 T sugar
1 t salt
1 T melted butter
2 1/2 to 2 3/4 cups sifted flour
Mix well. Let rise 15 minutes. Shape and put on cookie sheet; let rise 30 minutes. Preheat oven to 425 degrees and bake 15 minutes. After 10 minutes cover lightly with foil. Cool on rack.

BRAN MUFFINS

4 eggs, beaten, stir in:
1 quart buttermilk
5 t soda
3 cups sugar
5 cups sifted flour
1 cup oil
1-5 oz. box raisin bran
Mix and don't use for two days (store in air tight bowl). Will keep in refrigerator for 6 weeks. Bake at 400 degrees for 15-20 minutes in greased muffin tins.

CHEESE APPLE

- 1/2 lb. Velveeta cheese
- 1 pkg. Philadelphia cream cheese
- 1/2 cup pecans, chopped fine

'Our European Heritage' theme of club's meeting

"Our European Heritage" was the theme of the Modern Music Club program

Thursday evening in a meeting held in the home of Mrs. Otis Gay.

Co-hostesses were Mrs. Bertha McDonald and Mrs. Bob Aulds.

Mrs. Georgia Flanagan was program leader. Mrs. Keith Aulds told the story of "Come, Ye Thankful People, Come" and Mrs. John Rentschler played a piano arrangement of the hymn.

The vocal music rendered during the program included "Arriverdica Roma", a duet number by Mrs. Gene Owens and Mrs. J.W. Farmer; "How Ireland Got Its Name" by Mrs. Katherine Sue Jacuart, soloist; "An Die Musik" (Schubert), Mrs. Fred Hinrichs who provided her own piano accompaniment.

Piano solos presented were "Love's Old Sweet Song" by Mrs. Keith Aulds; "Two Guitars" by Mrs. Gay; "Scarlati" by Mrs. James Sewell.

Mrs. Michael Jackson furnished accompaniment for the group to sing "How Great Thou Art." Accompaniment for the vocal renditions was provided by Mmes. Gay, Sewell and Jackson.

Garden Club has luncheon

The Iowa Park Garden Club held a Thanksgiving covered-dish luncheon Friday in Texas Electric Reddy Room. Hostesses were Mrs. Michael Hodson, Mrs. Thurman Rietz and Mrs. W.A. George.

The tables were decorated in the harvest theme. The head table featured a large straw doll, vari-colored corn and gourds, pumpkins and autumnal leaves. Other tables were appointed with the same seasonal symbols and straw baskets filled with miniature straw dolls.

Mrs. Robert Horton, a guest, presented a program on "Interior Christmas Decorating" following the luncheon. She demonstrated how candles and holders could enhance the beauty of Yuletide decorations, showing the different effects achieved through different colors.

A slate of officers for 1980 was presented during the meeting. These were Mmes. N.D. Hodson, president; R.L. Good, vice president; R.B. Faulkner, recording secretary; Kathleen Hatten, corresponding secretary; Charlie Lee, treasurer; and Ida Parker, historian. Eleven members and another guest, Patricia Schroeder, were present.

Bell choir organized

Special music was provided by the Hand Bell Choir of First Christian Church Sunday during the morning worship service. The choir, directed by Tim Adeock, is the only one of its kind in the city.

Present members are Denny Anderson, Mike Blackburn, Teri Franklin, Sherry McDonald, Ken Roberts and Wayne Watson. The project to purchase the bells and form a choir started four years ago. The money was raised through projects, memorials and special gifts and Malmark Hand Bells arrived in January of this year.

The choir was formed under the leadership of the choir director of the church at that time, but he later accepted a position in another city and practice was halted until Adeock, who is church organist, assumed the responsibility of directing it.

ABOUT TOWN

Twenty-four weighed in at the TOPS Club meeting Monday night. The date for the Christmas party was set for Dec. 10. Queens for the week were Mrs. C.O. Dodd and Mrs. Nina Baker.

Mr. and Mrs. Herb Langford announce the birth of twin boys, born Nov. 7, Jason Andrew, six pounds, three ounces and Justin Scott, six pounds, eight ounces. The twins have a big brother, Darrin, 5 years old. Grandparents are L.Z. Langford of Wichita Falls and Mr. and Mrs. Ira C. Dunn of Vernon. Great-grandmothers are Viola Dunn and Pauline Andrew, both of Vernon.

Bradley Glenn, a seven pound son, was born to Mr. and Mrs. Eddie White Oct. 31. He has one sister, Kasey, two years of age. Grandparents are Mr. and Mrs. R.E. White of Iowa Park and Mr. and Mrs. James D. Judd of Dallas. The great-grandparents are Mr. and Mrs. L.T. Jones and Mrs. I.O. Judd, all of Borger.

Mr. and Mrs. Jimmie Johnson announce the birth of a son, born Nov. 10, James Earl, six pounds, four ounces. Grandparents are Mr. and Mrs. L.Z. Langford of Wichita Falls and Mr. and Mrs. Ira C. Dunn of Vernon. Great-grandmothers are Viola Dunn and Pauline Andrew, both of Vernon.

Mr. and Mrs. Jimmie Johnson announce the birth of a son, born Nov. 10, James Earl, six pounds, four ounces. Grandparents are Mr. and Mrs. L.Z. Langford of Wichita Falls and Mr. and Mrs. Ira C. Dunn of Vernon. Great-grandmothers are Viola Dunn and Pauline Andrew, both of Vernon.

Obituaries

Mrs. Myrtle Ann Ratcliff

Funeral service for Mrs. Myrtle Ann Ratcliff, 83, of Graham, mother of John Ratcliff of Iowa Park, was Friday morning in Morrison Funeral Home.

The Rev. Buford Bush and the Rev. H.B. Graves officiated. Burial was in Pioneer Cemetery.

Mrs. Ratcliff was born Feb. 9, 1896 in Texas, and moved to Graham in the 1900s. She was a member of Salem United Methodist Church.

She is survived by six sons, John of Iowa Park, Clinton Ray of Ruidosa, N.M., James Earl of Wichita, Kan., Milton Ray, Ernest Steve and Bob C., all of Wichita Falls; four daughters, Mrs. Myrtle Rogers of Wills Point, Mrs. Mary Frances Nantz of Heber Spring, Ark., Mrs. Dolly Nunley of Wichita Falls, Mrs. Patsy Sue Abbott of Chicgo; three brothers, Don Carson of Seminole, Barney Carson of Austin and Bruce Carson of Lubbock; three sisters, Reba Slaughter of Seagraves, Lena May Miller of Maryland and Trudy Tanner of Calif; 30 grandchildren, 40 great-grandchildren and four great-great-grandchildren.

A.L. Richardson

Funeral services for A.L. Richardson, 69, who died Monday at a Wichita Falls hospital, were Wednesday morning in Tanner-Aulds Funeral Home. The Rev. Ken Cole, pastor of Faith Baptist Church, officiated.

Burial was that afternoon in Cedar Hill Cemetery in Abilene.

Born Feb. 9, 1910, in Monkstown, he moved to Wichita County from Abilene in 1957. He retired in 1974 after 27 years as a salesman with Kraft Foods. He was a Mason and a member of First Baptist Church of Abilene.

He is survived by his wife, Anna Mae; two daughters, Mrs. Carolee Caudill of Big Spring and Mrs. Patricia Copeland of Dallas; a sister, Mrs. Thelma Cannon of Abilene; his stepmother, Mrs. A.O. Richardson of Abilene; and five grandchildren.

Jim 'Red' Harris

Services for Jim "Red" Harris, 39, of Wichita Falls, son of Mrs. Gertrude Harris and brother of Lloyd Harris, both of Iowa Park, were Friday in Hampton-Vaughan Funeral Home.

The Rev. Larry Shields of Faith Baptist Church officiated. Burial was in Riverside Cemetery.

Born June 24, 1940, in Electra, he was a truck driver and had lived in Wichita Falls 25 years. He was a member of the Church of Christ.

He is survived by his wife, Kay, his mother, Gertrude Harris of Iowa Park; a daughter, Kelley Peters of Wichita Falls; a son, Chris Peters of Wichita Falls; a sister, Glenda Reily of Austin; two brothers, Lloyd of Iowa Park and Gary of Houston.

Mrs. Bob Woodall

Mr. and Mrs. Rollins Woodall received word Sunday night of the death of their sister-in-law, Mrs. Bob Woodall Friday in Garden Grove, Calif. Memorial services were held Tuesday in Garden Grove and interment was in Logansport, Ind.

She is survived by her husband, a former resident of Iowa Park, 2 daughters; two sisters; one brother; and four grandchildren.

Mrs. Anna Jones

Services for Mrs. Anna Jones, 80, who died Sunday in a Clay County hospital, were Tuesday in Davis Funeral Home in Henrietta.

The Rev. Sammie Hughes, pastor of Grace Temple Baptist Church, officiated. Burial was in Crestview Memorial Park in Wichita Falls.

She was born Feb. 16, 1899, in Cook County and had lived in Henrietta 15 years. Survivors include three sons, Arthur of Bowling Green, Mo., Johnnie of Holliday and James C. of Wichita Falls; two daughters, Ethel Mae Cobb of Oklahoma City and Mrs. Lenora McDaniels of Wichita Falls; 12 grandchildren, 17 great-grandchildren, and one great-great grandchild.

Philosopher here Sunday

Eddy Nicholson, better known as America's Rocking Chair Philosopher, will be guest at First Baptist Church Sunday at 7 p.m. following the Thanksgiving service at First United Methodist Church.

A Christian humorist and entertainer, Nicholson wears Big Mac overalls, flour sack shirt and sits in a rocking chair during his performances. He mixes southern fried humor, old-fashion fun and music in such a way that he has produced one of the most enjoyable programs to be found anywhere. As a country philosopher, he spares no punches in showing his audiences how to really enjoy life, the good, old-time American way.

Nicholson speaks constantly for Trade Associations, Chambers of Commerce and civic organizations.

He has the same California agent as Art Linkletter, Debbie and Pat Boone, Dale Evans, Roy Rogers, B.J. Thomas, Norma Zimmer and other top performers. The public is invited.

WHAT TO EXPECT WHEN YOU VISIT ANY OF OUR SERVICES
You may expect a quiet, comfortable place filled with friendly people who have assembled for a serious purpose.
You may expect a warm attitude of welcome. Each person is encouraged to sit where he so desires. Usually the closer to the front the easier it is to understand the speaker. There are no reserved or assigned places. We believe it ideal for families to worship together.
The singing is always congregational. We consider it to be a personal act of worship. Therefore, everyone is encouraged to join with all others to sing each hymn with deep feeling. We believe it important to understand the words which express truths we all hold to be precious. We do not use any mechanical instruments of music.
There are no collections at any service other than Lord's Day morning. Visitors are never expected to contribute. We are pleased to have you as our guest. Services are scheduled to be one hour in length.
Each service is simple in nature, instructive in purpose. We sing. We pray. We listen to the Word of God. Every Lord's Day we partake of the Lord's Supper in memory of His death till He comes again. No one is excluded from this service.
Although the preaching is expected to reprove, rebuke, and to exhort, no one is publicly singled out for embarrassment. Each is encouraged to make his own personal application of the divine instruction.
Everyone is free to leave immediately after each service. However, our preachers and officers are always available in the foyer after every service. Everyone is encouraged to remain to greet them and to visit with all others who have assembled.
You may expect every sermon to be true to the Bible. There are no pleas for special interest groups. No political or social viewpoints are advocated.
You may expect emphasis upon the proclamation of the Gospel of Salvation, the teaching of New Testament articles of faith, the expression of gratitude to God in worship. We seek only to prepare the soul of man for Eternity.
If this seems reasonable and appealing to you, why not give us a visit this week?
Iowa Park Church of Christ
300 East Park 592-5415

IOWA PARK FIREMEN assist Gold Cross Ambulance workers to extract three persons from Electra after using the Jaws of Life to open the doors of the automobile. The accident, which occurred Friday afternoon, took place at the

intersection of FM 369 and Old Iowa Park Highway. Injured were Frank Butler, 76, Mildred Butler, 71, and Marilee Parker, 73. Driver of the other vehicle, a pickup, was Douglas Grisham, 26, of Wichita Falls.

As I See It....

No, I couldn't tell whether that ball passed through the uprights at Burkburnett or not. I just didn't have the proper angle.

I've never heard Iowa Park fans get down so hard on any game officials. Not that I blame them, because they had just cause to be upset, from where I was standing. I kinda agreed with them.

If we are looking at any record on crowd reaction... in the few short years I've been covering Hawk sports... I'd say Friday night topped the crowd's disapproval of officiating at Brownwood back in 1971.

In case you don't remember or haven't heard, the officials were so intent in leaving Brownwood as quickly as possible, they were stopped by the highway patrol on the outskirts of town and issued a ticket for speeding.

Word reaches me that one of Friday's officials didn't have to get out on the highway to risk a speeding ticket. He lives in Burkburnett!

I share with you fans and the players and coaches the deep disappointment of losing. We haven't had a game with so much riding on it in a long, long time.

No one can deny that every single Hawk gave his all, however. And that's what counts. I'm proud of those young fellows.

I hope the loss hasn't diminished the peoples' intention of attending the final game of the season, here tomorrow night with Vernon. The players need all the support they can muster. I still have a sour taste in my mouth from that whipping the Hawks took in the final game last year, issued by these same Lions.

Just in case you're already looking toward next year, be prepared to having most of your pre-game meals at home. We're off the road, thanks to Tommy Watkins' scheduling.

So far, with nine games scheduled, we will travel to Breckenridge, Graham and Wichita Falls. Don't know where that 10th game will be.

The home games will include Fort Worth Northside, Fort Worth Trimble Tech, Wichita Falls Rider, Mineral Wells, Vernon and Burkburnett.

No sir, even with cold weather coming on, I'm still sorry to see Iowa Park's football season end.

You can count on my being on the sideline of the Holiday games, if they get by Boyd tomorrow night.

Retail sales same as 1978

Retail sales apparently are holding their own in Iowa Park thus far this year, according to sales tax figures supplied by the state comptroller's office.

Iowa Park received a tax rebate check for \$5,272.13 this month, making the year's total \$61,906.19, as compared with \$61,658.97 for the same period in 1978.

Holiday sales tax rebates show a 22 percent increase over 1978. This month's rebate check was \$3,246.06. For the year Holiday has received \$33,899.23, as compared to \$27,759.23 for the same number in 1978.

Police arrest local student

Four days after JRB Supermarket was burglarized, Iowa Park police arrested a 17-year-old Iowa Park High School student.

David Arthur Dow was charged before Justice of the Peace Virgil Hill last Wednesday evening in the case. He was placed in Wichita County jail and later released on bond.

One of the breaks in the investigation apparently was Dow's identification as a person who had cashed in rolls of coins at a Wichita Falls business for currency. Some \$80 in change was taken from the store Nov. 3, along with several other items.

Police confiscated two hand guns, an automatic and a revolver, following a fight in the parking lot of a business on Johnson Road early Saturday morning.

A 1970 model automobile belonging

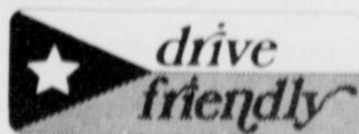

to Clint Allen Owen was taken sometime Tuesday night from 600 W. Park. It was found abandoned yesterday morning in Archer City.

A pay telephone and clothes dryer were reported damaged Sunday morning at Davis Wash House. That evening a water hose was reportedly cut at the Davis Car Wash, across the street.

Mike Smith reported to police that an automatic rifle was taken from his vehicle at 323 S. Park one night last week.

Eight mobile home tires were allegedly stolen from 901 E. Park last Wednesday. Betty Parker said they were valued at \$65 each.

Criminal mischief was reported by Mrs. Floyd Dickerson, when someone broke the top of a yard light at her 1107 Lincoln home. Damage was reported at \$100.

Luncheon today ends United Way campaign

A luncheon today at the Wichita Falls Activities Center will close the two-month-long United Way Campaign for Iowa Park, Wichita Falls, and Burkburnett.

Over 500 volunteers throughout the North Texas communities have sought funds during the annual drive to provide support for 33 agencies which serve citizens in the three cities.

At the last Thursday report meeting the campaign reported 92

percent complete with the dollar figure at \$1,212,842. The goal for the drive is \$1,314,500.

Money raised during the campaign will be allocated by the budgeting committee of the United Way following two weeks of hearings with agency directors which will begin the last week in November.

In Iowa Park both the Friendly Door and Recreational Activities Center receive United Way funding.

OFFICIATING QUESTIONED

Hawks edged by Burkburnett 13-9

Friday night's football game, in which the Burkburnett Bulldogs clinched the Dist. 4-AAA championship by defeating Iowa Park 13-9, will be cussed and discussed for years to come by Hawk fans.

There was no question in followers of the Mean Green that the scoreboard indicated a win for the hosts. It was actions, and sometimes lack of actions, by the game officials that had the Iowa Park faithful upset. And they were vocal about it, too.

There are two halves in every game, but seldom are the two halves so dominated by one team, and then the other.

Iowa Park cruised to a 9-0 lead in the first half, rolling up 164 total yards offense while the defense was holding the Bulldogs to a mere 60. Burk threatened only once in the two early quarters, advancing to the Hawk 25 before turning the ball over on downs at the 31.

The Hawks drove 94 yards on their second possession of the ball, mostly on runs by tailback Troy Thompson, who gained 129 yards on the night. Mike Ray punched over right tackle the final three yards of the drive.

A fake kick for the extra point almost worked, when the ball was pitched to Thompson. But he could not find a receiver on the run-or-throw option play, and was cut down a foot short of the goal line.

But the Hawks led 6-0 with 1:29 still remaining in the first period.

Thompson made two big gains of 18 and 28 yards in the last 25 seconds of the second period, to take the ball to the Burk 24, where time was called with one second showing on the scoreboard clock.

Then kicker Ron Taylor took advantage of a northerly wind to split the uprights from 41 yards out., giving the Hawks their 9-0 lead before they went to the dressing room for the halftime rest period. The horn signaling the end of the quarter sounded even before the ball sailed through the uprights.

SECOND HALF
Burkburnett scored 57 seconds deep into the second half, and kicked the extra point to narrow the score to

9-7. Less than five minutes later the Bulldogs kicked an 18-yard field goal to go ahead, 10-9, but that set up the major dispute of the game.

Bulldog defenders sacked Hawk quarterback Curtis Martin and shook the ball loose from his grasp, covering it on the Iowa Park 10 yard line. Three plays netted a minus two yards.

Then, kicking from the 18 yard line into the strong northeast wind, the ball sailed high into the air and broke off sharply, falling far left, but beyond the goal posts.

Virtually no one, except for two officials, thought the ball had crossed the bar inside the uprights. Burk players and fans appeared resigned to their failure while Iowa Park players and fans were celebrating.

That is, until the officials held up their hands that the kick was good for three points.

It was then Coach Tommy Watkins went on the field for the second time to argue with the referees. He was convinced the kick was not successful, just as he argued officials had wrongly blown their whistles twice in a four-play series earlier, penalizing the Hawks for being in motion.

The Hawk coaching staff, after studying the game film, protested that an illegal block below the waist on the opening kickoff of the half should have drawn a penalty against Burkburnett, but was not called.

That kickoff return was significant, in that the ball was returned all the way to Iowa Park's 35 yard line. On the second play, Burk scored on its longest run of the season, 35 yards.

There was no question that the second field goal by Burk, a 32-yarder in the fourth quarter, was good.

The Hawks got the ball once more in the final 3:36 of

the game, but lost possession when held short of a first down. Burk just ran out the time from that point.

The Hawk defensive secondary drew praise for its holding the Bulldogs to only two pass completions

out of 13 attempts, for 21 yards. On almost every attempt, a Hawk defender had his hand on the ball. One

was intercepted, on a diving shoestring catch by Robert Hastings at the Hawk six yard line in the final quarter.

Seven officers of the local FFA chapter attended. These were Wendy Hicks, president; Mickie Gregg, vice president; Gina Duncan, secretary; Dana Hicks, reporter; Randy Price, treasurer; Jed Anderson, sentinel; and Ross Cantrell, student advisor. They were accompanied by Jerry Gholsion, vocational agriculture advisor, and Mrs. Ray Hicks.

Hunting seminar free to public

The Northwest Texas Field and Stream Association will host a free public hunting seminar presented by the Sportsmen's Clubs of Texas at the Wichita Falls Activity Center from 7 to 9 p.m. Tuesday, Nov. 27.

Texas Parks and Wildlife Department personnel will present facts and figures on turkey, quail, and deer. State Game Warden Butch Shoop of Wichita Falls will be joined by Horace Gore, Upland Game Leader of

Texas; and Don Wilson, Species Leader for Quail in Texas.

Their color slide program will be followed by a question and answer session, which should be of interest to sportsmen and landowners. The free hunting seminar set for Wichita Falls is like those presented by SCOT in Dallas, Austin, San Antonio, Houston and other cities in the past year. Cecil Reid, Executive Director of SCOT from Austin will also be on the program.

Basketball season to open next

Basketball gets started at Iowa Park High next week.

The girls' varsity and junior varsity will travel to Holliday for their season debut Monday, where the first game is to begin at 6 p.m.

The Hawks will open their season with a bang, playing in the Friday and Saturday tournament at Sweetwater.

The Hawkettes, 20-6 last year, figure to be the district favorite this season after losing only one player to graduation. The Hawks, however, lost heavily to graduation

last year and will be a question mark until they get some varsity experience under their belts.

FALL CLINIC

A free clinic for high school boys and girls will be held Saturday at the IPHS gymnasium. The first session will be from 8:30 to 11:30 a.m., and second session from 1:30 to 2:30 p.m. Keith Barrick and Steve Parr are in charge.

Immediately following the clinic, the Hawkette freshman, junior varsity and varsity will scrimmage teams from Electra.

Burk sweeps double

Burkburnett freshmen and junior varsity swept a doubleheader in Hawk Stadium Thursday night.

The freshmen game followed closely to the following evening's game between the varsities. Iowa Park led 12-6 at halftime, but Burk tied the score by returning the second half kickoff for a TD.

Highlight of the second half for Iowa Park was an 86-yard fake punt that

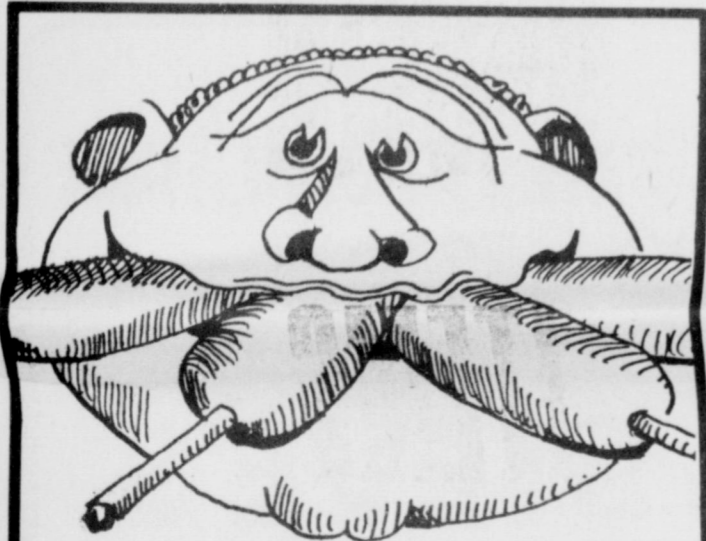

narrowed the score to 18-29. Burk scored again in the fourth to win 37-18.

Burk's junior varsity scored a touchdown in each of the first three quarters and held the Hawks at bay to win 27-0. The visitors dominated statistics, rolling up 225 yards rushing and 49 passing, while holding the Hawks to 108 rushing and 56 passing.

The teams will finish the season tonight at Vernon.

Utah's Great Salt Lake was once ten times larger. The outline of the older, fresh lake is still visible on the mountain sides above the present lake's basin.

LOOK WHO'S NEW

Mr. and Mrs. Eddie Ewing announce the birth of their first child, a son William Lee. He was born Nov. 13 and weighed eight pounds, fifteen and one half ounces.

Grandparents of the new baby are Mr. and Mrs. W.H. Clayton, Mr. and Mrs. A.W. Walls and Joan Ewing, all of Iowa Park. The great-grandparents are Mr. and Mrs. P.L. Wright of Wichita Falls, Mr. and Mrs. Earl Clayton of Byers and Mrs. Maggie Walls of Iowa Park. Great-great-grandparents are Mr. and Mrs. Doyle Johnson of Wichita Falls and Mrs. P.L. Wright of Bowie.

Friendship class meets

Fifteen members of the Friendship class of First Baptist Church attended the monthly meeting Monday evening in the home of Miss Aline Griffin. Mrs. E.T. Patterson was co-hostess.

Mrs. Elmer Singleton conducted the business. It was voted to participate in the project to purchase additional flatware for the church kitchen. Reports from standing committees were given.

Mrs. Patterson, devotional chairman, used "Daily Blessings" for the topic of the Thanksgiving meditation.

Mrs. Lloyd Lowe and Mrs. O.S. McLemore directed the recreational period. A Thanksgiving motif was observed in decorations on the refreshment table and plates.

Barwise group luncheon guests

The Park Area Extension Homemakers Club entertained 11 members of the Barwise Extension Homemakers Club at a salad luncheon Wednesday in Texas Electric Reddy Room. A program on "Dress to the Best Advantage" was presented by Barbara Cornelius, county home extension agent.

Mrs. Reba Snow conducted a scramble word game for diversion. Grab bags were given for door prizes.

Mrs. W.E. Karstetter directed the business. Sixteen members of the local club were present.

For every way to use electricity in the kitchen, there's a way to use it more efficiently.

Keeping your heating and cooling costs down are the biggest ways to save electricity, but there are lots of little ways, too.

Your kitchen is a good place to start. Here are a few ways to save.

Use flat-bottomed pans. The flatter the pan the better its contact with the cooking unit. A tight-fitting lid on your pan will reduce cooking time.

Use less water. By cooking vegetables with the least amount of water possible, you'll

improve their appearance and nutritive value, and you'll save electricity.

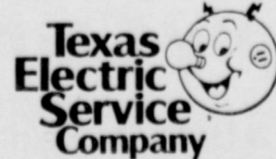

Reduce cooking time. Thaw meats before cooking them. This will save cooking time and energy.

Make efficient use of your oven's heat by cooking several foods at the same time.

Use your oven timer and

keep the oven door closed. Opening the door unnecessarily causes heat loss and extended cooking time.

Get our free booklet, "Tips To Help You Use Electricity More Efficiently Throughout Your Home." Copies are available in our office or you can request one on the comment portion of your electric service bill.

WITH STONEWALL DEFENSE

Eagles shut out Archer City, 19-0

It took a stonewall defense and a second half offensive rejuvenation for Holliday to claim the county championship for another year, defeating Archer City 19-0 Friday night in Archer City.

The entire first half ended in a 0-0 deadlock, with both defenses denying the other team an early advantage.

Holliday took the ball for the first time in the game at the Eagle 40, after the Eagle defense had denied the host team a first down on A.C.'s initial possession.

Two plays later, Joe Chase lost his grip on the ball after a 32-yard gain, and the Wildcats took over at the A.C. 28.

Lindy Dalberry con-

verged on a Wildcat fumble from his defensive end spot at the A.C. 46 four plays later, but again the Eagles were left cold after Eagle quarterback Joel Mankins' initial pass of the night was picked off at the Wildcat 18.

Archer City drove from their 18 to the Eagle 49, but was forced to punt. Scott Tigrett, the Wildcat punter, unleashed a 41-yarder to the Eagle 8.

The Eagles chewed up 86 yards all the way to the Wildcat six, mainly on runs by Jim Ezzell and Ray Looney. But three plays netted only two yards, and a major penalty set the Eagles back at the 29, facing fourth and goal. Mankins completed a pass to Kent

Lemons, who bulled his way to the A.C. two, where the Wildcats took over on downs.

Holliday again retained possession at the Wildcat 47 with just over a minute left in the half, but left the ball at the A.C. four, unable to punch the ball over before time ran out.

SECOND HALF

The Eagles started the second half off with a vengeance, beginning after a 16-yard kickoff return by Ezzell to the Eagle 38. Holliday drove the ball 68 yards in 10 plays on runs by Looney and Ezzell, with Looney carrying the ball the last five yards for the first score of the night. Joe Collier's initial PAT try was

off to the right, but the Eagles led, 6-0.

Archer City failed to move the ball following the kickoff, and Tigrett punted 32 yards to the Eagle 29, where Ezzell mishandled the kick, fumbling the ball away to A.C.

Facing fourth and four at the Eagle 23, the Wildcats elected to go for the first, but the quarterback was sacked for minus-seven yards by Chase and Tommy Sadberry at the Eagle 32.

With just over a minute remaining in the third quarter, Looney found a good hole on the left side at the Wildcat 17, then reversed his field against the grain, crossing the goalline untouched. The kick by Collier was again no good, and the Eagles led, 12-0.

A.C. was haunted by the Eagle defense throughout the final period, with the Wildcat quarterback intercepted three times, twice by Larry Boydston, and once by Collier.

The Eagles scored an insurance touchdown with two minutes left in the game on a 10-yard pass from Mankins to Lemons. Collier's kick was true, freezing the scoreboard at 19-0.

Offensively for the Eagles, Ezzell and Looney were the mainstays, rushing for 200 and 165 yards respectively. The Eagles as a whole racked up 478 yards total offense, with 409 yards on the ground, and 69 yards in the air. Mankins com-

TAILBACK RAY LOONEY FINDS HOLE
... Quarterback Joel Mankins in to block.

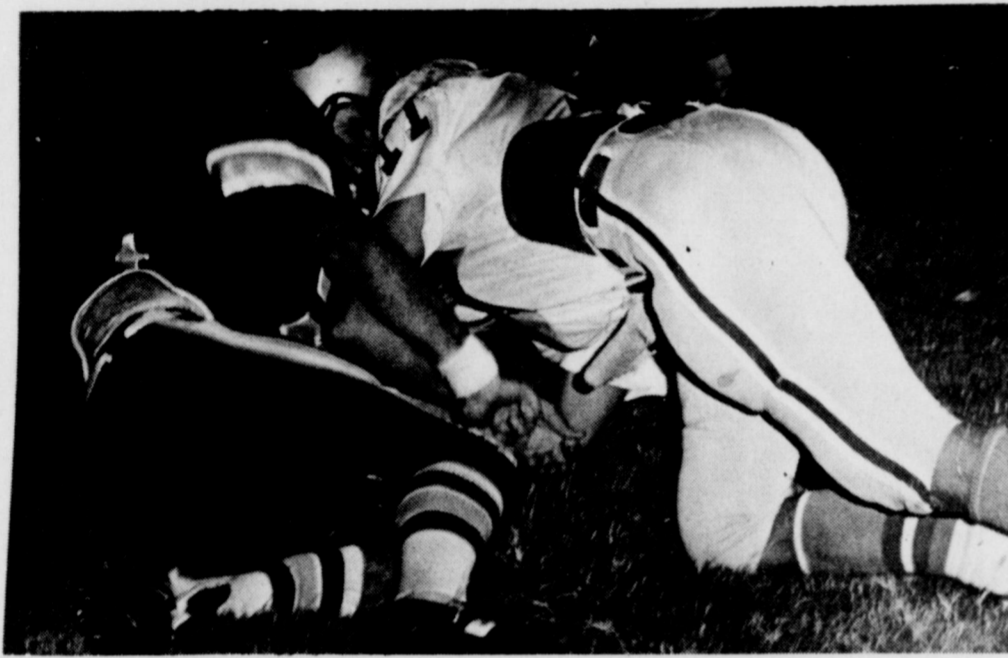

pleted five of nine passes with one interception.

The Eagle offensive line, consisting of seniors Greg Dillard, Collier, Tim Flaherty, Scott Reese, and junior Bobby Vinson were again the most consistent unit overall, and should be the key to the Eagles' future success this season.

The return of Lemons was more noticeable Friday night than the week before after missing three games with a broken finger. The big end caught four passes for 62 yards and one touchdown, and punished Wildcat runners who dared to venture near his defensive end spot.

But the Eagle defense as a whole can be regarded as Holliday's most potent weapon. The Big Red defense treated A.C. no more kindly than any of Holliday's opponents this year, holding the Wildcats to 49 yards on the ground, and 67 in the air, while forcing four turnovers; three inter-

Large turnout supports Vo-Ag

The Holiday School Board met Monday evening with about 40 persons indicating interest in vocational agriculture in the school's curriculum.

Clay Lindley acted as spokesman for the group. Lindley presented the board a petition with 286 signatures that were later judged as invalid because of several discrepancies.

Also attending the meeting was Dan Shores, a vocational teacher in the Wichita Falls School system. Shores spoke to the board about Wichita Falls' own program, and distributed literature to the board.

Principal Bill Lee told the board eight advantages and eight disadvantages con-

cerning vocational agriculture in Holiday. After deliberation the board voted to form a committee consisting of three board members, two school administrators, and three citizens to gather data and information concerning the cost for this type of facility and the responsibilities for such a program.

Recommendations from the committee will be presented at the February meeting.

Lee was also asked to perform a student survey to find the needs and interests of the students themselves.

In other business, board members accepted the lowest bid for removal of the old fence surrounding the

football field, met with band director Tom Woody, approved the yearly audit, and tabled teacher and administration contracts until December.

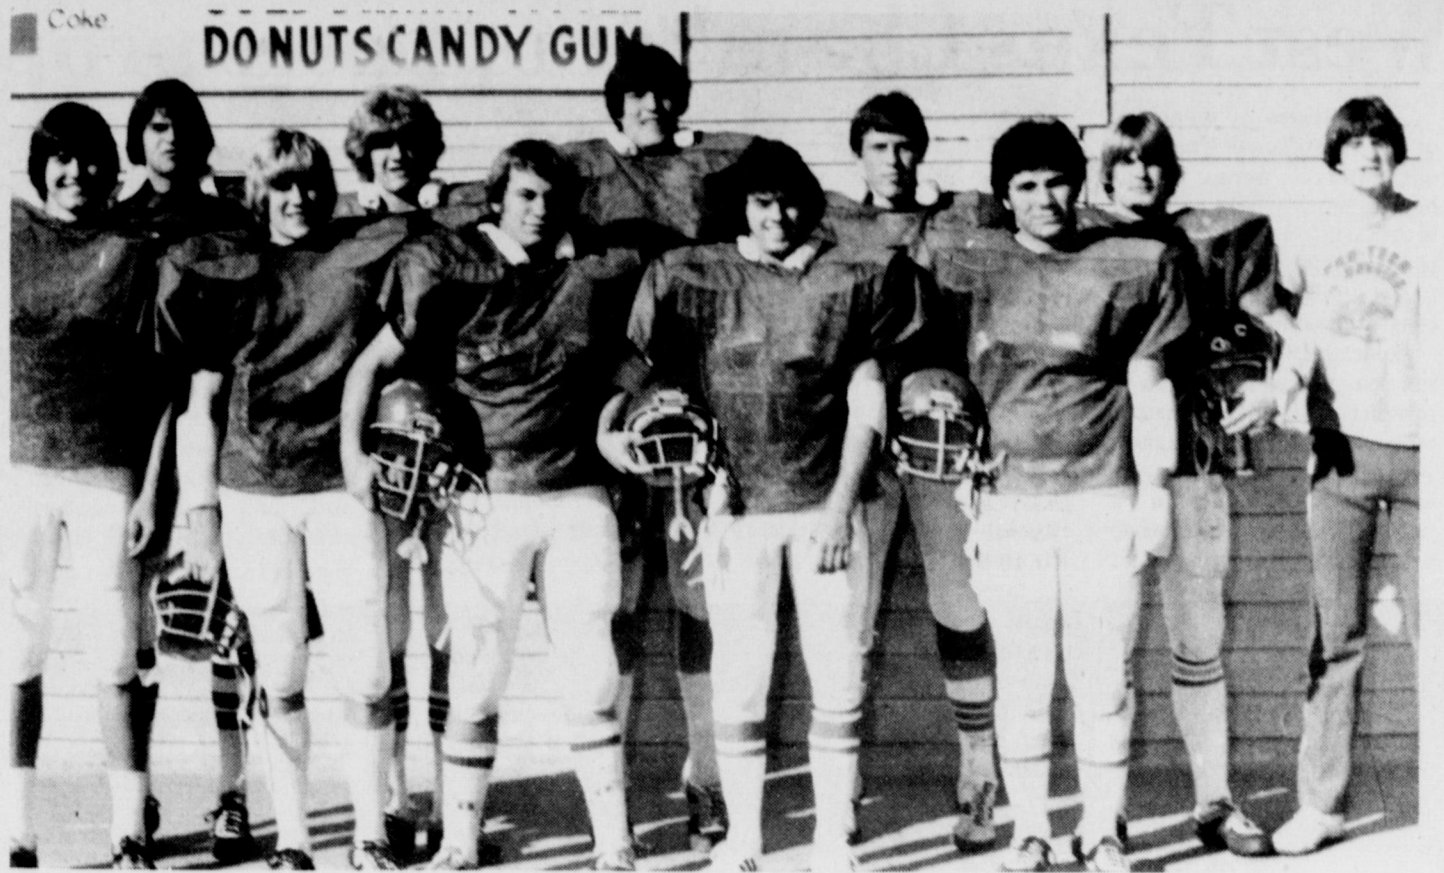

The board voted to accept J.W. Coop's lowest bid for removal of the old fence at a cost of \$124.

Eagle band director Tom Woody presented a plaque the high school band received at the U.I.L. Marching Contest held in Wichita Falls last Tuesday. The Eagle Band received a superior rating, or Div. I, from each of the three judges, qualifying the band for sweepstakes honors.

Mr. Woody also told board members the band had been invited to participate at the

American Music Festival to be held in Nashville, Tennessee in May. Woody asked the board to consider aiding the band in the finances to send the band to Nashville. Board members voted to table the matter until the December meeting.

Lee, chairman of the committee on the new fence, detailed the proposal for the new fence to be built around the football field. Lee gave board members a detailed outline concerning construction of the fence, and board members accepted the proposal. The board asked Lee to look into the feasibility of a new concession stand on the visitor side, and to look into the drainage problem around the football field.

SENIOR EAGLES TO PLAY their last game of the season at Holiday H.S. stadium tomorrow night are from left: Kyle Stone, Greg Dillard, Jody Collier, Jeff Smyers, Joe Todd, Kent Lemons, James Porter, Jim Ezzell, Tim Flaherty, Tommy Sadberry, and Shane Owen.

Fish fry to honor Charles Finnell

Friends of State Representative Charles Finnell have announced plans for a fish fry in his honor Thursday, Dec. 6, at 7:30 p.m.

The casual event will be held at Holiday High School cafeteria.

Special guest will be the Speaker of the Texas House of Representatives, Bill Clayton, and other legislative leaders from the state capitol.

Holiday businessman Don Talley stated that, "Many friends of Charles Finnell

are expected to attend this fish fry to show their appreciation for the good job that he has done for this 53rd District."

Finnell has served in the House five terms. His district includes Archer, Clay, Wichita and Young

Counties.

Tickets are \$10 per person and are available by writing to P.O. Box G, Holiday, Texas 76366, or by calling 586-1257. Proceeds from the event will be used for campaign purposes.

District championship on line here Friday

Eagle head coach Don Lucy has been working the Big Red hard this week in preparation for tomorrow night's bout with Boyd, to be played in Holiday at 8 p.m.

The game will decide the championship of District 13-A and the right to represent the district in the state gridiron playoffs. Lucy is looking at the game as the ultimate test for his Eagles in a season that has seen Holiday drop to 1-3 in pre-season, then jump to 5-0 in district.

"This is the most important game of the season for us," Lucy said, "and the coaches and I have been working with the boys

to give them every opportunity to win the game."

Boyd possesses probably the fastest back in the district in Junior Garcia, last year's district winner in the sprints. Garcia will be accompanied in the backfield with the returning quarterback, Lonnie Hightower, and fullback John Pack.

Boyd is undefeated for the year, beating three Class B teams and one Class A team in pre-season, and sweeping all district games for a 9-0 record. Holiday's losses were all to Class AA teams.

In comparison, Petrolia lost to the Eagles earlier this season, 33-0. Boyd had to mount a second half

comeback rally to defeat the Pirates, 37-20. Holiday also blanked Archer City last week, 19-0, while Boyd encountered another story, barely escaping the the Wildcats, 13-6.

After five district games, the Eagles have averaged 39.9 points per game while holding the opponents to 1.6.

The Eagle offense is averaging 499 total yards per game, 420 of those yards

on the ground and 78 in the air. The defense, meanwhile, has held opponents to 135 total yards per game, 34 on the ground and 100 in the air.

Ray Looney has amassed 893 yards rushing for the year, while teammate Jim Ezzell is close behind at 791 yards. Both runners are averaging over 100 yards per outing in district play.

AMERICA'S NEXT GREAT SOURCE OF NATURAL GAS?

Producers are finding a lot of "super" gas wells in Oklahoma's and Texas' deep basins. A super well produces enough gas in a year to equal the energy in a million barrels of oil. This is enough gas to heat 1,000 homes for almost 56 years!

Exploration of these ultra-deep basins is gaining momentum now that producers have the technology to drill below 20,000 feet. In fact, many industry experts believe the deep basins will be America's next great source of gas.

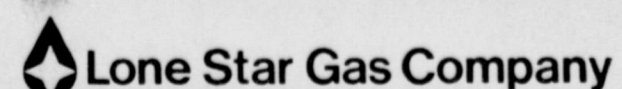

The average gas well costs about \$300,000 to complete. A deep well can cost up to \$10 million, which explains why it's often necessary to pay higher prices for the gas we buy.

Lone Star has been buying gas from shallower production in the deep-basin areas for years. Our pipeline network will help us buy new gas selectively, negotiate hard for terms favorable to you, and deliver the gas efficiently and economically.

Producers now have the technology to tap enormous, previously unreachable gas reserves in this area's ultra-deep basins.

Gas. It's plentiful, efficient and right for the times.

West Texas Chamber opposes proposed tax

The board of directors of the West Texas Chamber of Commerce, during its fall board meeting held recently in Amarillo, went on record as strongly opposing proposed legislation that would create a value added tax.

Basically, VAT would be a tax on value added to a product at each production step on its way to market. As each manufacturer increases the value of a product, the difference between the buying and

selling price would be taxed. The retail price paid by the ultimate consumer would include the total of all value added taxes paid along the manufacturing chain. Some exemptions might be allowed such as food.

Ed Coltharp, WTCC executive vice president, reported that chairmen of Congress' two tax-writing committees, Al Ullman of House Ways and Means and Russell Long of Senate Finance, had indicated

support for a 10 percent value added tax, predicting that such a tax may come as early as 1980 or 1981.

The WTCC National Affairs Committee points out that most of the information presently available concerning VAT proposals is still speculative. Rumors about a value added tax indicate that it supposedly would be enacted as a dollar for dollar replacement tax aimed at reducing Social Security taxes and

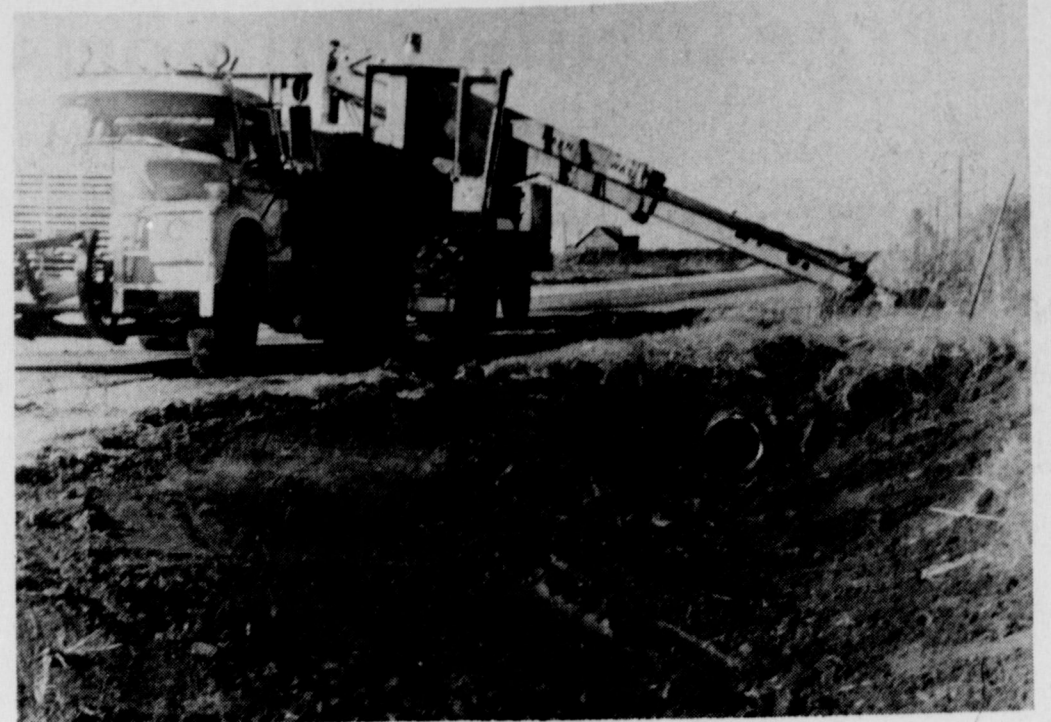

allowing a cut in personal income taxes.

The committee voiced strong opposition to the value added tax proposal, labeling it as a concealed tax that, if enacted, will end up as another source of citizen funding for increases in burgeoning federal spending programs.

Ullman estimated VAT would bring in between 120 and 150 billion dollars annually. Both senators stressed it would not

increase the overall tax burden and could result in elimination of double taxation of corporate earnings and accelerated depreciation of plant and equipment.

Richard Bacon of Abilene, chairman of the WTCC National Affairs Committee, commented that while the promises of reduced taxes and accelerated depreciation for capital investments sounded good and were issues supported by the WTCC, they should be achieved through means other than a value added tax and not used as enticements for passage of VAT legislation.

TEXAS HIGHWAY DEPARTMENT WORKERS have been using heavy machinery to clean the ditches along FM 368 recently. The large tractor shown here is scooping dirt and vegetation from the ditch in order for the running water to flow more freely.

Message to prospective buyers

If you are planning on locating in or around Iowa Park, you should seriously consider Whisnand Realtors... because we all live here... we're active in community affairs...and we'll be truthful in helping you to locate. We not only want to sell you a home... we want to continue being your friend AFTER the transaction is settled!

Pecan event draws near

Pecan entries are already coming in to the Wichita County Pecan Show, with Jim Moreland of Wichita Falls making the first entry with his Mohawk pecan. His sample included 40 nuts placed in a paper sack bearing his name, address, and variety. The show is scheduled for Nov. 30-Dec. 1 in Sikes Senter Mall in Wichita Falls.

Moreland left his sample at the extension office located at 1626 Midwestern Parkway (4-H barns) in Wichita Falls. Other locations where samples can be left include the Agricultural Experiment Station at Iowa Park, K&K Grain Company in Electra, or Berends Feed & Seed in Burkburnett. The deadline for entry is noon on Nov. 26.

The Wichita County Pecan Growers Association will start processing pecans entered in the show at 5 p.m., Nov. 26, at the experiment station. Ten nuts will be taken from each entry to determine the number of nuts per pound and the percent kernel. This information is used by the judges in placing the show.

Both home owners and commercial growers are invited to enter. Anyone making an entry is certain to learn more about pecan production, quality, and marketing. It is the best way I know for a person to learn more about growing pecans. Pecans may come from Wichita, Clay, or Archer Counties.

The show is open to entries from any variety, and growers can enter as many varieties or natives as they wish. New classes being added this year include the smallest pecan, the heaviest pecan, and a

class for the best collection of three varieties.

The Pecan Queen Pageant will be a highlight of the show, which is scheduled for 7:00 p.m., Nov. 30, in the Dillard's court in the mall. Girls between the ages of 16-19 inclusive are eligible to enter. Each contestant will make a 1-2 minute presentation about some phase of pecan production, marketing, nutrition, or food preparation. The deadline for entering is Nov. 26. Girls can enter by contacting Jackie Hopkins, Assistant County Extension Agent, at 766-0131 or the 1978 Pecan Queen, Martie James, at 692-8986.

Other features of the show will be the sale of choice pecans from the Jim Keuhler orchard, pecan grafting demonstrations, pecan exhibits, door prizes of pecans and pecan trees, cracking of pecans for the public at a rate of 15 cents per pound, guess the number of pecans in a jug for a prize, and a pecan chemical and equipment display by Estes Chemical Company. The public is invited to register at the Wichita County Pecan Show for the

many door prizes to be given away.

This event is under the sponsorship of the Wichita County Pecan Growers Association headed by Virgil Woodfin and the Wichita Falls Young Farmers with David Bogart as president.

Pecan show dates told

Pecans are hulling, which is the cue to collect pecan samples for entry in

the Wichita County Pecan Show Nov. 30 - Dec. 1, at Sikes Senter Mall in Wichita Falls. The early ripening pecans are usually higher quality than those which fall later.

A pecan entry includes 40 nuts of any variety or native placed in a paper sack bearing the owners name, address, and variety if known. When varieties are unknown by the owner, they will be identified by the experts at the show.

The deadline for entry is Nov. 23. Entries can be left at K&K Grain Company in Electra, Agricultural Experiment Station of Iowa Park, or the County Extension Office at 1626 Midwestern Parkway in Wichita Falls.

There is no limit on the number of varieties or natives which an individual can enter. Entries are also accepted from Clay and Archer counties. Care is needed to prevent variety mixtures, as these will be disqualified.

All entries become property of the show. The top placing pecans will be forwarded to the Regional Pecan Show scheduled for Dec. 11-14 at San Angelo.

Gold lace can be made of 1,000 to 2,000 yards weigh no more than an ounce.

Museum event is for children

The next program in the "Saturday at the Museum" series at the Wichita Falls Museum and Art Center is "Western Folklore". It is scheduled for Saturday from 10 a.m. until 3 p.m.

Each semester the Museum plans several "Saturday's at the Museum." Each are planned for children ages 5-10 and focus on a specific theme. The theme of "Western Folklore" relates directly to the Remington and Russell exhibit presently installed in the art gallery. The paintings are a selection from the Sid Richardson Collection on deposit at the Amon Carter Museum of Western Art in Fort Worth.

During this special Saturday children will explore the world of Remington and Russell and learn more about the romantic and real versions of the old west. A few interesting facts will be uncovered. Did you know that the stagecoach averaged about nine miles per hour and could go from Missouri to Sacramento, California in 20 days? The standard fare was \$600.

"Western Folklore" will be a full day of interesting and exciting activities. *Pre-10:30 a.m. - Arrive at the museum for a snack lunch and register in advance at the Museum.*

PUBLIC NOTICE

Pursuant to TEX. REV. CIV. STAT. ANN. art. 1446c, §43(1975), Lone Star Gas Company hereby gives NOTICE of the Company's intent to implement a new schedule of rates effective on the latter of December 10, 1979

or such other date as new rates become effective in the City of Iowa Park, Texas to be charged for natural gas service to residential and commercial customers in the environs areas (outside incorporated limits of Iowa Park, Texas). The rate schedule is expected to furnish a 6.56% increase in the Company's gross revenues in the environs of Iowa Park, Texas.

A Statement of Intent has been filed with the Railroad Commission of Texas and is available for inspection at the Company's business office located at 406 W. Park St. Iowa Park, Texas.

Any affected person desiring to contest such changes in rates can file a complaint with the Director of the Gas Utilities Division, Railroad Commission of Texas, P. O. Drawer 12967, Capitol Station, Austin, Texas, 78711.
