

April 21

EARL WATSON  
520 W. CLARA  
IOWA PARK, TX 76367 112

**LIBRARY FUND-RAISING** got underway with ceremonies Sunday afternoon with a program that included entertainment by bands and a choir, a speech by Merle Anthony of Wichita Falls, tours of the Burnett home, which will eventually house the library, and explanation of the drive and money needed to remodel the home. Above, Tim Hunter, fund-raising chairman, explains the project to a large audience while students enter the structure for a tour, and Mrs. Anthony waits at the right to make her address. In the photo on the side, Lita Watson unveils an official state historical marker in memory of the late Tom Burnett, for whom the library will be named. The rich history of the Burnetts was the subject of Mrs. Anthony's talk, which was followed by the unveiling.

# Street project financing on Monday's city agenda

Among items on Monday night's city council agenda is action to finance the resurfacing project currently underway on West Park.

The meeting is to begin at 7 p.m. in council chambers.

The city will hold a public hearing on a proposal to amend the federal revenue sharing budget, and then consider a resolution to amend the budget to finance the project.

Another resolution to be offered is

to revise the final plat on lots on the south side of the 500 block of Coleman, shortening depth of the lots from 75 feet to 70.

Dennis Brooks has requested a personal appearance to request water service to property he owns west of the high school.

Aldermen will consider bids to sell an old sanitation department pickup and appointment of a replacement for Herman Eseeu on the planning and zoning commission.

Administrator James Barrington, in response to a request made at the last council meeting, will report on a survey of homes and businesses in the city that do not receive sewer service. The count, Barrington said, is 36 homes and one business.

Barrington will also report the order of a mosquito "jet fogger" which will cost considerably less than was budgeted at the beginning of the year, which likely will be delivered prior to the beginning of mosquito season.

## Hannah quits police post

After 24 months on the Iowa Park police force, Pat Hannah yesterday submitted her resignation.

Hannah, the first female officer employed by the city, was suspended April 8 for "a recent incident that was the last in a series of questionable activities and was at best sloppy police work," according to James Barrington, city administrator.

The city agreed yesterday afternoon to give Hannah four weeks severance pay in return for a signed agreement that no legal action would be taken in the future against the city or any city personnel.

The severance pay, which was the same as paid former chief Billy Hamilton, was referred to in yesterday's Wichita Falls newspaper as "an undisclosed cash settlement."

Barrington cited several reports made by Wichita Falls media as being inaccurate or incomplete.

## Budget, clean-up Chamber topics

The year's budget was approved and organizations whose members worked on the city's Clean-Up Week campaign recognized during Monday's monthly meeting of Chamber of Commerce directors.

Directors approved a balanced budget of \$10,690 for 1983. Under expenses, a bank note was paid and \$900 included to pay for the new roof which was recently installed.

## Sales tax up here

Iowa Park was the only city in Wichita County reporting an increase in sales tax for March, according to the state comptroller office.

The city received \$6,834.70 in sales tax for the month, an increase of 31.22 percent over the same month in 1982.

The other three cities of the county reportedly had decreases: Burkburnett down 8.08 percent; Electra down 33.39 percent and Wichita Falls down 9.64.

Holliday also showed a decrease of 33.85 percent, receiving \$4,746.74.

There's still a lot to be done, but we got the major portion," she commented.

Directors approved a proposal to raise booth fees for the Whoop-T-Do to \$20 this year. The event, with H.M. Nipper as chairman, has been set Oct. 22.

# Police arrest burglar suspect

A 37-year-old Henrietta man was charged Saturday morning before Justice of the Peace Virgil Hill for "burglary of a building" after being taken into custody Friday night in Wal-Mart.

had been pried open, as well as the door to the drug cabinet.

slashed sometime Saturday night. No estimate of loss was included on the report.

Robert Calvin Swenson was charged and placed in Wichita County jail in lieu of \$5,000 bond.

Pharmacist Larry Pribble listed in his inventory of missing drugs: 25 vials of liquid Dilaudid; six bottles of Dilaudid capsules; and two bottles of Desoxyn tablets.

Police picked up a 24-year-old man here early yesterday morning who was wanted on two warrants in Ohio.

Officer Raymond Russell responded to a report at 9:58 p.m. that the outdoor alarm of the business was sounding. Unable to find an unlocked door, he called for manager Mark Reed to unlock a door so the alarm could be shut off.

Officers surmise that the suspect had hidden in the store prior to its 9 p.m. closing as the reason all exterior doors were locked when Russell attempted to enter.

The suspect, John Martin Miller, and another man were stopped while walking northbound on U.S. 287 at 2:09 a.m. A check of identification verified one man was not wanted, but Miller was sought for theft of check on which a \$1,000 bond was posted, and another charge of "parole absconding" filed in December.

### TIRE SLASHINGS

While in the building, according to the police report, Russell heard a noise in the rear stock room. He called for backup of Capt. Robert Dean, and the two launched their investigation.

Three separate incidents of tire slashings in a south Iowa Park neighborhood were reported on two consecutive nights.

Miller was held in city jail until transportation to Wichita County jail where he will await action by Ohio authorities.

There is a second floor in the rear section of the building, and the officers could hear someone moving in the upper part. The suspect was told to put his hands over his head and come down, and he did.

Jimmy Stansbury, 811 S. Wall, said two tires on his pickup were slashed about 11 p.m. Friday. He said he saw two males run from the scene when he investigated hearing a noise in his yard. Replacements cost \$164.

Sometime Friday night, someone took a Mack truck from Park Tank Truck yard which was later found by Lake Iowa Park. The vehicle had been damaged and repairs were estimated at \$500.

Upon further investigation, officers found that the door to the pharmacy

Sometime the same evening, Mrs. Marsha Eaton said someone slashed two tires on her car at 602 S. Park. Loss was set at \$188.

Michael Ray Phillips told police someone Saturday night had taken a tool box and tools from his vehicle while parked at 1310 Emma. Value was set at \$96.

All four tires on a car owned by Michael P. Brown, 602 S. Bond, were

### WIND HAMPERS EFFORTS

# Fire destroys home

An apparent electrical short started a fire shortly after 5 p.m. Tuesday, and, despite the diligent efforts of Iowa Park firemen, virtually destroyed a mobile home on the corner of 400 S. Victoria owned by Paul Swinburn.

and Tammy.

Clothing sizes include: Michael, size 10 or 11 pants and 10 or 12 shirt; Marcie, size 6x or 7 pants, 7 or 8 shirt; Tammy, size 6 pants, 7 or 8 shirt; Paul, 34x34 pants and 17 shirt; Brenda, 5 or 9 pants and large shirt.

If you wish for someone to pick up

donated clothing for the family, call Frances Skinner at 592-4139 (8 a.m. - 4:30 p.m.) or 592-4835; or, Nikki Inman at 592-9096. Donations may be brought to 815 Van Horn or 1303 Emma after 5 p.m.

The family is staying at 806 N. Wall.

All available units of the Iowa Park Volunteer Fire Department were put to use after the blaze was discovered by a woman babysitting two of the Swinburn's three children. No one was injured.

The fire intensified quickly in the bedroom on the east corner of the home before firemen arrived. And power to a downed electrical line was soon shut off by Texas Electric workers.

Despite emptying the water in the tank trucks and hooking up pressure hoses to a fire hydrant two blocks away, the fire spread throughout the home. After fighting the fire approximately 30 minutes, firemen inside the house were ordered out when it was apparent the floor would cave in.

The fire intensified quickly in the bedroom on the east corner of the home before firemen arrived. And power to a downed electrical line was soon shut off by Texas Electric workers.

The Iowa Park Soccer Club is accepting donations of clothing, linens and staples for the Swinburn family which includes Paul and Brenda and their three children, Michael, Marcie and Tammy.

## Seven donors finish levels

Seven of the 51 blood donors to the Red Cross Bloodmobile here Monday reached milestones.

Vern Horsky and Tim Kaspar completed their sixth gallons, Joe Singer five gallons, Betty Hayman three gallons, and one gallon each for Kay Gellner, Thomas Wilson and Allen Shewmake.

The sponsoring Optimist Club credited assistance during the afternoon to Suzanne Shewmake (RN), Roberta Cole (RN), Paul Shea (EMT), Margie and Dorothy Sumner, Barry Harper, Heidi Alambar, and Barbara and Kyle Grove.

MOBILE HOME BLAZE TUESDAY ... 34 mph winds hurt firemen's efforts.

## Osoba, Gibbs wedding vows recited

Miss Colette Louise Osoba and Dr. Pete George Gibbs, a former Iowa Parkan, were united in marriage in a ceremony performed April 1 in the First Baptist Church at College Station by Dr. Bane, the minister.

The bride's parents are Dr. and Mrs. J.S. Osoba of College Station and the groom's parents are Mr. and Mrs. Tom Gibbs, also of College Station.

For her wedding, the bride chose an ivory organza gown enriched with reembodyered French Alencon lace, rich pearl and sequin work. In design, the gown featured a Queen Anne neckline, long sleeves and A line skirt bordered in a wide band of the lace that swept to a cathedral length train enhanced with lace accents.

Her matching lace cap held a cascade of illusion bordered in lace which drifted the length of the train.

The bridal attendants, all of College Station, Miss Carla Price, the maid of honor, and the bridesmaids, Miss Cindy Osoba and Mrs. Hubert Hearne, sisters of the bride, wore

floorlength slip-style gowns of peach jersey covered with Pointe D'Esprit jackets fashioned with cameo lace yokes and full bishop sleeves.

Tom Gibbs served as best man for his son. Groomsmen were B.F. Yeats and Don Topliff. The groom and his attendants were dressed identically in nutmeg western cut tuxedos with velvet collars, ties and vests.

Ushers were Dr. Doug Householder, the groom's brother-in-law, Hubert Hearne, the bride's brother-in-law, and Huby Hearne, her nephew.

The wedding reception was held at the Briarcrest Country Club. Following a trip to Houston, the newlyweds are living in Manhattan, Kansas.

The bride was graduated from A&M Consolidated High School and attended Texas A&M for three years. She has been employed by Apex Realty at College Station. The groom was graduated from Iowa Park High School. He received the bachelor, master, and Ph.D. degrees in animal

science from Texas A&M Univ. He is presently a horse extension specialist at Kansas State Univ. in Manhattan.

Wedding guests from Iowa Park were Mr. and Mrs. Rip Smith and Mr. and Mrs. Duncan Spruiell.

## Author's view of life told

Mrs. China B. Smith was program leader for the United Methodist Women's guest day meeting Tuesday morning.

She presented an inspirational reading "Living, Loving and Learning" by Felice Leo Buscaglia, noted teacher, student, writer, reader, speaker and listener. She gave the author's viewpoint of the three title words in people's lives as their responsibility and contribution to others.

In connection with the above, she gave the story of the Animals School Curriculum which demanded of its students animals and birds conformity to only one way of doing things, which is against nature itself because everyone if different and must be given the opportunity to develop his or her own potential.

Mrs. Smith quoted the author as saying "To live and love is to live life-life is God's gift to you." Continuing, she observed that "you can only give away what you have. The purpose of life is to count or stand for something - to have it make a difference that we live at all."

She listed the following principles for guidelines in living lives of love: right knowledge, wisdom, compassion, harmony, creativity, strength, joy, love and unity. In conclusion, Mrs. Smith used the author's poem, "Freddy, the Leaf," a comparison of human life to the leaves on a tree.

Mrs. Gene Owens gave a report of a visit to the Wesley Foundation and the UMW participation in its activities.

Thirty four members and guests were present.

### SPROUT TOWN

The United Methodist Youth Fellowship will hold a bake sale Saturday at White's Super Store and Wal-Mart between 10:30 a.m. and noon.

DR. and MRS. PETE GIBBS

CONNIE FITZGERALD and JEFFREY NOLEN

## Announce engagement

The engagement and approaching marriage of their children, Connie Jan Fitzgerald and Jeffrey Craig Nolen is being announced by their parents, Mrs. Betty Hart of Iowa Park, Marvin Fitzgerald of James

town, North Dakota, and Mr. and Mrs. Robert E. Nolen of Iowa Park.

Miss Fitzgerald was graduated from Iowa Park High School in 1981 and is attending Bauder Fashion College at Arlington. Her fiancé, who was graduated from Iowa Park High School in 1979, is associated with Trinity Insulation in Arlington.

The wedding will take place Aug. 27 at the Floral Heights Assembly of God in Wichita Falls.

## Music club meets

The April meeting of the Modern Music Study Club was held Thursday evening in the home of Mrs. Keith Aulds.

Mrs. J.W. Farmer presided during the business and appointed Mrs. John Rentschler, Mrs. B.G. House and Miss Ehylye Kidwell on a committee to select the Outstanding Music Students of the Year. Plans were made for the annual president's program which will take place May 12 in the home of Mrs. Delbert Todd.

Mrs. Farmer told the story of "Christ the Lord Is Risen Today," the hymn of the month.

Mrs. Alan Pfeiffer presented a piano solo, "Lara's Theme from Dr. Zhivago" by Maurice Jarre for a musical number.

# Worth Quoting

# As I See It....

By BOB HAMILTON

It takes the rag off'n the bush!  
You may have seen the story last week... a headline reading: "Study Links Economy Ills To Malnutrition."

The story reports that a Boston hospital survey found an unexpectedly large number of children with stunted growth may be an indication of 'silent undernutrition' on the move among America's poor, according to a Harvard health specialist.

The specialist was testifying before a Senate panel looking into reports that the nation's economic problems and cuts in federal food help are allowing a resurgence of malnutrition.

Balderdash!  
Larry Brown, the Harvard specialist, told Senate panel members that "early clinical warnings of damage to the health are showing up under current spending levels. If we increase nutritional programs, we probably can reverse this trend within several years."

A quick reading of the entire story reveals that the Senate panel was trying to develop ammunition to fight against a proposed \$1 billion cut in the food stamp budget.

According to Brown, doctors at Boston City Hospital studied the height and weight of 400 children looking for evidence of poor nutrition and found three times the number they would have expected at the bottom of their growth charts-and many of the children were suffering from obesity.

The article didn't explain how children get fat while suffering from nutrition.

We don't buy the report nor the result of the study.

If a proposed cut in the food stamp program results in brain damage from malnutrition among children, then we could point to dozens of Andrewsians who ought to be suffering from brain damage.

No one ever told us that a steady diet of red beans, cornbread, oatmeal, and thin mush can bring about brain damage - yet that was the diet of many people in the thirties.

If you've ever stood in the checkout line at the local supermarket and watched a youngster check out items like four packages of potato chips, a six-pack of diet colas, two packages of chocolate cup cakes, two bean dips

and a giant-size package of corn chips - and pay for the goodies with a fistfull of food stamps - you just have to know that there's something wrong with the stamp program. And especially when at the same time, the youngster lays a \$5.00 bill on the counter and asks for an equivalent amount of quarters - to be used in the video machines.

Back in 1961, Uncle Sam began a small, experimental anti-hunger program in eight U.S. counties. The pilot program, which served 150,000 low income people, costs taxpayers \$13 million.

But that pilot program was the beginning of the current food stamp program. Like most programs started by Uncle Sam, it was meritorious in its intent and downright disastrous in its execution.

The 1961 program served 150,000 low income people. Today the nation-wide program serves up food stamps to 21 million people at a cost in the neighborhood of \$10.9 billion.

But that's not all. In addition to the food stamp program, the United States Department of Agriculture also serves school lunches to another 23 million - and the school breakfast program serves 3.4 million students.

Another one million children receive food under the child care centers. The summer food program directed at needy children served 1.4 million kids last year.

In addition to the above, we have supplemental food program for women, infants, and children. Food distribution is also made to schools, hospitals, prisons, summer camps, nutrition programs for the elderly, and needy families on Indian reservations.

And the cheese butter giveaways are stacked on top of the above.

Yet in Boston, they're telling us that young children are suffering from malnutrition because a cut has been made in the proposed increase in funding.

Something smells in Boston - and it's not cheese nor butter!

JAMES ROBERTS  
Andrews County News

There's been a minor change around the Leader office.

No, we don't have any new personnel; no new office hours; no advertising or subscription rate changes; no painting or carpeting; no new equipment. Nothing like that.

The changes, as some have told me, is my clean-shaven face.

That's right, after about four and a half years, I decided last Thursday to shave. So I did.

No, there was no reason for shaving. Just like it was when I started the beard, I did it because I wanted to.

Over those many short months, I sustained a lot of criticism. Some of it was hard to swallow. But most of it was taken as it was intended... my friends just felt I would look better without a beard.

And I hasten to mention that my critics have been even faster to give compliments since the shave than they were critical when the growth was begun. I appreciate it.

It was something of a surprise that so many people told me they didn't like my beard. I've often wondered if they said the same thing to women who changed their hairstyle in a way not appreciated by others. Or told a man he looks stupid wearing western boots after he had always worn boots.

But if my beard offended anyone, I apologize. And in the same breath, I must warn that should I ever take a notion in the future to start another beard, I'll do so.

There were a lot of benefits enjoyed during my beard years. Besides the warmth and comfort experienced during the cold, windy winter months, there were other things enjoyed. And, no, it was not uncomfortably hot in the summer. In fact I only noticed having a beard when someone commented on it.

But I estimate the growth remained some 1,640 days. That allowed me to realize a savings of some \$130 that would have been spent on razor blades, shaving soap and after-shave lotion. Some of this

monetary savings would be offset by the extra shampoo and conditioner, however.

The most appreciated savings experienced was the extra time I had to drink coffee and read my morning newspaper. I'm a late-sleeper as it is, and that extra five minutes was enjoyable. I just have to get up a little earlier now.

I hadn't realized how many people had never seen me without a beard.

It's been fun walking into places or down the street and speaking to people who don't recognize me.

It was a little touchy with the grandchildren, though. It took a lot of talking and kissing for them to realize I was who I was.

One reason I gave some folks who asked why I had shaved was "I just got all wrapped up in the city's Clean-Up Week campaign."

## Anhydrous helps low quality hay

By Don Decker  
County Agent

Enhancement of low quality hay by exposing the bale to anhydrous ammonia inside a plastic bag is being explored by the county livestock committee. Ray Hicks of Iowa Park is establishing a demonstration where some low quality hay will be covered with a large sheet of plastic with the edges sealed air tight. A nozzle is being used to apply anhydrous ammonia into the air tight container.

The recommended rate of application is two percent of the hay weight. Hicks' bales weigh approximately 1,500 pounds, which requires 30 pounds of anhydrous ammonia. This amount of anhydrous ammonia cost about \$4.50. After 30 days, the nutrients. A five percent protein hay can be expected to jump to eight to 10 percent protein. Hay with 45 percent TDN might jump to 60 to 65 percent TDN.

Hay samples will be taken before and after treatment in order to get a measurement on the increased hay quality. Then, the added food value of the hay can be measured back to the cost of the treatment to determine if this practice can be profitable for livestock producers in the area.

An early warning system is being established in Wichita County to alert wheat growers on possible armyworm infestations. Light traps are being stationed with Bill Bunton and James Garret at Thornberry, Larry McAlister at Punkin Center, and Mac McGregor near Iowa Park.

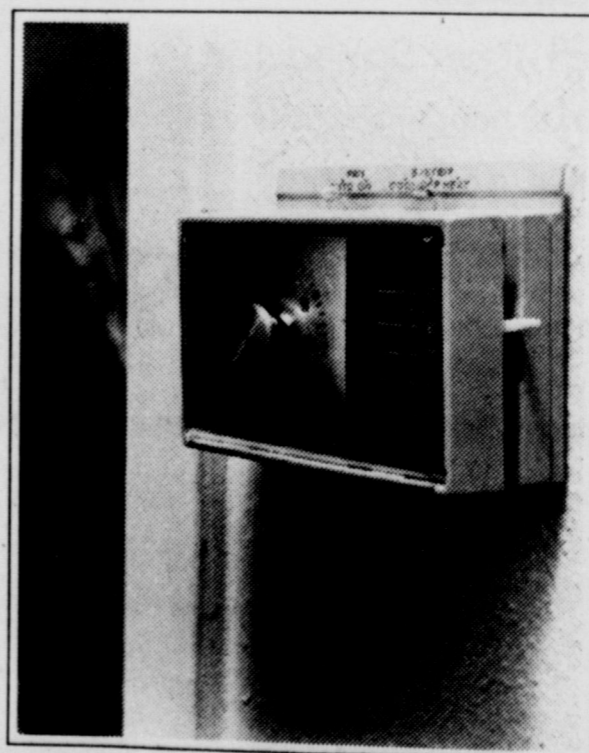

The light traps attract the adult

moth of the armyworm and places him in a trap. Daily inspections of the traps will determine when armyworm moth flights are occurring. When these flights begin, wheat growers will be notified so they can watch for hatches of armyworms in their fields. Control measures can be applied when damaging levels are reached.

Emory Boring, Extension area entomologist at Vernon, reports catching 18 moths on April 13. This indicates some worm activity is already beginning in the area. The extent is unknown, so additional trapping is needed to evaluate the situation. Boring's catches does alert Wichita County light trap operators to keep a close watch on their devices, worms hit rather than after their attacks.

## It pays to know how much it costs to heat/cool the house.

With electric bills up these days, it'll pay you to know how much you're spending to use electricity all around the house. For example, how much does it cost to cook a meal... to dry a load of clothes... and to heat and cool the house? It all adds up.

At Texas Electric, we're doing everything we can to hold down the cost of electricity. We use the cheapest generating fuels available to us - natural gas and lignite coal. And we're building a plant to use uranium, a

cheaper fuel.

You can help hold down your electric bill by conserving everywhere you can. For more information about the cost of using your household

appliances, look for the list of approximate operating costs enclosed with your April electric bill. Or call us, if you have questions.

And remember. It pays to know... because it all adds up.

# Area oil, gas report

The No. 12 and No. 21 Sparks-Mayfield are slated to be drilled in the Wichita Regular Field by Landrum Operating Inc. of Burkburnett. With projected total depth of 1,400 feet per well, they will be spudded in a 105-acre lease of the CTRR Survey, seven miles southwest of Iowa Park, in Wichita County.

The No. 12 well is 150 feet from the west line and 1,093 feet from the north line of the lease and survey.

The No. 21 well is located 920 feet from the west line and 1,224 feet from the south line of the lease. It is also 920 feet from the west line and 4,534 feet from the south line of the survey.

Ste-Gene Production Co. of Wichita Falls has filed for permit to drill the No. 1 and No. 2 Roller Estate, two 1,300-foot developmental wells in the Wichita Regular Field, six miles south of Iowa Park. The operations will be in a 20-acre lease in Wichita County's Holloway Survey.

The No. 1 well is 210 feet from the west line and 210 feet from the north line of the lease. It is also 350 feet from the east line and 600 feet from the south line of the survey.

The No. 2 well is 210 feet from the west line and 300 feet from the south line of the lease and 300 feet from the south line and 350 feet from the east line of the survey.

Witt Oil Co. of Grandfield, Okla. has staked locations for the No. 9 McFall and the No. 6 Ross-Hyde in the Wichita Regular Field. They are each scheduled for 1,300 feet of hole making and will be located three miles northeast of Kamay.

The McFall well will be in a 194-acre lease of Wichita County's H.B. Balch Survey, 600 feet from the north line and 600 feet from the east line of the lease. It will also be 10,525 feet from the south line and 600 feet from the east line of the survey.

The Ross-Hyde well is in a 33-acre lease of Wichita County's H.B. Balch Survey and will be 450 feet from the north line and 731 feet from the east line of the lease. In the survey it will be 10,675 feet from the south line and 1,498 feet from the east line.

Dijs, Lee Oil Co. of Wichita Falls Regular Field, three miles northwest of Burkburnett. The well will be located in an 80-acre lease in Wichita County's RRVL Survey and is to be designated as the No. 5 Henderson.

The well is 150 feet from the west line and 965 feet from the south line of the lease and survey.

Pumping at the rate of 18 barrels of oil per day, the No. 14E W.L. Hodges has been completed in the Wichita Regular Field by Hunter & McDonald, operators from Wichita Falls.

Located one mile southwest of Kamay, the well is in a 160-acre lease block of Wichita County's W.H. Spillers Survey.

The well was drilled to a total depth of 4,006 feet, after entering the pay zone at 3,680 feet. It will produce from a perforated interval of 3,792 to 3,852 feet into the hole.

The No. 3 and No. 4 Dutton, two developmental tries in the Wichita Regular Field, are scheduled to be spudded five miles east of Electra. With projected total depth of 1,990 feet per well, they will be in a 25-acre lease in Wichita County's Ward & Todd Survey, J.C. Wells of Iowa Park is listed as the operator.

The No. 3 well is 450 feet from the north line and 150 feet from the west line of the lease and survey.

The No. 4 well is to be 200 feet from the south line and 300 feet from the west line of the lease. It will also be 1,030 feet from the north line and 300 feet from the west line of the survey.

Hull Oil Co. of Wichita Falls has revealed plans to drill a 1,500-foot developmental well in the Wichita Regular Field. The operator has 40-acres leased, with drillsite in Wichita County's GC & SF RR Survey and has designated the venture as the No. 38 TJ & JL Waggoner. Drillsite is six miles south of Electra.

The well is to be located 450 feet from the west line and 150 feet from the north line of the lease and survey.

Location has been staked by Ro-JO Inc. of Dallas for a 5,000-foot developmental probe in Wichita County's Cash Field, nine miles south of Electra. The well is designated as the No. 2 Doublas Mineral Trust. Drillsite will be in a 160-acre lease in the H&TC RR Survey.

The well will be 1,833 feet from the west line and 330 feet from the south line of the lease. It is also 3,154 feet from the west line and 2,490 feet

from the north line of the survey.

The No. 1 Parker, a developmental well in the Wichita Regular Field, is scheduled to be drilled seven miles west of Wichita. Ken Ellis Oil Co. of Wichita Falls is listed as the operator. Location is in a 127-acre lease in Wichita County's SPRR Survey. Projected total depth is 4,373 feet. It will be 990 feet from the east line and 330 feet from the south line of the lease. It is also 543 feet from the north line and 2,601 feet from the west line of the survey.

At a location eight miles southwest of Electra, M&A Oil Co. Ltd. of Wichita Falls has completed the No. 1 Banta "C", new oil well in the Cash Field.

Drillsite was in a 300-acre lease in Wichita County's Thomas Cooke Survey.

The well showed daily potential for 16 barrels of oil on an open choke. Production will be from an interval 3,819 to 3,823 feet. Well's total depth was 3,935 feet, with top of pay logged at 3,819 feet.

The well will be 330 feet from the north line and 2,196 feet from the west line of the lease and survey.

Ft. Worth-based J.F. Hood has turned in first production figures for its No. 5 T.J. Waggoner D, a successful developmental well in the Wichita Regular Field.

Pumping oil at the rate of 10 barrels per day, the well was tested on an open choke.

Drillsite was in an 80-acre lease in Wichita County's H. George Survey, two miles north of Kamay. The well was taken to a total depth of 1,770 feet, after entering the pay zone at 770 feet. Production interval will be 770 to 776 feet into the wellbore.

This well is about 500 feet from the south line and 200 feet from the east line of the lease and survey.

The No. 3 Kempner "B" is slated to be drilled in the Archer County Regular Field by F.T. Johnson Jr., operator from Wichita Falls. With projected total depth of 1,800 feet it will be spudded in a 60-acre lease of the M&A Oil Co. The well is 842 feet from the north line and 842 feet from the west line of the lease and survey.

Swanner Properties, operating out of Wichita Falls, has recorded two successful developmental wells in the Wichita Regular Field. They are the No. 34 Williams-Parker "C" and the No. 37 B. Parker, showing potential for 16 and 10 barrels of crude oil, respectively, both on an open choke.

The No. 34 well is in a 532-acre lease of the M. Ramsey Survey and the No. 37 well is located in a 100-acre lease of the J. McCool Survey. Both wells are about four miles north of Holliday, in Wichita County.

The No. 34 well was drilled to a total 1,903 foot bottom, after entering the pay zone at 1,806 feet. It was perforated to produce from an interval of 1,806 to 1,808 feet. It will be 150 feet from the north line and the west line of the lease and survey.

The No. 37 well entered the pay zone at 696 feet and went to a total drilling depth of 1,293 feet. It was perforated to produce from 696 to 724 feet into the hole. This well is 450 feet from the east line and 1,990 feet from the south line of the lease and survey.

Location has been staked by Spruiell Drilling Inc. of Iowa Park for a 2,000-foot developmental well in Wichita County's W.T. Waggoner Field, three miles south of Electra. The well is designated as the No. 9 W.T. Waggoner Estate "G". Drillsite is in a 144-acre lease in the N.B. Mead Survey.

Pumping at the rate of 85 barrels of crude oil per day on an open choke, the No. 1 Cullum Headquarters was completed in the Wichita County Regular Field by Finnell Oil Co. of Wichita Falls.

The well showed flowing tubing pressure of 75 PSI.

Drillsite is in a 160-acre lease in Wichita County's Denton County School Land Survey, five miles east of Kamay.

After entering the pay zone at 2,619 feet, the well went to 5,020 foot bottomhole. It was perforated to produce from an interval 2,619 to 2,622 feet into the wellbore.

This well is 776 feet from the west line and 511 feet from the north line of the survey.

Don Dennis of Grady, Oklahoma has revealed plans to drill a 1,800-foot developmental probe in the Wichita Regular Field, seven miles northwest

of Burkburnett. The well will be located in a 145-acre lease in Wichita County's F. Huseman Survey and is to be designated as the No. 6 Mason. The well is 450 feet from the east line and 2,600 feet from the south line of the lease. It is also 2,687 feet from the west line and 5,150 feet from the south line of the survey.

Reid Petroleum Resources of Wichita Falls has revealed plans to drill a 1,500-foot developmental well in the Wichita Regular Field. The operator has 2-acres leased, with drillsite in Wichita County's HT&B RR Survey and has designated the venture as the No. 1 Slaughter "A". Drillsite is three miles northeast of Electra. The well will be 150 feet from the north line and the west line of the lease and survey.

The No. 1 & 2 Jennings Estate, two developmental wells in the Wichita Regular Field, are scheduled to be drilled 1.5 miles southeast of Electra. Griffon Petroleum of Wichita Falls is listed as the operator. Locations are in a 125-acre lease in Wichita County's HT&B RR Survey. Projected total depth per well is 2,000 feet. The wells are 150 feet from the west line and 1,470 feet from the north line of the lease. They are also 1,470 feet from the north line and 2,485 feet from the east line of the survey.

Tom Swanson of Electra has posted initial production figures for the No. 1 The Big Oil Co. "B", new oil well in the K.M.A. Field, 10 miles south of Electra.

The well indicated potential for 50 barrels of oil per day on an open choke. With drillsite in an 80-acre lease in Wichita County's H&TC RR Survey, the well had total drilling depth of 4,374 feet. It entered the pay horizon at 4,024 to 4,032 feet into the wellbore.

The well is 330 feet from the north line and the west line of the survey.

At a location three miles southeast of Electra, S&J Operating Co. of Wichita Falls has completed the No. 46 L.P. Douglas "C", new oil well in Wichita County's L.M. Collins Survey.

The Douglas well showed daily potential for 28 barrels of oil on an open choke. Production will be from an interval 777 to 805 feet. Well's total depth was 1,003 feet, with top of pay logged at 775 feet.

It will be 200 feet from the east line and 790 feet from the south line of the survey.

S&J Operating Co., operating out of Wichita Falls, has recorded another successful developmental well in the Wichita Regular Field. It is the No. 22 Hammon Fee, showing potential for 16 barrels of oil per day on an open choke.

Drillsite was in a 409-acre lease in the ET RR Survey, six miles southwest of Iowa Park, in Wichita County.

The well was drilled to a total 1,472 foot bottom, after entering the pay structure at 1,426 feet. It was perforated to produce from an interval 1,426 to 1,440 feet into the hole.

It will be located 467 feet from the west line and 950 feet from the north line of the survey.

Pumping at the rate of 16 barrels of oil per day, the No. 15 Foster has been completed in the Wichita Regular Field by Archer City-based Haigood & Campbell.

Located eight miles east of Electra, the well is in a 240-acre lease block of Wichita County's HT&B RR Survey.

The well was drilled to a total depth of 1,963 feet, after entering the pay zone at 1,598 feet. It will produce from a perforated interval of 1,598 to 1,600 feet into the hole.

This well is 1,050 feet from the west line and 1,300 feet from the south line of the survey.

F.T. Johnson Jr. of Wichita Falls has turned in first production figures for its No. 5 Dickey McGann A, a successful developmental well in the Wichita Regular Field.

Pumping oil at the rate of 10 barrels per day, the well was tested on an open choke.

Drillsite was in a 326-acre lease in Wichita County's TE&L Survey, seven miles west of Burkburnett. The well was taken to a total depth of 1,995 feet, after entering the pay strata at 1,884 feet. Production interval will be 1,884 to 1,892 feet into the wellbore.

The well is located 600 feet from the west line and 6,898 feet from the south line of the survey.

At a location six miles southeast of Electra, Hull Oil Co. of Wichita Falls has completed the No. 39 J & J Waggoner, new oil well in the Wichita Regular Field.

Drillsite was in a 110-acre lease in Wichita County's CC & SF RR Survey.

The well showed daily potential for 7 barrels of oil on an open choke. Production will be from an interval 1,477 to 1,494 feet. Well's total depth was 1,934 feet, with top of pay logged at 1,477 feet.

The well is 150 feet from the east line and 730 feet from the north line of the survey.

A new producer in the Fargo Field has been finalized by Amerada Hass Corp. of Vernon. Designated as the No. 1310 Fargo Unit, the well indicated capacity to produce 140 barrels of crude oil per day on an open choke.

The location is 10 miles north of Vernon, in a 4,680-acre lease in the H&TC RR Survey, Sec. 33, Blk. 15, Wilbarger County.

Bottomed at 4,257 feet, the well will produce from an interval of perforations 3,996 to 4,039 feet into the wellbore.

The well will be 4,180 feet from the west line and 7,380 feet from the north line of the survey.

Detector Oil Co. of Vernon has staked location for the No. 1 Upton in the Wilbarger County Regular Field. It is scheduled for 2,000 feet of hole making. The location is in a 9-acre lease in Wilbarger County's H&TC Ry Co. Survey, about 1.25 miles south of Vernon. The well will be located 150 feet from the east line and 155 feet from the south line of the lease. It is also 1,171 feet from the west line and 1,475 feet from the south line of the survey.

Pumping at the rate of 142 barrels of crude oil per day, the No. 147 Francis Sumner has been completed in the West Electra Field by Houston-based Mobil Producing TX & NM Inc.

Located three miles northwest of Electra, the well is in a 1,099-acre lease in Wichita County's survey.

The well was drilled to a total depth of 3,074 feet, after entering the pay zone at 2,762 feet. It will produce from a perforated interval of 2,762 to 2,766 feet into the hole.

The well is 350 feet from the south line and 3,060 feet from the west line of the lease.

The No. 7 & No. 8 W.T. Waggoner Estate "G", two developmental probes in Wichita County's W.T. Waggoner Field, are scheduled to be spudded three miles south of Electra. With projected total depths of 2,000 feet per well, the wells will be in a 144-acre lease in the N.B. Meade Survey. Spruiell Drilling Inc. of Iowa Park is listed as the operator.

The No. 7 well is 638 feet from the south line and 1,573 feet from the west line of the lease, also 1,915 feet from the south line and 1,573 feet from the west line of the survey.

The No. 8 well is about 531 feet from the north line and 1,865 feet from the west line of the lease. It is 2,786 feet from the north line and 1,865 feet from the west line of the survey.

Location has been staked by Tom Swanson of Electra for a 4,000-foot developmental probe in Wichita County's Swanson-Choens Field, six miles northeast of Electra. The well is designated as the No. 2 Stella Gibson "B". Drillsite will be in a 227-acre lease in the Waggoner Colony Survey. This well is 933 feet from the west line and 2,196 feet from the north line of the lease and survey.

S&J Operating Co. of Wichita Falls has revealed plans to drill two 1,500-foot and one 1,600-foot developmental wells in the Wichita Regular Field, six miles southwest of Iowa Park. The wells will be located in a 409-acre lease in Wichita County's E.T. RR Survey and are to be designated as the No. 23, 24, and 25 Hammon Fee.

The No. 23 well is to be 167 feet from the west line and 950 feet from the north line of the lease, it is also 167 feet from the west line and 4,960 feet from the south line of the survey.

The No. 24 well is 767 feet from the west line and 950 feet from the north line of the lease, it is 767 feet from the west line and 5,800 feet from the south line of the survey.

The No. 25 well will be located 150 feet from the south line and 1,145 feet from the east line of the lease and survey.

A 4,000-foot developmental well is

# Obituaries

## Ray Everett Revell

Services for Ray Everett Revell, 55, were held Monday at Owens and Brumley Funeral Home in Wichita Falls with Gil Peters, minister of the Holliday Church of Christ, officiating. Burial was in the Holliday Cemetery.

He was born April 22, 1927, in Jermyn. He was an oil field pumper and operator 35 years, and he was a member of the First Baptist Church of Mankins.

He is survived by his wife, Bell; a daughter, Debbie Campbell of Electra; four sisters, Mattie Snyder of Holliday, Opal Lack and Dimple Stults, both of Weatherford, and Sue Terry of Olney; two brothers, E.J. of Megargel and J.F. of Electra; and a grandson.

## Walter Vincent Murphree

Services for Walter Vincent Murphree, 64, were held Saturday afternoon at the Holliday Cemetery with Gil Peters, minister of the Church of Christ, officiating. Burial was under direction of Owens and Brumley Funeral Home.

He was born March 26, 1919, in Clarendon and had lived in Holliday most of his life. He was a member of the Holliday Church of Christ and had served in the Army Air Force Corps during World War II.

He is survived by three brothers, Carrol of Buffalo, Texas, Fred O. of Robert Lee and Tommy L. of LaPorte.

## R.O. Jackson

R.O. "Buster" Jackson, 95, died Tuesday in an Olney hospital. Services will be at 2 p.m. today in Antelope Baptist Church with Rev. Will Aston, pastor, officiating. Burial will be in the Creek Cemetery under direction of Hawkins Funeral Home.

He was born March 24, 1888, in Jack County and lived there all of his life.

He is survived by two sons, Weldon of Holliday and Vasco of Blue Grove; two daughters, Mrs. Ben Bolton and Mrs. Troy Bolton, both of Antelope; a brother, Marvin of Jackboro; six grandchildren; and 11 great-grandchildren.

## Candace Ressel

Services for Candace "Candy" Ressel, 22, were Thursday morning at Hampton-Vaughan Funeral Home with Rev. T.L. Wilborn, pastor of the First Assembly of God, officiating. Burial was in Crestview Memorial Park.

She was born April 24, 1960, in Denver, Colo. She was employed by North Texas Well Log Service and was a member of the First Assembly of God Church.

Survivors include her husband, Roy; a stepdaughter, Renay of Wichita Falls; her parents, Mr. and Mrs. W.R. Maupin of Iowa Park; a sister, Theresa of Mannford, Okla.; and a brother, Billy Maupin of Stillwater, Okla.

planned by Tom Swanson of Electra at a drillsite five miles north of Electra, Wichita County. The location is in a 160-acre lease in the Waggoner Colony Survey. Well's designation is the No. 8 E.C. Graf. The well is 1,655 feet from the north line and 1,400 feet from the east line of the lease and survey.

Pumping at the rate of 85 barrels of oil per day, the No. 1 Kate Embert has been completed in the Haulser Field by Wichita Falls-based Jack Tillman Equipment Co.

Located two miles northeast of Wichita Falls, the well is in a 240-acre lease block of Wichita County's William Anglin Survey.

The well was drilled to a total depth of 6,080 feet, after entering the pay zone at 5,870 feet. It will produce from a perforated interval of 5,866 to 5,876 feet into the hole.

It will be 330 feet from the east line and the south lines of the survey.

Tom Swanson of Electra has revealed plans to drill a 4,500-foot developmental well in the K.M.A. Field. The operator has 40-acres leased, with drillsite in Wichita County's H&TC RR Survey and has designated the venture as the No. B-1 E.M. Rosenfield. Drillsite is 10 miles south of Electra.

The well is 330 feet from the north and west lines of the lease and 1,624 feet from the north line and 1,600 feet from the west line of the survey.

The No. 15 Denny, a developmental well in the Wichita Regular Field, is

## Ella Alvey

Services for Mrs. Ella Alvey, 90, were held Wednesday afternoon at First Baptist Church with Rev. Hal Farnsworth, pastor, officiating. Burial was in Highland Cemetery under direction of Tanner-Aulds Funeral Home.

She was born Aug. 25, 1892, in Taylor and moved to Iowa Park from Burkburnett in 1920. She was a charter member of the Order of Eastern Star and a member of First Baptist Church.

She is survived by two sons, Virgil Lee of Iowa Park and Johnny Joe of Tyler; two daughters, Mrs. David Shoemaker of Tyler and Mrs. Herman Kight of Iowa Park; a sister, Mrs. Edna Sunday of Iowa Park; seven grandchildren; 18 great-grandchildren; and two great-great-grandchildren.

## James Ivan Case

Services for James Ivan Case, 75, of Electra, were Monday morning at Tanner-Aulds Funeral Home. Officiants were Rev. David Thomas, pastor of the Bible Missionary Church in Wichita Falls and Rev. William Purtle, pastor of the Church of the Nazarene in Wichita Falls. Burial was in the Highland Cemetery.

He was born July 16, 1907, in Ivan. He had lived in Wichita County most of his life and was a retired oil field worker.

Survivors include his wife, Luvie; seven sons, Mearle of Electra, Clifford of Holliday, Truman of Crane, Calvin of Graham, Billy of Wichita Falls, James of Sunset and Bobby of Odessa; six daughters, Joyce Bridges of Walters, Okla., Winnie McBride of Arlington, Sandra Quisenberry of Electra, Evelyn Pruett of Wichita Falls, Tresa Jantz of Weatherford, Okla. and Kathleen Raby of Richland; 51 grandchildren and 25 great-grandchildren.

## Della Surginer

Services for Della Surginer, 81, were Wednesday morning in Totten Day Funeral Home at Electra with Rev. Bill West, pastor of Electra Community Church, officiating. Burial was in Electra Memorial Park. She was born Oct. 23, 1901, in Rising Star and was a member of the Electra Community Church.

Survivors include her husband, George; a son, Earl; a daughter, Thelma Wright, both of Electra; four brothers, W.D. Walker and Orville, both of Holliday, Doyle Walker of Electra and Bee Walker of Amarillo; three sisters, Lennie Dillard of Holliday, Esther Kephart of Missouri and Zelma Kimes of Bryan; four grandchildren; and six great-grandchildren.

scheduled to be drilled eight miles southwest of Iowa Park. Catlin Drilling Co. of Iowa Park is listed as the operator. Location is in a 158-acre lease in Wichita County's H.B. Balch Survey. Projected total depth is 2,000 feet. The well is 1,050 feet from the east line and 150 feet from the south line of the lease and survey.

The No. 1 H. Hudson, a developmental try in the Wichita Regular Field, is scheduled to be spudded eight miles west of Wichita Falls. With projected total depth of 1,000 feet, the well will be in a 12-acre lease in the Denton County School Land Survey, Wichita County. Dewey Austin of Wichita Falls is listed as the operator.

The well will be 150 feet from the west line and 450 feet from the north line of the lease. It is 1,090 feet from the east line and 880 feet from the north line of the survey.

Anderson Oil Co. of Burkburnett has posted initial production figures for the No. 20 E.J. Simons, new oil well in the Wichita Regular Field, seven miles northwest of Burkburnett.

The well indicated potential for 5 barrels of oil on an open choke. With drillsite in a 130-acre lease in Wichita County's F. Huseman Survey, the well had total drilling depth of 1,639 feet. It entered the pay horizon at 1,632 to 1,639 feet into the wellbore.

The well will be 600 feet from the west line and 1,965 feet from the south line of the lease.

STATE COSMETOLOGY WINNERS  
Vonnie Guyette, Paula Beach, Leah Gregg, Diana Lyons

NEWS FROM THE **Halls of the Hawks**

By KARI HAMILTON

Student Council officer elections will be held next week. Those wanting to run for office may register with Mrs. Meux or Mrs. Biddy.

President and vice president must be seniors, have an 85 point grade average and one year experience on the Council. The other officers - secretary, treasurer and parliamentarian must be junior or senior with an 85-grade average.

To celebrate National Library Week, our library is going to have half-price fines. All week, students can turn in any overdue book that you might have and you will be charged only half the regular fine.

This is a great time to take care of all unfinished business in the library. It is a once in a lifetime offer. Take advantage of it this week only.

InterFirst National Bank is offering a scholarship to Midwestern State University. The application deadline is May 6. If any seniors would like to fill out an application, see Mr. Escue.

The scholarship will be to an area student and will be based on academic achievement, citizenship and leadership.

Applications are now being taken for summer employment with the Iowa Park school system. Job opportunities include inside and outside maintenance work and swimming pool lifeguards and cashiers. You may pick up applications in Mr. Richard Davis' office in "a" building.

Six students will leave today to attend the State FHA convention in Dallas, which starts today and continues through Saturday. They will be attending various meetings and workshops. They are Dayna Daugherty, Susan Davis, Christi Nettles, Becky Barbe, Sally Adams and Kim Bajo.

Our band participated in the UIL concert and sightreading contest yesterday at Vernon. Results were not available at presstime.

The state VICA contests were held in Cosmetology, and participants participated placed first. They were: Paula Beach, wiggy; Leah Gregg, designer comb-out; Vonnie Guyette, wet-set; and Diana Lyons in weaving and braiding.

In Auto Body competition, Larry Perry, Eric Russell, James Pendergrass and Jerry Lassetter all placed first. Brad Williams placed third.

At the regional literary meet held in Denton Saturday, Darla Flick placed first in shorthand; Jay Yeakley was first in typing; and Buck

Cargol was second in headline writing. These students qualified for the state meet in Austin, to be held Friday and Saturday of next week.

Optimists mark 10th anniversary

Iowa Park Optimist Club members observed their tenth anniversary Friday night in Wichita Falls and launched a membership drive.

Some 40 members, wives and guests attended, and five new members reportedly signed that evening.

Special guest speaker was Lt. Sue Butler, one of the first female graduates of the Air Force Academy. A membership-building program of Optimist International was also explained by James Richter, James Grove and Allen Shewmake.

**BY STUDY CLUB**

# Lisa Yeakley, James Cowley chosen outstanding

Lisa Yeakley and James Cowley, who have been chosen the Outstanding Senior Girl and Boy of Iowa Park High School for 1983, will be honored during the 23 Study Club's luncheon today. The function will take place in the Fellowship Hall of First Baptist Church.

Special guests will be the parents of the outstanding seniors, Mr. and Mrs. Alton Yeakley and Mr. and Mrs. Harold Cowley, Herman Escue, high school counselor, and Jay Yeakley Lisa's brother, who will present two piano selections for the performing arts feature.

Members of the club's youth committee will be in charge of the program which will be highlighted with the presentation of the awards by Mrs. China B. Smith, chairman. Miss Ethyle Kidwell will offer the invocation and Mrs. Homer Blalock will serve as leader.

The 23 Study Club has sponsored the selection of the outstanding high school seniors since 1963; however, the club does not nominate anyone for the honor. It is the responsibility of the youth committee to prepare and distribute the forms to churches, clubs, teachers and individuals who request them, collect the forms and get them to noted educators in Wichita Falls to be judged. Dr. Arthur Beyer, Mrs. Merle Anthony and Mrs. D.C. Copelin have served as judges for several years.

Lisa, a double A honor roll student during her junior and senior years, is among the top ten in the graduating class. She has won numerous honors both for herself and for the school.

She was chosen homecoming queen in the fall and this spring she has already been named Miss Iowa Park High School and class favorite which attests to her popularity among her peers. A two-year member of the Student Council and National Honor Society, she has served as vice president of both groups this year. She has also been a cheerleader, FHA chairman and was named Rotary Club Student of the Month. She belonged

to the pep squad when she was a junior.

Lisa has played basketball for eight years and has set some enviable records, the greatest perhaps being named All-State this year. She had previously been named All-District where she was voted by unanimous decision the most valuable player in the district; and to All-Region. She began playing basketball with the Little Dribblers at Seymour and was a member of the All-Star team which won second in region. She won the All-Tournament trophy in the Seymour tournament.

She was named alternate in the North-South All-Star basketball game which will be played in Lubbock in July, and she has received a scholarship offer to play for the Midwestern Lady Indians.

Her interest in sports is not limited to basketball. She has participated in varsity track three years and won several medals in the 3200 and 800 meter and mile run. She is also a member of the women's softball team of First Baptist Church.

In the eighth grade, Lisa won the outstanding math award. She attended the basketball camp at A&M Univ. and won first place in lay-ups and ball-handling in the 8th-12th grade division.

The versatile young lady is a member of First Baptist Church, Sunday school, Bible study group, youth choir and Acteens. She is serving on the youth council and youth search committee. She has participated in a youth mission trip to Leadville, Colo., youth camp at Chaparral Baptist Assembly, and a youth ski trip to Durango, Colo. this spring. She has worked in Vacation Bible School for three years.

She has also worked as a staffer at Chaparral Baptist Assembly and at the Iowa Park swimming pool.

James, a two-year member of the National Honor Society, is one of the top ranking students in the senior class. He has been a double A honor roll student for six years. He was salutatorian of the eighth grade

JAMES COWLEY and LISA YEAKLEY

graduating class and received Who's Who in science that year.

He has set an enviable record in extemporaneous and informative speaking throughout his high school career.

In FFA extemporaneous speaking, he was first in district and fourth in area (10th grade); first in district and second in area (11th grade); first in

district and area and second in state (12th grade).

In FFA prepared speaking, James earned first in district, second area (10th grade); first in district and area and participated in state (11th grade);

### Home missions study by Night WMU

Mrs. Roy B. Smith was hostess and presented the home missions study for the Monday meeting of the Night WMU of First Baptist Church.

The program was a continuation of the study of five church planters in the homeland taken from "Sodbusters" by Phyllis Thompson. Mrs. Smith described the work of Jo Ann Leggett in five counties located in the thumb of Michigan. Speaking in the first person, she described some of the hardships of backbreaking and starting new churches and chapels, helping other volunteer workers and ministering to the migrant workers.

Mrs. E.T. Patterson conducted the prayer period for missionaries on the birthday calendar for the day. Mrs. V.L. Woodfin was in charge of business when it was voted to give a monetary gift to the Faith Mission in Wichita Falls.

Thirteen members attended the meeting.

### Group organizes to help grieving

Fifteen members of the recently formed Grief Relief Support Group under the auspices of the American Cancer Society, met in the home of Mrs. Frank Roberts Monday for a pot luck supper.

The group, composed of people who social worker at Wichita General Hospital, is the founder and advisor and Cora Dell Miller is the president. Ministering to the lonely and those in need is the purpose of the organization, which meets the second Monday night of each month at the First Christian Church in Wichita Falls.

The present membership is 30 and others interested in joining are invited to call 723-1012.

## Epsilon Eta installs supper

Epsilon Eta Chapter of Epsilon Sigma Alpha held its annual salad supper and installation service Tuesday evening in the Fellowship Hall of First Christian Church.

Entertainment following the meal featured a style show of fashions from Groovy Granny's Boutique narrated by Mrs. Barbara Ordesch, owner. Several members of the sorority and guests took part as models.

Mrs. Bud Mercer presented five-year service pins to Mmes. Carter Pirkle, Pat Watkins, Phil McDonald and Jim Spears, and 10-year service pins to Mrs. Charles Dudley and Mrs. Bill Vanek.

Mrs. Luther Shaw received special recognition as a 25-year member and was presented with a pin by Mrs. Phil McDonald who gave a resume of her service to the chapter during the years.

Mrs. McDonald gave her outgoing speech as president and installed officers for 1983-84. The slate included Mmes. Bill Hrncirik,

president; Steve Turner, Darrell Gunderson, vice presidents; Pat Watkins, treasurer; Miss Paula Beall, secretary; and Mrs. Phil McDonald, parliamentarian.

Mrs. McDonald presented Mrs. Hrncirik with the district gavel pin as outgoing president and gave each outgoing board member a gift. Mrs. Turner received a gift for being the Outstanding ESA'er of the chapter and runner-up in the district, and Mrs. Al Maag was honored as Outstanding Member of the Chapter and district.

Seventeen members and 21 guests were present.

**FEELING ANY PRESSURE?**

What is it for you? The job? The boss? Traffic? Bills? Pills? Family? Deadlines? Quotas? Getting on top? Or just staying afloat? Are there more conflicting demands in one day than you'd rather face in one week?

This pressurized pace of life can come from your own inner push for recognition and achievement. Or it can be the result of those outer prodding demands.

You may not be able to alter your schedule or situation. But you can change the way you look at it. Deal with it. Live through it. And rise above it. Our people are realizing that an inner center of calm and serenity is available. What Jesus said about lasting peace that nothing can take away makes a lot of sense.

**We all have pressure -- but do you have peace?**

# '83 varsity football schedule completed

Coach David Baugh has completed his 1983 football schedule, and for the Hawks, it looks just like 1982 except reverse locations.

In fact, it is so like the past schedule that he has even scheduled Gainesville for homecoming. The Leopards hosted Iowa Park last year, but were upset by the Mean Green, 7-6.

The season opener will be Sept. 2, here against Breckenridge, followed by Bowie here and Electra there. Following an open date Sept. 23, Dist. 3 AAAA play will get underway at Mineral Wells and continue until the road trip to Azle Nov. 11.

### 1983 HAWK SCHEDULE

Sept. 2	Breckenridge	Here
Sept. 9	Bowie	Here
Sept. 16	Electra	There
Sept. 23	Open Date	
Sept. 30	Mineral Wells	There
Oct. 7	Hirschi	Here
Oct. 14	Vernon	There
Oct. 21	Gainesville	Homecoming
Oct. 28	Burkburnett	There
Nov. 4	Boswell	Here
Nov. 11	Azle	There

All games start at 8 p.m.

Junior Varsity schedule is: Sept. 1, Breckenridge, there, 7:30; Sept. 8, Bowie, there, 7:30; Sept. 15, Electra, here, 7:30; Sept. 29, Mineral Wells, here, 7:30; Oct. 6, Hirschi, there, 7:30; Oct. 13, Vernon, here, 7:30; Oct. 20, Gainesville, there, 6:30; Oct. 27, Burkburnett, here, 7:30; Nov. 3, Electra, there, 7:00; Nov. 10, Burkburnett, there, 7:30.

Freshman schedule is: Sept. 1, Breckenridge, there, 5:30; Sept. 8, Bowie, there, 6:00; Sept. 15, Holliday, here, 5:30; Sept. 22, Wichita Falls, here, 5:00; Sept. 29, Mineral Wells, here, 5:30; Oct. 6, Hirschi, there, 5:30; Oct. 13, Vernon, here, 5:30; Oct. 20, Gainesville, there, 5:00; Oct. 27, Burkburnett, here, 5:00; Nov. 3, open; Nov. 10, Burkburnett, there, 5:30.

Seventh and eighth grade games

are: Sept. 13, Electra, there, 6:00; Sept. 20, McNeil, here, 4:00; Sept. 27, City View, here, 4:00; Oct. 11, Vernon there, 7th A&B, 8th A, 4:00; Oct. 18, City View, there, 4:00; Oct. 20, Henrietta, here, 4:00; Oct. 25, Burkburnett, there, 7th A&B, 8th A&B, 3:30; Nov. 1, Electra, here,

6:00; Nov. 8, Vernon, A&B 7th and 8th, here, 4:00.

## FFA News

The annual FFA banquet will be held at 7 p.m. Tuesday in Iowa Park High School cafeteria.

Members and local adults will be recognized during the program.

Both the Iowa Park Future Farmers of America chapter and its members earned a lion's share of honors last week at the district meeting in Burkburnett.

Scott Young was elected district president.

Misty Hicks was nominated for area vice president.

Kyle Grove was named the district's outstanding horticulture student, and advances to the area level.

The chapter scrapbook placed first, earning 19,000 points to 14,000 for the runner up.

James Cowley passed the district check for a scholarship and along with three others will advance to the area check.

Two individuals earned district proficiency awards: Kevin Wells, beef production; Raymond Tyler, electricity.

And three members, Rowdy Robertson, Stanley Watson and Cowley, passed the district Lone Star check and advance to area.

Young is reportedly the first Iowa Parkan named district president since Ray Dillard.

## Municipal Court Records

Results of municipal court held here yesterday were:

Jerry Wayne Jones, speeding, \$56; John L. Chambers, no drivers license, \$31;

Billy Carrol Armstrong Jr., going wrong way on one-way, \$51; David Lamar Odom, disobeyed stop sign, \$31;

James Robert Lusk, speeding, \$31; Kristi June Lane, disobeyed stop sign, taking defensive driving course.

The following were charged by the Department of Public Safety for possible suspension of drivers license: Clint Allen Owen, suspended six months, probated six months;

Teddy Nicholas Gann, suspended three months, probated;

John Leslie Chambers, suspended six months;

Robert Gene Kinnett, suspended six months, probated six months;

James Vernie Smith III, suspended six months;

Timothy Allen Wright, suspended three months, probated six months.

## Two Hawkettes enter regional

Iowa Park High will be represented by two Hawkettes track members tomorrow at the regional meet in Denton.

Sherri Schweiss will compete in the 1600 meter run and Lisa Sefcik in both the long jump and hurdles. Both qualified by placing first or second in the district meet.

By placing first or second tomorrow, they qualify for the state meet in Austin.

The regional meet will be held at the North Texas State Univ. football stadium.

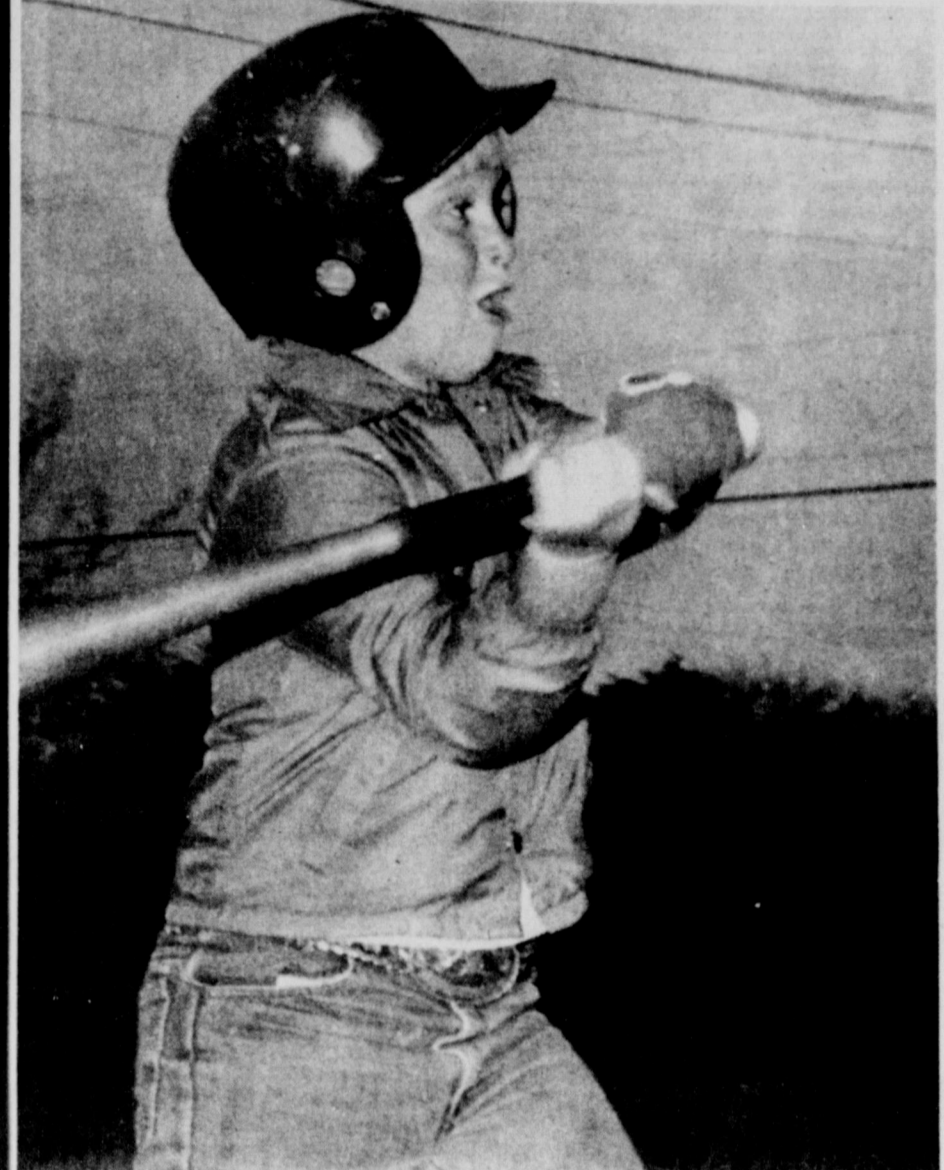

## Friendly Door News

Fri., Apr. 22 - Chicken nuggets, peas, carrots, peach pie.

Mon., Apr. 25 - Souper burger, rice, peas, candy bar.

Tue., Apr. 26 - Salmon, potatoes, spinach and lemon pudding.

Wed., Apr. 27 - Roast beef, potatoes, broccoli, apple pie, cheese, carrot/raisin salad, spice cake.

LITTLE LEAGUE BASEBALL gets its 1983 season underway with its traditional parade through the downtown and shopping center area at 9:30 a.m. Saturday. The parade, which includes antique cars, E.T., clowns, Billy Bob of Showbiz, pretty girls and players, will be followed by a full afternoon and evening with baseball. All teams will play.

# Hawks fourth at Azle; district starts today

In their final outing before this weekend's Dist. 3-AAAA track and field championships, the Hawks placed fourth among 17 Saturday at Azle.

Most of the teams represented were from districts 3- and 4-AAAA, and Vernon was the lone local conference school not at the meet.

Everman ran away and hid from the rest, amassing 123 points.

Burkburnett followed with 48 points and Keller had 33.

Following Iowa Park with its 39 points were: Boswell 38; Grapevine

35 1/2; Gainesville 35; Mansfield 34; Hirschi 32; North Side 26; Azle 20; Brewer 18; Nimitz 11 1/2; Castleberry 9; Weatherford 8; Mineral Wells 5 and Carter 2.

Hawks scoring points included: 800 meters - Jerry Fairchild, 6th, 2:03.2

High hurdles - Marc Klinkerman, 6th, 15.4

100 meters - Kevin Parker, 4th, 11.1

200 meters - Parker, 3rd, 22.6

4:36.3 Discus - Steve Stewart, 3rd, 148-11;

Charles Perry, 6th, 138-9 Shot put - Stewart, 1st, 51.9

High jump - Klinkerman, 3rd, 6-2

### DISTRICT MEET

Boswell is hosting this year's district meet, on its new track.

Field events will get underway at 2 this afternoon and continue until their completions.

Preliminaries in running events are to get underway at 5 p.m. Finals will begin at 2 Friday afternoon, divisions: varsity, junior varsity and freshmen.

## Gainesville wins title in golf

The final round of Dist. 3-AAAA golf competition was held Monday at Vernon, and Gainesville walked away from the field.

The Leopards shot the five rounds with a total of 1590, easily outdistancing runner up Boswell, 1629.

Other teams' final standings were: Boswell #2, 1702; Burkburnett and Mineral Wells tied, 1759; Gainesville #2, 1865; Vernon, 1870; Azle, 1884; Hirschi, 1906; Mineral Wells #2, 1959; Iowa Park, 2048 and Vernon #2, 2157.

# Water taps occupy city agenda

Holliday City Council Monday night approved an amendment to the water ordinance restricting the number of water taps per lot, and granted Roy C. Ling a waiver to an ordinance which restricted future water taps outside the city limits.

The action was taken during the group's bi-monthly meeting, held at the Holliday Community Center. Action on the amendment to the

water ordinance was finally taken after the motion was tabled at the two previous meetings of the council. At the last meeting, aldermen disagreed with the wording of the amendment, and city attorney Gary Southard submitted a newly-written amendment which was unanimously accepted.

According to the amendment, the city will no longer permit a standard 3/4-inch water meter to be placed on a

city lot with less than 5,000 square feet in area. The area of the lot shall be determined from dimensions shown on the official plat of the subdivision at the Archer County Courthouse.

The amendment further adds, "the City . . . shall not hereafter place or permit more than one standard 3/4-inch water meter on a city lot."

Council members felt that the practice of permitting more than one

tap to be placed on one lot leading to congestion of structures as well as creating a potential fire hazard.

## LING ACCOMMODATED

Council granted a waiver to Ordinance 82.5 to Ling after finding the 1975 Holliday City Council had entered into agreement with him for the placement of water taps on 2,300 feet of four inch line which runs along FM 368 northeast of the city limits. The contract stated that Ling would charge a tapping fee of \$150 with \$50 of that to go to the city, and the rest to Ling until he had recovered the costs of laying the line.

This was the second waiver granted to individuals outside the city limits after the ordinance was passed last year. T.H. Stone was granted a waiver in February after it was learned he had a contract with the city dating back to 1974.

In an agreement with the city, Ling will be given permission to install up to seven additional taps if he first files a plat with the county, agrees that the contract includes no more than seven taps, and that the agreement be non-assignable.

In other business, council accepted a roadwork agreement contract with the county for future maintenance and repair of city streets, and set the date for the rabies clinic for Saturday, May 21 from 9 a.m. til 1 p.m. at the city hall.

## Holiday News

### Senior citizens seek support from Nortex

Holliday Senior Citizen Center representatives will be in force today for a luncheon meeting of the Nortex Regional Planning Commission when final authorization is expected to be received for the purchase of a van to be used in the senior citizen transportation program.

The meeting, to be held at McBride's Seafood and Steak Restaurant on Seymour Highway, is open to the public and the meal is \$6 per person.

Nortex Regional Planning Commission's executive committee will act on motions from the aging advisory committee to authorize "the Executive Director to negotiate and enter into a contract on behalf of

Nortex Regional Planning Commission with Holliday Senior Citizens Association, Inc., for Title III-B Older Americans Act funds for the purchase of a van to be used for a senior citizens transportation program."

A second motion will be made to authorize the director to enter into contracts for the "operation" of a senior citizens transportation program.

During Monday night's Holliday City Council meeting, mayor James Cook asked concerned citizens to attend the meeting and show their support for the senior citizens center. Alderman Elizabeth Gorman, coordinator for the organization, will also attend the meeting.

## EDITORIAL

### GenTel doesn't deserve raise

The word from Austin this week is that General Telephone's rate increase request of \$85-million may be cut by two-thirds if recommendations from the Public Utilities Commission staff are followed.

But, even if that amount is approved, GenTel customers in small urban areas such as Holliday will not see improvements in their service to justify any increase.

Last year GenTel was awarded an increase of \$46.8-million after requesting \$110.6-million in annual revenues, and rates in some cities were raised as much as 50 percent.

In a recent Holliday City Council

meeting, GenTel representative Gerald Bennett informed the group that his company's proposal was justified by: A) the deregulation of the telecommunications industry (which is supposed to decrease the cost in service to the consumer by making the market more competitive) B) the lowering of GenTel's bond rating from A to A-minus with the company needing a revenue return of 12.5 percent to pay the bills; and, C) mismanagement by GenTel before the company was restructured a few years back.

The third reason is the real kicker. Bennett explained that the previous

GenTel management actually encouraged the service to deteriorate in order to justify rate increases to finance newer equipment and technology.

So now, customers are asked to pay for new equipment which they thought they were paying for in the past which they won't enjoy anytime in the near future.

The PUC would be establishing a handsome precedent if they awarded GenTel customers an \$85-million decrease in basic service rates.

KEVIN HAMILTON

## Thomas, Tomaselli vows are repeated Saturday

Our Lady Queen of Peace Catholic Church in Wichita Falls was the scene of the Saturday noon wedding of Miss Wanda Lou Thomas, daughter of Mr. and Mrs. Douglas Thomas of Holliday, and Mark Anthony Tomaselli, son of Mr. and Mrs. Vincent A. Tomaselli of Wichita Falls.

Father Joe Scantlin officiated the double-ring ceremony before an altar decorated with two baskets of blue and white silk flowers flanked by seven-branched candelabra.

Mrs. Ken Brackeen, organist, played the pre-nuptial music, the traditional marches and accompanied Mrs. Ronny Cartwright for her vocal renditions of "There Is Love" and "With You."

The bride wore a formal gown of Chantilly lace and sheer nylon over taffeta.

The lace bodice dotted with sequins and seed pearls featured a Victorian neckline, long tight sleeves appliqued with lace flowers covered with bouffant sleeves terminating in lace-ruffled wrist bands. The sheer nylon skirt was distinguished with eight tiers of lace ruffles and an accordion pleated flounce at floor level that flowed into a chapel train edged with ruffles.

The bride's fingertip length veil of illusion cascaded from a camelot cap covered with appliqued roses. She carried a bouquet of blue rosebuds and azaleas, blue-tipped white carnations, white roses and gypsophila with matching streamers.

The bridal attendants were attired in blue brocade satin gowns styled with bouffant sleeves, scoop necklines and shoulder bows. They carried white fans covered with blue roses, white azaleas tipped in blue, carnations, baby's breath with matching silk streamers.

Mrs. Douglas Thomas, mother of the bride, served as matron of honor. Bridesmaids were Mrs. Danny Gilliland, the bride's cousin, Mrs. Richard Kreidler, her sister, Mrs. Dennis Addison, another cousin, and Miss Susan Tomaselli, groom's sister. Rhonda Ainsworth was the flower

MRS. TOMASELLI

girl. She wore a frock of blue brocade satin modified for her age and carried a basket of blue sweetheart roses, blue-tipped white azaleas, baby's breath accented with bows and streamers in the chosen colors.

Buddy Thomas, brother of the bride, took part in the wedding as ring bearer. He was attired like the groom in a white tuxedo with tails, satin collar and lapels. Their boutonnières were blue-tipped white azaleas centered with blue petite roses.

The groom's attendants wore charcoal grey tuxedos and black and white ascots and boutonnières like the groom and ring bearer wore. Fathers of the couple wore similar attire.

John Tomaselli, brother of the groom, was best man. Groomsman were another brother, Joe Tomaselli, Steve Hoegger, John Crabb and Charles Norton. Ushers and candle-lighters were Perry Gillispie and Steve Tomaselli.

The bride was graduated from Holliday High School and Bethania Hospital School of Nursing and is presently employed at Wichita Falls State Hospital. The groom was graduated from Wichita Falls High School and Midwestern State Univ. where he was a member of Tau Kappa Epsilon fraternity. He is employed by the Wichita Falls Police Department. Following a trip to Mazatlan, Mexico, they will live in Wichita Falls.

The wedding reception was held at the church. The tables in the setting were covered with white lace accented with blue silk bows over blue satin.

The cake of four tiers on the bride's table, towered above a splashing each side holding miniature wedding attendants. The other table appointments included a floral centerpiece and silver punch service. Refreshments were served by Mrs. Leroy Addison, Melinda Ainsworth and Angie Addison.

Serving at the groom's table were Misses Melanie Donart and Nancy O'Neal. The table held a double-ring-shaped chocolate cake, silver coffee service and finger foods.

The groom's parents were hosts for a home-cooked Italian dinner in connection with the wedding rehearsal.

### Church plans homecoming

Faith Tabernacle Church of Holliday will hold its eighth-annual anniversary and homecoming next weekend beginning with a special service at 7:30 Saturday evening featuring the singing of "Country Generation" from Dallas.

Sunday, May 1, an 11 a.m. service will be highlighted by the ministering of Rev. Ronald Minor of Joplin, Missouri. Minor is the secretary-treasurer of Pentecostal Church of God. A dinner will follow the service at the Holliday High School cafeteria. Past members and the public are invited to attend.

### Leslie Mankins going to state

Holliday High School junior Leslie Mankins will advance to state U.I.L. literary competition for the second year in a row after placing in the top two at regionals in Stephenville over the weekend.

Mankins, daughter of Mr. and Mrs. Tommy Mankins of Holliday, will compete in Austin April 29-30, according to principal Bill Lee. Her sponsor is Don Ward.

#### Friday, April 22

Breakfast: Cinnamon rolls, juice, milk.

Lunch: Chalupas, lettuce, tomato, cheese, beans, milk, honey balls.

#### Monday, April 25

Breakfast: Toast, oatmeal, juice, milk.

Lunch: Fish, macaroni and cheese, tartar sauce, milk, cake.

#### Tuesday, April 26

Breakfast: Pancakes, syrup, milk, fruit.

Lunch: Hot dogs, chili, cheese, pork and beans, cookies, milk.

#### Wednesday, April 27

Breakfast: Cinnamon roll, milk, juice.

Lunch: Fried chicken, creamed potatoes, green beans, gravy, milk, jello.

#### Thursday, April 28

Breakfast: Rice Krispies, milk, juice.

Lunch: Red beans, cornbread, spinach, macaroni and cheese.

### Monday banquet honors athletes

Holliday High School's all-sports banquet gets underway at 7:30 Monday night with former Texas Longhorn star Scott Appleton the featured speaker.

Appleton, now representing the Fellowship of Christian Athletes in South Texas, was a standout with the

1963 National Champs, and was awarded the Outland Trophy for Outstanding Lineman in the country, according to head coach Don Lucey.

The 41-year-old native of Brady played professional ball with the Houston Oilers from 1964-67, San Diego Chargers from 1967-69, and the Oakland Raiders in 1969.

The banquet will feature a catered meal, and awards will be presented to outstanding individuals in all sports at HHS.

### Boys at Olney

The Holliday Eagle track team travels to Olney this morning for the District II-AA meet at Cub Stadium, according to coach Matt Robinson.

Field events commence at 9:30, and running preliminaries at 11. All running finals will take place an hour after prelims are completed.

### Baby wins prize

Christi Linn Pruett, daughter of Mr. and Mrs. Robert Pruett of Holliday, was awarded first place in the seven-month to one-year division of the Texcolor Baby Beautiful contest, held in Wichita Falls recently.

### PUBLIC NOTICE

Pursuant to TEX. REV. CIV. STAT. ANN. Article 11.001, the Company hereby gives NOTICE of the Company's intent to implement a new schedule of rates effective on the latter of May 2, 1983

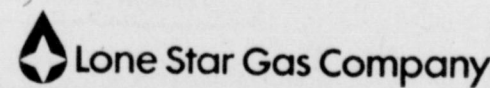

or such other date as new rates become effective in the City of Iowa Park

to be charged for natural gas service to residential and commercial customers in the environs areas (outside incorporated limits of Iowa Park, Texas)

The rate schedule is expected to furnish a 6.03 % increase in the Company's gross revenues in the environs of Iowa Park, Texas

A Statement of Intent has been filed with the Railroad Commission of Texas and is available for inspection at the Company's business office located at 406 Park Center, Iowa Park, Texas

Any affected person desiring to contest such changes in rates can file a complaint with the Director of the Gas Utilities Division, Railroad Commission of Texas, P. O. Drawer 12967, Capitol Station, Austin, Texas, 78711.

## PUBLIC NOTICE

ORDINANCE NO. 83-1  
AN ORDINANCE AMENDING ORDINANCE NO. 76-1 PROVIDING THAT THE CITY OF HOLLIDAY, TEXAS, SHALL HEREAFTER NOT PERMIT MORE THAN ONE (1) WATER METER FOR EACH CITY LOT; AND PROVIDING FURTHER, THAT EACH CITY LOT SHALL HAVE A MINIMUM AREA OF FIVE THOUSAND (5,000) SQUARE FEET IN ORDER TO QUALIFY FOR THE PLACEMENT OF A STANDARD THREE-QUARTER (3/4) INCH WATER METER; AND PROVIDING FOR AN EMERGENCY.

WHEREAS, there has been a widespread and growing problem with persons receiving city water service through an existing 3/4 inch water meter requesting the locating of a second water meter on the same lot to serve a second person; and

WHEREAS, these requests are leading to situations where there is congestion of structures on city lots, leading to overcrowding and creating a potential fire hazard; and

WHEREAS, in order to standardize the method whereby requests for multiple water meter placements are granted by the City of Holliday and in order to protect the public health and safety by preventing further overcrowding of structures on single city lots, the City Council of the City of Holliday hereby deems it necessary to establish a standard minimum lot size for the placement of one (1) standard 3/4 inch water meter.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY

COUNCIL OF THE CITY OF HOLLIDAY, TEXAS, THAT: SECTION ONE. Ordinance No. 76-1 is hereby amended to add Section 8 to read as follows: "Section 8. The City of Holliday, Texas, shall not hereafter permit a standard 3/4 inch water meter to be placed on a city lot with less than five thousand (5,000) square feet in area. The area of a city lot shall be determined from the dimensions of the lot as shown on the official plat of the subdivision as recorded in the Archer County Courthouse. Furthermore, the City of Holliday, Texas, shall not hereafter place or permit more than one (1) standard 3/4 inch water meter on a city lot."

SECTION TWO. The fact that there has developed a growing problem of multiple city water meters located on small city lots and this condition tends to lead to overcrowding and congestion of structures, leading to the growth of potential fire hazards, creates a public emergency and an imperative public necessity that this ordinance be passed finally on the date of its introductions and that it take effect and be in full force and effect from and after its passage.

PASSED AND APPROVED this the 18th day of April, 1983.  
James Cook  
Mayor

ATTEST:  
Laverne Slatton  
City Secretary

# Cook of the Week

"If I knew you were coming, I'd have baked a cake," a rather cliché expression, suggests the warm hospitality of American housewives and the important role cakes play in both every day and significant moments of their lives.

Cakes are indeed a symbol of home life and tell a fascinating story about America's culinary and social histories. Cake baking has changed drastically with the times. The first cakes baked in America, according to an article in Great Recipes of the World, were based on yeast dough, sweetened with sugar, enriched with eggs and combined with spices, currants or caraway seeds. A century later, the yeast had been discarded and eggs alone were the significant source of leavening.

Cake baking in the colonies was an arduous all-day affair. Just assembling the ingredients involved enormous effort, but pride of achievement prevailed over tedious toil, and by the 18th century the tables were adorned with beautiful cakes.

Treasured recipes were handed down from generation to generation, a custom that still prevails. In the Washington family, one was Martha's Great Cake, which called for 40 eggs, separated and beaten to a froth.

Eventually baking powder and soda were discovered to hasten the baking process. Precise measurements instead of teacupfuls and heaping spoons took the guesswork out of cake mixing. Gas stoves with oven regulators, electric mixers, cake mixes, frostings, etc. make cake baking a "snap" in the 20th century compared to colonial days, but many of the old recipes still endure and are handed down from generation to generation.

Cindy (Mrs. Jerry) Clifton included two cake recipes among her palate-teasing recipes this week. One of the most interesting of her recipes is Comanche Fried Bread, handed down from her great-great-grandmother.

Mrs. Clifton was graduated from Rider High School and worked for Beacon Insurance Co. She is a member of Jefferson St. Baptist Church in Wichita Falls. Her hobbies are reading, crocheting, gardening, canning and camping.

Cindy and Jerry, who work for Bates-Burton Chev., have two children: Krista age 12 and Donnie age 5.

## COMANCHE FRIED BREAD

2 1/2 cup flour  
3 tsp. baking powder  
1 tsp. salt  
3 cup milk  
1 egg  
1 T melted butter or shortening

Sift dry ingredients; reserve 1/2 cup to work back into dough. Mix milk, egg, shortening or butter, and honey together. Add dry ingredients, mixing well. Place on floured board and knead rest of dry ingredients in. Roll out to 1/2 inch thick, cut into 2x4 strips and slash centers. Fry in deep oil at 375 degrees about one minute on each side until golden brown.

Mrs. Jerry Clifton

Remove and drain on absorbent paper. Serve with Berry Pudding, recipe below:

## BERRY PUDDING

4 cups berry juice  
1 cup honey or sugar  
1/2 cup flour  
1 cup water

Mix flour and water; add to berry juice and honey, bring to a boil, stirring constantly until mixture begins to thicken. Remove from heat as pudding will thicken more as it cools. Serve warm or cold.

## WATERGATE CAKE

1 cup Wesson oil  
1 cup club soda  
1 box pistachio pudding  
1 box white cake mix

3 egg whites, beaten very stiff

Mix first four ingredients together, then fold in egg whites. Bake in oblong pan at 350 degrees for 40 minutes.

## TOPPING

1 box pistachio pudding  
1 9 oz. carton Cool Whip

Mix together and top cake when cool. Keep in refrigerator.

## CRACKER PIE

8 egg whites, beaten until stiff  
About 20 crackers, crushed fine  
1 cup sugar  
1/2 tsp. baking powder  
1/2 tsp. vanilla  
1 cup pecans, chopped (optional)

Mix above ingredients and put in greased pan. Cook 20 to 30 minutes at 350 degrees. Top with whipped cream, peaches and a few pecans. Chill a few hours, then serve.

## BREAD AND BUTTER PICKLES

4 qts. of sliced medium cucumbers  
6 medium white onions, chopped  
2 green peppers, sliced  
3 cloves of garlic  
1/2 cup pickling salt  
5 cups sugar  
3 cups cider vinegar  
1 1/2 tsp. turmeric  
2 tsp. mustard seed  
1 1/2 tsp. celery seed

Combine cucumbers, onions, green peppers, whole garlic cloves. Add salt and cracked ice, mix thoroughly. Let

stand 3 hours. Drain well. Remove garlic. Combine remaining ingredients and pour into cucumber mixture. Bring to a boil. Fill hot jars 1/2 inch from top. Process in boiling water bath 5 minutes. Yield: 8 pints or 4 quarts.

## PLUM PUDDING CAKE

2 cups sugar  
2 cups flour, self rising  
1/2 cup butter melted or 1 cup Crisco oil  
3 eggs  
2 jars any kind of baby fruit with tapioca in it  
1 tsp. cinnamon  
1 cup nuts  
1 tsp. cloves

If flour is not self rising, add 1 tsp. baking powder. Mix all ingredients together. Grease bundt pan well with shortening. Use sugar instead of flour in pan as it will leave a nice crust on top of cake. Bake at 325 degrees for 1 hour. No icing needed.

## RUNZAS

1 onion, chopped  
2 T. butter  
1/2 tsp. pepper  
1/2 lb. ground beef  
2 cups cabbage, chopped  
1/2 tsp. salt  
2 rolls biscuits

Brown ground beef and onions. Wilt cabbage in butter, add to beef mixture with salt and pepper. Roll biscuits very thin and place about 3 T of meat mixture in center of each rolled out biscuit. Bring corner of dough to center, pinch edges together and place smooth side up on greased baking sheet. Let rise. Makes 6 to 12 runzas. Bake at 350 degrees for 20 minutes or until golden brown.

## SOUR CREAM AND RAISIN PIE

2 T corn starch  
1/2 cup sugar  
1/2 tsp. salt  
1 tsp. ground cinnamon  
1/2 tsp. grated nutmeg  
1/2 tsp. ground cloves  
3 egg yolks, beaten  
1 cup sour cream  
1 cup raisins  
1 8-inch baked pie shell

## MERINGUE

3 egg whites, beaten until stiff, add:  
6 T sugar

In small pan, mix cornstarch, 1/2 cup sugar and 1/2 tsp. salt. Beat egg yolks, stir in sour cream and raisins. Cook over low heat until thick, stirring constantly. Cool and pour into pie shell. Top with meringue. Brown in oven at 350 degrees for 12 to 15 minutes until golden brown.

## Lori Barr recognized

Lori Barr, daughter of Mr. and Mrs. Charles Barr, has been named the Rotary Club's Student-of-the-Month.

She has been a member of the band for seven years. During her senior year, she has served as vice president of the band, section leader of the trombone section and squad leader. She has also served as president of the A Cappella Choir and alto section leader. She is a library worker this year.

Lori has earned numerous awards in junior high and high school. She has made the Double A honor roll for eight years. She had a perfect attendance for two years; won science awards in the fifth and sixth grades, and was named to Who's Who in English in the seventh and eighth grades. She was among the top ten in the eighth grade graduating class.

Other awards are: achieving superior rating in vocal solo, ensembles and instrumental solos for two years; district and region band two years; area band one year; district choir three years and region choir one year. She was alternate in District U.I.L. typing when she was a freshman; named Who's Who in biology in her sophomore year and Who's Who in chemistry when she was a junior. She was also the

LORI BARR

outstanding band student when she was a junior.

Lori is a two-year member of the National Honor Society, serving as historian during the current year. She is a member of Faith Baptist Church in Wichita Falls where she is section leader of the youth choir. She toured with the Baptist All Youth Choir during the summer of 1982.

She plans to enter college in the fall to further her education.

Fri., Apr. 22 - Tacos, meat or cheese sandwich, soup, tossed salad, Spanish rice, chocolate & plain milk, dessert.

Mon., Apr. 25 - Chicken fried patties, meat or cheese sandwich, soup, buttered rice & gravy, green beans, hot rolls & butter, chocolate & plain milk, dessert.

Tues., Apr. 26 - Pizza, meat or cheese sandwich, soup, buttered corn, tossed salad, chocolate & plain milk, dessert.

Wed., Apr. 27 - Cheeseburgers, meat or cheese sandwich, soup, French fries, lettuce, tomato, pickles, pinto beans, chocolate & plain milk, dessert.

Thurs., Apr. 28 - Lasagne, meat or cheese sandwich, soup, tossed salad, buttered rice, green beans, hot rolls & butter, chocolate & plain milk, dessert.

## Completes training

Airman Eric F. Thompson, son of retired Air Force Technical Sgt. Floyd W. and Mary Thompson of Holliday, has completed Air Force basic training at Lackland Air Force Base.

Thompson, who is remaining at Lackland for specialized training in the security police field, studied the Air Force mission, organization and customs and received special instruction in human relations.

Completion of this training earned Thompson individual credits toward an associate degree in applied science through the Community College of the Air Force.

His wife, Tammy, is the daughter of Gail M. Clark of Bellevue. Thompson was graduated from Iowa Park High School in 1979.

**THE BETTER FOR IT** - Youth groups and adults volunteered their labors Saturday morning to pick up trash along roadsides and in parks, as part of the annual Clean-Up Week. The project is co-sponsored by the City of Iowa Park and Chamber of Commerce. Through the week, residents and businesses had cleaned their immediate areas and had less dumping privileges at the city's sanitary landfill.
