IOWA PARK, WICHITA COUNTY, TEXAS 76367

VOL. X NO. 2 20 CENTS

"HOW ABOUT SOME HELP, COACH" - Hawk quarterback Gary Blackerby, making his first varsity appearance as signal caller, appears to be asking for help from Coach Tommy Watkins, who made his first game appearance here

in six years, during the Iowa Park-Bowie season opener Friday. From Watkins' stance, it looks like he was ready to give his help, too. For a complete story and more pictures, turn to pages 8-9 this issue.

## Trustees approve student trips; continue study of gym project

Most of Tuesday evening's regular meeting of the school board was allotted to consideration of student trips and fund-raising projects, and study of possible ways to provide additional physical education gymnasium facilities at the high school campus.

Three teachers were also given salary adjustments for added responsibilities.

A packet of projects and trips for all vocational classes was presented to the trustees, and all but one, an overnight trip for the general construction class, was approved.

Other projects approved was the junior high sponsoring a cheerleaders clinic this Saturday for young girls five years of age through the sixth grade, and the Band Booster Club to sell a birthday calendar.

Another request which was

approved was Steve Anderson, representing the high school journalism class, who explained his class wanted permission to sell advertising in the community for a school-printed newspaper.

Trustees have been carrying on an on-going study of how best to provide additional gymnasium facilities for physical education programs at the high school, where conditions are said to be overcrowded, especially during bad weather days.

One study was to consider the moving of a steel building from the Valley View campus to the high school, and enlarging it to hold a regulation basketball court.

Final figures on the project are not complete, but Trustee J.O. McCullough said early estimates are that the move would be almost as expensive as building a new steel structure, much like the new gym at

the junior high.

Should the board decide to build a new gym, financing is another area of concern and study. Trustees heard a lengthy presentation by Murphy Davis, representing Herb Smith Inc., financial advisors from Wichita Falls.

Davis told of his firm's experience in holding bond issues in various communities, such as Holliday's recent issue, and at Nocona.

He spoke of Iowa Park's "fine financial situation" and how he felt bonds, if approved by the district's voters, could easily be sold and at lower interest rates than most districts.

Davis said he figured interest rates on the bonds would run from 5.15 to 5.25 percent, and suggested a 14-year payout schedule which would raise taxes two cents on \$100 value.

Vocational counselor Carl King has been approved by the state to work 11 months out of a year, instead of 10, and the board gave him a \$500 above state schedule salary increase. Linda Ayers was given a \$200 annual bonus and Counselor Coteen Roberts was given a \$300 salary increase for her testing of elementary students, a new activity for her.

Harold Cowley's title was officially changed to Assistant Superintendent, in charge of finance, business, vocations and student accounting.

## City purchases dozer for sanitary landfill

The city council Monday night accepted the lowest of two bids and purchased a bulldozer for the sanitary landfill.

Aldermen approved Darr Equipment's bid of \$53,475 for the tractor which will replace another dozer which has reportedly been extremely expensive in repairs the past couple of years.

The price was net after allowing \$15,528 trade in on the old tractor.

Following acceptance of the bid, members then approved an ordinance which allows the city to issue time warrants for payment of the purchase.

The warrants, which a representative of the company would be sold to State National Bank, will be paid off over a five-year period at five percent interest.

It was generally agreed among members of the council that a shed should be constructed to house the tractor to prevent vandalism and theft of parts.

While on the subject of landfills, Mayor Johnny Crawford instructed City Administrator Gene Britton to arrange another meeting with officials from Burkburnett and Wichita Falls concerning a jointly-operated landfill for the three cities.

Britton also reported on the constant illegal dumping of both local

residents and persons from outside the city, including Wichita Falls, both at the landfill and neighboring areas.

Council members approved a resolution which requests the Texas Highway Department to reroute FM 368, from Alameda south to Loop 370, or West Highway.

The designated route for the farm to market road now has two 90-degree turns at Alameda and Yosemite, both of which will be eliminated.

There had been some confusion about the routing earlier, after the state had resurfaced and widened the street between Alameda and the Loop. It was then designated as the new route, but authorities noticed the proper procedure had not been followed, in order for the state to take over responsibility for the three-block stretch.

Lewis Simmons was recommended and approved to serve on the Citizens Traffic Safety Council, replacing Jim Conatser.

## Bloodmobile here Friday

The Bloodmobile from the Red River Red Cross Chapter will be at the First Christian Church between 1 and 6 p.m. Friday.

Iowa Park's quota is 75 pints.

All persons 17 through 65 years of age are eligible to donate blood, if they weigh at least 110 pounds. Blood can be donated every eight weeks.

Every 17 seconds, someone in the United States needs blood, according to statistics. Victims may be from a vehicle accident or a fire, people in shock, infants or mothers, sufferers from leukemia or hemophilia, or patients undergoing surgery.

## Thefts, vandalism reported here

Iowa Park police investigated several cases of burglary and criminal mischief during the week.

Tuesday Harry Skinner reported the theft of a ladder from his residence at 108 E. Jefferson.

Tex Pendergrass told police Tuesday that someone broke the glass in the rear door of his residence at 604 E. Washington.

Mark Wicks, 313 E. Aldine, told police last Friday that someone entered his home through an unlocked door and stole \$10 in assorted change, a poster, felt tipped marker, assorted can goods, a bag of cookies and assorted record albums. Police said the items and money later were recovered by Wicks.

Last Thursday Rex Hawkins, 1000 Mary Drive, reported someone egged his automobile.

THE NEW LOOK - Making their initial appearance for 1978 Friday night was the Hawk Marching Band, and there was a new look about the unit. With the addition of more flags and a rifle squad, the band now has more of a drum and bugle corps appearance and drill. Their show at halftime brought the audience to its feet in a standing ovation.

## Mean Green travels to Decatur Friday

Iowa Park travels to Decatur tomorrow evening to try to get into the winning column in the second game of the season.

The Hawks are still smarting from that 20-6 loss to Bowie last Friday. Decatur, on the other hand, was winning by almost the same margin, 19-6, over Fort Worth Nolan.

This will be the first meeting between Iowa Park and Decatur since 1969, won by the Hawks 34-7. That game also was played at Decatur.

Recent years. Only Bridgeport was able to best the neighboring club in 1977, taking the Dist. 10-AA title. Decatur finished the season 9-1.

Six starters are back, and some of those are among the four-man backfield Coach Tommy Watkins rates as quick, fast and talented.

Running out of the wishbone, Decatur counts heavily on deception and speed of the backfield, because the line is small except for the two tackles. But where the line lacks size, it makes up in aggressiveness, according to the Head Hawk.

Against Nolan, Decatur did very little passing. But Watkins figures they've been working on that phase of their offense after their scouts watched the Hawk-Jackrabbit game Friday. Bowie completed eight of 12 passing attempts against the young Hawk secondary, picking up 131 of their 217 yards for the evening.

Watkins added that Decatur might be slightly more physical than Bowie was.

Watkins said doctors reported finding a hairline crack in Spruiell's hip bone. The athlete was in school, but on crutches, and only time will tell whether he will be back in pads before season's end.

Virus has also given the team fits

this week. It is reported a number of players, including at least five starters, have been ill from virus early in the week.

Otherwise, the rest of the team is in good physical condition and ready to play. They do have the usual knots and bruises a player experiences during the season, it was pointed out.

Watkins has been working with the players this week to increase aggressiveness. He pointed out that it was the lack of aggressiveness that quarter Friday against Bowie.

The Hawks were well within striking distance, being down only 13-6, until the Jackrabbits scored again with 3:31 remaining in the final period. And that was after spotting Bowie 13 points in the first quarter.

Iowa Park's offense sputtered through most of the first half, not picking up a first down until five minutes had elapsed in the second quarter.

The defense, after allowing Bowie 69 yards rushing in the first half, shut down the Rabbit run, allowing a net eight yards in the third quarter and nine in the fourth.

To follow the Hawks, follow The Leader

## UW campaign kickoff set noon Wednesday

The United Way annual campaign kickoff, "guaranteed to be fast-paced and full-packed" will be held at noon next Wednesday in the Texas Electric Service Company covered parking area in Wichita Falls, according to Tom Crane, vice-chairman of the drive and co-ordinator of special activities.

The special lunch will be cooked and served by the Mavericks, and will feature a live band and "one or two short, zippy pep talks." The cost will be \$1.50 per person.

The campaign goal set for this year is \$1,235,560 for the funding of 33 agencies that serve Iowa Park, Wichita Falls, Burkburnett and Sheppard Air Force Base.

"Two areas of the campaign have already been working toward the million-dollar-plus goal," Ray Clymer, general campaign chairman, pointed out.

"Advanced gifts has been contacting individuals for over three weeks,

while the seven pacesetter firms have been conducting their employee campaigns to help us get off to a good running start."

Local chairman Bill Steger reported all phases in Iowa Park "rotated to go."

"We'd like for our citizens to also visit the display now set up in Sikes Senter Mall just to see where their donations go and how much good they do," Steger said.

The campaign covering the three-city area will last six weeks.

## New look set for parade

There'll be a new look in the Iowa Park High homecoming parade when it unfolds Friday of next week ... no floats.

Sponsored by the Student Council, this year's parade will consist of decorated vehicles, along with the traditional marching bands and organizations.

All decorated vehicles, including cars, pickups, bicycles and others, will form at the high school, move to the junior high, and there be joined by the marching groups for the route through the business district.

The change to wheeled vehicles from floats was done this year to promote greater participation, and cut costs.

Weather reports are officially compiled for Iowa Park at the Texas Experiment Station, southeast of town.	
Rainfall for week	.03
Total for month	.16
Total for year	16.87
Total last year	22.63

# Murfield-Johnston vows exchanged Friday evening

As the organ sounded the familiar strains of Wagner's "Lohengrin", Miss Shelly Lynn Murfield walked the aisle to the altar of First Christian Church Friday evening on the arm of her father to exchange double-ring matrimonial vows with William Allen Johnston. The officiating minister was the Rev. Clyde Markee, pastor.

The bride is the daughter of Mr. and Mrs. James F. Murfield of Iowa Park and the bridegroom is the son of Mr. and Mrs. Roy Johnston of Wichita Falls.

For the very special day in her life, the bride chose an especially lovely formal gown of white miramist over white crepe enhanced with Chantilly lace. The Empire waist was designed with a low neckline and long full sleeves adorned with lace. Inserts of the delicate ornamentation glamorized the skirt and edged the tiered cathedral illusion veil that floated from a Juliet cap of white lace studded with pearls.

The bride carried a cloud bouquet fashioned of mint green and white daisies, yellow sweetheart roses and

gypsophila accented with gossamer butterflies.

To complete her costume, she wore her grandmother's antique diamond drop necklace for "something old", an English sixpence in her shoe for "something borrowed" and the traditional blue garter. She was presented in marriage for both parents by her father.

The altar setting featured 15-branched candelabra swathed with jade, emerald and baby's breath with uprisng tall white tapers, and two large arrangements of white gladioli, yellow spider mums and emerald supported by brass stands. Church pews were marked with white, yellow and mint green daisies, baby's breath, leatherleaf tied with mint green bows with streamers.

Mrs. C.L. Vaughn was soloist and Kerry Johnston was organist for the wedding. Mrs. Vaughn sang "Because" and "Wedding Song" for pre-nuptial selections and "The Lord's Prayer" during the ceremony. In addition to furnishing accompaniment for the vocal selections, the organist gave a concert of prelude music and played the processional and recessional compositions by Wagner and Mendelssohn.

Miss Paula Stith, the maid of honor, was attired in an empire style pale yellow floor length georgette gown accented with a deep ruffle around the portrait neckline. She carried a single yellow rose complemented by baby's breath and mint green streamers. Miss Kathy Hines and Miss Lisa McBay, bridesmaids, wore gowns identical to the maid of honor except in pale green.

Bob Johnston, brother of the groom, was best man. Groomsmen were James R. Murfield, brother of the bride, and Johnny Brown. Duties of ushering were assumed by Forrest Murfield, the bride's brother, Tom Jones and James Dutton. They wore gray tuxedos.

MRS. WILLIAM ALLEN JOHNSTON

The bride's parents were hosts for the reception held in the Fellowship Hall of the church immediately following the wedding.

The refreshment and registry tables were draped to the floor with cloths featuring gathered white satin skirts overlaid with white marquisette flocked with yellow rosebuds falling to the floor from beneath separate white satin tops.

The delicate beauty of the refreshment table was enhanced by silver appointments and the four-tiered cake.

A handsome footed silver bowl holding yellow sweetheart roses, mint green and yellow daisies and baby's breath formed the centerpiece, and a silver punch bowl, large ornate silver tray holding the cake were additional lustrous appointments.

The cake iced in white was decorated beautifully with

casades of yellow rosebuds touched with pale green leaves and frosted white bells on top.

Reception assistants were Miss Regina Johnston, who directed signatures of the guests, Miss Elaine Johnston, Mmes. Steve English, Cecil Long, Willard Brien and Charles Taylor.

The couple went to Quartz Mt. Lodge in Oklahoma on their wedding trip, the bride traveling in an orange and black print dress complemented with a white orchid corsage. They will live in Woodbriar Apartments.

The groom's parents hosted the rehearsal dinner in the Bounty Room at Trade Winds Thursday evening.

Out of town relatives were Messrs. and Mmes. K.L. Walker of Tempe, Ariz., Gene Everest of Santa Ana, Calif., uncles and aunts of the bride.

## Shower fetes bride elect

A pre-nuptial shower complimenting Miss Donna Reed, bride-elect of Mike Mueller, was an event of Monday evening in the home of Mrs. Clyde Patterson. Pink and red, the honoree's chosen colors, were depicted in carnation corsages presented to her, Mrs. Louie Reed and Mrs. Gilbert Mueller, mothers of the betrothed couple, and in party rooms and table decorations.

Guests who called between 7:30 and 8:30 o'clock were greeted by Mrs. Pete Hughes.

Mrs. Luke Coffman directed their signatures in the bride's book at a table ornamented with clay doves filled with baby's breath and the feathered pen.

Miss Reed was seated at a table decorated with a white wedding candle set in a floral ring of pink and red roses. The mantel in the background was appointed with romantic kissing angels and a pair of doves. Mrs. Muehler, sister of the groom-elect, who will participate in the wedding as

maid of honor, assisted the honoree with opening her lovely assortment of gifts.

Mrs. Robert McIlroy and Mrs. Wayne Williams were in charge of arranging the gifts for display.

The refreshment table where Mrs. Ken Hines and Mrs. Cloyd Dodd served was covered with white lace over pink. Featured in the setting were a crystal bowl filled with white roses and baby's breath, red candles aglow in crystal candelabra and the crystal punch service.

Other hostesses were Mmes. Leo Fletcher, Herb Davis, Glen Miller and John Cummings.

The engaged couple will exchange vows of matrimony Sept. 30 in First Baptist Church.

### ABOUTTOWN

Wichita Falls Solos Square Dance Club will hold its monthly dance at 8 p.m. at the Solos Square, 812 Travis, in Wichita Falls. David Hudson will be the caller.

YHT OFFICERS - Mrs. R.L. Reddift, seated left, will serve as president of Young Homemakers of Texas during 1978-79. Other officers pictured are Mmes. Charles Barr, seated right, secretary-treasurer. Back row: Billy Hacker, reporter; Steve Ayer, historian. Cindy Mannas, standing right, is a sponsor. Not pictured, Mrs. Steve Catlin, parliamentarian.

## Homemakers observe week

The week of Sept. 17-23 has been designated as Young Homemakers of Texas Week. YHT is a chartered organization of young women interested in homemaking and functions under the direction of the Division of Homemaking Education, Texas Education Agency, through the local school with home-making teachers as advisors.

The purpose of the club is to provide creative opportunities for young

women in maintaining effective personal, family and community life. The special emphasis theme for 1978-79 is "From Self to Others."

Membership is open to anyone, married or single, interested in becoming a better homemaker.

The Iowa Park chapter, organized in 1969, meets the third Monday of each month at 7 p.m. in the homemaking department of Iowa Park High School. Anyone interested in joining is invited to attend.

## Cancer topic of speaker

A program on breast cancer was given by a volunteer from the Wichita District Cancer Society for the Iowa Park Garden Club's first program of the new

club year at a meeting held Friday morning in Texas Electric Building room.

The program was presented through a film and lecture showing women how to do self-examination of the breasts and warning them to consult their doctor if they find any lumps or unusual hardening.

The volunteer informed the members that the Cancer Society provided free of charge hospital beds, wheel chairs and several other items to all cancer patients.

Mrs. Charlie Lee reported that the crape myrtles planted by the club along the expressway last year had withstood the summer heat and drought surprisingly well.

It was voted during the business conducted by Mrs. Johnny Bernstein to enter a car in the homecoming parade Sept. 22 and to work in the Blood Pressure Booth at the Whoop-T-Do, honoring a request from the nurses who will be in charge.

Refreshments were served by Mrs. R.L. Good.

Others present were Miss Ethyle Kidwell; Mmes. R.B. Faulkner, W.A. George, N.D. Hodson, Ida Parker, James A. Sewell, Luther Shaw, Kathleen Hatten, Thurman Reitz and David Parkey.

"Ruling is easy, governing difficult." Goethe

**Adult education courses offered**

Free daytime classes for adult basic education and GED training are being held in the Adult Learning Center classrooms of the North Texas Skills Center, Corner of East Side Drive and Third Streets, Wichita Falls, and are open to interested persons 17 years of age or older.

The training is available in Rooms 102 and 104 for any adult interested in preparation for GED testing, raising his or her basic reading, mathematics, English or

writing abilities. A reading specialist is available for anyone who does not know how to read and would like to learn. All instruction is individualized and each student moves at his or her own pace.

Also available, in Room 204 at the Adult Learning Center, are ESL (English for those who do not know the language) classes.

Interested persons may register anytime during the day from 9 a.m. until 3:30 p.m. or by calling 322-1197.

**Mrs. Ike Harbuck**

Cooking can be fun, and one of the greatest fun times is when mother and daughter are in the kitchen together planning and preparing meals, and many a girl credits her mother for her culinary talents. The daughters of Mrs. Ike Harbuck will probably have happy memories of the mother-daughter relationship in this aspect of home life because the older daughter is already putting into practice some of the cuisine techniques learned from her mother.

The Harbucks have resided in Iowa Park two years. He is an union pipe fitter, and she is assistant coordinator and publisher for Upjohn's HealthCare Services in Wichita Falls. She has attended Midwestern State University and plans to reenter in January to continue work toward a degree in psychology.

Their children are Barbie, a ninth grade student, Peggy, a seventh grader, and Casey, four years old.

**CHEF SALAD**

Mrs. Harbuck's recipe for Chef Salad will probably make a hit with the Leader readers this week because it will make a hearty main dish and add a bright note to the meals with the refreshing green of the lettuce, cucumbers, onions and olives and rich red of the tomatoes. According to an old Spanish proverb it takes four persons to make a good salad, one for oil, one for vinegar, another for salt and another to stir. In the Harbuck household, how-  
ever, that is a favorite for a simple family dinner or an elaborate banquet.

2 heads lettuce (tear into bite-size pieces)  
3-4 tomatoes, chopped  
1/2 lb. Velveeta cheese, cubed  
6-8 small green onions with stems, diced  
1 cup green olives, drained  
1 small cucumber, chopped  
1 cup celery, chopped  
3-4 cups finely ground cooked chicken  
3-4 cups finely ground cooked ham  
2 cups grated Monterey Jack cheese  
6 boiled eggs, halved

Combine lettuce, tomatoes, olives, cucumbers and celery. On top, layer chicken on one half and ham on other half. Sprinkle Monterey Jack cheese over ingredients and place eggs on top. Serve with favorite salad dressing. Serves 4-6.

**ITALIAN THREE-BEAN SALAD**

2 cans whole green beans  
2 cans wax beans  
2 can kidney beans  
Drain juice off beans.  
Celery to taste  
1-2 medium onions sliced in round thin rings  
1-2 medium fresh green bell peppers, sliced in rings or long strips  
Several strips of bacon fried crisp and broken into bits  
Salt, pepper and garlic to taste

Combine first six ingredients, sprinkle bacon on top and set aside.

Mix together:  
1 cup white vinegar  
1/4 cup sugar  
1/4 cup olive oil

Bring to boil and pour over salad. Chill and marinate for several hours. Serves 6-8.

**BROWNIE CAKE**

1/2 cup shortening  
1/4 cup cocoa

There is more iron in three large eggs than in three ounces of tuna.

**Cook of the Week**

1 stick oleo  
1/4 cup water

Combine above ingredients and bring to boil. Pour over 2 cups sugar and 2 cups flour that have been mixed together. Add 2 eggs and beat well. Add 1 cup buttermilk to which 1 t soda has been added. Mix by hand. Pour into ungreased cake pan (13x9x2). Bake at 375° for 30 minutes.

**FROSTING**

1 stick oleo  
4 T cocoa  
7 T milk

Combine and bring to boil. Add 1 lb. powdered sugar, 1 t vanilla and 1 cup pecans. Mix and spread over cake while it is still warm.

**JAMBALYA**

1/4 cup butter or margarine  
1 cup chopped onion  
1 medium green pepper, cut in strips  
1 clove garlic, crushed  
1/4 t chili powder  
1/4 t cumin  
4 cups cooked rice (regular or pre-cooked)  
2 cups cooked shrimp  
1 cup cooked ham, cut in julienne strips  
2 cups tomato juice  
1 cup small whole black olives, pitted  
3 or 4 drops hot pepper sauce  
1 T parsley, chopped

In large skillet, heat butter. Add onion, pepper, garlic, chili powder and cumin. Saute for five minutes or until onion and pepper are tender. Add rice, shrimp, ham, tomato juice, olives and pepper sauce. Cover and cook over low

heat 3 or 4 minutes or until mixture is heated. Sprinkle with chopped parsley. Serves 6.

**PECAN PIE**

4 eggs  
1/4 cup sugar  
1 cup white Karo

1/4 cup dark Karo  
1 t vanilla  
1 T flour  
1 1/2 cups pecans

Beat eggs well, add other ingredients. Pour into unbaked pie shell. Bake 10 minutes at 350°, then bake 50 minutes at 300°.

## Junior high drops three

Hawk junior high teams opened the gridiron season Tuesday with a 1-3 shootout against Burkburnett.

Iowa Park's eighth grade "B" unit routed Burkburnett 14-0.

The visitors defeated Iowa Park's seventh grade "B" unit 8-0.

The Hawk seventh grade "A" unit was edged out by Burk 12-6, while the hometown eighth grade "A" unit was downed by Burk 22-0.

The four Hawk junior high crews will travel to Vernon for next Tuesday's contests.

## Bradford-Kidwell meeting Saturday

Bradford and Kidwell teams will clash here Saturday evening in the second game of the Top of

Texas Football League season.

Kidwell is coming off a season opening double win after defeating Henrietta last weekend, 20-0 by the Pee Wees and 14-8 by the Midgets.

Bradford will be trying to get back into the winning column after losing its openers to Seymour, 14-0 by the Midgets and 6-2 by the Pee Wees.

First game Saturday will be at 6 p.m. between the Pee Wees, while the Midget battle is slated to follow at 7:30.

### Clip & Save

## JV, frosh play tonite

Iowa Park junior varsity and freshmen will take on Decatur this evening in a doubleheader in Hawk Stadium.

The freshmen, who lost to Electra's junior varsity in their season opener 7-0 last week, will start at 5:30 p.m., and the JV game will follow at 7:30.

Next Thursday the two teams travel to Bowie.

## Cheerleading clinic slated

All girls ages five through the sixth grade are invited to attend a cheerleading clinic sponsored and conducted by the Junior High School cheerleaders, Saturday, at the Junior High School gym. Registration activities will be provided until 1:30 p.m.

The cost is, \$3 per girl, or \$5 for two girls of the same family, or \$8 for three or more girls of the same family.

For further information call Carolyn Richter, 592-5870 after 4 p.m.

LEADING THE CHEERS this year at Iowa Park High football games are, from left, Robin Doan, Dawn Jeri Ehler, Tandra Wilkerson, Vickie Shirley [lower front],

Lori Merrill [mascot], Laura Bowerman, Lisa Stone and Cindy Grace.

## Coordinator already helping job seekers

Five or six of last spring's Iowa Park High graduates have already been aided in finding full-time work through the new job placement post, according to Richard Davis, job placement coordinator.

Davis, who was assigned the newly-created position last month by the school board, spoke Tuesday to the Noon Lions Club.

Most of the work he is

currently doing, he explained, was meeting with large employers to learn their needs and establish a communication between his office and theirs, to aid this year's graduating seniors.

Through the school year he plans to reach all members of the senior class, through the English classes, and instruct them on such topics as job seeking, filling out application forms,

how to participate in an interview, and other related subjects.

Davis explained that most of the graduating seniors, not only here but over the state, go directly into the job market after they finish high school. And of those who go into college, the major percentage of them do not finish and go to work full time.

The problem is, he told the Lions, only those students who are enrolled in vocational cooperative programs, or in business classes, receive any instruction on the proper method of seeking employment, and that's where he wants to help them.

Though his primary goal is to assist students in

finding full time jobs after graduating, he said he is also helping students find part time work during school. He said he has received numerous calls from potential employers seeking help, and he is now taking applications from students who are wanting part time work.

## Building Trades officers named

New officers for the Building Trades class at Iowa Park High were elected Thursday morning.

They include Scott Hartgrove, president; Jeff Nolen, vice president; Jon Crawford, secretary; Darwayne Wilson, treasurer; Earl Bennet, parliamentarian; David Hillard, sergeant at arms, and James Brown, reporter.

The class is now underway with their year's

## Disco dance set Saturday

A disco dance for teenagers is scheduled from 8:30 p.m. until midnight Saturday at the Recreational Activity Center, 304 E. Texas.

## Humor 'n Whimsey

Joe Riordan

You may wonder why I am typing this standing up. It's the Lifetime Helpmate's fault. She wanted to go dancing again.

I went. Then I fell flat on my backside and busted my coccyx.

Don't bother to look up the word. It means bone or cartilage that sets at the end of your spine. Some people refer to it as the tailbone.

But you are not interested in that. You want to hear the story about how it happened.

It started when the Lifetime Helpmate took me dancing at a place called the Fabulous Forties. "They play our kind of music," she said.

I had to admit it was different from the Silver Saddle Dance Hall, Billiards Emporium and Beer Lounge. The musicians wore tuxedos, short hair and black socks. There wasn't an amplified instrument in the group.

The music was so soft that an elderly gentleman at the next table sent out for some new "B" batteries for his

hearing aid. The couples on the floor wore suits or long dresses. And I didn't see two women dance together all evening.

I was about to admit the Lifetime Helpmate was right - when the orchestra leader called for "A. Paul Jones."

"Stand up," the Helpmate said. "Why? I'm not A. Paul Jones. I don't even know him."

Then I found out a "Paul Jones" was two circles on the dance floor. One was made up of men and the other of women. They moved in opposite directions. When the music stopped - you danced with the person facing you.

I drew an elderly woman who looked like a water buffalo in a canopy of blue satin. Since the man is supposed to lead - I tried to get a firm grip. But, my hand kept slipping on the yards of satin which covered a mountain of flesh. Her bust was so large I thought her bra must have been measured in time zones.

We were getting along okay - until the band played a waltz.

My partner whirled and I whirled with her. In fact, I whirled right out of her arms across the dance floor - and fell flat on my sit-up. I knew I was hurt, but I made a graceful exit. It's the first time I ever drove a car without sitting down.

The Lifetime Helpmate said as soon as my coccyx heals - we are going back to the "Fabulous Forties". I hope it's on a Monday evening. My friend who works for EMS has Mondays off - and he will be there with his ambulance. Then I won't have to drive home standing up.

## As I See It....

By BOB HAMILTON

Questions, and a few tempers, started flying around town like crazy Monday when a carnival started setting up on the old fair grounds.

Some folks wanted to know who invited the carnival, why were they here, and would the carnival hurt revenue of organizations who will have booths at the Whoop-Do next week?

Well, there is no policy or ordinance against a carnival doing business in our city, with or without a sponsor. The only restriction on the books is that it must be set up in a properly zoned area, which the fair grounds are.

From comments at the city council Monday night, however, I suspect there will be some kind of regulation in the making in the near future.

Members of the Optimist Club are a little upset, and I can't exactly say I blame them. As sponsors of the Iowa Park Soccer League, they as volunteers spent a good part of Sunday mowing and cleaning up the entire area. And they didn't know they were doing it in preparation for a carnival.

The Iowa Park Industrial Development Corporation owns the land, and had given the soccer group permission to use the property. H.M. Nipper, IDC president, said he contacted the soccer people to see if the carnival would interfere with their operations, after he had been contacted to lease the grounds five days. When told there was no problem, he and the IDC board approved the lease.

I'll not take issue with the carnival coming to town, but will use this opportunity to talk about a subject which has burned me, and most of the other business people here for a long time. That has to do with people soliciting over the telephone to sell books of tickets for children to attend carnivals and circuses in Wichita Falls.

I'd like you to read carefully a release provided recently by the Amarillo Better Business Bureau:

A young man recently visited the offices of a Better Business Bureau to relate his rapid rise and sudden decline as a professional telephone

solicitor. He worked for three promoters. Both this man and his wife were hired, she keeping sales reports and he as a collector on a 6 per cent commission. His ability to persuade others came out quickly, and he moved into the phone room at a 15 per cent draw and soon graduated to the top spot at 25 per cent commission on his sales.

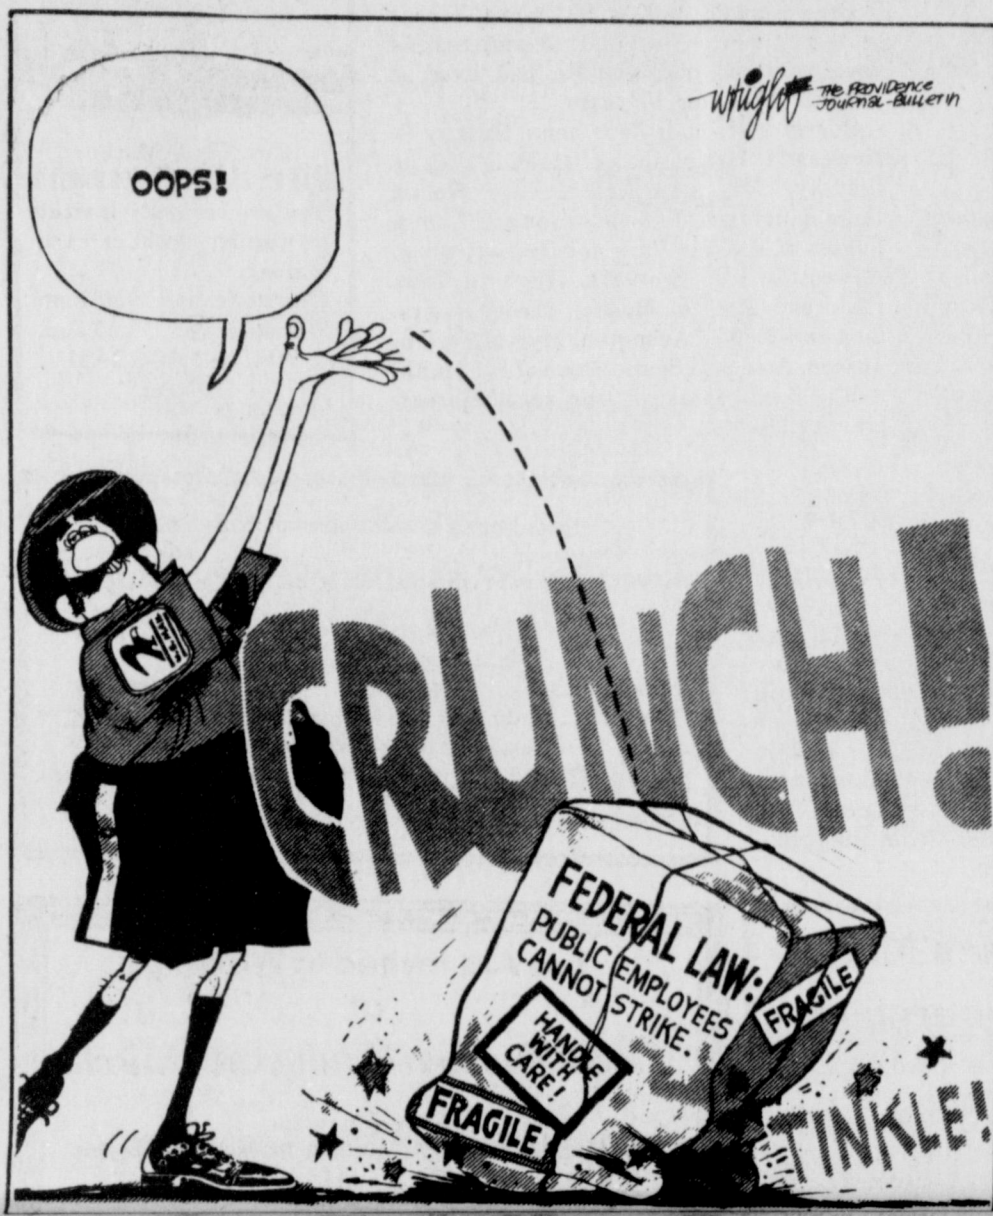

During two different work periods he was averaging \$600 to \$800 a week and was usually paid cash. Typically, all money was deposited daily and half was immediately drawn out, 15 per cent to the home office, 37 per cent to the phone room manager, 6 per cent to collectors and 15 per cent to the phone men, leaving a 6 to 16 per cent override.

Sponsors are lucky to get even 15 per cent of the gross. Half the income goes out right away paying for the sales effort. From the other half goes the cost of entertainers, rent of office

and show place, printing tickets, telephones and other office expenses. What is left is then usually split with the sponsor on a 50-50 basis. In a recent show for a fraternity group, the gross income was in excess of \$40,000 but less than 10 per cent went to the sponsor for the charity.

The life blood of the promoter is his "tap lists" and "cutoffs" which are carefully guarded and must be accounted for by the phone men. A good phone man may be permitted to use his own list. A "tap list" is the list of companies to be called, along with their record of payments in the past; the "cutoff" is the person at the tap who can make the decision to buy.

As long as businessmen remain "taps" and local sponsors are willing to sell their names in return for money received with little effort on their part, then promoters will continue to prosper, all in the name of charity.

## Bradford P-TA committee makes plans for projects

Six members of Bradford P-TA executive board met Thursday in the home of Linda Gray to complete plans for the first regular meeting Tuesday night, homecoming parade entry and Whoop-T-Do booth. Sandra Lehman was in charge.

It was decided that the King and Queen nominees for 1978 would ride on the parade float and that

students who have been nominees previously would not be eligible to run for the honors this year.

Lavacca Johnson was appointed in charge of posters for the parade entry and Whoop-T-Do booth. Shifts for workers were set and merchandise for the booth priced.

In discussing the membership drive, Kay Alderson and the president stated that membership envelopes would be sent home by the students and that a prize would be given to the homeroom having the most P-TA memberships.

In other business, additional plans were discussed to show appreciation for the teachers during the year with special emphasis on Treat the Teacher Week. It

was agreed to give consideration to purchasing ropes, balls and other things for the children to play with during recess. A report was given on the selection of room mothers.

A letter was read from Flora Pittard, aide to District 13 President, in regard to holding two district conferences each year instead of one. The group voted against changing.

Announcement was made of the Fall Conference at Seymour Oct. 26 and the State Convention at Waco in November.

"The silliest of all people are those who do foolish things to show off." Vauvenargues

## Obituaries

### Rodger Lee Payne

Services for Rodger Lee Payne, 33, a two-month resident of Iowa Park, will be Friday at 2 p.m. at Owens and Brumley Funeral Home.

The Rev. Bill Campbell, pastor of Faith Baptist Church, will officiate and military graveside rites will be held at Riverside Cemetery.

A retired U.S. Navy chief petty officer, Payne was born July 16, 1945 in Dalhart and had lived in Burkburnett five years before moving to Iowa Park.

He is survived by his wife, Carol; a daughter, Cori Ann; a son, Rusty Lee, all of Iowa Park; his mother, Alice Marie Morris of Amarillo; his father, Nolan E. Payne of Dumas; his stepfather, John Morris of Amarillo; his stepmother, Loretta Payne of Dumas; four sisters, Peggy Stovall of Iowa Park, Susie Holmes of Amarillo, Thelma Jean Bledsoe of Albuquerque, N.M. and Vicki Lynn Bjerke of Spring Park, Minn.; two brothers, J.W. of St. John, Arizona and Patches of Wichita Falls.

### Fred W. Fields

Services for Fred W. Fields, 91, who died Monday in a Wichita Falls hospital, were Tuesday afternoon in Owens and Brumley Funeral Home. Steve Brackeen, minister of the Iowa Park Church of Christ, officiated. Burial was in Crestview Memorial Park.

Born on Jan. 11, 1887 in Bryson, he was a retired farmer and a member of the Church

of Christ. He farmed in Fisher County 32 years. Before moving to Iowa Park a month ago, Fields had resided in Trent 21 years.

Survivors include his wife, Mellie; a son Leo of Iowa Park; a daughter Mrs. Zell Mayfield of Odessa; four grandchildren and seven great-grandchildren.

Pallbearers were Alton Fields, J.C. Davis, Sam Poteet, Larry Fields and Billy Belvin.

### Sam Woody

Funeral service for Sam Woody, 77, a longtime resident of Iowa Park, will be Friday at 2 p.m. in Baum and Carlock Funeral Home in Mineral Wells. U.S. Navy Chaplain Stephen Rains, a grandson of the deceased, will officiate. Burial will be in the Mineral Wells Cemetery.

Born Sept. 28, 1900 in Oklahoma, Woody moved to Iowa Park in 1913 and resided here until the mid 40s. He had lived in Mineral Wells for 15 years.

Survivors include four sons, Sammy of Newcastle, Bobby Joe of Graham, Roy of Lindsay, Okla. and J.T. of Fort Worth; three daughters, Jeffie Johnson and Louise Pullian of Mineral Wells and Betty Rains of Newcastle; two brothers, Hugh of Iowa Park and R.J. of Bowie; three sisters, Gertrude Bell of Arlington, Myrtle Ford of Tuscon, Ariz. and Bessie Sloan of Ft. Smith, Ark.; 26 grandchildren and several great-grandchildren.

## FHA members make plans

The Future Homemakers of America of Iowa Park High School held the first meeting of the new school year Tuesday evening in the homemaking department. Kathryn Mattis was the presiding officer.

New members were special guests for a dinner served by the officers. Following the meal, plans for the year were discussed.

**"Last year, using lignite coal saved Texas Electric's customers \$48 million. It's a step in the right direction."**

"Prior to 1972, Texas Electric made all your electricity by burning natural gas and oil. By last year, lignite coal had replaced gas as boiler fuel for about a third of this. In dollars and cents, here's what that meant to you, our customers:

The cost of lignite burned in 1977 was about \$20.5 million. Had that same amount of electricity been generated using natural gas at then-current market prices, it would have cost \$107.7 million. That's \$87.2 million more than the lignite cost!

Even after deducting the annual cost of the new lignite plants, Texas Electric saved its customers \$48.4 million last year because of the switch to lignite.

And that's just the beginning. As gas prices continue to rise, Texas Electric plans to become less and less dependent on this increasingly scarce fuel. By 1983, lignite coal and nuclear-fueled plants are scheduled to provide more than half of our customers' electricity.

It gets harder all the time to provide dependable, economical electricity. But this has always been Texas Electric's goal. And it always will be."

**Texas Electric Service Company**

W. N. HOUSE, Manager, Phone 592-4149

Texas Electric engineer Damon Holdrich: "We burn 55 pounds of lignite to generate the electricity to run a three-ton air conditioner for a day."

# Hawks denied win in season opener

Victory slipped through the fingers of the young Iowa Park Hawks in their season debut against Bowie Friday night, before one of the largest crowds in Hawk Stadium in some four years.

The Mean Green was well in the ball game until 3:31 remained in the final quarter, when Bowie scored its final time to put the game out of reach, 20-6.

After spotting the touted Class AA Jackrabbits a touchdown in the first quarter and a pair of field goals in the second, the Hawks came roaring back in the third quarter to narrow the gap by a scant 13-6 margin.

But it was the fourth quarter which spelled defeat for the Hawks, when their offense sputtered and two damaging penalties aided the Bowie cause.

Coach Tommy Watkins, making his debut at the Mean Green helm after a six year absence, was not pleased at all with the overall play of his young club.

Watkins said "I thought we didn't play well in my overall opinion. We weren't aggressive offensively or defensively as we should have been. We could have won it in the fourth quarter, but it all boiled down to our lack of aggressiveness."

The Head Hawk complimented the play of some of his younger players, like sophomores Troy Linthicum and Robert Hastings for their defensive secondary efforts.

Troy Thompson was picked by the coaching staff as the Offensive Player of the Week, and Ray Willingham Defensive Player of the Week.

Thompson, a junior, carried the ball 12 times for a net 39 yards, 23 of which came on three totes in the second period. Hawk backs had a net 54 yards rushing for the game.

Senior defensive end Willingham was credited with five tackles which cost Rabbit runners 19 yards in set-backs.

Gate receipts for the large crowd was exceeded by only one home game during the 1977 season. Harold Cowley reported to school trustees Tuesday the gate was \$4,240, and compared it with the \$4,714 for last year's homecoming game against Burkburnett.

**BOWIE SCORES**

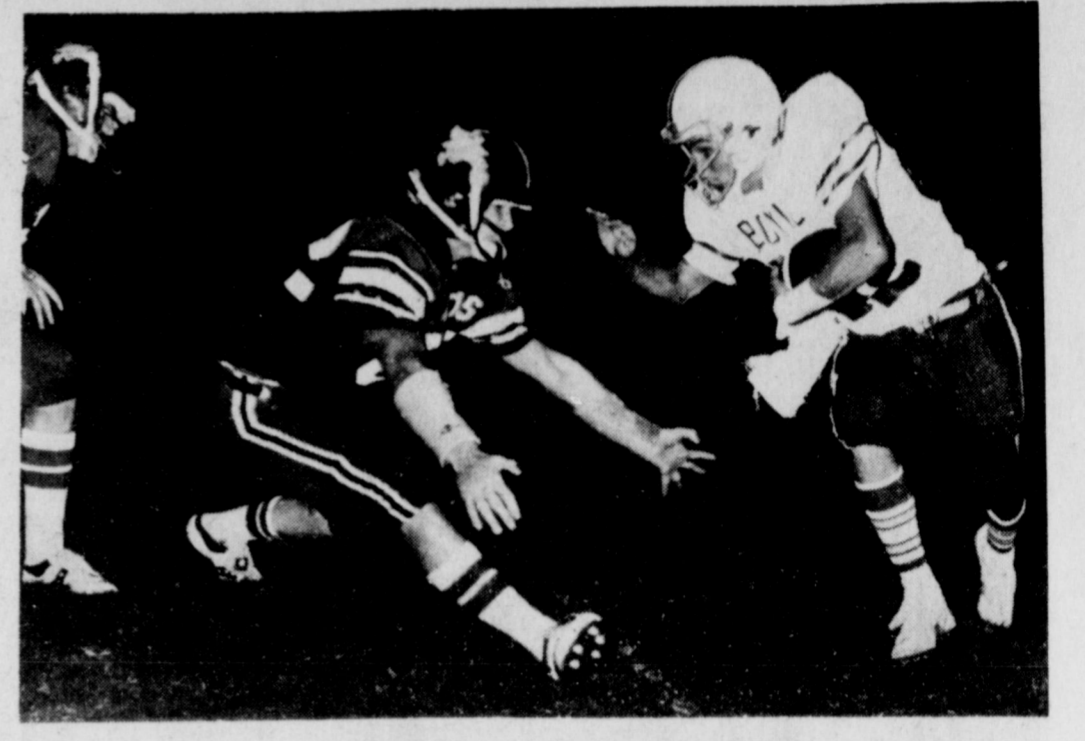

Bowie scored on its first possession. The Jackrabbits sustained a drive from their own 47 yard line, aided by a 14-yard pass and 17-yard run, setting up Flint Trahern's seven-yard sprint around left end to light up the scoreboard.

It appeared Bowie would have to settle for six points when junior tackle Bill Maupin broke through the blockers to knock down Bart Brooks' extra point kick attempt. However, the Hawks were ruled off sides and Brooks sent his second attempt through the uprights.

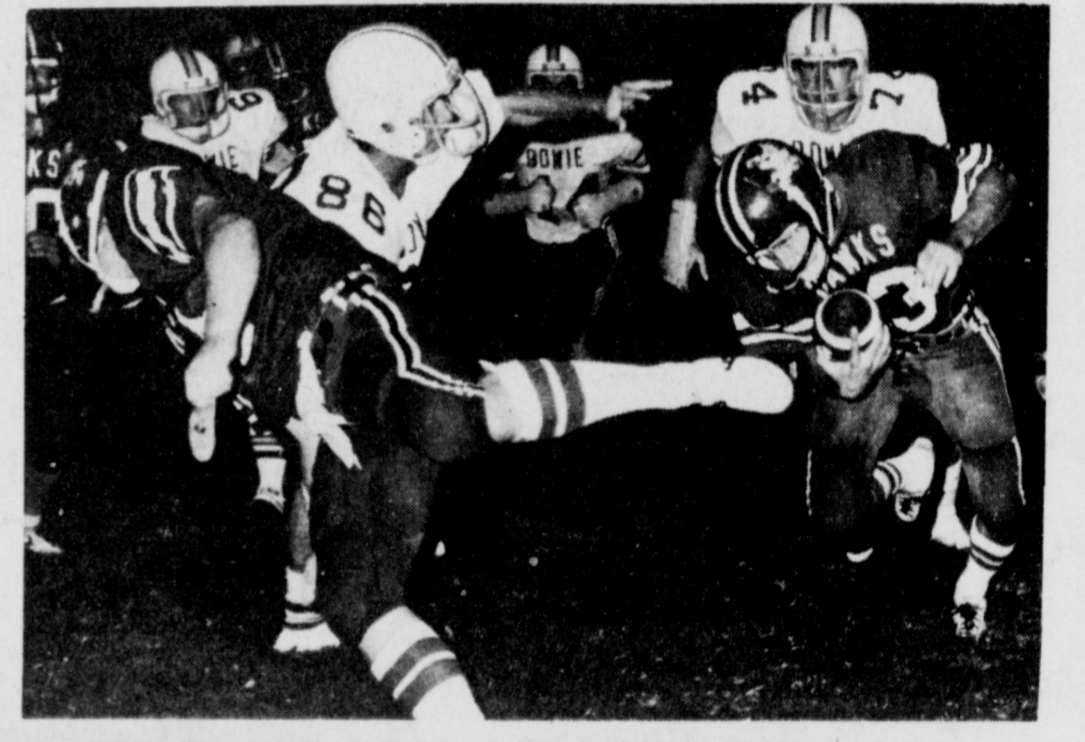

On their next possession the Jackrabbits drove to the Hawk five yard line before three big defensive plays by Willingham and Ron Taylor forced the visitors to settle for a 27-yard field goal by Brooks.

On successive plays at the five, Willingham threw a runner for a five-yard loss and Taylor made a tackle for another yard setback. Taylor then knocked down a pass attempt in the end zone.

Six minutes later, with 3:49 remaining in the half,

**JACKRABBIT CHASE ENDS**  
...Larry Merrill corners Bowie runner.

**KICKOFF RETURN** ...Ray Willingham blocks well to return Bowie's third kickoff Friday night 23 yards. He gets a block from an unidentified blocker.

5/31	Punts 3/38

Brooks again kicked a field goal, this time from 29 yards out. The drive was started when Bowie covered a Mike Ray fumble at the Bowie 45 yard line.

Maupin covered a Bowie fumble with 1:26 still showing on the clock, but the drive fizzled out at the Jackrabbit 33 after Iowa Park had driven from its own 45.

**SECOND HALF**

It was a Bowie fumble, covered by Mike South on the Hawk 43, which ignited the Mean Green to its lone touchdown.

Thompson picked up 10 yards on the first play, and the Hawks were moving. A 10-yard run by quarterback Gary Blackerby and a 15-yard aerial to Wes Klinkerman were keys in the drive.

From the five yard line, on third down, Blackerby found Taylor in the end zone and completed the pass for the score. Taylor made a diving catch and was covered by two defensive players on the play.

The extra point attempt by Ray was low, but Iowa Park was back in the game, 13-6, with 5:06 still remaining in the third period.

Neither team was able to mount a successful drive until late in the fourth period. Both clubs were hurt by setbacks and penalties.

Iowa Park appeared to be forced to punt from its own 33 late in the game, but drew a five-yard penalty. And on the next play Blackerby was sacked for an eight-yard loss, which meant Taylor had to punt from his own 16.

He got the ball out to the

# Iowa Park big winner in firemen's contests

Iowa Park firemen and their families captured four trophies at Sunday's 91st Semi-Annual West Texas Firemen's and Fire Marshal's Association Convention in Holliday.

Fourteen trophies and ribbons were awarded during the competition phase of the convention which attracted about 200 persons.

First place in the six-man hose race was won by Archer City.

Iowa Park took second in the six-man category of the talents of Richard Logan, Larry Beard, Dale Bannan, Geral Franzer, Dwayne McKee and Danny Skinner.

Iowa Park's Bannan and McKee combined to take first place in the two-man hose race held by Windthorst in second.

Archer City and Windthorst took first and second, respectively, in the six-woman hose race. Archer City won first in the two-

woman hose race, followed by Iowa Park in second. In the two-man kiddie race, Iowa Park was second behind Windthorst.

Men's water polo was won by Windthorst. Second went to Knox City. Women's water polo first place trophy was awarded to Windthorst with Archer City in second.

Although as host Holliday could not compete officially, its crews set the patterns for each phase of competition. Had Holliday been able to compete, its teams would

have taken first place in two-man and six-woman hose races and second places in six-man and two-woman hose races.

Holliday's six-man hose race pattern setters were Chuck Parker, Glenn Wood, John Harrigal, Charlie Parker, Jim Holmen and Melvin Bills.

Setting the pattern for the six-woman hose race for Holliday was Ann Bills, Carol Parker, Brenda Harrigal, Jo Ann Parker, Susan Parker and Nelda Holmes.

Towns whose volunteer fire departments were represented at the convention included Holliday, Iowa Park, Archer City, Burk Burnett, Electra, Knox City, Megargel, Munday, Olney, Seymour, Wichita County, Windthorst, Cameron Gardens and Petrolia.

**WATER!** - Ann Bills and Carol Parker of Holliday signal for the water to be turned on as they set the pattern for the six-woman hose race in Sunday's 91st Semi-Annual West Texas Firemen's and Fire Marshal's Association Convention.

## Triple header set at Electra

Holliday's seventh, eighth and junior varsity girls teams will travel to Electra today for their season debuts.

First of the triple header is scheduled to begin at 5 p.m. today.

## BENEFITS INSTRUCTION

# Teacher-student ratio rated below average

The learning environment in classrooms here is enhanced by a below average student-teacher ratio, Holliday school trustees were told Monday night. Students and teachers average 25-1 in most classes

here, Holliday school administrators reported. That's about nine students per teacher below the average, said Trustee Durhyl Caussey. "So that's great," he added. Enrollment in Holliday's

kindergarten and elementary stood at 350 Monday, said principal Dan Owen. However, 22 of the kindergarten students included in the total will not report to school until January.

He said there was no overloading of teachers in the elementary levels where there is an average of 25 students per teacher.

Between four and five students from each section are involved in remedial and resource education, actually bringing down the student-teacher ratio even further, Owen explained.

Monday night high school principal Bill Crabbs reported total enrollment in high school at 233 with 120 in junior high.

His classes also average a 25-1 student-teacher ratio. Crabbs called it a "good" ratio.

Only one class severely exceeds the average, an American History class with 40 students being taught by one teacher.

Results of a vocational education survey scheduled to be presented Monday night were postponed at the request of Crabbs.

Because of hectic activities surrounding the beginning of school, Crabbs said he was unable to complete the task.

Crabbs requested the school board's permission to spend another month putting together a "good and thorough survey." He said he will quiz students in high school and parents.

Caussey requested the survey in the summer and asked Crabbs how many Holliday students currently were involved in the area vocational technical training school in Wichita Falls.

Crabbs said four Holliday students were attending the Wichita Falls facility. Caussey brought up the question of the school supplying transportation for Holliday students attending the vo-tech in Wichita Falls.

Crabbs said students were responsible for their own transportation. Trustee Jack Ayres entered the conversation, asking Caussey if he had taken into consideration the taxpayers when advocating

expanded curricular offerings.

Ayres said if everything Caussey had advocated since taking office had been implemented it would be costing Holliday school district taxpayers 25 percent more than they now pay.

Caussey said it might cost more in the long run, and that vocational training should be made available to all Holliday students.

Superintendent Ray Coe said millions of dollars worth of vocational training facilities built by small school districts were now laying dormant due to lack of student participation. He said programs styled to meet the needs of an area, like the facility in Wichita Falls, is answering the needs of small school districts.

Caussey asked the cost per student attending the Wichita Falls vo-tech school. Crabbs said eight Holliday students participated in vo-tech school last year which cost \$1,200.

Crabbs said it was a lost argument trying to advocate Holliday building its own vocational training facilities. It would not be fiscally feasible, nor could Holliday build a program capable of offering anything near what's offered in Wichita Falls.

Crabbs praised the facilities and programs offered in Wichita Falls.

In other business Monday night the school board okayed the transfer of funds from cash deposits to the building fund checking account to pay the remainder of the bill on the school construction and renovation project.

Miller and Holmes Construction Co. is owed about \$5,000 on the school. Bob said.

Trustee Joe Wells asked permission to try and locate a physician to attend home football games.

The board instructed Coe to seek bids on doors for the bus barn.

Trustee Terry Parnell was absent from Monday night's regular meeting which attracted nine visitors.

## HOLLIDAY NEWS

### Holliday may receive water system grant

Indications are favorable Holliday will receive a 42 percent government grant to help finance the upgrading of its water system.

Ernest Andrews, engineer, told the Holliday City Council Monday night approval of the grant by the Farmers Home Administration looked favorable.

Councilmen decided anyone living in the city will be assessed for garbage collection on their monthly water bills. The charge for alley or street pick-up will be \$2.50 per month. If city crews must cross private property

to collect garbage the charge will be \$3.50 monthly.

For city residents the cost of a dump ground permit will be \$2 annually. Users from outside the city limit will be charged a \$48 annual fee. Commercial hauling rates will be additional, the council decided.

A committee was appointed to review rates charged businesses for garbage collection.

Councilmen voted to charge \$5 on all returned checks, and discussed the one-cent sales tax on utility bills.

The council convened in closed session for discussion of employees, but no action resulted in the executive meeting.

Continuing its procedure to annex land south of the city, the council held a hearing on Tract I, received the petition for Tract III and passed a hearing ordinance on Tract III.

At next Monday's 7 p.m. council meeting aldermen are scheduled to discuss policies for city employees and salaries.

The council will hold a hearing on Tract II of its annexation program.

### Couple marries

Miss Donna Jo Craddock, daughter of Mr. and Mrs. Joe E. Craddock of Holliday, and Robert Dale Anderson II, son of Mr. and Mrs. Robert Dale Anderson of Wichita Falls, were married August 31 in Amarillo. They spent their honeymoon in Colorado.

The bride was graduated from Holliday High School. She is attending Midwestern State University and is employed by Parker Square Bank. The groom, who works for Ciba-Geigy Corp., was graduated from Wichita Falls High School. They will live in Wichita Falls.

### \$1,000 savings said possible

If the final \$2,000 owed on the Holiday Piano-Organ Fund could be collected, \$1,000 could be saved on additional finance charges, said Pat Holt.

Mrs. Holt said \$2,033.55 "could pay off the loan and save us \$1,000 on interest on the loan."

The final \$2,000 is needed by Saturday to avoid the additional finance charges, Mrs. Holt said, urging anyone who wishes to make a contribution to contact her at the school superintendent's office.

"A part of kindness consists in loving people more than they deserve." Joseph Joubert

## PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

### "The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

authority where the property tax is imposed.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

### NUMBER ONE (S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete an archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment deleting the archaic reference to the 'Deaf and Dumb Asylum,' allowing certain products and services of handicapped individuals to be used by agencies and departments of state government, requiring the procurement of other products and services required in the operation of state government to be made under bids awarded to the lowest responsible bidder, making all such procurement processes subject to laws enacted by the legislature, and eliminating the requirement that the Governor, the Secretary of State, and the Comptroller of Public Accounts of Texas be personally involved with such transactions."

### NUMBER TWO (S.J.R. 55)

S.J.R. 55 proposes an amendment to the Texas Constitution to permit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These

bonds would be payable solely from the revenue from the sale or lease of these facilities. The building or acquisition of such facilities must be determined by the local government to be necessary to develop employment opportunities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities for its citizens."

### NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to authorize cities and towns to issue tax increment bonds to finance the redevelopment of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to give the legislature the power to authorize cities and towns to issue bonds to finance the redevelopment of blighted areas and prohibiting any city or town from granting its money or lending its credit for such purposes."

### NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to allow the legislature to exempt from taxation solar or wind-powered energy devices.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from taxation solar and wind-powered energy devices."

### NUMBER FIVE (H.J.R. 37)

H.J.R. 37 proposes an amendment to the Texas Constitution to grant exclusive jurisdiction to justices of the peace in civil cases where the amount in controversy does not exceed \$200, except where the legislature gives exclusive jurisdiction to another court.

The amendment grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives the county court exclusive jurisdiction.

The amendment also grants justices of the peace concurrent jurisdiction

with both county and district courts where the amount in controversy is between \$500 and \$1,000, except where the legislature gives the county or district court exclusive jurisdiction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the jurisdiction of justices of the peace in civil cases."

### NUMBER SIX (S.J.R. 45)

S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case."

### NUMBER SEVEN (S.J.R. 48)

S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund."

### NUMBER EIGHT (H.J.R. 42)

H.J.R. 42 proposes an amendment to the Texas Constitution allowing certain political subdivisions or districts in the state that can presently issue bonds or otherwise indebtedness or otherwise lend their credit to support such activities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendments authorizing certain districts to engage in fire-fighting activities and to issue bonds or to issue bonds or otherwise lend their credit for fire-fighting purposes."

### Three 13-A teams win

Holliday, Petrolia and Boyd were the only District 13-A teams that garnered victories in season openers.

Holliday easily handled Olney 34-0 while Petrolia upset Windthorst 29-22, and Boyd defeated Alford 14-6.

Chico was defeated by Muenster 35-0, and Millsap was upended by Dublin 30-6. Nocona was handed a 27-0 loss by Henrietta, and Archer City was sacked by Electra 26-6.

The Eagles must face Electra, Henrietta and Seymour before opening district play. Seymour won its opener, downing Munday 7-2.

On this week's schedule for District 13-A teams Holliday will be at Electra, Archer City at Henrietta, Paradise at Boyd, Valley View at Chico, Wichita Falls Notre Dame at Nocona, Petrolia at Waurika and Santo at Millsap.

# Big Red breezes past Olney

Exhibiting luxurious offensive depth and an unyielding crew of defensive trenchmen, Holliday breezed through its season opener, routing Class AA Olney 34-0 here last Friday night.

Eagle standouts included half the lineup, led by senior wingback Rusty McDaniel and the part he played in three of the Holliday TDs.

Quarterbacks Gerry Graves and Barry Lawson took turns guiding the Eagles to paydirt, while Mark Wells handled one of the scoring

passes.

Junior tailback James Porter emerged as the game's leading rusher with 113 yards and a TD plunge. McDaniel rushed for 41 yards, Stanley Craddock stepped off 36 and Conray Chase collected 17 yards on the ground.

In the defensive category Kyle Stone recovered two Olney fumbles and Wells and Jim Ezzell each recovered a loose Cub pigskin.

Graves hauled in an Olney aerial miscue.

The Eagle defensive front work was paced by Mike Bryant, Doug Stevens, Dennis Holt, Chase and Steve Parnell. Olney was allowed 49 progressive yards on the ground and were caught 69 yards worth behind the line of scrimmage.

The only times the Cubs moved the ball on Holliday they went to the air, milking out 103 aerial yards, completing 11 of 21 passes.

The Eagles were quick to capitalize on Olney misfortune early in the first quarter when the Cubs were

penalized on an Eagle punt. Giving new breath to the drive, the Eagles ultimately were faced with a fourth down seven yards from paydirt.

McDaniel got the call on what began to develop into the Eagles' successful wingback pass only. However, McDaniel saw running room and sprinted up the middle for the touchdown. Tim Flaherty snapped the ball to Graves, who held for Wells' PAT.

On their second offensive series, the Eagles caught the Cubs looking while Lawson sailed a 34 yard TD pass to Wells, who followed with another successful PAT.

Olney's only serious threat came on the Cub offensive series following the kickoff. Forty-one yards of passing and a 15 yard flag against Holliday brought the Cubs within three yards of paydirt but a tough Eagle defense halted the drive.

With a minute remaining in the half Graves intercepted an Olney pass, then followed up with a 41 yard TD toss to McDaniel. Wells was on target with the PAT,

sending the Eagles into the dressing room with a 21-0 lead.

The second half opened with a butterfingers epidemic.

Holliday's Larry Denney

fumbled an Olney punt return, then a Cub fumble was recovered by Ezzell.

The Eagles were unable to capitalize on the turnover when Porter coughed up the ball to Olney.

Holliday began rolling

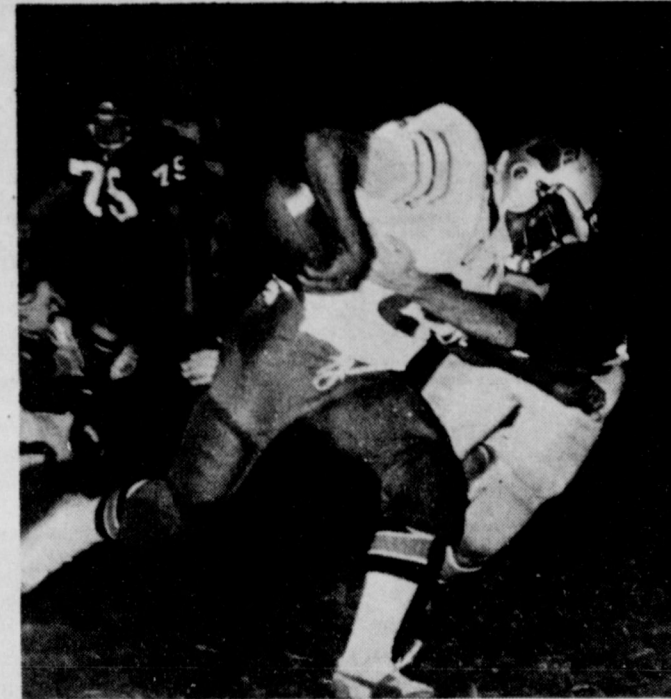

again early in the final stanza. Porter broke loose off left tackle for a 49 yard gain, just 10 yards from paydirt. What would have been a TD pass from McDaniel to Denney was nullified by a penalty on Holliday.

But McDaniel turned around and ran the ball in from 15 yards out for Holliday's fourth touchdown, although Wells missed the extra point try.

Wells stayed in the limelight, kicking off to Olney, who fumbled on the return. Wells recovered the loose ball.

Unable to move the ball, Holliday relinquished control on a punt that left Olney sitting inches from its own goal line.

On the next play it appeared the Eagles had caught the Cubs inside the endzone for a safety. But fourth quarter relief man Kyle Stone emerged with an Olney fumble, giving Holliday possession less than a yard from paydirt.

**LOOSE BALL** - An Olney runner loses his hold on the ball and fumbles to Holliday. Kyle Stone was on the scene to recover the fumble for the Big Red Machine.

**BINGO!** - Holliday safety Gerry Graves (11) makes his way upfield after intercepting an Olney pass. Two plays later at quarterback Graves tossed a 41 yard pass to Rusty McDaniel for Holliday's third TD against the Cubs.

penalized on an Eagle punt. Giving new breath to the drive, the Eagles ultimately were faced with a fourth down seven yards from paydirt.

McDaniel got the call on what began to develop into the Eagles' successful wingback pass only. However, McDaniel saw running room and sprinted up the middle for the touchdown. Tim Flaherty snapped the ball to Graves, who held for Wells' PAT.

On their second offensive series, the Eagles caught the Cubs looking while Lawson sailed a 34 yard TD pass to Wells, who followed with another successful PAT.

Olney's only serious threat came on the Cub offensive series following the kickoff. Forty-one yards of passing and a 15 yard flag against Holliday brought the Cubs within three yards of paydirt but a tough Eagle defense halted the drive.

With a minute remaining in the half Graves intercepted an Olney pass, then followed up with a 41 yard TD toss to McDaniel. Wells was on target with the PAT,

## Eagles seek revenge for whipping

It's a safe bet both teams will be reminiscent tomorrow night when the Eagles and Electra tangle in their perennial second game of the season outing.

A year ago Electra gave Holliday its worst whipping in many a day, routing the Eagles 27-0.

With historical support, the Eagles will have the oddsmaker's edge for to-

morrow's 8 p.m. clash in Electra because the Tigers never have been able to defeat the Eagles two years in a row.

Here's a look at the rivalry outcomes during the past seven years: 1977, Holliday 0, Electra 27; 1976, Holliday 19, Electra 15; 1975, Holliday 6, Electra 0; 1974, Holliday 14, Electra 18; 1973, Holliday 30,

Electra 0; 1972, Holliday 7, Electra 0; 1971, Holliday 20, Electra 6; 1970, Holliday 19, Electra 20.

Add it all up and Holliday has defeated Electra five of the eight recent outings.

Both teams will be high Friday night, coming off big wins.

In the season opener Electra crushed Archer City 26-6 on the talents of quarterback Curtis Fletcher,

receiver Eddie Campbell and offensive backs Johnny Miller, Harvey Jones and Brad Klein.

In the contest with Archer City, Electra stuck close to the ground, going to the air only 10 times.

Depending on who you read, Electra is picked to finish somewhere between second and fifth in District 2-AA.

Nickel and dime man Porter got the call and punched it across standing up. Shayne Owen performed the PAT chores, sealing the Eagles' 34-0 victory.

Olney's final attempt to score was quashed when Stone recovered another Cub fumble late in the final quarter.

## New emphasis being placed on students learning to read

Iowa Park schools are joining other schools across the state and nation in placing new emphasis on reading.

Though local students measure well above the normal according to tests administered, a reawakening of the importance of reading is in the making, with a year's experience already underway.

At the present, the new emphasis is centered at the Valley View campus, where three reading specialists, each with masters degrees in reading, are centered. Mrs. Robert Dawson, who is director of the program, also happens to be area vice president for the Texas Association of Improvement of Reading.

The federal government initiated a program for improvement in reading a few years ago, and it was adopted in Texas under the name "Right to Read" program. The state established a standard of excellence, which is a guideline for local schools to implement and follow.

Started at Valley View last year, Mrs. Dawson said the faculty made a needs assessment, from which plans were made for definite steps to reach students there.

Information gleaned from the study was passed along to teachers of the district during the in-service training which preceded the opening of school. Additionally, a large number of teachers will be attending a reading conference at Midwestern State Univ. tomorrow evening and Saturday. Their registration fees will be paid by the school, as approved by the board of trustees.

The school has also purchased some new materials with which the teachers will use in their classroom instruction.

### PARENTAL INVOLVEMENT

Mrs. Dawson said the school is planning an action research project, concerning the effects that parental interest and involvement has in a child's reading improvement.

Parents of all sixth grade students will be invited to participate.

And as the year's project is carried out at Valley View, studies are to be made at the Bradford Elementary campus, for information to be used in planning a project to be started there next year.

Mrs. Dawson emphasized that the studies which were

carried on at Valley View and will be at Bradford are intensive, and require lengthy periods by an entire team.

"We've had a good program all these years" in Iowa Park, said Mrs. Dawson. "We're doing it (teaching reading) like we've always done, but doing it with a little more emphasis and enthusiasm."

## Nguyen Liem is speaker

Nguyen Liem, a native of Vietnam now living in Iowa Park with his wife and their three daughters, and an employee of Cryovac, spoke to the Evening Lions Club Tuesday on the Vietnamese language. He used posters to describe the alphabet and punctuation marks, then explained how the accenting

of words could change their meaning entirely.

The speaker was introduced by Charlie Lee, manager of Cryovac. Arch Hughes was program chairman.

Wayne House, president, announced the zone meeting at Burkburnett Tuesday. Plans were made for a work night Wednesday to get equipment in shape for the Whoop-Do booths Sept. 23.

Mrs. E.L. Gallop and Mrs. G.L. McWilliams were dinner musicians.

## Mrs. Krum leads study

The topic of study for the United Methodist Women who met in separate fellowships Tuesday morning was "Women and Hunger" taken from "Ye Shall Be My Witnesses."

Mrs. Phil Krum directed the study for the Mary Fellowship in a meeting held in the home of Mrs. Otis Gay, and Mrs. S.B. Keeter read the scriptural background.

Also attending were Mmes. Allan Bennett, Bertha McDonald, Rafael Carrillo-Miranda, Herman Mahler, Carl Sullivan and Gene Lowrey.

Mrs. Clyde Winfrey was hostess for the Ruth Fellowship meeting and Mrs. L.A. Thurlow was the leader.

Mrs. Effie Winfrey was a visitor. Other members present were Mmes. Floyd Boyd, Carroll Hester, Estle Gallop, J.H. Hatten, L.L. Lindesmith, Travis Smith, C.L. Thompson, Eldon Thompson and Miles Thompson.

The Rebecca Fellowship met in the home of Mrs. George Trammell with Mrs.

M.L. Hines serving as program leader. Assisting her were Mmes. Don Cook, Charlie Lee, Emma Gaunt, and Mike Jackson.

Others attending were Mmes. Don Beals, James A. Sewell, C.B. Smith, Evie Teal, Chauncey Weiler, L.C. Perry, H.W. Carter and Miss Ethyle Kidwell.

## First Baptist group meets

Fourteen members and bridge builders of the Friendship Sunday School class of First Baptist Church met in the church parlor Monday evening. Mrs. Dewey Steed and Mrs. A.A. Simmons were hostesses.

Mrs. E.T. Patterson used "Time" for the topic of a devotion following a business period directed by Mrs. Elmer Singleton.

During the business, it was voted to send wigs to patients at M.D. Anderson Clinic at Houston and to make a monetary contribution to the church services for preschool children held each Sunday.

Mrs. L.B. Jones was in charge of a recreational period.

Others present were Miss Aline Griffin, Mmes. C.A. Hicks, Clay Davis, Ola McLaurin, V.I. Woodfin, M.E. Goforth, Louise Yarbrough, Thelma Raney and O.S. McLemore.

## Alathean class holds luncheon

The Alathean Sunday School class of First Baptist Church held its monthly covered-dish luncheon and business meeting Tuesday at the church.

Mrs. D.O. James contributed the meditation on "Wisdom and Common Sense - Better Than Wealth."

Mrs. Guy Morgan conducted the business when reports were heard from officers and chairmen.

Others in attendance were Mmes. M.E. Reneau, Roy Fortner, Allie Girard, R.A. Williams, Emma Key, R.F. Pruitt, T.M. Thaxton, Emma Phillips, J.A. Berg, O.M. Jones, W.G. Partney, L.E. Brooks, L.C. Hill, J.C. Roby, J. Louis Quick, W.F. Booher and Sam Hill.

## Church workers will be feted

Church School teachers and superintendents of the First United Methodist will be honored during worship services Sunday morning and at a covered dish dinner, according to Mrs. Barney Wynn, education chairperson.

Special recognition and certificates of appreciation will be given to Mrs. Freda Beals, Mrs. Karen Jackson and George Trammell, who are new teachers in the Church School.

Also being recognized will be Mmes. Kathy Shiflet, Aquilla Carrillo - Miranda, Linda Rinehart, Sue Owens, Freida Parks, Jerry Thurlow, Bertha McDonald, Margaret Carter and Mrs. Wynn; Jay Farmer, Randy Keck and Wilbert Wynn.

Substitute teachers to be honored are Riley Thompson, Mrs. Pauline Smith and Rev. Michael Jackson. The three Church School superintendents, Miss Ethyle Kidwell, Mrs. Ann McLemore and Billy Mashburn, will be presented with special certificates of appreciation.

An exhibit of educational resources available through the United Methodist Church will be set up in the Fellowship Hall.

## Mrs. English wins contest

Mrs. Robert English was declared winner in the TOPS Club weight control contest that ended Monday night and won a number of gifts. Mrs. Lloyd Lowe and Mrs. Era Mae Baxter also won gifts.

A new contest will start next week and members were asked to bring gifts to the meeting. The member who has no gains for six weeks will be the winner.

Mrs. English presided during the business. Mrs. Harold Hildebrand won the monetary gifts during the weekly drawing.

Also present were Mmes. J.C. Helms, George Boles, Paul Callaway, A.O. Beall, Gary Neves, Randy Hedrich, Pauline Steele, Nancy Henderson and A.J. Wood Jr.

## Rotarians send books overseas

Iowa Park Rotary Club has sent 1,600 pounds of books to underdeveloped school districts in India, Brazil, the Philippines and Africa, said Bob Cole, Rotary member.

As part of a rotary International project, the local club wrapped and shipped the volumes of old, outdated text books to the needy foreign school districts.

## Calendar sales is band project

The Band Booster Club will begin the annual community birthday calendar sales today. Band members and parents will be taking orders for the calendars.

The calendar features a picture of the 1978-79 Hawk Band, birthdays and wedding anniversaries of families purchasing them.

**LOOK WHO'S NEW**

Melody Renee, a five pound, fifteen ounce daughter, was born to Mr. and Mrs. Dale Williams August 30. The new baby has a brother, Cody Wayne, two years old.

Grandparents are Mr. and Mrs. Kenneth Williams of Iowa Park and Mrs. Martha Ray of Wichita Falls. Great-grandparents are Mr. and Mrs. Jack Williams and Mrs. Margaret Williams, all of Iowa Park.

## Friendly Door Lunch Menu

### Farm Bureau meeting set

The annual meeting of the Wichita County Farm Bureau will be held Sept. 21 at Underwood's in Wichita Falls, according to Fred E. Dwyer, president. Serving of a dinner will begin at 6 p.m. with the meeting to follow at 7:30. The main purpose of the meeting will be to adopt

policies for the next year and elect officers, directors, and delegates to the state convention.

Dwyer will make his annual report and the secretary will give a financial statement. Leo Fields, agency manager, will report on insurance services.

Policy Development Chairman Rex Wells will present resolutions to be voted on at the business session.

Voting delegates elected will represent the county's 1290 members at the Texas Farm Bureau Convention in Dallas Nov. 26-29.

**When The Government Offers You A Tax Break, Grab It.**

If you're self-employed, you can put a substantial amount of tax-deferred dollars into a retirement plan. The new maximum is 15% of your earned income, up to \$7,500 a year. And you can take a current income tax deduction on amounts you set aside for retirement within these limits. A tax deduction now and a retirement income later. Sound good? And that's not all. You can select a waiver of premium benefit, so that your retirement fund will keep growing even if you become totally disabled and unable to work because of an accident or illness. If you're self-employed, talk to someone from the Rock. Find out how a Prudential tax-deferred retirement plan can help you. Talk to:
