Hawks host big-play Steers Friday night

Iowa Park's Hawks are still smarting from a narrow loss last week to Mineral Wells, but they can get back in the running for the Dist. 3-AAAA championship if they can stop the big-play Graham Steers here tomorrow night.

The Mean Green defense broke down on one play, which allowed Mineral Wells its lone touchdown, and time and again their own mistakes killed scoring drives.

Against Graham Friday in Hawk Stadium, the Hawks can't allow any letdowns in defense, because the Steers have the speed to score from any position on the field. And they proved it last week.

On the first offensive play, Graham opened a hole large enough for Steer runner Ernie Jackson to see through, and he raced 70 yards to score. He had another 64-yarder later, as Graham defeated Burkburnett 28-6 in their district opener.

Jackson, the district sprint champion, is rated the best back in the district by Head Hawk David Baugh. Comparing Jackson to Rider's Greg Owens, Baugh says the Steer is better because he's stronger and faster.

Graham, now 5-1 on the season, lost

only to Breckenridge, 13-8. The Hawks lost 19-0 to Breckenridge in the season opener, and 7-6 to Burkburnett.

However, while the Steers have been rolling up five wins, their offensive output in points indicates their defense is suspect. Graham has scored 95 points, but has given up 48.

The visitors doubtlessly have been reminded all week that they have lost to the Hawks the past two years, 42-0 and 28-0.

Coach Baugh received some good news this week, when he saw his leading linebacker and punter Mac Weaver report for workouts.

The senior was suited out and on the sidelines last week, but he was still hobbling from a leg injury sustained against North Side. Weaver makes a lot of difference in the Hawk defense.

Only senior quarterback Tim Smith, who has had a leg in a cast since before the season started, is missing from the team. But he said he would start working out next week, hoping to play in at least one game.

Tackle Danny Coltrain is also missing, but it had long been decided his knee operation would hold him out the entire season.

Businessman is sentenced

One area man has been sentenced to prison after pleading guilty to oil field theft, but three others who have been accused have pled not guilty.

David Roy Styles, owner of Styles Tank Truck Service which is headquartered at Kanay, was sentenced last week to 10 years and to make restitution of \$9,200, which he did immediately.

Sentencing was made by Judge Frank Douthitt of the 97th District Court.

Styles, who resides in Wichita Falls, pled guilty to a charge of theft of over \$200 and under \$10,000. He

admitted taking oil from a Conoco lease near Holliday.

Charges were filed by Calvin Bussey, senior investigator for Conoco, Inc. of Houston, who said 37% was put into the oil for identification, and a surveillance team photographed Styles in the act of taking the oil.

The three entering pleas of not guilty before Judge Douthitt are J.W. Boren of Iowa Park, Ed Cornelison of Holliday and Clay Witherspoon of Wichita Falls.

They were indicted earlier by an Archer County grand jury for theft of over \$200 and under \$10,000.

APPRECIATED MEAL - The Iowa Park MuleSkinners feted members of the Friendly Door Saturday with a brisket and beans meal. It was the second year the civic organization

has honored the senior citizens, and more than 100 of them turned out to dine. John Kibler's delivery prompts smiles and sighs to those waiting.

Girl claims to be raped

A 16-year-old Iowa Park girl was reportedly raped Tuesday evening, and as many as four males face court warrants, according to the police department.

Police were notified at 9:30 p.m. by the girl, who was taken to Wichita General Hospital for tests. Results of the tests were then turned over to the Department of Public Safety for laboratory analysis.

The offense reportedly took place in the south part of town.

The girl said she got into a car at Mini Mart to talk with a boy, but she alleges she was taken to a house on South Texowa where she was attacked against her will at least four times.

At least one of the offenders was named by the victim.

It's that time again

If you don't want to be late for church or anything else Sunday, you better remember to change your watches and clocks before going to bed Saturday night.

The nation is returning to Standard Time from Daylight Savings Time.

The simple way to remember how to set one's clock is: "fall back" in the fall to Standard Time, and "spring forward" in the spring for Daylight Savings Time.

So, if you go to bed at 10 p.m. Saturday, you will want to set your clock on 9.

PUC approves water sale to Horseshoe

Wichita Valley Water Supply Corp. lost its effort to prohibit the city of Iowa Park from selling water to Horseshoe Bend Estates.

The Texas Public Utility Commission ruled Monday that water could be sold to the housing development at Horseshoe Lake by the city, through a tap on the water transmission line between here and Wichita Falls.

The PUC accepted the claim of Horseshoe Bend Estates Homeowners Association and Sereno Largo Developers that Wichita Valley officials had denied service in 1978 to the area.

PUC agreed that Wichita Valley

was the only supplier certified to serve that area, but voted to rescind the certificate because of the firm's refusal to provide water.

Developers, explaining they had been denied service, told Iowa Park's city council of the situation. Council members said they would supply the

water, if permission could be obtained from the city of Wichita Falls. The permission was necessary under a contract through which water is sold to Iowa Park by Wichita Falls.

During the time of negotiations, Wichita Valley complained infringement by Iowa Park, to sell water to residences in the area certified for sales by Wichita Valley.

However, after Wichita Falls approved the sale, Iowa Park granted a tap of the transmission line, with requirements of metering and water rates.

Developers built their own \$30,000 water distribution system.

◆ News in brief ◆

Hamburger almost not DQ specialty

Iowa Park Dairy Queen was almost turned into a maternity ward Tuesday evening.

A Vernon woman, Ester Saldonia, was being transported to a Wichita Falls hospital by her parents, when labor pains caused them to question whether they could arrive in time. So they stopped at the Dairy Queen. A call was issued for Iowa

Park Emergency Medical Technicians and a Plumlee Ambulance.

With the aid of an unidentified nurse, it was determined that the ambulance probably could get the expectant mother to her destination on time, and it did.

But it wasn't any too soon. One EMT said the labor pains were timed at 45 seconds apart.

No council meeting set Monday

Iowa Park city council will not hold its meeting which had been scheduled for Monday evening, according to Steve Morath, city administrator.

The date conflicts with a conference in San Antonio by the

Texas Municipal League, and there is no pressing business to be handled at this time, Morath said.

Morath and Mayor Johnny Crawford will represent the city at the conference.

Hospital releases Patterson

Greg Patterson was expected to be released from Wichita General Hospital yesterday afternoon.

The 14-year-old son of Mr. and Mrs. Bud Patterson was injured Tuesday evening of last week when struck by

an automobile while jogging on FM 368.

Besides numerous bruises and a mild concussion, a bone in one leg was reportedly chipped, and the leg has been placed in a cast from his hip to his foot.

Absentee balloting starts on amendments

Absentee voting on seven proposed Texas constitutional amendments continues through Nov. 3, but returns so far have been very light in Wichita County, according to county clerk Vernon Cannon.

Absentee ballots are available in the county clerk's office through Oct. 30, Cannon said, and no ballot will be accepted after 7 p.m. Thursday, Nov. 3.

"If we receive a certified request by Oct. 30, we will send out ballots to

them on that day, and check our mail box at 7 p.m. November 3," Cannon said. "No ballots will be accepted after that date."

Cannon said any person wishing to vote absentee should call his office at 322-6641 "... to save about two days going through the postal service" and he will mail them an absentee ballot. Persons wishing to write should address their request to Vernon Cannon, County Clerk, P.O. Box 1679, Wichita Falls, 76307.

Voter turnout on constitutional amendments has traditionally been light, according to Cannon. "I went through past records and found that the turnout has been extremely light when only constitutional amendments are on the ballot," he remarked.

The seven amendments on the Nov. 3 ballot are as follows:

No. 1 To authorize cities, towns and other taxing units to encourage redevelopment of certain areas through property tax relief and

issuance of bonds and notes.

No. 2 Authorizing the land commissioner to issue patents for certain public free fund land held in good faith at least 50 years as of Nov. 15, 1981.

No. 3 To allow the legislature to grant a state finance management committee power to manage the expenditure of certain appropriated funds.

No. 4 Authorizing use of portion of excess revenues of the state for water

development, and use of state credit, not in excess of \$500 million to guarantee bonds of cities, counties and towns in such projects, and increasing the interest rate that may be paid on previously approved but un-issued state bonds and authorizing a program to retire state bonds.

No. 5 To provide for inclusion of livestock and poultry with farm products as exempt from taxation.

No. 6 Authorizing a political subdivision to provide property tax

relief for owners of residence homesteads and changing certain property tax administrative procedures.

No. 7 Authorizing the issuance of additional bonds to finance the veterans' land program and increasing maximum interest rates allowed on program bonds.

Persons over 65 or those with medical disabilities may call or write to Cannon to have an absentee ballot mailed to their address.

Canada topic for study club meeting

The 23 Study Club's program Thursday afternoon, conforming with the International Relations Department of General Federation of Women's Clubs, opened the door to a better understanding and appreciation of "Our Neighbor-Canada" through informative talks presented by two club members who have visited the country, Mrs. Sam Hill and Mrs. Charlie Lee. Their respective topics were "Canadian Identity" and "French Canada-A Different Way of Life."

Hostesses for the meeting held in Texas Electric Reddy Room were Mrs. Marvin Klinkerman, Mrs. James Sewell and Miss Ethyle Kidwell.

Mrs. Rollins Woodall, program leader, achieved impressive continuity in presenting the participants and their roles.

Mrs. C.E. Birk introduced the program with a devotion entitled "The Wealth of Friendship," suggesting that such riches were possible between both people and nations.

The art feature was a fascinating critique and display of antique glass

by Mrs. Bill Bates. She started with the early sandwich glass made in Massachusetts town that bears its name. She showed pieces of molded glass made for people of normal means and handmade objects formed for wealthier people. One of the specimens that she had on display was a novel tussie wussie vase which was created to hold the nosegays for ladies that their escorts gave them instead of the modern day corsages.

Mrs. Bates showed specimens of Bohemian, cobalt, Venetian, American, satin, cranberry and vaseline functional and decorative glass, including a smelling salts jar, ladies' spittoon, perfume bottle, candlestick with prisms; a blown glass Venetian

necklace, and a contemporary figurine that was blown for her in a glass factory in Venice when she visited there several weeks ago.

Mrs. Hill based her talk on an article by W.L. Morton, professor emeritus of the University of Manitoba. Her introductory statement was "with her influential American neighbor, Canada has struggled for over two centuries to forge a unified identity out of a collection of historical difference."

The larger part of her address pointed to historical and geographical reasons why Canada has not become a part of the U.S. emphasizing the part both French and British had in her development.

She stated that a giant step in the creation of a new world was made with the French efforts to exploit possibilities of the St. Lawrence River to the Mississippi as a way to an invasion of North America, while the main thrust of the English was into New England and southward along the Atlantic coast.

Mrs. Hill discussed a series of colonial wars which strengthened French influence for a time, then later clashes between French and British until the defeat of France by a British expedition in 1759. However, the Quebec Act of 1774 gave the city the French language and civil law.

Continuing, Mrs. Hill explained how the British influence in Canada was resented by the U.S., leading to the War of 1812 and other conflicts for many years. Eventually, the Canadians realized their need to be a united country and presented their case to the British parliament which passed the British North American Act establishing the Dominion of Canada March 29, 1867. After that, Canada kept extending her boundaries until 1880 when she became, and still is, the second largest country in the world.

Mrs. Hill concluded by relating how Canada's part in the 2nd great European War led to new industries, importation of American capital and techniques and through it all kept her identity and achieved her integrity.

"Long divided by outlook and allegiance and still plagued with rivalries and stresses, Canada and the U.S. have now come to share a mutual interdependence and realize both have much to gain by cooperation," Mrs. Hill stated in closing.

During Mrs. Lee's presentation, she focused attention on Quebec City and Montreal, turning the spotlight on the first city, a picturesque walled capital with a 375-year-old history, narrow streets, old world charm built on hills and bluffs that give a commanding view of the St. Lawrence River. It is the home of the Royal 22nd, the French Canadian regiment that occupies the citadel.

She selected the Chateau Frontenac that rises above everything else like a fortress for another special attraction of the city. Alongside is the promenade called Dufferin Terrace where the streets wind down to the old city with its 17th and 18th century buildings, many restored as quaint restaurants.

"When you are in Quebec, you get

'Good friend' rules offered

Mrs. Don Wamble presented "Ten Comandments to Be a Good Friend" as an opening thought to members of Epsilon Eta chapter of Epsilon Sigma Alpha in a meeting held Tuesday evening at Texas Electric Reddy Room. Co-hostesses were Miss Debbie Lewis, Mmes. James Dyer and Howard Davis.

Mrs. Jimmy Spears conducted the business which was given to reports by officers and chairmen.

The educational program was directed by Mmes. David Parkey, Darrel Gunderson, Paul Tigrett, Phil McDonald and Larry Whitaker on the art of how to utilize the candle with other objects to form attractive decorations. Each one present made a candle.

Mrs. Parkey, project chairman, discussed various methods of raising funds to purchase equipment and trees for Pace Park. One of the projects will be the annual face painting for Halloween on Oct. 31 at the ASCS building from 12:30 to 5:30 p.m. All proceeds will go directly to park funds. A cord of firewood will be given away at the annual Christmas bazaar on Dec. 5.

Mrs. Robert Needham proposed that members provide remembrances for patients at the Iowa Park Memorial Home, with detailed plans to be presented at the next meeting.

Mrs. Gunderson gave a report of the recent District VI meeting at Quana.

A social honoring husbands will be held Oct. 24 at the home of Mr. and Mrs. Parkey and the next regular business meeting will be held Nov. 3.

MRS. LARRY WAYNE GREEN

Nuptials are exchanged

Miss Katherine Carol Sheets, daughter of Mr. and Mrs. Jimmy Sheets, and Larry Wayne Green, son of Mr. and Mrs. Glen Green of Wichita Falls, were married last Thursday by R.L. Stewart, Justice of the Peace. The couple will live at Fort Polk, La., where he is stationed in the U.S. Army.

The bride was graduated from Iowa Park High School and is employed by the Wichita Falls Postal Credit Union. The groom was graduated from Dallas County High School at Plantersville, Ala.

The bride is the granddaughter of Mr. and Mrs. Tip Martin and Mr. and Mrs. A.O. Robertson, all of Iowa Park.

A reception was held at the home of Mr. and Mrs. Sheets following the wedding.

Cook of the Week

Mrs. Otis Scobee's recipes for this week are some of her children's favorite recipes and each is for people who have a "sweet tooth". With the holiday season so near, many people are turning their thoughts toward sweets both to enjoy themselves and to give for gifts.

Through the ages, confections have represented special treats prized for their pleasing taste and good effects. The ancient Egyptians thousands of years ago may have been the first candymakers, mixing honey with seeds, fruit and food coloring.

The peanut is one of the most popular ingredients today to mix with other ingredients in candy, cookies, etc. There has been some dispute as to what country the peanut is a native of, but it has been found in mummy tombs in Peru where it is pictured on Chimnu pottery. The earliest reference to the peanut in the U.S. dates 1791 or 1792 when Thomas Jefferson was known to have grown them.

George Washington Carver once demonstrated the versatility of the peanut to a group of Alabama businessmen by serving them a meal based solely on peanuts. The great promoter of the peanut discovered 300 uses for it, and when he was admitted to the Columbia University Hall of Fame an article in the New York Times in 1977 stated that the peanut was 2,000 years old.

Wanda Scobee, a native of Olney, was graduated from high school there. She and her husband, who own Scobee's Mini-Mart, have lived in Iowa Park since 1959. She worked at Sears-Roebuck for nine years and later for Mr. Doyce in Parker Square. Her hobbies include ceramics, sewing and needlecraft.

The Scobees are members of the First United Methodist Church. Their children are Sherilyn Bass and Dawnna Franks, both of Wichita Falls, Randy and Vinita of Iowa Park. They have five grandchildren.

PEANUT PATTIES

- 2 1/2 cups sugar
- 3/4 cup white corn syrup
- 1 cup milk
- 3 cups raw peanuts
- 1 t vanilla
- 1 t butter

Mix sugar, syrup, milk and peanuts together and cook over low heat for 1 hour. Add butter and vanilla and beat until creamy. Spoon out on buttered cookie sheet, add red food coloring if desired while beating.

Mrs. Otis Scobee

FAIRYLAND COOKIES

- 1/2 cup oleo
- 1/2 cup oil
- 1/2 cup white sugar
- 1/2 t vanilla
- 1/2 cup brown sugar
- 1 egg
- 1/8 t salt
- Beat above mixture, add:
- 1/2 cup oatmeal
- 1/2 cup coconut
- 1/2 cup chocolate chips
- 1/2 t soda
- 1/8 cup milk
- 1/2 cup Rice Krispies
- 1/2 cup chopped nuts
- 2 cups flour
- 1/2 t cream tartar

Blend all together and drop by teaspoons on greased cookie sheet. Bake 10 minutes at 350 degrees.

TOFFEE

- 1 lb. butter
- 2 1/2 cups finely chopped pecans
- 2 cups sugar
- 1 T vinegar
- Melt butter, sugar, 1/2 cup nuts and vinegar, boil over medium heat, stirring constantly until 300 degrees (hard crack stage). Pour on buttered tin. Cover with chocolate and spread out thin. Sprinkle nuts over top and mash with back of spoon. Let cool and break into small pieces.

SAUCE PAN BROWNIES

- 3/4 cup flour
- 1 cup sugar
- 1/4 cup shortening
- 2 eggs
- 6 T cocoa
- 1/4 t salt
- 1/2 t vanilla
- 1/2 cup chopped nuts

Melt shortening and cocoa over heat and cool, add sugar and vanilla and mix well. Add eggs one at a time and beat. Add flour, salt and nuts. Bake in greased 9x9 pan for 25 minutes at 350 degrees.

FUDGE FROSTING [For Brownies]

- 2 T melted shortening
- 1/4 cup cocoa
- 1/4 t salt
- 3 T milk
- 1 1/4 cup powdered sugar
- 1 t vanilla

Combine shortening, cocoa, salt and vanilla. Add sugar and milk alternately, mixing until smooth and creamy. Add more sugar to thicken or milk to thin frosting, if required, until spreading consistency. Spread on brownies while warm.

DIVINITY

- 3 cups sugar
- 1/2 cup white corn syrup
- 1/2 cup cold water
- 2 egg whites
- 1 t vanilla

Place sugar, syrup and water in pan over low heat, stir only until sugar is dissolved, then cook until soft ball. Beat egg whites until stiff, continue beating and pour 1/2 the syrup slowly over the beaten egg whites.

Continue beating while cooking the rest of the syrup until it forms a hard ball. Add this syrup gradually to egg mixture, add vanilla and continue beating until candy is thick enough to drop from a spoon. Drop on buttered cookie sheet and top with pecan half or cherries. Add nuts, if desired, just before candy is ready to spoon.

Philia members tour Cryovac

For the Philia Study Club's October meeting, Monday evening, members toured the Cryovac plant. They were guided by Dick Bennett and Frank Hardin.

Following the tour, they assembled at the home of Mrs. Vern Horsky, where Mrs. Dean Maxwell shared hostess duties. Mrs. Harold Cowley, president, conducted the business meeting.

The next meeting of the club will be the annual joint meeting, Nov. 16, with the Amity Study Club and 23 Study Club at Texas Electric Reddy Room.

Teacher honored

Mrs. Jane Cowley was selected Business Education Teacher of the Year from Region IX at the annual fall meeting of the Texas Business Education Association in Wichita Falls Monday.

She has taught business classes 14 years and has also served as librarian at Iowa Park High School. This year she is teaching typing and accounting.

She earned a B.S. degree with a major in business and a master's degree in library science from East Texas State University. She is a member of Texas State Teachers

Association, Texas Business Education Association, and Delta Kappa Gamma.

Locally, Mrs. Cowley is president of the Philia Study Club. She will serve as president of Texas Business Association next year. She sponsors National Honor Society at the high school.

Mrs. Cowley is the wife of Harold Cowley, superintendent of Iowa Park schools. Her son, James, is a junior student at Iowa Park High School.

CARD OF THANKS

Words are indeed inadequate to express our deep gratitude to all who have given of themselves in meeting our needs during the time of our sorrow. We are deeply grateful. You have strengthened our hearts and given us courage to carry on through comforting words, calls, flowers, cards, food, memorials and prayers. Our special thanks to Rev. W.F. Williams and Rev. Letters to the Editor

So many times I have wanted to answer some of your writers in reference to our city sports programs. The letter that appeared in the last Leader issue compelled me to do so.

The letter I'm referring to was the one downgrading and slurring the Top-O-Texas football program and the coaches.

I have had a son involved in the football program and Little League baseball for five years. During these years it has become quite obvious to me those parents who have time to write these letters. They are the parents who do not get involved with donating their time with these programs through umpiring, working gates, running chains and working concession stands. This gives them the extra time to sit back and complain and find fault with those who are donating their time.

However, I do feel it is going a bit too far to accuse men of teaching little boys to cheat. I personally resent that statement as my husband assisted in coaching the Warrior team. As a former all-state high school and college football player, I say to you writers, my husband doesn't have to cheat to win. He has first-hand knowledge of the game to pass down to each and every boy who is willing to learn.

In reference to (name of a coach), I've never heard him raise his voice or use any foul language around these young boys. I wish I knew him better, and hope to in the future, but would like for a man of his caliber to coach

my son any day.

But I am very well acquainted with Jimmy Duggins, especially the last eleven years he's been a part of my family. I do know through personal, first-hand knowledge that he is totally dedicated to each boy on the program. He has been a part of our Little League baseball program for almost a decade and the football program for over five years. Until the last two years he did not have a son involved in either of the above programs - he had your boys!!

I do agree, Jimmy strives for a winning season in either program. But I also know that any boy who shows interest in the game, and gives 100% of himself gets to play. I can see this proof through my own son and the progress in his athletic ability while under Jimmy's direction.

I, too, stress winning to my boys, whatever they undertake. There is no point in setting out to reach a goal if you have losing in your mind.

I suggest to you parents who write these derogatory letters and sit back and complain and make accusations to watch your sons while on the sidelines. So many games they spend playing in the water buckets, scuffling between themselves, and having their own private punt, pass and kick competitions. You can imagine how uninvolved they must be at a practice.

More important than defending these men, I challenge you writers to have solid proof before you set out to offend them.

I would like to take this time to full extend my congratulations and

heartfelt thanks to Jimmy Duggins for the hours, weeks and years he has spent with my son. It has been a blessing to our son's growth as a young man and young athlete. And I know he will look back at these years in the future as wholesome and knowledgeable years - all due to Jimmy Duggins! We thank you publicly and in our hearts, and thank God there are still men like you around.

Please feel free to sign my name,
Jackie Young

Dear Sir:

Some days ago, my son wrote you a letter concerning the way the sports in this fair city of Iowa Park are. Since that time, I have received a lot of phone calls concerning that letter, and would like for the people of this city to know that an overwhelming majority were in agreement with what he said and I have to agree with them.

I have been in this town since 1954 and I helped teach most of these coaches to play little league football and little league baseball, and I think that if they would do a little soul searching, and try to remember back to the days when they were playing, they would change the way they are teaching these boys the values in life. They would also find out that we have made no improvement in the last 20 (twenty) years.

I have been working with boys in the Scout program and the various sporting programs in this town for the last 40 years and it has always been our goal to try to teach these kids fair play, sportsmanship, and most of all to be trustworthy. I sincerely hope that this will open the eyes of at least part of the people that have been here for some time and will give some of the good people that have just moved here recently something to think about.

Sincerely,
H.L. Denton

P.S. I have personally seen some of the officials and coaches sit on the bench and cry because they could not play when they were kids themselves.

As I See It....

There's going to be some frosted squirrel tails this winter on Woodrow Street in Wichita Falls.

Glenn Shelton, in his column Monday, said he agreed with The Old Farmer's Almanac that this would be a mild winter. He concurred with the Almanac because the squirrels in his neighborhood had "skippy strings" for tails and weren't bushy.

Eventhough I've lived in Texas just about all my life, I still enjoy a venture into the future, when it concerns weather forecasting. So I guess that qualifies me as a "darn fool."

I've been saying more than a month now that this would be a cold, wet winter. Nothing, neither Shelton's squirrels nor Farmer's Almanac, has yet changed my mind. Only time will tell.

We've just had it too good, weather-wise, and Mother Nature can't let that happen too long. Last winter was pretty easy to take, the spring was beautiful, the summer had very few really hot days, and this fall has been equally as nice as was spring.

You might remember about a month ago that we set a new record low temperature one morning, breaking a record which had stood since the 1930s. That same morning, records were being dropped all the way through Michigan.

I take such an event as an indicator. When temperatures reach near freezing early in the fall, the earth cools, and it affects the temperatures the rest of the season.

Though no one has said it, I'm not

sure the weather isn't still being affected by the volcano eruption in Washington. Records indicate major eruptions throughout history have affected the world's weather several years afterward.

In predicting how harsh a winter will be, the degree is difficult. But I'm taking no chances. I've ordered an extra large supply of wood for our fireplace.

With the wood on its way, and an extra supply of pecans to be harvested from our trees, I'm expecting numerous enjoyable evenings at home, toasting in front of my favorite fireplace while shelling nuts.

And I wouldn't mind doing that after a big meal of squirrels, which Shelton wants removed from his neighborhood.

Chamber slates election Nov. 16

The annual business meeting and officer election of the Iowa Park Chamber of Commerce will be held Nov. 16.

Directors were reminded of the date during Monday's monthly board meeting. All dues-paying members of the Chamber are eligible to attend and vote on the slate of officers.

The meeting will be held at the First Christian Church, and ladies of the church are to cater the noon meal for \$4.50 per plate.

Area teachers voted TSTA leaders

Three area teachers were elected to offices during Monday's convention of District Nine of Texas State Teachers Association.

Durhl Caussey of Holliday was named president, Teri King of Iowa Park treasurer and Danny Holman of Holliday to the district committee.

The convention was held on the campus of Midwestern State Univ.

BURN VICTIM - Mike Goins, employed by Nick Oechsner Electric, received burns to his hands and face about 8:30 yesterday morning while working at the city water treatment plant. He had removed an electrical meter and was about to loosen a wire when his screwdriver slipped and contacted both posts.

Let us show you how to help hold down electric bills.

You'll learn many simple do-it-yourself ideas for conserving energy by attending one of Texas Electric's Operation Tighten-Up workshops. They're free, and last only about an hour.

Learning to save energy and money at home is important, especially since electricity will cost more next year. This is partly because the last of our contracts to buy low-cost natural gas expires December 31.

We'll show you how you can help hold down your bill at one of our Operation Tighten-Up workshops. To find out when and where there will be a workshop in your neighborhood, just call Texas Electric.

Hawks lose loop opener

When two teams are evenly matched, the one that makes the fewest mistakes usually wins. And that's what happened Friday night.

Iowa Park committed 10 mistakes, including seven penalties, two intercepted passes and one fumble. Mineral Wells lost the ball once on a fumble, and was flagged only four times.

Result: Mineral Wells 9; Iowa Park 0.

It was a heart-breaker for the Hawks, who were bent on winning their second game of the season, but more importantly, their Dist. 3-AAAA opener.

Defensively, Iowa Park played well. The Mean Green forced the Rams into a ball control game by allowing their hosts only three running plays in excess of nine yards.

The only major play by Mineral Wells was a 38-yard run by quarterback Mike Salisburg, which was the game's only touchdown. Other than that one play, Ram runners were limited to a 14 and 12 yarder, and the rest of the 47 rushing plays were short.

A 23-yard field goal by Lin Bearden early in the third period accounted for the balance of the scoring.

Offensively, the Hawks played well enough to win. Chris Nethery gained 79 yards on only 10 carries; Jim Smith ran 16 times and picked up 66 yards; and wide receiver Les Smith ran a pair of reverses for another 36 steps.

The Hawks threatened to score four times, when they ventured into Ram territory. But a field goal attempt by Jeryl Brixey failed, after driving to the Ram nine yard line late in the second period. And interceptions killed drives twice in the fourth quarter, when the Mean Green advanced to the Ram 33 and 19 yard stripes.

A series of mistakes late in the opening quarter doubtlessly took a lot of wind from the Iowa Park sails.

The Ram punter shanked the ball, giving the Hawks possession on their own 39. Les Smith ran a reverse to the Ram 34, and Nethery picked up five more.

Then Jim Smith picked up six, to the Ram 23, but a holding penalty took the ball back to the 36. Quarterback Wayne Hodges was sacked for a six-yard loss, and drew a penalty for intentionally grounding the ball, which then made the line of scrimmage the Hawk 43.

Hodges was again sacked for an eight-yard loss. But after he was tackled a "dead ball foul" was called on the Rams, and the ball was placed on the 50 yard line.

Iowa Park punter Steve Harris sailed the ball on the next call to the Ram 15, but a personal foul took the hosts out of bad field position, to the 30.

After the Ram touchdown, the Hawks mounted a march from their own 28 yard line, and appeared headed to at least even the score.

Nethery scampered 39 yards to the Ram 11. But after three plays, the Hawks had advanced only two yards, and Brixey then attempted a field goal with 50 seconds remaining in the half, but the ball was wide left.

Iowa Park's defense twice held back scoring drives by the Rams in the third quarter. The Rams covered a fumble at

GREG UNTALON BULLS WAY FOR SEVEN-YARD GAIN IN FIRST QUARTER

the Hawk 29 and stalled on the eight. Then a shanked punt gave them possession on the Hawk 28, but three plays netted only three yards, and a second field goal attempt failed.

Don Sidlauskas gave the Hawks a scoring opportunity early in the fourth period, when he covered a fumble on the Ram 33. But on the next play Marc Klinkerman's pass attempt was intercepted on the Ram three yard line.

As the game was winding down, the Hawks were driving once more. Starting from their own 37, they reached the Ram 20 yard line. But once again, a Klinkerman pass was intercepted, this time on the five, with only 40 seconds remaining on the clock.

Field conditions were surprisingly good, considering the field had been under a foot of water four days earlier. Parking space was limited to roadside areas around the stadium, but none of the players complained about mud or slick surface.

Eagles whitewash Trojans, 58-0

Somebody left the gate open to the Holliday thoroughbred stables in Eagle Stadium Friday night, with eight Eagles running for touchdowns in a 58-0 whitewash of the Windthorst Trojans.

The 58-0 shutout for the Eagles makes five the number of times Holliday opponents have failed to record a score this season.

The win ups the Eagles' record to 6-0 for the season, 3-0 in District 13-AA play, while Windthorst drops to 2-4 overall, 1-3 in league competition.

With Ray Looney and Joe Chase watching from the sidelines for much of the contest, reserve back Mark Rathman took the game's rushing honors with 158 yards in 13 carries, including a 27-yard touchdown run.

Chase scored the initial touchdown of the night, one of four touchdowns

in five possessions for the Eagles in the first half alone, from 47 yards out on the fourth play of the game.

Later, an apparent 82-yard score by Chase was called back due to a clipping infraction.

On the Eagles' second possession of the game, reserve fullback Jeff Belcher scored from eight yards out, capping a 58-yard, five-play drive by Holliday. Mike A. Parker kicked his second of six point after attempts to up the lead to 14-0.

Looney scored on a 67-yard dash with a little over a minute left in the first period, giving Holliday a 21-0 advantage.

Brad Harmon scored on a three-yard plunge, and Gil Gilbert returned an interception 76 yards for another score to give Holliday a 35-0 halftime cushion.

Windthorst actually threatened

once, when quarterback Joe Wolf drove the Trojans to the Eagle 23, mainly on runs by Leo Hoff. Hoff was Windthorst's leading ground gainer with 60 yards in 18 carries. On a second-down play, Wolf threw the ball into Gilbert's arms, who made a couple of slick maneuvers with key blocks from Chase and Harold Parsons in carrying the ball 77 yards for the score.

Rathman scored his touchdown early in the second half from 27-yards out. The score was set up by Chase's interception, the second of six picked off by the Eagle secondary for the night. A. Parker picked up a mishandled snap on the conversion try and ran it in for two points, giving Holliday a 43-0 lead with less than a minute and a half gone in the third quarter.

Later in the third period, Mike W.

Parker got into the scoring groove with a one-yard plunge, polishing off a five-play, 35-yard drive by the Eagles, giving the home team a 49-0 advantage.

In the final period, both teams suffered a severe case of fumbleitis, with the Eagles coming off the short end, losing four of five, while the Trojans lost the ball three of four times.

But Holliday managed to hold together long enough for a 54-yard drive, capped by Eric Neil's five-yard burst through the left side. Earlier in the period, Wolf was dropped in the endzone for a safety, giving Holliday a 51-0 lead before Neil's touchdown.

In all, the Eagles amassed 531 yards total offense, 51 yards passing and 480 on the ground. Meanwhile, Windthorst was held to 150 yards total offense, 67 passing and 83

rushing.

Looney and Chase have watched the Eagle offense much of the time from the sideline the past two games, but both have respectable yards-per-carry. Looney had 90 yards in four carries and Chase 74 in four carries. Both averaged over 15 yards per carry against Chico, although

each saw limited action while the Eagle reserves chalked up invaluable playing experience.

Reception honors Bedford

Rich and beautifully executed decorations in soft candlelight sparked with accents of gold arranged for a reception held Sunday afternoon commemorating the 50th wedding anniversary of Mr. and Mrs. Wilburn Bedford expressed the ultimate in grace and daintiness.

The function took place in Texas Electric Reddy Room and was given by their daughters, Mrs. Buster Reaves and Mrs. Lyndell Glenn and their spouses. They were assisted by granddaughters of the honored couple, Mrs. Craig McCord and Miss Celeste Glenn, and Barry McCord, their great-grandson stood with them as they received guests.

Other reception assistants were Meses. O.N. Newman, Jerry Gholson, N.E. Guthrie Jr., Roy Adams, Scott Hartgrove, Kenneth Garrett, Kevin Wright, and Miss Staci Newman.

The refreshment table gave dignified accent to the setting. Gracefully draped with a beautifully-designed candlelight polyester satin full length cloth adorned at the top with matching lace bows, the centerpiece was a three-tiered candlelight iced cake decorated to suit the mood of the occasion. Cascades of frosting candlelight roses and tiny white doves encircled the tiers separated by two sets of filigree columns, and clusters of the roses with realistically curled petals centered the first and second tiers. The top ornament featuring candlelight satin bells and puffs of matching

tulle lent a sweet tradition to the cake.

Gold-colored punch was served from a handsome crystal service and the other table appointments lent themselves to the scheme.

The round table where guests registered was covered with a cloth that duplicated the one on the refreshment table and held the anniversary book, white plume pen, and a bud vase filled with white carnations.

Another table in the room "gleamed" with gold from the large assortment of gifts the couple received.

Leta and Wilburn Bedford were married Oct. 15, 1931 in Frederick, Okla. and have lived in Iowa Park 44 years. Both are members of First Christian Church.

Other officers attending were Meses. Gratan Eiben, Walter Beeman, Bob Goodknight and Norman Russell.

IRS Tax Tips

Flood Victims: Tax Relief Available
The Internal Revenue Service advises victims of flooding caused by the recent heavy rains that they may be eligible to claim casualty losses on their 1981 returns.

Losses to business property are generally deductible in full. Personal property loss deductions are limited to the amount of loss exceeding \$100 for each occurrence.

To claim a casualty loss a taxpayer must be able to substantiate the loss. Victims should compile a list of those items damaged or destroyed and determine their value immediately before and after the loss occurred. Before-and-after photographs of damaged property are important records to maintain, as are judgments of independent appraisers.

Of course, any portion of a loss covered by insurance and subsequently reimbursed is not deductible.

Further information for taxpayers is available by calling IRS toll free and asking for Publication 547, "Tax Information on Disasters, Casualty Losses, and Thefts, and Publication 584, Workbook for Determining Your Disaster Loss. Call 742-2440 in Dallas, 335-1370 in Fort Worth and 1-800-492-4830 elsewhere in Texas.

If you're concerned about rising grocery costs, here's something you can do about it.

On November 3, you can make a positive step toward helping hold the line on rising grocery costs.

Proposition 5, one of seven proposed Constitutional Amendments which will be offered on the ballot, would include livestock and poultry with all other farm products as exempt from property (ad valorem) taxes. The effect of passage of this amendment will be to lower production costs for livestock and poultry. In the long run, this will be a positive step we can take to help hold the line on grocery price increases.

For you and for your family, both now and especially in the future, this may be one of the most important votes you'll ever cast.

VOTE FOR 5.

Night WMU meets

Mrs. Riley Thompson reviewed the second chapter of Road to Timbuktu, a foreign mission book, for the members of Night W.M.U. of First Baptist Church in a meeting held in the home of Mrs. D.O. James Tuesday.

The study dealt with the experience of John Mark, an African boy, after he had broken tradition and become a Christian and journeyed to a distant city to enter the theological seminary to prepare himself for the ministry.

Mrs. Elmer Singleton presided during the business. Mrs. Bill Curry, prayer chairman, read the names of missionaries on the birthday calendar for the day and directed the period for special prayer for them. Mrs. J.T. Parker was welcomed as a new member. Thirteen were present.

CARD OF THANKS

We shall always remember the beautiful way in which the teenagers of our town showed their love and sympathy during the death of our son, Larry, and we do appreciate the Student Council of Iowa Park High School placing the book in the library in his memory. You have meant so much to us during our sad experience. We love and appreciate you. Mr. and Mrs. R.D. Sampley.

CARD OF THANKS

I would like to express my sincere thanks to the people who were so nice during the illness and death of my mother, Mrs. Geneva Buzbee. Special thanks are due Dr. Earl F. Watson, Heritage Manor, Keith Parker, minister of the Church of Christ, the pallbearers and those who sent food and flowers. Robert C. Buzbee

Kid football playoffs Saturday

Saturday will be championship decision day for Top of Texas Kid Football. Playoffs will be held at Griffith Field on West Magnolia.

The first game, between Electra Lions and Henrietta Cubs, will kick off at 2 p.m. At 3:30, Iowa Park Oilers will meet the Holliday Eagles.

The third game will be between Quanah Little Braves and Sheppard Cowboys, starting at 5:30, and the final game will begin at 7:30 between Sheppard Redskins and Electra Cougars.

The playoffs will determine the champions between East and

West Zones of Top of Texas.

Seymour, Electra, Iowa Park and Quanah make up the West Zone, while teams from Henrietta, Holliday, Iowa Park and Sheppard comprise the East Zone.

The Sheppard Cowboys won the East Zone Pee Wee league, while the Quanah Braves were West Zone champs. Sheppard Redskins will represent the East Zone midget league and Electra Cougars the West.

Admission for the playoffs is \$2 for adults and \$1 for students, but the admission is good for all four games.

TOMORROW NIGHT

Petrolia poses major threat

After beating last year's district champion and outscoring their opponents 249-7 in six games, the Holliday Eagles probably would win the four remaining district games playing defense on their knees, right? Wrong.

While Millsap, Archer City and Nocona continue to fight over the rights to the district cellar, Petrolia's Pirates have a firm grip on the door along with Holliday, and tomorrow night one of them will have to loosen it's grip.

Both teams are 3-0 in district play coming into tomorrow's grudge match, and the Pirates are 5-1 for the season, their only loss coming at the hands of Henrietta (5-1) in an early-season non-conference game.

Last Friday, Petrolia ran roughshod over the Nocona Indians 46-20, a game which saw the Pirates intercept five Indian passes, and recover four fumbles.

Inspiring the Pirate team are returning stars Larry Guice and Gary Allen, both of whom were instrumental in upsetting the Eagles in Petrolia last year 18-8. Guice completed five of six passes in that game, one for a touchdown, and Allen ran for 89 yards in 16 carries and two touchdowns, one for 44 yards.

Returning with two-way starters Guice and Allen will be three offensive and four defensive starters.

Playing out of a pro-set backfield, the Pirates will count on Guice's passing

James Wright, Jesse Lopez, Ken Cates and Jeff Blake into tomorrow's

most important one of the season for his talented team. "Petrolia has no

Holliday News

precision and Allen's deceptive running style to score points against the Eagles' stonewall defense.

Petrolia's defense looks strong again, with linebacker Trent Anderson (6-0, 190) leading other returning starters Guice, Allen,

game with hopes of repeating last year's performance.

"Last year the Pirate defense played exceptional while ours was lacking in spots," Eagle coach Don Lucy said.

Lucy considers this game to be the

choice, and we don't either. . . it's a big game for both of us," he said.

"With a 5-1 record, Petrolia has momentum, a good outlook, and a lot of confidence, which they should have," Lucy remarked.

Council decides to change meeting time

Changing the meeting time became the most prominent issue

facing Holliday's city council Monday night in a regular session lasting less

than an hour.

Because of the upcoming Daylight Savings Time change, council decided to hold meetings at 7 p.m. on the first and third Monday of the month, instead of 7:30.

Two items on the agenda were cancelled for various reasons.

Lonnie Brackeen, representing the United Confederate Veterans Association, asked that discussion of the locked gate to Stonewall Jackson Camp be added to the agenda for the council's next meeting.

The association is asking the city to remove the locked gate leading into Stonewall Jackson Camp.

According to Brackeen, the camp was originally given to the association with the intent the public would be admitted, therefore, the gate is allegedly in violation of the agreement.

Gene Whitting, on the agenda reportedly to ask for city water service, was absent from the meeting.

Councilmen added discussion of Jim Harrigal to the agenda under old business, and moved to send Harrigal a bill for a \$195 tapping fee.

Harrigal went before the council last month to question the validity of the city's bill.

EAGLE BAND drum major Ronald McDaniel directs the band from his perch during halftime activities Friday night. Despite poor field conditions, the band performed it's entire show, with no slips.

The names of all taxing units which assess and collect taxes on said property not made party to this suit are None.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to including the day of judgment herein, and the establishment and foreclosure of liens, if any securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear and defend such suit by filing a written answer at or before 10 o'clock a.m. on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 30th day of November, A.D. 1981. (which is the return day of such citation), before the honorable District Court of Wichita County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Wichita Falls, Wichita County, Texas, this 13th day of October, A.D. 1981.
