# Cryovac to undergo another expansion

Contracts are to be signed for the fourth expansion project of the Cryovac plant, according to Frank Gossett, plant manager.

Total value of the project will be between \$6- and \$7-million, which includes addition of some 15,000 square feet and equipment on the east end of the structure.

Completion of the expansion is expected to be about the end of 1984. and equipment is expected to be in place around the middle of next year.

The expansion is expected to require an additional 25 personnel, according to Gossett. That would take the plant's workforce near the 500 mark.

Announcement of expansion financing approval by W.R. Grace, parent organization of Cryovac, was made earlier this week when a delegation of top corporate figures visited the local plant.

Heading the group, which flew into

Wichita Falls aboard a corporate jet, was Carl M. Graf, president of W.R. Grace, and Robert Samuels, I.C.G. group executive.

Receiving the construction contract is Electra Construction Co. of Electra. This marks the first construction work on the plant to be awarded to any firm other than Miller and Holmes Const. Co.

First expansion was in 1977. followed by another in 1980 and again in 1982.

# Grade school supplies, time changes are told

School supply lists for elementary students were released this week by principals, as the Aug. 27 start of classes nears.

Also new hours students will attend schools have been finalized.

Starting time for all classes at all campuses will be 8:10 a.m. Students at Kidwell will be released in the afternoon at 3, Bradford students at 3:35 and junior high and high school students at 3:45.

The varied ending times in the afternoon is to allow an even flow of buses to pick up the students at the various campuses. Those riding buses in the morning should be ready about 10 minutes earlier than last year, Supt. Harold Cowley said. The change in starting time for school was required when all schools adopted a seven-period schedule, instead of the usual six periods. Teachers are to report to class by 8 a.m. and leave at 4 p.m. Principals will be at the schools from 7:30 a.m. until 4:30 p.m., while secretaries will work from 7:45 a.m. to 4:15 p.m. Elementary students who have not pre-registered should register Aug. 15 or 16 at their respective school. Immunization records are required for registration.

Junior high students not registered should be at the junior high Aug. 16 or 17. Immunization records are also required.

Any student not pre-registered for high school classes should do so immediately, according to Bob Dawson, principal.

Parents of any children who needs to be screened for kindergarten this year should contact Kidwell Elemen-The telephone number tary. 592-45

# Police recover vehicle

Police got more than they figured early Saturday morning when they stopped a vehicle on suspicion of intoxication.

During a routine record check with the Department of Public Safety, it was determined the driver had stolen the vehicle from Lubbock.

Officers stopped a pickup at 2:26 a.m. near the overpass at Bell Road and the expressway. The pickup had a dealer's tag, and it was determined the driver was using it without authorization.

Lester Alan Gunter, 37, was arrested on a charge of driving while intoxicated. His passenger Jerry Leon Creek, 24, was charged with public intoxication. The pickup was impounded and turned over to an employee of Messer Ford of Lubbock the following day.

While being held in the local jail, Gunter complained of chest pains and said he might be having a heart attack. He was transported by ambulance to Bethania Hospital. An officer stood guard until he was turned over to the sheriff's department at 7:38 a.m.

Creek was released after posting \$49 bond. Gunter remains in county jail.

Another DWI case was recorded on police records at 9:48 p.m.

A citizen reported an eratic driver on East Highway, and the vehicle was stopped by a police unit at Yosemite. June Green Woodard, 58, of Altus was arrested and turned over to the county sheriff's office, charged with DWI.

Bernard Blair told police Monday someone had taken \$74 worth of items from his home at 902 E. Highway. Listed as missing were a 50-foot garden hose, sprinkler and two-drawer chest.

They also commended the buyers who were extra generous in their bids at the merchandise and livestock sales.

The amount raised at closing time is \$10,000 ahead of the same time last year, Parker said. Livestock brought \$45,500; merchandise, \$68,000 (\$10,000 was silent auction proceeds); and \$62,000 in cash donations. The 1983 final total was \$183,125. The auction is the largest fund raising event for the Rehab Center.

Livestock donations and merchandise were greater than last year also. Several new ideas were featured for this year's two-day event; a silent auction, music by the Light Crust Doughboys, a golf tournament and a lobster bake.

## PAGE 4, IOWA PARK LEADER, IOWA PARK, TEXAS, AUGUST 9, 1984

Remember those gleaming reports that came out of Austin back during the special legislative session? The ones that told about how much new money would be coming to the school districts?

Sounded great, didn't it?

Well, it's so great, that if the Iowa Park school tax is increased five cents, we'll still draw down the carryover something like \$500,000. Sounds great, doesn't it?

The entire board met in a budget session last Thursday and was presented all the income and expenditure figures. That session lasted from 5:30 to about 10 in the evening. Then the budget committee and department heads met about the same starting time Tuesday, and left the building at 1:45 yesterday morning.

That's great, isn't it?

That Tuesday session resulted in the cutting of some \$60,000. That's taking just about every department to the bone, leaving about enough meat to carry on school through the year.

The preliminary budget calls for expenditures of \$4,920,652. That includes \$286,000 in state-mandated salary increases.

There wouldn't be much problem, with the salary increases and all, if it weren't for the formula Iowa Park must operate under. Such things as using a two-year-old district valuation and we just lost more than \$25-million in values. And the fact we're not small enough to qualify for a small district adjustment, and not having enough "experienced teachers" to share in an entitlement.

"What we're working on now is more where we'll be two and three years from now. We've got the direction from state and will make it work. What we want from you is help," Supt. Harold Cowley told the board.

He explained that costs were going to get higher over the next three

# Letter to the Editor

years. This is not only because of the salary increases, but because the state's share in those salaries will be decreasing at the same time.

While the district is in good financial condition now, with approximately \$1.280,790 carryover, it won't be that way. For example, if the taxes were raised from 43 cents, which we paid last year, to 57 cents, the state average, next year, we'd still have a deficit of \$481,161.

That's outstanding, right?

# **Community** gets state exposure

Newspaper readers at San Antonio, and possibly several other areas of the state, now know some history about Iowa Park.

Jack Maguire, whose syndicated column "Talk of Texas" appeared in Sunday's San Antonio Light, wrote about Iowa Park under a topic heading of "What's In A Name?". A copy of the article was provided to the Leader by Mrs. Stanley Williamson.

The article stated:

"Iowa Park, Wichita County, got its name from two different sources. "When it was established in 1888

by the Fort Worth & Denver Railway, most of its first settlers were from Iowa. Because the townsite included a number of recreational areas, they decided to name the place Iowa Park."

With Tuesday's cutting of the budget requests, that leave next year's expenses at \$4,860,652. All revenue, not including local taxes, is estimated at \$3,262,157. That leaves \$1.598.495 that will have to come from taxes and the carryover.

Sound bleak? Then consider the Decatur district, where taxes will be raised from 61-cents to a figure they're working with now, \$1.10, but not yet adopted.

Great thinking by the legislature, right?

Wrong, and I think the voters will remember in future elections which of their elected delegates voted for this messed up "education reform" package. I sure will.

Area students listed are Kent O'Neal Roberts, son of Mr. and Mrs. Ross O'Neal Roberts of Route 2, and Kevin Hobert Robnett, son of Mr. and Mrs. Virgil David Robnett of 602 West Coleman.

# IRS Tax Tips

goods or services for goods or services of equal value, usually called bartering, is an American tradition that carries federal income tax responsibilities, the Internal Revenue

Both individuals must report the services received as income at fair market value. However, both may claim the fair markeat value of the repair work done as a business expense on their income tax returns.

Taxpayers who have not reported income gained from bartering can correct their income tax returns

# Mrs. John A. Rains

Katie (Mrs. John A.) Rains, this week's cook, is a bundle of energy despite her hectic work schedule as directory supervisor for Southwestern Bell's Wichita Falls office. A 20-year resident of Iowa Park, she still takes the time to prepare hearty meals for her husband, a Texas Electric Service Co. employee, and daughter, Jana, an eighth grader at Iowa Park Junior High School.

Originally from Walters, Okla., Mrs. Rains learned to cook as a fourth grader. She lists the Lemon Lime Refrigerator Cake as her daughter's favorite, and the Lemon Chess Pie as her husband's consistent choice.

The family resides at 817 N. Park.

## LEMON CHESS PIE

- Mix:
- 2 cups sugar
- 1 tablespoon flour 1 tablespoon cornmeal
- Add:
- 4 unbeaten eggs
- <sup>1</sup>/<sub>4</sub> cup butter melted
- <sup>1</sup>/<sub>4</sub> cup milk
- <sup>1</sup>/<sub>4</sub> cup lemon juice

Pour into pie crust and bake at 350 degrees until top is golden brown.

## **NEVER FAIL PIE CRUST** 3 cups flour

- 1<sup>1</sup>/<sub>4</sub> cup shortening 1 tsp. salt
- 1 egg well beaten
- 5 tablespoons water
- 1 tablespoon vinegar Gut shortening into flour and salt. Set aside. Combine eggs, water,

and cold milk until stiff. Immediately frost cake, and keep refrigerated before serving.

# Council adopts budget, sets rate

Holliday City Council Monday night approved the fiscal budget for 1985 and set the tax rate for the coming year, in action taken during its regular bi-monthly meeting.

The tax rate will be .3213 per \$100 valuation, down almost eight cents. The 1985 budget was broken down into five sections this year, with a summary for the general fund, water fund, municipal fund, meter fund, and revenue sharing.

## **GENERAL FUND**

A total income of \$286,840.15 with expenditures of \$276,608.81 will leave an unbudgeted reserve fund of \$10,231.34, according to the sum mary. Income generated in the general fund comes mainly from ad valorem taxes totaling \$74,502.27, and sales tax returns totaling \$90,000. Major expenditures listed for the

following year include \$30,000 for street resurfacing, and \$84,042.65 in salaries.

## WATER FUND

The summary lists an income of \$208,242.29 with expenses of \$205.333.25, leaving a fund reserve of \$2,909.04. Income will mainly come from water collections totaling

# Eagle football teams begin workout Monday

Two-a-day workouts for the 1984 edition Holliday Eagles begins bright and early Monday morning, according to head coach Don Lucy.

High school players report in Monday with an 8 a.m. starting time, with the afternoon sessions starting at 5. The athletes will practice without pads four days for conditioning, and Friday will be the first day the players dress out in pads.

The first scrimmage, according to Lucy, will be against Knox City Friday, Aug. 24 at Eagle Stadium. The following Friday, the freshmen, junior varisty and varsity units will travel to Munday for the second and final scrimmage. Both are slated to start at 6 p.m.

As for the regular season schedule,

# **Band** Club opens its membership

Holliday Band Club members voted recently to open its organization to all interested persons, ending a long-standing but unwritten policy of allowing only parents of band students to join.

Lucy says the travel will be down quite a bit, but the competition stands to be tougher. Holliday hosts Archer City in the season opener Sept. 7 in a county shootout, and Sept. 14 the Eagles will host defending state champion Boyd.

September 21 will be the first on-the-road game for Holliday, but for only a short distance, to Iowa Park. On Sept. 28, district play will begin with Holliday traveling to Seymour. The next games, in order, will be against Electra, Henrietta, Nocona, Jacksboro, Petrolia, and Olney.

or 817-691-3920

Expenditures during the coming year will include \$57,187 for salaries and \$36,000 for water purchased. In addition, another \$27,000 from the water fund will be transferred to the general fund for refuse.

## **MUNICIPAL FUND**

Under the municipal fund, which includes office equipment and supplies, an income of \$3,569.14 is listed with expenses totaling \$3,229.95.

# **Trustees face budget session**

meter

The Holliday School Board will meet at 7:30 p.m. Monday to approve expenditures for the 1984-85 school year, and amend the 1983-84 budget. according to superintendent Dan Owen.

Finances has been a major consideration before the board this year, with trustees faced with the unwelcome task of possibly raising the tax rate by more than 10 percent to accomodate the new school reform bill, passed in a special session of the Texas Legislature.

In a mid-July called meeting of the board, Owen informed trustees that the state was funding approximately \$100,000 less than anticipated for the coming school year.

# Sales tax shows healthy increase

The July sales tax refund for Holliday dropped slightly compared to the two previous months, but shows a 30.58 percent increase over the same period last year, according to a report from the Texas Comptrollers Office.

Holliday received a check for \$10,781.12 in city sales and use tax

# Annuals arrive. distribution today

The latest edition of the Eagle Annual for Holliday Schools has been delivered, according to annual sponsor Tommy Lofland, and students can pick them up between 3 p.m. and 6 p.m. today at the Erma Barton Auditorium.

The 1984 payments to date for Holliday totals \$67,341.69, compared to \$51,570.05 for the same period in 1983.

"The safest way to double your money is to fold it over once and put it in your pocket." Kin Hubbard

The function of the club is to help instruments for band finance members, and a current two-year program is underway to finance new uniforms for the bands.

Meetings are held the first Monday of each month at 7:30 p.m.

Officers for the 1984-85 year are Barbara Welch, president; Melvin Bills, vice president; Sharon Nichols, secretary; Jo Krob, treasurer; and, Mary K. Dolberry, reporter.

# Average Payment can help smooth out high summer electric bills.

In the summer, intense Texas heat can make your air conditioner work longer and drive your electric bill up in a hurry.

Our Average Payment Plan can help by "averaging out" your payments. You still pay for all the electricity you use, and your payments will still vary from month to month. However, in high-use months you pay for less electricity than you use, and in low-use months you pay for more.

Average Payment can help smooth out high summer electric bills. It's available to both residential customers and churches. If you'd like to know more, give us a call.

# a large newspaper goes to a n class at night school and falls th the teacher.

WHERE ARE THEY NOW? - An effort is being made to have a reunion of the Hawks of 1964 during the Oct. 12 IPHS homecoming. Team members were: front left, Keith Burkhart, Jackie Harris, John Huff, Bobby Kenet, Bill Whittingstall, Karry Thompson and Jimmy Dunn; middle row, Phillip Green, Robert Dawson, Jerry Wakefield,

Rauschuber, Alan Holderman, Gary Coleman, Brent Davis and Billy Jackson; back row, Greg Webb, Danny Tarbet, Terry May, Ronnie Waters, Carlton Walls, Mike Patusek and Dennis Hill. Not pictured were Jimmy Bradberry and Gordon Parkey.

# Whereabouts needed for '64 Hawk reunion

A reunion for the Hawk football team of 1964 will be held this fall, if one of the members has his way.

Robert Dawson, who was a junior the season of '64 is trying to locate all the members of the team. He's asking for help from the public, in an effort to contact his teammates and arrange the meeting.

Anyone knowing the addresses of team members is asked to write: Robert Dawson, 9212 Northpoint, Dallas, 75238, or Bob Dawson, 501 W. Clara, Iowa Park.

Dawson wants to hold the reunion during Iowa Park High's annual homecoming, which will be Oct. 12. The Hawks will play Bowie that weekend.

The team of '64 was the first of Iowa Park's to go undefeated through the regular season. It was the first of those fabulous winning squads under former coach Tommy Watkins, who was in his second year in '64.

The 1964 team set the standards for others to follow, eventually leading to the state championship in 1969 and co-championship of 1970.

Non-conference games that year were: Henrietta, 36-0; Stamford, 26-0; Decatur, 34-0; Hirschi, 19-6 (Hirschi advanced to Class AAA semifinals after that), and Burkbur-

Distraict 2-AA games included: Seymour, 55-0; Quanah, 28-14; Olney, 21-20; Electra, 35-0 and Childress. 29-15.

The Hawks were tied by Phillips, 12-12, but were declared bi-district winners by virtue of 5-2 penetrations. But the road ended there, as the

Hawks met Denver City for the regional title on Thanksgiving Day and lost, 6-26.

# High school footballers start two-a-days

High school football gets underway for another season Monday, when athletes begin two-a-day sessions.

Results of municipal court held here yesterday were: Gwendolyn Peddy Ramos, speeding,

\$47; Michael Ray Anderson, speeding,

\$68;

Michael Ray Anderson, no drivers license in possession, \$60; Richard Nelson Dodson, speeding,

\$41; Debra Lynn Malone, speeding, \$60; John Randall Norris, speeding, \$62; Dee Pannell Fowler, speeding \$41: Dee Pannell Fowler, displayed expired registration, \$49;

Rebecca Rene Roberts, speeding, \$42;

Brenda Sue Teague, failed to yield right of way, \$40;

John Edd Henderson, no drivers license in possession, \$60; Jerry Leon Creek, public intoxication. \$49.

Coach David Baugh said all varsity, junior varsity and freshman players are to report at the field house at 7:30 Monday morning, and he'll get things started off by having them run a mile.

Following a team meeting at 8:30, at which rules and policies will be explained, the first workout will begin at 9 a.m. and the afternoon session at 5 p.m.

Daily sessions after that will be 9 and 5, for varsity and junior varsity. Freshmen will work out once each day, at 9 a.m.

Players were to be issued shoes yesterday. They are to run on their own until the coaches take over Monday.

Through Thursday, they'll be working out in shorts, with no contact. That's UIL rules. They are allowed to put on full pads the fifth day, which will be Aug. 17.

The next day, the 18th, they'll have innersquad scrimmages for all freshmen, junior varsity and varsity players, lasting until about noon.

First scrimmage will be Aug. 24, at Jacksboro. The teams will scrimmage Olney here Aug. 31.

Junior high footballers will receive their equipment the first day of school.

# **ATTENTION COACHES** AND WOULD-BE COACHES

The Iowa Park Soccer Club is having a pre-season meeting and planning session on Sunday Aug. 12 at 2:00 p.m. at the RAC [Recreations] Activity Center] located at 304 E. Texas.

Anyone interested in coaching for the fall season is urgently requested to attend. For more information call 592-9096 or 592-5067.

ADVERTISEMENT-Tips On Dental Health **RICHARD CARVER, D.D.S.** 

## **ROOT CANAL FILLING**

Occasionally the pulp tissue of the tooth is injured, may die and become infected. Root canal treatment is necessary if the tooth is to be retained. This means to remove the infected tissue and replace it with a sealing material to prevent the bacteria from entering the canal at the root tip. With modern materials and methods this sometimes can be done in one appointment, but it usually takes several times.

Root canal therapy can be done if the tooth is accessible (usually not on m teeth), and the canals are open enough for the dentist to get the reamer (little drills) through to the tip of the root in a manner that it can be thoroughly cleaned and sealed.

The success rate is about 90+ percent, but it also depends on the patients health and the ability of the body to repair itself. It is usually wise for the treated tooth to be covered with a crown to prevent further damage and to rebuild the crown of the tooth.

Especially if you are out of the country and have tooth problems. . . it might be wise to ask the dentist to do something temporary instead of extracting it.

Prepared as a public service in the interest of better dental health. RICHARD CARVER D.D.S., Phone 592-5141.

# **WHO IS BON DEL?**

BON DEL is a company whose founder adapted a home water-filtering unit from NASA's space flight purification system. (See ENCYCLOPEDIA BRITANNICA 1983 Yearbook). NASA reported this fact in its own magazine, NASA SPINOFF, and now displays the BON DEL unit in its museum.

Due to the new awareness that our municipal systems are not adequate to control the pollution of our drinking water, and that the necessary chlorine treatment is harmful to us, it is expected that the EPA will soon recommend home water filters. the BON DEL unit is EPA approved, removes the chlorine and other chemicals, and is the nation's top selling home water filter.

Local distributors include Vickie Gilmore, Etoy Chapman, Corliss Wallace, Ken Gilmore and Jack Helmcamp. Maryanne Gilmore is now Key Manager. For more information, or a free home trial, call any of the above.
