Musicians named All-Region

Three members of the Hawk Band, Lori Barr, Kent Roberts and Kevin Robnett, made the All-Region

Orchestra in tryouts held Saturday. Kent was also selected for All-Area and tried out for the state orchestra.

Early deadline for next issue

The Iowa Park Leader will publish a day early next week, so subscribers will receive their edition on the day before Thanksgiving.

Because of the earlier publication date, all deadlines must be moved up one day. The issue, however, will carry a Nov.

25 date.

Classified advertising deadline will be 10 a.m. Tuesday. Display advertising deadline will be 4 p.m. Monday.

The Leader office will close at noon Wednesday and remain closed until the following Monday.

Green joins McQuerry at Vernon

Lee McQuerry, former Iowa Park postmaster who this week assumed that position in Vernon, now has more company from Iowa Park.

James Green, who was manager of TG&Y here until it closed, has been named manager of the Vernon TG&Y

Family Center, and is already working there.

Neither McQuerry nor Green resided in Iowa Park during the years they worked here. Both still retain their homes in Wichita Falls and are commuting.

Basketball games slated

Basketball gets underway next week for athletes at Iowa Park High School.

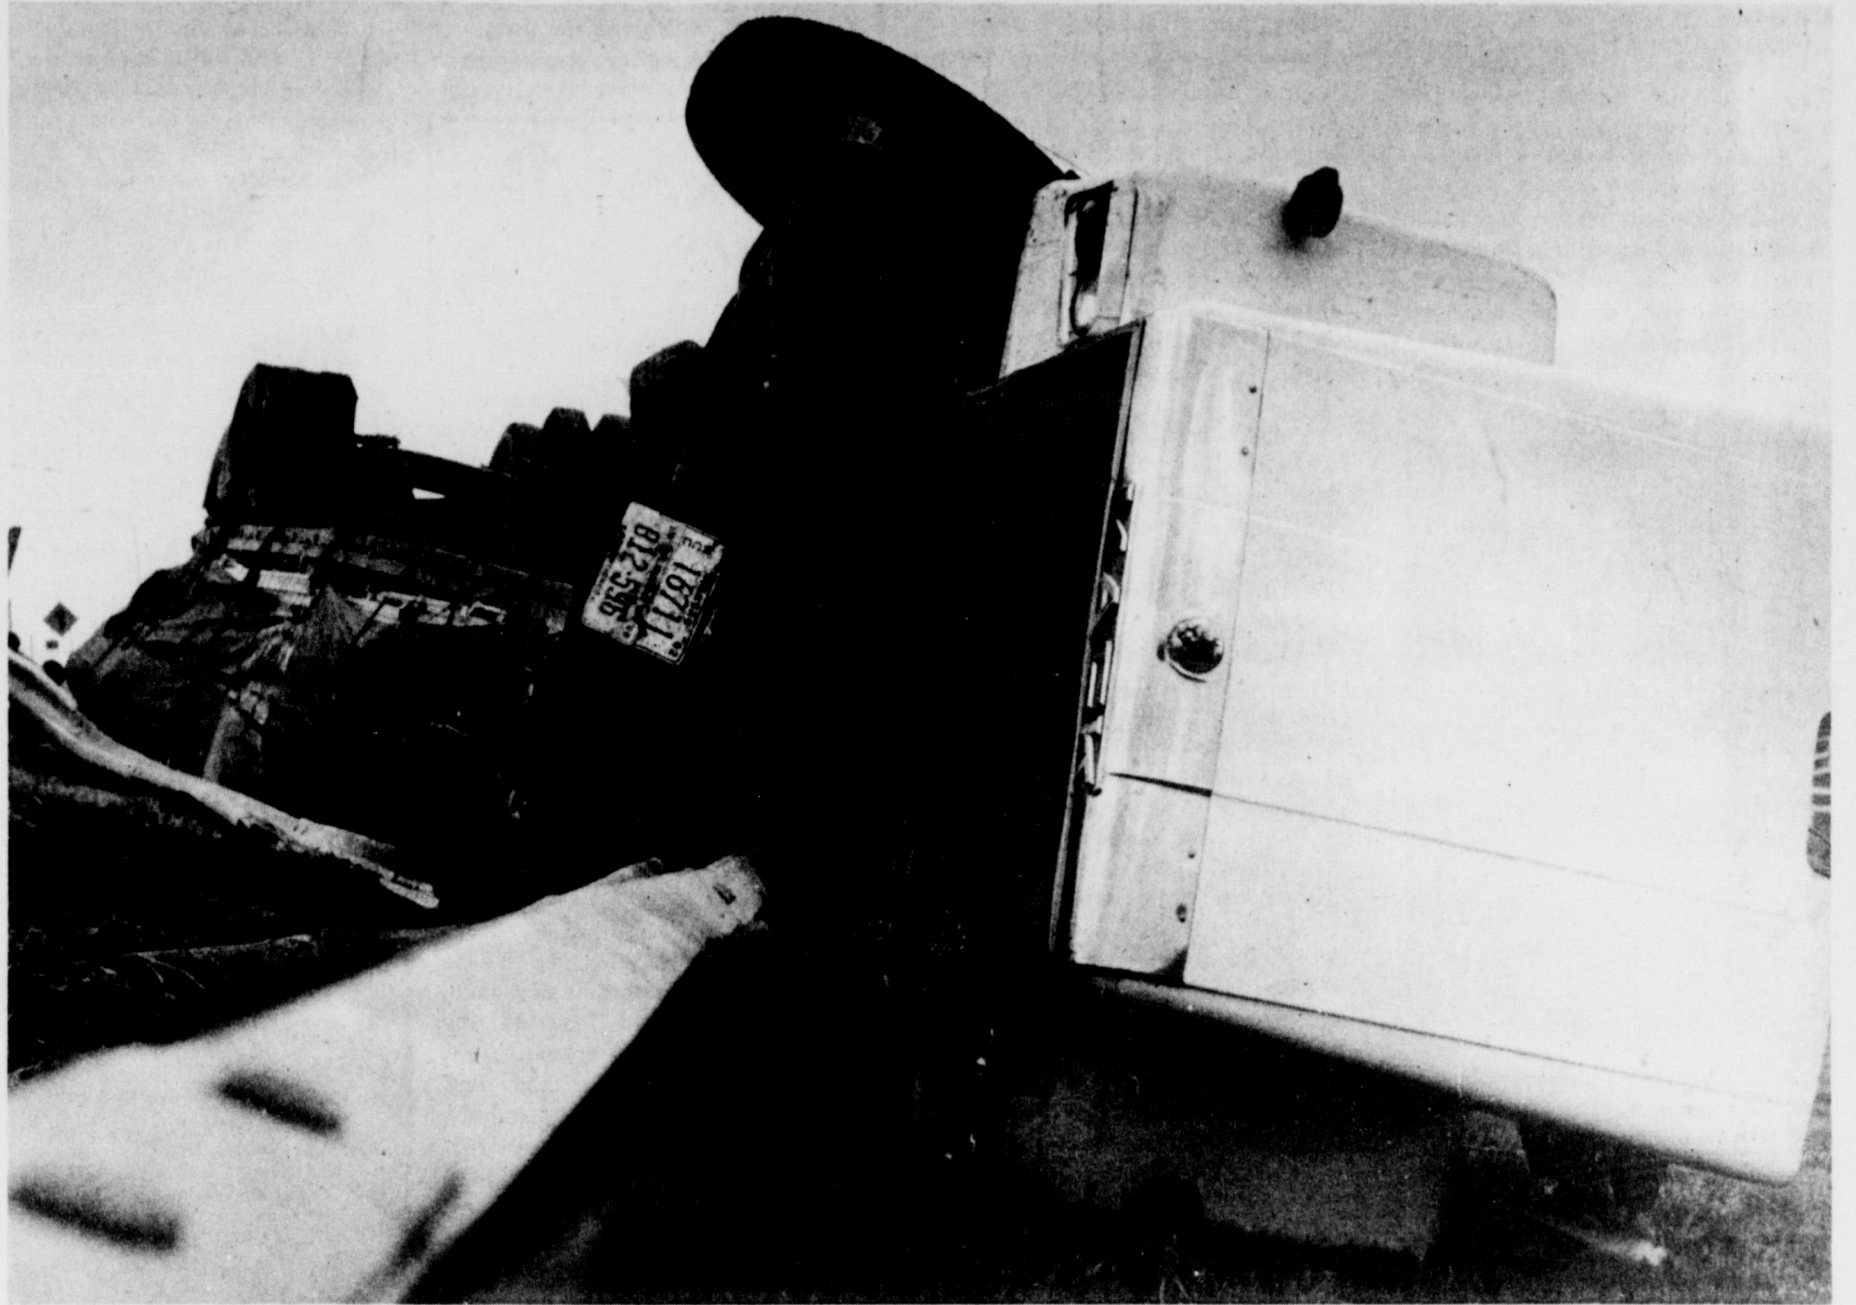

Varsity and junior varsity games for both the girls' and boys' teams are slated here Monday, with the first game getting underway at 3:30 p.m.

Tuesday, boys' varsity, junior varsity and freshman teams will

travel to Graham.

No other games are scheduled until the following week, because of the Thanksgiving holidays.

The Hawkettes scrimmaged here Tuesday night against Henrietta and the boys' teams are to scrimmage Wichita Falls High in the local gymnasium at 5:30 this afternoon.

NEAR DISASTER - A tractor-trailer rig, heavily loaded with sheetrock, was almost totally demolished in a one-vehicle accident before sunrise Thursday, but no one was injured. Trucker James A. Woolridge of Altus, Okla. was heading toward Wichita Falls about 5:40 a.m. when he apparently dozed off. His left wheels struck the guard rail on the west side of Johnson Road overpass on Highway 287, knocking large chunks of concrete onto Johnson roadside. The truck continued to drag against the railing until it got on the east side, and then cut across the median. It wiped out the center guard rail and, had the right front

wheel not become entangled in the south side railing which flipped both the tractor and trailer, might possibly have continued down the embankment and into one or more homes on the north side. The driver was uninjured. Another west-bound vehicle was slightly damaged when it struck part of the railing which had been strewn in its path. More than five hours were required to clear the wreckage. Damage to highway facilities was estimated between \$2,500 and \$3,000.

MONDAY NIGHT

Council may name new administrator

Iowa Park's new city administrator may be named Monday night, when the council holds its regular meeting in council chambers beginning at 7.

Mayor Charlie Lee confirmed yesterday that four applicants were interviewed Saturday by council members, and they may be ready to decide among the applicants at the meeting.

Iowa Park has been without an administrator slightly longer than a month. Since former administrator Steve Morath left the office Oct. 16, the mayor has been acting in that position.

At the council meeting two weeks ago, aldermen met in executive session and narrowed the list of applications down to six. Two were contacted for interviews but had already accepted positions elsewhere, removing themselves from further consideration.

The mayor explained he would rather not disclose the names of the four finalists, but did say two now reside in Wichita County and the other two elsewhere.

Asked if one criteria for selection would be for the new administrator to reside in Iowa Park, Lee said the council was aware it could not require residency, but it would be strongly urged.

Probably the most common of

complaints about former administrator Morath was the fact that he continued to maintain his home in Wichita Falls where he lived before being hired here.

At least two other topics will appear on Monday's meeting agenda. One will be a public hearing to change zoning of two lots in the south part of town and the other will be to award

bids for a new police car.

Upon recommendation of the planning and zoning commission that zoning of two lots in block 161 be re-zoned, the council will hear public comment on the proposal. The two lots reportedly will be used for a gun repair shop, requiring zone change from single family residence to convenience commercial.

Tickets for Holliday's Area Playoff Game will remain on sale at the Iowa Park Leader until 5 p.m. Friday

Chamber members elect officers, hear speaker

Members of the Iowa Park Chamber of Commerce Monday elected officers for 1983 and heard an inspiring talk on freedom from an "expert."

By unanimous vote, Linda Merrick was named the second woman to head the local Chamber. First vice

president will be Dr. James Edwards and second vice president H.M. Nipper.

They and the new directors who were elected will assume office at the annual banquet in January.

Mrs. Merrick was preceded in the office three years ago by Helen Rich, who was the first female to serve as president.

Directors also elected included Frank Gossett, Frank Guyette, Mark Reed, Roy Stevens, Herb Skinner, Harrel Sullivan, Nipper and Merrick. Speaker for the annual membership business meeting luncheon was Col. Arthur Burer of Sheppard AFB, who was a prisoner of war in Viet Nam 83 months, 24 of which were in solitary confinement.

Because of his total loss of freedom, which is the loss of any POW according to Col. Burer, he had gained a greater appreciation of its meaning. Thus, he claims to be an expert on the subject because he knows what it is like not to have it.

He compared the three points which he said pulled him and his fellow prisoners through the trying times with the ingredients necessary for a successful Chamber: rules, goals and organization.

"We were no heroes," Col. Burer stated. "We were average Americans who were dedicated to serving our nation."

CONGRATULATES SPEAKER - Jim Bob Merrick, right, congratulates Col. Arthur Burer after his talk Monday at the annual Chamber of Commerce membership business luncheon. Looking on is Mrs. Merrick, who was elected Chamber president for 1983.

Local man charged with theft of pickup

A school pickup has been heavily damaged, a police patrol car also damaged but not as badly, and a young Iowa Park man has been charged with "unauthorized use of motor vehicle."

Charged Tuesday before Justice of the Peace R.L. Stewart was Dean Hanley, 20, of Woodbriar Apartment No. 107.

Police were alerted about 10:30 p.m. Monday by a resident of the apartments who said he had seen a man walk from one vehicle to another in the parking lot, finally getting in a pickup and driving away.

While Capt. Robert Dean was at the complex gaining information, officer Ralph Price spotted the pickup matching description of the caller and attempted to stop him at the Pacific Street overpass of Highway 287.

According to Price's report, the pickup continued eastward, exiting at Bell Road. The officer's report indicated the pickup sped away when he sounded his siren and turned on his flashing lights.

The chase continued north on Bell some five miles. Driver of the pickup apparently was not acquainted with the road dead-ending, and the pickup bounced across a deep ditch, through a fence and into a pasture.

Officer Price was also unacquainted with the road and, apparently blinded by dust of the fleeing pickup, did not see the ditch in time to stop. The cruiser plunged into the ditch, damaging the front end but not injuring the officer.

Price and other officers who arrived on the scene, searched more than hour for the driver of the pickup but failed.

The next morning, Billy Joe Johnson, vocational agriculture teacher who had been using the school-owned pickup and lives at the apartments, drove out Bell Road to view the scene.

Just north of Klinkerman Dairy he saw a young man walking and stopped, offering a ride.

Picking him up about 7:20 a.m., the walker explained to Johnson that he didn't remember anything between 10 the previous evening and waking up somewhere near the north end of Bell.

Johnson, not telling the walker who he was or that he was connected with

the pickup, took the young man to the apartments and then contacted the police. Just before he let the man out, Johnson asked his name, according to the report.

A statement by a friend of Hanley's indicated the young man had drunk some beer earlier in the evening while they were driving along the outskirts of Wichita Falls.

Damage to the school pickup, which was purchased last spring, was estimated in excess of \$3,000. No damage estimate was available on the patrol car.

Hanley reportedly had a cut lip and chin.

Hulin returning home; friends plan 'pounding'

Raymond Hulin will be home for Christmas, and his friends are planning a warm welcoming.

Hulin, owner of Hulin Rodeo Equipment at Kamay, was seriously injured 14 months ago while participating in a rodeo at Mesquite.

He is paralyzed from the neck down, but has learned to operate his electric wheel chair with his chin.

Hulin, accompanied by his family, has been in a hospital in Wisconsin. Reba, his wife, and children Steven and Stacy will return home later this month. But he is not expected to be home until early December.

He plans to oversee the operation of his business himself, according to reports.

Friends of the Hulins are planning an old fashion "pounding" and are encouraging other friends of the family to leave donations at the shop, which is open 8 a.m. to 4 p.m. weekdays.

"All contributions will be appreciated - not only for their intrinsic value - but also for the value of knowing that they are loved, that they are missed and that we are glad and grateful that they are finally coming home," one spokesman said.

Federated study clubs hold annual meeting

The 19th meeting of the three federated study clubs in Iowa Park was held Monday evening at Texas Electric Reddy Room, with the 23

Study Club hosting the event. Chairmen of arrangements were Mmes. Sam Hunter, Joe Singer, D.O. James, Rollins Woodall and Homer

Blalock. Mrs. James, president of the 23 Study Club, welcomed the guests. During the meeting, special honor

was paid to Mrs. Erwin F. Soell, a member of the 23 Study Club and president of Santa Rosa District, TFWC. She was pinned with a lovely silk corsage, and a cake attractively decorated and lettered with "In Honor of Mrs. Erwin F. Soell, President, Santa Rosa District," governed appointments on the refreshment table.

For the performing arts number, Mrs. China B. Smith, 23 Study Club member and immediate past president, gave a dramatic reading, "The New Colossus" by Emma Lazarus. Mrs. Soell and Mrs. Herman Escue, Philia Study Club member, presented the program, "Federation Goals 1982-84" through slides and narration.

Smith, a present TFWC trustee. Santa Rosa District officers given special notice were Mmes. Charlie Lee, secretary; James Merrick, treasurer; Harold Cowley, scholarship chairman; Chauncey Weiler, historian; Herman Escue, ethic/protocol chairman. Presidents of the local clubs recognized were Miss Linda Ayres, Philia Study Club, Mrs. Welch and Mrs. James.

The emphases were on the accomplishments of GFWC goals since its inception and current goals that can be reached through volunteer efforts of federated club members on the national, state and local levels.

Preceding the program, Mrs. Soell recognized several members of the three clubs who have served, or are now serving, as Santa Rosa District and TFWC officers and chairmen. The group was headed by Mrs. Earl F. Watson, a former president of Santa Rosa District and Mrs. China B.

The refreshment table was covered with candlelight lace over green damask and centered with two tall ecru candles burning in crystal globes banked with fresh magnolia leaves and fresh gold and purple chrysanthemums. The silver coffee and tea services were placed on a nearby table laid with ecru lace over green linen.

Music club plans event

The Modern Music Study Club met Thursday evening in the home of Mrs. John Rentschler, with Mrs. Manuel Moyer the co-hostess.

Mrs. Rentschler presented the hymn of the month, "When Morning

Gilds the Skies," followed by group singing of the hymn.

During the business under the direction of Mrs. J.W. Farmer, two new members, Mrs. Alan Pfeffer and Mrs. Kenneth Davis, were introduced.

Plans were finalized for the annual Christmas party Dec. 9 at the home of Mr. and Mrs. Delbert Todd. Husbands of club members will be invited and gifts for patients at the Wichita Falls State Hospital will be collected.

The musical program was introduced with a piano solo, "Count Your Blessings" by Mrs. Keith Auld. Mrs. Gene House followed with another piano solo, "Impromptu in B Flat" by Franz Schubert.

Others who performed and their renditions included: Mrs. Manuel Moyer, who sang "Around the World in Eighty Days," accompanied by Mrs. Rentschler. Mrs. Pfeffer demonstrated a B. Flat clarinet. Mrs. House and Mrs. Rentschler played an organ-piano duo arrangement of "Praise to the Lord."

Others performing were Mrs. James Sewell rendering a piano solo, "Sonata Op 10 No. 3" by Beethoven, and Mrs. Larry Thompson who presented a piano solo, "Waltz in E Minor" by Chopin.

If you want a lot more for your money, be sure to shop locally!

There's a lot more to shopping than meets the eye. On the surface it appears that the products and services you buy are of prime importance. They are important, but where you shop is more important. When you shop locally, you get a lot of important extras. Remember that part of every dollar you spend locally benefits you and your town in the form of taxes local firms pay. When you support out of town firms, you help another town, not your community. Charitable donations by local firms also help your own community. So remember the advantages of shopping locally where your dollars make good sense.

Cook of the Week

Shower fetes bride elect

Helen Pautsky Brown knows that most families will enjoy either chicken or turkey this Thanksgiving, and she also knows that the cooks will prepare the fowl according to the families' taste, so she is not giving any recipes on the preparation and cooking of the fowl. Rather, she knows that in most cases there will be leftover meat and she thinks that the week before Thanksgiving Day is apropos to share some recipes for glamorizing leftover dishes. She says, however, that the recipes are delicious anytime of the year made with fresh fowl.

Helen has lived in Iowa Park since 1979 since she retired from the teaching profession. Born in Denison, she was graduated from Wichita Falls High School. She received both B.S.E. and M.S. degrees from the University of Arkansas and her E.D.D. from George Peabody College for Teachers at Nashville, Tenn.

Her first teaching experience was in a one-room rural school at Benton, Ark. She then moved to a consolidated school at Lincoln, Ark. where she taught first grade part of the day, high school physical education and coached basketball the rest of the day.

Helen taught at the Campus Laboratory School at Arkansas State College in Jonesboro and the Campus Laboratory at Northern Iowa Univ. at Cedar Falls. She is very modest, unassuming and unpretentious about her responsible teaching positions when she has every right to be boastful, but she is not constituted that way. She taught for 18 years at Emporia State College, Emporia, Kan. and it was during that time that she earned her doctorate degree. When she retired she was a full professor of education. During the years, she has served on numerous national committees in the field of education, and she is a life member of the Retired Teachers.

In Iowa Park, Helen is president of the Area XII Benson Iris Society. She especially enjoys gardening flowers and vegetables, canning, freezing, arts and crafts and travelling. Since moving to Iowa Park, she has visited Hawaii, London, the Alps in Southern Europe and she went to the World Fair in Knoxville, Tenn. during the past summer. She loves to see horse races and goes each summer to the races in Utah and N.M.

She has one daughter, Marilla Sue Mahoney, two grandchildren, Padraick and Siobhan Mahoney of Bellingham, Wash.

PHILIPPINE ISLAND CURRY (will freeze)

- Step 1:
1 large chicken (or left-over turkey)
1 carrot
2 stems celery
1 onion
1 tsp. salt

Put hen and vegetables in pot, cover with cold water and simmer until tender. Remove meat from bones and set aside, cut in bite-size pieces.

- Step 2:
1 quart sweet milk
1 cup grated coconut
Scald milk and pour over coconut. Let stand one hour while chicken cooks.

- Step 3:
1 stick oleo or butter
1 large onion
2 green peppers
4 cloves garlic
Chop vegetables and garlic finely. Melt butter in heavy pot and saute slowly until brown.

- Step 4:
2 or 3 tablespoons curry powder
3 tablespoons arrowroot (optional)
1 teaspoon cinnamon
6 cardemon seeds (1 teaspoon powdered cardemon)
1/2 teaspoon ginger
1/2 teaspoon turmeric
1/2 teaspoon nutmeg
1/4 teaspoon cloves
1 red chili pepper
1 green chili pepper
Juice of 2 limes

Add to vegetables in pot; mix thoroughly and then add very slowly the quart of coconut milk from above directions, stirring constantly. Let simmer 20 minutes. Serve with rice and condiments.

Caution should be used in adding chili peppers or they may be omitted entirely. Condiments should consist of side dishes of coconut, currants, chopped nuts and/or crumbled bacon bits.

CHICKEN OR TURKEY TETRAZZINI

- 6 ozs. spaghetti, broken up
1/4 cup butter or oleo
1/2 cup flour
2 3/4 cups chicken broth
1 cup light cream
1/4 cup dry sherry
1 teaspoon salt

- Dash pepper
1/2 teaspoon monosodium glutamate (optional)
1-6 oz. can mushrooms, sliced, drained (1 cup)
1/4 cup chopped green pepper
3 cups diced cooked turkey or chicken
1/2 cup shredded Parmesan cheese, reserve this for topping the casserole.

Cook spaghetti in boiling salted water till just tender (do not overcook; drain. Melt butter, blend in flour. Stir broth into flour mixture, add cream. Cook and stir until mixture thickens and bubbles. Add wine, salt, pepper and remaining ingredients. Turn into 12x1/2x2 inch baking dish. Sprinkle with Parmesan cheese. Bake in moderate oven (350 degrees) about 30 minutes. Makes five or six servings. Will freeze.

GRAPEFRUIT AVOCADO SALAD

- 1 large avocado
2 grapefruits or 1 can grapefruit sections
2 fresh pears or crisp apples
1/4 cup honey
1/4 cup Italian dressing
Juice from grapefruit
Dice fruits into bite-sized pieces. Mix honey, juice and dressing. Pour over fruit and serve on lettuce leaf, or shredded lettuce.

QUICK PUDDING DESSERT

- 1 1/2 cups flour
1 stick oleo
1 cup nuts
Mix and brown in 300 degree oven 15 minutes. Watch this carefully, it burns easily.
1 pkg. butter pecan instant pudding
1 pkg. pistachio instant pudding
Dream Whip and pecan halves.
Mix puddings according to pkg.

directions. Spread butter pecan pudding over browned "crust". Spread pistachio pudding over butter pecan pudding. Top with dollops of Dream Whip centered with pecan halves.

OATMEAL CHOCOLATE CHIP COOKIES

- 1 1/2 cups flour
1 teaspoon soda
1 teaspoon salt
1 cup shortening
3/4 cup dark brown sugar
3/4 cup granulated sugar
2 eggs
1 teaspoon hot water
2 cups oatmeal
2 pkgs. chocolate chips (6 oz.)
1 cup nuts (optional) - "I prefer black walnuts for this cookie."
Vanilla to taste (1 teaspoon)
Mix all together in the order named and bake until light brown at 350 degrees. Shortening or lard makes them chewy; oleo makes them crispy.

A miscellaneous bridal shower was given Monday evening in the home of Mrs. Wayne Williams to honor Miss Karen Lowe, who is betrothed to Trice Epps. Co-hostesses were Mmes. Glen Miller, Leo Thames, Dee Hankins, Paul Arrington, John Cummings and Bill Spurgeon.

The honoree's chosen earth tone colors were featured in decorations and given special emphasis in refreshment table decorations and corsages presented to her and her mother, Mrs. Steve Lowe. The table was covered with an ecru linen cloth and centered with a silk flower arrangement in her colors.

Mrs. Pauline Thompson and Mrs. Melissa Lowe of Electra, grandmothers of the bride-elect, were special guests.

The couple will be married Nov. 26 at the First Baptist Church in Jacksboro.

107 West Park

NOT ENTIRELY TRUE - The sign northwest of Iowa Park High School indicates the road ends at that point, and really isn't dead at the end. And Adam Alaniz of Oklaunion is glad of it, because he drove his car into the sign about 11:30

Thursday night. He was uninjured, but damaged highway property in the amount of \$500. Damage to his car was much more, however.

As I See It....

By BOB HAMILTON

How can a school the size of Iowa Park be competitive in football with schools twice their size?

The answer: a group of dedicated athletes, headed by the leadership of fine seniors; and an outstanding coaching staff.

Six of the 10 teams Iowa Park matched this season were from schools with enrollment larger than our local school. Some were more than double the local student body, which gives them the opportunity for greater depth and selection.

Vernon is the only member of Dist. 3-AAAA with an enrollment near Iowa Park's. But it has 200 or more students than the local school.

Both Breckenridge and Bowie are very near Iowa Park's enrollment, leaving only Electra on this year's schedule with considerably fewer than our enrollment.

Matched against the teams in our conference, the Hawks were, in general, outclassed in speed, size and depth. On paper, every team should have whipped the stuffing out of the proud Hawks.

But this bunch of young men, especially the seniors, dedicated themselves last spring to have a winning season. And they did.

The Hawks completed the season with eight wins and two losses, best record since 1974. And everyone remembers that one of those wins was over Gainesville, when the Leopards were ranked second among AAAA teams in the state. Gainesville, obviously, advanced into the state playoffs as district champion and remains among the top 10 in the state rankings.

A significant amount of credit for the successful season must be given to the coaching staff of David Baugh, James Ivy, Earnie Reusch and Ray Sefcik.

This group of men has put in many

more hours of preparation than just those working with the players on the field. Their weekends are filled with viewing films of their own games as well as those of their next opponents. With the viewing, they grade the performance of their own players, and then they look for the strengths and weaknesses of the team they will next meet.

This team of mentors has been together both years Baugh has been Head Hawk. Baugh's career record as head coach now stands at 11-8-1. But more importantly, in conference action the staff's record is 7-4-1.

Principal Bob Dawson recently said this group of coaches will never receive the credit deserved for what they've accomplished. I agree, as far

as the public is concerned. But their peers know, and the coaching quartet is well respected among their profession.

We're lucky to have them, but I wonder how long we'll be able to keep them.

For those who still don't know, Iowa Park will in all likelihood drop back in classification in the fall of 1984, based on anticipated continued decrease in enrollment. If and when that time comes, the Hawks will once again be matched with schools their own size.

And a lot of people are looking for that, you can believe!

But to the 1982 Hawks and the coaching staff, congratulations for a job well done.

Area oil, gas report

Two wildcats for oil are scheduled for spudding seven miles west of Archer City by W. A. Lofton, operator from Wichita Falls. The wells will be known as the No. 2 Abercrombie "Jeff" and the No. 5 Abercrombie "Jeff", with projected total depths of 2,000 feet and 200 feet, respectively. They will be situated in a 339-acre lease in Archer County's John W. Harris Subdivision of the Club Ranch Survey.

A 1,500-foot developmental well is planned by Cleo Oil, Inc. of Olney at a drillsite two miles southwest of Archer City, Archer County. The location is in a 400-acre lease in the Harris Subdivision of the Club Ranch Survey. Well's designation is the No. 7A Abercrombie. It is in the Young County Regular Field.

K.M. Crenshaw of Wichita Falls has filed for permit to drill the No. 8 Tribune, a 1,525-foot developmental well in the Archer Regular Field, seven miles north-northwest of Archer City. The operation will be in a 135-acre lease in Archer County's ATNCL Survey.

Joe McDonald of Burkburnett has revealed plans to drill two developmental probes in the Archer County Regular Field, four miles southwest of Iowa Park. The wells will be located in a 100-acre lease in the H. Balch Survey and are to be designated as the No. 4 Hodges "A", a 1,350 foot well and the No. 5 Hodges "A", a 1,450 foot well.

Russell inducted

Cindy Johnson Russell was recently inducted into Alpha Phi Sigma, the National Criminal Justice Honor Society, at Midwestern State Univ.

The daughter of Mr. and Mrs. H.C. Johnson is a senior at MSU, majoring in criminal justice.

She was elected Omega Chapter representative to Student Government Council, and also a delegate to the national Alpha Phi Sigma convention, to be held in March at San Antonio.

Catlin Drilling Co. of Iowa Park has staked location for the No. 11 and No. 12 Denny in the Wichita County Regular Field. They are scheduled for 2,000 feet of hole making. The locations are in a 158-acre lease in the H.B. Balch Survey, about eight miles southwest of Iowa Park in Wichita County.

The No. 16 Foster, a developmental try in Wichita County's SA&MGRR Survey, is scheduled to be spudded nine miles northeast of Electra. With projected total depth of 1,000 feet, the well will be in a 69-acre lease in the Wichita Regular Field. Dunith Oil Co. of Iowa Park is listed as the operator.

Save energy with a heat pump.

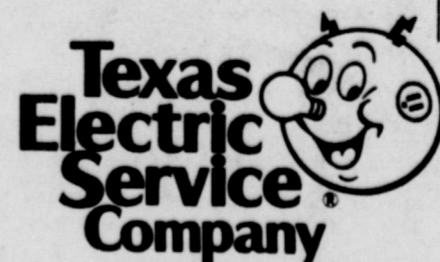

If you're planning to install a new heating or cooling system, consider a high-efficiency heat pump. It's an energy-saving, year-round alternative.

The heat pump provides year-round heating and cooling, using only electricity. During the winter, it extracts heat from the outside air (even very cold air contains heat) and brings that heat inside where it's needed. In the summer, the heat pump is a regular air conditioner, removing unwanted heat from the inside air.

The heat pump is the most efficient combination heating and cooling system that can be installed in your home today.

To learn more about the heat pump, call your air conditioning contractor. And when you call, ask about the year-round heat pump that qualifies for a bonus check from Texas Electric.

14 attend meeting

Fourteen members of the Night WMU of First Baptist Church attended a meeting held Tuesday in the Fellowship Hall. Mrs. E.T. Patterson was hostess.

Mrs. Patterson directed the prayer period for missionaries to open the business meeting conducted by Mrs. V.I. Woodfin. Plans were made to take food items and clothing to Faith Mission in Wichita Falls and to furnish cakes for the BSU dinner at Midwestern State Univ. Dec. 1.

Mrs. S.B. Reaves reviewed the chapter entitled "Search for Strategy for Bangkok" taken from "Bangkok: An Urban Arena" for the program. She enhanced interest by relating facts about the city that she had observed during a visit there in 1976. She put major emphasis on the work covenants of Southern Baptists in efforts to evangelize the city.

Alathean Class holds dinner

The Alathean Sunday School class of First Baptist Church held a Thanksgiving dinner Tuesday at the church. Mrs. Gary Fielding presented the meditation on "Love and Faith."

Twenty-six members and six guests, Mrs. Morris Boyd, Mrs. Lowell Spruiell of Granite Shoals, Mrs. Liz Tate of Dallas, Mrs. Fielding and Christi and Ricky Brewer were present.

CORRECTION

In last week's edition of the Leader an error was made in the name of an organization that held its monthly meeting. Instead of the Night WMU of First Baptist Church the name of the group should have been the Friendship Class of First Baptist Church. We regret the error.

Schedule for:

Recreational Activities Center

A one-time class demonstration on the art of making the popular metal (pipe-type) wind chimes will be given at 7 p.m. tomorrow.

Mrs. Ern Merriman, local craftsman, will give a free demonstration on the art to the public.

UMW members plan donations

Mrs. James Owens directed the pledge service for the United Methodist Women Tuesday morning, using "The Pearl of Great Price" for a title.

She stated that the purpose of the UMW organization is to be a part of a community of women whose purpose is to know God, to experience freedom, to develop a creative supportive fellowship and to expand missions through participation in the global ministries of the church.

Mrs. Gene Owens conducted the World Thank service using the poem, "Thankful Hearts," author unknown.

Mrs. H.W. Carter was in charge of the business session and reported that the recent bazaar netted \$2,204.80 for UMW projects. It was voted to give \$100 to a children's home at Christmas and to prepare

Thanksgiving baskets for the less fortunate.

CARD OF THANKS

To all of our wonderful friends: We have been overcome by the outpouring of your love shown to us during the illness and death of our loved one. You have indeed strengthened and given us courage to carry on through your prayers, visits, flowers, cards and memorials, and as long as we live our gratitude will be sincere and abiding. Special thanks to our minister, Rev. Dale Walling, and Tanner-Aulds Funeral Home, for their spiritual ministry and service.

Iowa Park finishes season with 8-2 record!

Hawks close out season with 33-3 win over Azle

In their closing game of the 1982 season, Iowa Park's Hawks allowed the visiting Azle Hornets their glory during the first three minutes of the game Friday night, but that was all.

The rest of the game belonged to the Mean Green.

Azle took the game's opening kickoff and, thanks to a pair of passes which accounted for 60 yards, advanced to the Hawk seven yard line. Facing fourth and six, the visitors chose to kick a field goal from the 15 yard line, and it was all they could muster for the evening.

Before the period was over, the Hawks owned a 7-3 lead, and they dominated play from that point on.

The victory gave the Hawks a 5-2 conference record, which left them in third place in the Dist. 3-AAAA standings behind Gainesville and Hirschi, each with 6-1. But the win also gave the 1982 edition of Mean Green the best season record, 8-2, the school has enjoyed since 1974.

Following Azle's field goal, the Hawks took the following kickoff and marched 70 yards to score, sending fullback Paul Rogers the final five

yards over left tackle.

Wayne Hodges' kick for extra point was good, as the clock showed 2:30 remaining in the first period.

Early in the second period, Iowa Park was on the march again, but an interception by a Hornet stopped the drive on the Azle eight.

Three plays later, Azle punted, and the Hawks marched 50 yards to the Hornet end zone, with Marc Klinkerman scampering the final 16 yards on a quarterback rollout around right end.

A high snap from center on the extra point, the only one this season, threw off Hodges' timing for the kick and it failed. But the Hawks went to the locker room with a 13-3 lead at half-time.

Taking the second half kickoff, the Hawks needed only seven plays to score, with Rogers crossing the goal line from 12 yards out for the TD. Hodges' kick was good, and the Hawks extended their lead to 20-3 with 8:40 remaining in the period.

But that was only the first of three touchdowns for the host Hawks in that stanza.

A Rogers one-yard plunge over left guard capped a 44-yard drive, the next time the Hawks got their hands on the ball.

On their next possession, the Hornets gambled on a fourth-and-one situation at their own 43 yard line, and lost. Six plays later, Lynn Fulfer scored his only touchdown of the season on a 33-yard scamper. But he had to shuck off a tackle at the 22 yard line to earn it.

Hodges' kick sealed the scoring at 33-3, with six seconds remaining on the scoreboard in the third period.

From that point, Coach David Baugh cleaned his bench for valuable playing experience by his reserves who will be on the 1983 varsity.

Azle had one more opportunity to score in the fourth period, when a Hornet covered a Fulfer fumble at the Hawk 30. But five plays and one first down later, the Mean Green defenders turned the ball over to the offense at the Hawk 13.

Iowa Park so dominated the game during the second and third periods of play, the Hawks earned 15 first downs to Azle's one.

Rogers had his fourth 100-yard-plus game of the season, gaining 116 yards on 19 carries. Kevin Parker finished with 84 yards on 18 carries, Fulfer 54 on five, Greg Untalon 46 on three and Klinkerman 15 on four, as the game's leaders.

Unlike the other games this season, when the Hawks had more turnovers than their opponents, Iowa Park's defense kept the opponents from capitalizing on their mistakes. While the Hawks lost the ball twice, once on a fumble and again on an interception, the Hornets did not turn over the ball once, playing errorless ball.

The game was the third meeting between Iowa Park and Azle, and the Hawks now hold a 2-1 lead.

EXHIBIT

This Exhibit, consisting of -2- numbered pages lists the Defendants in each separate suit whose names are known, such Defendants' addresses where available, the descriptions of the Properties in each suit on which property taxes owed to Plaintiff(s) are delinquent, due and unpaid and the amounts of such delinquent taxes now due on each Property, exclusive of penalty, interest and costs. When attached to any pleading or paper in each suit, this Exhibit is made a part of each such pleading or paper for all purposes.

In addition to the Defendants listed by name on the following pages of this Exhibit, whether the same be persons, corporations, trustees, joint stock associations or other legal entities or juristic persons, there also are made Defendants in each suit with regard to each Property where applicable:

Group 1. Any and all undetermined, unnamed and/or unknown persons, proprietors, corporations, trustees, partnerships, joint stock associations and other legal entities or juristic persons owning all or any part of the Properties described in this Exhibit or having or claiming any interest, legal or equitable, in and to all or any part of said Properties, or lien(s) thereon, including adverse claimants;

Group 2. Undetermined, unnamed and/or unknown stockholders of all Defendant corporations;

Group 3. Undetermined, unnamed and/or unknown members of all partnerships, joint stock associations and other legal entities which are Defendants;

Group 4. Undetermined, unnamed and/or unknown spouses of all named individual Defendants and all individual Defendants designated in Groups 1 through 3;

Group 5. Undetermined, unnamed and/or unknown successors in title (of whatsoever nature and by whatsoever means), heirs, assigns, devisees and legal representatives of all named Defendants and Defendants designated in Groups 1 through 4, whether or not such Defendants be deceased or under some legal disability.

For purposes of citation, if and when the names of the foregoing designated Defendants, or any of them, can be determined and made certain, each such Defendant may be cited by name when such information becomes available, together with a brief description of the capacity in which each name has been made certain.

Defendants, Properties and taxes involved are listed separately for each suit in this Exhibit under separate Property Numbers, the Defendants named under each Property Number being those who own the Property described under that same Property Number or have or claim some interest, legal or equitable, in and to said Property, or lien(s) thereon, or interest in property comprising all or part of pooled and/or unitized tracts and mutations of such property. Taxes shown due under each Property Number are those delinquent on the Property described under that same Property Number. Pursuant to Rule 59, Texas Rules of Civil Procedure, there is/are on file with the papers in each suit Schedule(s) itemizing by years taxes due on each Property described in this Exhibit, to which Schedule(s) reference is here made for all purposes.

All lot, block, survey and group numbers, etc., herein are inclusive of all numbers appearing. All property herein was located within or had a taxable situs within the County named above and also within the geographical boundaries of the Plaintiff Tax Unit(s) at the time(s) taxes were assessed. Where descriptions herein refer to Deed Records or other records, such references are to volumes and pages in the specified records of the County named in the caption hereof, and to such records referred to herein reference is made for all purposes.

Although this is a combined Citation by Publication for the delinquent tax suits listed above, there is no consolidation of these suits, and each and every suit remains separate and is to be treated for all purposes.

Listed in the caption above are separate suits, now pending, in which Petitions have been filed to collect delinquent property taxes and to foreclose applicable liens. The listing for each suit sets out: 1) the suit or cause number; 2) the Plaintiff Tax Unit(s); 3) the Defendant(s); 4) the Impleaded Defendant(s); 5) the applicable Petition and the date it was filed; 6) the Court in which the suit is filed; 7) the place where the Court is located; and 8) the return date of this Citation.

IN THE NAME AND BY THE AUTHORITY OF THE STATE OF TEXAS, NOTICE IS HEREBY GIVEN AS FOLLOWS:

TO: All Defendants and Impleaded Defendants named above and/or designated in the accompanying Exhibit.

EACH SUIT IS FOR: 1) Delinquent property taxes owed to Plaintiff Tax Unit(s) on each property described in the Exhibit, the amount(s) being shown in the tax columns of the Exhibit [Plus all other delinquent taxes on each such property due to Plaintiff(s) up to the time of Judgment], together with penalty, interest and costs; each suit also is to establish and foreclose Tax Liens on each such property.

2) All delinquent property taxes, penalty, interest and costs which may be proved by Impleaded Defendant Tax Unit(s).

COPIES OF PLEADINGS: Filed with District Clerk per Rule 72, Rules of Civil Procedure. A copy of Petition with Citation is NOT required (Rule 117a).

ADDITIONAL NOTICES: No further notice or Citation to you is required on claims of Plaintiff(s) and other Tax Units answering, including additional taxes which may be shown to be delinquent up to the date of judgment. Parties to this suit must take notice of and answer to all claims and pleadings filed by other parties hereto.

YOU ARE HEREBY COMMANDED

to appear and defend each suit listed herein in which you are named and/or designated as a Defendant.

WHERE: At the Courthouse in the above-named county.

WHEN: On or before the first Monday after the expiration of forty-two (42) days after the date of issuance of this Citation. The Return Day in each suit is specified in the caption above.

* INFLATION-FIGHTING * IDEAS

A new book is out that offers hundreds of ideas for around-the-house inflation beaters plus do-it-yourself projects that can save you countless dollars and provide an extra bonus of self-satisfaction.

A neat little barbecue grill can be made by propping an upside-down metal garbage can lid on four empty beverage cans. Pour in some charcoal and place a grate on top. Line the lid first with aluminum foil for greater heat and easier cleanup.

Don't throw out that half-used steel wool pad. You can save it from rusting by submerging the pad in a solution of water and baking soda. The soda acts as a rust inhibitor.

If you have a workbench vise that is worn from long use, don't despair. The thread action can be tightened by merely stretching a screen-door spring around the stationary jaw and hooking the ends to the rear corner.

These suggestions come from a new book called Johnny Blackwell's Poor Man's Catalog, that tells you how to make everything from power tools to specialized photographic equipment. It's from St. Martin's Press.

Eagles looking for revenge in rematch with Eastland

Revenge-motivated Holiday's Eagles will have the chance at 8 o'clock tomorrow night to knock off the state's Class AA top-ranked Eastland Mavericks. And if anyone has a particular advantage, it would seem to be the Big Red.

But advantages aren't good enough.

"Everything everyone is saying about the game is well and good," head coach Don Lucy remarked Tuesday. "You can say playing Eastland before (Holiday lost 28-6) and playing in Wichita Falls is an advantage."

"But," he added, "what it all boils down to is - you have got to do it. You can say you are going to go and do something, but you have to really do it to accomplish the task."

The Eagles' loss to the Mavs in Eastland was the season opener for both teams. Both teams have gone on to win their respective districts

without a loss.

While Holiday was putting away Ranger in Graham 51-16 last Friday, Eastland was doing likewise with Junction, 54-0.

And tomorrow's clash has all the signs of being a humdinger of a fight. It will be physical, and the team that comes out on top will most likely make the fewest mistakes. It's that close.

Neither team has played on artificial turf, such as Memorial Stadium offers, but the Holiday players have always hoped for the opportunity to do so. A Wednesday afternoon practice session was planned for the Eagles, while the Mavs bussed over Tuesday to test the field.

Mav quarterback Jay Hess, one of the state's finest, ended regular season with a 61-percent pass completion rate, according to the

Abilene paper. Hess was instrumental in Eastland's win over the Eagles earlier this season, completing 12 of 19 passes for 177 yards and two touchdowns. His favorite receiver, Gary Stuart, caught the first scoring toss from 22-yards out, and the last touchdown on a 11-yard completion.

When they aren't passing, the Mavs have two capable backs in James Morton and Thomas Sanders. Morton broke open for a 72-yard touchdown run on the play following Holiday's only score, and Sanders added his own touch with an 11-yard run to complete Eastland's scoring in that game.

The Big Red played an uncharacteristic brand of ball in Eastland. Fullback Jeff Belcher fumbled the ball away twice, a feat which took nine games for him to equal. On the same line, both Belcher and Harmon have improved greatly carrying the ball through the season, running with much more intensity and authority. And they have reason. The linemen

for Holiday have improved even more.

"Looking back to the teams we have played, including some of the better teams in the latter part of the season, I feel we are better prepared than in the past," Lucy said.

"As far as our defense was concerned in the Eastland game, we did a good job except for one play (the 72-yard run)," he added.

"I think we are a much better football team now. We execute better, and we have gained a lot of confidence through the season."

So tomorrow night the Big Red will get its opportunity to play at Memorial Stadium; all that is left now is for them to transfer their hopes into realization.

"Playing at the stadium is something the boys have always wanted to do," Lucy said. "We have worked hard to make the playoffs, and you ought to be able to play in a nice place."

"They have earned it."

Rhonda Weist named finalist

Holiday High School senior Rhonda F. Weist, daughter of Mr. and Mrs. Robert L. Weist, has been selected as a finalist in the 12th annual Miss Texas National Teen-Ager Pageant.

The pageant, to be held at Texas Christian University in Fort Worth June 3, 4 and 5, includes participants from all over the state competing for a \$1,000 scholarship and chance to compete in the national finals in August.

Citizenship winners in the pageant will receive scholarships ranging from \$4,000 to \$20,000. The reigning queen is Kim Edens of Hillsboro.

Each contestant at the state level participated in the Volunteer Community Service Program, which encourages school and civic affair participation.

Weist is sponsored by Ayres Welding, Birdwell Well Service, Sheppard Area Federal Credit Union,

RHONDA WEIST

and Southwest National Bank. She is the granddaughter of Mrs. Eugene Weist and Mr. and Mrs. Earl Thompson of Wichita Falls.

No more water sales outside city limits

An ordinance restricting future water meter tap requests from outside the city limits was deemed "a public emergency and imperative public necessity" and passed by the Holiday City Council Monday night in open session.

The ordinance was one of three items on the agenda for the regular bi-monthly meeting, and was passed without the votes of the two councilmen who requested the ordinance during the council's last meeting.

During that meeting, a water meter tap request was approved for Jimmy Dale Willis, who is not related to alderman Jimmy Willis. The approval was the last for anyone not living within the city limits, and ends for the time a problem that has mushroomed over the past few years due to heavy home construction in areas just outside Holiday.

The bulk of the ordinance details four points:

* There has been a growing demand that the city provide water service to customers residing outside the city limits;

* There has been no firmly established policy by which the council could be guided in considering such applications;

* Each applicant for the water tap outside the city limits has been required to make his or her application directly to the council for consideration; and,

* The consideration of these applications has caused undue hardship to the applicants and taken considerable time away from other duties of the council.

The ordinance further reads, "The City Council hereby deems it advisable to set a firm policy prohibiting further water meter taps outside the city limits so as to allow the City Council to spend its limited time attending to other items of city business more relevant to the interests of all the citizens of the City of Holiday."

Council members Jim Virdell and Leon Addison requested the ordinance be drawn up during the city's last meeting, but both were absent from Monday's session,

leaving Willis, John Goforth, Mayor James Cook and new council member Elizabeth Gorman to decide its fate.

After a few minutes of discussion, Willis called for a motion to table the proposal until the two absent members could be present, and received a second from Goforth.

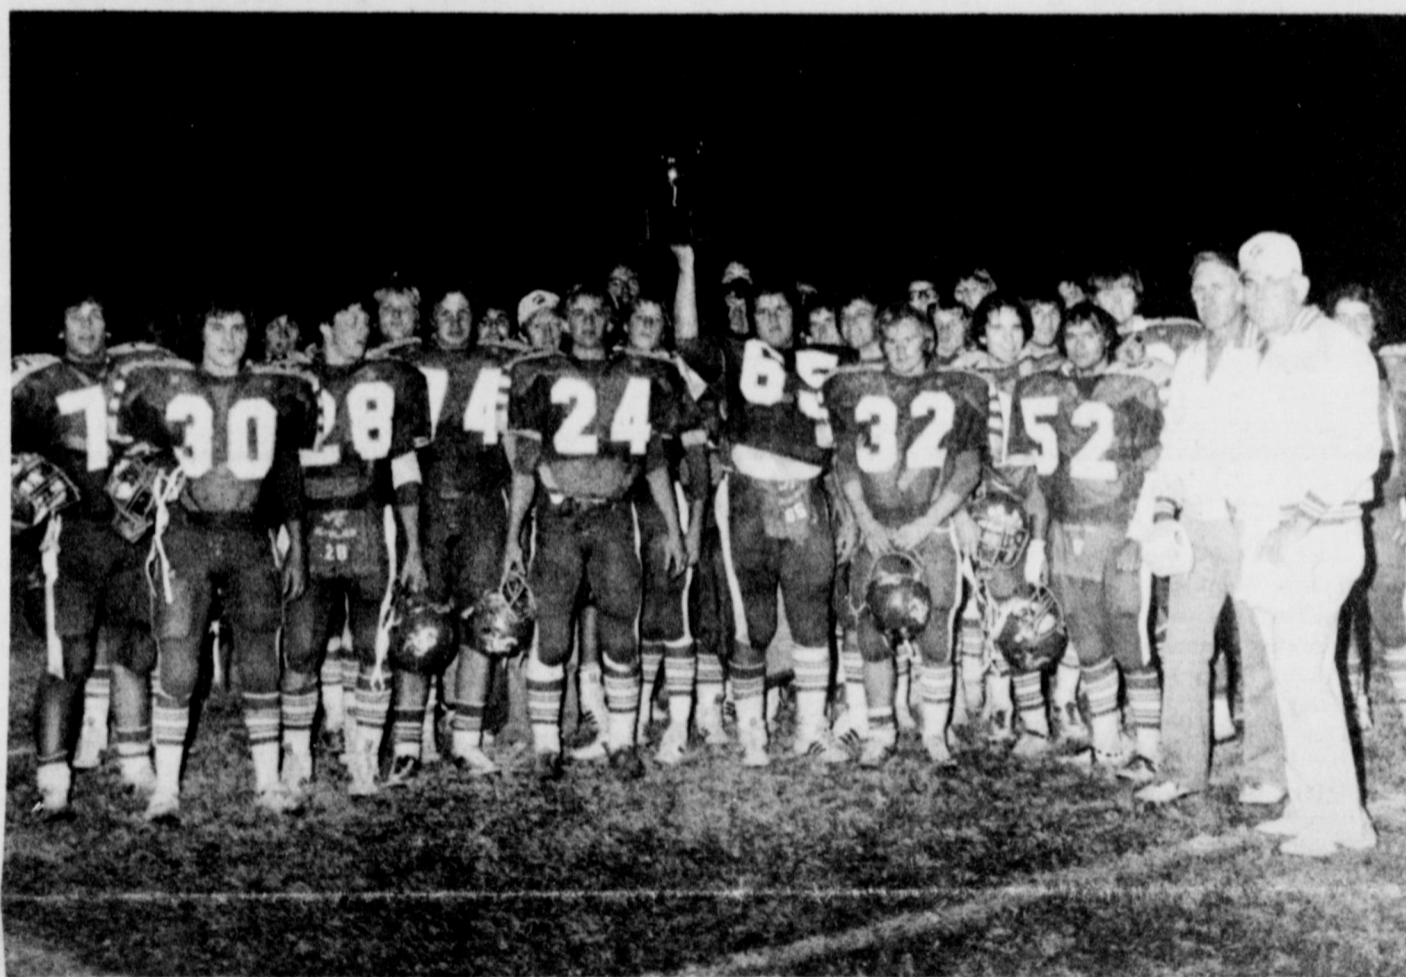

But, after Cook carried the discussion further before acting on the motion, Goforth requested that his second be stricken from the minutes, and instead seconded another motion by Willis to accept the ordinance, which took effect immediately.

"I am not against anybody," Willis remarked. "I am just trying to build this city."

Willis' remarks represent the council's overall view of the water problem over the past few years. A format for approving water meter taps outside the city's limits was approved by the same council, with the exception of Gorman. In order to get approval from the council, the person requesting such approval had to sign a letter stating his intentions of approving any future annexation of his property.

In addition, the applicant had to seek written permission from the City of Wichita Falls to buy water from Holiday. Holiday purchases its water from the neighboring city, and it was only after final approval of the entity.

"We just can't afford to hook anyone else up," Cook said, adding that the present council was having to reverse actions by previous city councils who probably weren't aware of the problems it would create.

HOLLIDAY EAGLES - 1982 BI-DISTRICT CHAMPIONS

P-TA soccer for fun(ds)

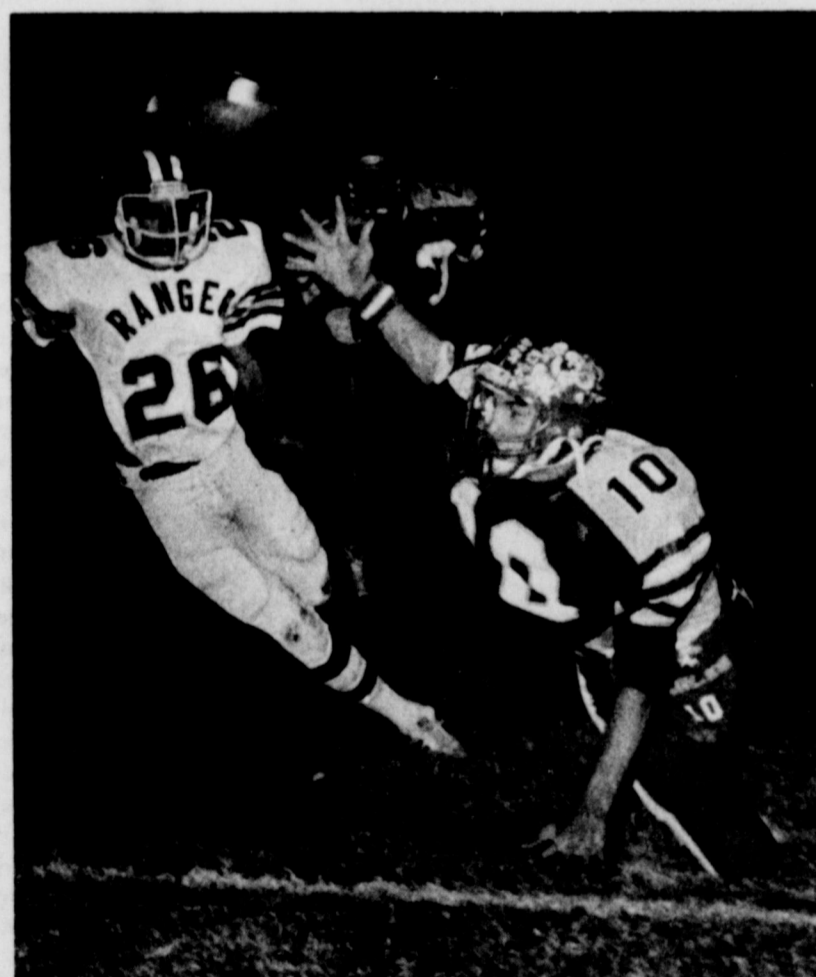

Several Holiday P-TA members and their families played soccer matches against one another last Saturday in Eagle Stadium to raise money for P-TA projects.

In addition to the mothers and fathers playing in matches, Dr. Ken Jarosz and John Campbell were presented plaques for their part in bringing soccer to Holiday.

Holiday superintendent Dan Owen and elementary principal Carol Magee acted as assistant coaches.

The girls' mothers played the boys' mothers in the first game, followed by a game pitting the boys' fathers and the girls' fathers against each other.

Campbell is the coaching chairman for the Greater Wichita Falls Soccer association.

IN BI-DISTRICT

Big Red rolls over Ranger, 51-16

Holliday's Eagles mounted scoring drives in each of their first six possessions last Friday night against Ranger to insure both a bi-district crown and a chance to knock off top-ranked Eastland tomorrow night.

Ranger, runner-up to DeLeon in District 12-AA, found the Eagles everything but accommodating throughout the game, but mounted two late-game drives of its own to avoid a shutout. And both were against the Eagle reserves.

Junior Jay Burks took the honors in the rushing department, carrying eight times for 119 yards and one touchdown. But 12 other running-backs were utilized when starting backs Brad Harmon and Jeff Belcher shredded the Bulldog defense for four early touchdowns.

Belcher carried the ball only three times, but scored each time on runs of 21, two and 18 yards. Harmon carried five times for 14 yards, well below his

game average, and scored once.

Other backs handling the load included Gil Gilbert (two carries for 60 yards), Danny Hinsley (seven carries, 50 yards), Mark Parker (12 carries, 45 yards), Jim Rogers (seven carries, 43 yards), Tom Hamill (five carries, 16 yards), Mike W. Parker (two carries, 13 yards), and Shannon West (two carries, nine yards).

In all, the Big Red racked up 24 first downs with 459 yards rushing, and another 74 in the air for 531 total yards.

The Bulldogs, on the other hand, found the hard-hitting Eagle defense too stubborn, rushing 20 times for 60 yards, while hitting 10 of 20 passes for 120 more.

But when Ranger was forced to go to the airways, Holliday responded with three interceptions, made by Gilbert, Harmon and Kevin Blankenship.

Add to that turnover total one

fumble recovered by Belcher, and the four turnovers by Ranger contributed heavily to its downfall.

Harmon set up the first Eagle drive when he returned the first of six Ranger punts 32 yards to the Bulldog 20. The senior back was caught for a one-yard loss the next play, but Belcher took over, blasting his way 21 yards for the initial score. Mike A. Parker's kick made it 7-0 with 9:40 left in the first quarter.

Ranger found nothing but red and white jerseys for the second straight possession against Holliday's first defense, when facing third and 13 the Bulldogs went to the air, only to have Harmon intercept at their 27, returning it 15 yards to the 12.

Two carries by Harmon placed the ball at the two, and Belcher carried it over on the next play for the touchdown, giving the Eagles a 14-0 lead with less than five minutes gone in the game.

Belcher recovered a Bulldog fumble at the Ranger 43 following the Bulldog's initial first down. On the play, a quarterback keeper, Ranger signal caller Lynn Stewart was injured when hit by a host of Eagles.

A. Parker warmed up his passing arm the next play, hitting Blankenship for a 41-yard gain to the Ranger three. On the next play, Harmon took it over to extend the lead to 21-0, with five minutes still left to play in the first period.

Ranger tried three running plays on its next possession, but netted minus-five yards, and punted 24 yards to its 36. Gilbert ran for 17 yards to the Bulldog 18 in the six-play drive, and Belcher took it the remaining distance on the next play, upping the lead to 28-0 with just over a minute left in the first period.

Holliday set up shop on its next possession at its 21, and Neal carried

it over from four yards out to cap a six-play drive. Gilbert again found success on his second and final carry of the evening, running 43 yards to the Ranger 32, with Neal going over for the score three plays later.

Burks scored the final touchdown of the first half for Holliday on a two-yard plunge, capping an eight-play, 67-yard drive which left the Eagles holding a 42-0 lead going into intermission.

Holliday scored once more in the third period, when Hardin sped

25-yards on an end reverse untouched, giving the Eagles a 48-0 buffer.

A. Parker finished the Holliday scoring for the night on a 22-yard field goal, increasing the lead to 51-0.

Ranger answered with a 37-yard bomb early in the fourth quarter from Stewart to Powell Compton. Stewart ran for the conversion, making it 51-8.

On their next possession, the Bulldogs capitalized with a 49-yard run by Adam Lopez for the final
