PARK CLINIC, DR. WATSON
310 W. ALAMEDA
IOWA PARK TX 76367 110

Chamber recognizes four citizens

With the high school cafeteria almost filled to capacity Saturday night, four new names were added to the Chamber of Commerce "wall of honor."

The four were: H.M. Nipper, Citizen of the Year; Lester Brooks, Outstanding Senior Citizen; Louie McCarthy, Outstanding Agriculturist; and Earnie Reusch, Outstanding Educator.

The evening was also highlighted by introduction of new Chamber officers, a talk by Dr. Don Newbury and a steak dinner prepared by the Iowa Park MuleSkinners.

In announcing the award for Nipper, Charlie Lee, who served as master of ceremonies, pointed out the recipient had earned his right on the plaque for the many years he had served as head of the Industrial Development Corporation.

Lee explained the diligent efforts of Nipper had led to the development of several hundred jobs locally, through acquisition of Cryovac and Wal-Mart, and expressed his personal appreciation by calling him "... a good ole boy."

Rev. Hal Farnsworth, pastor of First Baptist Church, made the presentation to Brooks. Besides all the community work he had performed through his affiliation with the Lions Club, Farnsworth elaborated that Brooks had served in every capacity in his church.

In his acceptance comments, Brooks said he had attended every Chamber banquet in Iowa Park the past 50 years.

McCarthy's accomplishments of developing his farm to the southwest of the city into "possibly the best-developed farm in the county," was announced by Rex Wells, who made his presentation. He also elaborated on the community service McCarthy had made through his position as president this year of the

MuleSkinners.

High school principal Bob Dawson made the presentation to Reusch, a 21-year veteran in education. He said Reusch is an excellent teacher of young people, both in his classroom and in athletics.

Outgoing Chamber president Phil Welch talked about the "quality of life" in Iowa Park and encouraged the audience to "concentrate on the positive things in the future."

He received a plaque from Linda Merrick, who was installed as the new president. The second woman to hold that position (Helen Rich was the first), she said she was looking forward to continued progress and community interest.

Dr. Newbury, president of Western Texas College at Snyder, made his second appearance at the local chamber banquet. His first appearance was so well-received he was asked to return, and comments from those in the audience indicated he may be asked a third time in the future.

Directors who have begun a three-year term on the Chamber board are Frank Gossett, Frank Guyette, Mark Reed, Roy Stevens, Harrell Sullivan, Nipper and Merrick.

Dr. James Edwards is now first vice president and Nipper second vice president.

A festive greeting to the banquet was provided by a crew from the Clown-Arounds, sponsored by the Wichita Falls Parks and Recreation.

Dinner place favors featured "recipes" provided by 61 children, ages three to seven. As an example, five-year-old Tricia Morgan had one for "Lemon Pie: Take two lemons and put them in a pan with three lemon juices. Put pan in oven. For crust - Use six cups of white crust and three packs of water. Roll this out and put in the pie. Bake in the oven on to six for three hours."

AWARD RECIPIENTS LOUIE MCCARTHY (left), H.M. NIPPER, EARNIE REUSCH AND LESTER BROOKS ... each was honored by the Chamber of Commerce for community effort.

Trustee election, contracts on tap

Iowa Park school trustees will set the date for this year's election and consider contracts for all key personnel, when they meet at 7:30 p.m. Tuesday in the administration building.

Other major topics on the agenda

include consideration of a direct line to the Region Nine Service Center in Wichita Falls for a connection with its computer, adoption of the 1983-84 school calendar, a report by the building and grounds committee and discussion of local school board

policies.

It is expected that the election will be set for April 2, same date as the city election.

For years the board has observed a schedule for considering employee contracts. They usually attend to the

superintendent's contract in January, key personnel in February, and all others in March.

This year being no exception, Supt. Harold Cowley's contract was extended through 1983-84 last month. Now contracts for all other administrators, department heads and other supervisory personnel will be considered.

The local school has been computerized a number of years. All accounting, student records, tax information and checks have been done by the Region Nine computer since its inception. Trustees will consider a direct hookup to the computer in an effort to save time and travel.

Trustees Rusty Rusk and Rex toured the district's campuses to view repairs which will be considered.

Because new laws and court rulings are frequent concerning education and personnel, trustees will consider having their policy book reviewed by a panel of attorneys who specialize in such matters, so the policy book can be updated, Cowley said.

Miss Wichita County crowning Saturday

Darlene Mahler will relinquish her title as Miss Wichita County Saturday night when the annual contest is held in Iowa Park High School auditorium.

Sponsored by the Iowa Park Optimist Club, the scholarship pageant is to begin at 7 p.m., but without a local entry. The 16 entries this year are from Wichita Falls, Burkburnett, Olney, Bowie, Henrietta, Grand Prairie or Enid, Okla.

They will be vying not only for the crown and title, but a \$1,000 scholarship, \$3,000 wardrobe, and a \$1,000 expense account. Scholarships will also be awarded to the second, third and fourth placers.

Tickets will be sold at the door: \$5 for adults and \$3 for children under 12 years of age.

Special guests will include Miss Texas, Gloria Gilbert of Millsap; Stephany Samone, Miss Blackland Area; and Sonna Marvell, Miss

DARLENE MAHLER ... 1982 title holder

Lubbock.

Competition will be held in talent, modeling of evening gown and swimsuit, and personal interviews.

Three vehicles attacked by vandals in same block

The 700 block of West Texas is apparently unsafe for vehicles from vandals, according to reports filed at the police station.

In a two-night period, three vehicles were vandalized. Ben Barker, 700 W. Texas, said about 10:45 p.m. Saturday someone threw bricks through the windshields of his automobile and van, as well as one side window, and replacement will amount to some \$1,000.

Then, sometime Monday night, James Lewis of Kamay said he had parked his pickup in the same block,

and the back window was shot out. A fragment of a bullet was recovered. Cost of replacement was set at \$61.

Two thefts and another case of vandalism were also reported in the city.

Kame Oshiro said someone entered a locked vehicle at No. 24 Surrey and took a check book, identification card, drivers license, 16mm projector, two CB radios and a tool box, all valued at \$1,400.

The front bedroom window of a house at 918 Van Horn was shattered sometime during the last week of January by a black walnut that was thrown through it. Mrs. Marian Perry of Wichita Falls, the owner, reported the incident.

Dr. Richard Carver, 1604 N. Johnson, reported the theft from his home of a .38 cal. Smith and Wesson pistol.

Responding to a call from Patti L. Thaman, occupant of a home at 406 E. Lafayette, officers Saturday night arrested Robert Wesley Duggins, 25, for public intoxication. Charges also may be filed by the occupant against Duggins for criminal trespass.

Muddy alleys hamper picking up of trash

In response to a number of complaints about the lack of garbage collection, the city has come up with an alternative solution.

James Barrington, city administrator, said it will be necessary for city crews to pick up trash at the front curb, in some cases.

Because of recent rains and snowfall, some alleys have become impassable for the heavy trucks used by the city.

Barrington said people living in neighborhoods where the trucks cannot travel should call city hall. "If they will tell us what day and

approximate time they will put their trash out on the front curb, we will try to pick it up within four hours," he said.

He said residents would be able to tell which neighborhoods have alley problems: there will be deep ruts where the trucks have tried to travel recently, and the metal containers will be full.

Work has already begun to correct the poor alley situation, Barrington said, but it will take time and be expensive. So far, all the city can do is identify the areas where improvement is most needed, set plans and then try to find the money to do it.

New homes bolster total

Building permits, bolstered by two for new residences, amounted to \$129,753 for January, according to city hall records.

Permits issued during the month included:

- A.J. Wood Jr., 1612 Douglas, new residence, \$32,000;
- Wally West, 616 W. Washington, addition, \$2,500;
- J.A. Jacobi, 713 Clara, addition, \$1,000;
- Phillip Krum, 901 Van Horn, alteration, \$5,500;
- Joe Owen, 108 W. Ruby, addition, \$1,500;
- Farlan E. Huff, 900 E. Pasadena, mobile home, \$22,000;
- Gordon L. Turner, 104 W. Ruby, addition, \$5,750;
- Rip Smith, No. 7 Surrey Drive, new

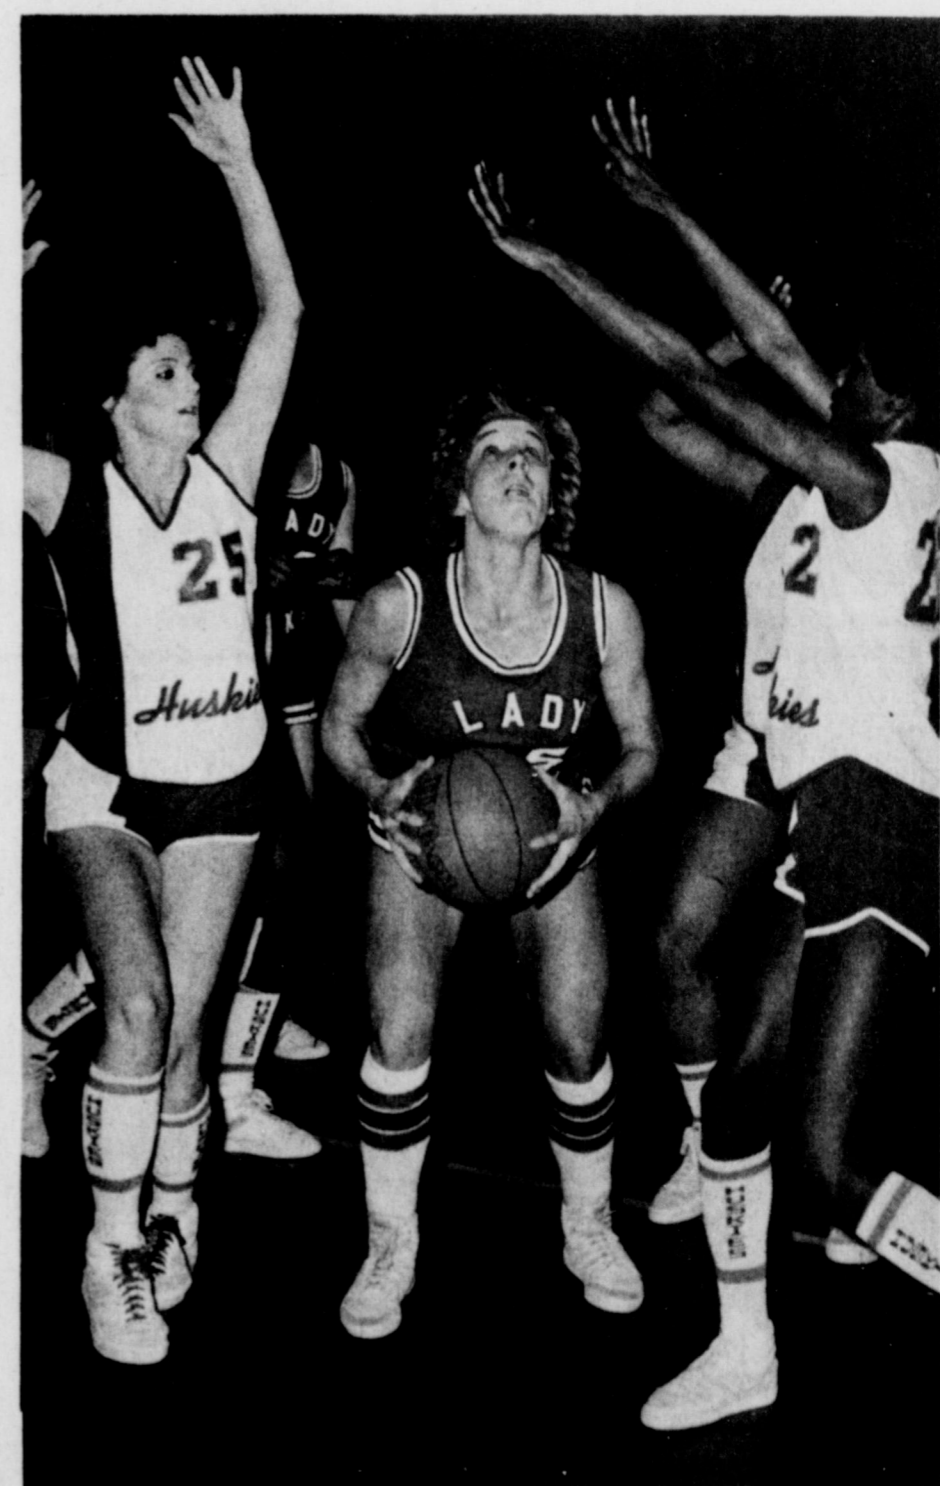

residence, \$45,000; Kenneth McCreary, 306 W. Jefferson, mobile home, \$14,503.

Rezoning, street work on agenda

Members of the Planning and Zoning Commission will have two items to consider on their agenda at Monday night's meeting in council chambers.

Wally West is to appear in support of his request to change the zoning of lot nine, block 16 of Texas Addition from R-2 to convenience commercial. The location is in the 600 block of West Washington.

A program of improvements to streets is the other item on the agenda.

DRAWING ATTENTION - Hawkette center Lisa Sefcik gets attention from Hirschi defenders during Tuesday night's game, won by Iowa Park, 62-48. For complete details of the game, as well as the Hawks, see page 11 of this issue.

Weather Report

Weather reports are officially compiled for Iowa Park at the Texas Experiment Station, southeast of town.

Rainfall for week.....	.86
Total for month.....	3.78
Total for year.....	3.78
Total last year.....	1.92

Arbor Day is program

Mrs. Charlie Lee was hostess and also gave the program for a Friday morning meeting of the Iowa Park Garden Club. The theme of the program was Arbor Day.

Mrs. Lee said that Arbor Day was normally observed on Washington's birthday but this year the observance was proclaimed for Jan. 21. She told what trees mean to the landscaping beauty stating that they gather pollutants on their leaves, give off oxygen as well as shade to lower temperatures in the summer. They increase humidity, the leaves provide mulch, and root system helps erosion. Mrs. Lee also remarked that more trees are cut each year for firewood than for lumber or paper.

The club makes a tree planting at Kidwell Elementary School every Arbor Day and has purchased two crepe myrtles for planting this year. During the meeting announcement was made that the bird sanctuary sign on E. Highway, erected and maintained by the club to encourage residents to protect and feed birds was in need of a fresh paint job.

Mrs. James Barrington was introduced as a guest. Twenty-two members were present.

State hospital subject of talk

Mrs. Connie Johnson, R.N., a nurse at the children's ward at Wichita Falls State Hospital, gave the program for the Tuesday evening meeting of Epsilon Eta chapter of Epsilon Sigma Alpha.

She said that the ward was established in 1973 for children with emotional problems from the ages of six to 12. Mrs. Johnson remarked that the ward was always in need of children's clothing and toys.

The meeting was held in the home of Mrs. Steve Turner, and Mrs. Bill Vanek served as co-hostess. Fourteen members were present.

During the meeting, Mrs. Al Maag was voted the outstanding first year member and Mrs. Turner was voted the Outstanding ESAer. The menu plans were made for the March 4 charity ball.

UMW meets

Mrs. Larry Parks, president of the United Methodist Women, directed the business during a meeting held Tuesday morning. Mrs. R.E. Waters gave the opening prayer which was followed by chairpersons reporting on activities of various groups.

Mrs. Miles Thompson gave the meditation taken from Millie Stamm's book of daily devotions, "Be Still and Know." The thought stressed was that each day is given for each one to use or to lose.

Sixteen members were present.

LOOK WHO'S NEW

Mr. and Mrs. James Cannedy announce the birth of their first child, Jordan Kane, an eight pound, eight ounce son, born January 8. Mrs. Cannedy is the former Trish Toliver of Haskell.

Grandparents are Mr. and Mrs. L.E. Harris of Iowa Park and Mr. and Mrs. Orb Cannedy of Vernon. Mrs. Louella Campbell of Iowa Park is the great-grandmother.

Cook of the Week

"The smell of mint stirs up the mind and appetite to a greedy desire for food," wrote Pliny, the Roman naturalist. The kind of mint that he had reference to is not identified in his quote, but peppermint that is an ingredient in one of Mrs. Al Maag's recipes today could very easily qualify.

The story of the origin of mint is a dramatic one. It has been mentioned in various ancient writings. The Bible states that the Pharisees paid tithe of mint, anise and cumin. It certainly is very popular in many parts of the world today. In Morocco, mint is added to green tea and sipped every hour. People in England like mint on apples; Italian cooks sometimes use mint in their famous minestrone soup, and it is widely used with meats, especially lamb, in lands east of the Mediterranean.

There are many kinds and varieties of mint, but the two kinds that are of much commercial importance today are spearmint and peppermint. Neither is native to the United States, but they were planted in New England very early and have become so thoroughly naturalized that both are now found growing wild throughout the country. Spearmint is believed to be the oldest of all mints, but peppermint has a stronger taste of menthol, and it is a popular flavor in the U.S. for candies, icings, frozen desserts, etc.

Judy Maag, who is secretary to the superintendent at the City View School, was graduated from Seymour High School. She has worked for Morgan-Dodge, Hodges Tires and an engineering firm. She is a member of Epsilon Sigma Alpha sorority where she is currently serving as publicity chairman and Jonquil Girl.

Judy and Al, who is self-employed as a builder and owner of Maag Construction Co., attend First Baptist Church. They have one daughter, Amanda, who is three years old.

Mrs. Al Maag

When asked about her hobbies, Judy said that she and her husband enjoyed playing golf, fishing and attending rodeos together.

MINT COOKIES

1 1/2 sticks butter
4 tbs. powdered sugar
2 tsp. peppermint extract
1 tsp. cold water
1/2-1 cup mints (or crushed peppermint swirls)
2 cups flour
Mix all ingredients together. Pinch off dough and roll in palm of hand into shape desired. Cook in slow oven (300 degrees) until light brown on the bottom. Remove from pan and roll in powdered sugar.

MEAT PIE

1 lb. hamburger meat
Onion, chopped
Bell pepper, if desired, chopped
Salt
Pepper
1 can cream of mushroom soup
1 can cream of chicken soup
1 can biscuits

Brown hamburger, onion and bell pepper; drain, add salt and pepper. Mix with 1 can of soup in 1 1/2 qt. casserole dish. Place in 350 degree oven until bubbly. Put biscuits on top of meat mixture. Bake until biscuits are brown, (about 15 minutes).
Note: Men like this dish if you can get them to taste it.

FIRE STICK CANDY

Boil:
2 cups sugar
1/2 cup light corn syrup
1/2 cup water
Dash salt
Bring to 290 degrees hard ball stage. Remove from heat. Add 4 drops of oil of cinnamon and red food coloring. Pour into pan and cool. Break into pieces.

ROTEL CHICKEN

1 can cream of chicken soup
1 can cream of celery soup
1 can Rotel tomatoes
1/2 cup broth
1 large boiled chicken
1 medium onion
Small pkg. Doritos
2 cups grated cheese
Bone chicken. Combine soups, rotel tomatoes and broth. In large pan, layer Doritos, chicken, onion and soup mix. Top with cheese. Bake at 350 degrees until bubbly.

MONKEY BREAD
1 cup pecans, chopped
3 cans biscuits (each biscuit cut in quarters)
1 cup sugar
Cinnamon, (as dark as you like)
1 stick butter melted with 1 cup brown sugar

Put pecans in bottom of bundt pan. Mix sugar and cinnamon in paper sack. Put cut biscuits in and shake until well-coated. Place on top of pecans. Melt butter and brown sugar together, then pour over top of biscuits. Bake at 350 degrees for 30 to 35 minutes. Dump out while still hot.

VJRC students are recognized

Iowa Park students attending Vernon Regional Junior College during the fall semester did well with their grades.

Jimmy Farr had a grade point average of 4.0 and was named to the President's List.

Gina Duncan, Carla Kent and Lisa Dietrichson made the Dean's List, which requires a 3.25 gpa.

The Honor List of VRJC is for students who do not attend full time but maintain a 3.25 gpa. Jody Upton made that list.

Obituaries

Betty Myers

Graveside services for Betty Myers, 89, of Wichita Falls, sister of Callie Smith of Holliday, will be held at 3 p.m. today at Fairmont Cemetery in Raton, N.M. under direction of Owens-Brumley Funeral Home. She was born Jan. 9, 1894, in Archer County and had lived in Wichita Falls since 1977. She was a retired postmaster from Abbott, N.M. and a Baptist. In addition to the sister in Holliday, she is survived by a brother, Ben Wilmut of Wichita Falls.

He was born Nov. 26, 1914, in Logan, Utah and had lived in Kamay since 1938. He was an oil field pumper and member of the Baptist Church. He married Jimmie Mae Johnson Jan. 29, 1965, in Kamay. Survivors include his wife; a daughter, Lavenia Lightfoot of Needville; a sister, Charlotte Woodall of Amarillo; four grandchildren and three great-grandchildren.

John B. Krebs

Services for John B. Krebs, 83, a native of Holliday, were held Tuesday in Caldwell, Kan. He was born April 23, 1899, in Holliday and died Saturday in Sunland, Calif. He is survived by three daughters, Verna Gist of Sunland, Colene and Christeen Krebs, both of Winters, Calif.; a sister, Loma Vollmer of Wichita Falls; five grandchildren; and two great-grandchildren.

Glen Kearsy

Services for Glen Kearsy, 68, of Kamay were Friday afternoon at Tanner-Aulds Funeral Home with Rev. Frank Ashley, pastor of Southside Baptist Church in Wichita Falls, officiating. Burial was in the Davidson, Okla. Cemetery.

CLOWNING AROUND - Mrs. Louie McCarthy was one of several recipients of Mean Green Lettuce at the Chamber of Commerce Banquet Saturday. Members of the Clown-Arounds had marked chairs at each of the tables and those who sat in them received the prizes.

IRS Tax Tips

UNEMPLOYMENT INCOME MAY BE TAXABLE

Taxpayers receiving unemployment compensation in 1982 may be required to include some or all of the money they received as income when filing their federal tax return, the Internal Revenue Service says. Generally, unemployment compensation payments are taxable, in whole or in part, if the total adjusted gross income, including unemployment compensation, exceeds \$12,000 for single taxpayers or \$18,000 for married taxpayers filing a joint return. Married taxpayers filing separate returns must report all unemployment compensation regardless of their adjusted gross income levels.

Unemployment benefits totaling \$10 or more during the calendar year are reported to the IRS by the agency making the payments. The agency should furnish a record of payments made to the taxpayer on Form 1099-UC by the end of January 1983.

Detailed information regarding the computation of the tax on unemployment compensation is information on Unemployment Compensation, which is available free by using the order blank in the tax package.

ITEMIZING DEDUCTIONS MAY SAVE TAX DOLLARS

Double check, the IRS says. You may pay less tax by filing Form 1040 because you can claim itemized deductions that cannot be claimed on Form 1040A or 1040EZ. Charitable contributions, interest, certain non-business taxes, medical and dental expenses, certain losses, and other expenses may be itemized as deductions on Schedule A (Form 1040).

The IRS says that some taxpayers

must itemize their deductions and some should itemize their deductions because it will save them money. Check the instructions in your tax return package for details.

TAXPAYERS WHO MOVE EXPECTING REFUNDS SHOULD NOTIFY IRS AND THE POSTAL SERVICE

If you move after filing your federal income tax return and you are expecting a refund, notify the post office serving your old address as soon as possible, the Internal Revenue Service says.

The IRS Service Center where your return was filed should also be notified in writing of the address change. This will help the IRS to forward any due tax refund to the new address as soon as possible. When advising the IRS of your address change, your Social Security number must be included in the correspondence.

4-H News

Mrs. Christy McKenzie discussed livestock and other types of entries for the County 4-H Club held Monday night at the home of Sheri Cravens. During the meeting, Markita Savage gave a report on the 4-H Council meeting and she and Christi Cravens reported on the Teen Leader Lab that they attended. Announcement was made of the judging team clinic Feb. 15 at the 4-H Barn.

Family tree is program

Mrs. Earl Watson told members of the Iowa Park Lioness Club that tracing the family tree could be looked forward to with anticipation and a sense of adventure as she spoke to them on genealogy at their Thursday evening meeting. She said that there would be times of difficulty, discouragement and frustration, but that each new find would lend hope and courage to try all the available keys to unlock the treasure house of ancestry. Mrs. Watson acknowledged that the study and investigation of ancestry and family history took a lot of desire, energy, patience and persistence, but she said that it gave opportunities to find new family members and friends, to increase knowledge of history and geography, and to provide the fun of being "detectives." She gave pointers on how to trace lineage and advised that one must remember the three "Ws" - who, when and where - in his efforts to preserve legacy. Mrs. D.O. James used "Tater Family" for the topic of the devotion showing how the "ter and tor"

members of family or organization could be either constructive or destructive. Mrs. L.A. Thurlo was in charge of business and served as co-hostess with Mrs. W.E. Karstetter in whose home the meeting was held.

Nine students on MSU roll

Nine students from Iowa Park were named to honor rolls at Midwestern State Univ. for the fall semester. Though the news release stated 55 students were on the Dean's Honor Roll and 117 on the University Honor Roll, the release did not specify on which roll the Iowa Parkans were listed. Named were Jill Koonce Callahan, David James Kirk, Linda Stewart Rinehart, Stuart Kent Strickland, Michael Anthony Lunney, Darlene Rose Mahler, Jodi Guthrie McDonald, Russell Steven Shawver and Connie Kay Heard.

Letter to the Editor

Supported chief

To the Editor:
In regards to the resignation of your former "Chief of Police".

I have known Bill Hamilton for over 40 years. He is an honest, hard working man and very loyal and fair in all his dealings. He is conscientious, and was extremely proud of the Police Department and the good job all the officers were doing. He has worked for the FBI and was a few months short of receiving his degree in Criminology. It would seem to me that the job of Chief of Police should go to a man who has the qualifications for the job. Then too, we are in a modern age and the department needs to move forward with the times and try to be as efficient as possible to give Iowa Park citizens and the surrounding community the best police protection it can offer. It is a shame that politics play a part in the determination of who is the Chief of Police.

He was extremely proud of Iowa Park and he and his family live there and worked and was active in Church and school activities. He is a good Christian man and I should think that would be very high on the list of qualifications for any public office.

I am sure the Police Department will continue to run even without him as Chief of Police, but I am sure it will not run as efficiently. Sincerely,
Alda Hart
San Diego, California

As I See It....

By BOB HAMILTON

The United States isn't doing a thing to dispel the "Ugly American" image we've been creating over the years.

Probably the origin of the image was the way some of our citizens acted when they were touring in foreign countries. You know, making a big deal of their importance, throwing around money and talking to people like they were beneath their station.

Many Americans have been known to become frustrated when their language was not understood by natives in foreign countries and showed their ignorance by thinking all they had to do was raise their voices in volume to get their point across.

While that probably isn't so much the case any more, our latest image tainting is the raping of foreign countries, especially in the Middle East, of their trained medical people, doctors.

I exchange newspapers with about 30 different communities across Texas, and it seems hardly a month passes that at least one of them is announcing a new doctor moving into the community. And they aren't American-born.

It seems most of them are from India, the Philippines and smaller countries in that part of the world. Some of them are even husband-wife physician teams.

Educationally, in that part of the country, the percentage of college

graduates is considerably less than here in the United States. And while we think we have a disproportionately small number of physicians completing school in the United States, imagine what it is like in those countries.

Yet, here they come. No one can blame them. The demand for doctors, especially in smaller communities in the United States, is tremendous. They can get guarantees of income the first few years in their new communities which would take 10 years or more to earn in their native countries.

And as a side feature, there are problems once they open their offices. It's difficult to understand them when they speak. And I'm sure pharmacists pull their hair out when they get a prescription to fill.

But, for some reason, we continue to hold down the number of students who want to enter schools of medicine in our country. I've known of students

who applied three and four years to more than a dozen schools of medicine without success, though they had the academic background and interest to enroll.

Maybe someone can explain it to me. But I'm not sure I will understand.

Happy Birthday
Vicki Bernice
From your dearest friends

Happy Birthday,
Lisa
No longer a teenager

Is your heating/cooling system gobbling up too much money?

If electric bills are taking too big a bite out of your budget, consider equipment with a higher energy-efficiency rating. The higher the rating, the less electricity it takes to heat and cool your home. And using less electricity will help hold down your bill.

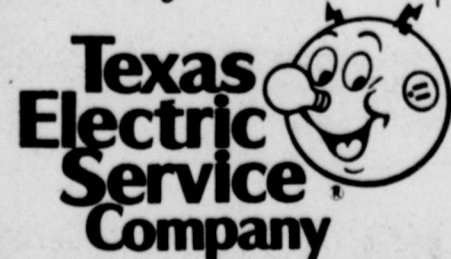

High-efficiency equipment costs more, but when the equipment qualifies, Texas Electric will give you a **bonus check** to help pay the

difference. So if you're planning to install a room unit, or replace central air conditioning or a year-

round heat pump, ask your dealer about equipment that qualifies for a bonus check from Texas Electric.

And put money back in your pocket.

NOTICE TO SUBSCRIBERS!

The Iowa Park Leader has suspended its practice of mailing individual renewal postcards to subscribers. Instead the Leader will publish a list of readers whose subscriptions are approaching expiration. Subscription prices are listed below, along with a convenient order form which may be clipped, filled out and mailed with payment to the Leader. Renewals and new subscribers must be paid in advance.

Burglars hit school vault

Damage is said greater than money taken

Local and county law enforcement officials are still investigating a break-in over the weekend at the superintendent's office on the campus of Holliday's schools, where thieves did more damage to the building than what cash was finally taken.

Superintendent Dan Owen said the break-in was discovered shortly after 7 a.m. Monday. "We are still waiting to get an estimate of the damage to the building," he said. Taken was approximately \$700 in cash from cafeteria receipts, basketball funds, the sophomore class, and petty cash. "The amount of cash in the vault was unusual," Owen remarked. "We usually don't keep more than \$100 in it."

The burglary was the first since 1965, when thieves tried twice to break into the school. On the first occasion, entry was gained through the gymnasium and both offices in the building now housing the elementary grades. The second time, thieves did extensive damage to the vault, and it was replaced by the one broken into over the weekend.

Owen said a green bank bag with

"Parker Square Bank" imprinted on it contained cash and checks for the sophomore class supper, which is tomorrow night. Another bank bag, colored gray and with "InterFirst" imprinted on it, contained Friday's cafeteria receipts. Checks totalling over \$300 were included with the \$700, but enforcement officials feel those were destroyed or stashed with the bank bags.

Entrance to the building was gained by breaking the window to the door on the east side of the elementary building. The thieves apparently knew exactly where the vault was, when they next attempted entry through the east door to the superintendent's office. After attempts to go through the ceiling to the office failed, the thieves then tried to jimmy the door lock, which also failed. They then broke the window on the door, and unlocked it through the other side.

Once inside the office adjacent to the superintendent's, which is now occupied by the secretary, the thieves ignored a typewriter and calculator

on the desk, and apparently went straight to the door to Owen's office, breaking out a vent on the lower half of the door, crawling through it, and unlocking the door.

Once inside Owen's office, the thieves taped a piece of cardboard over the window to the other door, apparently to ensure their work could be done unnoticed but with the lights on. Either before or after breaking into the vault, the thieves went through Owen's desk and file cabinets, finding nothing, but once again neglecting the typewriter and calculator on his desk.

The ceiling tile directly above the vault's door was removed, but the thieves apparently decided against going into the vault from above, possibly knowing the ceiling and walls of the vault are more than a foot thick.

The knob to the vault door was broken off, and the thieves had worked extensively on the frame of the vault, with no success. They then went to work on the door, peeling back the metal next to the knob to force three of the door's six bolts back, enough to pry the door open.

Once inside the vault, the thieves searched and found the bank bags,

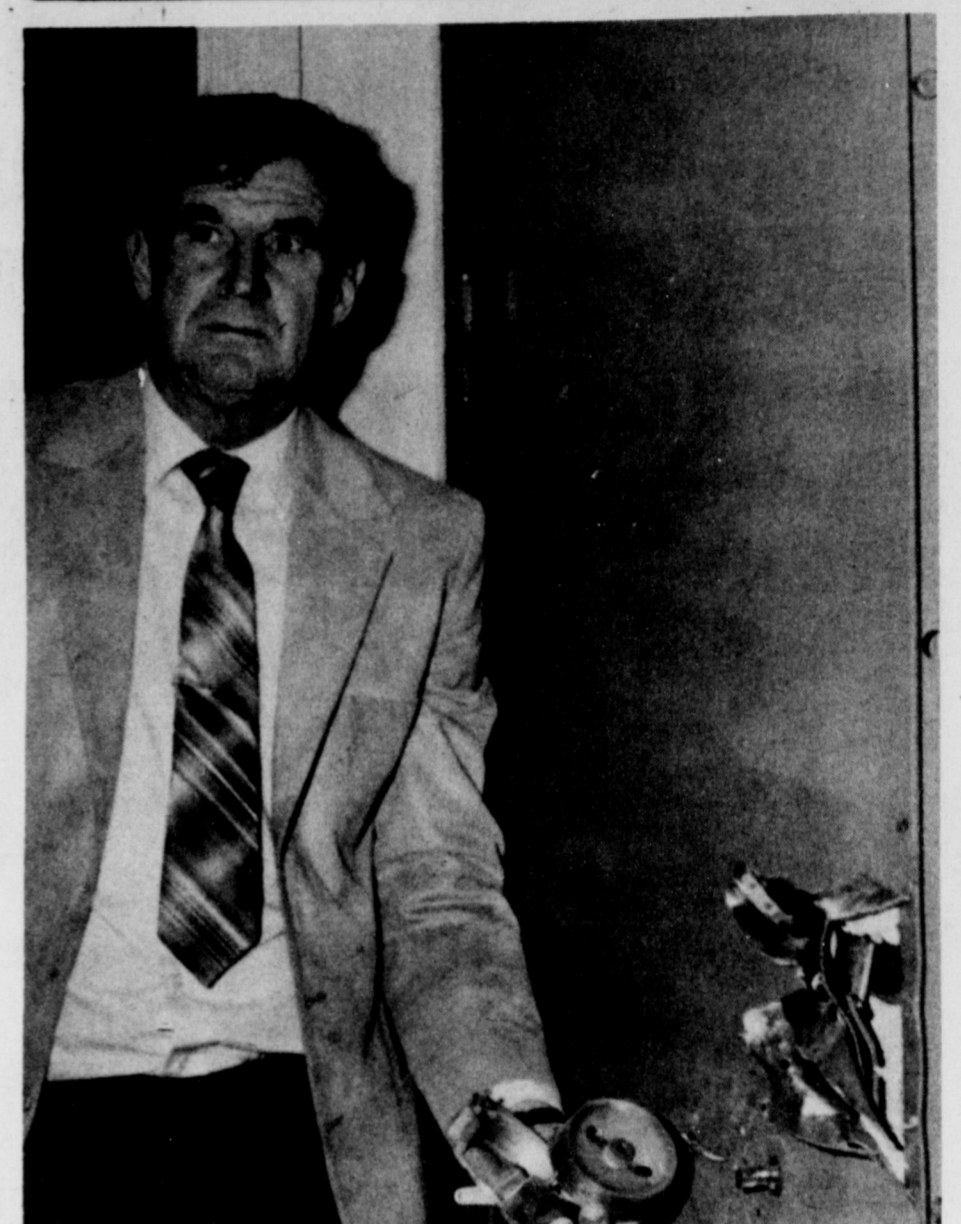

which were in separate places, and went through several records, apparently thinking money was stashed among them.

Wednesday afternoon, Owen said local and county enforcement officials are still working on the case, and evidence which he chose not to elaborate on has also been found which has provided sound leads for the officials. Damage to the building has been estimated from between \$1,500 and \$2,000. Owen said school officials are looking into their insurance coverage, but feels the contents and stolen money are covered, but not without a deductible sum. "It is our hope that the sophomores will get most of their cash back," he said.

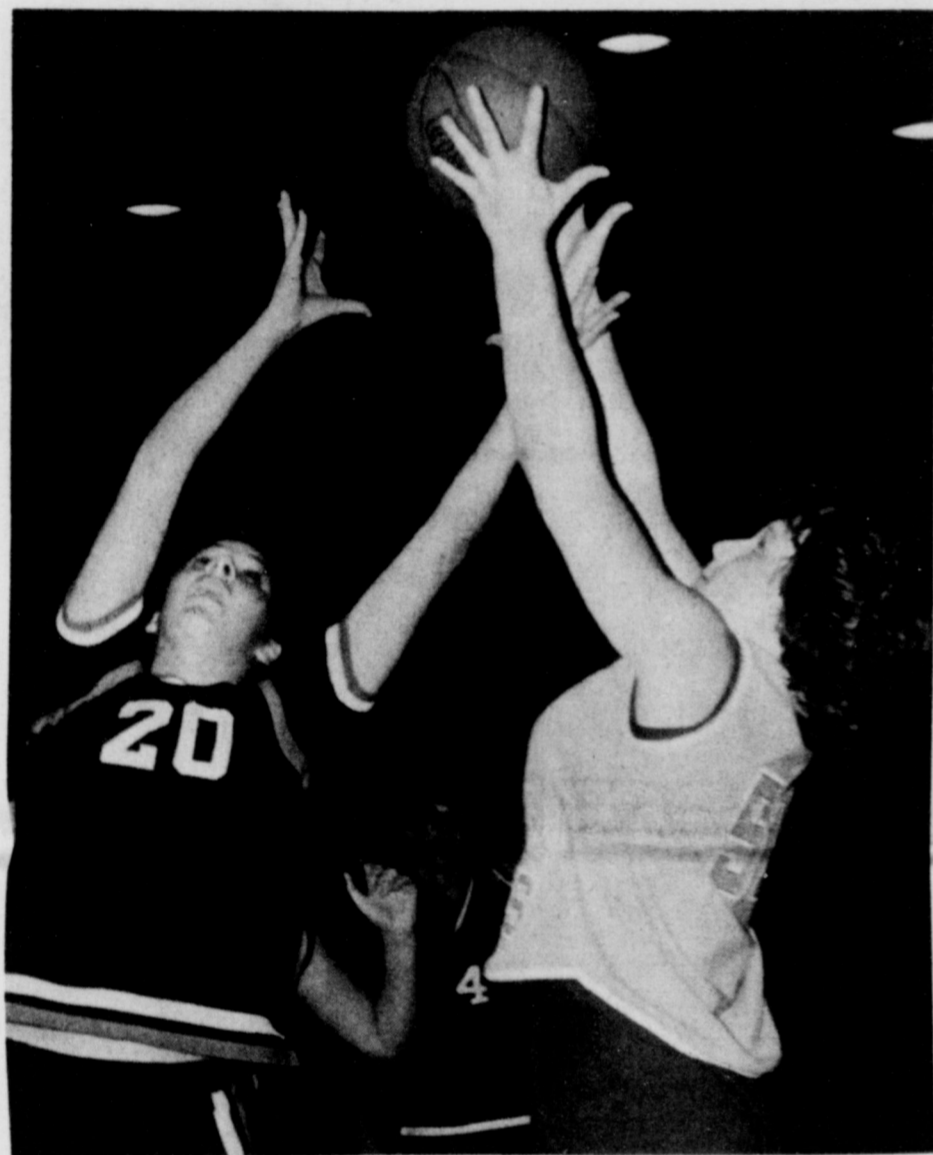

The vault was at one time equipped with an alarm system, but Owen said it was disconnected when the building was remodeled. The school board looked into the possibility of installing a new system two years ago, but no action was taken. Owen said it will be brought up again in the near future.

Enforcement officials present Monday morning were Holliday police chief Lomax Campbell and Archer County Sheriff's deputy Richard Wynn.

Holiday News

HOLLIDAY SUPT. DAN OWEN HOLDS PIECE OF VAULT ... expensive vault door might have to be replaced.

KIM BLANKENSHIP GOES UP FOR REBOUND ... in recent game with Nocona.

Lady Eagles bomb Knights

In non-conference action Tuesday night, Holliday's Lady Eagles outmuscled Notre Dame's Lady Knights 41-30, avenging an earlier loss to the same team, and lifting the spirits of Steve McIlhane's squad after a loss to Archer City last week.

In the Notre Dame win, senior center Debby Long poured in 21 points while controlling the boards. Laura Lowder helped Long on the boards while adding 12 points. Kim Blankenship had four.

The Lady Eagles took an 8-6 lead after the first period, and never gave up the lead. Holliday went up two more, 20-16, before halftime, and 28-23 after the third period.

The Lady Knights would have had a better night if they could have

converted their free throws. Notre Dame was called for fouls only six times, while Holliday was whistled 16 times.

Against Archer City last Friday, the Lady Eagles fell 40-22 to the zone-leading Wildcats, while the boys took a 71-43 win over the Wildcats to go 4-1 in district.

Laura Lowder led Holliday in scoring with eight points. The girls are now 11-14 on the year, and 3-3 in district.

Meanwhile, the Eagles maintained their hold on first place in the west zone with big man Kevin Lilley pumping in 24 points from center. Mike A. Parker and Brad Harmon added 12 each.

Where to tune in bad weather

Holliday High School principal Bill Lee recently announced an inclement weather schedule which includes news organizations where school closings or openings will be announced and policy regarding bus students and students driving their own automobiles.

Television stations KFDX (Channel 3) and KAUZ (Channel 6); or radio stations KLUR, KKQV, KTRN and KNIN will carry announcements of school closings or openings in Holliday during bad weather.

Bus routes will start at regular time, and students must be ready to board the bus once it passes the

student's home, according to Lee. He also said time may vary when the bus arrives during inclement weather, but it is the student's responsibility to wait for it. When buses are able to complete route and the student does not attend school due to weather conditions, the absence will be unexcused.

Students driving their own cars will also receive unexcused absences if buses complete their routes but the student remains at home due to bad weather.

A revised schedule will also be implemented during bad weather, with first period beginning almost an hour later than normal, at 8:55 a.m.

On honor roll

Holliday High School graduate Cynthia Carol Davis, daughter of Mr. and Mrs. Chuck Parker of Holliday, was listed on the honor roll at Midwestern State Univ. for the 1982 fall semester.

Brackeen graduates

Holliday graduate William Clifford Brackeen received a bachelor of business administration degree in finance from Sam Houston State Univ. recently.

Rock-A-Thon to benefit MDA

The Holliday High School FHA is sponsoring a 12-hour Rock-A-Thon from 9 a.m. - 9 p.m. Saturday at Dillard's Court in Sikes Center to benefit the Muscular Dystrophy Association. More information about the Rock-A-Thon in the Wichita Falls's mall is available by calling Denise Rogers, FHA sponsor, at 691-5895 or the MDA office at 322-8648.

Wedding date is selected

Mr. and Mrs. Leroy Addison of Holliday announce the engagement of their daughter, Gerri Lynn, to Daniel Leon Gilliland, son of Mr. and Mrs.

Leo Gilliland of Cheyenne, Okla. The couple will be married at 6 p.m. Feb. 26 at the First Baptist Church in Holliday.

Announce engagement

WANDA LOU THOMAS

Mr. and Mrs. Douglas Thomas of Holliday announce the upcoming marriage of their daughter, Wanda Lou to Mark Anthony Tomaselli, son of Mr. and Mrs. Vincent Tomaselli of Wichita Falls.

The couple will exchange vows April 16 at Our Lady Queen of Peace Catholic Church in Wichita Falls.

PUBLIC NOTICE

On January 25, 1983, Texas Electric Service Company, a subsidiary of Texas Utilities Company, in accordance with procedures established in PUC Docket No. 4224, filed with the Public Utility Commission of Texas a request for approval of certain payments to affiliates. Such payments will be reflected in the Company's fuel cost factor for all classes of customers during the billing quarter April through June 1983.

A public hearing concerning this request will be held at the offices of the Public Utility Commission, 7800 Shoal Creek Boulevard, Austin, Texas, March 7, 1983 at 9:00 a.m.

Payments to Texas Utilities Generating Company for which approval is requested are in accordance with the following prices:

Big Brown	\$0.673215 per one million Btu
Martin Lake	\$1.047895 per one million Btu
Monticello 1, 2	\$0.733081 per one million Btu
Monticello 3	\$0.803260 per one million Btu

Payments to Texas Utilities Fuel Company for which approval is sought are in accordance with the following price:

\$0.161958 per one million Btu

A copy of the request is on file with the Public Utility Commission.

TEXAS ELECTRIC SERVICE COMPANY

Clinic set today

The Texas Department of Health will conduct an Immunization Clinic from 2-4 p.m. today at the Archer Service Center in Archer City, according to public health nurse Zandra Underwood, R.N.

Immunizations against DTP, polio, measles, mumps and rubella will be offered. Persons using these services are asked to bring along immunization records.

Friday, February 4

Breakfast: French toast, syrup, milk.
Lunch: Hamburgers, lettuce, tomato, chips, onions, milk, ice cream.

Monday, February 7

Breakfast: Oatmeal, toast, milk.
Lunch: Fish, tartar sauce, macaroni and cheese, milk, cole slaw, cookies.

Tuesday, February 8

Breakfast: Donuts, milk, juice.
Lunch: Roast turkey, creamed potatoes, gravy, green beans, cake, milk.

Wednesday, February 9

Breakfast: Toast, jelly, milk.
Lunch: Chalupa, lettuce, tomato, cheese, beans, milk.

Thursday, February 10

Breakfast: Scrambled eggs, biscuits, bacon, fruit.
Lunch: Chili-cheese burrito, French fries, pear cobbler, milk, spaghetti.

In Texas, 98.5% of all the people killed in passenger cars, trucks, and buses in 1980 were not wearing their seat belts.

NEWS FROM THE

Halls of the Hawks

By KARI HAMILTON

The Red Cross Bloodmobile is going to be stationed at the high school Monday. Students ages 17 and 18 are asked to give blood. Requirements are posted on the office window. The goal is 75 people.

Students in Art Two have put their artistic abilities to use. They repainted the band hall in green, yellow and black in the form of a musical staff with notes. Artists were Jerry Lasseter, David Strayhorn, Teri Oswald, Rhonda Wheeler, Rhonda Trantham, Ray Boutwell, Charles Adams and Johnny Stone. Their instructor is Barry Lucy.

Seniors ordered caps and gowns and announcements last week. Prices of announcements varied according to what was ordered, and the price on the cap, gown and tassel as a unit ran \$9.25. The announcements and gowns are due to arrive in April. Seniors will pay for what they ordered when the shipment arrives.

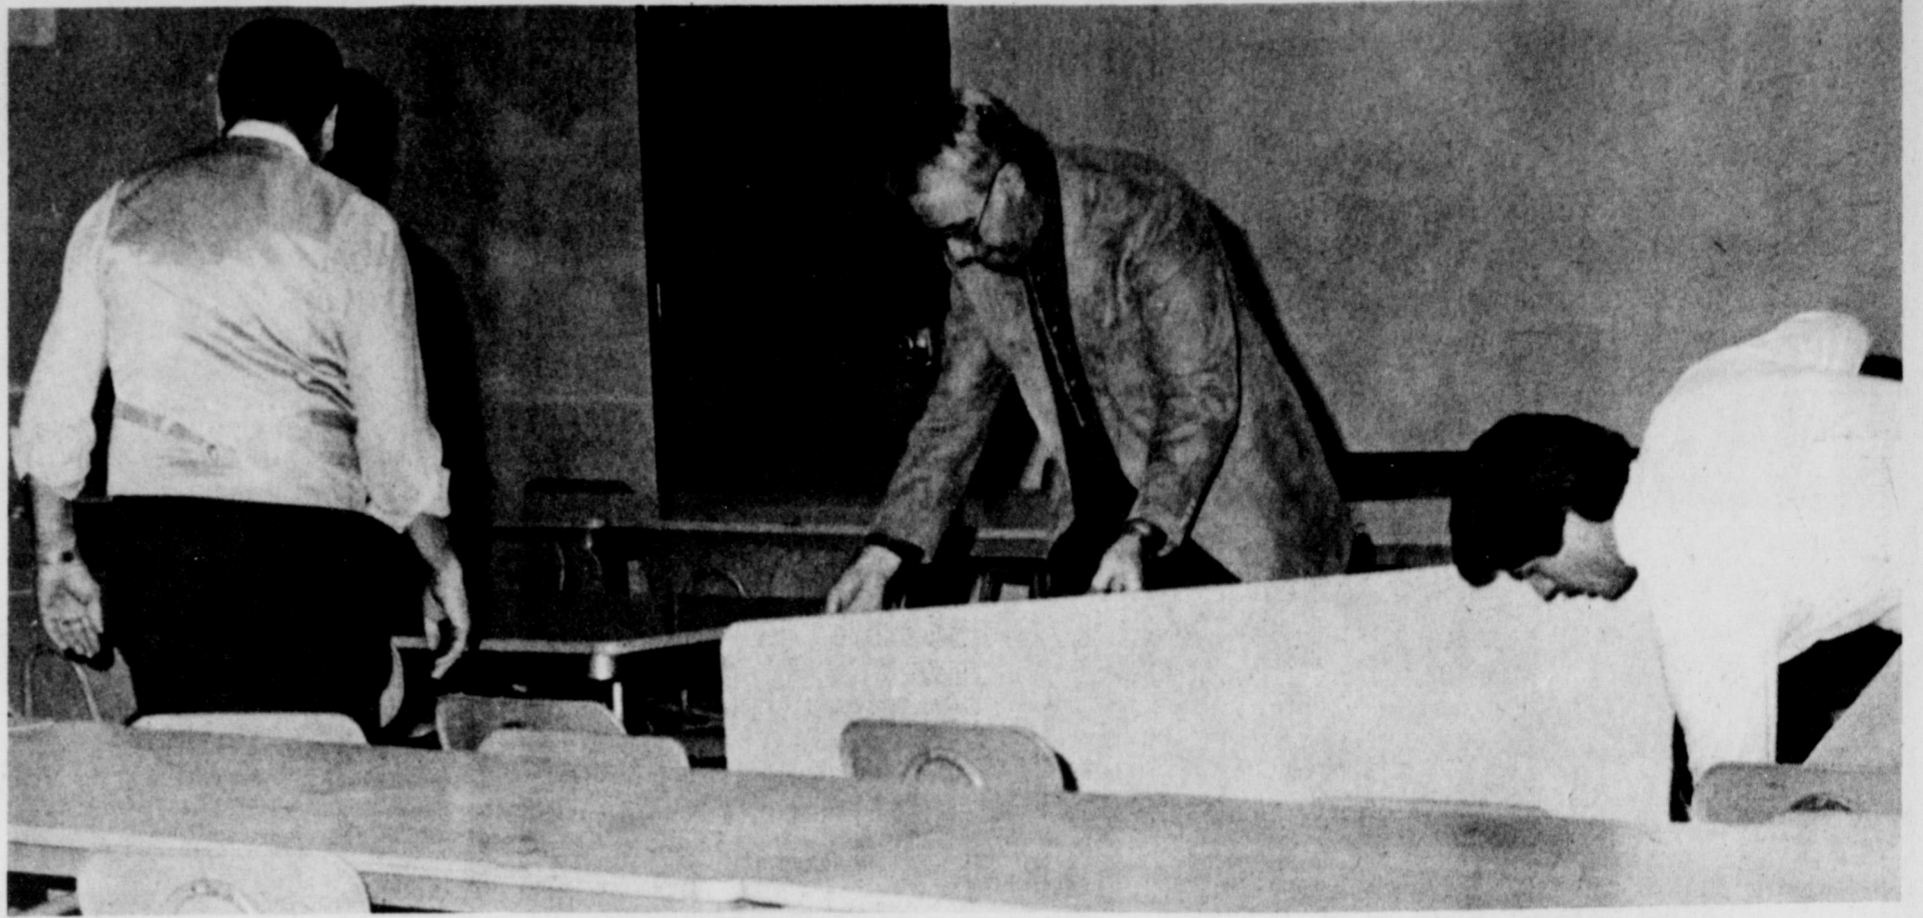

At the Chamber of Commerce banquet, held Saturday, Coach Ernie Reusch was named Educator of the Year. Reusch is coach of the boys' varsity basketball team, golf coach, assistant coach of the varsity football team and geometry teacher.

Farmer named to Dean's List

Bill Farmer was one of 58 students attending the Univ. of Texas Medical Branch School of Allied Health Sciences at Galveston who were named to the fall semester Dean's List.

The son of Mr. and Mrs. J.W. Farmer, 414 W. Aldine, he is in the department of physical therapy.

To be named to the Dean's List, a student must receive a grade point average of 3.5 or higher for the semester.

HELPFUL SPEAKER - After the chamber banquet Saturday night, Dr. Don Newbury, center, helped school personnel and Chamber members rearrange

cafeteria furniture. He is shown here with Bill Steger and Phil Welch.

The Eyes Of Texans

JAMES EDWARDS Optometrist

IS 20/20 VISION GOOD ENOUGH FOR DRIVING?
If you think that having 20/20 vision will automatically allow you to handle a car like a race car driver, "it ain't necessarily so." Besides seeing 20/20 (which means you can see a letter about 5/16th of an inch at a distance of 20 ft.), you need good stereopsis or 3D vision. And for this you need two eyes that work together as a team. (You can have 20/20 in each eye and still see double or suppress one eye. It's very important to have good peripheral or side vision. Normal color vision while not mandatory is an asset and last but by no means least, you need to have normal nite vision so you can see in dim lite situations.)
If you have noticed that you don't see road signs as well as you once did, especially in low lite conditions you may need a change in your glasses or a need for glasses if you haven't worn them.
You don't need 20/20 vision to get a driver's license. All you need is 20/40 in one eye. But having 20/20 eyes and all that goes with it is the "racer's edge."

TRU-TEST PAINTS
PAINTING HELP
SPOKEN HERE.
Bonnie Blair
BY TRU-TEST COLOR CONSULTANT
Dear Bonnie:
The living room of our home is large and light but disfigured with uneven, cut-up walls. It has a number of juts and jogs that seem to dominate the room. Can something be done with color to help this situation. Hopeful
Dear Hopeful:
Your room is, no doubt, now painted white or a very light color that contrasts sharply with the dark shadows cast by the juts and jogs. If you paint your walls with a dark color it will conceal the shadows and, in effect, tend to straighten out your walls. Choose a matte (flat) Tru-Test finish.
Very popular now are browns but Navy Blue, Leaf Green, Dark Red or Charcoal will do as well.
Browns:
TRU-TEST Custom Colors 7737, 7722, 7729
Navy Blues:
TRU-TEST Custom Colors 7809, 7813, 7811
Leaf Greens:
TRU-TEST Custom Colors 7783, 7784, 7780
Dark Reds:
TRU-TEST Custom Colors 7726, 7723
Charcoal:
TRU-TEST Custom Color 7721

Like a good neighbor, State Farm is there.
STATE FARM INSURANCE COMPANIES
Home Office: Bloomington, Illinois

Hawkettes join three in lead; Hawks second

In Wichita Falls Tuesday night, the Hawkettes breezed their way back into a tie for first place in the district standings, but the Hawks were once again reminded that it's almost impossible to win in Hirschi's gym.

The Hawkettes had no difficulty beating the cellar-dwelling Lady Huskies, 82-48. Coupled with Friday's two-point win over Boswell, 50-48, Iowa Park now finds itself in a four-way tie for the conference lead with Mineral Wells, Vernon and Azle.

It was just the reverse for the Hawks. They blew Boswell out of the gym Friday, 73-48, but lost a two-point decision to Hirschi, 52-54.

Iowa Park will host Gainesville tomorrow evening and then travel to Vernon Tuesday. Following the Vernon game, the Hawkettes will have only one more game on their schedule, Mineral Wells here Feb. 11.

The Hawks also host Mineral Wells, and then hit the road for their last two scheduled games, Burkburnett Feb. 15 and Azle the 18th.

HAWKETTES WIN
The Boswell game was one of those nip-and-tuck, fingernail-chewing contests in which the lead

changed throughout the 32-minute period.

Both teams had 14 points at the end of the first quarter. Boswell surged ahead, 25-23, at the end of the half. But the Hawkettes outscored the visitors 14-8 in the third period to lead 37-33 going into the final stanza.

Before she fouled out, Lisa Yeakley had racked up 25 points to lead scoring. Lisa Holloway had eight. Lisa Sefcik, another starter, also fouled out.

Starting slowly Tuesday, the Hawkettes had only a five-point lead after the first stanza, 19-14. But they rolled to 39-23 in the second and increased that to 51-33 after the third. Coach Ray Sefcik's club had a 24-point lead before he emptied his 12-player bench in the final quarter.

Yeakley again led scoring with 21 points and Holloway had 10.

HAWKS SPLIT
Marc Klinkerman had his

season-high performance Friday against Boswell, canning 12 field goals and four foul shots to total 28 points. Kevin Biddy Scored 14.

The Hawks extended their 12-8 first-quarter lead to 30-20 by halftime and went into the final stanza 50-35.

In Tuesday's game, the Hawks were playing catch-up the entire game. Twice in the third quarter they were down by 11 points, and by 13 in the fourth period, but they almost pulled into a tie at the final buzzer.

Trailing 36-39 going into the fourth period, Hirschi's press resulted in several Hawk turnovers which aided the Huskies in gaining their big lead.

But Wayne Hodges, who was high for the evening with 18 points, pulled the Hawks within striking distance by scoring six of his points between 3:44 and 1:52 remaining in the game.

A Hodges rebound and layup with 20 seconds remaining narrowed the

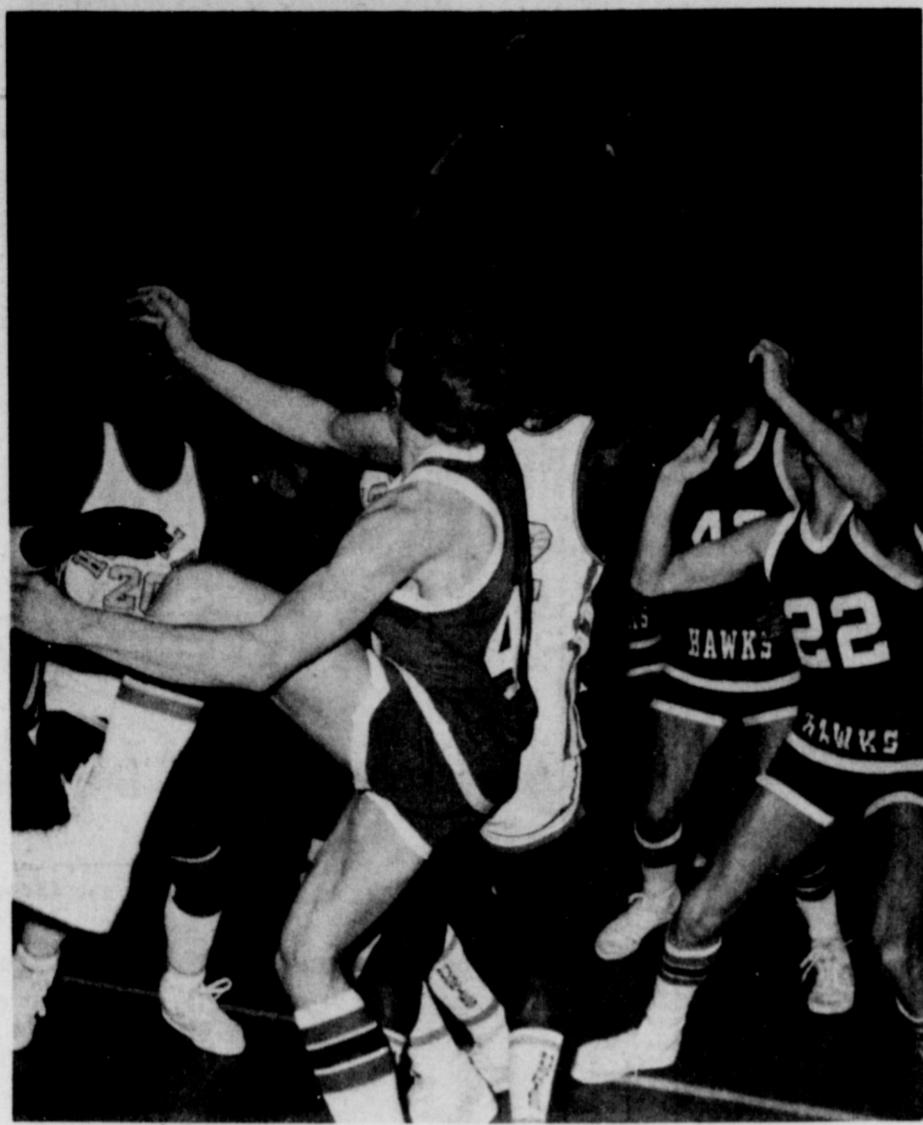

score to 52-54, after which Hirschi missed three shots at the foul line.

Taking the last shot attempt missed with six seconds remaining, Biddy worked his way to the top of the key and launched his patented jump shot. The final buzzer sounded just before the ball bounced on the front of the rim, against the backboard, and back off the rim, falling to the floor.

Biddy, one of the district's leading scorers this year, was given little chance offensively as he had two defenders assigned to him most of the game. He was held to 10 points.

The loss left the Hawks, now 15-10 for the season and 6-3 in Dist. 3-AAAA play, in a tie for second place with Burkburnett.

Hirschi stands atop the district list with a 19-5 season and 8-1 loop record, their only blemish at the hands of the Hawks. The Huskies must play at Azle tomorrow night.

PLAYERS AWAIT REBOUND UNDER BASKET ... during game at Hirschi Tuesday.

Fri., Feb. 4 - Tacos with cheese, meat or cheese sandwich, soup, lettuce & tomatoes, Mexican beans, corn bread & butter, chocolate & plain milk, dessert.

AREA OIL & GAS NEWS

Location has been staked by Anderson Oil Co. of Burkburnett for a 1,700-foot developmental probe in Wichita County's F. Huseman Survey, seven miles northwest of Burkburnett. The well is designated as the No. 20 E.J. Simons. Drillsite will be in a 130-acre lease in the Wichita County Regular Field.

The No. 1 Lisko-Dutton and the No. 1 Greystone-Dutton are slated to be drilled in the Wichita Regular Field by Camino Corp., operator from Wichita Falls. With projected total depths of 1,250 feet per week, they will be spudded in a 23-acre and a 2.2 acre lease of the Denton County School Land Survey, eight and 8.3 miles west of Wichita Falls.

The No. 1 Cullum Headquarters, a developmental well in Wichita County's Denton County School Land Survey, is scheduled to be drilled five miles east of Kamay. Fennell Oil Co. of Wichita Falls is listed as the operator. Location is in a 160-acre lease in the Wichita Regular Field. Projected total depth is 5,200 feet.

The No. 5 Mason, a developmental try in the Wichita Regular Field, is scheduled to be spudded seven miles northwest of Burkburnett. With projected total depth of 1,800 feet, the well will be in a 125-acre lease in Wichita County's F. Huseman Survey. Don Dennis of Grady,

Oklahoma is listed as the operator.

Pumping 10 barrels of crude per day, a new producer has been finaled in the Wichita Regular Field by Lamplery Oil Inc. of Gulfport, Mississippi.

The location is in a 100-acre lease in Wichita County's D. Matthews Survey, three miles south of Burkburnett. Well's designation is the No. 4 Preston.

Total drilling depth was 680 feet and the pay zone was entered at 609 feet. The well was perforated to produce from an interval 609 to 613 feet into the hole.

Wichita Falls-based E.E. Yarberry has turned in first production figures for its No. 7 J.L. Jackson, a successful developmental well in the Wichita Regular Field.

Pumping oil at the rate of 4 barrels per day, the well was tested on an open choke.

Drillsite was in a 26-acre lease in Wichita County's Denton County School Land Survey, one mile north of Holliday. The well was taken to a total depth of 855 feet, after entering the pay zone at 753 feet. Production interval will be 753 to 770 feet into

the wellbore.

Mobile Producing TX & N.M. Inc. of Houston has revealed plans to drill five developmental wells in the West Electra Field. The operator has 1,099-acres leased, with drillsites in Wilbarger County's H&TC Ry Co. Survey, about three miles northwest of Electra. The No. 145 thru No. 149 Frances Sumner have proposed total depths of 3,000 feet; the No. 148 Frances Sumner is expected to go to a total drilling depth of 2,000 feet. The No. 149 Frances Sumner is expected to reach 3,500 feet depth.

A new oil producer in the Wilbarger County Regular Field has been finaled by Ayers & Burch of Wichita Falls. Designated as the No. 85 Humble-Stephens, the well indicated capacity to produce 9 barrels of oil per day on an open choke.

The location is eight miles south of Vernon, in a 164-acre lease in the H&TC Survey, Wilbarger County.

Bottomed at 2,247 feet, the well will produce from an interval of perforations 2,075 to 2,080 feet into the hole. The pay formation was first encountered at 2,075 feet.

IRS Tax Tips

SICK PAY BENEFITS ARE TAXABLE INCOME

Taxpayers who become sick or injured on the job and receive sick pay benefits from their employer must include the payments as income on their federal tax return, the Internal Revenue Service says.

The payments are taxable whether they were made directly by the employer or from a welfare fund, a state sickness or disability fund or an insurance company, provided the plan was paid for by the employer.

Benefits received under an accident or health insurance policy for which the employee paid the premiums are not considered taxable by the IRS.

More information on sick pay benefits is contained in the free IRS Publication 525, "Taxable and Nontaxable Income," which can be ordered on the handy order form in the tax package.

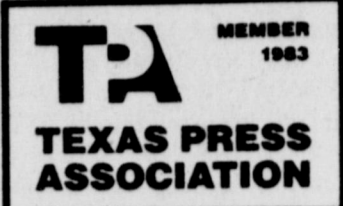

SONNY HINOJOSA this week was named soil conservationist with the local district. A native of Edinburg, he is a December graduate of Texas A&I, where he received a degree in agriculture education.

Jameson named fire chief

Long-time Iowa Park area resident Jim Jameson was named Tuesday chief of the Wichita Falls Fire Department.

Jameson, who lives on Valley View road just off FM 368, is the father of three graduates of Iowa Park High School: Randy, Kathy and Glen.

After joining the department in 1953, Jameson has worked his way through the ranks as driver, lieutenant, captain, battalion chief, and has served the past 10 months as acting chief.

Assistance offered for SS appeals

Area residents who have appealed the termination of Social Security disability benefits may now be able to qualify for emergency assistance, a public service law office in Wichita Falls announced.

A new law, effective Feb. 1, provides that anyone who presently has a disability appeal pending at either the reconsideration or administrative law judge level may be entitled to have benefits restored, said Mark Heller, managing attorney of the Wichita Falls office of West Texas Legal Services.

The law applies to persons who were receiving disability payments from Social Security and whose payments were cut off and who then appealed, Heller said. Persons in this situation should contact the nearest Social Security office.

The Banvel® herbicide advantage: Gets mustard in wheat.

Banvel® herbicide puts more power in your tank-mix.

Small weeds can mean big problems in wheat. They quickly rob moisture and nutrients from a growing crop—cut bushels off a final yield.

An early application of Banvel herbicide and 2,4-D in a tank-mix tackles tough weeds... penetrates weed leaves... is absorbed by the roots... and moves throughout the weed for complete control of even those weeds 2,4-D misses. All without carryover.

Build your wheat weed control program around the popular Banvel tank-mixes. You can tank-mix Banvel with 2,4-D, MCPA or bromoxynil to control many of your toughest broadleaf weed problems: annual mustard... wild buckwheat... cocklebur... sunflower... pigweed and many more. And for difficult to control problems such as henbit and gromwell, you can depend on Banvel's special use tank-mix with higher rates of 2,4-D.

Ask your ag chem dealer about a Banvel herbicide tank-mix. You'll get effective weed control and bigger wheat yields.

Banvel® HERBICIDE

Your Home.

Home is where your heart is, but more than that it's a source of pride, of a feeling of permanence and security. Home brings a new spirit of caring, about yourself, family, neighbors, your community, your country. It's a place to dream in, laugh in, feel free in, safe in, teach in and set good examples in. Home, an investment in the truest sense, making possible the seemingly impossible, your stake in America's future. Home is where your heart is, and more, much more.
