## Candidates aplenty on city, school ballots

There are enough candidates to fill the city and school election ballots now.

Six days before the deadline for candidates to file, only two candidates, one school and one city, had submitted their names to be on the ballots.

Shortly before the deadline yesterday afternoon, there were 21 candidates in all: nine in the city race and 12 in the school.

Candidates had until 4 p.m. to file for a place on the school ballot, while 5 p.m. was the cutoff time for city hopefuls.

Incumbent mayor Johnny Crawford filed Wednesday, and shortly afterward two more, Marlin J. Sargent and Lloyd Smith, joined him in the race.

Lita Watson was the only

incumbent to have filed for alderman. Johnny Lee had said he would not seek re-election.

Five other candidates have filed for alderman: Steve Coy, Buddy Johnson, Harry W. Stoskus, C.E. (Bud) Thompson and Carmen Lozipone.

Candidates for alderman file at-large, with the two receiving the most votes in the April 5 election being named winners.

Incumbent Rusty Rusk will seek re-election as school trustee, but Jesse McCullough had not filed by 2 p.m.

Other candidates for the school trustee seats include Arnold Downes, Kenny Gilmore, Hazel Hambright, Jimmy Howell, Howard Klunker, Crisly McKenzie, David Lawson, Neena Lucas, Collis John Ikey, Jack

Hayley and Bud Mercer.

Like city aldermen candidates, school trustees are also voted on at-large.

Absentee voting will commence March 17 and continue through April 1. Absentee voting in the school election will be at the school administration building, while city absentee voting will be done at the city hall.

## \$6,000 lost in burglary

Burglary of a home during a two-hour period Saturday afternoon resulted in a loss of \$6,080 to the owners, according to a report filed with Iowa Park police.

Someone broke in the back door of a home at 909 Van Horn between 5 and 7 p.m. Saturday and reportedly took a cassette player and recorder, speakers and turntable, 13-inch color television, a \$20 gold coin, 86 silver dollar and half dollar coins, five gold rings (men's and ladies'), box containing costume jewelry, movie camera and projector, silverware set, case of assorted liquor, bottle of valium and \$250 in cash.

The complaint was filed by Larry Gene Meador.

Norman Hamilton reported Monday that someone the night before had cut the wires and removed a starter from his pickup while parked at his 310 W. Ruby home. Loss was estimated at \$150.

## Three homes boost permits

Permits were issued during February for three new homes to help the month's building total reach \$98,032, according to the city hall.

Permits issued during February included:  
Whisnand-Galloway, 708 S. Park, new residence, \$30,000;  
Whisnand-Galloway, 710 S. Park, new residence, \$30,000;  
Whisnand-Galloway, 712 S. Park, new residence, \$30,000;  
Danny Custis, 117 Wood Circle, conversion, \$1,022;  
Luther R. Raybourne, 610 S. Bond, addition, \$3,000;  
Adkins House Moving, 808 S. Colorado, moving permit, \$10;  
Mark Camp, 118 James, alteration, \$2,000.

## Political signs can violate law

Candidates for political office may violate the law if they erect campaign signs on some types of private property.

Candidates, or their campaign managers, are urged to contact the nearest district office of the State Department of Highways and Public Transportation for further information if they are considering erecting campaign signs.

The Highway Beautification Act, which became law in 1972, controls the erection of signs on property adjacent to interstate and primary highways. Anyone desiring to erect a new sign must have a state license to

**VOLUNTEER WORKER** - Ross Roberts was one of two dozen members of the Band Boosters who volunteered their efforts Saturday night to feed beans and cornbread to several hundred persons. The event, held in the high school cafeteria, was a fund-raising project by the organization. Diners were serenaded by three bands during the course of the meal.

## City, school meetings to highlight contracts

Contracts will be the major subject of both the city council and school board meetings next week.

The city will be concerned with contracts for a major paving project this summer, and will be opening bids from contractors at Monday's meeting, which is to begin at 7 p.m.

Personnel contracts will take up much of the school board's meeting time Tuesday, when that meeting begins at 7:30 p.m.

Aldermen will consider bids for seal coating several miles of paving in the city, as well as paving a two-block area on West Park, a section of Park Plaza and a block of West Clara.

Two ordinances will be considered: licensing of electricians and amending the cable television franchise. A resolution supporting the general revenue sharing program will also be considered.

In other business, city aldermen will be asked to appoint a police

officer, and to receive the March 4 meeting minutes of the Planning and Zoning Commission, according to Steve Morath, city administrator.

Contracts for the 1980-81 school year for all personnel except administrators, bus drivers, cafeteria workers and maintenance personnel will be considered by school trustees at their meeting.

Contracts for administrators were considered last month, and the remaining personnel contracts will be considered in April, according to Harold Cowley, acting superintendent.

Other topics on Tuesday's agenda include:

- \* adopt the 1980-81 school calendar;
- \* accept bids on building insurance;

## Local students earn top honors

Three students from Iowa Park have earned "Distinguished Student" ranking at Texas A&M University.

The undergraduate honor is awarded to students who excel academically at Texas A&M, the state's land grant and sea-grant institution responsible for providing not only excellence in academic programs but extension and research in agriculture, engineering and other practical needs throughout the state.

Recipients of the Distinguished Student honor must earn at least 3.25 grade point ratio, out of a possible 4.0, during the most recent grading period.

Students from Iowa Park were: Annette Crush, senior, educational curriculum and instruction; Susan Miller, senior, educational curriculum and instruction and Dale Pittman, senior, mechanical engineering.

\* receive report from textbook committee;

\* appoint grievance, budget and curriculum committees;

\* hear report from counselors Carl King and Herman Escue following their attending a meeting with the attorney general concerning school discipline.

## RAC undergoing inside paint job

The public is invited to tour the Iowa Park Recreational Activities Center, which is currently undergoing a fresh coat of paint in the interior, Betty Merriman, director said.

There will be a disco dance Saturday night, but the RAC will be closed the following Saturday, Mar. 15.

There are still some openings for students in the belly dancing class which meets at 7:30 p.m. each Tuesday, Mrs. Merriman said.

## Flight attendant tells experiences

Members of the Noon Lions Club heard a first-hand report on what it's like to go through training and work as an airline attendant.

Tuesday's speaker was Mrs. Joe Howard (Debbie) Williamson, who worked as a stewardess with American Airlines.

The Stephenville native explained the training attendants go through before they are allowed to fly, and work involved once on the job.

She said the training attendants receive is mostly what to do in emergency situations.

**MARCH PROBLEM** - The month of March is known for its being the windy season, and the first four days lived up to that reputation. Winds were gusting with such force Tuesday that a leg on the highway sign on Highway 287 was broken. Located at the Pacific Street exit, the sign twisted 90 degrees for a short period, and then fell to the ground.

# Casper-Reeves vows recited in Dallas church

Miss Donna Jean Casper, daughter of Mr. and Mrs. E.L. Casper of Iowa Park, and D'Wayne Claud Reeves, son of Mr. and Mrs. Billy W. Reeves of Richardson, recited their marriage vows Feb. 16 at the Vickery Baptist Church in Dallas.

The Rev. Jeff Moore, pastor, performed the double-ring ceremony before branched candelabra entwined with greenery. The greenery was repeated at extremities of the nuptial space.

For the wedding music, the church organist played "O Promise Me", "Theme from Romeo and Juliet", "Somewhere My Love", "Quentin's Theme" for prelude music and the traditional marches.

The bride was given in marriage by her father. She wore a full length white Chantilly lace gown over a

pleated sheer lace satin-lined skirt that extended into a chapel train. The fitted bodice was designed with a Chinese-style collar above a sheer chest fashion and long tight sleeves. She wore a sheer fingertip veil bordered in lace and carried a bouquet of yellow roses and miniature carnations.

Mrs. Gerald Cherry of Allen, sister of the bride, was matron of honor and Miss Cheryl Hoffman of Iowa Park was maid of honor. They wore long beige double knit gowns, the matron's was patterned with a mandarin collar and tapered cape, and the maid of honor's featured a tiered skirt trimmed with pink and blue flowers and ribbons. They carried long stemmed blue and yellow carnations.

Kristie Grider, of Iowa Park, the flower girl, wore a long yellow Cinderella dress, and Frank Casper of Allen, a nephew of the bride, wore a three-piece beige suit.

Doug Pasley of Dallas served as best man and Steve Reeves of

MRS. D'WAYNE REEVES

Richardson, brother of the groom, was best man. They wore gray blue tuxedos, and the groom wore a baby

blue tuxedo with a ruffled shirt. Ushers and candlelighters were Jim Casper of Allen, Gene Casper of Iowa Park, brothers of the bride, and Scott Smith of Dallas, cousin of the groom.

For the wedding, the bride's mother selected a baby blue mid-length dress with a beige lace collar and the groom's mother wore a matching blue dress with a pleated skirt. They wore white carnation shoulder corsages.

The reception was given by the bride's parents in the Fellowship Hall of the church. The tables in the setting were covered with white organdy cloths accented with blue and yellow inserts and decorated with silk flowers in the same shades made by the groom's mother. The chosen colors were noted in frosting flowers and ribbon designs on the three-tiered cake separated with swan dividers.

Mrs. Jim Casper of Allen, the bride's sister-in-law, Miss Deana Pickens and Miss Hali Smith of Dallas were reception assistants.

The bride was graduated from Iowa Park High School and is employed as a receptionist for Connecticut General Life Insurance. The groom was graduated from Richardson High School and attended Richardson Junior College. He is employed by Contact Products. They will live in Dallas.

The groom's parents hosted the rehearsal dinner at the church on the eve of the wedding.

Others from Iowa Park who attended the wedding were Kelly Grider and Carol Dean. The groom's grandmother and aunts were also out-of-town guests.

MR. and MRS. ERIC FLOYD THOMPSON

# Frazier-Thompson wedding vows exchanged Saturday

The altar at the Faith Tabernacle in Holliday was decorated with a lighted arch entwined with greenery flanked by branched candelabra Saturday afternoon for the wedding of Miss Tammy Gail Frazier and Eric Floyd Thompson. The kneeling bench and unity candle were other features of decorative interest in the setting.

Rev. Roy Don Stewart, pastor, was the officiant for the service which united the daughter of Mr. and Mrs. Tommy Shelby of Wichita Falls and the son of Mr. and Mrs. Floyd W. Thompson of Iowa Park.

The bride wore a formal white satin gown with a chapel train trimmed in lace and a lace veil held by a ruffled lace bandeau. She carried a bouquet of white daisies and red rosebuds.

Miss Gail Lyn Thompson, sister of the groom, was maid of honor and Miss Debbie Chadwick, sister of the bride, was bridesmaid. They wore light blue Qiana gowns.

Jeff Hogue was best man and Brad Thompson, brother of the groom, was groomsmen. Ushers were Jerry Lee and Rudy Hogue. The candlelighters were Mike Frazier and Jerry Lee.

Mindy Stewart was flower girl and Johnny Stewart was ring bearer.

During the ceremony, Miss Gail Thompson sang "If" and "We've Only Just Begun." Mrs. Roy Don Stewart furnished piano accompaniment for the solos and for a duet number, "Whatever It Takes," sung by Mrs. Jerry Lee and Mrs. Stewart.

The reception was held in the Holliday Community Center. Assistants were Mmes. Henry Owens, Gene Conway, Rudy Hogue, and Miss Kimmey Dowdy. Miss Jacque Hall registered guests.

The couple will live in Holliday where he is employed.

# Soil conservation is subject of Thursday's Lioness Club meet

Mrs. Sam Hunter, 1979 Conservation Business Professional Woman of the Year in district and 52-county region, presented the program Thursday evening for the Iowa Park Lioness Club. Through slides and narration, she gave highlights of the work of Soil Conservation Service in Wichita County.

She gave pertinent information on what the service is doing through soil surveys to determine the types of soil and land-shifting areas, to control high water and salt tables, soil and wind erosion. She stressed the benefits of terracing, bulldozing and planting grass for the control of erosion.

Mrs. Hunter stated that education is one of the primary goals of Soil Conservation Service, which recognizes that it must begin with young

people. Some of the facets of the education program were shown in slides of student land judging teams, winners in essay and poster conservation contests and outdoor classrooms.

Concluding, she described the current project of the North Texas Bird and Wildlife Club of building a waterway and restoring wildlife habitat at Lucy Park in Wichita Falls.

Mrs. Sam Hill used "I Will Trust" for a devotional topic.

Mrs. Hunter presided during the business. During the discussion of a current project, the committee composed of Mmes. D.O. James, Hill and Keith Aulds was asked to make a recommendation at the March meeting.

When members answered roll call they gave their favorite quotations or Bible verses.

Mrs. L.E. Brooks and Mrs. Homer Blalock were hostesses for the meeting held in the latter's home.

Refreshments were served from a table laid with white polyester cotton bordered with wide lace. The centerpiece was a nostalgic bouquet of yellow silk roses arranged in a white milk glass bowl. Mrs. Hill presided at the silver coffee and punch services.

# UMW has meeting

The United Methodist Women met Tuesday morning in the Fellowship Hall of the church for the regular monthly business meeting and luncheon.

Mrs. George Trammell, vice-president, presided during the business meeting which was introduced with a devotion by Mrs. Mike Jackson. She used 1 Cor. 13 for a scriptural basis to emphasize that love is essential to a good marriage. Reports were given by officers and committee chairmen.

The Mary Fellowship, under leadership of Mrs. R.E. Waters, was in charge of the luncheon. Tables were decorated in a St. Patrick's Day motif.

**Pick the fuels electricity can be made from:**

- coal
- natural gas
- oil
- uranium
- all of the above

"All of the above" is right. But these days two of those fuels—coal and uranium—cost less and are more plentiful than the others.

At one time, we used natural gas and some oil to generate all your electricity. And we still have to use a lot of those fuels. But today, we're making almost half your electricity with lignite coal. And we're building a plant to make electricity with uranium.

That's good. Because at the end of this year our biggest contract for low-cost natural gas expires. The new gas and oil we'll have to buy will be much more expensive.

This means the cost of electricity will go up. But not nearly as much as it would if we still used nothing but gas and oil. Our use of lignite coal and our planned use of uranium are ways we're helping minimize the increases in your electric bills.

By conserving, you can help save on your bills. To learn effective conservation measures, attend one of our free Operation Tighten-Up workshops. Call us for information on a workshop in your neighborhood.

Mrs. Thompson was born May 28, 1895, in Wise County. She had lived in

## Shade tree seminar slated this evening

The Shade Tree Seminar is a "must" for every homeowner. This course is being offered at 7 p.m. today, room 214, Activity Center, Tenth and Indiana, Wichita Falls. The event is being offered by the Wichita County Landscape and Garden Committee with a \$1 registration fee which covers room fee and light refreshments.

Adapted trees, tree quality, transplanting and establishment, fertilization, water needs, competition with other plants, recognition of physiological problems, pruning, and insect-disease management are all on the agenda. Dr. Robert Moon, Extension horticulturist and Emory Boring, Extension entomologist, and Don Decker, county agent, will share in the instruction.

Decker says he receives more calls about shade trees than other items. This indicates the need for this type training, and it also shows a desire of homeowners to know more about trees and their management. Shade

trees represent one of the main features which enhance the beauty of a landscape and aids in energy conservation of the home. The death of a tree represents a major loss, Decker said.

Families often and unknowingly change the environmental requirements resulting in physiological damage to their trees. Participation in this event will help individuals to better understand the main physical factors which can be managed to enhance tree maintenance.

Members of the sponsoring landscape and garden committee include Alex Wootton, Harold Wood, Mr. and Mrs. Grady Hancock, Mr. and Mrs. Bryan Stine, Mrs. Fred Lowder, Jimmy Howell, Smokey Skinner, Billy McCall, and Bill LaSalle. A home lawn conference is scheduled for Monday and the home vegetable gardening seminar will be on March 24, same time of evening and location.

MR. and MRS. HAROLD WHITE

## Harold Whites honored for 25th anniversary

Mr. and Mrs. Harold White were honored at a reception to commemorate their 25th wedding anniversary Feb. 24. Denise, Sarah and David White, the couple's children, hosted the reception at the home of their parents.

The refreshment table was draped with white lace and a colorful spring bouquet was the attractive centerpiece. The anniversary cake was a three-tiered confection topped with a gazebo centered with silver 25 numerals. Mrs. Gordon Griffith and

Mrs. John Bob Dixon of Marlow, Okla., sister of Mrs. White, assisted with duties of serving.

Out-of-town relatives included Messrs. and Mmes. C.L. Dorman, James Wood Jr. and sons; Mrs. Dianna Morrison, Myrna Loy Kimbro, John Bob Dixon and Heather, all of Marlow, Okla.; Mrs. Agnes Sanner of Duncan, Okla.; Messrs. and Mmes. Larry Dorman of Euless, R.D. McLain and Brenda, Danny McLain and children of Alanreed.
