School personnel due \$400 bonus

December's paycheck for all full-time employees of Iowa Park schools will be \$400 larger. Trustees voted to give all full-time employees a bonus that money, and part-time employees' checks will be proportionately increased. The bonus is for one month only and was budgeted to be paid

sometime this fiscal year. But it may be that school employees will have a regular monthly check next year that is greater than they are this year. Board chairman Roy Boutwell suggested that when contracts are considered for next year, the salaries should be increased to be competitive with surrounding school districts. Boutwell told other members of the board that the local salaries must be increased to a competitive level with area schools, or the district would not only lose personnel, but be unable to attract competent people. Contract consideration begins in January, when the superintendent's is acted on. In February, contracts for principals and key personnel are considered, and all teacher contracts are considered in March.

the band, and 116 are expected next year. There are 100 students enrolled in choir, 63 in girls' basketball and 61 in boys' football.

Bradford's enrollment includes 119 third graders, 123 fourth graders and 154 fifth graders, for a total of 396, according to James Ward.

Robert Cole, Kidwell, said his 338 students include 131 second graders, 134 first graders, 60 kindergarten, 10 in early childhood and two special education. He also reported the P-TA Halloween Carnival netted \$1,300 this year.

Karl King, vocational counselor, said he was apprehensive of student enrollment in vocational courses when the year started, because of the decrease in enrollment. However, he said 72 percent of high school students are enrolled in one or more of the courses.

The major decrease, which King said was unexplainable, was the drop in Home Economics I course from 63 last year to 29.

John Sibley, reporting on the West Wichita Cooperative, said the most significant figure he has this year was the Cooperative started the year with a record number of pregnant students, seven. Three of them are Iowa Park students.

Trustees agreed with Supt. Harold Cowley to advertise for a contract to re-roof the new high school gymnasium, and to hold the bid opening Dec. 7.

ENROLLMENT REPORTS

Principals of the four campuses gave reports to board members, and most of the information centered on enrollment.

Bob Dawson, high school, said enrollment this week was 593, including 150 freshmen, 129 sophomores, 151 juniors and 163 seniors. The total reflects a decrease of some 180 students over the past two and a half years, he said.

Jimmy Alsup, junior high, said he had 137 sixth graders, 138 in the seventh and 120 in the eighth. Of the 395 students, 82 are participating in

City aldermen to consider blighted area designation

Iowa Park city council members will be asked to consider declaring all or part of Iowa Park as a blighted area when aldermen meet at 7 p.m. Monday in council chambers. Aldermen will be asked for the declaration in order for industrial bonds to be issued for upgrading blighted areas in various sections of the city, according to Steve Morath, city administrator.

The program is similar to one recently approved for the major portion of downtown Wichita Falls

recently, by that governing body.

Mrs. Dutch George is to make a public appearance concerning the blighted area designation.

Two resolutions will be offered for consideration: one is to appoint a representative to the county tax appraisal board; the other is to authorize renewal of a contract for collection of large dead animals.

A request to advertise for purchase of a sewer line cleaning machine will also be considered.

News in brief

Man dies of gunshot wound

A 37-year-old Iowa Park man died early Saturday morning, reportedly from a self-inflicted gunshot wound.

City police responded to a 12:29 a.m. call to 602 S. Bond, where they found Robert Luther Raybourne lying on his bed, a .25 cal. pistol in his

hand, and a wound in his left cheek. Sgt. Robert Dean, medical examiner, pronounced him dead at the scene.

Family members told police the man had been depressed recently, suffering from arthritis, and had been drinking heavily all evening.

Iowa Park bands compete in contest

The Hawk marching band received a division two rating yesterday afternoon in the University Interscholastic League marching

contest, held in Wichita Falls Memorial Stadium.

Iowa Park Junior High band received a division three.

Valley Farms reunion Saturday

The 16th annual Wichita Valley Farms reunion will be held at the community house Saturday for all former and present residents.

Registration will start at 5 p.m. and the meal will be served at 6:30 p.m. Those who attend are asked to bring

a picnic lunch. Plates, napkins, silverware and tea will be furnished. Officers of the Wichita Valley Farms Association are Roy Thompson, president; Clark Robinson, vice president; and Mrs. F.E. Schridt, secretary-treasurer.

Three amendments fail in area's five boxes

A virtual handfull of voters locally turned down two of seven proposed state constitution amendments, agreeing with the rest of the county on all but one change.

Only 333 voters cast ballots Tuesday in the five boxes of the Iowa Park area. That was six percent of the county's 4,989 voters.

Amendment four, the controversial water development funding issue, was turned down in four of the five voting precincts. The county also voted against it and early indications were that it would fail in the state's total.

Only the voters in precinct 34, at Valley View, voted for the water funding proposal in this area. That box went 15-11 for the proposal, but it failed 145-181 over the area and 1,653 - 3,206 in the county.

Strongest opposition in the area boxes was to amendment three, which would have allowed the legislature to grant a state finance management committee power to manage the expenditure of certain appropriated funds.

It was opposed in the area boxes 223-89. Only precinct 35 at Kamay approved it, 6-4. County-wide, the issue failed 1,302 - 3,469, but early count state-wide indicated it might pass.

Local voters disagreed with the rest of the county on amendment one, approving it 180-144 while the county rejected it 2,407 - 2,457. The amendment would authorize cities, towns and other taxing units to encourage redevelopment of certain areas through property tax relief and

issuance of bonds and notes. On the other amendments, local and county voters agreed: Amendment 2 - local, 254-67; county, 3,777-1,085

Halloween tricksters not only police problem

Halloween pranking can't be blamed for all the reports that flooded the city police station over the weekend.

The most serious report was an estimated \$700 in loss and damage at Bradford Elementary sometime Friday night, where thieves reportedly stole six turkeys, 25 pounds of fish, a 24-pound box of French fries, 30 pounds of cheese, 30 pounds of flour and all the kitchen knives.

Sometime Halloween night, someone reportedly broke into James Wilson's car at 1015 Cornelia and tore out the wiring in the dash, inflicted heavy damage to the dash and broke off the door of the glove compartment. Damage was estimated at \$500.

Also Saturday night someone threw a red glass candle at the storm door of Steve Paul Montz, breaking it. Damage was set at \$30.

Sometime Thursday evening a window on the north side of Beall Auto Parts was broken.

Also Thursday morning, about 11 a.m., a boy riding a bicycle ran into

THAT SEASON AGAIN - When the annual bazaars begin, Christmas can't be far behind. Women of the First United Methodist Church will hold their annual bazaar from 9 a.m. to 3 p.m. Saturday, offering arts and crafts, table plants, stitchery, recycled items and a bake shop. Luncheon will be served, including stew, sandwiches, chili, pies and cakes.

Building permits down last month

Only four building permits were issued during October by the city hall, amounting to a mere \$16,000.

They included: George Van Dee, 412 W. Poe, addition, \$1,200; Kenny Gilmore, 300 E. Highway, commercial, \$10,000; David Parham, 1320 Sunset, conversion, \$5,000; Larry D. Cox, 705 E. Cash, demolition, \$4.

HAWKS MEET IN MIDDLE OF FIELD TO CELEBRATE WIN OVER VERNON ... the victory brought out a smile from Coach David Baugh.

Hawks major roadblock for Hirschi title trip

Tell the District 3-AAAA chairman not to have that football championship trophy engraved with Hirschi High's name yet. It might be a little early, despite the fact the Huskies are the only undefeated team remaining in the conference and have but two games remaining.

Tomorrow night's battle between Iowa Park and Hirschi, to begin at 8 in Hawk Stadium, could have a big effect on the final outcome. And the meeting between the two often does. Hirschi has jumped in and out of Iowa Park's district over the years. But whether the two teams are in the

district title hunt, whether one school is larger than the other, it makes no difference.

The rivalry that has developed between the two schools which are only eight miles apart is major, and size and records never seem to enter into the game's final outcome. They're usually close, and exciting.

Hirschi, on paper, should have no trouble with Iowa Park. After all, the Huskies have won their three district games by scoring 56 points and allowing only 16. And for the season, they are 6-1-1. Iowa Park, on the other hand, is 1-2

in conference play and owns only two wins of eight starts the entire season. But the Hawks didn't figure to be able to stay on the field last week against Vernon's Lions, either. And they posted their first shutout of the season, winning 12-0.

It had been since 1974 that Iowa Park had beaten Vernon, and that was the last year the Hawks won over Hirschi.

In that last victory over the Huskies, it was a last-minute field goal by Daryl Frazier, who is now coaching at Iowa Park Junior High, that gave the Hawks a 3-0 decision.

The Huskies came back two years later and won by exactly the same margin, 3-0.

Over the last 12 years, Hirschi owns eight victories over the Hawks. They won 14-7 in 1975, 3-0 in 1976, 28-7 in 1977, 31-14 in 1978, 21-9 in 1979 and 14-0 last year. The other win was 21-20 in 1973.

The Huskies have one of the better defenses in the district. But the offense relies primarily on the big play for its scoring.

Hirschi has amassed lots of yards against its opponents, but most of those yards have come on big plays,

either springing a runner loose or on long passes.

Major figures in the offensive platoon are quarterback Clyde McKenzie and running back MacKenzie Farmer. McKenzie likes to hit Farmer or Eric Franks on long-gaining passes.

Iowa Park will counter with the running of Jim Smith, averaging 3.7 per carry, Chris Nethery, who averages six yards each time he touches the ball, Lynn Fulfer and Steve Fairchild.

The Hawks have two quarterbacks who alternate by quarters, Wayne

Hodges and Marc Klinkerman. Their favorite receiver has been tight end Steve Harris, who has six catches for the season, including both completions last week at Vernon. Les Smith and Steve Fairchild each have three receptions.

Hirschi has beaten Vernon, 23-7, Burkburnett, 26-6, and Graham, 7-3. Iowa Park beat Vernon 12-0, but lost 6-7 to Burk in a non-conference tilt, and 14-21 to Graham.

After tomorrow's contest, the Huskies must travel to Mineral Wells for the regular season finale, while the Hawks will play at Burkburnett.

60TH ANNIVERSARY

O'Briens celebrate

Mr. and Mrs. P.D. (Pat) O'Brien commemorated their 60th wedding anniversary Friday. The highlight of the day was a dinner featuring the anniversary cake for dessert, hosted by the couple's three daughters and their husbands, at Old Town Steak House in Wichita Falls.

The daughters are Patricia Moyer of Iowa Park, Margie Leckrone of

Dunnellon, Fla. and Virginia Frie of Arlington. A son, Burl Walker, of Denton was unable to attend. The couple have 11 grandchildren and 17 great-grandchildren.

Mr. and Mrs. O'Brien were married in Bristow, Okla. Oct. 30, 1921. He worked for Magnolia Petroleum (Mobil Oil Co.) in Oklahoma and Illinois for 19 years, retiring to go into the oilfield drilling business for himself in 1943.

The couple moved from Illinois to Texas in 1947. He worked in several areas in Texas and Oklahoma and retired in Iowa Park where they now reside at 510 S. Colorado. They are Baptists.

ABOUT TOWN

The Band Boosters will meet Tuesday at 7 p.m. at the band hall. Dick Lunney, president will be in charge.

Six new members inducted Tuesday into Epsilon Eta

Mrs. Jimmy Spears conducted three ceremonies to highlight the Tuesday evening meeting of Epsilon Eta chapter of Epsilon Sigma Alpha held in the home of Mrs. Luther Shaw. Co-hostesses were Mrs. Phil McDonald and Mrs. Paul Tigrett.

Mrs. Spears, assisted by Mrs. McDonald and Mrs. Tigrett, conducted the pledge pin ceremony for six new members, Mmes. O.L. Tucker, Al Maag, Bert Williamson,

Doug Johnson, Connie Johnson and Miss Paula Beall.

Other ceremonies conducted by the president were a life membership service for Mrs. Bill Hrncirik, citing her dedication to all phases of the organization, and a transfer service for Mrs. Bill Vanek.

During the model meeting, each officer and chairman gave the duties of her office for the benefit of the new members.

During the business, members voted to plan and conduct some social activities for the patients at the Iowa Park Memorial Home several times during each year. Plans were finalized for the annual dinner to honor the husbands and the Christmas Bazaar to be held at the

A.S.C.S. building from 9 a.m. to 5 p.m. Dec. 5.

A report on the Halloween face-painting project, from which the money received will be spent toward purchasing trees and playground equipment for Pace Park, attested to its success.

Thanksgiving history told

The United Methodist Women observed the beginning of the Thanksgiving season Tuesday morning with Miss Ethyle Kidwell giving the history of Thanksgiving as told by Dale Brennan.

She completed the study by giving Joseph P. Thompson's "Thanksgiving As An Expression of Our National Spirit" as our need for Thanksgiving today.

Mrs. H.W. Carter directed the business at which time the fellowship groups were organized for 1982, and reports of the district conference held at the Wesley United Methodist Church in Wichita Falls were given. Plans were also completed for the

annual bazaar which will be held Saturday.

Preceding the program, members of the Rachel Fellowship served coffee to 30 members.

Cosmo students attend showing

The cosmetology department of Iowa Park High School participated in a style and color show presented by Roux Industries at the Wichita Falls Activities Center recently.

Students learned better and new methods of foil frosting and hair painting that produce more glamorous looks. New haircuts and styles were introduced by Cernia from Tulsa, Okla., and students also learned new styles in braids.

The Eyes Of Texans

JAMES EDWARDS Optometrist

DON'T PITY THE POOR MYOPE!

Nearsighted people [myopes] get all the concern and sympathy but it's really the farsighted folks and those with astigmatism that have all the eyestrain. Why is this so? It's because myopes can't see things far off so they don't try [other than by squinting] so they don't have eye strain per se. This is why it is possible to miss myopia in a very young child. They often think it's natural to see things blurred far off so they don't complain.

Young farsighted people can focus their eyes and see well at a distance and at near except in extreme cases but at a price. The price being various symptoms of eyestrain such as headaches or poor visual performance. A farsighted person may see 20/20 but if he were as nearsighted as he is farsighted then he could only see 20/400!

A myope's world is within arm's reach so they tend to excel with "book learnin". A farsighted person sees better at distance and so often does better in sports.

Cook of the Week

Even though many cooks very often feel that cooking is so "everydayish", it is still one of the favorite hobbies and greatest sources of enjoyment to many people. Mrs. H.J. Cannon III, our cook for this week, listed cooking as her first hobby. Others were sewing and training "Pappy", the couple's Border Collie.

If cooking does indeed seem humdrum at times, people have had the same experience since cooking was discovered. When? Reay Tannahill in his book "Food in History" says that it was discovered at some time between the taming of fire and the appearance of the Neanderthal man. It is described by some as the greatest element of civilization and the decisive factor in leading man from a primarily animal existence into one more fully human. So "everydayish" or not, cooking is one of the most important things in today's world that one can be involved in.

Reecie and H.J. Cannon III moved to Iowa Park during the summer after he was elected to teach agriculture and ornamental horticulture in the Iowa Park High School. She is presently working as secretary for United Funeral Directors in Wichita Falls.

A native of Paducah, Reecie was graduated from high school there. She was a member of National Honor Society, member, secretary-treasurer of FHA, member and sweetheart of the band, a member of the Band

Richter completes CLU requirements

James Richter was recently awarded the CLU diploma and professional designation by The American College of Bryn Mawr, Penn.

Richter, who resides on Bell Road, entered the insurance field in 1974 and represents Life and Casualty of Tennessee.

CLU designation requires completion of a 10-course curriculum, as well as requiring experience and ethical standards. Courses cover life and health insurance, pension planning, insurance law, income taxation, investments and family assets, counseling, estate planning and business insurance.

Sprinkle top with sour cream and reserved cheese. Ring remaining corn chips around edge. Bake 5 minutes longer. Makes 6 servings.

Night WMU meets

Eleven members of Night WMU of First Baptist Church attended the meeting Monday held in the home of Mrs. Bill Curry, who opened the meeting by conducting the prayer period for 15 missionaries on the birthday calendar for the day.

Mrs. Elmer Singleton was in charge of the business meeting which preceded the monthly program taken from Royal Service, a Southern Baptist WMU publication.

Mrs. J.C. Roby directed the program planned around the theme "Needed: Evangelism and Church Development Missionaries." The topics dealt for the most part with the work of Zach and Barbara Deal, who have spent over 30 years planting and growing churches in South America and stressed the need for career missionaries, particularly the missionary preacher type.

Assisting with the presentation of the program were Mmes. W.F. Booher, J.A. Berg, D.O. James, V.I. Woodfin, Homer Blalock and Miss Helen Reed.

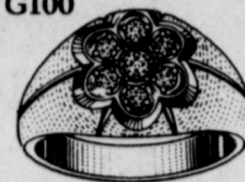

The next meeting will be held Nov. 17 in the home of Mrs. Blalock.

RIBBON CUTTING ceremonies were held by the Iowa Park Chamber of Commerce directors Thursday morning to help celebrate the grand opening of 287 Truck and Car Wash on West Highway. Cutting the ribbon, with assistance of Chamber president Tommy Key, is Mrs. Cecil Longley.

Worth Quoting

I was standing near the intersection of Country Club Drive and Fairway when a young man waded up beside me and observed, "Boy, I bet this will make a good story and pictures."

"Good?" I asked, casting a disapproving glance at his poor adjective selection as I abruptly abandoned his company to return to the task at hand which was talking to victims and taking photographs of the flood waters that inundated southern Henrietta on Tuesday, Oct. 13.

Despite what some people may think of journalists, some of us do not relish covering such events. Instead of wading around taking pictures of people and their flooded property, I would much rather have spent that Tuesday morning in the dry comfort of my office writing routine stories about football games, commissioners court meetings and the like.

But disaster is news, and it is a journalist's obligation to be there regardless of how unpleasant the situation may be.

No, I did not relish the task. Unlike

my experience in the city where a reporter seldom knows the victims he is writing about and photographing, a small town reporter must record events that involve his friends and neighbors. A country editor has a much different perspective than his city cousin.

For me, the most difficult aspect of covering such stories is that I am seldom in a position to "help" anyone with my physical presence. I couldn't help remove furniture from flooded homes or be of any real assistance to the victims because my responsibility was to record the event. The roles of participant and historian seldom can be mixed.

So anyone who thought I was having a "good" time taking "good" photographs for last week's Leader can rest assured that I felt sympathy for the flood's victims although dedication to journalistic chores may have indicated otherwise.

Clay County Leader

America was largely built on ideas, and certainly the tourist industry exists because of somebody's idea to create something that will interest traveling people who are on the lookout for something different and interesting to see. Our neighboring city to the north, Liberal, Kansas, has come up with a successful attraction because of an idea that came to Max Zimmerman, Liberal real estate developer. He came up with the idea of creating the Kansas farmhouse made famous in "The Wizard of Oz" as the place where Dorothy made her

famed departure from the Kansas prairie by means of a tornado that swept her away from Kansas and into the Land of Oz. Zimmerman reasoned that Liberal may as well be the site of Dorothy's farmhouse as any other place in Kansas, and set wheels in motion to create just that.

Today the little white house that sits outside the Coronado Museum in Liberal attracts visitors from a wide area. It held its formal opening in June, but already this year more than 4,000 people have signed the guest book. A number of these visitors have shelled out \$25 each

HAROLD HUDSON
Perryton Herald

As I See It....

By BOB HAMILTON

Apparently a lot of people knew a lot more about state constitution amendment number four, the water funding change, than I did. Or they just didn't care.

This area and county voted the amendment down, and early reports over the state indicated it would fail state-wide.

Some comments given were that teacher salary increases always came from surplus state funds, that the state would have plenty of water by the year 2000 without any spending, that it wouldn't help this area, and that the idea was good but it was a poor bill.

Gosh, I hope they are right and I'm wrong. I'd whole lot rather be wrong than thirsty.

Thanks to my publisher friend Harold Hudson of Perryton, I've

found out some talk about my "thorn in the side" Bob Bullock.

Former Travis County Sheriff Raymond Frank of Austin has announced he will oppose Bully Bob for the state comptroller job in the next election. In his announcement, which I apparently failed to receive, Frank had some things to say about Bullock.

Frank refers to Bullock as "king of the deadbeats." That's interesting, since Bullock calls those who don't pay their sales tax on time as deadbeats.

Frank charges that Bullock has defaulted on several loans totaling more than \$1-million. He sent copies of court records showing Bullock has a judgement in 250th District Court for \$139,512; in 53rd District Court

for \$593,621 and 37th District Court for \$311,049.

He called attention to the debts, but refrained from mentioning Bullock's alcoholism for which he has spent some time in California recently undergoing treatment. Neither did he say anything about arrests of Bullock.

I figure I didn't get Frank's announcement because he was somehow using Bullock's addressing machine to send them out. You see, Bullock has removed the Iowa Park Leader from any further mailing of state business, apparently because of criticism by this department.

That's why we haven't reported Iowa Park and Holiday sales tax rebates the past few months.

Maybe Frank will get us back on the list, if he wins.

The box and tools, valued at \$355, were found the next afternoon by Ronnie Feltman, 202 Valley, in a ditch between Peterson Road and FM 369, as he was picking up aluminum cans. He was able to return the box to its owner, because it was marked with his name and the loss had been filed with police.

I still enjoy my Leader. It keeps me up with my friends there in Iowa Park.

Tell all hello and keep up the good work.

Save energy with a heat pump.

If you're planning to install a new heating or cooling system, consider a high-efficiency heat pump. It's an energy-saving, year-round alternative.

The heat pump provides year-round heating and cooling, using only electricity. During the winter, it extracts heat from the outside air (even very cold air contains heat) and brings that heat inside where it's needed. In the summer, the heat pump is

a regular air conditioner, removing unwanted heat from the inside air.

The heat pump is the most efficient combination heating and cooling system that can be installed in your home today.

To learn more about the heat pump, call your air conditioning contractor or Texas Electric. And when you call, ask about our conservation incentive program.

Hawks put it together, shut out Lions, 12-0

The Hawks put it all together Friday night and defeated Vernon's Lions 12-0.

It was a sweet victory for the Mean Green, because they have been in every game thus far this year, but had been able to win only once before.

Making it doubly sweet was the fact that Friday's victory was the first over Vernon since 1974. And it was Iowa Park's first defensive shutout this season.

Looking at the statistics, there was no way Iowa Park should have come out on the long end of the score. Vernon led in first downs, 16-11, yards rushing, 192-162, yards passing, 75-24, total offensive plays, 65-46, and least penalties, 2-3.

Even the turnovers were even, with Iowa Park losing a fumble and interception and the Lions two fumbles.

But the offensive platoon mounted two successful drives for scores, and the defensive platoon fought off several Vernon drives, once to the Hawk one yard line.

On those two scoring drives, Iowa Park gained 135 of its 186 total yards for the evening.

The first touchdown drive began on the Hawk 32 yard line. Besides the alternating short runs of Chris Nethery and Jim Smith, the drive featured a pair of passes from Wayne Hodges to Steve Harris, good for 32 yards, a 17-yard run by Lynn Fulfer and a 15-yard penalty against the Lions.

Setting up the ball on the Lion two yard line was a seven-yard rollout by Hodges. Then Smith went the remaining distance over left end, leaping a defender at the goal line.

Enroute to the touchdown, two plays lost eight yards. But the Hawks took the lead, 6-0, with 2:33 remaining in the second quarter.

The other score came in the final period, and though it covered 53 yards, it required only four plays, and covered 61 yards.

After halting a Lion drive at the Hawk 47, Smith gained three and Fulfer added 10 more to the Lion 40. But then Smith was caught eight yards behind the line of scrimmage for a loss.

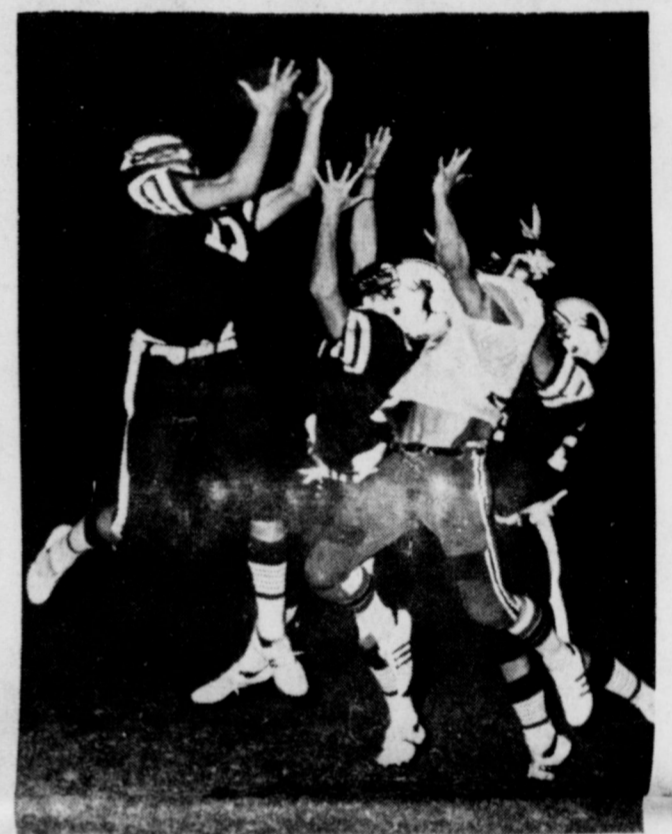

Then, fullback Nethery broke over left tackle, shook off three different tacklers, and outraced the secondary to the end zone.

Nethery's score may have been aided by a Russ Hayley block on the previous play. He carried out his assignment when Smith got the ball and blocked defending safety Brent Brittain to the ground. Brittain left the game temporarily with a leg cramp. Being one of the speedier defenders, he might have been able to catch Nethery short of the goal line had he been on the field the next play.

Iowa Park threatened to score in the first quarter, but

STEVE HARRIS SNAGS 15-YARD PASS

'HAIL MARY' PASS DIDN'T WORK FOR HAWKS

was forced to wait for another chance.

Vernon lost one of three early pitchout fumbles when Robin Combs covered it on the Lion 12. But on the next play, Marc Klinkerman's pass into the end zone was picked off by a Lion defender.

The Mean Green defense fought off numerous Lion drives, some very deep into their end of the field.

The first was on the first play of the second quarter, when the Lions reached the Hawk 2 and, needing 11 yards for a first down, faked a punt. But the fake was good for only four yards.

After Iowa Park's initial touchdown, the Lions drove from their own seven yard line to the Hawk eight. Three times on passes, Hawk defenders almost intercepted, but failed.

Reaching the eight yard line, with 14 seconds remaining in the half, Combs and Jeryl Brixey combined to drop a runner back to the 16. And on the final play, a pass to the four yard line got no further as the receiver was dropped immediately. And the clock ran out.

Vernon drove from its own 20 to the Hawk 29 in the third quarter, before failing to pick up two yards needed for a first down.

The Lions had another chance to get back into the ball game when Klinkerman lost the ball attempting to pass and Vernon covered it on the Lion 40.

Vernon drove to the Hawk seven and there, with a first down, Brittain lost the ball when three Hawks tackled him,

and Fulfer covered it on the Hawk one yard line.

Unable to pick up a first down, Harris got off his best punt of the evening, a 45-yarder, to get the Hawks out of a hole.

Following Iowa Park's second touchdown, Vernon drove to the Hawk 32. With 1:18 remaining on the scoreboard clock and needing two yards for a first down, Vernon was allowed only one yard by the determined green defenders.

From that point, Iowa Park merely ran out the clock.

Nethery amassed 86 yards on 14 carries on the evening, and Smith netted 37 yards on 17 attempts. Fulfer's number was called three times and he responded with 45 yards.

Vernon totally dominated the first quarter, gaining 33 yards rushing and 22 passing, while picking up five first downs. Iowa Park has no first downs, three yards rushing, none passing and lost the ball on the interception.

Eagles remain undefeated with 41-0 Millsap shutout

BARELY MISSED

... Kevin Blankenship just missed first quarter pass from Joel Mankins.

Holliday's Eagles extended their record to 8-0, 5-0 in Dist. 13-AA, and moved one step closer to a district championship, with a 41-0 rout over Millsap Friday night.

The Bulldogs were simply no match for the stronger, faster Eagles, and they didn't have to wait long to find it out.

After recording a first down on their initial possession of the game, the Bulldogs were given two directions to run—sideways and backward. Whatever adjustments the Eagles made apparently paid off, for they allowed only seven yards rushing and five more passing the remainder of the evening.

Holliday more than made up for the lack of offensive fireworks on the part of Millsap with an outstanding night of its own. Three Eagle backs topped the century mark in rushing, while five different players found the scoring groove.

The Eagles recorded 21 first downs enroute to their finest offensive effort to date, racking up 501 yards rushing, plus 30 more passing.

Ray Looney topped all runners with 125 yards in 12 carries and two touchdowns. Reserve backs Mark Rathman and Brad Harmon proved their worth, running for 120 and 116 yards, respectively.

Looney, Harmon, Joe Chase, Mike W. Parker and Jeff Belcher all ran for touchdowns.

THE GAME

Holliday scored on its second possession of the game, going 80 yards in eight plays. Looney's 11-yard scamper for the score was set up by a 44-yard run by Harmon. Mike A. Parker's point after kick was good, and with 2:01 remaining in the first period Holliday led 7-0.

The Eagles mounted touchdown drives on the next two possessions, the first covering 42 yards in four plays, and the second 52 yards in seven plays.

Millsap punted out of a hole to its 42 early in the second quarter, giving the Eagles excellent field position.

Donnie Bridges covered 21 yards on a reverse run, followed by two runs by Looney covering 16 yards, including a five-yard scoring run. A. Parker's kick upped the score to 14-0 with 10:27 left in the second period.

Belcher scored from four yards out four minutes later to extend the cushion to 20-0. The snap for the extra point was mishandled, and A. Parker was dropped behind the line.

Looney and Chase were mainly responsible for the next Eagle score late in the third period on a 64-yard drive which took 11 plays.

Quarterback Joel Mankins completed a seven-yard pass to Kevin Blankenship to Bulldog three yard line, setting up Chase's three-yard plunge for the score. A. Parker's kick found the uprights, and the Eagles increased the lead to 27-0.

The fifth scoring drive of the night for Holliday came less than two minutes after Chase's touchdown run, and took only two plays.

From the Eagle 47, W. Parker ran for three yards, then Harmon set sail on a spirited 51-yard touchdown run. With the point after kick good, Holliday led 34-0 with 2:43 left in the third quarter.

W. Parker and Rathman alternated on runs during Holliday's final scoring drive, which covered 80 yards in 17 plays and then some.

Flagged three times for major infractions, the Eagles were contin-

uously set back during the drive. And, considering A. Parker was also sacked for minus-10 yards in the drive, the duo of W. Parker and Rathman actually covered 125 in those 17 plays, which W. Parker capped with a one-yard plunge for the score. A. Parker's kick froze the scoreboard at 41-0 in Holliday's favor.

Bumper pecan crop expected

By Don D. Decker
County Agent

A bumper crop of top quality pecans is in season. Homemakers can lay in a supply of improved pecans for the up-coming holiday season at a reasonable cost. I have a list of pecan growers in Wichita County with their telephone numbers who are harvesting pecans now. This list is available free of charge at my office, 766-0131. Homemakers can purchase pecans directly from the growers from this list.

The Wichita County 4-H Clubs are selling locally grown, improved pecans as a fund raising project. They have 5 pounds of pecans (unshelled) for \$7.50 per bag. Pecans can be obtained by contacting 4-H members over the county.

The Wichita County Pecan Show is scheduled for Dec. 4-5 at Sikes Senter, Wichita Falls. Home and commercial growers are invited to participate by entering the show. One of the best ways I know to learn more about producing pecans is to enter this show.

An entry is 40 nuts of the same variety placed in a paper sack bearing the owner's name and address. Growers can enter as many varieties as they wish. The early nuts which fall from the tree are the best quality for entering the show. For this reason, growers will want to collect their entries as soon as possible for entering the show.

Entries can be left at my office,

1626 Midwestern Parkway, Wichita Falls, or the Iowa Park Experiment Station by Nov. 30.

NO APPETITES were apparently affected Friday at Bradford Elementary cafeteria when personnel dressed for Halloween. The students had a good time [maybe even as much as the adults], and ate all their food.

Beware Of Glaucoma

Don't let glaucoma rob you blind. That's the warning from the National Society to Prevent Blindness.

The Society advises everyone over 35 to have a thorough eye exam at least every two years. That's the best defense against glaucoma.

Damage caused by glaucoma can be successfully treated if found in its early stages.

One in every eight blind persons in the U.S.—62,000—is a victim of glaucoma, the major cause of blindness in this country. Nearly 300,000 new cases occur each year, and about 95,000 lose some degree of sight, another 5,400 become totally blind.

For information about glaucoma, write to your state Society to Prevent Blindness or the National Society to Prevent Blindness, 79 Madison Ave., New York, N.Y. 10016.

HAWK CHEERLEADERS WARM UP BEFORE BIG GAME FRIDAY AT VERNON
... their presence has been seen and heard throughout season.

News

Lisa Hodges gave a program on "How a Good 4-Her Behaves" during the regular meeting of the Valley View 4-H Club Monday.

Kim Williams presided during the business meeting when it was voted to mow and clean up the Raymond Hulin yard while he is in the hospital in Houston as a community project.

Refreshments were served by Mrs. Danny Cravens and Mrs. Felton Williams. The next meeting will be held Nov. 23.

The Wichita County 1981 4-H Food Show was held Saturday in Texas Electric Reddy Room.

Seven members from the Valley View 4-H Club were named winners. Shelia Stewart was first place overall winner in salads. Blue ribbons were awarded to Lisa Hodges, Sheri Cravens, Keva Gunter, Jodi Meisel, Markita Savage, and Susan Howell won a red ribbon.

Outstanding 4-H club members from Wichita County will be honored at the Rolling Plains District 4-H Gold Star Banquet at 12:30 p.m. Tuesday, Nov. 17, in Vernon.

Among the top 4-H'ers in the district being honored will be Terry Taylor, daughter of Mr. and Mrs. Darrell Taylor of Iowa Park and Brent Hillery, son of Mr. and Mrs. Bob Hillery of Wichita Falls.

State Rep. John Gavin of Wichita Falls will address the luncheon in the Empire Room of the Wilbarger Memorial Auditorium. Joel Wilson of West Texas Utilities Company, which sponsors the annual banquet, will welcome the honorees and guests.

The luncheon is planned and conducted by 4-H'ers on the Gold Star committee of the 1980-81 District 4-H Council. Committee members this year are from Haskell, Jones, Throckmorton and Shackelford counties.

The district council will meet at 10 a.m. at the auditorium.

Parents, distinguished guests, and special friends of 4-H will attend the banquet to salute the county winners, David Tunmire, county Extension agent said.

To qualify for the Gold Star Award, highest 4-H honor at the county level, a 4-H'er must be at least 13 years old, have completed three years of club work, and be active in 4-H. The award is intended to stimulate winners to higher achievement and to encourage other young people to participate in the county 4-H program, Tunmire said.

The awards will be presented by Mrs. Elaine Houston and Ed Garnett, district directors for the Texas Agricultural Extension Service.

LOCAL 4-H'ERS TO PARTICIPATE IN DISTRICT FOOD SHOW

Wichita County 4-H members are making final preparations for the Rolling Plains District 4-H Food Show. It will be held Saturday, Nov. 14, at the Sikes Senter Mall shopping center in Wichita Falls.

A total of eight 4-H'ers from the county will compete. They are: Juniors - Fruit and Vegetables - Shelia Stewart, Valley View; Main Dishes - Missy Mauldin, City View; Breads and Cereals - Cynthia Mitchell, Friberg-Cooper; and Nutritious Snacks and Desserts - Dawn Thompson, City View. Seniors - Main Dishes - Regina Luna, City View; Breads and Cereals - Ted Lewis, City View; Nutritious Snacks and Desserts - Joe Morgan, City View; and Fruits and Vegetables - Beth Wood, City View.

Entrants from 21 counties will compete in senior and junior divisions. Each division has four food classes: main dish, side dish, breads and desserts, and snacks and beverages. Contestants in the district event are all winners of their county food shows. Senior division winners in each category will advance to the state 4-H food show next June in College Station.

County Extension Agent Cheryl Ruggs said the contestants will report to the shopping center in Wichita Falls at 9:30 a.m. Judging begins at 10 a.m.

The dishes will be on display in the mall during the afternoon and the public is invited to view them. Ribbons and trophies will be presented during an awards ceremony at 2 p.m.

Obituaries

Beverly Ann Ramsay

Graveside services for Mrs. Beverly Ann Ramsay, 28, of Holliday were held Tuesday at Crestview Memorial Park in Wichita Falls, with Rev. John Jones of Dundee officiating. Burial was under direction of Owens and Brumley Funeral Home.

Mrs. Ramsey died Saturday in a Wichita Falls hospital. She was born Dec. 19, 1952, in Dallas. She was a nurses aide.

She is survived by her husband, Gregg Plowick of Holliday; her parents, Mr. and Mrs. Harry Ramsay III of San Antonio; two brothers, Howard Ramsay of California and Richard Ramsay of San Antonio; and a sister, Linda Ramsay of San Antonio.

Robert L. Raybourne

Robert L. (Bob) Raybourne, 37, died Saturday at his home. Tanner-Aulds Funeral Home was in charge of local arrangements for services and burial in West Alexandria, Ohio.

Born Oct. 14, 1944, in Levanon, Ohio, he married Judith Carico Jan. 19, 1974, in West Alexandria. He was a welder and had lived in Iowa Park for four months.

He is survived by his wife; three sons, Robert and Johnny of Iowa Park and Kenny of Somerville, Ohio; a daughter, Kathy; two sisters, Mrs. Judith Feix and Susan Raybourne of Iowa Park; his parents, Mr. and Mrs. Luther Raybourne of Iowa Park; and his grandparents, Mr. and Mrs. James Bornhart of Indianapolis, Ind.

Wichita Falls, where she was a lifetime resident.

Survivors include three daughters, Sherrie Ann, Terry Jo and Ruthie Melanie, all of Wichita Falls; her mother and step-father, Letrice C. and Gilbert Broy of Wichita Falls; her father, William Grubbs of San Antonio; a brother, DeWayne Grubbs of Burkburnett; two sisters, Clara Jean Powers of Sacramento, Calif. and Barbara Jo Sissom of Holliday; her grandmother, Lola Link of Burkburnett; four half-brothers, William Grubbs Jr. of Burleson, Johnny Grubbs of Stanton, Calif. Donnie Grubbs of Fort Worth, and Sammy Grubbs of San Antonio; and one half-sister, Debbie Grubbs of San Antonio.

Donald Wayne Henson

Services for Donald Wayne Henson, 49, of Holliday, were held Wednesday morning at Tanner-Aulds Funeral Home. Rev. Darius McKay, pastor of Trinity Baptist Church in Wichita Falls and Rev. Roy Stewart, pastor of Faith Tabernacle in Holliday, officiated.

Burial was in Highland Cemetery. He was born May 27, 1932, in Iowa Park and had lived in Holliday 32 years where he was owner of Henson Oil Field Construction Co. He was a veteran of the Korean conflict. He married Virginia Dorman May 16, 1952, in Wichita Falls.

He is survived by his wife; two sons, Carl and Allen, both of Holliday; two daughters, Brenda Lambeth of Wichita Falls and Pat Lee of Holliday; a brother, Billy of Iowa Park; three sisters, Maggie Hasten and Opal Wheeler, both of Iowa Park, and Wattie Hanaway of Roseville, Calif.; and three grandchildren.

Pallbearers were Ray Revell, Freddie Crampton, Milton Briscoe, Leon Addison, Jim Virdell and Ben Ezzell.

Rex W. Ely

Services for Rex W. Ely, 70, of Tyler were held Sunday at Lloyd Funeral Home in Tyler with burial in Tyler Memorial Park.

A native of Seymour, he had resided in Tyler 50 years. He married Ruth Cole, formerly of Iowa Park, in 1929. He was a brother-in-law of Mrs. Florence Beavers and Johnny Cole and a nephew of Carl Sullivan, all of Iowa Park.

He is survived by his wife, Ruth of Tyler; three daughters, Mrs. Patsy Whitaker of Tyler, Mrs. Betty Hall of Whitehouse and Mrs. JoAnn Maynard of Arp; 11 grandchildren and 15 great-grandchildren.
