Biggest parade ever Saturday

The biggest parade ever to wind its way through Iowa Park is scheduled for 11 a.m. Saturday when Santa Claus and an entourage of over 80 organizations fill the streets with Christmas cheer.

"As far as we know it's the biggest parade in the area. I know it's the biggest parade Iowa Park has ever had," said Tommy Key, who along with Danny Parkerson, organized the event under the auspices of the Iowa Park Chamber of Commerce and its Retail Merchants Association.

Last year's parade attracted about 50 entries, but 84 units have been

scheduled for Saturday's event prompting its redesignation as the Wichita County Christmas Parade, Key said, "because it takes in a wider scope and because we had so many entries from outside the area."

Although Santa will be the headline attraction, Key said there will be something for everyone.

Pretty girls, motorcycles, mountaintainmen dressed in buckskins, riders on horseback, clowns and a real live turkey all are entered.

There will be sports cars, antique cars, more pretty girls, drill teams

and a mule team in the parade.

The judging for favorite entries will be conducted by the public. Plaques will be awarded first, second and third place winners of the People's Choice Awards.

Anyone may participate in the voting, Key said. Small ballots will be handed out, but persons may use any type of piece of paper to cast their votes in ballot boxes at Whites Auto Store, Parkway TrueValue Furniture and Hardware, Park Pharmacy, Settle Drug and the Chamber of Commerce Office.

Parade entries will assemble at the

old fair grounds west of Park West Shopping Center and snake their way through downtown Iowa Park, ending the mile long trek at the junior high school.

But the parade won't mark the end of the day's activities.

SANTA AND CHILI

Santa Claus will be located at his hut east of Settle Drug throughout the afternoon collecting Christmas gift requests from children.

A couple of blocks away, on the north side of the city offices near the

Chamber of Commerce Office the Iowa Park MuleSkinners will be serving steaming bowls of their renowned chili.

A country and western band will be playing nearby, and soft drinks will be furnished free.

TRAFFIC MISHAP -- Gold Cross Ambulance technicians attend Betty Eaton Haswell of 406 E. Ruby, who was injured in a two-car collision about 4 p.m. last Friday at the intersection of N. Yosemite and W. Park. Driver of the other vehicle was Charles Wayne Brown. He escaped injuries.

Local man shot

David Loving recovering following surgery

An Iowa Park man was in the intensive care unit at Bethania Hospital Wednesday after being shot in an incident Tuesday evening in Montague County.

David Loving, 20, underwent surgery yesterday morning to repair damage done by a slug from a handgun. Surgeons reportedly did not remove the bullet, however.

No charges had been filed as of noon Wednesday, but charges possibly will be brought out following a visit with Loving in the hospital by Montague Sheriff W.F. Conway.

The shooting took place about 11 p.m. Tuesday in Stoneburg.

According to Tim Rich, another Iowa Park resident, the two had gone to the house to attempt to recover money and items taken from an oil rig where they were working.

Rich told the Leader yesterday he and Loving were working on an oil drilling rig owned by Big D. Drilling, near Ringgold. A young man visited the rig looking for work, and stayed around two or three hours though he was not hired.

After the man left, Rich said he went to the structure where his clothes were kept, and found his billfold had been emptied of about \$75 in cash and an \$85 payroll check from

Spruiell Drilling Co.

Rich said further investigation indicated a large amount of clothes had been taken, as well as a case containing approximately \$1,000 worth of tools.

Another employee on the crew knew the visitor and told Rich and Loving where he lived in Stoneburg.

"We went to his house, not to give him any trouble, but just to get our stuff back," Rich recalled.

He said the man's wife answered the door first, and said she didn't know the man, nor was he there. After the two said the man's car was parked in front of the house and they knew he was there, the woman reportedly shut the door.

Rich said Loving saw the woman through a window approaching the door again, this time with a gun in her hand. The two backed off some, but nothing happened. Loving then saw the alleged assailant through the window, this time he held the gun.

According to the witness, the assailant began shooting through the closed door, with the first bullet hitting Loving in the stomach.

The two ran to Rich's pickup and drove off. About five miles away, Loving began complaining of severe pain in his midsection, and he took

him directly to Bethania Hospital.

The Montague sheriff's office was contacted by the Leader shortly after noon Wednesday. A spokeswoman said the alleged assailant had not been taken into custody nor had any charges been filed, but that Sheriff Conway was interviewing Loving in the hospital at the time.

Loving, who lives at 900 North Fourth, is a 1977 graduate of Iowa Park High School.

Robin Doan crowned Miss Pecan in Nocona

Robin Doan, Iowa Park's entry in the 1978-79 Miss Pecan contest Saturday night at Nocona, was crowned the winner from among 12 entrants.

She will now represent North Texas and Southern Nocona at the state pecan pageant in Kerrville next July, as well as appearing in the State Fair parade next fall in Dallas.

Miss Doan's first appearance will be Saturday in the Wichita County Christmas Parade here in Iowa Park.

The daughter of Mrs. Marilyn Doan and Robert Doan, Robin, 17, is a senior at Iowa Park High School. She is a cheerleader and member of the A Cappella Choir.

During competition, contestants were required to perform their talents. Miss Doan sang "What a Difference You Made in My Life." She was accompanied on the piano by Chris Lester.

Miss Doan was sponsored by the Iowa Park Retail Merchants Association.

Water main topic of council

As anticipated, the subject of water took up most of the city council's time Monday. In fact, almost five hours, as it turned out.

Meeting prior to their regularly-scheduled hour, members of the council toured Iowa Park's pump

station and water line connecting the city with Wichita Falls, then the local processing plant and Lake Buffalo.

Then during the regular meeting they approved an ordinance establishing a Water Resources Board and later approved initial member

appointments.

Aldermen began their study tour at 3 p.m., commencing with the Cyprus Street water facility in Wichita Falls, where the water line to Iowa Park heads.

Mayor Johnny Crawford said the tour of facilities was so informative and beneficial to council members, he wants similar tours made of all city departments after the first of the year, which would include the sewer and street departments.

ex officio members of the Board.

The new board is set up similar to one recently named in Burkburnett.

OTHER BUSINESS

Aldermen approved hiring of a new police officer, Marc Newman, as recommended by Chief Jim Voyles and City Administrator Steve Morath. The vote was unanimous.

Mrs. Hunter receives conservation award

Mrs. Sam Hunter was named recipient of the Outstanding Conservation Professional Business-woman award Tuesday night during the annual Community Improvement and Soil and Water Conservation Awards Banquet, held in Wichita Falls.

Ray Hicks, local farmer and member of the SWCD board, presented her with the plaque.

Mrs. Hunter was credited with being a strong influence in getting Iowa Park designated as a bird

sanctuary and establishing trees along Park Street, as well as helping develop a portion of Lucy Park in Wichita Falls into a wildlife area.

She is a leader in working to promote outdoor classrooms in Iowa Park schools. Still active in her work with Boy Scouts, she and her husband helped form the first Cub Scout pack in Iowa Park.

Mrs. Hunter is a former secretary with the Wichita SWCD.

She has served as president of the Iowa Park Garden Club; served as chairman of a Garden Clubs flower show in Wichita Falls; and past chairman of the Iowa Park Newcomers Committee.

At present she is a member of the Chamber of Commerce, Lioness Club, United Methodist Women, and North Texas Business Women.

J.L. Bills, who lives west of Burkburnett, was named the Outstanding Conservation Farmer.

Mr. and Mrs. Harold Staber accepted a certificate for Valley Farms for that area's participation in the Texas Community Improvement Program.

MRS. SAM HUNTER RECEIVES AWARD
...Ray Hicks offers congratulations

After it was established that the Water Resources Board would not require any funding and would act solely as a group to make recommendations to the council and no power to obligate the city, aldermen voted to approve the ordinance.

But prior to the passage, a split vote approved striking the term "citizen of the city" from the ordinance, after Crawford said he wanted to appoint a member who did not live inside the city but was vitally connected with the community's welfare.

The proposal passed with Aldermen Bud Adams, Lita Watson and Eldon Thompson voting for, C.A. Hicks against, and Johnny Lee abstaining.

With that issue settled, the ordinance passed 4-0, with Lee again abstaining.

Crawford's appointments to the Board were approved, but with a split vote. He submitted the names of Fred Parkey, Bud Adams, Dr. Earl Watson, H.M. Nipper and Dr. Richard Carver.

In making his nominations, he pointed out that he was naming Adams as a citizen and not as a representative of the council, and also pointed out that Nipper, vice president of State National Bank, was not a resident living inside the city.

Aldermen Lee, Watson and Thompson voted for their approval, Hicks against and Adams abstained.

The ordinance also calls for the mayor and city administrator to be

A lengthy portion of the meeting was devoted to a section of the city's policy book pertaining to personnel. Aldermen asked that Morath rewrite a section concerning vacation time, for presentation at the next meeting.

During a discussion period, council members heard a complaint that freight trains sidetracked here to await passing of an oncoming train were blocking all street crossings through the city for long periods of time.

The complainant said he had waited as long as 20 minutes, and a city ordinance forbids such blockage longer than five minutes at a time.

It was also brought out that long coal trains, traveling through the city at the newly-established speed limit of 15 miles per hour could hamper fire protection in the south part of town.

On another topic, Morath told council members he had informed the automobile dealers in the city that bids would be sought to replace a police car which was wrecked recently.

Christmas tree sale starts Friday

Iowa Park Optimist Club will open its Christmas tree sales lot Friday, next to Shaw Motor Company.

Douglas Fir and Scotch Pine will be sold from 4 to 8 p.m. weekdays, 10 a.m. to 8 p.m. Saturday, and 12:30 to 6 p.m. Sundays.

All proceeds will go to youth and community service projects.

Mrs. Eleanor Bell

Shower fetes Mrs. Fleming

Mrs. Mel Fleming, the former Judy Rusk, has been honored at two lovely postnuptial courtesies, both miscellaneous showers, since her recent marriage.

The first shower was held in the home of Mrs. H.M. Nipper Nov. 21. Co-hostesses were Meses. Sammy Henderson, Stuart Greenwood and Johnny Spruiell.

The decorative theme was governed by the colors of peach and chocolate brown and it was given special emphasis on the refreshment table laid with candlelight lace. Table appointments included the centerpiece which was a silver candelabrum holding ivory candles, peach gladioli, ivory pixie carnations and brown silk roses, and the silver coffee and punch services.

The honoree and mothers of the couple, Mrs. G.R. Rusk and Mrs. Nat Fleming, were given corsages of peach and ivory carnations accented with brown satin

leaves and ribbons to complement their costumes.

Mrs. C. Rusk and Mrs. Cecil Catlin, grandmothers of the bride, were among special guests. Seventy-five guests registered in the bride's book.

The second courtesy was held Tuesday evening in the home of Mrs. Harl Mansur in Wichita Falls. The assistant hostesses were Meses. Bill Richie, Calvin Brown, John Morley, J. Carl Davis, Billy Smith and J.H. Lovett Jr.

The focal point of interest in the setting was the refreshment table. Laid with white linen, the unusual centerpiece featured three crystal vases holding gold chrysanthemums arranged around a tall white candle. The crystal punch service and silver coffee service completed table decor.

Mothers of the couple attended the party and sat with the honoree as she greeted thirty guests and unwrapped her packages.

Cook of the Week

Eleanor Bell, a third grade teacher at Bradford Elementary School, has the reputation of being excellent not only as a teacher but in so many ways, one of these includes her proficiency in cooking and generosity in sharing her delectable dishes with others.

When she was contacted and asked to be the Cook of the Week, she did not use her sick father in a nearby town or her busy schedule during the Thanksgiving holidays for an excuse. Rather, she said that the request gave her motivation - and that motivation inspired her to test three of the recipes that appear in this week's paper and then to share the finished products with us. The gesture attests to her giving of self for the happiness of others.

A graduate of Stephen F. Austin High School at Houston, she received a B.A. degree from Rice University in that city. She has taught 18 years at schools in Colorado, on Guam and in Iowa Park. She belongs to

Texas State Teachers Association and the National Educators Association.

She is a member of First Baptist Church where she is presently the teacher of the Hope Sunday School class and Training Union leader for younger group. Her hobbies are cooking, collecting recipes, reading and sports.

Mrs. Bell is the mother of a daughter, Mrs. Joe Birzer of Manhattan, Kansas, and three sons, Chris Lington and Gerry Lington, both of Houston, and 2nd Lt. Evan Lington of Germany. She also has six grandchildren.

Her Breakfast Bars and Quickie Butterscotch Nut Bread are first time recipes in the Cook of the Week section, if memory is not playing tricks. She probably had in mind something to give the leftover Thanksgiving turkey a piquant flavor when she submitted her Barbeque Sauce recipe.

QUICKIE BUTTER-SCOTCH NUT BREAD

3/4 cup brown sugar, press firm
1 egg
1/4 cup evaporated milk
3 cups Bisquick
3/4 cup nuts

Mix in order given, pour into greased-floured pan. Bake for about an hour at 350°. Allow to cool for 10 minutes in pan. Remove and cool before wrapping in foil.

THREE BEAN SALAD

1 can green beans
1 can kidney beans
1 can wax beans
1 small jar salad pimientos
1 onion, sliced
Drain beans before adding to marinate.

MARINATE

1 cup vinegar
1/2 cup sugar
1/2 cup salad oil
1 t paprika
1 t salt

Allow to marinate overnight before serving. Marinade may be drained and saved for reuse. It is also good with other vegetables.

RITZ CRACKER PECAN PIE

1 cup pecans, broken or chopped
20-24 Ritz Crackers
1 t vanilla
1 cup sugar
3 egg whites

Beat egg whites until stiff, then gradually fold in sugar. Add remaining ingredients. Pour into a large well-greased pie pan and bake 25-30 minutes at 350°. Top with whipped cream or Cool Whip before serving.

BARBECUE SAUCE

(Keeps a month)
1/4 cup vinegar
1/2 cup water
2 T sugar
1 T salad mustard
1/2 t pepper
1/2 t salt
1/4 t red pepper
1 thick sliced lemon
1 thinly sliced onion
1/4 cup oleo

Mix above ingredients and bring to a boil, then simmer 20 minutes. Add 1/2 cup catsup, 2 T Worcestershire sauce (Teriyaki will do), 1 1/2 t liquid smoke. Simmer five minutes more. Makes about 1 cup of sauce.

(This sauce is wonderful for chicken, weiners, ribs, stew meat and also great with left-over meats like turkey.)

BREAKFAST BARS

2 sticks oleo
2 cups brown sugar, pack firm
4 eggs
1 t salt
1 t vanilla
2 cups whole wheat flour (substitute 1 1/2 flour, 1/2 cup wheat germ)
4 T evaporated milk
3 cups oatmeal
1 cup chopped nuts
1 cup chopped dates
Cream margarine and sugar. Add eggs, one at a time, beating each in well. Add salt, vanilla, evaporated milk and flour. Stir smooth. Fold in oats, nuts and dates. Spread on two greased loaf pans or cookie sheets. Bake in moderate oven 30 minutes or until brown. Cut in bars at once and cool. Note: (if you like these chewy do not overcook).

ITALIAN MEATBALLS AND SPAGHETTI SAUCE

2 No. 2 cans tomatoes
1/4 cup finely chopped onion
1 can (6 oz.) tomato paste
1/2 t sugar

While sauce is simmering, use these ingredients and form about 16 meat balls. Brown in a little oil and add to sauce. Cook about 30 minutes longer:

1 lb. hamburger
1/4 cup grated sharp cheese
1 t Italian seasoning
2 T chopped green pepper
1 egg
1 t salt
1/2 t garlic salt, optional

Cook 1 lb. spaghetti as usual. Top with sauce and favorite grated cheese.

JANIS JAMES

LYNETTE FLICK

Junior Miss event attracts two locals

Lynette Flick, daughter of Mr. and Mrs. Jesse Flick, and Janis James, daughter of Mr. and Mrs. Deryl James, seniors at Iowa Park High School, will represent Iowa Park in the Wichita Falls Junior Miss Pageant sponsored by the Altrusa Club Dec. 7 at the Woman's Forum.

The winner of the local pageant will go on to the

state level at New Braunfels in January.

Competition will include interview with judges, scholastic achievement, talent, physical fitness, poise and appearance. All girls who compete are high school seniors in Wichita County.

Lynette is 17 years old. She belongs to the A Cappella Choir and band where she is a drum major.

She is listed among Who's Who High School Students. She is a member of St. Paul's Lutheran Church.

For her talent, she will play the piano and sing a Barry Manilow medley.

Janice is a three-year member of A Cappella Choir and has served as accompanist three years. She is a seven-year member of the band, one-year member of the stage band. She served as All-Region pianist one year and won Division I on

her clarinet solo. She is an honor roll student and listed in Who's Who among High School Students.

Her hobbies include the clarinet, piano, sewing, cooking, macrame and needlecraft. For her talent competition in the pageant, she will play "Bumble Boogie" by Jack Fina on the piano.

Janice plans to attend Midwestern State University majoring in business and minoring in music.

'Thankfulness' meeting topic

Mrs. James Owens used "Thankfulness" for the topic of a pledge service she conducted for the meeting of United Methodist Women Tuesday morning. Listing

some of the things that people should be thankful for, she mentioned natural resources, food, the printed word of God, privilege of serving, spiritual, physical and economic blessings.

Assisting with the presentation were Mmes. Don Cook, Michael Jackson and M.L. Hines.

Mrs. Cook gave information concerning the UMW World Division and its relief assistance where needed in Africa, Latin America and Europe through the Board of Global Ministries.

Mrs. Jackson discussed the UMW National Division explaining that 33 per cent of each pledge dollar went to hospitals, schools, Day Care Centers, Appalachian projects, underprivileged children, senior citizens, retired deaconesses and ministers in the U.S.

Mrs. Hines gave general information on the UMW Woman's Division funds which are used for missions in the local church, maintenance of the UMW offices, printing of programs and study books, etc.

Pledge cards were turned in at the close of the program.

Mrs. H.W. Carter presided during the business. Mrs. C.L. Lee, vice president, reviewed the needs of the yearbook program for 1979.

Members voted to give monetary gifts to the Spanish Mission church, Waco Children's Home, Wichita Falls State Hospital and Faith City Mission.

Thanksgiving dinner held

Pilgrim hats and cornucopias filled with fruit were featured in table decorations, name tags and place cards for the annual Thanksgiving dinner of Epsilon Eta chapter of Epsilon Sigma Alpha. GROWING MARIJUANA

Police play havoc with farm

Somewhere there's a parttime farmer probably wishing he had taken out crop damage insurance. But it's doubtful anyway he could have found a company willing to insure his crop against loss caused by police.

A local landowner and his son were hunting last Friday on their property southwest of Iowa Park near Coleman Park when they spotted what police chief Jim Voyles called a "homemade grass house." Homemade grass house might be more appropriate since what they found growing was a mini marijuana field.

Voyles said he didn't think they would ever find the persons who planted the crop, however, the police chief said he played havoc with their little operation.

He said the grass farmers had dug an eight foot square hole about two

feet deep. Then they constructed a frame about seven feet high and covered it with plastic.

In the center were small marijuana plants growing in manure.

Voyles said he destroyed the green house and its contents.

In other action police investigated several cases of vandalism and burglary.

Bob Hamilton, 904 Cornelia, told police Wednesday morning that three tires on one of his cars had been slashed Tuesday night while the car was parked in his driveway. Estimated damage was \$175.

Melton Glen Sosebee, 610 S. Bond, told police Sunday that someone had broken into his car and mobile home. Thieves escaped with a skill saw, leather gloves, a measuring tape, CB radio and a man's sport coat.

Mrs. Phillip Britt, 111 W. Ruby, Friday reported the break-in of her home where burglars took between

\$50 and \$100 in cash, a ladies ring and five 8-track tapes.

Also on Friday Tommy Watkins reported a break in at the high school field house. Burglars pried open the east door and stole between six and 10 pairs of football shoes valued at \$12.50 each.

Last Thursday police received a report from Elbert M. Owen, 407 S. Victoria, who said someone had thrown a bicycle into a ditch near Bradford Elementary School and broken the bike's frame.

Gary Galliton, 1301 Edgehill Trail, told police last Thursday that someone threw a piece of pipe through a window in his home.

A car burglary was reported last Wednesday by Robert Schreiber, 613 W. Rebecca. The police report said \$364 worth of property was stolen including an AM-FM 8-track tape player, two speakers, 18 tapes and the auto's front floor mats.

As I See It....

By **BOB HAMILTON**

Have you noticed? The wire services are already carrying stories about bills being placed in the hopper, and it's still a month or so before the Texas legislature convenes in Austin.

There've already been three or four stories released about this bill and that being ready for legislative action. It's all a big deal to let you and fellow legislators know what the bill is about, and that work lies ahead when the session opens.

I think there ought to be a law written that no laws can be written for at least a 10-year period.

This is our major problem, people. We've got so many laws on the books now that one conflicts with another. And each law spawned in Austin or Washington means more control, good or bad. And usually they're bad. I think this is one of the items that

defeated Bob Kruger in bid against John Tower for the U.S. Senate. He pointed out in his political advertisements and talks around the country that Tower had never authored a major piece of legislation in his entire period in Washington.

At least he carried that banner until the last couple of months, and dropped it. I suspect it was dropped because reports filtered back from the public that that was the record the people wanted.

You hear complaints about our state and nation being run by the lobbyists. Have you ever figured just what was meant by that?

Well, all the lobbyists do is visit with elected officials and explain what their pet bill contains and how it will benefit either the masses or the people they represent.

Why do they have to explain the bill? Because there are so many bills offered, it is impossible for each bill to be read, let alone studied, before the official votes on them.

It's to the point in Texas, I can assure you, that each major group, such as labor or educators or dentists or newspaper people, all groups, have persons hired to scan each and every bill just to see if it affects their best interests. And it's a full time job for those representing small groups, so you can imagine how many have to be hired to read for large groups.

Now, I don't say we should try to operate without laws. Just the opposite. We must have laws to both protect us and serve as a policy established by and for our society.

But each time the Texas legislature meets, thousands, not dozens or hundreds, but thousands of bills are written by senators and representatives to be acted on by the legislature. And it's this way in every state, and in Washington.

What this country needs isn't a new piece of legislation. What this country needs is for our elected officials to contract a good case of writer's cramps.

Worth Quoting

I had an incredible run of luck last Saturday when - first I survived San Angelo traffic and second when I topped a hill doing my customary 80 mph (on roads designed for 190 in a car that will go 125 mph) and whizzed past a black and white car parked on the side of the road. The smoke never looked up because he was writing out a ticket to some poor guy he caught exceeding the non speed limit in Texas.

The non speed limit is the result of eastern policy making probably

conceived on a freeway in New York where joggers outrun the regular traffic. Texas officials must have succumbed to blackmail from the feds who threatened to cut off our highway money. Anyway, now we have the non-speed limit and now we must live with it.

The main problem then is just how do we deal with the non-speed limit. I know of one local construction company boss whose typical day consists of: driving to Eldorado and back - 140 miles; driving to Odessa and back - 200 miles; then going to the football game in Junction, Menard, Mason or Sonora - from 160 to 275 miles round trip. And he is not the only Texan left who believes that it is the early bird who gets the worm and that you make the rounds to get the business.

How can we manage out here in West Texas? Well, 95% or more of all people have CB's. But, the last ticket I got - I had just received the all clear signal from a "good buddy." And last Saturday I passed plenty of cars who

could have warned me about that smoke between Mertzson and Barnhart. I firmly believe his only job was to harass people on the road. It is not exactly a metropolitan area (discounting a few sheep) teeming with crime.

And those radar detectors are useless now. The cops installed a 50 cent toggle switch and they just turn the radar on when they want to. Also, most DPS troopers are trained never to sleep. Travelers thru this area may not know a soul here but they do know who the local smoke is, just as I know there will always be a smoke on duty in Eden and another outside of Waco. I'm convinced these troopers must have had terrible other lives and were sentenced to the West Texas roads for punishment.

A writer once said that waiting to be whipped is a most uninteresting period of life. Well, I'm one of those who is not going to wait for a whipping. I'll take my fight to the enemy ... except within a 20 mile radius of our local smoke's patrol. He

never sleeps, you know.

Since it has been well over a 100 years since a Republican occupied the governor's chair in Austin, there's few people around who realize some of the side benefits.

It's probably true that few Republicans in this state are aware of the benefits that come with a change in parties in Austin.

For example, in our lifetime, the Democrats have always occupied the first column on the ballot in the general election.

Next time, due to a Republican in the Governor's mansion, the Republicans will occupy the first column, the Democrats the second column of names.

And a little bit closer at home, during the next general election, the judges must be Republicans.

Junior tackle Tommy Ross was named to the first defensive team when conference coaches made their District 4-AAA All-District selections recently. Two other Mean Green defensive standouts were named to the second unit, and four players made the Honorable Mention list.

Release of the team selections was made when district representative Burkburnett was defeated in bi-district play by Snyder Friday. Vernon, the co-champion, dominated selections with six first team offense and four first team defense picks.

Besides the 220-pound Ross, Ray Willingham, an end, and Robert Hastings, a safety, were named to the second team defensive unit.

Honorable Mention offensive unit picks were running back Troy Thompson and tight end Ronnie Taylor; tackle Billy Maupin and end Curtis Martin were defensive unit selections.

Janelle Harris, executive director, and Patsy Tardif, administrative assistant, of the Wichita County Association for Retarded Citizens gave the program for the Evening Lions Tuesday.

They started the program with a film showing the prime importance of the health of the mother and constant attention during the development of the child. The director then discussed the involvement and goals of the county association in the prevention of mental retardation and education and training for those who are retarded.

She said that there were 3,600 retarded persons in Wichita County, 360,000 in Texas and 6,000,000 in the U.S. Tim Hunter was program chairman.

During a short business meeting conducted by Wayne House, it was voted to have an entry in the Christmas parade Saturday.

Visitors from Burkburnett Evening Lions Club were Bowen Cox, zone chairman, Hugh Halpin, Larry Huckabee and Dan Carson.

Dinner music was furnished by Mrs. G.L. McWilliams and Mrs. E.L. Gallop.

THE CHOICE IS YOURS. BE CHOOSEY.

The higher you set your thermostat, the higher your energy consumption.

"Try lowering the temperature in your home to 68° this winter. You'll save on your heating bill!"

"A setting of 68° during the winter is the one Texas Electric recommends for both comfort and energy efficiency.

For each degree above 68° the energy used for heating your house is increased by approximately 4% per degree.

As shown by the chart the difference between the recommended thermostat setting and 74° is 24%. At 78° the increase in energy usage is 40% or more.

Clearly, the lower you set your thermostat the lower your heating bill is going to be. And after last winter, one of the coldest on record, we think a lot of people are going to be trying their best to use less energy.

Remember to change the filter in your heating system regularly, too. A dirty filter causes your heating system to work longer and that costs you more. Check the filter at least once each month.

All forms of energy are costing more these days. If you're serious about saving energy and money, request a copy of our energy efficiency tips booklet on the comment portion of your electric service bill."

Richardson's return should help

The return of starting center Jim Richardson gave Iowa Park new hope in defending the Hawks' title at the Cooke County Invitational Tournament this weekend.

Richardson, tallest Hawk on the team at 6-5, missed seeing action in the last four games after injuring an ankle early last week playing Wichita Falls High.

As returning champions, the Hawks are seeded in the Gainesville tournament, which includes Gainesville, Bowie, Denison, Burkburnett, Greenville, Gainesville

State School and Dallas Carter JV.

The Hawks tip off against Dallas Carter at 4:30 this afternoon. A win would send them against the Gainesville State School - Gainesville winner at 7:30 tomorrow evening, or a loss would put them in a 3 p.m. Friday consolation bracket.

The championship game will be at 5:30 p.m. Saturday. That game will be preceded by the third place tilt at 4; consolation finals at 2:30; and seventh place

finals at 1.

Without the services of Richardson, the Hawks went 1-2 in the Sweetwater tournament over the weekend, after losing an earlier game to Rider. They are now 2-4 on the season, after Tuesday's scheduled game with Childress was cancelled.

Iowa Park won its tournament opener against San Angelo Lakeview 67-56, with Harry Hutchins leading the way by canning 30 points. Hutchins accounted

for 10 field goals, and 10 free shots, and scored only two points in the entire third quarter. Travis Little had 13.

The Hawks were nipped at the wire in the second game, 58-57, when Sweetwater scored with two seconds remaining on the scoreboard clock. Iowa Park trailed through the entire game, 16-12, 38-24 and 50-41 quarter scores, before finally overtaking the host team in the latter stage of the game. Little had 14 points

and Dennis Dillard 10.

In their final game, the Hawks had trouble with Lamesa's zone defense and fell 49-26. Halftime saw the Tornados leading 17-13. Hutchins was high point with 11.

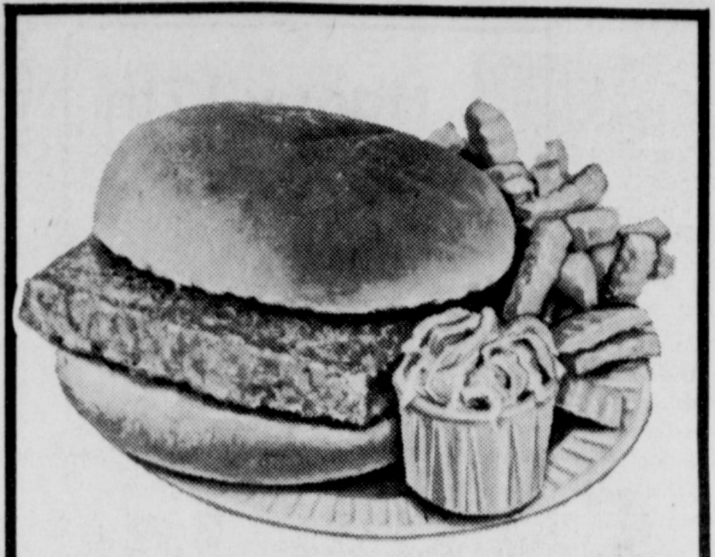

San Angelo Central won the tournament, edging Sweetwater.

Prior to traveling to Sweetwater, the Hawks were dropped by Wichita Falls Rider 75-44, in which Hutchins scored 12 and Dillard 11.

The Hawks have also

been hampered without the services of Randall Griffith, 6-3 forward who saw considerable action last season on the varsity. A hyper extension of the knees has kept him off the court the entire season.

Iowa Park returns to the courts next week, taking on Lawton McArthur at home Tuesday. The JV plays at 5, followed by the varsity tilt.

Hawkettes suffer their first loss

The Iowa Park Hawkettes rebounded from their first loss of the season, 44-40 to Windthorst Monday, to defeat Childress Tuesday night 42-35, lifting their season record to 4-1.

Monday's loss, considered an upset since the Hawkettes had defeated Windthorst

61-43 a week earlier, was credited mainly by Coach Teresa Grace to her players being in foul trouble most of the evening.

"I was worried I would be able to finish the game with five players on the court," she commented later.

Windthorst outscored

Iowa Park 11-4 in the fourth period to overcome a 36-33 Hawkette lead.

Leading by only three points, 29-26, Iowa Park outscored host Childress 13-9 in the final period to take their fourth win of the young season. Edie Hayden and Joann McClurg led Iowa Park scoring with 13 each.

In the Rider game last week, Iowa Park jumped to an 8-1 first quarter lead, led 15-6 at halftime, and held Rider scoreless in the third period to lead 24-6, finishing

with a 36-21 victory.

The Hawkettes will meet Byers at 4 this afternoon in the first round of the Notre Dame tournament.

JUNIOR VARSITY

Following a 21-6 victory over Rider, the Junior Varsity defeated Windthorst 43-16, but lost Tuesday to Childress 30-20, giving them a 4-1 season record.

The Freshmen, who beat Windthorst 34-27 and Childress 22-9 have earned a gaudy 5-0 record for the year. Kay Stevenson was high at Windthorst with 21 points, while Linda Neely scored 15 against Childress.

Teams split with Holiday

Eighth grade teams split games with Holiday there Monday, with the boys winning 24-23 and the girls losing 23-16.

Marc Klinkerman led Iowa Park with 14 points. In the girls' game, Kari Hamilton was high with eight, followed by Julie Guyton with four, and Darla Flick and Carolyn Sidlauskas with two each.

Last week the girls won their season opener against Henrietta, 29-13, and the seventh graders winning 25-18. Sandy Britton was high with 14, Guyton had 13 and Roxa Reusch two.

A triple header will be played here Monday, starting at 5 p.m. Playing City View will be the seventh and eighth grade boys and eighth grade girls.

Don Owens family visits relatives

Lt. Col. and Mrs. Don Owens and family, who live in Springfield, Va. where he is employed as budget and cost analyst for the Army in Washington, D.C., were honored guests at a family gathering Thursday evening at the home of Mrs. M.L. Hines.

An informal meal was served and a personality game governed by color preference furnished diversion following the meal.

Those present were the honored couple and their children, Sarah, Richard and Mary; Messrs. and Mmes. Gene Owens, James Owens and Jamie, Elgin Denny, John Mixon; Mrs. Jerry Spruiell, Miss Elga Ann Denny; and Taylor George.

HBO IS SOMETHING ELSE

If you're wild about movies, but not wild about standing in line to see them. If you're fed up with missing a good movie because when you get time to see it, it's left town. If it aggravates you to find a dozen theaters in your community all playing the same movie.

If you'd like to watch the greatest performers doing the same acts that have dazzled audiences in the nightclub capitals of the world. If you'd like to spend an evening with the biggest of the big-name entertainers—but they never seem to be playing your neighborhood.

If you're a sports fan who wants more than the usual fare. If you'd like to see really important contests, and sports that regular television neglects. If you're interested in action from all over the world.

Then you need something else—Home Box Office!

HBO makes your own home the best seat in the house for Hollywood movies straight from the theaters. Always uncut and without commercial interruptions.

HBO puts you right up front for exclusive "Standing Room Only" and "On Location" specials with famous comedy and singing stars like Ray Charles, Gladys Knight,

Paul Anka and Sheky Greene—just as they performed before audiences all over the world.

HBO gives you the best seat for exclusive sports events—College Basketball, World Team Tennis, Wimbledon Tennis Championships, Boxing, Gymnastics and much more. HBO schedules exclusive features, like "Inside the NFL"—a weekly sports magazine that takes an exciting look at major games with in-depth analysis. If you like sports, you'll enjoy HBO!

HBO is entertainment scheduled for your convenience. Each show is repeated several times every month. You never have to miss a movie or a special event on HBO because you were busy or were watching your favorite television show.

And HBO is a real bargain! Just consider the cost of going out to see a movie, a game, a nightclub performance or a superstar in concert.

Celina ends Eagle season

A hail of yellow flags and three pass interceptions proved the deciding factors as the Celina Bobcats scratched their way past the Holliday Eagles for the bi-district championship.

Celina upended Holliday 13-0 in the first leg of the state Class A gridiron playoffs at Bridgeport Friday night.

Celina, representing Dis-

trict 14-A, got the first break of the game by returning the opening kickoff and luck seemed to tilt their way throughout the contest.

The Bobcats intercepted a trio of Eagle passes as Holliday fought in vain to come from behind.

But the biggest factor in the game was realized in the penalty statistics.

Holliday was hit with

yellow flags 11 times for 95 yards while the Bobcats had 57 yards stepped off against them.

Good fortune smiled on Holliday only once as Doug Stevens recovered a Bobcat fumble.

Celina's fleet Chemmie Terry took the opening kickoff and returned it 78 yards for the first Bobcat score followed by Robert Rhodes' PAT to put the cats

out front 7-0 just 11 seconds into the game.

The remainder of the first quarter was a defensive stalemate. Neither team was able to sustain an offensive effort with Eagle credit going to Jim Ezzell, Greg Dillard, Johnny Jones, Dennis Holt and Jeff Coats.

The Eagles had a drive going and had penetrated to the Celina 35 early in the second period, only to have a Rusty McDaniel pass intercepted.

But the Eagle defense remained tough on the stopping power of Stevens, Steve Parnell, Kent Lemons, McDaniel and Jones.

With a minute left in the first half the Eagles took possession on their own 45. Two passes from Barry Lawson to McDaniel and Mark Wells and a 20 yard run by James Porter had the drive going, but the clock ticked away in Celina's favor.

Undaunted by their earlier misfortune, the Eagles came back after the half with revived optimism, especially after Stevens recovered the Bobcat fumble on the second series.

The Eagles mounted a 46-yard drive late in the third period, only to be set by two 15-yard penalties.

Holliday's first series of the fourth quarter found the Eagles setting up shop on their own 12 yard line.

Porter, Holliday's leading rusher with 96 yards, combined with McDaniel, Conray Chase and Stanley Craddock to dig the Eagles out of the hole, only to have the drive stopped when one of Lawson's passes was intercepted.

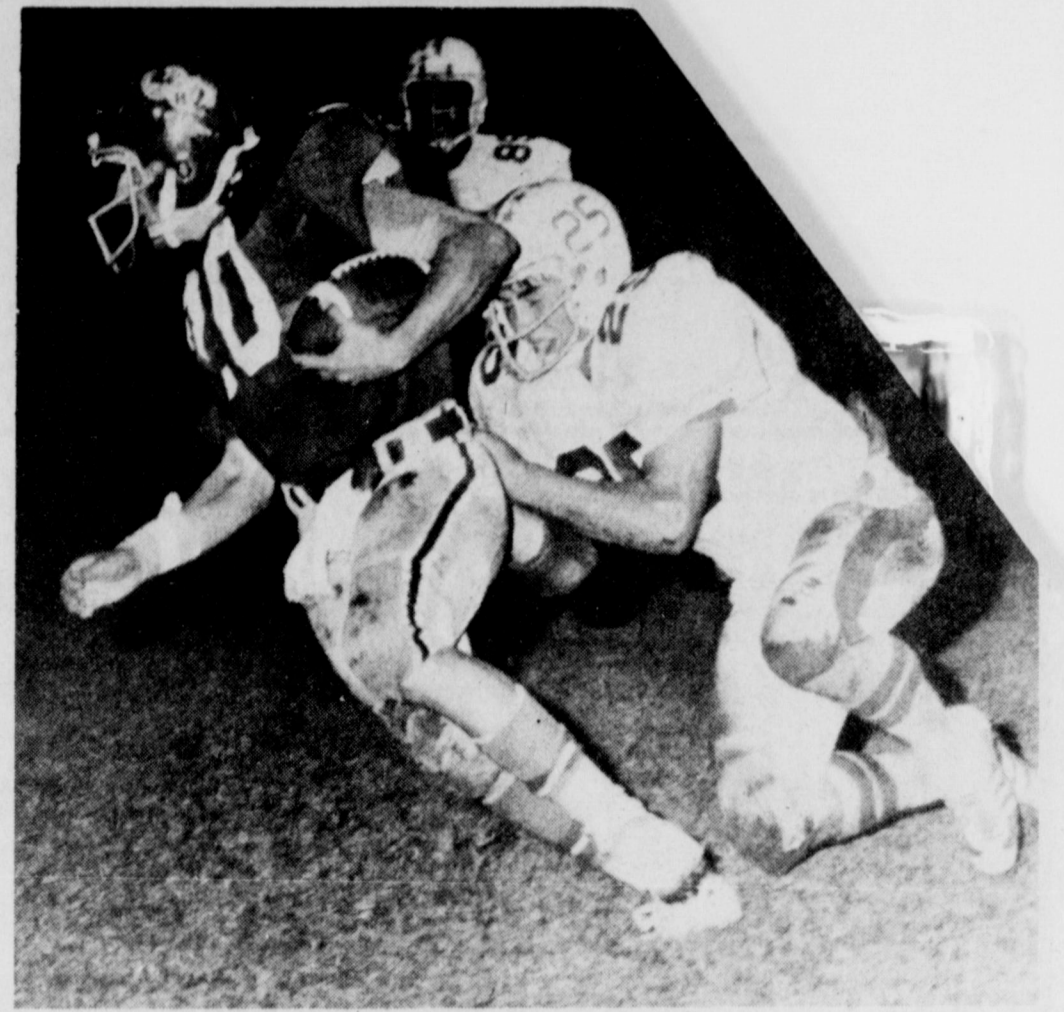

Celina took possession on Holliday 29 and eight plays later Bobcat Dwight Cherry punched it across for the TD.

Holt was quick to penetrate the Bobcat defense to block the Bobcat PAT, but the 13-0 score loomed as 4:36 remained in the game.

The Eagles refused to accept the handwriting on the wall despite 35 additional yards in penalties that held back their efforts to score.

The final turnover came inside the last minute of play when a Graves pass was stolen by Celina.

Porter, Graves Eagle leaders

James Porter emerged as the leading Eagle rusher and statistical defensive standouts were Gerry Graves, Conray Chase and Jim Ezzell.

The Leader's records show Porter rushed for 997 yards from the line of scrimmage. Stanley Craddock rushed for 548, Rusty McDaniel for 526 and Chase for 430.

INTERCEPTIONS

Graves paced the Eagle defensive secondary with seven interceptions. McDaniel pulled in three opponent aerial miscues while Larry Denney hauled in two interceptions.

Single interceptions were made by Steve Parnell, Shayne Owen, Jody Collier, Joey Kincade, Mark Wells and Kirk Styles.

FUMBLE RECOVERIES

Chase and Ezzell each had four fumble recoveries for the 1978 gridiron season.

Recovering two fumbles each were Mike Bryant, Jeff Coats, Kent Lemons, Graves, Doug Stevens, Dennis Holt and Kyle Stone.

Jeff Smyers, Wells, Greg Dillard, Styles, Parnell and McDaniel each recovered a fumble.

CARD OF THANKS

Thanks to all our friends for your prayers and comfort shown us in the loss of our niece and cousin, Bobbie and Ted Williams and John Ed

CARD OF THANKS

We wish to thank each person who showed concern during the loss of our son and nephew, Leonard Wayne Luckett. The concern was shown in such a beautiful way through flowers, food, calls, visits and offers for the use of homes. We appreciate so much the Baptist and Methodist women who served food.

Most of all, we appreciate your prayers which helped us through such a trying time. We thank God for friends like you and pray God's blessings upon you.
