PARK CLINIC-DR. E.F. WATSON
310 W. ALAMEDA
IOWA PARK, TEXAS

IOWA PARK HAWKS held an intersquad scrimmage Saturday morning, but will get a real test Friday evening when they host the Jacksboro Tigers. The junior varsity will scrimmage at 5:30 p.m., followed by the freshmen. The varsity scrimmage, to take place in Hawk Stadium, will begin about 7:30, according to Coach David Baugh. This will be their only scrimmage before the Sept. 4 season opener against Breckenridge.

Ranch hands to compete to benefit handicapped

The fabled ranch rivalries of the Old West are being fanned to a hot competitive edge again today.

The question to be settled is which of Texas' biggest ranches owns the braggin' rights in cattle country today—which one is the best.

It'll be settled Friday and Saturday when real working cowboys from the big spreads gather in Wichita Falls for the big shootout—the first annual Budweiser Texas Ranch Roundup.

These won't be urban cowboys. They're the kind whose boots are made for working, not dancing. And their wide-brimmed hats show the wear and tear of long, hot days in the saddle, not air-conditioned designer chic.

They'll compete peacefully in rodeo style competition with the spotlight on working ranch skills, a talent contest where anything goes, a ranch queen contest for the ladies, and, naturally, a chili cookoff. After the hard work in the corral, they'll change from ranching gear to

polished boots for a dash of dancing to country/western music.

Participating ranches include the R.A. Brown Ranch, the Cowan and Son Circle Bar Ranch, Lewis Ranches, Pitchfork Land and Cattle Co., Scharbauer Cattle Co., Renderbrook-Spade Ranch, Swenson Ranches, Tongue River Ranch, U Lazy S Ranch, U U Hereford Ranch, and W.T. Waggoner Estate.

In combination, these ranches sprawl over nearly two-million acres of cattle country, nearly triple the area of Rhode Island.

The Roundup opens at 8 p.m. Friday evening with the first rodeo performance. Teams of cowboys from each ranch will compete in team roping, saddle bronc riding, team penning, team branding, and wild cow milking. A wild horse race will be a bonus event. A dance at 9 p.m. featuring Mountain Smoke will conclude Friday's events.

Saturday morning, the ranches will compete in a 9 a.m. jackpot roping

event. A chili cookoff (3 p.m.), the talent contest (4 p.m. where anything goes, chili judging (7 p.m.), and the ranch queen contest are featured Saturday afternoon before the final rodeo events that evening at 8. Popular C&W entertainer Red Steagall will perform at a dance at 9 p.m.

Points will be awarded to ranch teams and individual cowboys in each event to determine the best ranch and the top all-around cowboy. The winning ranch will take home a traveling trophy, a bronze sculpture by Lex Graham, and the winning cowboy will receive a hand-tooled saddle. Grand prize for the winner of the chili cookoff will be a trip to the World's Championship Chili Cookoff.

Budweiser Rodeo Six Pack members Jack Ward, T.J. Walter and Bobby Brown will judge the rodeo events.

Rodeo tickets are: box seats, \$6;

Unregistered students sought; school supplies listed

With the start of school hardly more than a week away - Aug. 31 - Iowa Park principals have once again issued a request that any student new to the district who has not yet registered, should do so immediately.

The officials explained the registration is necessary, to enable them to be prepared for the start of classes.

High school students will report to their campus Thursday or Friday of next week to pick up their class schedules and locker assignments, according to Bob Dawson, principal.

Seniors are to be at the high school between 9 a.m. and noon Thursday, juniors between 1:30 and 4 p.m. Friday, between 9:30 a.m. and noon, sophomores will report, and freshmen between 1:30 and 4 p.m.

There will be no orientation for freshmen students, Dawson said. Members of the student council will be in the building to serve as guides for freshmen.

Lions Clubs slate meeting Tuesday

A joint meeting of Iowa Park's two Lions Clubs will be held at 6:30 p.m. Tuesday, in the First Presbyterian Church.

Purpose of the joint meeting is a zone meeting to follow the dinner, according to spokesmen.

The Noon Lions will not hold their regular luncheon meeting that day, James Morris, president, said.

Man killed in accident

The blinding light of the setting sun was blamed for a tragic accident in western Wichita Falls Friday, which took the life of a 19-year-old Iowa Parkan.

Gerry Boggs was pushing his motorcycle west, in the right-hand lane of the 4200 block of Iowa Park Road, when he was struck by a pickup driven by Lloyd Bartow, 55, of 113 James Drive, Iowa Park.

Boggs was knocked 122 feet from the point of impact, according to Department of Public Safety trooper Bruce Tabor. Bartow explained he did not see Boggs, because of the bright, setting sun.

A complete report on the fatal accident was turned over yesterday to County Attorney Harold Lerew, who is to determine if there is sufficient reason the case should be presented to the county grand jury for action.

In the case of such an accident, no traffic citation is issued by the DPS, according to a headquarters spokesman. Any action would have to come

from a grand jury.

Boggs, who was graduated from Iowa Park High School in 1980, worked as a ward clerk at Wichita Falls State Hospital.

SWINGING BLINDLY at the ball is Iowa Park Little League coach Lee Hale. He swung blindly because he was blindfolded, as the local coaches played an exhibition "beep softball" game here against the Beacon Lighthouse for the

Blind team from Wichita Falls Saturday evening. All sighted players were blindfolded except pitchers and catchers. The object was to hit the softball, which emitted a beeping sound. The visiting team won, 6-4.

Council's attention turns to removing old structures

Iowa Park's city council will turn its attention Monday to cleaning up some old and unsightly structures.

Aldermen will award bids for demolition of the old water pump station and waste water treatment plant on the south edge of town.

Also, authorization for demolition of some five dilapidated homes and buildings will be sought.

Authorization will also be sought to

purchase property south of the railroad tracks for a fire substation structure.

An ordinance will be considered by aldermen which would amend the personnel policy regarding unused vacation benefits.

Following the regular meeting, which is to begin at 7 p.m. in council chambers, aldermen will hold a work session on the 1981-82 budget. One other session has already been held, and Steve Morath, city administrator, said this one would probably be all that was required.

BOARD OF ADJUSTMENTS

Prior to the council meeting, at 6 p.m. the board of adjustments will meet to hear two requests for variances from the front setback requirements.

Applications for variances at 1015 Lanelle and 908 Dosia Drive have been filed, where owners want to build a car port.

Tires punctured

Vandals reportedly punctured five tires at one location last week, according to records at the Iowa Park Police Department.

Joe Forsythe said sometime Tuesday or Wednesday last week, someone punctured three tires on a van parked in his 1117 Louisa driveway, and then two more on a travel trailer parked in his back yard.

Obituaries

Gerald Boggs

Last rites for 19-year-old Gerry Boggs were held Monday afternoon in Owens and Brumley Funeral Home in Wichita Falls.

The 1980 graduate of Iowa Park High School was killed in an accident in Wichita Falls Friday evening.

Officiating at the funeral was Rev. Jerry Kay, pastor of The New Life Cathedral Church and burial was in Crestview Memorial Park.

Born Aug. 10, 1962 in Honolulu, Hawaii, Boggs had lived in Iowa Park three years. He was a ward clerk at Wichita Falls State Hospital and a member of the New Life Cathedral Church. He played football and was a member of the Hawk Band in high school.

Survivors include his parents, Mr. and Mrs. Doyle Boggs of Iowa Park; two sisters, Marge and Sheryl, both of the home; and his grandparents, Mrs. Katie Boggs of Wichita Falls and Mrs. Ethel Lunday of Amarillo.

Pallbearers were Bryan McClane, Frank Diddle, William Chandler, Jim McClosky, Ray Almgren and William Jeffress.

James Lloyd Brock

Last rites for James Lloyd Brock, 69, were held Saturday afternoon in Tanner-Aulds Funeral Home. He died Wednesday in his home.

Rev. Ken Cole, pastor of Faith

Baptist Church, officiated. Burial was in Highland Cemetery.

Born Nov. 9, 1911, in El Dorado, Okla., Brock was a retired oilfield worker and served in the Marine Corps. He had been a resident of Iowa Park since 1961.

Survivors include a son, James of Fort Worth; a daughter, Earlene Burton, of Corpus Christi; four step-sons, George White of Wichita Falls, Bob White of Iowa Park, Earl McDonald of Wichita Falls and Edwin McDonald of Iowa Park; two brothers, Jesse Ray of Electra and J.D. of Andrews; six sisters, Mrs. Lela Crow, Mrs. Mary Ray, Mrs. Jim Clark, Mrs. HESSIE Bradley, Mrs. Ina Molene and Mrs. Nettie Troha, all of Electra; and six grandchildren and two great-grandchildren.

Homer Singleton

Services were held Sunday afternoon at Tanner-Aulds Funeral Home for Homer Singleton, 72, who died Friday in his car. Rev. George Topper, pastor of First United Methodist Church, officiated. Burial was in Highland Cemetery.

Born Aug. 2, 1909 in Midland, Singleton has lived in Iowa Park 30 years. He was a retired carpenter and member of First United Methodist Church.

Survivors include two sisters, Mrs. Maymie Ford of Pampa and Mrs. Grace Marshall of Tulia; several nieces and nephews.

Charles Haynes

Funeral services for Charles M. Haynes, 82, brother of Iowa Parkan Mitchell Haynes, were held Wednesday afternoon at Lamar Baptist Church in Wichita Falls.

Mr. Haynes, a resident of 3101 10th, died Monday.

Officiating at the services was Rev. Robert Norsworthy, pastor of Lamar Baptist Church. Burial was in Crestview Memorial Park.

Born Aug. 27, 1898 in Murphy, Mr. Haynes was a retired assistant manager of City Laundry. He was a member of Lamar Baptist Church.

Survivors include two sisters, Mrs. Nona P. O'Daniel of Wichita Falls and Mrs. Dora Wilhite of Megargel; and two brothers, Mitchell of Iowa Park and Jimmy of Gainesville.

Edith Fields

Funeral services for Edith Fields, 93, former Iowa Park resident, were held Monday at the Scholer-Gordon Funeral Home in Canyon.

Mrs. Fields, a resident of Happy since 1946, was born Jan. 17, 1888 in Long Tree, Iowa. She married Henry Benton Fields in 1906 in Iowa Park, and they moved to the plains in 1932. She was a member of the First Christian Church in Iowa Park.

Graveside services were held in Highland Cemetery Tuesday. Officiants of Monday's services were Rev. Wilbur Mendol, pastor of First Christian Church of Odessa, and Rev. Mike Downing, pastor of Happy Methodist Church.

Survivors include a son, Bruce, of Happy; a daughter, Loretta Doris, also of Happy; two grandchildren and three great-grandchildren.

Dustin Lynn paid his grandfather high compliment by being born Friday in Wichita General Hospital. Friday was A.L. Bohannon's birthday.

Born to Mr. and Mrs. Gordon C. Bohannon, the boy weighed seven pounds, 14 ounces.

His other grandfather is Curtis Haines of Wichita Falls. Great grandparents are Verlin Haines of Columbus, Ohio, Mrs. Ethyle Henslerling of Cincinnati, Ohio and Mrs. J.E. Manes of Dallas. Great-great-grandfather is C. Manes of Dallas.

A daughter, Vanessa Ann, was born Aug. 11 in an Abilene hospital to Mr. and Mrs. Gary Hebel of Albany, Tex. She weighed six pounds, 11 ounces.

Grandparents are Mr. and Mrs. Marlin (Jim) Sargent of Iowa Park and Mr. and Mrs. Bob Hebel of Albany.

CARD OF THANKS

We would like to express our thanks to our many friends who have been so kind, loving and helpful during our time of sorrow. Through each card, flower, call and visit we realize more and more just how important friends are. We will remember forever each act of kindness and concern.

Popular couple to move

Two familiar faces in the Iowa Park area will soon be missing.

Jack and Deane Sutton are to move in the near future to Williamson County, where they lived before being married.

He is retiring as superintendent of the Texas Parks and Wildlife Department state fish hatchery at Lake Diversion, and she will be leaving her post as teller at State National Bank.

Jack has worked for the state agency 27 years, and received military service credit to permit him 30-year retirement. Prior to his assignment at Lake Diversion, he worked at the hatchery at San Marcos.

Deane has worked at State National Bank 15 years, starting in the bookkeeping department and in less than a year being assigned as a

teller. She worked eight years at San Marcos' First National Bank before moving here. For a period of time here, she was in charge of direct deposits and was vault teller, in addition to her duties at the teller window.

Williamson County is home to the Suttons. He moved there in the early 1930s from Yokum. Mrs. Sutton's family are pioneers there. They plan to live near Georgetown.

While she intends to work for a Georgetown bank after the move is completed, Jack plans to build a home on property they have already acquired.

The couple's four children, three sons and a daughter, all attended school at Valley View School.

The biggest events during her employment at State National were the 1971 robbery, changing over to computerized record keeping, and changes of ownership, Mrs. Sutton said.

She said she will miss the friends she's made during her contact with customers at the teller window, but they plan to visit the area frequently because three of their children will remain here.

CARD OF THANKS

To all of our friends and acquaintances in Iowa Park - Your kindness and thoughtfulness during our family's recent tragedy will never be forgotten. Thank you from the bottom of our hearts.

Cook of the Week

When she was cheering for the Huskies of Hirschi against Iowa Park's Hawks, Mrs. David (Patsy) Gossett never really thought about living in Iowa Park. But now that she does, she likes it, as well as the schools her children attend.

The 1967 Hirschi graduate married a graduate of Rider High and they lived for a while in Wichita Falls, then Henrietta a couple of years, and a year ago moved to Barnett Road, where David operates his Big G Electric, a contracting firm.

Their children are Lance Farris, a seventh grader, and Lauren Gossett, a first grader.

Mrs. Gossett is employed as coordinator of accounts payable for Siemens Allis. Her job and responsibilities of caring for the children and home leave her little time for hobbies and outside interests. Her husband's hobby is homing pigeons.

Referring to the recipes she has selected for us to use this week, Mrs. Gossett said "Since I work, these are fast, good and easy."

The safety devise is unsafe

If it weren't so expensive, so inconvenient, such a bother and possibly leading to a tragic future, the railroad crossing guard on Jackson Ave. would be a big joke.

Iowa Park's city council and individual citizens worked long and hard to obtain the guard, which is supposed to drop its arms across the lanes of traffic and begin flashing lights and clanging bells whenever a train is nearing. Through the combined financial efforts of the city, state and federal governments, the guard was installed.

But that's where the paradox began.

The signal doesn't always work properly. In fact, it seldom stops working, whether a train is approaching or not. Records at the police station reflect dozens of telephone calls to the Burlington Northern maintenance office, requesting attention to the malfunctioning equipment.

Even while crews have been in the immediate area of the crossing, working on the track bed, the guard has malfunctioned and no one pays any attention to it.

Meanwhile, drivers are learning the ultimate rule to not break in track-crossing safety: driving between the safety arms, in an "S"

pattern, when they apparently determine no train is approaching.

Burlington Northern is a member of the Texas Railroad Association which, among its many activities, spends thousands of dollars each year in an effort to get drivers to observe safe habits in crossing railroad tracks. One of the main thrusts the safety program attempts to make is for drivers to not weave between the safety arms when they are down.

The safety device has already cost several thousands of dollars. Must it cost lives, before Burlington Northern can find the talent to make the safety device function properly?

As I See It....

By BOB HAMILTON

There's never been any question about how I stand on unions. I just don't like them.

There's only one thing worse than a union, and that's a union of federal employees. In the past, we've been told they were allowed to be formed because they could never strike. It is against the law. Now that one is out the window.

Professional Air Traffic Controllers Organization has made a laughing stock of those who said government people would never strike.

I can't help but remember the assurance we were given by those who were attempting, or rather demanding, the armed forces be allowed to unionize.

Reading the newspapers and watching television, PATCO spokes-

men have been giving us every reason why they went on strike, and how they've been mistreated since they were locked out and fired from their jobs.

They have attempted to align their efforts with civil disobedience, with this nation's alleged encouragement of Poland's union efforts, and with everything they could think of.

However, PATCO is not getting very good press. I've not seen any in the national media, and you should read what is being said concerning the strike by Texas publishers!

The problem PATCO has, is that they are wrong. After their own negotiators agreed to a new contract, the membership rejected the contract, 20-1. Controllers, offered twice as much increase as other government workers were getting, demanded 17 times that!

Have you figured out why all those other unions that work around the airports in related jobs haven't gone on strike in sympathy? Easy. The

controllers can't be trusted to strike the next time one of the other unions strikes, supporting them.

The only support PATCO has been able to obtain is from traffic controllers in other countries. Have you thought about what that could mean, if PATCO members were allowed to return to their jobs? They would have to strike the next time those foreign controllers asked them.

PATCO is doing everything it can to gather support from Americans, all the way from blurring out their bleeding heart stories to holding travelers hostage with slowdowns and shutouts. But it's not working.

I congratulate Pres. Reagan for his stand. I applaud the attitude of the American people. And I smile with the realization that a union has not only been defeated in its demands, but has been tossed out on its ear.

"We stand strong," says one of the PATCO spokesmen. The only strength to which he refers, is among the unemployed!

Chamber sets deadline for booths

Chamber of Commerce directors set Sept. 17 as the deadline for organizations to register their booths for the annual Whoop-T-Do, if they desire retaining the same booth as last year.

Linda Merrick, chairman of this year's event, proposed the deadline in order to prevent last-minute changes which in the past have hindered plans of other organizations in determining what booth to operate.

deadline date, but they will have no guarantee in retaining their previous year's booth.

A committee of three, Tommy Key, Charlie Lee and Helen Rich, were named by the board to carry out an evaluation of the Chamber, with an eye on self-improvement.

In other business, Bill Steger was named ticket sales chairman for the annual banquet; Lee was named chairman of the nominating committee; and a bid by women of the First United Christian Church to serve the annual membership meeting in November, at \$4.50 per plate, was accepted.

reserved seats, \$4; general admission, \$3. Tickets to the dances are \$3 per person each evening, and tickets

to the Saturday afternoon contests are \$1 general admission. Tickets will be available at the gate or at Wichita Western World, Sears, the Cow Lot and Holt's Sporting Goods in Wichita Falls.

Proceeds from the Budweiser Texas Ranch Roundup will benefit the North Texas Rehabilitation Center, Wichita Falls; the West Texas Rehabilitation, Abilene; and the West Texas Boys Ranch, San Angelo.

Plans call for the Budweiser Texas Ranch Roundup to move to a different site each year.

W.T. WAGGONER ESTATE

Recognized as the largest ranch in Texas under one fence, the 510,000-acre Waggoner Ranch, now the W.T. Waggoner Estate, was started in 1849. The founder, W.T. Waggoner, burned the first "D" brand into a herd of cattle in Hopkins County, but by 1870, the outfit had moved from Hopkins County, to Decatur and then to Wichita Falls, where grass and water were more

plentiful. During the late 1800s, Waggoner cattle and horses, now numbering in the thousands, grazed in Indian Territory, what is now southern Oklahoma.

The operation was extremely profitable. Records show that 19-year-old Tom Waggoner, the founder's son, drove a herd of cattle up the dusty trails to Kansas and returned with \$55,000 in his saddlebags.

In 1906, however, these lands were cleared for settlement and, once again, the Waggoner operation was forced to move.

Tom Waggoner then searched for, and found, the final home of the Waggoner Ranch, thousands of acres along Beaver Creek near Electra, Texas, which he purchased.

Today the W.T. Waggoner Estate, with the help of 100 ranch hand families, raises some of the country's finest horses and cattle, in addition to farming 26,000 acres. The Waggoner spread was also the home of Poco Bueno, a world-famous quarter horse.

Students need measles shot

A new state regulation is going to send parents of school children scurrying for their immunization records.

All students are required to have received measles (Rubeola) vaccine, a booster, or have validated proof of having had the disease since Jan. 1, 1968, according to Nancy Young, who cares for records at Iowa Park High School.

The requirement applies to all students, kindergarten through the 12th grade.

For those who received the measles vaccine prior to Jan. 1, 1968, a

booster is required.

Those who have had measles must provide a physician's letter or record, in order to be exempt from the required booster. The physician must state that the student does not require vaccine.

Mrs. Young urged parents to check their children's immunization records to see if a booster or physician's statement is needed, before school starts.

Bob Dawson, high school principal, said students will have until Sept. 14 to get their required measles shots, due to the late notice.

Brands must be registered

Sometime during the next six months, livestock owners must re-register their brands with the county clerk.

Every 10 years, livestock owners are to renew their brand by recording them with the county clerk. The period begins Aug. 30. The requirement is the result of two state attorney opinions of an article passed by the state legislature in 1971.

All marks and brands will be recorded with the Wichita County Clerk, regardless of when they originally were recorded. This way, the clerk's office will have a correct and revised set of records every 10

years, and there should be no dispute about the correct ownership of livestock, Vernon Cannon, Wichita County Clerk, said.

Marks and brands not re-registered within the six-month period will lose legal right and may be used by someone else, Cannon said.

There are 550 registered brands in Wichita County.

To register or re-register, the livestock owner may obtain forms either by mail or in person from the clerk's office. There will be blank spaces on the form in which to describe the mark or brand and location on the animal where the brand is recorded.

We've debated nuclear power long enough...

let's get on with it.

We Americans have always recognized the need for full and orderly discussion of important public issues. From the neighborhood improvement association to the United States Congress, free-ranging debate helps us decide what to do, when, and how. And when the facts are in, we do it.

After 30 years we're still debating—and delaying—nuclear power. Some people worry that it's not safe, or too costly, or that the fuel's too scarce. The facts are:

- In the 24-year history of U.S.

commercial nuclear power there has never been a nuclear-related fatality.

- Electricity made with nuclear fuel is competitive with electricity made from other fuels.

- We have the largest proven reserves of nuclear fuel in the free world, and a dollar's worth of nuclear fuel contains as much energy as \$10 worth of imported oil.

At your electric company, we believe the debate on nuclear power has served its purpose and now it has gone on long enough. Most

Americans agree that we should be developing the potential of this domestic and less costly fuel.

The record shows that nuclear power is clean, efficient, competitive and safe. And to supply the electricity we need to keep this area attractive for living and working, it's necessary. So let's get on with it.

Holliday schools to open Monday

Bright and early Monday morning school bells will ring once again at Holliday's schools, signaling the new school year.

Junior high and senior high students will meet in the high school auditorium at 8:30 a.m. for a pre-school assembly, led by principal Bill Lee.

Elementary principal Dan Owen will greet kindergarten and elemen-

tary students in the high school gymnasium, also at 8:30.

"Buses will run that morning for students on bus routes," Owen said, "and students will be expected to remain in school all day."

Students entering the Holliday schools for the first time must have updated immunization records on hand, if not during pre-registration earlier this week. All students must

have updated medical records on file by the first day of school in order to attend classes. These are to include a measles shot or booster since January of 1968.

Breakfast and lunch prices will be more costly than the previous year. New prices are:

Breakfast:
Kindergarten through third grade, 40-cents.

Fourth through 12th grade, 50-cents.

Adults, 60-cents.
Reduced, 30-cents.

Lunch:
Kindergarten through third grade, 75-cents.

Fourth through 12th grade, 90-cents.
Adults, \$1.25.
Reduced, 40-cents.

No tax increase seen for Holliday

Holliday city council Monday night adopted the city's budget for fiscal year 1982 during their regular bi-monthly meeting.

According to city administrator Jim Hamill, the budget was structured after last year's budget by comparing the projected and actual expenditures, and possibly without the need of a tax rate increase.

"At this time, I do not foresee a tax rate increase," Hamill pointed out, "It will probably be on the agenda for the next meeting (Sept. 2)."

After the budget was explained in

detail to councilmen, mayor James Cook said, "At this point, from what we learned last year and what we know this year, I entertain a motion to adopt this budget."

The budget was passed unanimously.

WATER FUND

With an anticipated income in the water fund of \$142,777.80, projected expenses total \$139,480. Salaries take the biggest chunk, \$40,000, while water purchased, \$27,000, transfer to general for refuse, \$20,000, and bonds and interest, \$18,000, are additional

major expenses.

Other expenses in the water fund budget are: General supplies, \$8,000; utilities, \$6,500; chemicals and social security, \$3,000 each; fuel, \$2,500; and contingency and water checks, \$2,000 each.

GENERAL FUND

Expenses totaling \$151,500 is budgeted out of anticipated income in the same amount.

Major expenses include \$69,000 for salaries, \$10,000 insurance, \$8,000 asphalt, and \$6,000 each for accounting and legal expenses.

Other expenses include: fuel, \$7,000; dump ground, \$5,000; \$4,000 each for bonds and interest, and social security; \$3,500 vehicle repairs; and \$3,000 each for contingency fund, and street resurfacing.

MUNICIPAL FUND

Expenditures of \$7,270 are anticipated with an income of \$8,500. Major expenses include \$2,000 for building maintenance, and \$1,200 in attorney fees.

REVENUE SHARING

Under revenue sharing, \$16,000 is budgeted for expenses with an anticipated income of \$16,200. Street resurfacing will account for \$9,000 of that amount, with the fire department, \$3,800, and civil defense, \$2,200 was budgeted. \$1,000 has also been set aside for insect spray chemicals.

In other business during Monday's meeting:

* council donated \$500 to Archer County's Scott airport refiller fund;

* turned down a proposal for a water tap for Jerry McMahan's land next to the Garland Ray Addition, stating that no city services will be provided for property owners not willing to be annexed into the city;

* tabled a proposal by the investment firm of Franklin, Barrington and Giddings to have water service extended to a possible subdivision on the west side of FM 368 south of Holliday; and,

* announced that their next meeting will be held Wednesday Sept. 2 because of the regular scheduled meeting date falling on Labor Day.

Eagles to scrimmage Knox City tomorrow

After surviving two weeks of the perennially-dreaded two-a-day workouts, 89 Holliday High School footballers travel to Knox City tomorrow for the season's first scrimmage.

Beginning at 6 p.m., the freshman squad will take the field, followed by the varsity, junior varsity, and then another series with the varsity.

Twenty-eight varsity and 41 junior varsity and freshmen squad members reported for the two-a-day practices, head coach Don Lucy said.

Overcast skies during the last week

of practice, when players donned pads, made conditions more comfortable and practice more productive.

SEASON TICKETS

Season tickets for the 1981 season are on sale from 8 a.m. to 4 p.m. today and tomorrow in the superintendent's office, according to Pat Holt, secretary.

Price of the season tickets are \$15. Any unclaimed tickets left over will be sold Monday.

Fire department obtains 'new' grass fire truck

Holliday firemen now have a "new" grass-fighting truck.

After a special meeting of the Holliday Volunteer Fire Department Aug. 6, plans were made to retire the 1952 G.I. truck, which has been instrumental in fighting grass fires in the area the past few years.

Firemen purchased a 1973 Ford F600 from John Grey Truck and Equipment of Seymour, and in three days attached the bed of the G.I. to the Ford chassis.

When work was completed on the body, the number "615" was placed on the new truck, and has been used to fight two grass fires.

"Although the new truck can't get to places the G.I. truck did, it does get

to the fire much faster," said Glenn Wood, fireman.

Wood said the major reason the G.I. truck was better on rough terrain was because of its four-wheel drive, a feature the new truck lacks. "It just took longer to respond to a call in the old G.I.," wood remarked.

The construction of Stonehenge required an estimated 1.5 million hours of labor.

NOTICE

IF YOU SMELL NATURAL GAS, FOLLOW THESE 3 STEPS TO SAFETY.

The natural gas industry has an excellent safety record.

The fact that you can smell natural gas is because we add a harmless chemical to it as a safety feature. Otherwise, it would be completely odorless. If you detect faint whiffs of what you think may be gas, investigate. It may be something that is as easily and safely corrected as a pilot light that has gone out, or a burner valve that's partially open.

If your equipment seems to be working properly and the odor intensifies and seems to be everywhere, please follow these precautions:

1. Do not switch anything electrical on or off. Do not use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.
2. Have everyone leave the house immediately, leaving doors open to help ventilate.
3. Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine whether it's safe for you to return to the house.

You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

Kid football signing set

Youngsters will sign up Saturday afternoon to play in Top of Texas Football, according to Gordon Griffith.

Registration will begin at 4 p.m. at the ASCS Building, 220 W. Park. Players must be at least eight years of age before Sept. 1, and cannot be 12 before the same date,

Griffith said.

Interested parents who have questions are encouraged to attend the sign up meeting. There are also coaching opportunities for interested persons.

Any youth unable to attend the registration period should contact Griffith at 592-4840.

Ayres team earns berth

Ayres Tire fast pitch softball team earned a berth in the regional Class "A" ASA Fast Pitch Softball tournament this weekend by placing

third in the state tournament last weekend.

The team, sponsored by Jack Ayres of Holliday for the third year, went undefeated in the tournament before losing 2-1 to a team from Beaumont in the finals, a team that went undefeated through the tournament. In a consolation match, the Ayres' team was defeated by Kimberlin Well Service of Jacksboro 2-1.

Ayres Tire has played in 11 tournaments across the area this year, placing in the top four in five of them.

OVERCAST SKIES provided some relief for varsity Eagle candidates practicing in full gear since Friday afternoon. Tomorrow night the Eagles scrimmage Knox City's

Greyhounds, with another scrimmage scheduled next week against Bowie before the season opener Sept. 4 in Seymour.

Coaches enter beep tourney

Coaches representing Iowa Park Little League will be participating in a "beep baseball" tournament Aug. 27-28 at the Golden Distributor's softball field in Wichita Falls.

Eight teams are fielded in the tournament, which is being sponsored by the Beacon Lighthouse for the Blind.

The sponsoring organization produced the Beacon Bombers, which defeated Iowa Park's coaches here Saturday night, 6-4.

The Bombers left their opponents, as well as the fans in the stands, awed by their abilities. A rematch between the two teams has tentatively been set for the middle of next month.

Municipal Court Records

Results of municipal court held here Thursday were:

William Earl Kent Jr., no drivers license in possession, \$43.50; Lester Thomas Sargent Jr., public intoxication, \$28.50.

Annuals are ready for distribution

Iowa Park School annuals for 1980-81 school year can be picked up Tuesday evening, according to Mrs. Tom Venhaus.

Students can pick up their annuals from 6:30 to 9:00 p.m. in the concession stand.

Free Dr. Peppers will be served.

Poll indicates Texans fear becoming crime victim

Texas residents are increasingly fearful of becoming victims of crime, according to the latest Texas Crime Poll.

Almost two-thirds (65.7%) of those surveyed selected at least one type of crime of which they felt they may be victims during the next year.

The latest poll is a random sampling of 1,449 Texans from throughout the state. It was conducted by the Criminal Justice Center at Sam Houston State University.

The survey showed a marked increase in the fear of crime over earlier polls. Just a year earlier 60% said they were afraid of becoming crime victims, and four years ago, when the first Texas Crime Poll was conducted, that figure was 53%.

Similar results were shown by a question on whether survey participants had installed security devices in their homes. More than four out of five (82.2%) said they had, compared with 76% a year ago and 72% in the fall of 1977.

Other questions showed that Texans are increasingly sure that over the past four years crime has gotten worse. In the current survey, 63.3% said that it has, compared to 57% last spring and 46% in 1977.

Furthermore, Texans expect the incidence of crime to increase. Almost three-fifths (54.4%) hold that belief as compared to 56% last year when that question was asked for the first time.

In line with those concerns regarding crime increases, only 43.8% of the survey respondents said that their police departments were doing either a good or excellent job. This was down from 50% a year ago.

Sheriff's departments received similar ratings—44.6% this year as compared with 48% a year ago.

Texans think the most important function of a prison is to punish the

offender. Second in importance is for imprisonment to serve as an example to keep other people from committing crimes (deterrence). Third in importance is providing treatment for criminals to enable them to be more law-abiding (rehabilitation). The least important function of a prison according to the opinions of Texas residents is keeping criminals separated from society (isolation).

The recent survey also attempted to determine how Texans feel about current issues in criminal justice, such as conjugal visits for prison

inmates, placement of new prisons, the governor's review of parole recommendations, marital rape, alcohol and marijuana use, and so-called "victimless crime."

Over two-thirds (68.5%) of those surveyed approved of conjugal visits, contingent on the good behavior of the inmate. Over Three-fourths (75.7%) said that only the legal or common-law husband or wife should be allowed to participate in such a program.

Almost two-thirds (65.5%) said that prisons should be built in rural

areas exclusively, rather than in urban areas where it would be easier for most families to visit. Only 18.5% said they should be built in both rural and urban areas, and 12.7% were undecided. These findings seem to contradict the earlier results which indicated that isolation is the least important function of a prison.

The majority of the respondents (62.6%) either favored or strongly favored the current Texas policy that all inmates who are recommended for parole by the Parole Board must receive final approval from the Governor's Office. Only 9% opposed this policy.

Respondents were about equally divided on whether Texas should have a law to permit a wife to accuse her husband of rape. Some 35.6% favored such a law; 33.6% opposed it;

and 29.5% were undecided. Almost nine out of ten (89.1%) residents reported having used alcohol at least once in their lifetimes and 72.9% had done so in the past year.

Slightly more than one out of every four (27.6%) said they had tried marijuana at least once, and more than one out of ten (11.8%) said they had used it in the past year.

The largest percentage of the participants (45.2%) agreed that marijuana is worse than alcohol. Only 13.9% thought alcohol is worse than marijuana, and 34.2% thought they are both the same.

Respondents were asked to indicate which of seven activities sometimes referred to as "victimless crimes" they thought should be against the law.

The offenses and percentage of respondents who said they should be against the law included: public intoxication (77.2%); prostitution (59.6%); homosexuality (55.3%); abortion (41.6%); attempted suicide (37%); and gambling (36.8%).

More respondents (44.9%) said gambling should not be against the law than said that it should. Only 33.5% said attempted suicide should not be against the law, with 24.2% undecided on the subject. Some 40.3% said abortion should not be against the law, with 15.7% undecided.

The Survey Research Program at Sam Houston's Criminal Justice Center is under the direction of Dr. Glen A. Kercher. Dr. Victor G. Streecher is dean and director of the center.

Tax suits filed on local property

Tax suits have been filed against 11 individuals or estates for delinquent taxes, by Mays, Hart and Co., Greenville legal firm representing Iowa Park and the Iowa Park school district.

Tax liens were filed early this month against: Cora E. Blevins, James David Brown, J.W. Chowning, Barbara Culley, J.L. Dalrymple and heirs and successors in title to T.H.

Finnell appointed

Rep. Charles Finnell has been appointed by Speaker Bill Clayton to attend the Southern Legislative Conference of The Council of State Governments in Charlotte, North Carolina this week.

"This very informative conference will focus on complex governmental issues of this decade," stated Finnell. "We will address topics such as development of Southern natural resources, maintenance of environmental quality, state implementation of federal budget cuts, and the role of the Southern States in federal policies now being developed."

Little on honor roll

Travis Lee Little of Iowa Park was listed among the 1,041 students in the College of Engineering at the University of Texas at Austin who made the spring semester honor roll.

Released this week, the honor roll includes students who maintained at least 12 hours course load throughout the semester, passing all courses with a minimum grade-point average of 3.25.

Birthday party

Kara Todd, daughter of Mr. and Mrs. Jerrol Todd, 104 James, celebrated her second birthday Saturday with a "Muppet Party" hosted by her mother.

Also attending the event were Kayla and Jimmy Jackson, Patty and Michelle Robertson, Amy Hessinger, Michael and Sarah McCurdy, Shannon Todd, sister, and Vesta Todd, grandmother.

CARD OF THANKS

We want to thank our friends, neighbors and the First Baptist Church for the food, flowers and cards sent us after the death of my father, Thomas K. Spencer. Your kindness and consideration will be forever remembered.

Attention: Parents or Guardians of school children

Dear Parent or Guardian:

APPLICATION FORM
[For Free or Reduced-Price Meals]

Date _____

The Iowa Park Consolidated Independent Schools serve nutritious meals every school day. Students may buy lunch for .65, .75, and .90 cents and breakfast for .40 cents.

Children from families whose income is at or below the level shown on the attached scale may be eligible for either free meals or meals at a reduced price of .40 cents for lunch and .20 cents for breakfast.

To apply at any time during the year for free or reduced price meals for your children, complete the attached application and return it to the school. Within ten (10) days of receiving your application, the school will let you know whether or not your children are eligible.

If, during the school year, there are changes in your family size or substantial changes in your income, you should report such changes to the school's officials in order that appropriate eligibility adjustments be made.

*PROOF OF CURRENT FAMILY INCOME - If you have applied for free or reduced price benefits in other school years, you will note some changes to the application form. The application now requires the name and social security number of all adult family members. Adults without social security numbers must indicate that they do not have one. Schools may verify the source and amount of income as well as household composition.

* FOSTER CHILDREN - In certain cases, foster children are also eligible for these benefits. If you have foster children living with you and you wish to apply for such meals for them, please notify us or indicate it on the application.

* NONDISCRIMINATION - All children are treated the same regardless of ability to pay. In the operation of child feeding programs, no child will be discriminated against because of race, sex, creed, color or national origin.

* FAIR HEARING - If you do not agree with the school's decision on your application, you may wish to discuss it with the school. If you wish to review the decision further, you have a right to a fair hearing. This can be done by calling or writing Bill Steger, P.O. Box 428, Iowa Park, Texas 76367, Phone: 592-5921.

Sincerely,
Harold Cowley
Superintendent of Schools
