IOWA PARK EADER 25 cents

Vol. 14, No. 11

IOWA PARK, WICHITA COUNTY, TEXAS 76367

THURSDAY, NOVEMBER 25, 1982

City council names new administrator

Iowa Park will have a new city administrator Monday.

James Barrington received an unanimous vote of the city council during its meeting Monday evening. He will become the third to hold that position since it was created almost seven years ago.

Though the 30-year-old Barrington is not currently in public works, he takes the position with considerable background.

He was graduated with a Bachelor of Science degree from East Texas State Univ., with honors, and then took his Master's at the same institution in public administration.

His first employment was in the personnel department at Texarkana, Ark. He then was appointed director of manpower planning for the CETA program with the Ark-Tex Council of Governments, also in Texarkana.

Barrington later was named CETA director for the Panhandle Regional Planning Commission in Amarillo, and more recently he was city secretary at Gladewater, a position he held a year and a half. Gladewater is approximately 6,500 in population. He left public works last May to

enter sales in electronic machinery, but explained he soon found he missed working for the public and wanted to return to his chosen field.

Barrington, who was preceeded in the Iowa Park position by Gene Britton and more recently by Steve Morath, says he feels his strongest traits are in the fields of personnel and community relations.

The city administrator's position has been vacant since Morath's resignation Oct. 15. Mayor Charlie Lee has been acting as administrator

during the interim. Mrs. Barrington, Darlene, is a

JAMES BARRINGTON ... new city administrator

Dallas native. She taught in the special education program at Hooks until the couple's youngest daughter. Cari, was born.

The couple has two daughters, Karlee, six, and four-year-old Cari. The family has its membership in the Church of Christ.

Vote of approval on Barrington was after a 22-minute executive session by the council.

Mayor Lee explained, following the session, that the final decision resulted from Nov. 13 interviews with Barrington and three other finalist for the position.

Motion to hire was made by alderman George Hammonds and was seconded by Lita Watson. There were no desenting votes.

Following the vote count, Lee said he had been told by Barrington that he would be able to assume his responsibilities Monday, if selected.

OTHER BUSINESS

In other business, council members approved re-zoning of two lots in the south part of town, accepted a bid for purchase of a new police car, and discussed resuming monthly rubbish collection in the alleys.

Acting on the recommendation of the planning and zoning commission, and after a public hearing during which no comments were received from the public, the council re-zoned lots one and two, block 161, original dence to convenience commercial.

The mayor explained that the site, just south of Koonce Oil property on FM 368, would be used for a gun repair business.

Shaw Motor Co. submitted the lowest of two bids for a new police car, priced at \$9,846. The other bid was \$10,238.

Lee recommended to the council that a former practice of the city, to have a dump truck pick up rubbish in the alleys on a month basis be resumed.

He explained that the current practice of renting a truck to be placed for filling at a requested location had not worked, and people were still piling tree limbs and other refuse in the alleys. People are also putting engine blocks, large pieces of metal and other materials in the metal containers which are damaging to the collection vehicles, he said.

Council members agreed that the program should be changed, but it was pointed out enactment would be delayed until the next meeting to allow for a new ordinance to be drafted and the issue placed on the meeting agenda.

Aldermen complimented the trash collection department personnel for the way the two new trucks are being maintained.

News in brief

Leader printed early this week

As has been the practice of the Iowa Park Leader, this Thanksgiving issue is being published a day earlier, Tuesday, in order for subscribers to receive their copies before the holiday.

However, the issue carries the dateline of Nov. 25.

Some advertisers have designated the prices in their ads do not become effective until Friday, and have stated it in their advertisements.

> The Leader office will not be open during regular hours from Wednesday noon until Monday, and the staff wishes all a happy and safe Thanksgiving.

Bloodmobile sets Monday visit

The Red Cross Bloodmobile will be in Iowa Park Monday.

The unit will be at Faith Baptist Church between 2:30 and 6 p.m., according to Pam Webb, blood services coordinator.

Iowa Park's goal is 50 units of

blood. Because the high school's collection date and goal is other than the community's, donations from the school are not included in the town's goal, Webb said.

To be eligible to donate, a person must be between 17 and 66 years of age and weigh more than 100 pounds.

Johnson given emergency furlough

Bobby Johnson, convicted more than three years ago for theft of government-stored grain, was in Iowa Park over the weekend on an emergency furlough.

Johnson was given a brief release

from his Fort Worth area minimum security prison to visit his ailing

He said he would not be eligible for parole until 1985.

Two thefts reported locally

Two cases of theft were reported recently to Iowa Park Police Department.

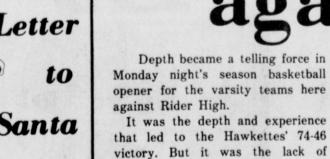

Seven bulbs and globes were allegedly taken from Country Hills Apartment complex sometime Friday night, according to Betty Quisenberry, who filed the report.

Sometime Sunday night, two rolls of chain link fence were taken from the Allen Shewmake home. Value on the 175-feet of fencing was set at

I know that the North Pole is a long ways off. So I am sending you my Christmas list early. I would like a train set and a T.V. and also a new gown and a sink, stove and ice box, and a Miky Mouse chair, and if you have them I would like a new pillow. I LOVE YOU McKenzie Hayley Balch

EDITOR'S NOTE - The Leader will publish all letters to Santa between now and Christmas, and re-print as many as possible in the Dec. 23 Christmas edition.

points, a field goal and two free shots,

It was the depth and experience that led to the Hawkettes' 74-46 on the Hawk club are starters. And victory. But it was the lack of all five fouled out before the game's experienced depth that made the difference in the Hawks' 66-61 loss. Both the junior varsity teams won

SEASON OPENERS

their games. The boys led at each official rest period and finished 28-24. The 23-22 squeeker for the girls was significant, in that as freshmen they went 0-15 for the 1981 season.

Depth became a telling force in

Depth allowed the Hawkettes to maintain their full-court press throughout the entire game, running their opponents ragged.

Rider jumped to a 12-2 lead, but that was cut to 14-12 by the end of the first quarter. Iowa Park leaped to a 35-24 halftime lead and extended it to 60-34 after three periods.

Lisa Yeakley scored only four

in both the first and fourth stanzas, but emerged Iowa Park's leading scorer with a whopping 44 points. All five returning varsity players

Iowa Park 3-1

against Rider

For this bountiful harvest

and all other blessings

.... we give thanks.

end, with two leaving the court in the third quarter. The Raiders took an early lead in the opening quarter, but it was narrowed to 18-14 before the start of the second. The Hawks tied the score

at 33-33 by halftime, and a late bucket

put the visitors up, 48-47, just before the end of the third period. Jeff Cavinder fouled out with 3:07 remaining in the third quarter, with the Hawks leading 45-41. Jeff Lawson followed 1:25 before the end of the period with the score 47-46 in favor of

the Hawks. Kevin Biddy sank four consecutive buckets for the Hawks and Iowa Park led 55-50 with 4:59, when Marc

Klinkerman exited the floor via the foul route. He was followed with 1:48 remaining in the game by Wayne Hodges and Rider led 59-47. Biddy got his fifth foul with 46 ticks left on the scoreboard clock and the score

In all, Iowa Park was charged with 32 personal fouls, and the Raiders sank 22 of their 41 attempts from the charity line. The Hawks had only five points from the foul line.

Biddy finished high for the Hawks with 17, while Hodges had 16. Donny Cavinder was high scorer

with 13 for the Hawk JV. In the girls' JV game, Marye Cates and Karen Wright tied with six. The boys' varsity, JV and freshmen

were to play at Graham Tuesday night, and the freshmen are at Hirschi Monday. Both the Hawks and Hawkettes are

next scheduled to play in the Seymour tournament, Dec. 2-4.

Hale, Catlin nuptial vows are solemnized Saturday

The walkway to the entrance of the First United Methodist Church Saturday evening where a wedding ceremony was performed by Rev. George Topper, pastor, and Father David Johnson, pastor of Christ the Kinc Catholic Church, to unite Miss Tracy LaDonna Hale, daughter of Mr. and Mrs. Donald E. Hale, and Dennis Brent Catlin, son of Mr. and Mrs. Delbert Catlin, was lighted with candles burning in hurricane globes atop black wrought iron garden stakes.

Upon entering the church foyer, guests were invited to sign the wedding book at a round table meticulously draped with white satin featuring a ruffle around the top and garlands of white silk lilies of the valley clinging to green leaves encircling the long skirt. On the table with the book were a white plume pen, a white candle aflame in a crystal hurricane globe. Miss Lisa Cadwallader presided at the table.

The remarkable beauty of the altar decorations made a lasting impression upon the wedding guests. The stained glass window high above the choir loft was softly lighted to add a solemn note to the setting. In the choir loft, votive candles twinkled in double-ring brass candelabra at each extremity. Decorations in the main altar were dominated by votive arch candelabra standing behind the altar table holding an open Bible and a gold cross. On either side, the votive candles burned in spiral candelabra.

The altar rails were wrapped with boxwood and intermingled with the small candles that shed further illumination. In the lower altar, a white-cushioned prayer bench and unity candlestick decorated with boxwood and stephanotis lent themselves to the general design of beauty, and the pew markers of white silk bows, English ivy and eucalyptus completed the decor.

An impressive part of the ceremony was when parents of the bride and groom joined them at the

MRS. DENNIS BRENT CATLIN

union, and the bride and groom reaffirmed their ties with their families. As a token of love for mothers of the couple, the bride presented them with peach silk roses at suitable times during the service. As the newlyweds left the altar following the exchange of their vows recited by memory, their parents left with them.

The wedding music was a significant part of the service. Mrs. Jack Ford of Wichita Falls provided

solos and played the organ for the traditional marches.

For prenuptial selection, Buddy Mercer sang "Always and Forever" for a solo, then joined Miss Deena Hefner for a duet rendition of "Endless Love." Mrs. Kenneth Hale, aunt of the bride, sang "Prayer to Jesus" a cappella and "The Wedding Song" with piano accompaniment during the ceremony.

The formal white gown selected by the bride for the special day in her life was a romantic impression of Venise lace and chiffonette, detailed with English net and Schiffli embroidery. The slightly raised bodice featured a high neck of the net, embroidery and lace, and the long Victorian sleeves were trimmed with Venise and Schiffli laces. The full skirt demanded admiration with its lace ruffle hem and graceful chapel train.

For her headdress, the bride chose a wreath of white sweetheart roses, gypsophila and white ribbons. Her silk cascade bouquet created of white roses, stephanotis, English ivy and picot ribbon streamers added an extra touch of grace to her gown.

Attached to the bouquet was an heirloom handkerchief carried by Mrs. Carl Moer, the groom's grandmother, at her wedding which provided the "something old" tradition. The bride wore her mother's pearl necklace for "something borrowed;" her gown for "something new;" a garter for "something blue;" and a British sixpence dated the year of her birth

The bride was attended by a maid of honor, two bridesmaids and a junior bridesmaid. Each was smartly

Catlin of Iowa Park, the groom's Randi Tigrett and Stan Tigrett, the groom's niece and nephew, were flower girl and ring bearer. She wore a dress modified for her age that matched the attendants' dresses, and he wore a spice tuxedo to match the attire of the groom's attendants. She carried a natural straw basket of peach and rust silk irises and wild roses, and he carried the rings on a white eyelet pillow trimmed with

peach silk roses.

dressed in a formal peach selesta

wild roses, eucalyptus and leather.

Falls had the maid of honor role in the

wedding. Bridesmaids were Mrs.

Roger Smith of Wichita Falls and

Miss Deena Hefner of Iowa Park. The

junior bridesmaid was Miss Christy

Miss Carol Murehead of Wichita

The groom wore a white shirt and a boutonniere formed of a white silk rose and stephanotis to give individuality to his spice Wellington tuxedo. The attendants and ushers wore peach shirts and fathers of the couple wore white shirts with their spice tuxedos.

Jeff Watts of College Station was best man. Groomsmen were Steve Catlin and Brian Catlin, brothers of the groom. Steven Lee Catlin, his nephew, was the junior groomsman. Ushers were Paul Tigrett, Gregg Frazier, his brothers-in-law, Bruce Bellah, the bride's cousin, and Joe Todd.

The mothers of the bride and groom graced their gowns with corsages of white silk gardenias intermixed with white net, satin hearts, leather and picot ribbons. Mrs. Hale wore a floor length peach-colored chiffon gown designed with long sleeves, high neckline with soft bow tie, fitted waist and full skirt. Mrs. Catlin chose a toast-colored gown styled with a Qiana top with long sleeves, empire waistline, pleated chiffon skirt gathered at the waistline.

The postnuptial reception was given by the bride's parents in the Fellowship Hall where decorations were beautifully compatible with both contemporary and traditional settings.

The bride's table created a refreshing and enchanting charm. It was covered with a white taffeta cloth set off with a floor length tiered skirt accented with encircling garlands of silk English ivy caught at the corners with peach silk nosegays and in front with a long cascade of rust and peach silk irises, peach wild roses and eucalyptus. The striking centerpiece was a four-branched silver candelabrum holding white candles and silk floral arrangement of white snapdragons and roses, peach irises and eucalyptus. A silver tray at one extremity held a silver punch bowl encircled with the silk English ivy and peach silk roses.

A special attraction of the bride's table was stressed in the cake, a four-tiered structure with two sets of sugar pillars effecting its towering height. Cascades of peach, rust and

beige bridal trumpets, petunias, stephanotis, roses, forget-me-nots and drop garlands were deftly applied on each layer. Three white satin wedding bells rimmed with pearls and filled with white silk forget-menots in front of a pearled heart seemed to ring out the happy news of the marriage on the top tier.

The table was backgrounded with tall brass footed stands where dogwood shot upward from a brass urn filled with glass marbles with two white feathered doves nesting among

The groom's table was appropriately decorated to suit his taste and work. It was covered to the floor with a burlap cloth trimmed with cascades of fully-opened cotton bolls gathered from his field, spikes of wheat, rust silk roses and leather at intervals around the top. The table was further appointed with a brass coffee service, a rust candle burning in a hurricane globe supported by a brass holder, and a round two-tiered chocolate cake decorated with marzipan peach and rust fruits and spikes of wheat.

Both tables held candlelight napkins accented with the message "Love is beautiful simply by being what it is," Tracy and Brent, November 20, 1982."

Reception assistants were Mmes. Greg Frazier, Paul Tigrett, sisters of the groom, Steve Catlin, his sister-in-law. Miss Renee Murehead and Miss Marianne York.

The peach net rice bags tied with rust ribbons were handed out from a natural straw basket tied with peach silk bows.

The bride and groom were graduated from Iowa Park High School. She attended Midwestern State Univ. and is employed as a teller at Parker Square Bank in Wichita Falls. He is employed by Catlin Drilling Co.

Following a wedding trip to Eagle Nest, N.M., the couple will live at Valley View. For travel, the bride wore a navy blue pin-striped suit with powder blue bow blouse. She wore a silk corsage of white and peach silk roses, leather and picot ribbon to match the one that she tossed away.

In connection with rehearsal for the wedding Friday evening, the groom's parents hosted a dinner at Underwood's in Wichita Falls.

Mr. and Mrs. G.M. Schaeffer announce the birth of a daughter, Tia Lynn. She was born Nov. 11, weighing seven pounds, one ounce.

Grandparents are Mr. and Mrs. Ralph Beall of Iowa Park and Mr. and Mrs. G.J. Schaeffer of Huntington, Long Island.

Great-grandparents are Mr. and Mrs. A.O. Beall and Mr. and Mrs. W.B. Shook of Iowa Park and Mr. and Mrs. William Halligan of Radnar, Pennsylvania.

Great-great-grandmother is Mrs. Winnie Phillips of Vernon.

Cook of the Week

Today is Thanksgiving Day. As families and friends gather for the traditional dinner, their thoughts may well turn back to the foods eaten at the first Thanksgiving dinner 1621. According to Foods By Waverley Root, wild plums were among those foods, and how apropos it is that Mrs. Ken Simpson, the cook for the week, includes Plum Cake in her recipes for today.

The first plums in North America were wild and probably the beach variety of the Americana species, according to the book. The New England Indians planted the plum stones but did not cultivate the trees. They ate the wild fruit in season and dried for future consumption what they could not eat. It is said that the first settlers in America complained about the quality of the American plums, naturally enough, because they were comparing them with a plum which had many years of cultivation behind it.

The first European who reported seeing plums in America seems to have been Bernal Diaz, chronicler of the Conquest of Mexico, who wrote that on Easter Sunday in 1519, the caciques brought a supply of food to the Conquistadors including plums "which were then in season."

Binion family concert slated

The Binion family, composed of Bob, David, Lisa and Bob Jr., will present a program of gospel music at 7:30 p.m. Saturday at the Church of God. The public is invited.

In 1976, the Binions began a singing career travelling full time. Their travels have taken them from coast to coast and they have appeared on several television programs. They have also worked in concert with The HappyGoodmans, The Florida Boys, The Hinsons, The Mercy River Boys and other well known groups on the television programs. They have also worked in concert with The Happy Goodmans, The Florida Boys, The Hinsons, The Mercy River Boys and other well known groups on the concert circuit. For the past three years, the family has been writing for Canaanland Music, in Nashville, Tenn.

Mrs. Ken Simpson

In America and the world over today, plums, both wild and cultivated, are one of the most luscious fruits, second only to peach in consumption. They are reportedly grown on every continent except Antartica.

Theresa Simpson believes that a woman's true career is that of a homemaker, and she feels that one way a wife and mother can tangibly express her love is in the care, variety and imagination which she brings to cooking family meals. She says that the food tastes of her family are varied but that they all agree on

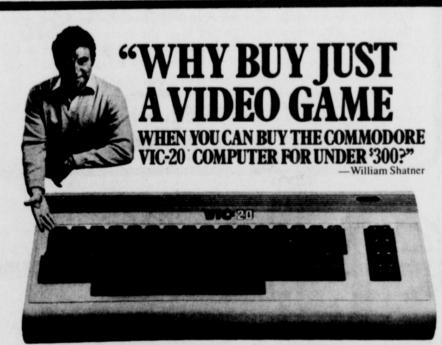

A native of Vernon, she attended high school at Denton. She and Ken, who is a car dealer in Wichita Falls, and their children, Clay, a high school senior, Jodi Ann, a seventh grader, and Brandi, a first grader, have lived in Iowa Park 10 years. She is a member of Kidwell P-TA.

PLUM CAKE

- 2 cups sugar
- 1 cup oil 3 eggs
- 1 tsp. cinnamon 1 tsp. cloves
- 1/4 tsp. salt
- 1 tsp. soda 2 cups flour (sifted)
- 2 small jars strained plums Mix and pour into greased and floured bundt pan. Bake for 60 minutes at 350 degrees.

CRISPY CARAMEL CORN

- 7 qts. popped corn
- 1 cup peanuts
- 2 cups brown sugar
- 1 cup margarine

County pecan show next week

By Don Decker County Agent

Pecans are hulling which is the best time to collect samples for the Wichita County Pecan Show scheduled Dec. 3-4 at Sikes Senter Mall, Wichita Falls. Yard tree and commercial pecan growers in Wichita, Clay, and Archer Counties are invited to participate in this event.

The pecans harvested early in the season have higher quality than those harvested later. This is the reason it is important for growers to collect their samples early in the harvest

An entry consists of 40 pecans, any variety, placed in a paper sack bearing the owner's name, address, and variety if known. If the variety is unknown, it will be identified correctly by show officials. The deadline for entry is 5 p.m. Monday. Entries can be left at the county agent's office in Wichita Falls or the Experiment Station near Iowa Park.

Highlights of the show will feature the pecan queen pageant, pecan pie contest, the pecan show, door prizes, pecan grafting demonstrations, Texas Agricultural Products exhibit featuring pecans, chemicals and sprayers used in the production of pecans, the

Copeland admitted to practicing law

David W. Copeland of Midland, son of Mr. and Mrs. Ruben Copeland, was admitted to the practice of law Nov. 15 at swearing-in ceremonies conducted by the Supreme Court in Austin for 1,545 new Texas lawyers.

Janet Copeland, his wife, the former Janet Scivally of Gainesville, was also admitted at the ceremonies. Both were graduated from Texas Tech Univ. School of Law in May and passed the Texas Bar Examination this month. He was graduated from Iowa Park High School in 1975 and from Midwestern State Univ. in 1979.

sale of pecans, and cracking pecans for the public at a charge of 20 cents per pound.

Girls between the ages of 16-19 are invited to participate in the pecan queen pageant. Entries can be made by contacting Cheryl Ruggs, county Extension agent, at 766-0131.

Quality pecans will be offered for sale. This comes at a time which is ideal for obtaining a supply of pecans for the upcoming holiday season. The Wichita County 4-H Clubs are offering Texas Native pecans in 11/2 pound packages for \$5.75. These can be obtained by contacting the 4-H club office at 766-0131.

The regional pecan show, which includes the entire West Texas area of Texas, is scheduled for Dec. 9-10 at Sikes Senter Mall. Winners from the Wichita County Pecan Show will go forward to the regional show.

This event is being sponsored by the Wichita County Young Farmers in cooperation with the county pecan growers. Luke Coffman heads the Young Farmers while Tim Hunter heads up the county pecan growers.

Trees for windbreaks around rural and suburban homesites can be ordered from the West Texas Forest Service Nursery at Lubbock. This is the first year Wichita County has been eligible to order from the West Texas nursery. Trees from the Lubbock nursery are better adapted to this area than those from the Indian Mound Nursery located in East Texas.

Application forms are available at my office, 766-0131. Orders are filled on a first-come-first-serve basis, so it is important to get orders in now.

The Conifers which have 6 to 12

Shop Iowa Park First! inch tops include: Austrian Pine, Ponderosa Pine, Redcedar, and Scotch Pine. All of these are evergreens. The Redcedar and Austrian Pines are probably the best selection for this area. The price of the Conifers is \$30 per 30 trees. Thirty trees is the minimum order.

The Bare Root Hardwood trees with 8 to 10 inch tops include: Bur Oak, Green Ash, Honeylocust, Mulberry, Native Plum, and Russian Olive. The cost of these is \$25 per 100 trees, which is the minimum order.

The hardwood seedlings will be shipped directly to the individual. The Conifers will be delivered to the Vegetable Research Station at Munday on March 1 farom 8 a.m. to 5 p.m. Individuals ordering Conifers would have to pick them up on this

CARD OF THANKS

Please accept my heartfelt thanks for the kindness and concern shown to me during my recent illness and hospitalization. The prayers, flowers, food and every act of kindness will long be remembered. Letha Hail

CARD OF THANKS

I'd like to thank my friends for their prayers, cards, visits, flowers, food and telephone calls during the time of my eye surgery and since I have returned home. My special thanks go to Rev. Topper and my

ABOUT TOWN

Five officers and five other members attended the second meeting of Iowa Park VICA Chapter 307 held Thursday at the auto mechanics building. The organization of the club was the topic of discussion during the meeting.

SMOKE-EATING VIEW - Jack Vestal watches as Iowa Park volunteer firemen battle a blazing pasture east of his house in Quail Valley Friday afternoon. His was one of four fire calls answered by the volunteers over the weekend.

Two barns containing hay and fertilizer were lost near Valley View Sunday afternoon. Two fires were Saturday, a grassfire off Bell Road and a garage blaze at Highway 287 and Rifle Range Road.

As I See It.... By BOB HAMILTON

No, I really wasn't trying to fool anyone or get by with anything. There really was a problem, and I should have explained it in last week's edition.

That picture I ran on the football page. . . no it wasn't from the Azle game. Yes, it was from the Gainesville game.

Had my hand called on it first thing Thursday morning by Mrs. Roy Boutwell. She wasn't eating me out or anything, thank goodness. I was embarrassed enough about having to use the picture in the first place.

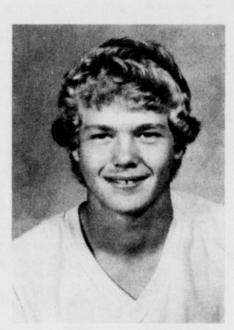

What happened was -- my camera

SOCIAL SECURITY TIPS

SSN NAME CHANGE

Is the name on your W-2 or other tax forms the same as the name on your Social Security card?

Perhaps after marriage or divorce you forgot to request a name change.

JEFF LAWSON

Jeff Lawson recognized

Jeff Lawson, son of Mr. and Mrs. David Lawson, has been named the Iowa Park High School Student-ofthe-Month by the Iowa Park Opti-Mrs. Club.

A two-year member of the National Honor Society, he is an office worker this year. He has participated in UIL

The awards he has received thus far in school include: Who's Who in art and among the top 10 graduates in junior high school. He won second place at Stamford in a math contest when he was a high school freshman, and third place on conservation essay when he was a sophomore.

In sports, he has played football three years, baseball two years, tennis one year, basketball four years. He has run track two years, participating in the 440 and mile

He is a member of First Baptist Church. His hobbies are basketball, flying, golf, snow skiing and music.

When he finishes high school, he is anticipating attending Lubbock Tech to major in mechanical engineering.

If this is your situation, you need to update the name that Social Security has attributed to your Social Security number. Before Social Security can process a name change, the law requires that you present whatever legal document makes the name

The document must be the original or a certified copy. DISABILITY

change necessary - for example, your

marriage license or divorce decree.

Social Security pays a lot of money to a lot of people; people who have suffered a loss of income due to various events such as retirement or

the death of a wage earner. Social Security also pays millions to folks who are not able to work at all due to a severe physical or mental impairment. This category of beneficiaries is a large one and one of the most important in the scope of the social security program. These individuals and their dependents are paid monthly checks for as long as the wage earner remains unable to work. Often. the disabled person's medical condition may have improved, according to the law, his or her benefits should cease if the individual is capable of doing substantial gainful

malfunctioned at the Azle game and I didn't get anything on that entire roll of film.

That's right. For the first time in 27 years of covering high school football from the sidelines, I failed to get a

We have three cameras at the Leader. One went on the blink the week of the Azle game, and so I resorted to my backup camera. The third camera was being used by son, Kevin, as he was covering Holliday's

The backup camera had been working just fine, but when I stepped out there on the sidelines, I knew I was in trouble. Zilch.

Now the camera Kevin was using has gone lame. It was purchased at the same time as the first camera that failed. And they both failed within a two-week period, apparently with the same problem.

Camera three is giving us trouble, and I don't know if it will continue until camera one and two are repaired.

And you think you have problems! Actually, that picture I used from the Gainesville game was the result of luck. I didn't have a working flash at that game. In my haste to get started on the long trip east, I forgot to put

fresh batteries in the flash. With our equipment, you just don't shoot action scenes under artificial lights and get anything at all. So the pictures for the game with the Leopards were still shots, using available light.

Photojournalism has grown considerably, both in use and importance, especially with the advent of offset printing. It is extremely important, and expensive, to the newspaper and we don't forget it.

IOWA PARK

If it's just merchandise you want, you can shop anywhere.

> If you want a lot more for your money, be sure to shop locally!

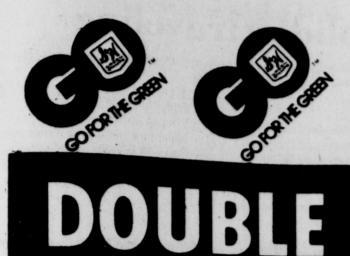

There's a lot more to shopping than meets the eye. On the surface it appears that the products and services you buy are of prime importance. They are important, but where you shop is more important. When you shop locally, you get a lot of important extras. Remember that part of every dollar you spend locally benefits you and your town in the form of taxes local firms pay. When you support out of town firms, you help another town, not your community.

Charitable donations by local firms also help your own community. So remember the advantages of shopping locally where your dollars make good sense.

No need to roam...the best shopping's here at home!

THANKSGIVING FEAST ... Girl Scouts and parents enjoyed early dinner.

Obituaries

Earl Jackson Jones

Services for Earl Jackson Jones. 64, who died Thursday in a Wichita Falls hospital, were Saturday morning in Hampton-Vaughan Funeral Home. Rev. Jim McCurley, pastor of Westside Baptist Church, officiated. Burial was in Crestview Memorial Park.

He was born Oct. 23, 1918, in Center Point, Ark. He was a retired aircraft mechanic. He lived in Wichita Falls 29 years and was a member of U.S. Air Force Civilian Conservation Corps, Veteran of Foreign Wars, Disabled American Veterans, American Legion, American Association of

History buffs to organize

An organizational meeting of the North Texas Genealogical and Historical Association will be held at 7:30 p.m. Dec. 2 at the Orchid Branch First Savings and Loan Association in Wichita Falls.

By-laws will be approved and officers elected.

The organization is of particular interest to persons interested in researching family histories and preserving historical records of the Retired People and Westside Baptist

He is survived by his mother, Mrs. Lula M. Jones of Wichita Falls: three sisters, Mrs. John Brown of Iowa Park, Mrs. Mary Wilson of Wichita Falls and Mrs. Wayne Sims of Winters; three brothers, Austin of Holliday, L.D. of Stamford and Wencel of Wichita Falls.

Caution urged drivers for holiday traveling

Maj. C.W. Bell, Commander of the Texas Department of Public

Girl Scouts have feast

Iowa Park's Girl Scout troops held a joint Thanksgiving dinner Thursday at the Recreational Activities Center.

Girls from the four local troops and their parents participated in the first ever affair, and each troop provided the evening's entertainment with various skits.

Troops attending were Brownie 32, Brownie 37, Junior 29 and Cadette

Centerpieces for the tables were made by the girls and given away as door prizes. A display table was also featured garnered with various awards, badges and patches the girls have earned or won.

Special guests in attendance included Mr. and Mrs. Ray Pittman, Chamber of Commerce; Mr. and Mrs. Jack Eckert, Nor-Cen-Tex Girl Scout Council; and, Mrs. Steve Zabica, field executive for the Nor-Cen-Tex Girl Scout Council.

Safety, Region 5, said, "As we approach Thanksgiving Day weekend, all of us are making plans of one kind or another for observance of this traditional season of the year. Many DPS officers will make plans of a different kind. They will be on duty to safety-consciousness stimulate throughout this festive holiday."

During the last Thanksgiving holiday weekend, Texas experienced 53 fatal accidents and 57 traffic

announce the birth of Russell Wade, a seven pound, 13 ounce son, born November 10. The new baby has one

Iowa Park.

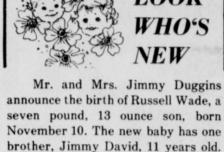

fatalities. Major Bell said, "Speed and deaths in Texas.

alcohol are the main contributing factors in the majority of traffic

A total of 4,701 fatalities was recorded on our streets and highways for 1981 and statistics show 923 fatal accidents caused 1,082 deaths and 17,343 injury accidents that caused 27,907 injuries in Texas that involved

a drunk driver, according to Major

"Many drivers are not tested," Bell said, "because Texas has no law requiring chemical test on drivers in fatal accidents and it is probable that more than 50 percent of the deceased drivers in Texas were driving while intoxicated and were not reported as

Rehab Center installs program for infants

Wal Mart Sells for Less • Wal Mart Sells for Less • Wal-Mart Sells for

The long-awaited expansion of the Infant Development Program at North Texas Easter Seal Rehabilitation Center, Wichita Falls, became a reality this month when a portable building was installed on the grounds behind the Center.

The need for the program has been so overwhelming since its induction in 1980 that expansion of both space and treatment was necessary. The new, bright cheerful building will enable Iowa Parkan Nancy Gholson, speech-language pathologist; and

Barbara Taylor, occupational therapist, to evaluate and treat even more children with problems.

When the IDP services were "officially" begun two years ago, therapists enrolled six children for treatment and hoped there would be at least 15 within a few months.

Now, 98 children have been seen in a program that treats infants from birth to three years for all types of physical, developmental and language problems.

The new building has more

equipment, larger rooms and the advantage of a separate facility just for these young children.

Some of the children in the Infant Development Program have cerebral palsy, Down's Syndrome, spina bifida, chromosome abnormalities. Some have vision and hearing problems, delayed speech and motor development, or, are simply termed "at risk" infants.

"Many of these children were born prematurely. In fact, of the 98 children we have seen, 35 of them months prematurely. Actually, there might have been more but on some of our children who were adopted, there is no birth information," Mrs. Gholson

"Children who are delayed in gross and fine motor development, speech and language skills and-or personal social behavior are also eligible for the program," she said.

All patients must have a doctor's referral-the same requirement for any evaluation or treatment at the

Scheduling of children varies-some may be seen on a checkup basis; others for an hour's session three times a week. Therapy is based on the needs of the child. One reason for group therapy, Mrs. Gholson said, is the need for children to interact with each other-to socialize. This is especially important for a languagedelayed child. Infant development patients also may receive other services, such as physical therapy or audiology at the rehab center.

Parents are encouraged to participate by observing their child in therapy and by telling the therapist how the child's behavior at home compares with therapy behavior.

After the children become 4 years old, they may be referred to other services offered by the Rehab center, which treats both children and adults for all types of speech-language, physical handicaps, hearing problems and perceptual motor difficulties.

ADVERTISING POLICY - It is our intention to have all merchandise in this ad in stock during the sale dates. However, since most merchandise is overstocks and seasonal left-overs, and because many items are in limited supply we will not issue rain checks for this sale. If you are dissatisfied with any merchandise we will gladly exchange it or give you a refund. Shop early while selections are best.

FESTIVAL EXHIBITOR - Chasti Hrncirik is one of the exhibitors who will have a booth at the ESA Arts & Crafts Festival Saturday from 9 a.m. to 5 p.m. at the Recreational Activities Center. In addition to the arts and crafts, a homecooked meal will be served at noon and a sweet shop will offer a variety of delicacies. Proceeds will go to the National Foundation Birth Defect Center.

Reception to fete couple

In honor of the 50th wedding anniversary of Mr. and Mrs. Clay Davis, a reception will be held Saturday afternoon between the hours of two and four o'clock at Texas Electric Reddy Room.

Hosting the reception will be the couple's nieces and nephews Messrs. and Mmes. Arlen Shook, Carl Catlin, Sammy Henderson and Randy Trantham.

Mr. and Mrs. Davis were married Nov. 26, 1932, in Duncan, Okla. and have lived in Iowa Park for many years. He worked for Clapp Sand and Gravel for a number of years and later for the City of Iowa Park before his retirement.

Friends of the couple are invited to attend the reception.

MR. and MRS. CLAY DAVIS

David Tunmire, a guest speaker, gave a talk on parliamentary procedure for the Valley View 4-H Club during the Thursday night meeting.

During the meeting, it was announced that the 4-H'ers were selling shelled pecans in one and a half pound sacks for \$5.75. Plans were made to attend the Wichita County 4-H party Dec. 10 at the 4-H complex and to go caroling Dec. 19 for the activities during the last month of

AREA'S TOP 4-H'ERS HONORED

Thirty nine outstanding members of 4-H clubs across the Rolling Plains were honored here Tuesday, Nov. 16, with a luncheon and awards ceremony.

In addition to receiving the Gold Star Award, highest honor presented at the county level, the youths were reminded by the state director of the Texas Agricultural Extension Service that this honor should mark only the beginning of a lifetime of achieve-

Joining the youths at the luncheon in the Wilbarger Memorial Auditorium were parents, government officials, Extension leaders, fellow 4-H'ers, educators and other community leaders.

Honored from Wichita were Ted Lewis son of Mr. and Mrs. Fred Lewis of City View and Terry Christopher son of Mr. and Mrs. Don May of Burkburnett.

Special awards were presented to three adults. The Rolling Plains District 4-H Council, representing the clubs in 21 counties, presented special citations to Leon Moon, formerly of Vernon, and to Finley Bradley, 4-H adult leader in Wilbarger County. Moon served the district as Extension 4-H and youth specialist until this fall, when, he became executive director of the Oklahoma 5-H Foundation. His wife accepted the award for him. Bradley, in addition to other service as a volunteer leader, has served for the past 17 years as ring steward for the district 4-H horse show.

The Rolling Plains Economic Program presented a plaque to Floyd Borchardt of Crowell County for serving two terms as RPEP chairman.

"Four-H isn't an end, but a super beginning," Dr. Zerle L. Carpenter of director, told the group. "Each young

person who has established a project. worked diligently and shared what he

has earned, is a better person for it." The volunteer leaders who guide 4-H club activities also gain a richer experience by working with the 4-H'ers he said. He emphasized the volunteer leaders and family involvement in 4-H are major factors in the growth and success of the youth program of Extension.

A former 4-H'er himself, Carpenter introduced his first 4-H volunteer leader, his father, Ronald Carpenter. The elder Carpenter had come from Mangum, Okla. to participate in the awards luncheon.

The Extension director noted that everywhere he goes, leaders in government, business and industry tell him with pride that they are former 4-H members.

He told the youths that people have a strong belief in 4-H'ers because you think beyond today, you think beyond yourself. . . you think about others."

He urged them to continue to believe in themselves, assume additional responsibilities and leadership, and to inspire others for continued leadership.

In welcoming the group to the luncheon, Kit Horne of Abilene, farm and ranch manager for West Texas Utilities, urged the honorees to remember that with the honor comes additional responsibility. "You are looked up to by younger 4-H members," he said. West Texas Utilities sponsors the annual luncheon.

The honorees were introduced by Ed Garnett and Elaine Houston, district Extension directors. The awards were presented by State Reps. Foster Whaley of Pampa and Charles Finnell of Holliday.

Lydia Heller of Shackleford County, chairman of the District 4-H Council, was master of ceremonies. Diane Thaxton, Cottle County 4-H'er, provided the dinner music. Other 4-H'ers on the program were: Clent Goldson and Lesha Collins, Hall County; Lynna Wall and Monte Brown, Hardeman County, and Andrew Gardiner, Cottle County.

To observe anniversary

Mr. and Mrs. Henry Brown will commemorate their 50th wedding anniversary Sunday at a reception in Faith Baptist Church between 2 and 5 p.m. The couple's children, Ralph Brown of Iowa Park and Lenora Lieb of Minneapolis, Minn. and their families will host the reception.

Mr. and Mrs. Brown were married Nov. 26, 1932, at Duncan, Okla. They

MR. and MRS. HENRY BROWN

Mr. and Mrs. Larry Sauls announce the birth of Sheena Deanne, a six pound three ounce daughter, born November 11. Mrs. Sauls is the former Janet Daniels.

Thurs., Dec. 2 - Turkey & noodles, meat or cheese sandwich, soup, English peas, applesauce, hot rolls & butter & honey, chocolate & plain milk, dessert.

DIVISION THREE CHIEFS, second place finishers in their league this year, include from left [First Row] Corey Johnson, Aaron Smith, Eric Smith, Justin Inman, Jerry

McClurg, Kevin Smith and Michael Baker. [Second Row] Chris Briscoe, Brian Luney, A.D. Sparlin, Coach Danny Skinner, Lewis Skinner, Eric Rutledge and Jim Conner.

Chiefs finish as runners-up

The Iowa Park Chiefs recently placed second in Division Two of the North Texas Soccer Association, losing in overtime to the Red Hots

The Chiefs, coached by Danny Skinner, received a trophy in addition to medallions and patches for individual players. There were 23

teams in Division Two this year. The Red Hots '73 will advance to the North Texas Tournament of Champions in Dallas with the win. Both teams played to a 0-0 tie after two regular 25-minute halves. After a five minute rest, the two teams played 2-10 minute halves and again the score was 0-0.

The teams then went into a shoot-out. This consisted of five members of the opposing team kicking free shots to the Chief goalie, with three goals scored. The Chiefs scored two goals.

Eagles' season ends with 7-7 tie

Holliday's Eagles earned the respect of the state's top-ranked Class AA team as well as the large crowd gathered at Memorial Stadium in Wichita Falls last Friday night as the Big Red tied Eastland 7-7, in area playoff action.

The Mavericks, now 11-0-1 for the year, advance to the regionals due to a 14-8 advantage in first downs, after both teams claimed two penetrations.

Minutes after the game was over, which in itself wasn't decided until the final gun had sounded, some Eagle players slumped to the carpeted turf in disbelief, others threw their helmets in a moment of rage, and a few more made it halfway to the dressing room, only to stop at the asphalt ramp beneath the scoreboard, trying to put the outcome in an acceptable perspective.

To them, there was no other perspective.

The senior-laden squad had just defied all odds in matching the tough Mays step for step. Experts had Holliday as much as two touchdown underdog before the game even had

Instead, the two teams played an excitable, edge-of-your-seat defensive

Both teams went into the game averaging over 400 yards a game in total offense, but together managed only 324 yards. The Big Red defense actually was most impressive, forcing three turnovers and mounting a successful goalline stand from their own three to derail the Mav's potent

Eastland didn't come into the game half asleep, either, shutting down much of the time Holliday's rushing

"I've got more respect for Holliday than any team we have played in the last three years," Eastland coach Rod Hess remarked minutes after the

game. "We knew the Eagles were going to be tough, and if either one of us got the breaks it could go either way," he continued.

Hess' son, Jay, a returning all-state quarterback, led the Mavs to their lone touchdown in the final quarter, utilizing a gusty wind at his back to complete five straight passes in the 80-yard drive. The senior signal caller is one of seven Mavericks that have started since their sophomore year, winning district each year.

"We knew going into the game that we would have to shut Holliday out," Hess said. "We figured if we could score at least once, our defense would be able to keep them out of our endzone." As it turned out, the May coach said he was "tickled to death" his team was able to pull the game out with more first downs.

THE GAME

Holliday won the coin flip and elected to receive, with Eastland electing to take the strong southerly wind in the initial period.

Gill Gilbert returned the kick 14 yards to the 24, and the following play Maverick standout linebacker James Morton met Eagle fullback Jeff Belcher at the line of scrimmage, making a jarrig tackle to stop Belcher for a short gain.

Gilbert then ran a reverse five yards, followed by a seven-yard pass completion from Mike A. Parker to Barry Hardin for Holliday's initial

Three running plays from the Holliday 37 netted only five yards, and A. Parker punted 19 yards to the

Eastland's Thomas Sanders broke open for a 19 yard gain to the Eagle 41 on the Mav's first play from scrimmage. But the Big Red defense stiffened, allowing five yards on two rushes while Kevin Blankenship tipped a Hess aerial to force the Mavs into a fourth and five situation.

Holliday took over once again at its 24, and three straight rushes by Brad Harmon netted 14 yards and another Eagle first down at the 39. A Parker was dropped for a four-yard loss on the next play, but completed a nine-yard pass to Mike W. Parker to the 44. Following an incompletion, Parker punted 27 yards to the Mav

Eastland sustained its longest drive of the quarter, driving to the Eagles three yardline in eight plays, aided by a 22-yard pass completion and a defensive holding call costing Holliday 15 yards.

Eagle defensive end Bruce Bynum made an outstanding play with Eastland facing a first and goal from the three. Brushing his blocker off, Bynum caught Hess for a four-yard loss, and the Mays never recovered, handing the ball over three plays later at the two.

Holliday punched it out to the eight in two plays, but a high snap to Belcher in a quick kick formation backed the line of scrimmage to the two once more. Parker booted a 45-yard punt (early in the second quarter) to take the Eagles out of a

Returning the punt to the Eagles' 44, Eastland ran three times for nine yards and, facing a fourth-and-one at the 35, elected to go for the first down. Bynum, Chuck Evans and Harold Parsons stopped Morton cold for no gain, forcing the ball over on

Runs of four and five yards by Gilbert and Harmon set up an 11-yard blast by Belcher in one of his few successful ventures up the middle. Three straight rushes netted seven yards following the first down by the Eagles, and A. Parker again utilized his kicking skills, punting the ball out of bounds at the Mav eight.

Eastland could manage but one yard gain in three rushes, and punted 21 to its 30.

A. Parker lofted a pass to Blankenship in the endzone on the first play, but two Mavs defending on the play were successful in breaking it up. Harmon was caught for a four yard loss on the next play, and a 10-yard holding penalty moved the ball back to the May 44. A Parker was sacked on third for a 10-yard loss, and punted 42 yards to the May 12. Hess returned the ball to the 19, but was brought down by a picture-perfect

open field tackle by Timmy Stubblefield.

The Mays recorded a first down on a Hess aerial to the 29, but Eastland was again stopped, punting away four plays later to Holliday's 39.

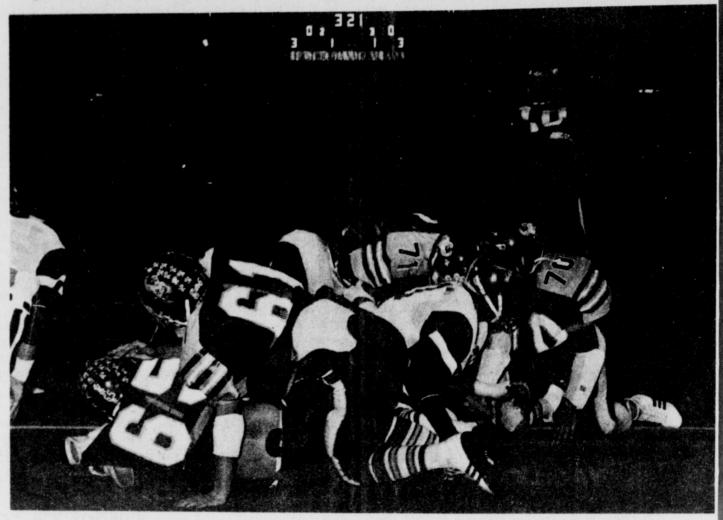

The two teams traded turnovers shortly before the first half ended, with A. Parker being intercepted at the Eagles' 44 by Kael Joiner, and Bynum recovering a Hess fumble on the next play which was forced by

SECOND HALF Parsons made his presence felt in the second half, penetrating the Mav line of scrimmage to bring Morton down for a four-yard loss to the Mav 16. Clint Sissom stopped Hess for a one-yard loss on the next play, but Sanders broke free on a draw for 14 yards and an Eastland first at its 30.

Parsons sacked Hess for a three-yard loss, and two plays later, A. Parker recorded his first of two interceptions at the May 38,

returning it six yards. With 9:09 reading on the clock in

Exercision of the contract of

With football season but a week behind Holliday's fans, another sport, basketball, begins its season with the potential for the Eagles to have as much or more of a successful season as did the football team.

Four all-district players return on the Eagles' squad this year, which will mark the second year for coach Bill Higgins.

First team choices Kevin Lilley and Mike A. Parker will lead other district honorees Gill Gilbert and Brad Harmon into the 1982-83 season which features a tough schedule and zoned District 11-AA.

Both the Eagle and Lady Eagle squads played last night in Electra (no score before presstime), as did their respective junior varsity squads

Friday the varsity teams travel to Wichita Falls to take on Notre Dame, with the girls' game starting at 6:30 p.m. Following another game with Electra, the varsity teams will play in the Seymour Tournament Dec. 2, 3 and 4th. Both squads will take on Iowa Park Dec. 7 before entering the Petrolia Tournament Dec. 9, 10 and

11th.

In District 11-AA play this year, two zones will be featured. Holliday will play in one zone with Olney, Henrietta, Petrolia and Archer City. Defending champ Nocona will challenge Jacksboro, Chico and Boyd in the other zone. The winner of each zone will play the runner-up of the other zone, with the two winners meeting to decide the district champion. This year will be the first time two teams will enter the state playoffs from the same district.

According to Higgins, the district

playoff games will be played at D.L. Ligon Coliseum in Wichita Falls this year.

The first and second place district teams will play in a 16-team bi-district tournament, followed by an eightteam area playoff, four-team regional and four-team state tournament.

Other varsity Eagle players are Kurt Lilley, Don Long, Pat O'Brien, Jeff Belcher, Brad Lawson, Steve Snider, Pat Capps, Guy Gilmore, Harold Parsons, Todd Stevens and Kevin Blankenship.

Chamber of Commerce representatives Greg Roberts and Marguerite Wilson [from left] and Mayor and Mrs. James Cook [at right] accompanied store owners Jay Miller and Larry Ayres [fourth and third from right] and manager Joe Golden in the ribbon cutting ceremonies.

Continued from page 12

the third quarter, the Big Red began their lone touchdown drive, taking nine plays.

Penalties almost killed the drive, with the Eagles being called for motion and losing another five for holding. But runs by Harmon and Belcher, plus a sharp pass over the middle to Hardin for 12 yards kept the drive going. Belcher finally bulled over from the one with 3:20 remaining in the quarter for the touchdown, which the hometown fans

greeted with a thunderous ovation. A. Parker split the uprights for the PAT, giving the Big Red a 7-0 lead.

Eagle head coach Don Lucy called for a time out with five seconds left in the third quarter and the Eagles facing a fourth and three situation at midfield. The time out enabled A. Parker to get off a punt with the wind at his back, and it sailed 50 yards into the endzone.

As if patiently waiting for his chance to utilize the wind, Hess began

the Mavs' 80-yard scoring drive with passes of seven and 15 yards to the Eastland 42. Following his only incompleted pass of the drive, Hess completed two more for 12 and 13 yards to Holliday's 33. Blankenship and Evans caught Hess for a two-yard loss on the next play, but the all-stater completed a 12-yarder to Morton, giving Eastland another first

at the 23.

After incompleting a pass, and losing five on an offsides infraction, Hess spiraled a perfect toss to Sanders coming out of the backfield for the touchdown. Morton made the successful PAT at 8:39 in the final period to tie the score 7-7.

Holliday failed to record a first down following the kickoff, and punted away to the Mavs. Taking the ball at Holliday's 42, Hess ran twice for minus-two and plus-eight yards, the final run taking its toll on the Mav signal caller when he was hit by four Eagles.

Facing a fourth-and-two situation from the 34, Hess made a first down on a three-yard run, but was sacked for a five-yard loss the following play.

Three plays later, Hess apparently hit Morton for a first down reception, but a crushing tackle by A. Parker forced the incompletion. On the next play, A. Parker intercepted a Hess aerial at the Eagle 26, returning it to the 47.

With 3:34 left in the game, Holliday

began its march downfield with two rushes by Harmon netting 11 yards and a first down at the Eastland 41. A. Parker lofted a 19-yard pass to Blankenship three plays later, giving the Eagles a slight chance to win the game with less than a minute to play.

Two plays netted a one-yard loss to the 22, and, on third and 11 and 23-seconds remaining, the Eagles lined up for a field goal attempt of 38-yards. However, Gilbert took the snap and pitched to Harmon, who broke down the right sideline for a five yard gain.

The move gave Holliday a tie in penetrations, but a midfield conference between the coaches and officials minutes before to discuss the game's statistics showed that Holliday would have to score to advance.

Lining up for a 33-yard field goal attempt against the wind, A. Parker's kick was wide to the left, and Eastland ran out the remaining 14 seconds.

Debbie Long in All-Senior Band

Debbie Long, senior member of the Holliday High School Eagle Band,

the Holiday High School Eagle Band,

CARD OF THANKS

The Parents and Booster Club of
the 1982 Holliday Eagle football team
would like to thank the coaches for

giving us an exciting brand of football

this year and for the great season we

have enjoyed.

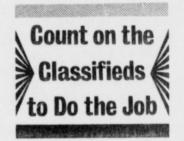

We would like to thank the team for the many enjoyable games and the excitement that has been ours to enjoy. Not only this year but for the last 10 years. They will never know how much they have meant to us

down through the years.

Again we want to THANK YOU.

has made the All-Senior Band through recent auditions, and will participate in a clinic and concert early next year at Southwestern State Univ. in Weatherford, Okla.

High school band members from Texas, Oklahoma and Kansas will be featured.

BRAD HARMON BREAKS FOR EIGHT AND A FIRST DOWN

Trustees to open bids for insurance

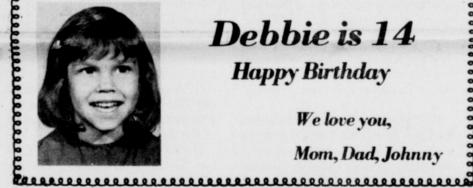

Holliday school trustees will hold a called special meeting at 7 p.m. Monday to open bids on school building insurance.

The school's insurance policies expire the first week of December, necessitating the meeting.

In the only other business scheduled, the board will meet with

O.

the school's auditor and discuss this year's report before approving it.

AREA OIL & GAS NEWS

The No. 1 Thompson, a developmental try in Wichita County's KMA Field, is scheduled to be drilled 10 miles southeast of Iowa Park. H.L. Gage of Wichita Falls is listed as the operator. Location is in a 40-acre lease in the T.C. Haynes Survey. Projected total depth is 4,300

Robert A. Craighead of Electra has filed for permit to drill the No. 56-D thru 61-D L & F Goetze, six 2,000-foot developmental wells in the Wichita County Regular Field, eight miles northeast of Electra. The operations will be in a 221-acre lease in Wichita County's SA&MG Survey.

Joe B. Hood & Co. of Wichita Falls has also revealed plans to drill three, 1,995-foot developmental probes in the Wichita Regular Field, four miles southeast of Electra. The wells will be located in a 105-acre lease in the H&GN RR Survey and are to be designated as the No. 6, 7, and 8 Douglas Mineral Trust.

A 6,200-ft. wildcat is planned by Luke Grace Oil Co. of Wichita Falls at a drillsite one mile south of Archer City. The location is in a 40-acre lease in the Hooper & Wade Survey. Well's designation is the No. 1 Gordon

The No. 38 S.B. Burnett "C", a developmental try in Wichita County's HT&B RR Survey, is scheduled to be spudded seven miles south of Electra. With projected total depth of 1,950 feet, the well will be in a 40-acre lease in the Wichita County Regular Field. W.S. Wallace of Wichita Falls is listed as the operator.

Swanner Properties of Wichita Falls has staked location for the No. 34 Williams & Parker "C" in the Wichita Regular Field. It is scheduled for 1,950 feet of hole making. The location is in a 532-acre lease in Wichita County's M. Ramsey Survey, about four miles north of Holliday.

At a location five miles west of Wichita Falls, Quick & Rankin Oil, Inc. of Wichita Falls has completed the No. 1 Parker-B, new oil well in the Wichita Regular Field.

Drillsite was in a 90-acre lease in Wichita County's SPRR Survey.

The well showed daily potential for 17 barrels of oil on an open choke. Production will be from an interval 724 to 728 feet. Well's total depth was 779 feet, with top of pay logged at 720

Koonce Oil Co. of Iowa Park has posted initial production figures for the No. 2-A V.T. Conklin "A", a new oil well in the Wichita Regular Field, six miles southwest of Iowa Park.

The well indicated potential for nine barrels of oil per day on an open choke. With drillsite in a 38-acre lease in Wichita County's J. Johnson Survey, the well had total drilling depth of 1,384 feet. It entered the pay horizon at 884 feet and will produce from a set of perforations 884 to 894 feet into the wellbore.

Hinson Brother Inc. of Bellaire has filed for permit to drill a 1,400-ft. wildcat seven miles south of Archer City. The explorer will be known as the No. 2 Cowan-McKinney. The operator has 160 acres leased.

A wildcat for oil is scheduled for spudding nine miles northwest of Archer City by Henry Energy Corp. of Arlington. The well will be known as the No. 1 Cowan-McKinney, with projected total depth of 4,999 feet. It will be situated in a 446-acre lease in Archer County's Robert Carson Survey.

H.I.M. Production of Graham has revealed plans to drill three 1,800-ft. developmental probes in the Archer County Regular Field, two miles south of Mankins. The wells will be located in a 400-acre lease in the B. Howard and DL&CC Surveys and are to be designated as the No. 39, 40 and 41 T.B. Wilson.

The No. 4-L Jeske, a developmental try in Archer County's BBB&CRR Survey, is scheduled to be spudded five miles southeast of Megargel. With projected total depth of 2,000 feet, the well will be in a 22-acre lease in the Archer Regular Field. Guidance Oil Co. of Abilene is listed as the operator.

Location has been staked by Crutcher-Hilbers of Archer City for two 1,500-ft. developmental probes in the Archer Regular Field, eight miles northeast of Megargel. The wells are designated as the Nos. 1 and 2 Crutcher-Hilbers "F". Drillsites will be in a 60-acre lease in Archer County's Bell County School Land

Plug-and-abandon orders have been issued for the No. 1 Fitzgerald, a wildcat venture of Cobra Oil & Gas, operator from Wichita Falls. Spudded Sept. 7, the well had reached 5,217-ft. total depth and was located in Wilbarger County's H&TC Survey.

The No. 10 Hodges "B", a developmental try in the Wichita County Regular Field, is scheduled to be spudded four miles southwest of Iowa Park. With projected total depth of 1,400 feet, the well will be in a 155-acre lease in Wichita County's H. Balch Survey. Joe McDonald of Burkburnett is listed as the operator.

S&J Operating Co. of Wichita Falls has staked location for the No. 21 Hammon Fee in Wichita County's E.T. RR Survey. It is scheduled for 1,400 feet of hole making. The location is in a 409-acre lease in the Wichita Regular Field, about six miles southwest of Iowa Park.

The No. 1 Thompson is slated to be drilled in the KMA Field by H.L. Gage, operator from Wichita Falls. With projected total depth of 4,300 feet, it will be spudded in a 40-acre lease of the T.C. Haynes Subdivision Survey, 10 miles southeast of Iowa Park, in Wichita County.

Location has been staked by Ark-La-Tex Oil & Gas Inc. of Wichita Falls for a 1,500-foot developmental probe in the Wichita Regular Field, seven miles southeast of Burkburnett. The well is designated as the No. 1A Cooper. Drillsite will be in a 159-acre lease in Wichita County's Henry Hastie Survey.

F.T. Johnson, Jr. of Wichita Falls has filed for permit to drill the No. 20 Saunders, a 2,000-foot developmental well in the Wichita Regular Field, 5.5 miles northeast of Electra. The operation will be in a 40-acre lease in Wichita County's A.B. & M. Survey.

Pumping at the rate of 23 barrels of crude oil per day on an open choke, the No. 72 Fassett Tuttle was completed in the Wichita Regular Field by S&J Operating Co. of Wichita Falls.

Drillsite is in a 794-acre lease in Wichita County's CTRR Survey, six miles southeast of Iowa Park.

After entering the pay zone at 872 feet, the well went to 935 foot bottomhole. It was perforated to produce from an interval 872 to 875

The No. 31 and 32 Chilson Shallow, two developmental wells in Wichita County's Denton County School Land Survey, are scheduled to be drilled four miles north of Holliday. Swanner Properties of Wichita Falls is listed as the operator. Location is in a 498-acre lease in the Wichita Regular Field. Projected total depth is 2,000 feet.

A new oiler in the Wichita Regular Field has been finaled by Alexander Oil Co. of Burkburnett. Designated as the No. 1 Riley J, the well indicated capacity to produce 7 barrels of oil per day on an open choke.

Located in a 20-acre lease in Wichita County's Red River Valley Lands Survey, the well entered the pay strata at 1,677 feet. Bottomed at 1,770 feet, the well will produce from an interval of perforations 1,677 to 1,679 feet into the hole.

Location has been staked by Publishers Petroleum of Oklahoma City, Oklahoma for a 6,000-foot Wilbarger County wildcat. The explorer well will be known as the No. 1 Streit. It is in a 149-acre lease in the H&TC RR Survey, five miles west of Lockett. It is aimed at oil production.

The No. 6B Leroy Tate, a developmental well in the Wilbarger County Regular Field, is scheduled to be drilled five miles northeast of Harrold. Harold Mason of Electra is listed as the operator. Location is in a 100-acre lease in Wilbarger County's M.M. McLaren Survey. Projected total depth is 1,000 feet.

W.A. Box of Wichita Falls has revealed plans to drill a 2,500-foot developmental well in the Wilbarger Regular Field. The operator has 60-acres leased, with drillsite in Wilbarger County's H&TC RR Survey and has designated the venture as the No. 16 Bond B. Drillsite is eight miles south of

A wildcat for oil is scheduled for spudding one mile north of Scotland by 3-T Exploration, Inc. of Wichita Falls. The well will be known as the No. 1 Coleman, with projected total depth of 6,200 feet. It will be situated in a 318-acre lease in Archer County's Aaron Castlebury Survey

W.E. Skinner of Wichita Falls has filed for permit to drill a 5,900-foot wildcat for oil six miles north of Scotland in Archer County's German Emigration Survey. The explorer will be known as the No. 1 Richard Vogtsberger. The operator has 205-acres under lease.

North Texas Energy, Inc. of Archer City has staked location for the No. 6 Walker in Archer County's Clark Hill Field. It is scheduled for 5,700 feet of hole making. The location is in a 148-acre lease in the W.M. Walker Survey, about five miles north of Archer City.

The No. 1 Niedco-D.C.T. is slated to be drilled in the Scotland Field by Crutcher-Hilbers of Archer City. With projected total depth of 4,000

lease of the ATNCL Survey, 14 miles north of Archer City.

A new oil producer in the KMA Field has been finaled by Texo Oil Co. of Wichita Falls. Designated as the No. 2 E.L. Love, the well indicated capacity to produce 22 barrels of oil per day on an open choke.

feet, it will be spudded in a 40-acre

The location is one mile southeast of Kamay, in a 100-acre lease in the KWVFL Survey, Wichita County.

Bottomed at 4,203 feet, the well will produce from an interval of perforations 3,878 to 3,898 feet into the hole. The pay formation was first encountered at 3,874 feet.

Location has been staked by L. Frank Palmer of Wichita Falls for a 1,750-foot developmental probe in Wichita County's H&TC RR Survey, seven miles southeast of Electra. The well is designated as the No. 35 Waggoner "J". Drillsite will be in the Wichita Regular Field.

Shillelagh Corp. of Wichita Falls has revealed plans to drill two 4,500-foot developmental wells in the KMA Field. The operator has 200-acres leased, with drillsites in Wichita County's H&TC RR Survey and has designated the ventures as the No. 3 and 4 Ancell-Barnes. Drillsites are 10 miles southwest of

Lampley Oil Co., Inc. of Gulfport, Mississippi has filed for permit to drill the No. 15 and 16 Preston, two 1,999-foot developmental wells in the Wichita Regular Field, three miles south of Burkburnett. The operations will be in a 100-acre lease in Wichita County's D. Mathews Survey.

Simmons Petroleum Co., Inc. of Burkburnett has staked location for the No. 22 Edna Oates in Wichita County's R. Brown Survey. It is scheduled for 1,800 feet of hole making. The location is in a 60-acre lease in the Wichita Regular Field, about five miles south of Burkbur-

F.T. Johnson, Jr., operating out of Wichita Falls, has recorded a marginally successful developmental well in the Wichita Regular Field. It is the No. 4 Dickey McGann "A", showing potential for 6 barrels of oil per day on an open choke.

Drillsite was in a 326-acre lease in the TE&L Survey, Wichita County. The well is located seven miles west of Burkburnett.

The well was drilled to a total 1,916 foot bottom after entering the pay structure at 1,862 feet. It was perforated to produce from an interval 1,862 to 1,881 feet.

The No. 3 and 4 Waggoner, two developmental wells in Wichita County's BS&F RR Survey, are scheduled to be drilled five miles southeast of Electra. Larance Engineering Co. of Wichita Falls is listed as the operator. Locations are in a 40-acre lease in the Wichita Regular Field. Projected total depths are 1,800 feet per well.

S.L. Mowrey of Wichita Falls has revealed plans to drill two 2,000-foot developmental probes in the Wichtia Regular Field, seven miles southeast of Electra. The wells will be located in an 80-acre lease in the BS&F Survey of Wichita County and are to be designated as the No. 20 and 21 Waggoner Bros.

IRS Announces New **Understanding Taxes Program**

The Internal Revenue Service has announced a major redesign of its "Understanding Taxes" program for 1983.

"Understanding Taxes" is a complete, free educational package, which teaches high school juniors and seniors important aspects of the federal tax system. Approximately five-million students used the course last year.

After a long study, the new "Understanding Taxes" curriculum will include more information and skill development than ever before, the IRS said. The materials will now be presented in a "modular" format, permitting teachers greater flexibility when scheduling and teaching "Understanding Taxes."

The curriculum will include a line-by-line explanation of the Form 1040A and a discussion of a basic Form 1040 and Schedule A for itemized deductions. However, new chapters will also cover such information as the economics of taxation, tax legislation and facts and fallacies about the IRS.

News By Nan

DON'T WAIT UNTIL SUMMER if you're thinking of buying or selling real estate. With low interest rates prevailing, can you really afford to wait?

Take a look at the difference in monthly (principle and interest) payments for varying interest rates paid out over 30 years:

Mortgage Balance	Monthly Payment for 30 Years at			
	12%	14%	16%	
\$30,000	\$308.59	\$355.47	\$403.43	
\$40,000	\$411.45	\$473.95	\$537.91	
\$50,000	\$514.31	\$592.44	\$672.38	
\$60,000	\$617.17	\$710.93	\$806.86	

WANT TO WIN A FREE TURKEY - Send me a favorite recipe that I can share with others, and you will be entered into a drawing for a free turkey! Your recipe with your name, address and phone number should be postmarked by Dec. 18, 1982. Drawing will be held at the office of Century 21 Dynamic Realtors on Dec. 21, 1982.

Your Health And Yourself

A 1979 survey found sixty percent of the public do not take good health for granted. And 20 million joggers are a visible expression of the surge of interest in health and well-being.

Formal recognition of our

responsibility for our own

well-being was offered by a

recent symposium, "Self-

Medication: the New Era,

sponsored by The Proprie-

tary Association, the trade

association representing

manufacturers of nonpre-

In his presentation, "Self-Medication: the Social Per-

spective," Lowell S. Levin,

professor of public health at

Yale University, said that

probably the most signifi-

cant event in health care

since the discovery of the

germ theory of disease is the

discovery of the "self"; the

new awareness of the role of

He pointed out that the

home itself is being newly

appreciated as a medical

care facility. Not only are

first aid materials common-

place, but recently blood

pressure cuffs, pregnancy

testing kits, do-it-yourself

urine and throat culture kits

have been added to many

Self-medication is moni-

tored by the government, too. Dr. J. Richard Crout,

Director of Bureau of Drugs

of the Food and Drug Ad-

ministration stated, "Our

philosophy in this country is that OTC (over-the-

counter) drugs must do what

they claim to do, must be safe when taken according

to directions, and must be

capable of being labeled in

terms that can be under-

stood by the general pub-

People who take the re-

sponsibility for deciding

what they can treat safely and what should be treated

under the doctor's guidance,

may find that taking more

responsibility for their own

care may be a healthy idea.
