Council approves budget, computer for city hall

The city council Monday night approved a budget of \$1.8-million for the 1983-84 year, and accepted a bid to purchase a computer for city hall.

Projecting expenditures of \$1,861,394 and revenues of \$1,876,350 the budget should produce approximately \$15,000 carryover at the end of the fiscal year.

Having previously set the tax rate at 76-cents per \$100 valuation, the same as the current year, revenue expected to be generated by taxes is \$848,956. Revenues from water and sewer are expected to be \$746,000, an increase of 19.7 percent which was needed after Wichita Falls increased its price for treated water sold to Iowa Park by 21 percent.

The police department received the largest increase from the general fund. A 16-percent hike raised that department's expected expenditures for the coming year to \$312,861. This includes a replacement patrol car and salary increases for personnel, Administrator James Barrington said.

Funding for other departments include \$248,779, administration; \$233,820, street; \$55,375, landfill; \$104,180, sanitation; \$48,700, fire; \$47,797, parks; \$5,445, youth center; \$28,916, library and \$38,380, special items.

Water and sewer department expenditures include \$184,056, administration; \$151,955, distribution; \$262,840, purification and \$137,290, treatment.

PURCHASE COMPUTER

Only one bid was received according to advertised specifications, Barrington told the council, but two others were delivered later.

The bid received on time was from CPS of Wichita Falls, for \$68,055, and it was approved Monday by the council.

To be installed within five working days is a Texas Instruments model 672 along with software, four terminals, two printers, 40 hours training and a year free maintenance on hardware.

The computer is expected to be put into service Oct. 1, the beginning of the city's fiscal year, and is to do the city's accounts receivables and payables, general ledger, payrolls, addressing and numerous other minor chores.

The purchase is to be financed over a five-year period by State National Bank, with a payment of \$19,633 the first year and \$23,831 each of the following four years.

Part of the cost of the computer is the saving of one employee salary,

according to earlier discussion in meetings.

Aldermen posed questions from sales company representatives concerning ability to service in proper time and number of units in service in the area. They were told eight service men reside in the area with a maximum response time of two hours and 75 similar or larger computers are in Wichita Falls, as well as Henrietta, Graham, Bowie and Stamford city offices.

OTHER BUSINESS

In other business, the council took the following action:

* tabled until the next meeting action on a request by Mike Jordon to install a sewer line to his property at Bell and Cash;

* approved a request by Jimmy Williams to replat lots 8, 9 and 10 of Block 140 (405 and 408 West Pecan) into two lots;

* Held a 41-minute executive session concerning personnel, but made no comment after re-opening the meeting to the public;

* approved a bid of \$9,000 from Darr Equip. of Wichita Falls to do repairs on the landfill bulldozer;

* and approved a \$2,595 expenditure to purchase a mower for the sewer treatment plant.

BURNING GRASS AND TREES threatened the homes on the south side of 800 block of Van Horn Friday afternoon. Firemen, however, were able to bring the blaze under

control despite a southerly wind before it could cross the alley which separates the residential area from a vacant, tree-covered lot.

Trustees approve trips, committee appointments

Iowa Park school trustees Tuesday night approved appointments to 11 committees and student trips outside the area for the year.

Committees, most of which are made up of school personnel but some of citizens, include budget, grievance, teacher insurance, discipline, curriculum, textbook, vocational, dress code, language proficiency assessment, Chapter I advisory and special education parents advisory.

Appointments include (names in parentheses is chairman):

Budget Committee - Bob Dawson, Richard Davis, Carol Venhaus, Jimmy Alsop, Eddie Jones, Kenneth Davis, Pat Coker, James Ward, Jean Baugh and Lavacca Johnson;

Grievance Committee - John Sibley, Jim Gotcher, Colleen Roberts, Lucy Heard, Gayle Cleghorn, Opal Beall, Edith French and Wendell Allen;

Teacher Insurance Committee - Kenneth Davis, Tim Kaspar, Meredith Long, Barney Wynn, Sherry Eekelkamp, Sue Paschall, Allen Shewmake and Georgia Kingcade;

Discipline Committee - no names listed but made up of campus principal, vice principal, counselor and unbiased faculty member;

Curriculum Committee - Ron Woods, Bob Dawson, Barry Lucy, Jimmy Alsop, Mozelle Sullivan, Colleen Roberts, Herman Escue, Pat Davis, Kenneth Davis, Randy Lovelady, James Ward, Janet Martin, Florence Sibley, Mrs. Tommie Smith and Bonnie Medlinger;

Textbook Committee - Harold Cowley, James Ward, Richard Davis, Bob Dawson, Jimmy Alsop, Kenneth Davis, Barbara Padgett, Jo Ann Hale, Barney Wynn, LaVelda Barrick,

Patsy Todd, Jean Johnson, John Ratcliff, Gary Lyles and George Brandt;

Vocational Advisory Committee - Jimmy Howell, Martha Dudley, Billy James, Afton Pike, Myrna Robinson, Judy Young and Johnny Coker;

Dress Code Committee - Bob Dawson, Richard Davis, LaVelda Barrick, Heather Hausler, Jay Yeakley, Sue Farnsworth, Greg Miller, Jo Ann Hale, Debbie Daniel and Gail Miller.

Language Proficiency Assessment Committee - Pat Davis and Jean Baugh;

Chapter I Advisory Committee - Jimmy Alsop, Colleen Roberts, Lee Ann Bryant, Kathleen Workman, Beverly McClure and Mmes. Jerry Jones, Kathy Riggins, Judy Shook, Jeanie Holland, Bobby Gilbreath, Marsha Thomas, Herman Daymude, Joe Laratta, Barbara Johnston and Lanetta Dietrichson;

Special Education Parents Advisory Committee - Mmes. Gail Miller, Debbie Green and Carol Watson.

STUDENT TRIPS

Most student activity travel requested was approved, with the exception of three for the vocational agriculture department.

Disallowed was an excused absence to the State Fair in Dallas for Rural Youth Day, and entering stock shows at Houston and San Antonio.

The major stock shows, which also included Dallas and Fort Worth, proposed requires what is considered a prohibitive amount of time away from classroom for both students and teachers, as well as time and expense in travel.

The only changes from trips approved last year for other departments were one for the high school choir and the ornamental horticulture.

The choir can attend the Greater Southwest Music Festival in

Pharmacy burglary thwarted Thursday

A burglary attempt was thwarted during the early morning hours last Thursday, and the intruders made good their escape, but apparently empty handed.

When Officer Teresa Spruiell responded to a silent alarm shortly after 5 p.m., she saw a male through the front window, near the back wall of the pharmacy.

Capt. Robert Dean, Officer Tommy Adams and Sheriff's Deputy Claude Morrow also converged on the scene.

Two males were seen running away, one northwest on Jackson and the other in a northeasterly direction.

Entry was gained by removing part of the roof and taking out two decking boards, each eight inches wide and eight feet in length, and climbing

down on the rafters.

Their exit was apparently the same way, because the doors were secure and officers had them in view, according to the report.

Morrow and Spruiell said they believed they also saw a third subject on the roof, but only the two were seen running away and making good their escape.

Nothing was reported missing, but Pharmacist L.W. Teel said the door to the refrigerator in the pharmacy was found standing open.

Theft of \$164 worth of designer jeans was reported Sunday by Tamara Pierce. She said four pairs were taken from a dryer in the laundry of Woodbrier Apartments, where she resides.

MR. AND MRS. BRATTON REAVES

Local retired couple delight in traveling

By OLIVE BLALOCK

A dream that many American couples cherish through the years as they work, put money in savings, rear and educate their children, is that of someday retiring and travelling to both near and far away places.

Unfortunately, for many couples that dream does not become a reality because of financial reverses, sickness, death and other reasons. But for one Iowa Park couple, Mr. and Mrs. Bratton Reaves, who celebrated 62 years of happy wedded bliss in July, the dream has been realized.

They have travelled almost all around the world, visiting some countries several times, and every

state in the United States. On their tours, they have found all the traditional tourist attractions, thrilled to the beauty and grandeur of the landscapes, the majestic mountains, imposing castles, soaring cathedrals, mighty oceans and seas; but they have also profited in other ways.

Their deep interest in knowing more about the globe, its peoples, their culture, history and geography has certainly been to their advantage in helping them to better understand the international affairs news and foreign policy problems that make today's headlines.

Mrs. Reaves, the former Grace

Mills, taught school 52 years, all in Wichita County. She began teaching at the Deep Creek School southwest of Iowa Park and taught there two years. She taught at Iowa Park 29 years, Valley View, where she was elementary school principal 10 years, and Our Lady Queen of Peace seven years.

Bratton worked for Smith-McDaniel Oil Co. 25 years, Wichita County Precinct Three 14 years, and in civil service at Sheppard Air Force Base 20 years.

During Mrs. Reaves' teaching experience in the school room, her most fascinating subject was social studies, particularly the lessons that

dealt with far away places of breathtaking beauty and historical interest. Each lesson seemed to inspire her to want to expand her conception of the world and to identify with wider circles of humanity. She expended so much effort in study and research of the different places and taught the lessons so convincingly that her students often told their parents, "Mrs. Reaves has been everywhere."

Prior to their retirement, Grace and Bratton had visited many places in the United States and made one trip to Hawaii. Since retirement, they have been back to Hawaii twice, once spending "the prettiest Christmas

ever" there.

While teaching, one dream that Mrs. Reaves cherished was being able to take the scenic-sheltered Inside Passage Cruise to Alaska and that was one of her first dreams to come true. Additional thrills of the trip were to cross the Arctic Circle, pan for gold, visit an Eskimo village at Kotzebue, ride in a umiak and other tourist attractions.

The couple made their first trip to Europe in 1974, visiting 14 different countries. Special memories of the tour include the privilege of hearing the pope at the Vatican, and visiting the art galleries at Florence, Italy.

In 1975, the couple had the

privilege of going to Spain, then on to North Africa. They crossed the Strait of Gibraltar connecting the Atlantic and Mediterranean, visited Tangiers, a mule market held by a tribe in North Africa which had no monetary system at that time. They noticed how the men rode the mules to the market and their wives travelled on foot behind carrying the children and produce for trade. To make 1975 more exciting, they made the Caribbean tour and visited Venezuela.

1976 was full of adventure for the Iowa Parkans in Japan, Singapore, Malasia, Taiwan and

Electra poses problem for undefeated Hawks

Tomorrow night could be the most dangerous of the season for Iowa Park's Hawks, when they travel to Electra for a non-conference contest.

They're playing on someone else's home field after being in their own stadium while winning both outings; they're up against a school that's smaller than their own; their opponents are once-beaten; and they beat Electra 41-0 last year.

For a young and reasonably inexperienced Hawk team, it would be easy to go into tomorrow's 8 p.m. kickoff overconfident.

But there are several reasons why they better hadn't.

A sophomore named Charlie Lott is one reason. Lott runs a lot against the opposing teams. Averaging 128 yards from the line of scrimmage in the previous two outings, he gained 168 yards in the Tigers' 26-0 season

opener against Petrolia, and 88 yards in their 32-7 loss last week at Graham.

The youngster swished 79 yards the first time he got the ball against Petrolia, and scored. And his 74-yard punt return that put the Tigers ahead 13-0 wasn't figured into his per-carry figures, either.

Electra has three offensive and three defensive starters back from that team that was humbled last fall by the Hawks. They'll have good reason to want to beat the Mean Green.

One of those returning is fullback Eddie Rogers, a 170-pounder who rushed for over 1,000 yards during the '82 season.

And the Tigers boast of size, with starting linemen ranging from 187 to 215.

The Hawks will be limping when they take the field. At least five

players have been nursing sprains, sore muscles and other problems during the past week.

Iowa Park has depended heavily on its defense while earning wins over two highly respectable Class AAA teams. Of the seven touchdowns scored, three have been by the defense.

Breckenridge and Bowie were allowed an average of 137 yards offensively, while the Hawks were averaging 231. Going into the Electra game last season, the Hawk defense had allowed an average of 168 yards, but the offense had averaged 325 yards.

Last year was the first time Iowa Park and Electra had met since the fall of 1969. The outcome of that game was also 41-0.

The Hawks will have an open date next week to prepare for the Sept. 30 district opener at Mineral Wells.

Richardson, Duerson wedding held Saturday

A double-ring ceremony was performed Saturday evening at Faith Baptist Church by Rev. Ken Cole to unite Dori Lynn Burton Richardson and Ronald Gene Duerson.

The bride's parents are Mr. and Mrs. Jack Richardson of Sealy and Mr. and Mrs. Gary Burton of Arlington, and the groom's parents are Mr. and Mrs. Don Duerson of Iowa Park.

The bridal path to the altar was laid with a runner, and the couple repeated their vows before a brass fan-shaped votive candelabra flanked by spiral candelabra, each piece trimmed with wedding greenery. Included in the decorative setting were two Grecian urns filled with white gladioli, pink and white baby's breath, and the meaningful unity candlestick. Church pews were marked with votive candles in hurricane globes trimmed with pink and periwinkle bows.

Mrs. Billy Hacker, the organist, presented a concert of appropriate prelude numbers, accompanied Coy Lee for two solo renditions, "The Wedding Song" and "Truly," and played the traditional wedding marches by Wagner and Mendelssohn.

Gary Burton presented his daughter in marriage. For her wedding, she chose a white Chantilly lace gown worn over white bridal satin fashioned with a high choker neck of Schiffler lace, a net yoke accented with pearls and sequins. A ruffled flounce below the yoke covered the straight sleeves of lace and bridal point to the elbows. The fitted bodice with a dropped waist was enriched with Venise lace, pearls and sequins. The full skirt of Chantilly lace was overlaid with Schiffler lace finished with a scalloped hemline that flowed into a chapel train.

The bride wore a picture hat of Schiffler lace featuring a bow in the back centered with a strand of pearls from which her illusion veil outlined with pearls fell to waltz length. Her face veil was trimmed with the pearl ornamentation. She carried a white

MRS. RONALD GENE DUERSON

lace fan holding a cascading arrangement of white silk roses, pink silk tea roses, baby's breath and pearls accented with white picot ribbon streamers and strands of pearls.

For "something new," she wore a gold and pearl bracelet, a gift from the groom. For "something old and something borrowed," she wore her great-grandmother's white gold diamond ring, and completed the traditions with the "something blue" garter.

Miss Paige Watkins took part in the wedding as maid of honor. She was attired in a pale pink chiffon gown fashioned with a fitted waist with a pleated front, high neck collar of Schiffler lace, elbow length puff sleeves cuffed with lace, sheer chiffon yoke, satin sash that tied in the back, intermission length skirt terminating in a pleated chiffon flounce at the hemline.

She wore a matching picture hat trimmed with braid, ribbons and pearls and carried a colonial bouquet of periwinkle irises, pink tea roses, baby's breath, cloudy and white pansies and pearl stems.

The bridesmaids, Misses Hope Pate, Lisa Porter and Shelly Propes wore periwinkle chiffon gowns styled identically to the maid of honor's gown.

Miss Jennifer Richardson, sister of the bride, and Miss Staci Tidwell, the flower girls, wore pale pink chiffon dresses styled with puff sleeves, ruffled chiffon collars, full skirts featuring chiffon ruffles trimmed in Schiffler lace at the hemlines. They wore halos of pink rose petals and baby breath accented with ribbon streamers touched with rose petals and baby's breath. They carried

white baskets of pink tea roses, cloudy and white pansies and baby's breath.

Tommy Duerson, nephew of the groom carried a white satin ring pillow embroidered with "D." He was dressed like the groom.

The groom wore a grey cutaway tuxedo coat with black pin striped pants, grey double breasted vest and ascot tie. His boutonniere consisted of a white rose, stephanotis and baby's breath. His attendants wore the same attire except for grey bow ties, and fathers of the couple wore black vests and bow ties with their grey coats.

Mike Duerson, brother of the groom, was the best man. Groomsmen were Charles Fletcher, Steve Cleghorn and Charles Connors. Brad Porter served as usher.

Mrs. Richardson wore a gray chiffon gown with long sheer sleeves, round neckline, a jacketed bodice and full skirt and her corsage was a white rose with baby's breath. Mrs. Burton wore a periwinkle blue chiffon gown styled with long sleeves cuffed with Chantilly lace, boat neckline trimmed with lace. Her corsage consisted of a white rose and small pink flowers. Mrs. Duerson was attired in a candlelight gown designed with a chiffon bodice accented with tiny lilac bows, fitted waist and pleated skirt which she complemented with a corsage of a white rose and lilac carnations.

The wedding reception was held in the Fellowship Hall of the church and followed by a reception given at the Kiva Inn and hosted by the bride and groom.

At the reception, Miss Stephanie Tidwell registered guests at a table covered with candlelight lace holding

the wedding book covered with white satin and lace, the feather pen and the couple's scrolls.

The bride's and groom's tables were covered with white linen cloths featuring pleated floor length skirts. The bride's table was centered with a bouquet of pink and cloudy carnations, eucalyptus and baby's breath. The other appointments were two silver candelabra with glowing candles, the silver punch service and three-tiered white cake decorated with refreshing pink rosebuds and topped with "Precious Moments" bride and groom figurines, and wedding bell-shaped mints.

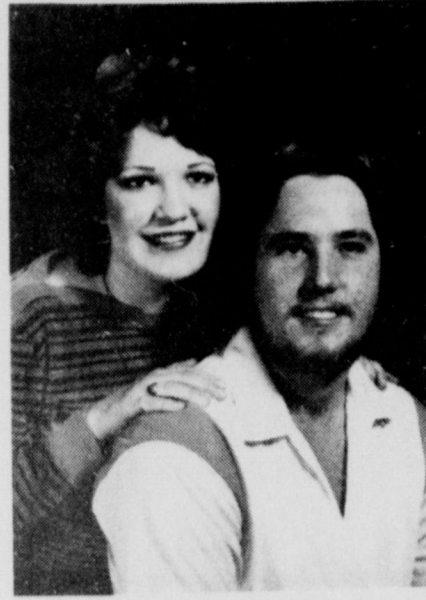

The groom's table was highlighted with a banana nut cake topped with periwinkle irises flowing through two rings. Also on the table were the silver coffee service and white napkins imprinted in gold with "Dori D Ronnie, Sept. 10, 1983.

Serving refreshments during the reception were Misses Lindy Neely, Bobbie Britt, Christy Lemons, Christy Cluley, Marilyn Duerson, Sherry Tidwell, Nancy Juckem, Elsie Davis.

The bride and groom were both graduated from Iowa Park High School. She attended Tarrant Jr. College and worked for Fashion Merchandising at Arlington. He is in the U.S. Navy stationed at Norfolk, Va. where the couple will live.

The groom's parents hosted the rehearsal cookout dinner Friday evening.

Special wedding guests included Mr. and Mrs. W.E. Burton of Arlington, Mr. and Mrs. C.L. Gray of Vernon, grandparents of the bride, Mrs. T.E. Amos of Wichita Falls, grandmother of the groom.

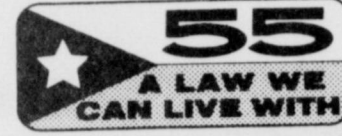

JAMIE GILMORE and DANNY ANDREWS

Announce engagement

Mr. and Mrs. James Gilmore are announcing the engagement of their daughter, Jamie, and Danny Andrews, son of Mr. and Mrs. Raymond Andrews of Wichita Falls.

Miss Gilmore was graduated from Iowa Park High School and is engaged in private duty nursing. Her fiancé was graduated from Rider High School and is employed at Cryovac.

The couple will be married March 3, 1984 at the Faith Baptist Church.

Church group has luncheon

The Alathean Sunday school class of First Baptist Church held its monthly luncheon Tuesday at the church. Twenty-two members and three guests were present.

During the meeting the new officers assumed their places of leadership. Included in the slate were Mmes. Earle Denny, president; Tom Ogden, vice president; J.A. Berg, secretary/reporter; Bernice Dooley, assistant secretary; Sam Hill, treasurer; W.F. Booher, assistant treasurer; Page Morgan, meditation chairman. Mrs. Floyd Heard is teacher of the class and Mrs. Odus Mason is assistant teacher.

The group captains are Mmes. Allie Girard, Mary Fortner, Booher, Gaber Reneau, and Mrs. Aletha Penn is the bridge builders chairman.

Bob Stewart, youth director of the church, was a guest and brought a devotion on "Appreciation." Other guests were Rev. Hal Farnsworth and Wesley Brewer.

Shower fetes bride elect

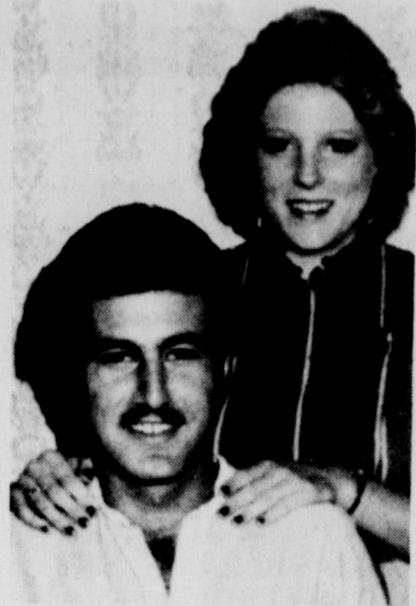

A peach and white color combination was emphasized in decorations for a miscellaneous shower given Monday evening at Texas Electric Reddy Room to honor Miss Leslie Voyles, bride-elect of Jerry Allen Pruett. The hostesses were Mmes. Sammy Henderson, Bill Hodges and Joel Raines.

The bride-elect sat at a table covered with an antique linen cutwork cloth to unwrap her gifts and receive her friends. She was presented with a corsage of fresh peach carnations centered with a silver wedding bell, and Mrs. Buck Voyles and Mrs. Jerry Lee Pruett, mothers of the engaged couple were given peach carnation corsages to complement their attire.

The table where guests registered held a bud vase with peach silk flowers, the bride's book and a white plume pen, and the gift table was covered with a white eyelet cloth.

The focal point of interest in the room was the refreshment table draped with white net falling to the floor from a ruffled top, over white satin. The center front was accented with a peach silk bow. The table appointments included a floral centerpiece in the chosen colors flanked by peach candles burning in china rosebud holders, the white sheet cake attractively decorated with frosting peach roses with pale green leaves, the crystal punch service and napkins.

The couple will be married Saturday evening in the chapel of the First Baptist Church.

PHILLIP FARNSWORTH and CYNTHIA WELLS

November date set

The engagement of Miss Cynthia Jean Wells and Phillip Layne Farnsworth, son of Rev. and Mrs. Howell Farnsworth, is being announced this week by the young lady's parents, Trudy Sullivan and J.C. Wells.

Miss Wells is a senior at Iowa Park High School. She has been a member of the Student Council for two years and was alternate cheerleader when she was a junior. Her fiancé was graduated from Iowa Park High School and works for Prepaid Legal Services and Kirby Co.

The First Baptist Church will be the scene of the November 26 wedding.

Cockrum, King wedding vows solemnized

Miss Charlotte Elaine Cockrum, daughter of Mr. and Mrs. Clydell Cockrum of Kamay, and Rickey Lynn King, son of Betty Jeanne King of Temple, Okla. were married Friday evening at the North Side Baptist Church in Iowa Park with Rev. Earl Correll officiating.

The altar decorations consisted of a basket of silk flowers in the rainbow colors flanked by tall rubber trees.

Mrs. Gregg Campbell, pianist played "The Wedding Prayer" and "O Perfect Love" before the ceremony

and the traditional wedding marches.

The bride was given in marriage by her father. She wore a floor length dress of white embossed sheer designed with a sweetheart neckline with pearls and lace from which pearl buttons extended to the waistline in front. The lace trim was repeated on the cuffs of the long sleeves, around the waistline and with a band of white satin ribbon at the hemline of the skirt.

She wore a halo of silk apple

blossoms and baby's breath and carried a colonial style silk bouquet composed of white roses and buds, antique gold, pink and yellow piki carnations and stephanotis, green leaves accented with a white lace background and long white grosgrain streamers.

Mrs. Ernest Segovia served as matron of honor. She wore a street-length beige satin dress fashioned with a V neck, draped bodice, elbow length sleeves trimmed with self-covered buttons and carried a long stemmed white rose.

Raymond Tyler served as best man and Barry Tyler was the usher.

The wedding reception was hosted by the bride's parents at Texas Electric Reddy Room. Miss Marion Lewis and Mrs. Bryan Lillico served at the refreshment table that held both cakes, punch and coffee services and bridal napkins.

The table was covered with white Chantilly lace and centered with the bride's white cake of three tiers and one set of dividers. The cake was decorated with frosting flowers in the shades of those in the bride's bouquet. Bits of interest to the confection were added with a boy figurine playing a horn between the divided layers and a bride and groom standing under an arch centered with a gold cross on the top tier. The groom's chocolate horseshoe-shaped cake was lettered with the names of the bride and groom and their wedding date in ecru.

The bride was graduated from Iowa Park High School and is employed at Sprague Electric in Wichita Falls. The groom attended Temple, Okla. High School and is engaged in the roofing business. Following a trip to Dallas, they are at home in Wichita Falls.

UMW study based on book by Sano

The United Methodist Women began the study of letters to the Hebrews in a general meeting held Tuesday morning with Mrs. Don Owens, coordinator of Christian Personhood, directing the study based on Roy I. Sano's book "Outside the Gate."

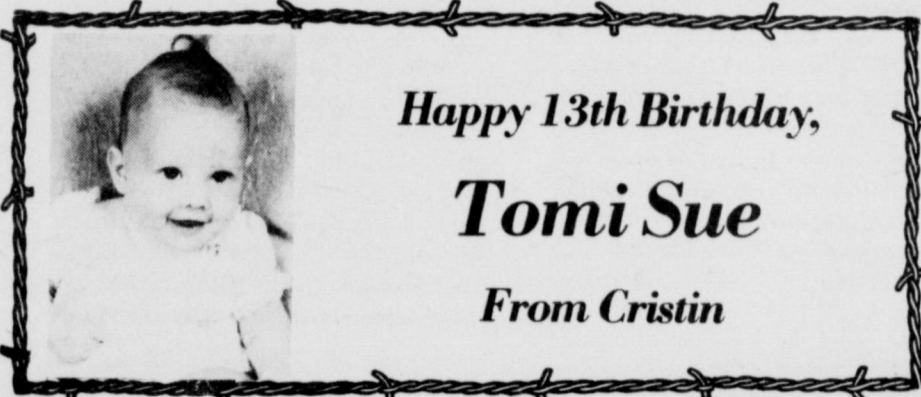

Mrs. Owens explained the purpose of the study would be to lift up a major theme in the epistles which depicts God as a migrant worker and his followers as those always on the move doing God's will on earth. She asked "As Christians today are we

content to become settlers, even to the extent of refusing to grow in our personal Christian pilgrimage, or are we willing to venture forth as the so-journers in foreign lands?"

Continuing, she stated that present day conditions are quite similar to the transitions which characterized the times when Hebrews was written with the same impact of change and spiritual struggles.

The speaker reviewed the early chapters of Hebrews in preparation for more extensive study of the final chapters. She distributed Dee Baker's questionnaire "The Bible Is - - -" a guided experience to help clarify thoughts about what the Bible is.

"Little minds are wounded by the smallest things." La Rochefoucauld

Mrs. Andersen leads program

Twenty-one members of the Christian Women's Fellowship of First Christian Church attended a meeting held Monday evening at the home of Mrs. Dale Walling, president.

Mrs. Dewey Conley gave the worship part of the program based on scriptures taken from Hebrews and James, books of the New Testament, stressing the relationship between prayer, faith and works in a Christian's life.

Mrs. William Andersen was leader for the program taken from the book "Compelled by Faith." She was assisted by Mmes. Pauline Steele, John Weaver and Dale Thompson.

During the business, the 1983-84 budget was presented and approved.

and it was voted to participate in the annual Whoop-T-Do with a stew dinner in the Fellowship Hall.

Shea, Colwell retiring here

Two Air Force retirees at Sheppard Air Force Base have selected Iowa Park as their retirement home.

They are Master Sgt. Paul M. Shea, a refrigeration and cryogenics technician with the 3770th Technical Training Group. Shea is retiring with 20 years service.

Tech. Sgt. Danny R. Colwell, a missile facilities technician with the 3750th Consolidated Maintenance Squadron, is retiring also with 20 years service.

MR. AND MRS. BRATTON REAVES WITH MOMENTOS FROM AROUND THE WORLD

Couple

Continued from page 1

Thailand. Mrs. Reaves said that she had great admiration for the people of Taiwan who had made a paradise out of ruins. They were impressed with the splendor of the gardens and temples of Thailand and Japan, and with the cleanliness of Singapore.

Mr. and Mrs. Reaves went with a tour group to Russia in 1977. After they arrived in Russia, they met up with a man from Quanah who was a member of the tour. She gathered a wealth of information about the country, her schools, customs and historical sites and shared her information with Iowa Parkans at club meetings and other gatherings for their programs on international affairs. The following year, the couple toured Norway, Sweden and Denmark.

The world travelers chose to visit Germany in 1980 and in 1982, they went to Nova Scotia and Newfoundland for the second time and enjoyed another Caribbean cruise. They have

been to Mexico and Canada three times. Are they tired of travelling? The answer is far from no. Their future plans include a Canadian fall foliage tour and a trip to the Holy Land at Christmas with Malcom Mills, their minister nephew from Arkansas, and his family.

Both agreed that one of the richest things of their trips overseas and in the homeland by plane, bus and boat has been the beautiful friendships that they have made. They now have friends, some of them very close, all over the world.

Grace and Bratton love the United States and they have found that their own country has as many points of scenic and historical interest as any one country they have visited. She has kept a diary on each trip and they have brought back many mementoes as remembrances. The yen for travel has taken them to four of the Rose Bowl games and to Charleston S.C. for the Christmas holidays in 1982.

The couple has no children but they have nieces and nephews that love and treat them like their own parents. They have a host of friends and their home reeks with warm hospitality for all who cross its threshold. She is an ideal hostess and has the reputation for preparing most delicious refreshments when she entertains the Night WMU of First Baptist Church and other groups.

Grace and Bratton Reaves are "young at heart" and consider each day a great adventure whether they spend it at home or travelling.

As I See It....

By BOB HAMILTON

The kind of rains we've had during the past week were probably the kind that created the Sahara Desert.

Iowa Park was mentioned on national television Tuesday night.

Johnny Carson read three letters he had received. One was from Shirley (Mrs. Jimmy) Banks, telling

the tv personality how her grandson in Munday wouldn't go to bed at night without watching his program.

She had enclosed a picture of the youth with Carson's picture on the screen behind him.

A warning to the wise: the police are about to crack down on drivers exceeding the 20 MPH limit around school campuses. One officer said

drivers just aren't paying much attention to their speed in those zones, including parents taking their children to class.

Another warning warning: we've got a bad tick situation.

Dr. Thurman Reitz says there is an unusually great number of first and second stage ticks in yards right now, and some dogs have already died from them.

Ticks in those stages are extremely small, from pinhead to BB size. Those who survive will hibernate this winter and come out as those large blue/gray monsters next spring.

"You have to look real closely for them, because they are so tiny," said the local vet.

The best place to look for them is on the lower legs, but you really have to get down close and pull the hair aside to see them.

Reitz said because they have been found in such great numbers... he's talking in the multi-thousands... they have killed large dogs of 50 and 60 pound size just in the past week.

He says he hates to see dogs die because people don't look for ticks.

I hate to even write about ticks. The thought makes my scalp itch.

Trustees

Continued from page 1

Amarillo, but at the request of the director, it will be a one-day trip only and not be over night away from home.

Ornamental Horticulture students, instead of making the annual trip to Brownwood, will instead visit the TSTI horticulture department at Fort Worth.

Also, trustees approved two trips this fall to tournaments in Fort Worth for the tennis team. The trips to tournaments will remain the same for the year, except two fewer will be made in the spring, it was explained.

Trustees approved a new three-year contract with the Texas Association of School Boards for worker's compensation coverage.

During his report to the board, tax collector Allen Shewmake said the district had lost \$342,000 in values and the city \$105,000 due to a cutback allowed by the county appraisal district for Lone Star Gas Co. Monetary losses are approximately

\$1,500 for the school and \$900 for the city, Shewmake said.

Trustees approved setting extra-curricular travel at \$1.23 per mile, up 10-cents from last year. This is an accounting basis used for student trips.

Bids for the sale of two school buses were rejected. Only two were received: \$367 and \$216.99 for a 1967 International and \$502 and \$268.99 for a 1970 International.

Following a 51-minute executive session concerning personnel, no comment was made after the meeting was re-opened to the public and the meeting was adjourned.

Girls' soccer sign-up Friday

Registration for girls soccer, all ages, will be held between 5 p.m. and 7 p.m. Friday at Texas Electric Reddy Room.

NOTICE TO SUBSCRIBERS!

The Iowa Park Leader has suspended its practice of mailing individual renewal postcards to subscribers. Instead the Leader will publish a list of readers whose subscriptions are approaching expiration. Subscription prices are listed below, along with a convenient order form which may be clipped, filled out and mailed with payment to the Leader. Renewals and new subscribers must be paid in advance.

Is your heating/cooling system gobbling up too much money?

If electric bills are taking too big a bite out of your budget, consider equipment with a higher energy-efficiency rating. The higher the rating, the less electricity it takes to heat and cool your home. And using less electricity will help hold down your bill.

High-efficiency equipment costs more, but when the equipment qualifies, Texas Electric will give you a *bonus check* to help pay the

difference. So if you're planning to install a room unit, or replace central air conditioning or a year-round heat pump, ask your dealer about equipment that qualifies for a bonus check from Texas Electric.

And put money back in your pocket.

Texas Electric Service Company

Former resident leads international group

Dr. Thomas F. Best, son of Mr. and Mrs. William Best, and grandson of Mr. and Mrs. T.M. Clark, a former resident of Iowa Park, has been

named executive secretary of the Faith and Order Commission located in Geneva, Switzerland.

The Secretariat is a Department of the Council on Christian Unity, which is an extension of the Disciples of Christ denomination with headquarters in Indianapolis, Ind. The department is headed by Dr. Paul Crow, president of the Council on Christian Unity of the Christian Church.

Dr. Best will be engaged in writing,

teaching and chairing seminars associated with the Disciples of Christ Ecumenical programs in Geneva and other countries. He will be leaving his present position as associate professor of religion at Butler Univ. in Indianapolis where he has been a member of the faculty since 1973.

He attended elementary school in Iowa Park and was ordained to the ministry at the First Christian Church in Iowa Park Aug. 17, 1969.

ACTIVITIES in Neighboring Communities

The 12th annual Red River Chili Championship will be held Oct. 1 in Wichita Falls. Sponsored with the Wichita Falls Jaycees, this year's event will be held at Red River Speedway, lasting from 10 a.m. until 6 p.m.

Sorority members plan convention

Mrs. Ron Fullerton was hostess for a meeting Monday evening of Alpha Epsilon Omicron chapter of Beta Sigma Phi. Nine members were present.

During the business conducted by Janna Barry, plans were made to attend the Northwest Area Convention Oct. 22-23 at Vernon.

Mrs. Gene Bond presented the program on "Time and Energy Management."

Two join Philia Club

The Philia Study Club started the new year Monday evening at a patio dinner held at the home of Mrs. Thomas Johnson. Co-hostess was Mrs. Harold Cowley.

The treats served by the hostesses were petite sandwiches, dips, chips, fresh cauliflower, iced tea, frosted chocolate cake and three flavors of homemade ice cream.

Mrs. Vern Horsky, president, was in charge of business following the meal. New members recognized were Mrs. Judy Spring and Mrs. Steven Lowe. The new yearbooks were passed out and the program committee explained that the unique cover was inspired by a poem by Spencer M. Frost, and that the touching hands pictured emphasized this year's theme "Community Volunteers-Hand in Hand-Caring and Sharing."

Mrs. Helen Burrell used "Counting Your Blessings" from the September issue of Gideon's magazine for the title of her devotion. Mrs. Horsky led the group in singing "God Bless America," and Mrs. Johnson led the unison recitation of the Club Collect.

Members answered roll call by sharing about themselves, their families and birth places. They later exhibited their crafts which included sewing, needlepoint, crochet, knitting, art, spool collecting, Christmas decorations. Mrs. Jim Medlinger played an accordion solo to demonstrate one of her talents.

Eighteen members were present.

Garden Club begins year

The Iowa Park Garden Club initiated activities for the new club year Friday at a salad luncheon at Texas Electric Reddy Room. Twenty two members were present.

Mrs. Eva Bishop, guest speaker, presented a book review on "Women of Courage" by Margaret Truman for the program following the meal.

Mrs. Ruth Whitton was presented the Yard of the Year plaque. She had won the September Yard of the Month award.

Members answered roll call by naming their favorite flower and Mrs. Frank Harlin won the door prize.

Friendly Door News

The Friendly Door senior citizens will hold a barn dance from 7:30 to 9:30 p.m. Tuesday at the large brown metal building behind Billy James Garage, 200 E. Poe.

Jimmy Via and his Country Pride band will provide the music.

FRIENDLY DOOR MENU

Bible team competes in national event

Members of the Church of God in Iowa Park have always taken great pride and interest in their youth. This year a very special group of young people traveled to Cleveland, Tenn. to compete in Bible Quiz Competition on the national level after winning at the state level in June.

Each year as part of the "Teen Talent Competition" local churches throughout the Church of God are encouraged to form "Bible Quiz Teams" to compete at the regional, state and national level. These teams are composed of a captain, two team members and one or two alternates. The material for these "Bible Quizzes" is taken from a book of over 700 questions on Bible knowledge, church history and scripture quotation.

Much effort went into this year's

competition, as was exemplified in the team's winning at the state level. The local team members consisted of Grace Churchman (coach), Tim Norris (captain), Lisa Fletcher, Jamie Riddlehuber, (members) Starla Hamilton and Elayne Olds (alternates).

On Aug. 7, after the morning worship, the team members, Coach Churchman and the chaperones Rev. and Mrs. Ole Olds and Mr. and Mrs. James Riddlehuber boarded the church van and traveled almost 1,000 miles before reaching their destination. The team arrived at the competition hall on Wednesday morning and greeted 18 other teams from all regions of the United States and one team from Canada. The teams assembled to learn the regulations and schedules for the quizzing.

The Church of God team from Iowa Park was among one of the first teams to compete in the double

CHURCH OF GOD BIBLE QUIZ COMPETITION TEAM

elimination finals. After two rounds of very keen competition the team was eliminated. Even though the team was eliminated early it was a marvelous experience and enjoyed by all. The team and their party stayed throughout the day and the next morning to cheer their favorite teams along and to get the results. The quiz team from Virginia was announced as the national winners.

After the competition was finished the group from Iowa Park went on tour of the Church of God Publishing House and also the National

Headquarters Building in Cleveland. After an eventful day the group headed for home, tired but thankful for such an opportunity to learn and fellowship with the other competitors. In route home the team shopped at a 50-store discount mall in Memphis and were privileged to visit Opry-Land in Nashville.

The team arrived home on Saturday with a determination to return next year when the finals will be held in conjunction with the convening of the General Assemblies of the Church of God in Fort Worth.

Church members to honor pastor

In conjunction with the Assemblies of God National Pastors Appreciation Day Sunday, the Iowa Park First Assembly of God will have special services commemorating the fifth anniversary of Pastor and Mrs. Charles Hensley and reviewing the achievements and accomplishments during their ministry.

The special speaker for the 11 a.m. worship service will be Rev. H.E.

Allen, a former pastor, and Jimmy Banks, the youth pastor, will direct the Christ's Ambassadors, youth organization of the church, who will be in charge of the 7 p.m. worship service.

Activities of the day will start with Sunday school at 9:45 a.m. Dinner will be served at the church.

ABOUT TOWN

Mr. and Mrs. J.W. Farmer attended the 50th anniversary of the Community Presbyterian Church at Chattanooga, Okla. Sunday. He was a charter member of the church and five of the former ministers were present for the celebration.

Local church leads in member growth

The First Christian Church of Iowa Park will be honored at a National Assembly of the Christian Church (Disciples of Christ) to be held in San Antonio later this month.

The local First Christian Church is tenth in the nation in new members for the year of 1982 among the Disciples of Christ congregations with an active membership between 60-99.

First Christian has anniversary

The First Christian Church will celebrate the 25th anniversary of the dedication of the present building Sunday.

Activities will begin at 6 p.m. in the Fellowship Hall, and the program will be brought by Mrs. T.M. Clark.

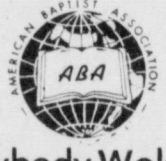

The First Christian Church was founded in 1881. On Sept. 7, 1958, 150 people marched from the old church building located on the corner of Park and Wall, to the present site at 105 East Cash.

BUILDING BLOCK APARTMENTS - Prefabricated sections of a five-unit apartment complex were put into place Saturday afternoon on First Street, just north of the

Masonic Lodge. The complex is expected to be bricked and ready for occupancy by the first of next month, according to one owner.

School enrollment reaches 1,714

Enrollment in Iowa Park schools has increased slightly since the first week, according to a report from the administration building.

Principals reported a total yesterday of 1,714. This is up from the 1,684 reported the first day of school.

By campus, enrollment is: 545 high school; 425 junior high; 399 Bradford and 345 Kidwell.

Atkinson completes AF basic training

Airman Roger D. Atkinson has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the fuels specialist field.

His wife, Virginia, is the daughter of Dorothy and Bud Burch of 710 W.

Coleman, Iowa Park.

The airman is a 1978 graduate of John Hirschi High School, Wichita Falls.

Junior high teams win

Iowa Park Junior High kicked off its football season with a pair of shutout wins over Electra Tuesday night.

The eighth grade won 28-0 and the seventh grade 7-0.

Last Thursday at Bowie, the Freshmen lost their first game of the season, 14-10, and the junior varsity lost 14-0.

The junior high hosts McNeil Tuesday, with the first game starting at 4 p.m.

The JV will host Electra at Hawk Stadium at 7:30 this evening and the freshmen will play at 5:30 here against Holliday.

Wilcox becomes 8-gallon donor

Robert Wilcox became an eight-gallon donor Monday when the Red Cross Bloodmobile made its visit here.

Two others completed their

three-gallon levels: Norman Hodges and Herman Escue.

Bloodmobile visits are sponsored in Iowa Park by the Optimist Club and are held at Faith Baptist Church. Forty-five donors responded Monday.

Municipal Court Records

Midget Hawks lose 22-6

Iowa Park's Midget Hawks were downed by the Sheppard Redskins 22-6 last Saturday night in a hard-fought battle between the two teams.

The game was one of the first in the series between the two teams. The game was held at the Church of God team from Iowa Park was among one of the first to compete in the double

game. The game was held at the Church of God team from Iowa Park was among one of the first to compete in the double

First Christian as anniversary

The First Christian Church will celebrate the 25th anniversary of the location of the present building today.

Activities will begin at 6 p.m. in the worship hall, and the program will be held by Mrs. T.M. Clark.

The church was organized in 1958. The business meeting of the Friendship Sunday school class of First Baptist Church Monday night was highlighted by the election of officers for 1983-84. The meeting was held at the church, with Mrs. M.E. Goforth, Mrs. V.I. Woodfin and Mrs. C.A. Hicks, teacher of the class, serving as hostesses.

The new slate of officers will be headed by Mrs. Elmer Singleton, president. Others elected to serve included Mmes. C.L. McKinnon, C.L. Metz, vice presidents; Walter Scott, secretary; L.B. Jones, corresponding secretary; D.H. Ford, treasurer.

The group captains elected were Mmes. Ruth Hill, Clay Davis, Leo Fletcher, Nelson Johnson and Irene McCoy. Others elected were Mmes. Goforth, bridge builders chairman; E.T. Patterson, devotional and yearbook chairman; and Homer Blalock, publicity chairman.

During the business, it was voted to purchase laundry needs and take

Fri., Sept. 16 - Chalupas, meat or cheese sandwich, soup, lettuce & tomato salad, buttered corn, chocolate & plain milk, cookies.

Mon., Sept. 19 - Chili dogs with cheese, meat or cheese sandwich, soup, onion rings, baked beans, chocolate & plain milk, fruit cobbler.

Tues., Sept. 20 - Steak fingers, meat or cheese sandwich, soup, mashed potatoes & gravy, broccoli with cheese, hot rolls & butter, chocolate & plain milk, brownies.

Wed., Sept. 21 - Cheeseburgers, meat or cheese sandwich, soup, lettuce, tomatoes, pickles, onions, French fries, sliced peaches, chocolate & plain milk, ice cream bars.

BBQ brisket, meat or cheese sandwich, soup, potato salad, pinto beans, onions & pickle slices, hot rolls & butter, chocolate & plain milk, coconut pie.

Church elects officers

clothing to Faith Mission in Wichita Falls for the September missions in action project.

Mrs. Patterson presented a story with appropriate scripture passages entitled "Secrets of an Eagle" for the devotional program. Mrs. McCoy was in charge of recreation. Twenty-one members were present.

The Eyes Of Texans

ARE VIDEO DISPLAY TERMINALS BAD FOR THE EYES?

Over 7 million U.S. workers now use video display terminals (VDT). By 1990 about half of America's workers will use VDT. A recent survey showed VDT users complained more about work conditions than non-VDT users. VDT users found their work station less pleasant, chairs less comfortable, etc. About 25% were bothered by screen flicker and distance, height or tilt of screen or keyboard position. Glare was the most common complaint. 71% of VDT users reported burning eyes vs. 56% of non-users. VDT users wearing contact lenses complained the most about eyestrain.

For glare problems a good indoor tint in the eyeglasses of VDT users would tend to reduce the intensity of screen glare. Users over or near 40 might need special reading glasses for the screen distance.

Another study found that big city copy editors using VDTs complained about eye strain but did not report muscle problems, stress or job dissatisfaction. Probably because they have much control over their work. About 1/3 to 1/2 of VDT users had chronic eyestrain and musculo-skeletal problems. More research is needed to find out how to enhance VDT users well-being and productivity.

Cook of the Week

The important place staple foods have had in cooking cannot be over-emphasized. Today, with the wide variety of meats, vegetables, fruits, exotic foods the housewife has at her disposal, it is easy to take the staple foods that have had such a great part in the advancement of civilization too much for granted. One of these foods is rice which has a fascinating history from ancient times to the present.

Rice is the staple food of many people and a third of the population of the world is nourished exclusively on rice, according to one source.

Asians have become so accustomed to the obligatory presence of rice that however much they stuff themselves, they still feel hungry if they have no rice, and a Japanese does not feel that he has eaten if he does not have a bowl of rice. In the Philippines, if a host does not offer his guests rice, it is not considered that you have offered them a meal.

In China by at least 2800 B.C., the five Sacred crops were named as rice, soybeans, wheat, barley and millet. It also appeared in the dish called the Eight Marvels, which combined rice, oil, onions, mushrooms, pork, ham and eggs with soybean sauce.

It is the basic food in India, the main course in Indonesia and Vietnam. In feudal times, it became so important in Japan that a man's holdings were ranked not according to their acreage but according to the amount of rice they produced. Rice grains were found at an archeological site in Northern Thailand dated 3500 B.C., and China possesses the earliest written documents dating the presence of rice at 2800 B.C.

Sir William Berkeley sowed half a bushel of rice seed in Virginia in 1647, but it petered out because nobody knew how to care for it. The success of it in America dated from the time it was realized that it needed to be grown in water. Today the U.S. produces 10 billion pounds of rice a year and is the world's leading exporter despite the fact that 90 percent of all the world's rice is grown in Asia, but it is kept at home and more is imported to supply the needs for the staple food.

One of the most popular ways in

Mrs. Ken Barnes

America to serve rice is in casserole combined with broccoli, and Mrs. Ken Barnes shares her recipe for the casserole dish with us today. People are gradually getting acquainted with the personable Mrs. Barnes as they meet and see her at Ken's Foodliner where she assists her husband, the owner, as a bookkeeper, checker, delicatessen worker or anywhere she is needed in the store.

Naomi Barnes was graduated from Temple High School. She studied interior decorating at Chicago Institute and worked as an interior decorator for eight years. She also worked in radio advertising at KNIN radio. She is a member of the National Association of Female Executives, a member of Dean Dale Baptist Church, and she worked in the Big Brothers - Big Sisters fund-raising campaign. She enjoys crocheting, ceramics, sewing and playing the piano.

Ken's and Naomi's children are Kendi Castles, Shane Barnes, Carolyn Barnes, Racy Dawkins, Keith Dawkins, Nanette Guice and Jonell Dawkins, all of Wichita Falls. They have two grandchildren, Josh and Liza Castles.

BROCCOLI-CHEESE CASSEROLE

Melt 1 stick oleo and saute 1/2 cup chopped celery and 1/2 cup chopped onion. Cook 1 cup Minute Rice. Combine above with:

1 can cream of mushroom soup
1 small jar Cheez Whiz
1 pkg. thawed and chopped broccoli
Bake at 300 degrees for about 30 minutes.

FROZEN STRAWBERRY SALAD

1-8 oz. cream cheese, softened
3 T honey
2 cups fresh strawberries, crushed
1 cup crushed pineapple, drained
Whipped cream, optional
Blend cream cheese and honey; stir in fruits. Pour into ice cube tray and freeze 2 hours. Cut into squares and serve on lettuce leaf. May be garnished with whipped cream if desired.

FROZEN PASSION.

[A cool summer dessert]
28 oz. any flavor carbonated beverage
1 can Eagle Brand sweetened condensed milk
Make in ice cream freezer.

HOT CHICKEN SALAD

3 cups diced cooked chicken
2 hard cooked eggs, chopped
1-4 oz. can sliced mushrooms
3/4 cup diced celery
1 T chopped onion
1 can condensed cream of chicken soup
3/4 cup mayonnaise
1 cup crushed potato chips
1/2 cup slivered almonds

In large bowl, mix chicken, eggs, mushrooms, onion, celery and almonds. Stir soup into mayonnaise and toss lightly with chicken mixture. Turn into 8x8x2 baking dish. Sprinkle with potato chips. Bake at 350 degrees 30 minutes or until heated throughout. Serves 6.

Serve with salad and iced tea. Good luncheon dish.

ROLLED BAKED ROUND STEAK

1 thin (1/2") round steak, boned and trimmed
1/2 cup chopped onion
1/2 cup chopped celery
1/2 tsp. salt and pepper mixed
1/2 T Worcestershire Sauce

Place steak on foil. Spread onion and celery on steak. Roll as in making jelly roll. Wrap with bacon strips loosely, place foil over roll. Bake 1 hour at 350 degrees. Cut in slices and serve.

Goetze has part in play

Tim Goetze, Tarleton State Univ. senior agricultural education major from Iowa Park, will play the part of Francis Nurse in the production of "The Crucible" to be presented by The Tarleton Players from Sept. 28 through Oct. 1.

One of the most controversial plays of our time, "The Crucible" by Arthur Miller deals with the Salem witchcraft trials of 1692. Described by one critic as "a terrifying tragedy about Puritan bigotry," the play presents a series of gripping scenes which recount the confusion, deceit, and pain of one of our most unforgettable chapters in history.

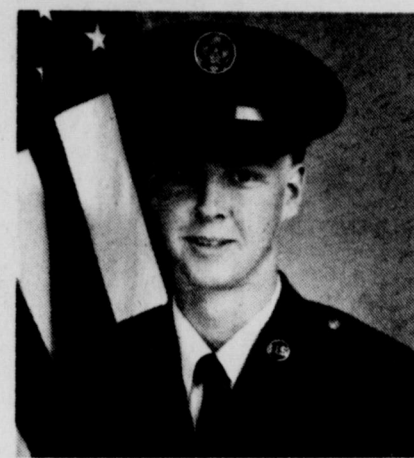

Miller, a Pulitzer Prize winner for "Death of a Salesman," focuses most of the attention of "The Crucible" on the fate of a young farmer's wife, accused of witchcraft by a girl of questionable reputation, and her husband, who tries to free her from the charge made by prejudiced authorities.

The play follows this couple, John and Elizabeth Proctor, through their whole ordeal - first, vague suspicion, then arrest, the unorthodox trial, and the inevitable, tragic ending which raises the question of conscience vs. survival.

Performances will be in the theatre of the Clyde H. Wells Fine Arts Center starting at 8 p.m. with a 2 p.m. matinee on Oct. 1. Tickets are \$5 for adults and \$4 for children and are

available at the fine arts box office. Reservations may be made at 817-968-9634.

Goetze is the son of Mr. and Mrs. Oscar Goetze, Route 1, Iowa Park.

DANIEL SARGENT

Sargent completes Lackland training

Daniel Sargent, son of Mr. and Mrs. Jim Sargent, has completed basic training at Lackland A.F.B., San Antonio. Upon completion, he was promoted to airman first class.

He is presently attending Technical Training School at Lackland and after completion of the training there, he will be doing security and law enforcement work at Altus (Okla.) A.F.B.

A son, Keith Wayne, was born Monday afternoon in Wichita General Hospital to Mr. and Mrs. Bradley Wynn. He weighed six pounds, nine ounces and 20 inches in length. Grandparents are Mrs. Lila Belle Wynn of Iowa Park and Mr. and Mrs. G.W. Starnes of Wichita Falls.

Mr. and Mrs. Kenneth Wayne Recco announce the birth of a daughter, Mandi Dawn, born September 4. She weighed seven pounds and 12 ounces and was 21 inches in length.

Grandparents are Mr. and Mrs. Roman Alambar of Iowa Park and Mr. and Mrs. Barry Devore of Wichita Falls.

Mr. and Mrs. Daniel Lee Moore of Rt. 2, Wichita Falls announce the birth of twin daughters, Laura Lee and Lisa Joy on September 10. Laura weighed five pounds and six ounces and Lisa weighed five pounds and five ounces.

Mrs. Moore is the former Debra Joy (Debi) Cole. The grandparents are Mr. and Mrs. Johnny M. Cole of Iowa Park and Mr. and Mrs. A.E. Moore of Wichita Falls. Mrs. Grace Chastain of Iowa Park is the great-grandmother.

SOPHOMORE RAY SEFCIK GAINS 12 YARDS ON FIRST VARSITY CARRY

JEFF BROOKSHIRE BLOCKS BOWIE PASS ATTEMPT

DEFENSE

... Mean Green defenders too much for Bowie

The Hawk defense, considered only two weeks ago as suspect because of inexperience, led Iowa Park to a 21-12 win Friday night over a fine and highly touted Bowie club.

Through the first quarter, the non-conference visitors appeared headed for a revengeful victory over the Mean Green. Bowie rolled up 82 yards offense and scored once, while the Hawks appeared to be struggling.

But things started changing in the second period. In fact, Bowie was allowed only nine yards the entire 12 minutes.

And in the third quarter, but for one defensive breakdown, which gave the Jackrabbits a 71-yard touchdown pass, Bowie was held to a minus two yards rushing.

It was in that same third quarter that

the Hawk defense did things other than holding Bowie at the line of scrimmage. The defense scored twice to take the lead.

With 3:33 remaining in the quarter, Chris Reeves broke through Bowie blockers and knocked down a punt attempt. The ball rolled all the way into the end zone, where Greg Untalon fell on it to tie the score at 6-6.

Jerry Allen's extra point kick was good, giving the Hawks the lead.

Bowie refused an offsides penalty against the Hawks after the touchdown after advancing the ball to the 'Rabbit 37.

But on the first play from scrimmage, Rocky Martin hit the quarterback's arm as he was attempting to pass. The ball flew almost straight up in the air.

Allen snatched the ball at the 35 and raced untouched to score Iowa Park's second touchdown, only 14 seconds after the first one. Untalon was called on to try the extra point kick this time, and he split the uprights, giving the Hawks a 14-6 lead.

Bowie came roaring back, however, scoring on the second play after the following kickoff, on a 71-yard pass and run. But the 'Rabbits attempted to run off left tackle to tie the score with a two-point conversion, and were cut short by a yard.

Early in the fourth quarter, Iowa Park scored its insurance touchdown.

Fullback Lee Roach had been held to only 13 yards on his 11 carries. But he split the middle of the Jackrabbit defense and, with the aid of two devastating downfield blocks on the safeties, raced 38 yards to score.

The scoreboard clock showed 7:24 remaining in the game when Allen's kick sent the Hawks 21-12 in the lead.

That third touchdown apparently broke what spirit Bowie had remaining. The balance of the game was played deep in Jackrabbit territory as the visiting Maroons gave up the ball three times on fumbles.

James Beebee scored on a three-yard plunge with 21 seconds remaining in the game, but the play was nullified by a motion penalty.

Those three fumbles were covered by Jeff Sanders, Phillip Davis and Martin.

Reeves actually blocked two punt attempts in the third quarter. The first block gave the Hawks possession on Bowie's 25, but the drive was stalled after reaching the 15 yard line with a

fumbled handoff on a reverse play.

Bowie actually out-gained Iowa Park offensively, rolling up 204 yards to 156. But most of those yards came in the first quarter, that long TD pass in the third, and against Hawk reserves in the fourth.

Two of Iowa Park's main defensive players, Untalon and Craig Whisnand, were hobbling much of the game. Untalon, who led Hawk carriers with 56 yards on nine carries, had a painfully sprained ankle and had to be assisted from the field after the game's end.

Whisnand, who plays center on offense and tackle on defense, suffered a bruised hip during the contest, but remained on the field the entire game.

As in their first game of the season, the Hawks utilized several players to carry the ball, developing experience and proving depth. Ten players carried the ball during the game.

One of those carrying the ball was a quarterback who was called up from the junior varsity. He is sophomore Ray Sefcik, pressed into action because Van Hedrick, who alternates with Dale

Hayley, is still slowed by a bruised hip. Sefcik carried three times and gained 16 yards, but a 16-yard run to Bowie's three yard line didn't count because of a clipping penalty.

Hayley attempted eight passes, but only two were completed. Martin's 11-yard catch was the only one allowed, and it was a spectacular effort as he was actually lying on his back when he gained possession after bobbling the ball.

Darrin Coffman's catch for 18 yards was disallowed on a penalty. All but two of the other Hayley aerials found the hands of the receivers, but were dropped.

Nocona earns first win over Lucy-coached Eagles

Nocona's Indians chalked up a first last Friday night against the visiting Holliday Eagles.

For the first time in over 10 years, the black and orange won.

But not without help from the Big Red's hot and cold offense, and inconsistent defense. The game was so uncharacteristic of past performances by a Holliday team, the neighboring metro-newspaper could not decide whether the score ended 31-6, or 21-6. Establishing new editorial precedent, the paper opted for both.

The actual score was 21-6.

An experienced Indian bunch, led by the passing duo of quarterback Rusty Weatherread and receiver Billy McChesney, and the hard running of tailback Wesley Keck, kept the Eagles at bay for most all of the game.

Nocona struck early when Weatherread connected with McChesney for a 21-yard touchdown pass less than four minutes into the game. Kicker Kevin Martin booted his first of three successful point after to give the Indians a 7-0 initial lead and the Nocona fans a lot to hoot about.

Holliday's first three offensive possessions ended in less than four downs, but the Big Red showed signs of life early in the second quarter, driving 44 yards into the heart of Indian territory before an interception killed the drive at the Nocona 27.

Passes from Eagle quarterback Pat O'Brien of 16 yards to Don Hobgood and 25 yards to Paul Rogers highlighted the drive.

The two teams traded possessions before the Indians mounted their final scoring drive of the first half. Keck blasted off right tackle for a 51-yard gain to the Eagle six, and on fourth and goal from the four, Weatherread again threw to McChesney for the score.

Coming out of the locker rooms down 14-0, the Eagles received the second-half kick and recorded a first down with two straight rushing plays up the middle by Dan Hinsley and Hobgood. The drive fizzled at the Eagle 41, and Holliday punted away. The two teams again traded possessions, until late in the third period, when a short 17-yard punt gave the Indians possession at the Holliday 44.

An offside call on the Eagles gave

Nocona a first down at the Holliday 33, but, on the next down, Nocona was called for motion, placing the ball at the 38. On the next play, Weatherread found his favorite receiver once again, connecting with McChesney on a 38-yard bomb, upping the Nocona lead to 21-0.

On the ensuing kickoff, the Eagles set up shop at the 20 and proceeded to spoil any hopes of an Indian massacre.

Driving 80 yards on spirited second-effort runs by Hinsley, Hobgood and Tom Hamill, the Eagles

finally tallied a score with a two-yard drive by Hinsley. The attempt for a two-point conversion ended up inches short, freezing the scoreboard at 21-6.

"It was the worst we could have played," one Eagle coach stated. "With this group, if all the players aren't playing 100 percent, we are in trouble with the teams we have on our schedule."

With a 1-1 record thus far, its all up to this bunch as to whether the season is a winner or a "learning experience."

Big Red hosts Boyd in district battle

Holliday News

W. Franklin

Services for former Holliday mayor J.W. "Bill" Franklin, 84, who died last Saturday in Archer City, were held Monday at the Holliday Church of Christ with Gil Peters, minister, and James Scott, minister of Archer City Church of Christ, officiating.

Burial was in the Holliday Cemetery under direction of Owens and Brumley Funeral Home.

Born Feb. 25, 1899 in Baylor County, Franklin lived in Archer County 54 years. He served as mayor of Holliday 13 years beginning in 1948. He also served on the Holliday City Council one year prior to becoming mayor, and was a board member of the Holliday Cemetery Association.

Franklin worked in the oil fields for several years before opening a garage in Holliday in 1946. In 1959 he began a 10-year career as postal carrier for Star Route. A member of the Church of Christ in Holliday, he and his wife Della celebrated their 65th wedding anniversary in July.

Survivors include his wife; a son, J.R. of Holliday; five daughters, Katherine Ward of Bakersfield, Calif., Ruby Muhlbauer of Wichita Falls, Donna Prejean of Abbyville, La., June Tackett of Mountain Home, Ark., and Peggy Sunden of San Antonio; a brother, Charlie of Paradise, Calif.; 26 grandchildren and 26 great-grandchildren.

Richard Charles Goode

Services for Richard Charles "Dick" Goode, 55, who died Saturday in a Wichita Falls hospital, were Monday in Owens Brumley Funeral Home with Rev. David Bryant, pastor of Bible Baptist Church, officiating. Graveside services were at Briar Creek Cemetery in Bowie.

He was born March 24, 1928, in Childress. He was a construction worker and a member of Bible Baptist Church.

Survivors include his wife, Leota; three daughters, Pamela Yvonne Lawrence of Seymour, Kathy Marie Riley and Karen Denise Rains, both of Bowie; a son, Charles R. of Buffalo Springs; his mother, Helen Goode of Wichita Falls; six sisters, Faye Eason, Kathleen Stoneking, Betty Blevins, Dorothy Jones, Pat McCall and Sue Reid, all of Wichita Falls; a brother, James Dell Jr. of Burkburnett; and five grandchildren.

Holliday's Eagles, playing hot and cold football two games into the season, must turn on the after-burners at home tomorrow night in order to turn back an extremely tough Boyd team.

The consensus of Holliday coaches is that Boyd is the team to beat this year in District 11-AA, and J.G. Cartwright's 'Jackets have fulfilled all expectations so far this season.

In the season opener for the 'Jackets, quarterback Billy Tolliver guided his teammates to a 25-18 upset over top-ranked Class AAA Decatur.

Last Friday night, the 'Jackets made an easy night of it with a 41-0 rout over Chico.

Mike Egan and Alan Fite are the main receivers for Tolliver and all three are mainstays in the defensive backfield.

Also for Boyd are linemen Rodney McCune, Scott Story and linebacker-fullback Rodney Scroggins.

For Holliday, whether or not fullback/linebacker Jay "Bucks" Burks can return to action after an appendectomy early last week is still up in the air. Eagle head coach Don Lucy said he was still hopeful Burks can return for the Boyd game, but he is still questionable until then.

The 'Jackets posted a 6-4 record in tough District 11-AA last year, but returns a letterman at every position and lists eight offensive and seven defensive returning starters. Rodney McCune's brother Ronnie will play in the offensive backfield along with Fite and Egan, while linemen Mike Rhodes and Mike Rich (260) will help to anchor a stout defensive line for Boyd.

GAIL LYNN THOMPSON and RANDY LEE SHOOPMAN

Final auction results given for Rehab Center

A total of \$162,027 has been raised from the Crippled Children's Livestock Auction in July to benefit North Texas Rehabilitation Center, Wichita Falls. Joe Parker, Byers, was general chairman. Ranchers, farmers and others throughout the North Texas area both donated and bought livestock and merchandise to raise the money.

Proceeds from this 15th annual auction will help provide therapy for the increasing number of disabled children and adults who come to the Rehab Center. The auction is the largest source of support for the Center, which is funded 68 percent from fund raising events and donations.

The Center has provided a 33 percent increase in charitable services from \$313,240 in 1982 to \$415,890 in 1983. All donations are tax deductible and stay in North Texas to serve those unable to pay the full cost of services.

The Center has an increasing need for funds, Nils Richardson, executive director said, because of the 135 percent increase in new admissions (557 in 1983; 237 in 1982) and the 30 percent increase in patients who have been served this year. There were 755 patients served in 1983 compared to 579 in 1982.

Visits in 1983 were 22,706 compared to the 1982 figures of 15,809, making a 44 percent increase; hours totaled 14,619 in 1983 compared to 10,246 in 1982—a 43 percent increase. Actual expenses have increased only 30 percent over 1982.

New therapists have been hired to provide services in Physical Therapy, Speech Language and Infant Development Program (the latter of which is expanding as an Outreach program in four locations outside of Wichita Falls.) Full time staff has increased from 22 to 27.

No person is denied treatment because of inability to pay, Richardson said. Therefore, funds are continually needed to provide more and more therapy.

"The Center treats patients from birth to the very elderly and who have disabilities from strokes, delayed physical and speech-language development, cerebral palsy, multiple sclerosis, accidents, learning problems and hearing impairments," Richardson said.

Fees are on a sliding scale, based on the patient's ability to pay. One unit of therapy costs \$22 and is an average of 30 minutes. Therapy is usually scheduled two or three times a week but many patients receive six treatments a week.

Patients are admitted upon a doctor's referral.

Wedding date selected

Mr. and Mrs. Floyd W. Thompson announce the engagement and approaching marriage of their daughter, Gail Lynn, and Randy Lee Shoopman, son of Mr. and Mrs. Darrell Lee Shoopman of Tulsa, Okla.

Miss Thompson was graduated from Iowa Park High School and from Bethania Hospital's LVN School of

Nursing. She is a former director of nurses at Cassville Nursing Center, Cassville Mo. The prospective groom was graduated from a high school in Bakersfield, Calif. and is engaged in oil field work.

The couple will be married Sept. 24 at Faith Tabernacle in Holliday.

Speaker Wednesday on topic of drugs

In a continuing series of drug education topics, the Holliday Independent School District will hold a program featuring Brian Rudd at 8:30 a.m. Wednesday in the high school auditorium.

Targeted for students in grades six through 12, superintendent Dan Owen Tuesday said the public is invited to attend. "We have already

had one speaker, T.J. Newcombe, and this program will continue our efforts to maintain a drug-free campus," Owen stated.

Owen added that other efforts have been made to keep Holliday's schools drug free, such as closing the campus for the first time ever, and increasing the educational materials for the students.

W.B. Bass

Services for W.B. "Bill" Bass, 59, will be at 2 p.m. today at Tanner-Aulds Funeral Home with Rev. Ken Cole, pastor of Faith Baptist Church, officiating. Burial will be in Highland Cemetery.

He was born July 20, 1924, in Granite, Okla., and was a crane operator for Barbour Trucking Co. He was married to Della Faye Duncan Jan. 26, 1976, in Iowa Park.

He is survived by his wife; a daughter, Sue Gholson of Iowa Park; two sisters, Betty Barney of Riverside, R.I. and Clara Seward of Canada; and four grandchildren.

Fred Hughes

Fred "Blackie" Hughes, 62, father of David Glenn Hughes of Iowa Park, died Sunday in a Bowie nursing home. Services were Tuesday afternoon at Burgess-Fry Funeral Home with Rev. Maurice James, a retired Baptist minister, officiating. Burial was in Elmwood Cemetery.

He was born Jan. 2, 1921, near Burkburnett. He was a longtime Montague County resident and an oil field worker. He married Ann Rhea Sept. 2, 1944, in Anadarko, Okla.

He is survived by his wife; two sons, David Glenn of Iowa Park and Cecil Wayne of Dublin; a daughter, Melba Joy Day of Olney; two brothers, Howard Carl and Bobby Joe, both of Bowie; a sister, Marie Baker of Wichita Falls; and seven grandchildren.

Area oil, gas report

The No. 101 thru 110 Fassett & Tuttle and the No. 38 thru 47 Hammon Fee are slated to be drilled in the Wichita Regular Field by S&J Operating Co. of Wichita Falls. With projected total depths of 1,500 feet, the wells will be spudded six miles southwest of Iowa Park, in the ET RR Co. Survey. The Fassett & Tuttle wells are in a 794-acre lease and the Hammon Fee wells are to be in a 409-acre lease.

Koonce Oil Co. of Iowa Park has filed for permit to drill the No. 50 thru 57 Fassett & Tuttle G, eight wells in the R. Brown Survey, five miles southwest of Iowa Park, Wichita County. The No. 50 - 53 wells have a proposed total drilling depths of 4,200 feet and are to be located in the KMA Field. The No. 54 thru 57 wells are situated in the Wichita Regular Field and each has a proposed drilling depth of 1,500 feet.

J.C. Wells of Iowa Park has staked locations for the No. 4 thru 6 Goetze "R" in Wichita County's Clay County Regular Field. They are each scheduled for 1,900 feet of hole making. The locations are in a 53-acre lease of the Thornberry Survey, about two miles southwest of Thornberry.

The No. 29 thru 31 and 35 thru 38 Williams & Parker "D", seven developmental wells in Wichita County's J. McCool Survey, are scheduled to be drilled four miles north of Holliday. Swanner Properties of Wichita Falls is listed as the operator. Locations are in a 269-acre lease in the Wichita Regular Field. Projected total depths are 1,900 feet per well.

John Swanson of Iowa Park has revealed plans to drill two 2,000-foot developmental probes in the Wichita Regular Field, 7.5 miles northeast of Electra. The wells will be located in a 139-acre lease of Wichita County's G.C.&S.F. RR Survey and are to be designated as the No. 21 & 22 Karl Mertins.

The No. 13 & 15 J&J Waggoner "A", two developmental tries in the Wichita Regular Field, are scheduled to be spudded six miles southeast of Electra. With projected total depth of 1,550 feet, the wells will be in a 40-acre lease of Wichita County's H. George Survey. Jimco Oil Inc. of Electra is listed as the operator.

L&S Drilling Inc. of Wichita Falls has revealed plans to drill three 2,000-foot developmental probes in the Wichita Regular Field. The operator has 30-acres leased, with drillsites in Wichita County's H. George Survey and has designated the ventures as the No. 2 thru 4 Waggoner "F". Drillsites are five miles north of Kamay.

Locations have been staked by Harmel-Schaaf of Wichita Falls for sixteen 1,500-foot developmental probes in Wichita County's C. Larbaletrier Survey, three miles southeast of Burkburnett. The wells are designated as the No. 5A thru 20A Roller. Drillsites will be in a 20-acre lease in the Wichita Regular Field.

The No. 3 thru 7 Mangold 30 are slated to be drilled in the Archer County Regular Field by Lifs, Inc. of Wichita Falls. With projected total depths of 1,850 feet, they will be spudded in a 120-acre lease of the P. Castleman Survey, two miles south of Kadane Corner, Wichita County.

Jeffers & Bolinger of Burkburnett has staked locations for the No. 11N & the 12S thru 15S Foster in Wichita County's T.H. Barwise Survey. The No. 11N well is scheduled for 1,000 feet of hole making, with the other wells expected to reach 2,000 foot total depth. The locations are in a 180-acre lease in the Wichita Regular field, about eight miles west of Burkburnett.

Catlin Drilling Co. of Iowa Park has filed for permit to drill the No. 18 thru 25 Denny, eight 2,000-foot developmental wells in the Wichita Regular Field, eight miles southwest of Iowa Park. The operations will be in a 158-acre lease in Wichita County's H.B. Balch Survey.

The No. 7 Obenhaus "B", a developmental well in Wichita County's Waggoner Colony Survey, is scheduled to be drilled seven miles northeast of Electra. Dunith Oil Co. of Iowa Park is listed as the operator.

Location is in a 164-acre lease in the Wichita Regular Field. Projected total depth is 2,000 feet.

Robert A. Craighead of Electra has revealed plans to drill eight 2,000-foot developmental wells in the Wichita Regular Field. The No. 21 & 22 Goetze "F" are about eight miles northeast of Electra, in a 106-acre lease of Wichita County's W.M. Holden Survey. The No. 14, 15, 16, 28, 29, & 30 R.A. Holsenbake B are situated in a 220-acre lease of the W.H. Taylor Survey, five miles east of Electra.

Pumping oil at the rate of 16 barrels per day on an open choke, the No. 2 T.J. Waggoner "EE" was completed in the Wichita Regular Field by L&S Drilling Inc. of Wichita Falls.

Drillsite is in a 60-acre lease in Wichita County's M.A. Willis Survey, four miles north of Kamay. After entering the pay zone at 1,470 feet, the well went to 1,514 foot bottomhole. It was perforated to produce from an interval 1,470 to 1,472 feet into the hole.

The No. 5 & 6 Dockery are slated to be drilled in the Wilbarger Regular Field by F.T. Johnson Jr. of Wichita Falls. With projected total depths of 7,000 feet, they will be spudded in a 432-acre lease of Wilbarger County's H&TC RR Survey, Sec. 32, Blk. 14, four miles southeast of Vernon. The No. 5 well is 1,667 feet from the south lines and 1,692 feet from the north lines of the lease and survey. The No. 6 well is 467 feet from the south lines and 2,867 feet from the north lines of the lease and survey.

Walter L. Hahn of Ft. Worth has staked location for the No. 5 W.T. Waggoner "R" in Wilbarger County's H&TC RR Survey, A-1232, Sec. 8, Blk. 4, about 10 miles southwest of Harrold. The well is scheduled for 1,950 feet of hole making. It will be situated in a 63-acre lease of the Wilbarger Regular Field. It is 150 feet from the south line and 1,300 feet from the east line of the lease. It will also be 1,947 feet from the west line and 1,170 feet from the north line of the survey.

T.M. Cornelius of Burkburnett has filed for permit to drill the No. 15 & 16 Cornelius, two 2,300-foot developmental wells in the Wilbarger Regular Field, four miles southeast of Harrold. The operations will be in a 507-acre lease in Wilbarger County's H&TC RR Survey, A-350. The No. 15 well is 150 feet from the south lines and 807 feet from the east lines of the lease and survey. The No. 16 well is 150 feet from the south lines and 1,107 feet from the east lines of the lease and survey.

Catlin Drilling Co., operating out of Iowa Park, has recorded two successful developmental wells in the Wichita Regular Field. They are the No. 15 & 16 Denny, showing potential for 14 an 15 barrels of oil per day, both on an open choke.

Drillsites were in a 158-acre lease in Wichita County's H.B. Balch Survey, eight miles southwest of Iowa Park.

The wells were drilled to a total 1,340 and 1,350 foot bottom, after each well entered the pay zone at 1,305 feet. The No. 15 well is producing from perforations 1,305 to 1,310 feet into the hole, with the No. 16 well pumping from a set of perforations 1,305 to 1,312 feet into the wellbore.

J.W.H. Oil Co. of Electra has staked location for the No. A22 Obenhaus A in the Wichita Regular Field. It is scheduled for 2,000 feet of hole making. The location is in a 150-acre lease of Wichita County's Waggoner Colony Survey, about six miles northeast of Electra.

R.W. Darden of Wichita Falls has revealed plans to drill two 1,900-foot developmental probes in the Wichita Regular Field, five miles southwest of Burkburnett. The wells will be located in a 330-acre lease in Wichita County's L.B. Taliferro Survey and are to be designated as the No. 24 & 25 W.F. George.

The No. 1 Sam P. Gibson Estate, a developmental try in the Wichita Regular Field, is scheduled to be spudded 10 miles northeast of Electra. With projected total depth of 2,000 feet, the well will be in a 40-acre lease in Wichita County's Waggoner Colony Survey. Tom Swanson of Electra is listed as the operator.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION NOVEMBER 8, 1983

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 91 proposes a constitutional amendment which requires a county with a population of 30,000 or more to be divided into not less than four nor more than eight justices of the peace precincts. A county with a population of 18,000 or more but less than 30,000 shall be divided into not less than two nor more than five justices of the peace precincts. A county with a population of less than 18,000 shall be designated as a single justice of the peace precinct or, upon a finding of necessity by the commissioners court, shall be divided into more than one justice of the peace precinct but not more than four. The amendment provides further, that in any precinct in which there is a city with a population of 18,000 or more, two justices of the peace shall be elected. The amendment allows a justice of the peace, constable or commissioner to continue in office until the expiration of his term, although a change in precinct boundaries results in the officer no longer being a resident of the precinct for which he was elected or appointed and allows a justice of the peace or constable to continue in office until the expiration of his term even though a change in precinct boundaries results in the abolishment of the precinct or more than one justice of the peace or constable serving the precinct. Vacancies in the office of justice of the peace or constable that result from a precinct boundary change shall be filled by the commissioners court until the next general election. The amendment would take effect on January 1, 1984, and counties with populations of less than 30,000 and with more than four justices of the peace and constable precincts would have until January 1, 1987 to comply with the amendment.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing fewer justices of the peace and constable precincts in counties with a population of less than 30,000 and providing for continuous service by justices of the peace, constables, and county commissioners when precinct boundaries are changed."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 105 proposes a constitutional amendment which would limit a homestead in a city, town or village to a lot or lots amounting to not more than one acre of land, together with any improvements on the land. The constitutional requirement that, at the time of

designation, an urban homestead not exceed ten thousand dollars in value without reference to the value of any improvements on the land would be eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment replacing the limitation on the value of an urban homestead with a limitation based on size."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes the Legislature to enact legislation that permits representative associations of agricultural producers to collect refundable assessments on their product sales to be used solely to finance programs of marketing, promotion, research and education relating to those products. It provides, further, that adoption of the proposed constitutional amendment will bring into effect Senate Bill 607, Acts of the 68th Legislature, Regular Session, 1983, with rejection of the amendment resulting in Senate Bill 607 having no effect.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment providing for the advancement of food and fiber production and marketing in this state through research, education, and promotion financed by the producers of agricultural products."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 30 proposes a constitutional amendment which authorizes the Legislature to enact laws to provide for the succession of members of the Legislature in the event of enemy attack and allows the suspension of procedural rules imposed by the Constitution in the event of, or immediate threat of, enemy attack. The amendment empowers the Governor, after consultation with the Speaker of the House and the Lieutenant Governor, to suspend the constitutional requirement that the Legislature hold its sessions in Austin and allows the suspension of procedural rules by the Governor issuing a proclamation in which the House of Representatives and Senate concur by resolution approved by a majority of the members present. Suspension of the constitutional rules may not exceed a period of two years under a single proclamation; however, the Governor may renew the suspension by issuing a new proclamation concurred in by the House of Representatives and the Senate through a resolution approved by a major-

ity of the members present.

The amendment will appear on the ballot as follows: "The constitutional amendment authorizing statutory provisions for succession of public office during disasters caused by enemy attack, and authorizing the suspension of certain constitutional rules relating to legislative procedure during those disasters or during immediate threat of enemy attack."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 12 proposes a constitutional amendment that authorizes the Legislature to enact legislation providing for the use of the permanent school fund and income from the permanent school fund to guarantee bonds issued by school districts. The amendment provides, further, that the Legislature may appropriate part of the available school fund for administration of the permanent school fund or of a bond guarantee program established pursuant to the amendment.

The constitutional amendment will appear on the ballot as follows: "The constitutional amendment authorizing use of the permanent school fund to guarantee bonds issued by school districts."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment which would permit the Legislature to provide for the garnishment of wages to enforce court-ordered child support payments. The garnishment remedy would not be available for other purposes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing the Legislature to provide for additional remedies to enforce court-ordered child support payments."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that authorizes the Veterans' Land Board to provide for, issue, and sell general obligation bonds of the State of Texas in an amount not to exceed \$800 million to provide financing to veterans of the state. The amendment requires that three hundred million dollars of the state bonds be dedicated to the Veterans' Land Fund. The Fund is to be used to purchase land to be sold to veterans under such terms, rules and regulations as may be authorized by law. The amendment creates the Veterans' Housing Assistance Fund and requires that \$500 million of the state bonds authorized by the amendment be dedicated to the Fund. The Veterans' Housing Assistance Fund will be utilized by the Veterans' Land Board for the purpose of making home mortgage loans to veterans for housing within the state and for the administrative

costs of administering the fund and issuing the bonds. The amendment provides, further, that if there is not money in either the Veterans' Land Fund or the Veterans' Housing Assistance Fund available for payment of principal and interest on the general obligation bonds issued pursuant to the amendment, then money coming into the Treasury in each fiscal year is appropriated in an amount sufficient for payment of principal and interest due in that fiscal year.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to authorize the issuance of \$800 million in bonds of the state to finance the Veterans' Land Program and the Veterans' Housing Assistance Program."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes political subdivisions to exempt veterans' organizations from ad valorem taxation on their property. The amendment requires that the veterans' organizations be chartered by the United States Congress, be composed of members or former members of the United States Armed Forces, and be organized for patriotic and public service purposes. The amendment provides, further, that political subdivisions may exempt fraternal organizations from ad valorem taxation on their property. The amendment requires that the fraternal organizations be organized to perform and be primarily engaged in charitable or benevolent functions. The Legislature would be authorized to enact laws that prescribe eligibility requirements for fraternal organizations to benefit from the exemption and to pass legislation limiting the types or amount of property owned by a fraternal organization which may be exempted from ad valorem taxation.

PROPOSITION NO. 9 ON THE BALLOT

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to authorize tax-exempt units to exempt from taxation property of certain veterans' and fraternal organizations."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment that authorizes the Legislature to enact laws which would allow a city or town to expend public funds to relocate or replace sanitation sewerage laterals on private property if done in conjunction with the replacement or relocation of sanitation sewer mains serving the property. The amendment requires that the law authorize the city or town to affix a lien on the private property, with the consent of the owner, to cover the costs of the replacement or relocation of the sewer laterals on the property. The lien may not be enforced until five years have expired since the date the lien was affixed. The amendment provides, further, that the law require that the costs of the replacement or relocation of the sewer laterals on the private property be assessed against the property with repayment to be amortized over a period not to exceed five years and at an interest rate provided by law.

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles. The Legislature would be authorized to establish the Board of Pardons and Paroles and to require it to maintain records of its actions and the reasons for its actions. The amendment would empower the Legislature to enact parole laws. Constitutional language specifying the qualifications and terms of office for members of the Board of Pardons and Paroles is eliminated. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

jurisdiction and to county courts."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment that authorizes the Legislature to enact laws which would allow a city or town to expend public funds to relocate or replace sanitation sewerage laterals on private property if done in conjunction with the replacement or relocation of sanitation sewer mains serving the property. The amendment requires that the law authorize the city or town to affix a lien on the private property, with the consent of the owner, to cover the costs of the replacement or relocation of the sewer laterals on the property. The lien may not be enforced until five years have expired since the date the lien was affixed. The amendment provides, further, that the law require that the costs of the replacement or relocation of the sewer laterals on the private property be assessed against the property with repayment to be amortized over a period not to exceed five years and at an interest rate provided by law.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to permit a city or town to expend public funds and levy assessments for the relocation or replacement of sanitation sewer laterals on private property."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles. The Legislature would be authorized to establish the Board of Pardons and Paroles and to require it to maintain records of its actions and the reasons for its actions. The amendment would empower the Legislature to enact parole laws. Constitutional language specifying the qualifications and terms of office for members of the Board of Pardons and Paroles is eliminated. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 8 de noviembre de 1983. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.
