Miss Wichita County crowning here Saturday

An evening of family entertainment is promised Saturday in the Iowa Park High School auditorium, where the Miss Wichita County Scholarship Pageant will be staged. Headlining the program, which is to begin at 7 p.m., will be 29 contestants, the reigning Miss Texas,

and Thom McGehee. Admission for the event, sponsored by the Iowa Park Optimist Club, is \$5 for adults and \$3 for children under the age of 12. Theme of the program is "Hello Texas, Country and

Three Iowa Parkans will be vying for the Miss Wichita title, which is held by former local beauty, Robin Doan. They are Darlene Mahler,

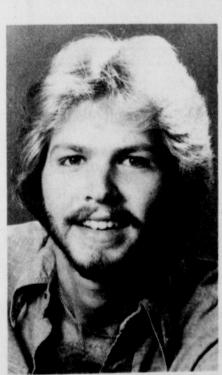

Wendy Baston and Michele Baker. Miss Mahler, 21, is the daughter of Mr. and Mrs. C.H. Mahler. A student at Midwestern State Univ., she has chosen a vocal selection for her talent. Louis Jewelry is her sponsor.

Another Midwestern student, Miss Baston will also do a vocal selection for her talent. Sponsored by Little Richard's Salt Lick, she is the 20-year-old daughter of Mr. and Mrs. Frank Baston.

Miss Baker is attending the University of Texas at Austin. Her talent will be a dramatic reading. The daughter of Mr. and Mrs. Kendell Baker, the 19-year-old is sponsored by Parkway True Value and Furniture.

Besides their talent presentations. all contestants will be judged while modeling street clothes, formals and bathing suits, besides on their personalities during personal inter-

Burglars strike two local homes

Two major thefts from Iowa Park homes were reported to police this week. One occurred last week and the other in mid January.

Herman Rains told police someone entered his home sometime during the evening of Jan. 19 and took a seven-diamond cluster gold ring valued at \$2,100. No signs of forced entry were noted at the 829 N. Park residence.

Sometime between 11 a.m. and 5:30 p.m. last Wednesday, someone reportedly entered a mobile home through an unlocked window at 600 S. Park and took \$602 in cash and change. Randy Marston reported the Two sleeping bags and some fishing

Citizen of the Year"; Rex Wells, "Agriculturist of the Year", and Miss Linda Ayers, "Educator of the Year."

Weather doesn't dampen Chamber's annual event

Weather was blamed for the speaker's failure to appear and keeping several ticket holders from attending, but it failed to dampen the enthusiasm, appetites and entertainment of Saturday night's annual Iowa Park Chamber of Commerce banquet.

Those attending were informed by Danny Parkerson, who served as master of ceremonies, that the speaker, James Roberts, had been unable to fly here from Andrews because of the weather.

But Parkerson, known for his showmanship, came up with entertainment of his own, and enlisted two other talents to help him.

The entertainment, coupled with announcements and presentations of outstanding citizens and a steak dinner, made a complete evening, according to comments from those in the audience.

Buck Voyles received the Citizen of the Year award, Mrs. Otis Gay was named Senior Citizen of the Year, Rex Wells the Agriculturist of the Year and Miss Linda Ayers received the Educator of the Year award.

Also introduced were the new Chamber officers for the year: Tommy Key, president; Philip Welch, first vice president; and Linda Merrick, second vice president. Helen Rich, the outgoing president, made the introductions.

For the impromptu entertainment, Parkerson and Miss Janet Walker, high school choir director, sang a number of songs. They were accompanied on the piano by Mrs.

In making his announcement of the Outstanding Citizen award to Voyles, Bob Dawson pointed out Voyles had recently retired after 32 years as county commissioner and had served "a lifetime and been a friend to all of

Voyles commented "I'm going to miss the job a lot more than it's going to miss me."

Mrs. Gay, after receiving her award, pointed out "I've lived here so long that I have no secrets."

She was introduced by Miss Ethyle Kidwell, who brought laughter and applause from the audience when she quoted from Browning's poem "Grow old with me, the best is yet to be." "I don't agree with that," she commented, "in fact it's a lot of

City, school election dates to be scheduled

The city council and school board will set the date for their respective

elections when they meet next week. The council, to meet at 7 p.m. Monday in council chambers, will call the election for three positions currently held by George Hammons, Bill Gilmore and Bud Adams.

Members will hold a public hearing on the proposed general revenue sharing budget and then act on an ordinance concerning the budget.

Aldermen will consider approval of a plat for five lots of block two, Camicondo Addition, which is west of Bradford Elementary campus, where duplexes are to be built. Also the council will consider bids for the sale of a 1967 pickup.

Members of the school board are to meet at 7:30 p.m. Tuesday at the administration building.

Contracts for all principals and key department personnel will be considered, and three new employees will be hired.

A date for the annual school board election will be set. Trustees Delbert Catlin and Jerald Brown will have their terms expiring in April.

Plans and specifications for construction of a physical education building for the Bradford campus will be considered, and insurance for buildings and employee hospitalization will be considered.

CROSSING GUARD - Workmen this week installed equipment for a railroad crossing guard on Jackson Street. It will be of the same design as the one on Johnson Road. The installation is jointly financed by Iowa Park, the railroad and federal funds.

Seek volunteers as teacher aides

A volunteer aide program to assist Kidwell Elementary teachers is being sponsored by the Kidwell P-TA, in cooperation with the Iowa Park Independent School District. The program will get underway this month.

Mrs. David Padgett, president of the Kidwell P-TA, stated that community volunteers, not only parents but others who might be interested, are needed to share in the education program for the children.

A coffee is scheduled at 9:30 a.m. Monday in Texas Electric Reddy Room to explain the program to interested persons. Pat Watkins, coordinator for School Volunteers, Region Nine Education Service Center, will be the speaker.

Mrs. Padgett explained that anyone could have a part in the program.

Missionaries topic of WMU program

Mrs. S.B. Reaves was hostess for the Monday meeting of the Night W.M.U. of First Baptist Church. Eleven members were in attendance.

Mrs. E.T. Patterson opened the meeting by giving special recognition to missionaries on state, home and foreign fields who observed their birthdays Feb. 2.

Mrs. Elmer Singleton directed the business. Mrs. V.I. Woodfin reported that the Day and Night W.M.U.s had taken 27 bags filled with tooth brushes and paste, combs, brushes, wash cloths and hand lotion to residents at Cottonwood Manor in Wichita Falls. It was voted to participate in a joint effort of the two groups to provide Valentine treats for the children in the pediatrics section at Wichita General Hospital.

Mrs. J.A. berg was leader for the program entitled "Asia in Our Midst," which dealt with work the Southern Baptist churches were doing for people from Asia who are now living in the U.S. Spotlighted was the work among the Vietnamese, Chinese and Japanese in San Francisco, Pinefield, La. and Memphis, Tenn. She was assisted by Mrs. Woodfin, Miss Helen Reed and Mrs. J.C. Roby.

A Valentine motif was carried out in refreshment table decorations.

UMW meeting held

Twenty-eight attended the United Methodist Women's meeting Tuesday morning at the church. Mrs. George Trammell was program leader and introduced the speakers.

Mrs. Maggie Perkins used "Love Lifted Me," an article taken from The Window publication, for the theme of the devotion. She told a brief story to illustrate how love finds ways for forgiveness in all things.

Continuing the emphasis on love, Mrs. Vernon Gilbert spoke on "Love Thy Neighbor" taken from Response, a Methodist magazine, for a discussion of "Oriental Relationships and Reflections of Racism." She enhanced interest in the topic by telling the story of a Japanese-American girl in her struggle for recognition in an American-prejudiced society and her experience leading to an opportunity for becoming a Christian.

Cook of the Week

The interview with Mrs. Todd Ten Eyck, this week's cook, along with her recipes provoked a little study of the similarity between Italian and Dutch cuisine. To explain why, her husband is Dutch which might influence her cooking, and one of her recipes is Italian which might suggest her taste.

Italian food is most associated with pasta, which includes spaghetti, macaroni, lasagna, vermicelli, etc in its wide concept, a variety of spices and cheeses.

The spices that play a key role in "la cucina Italiana" are thyme, bay leaf, basil, dill, oregano, marjoram and rosemary. Parmesan and Mozzarella cheeses are generously applied to achieve tantalizing cookery.

The top-ranking cheeses of the Dutch are Edam and Gouda, and they have their own special milder spices. All kinds of seafoods are popular items in their cuisine (incidentally, clams are the main ingredients in one of Mrs. Ten Eyck's recipes today)' The Dutch are also known for their rich and filling soups and their hutspot, a meat and vegetable dish, has a solid Dutch tradition.

Todd and Lisa Ten Eyck and Joshua, their 14-month-old son, are newcomers to Iowa Park. They are special friends of Mr. and Mrs. Kennie Jones and are Methodists. He is working at Cryovac.

Lisa was graduated from Phoenix, Ariz. High School. She attended Mesa Community College and received a B.A. degree from the University of Arizona where she majored in political science and minored in history. Her husband was a student at the university where they met. He plans to enter Midwestern State University this summer to complete work on a degree in wildlife.

Mrs. Ten Eyck has worked as a swimming instructor, and she enjoys ceramics and sewing. She is planning to become a Tupperware dealer in Iowa Park.

Bake sale slated for Rehab Center

The North Texas Easter Seal Rehabilitation Center will benefit from the proceeds when parents of children attending the Center will hold an all-day bake sale Friday, Feb. 13, at Sikes Senter Mall in Wichita

The bake sale is the first special event in connection with the Mar. 7 rummage sale and the forthcoming Easter Seal Telethon. The Telethon will be broadcast through Channel 6 March 28 and 29.

The bake sale booth will be located in the center of the Sikes mall, near the fountain. Parents of the children and other volunteers have prepared pies, cakes, cookies and other baked goods for sale.

All proceeds from these special events benefit the Rehab Center which offers services in speechlanguage, perceptual motor, audiological and physical handicaps for both children and adults.

Mix all the ingredients listed under filling for shells. Boil the shells according to directions on box. Cool, then cut each shell open at one side and stuff with the filling. Close the

Pour ²/₃ of the sauce into a large enough pan to hold 12 stuffed shells; place the shells side by side. Pour the remaining sauce over the shells. Wrap with foil and bake until throughly warmed about 30 minutes.

MANHATTAN CLAM CHOWDER

- 2 8-oz. cans baby clams
- 6 carrots
- 6 medium-sized potatoes
- 1 onion
- 6 celery stalks
- 4 slices of bacon
- 1 16-oz. can of whole tomatoes

2 tablespoons flour Dash of thyme, salt and pepper

Fry bacon. Remove from pan and chop finely. Chop onion and celery finely and saute in bacon grease. Dice the potatoes and carrots. Put bacon, celery, onion, potatoes and carrots into a large pan or crockpot. Add can of whole tomatoes, juice from clams and enough water to cover vegetables thoroughly. Cook until tender. Add clams, salt, pepper, thyme and bring to a full boil.

Mix flour with a little water to make paste. Stir paste into chowder, making sure all lumps dissolve. Serve steaming hot with hot bread or rolls.

Epsilon Eta members hear speaker

"Sharing a Better You" was the theme of the program presented for the Epsilon Eta chapter of Epsilon Sigma Alpha during the Tuesday evening meeting held in the home of Mrs. Allen Gilstrap.

Mrs. Raymond Cope told and demonstrated how women could improve themselves through proper care of the skin and make-up. "Women do not see themselves as others see them; they see only the flaws and not their whole selves," she said. She demonstrated proper techniques of applying make-up on

one of the chapter members. She was introduced by Mrs. Bud Mercer.

Mrs. Roy Johnson was in charge of the period devoted to business when plans were discussed for the skate-a-thon to be held in March.

Mrs. Paul Tigrett, chairman of the project committee, told of future plans for improvements at Pace Park, and announced that a bake sale would be held to raise additional money to purchase a piece of playground equipment.

Mrs. David Parkey was named chairman of the youth award committee. Serving with her will be Mmes. Jim Dyer, Darrell Gunderson, William Wamble. Mrs. Luther Shaw and Mrs. Phil McDonald were named to find motel reservations for those who will attend the state board meeting in the event that Epsilon Eta chapter's bid is accepted.

Ne have a tax deduction you can retire on.

At State National Bank, there's a special tax-sheltered savings account. It's called an Individual Retirement Account, or IRA. And if you don't know all about it, you may be "cheating" yourself. Because all the money you put into an IRA is tax-deductible. And all the interest you earn on an IRA is tax-free until you retire.

If you're a wage-earner and not actively participating in a retirement plan, you can qualify for People's IRA, even if you work only part-time.

Federal law allows you to deposit 15% of

your annual earnings up to \$1,500 a year. And if you have a non-working spouse, there's a provision that includes both of you in the benefits and allows you to put in an additional \$250 yearly.

And, with State National Bank's special Any-Time IRA Certificate of Deposit, you can make an initial deposit and additional deposits in any amount at any time. So, come in and let us give you all the details and help you with the IRA account that's best for you. State National Bank's IRA is free. No setup charge and no service fees.

Letter the Editor

Dear Editor,

A little incident happened to me last Friday which illustrates one of the reasons why I like Iowa Park. My car wouldn't start and being that it's a small car, I thought I could push it with my wife at the wheel to see if it would start. While I was slowly but surely pushing it, first a man stopped in his car and got out to help me push. Then a young girl stopped in her car to offer assistance.

Even though we never got the car to fire up, the frustration of a no-starting car was more than off-set by the helpfulness of the two people who stopped to help a stranger in need. My thanks to these two good Samaritans.

P.S. When I installed new points Sunday my car started like a Rolls. James D. Edwards, O.D.

As I See It....

If the Reagan administration does nothing more the next four years, it has already earned my support and admiration.

That ruling this week about knocking out bilingual education will do as much to get this nation back on track and thinking as an undivided nation as anything which can be done.

I have nothing against any ethnic group wanting to keep its traditions and culture. I just don't happen to think our public schools should be involved.

If families and friends want to speak in a language other than English, more power to them. But to demand that an English speaking educational system teach in a language other than English is wrong.

One has only to look northward to Canada to see what I mean. That nation has been torn between the English and French speaking peoples to a point where serious attempts to divide into two separate nations have been noted.

I'm frankly surprised that any administration, whether I supported

them or not, has had the guts to take such a stand.

It is a shame that the weather was so bad Saturday that James Roberts couldn't fly in to make his speaking engagement at the Chamber of Commerce banquet.

James, a long-time friend of mine, would have driven the distance here from Andrews, had he known the weather was not going to improve. As it was, he didn't find out for sure until he was waiting at the airport at 5 p.m. that the pilot could not land here.

I called him about 9 that morning to prepare him for the bad weather report. His pilot, however, was told that things would improve that afternoon which would permit the

We talked several times during the

day. However, at the last minute, the weather people reported a bad area of clouds was in the Childress area and headed this way. Their report was, if the plane did get here, it would have to go elsewhere to land, due to the low ceiling.

James had a good talk worked up for us. His background of topics this area identifies with, plus his unusual gift of humor would have made him a hit with Iowa Parkans, as it has over the state wherever he has appeared.

He called me Monday, still worried about the local reaction to his no-show. Eventhough I assured him the program got along fairly well, he admitted he had slept little, worrying about having let our people down.

I'll add to his list of credits: he's also a gentleman.

Phone repair service changed

Southwestern Bell Telephone will soon begin a new repair service system and will change its telephone number for Iowa Park business customers, according to M.C. McGee, district manager.

There will be no number change for residence customers.

"Beginning Sunday, business customers should report trouble with their business telephone equipment by calling 4108. Residence customers will continue to call 4102 to alert us of problems with their home telephone equipment," McGee said.

The number change is part of the approved, computer-based repair service for Iowa Park. "With it, we will provide personnel who specialize in either business or residence repairs. These repair specialists can analyze and test trouble reports much faster and more accurately than in the past," he explained.

McGee said the system can also be reached 24 hours a day, helping to speed customer telephone repair.

McGee suggested customers might change the number in the telephone directories.

The Holliday Eagle varsity basketball team successfully opened the second half of District 13-AA play over the week with two victories against no defeats.

Friday night the Eagles had an easy going in defeating Boyd 72-30. Brad Harmon led in scoring with 18, followed by Shannon Owen with 15 and Lindy Dolberry 10.

Five Eagles scored in double figures Tuesday night in Holliday with the Eagles defeating Chico 73-38. Owen led the scoring with 16, Kent Lilley had 14, Kevin Lilley 13, Harmon 12 and Dolberry 10.

Holliday was stingy on defense in the game, holding the Dragons to a mere six points in each of the first two periods. The halftime score was 49-12.

With a 22-point performance by Kristi Lucy, the Lady Eagles upped their second half record to 2-2, defeating Chico 60-30. Cinda Grantham had 12 in the contest, and Suzan Dillard added 10.

Friday, the girls had a tough time with Boyd, losing 47-35. Grantham

was the only Lady Eagle scoring in double figures with 10.

Tomorrow, the junior varsity girls travel with the varsity squads to Windthorst for their respective district tilts. The junior varsity game begins at 5:30 p.m.

State-ranked Archer City will be in town along with the girls Tuesday for a double header, scheduled to begin at 7:00 p.m.

TAB tests administered

Third, fifth and ninth grade students from the Holliday Independent School District participated in the second Texas Assessment of Basic Skills (TAB) test last week.

Third graders took the TAB test Tuesday, fifth graders Wednesday, and ninth graders Thursday. Each test was administered by Walter Lemons, guidance counselor for the Holliday schools.

The assessment plan, first of its kind in this state, is scheduled once each year under requirements set by the Texas Legislature during its 1979 regular session.

Holliday students will be among 700,000 expected to take the reading, writing composition, and mathematics tests during the Feb. 2-20 statewide testing period. Each of the tests will require a maximum of 40 to 60 minutes to complete.

Principals Bill Lee and Dan Owen will report their school's aggregate scores to the public at a May or June meeting of the board of trustees, according to Ray Coe, superintendent.

"However, individual student scores will be reported only to the student, parents or guardian, and the school personnel directly involved," Coe said.

"This testing program is designed to help the student and the school improve achievement," Coe pointed

Eagles honored

Two Holliday Eagle football players were named to the All-Red River football squad in a recent announcement published in the Wichita Falls Times and Record News.

Senior defensive end Lindy Dolberry and junior linebacker Joe Chase were named to the defensive squad for area schools class AAA and below.

Members of the squad were chosen by the sports staff of the Times and Record News. out. "For this reason, results will be reported in a manner that will help everyone become more effective."

According to Coe, third grade students were added to the annual testing sequence for the first time this year. The three tests will make up an annual assessment effort designed to help both state and local officials improve their services.

Ninth grade students who do not make a satisfactory "exit level" score may retake the test each year they remain in high school. However, they will not be required to take the test more than once. Later attempts to improve scores and evaluate any remedial programs will be voluntary.

Attention: Parents or Guardians of school children

Dear Parent or Guardian:

The Holliday Ind. School serves nutritious meals every school day. Students may buy lunch for 65c kindergarten through third, 75c fourth through sixth grades, 80c for seven through 12th grades, and \$1.10 for adults; breakfast for 30c kindergarten through third grades, 40c for fourth through 12th grades and 50c for adults.

Children from families whose income is at or below levels shown on the attached scale are eligible for free or reduced-price meals. The reduced price for lunch is 10c and for breakfast 10c. If your income is greater than those shown, but you have unusually high medical bills, shelter costs in excess of 30 percent of your income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses, your children may still be eligible.

The school children of parents or guardians who become unemployed are eligible for free or reduced-price meals during the period of unemployment, provided that the loss of income causes the family income during the period of unemployment to be at or below the levels shown on the scale.

To apply at any time during the year for free meals or reduced priced meals for your children, complete the attached application and return it to school. The information given on the application is confidential and will be used only for the purpose of determining eligibility for free meals and reduced price meals. Within ten days of receiving your application, the school will let you know whether or not your children are eligible. If you do not agree with the school's decision you have a right to a fair hearing. This can be done by calling or writing Mr. W.T. Mankins, School Board President, Box 224, Mankins, Texas 76308, Phone 586-1606.

In certain cases foster children are eligible for these benefits. If you have foster children living with you and wish to apply for such meals for them, please notify us or indicate it on the application.

All children are treated the same regardless of ability to pay. In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, or national origin.

If we can be of any further assistance or if your family size or income changes during the year, please contact us.

Sincerely, Ray Coe Superintendent

They defeated Vernon Tuesday night by two points, in overtime. Their last three games have been decided by a total of five points. And their Dist. 4-AAA games were won by a total of 13 points.

Tomorrow night's game at Mineral Wells will probably be more of the

same, because the Hawks can win the first half of district play outright with a victory, or tie with the Rams if they

But tight games aren't solely the name of Hawk games. In district play Tuesday night, all three games were decided by a total of six points: Iowa Park 48, Vernon 46; Hirschi 64, Graham 61; Mineral Wells 44, Burkburnett 43.

The Hawks will travel to Graham Tuesday night to open the second half of district play.

Vernon jumped to a big lead in the

first quarter Tuesday, and the Hawks had to play catchup the rest of the regular game time. After scoring the first two points, the Hawks saw the Lions ring up 10 unanswered points before they could get back on the

The Lions led 15-8 after the first quarter, and extended that to 26-18 by halftime.

But Steve Smith, Ken Thomason and Steve Page each sank field goals to open the third period and the Hawks pulled to within two points, 26-24, and held on to trail 31-28 after

Most of the Hawk starters had to play extremely cautious in the final period because of personal fouls. Four of them had four.

Vernon took a 35-30 lead with 5:33 remaining, but two buckets by Page narrowed that to 37-36. Again the Lions took a lead, 39-36, with 57 seconds showing on the clock. Smith sank a bucket to narrow the gap to one point again, but Vernon started stalling the ball, and Mark Kirkham had to commit his fifth foul to stop the clock with seven seconds on the clock.

The Vernon player hit one of his two shot attempts for a 40-38 lead.

But with one second showing on the clock, Smith had driven the length of the court and made a layup to tie the

In the three-minute overtime period, the score was tied at 46-46 with 12 seconds remaining. Smith hit a free shot with nine seconds on the clock, and Thomason sank another with one second remaining to put the game away, 48-46.

Thirty-two fouls were called in the first half, 18 on Iowa Park and 14 on Vernon. The Hawks finished with 26 and Lions 22.

Iowa Park sank 10 of 17 free shots, but the Lions could connect only 18 of their 32 attempts from the charity

Smith was the only Hawk in double figures, canning nine field goals and three free shots for 21 points.

The Hawk JV won 59-40. Bobby Cavinder and Kevin Biddy had 13

The Hawks and Hirschi's Huskies were also evenly matched. Hirschi led 12-10 after the first period, fell behind 26-24 at the half, but led 39-38 going into the final quarter.

A free shot by Kirkham gave the Hawks a 51-50 lead with 59 seconds remaining. Then Page, 6-7 Hawk junior center, blocked a Husky shot and gained control, and the Hawks went into a stall.

Smith was fouled to stop the clock, and sank both his shots with 22 seconds remaining on the clock and Iowa Park leading 53-50. There was no attempt to stop the Huskies from scoring their last basket which narrowed the score to one point with 10 seconds remaining on the clock.

Smith also had 22 points in this game and Page had 10.

Hawkettes open second half with win over Lady Lions

Iowa Park's Hawkettes finished in second place for the first half of district play, but they've already served notice they will make a run for the second half title.

The girls lost Friday night to Hirschi, 43-30, to finish behind Hirschi and Mineral Wells. Both those clubs wound up with 4-1 records in first-half play. Iowa Park was 3-2.

But Tuesday night they came back to drop Vernon in a close, 38-35 contest, to start the second half of play on a winning note. Vernon had defeated Iowa Park 37-29 in the district opener last month.

The Hawkettes and Lady Lions were evenly matched, as the score indicated throughout the game. Iowa Park was ahead 10-8 after the first period, they were tied at halftime

The score was tied three different times in the last quarter, 28-28, 30-30 and 34-34 Tammie Richardson hit a pair of

free shots with 1:04 left to give the girls a 36-34 lead. Vernon narrowed the margin to one point with 39 seconds remaining, but Iowa Park got the ball when the second free shot was missed.

16-16, and the host Hawkettes held a

slim 28-26 lead going into the final

Taking the ball down court, Iowa Park called time out. But when they threw the ball in, with 25 showing on the scoreboard clock, Vernon got the ball, took a shot, but missed

Soccer teams being organized

Iowa Park students between the ages of six and 19 who would like to play on a soccer team this spring are being urged to register during the coming week.

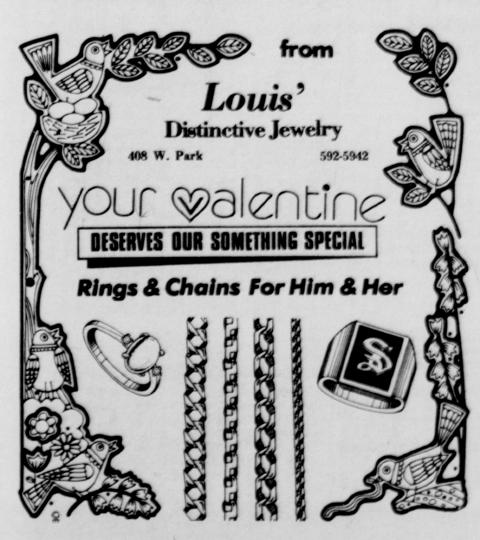

Registration will be from 9 a.m. to 3 p.m. Saturday, or Feb. 14, at the

Texas Electric Service Co. Reddy Room. Teams in each division will be formed if enough players register.

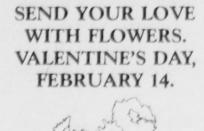

A parent or guardian must accompany players when they register.

STATE CHAMPION free throw shooter for his division is Philip Jackson, son of Rev. and Mrs. Michael R. Jackson. Competing Saturday at Temple in the 8-9 age group, the Bradford third grader sank 19 of 25 free throws [a personal best] and the right to represent Texas in the regional meet of the Elks National "Hoop Shot" Basketball Free Throw Contest.

News

The Iowa Park 4-H Club met Jan. 26 for the monthly meeting. Chris McKenzie from Photography by Chris gave a program of how to take better pictures. He used club members in giving good and bad examples of photography.

During the meeting important dates during Feb. and March were announced. Clothing training began today and the county record book training will be held Feb. 17. In March, club members will be filling out entry forms for the Iowa Park Project Show March 14 and the Wichita County Junior Livestock Show March 15-17.

It was announced that the 4-H Clubs of Wichita County will be raising money for a \$750 donation to National 4-H Center for a building. The club members will go to Brownwood in May for a weekend of fellowship with other clubs.
