City council hires new administrator

Steve Morath of Wichita Falls was hired by the Iowa Park city council Monday night to succeed Gene Britton as city administrator.

Morath is administrative assistant to Manager Gerald Fox, and has been an employee of Wichita Falls since 1974.

Britton submitted his resignation last month, explaining he had accepted a similar position at Port Lavaca. He will remain through this month. He was the first city administrator for Iowa Park.

Morath is head of administrative services division, which includes 13 departments and 160 employees.

Born in Wichita Falls, his family moved to Abilene while he was still a youth, because his father was employed by Continental Oil Company. They later moved to Midland, where he graduated Midland Lee High.

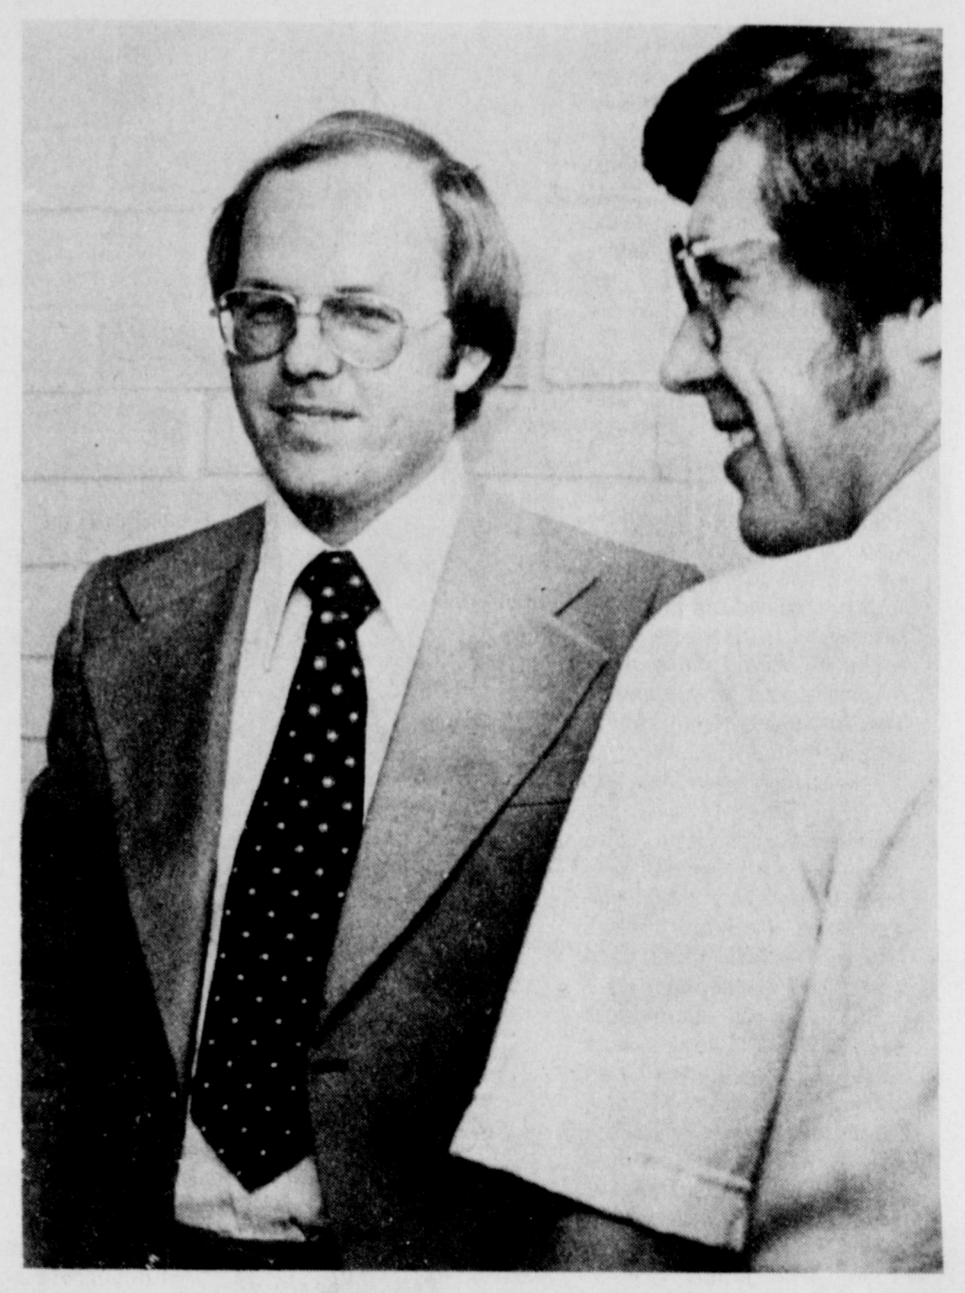

The 26-year-old administrator received his bachelor's degree in political science from Texas Tech, and last year his master's from Midwestern State Univ.

Approval of Morath's hiring was a split decision by the Iowa Park council, which was meeting in a called session. Approving the hiring were Bud Adams, Lita Watson and Eldon Thompson. C.A. Hicks voted against the motion. Johnny Lee was absent.

Included in the proposal were Morath's salary and other benefits, which included a \$17,000 annual salary, \$140 per month car expense, premium payment on a \$20,000 life insurance, medical insurance, sick leave, vacation, three percent annual retirement and \$160 relocation expense.

Morath has received permission from Fox to work with Britton until he leaves Friday of next week, to acquaint himself with the city's operations. He will be using his leave time.

He expects to move here as soon as he sells his home in Wichita Falls. He is married.

Aldermen approve reward ordinance

Besides hiring a new city administrator Monday night, the city council also hired a new police officer, approved a budget adjustment, passed a resolution on council travel expenses, and passed an ordinance to curb vandalism.

Aldermen approved hiring of Mike Williams of Wichita Falls to replace Claude Morrow on the police force. He was recommended by both City Administrator Gene Britton and Chief Jim Voyles.

In anticipation of council action, Williams was at the same time attending a certification course in Electra.

Morrow resigned a week earlier. The council members will receive the same allowance for travel and lodging as other city employees, when they attend a meeting, school or seminar out of the area, under the new resolution.

Final draft of an ordinance which provided for a \$500 reward to anyone giving information which leads to the arrest and conviction of anyone committing an act of vandalism or destruction of public property in the city.

The same reward applies to property owned by the city, such as at the city lakes.

Inflation has no effect on banquet tickets

Inflation has had no effect on the price of the annual Chamber of Commerce banquet. Directors voted Monday to maintain the \$5 per person admission to the event, slated Feb. 10.

Pointing out the number of compliments received on the meal, steak prepared by the Iowa Park MuleSkinners, and a humorous speaker, directors saw no reason to raise the price.

New officers, who will be installed officially at the banquet, will be elected at the annual membership meeting Nov. 20, at the Texas Electric Service Reddy Room.

President Bill Steger said the meeting, which is open to all members and not limited to directors, will be preceded by a \$2 catered meal. Reservations should be made at the Chamber office prior to the meeting.

All merchants are to be encouraged to participate in the second annual

Christmas parade, set for Dec. 2. Danny Parkerson, president of the Retail Merchants Association, said the parade was highly successful, and serves as an important kickoff for the Christmas shopping season.

During a discussion about the annual Whoop-T-Do held last month, it was estimated more people attended the event than any in the past. Organizations with booths indicated they made more money than in the past, also.

Steger reported on a trip he and Newt Newman made to San Antonio. Sponsored by the U.S. Air Force, the two were representatives of the Chamber. Representing the Iowa Park schools were Faris Nowell and Bill Spruiell. They toured facilities at Randolph, Brook Medical Center and Lackland.

Directors approved purchasing a full page ad in the Iowa Park High School annual.

UW campaign third of goal

The United Way Campaign has progressed to the 34 per cent mark toward its goal of \$1,235,560, it was reported at a meeting Wednesday morning in Wichita Falls.

The amount reported was \$424,634.

The campaign annually raises funds for 33 agencies. Two are the Iowa Park Senior Citizens Friendly Door and the RAC Center.

The campaign, which has Nov. 15

as the deadline, reaches citizens in the three-city area of Iowa Park, Burkburnett and Wichita Falls.

Local collections are running ahead of the overall collections reported yesterday, however.

According to Bill Steger, Iowa Park general chairman, advance gifts are 88 percent collected, major firms 90, public employees 44, professional 122 and metro (businesses) 28.

Vandals on rampage

Ten cases of vandalism were reported to Iowa Park police this week with the schools and an automobile dealership the victims of multiple incidents.

The windshield of a new automobile was reported broken last Friday at Shaw Motor Company.

Police were back at the dealership on Tuesday after it was reported vandals had overturned a pickup truck camper shell and damaged seven vehicles. It appeared someone had jumped from car-to-car damaging the hoods, police said.

Two windows were pushed out and

four others were broken at the junior high band hall, according to a report made last Thursday.

Kidwell Elementary School was vandalized three times during the week. Last Sunday officers discovered three window screens had been cut, torn or ripped off.

On Monday officers found someone had written on the side of the school with some type of paint, and on Tuesday it was reported a small tree in the school's front lawn had been broken off and thrown near the entrance.

Also on Tuesday officers discover-

ed someone had driven over a tree in the front lawn of the high school. The tree had been placed near the front doors of the school.

Last Friday police received a report that someone had broken out a window on the west side of the Jiffy Food Store on Johnson Road.

Sunday police received a report from Robert Duggins, 700 S. Victoria, that someone had broken a car window with a rock.

Police received a report Monday that a large window in the front of Shirley's Flower Shop had been broken with a rock.

Hawk-Husky tilt Friday could be crowd pleaser

Hirsch's rampaging Huskies will be in Hawk Stadium tomorrow night, and the Mean Green defense is bolstering itself to play giant killer in the District 4-AAA title race.

The Huskies have found themselves like the big frog in the little pond, dropping back from Dist. 6-AAAA where they were 1-9 last year, to the conference they ruled their last season, 1975.

The Wichita Falls school is enjoying a 4-1 record thus far, and have a leg up on recapturing the 4 AAA crown which they had to leave behind when they were moved up to the big school circles. They opened district play last week with an impressive 28-14 win over Weatherford.

Iowa Park, on the other hand, is enjoying its best season since 1974, and a 3-3 record. But the Hawks have dropped both their conference starts, to Mineral Wells and Graham.

The Hawks have had their problems since the conference schedule rolled around, keeping a full roll of players on the field. They've not been full strength the past two weeks, and this one appears no exception.

Running back Troy Thompson, who has taken over the number two slot among district backs for total yards gained this season, 487, and only eight yards behind Mineral Wells' Doug Brady, missed workouts Tuesday and his appearance Friday is a question.

The Hawks' tight end, linebacker, punter and extra point kicker, Ron Taylor, has mononucleosis. There is a possibility that Taylor, who has twice been named a player of the week, might suit out to punt Friday, however.

The other tight end on the team, Tim Blackwell, missed the Graham game with a back injury and hasn't put on anything more than shorts this week.

Senior guard Blaine Kidwell was

injured in the Graham game with a deep bruise to his back and also was in shorts this week.

In the absence of Kidwell and Mike Ray, linebacker Calvin Sampley was pressed into the defensive nose guard position Friday night after only two days practice. Coach Tommy Watkins said he did a good job, but the inexperience was evident at times.

Without Taylor and Blackwell, sophomore Steve McCord is the only tight end left on the roster, and he missed the Mineral Wells game with mono, though he did see some action against Graham.

PASSING ATTACK
Hirsch comes into the game with a quarterback who has impressed the Hawk coaching staff that they believe Michael Calhoun may not only be the best in the district, but possibly in the state.

Not only is the 6-2, 175-pound senior an outstanding runner, he is even a better passer. The strong-armed Husky has connected on 23 of 47 attempts thus far this season for 437 yards and three touchdowns, and hasn't yet been intercepted.

His favorite receiver is another senior, R.L. Harris, who has great speed and great hands to go along with his 175-pound frame. He's caught eight aerials for 266 yards thus far, and scored three times.

And the Hawk defense is vulnerable to the pass, as Graham so strongly pointed out last week. The Steers hit the Hawks for three touchdowns through the air, connecting on five of only eight attempts.

Hirsch is an extremely mature team, too. Only four players on their entire team are juniors, and the rest are seniors.

Watkins had to pull up another sophomore from the junior varsity to bolster the lack of depth among running backs. Toby Smith made the 10th sophomore on the varsity.

But despite the records prior to the Hawk-Husky game each year, those who've followed the meetings of the two clubs over the past can attest to one thing: there's never been a boring game when Iowa Park and Hirsch teams take the field.

DPS HELICOPTER JOINS SEARCH
...Massive manhunt for 12-year-old runaway

Missing youth returns

In the wake of an unsuccessful nighttime manhunt, an Iowa Park sixth grader returned home early Saturday morning after he had been missing about 40 hours.

Lee Roach, 12, son of Mr. and Mrs. Wayne Roach of 311 E. Aldine, returned home about 4 a.m. Saturday, Iowa Park police said.

He had been missing since shortly after lunch last Thursday, the day report cards were handed out to Iowa Park students.

James Ward, principal of Valley View School where the youngster was a student, said Roach didn't report to classes after lunch.

The principal said another student saw Roach leave through a door near the cafeteria on the west side of the rural elementary where Iowa Park students are bussed.

Parents of the boy became alarmed when he didn't arrive home on the school bus.

By 6 p.m. last Thursday a manhunt was organized, according to Bud Thompson, chief of Iowa Park's volunteer fire department.

Absentee voting begins

Today marks the second day of absentee voting in the Nov. 7 general election.

Iowa Park residents who know they will be unable to make it to the polls on election day may cast absentee ballots through Nov. 3 at the school tax office here.

While most offices are being sought by uncontested Democrats with a sprinkling of weak challenges posed by Republican, Socialist Party and Raza Unida party candidates, there are hot races for two major offices that will be fought down to the wire.

Democrat John Hill and Republican Bill Clements continue to expand their campaigns in an effort to become governor of Texas.

Incumbent GOP U.S. Senator John Tower is facing strong opposition in his return bid from Bob Krueger.

Much less dramatic campaigns are being staged in the other contested races including the race for the Texas House in District 53 pitting incumbent Rep. Charles Finnell of Holliday against Wichita Falls insurance salesman Gail L. Sogard, a Republican.

Baumgardner-Lington vows exchanged Sunday afternoon

The Brethren Church at Crosby was the scene of a double-ring ceremony Sunday afternoon uniting Miss Laura Leigh Baumgardner and Evan Ross Lington. The Rev. Herb Thompson officiated for the service uniting the daughter of Mr. and Mrs. Billy Baumgardner of Crosby and the son of Mrs. Eleanor Bell of Iowa Park.

The altar decorations featured an open Bible flanked by branched silver candelabra holding yellow candles, and tall standing baskets filled with fall bouquets. Church pews were marked with large yellow satin bows.

Selections chosen for the musical setting were "Hawaiian Love Song", "You Light Up My Life" and "Never My Love".

The bride was presented in marriage by her father. For her wedding, she chose a formal white Duchess satin gown designed with a slightly raised bodice enhanced with a Queen Anne neckline, reembroidered lace motifs and long sleeves. The full skirt swept into a chapel train. She wore an illusion fingertip veil caught to a camelot cap of reembroidered lace. She completed her bridal costume by carrying a bouquet consisting of a white orchid, white daisies, miniature mums and gypsophila.

The bride's attendants were attired in long forest green Qiana gowns and carried fall bouquets. Miss Sandi Prudhomme of Lafayette, La. served as maid of honor. Miss Cindy Dake of Houston was bridesmaid and Miss Cindy Baumgardner of Crosby was junior bridesmaid.

The groom was attended by his two brothers. Gerry Lington of Galena Park was best man and Christopher Lington of Houston was groomsmen. Tom Baumgardner and Bruce Baumgardner of Crosby ushered and seated guests. Each was

MRS. EVAN ROSS LINGTON

attired in a navy blue tuxedo.

The bride's mother wore a blue Qiana gown fashioned with a peasant neckline, sleeves puffed at the elbows and belted at the waist with a silver cord. The groom's mother was attired in a brown floral knit gown with a mandarin collar complemented with a cape ruffle.

Mrs. Baumgardner wore a white orchid and Mrs. Bell wore a yellow orchid.

The bride was graduated from high school at Lafayette, La. and the University of Texas School of Allied Health at Houston. She has worked at the Methodist and Hermann Hospitals in Houston as a respiratory therapist. The groom was graduated from Iowa Park High School and received a degree in chemical engineering from the University of Houston where he was commissioned a 2nd Lt. in the U.S. Army. The couple will live in Stuttgart, Germany.

The bride's parents were hosts for the reception following the wedding at their home. The refreshment table was draped with white lace and carried out a yellow and green color scheme in appointments. The centerpiece featured a bouquet of yellow daisies. Heirloom silver candelabra with uprisng yellow tapers, the silver punch bowl filled with green punch, and the

three-tiered cake accented with yellow daisies and green vines frosting details and topped with satin wedding bells completed the decor.

The rehearsal dinner was held Saturday evening in the home of the bride's parents.

When the couple left for New Orleans, La. for a short wedding trip, the bride wore a grey wool plaid skirt with matching vest and a rust blouse.

Mr. and Mrs. Walter Spruiell of Iowa Park were among the out-of-town wedding guests. Others included the bride's grandparents, Mr. and Mrs. T.E. Landrum of Shreveport, La. and Mrs. D.M. Clements of Bossier City, La.; her aunt, Mrs. C.D. Prudhomme and Mrs. Martin Stuart, both of Shreveport, La.

Cook of the Week

Breakfast is one of the most important meals, according to nutritionists, and yet, it is perhaps the most neglected meal for many reasons. One is that people just prefer to sleep longer and skip breakfast; another is that they just do not relish food so early in the morning. It seems that pancakes, the traditional breakfast treat in America, can whet the appetites as much as anything on the breakfast bill of fare.

The popularity of pancakes dates back to the pioneer days when ovens were not always available and griddlecakes were the only form of bread to be made. The first pancakes were made of pounding grain and water and spread on a rock to cook. Every country has its own variation of pancakes. Mrs. Larry Washburn gives us a recipe for Baked Pancakes which yields 8 to 10 pancakes and eliminates time in cooking and turning each cake separately.

Linda Washburn and her family moved to Iowa Park from Longview in July. She does not consider cooking one of her favorite hobbies, but the recipes that she submits this week attest to her desire to prepare well balanced and appetizing meals for her family, and also hint that she, like most cooks, is searching for new recipes.

The wife of Larry Washburn, minister of the recently organized Iowa Park Missionary Baptist Chapel and an employee of Wood Convalescent Center, Linda is busily engaged in the work of the church where she serves as pianist and Sunday School teacher and as assistant clerk of Grayson County Association. She was graduated from Hardin, Texas High School. She likes to sew and read.

The couple's children are Debbie 15, Tammie 10, and Tracy 5.

for 20 minutes or until top springs back when lightly touched. Invert onto serving plate. Serve hot with additional syrup and margarine, if desired.

CREOLE BAKE FILLETS
2 lbs. fish fillets (Catfish and red snapper are best although perch can be used.)
2 T flour (not self-rising)
1 small onion, sliced
1-16 oz. can tomatoes
1 small jar drained and chopped pimentos
1 bay leaf
1 t salt
Dash of pepper
1/4 t oregano

Place fillets in baking dish. Mix other ingredients together and pour over fillets. Bake at 350° for 1 hour.

CHEESEBURGER BISCUIT SQUARES
1 1/2 lbs. ground beef
1 (1 1/2 oz.) pkg. Stoppie Joe or chili seasoning mix
1-8 oz. can tomato sauce
2-8 oz. cans refrigerated biscuits
6 slices American cheese

In large skillet, brown ground beef, drain. Stir in seasoning mix and tomato sauce. Simmer while preparing crust. Separate one can biscuit dough into 10 biscuits. Pull biscuits apart to make two-layer biscuits.

Arrange 5 rows of biscuits on bottom of ungreased 13x9 inch pan. Spoon hot meat mixture over biscuits; arrange cheese slices on top. Separate second can of biscuits into 10 biscuits, then pull each apart. Arrange biscuits in rows over meat mixture. Bake at 400° for 20-25 minutes until golden brown.

PECAN PIE SURPRISE BARS
Yield 3 dozen bars.
1-18 1/2 oz. pkg. butter or yellow cake mix
1/2 cup butter or margarine, melted
1 egg
1 cup chopped pecans

Combine all ingredients and mix well. Cook in greased casserole for 40 minutes at 375°.

NO-FAIL CHOCOLATE CAKE

Put in large bowl:
2 cups flour
2 cups sugar
Boil:
1 cup water
1/2 cup shortening
1/2 cup margarine
4 heaping T cocoa
As soon as the mixture boils, pour over sugar and flour. Stir until mixed thoroughly, then add:
2 eggs, slightly beaten
1/2 cup buttermilk
Mix well, then add:
1 T vanilla
1 t cinnamon
1 t soda

Mix thoroughly and pour into greased and floured cake pans. Round or sheet cake pans can be used. Bake at 375° for 30 minutes.

Note: Will be like a pudding cake if underbaked a little, and is almost impossible to dry out if overbaked a little while.

Cake decorating program topic

Mrs. H.M. Mahler, a well-known cake decorating artist in the area demonstrated cake decorating and instructed members of the Iowa Park Garden Club in the art at the meeting Friday morning. Mrs. Frank Harlin introduced Mrs. Mahler who decorated her first wedding cake in 1941. Club members participated in decorating a cake that was given to Texas Electric by forming the roses, leaves and border.

Mrs. Harlin and Mrs. N.D. Hodson were hostesses for the meeting that was held in Texas Electric Reddy Room.

Horticulture specimens were brought by Mrs. China B. Smith, R.G. Warner and James A. Sewell.

Other members attending were Mmes. Johnny Bernstein, Joe R. Cope, R.B. Faulkner, L.C. Hill, C.L. Lee, Ida Parker, Luther Shaw, Kathleen Hatten, David Parkey and Thurman Reitz.

Mrs. Sewell is elected

Mrs. J.W. Farmer, president of the Modern Music Study Club, led the federation hymn and collect to open the monthly meeting held Thursday evening in the home of Mrs. China B. Smith. Sharing hostess duties were Mrs. Bertha McDonald and Mrs. Estle Gallop.

During a short business meeting, Mrs. James A. Sewell was elected choral director and to the by-laws committee.

Mrs. Otis Gay gave the story of "Our Father, Thy Dear Name Doth Show" by Gottfried Wilhelm Fink, the hymn of the month.

Mrs. McDonald presented the study for the meeting on "West Side Story." Vocal solos were contributed by Mrs. Vern Horsky, accompanied by Mrs. Gay, who sang "Climb Every Mountain"; Mrs. Michael Jackson who offered "Smoke Gets in Your Eyes", with Mrs. Sewell accompanying, and Mrs. Johnny Bernstein who presented "June Is Busting Out All Over". Mrs. Otis Gay played piano accompaniment for her.

Mrs. John Renstchler, pianist, played "Bala Ha" and Mrs. Gallop accompanied the members as they sang "Whistle a Happy Tune."

Mrs. Cleghorn gives program

Gayle Cleghorn gave the program on "Finding Our Place" for Alpha Epsilon Omicron chapter of Beta Sigma Phi in the meeting Tuesday evening in the home of Sue Owens.

In stressing how realistic people need to set realistic goals, she discussed the cost involved in achieving and maintaining in reference to time, effort and dedication. In keeping with the program topic, members told their goals for the next five years as they answered roll call.

Lavonne Stogner and Marge Conklin led opening and closing rituals.

Karen Fullerton presided during the period devoted to business. Nine members made reservations for the Faith City Council fall tea at the First United Methodist Church in Wichita Falls Sunday afternoon, and Miss Stogner was chosen to represent the chapter as a model in the fashion show.

It was voted to support the Faith City Council service project in providing financial assistance for a family with high hospital bills and funeral expenses. Danny Holman was selected the Cowboy of the Year and will represent the chapter at the dance Nov. 4 at Maskat Temple.

The president, assisted by Penny Veal, membership chairman, conducted pledge rituals for Barbara Peeler. Others in attendance were Gloria Bond, Florence Holman, Jimmie Isbell, Lela Garrels and Wanda Wilson.

Restoration is program

The homemaking teachers of Iowa Park High School, Linda Ayers, Cindy Mannas and Judy Jones gave a program on restoration of homes at Jefferson, Texas to highlight the Young Homemakers of Texas meeting Monday evening.

Mrs. R.L. Redcliff was in charge of business when it was voted to serve cheese nachos at the Burk Burnett - Iowa Park football game Nov. 10 and to have a garage and bake sale Nov. 11.

The Nov. 20 meeting will have a touch of Christmas through the showing of Yuletide greenware ideas by Mrs. Carlos Aquilla Miranda and Christmas felt ideas with patterns by Mrs. Steve Ayer and Mrs. Billy Hacker. All interested are invited to attend. A babysitter will be provided.

Fourteen attended the meeting and Mrs. Redcliff won the door prize.

Remember when little treats had little prices?

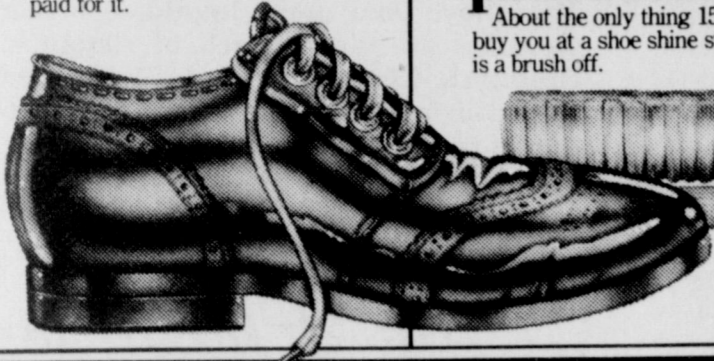

The nickel root beer?
Once found foaming all over America, this is as hard to find now as the buffalo head nickel that once paid for it.

The 20¢ picture show?
Sorry. Today the 20¢ picture show has gone with the wind.

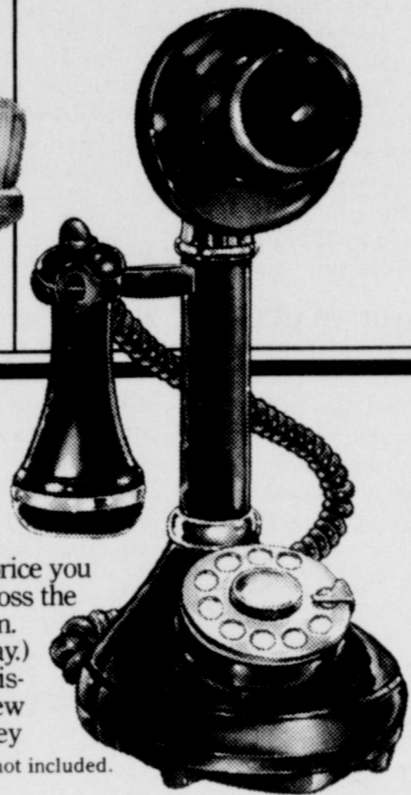

The 15¢ shoe shine?
About the only thing 15¢ will buy you at a shoe shine stand today is a brush off.

The 10¢ cup of coffee?
You might still find this in remote villages in South America, but even there the price is often hard to swallow.

The Long Distance telephone call?

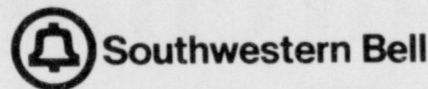

Today, one still does.

In fact, today's Long Distance rates are cheaper than years ago. A whole lot cheaper.
For example, 84¢* today will buy you a 3-minute call clear across the country, when you dial One-Plus from 5 p.m. to 11 p.m. Sunday through Friday.

Or for about the same price you can make a 5-minute call across the country on weekends. (11 p.m. Friday through 5 p.m. Sunday.)
So why not call Long Distance today? It's one of the few treats left where a little money still goes a long way. *Tax not included.

Long Distance. What else is so nice for the price?

Mrs. Gilstrap speaks on arthritis topic

Parts of the Arabian Desert have only been seen from the air. Its name in Arabic means "the empty place."

Mrs. Allen Gilstrap gave a program on "Glow of Life" covering arthritis, a District VI project for the year, at the Tuesday evening meeting of Epsilon Eta chapter of Epsilon Sigma Alpha.

"The word arthritis literally means inflammation of the joint, and is used to describe around a hundred conditions which cause aching and pain in joints but do not involve inflammation," Mrs. Gilstrap said to introduce the informative talk.

She discussed the five most common forms of arthritis: rheumatoid, osteoarthritis, ankylosing spondylitis, SLE or lupus, and gout. She also mentioned rheumatic fever, bursitis, fibrositis as other types and emphasized the work of the Arthritis Foundation in seeking the cause, prevention and cure to the crippling disease.

Mrs. Paul Tigrett and Mrs. Jim Dyer were hostesses for the meeting at Woodbriar Apartments recreation room.

Mrs. Bill Hrneirik conducted the business, Mrs. Charles Dudley was named chairman of Epsilon Eta chapter's responsibilities in the 1980 State Convention and Mrs. R.B. Faulkner and Mrs. Kenny Jones were named to serve with her.

Mrs. Bud Mercer was named chairman for the Men's Hospitality Room at the same convention.

Mrs. Roy Johnson gave final plans for rushing activities and Mrs. Dalton Bleeker was appointed chairman of the entry in the Christmas parade, with Mrs. Gilstrap and Mrs. Bob Hunt serving on the committee.

Mrs. Hunt appointed Mrs. Tom Compton as general chairman and Mrs. Jim Dyer co-chairman of the Thanksgiving dinner.

Mrs. Dudley, ways and means chairman, announced the Christmas Bazaar for Dec. 2 at the ASCS building.

As I See It....

By BOB HAMILTON

Hirschi.

So be sure you don't miss a game.

It appears the vandals are thumbing their noses at the public. Notice that story on the front page of this issue.

Someone is going to get hurt before this is all over, unless it stops, and stops now.

But we've all been hurt, already, in our pocketbooks!

The money market looks bleak in the future for Americans. A report this week indicates one group figures the prime loan market - that's for the ones who borrow in the millions - will reach an all-time high in about 18 months of 12 percent interest.

You normally pay about 10 or 12 percent on a car loan when the prime rate is less than seven, so you can see what small loans are looking like.

I've noticed that more and more businesses go to people like unions and insurance companies for loans, especially when they have trouble

getting unsecured loans from a more conventional source, like a bank.

Unions and insurance companies, you see, aren't regulated like conventional institutions. If an insurance company lends the money and doesn't get full payment, it's just charged off as a business expense, and premiums are raised. Understand?

Unions not repaid just tell their members "sorry".

What started this subject was the Oct. 14 issue of the TV Guide magazine.

All second-class postage publications, TV Guide and Iowa Park Leader, etc., must publish a statement annually as to ownership, circulation and who holds loans against the publication.

TV Guide lists 13 insurance companies who are "known bondholders, mortgages, and other security holders owning or holding one per cent or more of total amount of bonds, mortgages or other securities" against the publication.

Humor 'n Whimsey

Joe Riordan

Wives have a way of putting things in their proper perspective. At least it's that way with the Lifetime Helpmate. Her succinct remarks to me are often as straight as a laser beam - and just as deadly.

Take the time I was serving as publicity chairman for the Chamber of Commerce in West Texas. I came up with the idea of a free weekend in our town for some travelers who were passing through. The plan was simple. I would ride in a police car with a local gendarme. We would spot an out-of-state car on the highway which ran through the edge of town - stop it and ask the travelers to spend Friday and Saturday nights as guests of the Chamber of Commerce.

Within a few days the plan was set. In addition to free lodging at a local motel, I had arranged for the travelers to receive free gasoline, car washes, and souvenirs from local merchants. A reporter suggested taking pictures of the guests to send to their hometown papers.

I told the Lifetime Helpmate about the plan. She said it made about as much sense as putting a screen door

on a submarine. "What if the people want privacy - like honeymooners? What if they are in a hurry to get somewhere else?" "What if ...? What if ...?" I scoffed. "Damn the 'what ifs' Full speed ahead!"

The following Friday afternoon we put the plan to work and stopped a couple with out-of-state plates. The man was nervous. The woman seemed embarrassed. I presented the certificates for the freebie weekend and took them to the motel where I shot pictures as they checked in.

As I started for my car the man caught up with me. "What are you going to do with the pictures?"

"I'll have prints made and they'll be on the way to your hometown newspaper tonight."

He shifted his feet uneasily. "I wish you wouldn't do that. You see ... uh ... that's not my wife."

I handed him the roll of film, called the Chamber's president and cancelled the program.

When I told the Lifetime Helpmate she looked at me and just smiled. As I said ... wives have a way of putting things in their proper perspective.

No change in condition

Laurie Tatom, 17, the victim of a train-auto mishap here last week remained comatose yesterday in Wichita General Hospital, according to a family member.

Her condition is unchanged, according to the family member. Miss Tatom is the daughter of Mr. and Mrs. R.G. Tatom of 308 W. Chestnut.

She was seriously injured Oct. 9 when her car was struck by a Burlington-Northern coal train at the Victoria Street crossing.

A fund has been established at State National Bank to help pay medical expenses. Also canisters have been placed in various stores where donations are received. There is no insurance coverage on the victim, it was reported.

Sales taxes reported

City of Iowa Park has been reimbursed \$2,985 for the October payment period for the one percent sales tax collected by local merchants.

During the same period last year the city was rebated \$3,060.

So far this year Iowa Park has been rebated \$58,094 as compared to the \$49,793 that had been returned to the city by October 1977.

Municipal coffers are experiencing a 16 percent increase in rebates as compared to this time last year.

Launa Thrush is big winner

Launa Thrush, six-year old daughter of Mr. and Mrs. Loy Thrush, competed in the International Modeling and Talent Association contest Saturday at Oklahoma City and came away with several honors.

Entered in three modeling events, she received four awards: third in sportswear; first in sleepwear; second in party dress; and first place overall award.

In the talent division, she received a first place award for her jazz dance routine.

She also placed second in the Cameo Girl Beauty Pageant held in conjunction with the other events.

55 candidates report for girls' basketball

Workouts officially began this week under new girls' basketball coach Teresa Grace for some 55 high school athletes. Speaking before the Noon Lions Club Tuesday, Coach Grace said of the 55 candidates, only 15 are juniors and seniors, indicating this year's team will doubtlessly be another young club. Last year's team was dominated by freshmen. Physical conditioning and basic fundamentals are concentrated on in these early workouts, Coach Grace said. She explained they lacked many of the basic fundamentals, and the conditioning is emphasized because this year all girls' teams will play "five on five" boys' rules.

This is the coach's first year as a high school coach, coming here from Oklahoma Univ. where she was a graduate assistant coach while working on her Ph.D. Finding workout time is proving to be a problem for basketball, as in the past. Girls' basketball has the court sixth period and continues until 4:15. Volleyball takes the court at that time and trains until 6. Boys' basketball, which has an hour third period, starts regular workout after volleyball.

The Hawkettes will open their 22-game season Nov. 16 against Windthorst. She also pointed out the junior varsity will play 13 games this season, freshmen 18, eighth grade 15 and three tourneys, and seventh grade 12 games and one tourney.

Coach Grace said she was impressed with the caliber of players who had reported for workouts. "There are a lot of them, a lot of desire and they really want to play ball. That's 90 percent of it."

Hill backs tax relief on ballot November 7

"We've got a great opportunity Nov. 7 to take a significant first step toward tax relief in Texas. I'm urging everyone to vote for the proposed constitutional amendment to give tax relief to our farmers and ranchers, homeowners, and elderly. After this amendment is adopted, I'll be ready to take the lead in the 1979 legislature to follow through on this first step."

Top of Texas titles up for grabs Saturday

The championships of the Top of Texas Football League will be decided Saturday afternoon at Griffith Field.

Four games will be played to decide first place and third place in both the midget and pee wee leagues, when representatives of the West and East Divisions dash.

Bradford and Seymour will battle at 2 p.m. for third place in the pee wee league, followed at 3:30 by Seymour-Holiday midget clubs vying for third place.

The Kidwell pee wees, who won 24-6 over Bunker Hill Saturday, will take on Capehart at 6 p.m. for the league championship.

In the final game, which is slated for 7:30, Kidwell and Bradford will battle it out for the midget championship. Kidwell shot down Bunker Hill 24-0 Saturday for the Western Division title, while Bradford put the same score on Holiday for the Eastern crown.

Junior Hawks sweep Olney

Iowa Park Junior High swept a two-game stand against Olney here Tuesday night.

Craig Whisnand scored from four yards out and Brian Gray punched across a two-point conversion to account for the seventh grade's 8-0 score. Del Haley had a pass interception.

Larry Sampley romped for both the eighth grade touchdowns, as Iowa Park rolled to a 14-6 decision. Sampley's TDs were from 35 and 41 yards out. Wayne Hodges accounted for the two-point conversion.

The teams travel to Burkburnett Tuesday for a two-game stand, starting at 5 p.m.

Debbie Hill is elected

Debbie Hill, daughter of Mrs. A.J. Hill of Box 232 Peterson Road has been elected one of five freshman class congressmen at Hardin-Simmons University.

Miss Hill is a music education major at H.S.U.

Area bands to perform

The Hawk Band will perform Tuesday in a pre-marching festival in Wichita Falls Memorial Stadium, according to Director David Mooney.

The event is to begin at 7:30 p.m., and Iowa Park is slated to take the field around 8:30.

Municipal Court Records

Results of municipal court held here last Thursday were:

Monty Lynn Britt, disobeyed stop sign, \$38.50.

Local study clubs to host workshop

The fall Santa Rosa District workshop will be held in Iowa Park Saturday at First United Methodist Church. Hosting the meeting will be the 1934 Study Club of Wichita Falls, 23 Study Club and Philia Study Club of Iowa Park.

Mrs. Earl Watson, president of Santa Rosa District, will be the presiding officer. Presidents of the host clubs are Mmes. A.V. Mahan, E.F. Soell and Deryl James.

The day's activities will start at a coffee and registration between 9 and 10 a.m. and the workshop will be opened with prayer by Mrs. Albert Owen of Wichita Falls. Mrs. Robert Norriss of Burkburnett will lead the pledge of allegiance, and Mrs. Watson will conduct a brief business meeting.

Mrs. Jerry Padgett will discuss the Community

Mrs. Keeter leads study

Mrs. S.B. Keeter directed the study of "Women of the Bible" which focused attention upon women who were prophets and judges and noted in their work in Hebrew history for the United Methodist Women's meeting Tuesday morning.

She was assisted by Mrs. Larry Parks, who described Rachel, Jacob's wife, and Mrs. C.L. Thompson, who gave a character portrayal of Ruth, the Moabitess, the wife of Boaz and ancestor of Christ.

Other notable women in the Old Testament studied were Miriam, who saved Moses from death, Deborah, who helped to restore Israel back to God's ways, and Hulda, the prophetess.

Preceding the coffee, Mrs. R. Carrillo Miranda, who is moving to Florida, was honored at a coffee.

Also present were Mmes. T.J. Pace, L.A. Teal, Hazel Perry, James Owens, China B. Smith, Chauncey Weller, Carroll Heister, M.L. Hines, L.L. Lindesmith, James Todd, Emma Gauntt, Kathleen Hatten, Travis Smith, Don Cook, Don Beals, Charlie Thompson, Miles Thompson, H.M. Mahler, Carl Sullivan, C.L. Lee, Phil Krum, R.M. Camp Fire plans made

Nine members of the Iowa Park Camp Fire Leaders Association attended the monthly meeting held Thursday at Texas Electric Reddy Room. Mrs. Jimmy Chafin was in charge.

Proceeds from the Whoop-Do cake walk were distributed to leaders to be used in their respective groups. Plans were made for a Fun Day in November to benefit all Camp Fire Girls and Blue Birds in Iowa Park.

Mrs. Chaffin reminded leaders of the Parade of Toys to be held Nov. 18 at First Baptist Church in Wichita Falls, an important annual event where each girl attending donates a toy for a needy child at Christmas.

Other leaders present were Mmes. Don Wilson, James Garrett, Phillip Crawford, Tim Kaspar, Billy Beavers, Jerry Hodges, Don Moser and Donald French.

Brownies travel on Quannah trip

Girl Scout Brownie Troop 34 went on a "Do-It-Yourself" outing to Quannah Saturday where they learned the favorite games and dances of children in several different countries.

Girls who made the trip were Christy Clark, Jami Ming, Donna Park, Stephanie Peak and Debbie Richard. They were accompanied by Mr. and Mrs. Stephen Ming and Mrs. Jessie Park.

Improvement Program and Mrs. Harold Campbell of Matador, first vice president, will discuss reporting procedures.

Becky Davis, drug abuse coordinator for Nortex Regional Planning Commission, will address the group on "It's Everybody's Problem" to conclude the morning session.

A salad luncheon will be served at noon.

Miss Ethyle Kidwell will give "Hints for Old and New Presidents" as the first feature on the afternoon's agenda. Mrs. Watson will speak on Federations Role in Enterprise Economy, and Mrs. Fred Hunt of Burkburnett will discuss "Money and the Local Club".

At 2 p.m., the 23 Study Club will be hostesses for an appreciation tea honoring Mrs. Watson.

Steer big play, Friday 13th prove too much for Iowa Park

Iowa Park may never schedule another varsity football game on Friday the 13th.

From the problems the Hawks had Friday at Graham, you would have thought there had been a black cat crossing the road in front of their bus each mile they traveled, and a ladder atop each crossover. Four big plays by the host Steers, coupled with turnovers and penalties by the Hawks, led to the worst shellacking the Mean Green has suffered this year - 44-16.

Though they started off in the hold, 14-0 after 2:13 had ticked off the clock and Graham had run six plays, the young Hawks were still in the game until a long, 96-yard pass in the third period broke the game wide open.

Take away four big plays, and Iowa Park could have won the game. The Hawks led in first downs, 20-18, and were only 45 yards short of Graham's production for the evening, 377-422. In fact, Iowa Park got off 70 offensive plays to Graham's 54.

But two passing plays netted touchdowns of 53 and 96 yards, and two rushing touchdowns covered 24 and 32 yards, and they were just more than the Hawks could survive.

Iowa Park stayed with its game plan until early in the third period, when Graham surged ahead 28-8, and then had to change from a ground game to aerial circus. In fact, the Hawks had only one play from scrimmage in the entire fourth quarter that was not a pass, and that was an intended pass play when the quarterback was sacked. Leading Iowa Park's ground corps, which finished with 224 yards, Troy Thompson gained 116 yards on 20 carries. Robert Hastings contributed 44 yards, Troy Linthicum 36 and Calvin Sampley 18.

The Hawks were not without their own aerial success, either. Quarterback Gary Blackerby completed 13 of 22 attempts for 153 yards, a touchdown and a two-point conversion.

FIRST SCORE
 Graham won the toss and elected to take the opening kickoff. The Steers brought their stands full of homecoming celebrators to their

feet by scoring on a 53-yard pass the first play from scrimmage.

Mike Smith returned the following kickoff four yards, but fumbled on the Hawk 32, and four plays later, Graham led 14-0, with 9:47 still remaining in the first quarter.

Iowa Park quickly got back into the game, scoring six plays later on a sustained 65-yard drive, when Hastings ran a reverse around his left end 18 yards into the end zone. Thompson went around right end for the two-point conversion.

Graham scored on a 72-yard drive early in the second quarter, but the drive was aided on a third down play at the Hawk 24 in which Iowa Park coaches argued the Steer quarterback moved to draw Hawk linemen off sides. Their argument didn't stand up, however, and Graham received a first down on the Iowa Park 19, and went in three plays later.

The Hawks almost scored in the fading seconds of the first half. They marched steadily, after Graham's kickoff, from their own 14 to the Steer 12 1/2 yard line where they picked up a first down. Linthicum picked up three, Thompson four and Hastings took it down to within a foot of a first down. But Linthicum was cut down short on the next play, and Graham took over, killing the drive.

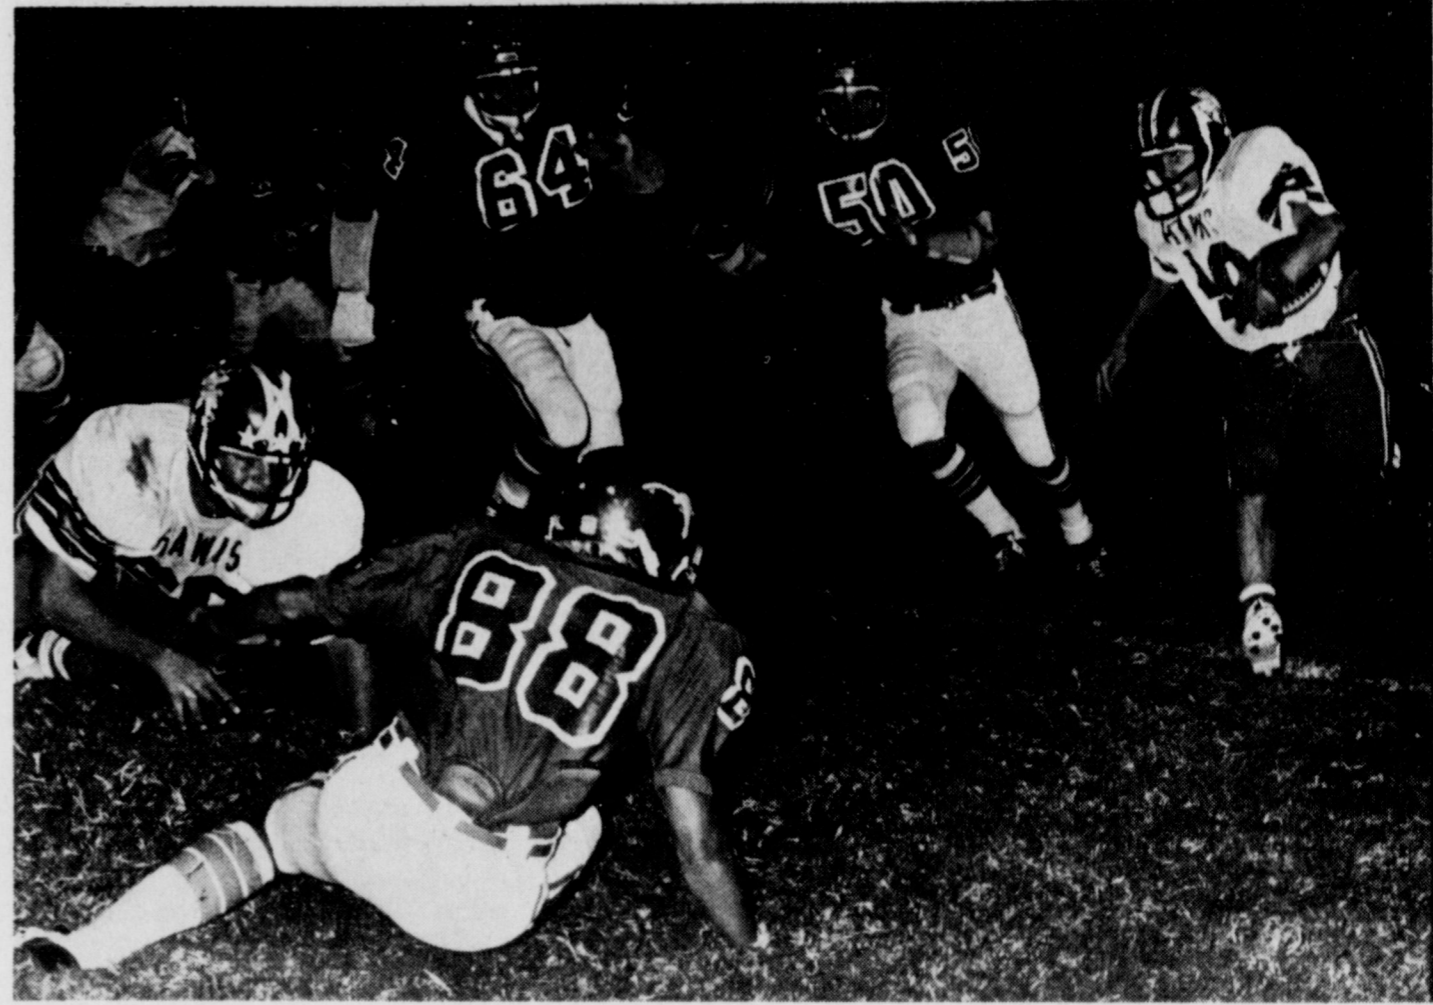

After taking the opening kickoff of the second half, the Hawks were forced to punt from Graham's 44 yard line. Ron Taylor's punt rolled dead on the Steer four, and the Mean Green defense went in prepared to stop what they figured to be a conservative rushing series.

Instead, Graham threw a short jump pass over the middle of the line and the receiver outran Hawk defenders 96 yards to take a 28-8 lead.

The host Steers scored again in the opening minutes of the last period to widen the score to 31-8.

Then Iowa Park's aerial circus began. Blackerby completed a couple but then was intercepted at the 50 yard line. But on the next play, Graham fumbled and Tommy Ross covered the ball on Graham's 45.

Brown for a 36-yarder, and then connected with Taylor on the next play to score from nine yards out. Blackerby hit Brown for the two-pointer.

The hosts scored twice more in the last six minutes, with the final coming eight seconds before the end of the game.

Three wins, one tie, with Seymour

Holliday's eighth grade, freshmen and junior varsity gridiron units defeated Seymour teams last week while the Big Red seventh grade tied the Panthers in a scoreless contest.

Today all four teams will take on Petrolia with the two junior high teams hosting the Pirates and the high school teams traveling to Petrolia. Both double-headers will begin at 6 p.m.

Holliday's eighth grade romped over Seymour 22-18 with Jeff Belcher lighting the scoreboard for the Eagles in the first quarter on an eight yard TD sprint to cap a 55 yard offensive drive.

In the second quarter Brad Harmon ran in a TD from 45 yards out. The score was set up on a 30 yard aerial from Mike Parker to Kevin Blakenship. Belcher supplied the two point conversion.

Parker returned in the second stanza to punch it across into the end zone from eight yards out. He

also made the extra points.

Parker also hauled in a miscued Panther pass.

Other standouts were Bruce Bynum, Timmy Stubbfield, Chuck Evans, Tony Woods, Tracy Woods, Gill Gilbert, Clint Lee, Kendall Stone, Jesse Fair, Keith Ferguson, Mike Parker, Jeff Belcher, Kevin Blakenship and Brad Harmon.

Holliday's freshmen sneaked past the Panthers 6-0.

The lone TD came in the second quarter on a 20 yard pass from Joe Mankins to Brad Harden.

Eddie Flowers captured the limelight on one occasion when he intercepted a Panther pass.

The Eagle Junior Varsity upended Seymour 14-6.

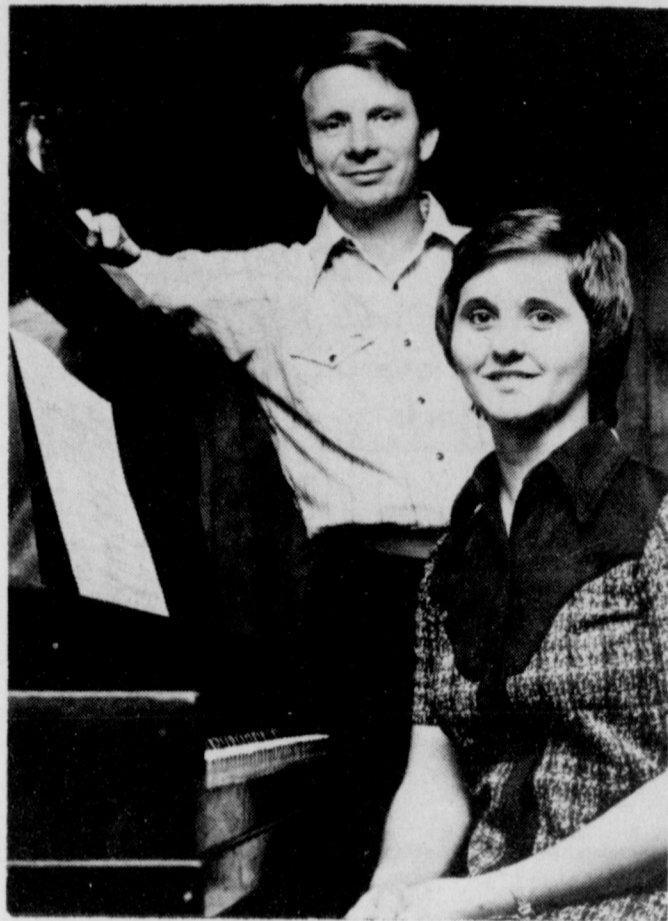

Johnny Jones drew first blood for the Eagles on a 55 yard TD run. Ray Looney supplied the extra points.

Looney came back in the final stanza to score on a sprint from midfield. The extra point try failed.

Lindal Dolberry hauled in two interceptions for the Eagles.

Husband vs. wife at halftime

His-and-her teams aren't all that uncommon in show business, but the standard will be redefined during halftime of Friday night's Holliday-Petrolia gridiron clash.

The talents of Dwade and Rita Reinsch will be in the spotlight.

Reinsch is in his fourth year as director of bands at Holliday while his wife this year assumed responsibili-

ties of the new band program at Petrolia.

Although in a limited sense the two bands will be competing during Friday night's halftime show, Mr. and Mrs. Reinsch help each other with their band related chores.

Monday evening she helped him line (with chalk) the Holliday band's practice marching field. They also help each other with musical arrangements.

They had hoped to present a halftime show combining both bands as a special treat to fans Friday night but hectic schedules prohibited finalization of the idea.

Reinsch, who will field 84 bandmen Friday night for the same show they will take into UIL competition, received his bachelor's in music education at Abilene Christian College and his master's from Texas Tech University.

Mrs. Reinsch received her similar bachelor's from Midwestern State University after doing work at ACC and Tech.

They have two children, Chris, 5, and Jennifer, 4.

Policeman, street repairs top council's agenda

Holliday City Council Monday night continued its search for a police officer and labeled repairs to College Avenue as a priority project.

The council indicated it had received about a half of a dozen applications for the policeman's job caused by the suspension and indictments returned against former officer Larry Zimbelman for alleged indecency with a child.

Following a 30 minute executive session, councilmen indicated they would continue background investigations on the men who have applied for the job.

Also as the result of the session behind closed doors the council voted to advertise to general maintenance personnel. City employee Elvin Hoover resigned Monday for undisclosed reasons.

COLLEGE AVENUE CRISIS

Although the subject was nothing new to councilmen

they were confronted by Mr. and Mrs. Ray Briggs concerning the deteriorated state of College Avenue.

"I've lived here five years and it's never been touched," Briggs told the council. "It's used by a lot of people... It's a pathetic mess."

Briggs cited heavy truck traffic and the use of persons traveling to the school campus.

Councilman Mary Denney said some street repairs were being postponed because they would have to be dug up when the city's new water system is installed.

Several councilmen explained that College Avenue had been a concern of their's for several months, but that one contractor refused to bid on the project.

Councilman Jim Virdell, who as mayor pro tem chaired Monday night's meeting in the absence of Mayor Ben Ezzell, said the council had discussed the street's condition at its last

meeting. Until more permanent repairs can be made the council voted Monday night to purchase a load of blacktop for city crews to use to patch the chug holes.

In other action Monday night the council passed first reading of its proposed ordinances on junk vehicles and livestock, and decided how to respond to a questionnaire concerning Texas Municipal League's employee health insurance.

After a discussion with Tom Hall, the council tabled action on revisions to dump ground operations.

Councilman Melvin Bills was asked to get cost estimates to repair the garage doors housing fire trucks at city hall.

All councilmen were present at Monday night's regular meeting. Ezzell, who is enrolled in a law enforcement school, returned from his first class Monday night in time to attend part of the executive session.

Sales taxes down 7%

Sales tax rebates to the City of Holliday are down about seven percent, according to the state comptroller's office.

For the October payment period Holliday was rebated \$2,197 as compared to \$3,665 received for the same period last year.

So far this year Holliday has received \$25,610 as a result of the one percent sales tax levied by local merchants. By this time last year rebates had totaled \$27,578.

Two taking basic law

Mayor Ben E. Ezzell and former Holliday city councilman Charles E. Parker are enrolled in a basic law enforcement certification program offered by Vernon Regional Junior College.

In cooperation with Nor-tex Regional Planning Commission, classes are being held at Electra.

The program consists of

240 hours of instruction designed for newly appointed law enforcement officers.

The course includes instruction in general education, criminal justice, basic law, police procedures, traffic control, criminal investigation, juvenile procedures, firearms training and community relations.

Arkansas man dies in crash

An Arkansas man was killed late Sunday in a two vehicle traffic mishap two miles west of Holliday on U.S. 82.

The dead man was identified by Texas Department of Public Safety officers as Daniel Mendoza Guerrero, 33, of Ingalls, Ark. He was driving a pickup truck.

Driver of the other vehicle involved, a semi tractor trailer rig, was identified as William Stevenson of Sapulpa, Okla. He was not

injured, according to the DPS.

DPS said the larger truck was westbound on U.S. 82 when it collided with the eastbound pickup.

The accident occurred about 11 p.m. Sunday.

In an unrelated traffic mishap last Thursday in Wichita Falls Don Ray Ballowe, 58, of Holliday escaped injuries when the car he was driving collided with a vehicle being driven by a Wichita Falls woman at the intersection of 13th and Lamar.

HOLLIDAY NEWS

CHEERLEADERS for the varsity Holliday Eagles this year are DeDe Leonard, Tresa Borton, Penny Parnell, Laurie Mauldin, Kristi Lucy, Carla Cottrell, Carla Lear and Kim Addison.

P-TA election slated Monday

Officers to head Holliday's newly formed chapter of the Parent-Teacher Association will be elected at 7 p.m. Monday in the high school

auditorium. Approval and adoption for organization bylaws also are slated on Monday night's agenda.

It was the day of 13s

In an effort to uncover a significant event concerning the Eagles and Friday the 13th, the obvious was almost overlooked.

The Eagles have allowed opponents only 13 points this year.

In their only loss, the Eagles allowed Electra seven points, and two weeks ago Chico scored six against Holliday.

The number 13 popped in a few other instances during last Friday's gridiron rumble at Millsap.

Halfway into the second stanza Holliday held a 13-0 lead.

On five occasions the Eagles rushed for single gains of 13 yards, and one aerial netted the red birds 13 yards.

The only black 13 that surfaced was one offensive play where the Eagles were thrown for a loss of -- you guessed it, 13 yards.

Benefit playday for Gerry Smiley

A trophy playday to benefit Gerry Smiley is scheduled Sunday by the Holliday Riding Club.

Registration for the open benefit trophy playday will begin at 1 p.m. Sunday at the riding club's arena at Camp Stonewall Jackson on FM 368.

Competition in the six events will begin at 2 p.m. with an entry fee of 50-cents for each event.

Trophies will be awarded high point and first runner-up in each age division.

Holliday wins 41-0 in shower of flags

Despite inconsistent officiating and a flag parade Holliday captured its second conference victory by defeating Millsap 41-0.

Three Eagle touchdowns were nullified by game officials who tossed their yellow rags into the air 19 times against Holliday for a total of 185 yards in penalties. The Eagles had more yards stepped off against them than the Bulldogs accumulated offensively.

The Eagles, however,

maintained control throughout most of the contest racking up 383 yards offensively with the defense producing nearly a dozen turnovers.

James Porter paced the offense with 131 yards, trailed by Rusty McDaniel with 83, Conray Chase with 71 and Stanley Craddock with 55.

Chase recovered two Bulldog fumbles while other Millsap miscues were recovered by Doug Stevens, Dennis Holt, Jim Ezzell and

Jeff Smyers. Millsap aerial miscues were hauled in by Larry Denney and Gerry Graves.

A Holliday fumble and two Millsap quick kicks that pushed the Eagles deep into their own territory kept the first quarter in a scoreless stalemate, but the Eagle offense opened up early in the second period.

The Eagles capped a 62 yard offensive drive on a one yard TD plunge by Porter with 9:38 left in the first half. Mark Wells' PAT

failed.

On their next possession the Bulldogs fumbled and Stevens was there to claim it for Holliday to set up the second Eagle touchdown march begun at midfield.

The drive was iced on a five yard TD sprint by McDaniel. With 5:24 remaining in the second quarter, Wells' PAT put the Eagles out front 13-0.

Holt's fumble recovery on the next play from scrimmage gave the Eagles possession 11 yards from

paydirt. Porter picked up five, then the officials put the Eagles back five. Barry Lawson hit Kent Lemons on a 10 yard aerial, one step from paydirt.

Porter covered the ground with no trouble, but a flag on Holliday nullified the touchdown as another 15 yarder was assessed against the red birds. Chase covered the distance in one gulp, a 16 yard TD romp that drew another yellow rag when he spiked the ball which cost the Eagles 15 yards on the kickoff. Wells' PAT was good.

What could be described as a gridiron circus erupted on Holliday's next possession when one of Lawson's passes was intercepted. It appeared the Millsap defender with the interception fumbled and the pigskin was recovered by McDaniel.

But the officials didn't see it that way as the ball remained in Millsap's possession.

However, the tide was turned four plays later when the Bulldogs were forced to punt. An Eagle blocked the punt and Chase recovered it in the end zone for an Eagle TD.

Wells split the uprights and the Eagles went to the dressing room with a 27-0 margin.

Ezzell recovered a Millsap fumble early in the third period to set up Holliday's next touchdown drive begun 17 yards from the end zone.

It appeared McDaniel scored two plays later, but the touchdown was nullified and five yards were stepped off against the Eagles.

Joey Kincade put the Eagles back in good shape with Craddock doing the TD honors from five yards out.

Wells hit his mark and the Eagles expanded their lead to 34-0 with 9:25 left in the third quarter.

Graves intercepted a Bulldog pass to set up the final Eagle score, a 40 yard offensive effort capped by a four yard TD romp by Chase. Wells supplied the PAT, building Holliday's lead to 41-0.

Neither team seriously threatened again until the fading minutes of the contest when the Eagles began an offensive march on the Bulldog 44 after Smyers gave the Eagles possession on a fumble recovery.

Denney hauled in a 20 yard pass from Kirk Styles late in the final stanza, an apparent touchdown. However, the Eagles collected another yellow rag.

Two incomplete passes and another penalty later the Eagles were forced to relinquish control to Millsap.

On the next and last play of the contest, Millsap went to the air, but Denney was there to capture the interception.

GOTCHA! - Holliday defensive end Mark Wells [80] collars a Millsap runner during the second Eagle conference win.

BLOWOUT! -- Holliday's premier runningback James Porter [20] finds good running room Friday night against Millsap. Holliday linemen on this play showed excellent

execution as they obliterate Millsap's defense which played a key role in Porter's being able to rush for 131 yards last Friday night.

Pirates sailing here Friday

The Eagles will tangle with the surprise of District 13-A when they host the Petrolia Pirates here at 8 p.m. Friday.

The Pirates surprised many football fans when they upended powerful Windthorst 29-22 in the season opener.

To prove it wasn't a fluke, Petrolia continued its winning skein until last week's 20-14 non-conference loss to Henrietta.

Petrolia's other wins have been 36-0 over Waurika, 27-12 over Grandfield and a 37-6 conference decision over Millsap.

Just how serious a threat Petrolia will pose to Holliday's march into the state playoffs is anybody's guess, but a look at past performances easily gives the Eagles the nod.

During their first year to field a gridiron squad the bicentennial Pirates suffered a 70-14 loss at the hands of Holliday, who last year dumped the Pirates 27-0.

Holliday will go into the contest tied with Boyd for the conference lead. Holliday and Boyd both are 2-0 in conference with 5-1 season marks.

Petrolia is 4-1 on the season with a 1-0 district record.

Nocona trails a 1-1 in district and 2-4 for the season, while Archer City is 0-1 in district and 1-4 for the year.

Millsap is 0-2 in district and 3-3 for the season, and Chico sits in last place with a 0-2 conference mark and 0-6 on the season.

When The Government Offers You A Tax Break, Grab It.

If you're self-employed, you can put a substantial amount of tax-deferred dollars into a retirement plan. The new maximum is 15% of your earned income, up to \$7,500 a year. And you can take a current income tax deduction on amounts you set aside for retirement within these limits.

A tax deduction now and a retirement income later. Sound good? And that's not all. You can select a waiver of premium benefit, so that your retirement fund will keep growing even if you become totally disabled and unable to work because of an accident or illness.

If you're self-employed, talk to someone from the Rock. Find out how a Prudential tax-deferred retirement plan can help you. Talk to:
