

MAXIE CHESTNUT and **RODNEY DAVIS**

Select wedding date

A wedding ceremony will be performed Oct. 9 at Faith Baptist Church to unite Maxie Chestnut, daughter of Mr. and Mrs. Ronnie D. Morris, and Rodney Davis, son of Mary J. Miller of Houston and L.F. "Jug" Davis of Iowa Park.

The bride-to-be was graduated from Iowa Park High School in 1981 and is employed at Wichita Falls State Hospital. In high school, she belonged to FHA and Home Economics Co-Op. Her fiance was graduated from Iowa Park High School in 1978 and was in auto body during his junior and senior years. He works for Iowa Park Ready Mix.

Garden Club

Mueller, McCreary nuptials are solemnized here Friday At the invitation of Mr. and Mrs. Gilbert L. Mueller and Mr. and Mrs. Kenneth L. McCreary, a host of friends assembled at the First Baptist Church Friday evening to witness the recitation of marriage vows by their children, Jana Michele Mueller and Kenneth Dale McCreary. The newlyweds are now honeymooning in Puerta Vallarta, Mexico and will live in Henrietta when they return.

A note of hushed reverence permeated the sanctuary of the church where each pew was softly lighted by votive candles nestled in blue silk poppies, white lilies of the valley, fresh gypsophila completed with white lace-centered yellow satir streamers.

The solemnity was intensified through the impressive altar decorations in a setting illuminated by votive candles in a brass center arch traced with boxwood and flowering baby's breath flanked by spiral candelabra decorated in the same fashion. A face-to-face kneeling bench placed in front of the arch was accented with a large spray of the flowering vine, and the heart candelabra that stood at altar extremities were trimmed with the ----- meenery.

neckline, small ruffled collar, puffed sleeves and ruffled skirt. She carried a nosegay like the attendants carried. He was dressed in formal attire to match that of the groom's attendants.

The groom chose an all-white satin trimmed tuxedo with tails, wearing a white shirt with wing collar and a boutonniere formed of a white silk rose, English ivy and fresh baby's breath.

The best man, groomsmen, ushers, ring bearer and father of the bride were attired in satin-trimmed silver tuxedos, white shirts and satin bow ties.

Kenneth McCreary, father of the groom, served as best man. Groomsmen were Robert Ritter, his brother-in-law, Jimmy Morath and Mike Davis. Guests were ushered to their seats by Mike Mueller of Denton, brother of the bride, and Terry McCreary, brother of the groom

For the perfect touch to their gowns, mothers of the bride and groom wore corsages of fresh yellow roses, white silk carnations and leaves accented with rhinestone hearts. Mrs. Mueller wore a formal gown of mauve Qiana. The raised bodice featured a V yoke with a pleated chiffon cane that anona J at

white ceramic+handled basket filled with white silk daisies, blue poppies, stephanotis and baby's breath, white plume pen and the wedding guest book.

The Fellowship Hall of the church was the setting for the attractivelyappointed postnuptial reception given by the bride's parents.

The bride's cake clearly dominated a table gracefully draped to the floor with fine white lace over white crepe. A wide fold of lace extended in garlands caught at intervals with white satin bows centered with blue daisies and ribbon around the top of the table.

The four-tiered cake achieved towering height by two sets of tall Grecian columns, one set making a place for a miniature bride and groom to stand between the second and third tiers. Staircases extended from the top tier to small cakes at the base of the large cake. These held miniature bridesmaids and groomsmen dressed in blue and silver, respectively, walking toward the bride and groom. The tiers were richly decorated with cascades of blue and yellow frosting roses and ruffled scrolls, and the top tier was ornamented with white doves set

which was a background for two ceramic ducks. On one side was the double-ring chocolate cake decorated with sprays of yellow and blue roses, and the silver coffee service was placed at the opposite side.

Napkins on each table were light blue marked in white with "And This Our Life Beginning, Michele and Dale, Sept. 10, 1982."

Mrs. Ken Ivy and Mrs. Bruce Larance, aunts of the bride, served at her cake table. Mrs, Mike Mueller, sister-in-law of the bride, and her aunt, Mrs. Cecil Creel, served at the punch table. Presiding at the groom's table were his aunt, Mrs. Lynton McCreary, and Mrs. Charles Wilkinson.

Members of the houseparty were Mmes. Glen Miller, Pete Hughes, Robert McIlroy, Wayne Williams, Jack Railsback, Clyde Patterson, and Luke Coffman.

The white net rice bags tied with yellow and blue ribbon were handed out from a white basket backgrounded with a heart-shaped pillow on a white lace-covered table.

The bride and groom were both graduated from Iowa Park High School where she was in band, choir. Flag Corps, and he was in Building Trades. She attended Midwestern State Univ. and is presently employed at State National Bank. He works for Neer Electric in Wichita Falls.

Mrs. Mary Ann Wyatt of Wichita Falls, Mr. and Mrs. Melvin McCreary of Iowa Park, grandparents of the groom, were special guests. Out-oftown guests included Messrs. and Mmes. Bruce Larance of Ft. Worth. en Ivy of Aubrey, Steve Herring of Abilene, Lynton McCreary of Dallas; Phil Johnson of Wellington, Kan.; and Mrs. Cecil Creel of Ardmore, Tenn. and Herman Larance of Amarillo.

ng Iowa Park, Electra renew rivalr

One of Iowa Park's oldest rivalries will be renewed in Hawk Stadium tomorrow night, when Iowa Park hosts Electra for the 1982 homecoming battle.

Until 1969, Iowa Park and Electra had battled annually in football. The last time they met they were in the same district, and the Hawks

13 file for race

If the number of candidates offering themselves to fill two unexpired terms of office on the city council is any indication of community interest, then the special election Oct. 16 should draw a record number of votes.

Thirteen candidates, some former council members, some unsuccessful candidates in earlier races and the rest newcomers to local politics, had filed by Wednesday's 5 p.m. deadline.

The candidates, in the order of their filings, were Mark Wicks, George VanDee, Walter B. Bernan, Charles A. Whittington, Harman Mahler, Jarmon Lozipone, Bob Goodknight, Tim Hunter, Robert Harper, Herman Rains, Lita Watson, Ken Thornton and Johnny Crawford.

A drawing will be held at 10 this morning in city hall for placings on the ballot.

Following the printing of the ballots, absentee voting will begin 20 days before the election at city hall, continuing until the fourth day before the election.

But the Hawks moved to another conference in 1970, and since then have been playing larger schools. But, with the local enrollment lowering to a point where Iowa Park likely will rejoin Electra in classification in 1984, the two teams were re-scheduled for this season. For a couple of weeks before the

1982 season got underway, one might have felt sorry for the Tigers. Players on the varsity team were quitting about as fast as a union worker without a contract.

In fact, it got so bad that new coach Joe Allen had to cancel the season schedule for his freshman and junior varsity teams, in order to field a varsity team. Only 27 players are representing all of Electra High in football now.

But Allen has apparently put to compete, and their record shows it. The Tigers knocked off a competitive team from Petrolia, 13-8, in the season opener.

And for those who aren't impressed

AAAA.

The Tigers have a good defense, having allowed only 11 points in two games, while their running game is quick and tough. Eventhough the quarterback is only a sophomore, Royce Reynolds is completing a high percentage of his passes.

Iowa Park, for the first time since 1973, has started the season off with

back-to-back victories. The Hawks shot down Breckenridge in the schedule opener, 28-7, and last week shut out Bowie 28-0.

Coach David Baugh said all his players are healthy and ready to play.

The game is to get underway at 8 p.m.

emerged with a convincing 41-0 win.

Two polls will be open for voting Oct. 16, one at Kidwell Elementary for precinct 32 voters and precinct 33 voting will be held at Bradford Elementary.

Crawford served four terms as mayor and Watson the same as alderman. Both chose not to seek re-election last spring.

Mahler's resignation last month virtually forced the special election. He quit two weeks after Bill Gilmore resigned.

Charges filed in two theft cases

Two theft cases were solved during the past week by Iowa Park Police Department.

A former Iowa Parkan now residing at Holliday, Danny Louis Ainsworth, was arrested and charged with theft over \$200 and under \$10,000. Justice of the Peace Virgil Hill set Friday bond at \$3,500.

Ainsworth is charged with stealing two wheels and tires from new pickups parked at 216 N. Yosemite. His arrest was made by Chief Billy Hamilton.

Charges against Jeffrey Glendon Martin, 22, of Quail Run Apartment 6, were filed Tuesday and Justice of the Peace R.L. Stewart set his bond at \$3,500.

Martin allegedly took items Monday valued at \$600 from 122 West View, owned by Ralph Williams. Included were a portable color television set, a 12-gauge shot gun, wood cabinet stereo and 12-speed bicycle.

Arresting officers Randy Russell and Teresa Spruiell reportedly recovered all the items.

with that outcome, eyebrows raised quickly last week when Electra shut down Graham and emerged with a 10-3 victory.

Graham dropped down to AAA classification this year, despite having more students enrolled in high school than does Iowa Park. Classification is based on a two-year average, which would include for this year the school terms of 1980-81 and 1981-82. Based on enrollment this year, Graham would be back in

Season tickets remain on sale

Hawk fans will have until 3:30 p.m. Friday to pick up their money-saving season tickets, according to Bob Dawson, high school principal.

A book of tickets for the five-home-game season is \$12.50, and Dawson points out that reserved seats on a one-game basis are \$3.25. Reserved tickets for the Electra game will be sold at the front gate on Johnson Road tomorrow night.

Season tickets must be purchased at the principal's office. They are not available at the gate.

Monday night's routine city council

meeting was climaxed by the

announcement that Steve Morath

Following this week, Dist. 3-AAAA rules will apply to ticket prices here and at all conference games.

Student tickets purchased at the school will be \$1.50.

However, student tickets purchased at the gate will be the same as all general admission ticket prices, \$3 per game.

Drug-sniffing dogs may be used

Iowa Park school trustees Tuesday night agreed to have a policy drafted for the student handbook which would, in the future, explain that drug-sniffing dogs might be used on school grounds.

Board members also mutually agreed, though no vote was held, to set the tax rate at 42-cents per \$100 valuation, agreed to purchase two more computers for instruction, and hired an additional first grade teacher.

Randy Russell, with the Iowa Park Police Department, asked the board to consider sponsoring a drug-sniffing dog program on campus. He admitted the problem is not yet major, but it could help in preventing, at least, a few from carrying narcotics onto campus.

Supt. Harold Cowley told board members various policy requirements, as provided by the Texas Education Agency, which would have to be adopted in order to enter the sniffing dog program.

Without specifying whether the school would ever implement sniffing dogs, board members agreed all preliminary policies and educational meetings with student bodies should be completed in case they should call in the dog handler.

Approval was granted by the board to purchase two additional personal computers for a non-credit course initiated this year.

Cowley said the units were necessary in order for students to receive "hands-on" instruction. Thirteen students are enrolled, meeting at 7:15 a.m. Because of the number, the class was divided and each group meets on alternating days.

Trustees approved hiring of Debbie Daniels, a four-year experience teacher, for an additional first grade class.

In discussing the proposed tax rate, Bill Steger said the 42-cent rate approximately would produce \$140,000 less than was produced for the 1981-82 school year.

The official rate will be set at a called meeting Tuesday, which will be held at 7 that morning in the administration building.

All field trips and fund-raising projects proposed to the board by student groups were approved. They include:

Oct. 16 - Nov. 12, Vocational Agriculture - annual fruit and sausage sale:

Horticulture class to make its annual field trip to Brownwood for a greenhouse tour in October, and purchase stock plants;

Oct. 11-22, Office Education and Home Economics Co-op - both classes work together for annual smoked

turkey sale;

OEA - field trip to Dallas/Fort Worth International Airport, seniors only, in April;

Nov. 20 - Cosmetology - field trip to Cameo Beauty Show in Dallas; Oct. 6-10, Home Economics

garden basket salad dressing sale; Building Trades - field trip to Lancer Mobile Homes plant at Childress in November;

General Construction Trades - field trip to Acme Brick Plant, Denton, in November.

was resigning as city administrator. Business had pretty much been as usual throughout the meeting, with such items as public hearings on the proposed 1982-83 budget and public input on suggestions how the year's federal revenue sharing money might be spent.

But there was nothing on the meeting agenda which would have indicated Morath, the city's second administrator, was announcing his resignation.

In the absence of Mayor Charlie Lee, Johnny Coker, mayor pro tem, read from a letter prepared by Morath that he would give up his position effective Oct. 15 to take a position in Fort Worth with Lone Star Gas Co.

The effective date is one day before the city's special election will be held to fill two vacant seats on the council.

Morath stated, after the meeting, that his resignation had nothing to do with efforts by former alderman Bill Gilmore to have him removed.

Having served as city administrator almost four years, Morath said he had stayed a year longer than his original intentions when he accepted the post. He explained that he had his career mapped out and the stay here was to have been only three years.

Though there was no announcement at the meeting, the city is currently accepting applications for the position.

expressed his appreciation for Morath's attitude and commended him for his professionalism. The resignation was then formally accepted.

Coker also explained to the audience that the 37-minute executive session held earlier in the evening had nothing to do with Morath, though it was on a personnel matter.

BUDGET HEARING

There was little comment from the audience concerning the proposed 1982-83 city budget, because hardly anyone knew the budget had been completed and was available for inspection at city hall.

With total expenditures amounting to approximately \$1.6-million, the budget calls for expenditures from the general fund of \$1,055,217 and from the water and sewer fund of \$616.353.

The general fund represents an increase from last year's budget of \$921,891, and the 1980-81 budget of \$733,890.

Water and sewer fund expenditures are up from last year's \$568,217 and the 1980-81 budget of \$454.379.

If finally approved as presented, general fund expenditures, broken down, include: city administration, department, \$159,912; street \$251,919; sanitary landfill, \$47,105; sanitation collection, \$147,826; police

Coker, after reading the statement,

Local horse wins national honors

Shesa Playmate, a four-year-old mare owned by Joe Ayres of Holliday and Terry Riddle, formerly of Iowa Park, captured first place honors in both the semi-finals and finals of the 1982 National Cutting Horse Association Derby in Fort Worth last Saturday.

The horse, ridden by Riddle, is

from the Riddle-Ayres Horse Ranch in Wynnewood, Okla. Sired by Freckles Playboy, a 1975 Futurity second and third place winner owned by Marion Flynt of Midland, Shesa Playmate's mother, Lenaette, was Futurity champion in 1975, and is also owned by Ayres-Riddle.

The mare was one of 309 entrants

in the Derby, which has two eliminations before the semi-finals and finals. She placed first in the 30-horse field semi-finals in addition to first in the 15-horse field finals, a rare occurance.

Riddle-Ayres, soon to be in their sixth year in the cutting horse business, took home approximately \$60,000 in prize money in addition to various other prizes. They included a blanket, silver monogrammed chaps, buckle, custom saddle, a super cab pickup for one year, and a bronze statue-trophy designed by Jim Reno.

Riddle is the son of Sally Riddle of Iowa Park.

Morath resigns city post

Guests were impressed by the remarkable beauty of the altar decorations. In the background, the baptistry rail was centered with a long arrangement of white gladioli, peonies, carnations and large poppies. The setting was illuminated by tall candles glowing in seven-branched candelabra on either side of the floral piece, in spiral candelabra that flanked the kneeling bench, and in low tree candelabra with globes at front altar extremities.

Each standard was entwined with boxwood greenery, that on the spiral holders was accented with white rosebuds. White satin bows with trailing ribbons were placed at vantage points on the greenery that swagged the choir and organ rails.

Craig McCord of Seymour and Edward Kelly Williams of Wichita Falls, cousins of the bride, carried the torches that lighted the candles for the service.

The bride shone in the spotlight of beauty in a formal gown of Venetian rose needlepoint lace that radiated her happiness. The natural waist bodice was glamorized with an overlay of lace appliques complemented with a sheer yoke of embroidered English net forming a V shape. The cap sleeves were formed of lace and embroidery.

The full skirt that swept into a semi-cathedral train followed the styling of a dropped torso waistline

honor, and by Miss Kathryn Mattis as maid of honor. They wore identical Qiana gowns, except for color, the former wearing apricot and the latter maize. In design, the gowns featured slightly raised bodices with high necks and sheer lace yokes that formed lace-ruffled encircled Vs, and accordion pleated skirts. They carried peach and maize tiger lilies and azalea blossoms on candlelight silk fans with streamers in the colors of the flowers. The flower girls were Emily McCord and Shea Trainham of Seymour, cousins of the bride. They wore pinafore-style dresses of maize batiste accented with white raised flocking with bodice ruffles trimmed in white lace and maize satin ribbon. Large sash bows graced the waistlines at the back, and the long gathered skirts ended in hemline flounces headed with gathered lace. They wore haircombs covered with baby's breath and daisies, and carried white lace baskets trimmed in maize satin ribbon containing white azaleas roses and daisies.

sister, Mrs. Eric Jones as man on or

over in the reception that was hosted by the bride's parents in the Fellowship Hall of the church.

In the room, long tables covered with apricot ruffled crepe were arranged for guests to be seated for refreshments. They were centered with white wicker bells laced with apricot ribbon from which apricot and maize streamers extended to candles in brandy snifters on either side.

The bride's table and groom's table placed side by side and separated with tall potted trees and plants will forever be a happy memory of the couple's wedding day.

The bride's table was the very essence of all that is beauty and grace. Covered with white bridal satin to the floor, it was overlaid with rich white lace headed at the top with a band of maize ribbon draped and lifted with maize floral nosegays. The centerpiece was an imposing silver candelabrum holding a bouquet of white daisies, maize roses, maize and peach peonies, baby's breath and matching candles.

The special beauty of the table was stressed in the heavily scrolled four-tiered white cake encircled with

Wm. Mattis, Pauline Steele and Rollins Woodall. As guests left the reception, they took their rice bags from around a

MAXIE CHESTNUT and RODNEY DAVIS

Select wedding date

A wedding ceremony will be performed Oct. 9 at Faith Baptist Church to unite Maxie Chestnut, daughter of Mr. and Mrs. Ronnie D. Morris, and Rodney Davis, son of Mary J. Miller of Houston and L.F. "Jug" Davis of Iowa Park.

The bride-to-be was graduated from Iowa Park High School in 1981 and is employed at Wichita Falls State Hospital. In high school, she belonged to FHA and Home Economics Co-Op. Her fiance was graduated from Iowa Park High School in 1978 and was in auto body during his junior and senior years. He works for Iowa Park Ready Mix.

Garden Club starts year

The Iowa Park Garden Club started activities for the new year Friday with a salad luncheon in the Texas Electric Reddy Room. Hostesses were Mmes. Margarette Archer, Ida Parker and Avis Wilson.

Mrs. Archer used "Friendship Is a Flower" for the title of the thought for the day.

Mrs. Frank Harlin, president, was in charge of business and introduced the new officers. The new budget submitted by Mrs. R.L. Good was adopted, and Mrs. George Boles, program chairman, outlined programs for the year.

Mrs. W.A. George, community service chairman, announced recipients of the Yard of the Month plaques for the summer months. These were: Mr. and Mrs. Elgin Denny, June; Mrs. Robert Hodge, July; Mr. and Mrs. John Blair, August; and Mr. and Mrs. George Lewis, September. The plaque is placed in a local yard each month, March through November. One of the yards is awarded the Yard of the Year and the recipients keep the plaque until the following season.

At the invitation of Mr. and Mrs. Gilbert L. Mueller and Mr. and Mrs. Kenneth L. McCreary, a host of friends assembled at the First Baptist Church Friday evening to witness the recitation of marriage vows by their children, Jana Michele Mueller and Kenneth Dale McCreary. The newlyweds are now honeymooning in Puerta Vallarta, Mexico and will live in Henrietta when they return.

A note of hushed reverence permeated the sanctuary of the church where each pew was softly lighted by votive candles nestled in blue silk poppies, white lilies of the valley, fresh gypsophila completed with white lace-centered yellow satir streamers.

The solemnity was intensified through the impressive altar decorations in a setting illuminated by votive candles in a brass center arch traced with boxwood and flowering baby's breath flanked by spiral candelabra decorated in the same fashion. A face-to-face kneeling bench placed in front of the arch was accented with a large spray of the flowering vine, and the heart candelabra that stood at altar extremities were trimmed with the twining greenery.

Two tall brass footed stands holding handsome arrangements of fresh white gladioli, yellow mums and leather leaf, and the candlestick trimmed in excellent taste that held the meaningful unity candle in the lower altar completed decorations. Rev. Howell Farnsworth performed the double-ring ceremony after the bride's father, who had escorted her to the altar answered, "Her mother and I" to the minister's question, "Who giveth this woman in marriage?"

The music presented by Mrs. Kenneth Via, organist, Mrs. Jerry Gholson, pianist, Miss Lorena Smith and Jim Hodges, vocalists, was an impressive part of the wedding.

For prelude numbers, the organist played "Savior, Like A Shepherd Lead Us," "Wedding Song," "You Are So Beautiful," "Through the Eyes of Love," "You Light Up My Life," and "Always and Forever." During the time of ushering and seating the methers, she offered "Rhapsody on a Theme." Her other selections included the traditional processional with the bells and recessional.

Mrs. Gholson provided accompaniment for Miss Smith who sang "You Decorated My Life," for the male vocalist's rendition of "My Sweet Lady" and for their duet number

MRS. KENNETH DALE McCREARY

lace. The full skirt formed of lace tiers and a front panel of organza adorned with lace appliques with its flowing chapel train added splendor to the gown.

Her veil of bridal illusion trimmed in lace drifted to fingertip length from a Juliet cap. The bridal bouquet was a cascade of white silk roses, stephanotis, English ivy clutched to a white lace background with white lace streamers.

In keeping traditions of the occasion, the bride chose her mother's diamond necklace for "something old" and "something borrowed." She wore diamond ear rings, a gift from the groom, for "something new;" a garter made by Mrs. John Cassidy Sr. for "something blue;" and the good luck penny in her shoe.

Miss Mary Miller had the maid of honor role in the wedding. She was smartly gowned in blue Qiana featuring a neckline draped from tent a cap sleeve effect with bow trim at the shoulders. The popular pleated skirt fell to the floor from a slightly raised waistline. She carried a colonial nosegay of blue and yellow silk roses, silk and fresh gypsophila finished with matching silk streamers.

Bridesmaids, wearing identical

neckline, small ruffled collar, puffed sleeves and ruffled skirt. She carried a nosegay like the attendants carried. He was dressed in formal attire to match that of the groom's attendants. The groom chose an all-white satin

trimmed tuxedo with tails, wearing a white shirt with wing collar and a boutonniere formed of a white silk rose, English ivy and fresh baby's breath.

The best man, groomsmen, ushers, ring bearer and father of the bride were attired in satin-trimmed silver tuxedos, white shirts and satin bow ties.

Kenneth McCreary, father of the groom, served as best man. Groomsmen were Robert Ritter, his brother-in-law, Jimmy Morath and Mike Davis. Guests were ushered to their seats by Mike Mueller of Denton, brother of the bride, and Terry McCreary, brother of the groom.

For the perfect touch to their gowns, mothers of the bride and groom wore corsages of fresh yellow roses, white silk carnations and leaves accented with rhinestone hearts. Mrs. Mueller wore a formal gown of mauve Qiana. The raised bodice featured a V yoke with a pleated chiffon cape that covered the shoulders and fell to a V in front and back over an A-line skirt. Mrs. McCreary was attired in a formal pink Qiana gown designed with a raised bodice set apart with a chiffon cape accented with tiny pearls covering the shoulders, and an A-line skirt.

Wedding guests were privileged to register in the church foyer and again at the reception under the direction of Miss Jane Dickey. The cover for the table featured a long white crepe skirt overlaid with white dotted swiss. The appointments were a white ceramic-handled basket filled with white silk daisies, blue poppies, stephanotis and baby's breath, white plume pen and the wedding guest book.

The Fellowship Hall of the church was the setting for the attractivelyappointed postnuptial reception given by the bride's parents.

The bride's cake clearly dominated a table gracefully draped to the floor with fine white lace over white crepe. A wide fold of lace extended in garlands caught at intervals with white satin bows centered with blue daisies and ribbon around the top of the table.

The four-tiered cake achieved towering height by two sets of tall Grecian columns, one set making a place for a miniature bride and groom to stand between the second and third tiers. Staircases extended from the top tier to small cakes at the base of the large cake. These held miniature bridesmaids and groomsmen dressed in blue and silver, respectively, walking toward the bride and groom. The tiers were richly decorated with cascades of blue and yellow frosting roses and ruffled scrolls, and the top tier was ornamented with white doves set among tulle and tiny wedding flowers.

The punch table was covered with white lace over white satin and centered with the crystal punch service flanked by white ceramic baskets filled with white silk carnations, blue poppies and baby's breath. Smaller baskets of the blossoms played an important part in decorations for the bride's cake table and the recessed area behind the groom's table.

Laid with ecru lace over brown linen, the groom's table was centered with a wooden votive candelabrum which was a background for two ceramic ducks. On one side was the double-ring chocolate cake decorated with sprays of yellow and blue roses, and the silver coffee service was placed at the opposite side.

Napkins on each table were light blue marked in white with "And This Our Life Beginning, Michele and Dale, Sept. 10, 1982."

Mrs. Ken Ivy and Mrs. Bruce Larance, aunts of the bride, served at her cake table. Mrs, Mike Mueller, sister-in-law of the bride, and her aunt, Mrs. Cecil Creel, served at the punch table. Presiding at the groom's table were his aunt, Mrs. Lynton McCreary, and Mrs. Charles Wilkinson.

Members of the houseparty were Mmes. Glen Miller, Pete Hughes, Robert McIlroy, Wayne Williams, Jack Railsback, Clyde Patterson, and Luke Coffman.

The white net rice bags tied with yellow and blue ribbon were handed out from a white basket backgrounded with a heart-shaped pillow on a white lace-covered table.

The bride and groom were both graduated from Iowa Park High School where she was in band, choir, Flag Corps, and he was in Building Trades. She attended Midwestern State Univ. and is presently employed at State National Bank. He works for Neer Electric in Wichita Falls.

Mrs. Mary Ann Wyatt of Wichita Falls, Mr. and Mrs. Melvin McCreary of Iowa Park, grandparents of the groom, were special guests. Out-oftown guests included Messrs. and Mmes. Bruce Larance of Ft. Worth, en Ivy of Aubrey, Steve Herring of Abilene, Lynton McCreary of Dallas; Phil Johnson of Wellington, Kan.; and Mrs. Cecil Creel of Ardmore, Tenn. and Herman Larance of Amarillo.

It was announced that a combination bake and garage sale is tentatively scheduled for November. For the program, each member commented on the highlights of her summer activities. Twenty were present.

Kent Roberts heads NHS

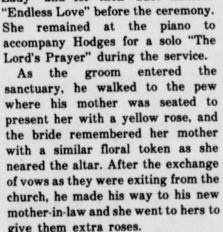

New officers of the Iowa Park High School National Honor Society were elected during a meeting held last week.

Heading the list will be Kent Roberts as president. Elected to serve with him were: Lisa Yeakley, vice president; Alisa Cain, secretary; Darla Flick, treasurer; and Lori Barr, historian.

The new officers are all two-year members of the society. Other two-year members are: Sherrie Cole, James Cowley, Robby Hausler, John Henderson, David Hildebrand, Lorraine Kirkhart, Jeff Lawson, Kevin Robnett, Keith Starr, Debbie Thomason and Billy Wachsmann.

> Thank you Danna for 15 wonderful years.

LOOK WHO'S NEW

Mr. and Mrs. Jerry Cluley of Wichita Falls announce the birth of Melisse Gayle, a six pound, six ounce daughter, born August 27th. Mrs. Cluley is the former Vicki Daymude. Grandparents are Mr. and Mrs. Herman R. Daymude of Iowa Park and Mr. and Mrs. Kenneth R. Cluley of Wichita Falls.

Retired civilian employees to hold reunion tomorrow

By SSgt Kevin Koelling

Attention all units-be on the lookout for any retired civilian employees of the 3700th Technical Training Wing, Sheppard Air Force Base. They are wanted in connection with a Sept. 17 lawful assembly at the Officer's Club.

Subjects were last seen in the vicinity of Sheppard AFB, although present whereabouts of many are unknown.

Be advised this bulletin includes ALL retired civilian wing employees, including secretaries and other administrative people who may have been working elsewhere when they retired.

The alleged lawful assembly will begin at 9 a.m. with a social. A program will follow and will feature

City Continued from page 1

department, \$269,383; fire department, \$45,060; parks and recreation, \$59,163; Recreational Activities Center, \$5,370; library, \$28,639; and special items, \$40,840.

Another work session for council members was tentatively set for this evening.

OTHER ITEMS

On suggestions how revenue sharing money might be spent this year, one proposed construction of a fire sub-station in the south part of town and another proposed rebuilding of Park Street between Yosemite and Park West Shopping Center.

Morath told the audience he expects \$64,501 to be received during the year to go with a carryover of \$16,977, making a total of \$81,478 available in the fund.

Linda Gibbons told the council she wanted to make a statement about what she called police brutality in the city. She was cut short, however, by Coker who told her to meet with Chief Billy Hamilton the next morning.

Hamilton told Coker he had met with Gibbons earlier and had requested her statement in writing, but it had never arrived.

After rejecting an earlier bid for grazing rights at Lake Buffalo, and re-advertising, the city received three additional bids and accepted one.

Don Holtzen bid \$6.55 per acre, Ervin Beisch \$4.27, Gordon Parkey \$4.08 and Vier K. Milch Farms \$3.07.

The Holtzen bid was accepted and

exhibits and a slide presentation. A buffet lunch will begin at noon and include comments by Congressman Jack Hightower. A tour of the wing will begin at 1 p.m.

Ross Roberts, senior civilian training advisor for the wing, is suspected to be the ringleader for this assembly. He said, "These people helped build this organization. We'd like to have them back and show our appreciation."

He said another accomplice, Bill Neale, will be a special guest at the event. He was senior civilian training advisor at the wing for 21 years, and now holds the same position at Air Training Command headquarters.

A sense of reward is offered to anyone providing information leading to the notification and attendance of subjects.

All units should RSVP to the ringleader at 851-4454 or 851-6869 by Sept. 15.

Informants may remain anonymous.

Please acknowledge.

PLACE AT STATE

There were nine 4-H'ers from Wichita County whose 4-H record books went on to state judging. These 4-H members were: Brent Hillery, Beth Wood, Scott Webb, Terry Christopher, Ted Lewis, Jonathan McKenzie, Cindy McClure, Terry Taylor and Brian Mannen.

Of the nine, three placed at state. Brent Hillery of the Southwestern 4-H Club placed second in Agricultural Careers, and Ted Lewis of the City View 4-H Club placed second in Petroleum Power.

The big winner was Terry Taylor of the Iowa Park 4-H Club. Terry won a sponsored trip to the National 4-H Congress at Chicago in December.

Terry's record book was entered in the Santa Fe area, which is an achievement record book. The trip to Chicago is aponsored by Santa Fe Railway.

OPEN HORSE SHOW

Wichita County 4-H Horse Club is holding it's annual Fall Open Horse Show Saturday at the Mounted

Fri., Sept. 17 - Chalupa - bean & cheese, meat or cheese sandwich, soup, buttered corn-on-the-cob, let-tuce & tomato salad, chocolate & plain milk, dessert.

Mon., Sept. 20 - Salisbury steak, meat or cheese sandwich, soup, mashed potatoes, green beans, hot rolls & butter, chocolate & plain milk, dessert.

Tues., Sept. 21 - Pizza, meat or cheese sandwich, soup, green salad, buttered corn, chocolate & plain milk, dessert. Wed., Sept. 22 - Cheeseburger, meat or cheese sandwich, soup, French fries, pinto beans, lettuce, pickles, onions, chocolate & plain milk, dessert.

Thurs., Sept. 23 - Chicken fried steak, meat or cheese sandwich, soup, mashed potatoes & gravy, green beans, hot rolls & butter, chocolate & plain milk, dessert.

Evening Lions hear Ligon

Dr. D.L. Ligon, sports information director of Midwestern State Univ. and past District 2-E governor, spoke to the Evening Lions Club Tuesday. He was introduced by R.E. Waters.

The speaker congratulated the club on acquiring and maintaining the present building, discussed the importance of Lionism in a community, and what MSU meant to the surrounding area.

Other guests were Dave Davis, Gary McCain, Joe Tom White, Roy Adams and Mrs. Sam Hunter.

Dinner music was provided by Mrs. Otis Gay, pianist, and Mrs. Jimmy Spears, vocalist. As I See It By BOB HAMILTON

A lot of former residents will be here this weekend, and as usual, they will want to know what's been going on.

If they don't get the Leader, and ask you that standard question, here is a brief review that might refresh your memory.

We've had a lot of things going on in our city government: one council member going to prison, another quitting so an election would be forced, a new police chief being named and the city administrator quit.

The old hotel was torn down to make way for a new library building, but after that was done the old Burnett home was donated for that purpose. The library board is having plans drawn for remodeling the house so it can be used, and the plans will be sent out to solicit grants and donations from foundations and big corporations.

Our schools are still dropping in enrollment. No, we're not back in Class AAA yet, but should be by 1984. Largest class in the entire school this year is the sixth grade, 166.

In case you haven't been by the old

Kent Roberts is recognized

Iowa Park Rotarians Wednesday agreed to renew their "Student of the Month" program in conjunction with "Youth Activity Week" on the national level.

Kent Roberts, Iowa Park High School senior, was the first recipient. He is the son of Mr. and Mrs. Ross Roberts of Iowa Park.

Roberts was among 12 I.P.H.S. students who attended the weekly luncheon-meeting at the Recreational Activities Center. The students visited the business of their choice during the week to learn its operations through the guidance of Rotary members. fair grounds, we have a new business called Wal-Mart. It not only changed the city's skyline, but a lot of our native's shopping habits. Wichita Falls merchants are really crying about it, too.

And we've got another super market. White's closed out their furniture department and dedicated most of the floor space to groceries. Looks a lot like an Albertson's.

Yeah, we're still growing, little by little. A few homes have been built since last fall, mainly in the area across from Cryovac. In fact, a new apartment complex is to break ground there, facing Johnson Road, sometime soon.

We've lost a lot of real fine citizens during the year, and they'll be sorely missed. A few moved, but most died. There's no question we're feeling the economy pinch in the area, especially with the slowdown in the oil patch. But our economy is so broadly based that we're probably doing much better than communities in other areas. Very few are unemployed here.

Oh, the Evening Lions Club has finished its renovation of the old Tanner building, since last year. The east side is for the senior citizens, but the west half is the organization's meeting room.

There's a lot more residents can tell former Iowa Parkans who want to be caught up on what's been going on. But you probably know as much or more about that than I.

And a lot of it I couldn't print, anyway!

There are 34 classes with age grouping of 13 and under, 14-18, and 19 and over. Trophies will be awarded to 1st place and ribbons awarded to second through sixth.

A RESOURCE WE MUST PROTECT

You can look around the square of any Texas town and see the backbone of the state economy—and of the national economy. It's small business and it provides half of all jobs. By the current state definition there are 260,000 in our state—that's 97% of all Texas businesses. The small businessman and woman not only provide jobs and pay taxes; their independent tradition also helps explain the enduring quality of our democratic form of government.

The state of Texas recognizes the importance of small business and has programs to help it. But we can do better.

For one thing, we can abolish the sales tax on utility bills which now falls basically on small business owners. Large manufacturing and processing firms don't have to pay the tax, but the grocer, retailer and florist do. It is not fair.

My opponent opposed doing away with this tax in the last session of the legislature. The tax will bring in an estimated \$220 million in 1984-85. But when you compare that with the extra \$5.1 billion the legislature will have to spend during that time, I feel we can do without the tax and the reve-

63

nue it will bring. And, as Lt. Governor, I would support its repeal. I would also support putting into effect recommendations of the small business task force

initiated by the Governor. Two of these recommendations are especially appealing. One is to help small business borrow money at better rates. Most small businesses which fail do so because they are undercapitalized. To help that situation, franchise tax money would be deposited in participating banks, which would, in turn, make loans at lower rates to small businesses.

The other recommendation is that we form a group of small business development centers at colleges and universities statewide. Money for the centers would come from the U.S. Small Business Administration, the state and participating schools. The centers would provide training, counseling and other help to small business owners so that they could be more competitive in the marketplace.

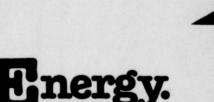

If you have any thoughts on this, I'd like to hear them. Please write me at 1213 W. 34th Street, Austin 78705.

Your house is leaking.

And every little energy leak costs you *money*. Texas Electric can help. Attend an Operation Tighten-Up workshop in your neighborhood. It's FREE, and we'll show you ways to save energy and money at home, including:

- The cheapest way to use heating and cooling equipment.
- How insulation works, and how much you need.
- How and where to caulk and weatherstrip.
- Information about

Operation Tighten-Up

high-efficiency air conditioning and heat pumps.

Operation Tighten-Up workshops are a good place to learn how to help hold down your electric bill. Workshops last about an hour, and no one

will try to sell you anything. You'll just learn new ways to stop your house from leaking.

Call Texas Electric, and we'll help set up a workshop

exas

in your neighborhood.

Holliday News

Holliday meets Boyd in district contest

Holliday will be looking to keep its District 11-AA slate clean tomorrow night aganist Boyd's Yellow Jackets in Boyd, after a 1-0 district record with a 32-0 drubbing of Nocona.

And the Jackets, with an identical season and district record to Holliday's, will have more than a few surprises in store when the Eagles hit town.

Nine lettermen return on defense and eight on offense from last year's second place finish, and coach J.G. Cartwright feels he has the best linemen in Boyd's history playing for him, including all-district performers Rodney McCune, Duane Watford, and Stacy Connally.

The unproven part of Boyd's team is the backfield, offensively and defensively. Quarterback Billy Tolliver, a junior, filled the shoes of last year's starting quarterback Tim Sipes when Sipes was injured in the eighth game of the season. Tolliver and his backup, Eric Wilson, had fits against Decatur's defense in the first game, won by the Eagles 26-0, but regrouped in a passing blitz in their win against Chico last Friday.

Runningbacks Alan Fite and Norman Pickett (156-pounds and 135-pounds, respectively) are small but quick.

Boyd uses a multiple offense, one that has more or less worked for them the past five seasons, and they will throw at anytime and anyplace on the field.

Junior Rodger Cathey and senior Eric Tallman, a returning all-district honorable mention defensive end, will anchor a defensive line which features lineman-turned-linebacker McCune, with Scott Story playing weakside linebacker, Fite and Pickett at the corners, Ronnie McCune at strong safety and Wilson at weak safety.

Gametime is at 8.

Area oil, gas report

Also ready to sput a Wichita Regular Field well is O.L. Fulfer of Kamay. He has staked drillsite five miles east of Kamay for the No. 8 and No. 9 H.B. Patterson. They are under permit for 840-feet. The location is in a 40-acre lease in the SPRR Survey.

Electra-based A.E. Simpson has filed for permit to drill the No. 20 W.T. Waggoner Estate, developmental try in the Wichita Regular Field. The well is in a 40-acre lease block in the GC & SF RR Survey

50 tickets available

Fifty season tickets remain on a first-come, first-serve basis, accordabout one mile west of Electra.

Proposed depth is 1,900-feet.

J.F. Hood of Fort Worth has filed for permit to drill the No. 2 T.J. Waggoner "D", a projected 2,000-foot developmental well, two miles north of Kamay. The venture will be in an 80-acre lease in the H. George Survey.

Pumping at the rate of 5 barrels of crude oil per day on an open choke, the No. 40 Douglas-C- was completed in the Wichita Regular Field by S&J **Operating Company of Wichita Falls.** Drillsite is in a 2-acre lease in Wichita County's L.M. Collins Survey, 2.5 miles southeast of

1,603-feet, the well went to 1,650-foot bottomhole. It was perforated to produce from an interval 1.605 to

School appealing state appraisal

Holliday School Board Monday night agreed to appeal to the State Property Tax Board the value on acreage and land after it was learned the school's tax roll differed from the state's appraisal by more than \$40-million.

The appeal, which must be filed by Oct. 1, would make a significant difference in the amount of state funding the school will receive for the school year 1983-84. According to superintendent Dan Owen, the appeal will make no difference for this school vear.

The state's appraisal on acreage and land is \$74,259,016, while the school's appraisal runs \$33,416,557. The basis on which the school is appealing is the land which was appraised. State appraisers based their appraisal on the sale of Black

Pond management field day slated

A fish pond management field day will be held Tuesday at the Willie Thorman farm in northern Archer County.

To begin at 9 a.m. and last until noon, the field area can be reached by driving half a mile south of FM 1954 on the Jacksboro highway and turning east at a sign designating the area.

Gary Valentine of the Soil Conservation Service and Bob Lusk, Wichita Fisheries, will discuss pond fertilization, weed control, fish stocking, delivery, feeding and costs. The pond will be seined to determine what fish are there, and then it will be rotenoned.

Flat land, which is prime farm land, that sold for \$700-\$800 per acre. This, said Owen, is an incorrect valuation of the average farm land in the school district.

The school's appraisal is based on the recent sale of land in Big Frey and T-Bone which went for \$200-\$300 per acre.

Friday, September 17 Breakfast-Sausage, pancakes, syrup, milk.

Lunch: Hamburgers, French fries, lettuce, cheese, pickles, onions, milk, ice cream.

Monday, September 20 Breakfast: Toast, jelly, milk. Lunch: Ranch steak, potatoes, corn, milk, apple crunch. **Tuesday**, September 21 Breakfast: Cereal, milk, fruit. Lunch: Hot dogs and chili, beans, cheese, cookies, milk. Wednesday, September 22 Breakfast: Gravy, sausage, biscuit. Lunch: Lasagna, green beans, salad, milk, fruit. Thursday, September 23 Breakfast: Donuts, milk, juice.

Lunch: Chili beans, cabbage, French fries, milk, jello, corn bread.

COUNTER TOPPING FORMICA WILSON-ART MICARTA **"BUY FROM THE OLD PRO"** T.S. THOMAS, CABINETMAKER 1516 Beverly Wichita Falls Ph. 723-6523

The school receives state funding based on the appraised value of farm land as well as single and multiple-family dwellings, oil and gas value, and minerals, among others. The lesser appraised value received, the more funding from the state, and vice-versa.

"The sale of land in prime farming area, as well as sales from prime building land is what the state based their appraisal," said Owen. "With the district's taxpayers having an increase of eight-percent in their tax rate this year, we are trying to look at every angle and do all we can to cut expenses."

Owen said the funding from the state for next year would run approximately 15-cents per \$100 valuation, or \$60,000 based on the state's appraisal.

If the appeal is approved by the board, the funding would double. An

answer to the appeal is expected by mid-October.

In other business, trustees hired Beverly Porter as an afternoon route bus driver, agreed to renew their membership with Region IX Media Service, and tabled discussion on school sponsored trips and expenditures by school personnel.

The curriculum committee, consisting of trustees Larry Lilley, W.T. Mankins and Larry Finnell will bring recommendations to the next board meeting concerning school-sponsored trips, including the annual senior trip. According to Owen, trustees will consider maintaining the present format on senior trips of two nights and three days. This would change the current policy of phasing out senior trips after 1984.

Owen will also provide trustees with a job description of key personnel at the October meeting.

PUBLIC NOTICE

On September 8, 1982, Texas Electric Service Company, a subsidiary of Texas Utilities Company, together with Dallas Power & Light Company and Texas Power & Light Company, also subsidiaries of Texas Utilities Company, filed with the Public Utility Commission of Texas a joint request for a determination under Section 63 of the Public Utility Regulatory Act that a proposed corporate reorganization involving such companies is consistent with the public interest.

Under the proposed reorganization the three subsidiaries will be consolidated into a single electric utility company, Texas Utilities Electric Company, but each will retain its local identity and continue to provide electric service to its present customers as divisions of the new company. A fourth division will be organized to assume the engineering, design, construction and operation of power plants for the system. The rates for electric service of Texas Electric Service Company will continue in effect for the customers served by it.

Further information concerning this filing may be obtained from the Public Utility Commission of Texas and a copy thereof is available for inspection in each of the company's public business offices.

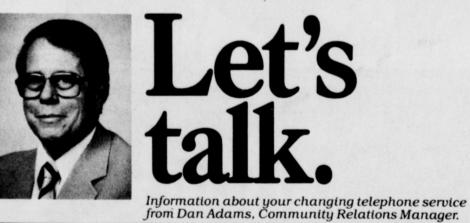

ing to superintendent's secretary Pat Holt.

Due to roping off of the first two rows in the middle section of Eagle Stadium, Mrs. Holt said the tickets remaining afford the holder a clear view of the playing field.

And action by superintendent Dan Owen which prevents traffic along the first rows has proved successful. Students and other Eagle fans wishing to sit on the east end of the home side must walk under the stadium, which has been lighted.

The price of the season tickets for the remaining home games is \$12. Students can purchase student tickets at the high school or superintendent's office until Friday afternoon, and all tickets at the gate, including students, is \$3.

Industry changes will affect us all

This is a time of significant change for Southwestern Bell and for the entire telecommunications industry. Decisions are being made as to how we are organized; in how we price and market our services; and in the policies that govern our industry.

These changes will touch everyone--customers, shareowners and our employees. They involve new concepts in home and business communications, and new ways of obtaining and using telecommunications products and services.

Keeping Pace with Change and Its Impact on You

As the company restructures itself and adapts to these changes, you will want to know their impact on you and your telephone service. That's nort of my job: keeping you informed about our plans. My duties also include recommending areas for service improvements, monitoring service problems and serving as the company's representative to the community.

Naturally, you'll continue to call the Business Office with questions about your bill or our Repair Bureau to get your telephone line fixed. But I'll try to keep you posted about changes that might affect your service.

While I've had the opportunity to visit with some of you about these telephone issues, it's impossible for me to speak personally to everyone. That's why I will be using this column to communicate with you. My address is listed at the end of the column. Please feel free to drop me a note anytime. I'll be glad to hear from you.

I can't guarantee that I will have

all the answers or instant solutions. But, I can promise that I will listen and help you in whatever way I can.

Most importantly, I will keep you posted on changes -- local and national -- that affect your telephone service.

Company Rate Hearings Begin With Texas PUC

As you're probably aware, our hearings with the Texas Public Utility Commission in Austin to increase rates have begun. We are well aware this is not the way to win a popularity contest. It's unfortunate, but it's necessary.

The \$471.5 million we are seeking is more money than I can imagine, but so is the \$1.5 billion we've budgeted this year to expand and improve service in Texas. Incidentally, this is the fifth straight year we have committed more than \$1 billion in the state.

Almost a third of the total we've asked for is the result of rules the Federal Communications Commission recently adopted, requiring faster recovery of expenses for depreciation and other capital costs. The FCC's action was taken because competitive and technological developments have resulted in shorter service life for telephone equipment. It's a simple, but costly, fact.

Remember, if you have something to talk about, don't hesitate to drop me a line. Here's my address:

Mr. Dan Adams Southwestern Bell 2121 Paradise Vernon, Texas 76384

SHUGART

PICTURE DATE: T

Birk Circle meets

Rev. Norman Nettleton led the Bible Study on "Stewardship and Politics" during the Tuesday morning meeting of the Lucy Birk Circle of First Presbyterian Church held in the church parlor.

He emphasized that 20th century American Christians were to be involved in affairs of government as responsible believers and citizens living in a democracy, stating that participation in government meant more than activity in party politics.

He stated "stewardship in political realm will not allow for the imposition of a set of beliefs on other persons or the setting up of a state church. Christians are to employ the principles of Christian faith in affairs of government as well as in other areas of life today."

Those taking part in the discussion were Mmes. John Clapp Sr., Norman Nettleton, Edna Lemond, C.E. Birk, Luther Shelton and Miss Titia Belle Blanks.

Church group meets

Mrs. S.B. Keeter, Christian Person Misson Coordinator, gave the first in a series of studies on Isaiah Tuesday morning during the meeting of United Methodist Women. The study was taken from "Singing the Lord's Love" by Bruce C. Burch, professor of Old Testament at Wesley Theologian Seminar, Wash. D.C.

In connection with the study, the speaker presented slides of early history and religion of Israel that clearly depicted conditions existing during the exile of the Israelites, which, according to the author, was God's judgment of the sinful ways of the people then.

Mrs. Keeter gave a comparison of the people then with people of our own country today who are prone to be loud in speaking to the Lord but not in living for the Lord.

6 eggs, beaten

Baked beans have been a part of the American way of life since the Pilgrims first landed in America. It is true that they had some difficulty adapting to the beans they found here, but they did consume the haricot bean because it resembled the broad bean of Europe.

The Indians showed the Pilgrims how to bake their beans with native maple syrup and bear fat. They were baked in earthen pots much as they are baked today.

In early New England, baked beans were traditional Sunday night fare, and the bean pot was indeed a cherished family possession when people thought that it had to be seasoned to produce a good batch of beans. In the 20th century, baked beans are still high on the list of American foods, whether prepared by long cooking methods or quick methods where canned beans are substituted for the dried beans. Mary (Mrs. Robert) Pancoast shares an easy recipe with us today.

A native of New Jersey, Mrs. Pancoast was graduated from Hopatcong High School and Morris County College. She and her husband. who is product engineer at Howmet. and their children, Bonnie four years of age, and Jeremy one year old, moved to Iowa Park about a year ago from Manchester, Conn.

She is a member of Christ the King Catholic Church where she plays the flute and guitar, belongs to LIFT, and served on the committee to plan the dedication service of the church Sunday. She lists bowling, aerobics, bicycle riding and playing the guitar for her hobbies.

BEFFY QUICHE

Two favorites - ground beef and tomato soup - add special flavor and color. Youngsters will go for this.

Church of God names pastor

STRAWBERRY-BANANA **JELLO MOLD**

- 1 6-oz. jello
- 2 cups boiling water
- 2 medium bananas, sliced
- 2 10-oz. stawberry pkgs.
- 1 pint sour cream

Dissolve jello in water; add the strawberries and bananas. Pour half into mold and place in refrigerator. Let the rest stand at room temperature. When the jello in the mold hardens, remove from refrigerator and layer with 1/4 inch of sour cream, then top with rest of jello mixture.

SALISBURY STEAK Heaped with tender onions

2 tablespoons salad oil 5 medium onions, sliced 3 tablespoons soy sauce 1/2 teaspoon sugar Water 1 Tablespoon cornstarch 11/2 pounds ground beef 1 teaspoon salt

¹/₄ teaspoon pepper About 40 minutes before serving:

Preheat broiler if manufacturer directs. In 10-inch skillet over medium heat, in hot salad oil, cook onions 2 minutes, stirring occasionally. Add soy sauce, sugar and 11/2 cups water; heat to boiling. Reduce heat to low simmer, uncovered. In cup, stir cornstarch and 1/4 cup water until blended. Gradually stir in onion mixture; cook, stirring constantly, until sauce is thickened; keep warm.

Meanwhile, in medium bowl, mix ground beef, salt and pepper; shape into four 1-inch patties. Place patties on rack in broiling pan; broil 4 minutes on each side for rare or until desired doneness.

To serve, arrange patties on warm platter; spoon some onion mixture on top of each. Makes 4 servings.

CARA'S CHEESECAKE

1 lb. cream cheese, softened 11/2 cups sugar 4 eggs, slightly beaten 1 tsp. of vanilla 1/2 cup butter, melted and cooled 3 Tbsp. cornstarch 3 Tbsp. flour 1 quart sour cream

Heat oven to 325 F. Grease a 9 inch springform pan. With an electric mixer, beat the cream cheese at high speed. Gradually beat in the sugar, then the eggs, one at a time. At low speed, beat in the cornstarch, flour and vanilla. Beat in the butter and sour cream.

ing to superintendent's secretary Pat Holt.

Due to roping off of the first two rows in the middle section of Eagle Stadium, Mrs. Holt said the tickets remaining afford the holder a clear view of the playing field.

And action by superintendent Dan Owen which prevents traffic along the first rows has proved successful. Students and other Eagle fans wishing to sit on the east end of the home side must walk under the stadium, which has been lighted.

The price of the season tickets for the remaining home games is \$12. Students can purchase student tickets at the high school or superintendent's office until Friday Barney Fish

Barney Fish, 85, died Sunday in an Archer City nursing home. Services were Monday afternoon in Aulds Funeral Home, with Rev. Bill Potts, pastor of First Baptist Church, officiating. Burial was in Archer City Cemetery.

Fish was born July 24, 1899, in Caddo. He had been a resident of Archer City since 1909 and was a retired stock farmer.

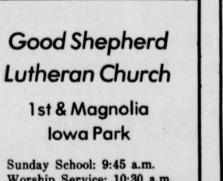

He is survived by five brothers, Jim of Iowa Park, Joe, John and Milton, all of Archer City, and Burney, a twin, of Bellevue; three sisters, Bertha Haigwood and Velma Brewer of Archer City, and Lois Ward of Priddy.

VOLUNTEERS OFFER SHELTER

Former Iowa Parkan helping needy women

[EDITOR'S NOTE: Eleanor Bell, 57, retired Iowa Park school teacher and member of First Baptist Church, is a member of Mission Service Corps volunteers in Tulsa.]

Abandoned by her husband and working part-time for minimum wage, a young Tulsa woman faces the choice of paying rent or feeding her children. Once decided, to whom can she turn for refuge?

For many women, the answer has been the Tulsa Women's Shelter, a cooperative ministry of 99 Southern Baptist churches in the Tulsa Baptist Association. Now in its third year of operation, the shelter offers sanctuary to a broad range of women in need: alcoholics, former prison inmates and jobseekers, newcomers to Tulsa with no money and no place to stay.

"You just can't pay deposits and advance rent for an apartment if you're working split-shifts at McDonalds, especially with children to care for," explains shelter staff member Rachel Milner. "We give a woman a chance to get on her feet." Milner and staff members Norma

Fitzgerald and Eleanor Bell voluntarily serve through Mission Service Corps, a Southern Baptist program which recruits self-supporting missionaries. Living at the shelter, they rotate office duties, screen and receive new residents, and make themselves available when the need for a friendly shoulder arises.

Situated on a street corner in a run-down neighborhood, the Tulsa Women's Shelter opens its doors to an average of 30 women a month, most of them in poor emotional, spiritual and physical condition.

"These women have their backs to the wall," notes shelter director Sharyan Lott, a career missions appointee of the Southern Baptist Home Mission Board. "Prostitution is the only way many of them can see to survive."

Designed to equip women for survival, the shelter asks each woman to shoulder her share of the workload. Household chores and house rules comprise a portion of residents' responsibilities. Attendance at Bible studies and nearby church services are also required for those living at the shelter.

"We want these women to know that the Bible speaks to their needs," explains Lott.

Eagles outclass Nocona

Holliday's Eagles outclassed a veteran-laden Nocona team Friday night in Holliday 32-0, in an important district opener for both teams.

The Eagles, now 1-1 on the year, gained more than a share of the district lead with the win, but also self-confidence after a heartbreaking defeat to top-ranked Eastland the week before.

It was all Holliday in the game Friday, and the score could have easily been quite a bit higher. Five touchdowns higher, if it weren't for

stalled drives inside the Indian 20. The Indians, returning starters in all positions except two, found trouble in every phase of the game in their attempt to avenge a 33-0 drubbing they received on their own field a year before.

Tough running by seniors Jeff Belcher and Brad Harmon spelled the difference for the Eagles, although the entire defense is to be praised for their stingy play all night. Linemen Harold Parsons, Kevin Blankenship, Bruce Bynum, Clint Sissom, Chuck

Evans, linebackers Timmy Stubblefield and Belcher, and backs Shannon West, Mike W. Parker, Mike A. Parker, Gill Gilbert, Harmon and Allen Henson played top-notch defense.

Holliday drove the ball 80 yards for its first score, highlighted by Belcher's 21-yarder to the Indian 15 and Harmon's subsequent run for the score the next play. A bad snap by Parsons resulted in no extra point, kick, but the Eagles led 6-0 with over three minutes left in the first period.

Intercepting a Ronnie Uselton pass, Belcher returned it 39 yards for the second touchdown of the night. A Parker's kick split the uprights for a

kickoff.

13-0 Holliday lead. Holliday scored once again late in the second quarter on their longest drive of the night, 84 yards. Belcher capped the drive with a five-yard scamper, running over two Indians in his path. Parker's kick hit the uprights and shot downward, and the Eagles took a 19-0 lead into the locker room at halftime.

Belcher spoiled Nocona's hopes of a

quick comeback on the Indian's third

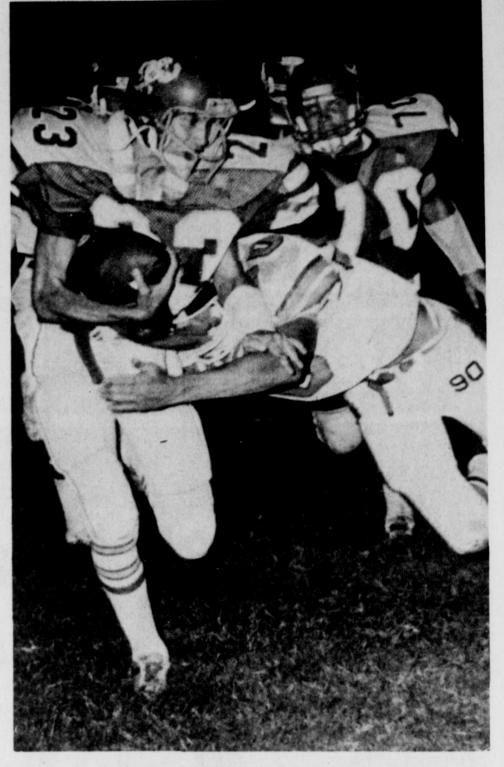

play from scrimmage following the

Holliday had an excellent opportunity to score right before halftime, driving to the Indian seven, but time ran out with Holliday facing a third and goal situation. It was the first of five occasions the Eagles stalled inside the 20.

The Eagles scored twice in the final two stanzas to seal the victory, one a four-yard run by Belcher early in the third quarter, and a final touchdown on a 11-yard pass from Gilbert to Ron Trainham. The first of two point after tries was good, while the second failed, freezing the scoreboard at 32-0.

Holliday showed signs of its dominating style of play from the year before. The defense, in addition to not allowing a score, allowed only five first downs and 118 yards total defense for the Indians.

HOLLIDAY NOCONA First Downs 18 Yards Rushing 43 215 Yards Passing 75 76 **Total Yards** 118 291 5-14 Passes 6-11 **Fumbles** Lost 2 Interceptions by Penalties 3-25 2 - 151-(blocked) Punts 4-19-.5

SHANNON WEST PICKS UP FIVE AGAINST INDIANS ... Chuck Evans moves in to help.

The offense, on the other hand, tallied 18 first downs with a tough ground attack which chewed up 215 yards. A. Parker completed three of his 11 passes for the night for 62 of the 75 total yards in the air for Holliday. Belcher was the leading rusher with 84 yards in 12 carries, despite watching the offense most of the second half from the sidelines.

Dale Anderson nominated for American Farmer Degree

Iowa Park High School graduate Dale Anderson has been nominated to receive the American Farmer Degree, the highest degree presented by the National Farmers of America (FFA) organization.

Anderson was nominated for the degree by the Texas FFA Association. The nomination was approved at a recent meeting of the National FFA Board of Directors in Alexandria, Va., virtually assuring him the award.

One of 751 FFA members

nominated for the American Farmer Degree, Anderson will receive it in a special ceremony Thursday, Nov. 11, pending a final vote of 120 student delegates representing nearly half a million FFA members.

Travel awards will be presented to American Farmer Degree recipients to offset their travel expenses to the National FFA convention in Kansas City. At the convention each recipient will be presented a gold key and certificate.

The degree is much sought after

Degree.

Anderson is the son of Mr. and Mrs.

Electra cancels tonight; makeup game at Seymour

Because Electra has experienced a shortage of high school players, Iowa Park's junior varsity and freshman games scheduled this evening have been changed.

Electra had to cancel all non-varsity games, when a number of varsity players quit the team and all remaining players in high school were put on the varsity.

As a result, Iowa Park has scheduled a pick-up game with Seymour this evening.

The freshman team will be joined by sophomores from the junior varsity, and that group is to play a similarly composed team at 5:30 this

K&W wins tournament Delanny, center fielder for Jerry's

Red Raiders finished first, second and third in the first annual women's slow pitch softball tournament held here over the weekend.

DALE ANDERSON

The four-day tourney was sponsored by Epsilon Eta Chapter of Epsilon Sigma Alpha.

K&W, was named most valuable player of the meet and Sharon

afternoon at Seymour. Juniors on the JV will suit up tomorrow with the varsity.

The JV defeated Bowie here Thursday, 12-6, but the freshmen suffered their first loss, losing to the Jackrabbits 28-8.

JUNIOR HIGH WINS

The eighth grade opened its season with a 34-6 win here Tuesday over Electra, and the seventh grade won 22-6.

Both teams will observe an open date next Tuesday, but will host City View Sept. 28.

Soccer meeting set

A meeting of the Iowa Park Soccer Club will be held at 7:30 p.m. today at the fire station, 104 E. Highway. All parents of players are encouraged to attend.

K&W, Jerry's Plumbing and the Plumbing, received the award for best defensive player.

-Area oil, gas report-

Carl Catlin of Iowa Park has filed for permit to drill the No. 8 and 9 McDonald, two developmental ventures in the Wichita County Regular Field, two miles south of Iowa Park. They are to be situated in a 55-acre lease in the W. Graves Survey, with both having projected depths of 800-feet.

The No. 10 Denny, a developmental well in the Wichita Regular Field, is scheduled to be drilled eight miles southwest of Iowa Park. Catlin Drilling Company of Iowa Park is listed as the operator. Location is in a 158-acre lease in the H.B. Balch Survey. Projected total depth is 2,000-feet.

Location has been staked by Bohner Oil Company of Wichita Falls for five, 1,990-foot developmental probes in the Wichita Regular Field, two miles south of Burkburnett. The wells are designated as the No. 24, 25, 26, 27, and 28 Roller 135 B. Drillsites will be in a 70-acre lease in the W. Grady Survey.

F.T. Johnson, Jr. of Wichita Falls has filed for permit to drill the No. 54 Waggoner "AH", a projected 1,100-foot developmental well, two miles south of Electra, in the Wichita Regular Field. The venture will be in a 240-acre lease in the H&TB RR Survey.

Jimco Oil Company, Inc. of Electra has revealed plans to drill a 1,700-foot, developmental probe in the Wichita Regular Field, seven miles northeast of Electra. The well will be located in a 52-acre lease in the Waggoner Colony Subdivision and is to be disignated as the No. 19 Obenhaus.

O.L. Fulfer of Kamay has staked location for the No. 28 J.A. Watkins in the Wichita Regular Field. It is scheduled for 1,800-feet of hole making. The location is in a 103-acre lease in the H.B. Balch Survey, about 4.5 miles northeast of the Kamay community.

Burkburnett-based Joe McDonald has turned in first production figures for its No. 8 Hodges "B", a successful developmental well in the Wichita Regular Field.

Pumping oil at the rate of 15 barrels per day, the well was tested on an open choke.

is 2,000-feet, it is in an 80-acre lease in the H. George Survey.

F.T. Johnson, Jr., operating out of Wichita Falls, has recorded a successful developmental well in the Wichita Regular Field. It is the No. 53 Waggoner "AH", showing potential for 5 barrels of crude per day on an open choke.

Drillsite was in a 240-acre lease in the H&TB Survey, two miles south of Electra.

The well was drilled to a total 1,092-foot bottom after entering the pay structure at 501-feet. It was perforated to produce from an interval 501 to 1,045-feet into the wellbore.

At a location north of the outer blocks of the city of Burkburnett. Toss H. Wichita Falls has completed two new oil wells in the Wichita Regular Field.

Drillsites were in a 130-acre lease in Wichita County R.R.V.L. Survey.

The No. 24 Hobbs-Texas "B" struck the pay zone at 1,433-feet and bottomed at 1,686-feet into the hole. It is producing 5 barrels of oil per day on an open choke, from perforations 1,637 to 1,639-feet into the wellbore. The No. 25 Hobbs-Texas "B", is producing 6 barrels of crude per day on an open choke. Total depth of this well was 1,699-feet, with top of pay being logged at 1,646-feet. It is producing from perforations 1,646 to 1,648-feet into the wellbore.

Bohner Oil Company of Wichita Falls has revealed plans to drill four, 1,990-foot developmental wells in the Wichita Regular Field. The operator has 64-acres leased, with drillsite in Wichita County's W. Grady Survey and has designated the ventures as the No. 17, 18, 19, and 20 Fresno Roller. Drillsites were two miles south of Burkburnett.

The No. 18 J.Z. Dunn is slated to be drilled in the Wichita County Regular Field by S.L. Mowrey of Wichita Falls. With projected total depth of 1,400-feet, it will be spudded in a 140-acre lease of the W.H. Anderson Survey, three miles southeast of Burkburnett.

D.D. Strange of Wichita Falls has filed for permit to drill two 1.250-foot and 500-foot developmental wells in the H.B. Balch Survey. The wells will be known as the No. 4-A, 5-A, and 6-A Earle Denny "A".

Land Survey. Well's designation is the No. 1 Pro-Dutton. It is in the Wichita Regular Field.

Griffon Petroleum of Wichita Falls has revealed plans to drill two 600-ft. developmental wells in the Wichita County Regular Field. The operator has 20-acres leased, with drillsite in Wichita County's John Aldridge Survey and has designated the ventures as the No. 2 and No. 3 McCullough. Drillsites are five miles southeast of Burkburnett.

Griffon Petroleum has also filed for permit to drill the No. 1 and No. 2 Overbey "G", two developmental wells to be located 1.5 miles east of Valley View. With projected total depths of 1,000-feet, the wells are in a 103-acre lease in Wichita County's J.M. Sharp Survey.

Brown & Fox of Iowa Park has given up in its efforts to make a producer out of the No. 3 Burnside. It was a 681-ft. developmental try in the Wichita Regular Field. The location was four miles east of Kamay.

The No. 20 Hammon Fee has been given a "dry hole" label by S&J **Operating of Wichita Falls.** Located six miles southwest of Iowa Park, the well had been spudded 7-16-82. It was located in the ETRR Survey, Wichita County, and had reached 1,297-ft. total depth.

Plug-and-abandon orders have been issued for three developmental ventures of S.H. Walton (deceased) of Wichita Falls in the KMA Field of Wichita County. Drillsites were 1.5 miles north of Valley View in the L. Scott Survey.

The No. 1-S Hooks "C" was spudded 12-03-57 and had reached a total depth of 500-feet.

The No. 3 Hooks "C" was a 3,930-ft. well that had been spudded on 12-03-57 also.

The No. 4-C Hooks "C" was spudded in 1961 and had bottomed at 120-feet.

Clymer Schaaf Barnett of Wichita Falls has revealed plans to drill two 1.550-ft. wildcats in Archer County. The operator has 63-acres leased, with drillsite in the Bell County School Land Survey and has designated the ventures as the No. 1 and No. 2 Farmer "35". Drillsites are six miles northeast of Megargel.

Ancell KMA Field. It is the No. 3 Ancell J, showing potential for 70 barrels of oil per day on a 13/64 choke.

Drillsite was in a 160-acre lease in the H&TC RR Co. Survey, Sec 11, Blk. 7, nine miles west of Kamay. The well was drilled to a total 4,426-ft. bottom after entering the pay structure at 4,153-feet. It was perforated to produce from an interval 4,157 to 4,163-feet into the hole. Tubing pressure was 70 PSI.

The No. 4301 Fargo Unit has been given a "dry hole" label by Amerada Hess Corp. of Vernon. Located 10 miles north of Vernon, the well had been spudded in April of 1954. It was located in the H & TC RR Survey, Sec. 45, Blk. 15, Wilbarger County, and had reached 4,295-ft. total depth.

Mobil Producing, Tx & NM, Inc. of Houston has given up in its efforts to make a producer out of the No. 1 Mulloy Estate. It was a 4,490-ft. wildcat try in the M. McLaren Survey, Wilbarger County. The location was three miles northwest of Electra.

A 760-foot developmental well is planned by Winfrey Oil Company of Wichita Falls at a drillsite eight miles west of Wichita Falls. The location is in a 100-acre lease in the DCSL Survey. Well's designation is the No. 4 Mayer. It is in the Wichita Regular Field.

Location has been staked by Hull Oil Company of Wichita Falls for a 2,000-foot developmental probe in the Wichita County Regular Field, three miles northwest of Holliday. The well is designated as the No. 1 A. Daume. Drillsite will be in a 35-acre lease in the SPRR Survey.

Tom Swanson of Electra has posted initial production figures for the No. B-1 Ancell-Barnes, new oil well in the KMA Field, 10 miles southwest of Electra.

The well indicated potential for 42 barrels of oil on an open choke. With drillsite in an 80-acre lease in Wichita County's H&TC Survey, the well had total drilling depth of 4.396-feet. It entered the pay horizon at 4,013-feet and will produce from a set of perforations 4,013 to 4,023-feet into the wellbore.

southwest of Iowa Park. The operation will be in a 40-acre lease in Wichita County's Kemps W.V.F.L. Survey.

Joe B. Hood & Company has also filed for permit to drill the No. 3 and No. 4 Douglas Mineral Trust, both developmental wells to be located four miles southeast of Electra. With projected total depths of 2,000-feet, the wells are in a 105-acre lease in Wichita County's H&GN RR Survey.

W-W Oil Company of Wichita County has revealed plans to drill two 1,000-foot developmental wells in the Archer County Regular Field. The operator has 40-acres leased, with drillsite in Wichita County's Waggoner Colony Survey and has

designated the venture as the No. 10 and No. 11 A.L. Robb. Drillsites are five miles northwest of Electra.

Location has been staked by Jim Larson, Jr. of Wichita Falls for'a 1,600-foot developmental probe in the Wichita County Regular Field, 1.5 miles east of Kamay. The well is designated as the No. 41 Warren. Drillsite will be in a 60-acre lease in the K.W.V.F.L. Survey.

S & J Operating has also turned in first production figures for its No. 79 L.P. Douglas AB, a successful developmental well in the Wichita Regular Field.

Pumping oil at the rate of 19 barrels per day, the well was tested on an open choke.

Bell names new manager

Southwestern Bell has appointed Dan Adams as manager of Iowa Park and 15 surrounding communities.

According to company officials, Adams' job is a newly-created position which encompasses all phases of telephone service.

"With many of our operations being consolidated, resulting in business office closings, we want to make sure to maintain good communications with our customers," Adams said. "These are times when we need to be more visible and responsive to the needs of consumers. My main job will be as an interface between the company and community."

Adams began his Southwestern Bell career in 1950 and has held various supervisory positions in Dallas. He was named manager of residence services in Terrell in 1965 and served there until 1981 when he accepted a position in Dallas in

personnel development. Adams is president of the Terrell school board, past president of the Rotary Club and director of the Terrell Chamber of Commerce. He also serves on the advisory board of Southwestern Christian College and is a past president of the United Way. He has held a number of positions with the Boy Scouts of America and has been awarded the district Spark-plug award, the Award of

Merit, and the Silver Beaver Award. Adams is a 1961 graduate of Southern Methodist University with a Bachelor of Business Administration.

Adams said he is looking forward to working with the people of Iowa Park: "By keeping a dialogue between civic leaders and myself as well as customers, we can make sure Iowa Park continues getting top-quality telephone service which meets the needs of local customers."

He will assume some of Jewel Edwards' responsibilities. She has accepted a new position with the company in Wichita Falls. Adams and his family will reside in Vernon.

Drillsite was in a 155-acre lease in the H. Balch Survey, four miles southwest of Iowa Park. The well was taken to a total depth of 1,339-feet after entering the pay zone at 1,196. Production interval will be 1,196 to 1,201-feet into the wellbore.

Electra's Tommy Swanson Oil Co. has completed three new oil producers in the Wichita Co. Reg. Field. The developmental wells were finaled four miles northwest of Electra in the Waggoner Colony Subdivision. The wells are located in a 160-acre lease and are designated as the No. 5, No. 6 and No. 7 R.A. Gilbert.

The wells pumped a combined total of 23 barrels of crude oil per day, with the trio being tested on an open choke.

The No. 5 well encountered the pay strata at 888-feet and went on to bottom dry at 950-feet. It is producing from a set of perforations 888 to 889-feet into the hole.

The No. 6 well is producing from a set of perforations 898 to 899-feet, after striking the pay zone at 898-feet. This well bottomed at 960-feet into the wellbore.

The third well, the No. 7, bottomed at 940-feet and is producing from perforations 892 to 895-feet into the hole after hitting the pay stratum at 892-feet.

Five, 1,400-foot developmental wells are planned by Clymer-Schaaf Properties of Wichita Falls at a drillsite three miles southwest of Burkburnett, Wichita County. The location is in a 196-acre lease in the BBB&CRR Survey. Well's designations are the No. 14, thru No. 18 North Bear. They are located in the Wichita Regular Field.

W-W Oil Company of Wichita Falls has filed for permit to drill the No. 16 and No. 17 Robb, two developmental wells in the Wichita Regular Field, four miles northwest of Electra. The operations will be in an 80-acre lease in Wichita County's Waggoner Colony Lands Survey. The No. 16 well is expected to bottom at 2,000-feet, while the No. 17 well has a proposed depth of 600-feet.

The No. 3 T.J. Waggoner "D", a developmental try in the Wichita Regular Field, is scheduled to be spudded two miles north of Kamay. The projected total depth of this well

The operator has 82-acres leased in the Wichita Regular Field, two miles east of Valley View.

Pumping at the rate of 4 barrels of oil per day, the No. 1 Golden Cycle has been completed in the Wichita Regular Field by Blair-Lee Oil Company of Wichita Falls.

Located four miles northwest of Burkburnett, the well is in an 80-acre lease of the RRVL Survey.

It was drilled to a total depth of 1,855-feet, after entering the pay strata at 1.800-feet. The well is producing from a set of perforations 1,800 to 1,804-feet into the wellbore.

A new oil producer in the Wichita County Regular Field has been finaled by Clymer Schaaf Properties of Wichita Falls. Designated at the No. 12 North Bear, the well indicated capacity to produce 15 barrels of per day on an open choke. The location is three miles southeast of Burkburnett, in a

196-acre lease in the BBB & DRR Survey, Wichita County. Bottomed at 645-feet, the well will produce from an interval of

perforations 591- to 601-feet into the hole. The pay formation was first encountered at 592-feet.

Don R. Seale of Electra has posted initial production figures for the No. 33 PG Krohn, Inc., new oil well in the Wichita Regular Field, six miles east of Electra.

The well indicated potential for 3 barrels of oil on an open choke. With drillsite in an 76-acre lease in Wichita County's A.R. Collins Survey, the well had total drilling depth of 357-feet. It entered the pay horizon at 312-feet and will produce from a set of perforations 312 to 320-feet into the wellbore.

F.T. Felty of Burkburnett has filed for permit to drill the No. 52 S.M. Daniels, a 1.400-ft. developmental well in the Wichita Regular Field, five miles southeast of Burkburnett. The operation will be in a 250-acre lease in Wichita County's H. Hastie Survey.

A 700-ft. developmental well is planned by Camino Corp. of Wichita Falls at a drillsite two miles north-northeast of Holliday, Wichita County. The location is in a 2-acre lease in the Denton County School

Location has also been staked by Clymer Schaaf Barnett for a 1,500-ft. developmental probe in the Archer County Regular Field, six miles northeast of Megargel. The well is designated as the No. 2 Farmer "55". Drillsite will be in a 50-acre lease in the J.J. Perkins Subdivision/Farmer Ranch Survey.

Pumping at the rate of 3 barrels of crude oil per day on an open choke, the No. 6 O.L. Matlock "A" was completed in the Archer Regular Field by Matlock Oil Company of Windthorst.

Drillsite is in a 187-acre lease in Archer County's James Saunders Survey, three miles north of Markley. After entering the pay zone at 664-feet, the well went to 687-ft. bottomhole. It was perforated to produce from an interval 666 to 674-feet.

Graham-based Louis Donnell, Jr. has turned in first production figures for three successful developmental wells in the Archer County Regular Field.

Drillsites were in a 160-acre lease in the Bell County School Land Survey, five miles north of Megargel.

All three wells had a total depth of 1,579-feet and are all pumping 2 barrels of crude oil per day on an open choke.

The No. 3 Farmer entered the pay zone at 1.520-feet and will produce from a set of perforations 1,520 to 1,526-feet into the hole.

The No. 4 Farmer is producing from a set of perforations 1,544 to 1,548-feet and it entered the pay strata at 1,544-feet.

The third well is designated as the No. 5 Farmer and is producing from a set of perforations 1,563 to 1,565-feet and it encountered the pay stratum at 1,563-feet.

Thompson-Ware Oil Co. of Ft. Worth has filed for permit to drill the No. 1A and 2A Cowan & McKinney, both 1,550-ft. developmental wells in the Archer Regular Field, nine miles northwest of Archer City. The operations will be in a 30-acre lease in Archer County's Robert Carson Survey.

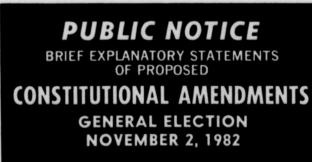

Ken Ellis Oil Company, operating out of Wichita Falls, has recorded a successful developmental well in the

Pumping at the rate of 35 barrels of crude oil per day on an open choke, the No. 75 L.P. Douglas AB was completed in the Wichita Regular Field by S & J Operating of Wichita Falls.

Drillsite is in a 246-acre lease in Wichita County's L.M. Collins Survey, three miles southeast of electra.

After entering the pay zone at 1,856-feet, the well went to 1,975-foot bottomhole. It was perforated to produce from an interval 1,856 to 1,862-feet.

Joe B. Hood & Company of Wichita Falls has filed for permit to drill the No. 1 Cohens, a 2,000-foot developmental well in the Wichita County Regular Field, 5.5 miles

House Joint Resolution

1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educa-tional institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing the state property tax."

State board DAN ADAMS

candidates due

Area candidates for the State Board of Education will present a public discussion at 7 p.m. Tuesday at Region Nine Education Service Center, Wichita Falls.

> The two candidates seeking election are Dr. Zoel G. Allen, Republican from Perryton, and Mrs. Margie Ward West, Democrat from Amarillo. Each will have 20 minutes to present their views, followed by a question and answer session from the audience.

> The meeting is open to all area educators, parents, and community members.

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families

and individuals. The proposed amendment will appear on the **House Joint Resolution** ballot as follows:

62 as amended by Senate "The Joint Resolution 10 proconstitutional amendment exempting poses a constitutional amendment that would implements of husbandry (agricultural maeliminate the \$80,000,000 chinery and equipment) ceiling on state welfare from ad valorem taxaaid during any fiscal year. tion." The amendment would

PROPOSITION NO. 5 ON THE BALLOT House Joint Resolution

119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's

functions. The proposed amend-ment will appear on the

ballot as follows: "The constitutional amendment to abolish the office of county

treasurer in Tarrant and Bee counties." **PROPOSITION NO. 6**

ON THE BALLOT Senate Joint Resolution 6 proposes a constitutional amendment that would

raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land

Board. The proposed amend-ment will appear on the

ballot as follows: "The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."
