New construction boosts year's building permits

After an extremely slow month for building permits during July, construction took a major step in August which almost sent the year's total to a million dollars.

July's permits amounted to only \$23,111, but that figure was almost multiplied 10-fold, zooming to \$221,375. That lofted the year's sum to \$901,635.

Six permits were issued for new construction, including a small apartment complex on Second Street valued at \$65,000. The other major permits were for new residences.

Permits issued during August included:

Bloodmobile here Monday

Iowa Park's goal of 50 units will be challenged when the Red Cross Bloodmobile stops here between 3:30 and 7 p.m. Monday, according to Jim Grove, project chairman for the sponsoring Optimist Club.

The Bloodmobile will be at Faith Baptist Church.

Persons between the ages of 17 and 66, in generally good health, are needed to make blood donations, Grove said.

Those persons who need to have a special appointment time may do so by contacting Margie Sumner, 592-5414.

PRETTY FLASHBACK - Teresa Caldwell and Brenda Cook, members of the Hawk Marching Band flag corps, go through a dance routine during halftime of Friday night's football game. The entire band was dressed and played music with a theme of the '50s.

Council to consider budget, buy computer

City council members will make decisions on purchasing a computer, adopting the 1983-84 budget and hear requests from two citizens, at Monday's meeting.

To begin at 7 p.m. in council chambers, aldermen will hear bids submitted on the purchase of a computer. Administrator James Barrington has said will improve and speed up fee billing, records keeping and increase efficiency in the office.

Bids will also be opened for repairs to the bulldozer used at the sanitary landfill.

Mike Jordan has asked to make a personal appearance before the council to request a sewer line be extended to his property at Cash and Bell Roads.

The other personal appearance will be by Jimmy Williams, who will request permission to replace his three lots in the 400 block of West

Pecan.

An executive session appears on the agenda. Barrington said he will ask the council to consider personnel salaries, which are included in the new budget.

Prior to consideration of the budget, a public hearing on the budget, required by law, will be held.

Hawk-Jackrabbit game should be thriller

When Iowa Park and Bowie meet in Hawk Stadium tomorrow night, the question to be answered is: "Will either or both teams be as high as they were for their season openers last Friday?"

Both clubs go into the 8 p.m. kickoff undefeated after each pulled surprises for the "experts" by winning 27-7 last week.

The young and inexperienced Hawks were supposed to have been beaten by Breckenridge by as many as 11 points.

Bowie and Jacksboro were rated pretty much a toss-up, going into the game, and a lot of eyebrows were raised when the Jackrabbits beat a fine Tiger club by such a wide margin.

Iowa Park took an early lead over the visiting Buckaroos, but made a mistake and let the visitors even the

score early in the second half. But the Hawks proceeded to score the next three times they got their hands on the ball, and won convincingly.

Bowie, still smarting from its season opening loss to Jacksboro last year, utilized a new offense, the wishbone, to dump the Tigers.

The Jackrabbits had 16 returning lettermen who remembered well that 1982 loss, and the team's entire pre-season effort had been geared to "get Jacksboro."

Their five offensive and six defensive returning starters may well remember the 28-0 humbling at the hands of Iowa Park in '82, also. And that was before their hometown crowd.

Bowie's size commands respect. The starting backfield consists of Travis Price, quarterback, 180;

fullback Deryl Sanders, 190, and runningbacks Todd Matlock, 170, and Diran Lancaster, 155.

The offensive line starts off with 198-pound center David Parr, guards Jeff Chokas, 194, and Greg Shaw, 165; tackles Jeff Lancaster, 227, and Rusty Blanton, 222; and ends Troy Edwards, 170, and Tom McMurray, 165.

"Bowie is big... more aggressive than they were last year," commented Head Hawk David

Baugh. "They don't look anything like they did last year."

He's seen two films of Bowie playing and he's impressed.

"We'll be tested this Friday night. We've got a battle on our hands."

The Hawk coaching staff was impressed with its relatively untested young players in last week's game with Breckenridge. They said the lack of varsity experience was no major factor, and several of the players came through like old

veterans.

Lack of depth was also supposed to have been a major problem for Iowa Park. However, every player suited out saw action, and nine different backs carried the ball while amassing

292 yards rushing.

The defense game up only 53 net yards rushing (including minus five in the second quarter), and allowed only two of 11 pass completions for another 17 yards.

Coin collection taken

Iowa Park police last week received a report of a coin collection with a face value of almost \$3,000 was

taken from a home.

Mrs. Ira Leonard Crum told police Thursday the collection was taken sometime over the past six months from her home at 204 W. Garden.

Listed as missing were approximately \$2,500 in half dollars minted 1970-80; approximately \$350 (face value, greater value if sold as silver) in half dollars minted 1964-69; and approximately \$100 in mixed coins.

Three other reports of thefts were also made to the police department.

Barbara McCullen of Electra said someone took her billfold from the purse she had over her shoulder while she was shopping at Wal-Mart Saturday afternoon.

She filed the complaint at 4:35 p.m. that the \$15-value billfold contained a personal check made out for \$200, \$37 in cash, an Olney Savings check book and her drivers license.

Sometime last week a 12-volt battery and alternator were reportedly taken from a pickup parked in a locked fence area at 500 N. Second. Buster Reaves filed the complaint Saturday.

Betty Smith said a 20-inch motor cross boys' "Team Murray" bicycle was taken from 1219 S. Wall, valued at \$160.

Postman's Care program aids elderly, handicapped

The Friendly Door will be working closely with the new Postman's Care program, according to Myrna Robinson, site manager, who has already distributed registration forms to members of the senior citizens center.

The program is designed to provide assistance for the handicapped and persons age 60 or over in the event they fail to pick up their mail each day. A red dot sticker will be placed inside the mail box of each person who registers for the program. If the mail carrier finds accumulated mail, he will contact Friendly Door.

The service is free. The responsibilities of those who desire the service will be to empty their mail boxes each day, and to notify the Friendly Door if they are going to be away.

The registration involves providing names of two neighbors, relatives, doctor's name and a list of those to contact in case of an emergency. It will also include signing an authorization slip permitting the Friendly Door to use the "in case of emergency" information provided.

For more information and registration, contact Friendly Door, 592-9311.

Cryovac's employees give UW early boost

Eventhough the 1983 annual United Way Campaign won't be kicked off formally until Wednesday, it looks like an extremely successful year in Iowa Park.

Thanks to the employees at Cryovac.

Iowa Park's major employer has already gotten its pledge campaign underway... and the result is an increase over last year of at least 35 percent.

Cryovac will be recognized at the kickoff program Wednesday as a "Pacesetter Company," and it has set a pace which will be difficult to match for any other company in the greater Wichita Falls area.

Manager Frank Gossett, who is

also the campaign chairman for Iowa Park this year, explained the percentage reported could actually be increased because several employees were on vacations when the others were contacted.

It's important to note that the 35-percent increase come the year following the firm's 20-percent increase last year.

"We look forward to a good campaign this year, as our economy is now on an upswing," stated Gossett. "During a depressed economy last year, Iowa Park contributions only declined 3.7 percent, which is outstanding considering the circumstances."

Wichita Falls experienced an 8.8 percent decline last year.

"This year our goal is to increase contributions by 10 percent, to \$32,325, in Iowa Park. We are off to a good start," Gossett said.

He announced the community division chairmen are:

Bob Aulds, metro division; James Barrington, public employees division; Charlie Lee, professional division; Wayne House, advanced gifts; and Gordon Griffith, major firms division.

"When the campaign person visits you (the community), we hope that as a business or individual you will see the value in supporting this worthy cause. By our response, we can demonstrate that we do care about those in our community who have special needs," he said.

NEW LANDFILL ROAD - City crews are building an all-weather surface from Smith Road to the new sanitary landfill, southwest of the city. The entrance is slightly offset from Smith's intersection with Johnson Road. The new landfill is expected to be in operation by October.

Weaver, Holdbrook vows are exchanged here Friday

Miss Johna Gayle Weaver, daughter of Mr. and Mrs. John M. Weaver, and Dennis Keith Holdbrook, son of Mr. and Mrs. Junior Holdbrook of Wichita Falls, were married Friday evening at First Christian Church in a double-ring ceremony performed by Rev. Dale Walling.

The couple repeated their vows in the presence of relatives and a few close friends before a prayer bench backgrounded by an arrangement of white tiger lilies, hibiscus, stephanotis and English ivy on the baptistry rail. The piano top held a basket of yellow daisies, English ivy, white candytuft and anemones.

Wedding music was furnished by Mrs. Sharon Gregory, pianist, and Kenny Gregory, guitarist. They played "You Decorated My Life" before the ceremony and "What a Difference You've Made in My Life" while the couple knelt on the prayer bench. Mrs. Gregory played the traditional wedding marches.

The bride's father escorted her to the altar and gave her in marriage for her parents. She was a charming picture of style and grace in a flowing white organza gown richly detailed with reembroidered Alencon lace, pearls and Schiffl embroidery. The lace and pearls completely covered the fitted bodice, formed the high bridal neckline, created a distinctive design on the bishop sleeves, then formed the wide cuffs closed with satin-covered buttons. The buttons were repeated on the back of the neckline.

The graceful skirt was fashioned with front panel of organza enhanced with the lace and pearl ornamentation and bordered by multiple tiers of Schiffl embroidery on the sides starting at the waistline, covering the

MRS. DENNIS HOLDBROOK

back of the skirt and sweeping into a chapel train.

Completing her bridal attire was a chapel length silk illusion veil edged with double rows of lace ruffles gathered onto a Juliet cap of lace and pearls headed with white silk roses. The bride's silk bouquet emphasized her chosen rainbow colors in a cascade arrangement of yellow and pink roses, blue anemones, yellow and white daisies, stephanotis in the four colors completed with yellow and white picot ribbon streamers tied with stephanotis.

She carried her bouquet on a white Bible presented to her this spring as a high school graduation gift from the First Christian Church for the "something new" bridal tradition. For "something borrowed," she wore her mother's gold necklace featuring a filigree design of Queen Neferette of Egypt. The "something old" was her late grandmother's linen lace-bordered handkerchief; the garter was the "something blue," and she wore a sixpence in her shoe.

During the service, the bride presented long stemmed yellow silk roses tied with yellow and white streamers to her mother and to the groom's mother.

Miss Gina Lee Weaver attended her sister as maid of honor. She wore a long seafoam green sleeveless gown fashioned with a raised waistline and topped with a tuckled peplum blouse with a ruffled neckline. She carried a yellow silk rose on a long stem accented with cascading yellow and white ribbons.

Gary Russell served as best man for the groom and Tim Woods was the usher.

The mothers of the bride and groom wore corsages of yellow and white silk carnations with their street-length dresses. Mrs. Weaver wore a sheer emerald green dress, and Mrs. Holdbrook wore a dusty blue sheer dress.

The bride's parents hosted the

wedding reception in the Fellowship Hall of the church. Each table in the setting was covered to the floor with white Chantilly lace over white crepe, the cloth on the bride's table was given an extra touch of beauty with a drape of yellow satin gathered up to matching bows at the top.

The bride's three-tiered white cake with one set of Grecian pillars formed the centerpiece for her table. Clusters of blue, yellow, orchid and pink daisies, white lilies of the valley and deep scroll and shell work formed the delicate design in icing for the sides and between the pillars. The traditional bride and groom stood on a dais against a background of white pearl-centered forget me nots for the top ornament. Two simulated wedding rings glistened at the base of the dais.

The table extremities held the crystal punch service and a silver compote of white daisies, yellow, blue and pink roses, stephanotis in the pastel colors and English ivy. The white bridal napkins completed the setting.

The groom's table held a chocolate cake made by his mother lettered in yellow with "Dennis-Johna."

During the reception, refreshments were served by Mrs. Charisse Childers, sister of the bride, Mrs. Odell McGraw and Miss Kim Williams. Mrs. Barbara Kenens of Lafayette, Ind., aunt of the bride, registered the guests.

A long table in the room was set with white lace place mats and appointed with bouquets of silk flowers in the rainbow colors for guests to sit for their refreshments.

Before leaving the church, the bride changed from her wedding dress to a white suit worn with an orchid blouse. They will live in Wichita Falls. She was graduated from Iowa Park High School and is employed at First Wichita National Bank. He was graduated from Wichita Falls High School and works for the City of Wichita Falls.

A recent prenuptial courtesy extended to the bride was a miscellaneous shower held in the Fellowship Hall of First Christian Church. Hostesses were Mmes. Earl Watson, Rollins Woodall, Dale Walling, Wylie Williams, Rollin

Roberts, Pauline Steele, Faye McAllister, William Andersen, Richard Lehman and Dewey Conley.

The honoree's chosen rainbow colors inspired decorations for the event. The refreshment table was covered with a white lace cloth designed with a floor length gathered cloth trimmed at the top and hemline with bands of yellow ribbon, and nosegays of yellow silk carnations at the top corners. The centerpiece was an arrangement of white silk mums

and yellow stephanotis in a crystal pedestal bowl. The white candles on either side were circled with gold rings accented with blue and yellow love birds. The refreshments and napkins followed the color scheme.

Guests signed the bride's book at a table draped with yellow polyester overlaid with green lace trimmed with yellow silk rosebuds.

Mrs. John Weaver and Mrs. Junior Holdbrook, mothers of the engaged couple, were special guests.

IRS Tax Tips

TAXPAYERS CAN APPEAL TAX EXAMINATION RESULTS

Taxpayers who are not satisfied with the outcome of their federal income tax examination have the right to appeal within the Internal Revenue Service, or through the courts, or both.

According to the IRS, after the tax examination, the first step for a dissatisfied taxpayer is to request an immediate meeting with the examiner's group supervisor. The supervisor may be able to resolve the issue at that point.

If no agreement is reached with the supervisor, taxpayers have 30 days to appeal through administrative channels. It works this way: An informal conference can be arranged in any of the over 800 offices throughout the country with a representative of the Regional Director of Appeals, who has the authority to settle the case, regardless of dollar amount.

The Appeals Division is independent of the Examination Division, and the role of the appeals officer is to bring an unprejudiced and unbiased point of view to the case. The appeals office is responsible for trying to reach a mutually satisfying settlement so that the case will not have to go to court.

Additional information on taxpayers' rights of appeals is available in the free IRS Publication 556.

Council meeting news is all good

Nothing but good news for Holliday was evidenced by Tuesday night's Holliday City Council meeting, with city employees getting a deserved raise, councilmen setting a tax rate lower than the previous year, and developer Charles Chandler submitting a final plat for the proposed Judy Ray Subdivision.

The tax rate, set at 40-cents per \$100 market valuation, is a decrease to city residents from last year's .4289 per \$100 valuation.

According to city administrator Jim Hamill, the city could afford to both lower taxes and grant raises to

employees because of a steady addition of improvements to buildings and property which will in effect bring in more revenue to the city's coffers, even at a lower rate.

Hamill added that \$65,000 has been budgeted into the estimated revenue portion of the tentative budget, but he expects the city to receive approximately \$67,000.

After closing the meeting for an executive session for its annual salary review, council reopened the meeting in less than an hour to vote on several employee raises.

Increases were extended to the following after an unanimous vote by the council: Laverne Slatton, city secretary, from \$940 monthly to \$975; Jim Hamill, city administrator, from \$1,605 to \$1,700 per month less \$55 monthly medical insurance; Morganna Thorn, water superintendent, from \$1,280 per month to \$1,380; Sharon Nichols, water clerk, from

\$740 monthly to \$875; Lomax Campbell, chief of police, from \$1,340 monthly to \$1,400; and Betty O. Tanner, city judge, from \$100 per month to \$125.

Also, hourly wages for city workers were raised as follows: Amos Teafatiller from \$5.25 to \$5.50; Allen Monroe to \$4.50 from \$4; and, Philip Brady to \$4.25 from \$3.75.

A little over a month after submitting the preliminary plat for the Judy Ray Subdivision, which will be located on the northwest portion of Holliday bordered to the east by FM 368, Chandler and engineer Mike Brannon submitted a detailed final plat, which received a unanimous nod from the council for passage.

Mayor James Cook again praised Chandler and Brannon for their obvious concern for detail in preparing the plat.

Included in the final plat is a complete detail of all utilities to be

located in the subdivision. With the plat signed by Mayor Cook and authenticated, Chandler will next submit the plat at the county level, and, barring any unforeseen delays, he will soon begin contracting for the installation of utility lines, followed by construction of streets.

"I think this presentation is setting a monumental precedent for Holliday," remarked Hamill. "I think it is a tremendous gain for all of us."

In other business, T.H. Stone presented a preliminary plat for a subdivision to be located on the eastern portion of the city; solid waste operator Jim Crow, who took the position following the death of Pete Snider, entered into contract with the city for his services; and, Rick Stone of Rick's Gulf was scheduled to speak to the council concerning softball fields at Camp Stonewall Jackson, but the item was tabled until the next meeting.

The No. 7 Gibson C and the No. 9 Wittenbach B are each located in a 40-acre lease of the Waggoner Colony Survey, eight miles northeast of Electra.

Location has been staked by American Petrofina Co. of Texas, located in Wichita Falls, for a 3,975-foot developmental probe in Wichita County's KMA Field, 3.5 miles southwest of Kamay. The well is designated as the No. 119 Stanley Mangold Unit. Drillsite will be in a 1,916-acre lease in the WVFL Survey.

The No. 63 & 64 Gulf Tank Farm, two developmental wells in Wichita County's H&GN Survey, are scheduled to be drilled 2.5 miles east of Electra. Flusche Supply Inc. of Electra is listed as the operator. Locations are in a 122-acre lease in the Wichita Regular Field. Projected total depths will be 2,000 feet per well.

TS&T Drilling Inc. of Electra has staked location for the No. 4 J&J Waggoner "14" in Wichita County's K.M.A. Field. It is scheduled for 4,500 feet of hole making. The location is in a 560-acre lease in the H&TC RR Survey, about 10 miles south of Electra.

W.C. Winfrey of Wichita Falls has filed for permit to drill the No. 10, 11, & 12 Lincoln, three 1,999-foot developmental wells in the Wichita Regular Field, five miles east of Electra. The operations will be in a 55-acre lease in Wichita County's L.M. Collins Survey.

The Wichita Regular Field saw a new producer go on line when the No. 19 Fresno Roller was completed by Bohner Oil Co. of Wichita Falls two miles south of Burkburnett.

On open choke, it pumped at the rate of nine barrels of crude per day. It bottomed at 1,368 feet and will produce from a perforated interval 1,224 to 1,243 feet into the wellbore.

With drillsite in a 64-acre lease in the W. Grady Survey A-357, the well is 150 feet from the north line and 450 feet from the east line of the lease and survey.

Red hits road for opener

With hardly time enough for a short breather, Holliday's Big Red must turn its attention to Dist. 11-AA play, taking a clean 1-0 record on the road to Nocona for an 8 p.m. showdown tomorrow.

And, despite a dismal 3-7 ledger in 1982, seven returning starters want Eagle fans to know they won't be an easy pushover.

Size is the important factor for the win-hungry Indians this season, exemplified by guards Kevin Martin (220) and Bill Craddock (219). Martin, a unanimous all-district selection last season on defense, will anchor the Indian defensemen at tackle.

A host of familiar names are back for Nocona, including senior quarterback Rusty Wetherhead, fullback-turned-tailback Welsey Keek, and split end-punter Billy McChesney. McChesney is questionable against Holliday, still suffering from a preseason leg injury.

BAD NEWS FOR RED

A major setback for Holliday occurred Tuesday evening, when two-way starter Jay Burks underwent an emergency appendectomy. Modern medicine and a good amount of luck may see Burks back before next week's contest, however, according to reports.

Asked what changes he was making to fill the void left by Burks' absence, coach Don Lucy said, "We will just have to work a little harder."

"We worked hard on offense this week and we hope to improve (over the Eastland game)," continued Lucy. The Eagle coach indicated that Burks' loss will change the gameplan somewhat, but Eagle fans will have to play a wait-and-see game themselves until tomorrow night before finding out to what extent.

"Nocona is better than last year, and big up front, but they seem to be staying with the basics," Lucy said.

Nonetheless, after last week's 20-15 win over Muenster Sacred Heart, Nocona will probably be flying high by gametime.

The question is, can they fly as high as an Eagle?

The Holliday Independent School District will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1982 by 7.8 percent. The public hearing will be held on September 12, 1983 at 7:30 P.M. at the Board Meeting Room, Holliday Elementary School, 751 College.

Cook of the Week

Mrs. Mike Negri

The versatility of pork and the fact that it does indeed help the American housewife in planning and serving nutritious meals was suggested to us when we noticed that one of Mrs. Mike Negri's recipes for this week was Sausage Cheese Balls. This highly seasoned minced pork hors d'oeuvre has become quite popular for snacks and light refreshments.

"Pork," states one writer, "is, and always has been, the most important butcher's meat in the world." George and Germaine Blond stated in their history of food "of all animals, the pig is one of the most used in the kitchen."

The pig is believed to be man's second domesticated animal and has been a part of his diet for eons. Evidence of pig raising in writings and art appears about 5000 B.C. in two widely separated regions, Egypt and China.

Pork has been a part of the American diet since the early days. The Pilgrims in Massachusetts and the cavaliers in Virginia were not slow to import pigs and by 1640, Massachusetts was already carrying on a profitable trade in salt pork.

Until after the Civil War, pork was the most important meat of the United States; it has now been passed by beef but remains in second position. Worldwide, it is the most widely eaten meat despite the fact that two of the world's major religions forbid eating it.

Abraham Lincoln's two favorite breakfasts were fried apples with salt pork, and ham with cream gravy and biscuits.

Mrs. Negri, the former Margie Lee, daughter of Mrs. Gracie Lee, was graduated from Iowa Park High School. After graduation, she worked for White's Stores, Inc. for four years and worked later as a secretary for the base civil engineer at Sheppard AFB. After her marriage to Mike, the couple moved to Lubbock where they lived 15 years.

During their first eight years at Lubbock, Margie worked as a secretary at Reese Air Force Base. She took a respite from work when their son, Brandon, nine years of age, was born, then worked again as secretary to the postmaster and as postal inspector.

Margie loves Iowa Park and her people and she was delighted when she and her husband and son moved back to the area, locating in Wichita Falls in 1981. She said enthusiastically "We were privileged and honored to become residents once again of Iowa Park in June of this year." She is currently working as secretary in the 80th Flying Training Wing at Sheppard AFB and he is a license and weight patrolman with the State Department of Public Safety.

The Negris attend the New Life Cathedral in Wichita Falls where she is director of the women's ministries, a member of the Ladies Fellowship committee and teaches a Sunday night cell group Bible study.

Acknowledging the important role that her mother has had in shaping her life, Margie said "I inherited a very special gift from my mother - caring for others, so naturally, my first hobby is people." She listed writing, sharing, counselling and serving as ways she finds to bless the lives of others.

Hawks launch

season with

27-7 victory

TWO ARE NEEDED TO TACKLE GREG UNTALON

For a team that was supposed to gain a lot of character during a rebuilding year, Iowa Park's Hawks showed a near-capacity crowd Friday night that 25 minutes was adequate.

They defeated a good Breckenridge club 27-7 in the season opener, and at the same time announced to their future nine opponents Iowa Park is a team to be reckoned with.

Through the pre-season scrimmages, the Mean Green coaching staff lamented its defense was far behind its offense. But it was that same defense that scored the game's initial touchdown, and went on to hold the visitors to a scant 70 yards net total offense.

The Hawk offense used eight carriers and one receiver to produce 316 yards against a seasoned Breckenridge defense. Most of the yardage came in the second half.

Iowa Park possibly has the smallest fullback in the area. Lee Roach is carried on the program as weighing 140 pounds, but the weighing likely took place after a big meal and with dozens of big rocks in his pockets.

But Roach was the workhorse of the Hawk offense, carrying the ball 17 of 44 rushing plays and picking up 73 yards. He scored two touchdowns, one of which was from 17 yards out and dragging a tackler who had latched onto his collar the final five yards.

Bryan "Monk" Fulfer was the big play man of the evening. He carried the ball

only three times, but picked up 77 yards, including a 64-yard touchdown scamper.

Big Greg Untalon bulled his way 47 yards on 12 carries.

Jeff Brookshire caught Iowa Park's only pass completion of the evening, but he also made another important reception late in the game to quell a Buckaroo scoring drive.

Big defensive plays were turned in all evening by Bobby Halady and Craig Whisnand.

Chris Reeves also made a big defensive play, covering a Breckenridge fumble in the Bukaroo end zone for a touchdown, and also carrying the ball five times for 25 yards.

The Hawk defense showed its colors early in the contest. After giving up 27 yards and a first down in the initial period, Breckenridge was held to a minus five yards offense in the second quarter. A major part of the fourth period, during which the visitors amassed six first downs and 27 net yards offense, was played with reserves on the defensive platoon.

FIRST SCORE

After being set back on their own two yard line following Iowa Park's initial punt of the evening, and a three-yard penalty for a low block on the return, Breckenridge gave up the season's first touchdown.

The 'Roo offense had taken the opening kickoff, but hadn't worked up a sweat before punting after three plays.

Still cold, the handoff following the Hawk punt was muffed, and Reeves beat a host of Breck players to the ball left lying on the turf.

Jerry Allen kicked the first of three extra point efforts, giving the Hawks a 7-0 lead with 7:42 still remaining to play in the initial period.

Iowa Park returned the favor on the first play of the second half, however. The handoff between quarterback Dale Hayley and Roach wasn't completed, and Breckenridge took possession on the Hawk 22.

Three plays later Breck's Keith Henson scampered 12 yards over right guard to score, and the game was knotted at 7-7 only 1:05 deep into the second period.

But that was where the Hawk offense took over.

Iowa Park scored the next three times it had the ball.

Roach capped a 72-yard drive by bulging his way the final 14 yards on the next possession.

On their next possession, The Hawks marched 70 yards, with Roach plowing over from the three-yard marker to score his second of the evening.

Once again, Breckenridge bogged down and had to punt the ball away. Fulfer returned the ball seven yards to the Hawk 35. Untalon gained a yard.

And then Fulfer scampered through the visitors' defense so quickly, he was between the two safeties before he was spotted. It was a foot race then, with

Fulfer winning, diving over the goal line to cap the 64-yard streak.

On their final possession, Breckenridge decided to pick on Brookshire.

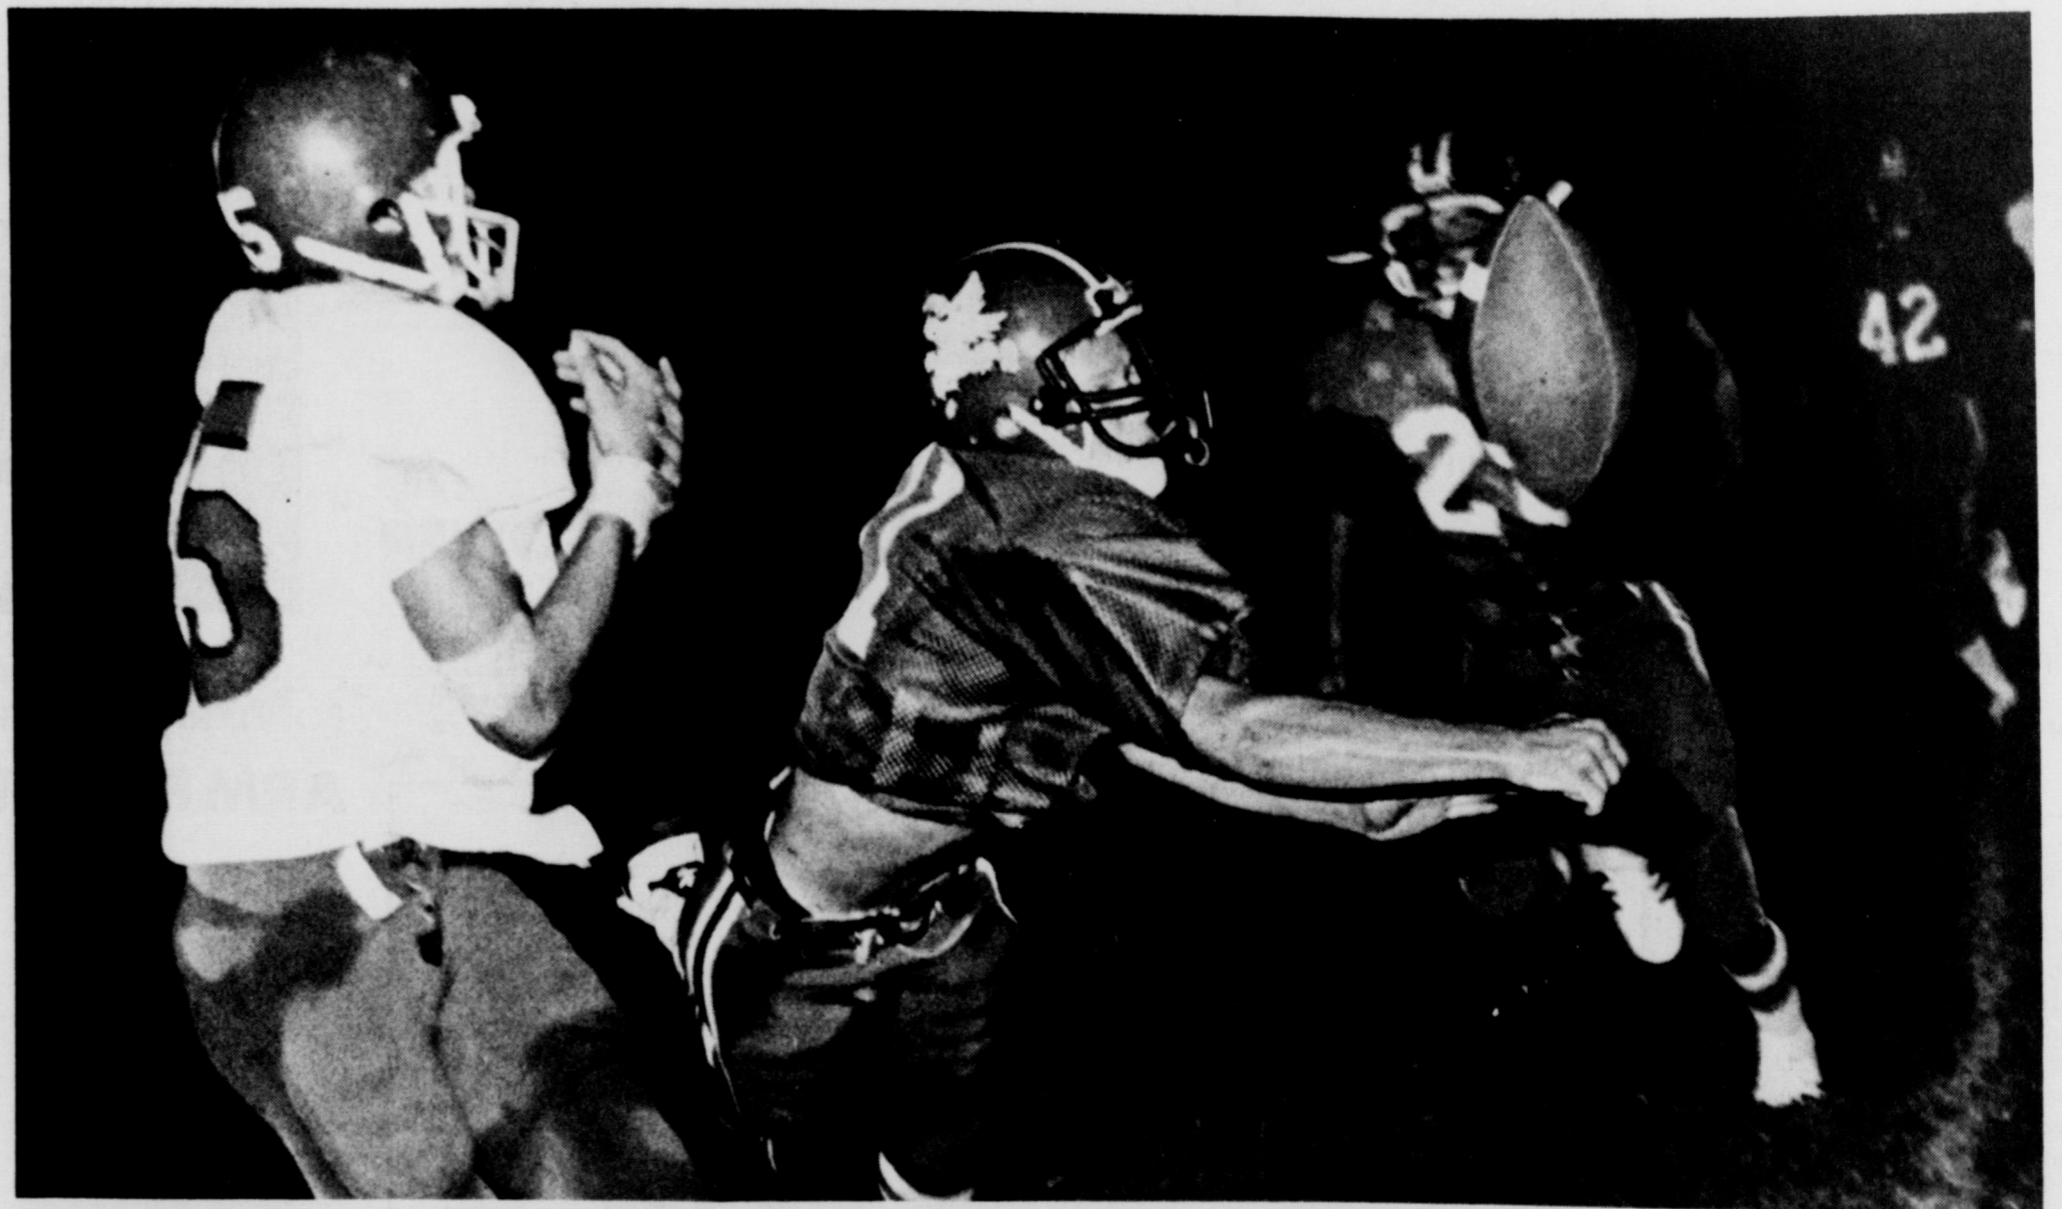

The first pass his direction, Brookshire apparently made a clean block of the ball from the receiver's hands, but was ruled interfering, giving the Buckaroos a first down on their 38.

Three plays later, Brookshire blocked a pass without drawing a penalty. After another running play, it was Brookshire's man who caught a nine-yarder over the middle, and Brookshire made the tackle.

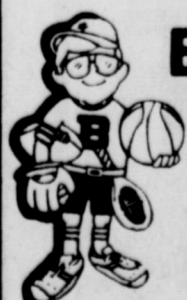

Two plays later, Breckenridge went to the well once too often. Both Brookshire and the intended receiver reached the pass into the flat at the same time, but it was the Iowa Parkan who came up with it this time. He returned the ball from his own 34 to the Breckenridge 44.

The Hawks could possibly have scored once more after that, but let time run out after Pat Brown had taken the ball 26 yards to the Buckaroo four yard line.

Long delay of bus trip possible downfall of JV

A long delay on a hot bus apparently took it toll of both energy and concentration of the Hawk junior varsity team Thursday.

The bus lost two fan belts near Loving, north of Graham, while traveling to the season opener at Breckenridge, delaying start of the game by more than an hour.

And when the game finally ended about 11:15, host Breckenridge held a 48-16 lead.

"The kids played a better game than the score indicates," commented the coaches. They pointed out that two Iowa Park touchdowns were

nullified.
Prior to the JV game, Iowa Park's freshman trounced Breckenridge, 40-0.

Both teams will travel to Bowie this evening, where the Frosh are to kick off at 6 p.m. and the JV following about 7:30.

Junior high teams

Season opener for the seventh and eighth grade football teams will be Tuesday at Electra.

Kickoff for the doubleheader will be at 6 p.m.

Courtney's cake was decorated in the chosen theme by her great-great aunt Beady Hightower from Ceres, Calif. Thirty-one were present.

Eagles get revenge on Eastland

Holliday's Eagles opened the 1983 pigskin campaign Friday night by avenging last year's playoff loss to Class AA state champ Eastland, 10-6, in front of a packed hometown audience.

According to area prognosticators, it was to be an all-Eastland rout, supposedly because of a handfull of Maverick returning starters as opposed to zilch for the Eagles.

But what lettermen-benchwarmers Holliday did return from a successful year in 1982 must have been adequate to handle the job.

That's not to degrade the '83 Mav team.

"I still think Eastland has good material, and they should do well this season," Eagle mentor Don Lucy commented earlier this week.

"Outside of about three mistakes, our defense played real well," he continued. "As far as our offense, we didn't play as well as we should have."

The game showed a lot of similarities to last year's final game for the Big Red; hard-hitting defenses, game-breaking plays.

Eastland handed Holliday the first golden opportunity of the night on its first possession, with the Mav punter fumbling the snap away to the Eagles on Eastland's 18.

Three plays netted little yardage for Holliday, however, and punter-kicker Kurt Lilley nailed a 31-yard field goal to put Big Red ahead 3-0.

Both teams failed to accumulate sufficient yardage to sustain drives through the rest of the initial period, until two minutes into the second quarter, when Mav quarterback Curtis Govan avoided potential Eagle tacklers after dropping back to pass at the Eastland 46, and blazed 54 yards to take the lead, 6-3. The extra-point attempt was blocked by the swarming Eagles.

Holliday's speedy Tom Hamill more

than made up for an errant punt return after calling for a fair catch earlier in the contest by blasting 73-yards for the Big Red's final score, shortly before the halftime whistle. Lilley connected on his point-after kick to freeze the scoreboard at 10-6.

Just before the half, Eagle fullback-linebacker Jay "Bucks" Burks intercepted a Mav pass at the Eastland 38, returning it 20 yards. However, the Mav defense and dwindling seconds on the scoreboard prevented any serious Holliday threat.

SECOND HALF ALL DEFENSE

Holliday returned the final half kick to its 23, but three straight rushes by Burks, the Eagle's leading rusher, netted only eight yards, leading to a 33-yard punt by Lilley to Eastland's 36.

The Mavs then began their most promising drive to that point in the evening. Two rushes up the middle netted 13 yards and a Mav first at Holliday's 49. From there, the Eagle's stonewall-defense put up a dramatic effort, placing Eastland in a fourth-and-one situation at the 40. But another straight dive netted two yards and another first at the 38.

Holliday looked to stop the drive from there, forcing the Mavs two steps back in two plays. But Govan found an open receiver in the left flat for a 21-yard gain to Holliday's 19.

After two Mav rushes netted five yards, Govan again dropped back to pass, but Eagle newcomer Don Hobgood had other ideas, dropping the Mav QB for a 12-yard loss. One play later, the Eagles took over at their 27.

The Big Red offense showed signs of life at that point, driving across the midfield stripe with the aid of an inside-reverse to Hamill netting 16. But the Mav defense closed the door once again forcing the Eagles to punt from the Eastland 40.

Both teams traded possessions through most of the fourth quarter, when, with 1:09 left in the game, Eastland challenged one more time like its predecessors in an attempt to spoil yet another night for the Eagles.

Govan connected with his receiver on the first play for a 19-yard gain to the Mav 34, barely getting the ball off with a host of Eagle defenders swarming around him.

The Mav standout again connected,

this time for 23 yards up the middle, with the receive diving for the ball and losing his feet with no one around. From Holliday's 44, and with 25 seconds left, Govan threw an incomplection, then, on second down, fumbled the ball with an alert Steve Snider there to cover at the Eagle 48. Eagle quarterback Pat O'Brien secured the win by running out the clock on an 11-yard quarterback sneak.
