IOWA PARK, WICHITA COUNTY, TEXAS 76367

20 CENTS

Hawks open 1978 season here Friday

It's been a long, long time. It's been a long time since Iowa Park won a varsity football game (October of 1976). It's been a long time since Iowa Park defeated Bowie (1970). And it's been a long time since the Hawks played under Coach Tommy Watkins (1971). Loyal Mean Green fans are hoping it will all change Friday night, when the Hawks open the 1978 season against Bowie's Jackrabbits at 8 p.m.

in Hawk Stadium. Except for that 18-3 victory over Azle in the 1976 homecoming game, Iowa Park has not won a varsity football game since winding up the 1974 season with a 28-13 win over Stephenville.

Iowa Park is 1-29 in the last three seasons, and for a town that loves its football like this one, it's painful. Starting his second time around as the Head Hawk, Watkins isn't expected by the fans or the school board to create miracles, such as defeating Bowie 70-0 like the last time his club faced the Jackrabbits.

All they want is a win, by any margin, or "at least make a good showing," as one fan put it.

Bowie has been a Dist. 10-AA contender every year since 1970, even though the Jackrabbits went 6-4 last year when the conference was exceptionally tough and well balanced.

The Rabbits are returning five offensive and three defensive starters, but boast some outstanding new people who have arrived on the scene.

If there's one common denominator in tomorrow night's game, it's the fact that both the Rabbits and Hawks will be running the Houston Veer for the first time.

Bowie mentor Willie Brooks installed the Veer in an effort to give his district opponents something new to look at, and their defenses to worry about.

Brooks expects to throw the ball a lot this year, off the Veer option. The club demonstrated its ability to give defenses fits with its aerial show when the Jackrabbits scrimmaged Holiday last week, scoring on an 80-yard pass.

One thing for sure, Brooks wants to

improve on his last showing here in 1970. The Hawks, who shared the state AA title that season, held the Jackrabbits to a net two yards rushing while picking up 585 yards on the ground themselves.

HAWKS IMPROVE

Coach Watkins, commenting on Thursday's scrimmage against Sweetwater, said his team had improved about three times over its showing the previous week against Electra. Improvement should be the key to the 1978 edition of Hawks, primarily because of the youth of the team, and the fact they are still adapting to their new offense.

Of the 33 players on the varsity, 10 are seniors, 14 juniors and nine sophomores.

But the fact there are 24 upper classmen on the team is no indication of experience. Only seven were regulars last year, and four of them are seniors.

Because of the lack of depth, injuries will undoubtedly play a major role in the success of the Hawks this season. When they took the field Thursday in the Sweetwater scrimmage, two key players were sidelined in their street clothes. Neither quarterback Gary Blackerby nor halfback Troy Thompson saw action.

Several other players were hobbling, but playing, including big Ron Taylor, who plays end and linebacker, as well as being the team's primary punter. Though sore with injuries to his knees, legs and feet, he still saw considerable action.

"Bowie's going to be tough on us," Watkins commented Monday night at the Hawk Booster Club meeting. "But I think we're going to beat them."

The loyal Hawk followers hope so, too. It's been a long, long time.

Thunderstorm inflicts damage

A storm, coming from the uncommon direction of the east, blew through the Iowa Park area early Tuesday evening, dumping a varying amount of moisture, but its accompanying winds inflicting damage to structures in its path.

The storm developed east of Wichita Falls, and moved in a westerly direction, gaining in its intensity along the way.

As it moved, winds did extensive damage at Wichita Valley Airport, four miles east of the city.

A five-airplane hangar was uprooted from its two foot thick foundation and scattered along Rifle Range Road.

Four single engine planes were parked inside the hangar. Three received heavy damage including a Cessna Skyhawk owned by a Burkburnett man.

The Skyhawk, which was overturned during the storm, was believed to be a total loss.

Total damage estimates to the airport facilities and airplanes was believed to be in the range of \$150,000, according to Mrs. Bill Cook of Cook's Flying Service.

Rainfall measurements varied from .13 of an inch at the Texas Experiment Station, to .6 of an inch at the Virgil Woodfin residence. Others reported as much as .75 being measured in their gauges.

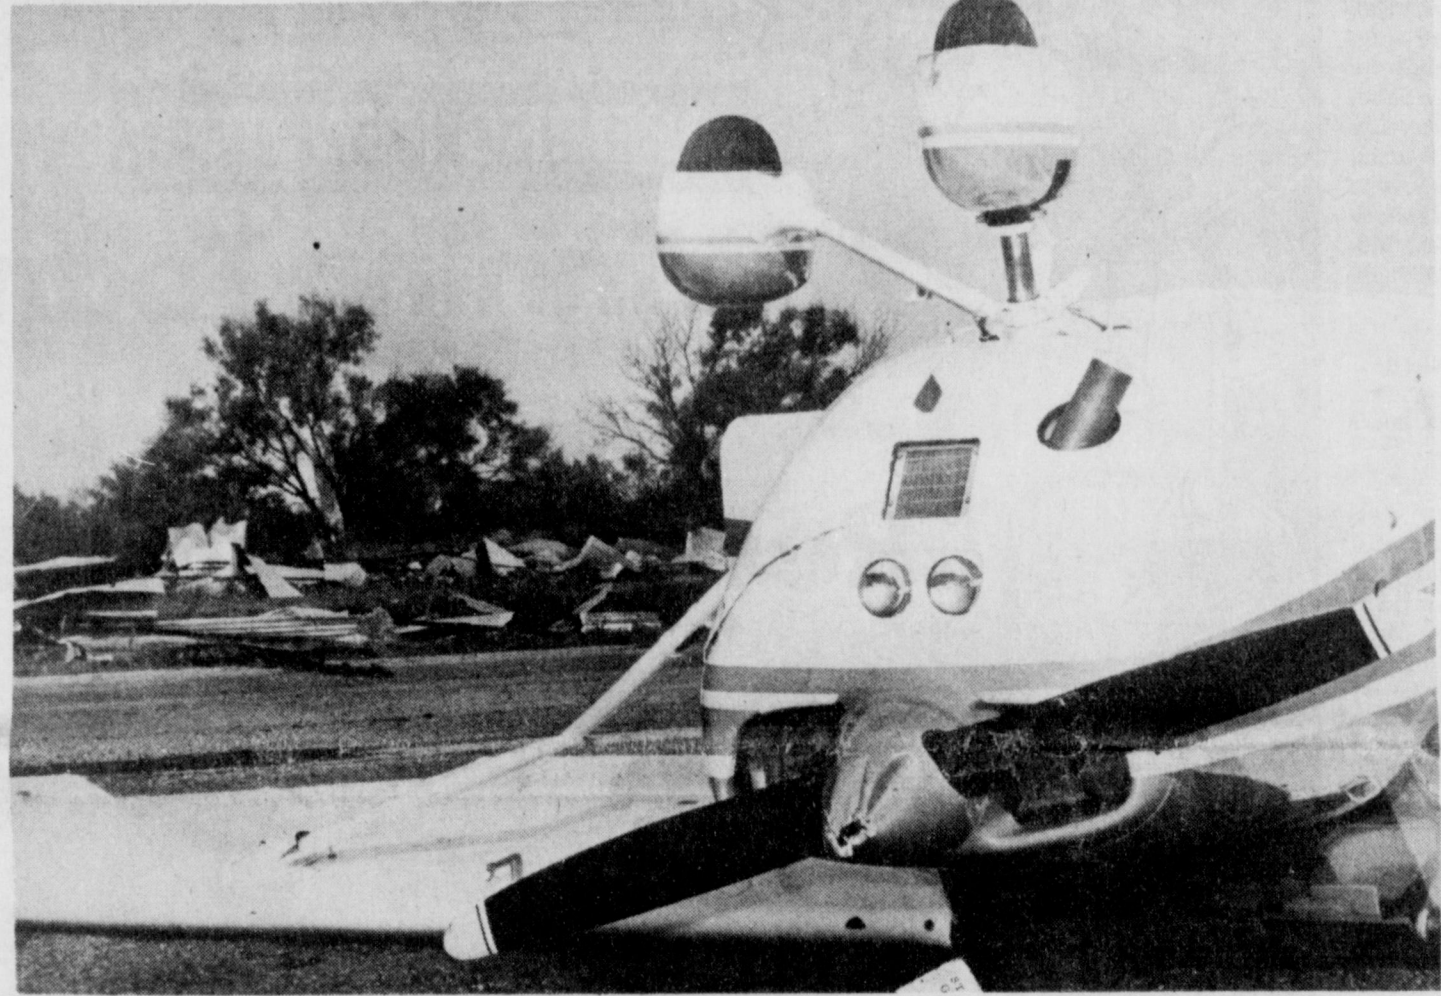

Some hail was reported, with the heaviest in the vicinity of the expressway. No damage reports from stones have been received, however. Tree limbs were the primary

victims of the storm in town, from all reports. Roofs on several homes were damaged by the high winds.

Members of the Volunteer Fire Department were called out to

extinguish a yard and fence fire at 1000 Lincoln, where a bolt of lightning apparently struck a wire and started a blaze. There was no damage to the house, however.

Residents of the area, and firemen on the scene, were reporting numerous sparks from highline wires several minutes after the fire was reported.

WRECKED PLANE, HANGAR DEMOLISHED IN TUESDAY NIGHT STORM
...Wichita Valley Airport damages estimated at \$150,000 for heaviest single loss

Homecoming, Whoop-T-Do countdown starts

With only two weeks remaining until homecoming and Whoop-T-Do weekend, organizations are securing to make final preparations for activities they plan for the annual event.

Mrs. Ray Pittman, Chamber secretary, said yesterday 16 booths had been reserved for the Whoop-T-Do. Organizations not yet registered have until Sept. 21 to reserve space, and a fee of \$10 is charged for each space.

Among the activities to take place Sept. 23 will be appearances by the

high school band, junior high choir, students of the Iowa Park School of Music, six showings of Danny's Kansas City Dolls, the ESA Miss Whoop-T-Do contest, the annual turtle trot and auctioning of a Jack Stevens painting.

In addition, the annual sidewalk arts and crafts show will be staged throughout the downtown district.

Bill Bates and Danny Parkerson, co-chairmen of this year's Whoop-T-Do, said several singing groups, both gospel and barbershop, have been invited to perform, but none has yet

confirmed they plan to attend. Donations will be solicited at each showing of the popular "Dolls" show, to be used by the Chamber to purchase additional Christmas decorations for the business district.

Youngsters are encouraged to scour creeks and ponds for their entries in the turtle trot. Because the race is being held earlier in the season than usual, a larger number of participants is expected. Also, planners make a special note that the race will be held at 1 p.m., rather than the first event of the day as in the past, in order for more people to witness the event.

The Whoop-T-Do was initiated by the Chamber some six years ago to develop more activities in connection with Iowa Park High's annual

homecoming. All booths will be located in the 100 block of East Cash, and will be arranged similar to a carnival setting.

A parade, sponsored by the Student Council, will be staged that Friday afternoon, preceding the evening's football game between Iowa Park and Bishop Lynch. There will be no float units in this year's parade, but decorated vehicles will be judged for a change.

Saturday night will be the annual banquet of the IPHS Alumni Association, winding up two days of activities. Special recognition will be given to all graduates of classes whose year ended in "8", such as 1968, 1958, and so on down.

City, school agendas short

The city council and school board face few items on their agendas next week other than routine matters.

The council will meet at 7 p.m. Monday, and trustees at 7:30 p.m.

Ticket windows to open at 6:30

Two ticket windows await football fans tomorrow night at Hawk Stadium who have not yet purchased their season books, according to Principal Bob Dawson.

The original booth remains in position at the Johnson Road entrance, and a new booth has been erected on the north side which will also sell tickets. Both will open at 6:30 p.m. before home games.

No one will be admitted through the west gate, next to the field house, except players, officials and bands, Dawson said.

Approximately 400 season tickets had been sold by Wednesday, Dawson said. There are 708 reserved seats available on the home side of the stadium.

Tuesday. Aldermen are scheduled to open bids on a new tractor for the sanitary landfill and, if one is accepted, consider an ordinance authorizing issuance of time warrants to pay for the equipment.

A resolution pertaining to rerouting FM 368 will also be considered. The rerouting is between Alameda and West Highway, on Pacific, to correct a confusing situation which occurred a couple of weeks ago.

Minutes of the citizens traffic safety council will also be presented, and also appointment of a new member of the safety council is expected.

Money very likely will highlight the school board's meeting. Financial advisor Herb Smith of Wichita Falls has requested time on the agenda to discuss the possibility of building a gymnasium at the high school.

Trustees are also to hear a report on fees charged by architects, should the gymnasium issue be approved.

Board members are also expected to set a new policy on fees charged for non-student use of school buildings and facilities.

Four division leaders named

The final four division leaders for the annual United Way Campaign were announced by Iowa Park Chairman Bill Steger.

Wayne House will lead the Major Firms Division; Gene Britton and Pauline Emils, the public employee area; Charlie Lee, professional; and R.B. Faulkner, the metropolitan group.

The official campaign will start Sept. 20 to raise \$1,235,560 to fund 33 agencies in Iowa Park, Burkburnett, Wichita Falls and Sheppard Air Force Base for the next year.

"Our leadership for these divisions is exceptional. All chairmen have had experience in community volunteer work," Steger said. "We know Iowa Park will do fine in the campaign."

Apartment complex permit is issued

Building permits were issued to contractor Michael Harding for an apartment complex, and for two new housing starts, during August, to bring the year's permits to within \$5,000 of the total for 1977.

A permit request was submitted by Harding, of Oklahoma City, two months ago to construct an apartment complex in the south part of town, near Bradford Elementary. However, there was some concern about the amount estimated to build the unit, and the permit was not signed.

City Administrator Gene Britton said he had decided to allow construction to commence, but the amount will be negotiated in the future on the permit fee.

August's permits brought the year's total to \$1,298,557, which is just short of the \$1,303,526 issued for all of 1977. The month's total was \$214,450.

Permits issued during August included:

- Michael Harding, apartment complex, \$100,000;
- W.M. Owens, 307 W. Aldine, radio antenna, \$1,200;
- Jimmie Howell, 114 W. Park, storage building, \$200;
- Stanley McMahon, 309 W. Lafayette, storage building, \$200;
- Ruben Copeland, 208 N. Seneca, storage building, \$150;
- Travis Carroll, Block 169, temporary mobile home, no charge;
- Phil McDonald, 1003 Foley, new residence, \$37,000;
- Jimmy Green, 107 Wood Circle, alteration, \$1,000;
- Jack Cox, 306 E. Magnolia, mobile home, \$10,000;
- Dorothy Smith, 502 E. Pasadena, addition, \$1,500;
- Bobby Shown, 913 Foley, storage building, \$200;
- Barbara Weger, 506 W. Washington, mobile home, \$16,000;
- Earline Wood, 1001 Foley, new residence, \$39,500;
- Freddie Simmons, 710 E. Ruby, mobile home, \$7,500.

CONSTRUCTION on a new apartment complex in the south part of town, started late last week, was temporarily halted Tuesday by a rainstorm. The complex, located a

block west of Bradford Elementary, is being built by Michael Harding Construction out of Oklahoma City.

Band Boosters plan project

The Iowa Park Band Booster Club decided during the meeting Tuesday night, presided over by David Robnett, to sponsor the dunking machine again at the Chamber of Commerce Whoop-Do Sept. 23 and to have the concession stand at the homecoming game.

David Mooney, high school band director, spoke to the group and expressed concern that more parents who have students in the band did not join the Booster Club and support the three fine bands in the school system.

ABOUT TOWN

The history of the Parent-Teacher Association, both nationally and locally, was related to members of the Noon Lions Club Tuesday by Mrs. D.O. James, long-time member and former district president.

Cook of the Week

When U.S.A.F. Col. (Ret.) Richard Noe and his family were traveling and living all over the U.S., in Germany, France, Indonesia and other countries overseas, Marianne (Mrs. Noe) acquired quite a few exotic recipes. However, she was reluctant to share them with the Leader readers this week because many of them call for spices that are not always agreeable to the taste of Americans.

Her recipes do, however, call for several spices of foreign origin that are an indispensable part of the American cuisine, one of which is ginger. The pungent condiment has been used as a spice from early times and considered as a native of Asia. It was supposed by Greeks and Romans to be a product of southern Arabia and came to them by way of the Red Sea. In India, it has been known from a very remote period.

Mrs. Noe's Crock Pot Chili recipe calls for a cup of coffee, our great American beverage. Legend has it that many, many years ago sheep happened to graze upon the berries and seeds of the Coffea Arabica shrub and became so stimulated that they could not sleep, then the shepherds tried nibbling the berries, too. According to the legend, Mohammed appeared to the shepherds and told them to boil the berries in water and the drink would make them require less sleep so that they could have more time for prayer.

A native of Los Angeles, Ca., Mrs. Noe was graduated from high school there and attended Los Angeles State College where she met her husband. He went on to receive a degree from Loyola University before he joined the Air Force. He retired as colonel about two years ago after 26 years in the service and the family bought a home and acreage in Pleasant Valley Estates where they could raise animals, grow a garden and

just enjoy "farm life". He is now associated with Wichita Engineering Co. as vice-president and chief engineer and attending Midwestern State University studying for a master's degree in business administration.

Mrs. Noe's outgoing personality and ability to make friends readily made her role as the wife of an Air Force member and officer exciting and educational. Every place they lived she gave one day each week to volunteer work, and continues to do that by working each Tuesday in the Thrift Shop at Sheppard AFB. In Indonesia, she organized the service wives into adopting a Catholic orphanage and a home for wayward girls. She taught art in the psychiatric ward at Andrews AFB through the Red Cross.

High on her list of hobbies is animals (horses, cows, dogs, and most any kind). Others include oil painting, reading, sewing, gardening and anything that pertains to the bucolic life. The couple attend the Catholic Church at Sheppard AFB. Their children are Rick of Santa Cruz, Ca., owner of a surfboard mfg. co., Chris, a musician, of Manhattan Beach, Ca., Sandi of Wichita Falls, secretary to the president of Wichita Tidal Co., and Gregory, who works for the telephone company at Oxon Hill, Md. They have one granddaughter.

BASQUE BEAN SOUP

(Serves 6-8)
1-2 pkgs. meaty ham hocks or 1 large ham bone
1 large onion, sliced
3 carrots, diced
1 green pepper, diced
Cover with water and cook 1 hour or until meat is done. Remove meat; chop, return to soup pot and add: 2 cans tomatoes (1 lb. 12 oz.)
4 cans drained pinto beans (15 oz.)
1-8 oz. can tomato sauce
2 cloves garlic, peeled and sliced
1 t garlic salt
2 t chili powder
2 T parsley
Cook 1 hour. This is a hearty and thick soup.

SPINACH SALAD

1 pkg. fresh green spinach
1 8-oz. pkg. fresh mushrooms
1 large red onion
Day before: wash spinach, sort and tear into bite-sized pieces. Slice red onion thin; wash mushrooms and slice.
Before dinner, combine the ingredients and serve with Hidden Valley French Dressing.

Students taking hair appointments

The cosmetology class at Iowa Park High School is now taking appointments, according to Mrs. Jones, instructor. Appointments can be made between 8 a.m. and 2 p.m. by calling 592-5241. Work is done under supervised service.

RICE AND GREEN CHILIES

(Serves 8)
4 cups cooked rice (packed and seasoned with salt)
3 cups sour cream
1 4-oz. can chopped green chilies
1 pkg. grated sharp Cheddar cheese (3/4 lb.)
Lightly grease 3-quart casserole. Mix sour cream with chopped green chilies. Layer rice, chilies/sour cream mix, and cheese. Repeat, ending with cheese. Bake at 350° from 20 to 30 minutes until bubbly. Can be made ahead and refrigerated until time to cook.

CROCK POT CHILI

(Serves 8-10)
3 to 4 lbs. chuck roast, cubed
6 strips bacon
2 chopped onions
Night before: Cook bacon, brown chuck and onions in fat; refrigerate. Next a.m.: Toss in crock pot and add: 1 t cumin
3 dashes Tabasco

2 t garlic powder
6 t chili powder
2 T salt
2 (1 lb., 12 ozs.) tomatoes
1 cup strong coffee (instant)
1 t oregano
4 or 5 (15 oz.) cans beans, drained
Cook all day in crock pot.

SUPER COMPANY MENU TERIYAKIE STEAK

Flank steaks, 1 per couple, score meat
1/4 cup soy sauce
1/2 t ginger
3 T honey
3/4 cup salad oil
1/4 t garlic salt
2 T vinegar
Put all ingredients except steak into blender; blend 8 to 10 minutes at medium speed. Mixture will be thick. Pour over steaks in shallow dish, cover and marinate 24 hours.
To serve: broil steaks at 5 minutes per side.
Cut steaks diagonally across the grain to serve. The marinade will be enough for 2 or 3 flank steaks.

Mrs. Richard Noe

UW display being shown

Iowa Park citizens will have a chance to see what the 33 agencies funded by the United Way do for the local community as well as Burkburnett and Wichita Falls when a week-long display opens Sept. 11 at Sikes Senter Mall.

The theme tying the displays together will be a fence from the Huckleberry Finn area of American history. Most displays are geared to the theme while illustrating the various purposes of the member agencies.

Iowa Park agencies participating in the display are The Friendly Door and the Iowa Park Recreational Activities Center.

The official campaign will start Sept. 20 in an effort to raise \$1,235,560. Following the campaign, which lasts six weeks, the allocation committee of the United Way will meet to go over budgets of agencies to determine needed funds for each participating group.

This year's United Way Campaign Chairman in Iowa Park is Bill Steger.

Mrs. Booher is elected

Officers of the Night WMS of First Baptist Church for 1978-79 were elected Monday in a meeting in the home of Mrs. J. Louis Quick.

Those elected were Mrs. W.F. Booher, president; Miss Helen Reed, vice president; Mmes. Homer Blalock, secretary; V.I. Woodfin, treasurer; J.A. Berg, Wm. Nunn, C.L. McKinnon, program chairman; Bill Curry, prayer chairman; Blalock, publicity; D.O. James, E.T. Patterson, S.B. Reaves, mission study chairman; J.C. Roby and James, G.A. representatives; Woodfin, publications; Roby, Roy B. Smith and Miss Reed, yearbook chairman.

To open the meeting, Mrs. Curry was in charge of the prayer period for missionaries on the birthday calendar.

Mrs. Berg directed the program on "Meeting Needs in Tanzania" which showed how missionaries meet the social, agricultural and health needs as well as spiritual needs of the people. Assisting with the presentation were Miss Reed; Mmes. James, Roby, Woodfin and Nunn.

Mrs. Jim Dickinson was a visitor.

Friendly Door gets publicity

A display of Friendly Door will be set up Friday at Sikes Senter. The United Way, one of the funding agencies, will be in charge. Posters for the display were painted by Mrs. Roy B. Smith and Miss Helen Reed, and O.N. Newman favored the group with the use of his little car.

Ten members of Friendly Door will leave for Colorado next Monday. The group will be in charge of a cake walk Sept. 23 during the Whoop-Do sponsored by the Chamber of Commerce. The Skylarks' Chorale, a group of officers wives from Sheppard AFB, will provide music at Friendly Door Sept. 26 at 11:30 a.m.

Friendly Door Lunch Menu

THURSDAY, Sept. 7
Swiss steak/gravy, rice, green beans, salad, iced sheet cake.

FRIDAY, Sept. 8
Barbeque chicken/bun, pin-to beans, greens, relish/ onion, apricots.

MONDAY, Sept. 11
Chicken fried steak/gravy, potatoes, English peas, salad, fruit.

TUESDAY, Sept. 12
Chicken/noodles, carrots, salad, biscuits, vanilla pudding.

WEDNESDAY, Sept. 13
Meat loaf, potatoes, green beans, slaw, peanut butter bars.

THURSDAY, Sept. 14
Pot roast/gravy, potatoes, carrots/onion/celery, beets, prunes.

FRIDAY, Sept. 15
Weiners/sauerkraut, vegetarian beans, potato salad, cake.

Open house set at Kidwell today

Kidwell P-TA will hold open house today at 7:30 p.m. Mrs. Harrell Riggins will direct a brief business meeting in the cafeteria followed by refreshments.

Parents will go to their children's rooms to meet and become acquainted with their teachers following the business.

Four complete work on degrees

Four area students were among 163 who completed requirements for degrees in August at Midwestern State Univ.

The four were, according to Betty Bullock, MSU registrar, Frank Robinson Ashby, BA, of Kamay, Alyce Alane Bondurant, MA, Carolyn Margaret Boyett Garey, BSE, and Wendell Clyde Patterson, MS, all of Iowa Park.

Price-Singleton nuptials exchanged Friday evening

The altar of First Baptist Church was impressively decorated Friday evening for the wedding of Miss Belinda Ann Price and Rodney Lewis Singleton.

The bride is the daughter of Mr. and Mrs. Lonnie Price of Iowa Park, and the groom is the son of Oscar Singleton of Iowa Park and Mrs. Bob Walters of Midland. The Rev. Kenneth Flowers, pastor, was the officiant for the double-ring ceremony.

Featured in the setting were an arch enwreathed with white daisy garlands touched with soft yellow silk bows at vantage points and white doves at either side, and a white-cushioned face-to-face kneeling bench immediately in front of the arch. Complementary appointments were two fifteen-branched candelabra graced with the daisy garlands and tall white candles.

Enhancing decorative interest were two white wrought-iron bird cages filled with white carnations, white and yellow daisy poms and gypsophila supported by tall Grecian pillars in the lower altar.

The wedding party approached and left the altar along aisles where pews were decorated with clusters of daisies tied with yellow satin bows and backgrounded with lemon leaf.

Kerry Johnston, organist, Mrs. Danny Bohannon and Norman Flowers, vocalists, provided the musical setting.

As guests assembled for the wedding, the organist presented a concert of appropriate selections including "Jesu, Joy of Man's Desiring", "Pax Vobiscum", "Psalm", and "Feelings".

He accompanied Mrs. Bohannon who sang "Evergreen" and "Twelfth of Never" and Flowers for his rendition of "The Wedding Prayer." The organist also played "Trumpet Voluntary" by Purcell for the processional and "Wedding March" by Mendelssohn for the recessional.

The bride entered with her father who presented her in marriage for both parents. She was a beautiful bride in a formal gown of white sheer organza embellished with Venise lace. The lace formed the high neckline, softly touched the sheer yoke and claimed attention in appliques strewn across the slightly raised bodice and long sleeves featuring self-covered buttons and loops at the wrists. The buttons were repeated on the back of the bodice. The full A-line skirt that swept into a chapel train was luxuriantly trimmed with intricate designs of Venise lace.

The bride's fingertip veil of illusion and lace cascaded from a Juliet cap of lace and seed pearls. She carried a conchance-style bouquet of white roses and miniature carnations, gypsophila and English ivy accented with faint touches of daisies.

Remembering the prestige that traditions give to a bride's costume, she carried a handkerchief that belonged to her grandmother, Mrs. Leonard Stiles of Wilson, Oklahoma for "something old"; wore Mrs. Phil McClendon's ring for "some-

MRS. RODNEY LEWIS SINGLETON

thing borrowed"; the band to hold up her stocking regarded with peculiar favor by most brides for "something blue" and the sixpence for luck in her shoe.

The bride's chosen colors of yellow and white were reflected in formal costumes of her attendants and the flower girls. The attendants' yellow knit gowns were fashioned with lace yokes and capelets that covered the shoulders, then dipped to the waists in the back. They wore combs of daisies and baby's breath in their hair and carried colonial nosegays composed of white and yellow daisies with lace and satin streamers nestled against a lace background.

Miss Tina York of Burkburnett was maid of honor. Mrs. Kevin Myers of Wichita Falls and Miss Tanya Alexander served as bridesmaids.

Misses Tracy and Stacy Stiles of Oklahoma City, cousins of the bride, were flower girls and wore yellow sheer frocks trimmed in white lace made according to little miss fashion. Their small white nylon woven baskets contained yellow and white daisies.

David Britt, the ring bearer, was dressed like the masculine participants in the wedding in a yellow coat trimmed in black velvet, yellow ruffled shirt and black pants. The groom was attired in an all-white tuxedo.

Oscar Singleton served as best man for his son. Groomsmen were Dewey Steed, his grandfather, and Dennis Brooks. Guests were ushered and seated by Randy Price and Brent Price, brothers of the bride, Bryan Stiles of Fort Smith, Ark., her cousin, and Paul Bartow.

Rex Huckaby and Karyn Connors carried the torches and lighted the candles at the altar to illuminate the setting for the wedding.

To show her love for their mothers, the bride presented them with long stemmed yellow roses during the service, to her mother as she and her father approached the altar, and to his mother as she and the groom left the altar.

For the wedding, Mrs. Price was attired in a long green Qiana gown accented with a sheer cape in green, yellow and white shades. Mrs. Walters wore a long pink knit gown topped with a floor length crocheted lace jacket. Both wore shoulder

by the bride's parents. True to form, the bride's table and groom's table captured attention of the guests, and a third table added interest to the setting.

Covered with lustrous white satin in two tiers, it was centered with a tall doll with sentimental attachment for the bride. The doll was dressed in yellow silk and carried a nosegay of white and yellow flowers resembling the bridal attendants' costumes. On either side were baskets filled with yellow silk rice rosebuds given to guests by Miss Lori Stiles of Oklahoma City and Miss Shelly Stiles of Fort Smith, Arkansas, cousins of the bride.

A cherub theme characterized decorations on the bride's table covered with white satin that fell to the floor. Garlands of smilax bordered the cloth around the top and the appointments at table extremities. One side was marked with a twenty-six piece china garden scene featuring cherubs playing various musical instruments as they stood on the garden wall interspersed with posts filled with air fern. The bride's bouquet was placed in the center of the garden. At the other side, tall china cherubs lifted a bowl filled with yellow daisies, roses, gladioli, jonquils, hibisci and baby's breath.

The three-tiered bride's cake centered the table to complete the ornamental placing of accessories. The snowy tiers achieved a daisy garden theme featuring dramatic patterns in icing and gum paste daisies, forget me nots and stephanotis. The top tier was raised by tall filigree pillars enclosing a daisy garden on the second tier. The traditional bride and groom with her in a white satin gown and him in a black tuxedo was the ornament on top. They stood on a crocheted heart dais in the midst of numerous romantic wedding symbols and frills.

Miss Patricia Roberts and Miss Terri Quick served at the bride's table.

Miss Penny Baker and Mrs. Keith Rusk served the groom's cake and punch from a crystal service at his table laid with tailored candlelight satin.

The eye-catching attraction of the table was the chocolate cake decorated with chocolate roses and a ceramic horse-drawn carriage, all trimmed in gold, and a miniature groom standing nearby pleading "Get me to the church on time". On the front of the sheet cake "Bud and Belinda" were written between notes of the popular

tune. The table also held a four-branched silver candelabra filled with yellow tapers and cascades of vari-colored grapes, and the wedding napkins.

Following a short wedding trip, the couple will live in Iowa Park. She is employed at Piggly-Wiggly and he is self-employed. A 1978 graduate of Iowa Park High School, the new Mrs. Singleton was cheerleader, FFA sweetheart and a member of the tennis team.

The groom was graduated from Iowa Park High School in 1976. He was outstanding in the FFA program and was recipient of numerous awards.

The groom's father hosted the rehearsal dinner at Underwood's. Places were marked with ceramic doves filled with miniature yellow flowers and baby's breath.

Other out-of-town guests at the wedding were Mr. and Mrs. Leonard Stiles of Wilson, Okla., grandparents of the bride, Mr. and Mrs. Leland Stiles of Oklahoma City and Mr. and Mrs. Charles Stiles of Fort Smith, Ark.

Job Placement Service is student opportunity

Job Placement Service is a new program at Iowa Park High School this year. However, it is not new throughout the state.

The Vocational Educational Amendment of 1968 provided a basis for revolutionary changes in education. The emphasis on providing job placement services for students of public schools has resulted in a number of proponents in recent years, and offers economic and occupational hope for students who otherwise would not have

the advantages.

It was further recommended that placement responsibilities of public education be identified and that effective means for providing the transition of students from educational institutions with existing placement resources within individual communities.

Richard Davis, who has been a vocational agricul-

ture instructor at Iowa Park High, was named recently job placement coordinator by the board of trustees.

He will be working not only with students currently enrolled at the school, but also with ex students in the community who desire either additional career training or some type of employment.

Another important aspect

of the job placement program is in the area of program evaluation. The school's current educational curriculum can be better evaluated with important data, such as student strengths and weaknesses, gathered from employers of the area.

This will have created the ultimate test of the local educational process - em-

ployment of students.

Davis will be teaching an employability skills class through the senior English classes, and also through each vocational program at the high school. Students will learn their strengths and weaknesses in the job-hunting process.

Students will do a self-inventory, complete a personal resume, fill out sample job applications and write sample letters of applications.

Pertinent facts will be presented to students concerning reasons people work, ways of finding a job, Social Security deductions, income tax withholdings, employment tests, job interviews (before, during and after being hired), ways of keeping a job, reasons people lose jobs, and about changing of jobs.

Any May graduates still looking for work, or can't find the right job, should contact Davis in the "A" building, between the high school and greenhouse.

Employers should contact Davis at 592-2371 if they need help in locating employees for their firm, either part or full time.

"The Placement Office welcomes the opportunity to work with all employers in our area, in order to provide a closer link between the business and educational communities for the Iowa Park students," Davis said.

Clip & Save

Methodist Women hear speakers

The meeting of United Methodist Women Tuesday was highlighted by visits and talks from several special guests. Mrs. H.W. Carter presided and introduced the guests.

Mrs. Mabel Johnson, president of Wichita District UMW, discussed some of the issues that were discussed by speakers from all over the world at the World Assembly of United Methodist Women held in Louisville, Ky. These included human rights, female political prisoners, ethics on life and death, food, clothing and educational needs of children worldwide, especially in underdeveloped countries.

Mrs. T.H. Cogdell of Electra, district chairperson on membership, Mrs. Nelda Griffin, Lubbock District UMW treasurer, and Mrs. Anna Belle Tyson, UMW president Asbury Trinity Methodist Church in Lubbock, gave brief talks.

Other guests were Mmes. T.D. Howard from Nocona, Margaret Rogers from Wichita Falls, Chauncey Weiler, Winnie Trigg, Rev. and Mrs. Michael Jackson.

During the morning, a memorial tribute to the late Mrs. W.M. Owens was given.

Mrs. Don Beals and Mrs. C.L. Lee were named delegates to the annual UMW meeting Sept. 30 at First United Methodist Church in Wichita Falls.

Mrs. Eldon Thompson

Girls soccer

A meeting will be held today at 5:30 p.m. at the Recreational Activities Center for girls ages 6-12 who are interested in playing soccer.

The announcement was made by Jerry Hutchins, YWCA coordinator.

Slow break league set

The Wichita Falls YMCA's fall slow break basketball league for men 25 years and over is slated to begin Wednesday, Sept. 20. All games will be played Wednesdays beginning at 6 p.m.

Slow break basketball is where the ball can not be brought across the half line before all the defensive players. This eliminates the fast break strategy seen in high school, college, and professional basketball. "This slows the pace down, so all players are able to participate," says Rick Gustafson, YMCA Physical Director. "It also allows the older and unfit individuals to participate in a wholesome and competitive activity."

Team registration will be accepted until Sept. 13. A captain's meeting will be held to go over the rules and regulations that night at 7 p.m.

For further information regarding the YMCA's Slow Break league, contact Rick Gustafson at the YMCA, 1010 Ninth Street, or at 322-7816.

Lucy Dubuis, Texas Electric Information Dept.: "Check your air conditioner's filter monthly to make sure it's not blocking the air flow."

"Now that temperatures and electric bills are up, your air conditioner needs all the help it can get!"

"Hot summer temperatures make your air conditioner work longer and harder. That's what drives up your electric bill.

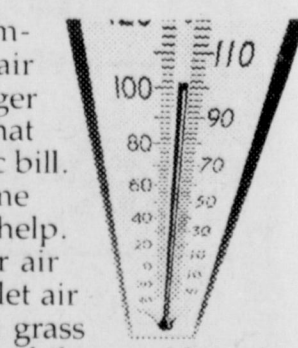

But there are some things you can do to help. Change or clean your air conditioner's filter to let air flow freely. And trim grass and weeds from around the outside unit for good air circulation.

Inside, close blinds and drapes to help keep out the heat. And try to cut down on the number of times you open doors—an open door lets hot air rush in.

Keep your thermostat set at 78° or higher. To feel cool at this temperature, use a small portable fan to circulate air in the room.

For more ways to cut down high summer electric bills, get Texas Electric's free energy tips booklet.

Just call Texas Electric or ask for the booklet on the comment portion of your bill."

W. N. HOUSE, Manager, Phone 592-4149

Worth Quoting

By being in the newspaper business I am able to observe how things get done, both behind closed doors and in public meetings. I have compiled a list of ways to influence boards of government with various degrees of accomplishment.

If you were to ask any old time politician what the favorite ploy to use as an all purpose argument he would probably reply "children." For example if you owned a grocery store that sold certain beverages and you

heard of a potential competitor wanting to build a similar store selling beer and such. At a hearing, don't say "I don't want the competition" - That's sort of un-American. Talk about children. And how their innocent eyes might see someone walk out of the store with a six pack and two big blondes under each arm. Or, you can use children in a hundred other imaginative ways.

Another thing good to influence

small town governments is 'morality'. If you are a motel owner you could say that the addition of another motel wouldn't be good because "motels tend to lessen the morality of a town." If you can bring in children's morality, so much the better. An official wouldn't want his voters to think he advocated immorality.

"Group psychology" is another way to accomplish your goal before the

City Council or School Board or whatever. Whenever you appear, bring a group with you. Make it clear, they, too, are voters. Have them mumble such things as "That's true" or, "He's right." They should scowl and mutter epithets at your opponent. And if you are really serious have four or five retired school teachers in your group. They usually taught the present councilmen and in general are good authority figures. Authorities on what? Well, that doesn't matter.

There are other good methods to use to get your way, such as name calling, principles (as standing on the principle of the thing), morality, progress, upgrading, and such irrelevancies as all of those.

And if you bring in irrelevancies, who can dispute you? You can talk about how long you've lived in this fine community, for example. Be sure to mention your opponent has been a resident a much shorter time. Quote J. Edgar Hoover on any subject.

Progress is a good irrelevancy. Who is going to be against progress. Do we have any unprogressive leaders?

DAVID WERST
Big Lake Wildcat

New enrollment figures given

Iowa Park schools experienced a gain of 55 students during the first week, according to Supt. Paris Nowell.

After reporting 1,872 having reported for class Aug. 28, opening day, the figures were adjusted to 1,927 by yesterday morning.

Enrollments by campus were reported as being: Bradford 271; Kidwell 335; Valley View 283; junior high 301; and high school 737.

As I See It....

By BOB HAMILTON

This issue starts the 10th year of the Iowa Park Leader, and as many years for the Hamilton family in the community.

It's not necessary for me to keep count with the issue number we run on the front page each week. I only have to know when the season opening football game is, and that's the start of our new year.

For all our hundreds of new residents in the community, not only those who have moved in since last fall but those who arrived on the scene since fall of 1974, there are a few things you need to know about Iowa Park, when it's winning football games.

We're football nuts.

That's why it was so easy for my family and me to fall instantly in love with Iowa Park. We were winning, and winning big, back in those days, and the town's true personality came to light.

Most of you have heard, I'm sure, about the waitress who would die her hair green during the season. You may also have heard it's impossible for a store to maintain a supply of green cloth or any outer garment during season.

I've seen lines of people by the

hundreds waiting to buy season tickets. I've heard the proven stories about how impossible it was to get a season reserved seat in the old stadium. I've seen dozens and dozens of volunteer workers build our present stadium, out of pride for the team, and desire to get a reserved seat, if you'll believe it.

I've seen 400 to 500 people bail out of bed before sunrise to form a line along the street to wish the busload of players leaving for a distant football game. I've seen people standing three and four deep around the field fence watching the Hawks play, and one couple who brought their folding step ladder and used it so they could watch, because they didn't have a seat.

I've seen two persons die from heart attacks at Hawk football games, which were obviously exciting contests, but thankfully neither was a local resident.

Now, this is not to say that all of a sudden we're going to turn around a

three-season record of 1-29 and go to state this fall. Two victories would be something to celebrate. I'm predicting a 4-6 year, myself.

But I've seen our youngsters we've got coming up and I know our coaching staff. And I've got confidence in the very, very near future, of having more of those wonderful winning seasons.

One key note many have considered, about our possibilities of regaining our status as a winning football town. That is, the people are hungry again. We had a letdown after the 1969 season, and more after 1970. And the town's support has dwindled steadily even though our championship years were followed with records of 7-3, 8-2, 8-2, 8-2 until we started losing.

With our upcoming talent, coaching staff, and a hungry citizenry, we're back on the road.

With that prospect, I look forward eagerly to starting our 10th year in Iowa Park, a town of football nuts.

Humor 'n Whimsey

Joe Riordan

It's usually not this quiet around the house. Anyone who knows will tell you I am seldom at a loss for words. But it's quiet now.

That's because I am trying to think of a comeback for that last remark she made. I'll probably think of it about one a.m. tomorrow morning when I am lying in bed. That's what usually happens.

It starts out with me presenting what I think is an "ace" remark. And then she trumps my ace remark with a real barb - and I am left without a comeback. So I sit and think and think. But, when I finally come up with a higher trump - she's asleep.

It began with a discussion of the number one son's impending wedding. There's nothing special about this wedding. It is just a wedding.

At least it was until the Mother-of-the-Bridegroom started announcing her plans.

She began by striking out the names of some old Army buddies I had placed on the wedding invitation list. She red-lined more names than a General Services Administration auditor working on a bureaucrat's personnel budget. Next on the agenda was a discussion of what she would wear.

"How about the dark blue dress with the white collar," I said. "I

always liked that one."

"You would. That's the dress I wore on our wedding trip. I'll have to buy a new one."

I beat a hasty retreat to the kitchen. She followed. I poured a glass of iced tea.

She announced she wouldn't be home the following Sunday.

"You can't buy a dress on Sunday."

"I am not going to buy a dress. I am going to a bridal shower." I set the glass down. I was ready to play my ace.

"Look," I said, placing my hand gently on her shoulder. "You aren't needed at the shower. And you are really superfluous at the wedding. Your job was done 23 years ago when they wheeled you out of the delivery room and told you it was a boy." "I can't think of anyone more useless at the wedding than the mother of the bridegroom."

"Well, I can. It's the father of the bridegroom." She trumped my ace and walked out of the kitchen. That's why I am not saying anything. I'm thinking. It will come to me about one a.m. tomorrow morning, for sure.

I wonder what she will do when I wake her up and say "About this wedding and the uselessness of the father of the bridegroom"

Coach impressed with improvement shown by Hawks in last scrimmage

A vastly-improved Hawk football team impressed both the coaching staff and approximately 100 fans who ventured to Haskell last week in their final pre-season scrimmage against Sweetwater.

Coach Tommy Watkins said the club was three times improved since their initial scrimmage a week earlier against Electra.

What made the demonstration of improvement even more significant were the facts that the Hawks were knocking heads against another AAA club, instead of an AA team, this time, and were doing it without two backfield starters.

Neither quarterback Gary Blackerby nor halfback Troy Thompson suited out for the scrimmage. Blackerby leaned on a pair of crutches throughout the evening.

Watkins explained he didn't know until that morning his senior field general would be unable to play that evening. He was told Blackerby had a knee injury that would keep him out of action about three weeks.

As it turned out, however, Blackerby was back on the field this week, and the problem was a bruise above the knee.

Junior quarterback Mike Smith saw most of the action during the evening, with both the first and second offensive units, though Troy Linthicum stood in three plays.

"We were uncertain about how things would go when we went down (to Haskell)," Watkins commented Monday. "The kids were pretty well worked up about the scrimmage, and it carried over. They got with it, patting each other, and had fun. They got a lot out of the scrimmage."

There were two long runs from scrimmage, one by the

first unit and the other by the second. Both were by sophomore halfback Mike Ray, who used his speed and 184-pound frame to good advantage.

Ray turned in a 27-yarder with the first unit and the other was for 20 steps. On his longest run, at least five Sweetwater defenders took a shot at him before finally gang tackling him to the turf.

His lone run was the most yardage turned in by any of the first offensive backs. Andy Sitgreaves picked up 22 yards on seven runs, Linthicum gained 20 on his six carries, Smith had a net 18 yards and Wes Klinkerman gained three.

Smith connected on six pass attempts with the first unit, with Robert Hastings on the other end of the 21-yarder.

During the second unit's 20 plays, Ray had a total of 25 yards, Smith and Linthicum 10 each, and Robert Brown gained five.

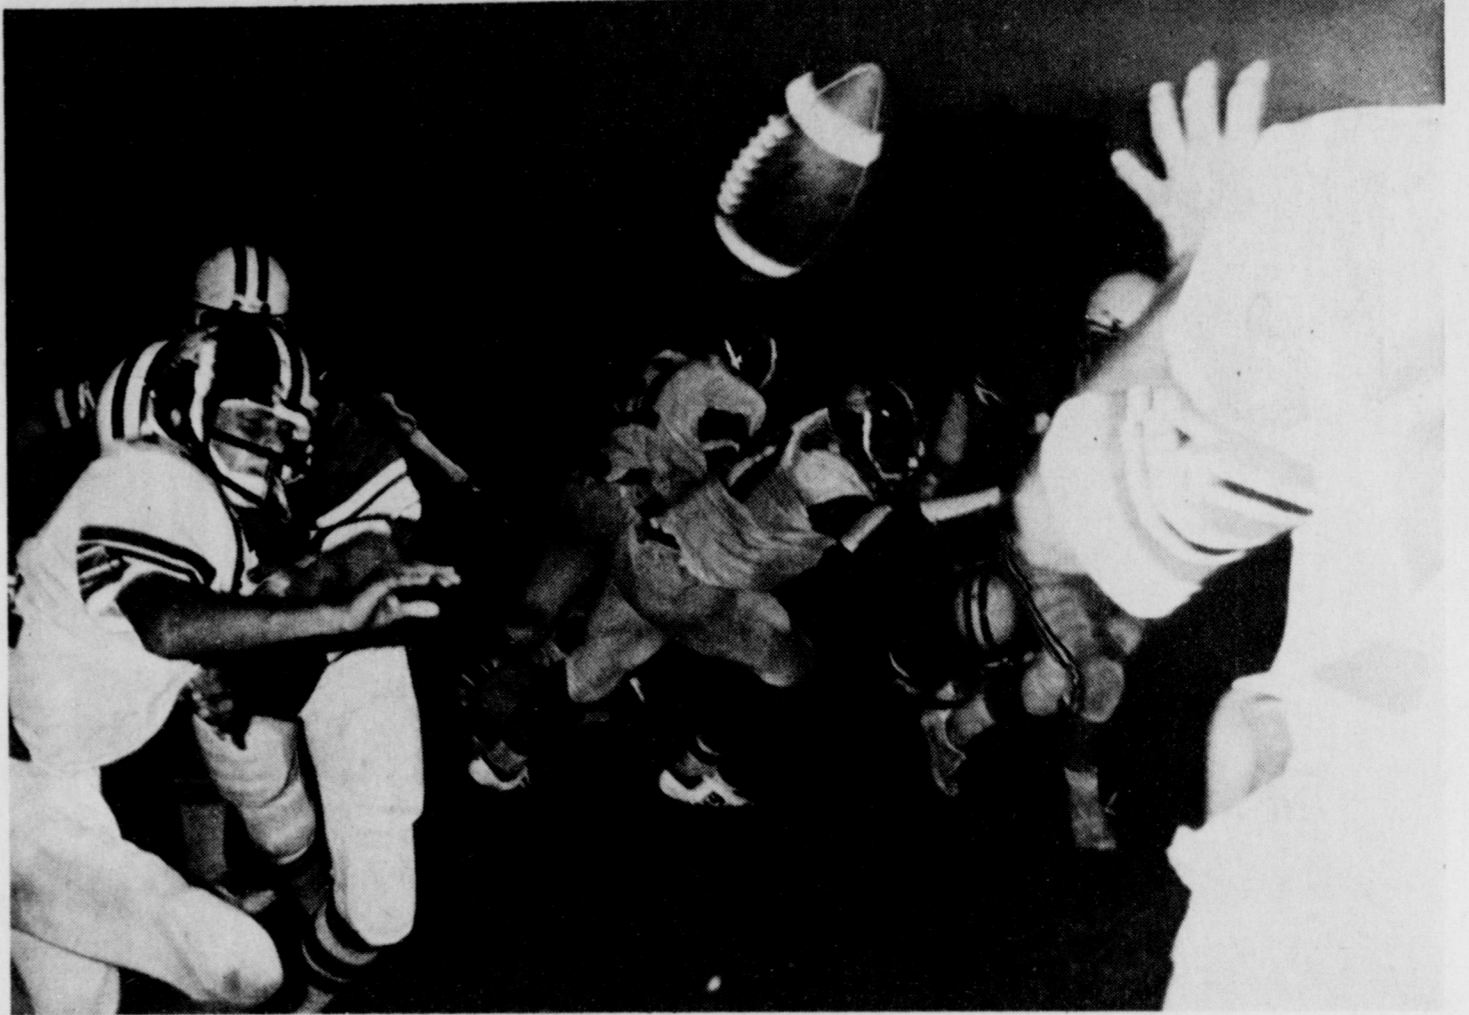

Smith completed all three aerial attempts with this unit, 20 yards to Tim Blackwell and 15 yards each to Klinkerman and Randall Schram.

In their first 20-play series, Sweetwater's starting unit was limited to a net 25 yards and three firsts, marking a vast improvement for Iowa Park's second unit defense over their showing at Electra.

The Hawks' first unit gained 74 yards and two first downs in their 20-play series, and the second unit rolled up 101 yards and six first downs.

Both starting units then held a 15-minute game-style scrimmage.

Watkins said he felt his defensive units played well against the run, but he was concerned over their actions against the pass.

RESERVE QUARTERBACK Mike Smith pitches out to Andy Sitgreaves during Thursday's scrimmage against Sweetwater at Haskell. Smith, who went the distance in

the absence of senior quarterback Gary Blackerby, takes a blow from a Sweetwater defender as he releases the ball.

ALMOST NEARLY - Mike Ray, sophomore halfback, is smothered a scant foot from the goal line against Sweetwater. Action took place while the second offensive unit had control of the ball. Neither team scored during the evening.

ONE ON ONE IN FRIDAY'S SCRIMMAGE
...Eagle runner contends with Jackrabbit in final scrimmage

Season kickoff here tomorrow

Marching bands, pretty girls and the smell of popcorn will join the Holliday Eagles in exciting the senses of football fans when the season officially opens here tomorrow night.

The Eagles will host the Olney Cubs from District 2-AA with kickoff slated for 8 p.m.

A newcomer to the Holliday pre-district schedule, Olney will be the first of four District 2-AA teams

the Eagles will face. Texas Football magazine has Olney picked to finish second in their district, behind Childress and ahead of Seymour, Henrietta and Electra.

The Cubs will be fielding seven offensive and seven defensive starters back from last year.

Last Friday the Cubs scrimmaged Quannah and the week before outdistanced Nocona 5-1 in a scrimmage.

Fans face 600 miles

Gridiron fans going on the road with the varsity Eagles can expect to put about 600 miles on their vehicles attending the five scheduled out-of-town games.

The Electra, Seymour and Nocona games probably won't produce any weary travelers as Eagle fans go on the road to visit familiar stadiums.

But the games with District 13-A newcomers Millsap and Boyd may prove a different story. Both of those towns are about 100 miles away.

For fans who haven't scouted out the hostile terrain, Millsap is located between Mineral Wells and Weatherford and Boyd sets just south of Decatur.

JUNIOR HIGH CHEERLEADERS - Holliday's junior high cheerleaders this year will be, from left, Kristi Carlton, eighth grade; Laura Lowder, seventh; Debbie Long, eighth; Staci Anderson (on Debbie's shoulders), seventh; Roberta Shawver, seventh; and Janet Ferguson, eighth. The seventh, eighth and JV gridiron season will premier at 5 p.m. Sept. 14 when the Eagles travel to Electra.

Eagles hold own in last scrimmage

Holliday's high school gridiron crews scrimmaged a stubborn group of Bowie Jackrabbits last Friday night, marking their final outing of pre-season preparation.

Head Eagle Don Lucy's varsity unit held their own statistically against the Class AA Jackrabbits, but were outgunned by Bowie 2-1 in the first series of plays.

During the first series both teams accumulated five first downs in their allotted 20 offensive plays.

Bowie was penalized 30 yards during the first series while the Eagles managed to maintain a flag free series.

The Jackrabbits scored first on an 80-yard pass play then returned to cross the goal line again on a 20-yard pitchout option.

Holliday's lone TD came on a five-yard roll out pass from Rusty McDaniel to Kent Lemons.

Bowie secondary defenders managed to pick off a Holliday aerial and recovered two Eagle fumbles.

In their second series, it was a defensive battle that virtually held both offensive units at a standstill.

Conray Chase recovered a Bowie fumble, however, Holliday also lost a fumble to Bowie.

During the second series Bowie garnered six first downs, although Holliday failed to convert.

Holliday was penalized five yards during the second series, while Bowie picked up 25 yards worth of yellow flags.

In a mixed JV-varsity scrimmage quarterback Barry Lawson connected with Shayne Owen on a 25-yard aerial TD.

Bowie's junior varsity got the jump on Holliday, scoring twice and leaving the Eagles empty handed.

Bowie's touchdowns came on an aerial and an interception returned to the end zone.

Holliday's most serious threat was ended on a fumble recovered by the JV Jackrabbits. Holliday also recovered a Bowie fumble.

With both JV units collecting five first downs each, the Eagles were penalized 25 yards while five yards were stepped off against Bowie.

Holliday's freshman unit outdistanced Bowie 2-1.

Volunteers are sought

Persons interested in helping with the new Boys Club here are asked to meet at the facility at 9 a.m. Sept. 16, said Hershel McDaniel.

The newly organized Boys Club is located in the old cafe between Holli-Tex and Bob's Grocery.

Sept. 16 workers will be involved in cleaning and repairing the facility as well as collecting donations, McDaniel said.

Grand jury indicts Holliday policeman

In the wake of his suspension from duty Holliday police officer Larry Zimbelman was indicted Tuesday on two counts of indecency with a child.

Archer County Attorney Paul Wylie, who presented the case to an Archer County grand jury, said true bills were returned indicting Zimbelman with two counts of "indecency with a child."

A warrant for Zimbelman's arrest was issued last Friday after complaints were filed, Wylie said.

While Zimbelman's whereabouts remained a mystery, Wylie said he did not know if additional warrants for Zimbelman's arrest would be issued.

Zimbelman, who had served as Holliday's

lone policeman since being hired by the city council May 23, apparently left town during the Labor Day holiday.

After being made aware the charges would be filed, Mayor Ben Ezzell said he decided to suspend Zimbelman last week until the investigation was complete.

Ezzell said he and councilmen Fred Maier and Jim Virdell went to Zimbelman's residence late last week to inform the officer that he was being suspended from duty.

At the time of his suspension Zimbelman turned in all the equipment belonging to the city, Ezzell said, adding he had the full support of the council in his decision to relieve Zimbelman of duty.

Area's firemen to convene here

Holliday Volunteer Fire Department Sunday will host the 91st Semi-Annual Firemen and Fire Marshal's Convention.

Between 200 and 300 firemen and their families from throughout North Texas are expected to be in Holliday for the event to include competition hose races.

Registration conducted by wives of Holliday firemen will begin at 10 a.m. Sunday at the school cafeteria.

The program will begin at 12:30 p.m. with a concert by the Holliday High School Stage Band.

The meeting will begin 30 minutes later with welcomes by the convention president and Mayor Ben Ezzell.

Following a general business meeting, hose races in front of the school are slated to begin at 2:30 p.m. Fire departments from about 30 towns are expected to compete in the various events with trophies going to first and second place winners.

The events will include six and two man hose races for men and women and a two man kiddie race for young firefighters ages 6-12.

A meal signaling the end of the event is scheduled for 6 p.m.

Holliday School Menu

FRIDAY, Sept. 8
Breakfast: Smokies, toast, jelly, milk, juice.
Lunch: Batter fried fish, tartar sauce, macaroni and cheese, beans, milk, hot rolls, dessert.

MONDAY, Sept. 11
Breakfast: Toasted cheese, fruit, milk.
Lunch: Pizza, buttered corn, salad, milk, dessert.

TUESDAY, Sept. 12
Breakfast: Peanut butter on toast, milk, apple sauce.
Lunch: Chili dogs, French fries, ranch style beans, milk, dessert.

WEDNESDAY, Sept. 13
Breakfast: Cereal, milk, fruit.
Lunch: Chili beans, buttered spinach, whipped potatoes, corn brea, milk, dessert.

THURSDAY, Sept. 14
Breakfast: Milk, juice, sweet roll.
Lunch: Chicken noodles, green peas, carrots, cranberry sauce, hot rolls, milk, dessert.

Bollworm problem letting up

By DON D. DECKER
County Agent

The bollworms are showing signs of letting up in the cotton. If the cotton can go a few more days with getting a rain, the worms will run an end to their cycle. Shower conditions on the other hand could bring on another flight of worm moths.

Local growers have been able to get by with anywhere from one to three applications. Some of the cotton producers who had to apply some control measures include Carl Brockreide and W.H. McAllister of Puntkin Center and Ray Hicks and Loys Barbour of Iowa Park. The worms tended to hit the more succulent fields leaving the tougher growth alone. Clarence Mahler had a portion of a field which was very succulent with a fairly heavy infestation of young worms. He decided to "ride-out" infestation rather than get into a fight with bollworms on dryland cotton.

Nudrin and Lannate did a good job in controlling the worms. The biggest problem came from detecting the infestation before heavy damage occurred.

The grain sorghum herbi-

cide demonstration gave good weed control in the demonstration by Raymond Schroeder at Burkburnett even though the drouth ruined the sorghum crop. Since the crop had to be harvested for hay, the percent weed infestation was used to evaluate the demonstration instead of grain yields.

Mowdown was applied behind the planter at the rate of 2 pounds per acre. A rain ran us out of the field so we were unable to apply Miloguard and Igran. An evaluation of the plot on August 25 showed a 10 percent infestation of prostrate pigweed and a 5 percent infestation of barnyard grass.

A post emerge application of 2.4 pints of liquid Atrazine plus 1 pint of Atra King (surfactant and crop oil) per acre gave a 100 percent control of all pigweed. It was weaker on grass control with a 15 percent infestation of barnyard grass.

The check plot was a 100 percent infestation of barnyard grass and pigweed, with a complete ground cover of these two weeds. There was very little vegetative growth on the sorghum while the Mowdown and Atrazine plots made good vegetative growth.

These results indicate we can do a good job of controlling weed with either pre-emerge or post-emerge herbicide applications on grain sorghum. The post-emerge treatment with Atrazine must be made before the weeds are 6 inches tall. A rain is needed to activate the chemicals.

Callie bermudagrass is making excellent production in a one acre plot for James Hicks of Burkburnett. The Callie was at least 24 inches tall at the time it was baled this past week.

Callie is a hybrid bermuda which is superior to other bermudas in production and

nutrition. Light cattle tend to do better on it than on Coastal. The winter hardiness for this area is a factor, however, Hick's plot made last winter without losing a stand. It is considered risky as far as winter hardiness, however, there is a need for more local experience with this grass.

Sprigs from his hay can be planted. Other livestock growers may want to get some "tops" for planting in order to try out some Callie. Planting needs to be done as soon as possible in order to get root development before cold winter sets in. Spring planting would be less risky than fall planting.

The first spraying for the control of the pecan weevil is recommended for this weekend. Another application will be needed 10-14 days later. Sevin does a good job in controlling the weevil, however, it will not affect any black pecan aphids which may be in the trees. For this reason the addition of Malathion or Zolone to the spray will take out the aphids at the same time.

New agent is named

Effective Nov. 1, Mrs. Barbara Cornelius will transfer to Wichita County, where she will become Wichita County Extension Agent. The announcement is made jointly by Wichita County Judge Hank Anderson, Hardeman County Judge Dan Mike Bird, and District Extension Agent Thelma Wirges.

Mrs. Cornelius was appointed Hardeman County Extension Agent in 1975, after serving as Extension Assistant in Wilbarger County. Prior to her Extension experience, she taught in the Wichita Falls public school system, served as Center Director for the George Peabody College for Teachers in Nashville, Tenn., and as Foods Service Director for the Jefferson County Hospital in Jefferson, Ok.

She is a native of Ryan, Ok., and is a graduate of the University of Oklahoma. She is currently enrolled in graduate school at Midwestern State University.

She has done an outstanding job with the Home Economics phase of the Hardeman County Extension Program, providing leadership for both the adult and youth programs.

As Wichita County Extension Agent, Mrs. Cornelius will serve as Wichita County Home Economics Program Leader and Trainer Agent. Other members of the Wichita County Extension Staff are Anita Burchett, Don Decker, and M.D. "Corky" Redden.

insects.

Most of the shedding is a physiological upset of the trees. Severe dry weather and high temperatures of mid summer placed a lot of stress on the trees. A sudden change to more favorable moisture conditions causes the trees to become more vegetative, and they tend to shed a lot of the pecans. Usually, the shedding is not excessive because most trees tend to over produce. The cotton plant does the same thing - it sheds small bolls when showers occur during a drouth.

Henry Honaker of Wichita Falls brought a sample of Fall nuts. Most of the pecans were "throw-offs", however.

Municipal Court Records

Results of municipal court held here last Thursday were:

Ronald Gene Duerson, exhibition of acceleration, \$28.50;
Gerald Dean Wright, operating motor vehicle wrong way on one-way street, \$28.50;
Roger Alton Black, disobeyed stop sign, \$38.50;
Jamey Lane Burk, public intoxication, \$28.50.

TSTA members to hear state president Tuesday

Virginia Stacey of San Antonio, state president of the Texas State Teachers Association, will speak at a TSTA District IX workshop for area teachers Tuesday evening at McNeil Junior High School. Registration will begin at 5 p.m., followed by a general session from 6 to 7:45 during which Mrs. Stacey will speak. After that will come workshop sessions on such topics as political action, legislation, instructional services, teacher rights, human relations, and the 1978 membership campaign.

Jerry C. Woods, vocational counselor at Carrigan Technical Center in the Wichita Falls ISD, will preside. He is president of TSTA District IX. President-elect Thomas E. Venhaus, formerly of Iowa Park, and other district leaders will assist. TSTA staff members who will consult with the discussion groups will be Art Coltharp, Joe Tijerina, Tom Llewellyn, Glenn Kidd, Leon Douglas, and Selby Peter of Austin; and Dora Jones, Joe Atkins, and Carmen Gaume of the TSTA regional office in Arlington.

Epsilon Eta makes plans

Epsilon Eta chapter of Epsilon Sigma Alpha held a business and planning meeting in the home of Mrs. Bud Mercer Tuesday evening.

Iris auction set Saturday

The Benson Area 12 Iris Society will hold its annual iris auction Saturday at 2 p.m. at the home of Mr. and Mrs. L.E. Brooks on Farm Road 368 near the Wichita River bridge.

The purpose of the meeting will be to permit members and interested persons from the community to obtain iris plants and to provide money for the society's activities for the year. All interested persons are invited.

For further information, call Mrs. Bertha McDonald, club president.

Mrs. Jack Pennington was co-hostess.

Mrs. Bill Vanek presided during the business session which was opened with a devotion by Mrs. Paul Tigrett, chaplain, who used "Joy" by Jo Petty.

Mrs. Dalton Bleeker reported that Pace Park would be continued as a civic project during the year and that plans were being made to finish the play ground area and add some benches to the park.

Mrs. Charles Dudley, ways and means chairman, announced Dec. 2 for the date of the annual Christmas Bazaar and said that in connection with the bazaar a handmade Christmas decoration contest would be held. Mrs. Mercer was named chairman of the contest.

Mrs. Bill Hrcirik reported on the upcoming Whoop-T-Do Queen Contest. Serving on her committee will be Mmes. Bob Hunt, Jack Pennington, Paul Tigrett and Carlton Hicks.

Mrs. Tigrett was appointed chairman of the entry in the homecoming parade and

Mrs. Hicks will be co-chairman.

A high point of the meeting was the report on the Jerry Lewis Telethon by Mrs. Dudley who reported that in Iowa Park the pledges amounted to \$1,125 and fish bowl receipts were \$135, and that money in the canisters had not been counted at that time.

Mrs. Jennie Jones reported that she had mailed \$1,438.81 to St. Jude's Hospital, the amount that has been collected from the Bike Ride this spring. She said that a few pledges had not been collected but that

the money would be mailed upon receipt.

Mrs. Jimmie Spears, a transfer from Oklahoma, was welcomed as a visitor.

Back-to-school lunches were served by the hostesses. Others attending were Mmes. Jean Proulx, Allan Gilstrap, R.B. Faulkner and Tom Compton.

Obituaries

Mr. & Mrs. W.M. Owens

Services for Mr. and Mrs. W.M. Owens, longtime residents of Iowa Park, who were killed Saturday morning in a traffic accident at Lubbock, were Monday afternoon in First United Methodist Church.

The Rev. Mike Jackson, pastor, and the Rev. Jim Conatser of Denison, former minister, officiated. Burial was in Highland Cemetery under direction of Tanner-Aulds Funeral Home.

Pallbearers were M.M. Stroud, Riley Thompson, Tom Swanson, Carl Flusche, Delbert Catlin, Jackie Hodges, George Trammell, Larry Park, Wilbert Wynn, Jay Farmer, Donald Cook and Delbert Todd.

Mrs. Owens, the former Jessie Mae George, daughter of the late Mr. and Mrs. Jim George, pioneer residents of the area, was born Nov. 20, 1900 in Iowa Park and had lived in Wichita County all her life. She was a former school teacher here, a member of First United Methodist Church and United Methodist Women.

Mr. Owens was born Sept. 23, 1897 in Fort Worth and had lived in Iowa Park since 1918. He was engaged in the oil business, a member of First United Methodist Church, Iowa Park Masonic Lodge, Maskat Temple and Scottish Rite. The couple married Aug. 18, 1978 in Iowa Park.

They are survived by three sons, Don of Springfield, Va., James and Gene of Iowa Park; six grandchildren and one great-grandchild.

Mrs. Owens is survived by a brother, Taylor George, and two sisters, Mrs. M.L. (Cleo) Hines and Mrs. Elgin (Mary) Denny, all of Iowa Park. He is also survived by three brothers, A.A. Heard and Elmo Heard, both of Fort Worth, and Robert Heard of Boulder, Colo., two sisters, Mrs. Virginia Lee Evans of Kermit and Mrs. Mildred Baker of San Antonio.

Otis R. (Babe) Moore

Services were Saturday afternoon in the Church of Christ for Otis R. (Babe) Moore of Route 1, who died Thursday in a Wichita Falls hospital.

Steve Brackeen, minister, and Carl Hecker of Moore, Okla., a former minister, were the officiants. Burial was in Highland Cemetery. Pallbearers were John Birdwell, Ralph Beall, W.A. Shook, Jess Cambron, Millard Pierce and Jack Vestal.

Born Nov. 13, 1914 in Godley, Texas, he had resided in the Kamay area 40 years. He was a contract oil pumper.

He is survived by his wife, Leona; three sons, Dale of Oklahoma City, Gary of Bowie and Tim of Kamay; two daughters, Judy Hawley and Mary Jane Seale of Wichita Falls; a brother, A.C. of Olney; two sisters, Mrs. H.C. Andrews of Olney and Mrs. Johnnie Adams of Dallas; and 10 grandchildren.

Mrs. Gilbert S. Weeth

Services for Mrs. Gilbert S. Weeth, 83, will be today at 10 a.m. in First Presbyterian Church in Vernon with the Rev. Isaac Butterworth, pastor, officiating. Burial will be in Wilbarger Memorial Park Mausoleum under direction of Sullivan Funeral Home.

The former Eunice Birk, daughter of the late Mr. and Mrs. C. Birk, was born Sept. 27, 1894 in Iowa Park and married Gilbert S. Weeth in Iowa Park Dec. 27, 1917. She was a member of First Presbyterian Church in Vernon.

Survivors include two daughters, Mrs. John Hoover and Mrs. Lloyd Osborne, both of Vernon; a sister, Mrs. Joe D. Hall of Wichita Falls, and four grandchildren.

She was the sister-in-law of Mrs. W.F. George, Mrs. M.G. Weeth and Mrs. C.E. Birk of Iowa Park.

When The Government Offers You A Tax Break, Grab It.

If you're self-employed, you can put a substantial amount of tax-deferred dollars into a retirement plan. The new maximum is 15% of your earned income, up to \$7,500 a year. And you can take a current income tax deduction on amounts you set aside for retirement within these limits. A tax deduction now and a retirement income later. Sound good? And that's not all. You can select a waiver of premium benefit, so that your retirement fund will keep growing even if you become totally disabled and unable to work because of an accident or illness. If you're self-employed, talk to someone from the Rock. Find out how a Prudential tax-deferred retirement plan can help you. Talk to:
