Vol. 15, No. 3 IOWA PARK, WICHITA COUNTY, TEXAS 76367 THURSDAY, SEPTEMBER 29, 1983

Hawks open district play Friday at Mineral Wells

With their non-conference contests out of the way, Iowa Park and Mineral Wells will start playing for all the Dist. 3-AAAA marbles tomorrow night.

Both teams will carry identical 2-1 non-conference records into the game when the ball is kicked off at 8 p.m. in the Rams' home stadium.

Similarly, both teams observed open dates last Friday in order to

prepare for the conference opener.

The Rams hold the edge in the previous seven meetings between the two schools. They've won four, lost two to the Hawks, and one game ended in a tie.

Iowa Park fought off a determined rally by Mineral Wells last year, but the Hawks won, 24-16. It was the first win for the Mean Green over the fleet-footed Rams since the 14-3 win in 1980.

Their first meeting was in 1976. That was the first year Mineral Wells dropped back from 5-A classification. The Rams won 13-6 and followed it two more seasons with 28-12 and 21-14 victories before the 14-14 tie in 1979. The Rams sandwiched in a 9-0 shutout over the Hawks in 1981.

In their three outings this season, the Rams have outscored the Hawks 57-48, and have given up fewer points, 27-36. Their pre-conference games were against Arlington Heights, Stephenville and Weatherford.

Ram mentor Paul Phillips is blessed with everything Head Hawk David Baugh isn't. Namely, depth and maturity.

Mineral Wells has 15 returning lettermen, six were starters, among the 55 juniors and seniors who were to report for training this fall. Iowa Park has only two starters back from last year.

Weight-wise, according to the team rosters, the two clubs are about evenly-matched.

Iowa Park needed that extra week to prepare for the district opener. The Hawks were nursing numerous minor injuries and illnesses.

And they were also nursing their feelings, after having been upset 17-0 at the hands of Electra, a small class AAA team.

Iowa Park's defense took a major blow in the Electra game when starting linebacker Charles Adams was lost for the season when he broke an arm.

To shore up that position, the coaches have moved dependable Bobby Halady off the line and put him in Adams' place. Darin Whitman, a reserve noseguard, was moved to Halady's defensive end position.

Utility lineman Jimmy Collazo, who plays guard and tackle whenever needed, was lost for a few weeks. He underwent minor surgery last week and is expected to miss about three games before fully recovered.

Baugh continues to experiment with quarterbacks to find the combination he wants to move the offense.

Dale Hayley started the Breckenridge and Bowie games, but against Electra he shuttled Van Hedrick and Ray Sefcik along with Hayley.

Baugh said the Hawks have worked hard during the past two weeks and should be prepared for their trip to Mineral Wells.

Going into district play, only two teams remain undefeated: Hirschi and Vernon. Burkburnett and Gainesville have 2-1 records along with Iowa Park and Mineral Wells, while Azle and Boswell have lost two of their three outings.

MAYOR LEARNS HOW - Mayor Charlie Lee, white shirt, was among 18 volunteers who attended Monday's one-night course in cardiopulmonary resuscitation (CPR). Held in the high school auditorium, the Red Cross provided 10 instructors and dummies, as well as instruction booklets.

Exterior work bid approved on library

Some of the first work toward renovation of the Burnett home so it can be used as the city library is to get underway soon, with letting of a contract.

Friends of the Library executive board agreed to let Cool Temp Siding Co. of Wichita Falls do some exterior work on windows and woodwork.

Deteriorating wood around windows is to be replaced, storm windows installed, and siding material set to cover all woodwork is to be done. The firm's bid was approximately \$9,000.

Decision on the work was made at a recent meeting of the board. At that time, letters of support from two library authorities were read.

One was from Dorman H. Winfrey, director and librarian for the Texas

Library and Archives Commission, and the other from William P. Davis, consultant for North Texas Library System.

Both men had inspected the Iowa Park Library and agreed that a new library is badly needed, and offered their help.

Two quilts have been donated to the organization, to be used as fund-raising articles. One is by Mrs. Margie McDonald and the other by The Friendly Door members.

Donation pledges are very slow, according to Mrs. Luther Shaw, treasurer. She encouraged all residents to make donations of any size, and emphasized donations to the building fund of \$1,000 or more would earn a name on a permanent plaque to be displayed in the library.

An application requesting a grant

from the Tandy Corp. is to be forwarded this week by Mike Dodd, executive board president.

Officers of the board include Mrs. W.A. George, vice president, Mrs. Shaw and Mrs. Herman Escue, secretary.

Directors serving a one-year term are Charlie Lee, Tim Hunter, Mrs. David Padgett, Mrs. George, Mrs. Escue and Mrs. Shaw.

Trustees, also serving one-year terms, include Mrs. Harold Cowley, Mrs. D.O. James, Mrs. James Richter, Mrs. Frank Harlin, Wayne House, Buck Voyles and Frank Gossett. Three more trustees are to be named at a later date.

The board is to meet twice monthly, and the next meeting is slated at 6:30 p.m. Wednesday in city council chambers.

Mix energy and education, and you have one Dee Decker

By OLIVE BLALOCK

Humdrum days are probably non-existent to a woman with as many varied interests and talents as Dee (Mrs. Don) Decker.

At the close of each day she must feel that she has accomplished something worthwhile and is not filled with regret and the sad thought of "it might have been" over wasted time and opportunities.

How is she able to find fulfillment in each day?

Dee is too modest to admit but close observers know that it is because she is committed and faithful to each task. In all probability, she decides first on her priorities, realizing that not everything is of equal importance.

After having decided, she begins work immediately remembering the Chinese proverb that the longest journey begins with the first step. Then she applies concentration doing her work carefully and well, and persistence, never giving up until a project is successfully behind her. For those who are looking for a full life, Dee Decker's should promise excitement.

Dee, the daughter of Ret. Col. and Mrs. H.B. Hughes of Hemphill, says "I enjoy my background," referring to her travel experiences that took her to many parts of the United States and to Japan while her father was in the Air Force, and to her diversified educational and work opportunities.

She received a degree in homemaking from Henderson State Univ. in Arkadelphia, Ark. and taught kindergarten at Johnson Air Station in Japan the following year. Returning to the U.S., she taught homemaking at Battiest, Okla. one year before going to Abilene where

she taught kindergarten at Kirwin Day School two years and later served as director of the school.

Dee wrapped herself around the heart strings of people in Wichita County during the nine years that she served as county extension agent, working first with 4-Hers and then with adults. After resigning that position, she served as manager of the Woman's Forum Food Service and did some catering.

She is currently a demonstrator for Cussinarts Food Processor and teaches microwave cooking. She also does educational work for Associated Milk Producers, Inc., working with elementary school teachers in teaching nutrition, and does monogramming in her home. She is also a substitute teacher.

The multi-talented Mrs. Decker is working summers on her master's degree in clothing, textiles and merchandising at Texas Women's Univ. She is a Girl Scout leader and 4-H Club project leader. She is a member of First Baptist Church and the Altrusa Club in Wichita Falls.

Her hobbies include ceramics, sewing, bicycle riding, stained glass painting, doll making and needlepoint. At present, she is cross-stitching the State of Texas for her husband, Don, who recently retired as Wichita County Extension Agent, spotlighting the different places in Texas where he has lived and the different commodities of the state.

"Happiness is being with my family and travelling," she stated. She has two children, Scott James, a fifth grader, and Julie James, a third grader. Don has three sons, Doug, Dan and David, all of Belton, and two grandchildren.

DEE (MRS. DON) DECKER ... displays handwork.

Three thefts are reported

Thefts of a truck, four wheel covers and a license plate were reported this week to Iowa Park police.

Sometime between 8:30 p.m. Saturday and 8:30 a.m. Sunday a 1972 International three-quarter ton truck was taken from White's Super Store. Valued at \$3,500, the truck had "White's" on both cab doors.

Sometime between Sept. 10 and 15,

four chrome wheel covers valued at \$260 were reportedly taken from a vehicle parked at 703 S. Wall.

Also during a period between Sept. 10 and 22, a license plate was reportedly taken from a vehicle parked at 100 S. Colorado. Wiley C. Francis, who filed the complaint, said the vehicle was parked in a garage. The plate, ZJK-825, had a June 1984 sticker on it.

GREAT ARCH OF CASH STREET - Looking strikingly similar to the landmark arch of St. Louis was a piece of equipment used in the renovation project at city hall. The long arm has attached to it a pipe which is used to pour concrete onto

elevated levels. The concrete was used to fill concrete blocks and form a ceiling for the new city hall vault, in which all records can be kept safe from storm, water and fire.

Iowa Park native describes first plane ride

By ANNE STROME

I slipped the surly bonds of earth Sept. 8 for the first time in my life! I, too, danced the skies on laughter-silvered wings -- in a World War II bomber -- the B-24 Liberator. What a fantastic way for a "lil ol" lady to take her first airplane ride!

I, too, logged one hour and seven minutes, not in a logbook, but in my heart.

"Diamond Lil" was the Liberator's name. She is owned by the Confederate Air Force in Harlingen. The CAF is composed of a group of pilots dedicated to the preservation of those glorious flying machines of WW II that helped keep America free.

I was on a photo assignment to take pictures of the staff prior to takeoff. Little did I know that I would be invited to join the group.

It made goose pimples pop out on my arms just to think about flying. I had always had a fear about it and vowed I'd never fly. So, should I, or shouldn't I?

My fat little knees knocked and my head started spinning at the thought. My heart raced with excitement. Oh, shoot, why not, I thought.

I buckled in my seat and sat there staring like a zombie. We seemed to sit there for an eternity before one engine cranked up. Three more to crank -- I had three more chances to get off. Engine number two cranked up -- I had two more chances to unbuckle. Engine number three and four started spinning so fast, I dismissed any further thought of escape! The plane started vibrating and my liver quivered. But, no, I was NOT scared, I told myself.

Don't be scared, I thought. I was in good hands. First of all, in the Lord's and then came Carter McGregor Sr., of the CAF, and his super crew, and even Maj. Gen. William M. Charles, Sheppard's commander.

I heard the famous words of Franklin Delano Roosevelt, "We have nothing to fear but fear itself," fading in and out of my mind someplace.

I pressed my Roman nose firmly against the long side window behind me and watched in bewilderment as the big tire on my side raced down the runway -- and then it happened. Ol' Lil lifted off, and Ol' Annie was soon to be on the proverbial cloud nine!

I took another deep breath and swallowed. Yipes! My ears, what's happening to my ears? Then I remembered that ears did that while flying. They must have popped a dozen or more times. I began to ignore them.

Ten minutes airborne. I closed my eyes a moment and heard make-believe WW II music floating through my mind. As the engines hummed, I imagined that Clark Gable was up there at the controls, or perhaps even at my side. Sigh! (Thoughts from watching too many old war movies). But when I opened my eyes, it was only Lt. Burris, the general's aid.

I was told that we were cruising at about 160 miles per hour. That's about 110 more miles per hour than I had ever logged in my Vega! I got so

excited after that, that I wore out a stick of gum in two minutes.

As I looked at the brown squares and rectangles below, I thought of the TV weathermen and concluded, "My goodness, we really DO need rain," but then turned my thoughts elsewhere.

Thirty minutes into flight, Carter McGregor strolled nonchalantly through the cabin. (He's the pilot, you know). I nearly had heart failure. "Where are we, and who's flying this airplane?" I asked. To which he grinned and responded, "I dunno" and kept walking on past me.

The ride was going smooth as silk. I wasn't even sick and was proud of it. I was a pro at flying after 50 minutes.

I was then invited by Carter to come up front and get a different view of the countryside.

The front room was crowded -- much like my mobile home kitchen. Then came shock number 12. The pilots couldn't possibly see where they were going. Why they couldn't even see over the hood! The poor guys were driving looking out their side windows. I was flabbergasted.

The instrument panel looked like a clock factory. I had a zillion questions, but knew it was time to go back to the passenger compartment.

Things were going along very well at this point. Then it happened! We suddenly turned a corner! And I was zapped right in the bread basket with my first queeze.

I was convinced Ol' Lil had goofed, or else I had fallen out of my seat in a faint and was pinned against the wall in semi-consciousness. I must have looked like a dying calf in a hail storm, with my eyes rolled back up in my head.

"You okay?", someone asked, "How do you feel?"

"... like morning sickness." I moaned, after which the laughter in the cabin out did the roar of the engines.

When we got straightened up, I felt lots better. I saw a familiar sight -- Burk Burnett. I knew it was my hometown because of the two bright orange water towers.

Then suddenly, a huge object caught my eye. "My gosh, the tire was falling out of its hole. And we weren't ready to land. We were 10 miles away from the runway yet. The landing gear was down.

"What's going on? I exclaimed.

"I think we're going to have to make an emergency landing," said Lt. Burris.

I turned green again.

"Oh, let her alone," said another passenger. "The pilot is only doing a routine gear check. . . no problem."

Soon we were headed home.

I recognized the familiar air traffic control tower at Sheppard. But I wasn't ready to land. I was hooked on flying after all my doubts and fears.

The runway came into sight.

Diamond Lil sat down like a graceful eagle.

"Come on up front," Carter motioned to me. (He wasn't flying again, but I didn't worry about it this time). "I'll give you the best seat in the house," he said.

I unfastened my seat belt and followed him up front. There was an open hatch above the navigator's seat.

"Here, stand up here for a super view," he said, and helped me up.

Up I popped like a jack-in-the-box. And the view was truly great.

ANNE STROME, who wrote this article, is an Iowa Park native who works in the media relations division of Sheppard AFB Public Affairs office. The daughter of Mr. and Mrs. Lloyd Lowe, she is a graduate of Iowa Park High and now resides in Burkburnett.

The two big propellers swirled on each side of me, glistening in the afternoon sunlight. The wind blew my hair into a wild array.

And I hummed a WW II tune as I

walked happily to my car.

Mr. and Mrs. Ken Hines of Fort Worth announce the birth of Jason Kenneth, a seven pound, nine ounce son, born September 24. The new baby has two sisters, Katie and Sally. The grandparents are Mr. and Mrs. Ken Hines of Iowa Park and Mr. and Mrs. Fred Shrader of Hastings, Minn. The great-grandparents are Mrs. Clyde Hines of Vernon, Mrs. Agnes Shrader of Larson, Wis. and Mrs. Anna Mae Ford of New London, Wis.

Dry arrangements program subject

The Iowa Park Garden Club met Friday in the home of Mrs. N.D. Hodson where she showed members how to dry and make arrangements of dried weeds and burrs, many of which she gathered from around her home.

Members answered roll call by giving their favorite season of the year and came dressed in fashion for a tacky party.

Co-hostesses were Mrs. Michael Hodson and Mrs. George Boles. Refreshments were served to 15 members.

Cook of the Week

Mrs. Eules Bradberry's Parmesan Cheese Spread recipe today calls for a tablespoon of chopped chives. The taste of chives has been described as intermediary between onion and garlic, but it has a definite taste all its own and is very popular to flavor soups, omelets, cheese and various kinds of foods.

Mrs. Eules Bradberry

Chive plants supposedly originated in Siberia and one history of foods says that North America probably had them before Europe. The theory that they spread directly across the world into America is supported by the zone occupied by wild chive, also called the garlic rush - Alaska to Maine.

The chive was common in the wild state in both Greece and Italy in the ancient world. Perhaps the ancients did not bother to cultivate it because it was satisfactory wild. The plant is easy to raise. It grows wild in Europe and Asia and is cultivated in most parts of the United States. It grows better if cropped from time to time, which probably accounts for the German name Schnittlauch, the cultivated leek.

Mrs. Bradberry and her husband, operator of a pulling machine for J.W. Birdwell, have been married 37 years and have lived in Kamay 17 years. She worked in the lunch room at Valley View school for several years. Their children are Alice Hunt and Donna Dockery, both of Wichita Falls, Bertha Heidrich of Kamay, Marion Walker and Robert Bradberry, both of Iowa Park.

well. Stir in chocolate chips. Drop from teaspoon two inches apart on an ungreased cookie sheet. Bake at 375 degrees 8 to 10 minutes. Cool on cookie sheet about one minute, then remove to rack to finish cooling. Makes 3 to 3 1/2 dozen cookies.

EASY YEAST ROLLS

1 pkg. yeast
1/4 cup warm water
1 cup lukewarm milk
2 T melted butter
2 T sugar
1/2 t salt
3 cups flour
Dissolve yeast in warm water. Add milk, sugar and salt. Mix in flour until hard dough is formed. Knead on floured board for several minutes. Let rise until double in bulk. Knead again. Shape in rolls of any desired shape. Let rise until double in bulk. Bake in greased pans 20 minutes.

BUTTERMILK PIE

1 cup sugar
1/2 cup Bisquick
1 cup buttermilk
3 eggs, beaten
1 t vanilla
Mix above ingredients well. Bake 30 minutes at 350 degrees. Sprinkle top with nutmeg or cinnamon.

PARMESAN CHEESE SPREAD

3/4 cup whipped Parkay margarine
1/4 cup Kraft grated Parmesan cheese
1 T chopped chives
Combine ingredients and mix well. Serve with baked potatoes, hot vegetables, corn on the cob, hamburgers. Makes approximately 3/4 cup.

CHOCOLATE CHIP COOKIES

1/2 cup butter flavor Crisco
6 T granulated sugar
1/2 t vanilla
1 egg
1 cup plus 1 T unsifted all-purpose flour
1/2 t baking soda
1/2 t salt
1/2 cup chocolate chips
Preheat oven to 375 degrees. Cream together shortening, sugar, vanilla and egg. Sift flour, soda and salt. Stir in creamed mixture, blend

Williamson is elected Center director

Stanley Williamson of Iowa Park was elected to a one-year term on the board of directors of North Texas Easter Seal Rehabilitation Center at the annual September meeting. He also is a member of the Crippled Children's Livestock Auction Committee which holds an annual auction each July to benefit the Rehab Center.

Mike Castles, Wichita Falls businessman, was elected president.

Other officers elected at this meeting, which begins the Center's fiscal year, are: Tom B. Medders Sr.,

chairman of the board; Rudy Miller, first vice president; Ron Longino, second vice president; Jacque Allen, Graham, third vice president; Gene Jordan, treasurer; and James I. Montgomery, secretary.

Other new board members elected to a one-year term are: Jim Staley, Ann Fouts, Ron Buffum, Wichita Falls; Jack Hollis, Electra; and John Moorhouse, Benjamin.

Board members re-elected to serve the remaining two years of a three-year term are: M.E. McBride, Mary Jo Dudley, Joe Sherrill Jr.,

Jordan, Wichita Falls; Gary Ledyard, Archer City; and Lynn Gray, Bowie.

Those elected to a three-year term are: Montgomery, Jake Holmes and Miller.

Those rotating off the board are: Steve Lindemood, Burl Kirkland, A.C. Baker, Paul Irwin, Heather Hamilton, Wichita Falls; James Harvey, Archer City; and Lloyd Knight, Jacksboro.

Wilson Sealing, outgoing president, will remain on the board of directors.

Other board members are: Gene Adams, Seymour; Steve Brown, Dick Yeager, Vernon; Jack Crain, Nocona; James Easter, Burkburnett; Jim McCutchen, Earl Sargent, Wichita Falls. Joe Parker, Byers, is a life member.

A \$759,259 budget was approved for 1983-84 -- an increase over the \$596,754 for the previous year.

The annual report indicated a 44 percent increase in visits over 1982 -- 22,706 compared to 15,809; a 43 percent increase in hours -- 14,619 compared to 10,246 for 1982; a 30 percent increase in patients served -- 755 compared to 579 in 1982. New admissions were a 135 percent increase -- 557 compared to 237, 1982.

Edwards named honor graduate

Airman 1st Class Kevin R. Edwards, son of Kenneth D. and Ruth M. Edwards of 201 E. Jefferson, Iowa Park, has graduated from the U.S. Air Force electronic warfare counter-measures specialist course at Keesler Air Force Base, Miss.

Graduates of the course studied radar detection principles and electronic warning systems, and earned credits toward an associate

degree in applied science through the Community College of the Air Force.

He was an honor graduate of the course.

Edwards is scheduled to serve with the 7th Avionics Maintenance Squadron at Carswell Air Force Base.

His wife, Shelley, is the daughter of Frank D. and Murlene Clifton of 1017 W. Oak, Yukon, Okla.

The airman is a 1978 graduate of Iowa Park High School.

Roberts elected vice president

Kent O. Roberts, son of Mr. and Mrs. Ross Roberts of Route 2, Iowa Park, has been elected freshman class vice president at Abilene Christian Univ.

Roberts is a 1983 graduate of Iowa Park High School where he was president of the National Honor Society, president of the band, and a Student Council representative.

ACU is the fourth largest private university in Texas with a record enrollment this year of 4,627 students.

Aggie Moms to meet

Progress on the membership drive and fund-raising projects will be reported on at 7 p.m. Tuesday when the Aggie Mothers' Club meets at the North Texas Federal Savings and Loan building in Wichita Falls.

Letter to the Editor

What rights do we have as citizens to protect our homes and children? I have had problems with a person, whose age 20 or 21 show him to be an adult, but his actions prove him to be a mere child. He is responsible, in our case alone, for slicing tires, tearing down our mail box, destroying our gate, plowing up our yard by spinning donuts in it with his car, and last but certainly not least, taking my 14 yr. old daughter out through her bedroom window in the middle of the night and leaving with her.

Our law is one in which protects everyone's rights equally. The officers state that they have to witness a violation of the law before they can arrest someone. Which is almost impossible. After doing everything I could do within the law to keep this person away from my home, including having a peace bond put on him, I decided to take care of the problem

myself. I undoubtedly let this person know he was not allowed to come onto my property, this resulted in my arrest although the officer did not witness any violation. I do not consider this equal rights, and if they are not going to be equal which way should they lean, toward the Harasser and Trouble Maker, or to the Father and Homeowner.

Richard Thomas

Just wanted to thank you for the work on the advertisement. It looked great and the response I received from it was overwhelming. Enclosed is payment for the ad and also a check for a subscription. Again Thanks!! Studio KG Karen Gauthier

As I See It....

By BOB HAMILTON

Texas got a black eye on national television Tuesday afternoon.

In case you missed it, NBC's 5:30 p.m. news carried a big deal about what some people call over emphasis on football in our schools.

Some game film from Lewisville was used, along with the band, drill team and big crowd.

Then Ross Perot, the industrialist who is heading up a blueribbon panel on public education in the state, made a statement that really hurt.

He said 600 school districts in the state spend all their local tax money on non-curricular activities.

Let me point out quickly that Perot was only on camera about six or 10 seconds. The quote could have been taken out of context.

But if it were in context, I'd like to see his figures. I do not believe it.

Of course, when you get into accounting procedures, you can do a lot of things. I know very little about accounting, but I do know that much.

Perot's statement would imply that all the tax dollars of those 600 districts were total outlay, cash being paid out and nothing coming in. That's like saying a business does nothing but spend money for products, and doesn't have any

revenue from sales.

There is no secret that Perot doesn't like extra-curricular activities in the school system. Not much, anyway. Some of it I can go along with, but some I can't.

There is a lot about Perot that I admire. He's shown how the American system works, that one can succeed if he works hard, has some imagination, is willing to take a gamble and depends on private enterprise rather than government handout.

But he was wrong in appearing on the program as it was presented. If nothing else, an outsider, viewing the segment could arrive at the point that football and activities related to

football was the only extracurricular activity in Texas public schools.

Texas schools have an excellent, well-rounded extracurricular activities program, most of which are covered in the University Interscholastic League activities. Add to those such organizations as the National Honor Society, various service organizations, skill activities, the list goes on and on.

I can only say that Perot was incorrect, misled, quoted out of context, lied or used accounting procedures to make the statement he did.

And Texans lost a degree of pride in our public schools in the eyes of those outside our state.

Junior high splits games

Junior high football teams split a doubleheader here Tuesday with City View.

The seventh grade won 20-14, but the eighth graders lost 14-8.

Wichita Falls High freshmen had things about their own way Thursday when they defeated Iowa Park 48-12.

The junior high will host McNeil in a re-scheduled game Tuesday, starting at 4 p.m.

Tonight, the freshmen and junior varsity will host Mineral Wells in their first district games. The first contest is to start at 5:30 p.m.

Iowa Park Optimists to observe 10th anniversary

The Iowa Park Optimist Club will commemorate its 10th year at the annual installation and awards banquet to be held at 7:30 p.m. Friday in the Kiva Inn in Wichita Falls.

The banquet will recognize the achievements of the club and individuals for the past year. The governor of the North Texas District of Optimist International, Dan Macklem of Midland, will preside.

A current membership of 43 members makes the Optimist Club the largest service organizations in Iowa Park. It was chartered in 1973 under the tutelage of the Optimist Club of Wichita Falls.

During its 10 years of existence, several members have been active on the district level, having had three members serve as lieutenant governor, one holding the office of district secretary treasurer and others chairing committees at the district level.

The local club has also hosted the first quarter district board meeting held in Iowa Park in 1979 and most recently the third quarter board meeting which included the North Texas District Oratorical contest finals, last May in Wichita Falls which was attended by over 300 Optimists throughout North Texas.

During the years of 78-79 and 79-80 the Iowa Park Club achieved Honor Club status awarded by Optimist International. Other awards received

by the club are North Texas District winner of the Community Projects award competition for the past two years. Winning this award at the district level permits the project to be forwarded to Optimist International in St. Louis, Mo. where the local club has placed in the top three during these past two years.

Projects served by the Iowa Park Optimist Club include: Bicycle Safety Week, Oratorical Contest, Youth

Appreciation Week, Youth Soccer Little League Baseball, Girls Softball, Boy Scouts, Girl Scouts, FFA Project, VICA Program, Junior World Golf, Respect for Law, Bloodmobile and support of Senior Citizens for which the club has performed tasks from carrying trash to assisting with roofing houses.

Support of these varied projects is funded through the annual sale of Christmas trees conducted by the

club during the three weeks prior to Christmas. The club will donate over \$2,000 in scholarships to the top five finalists of the Miss Wichita County Pageant which was held in Iowa Park in February. These scholarships were made possible through numerous donations of individuals and businesses throughout the county.

This year is the first time the local organization will reach the coveted Distinguished Club status. It is

currently leading in the competition for the number one club award in all of the North Texas District, which boasts 100 clubs, some of which have in excess of 200 members.

The Iowa Park Optimist club is dedicated to youth activities and community service. Worthy projects are always accepted by the organization. Members meet on Tuesday evenings at 7 at the Iowa Park Recreational Activities Center.

Adult education instructor sought

The adult education division of Region Nine Education Service Center plans to open an adult education class in Iowa Park, but first an instructor must be found.

Requirements include a bachelor's degree and an interest in being an instructor. Candidates can contact Adult Education, Region Nine Education Service Center, 301 Loop 11, Wichita Falls, 76305, or call 322-6928.

Once organized, the class will offer instruction in basic math, writing, social studies and science skills. The studies will help prepare adults who are at least 17 years of age, out of school, and wanting to take the GED test.

Those passing the GED test receive a high school equivalency certificate.

ABOUT TOWN

The Iowa Park Hawk Band Boosters will meet at 7:30 p.m. Tuesday in the high school band hall.

TOP 'O TEXAS FOOTBALL

MIDGET HAWKS 48 HOLLIDAY 14

Hawk backs Mark Cruz and Vance Edwards led the attack on the visiting Eagles, each scoring two touchdowns. Bryan Pyle and Jimmy Nicholson each added touchdown runs of their own as the Hawk squad received praise from team coaches.

For Holliday, the Eagle quarterback scored both touchdowns, with one of two conversion attempts good.

Defensive standouts listed were Jim Bellows, Jay Loggins, Pyle, Cruz and Edwards. Both Cruz and Edwards intercepted an Eagle aerial.

The Midget Hawks will face Quannah next.

PEEWEE HAWKS 32 HOLLIDAY 0

Robert Denton ran for touchdowns in each quarter as the Hawk defense stifled the Eagles, winning 32-0.

Iowa Park's defensive unit did not allow a first down in the entire game, and received praise from the team's coaches.

Denton scored on runs of 37, 44, 35 and five-yards, and Iowa Park made each conversion attempt to notch the victory.

PPG offers scholarship

Joel M. Ellett, plant manager and Foundation agent for PPG Industries in Wichita Falls, has announced plans for the 1985 community scholarship program.

"The Foundation's four-year scholarship is valued up to \$8,000," Ellett said. "The winner will receive a stipend ranging from \$500 to \$2,000 annually, depending on the student's financial need and educational costs of the college."

Juniors attending Rider, Hirschi, Wichita Falls, Burkburnett, Iowa Park, and Notre Dame high schools, as well as children of employees of the PPG Wichita Falls plant, regardless of which secondary school they attend, are eligible to compete for the scholarship.

The scholarship will be granted to a student planning to attend a four-year college or university full-time in the United States.

Junior class students who will graduate in 1985 must take the combined Preliminary scholastic Aptitude Test-National Merit Schol-

arship Qualifying test (PSAT-NMSQT) on Oct. 18 or 22 to be eligible for the Foundation scholarship. The PSAT/NMSQT is used to help select candidates for further consideration.

Foundation scholarship brochures and application forms for 1985 have been distributed to area high schools. Juniors can obtain them by contacting their high school principals, or by writing to the Foundation scholarship representative at the Wichita Falls plant.

Students competing for the scholarship must mail their applications to the Foundation representative at the PPG plant by Dec. 15.

Steers for county show must receive validation

Wichita County Junior Livestock Show Beef Superintendent Frank Morton has set 8 a.m. Saturday as a date for validation of steers intended to be shown at the Wichita County Junior Livestock Show.

The validation will take place at the number three 4-H Barn located at 1626 Midwestern Parkway in Wichita Falls. All Wichita County 4-H and FFA members intending to show a steer at the county show must validate their steers.

The validation will include the weighing and registration of the steers. For steers without a state validation ear tag, a new ear tag will be used, and will be a source of

identification for the steers at the county show.

Steers which have already been validated with the state ear tag must still attend this validation for the county show.

Immediately following the validation there will be a showmanship session for all 4-H and FFA members interested in practicing showing their steers. This will be a practice-type show which will be based strictly on the ability of the youth to show his or her calf.

It will not be necessary for any fitting of calves for this show. The show is intended to give the youth opportunity to improve for upcoming shows.

IRS Tax Tips

UNDERSTANDING TAXES PROGRAM OFFERED

High school teachers and administrators across the country are again being offered the opportunity by the Internal Revenue Service to teach their students how the nation's tax system works and an overview of the U.S. budgetary system.

Study guides, teacher's manuals, and films are supplied by the IRS to schools participating in the program. School personnel interested in presenting an Understanding Taxes program should contact the IRS.

CARD OF THANKS

Our heartfelt thanks to our Wichita Valley Farm friends and neighbors for the flowers, cards, food, visits and prayers at the time my beloved husband went to his Heavenly home.

Obituaries

Bettye White

Services for Bettye White, 50, were held Wednesday afternoon at Tanner-Aulds Funeral Home with Rev. Howell Farnsworth, pastor of First Baptist Church, officiating. Burial was in Highland Cemetery.

Born Nov. 12, 1932, in Picayune, Miss., Mrs. White had lived in Iowa Park since 1979. She and Lynden Dale White married Nov. 12, 1976, in Abilene. She was a member of the Baptist Church.

Survivors include her husband; a daughter, Pam Lee of Green Bay, Ala.; two sons, Richard Maher of Bitburg, West Germany, and Jim Maher of Picayune; three stepdaughters, Vivian Tomison and Judy Franke, both of Baird, and Brenda Hollis of Anchorage, Alaska; a stepson, Dale White of Baird; a sister, Bobbie Landrum of Goldwaithe; a brother, Jack Lloyd of Mustang, Okla.; and five grandchildren.

Burial was in the Holliday Cemetery under direction of Hampton-Vaughan Funeral Home.

He was born Dec. 24, 1893, in Montague County. He was a retired farmer and rancher. He married Susie Dill in 1916 in Montague County. He retired in 1962 from farming and ranching in the Bowman Community and moved to Holliday in 1962.

Survivors include his wife, Susie; a daughter, Melba Thompson of Holliday; four sons, Dillard of Elmore City, Okla., Joe, C.D. "Chick" and Jack, all of Holliday; a brother, Claude of Wichita Falls; 13 grandchildren; 14 great-grandchildren; and four great-great-grandchildren.

Frank Pierce

Funeral services for Frank Pierce of Paris were held Sept. 20 at Bright-Holland Funeral Home with Dr. James Semple officiating. Burial was in the Evergreen Cemetery. He was born April 12, 1901 in Beardstown.

He is survived by a daughter Louise (Mrs. C.O.) Dodd of Iowa Park; two sons, Carl Pierce and Don Pierce, both of Paris; two sisters, Winnie Gordon and Lara Mae Treadway of Roscoe; six grandchildren and three great-grandchildren.

John O. Ayres

Services for John O. Ayres, 89, who died Sunday at his home in Holliday, were Tuesday at the First Baptist Church with Rev. Mike Gresham, pastor, and Rev. Darius McKay, pastor of the Trinity Baptist Church in Wichita Falls, officiating.

Eastern Star hosts Friendship Dinner

The Iowa Park Chapter, Order of the Eastern Star, held its annual friendship meeting Tuesday at the Masonic Hall. Dinner was served to 65 members and guests.

During the slated meeting

following the dinner, distinguished guests, all from the Grand Chapter of Texas, were recognized. They included Mrs. Elsie Jo Daggett of Wichita Falls, member of the time and talent committee; Mrs. Wanda

Brown of Electra, member of the chapter caring committee; Mrs. Verna Lou Meador of Decatur, member of membership restoration committee; and Mrs. Rachel Taylor of Vernon, member of Founders Day committee.

Others guests were present from Wichita Falls Chapter No. 237, Faith Chapter No. 713, J.A. Kemp Chapter No. 970, all from Wichita Falls. Other chapters represented were from Vernon, Electra, Henrietta, Decatur, and Haltom City, Ft. Worth.

Announcement was made of the School of Instruction which will be held for Dist. 2, Section 6 in Nov. at the Faith Chapter in Wichita Falls. Conferring degrees of the order will be held Oct. 25 and the deputy grand matron will make her official visit Nov. 22.

People's Choice Art Show slated with Whoop-T-Do

The Arts and Crafts Association made final plans during a meeting held Tuesday evening for the People's Choice Art Show which will be held Oct. 22 in connection with Whoop-T-Do activities. The show will be held in the Lion's Club building, 102 W. Cash between 8:30 a.m. and 3:30 p.m.

The entry fees agreed upon were \$3 for five items in any category, and all extra items \$1 each.

Cash awards will be given for the People's Choice in the following categories: oil painting, needlework, decorating crafts, ceramics, miscellaneous items, visual arts media, water color, acrylics and pastels, porcelain and china painting, and Christmas decorating items.

Each of the above categories will be divided into subdivisions and ribbons will be awarded after the judging. Cash prizes will be given for first place ribbons. Entry time will be between 8 and 9 a.m. and pick up time

will be 3 p.m., according to Mrs. F.E. Schmidt, president.

Following the business, Mrs. Earle Denny gave a program on bread dough art and distributed recipes for the dough.

Mrs. Owens leads study

Mrs. Don Owens introduced the concluding study of the letters to the Hebrews with an impressive meditation "Abide With Me" at the Tuesday morning meeting of United Methodist Women.

The study was completed with a review of the last two chapters of Hebrews, and Mrs. Owens stressed that through the study, the author has shown that the conversion of suffering into discipline helps to produce peace and righteousness. She explained that the theme of enduring the cross and despising the shame led the writer to speak of converting suffering into discipline.

"The sacrifice Jesus made for our sins is the model for Christians; we must go outside the safety of the camp to bear abuse for him," Mrs. Owens said. Continuing, she observed that Christians can help the world become a better place by reaching out to the cultures which are viewed as the "trash heaps" of society.

Mrs. Owens asked "Will we remain in the camp or go outside the camp to release new movements of God?" Then she remarked that it will not matter how Christians approach difficult situations they will be criticized but having Jesus as a companion makes the journey worth the sacrifice.

Twenty-two members attended the meeting.

Fri., Sept. 30 - Corn dogs, meat or cheese sandwich, soup, macaroni & cheese, blackeyed peas, fruit, chocolate & plain milk, cookies.

Mon., Oct. 3 - Salisbury steak, meat or cheese sandwich, soup, mashed potatoes & gravy, green beans, hot rolls & butter, chocolate & plain milk, peanut butter fingers.

Tues., Oct. 4 - Pizza, meat or cheese sandwich, soup, combination salad, buttered corn, chocolate & plain milk, pudding.

Wed., Oct. 5 - Cheeseburgers, meat or cheese sandwich, soup, lettuce, tomatoes, pickles, onions, French fries, pinto beans, chocolate & plain milk, ice cream bars.

Thurs., Oct. 6 - Italian spaghetti, meat or cheese sandwich, soup, combination salad, green beans, garlic toast, chocolate & plain milk, Lemon Sunshine Pudding.

Free car wash slated Oct. 8

The Iowa Park High School Student Council will hold a free car wash Oct. 8 from 10 a.m. to 4 p.m. at McKinley's Car Wash across from Sonic.

Members of the Student Council will be signing up sponsors to give a certain amount of money per car. People who desire to sponsor the car wash may call Lee Birk at 592-4834 or Susan Streich at 592-5496.

Proceeds from the fund raiser will be used for such events as homecoming weekend and scholarship funds. Tim Kaspar is sponsor of the Student Council.

SPECIALS GOOD FOR BOTH IOWA PARK AND HOLIDAY ALLSUP'S CONVENIENCE STORES.

Director election slated for Conservation District

An election to elect a director for Zone 5 of Wichita Soil and Water Conservation District will be held Tuesday in conjunction with the Wichita County Young Farmers meeting.

The meeting is to begin at 7:30 p.m. in Iowa Park High School Vocational Agriculture Building, according to Fred Dwyer, board chairman.

Texas law for voting eligibility in a conservation district's election is: must own agricultural land within the subdivision where the election is being held, live in the country and be at least 18 years of age.

The same requirements apply for director candidates, with the addition of being actively engaged in farming or ranching.

Zone 5 includes an area from a line beginning in Iowa Park on Highway

287, southeast to its intersection with Wichita River, east along the river to intersection of East county line, west along south county line to intersection of Highway 368, north on 368 to intersection with 367, east along 368 two miles, north one mile to end of 368, and north of county road through Iowa Park to intersection with 287.

Current members of the board are Dwyer, Bill Brockriede, Roy D. Thompson, Rex Wells and Barry Mahler.

Phone science demonstrated

Southwestern Bell science demonstrator, Bill Haehnel, using his interactive laser videodisc unit, took the Evening Lions, their wives and Iowa Park Lionesses through the "Gateway of Information Age" Tuesday. He was introduced by Dan Adams, Southwestern Bell's manager.

The program spotlighted the wide range of telephone service options for the future.

The 25-minute science demonstration revealed how the telephone network is an integral part of the Information Age, and how almost every day people discover new applications for the network that make their lives or jobs a little bit easier and more efficient. The laser videodisc unit showed many of these applications. People in real life situations were shown shopping by phone, conducting business meetings by television and working at home instead of in crowded offices.

Other innovations demonstrated in the program were widely available mobile phones, light guide fibers that speak the language of computers and television that lets people talk back.

Dinner music was provided by Mrs. Otis Gay, pianist, and Mrs. Johnny Cole, vocalist.

Senior students are qualified

The Iowa Park High School Cosmetology Department is now open for business, according to Mrs. Valer Mae Jones, instructor.

She stated that the students in the senior class were qualified to demonstrate their expertise in the latest trends of hair design, permanent waves, hot oil manicures, and skin care.

All work is supervised by Mrs. Jones. Persons can call the cosmetology department for an appointment.

Child rearing topic

Gayle Cleghorn presented a program on "Child Rearing" for the Alpha Epsilon Omicron chapter of Beta Sigma Phi in a meeting held Monday evening in the home of Mrs. James Owens.

During the business session, plans were discussed for a rush hobo party Monday at Texas Electric Reddy Room.

4-H CLUB NEWS

Officers of the Iowa Park 4-H Club were elected Monday night at the first meeting of the year.

The new slate of officers is headed by Derik Davis, president. Serving with him will be Karie Davis, vice-president; Dawn Tanner, secretary; Jeff Boyd, treasurer; Will McCarthy, reporter; Doug Smith, council delegate. Mrs. Pam Boyd is the new leader of the organization.

A committee composed of Mary Reitz, Donna Tanner, Margaret Henderson, Pam Boyd and Denny McCarthy was named to be in charge of the club's Whoop-T-Do project.

The 4-H banquet will be held Oct. 8, and the club will meet each fourth Monday at the ASCS building during the year.

sion Service, Texas A&M University System.

Wichita County 4-H'ers are joining in on the 75th Birthday celebration. Some county wide 4-H activities include: a booth at Sikes Senter Mall on Oct. 4 and 6, radio promotions of 4-H, an historical exhibit at the fair Oct. 11-15, a special presentation to the county commissioners Oct. 3 and a special celebration at the 4-H Achievement Banquet Oct. 8. Local clubs will be participating in their own 4-H 75th Anniversary events throughout the month.

"4-H: Building on Experience" highlights the educational projects which help young people gain practical skills, develop good nutrition and health habits, explore career opportunities, generate leadership capabilities, and become involved as citizens in their local communities, the state and the nation.

The 4-H program is built on experiences of an impressive past, points out Cheryl Mapston. By providing useful knowledge to help youths develop as leaders of tomorrow, 4-H has enabled many young people to gain insights and experiences in careers they would enjoy. 4-H has also contributed to international understanding through exchange programs with countries around the world.

Youths from all backgrounds and walks of life can enjoy the unique learning experiences that 4-H has to offer, says Mrs. Mapston. Through their 4-H experiences, these young people can play an important part in a more satisfying and rewarding future for all Americans.

4-H: BUILDING ON EXPERIENCE

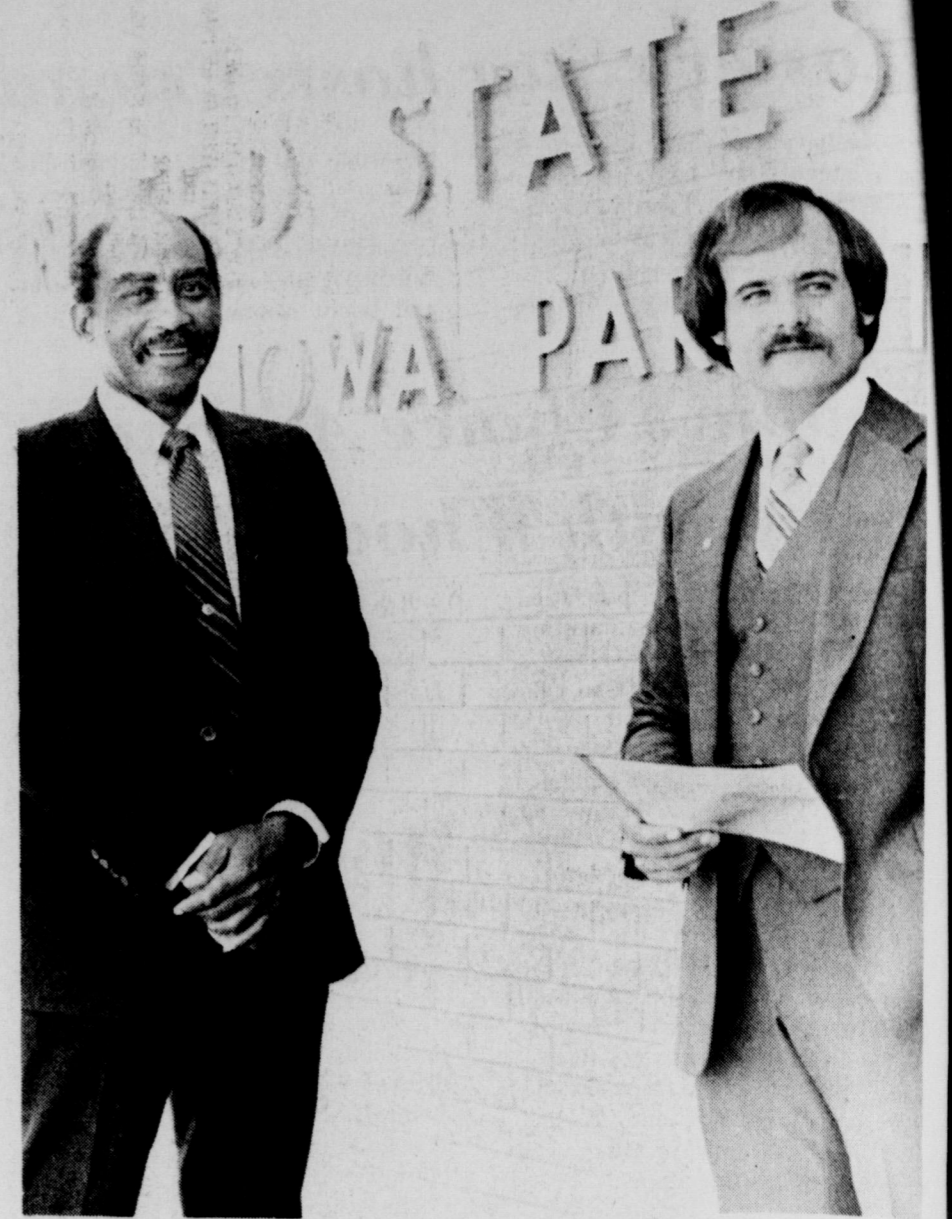

"4-H: Building on Experience" is the yearlong theme of the 4-H program in Texas and across the nation, and that theme received emphasis during National 4-H Week, Oct. 2-8.

A number of local activities and programs are being planned to support the 4-H theme, says Cheryl Mapston, County Extension Agent, with the Texas Agricultural Extension Service.

Brownie Troop to meet Friday

Girl Scout Brownie Troop 32, composed of third graders, will begin meeting on Fridays at the First Baptist Church.

First meeting of the year will be held from 3:30 to 5 p.m. tomorrow, according to leaders Dee Decker and Linda Rinehart.

SWORN IN - Ken Turman, Iowa Park's new postmaster since August, was officially sworn in last Thursday afternoon by W.H. Hathman, sectional center manager of the Fort Worth Sectional Center. Turman, 30, has over 12 years experience with the postal service. He and his wife, LaVelle, have three children. He came to Iowa Park from Paris, where he served as delivery supervisor. Hathman told the crowd, "Turman was undoubtedly the best applicant I found among 90 applicants for this position."

Happy Birthday

INTRODUCING

Shattuck Farms Alfalfa Cubes

For Horses & Cattle.

Shattuck Farms Alfalfa is high in protein, carotene and minerals, and offers a feed that is easily-handled and easy to store. The alfalfa cubes are easy for horses and cattle to eat, require less labor, and eliminate waste, resulting in savings of 15-20% over baled hay.

TRU-TEST PAINTS PAINTING HELP SPOKEN HERE. Dear Bonnie: My new apartment has no dining room, only a dining-L. It shares a window wall and carpeting with the living room. Can you tell me how I can make it look more like a separate room? Hopeful: Dear Hopeful: Your dining-L can be treated separately but it must be compatible with the living room too. Choose one of the Tru-Test accent colors from the living room to paint on the dining-L wall that faces the living room. Or, to give the L more depth, select a scenic wallcovering that has a deep perspective that draws the eye into a vista beyond the room. To gain the maximum amount of size and space install a wall-to-wall mirror. It will double the space. To define the area even further, lay a patterned area rug under the table and chairs.

LOBSTER BAKE

The New England Lobster has migrated to Texas. Well, at least quite a few reluctant red crustaceans will be here Saturday, Oct. 8, when Sheppard Regional Hospital's fourth annual Lobster Bake kicks off the Combined Federal Campaign fund-raising season.

The New England style Lobster Bake begins soon after the tasty delicacies are flown in to Sheppard, live from the east coast. They, along with yams, corn on the cob, onions, beans, wieners, and eggs, will adorn the plates of seafood lovers. Beer and soda will also be available.

Site for this year's bake is the south picnic area near chapel 2. There will be two sittings, one at 1 p.m. and the other at 3 p.m.

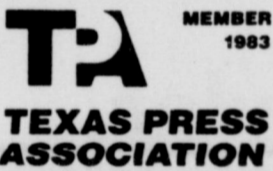

The event is open to the public. The price is \$12.50 per person. For ticket information, call 851-2010, 851-2698, 851-6718 or 851-2838.

Five area students
pledge sororities

Of the 49 students who pledged four sororities at Midwestern State Univ. during fall rush, five are from this area.

Four sororities comprise the MSU Panhellenic Council, with the organizations assuming a number of service projects in addition to social activities. The sororities are Alpha Phi, Chi Omega, Gamma Phi Beta and Sigma Kappa.

Area students, their parents and sororities pledged, include: Kara Johnson, Mr. and Mrs. Charlie Sells, and Lisa Mote, Mr. and Mrs. J.P. Conkling, Alpha Phi; Danielle DuBoise, Mr. and Mrs. Daniel DuBoise, Chi Omega; Alisa Cain, Mr. and Mrs. John Cain, and Gina Duncan, Mr. and Mrs. Tom Duncan, Gamma Phi Beta.

Lioness Club hears speech

Jay Yeakley, an Iowa Park High School junior student, who attended the Americanism Seminar at Angelo State Univ., during the summer, gave an Americanism speech for the first meeting of the Iowa Park Lioness Club Thursday evening.

He sought to show the importance of righteousness in the survival of a

Sonya Herrell
is recognized

Sonya Herrell, granddaughter of Mrs. Billie Herrell, has been selected by the Iowa Park Opti-Mrs. Club as the Iowa Park High School Student-of-the-Month for September.

An eight-year member of the band, she is squad leader and reporter this year. She is also reporter of the A Cappella Choir where she is a three-year member. She has belonged to National Honor Society, Chamber Singers and California Junior Scholastic Federation for two years.

The awards that she has received in school include All-American Student in Junior High in California in 1980; "A" honor roll two years; "AA" honor roll one year and perfect attendance record one year.

She is a member of First Christian Church. She worked as a nurses aide at the Heritage Manor during the summer. Her hobbies are photography, collecting stamps, softball and swimming.

In thinking about the future, Sonya would like to attend Midwestern State Univ. and major in science or photography to become a computer programmer or free lance photographer.

nation and introduced his speech with a scriptural passage "Righteousness exalteth a nation."

"Our forefathers came to this land with a pick in one hand and a Bible in the other; the pick symbolizing their willingness to work and the Bible symbolizing their faith and trust in God," he stated. Continuing he said that they believed in righteousness so much that they founded America upon it, they conquered the wilderness and defeated the number one military force at that time - Britain.

Yeakley reminded his listeners how in 1831 Alexis de Tocheville looked in America's schools, businesses and government trying to find the greatness of America but he did not find it there. Looking into her churches, he declared that "America is great because America is good."

He closed with a thought-provoking question, "Is America exalted today because she is a righteous nation?"

Mrs. W.E. Karstetter gave a devotion on "Love Has No Restrictions" to precede the business meeting conducted by Mrs. L.A. Thurlo. During that time, it was voted to sponsor a homemade cakes and pies booth at the Whoop-T-Do and enter a car in the homecoming parade.

Homemade ice cream and cakes were served during the social hour when husbands of members were special guests.

Eagles rout Bearcats, 34-13

Two important things were made clear to Eagle fans Friday night in Henrietta.

ONE: Fullback/linebacker Jay "Bucks" Burks was once again in the starting lineup after suffering an appendicitis attack which kept him out of two important district games. He responded with two touchdown

runs and a number of hard, solo tackles issued to Bearcat runners.

TWO: Quarterback Pat O'Brien awoke Friday morning with a passing arm, and it stayed with him throughout the game that night. He completed five of eight attempts, including three for touchdowns.

The net result, much of Holliday's

delight, was a 34-13 drubbing of the Bearcats to go 1-2 in District 11-AA play.

The Eagles opened the game with a scoring drive following the kickoff, capped by O'Brien's seven-yard scoring pass to Les Dolberry. Kelly Carver, substitute-kicking for an injured Kurt Lilley, nailed the point after attempt to give the Eagles a 7-0 advantage, with 7:02 remaining in the first period.

The Bearcats mounted an impressive drive on the ensuing kickoff, driving 78 yards for the score capped by Greg Polk's 24-yard run. A pass for 38 yards and a 15-yard roughing penalty called against Holliday set up the scoring run. With four minutes left in the first quarter, the score was tied 7-7.

Holliday set up shop following the kickoff at its 40, and the Big Red controlled the ball on the ground to go 60 yards for the score. Eagle backs Danny Hinsley, Tom Hamill, Don Hobgood and Burks each had a part in the drive, which ate up almost eight minutes on the clock. Burks took it over from the three, and Carver's kick gave the Eagles a 14-7 advantage.

Henrietta let the ensuing kickoff bounce out of the endzone, and set up shop at its 20. Three plays failed to produce a first down, and a 27 yard punt and five-yard penalty called on the Bearcats gave Holliday possession at the Eagle 47.

Nine plays later, Hamill scored from seven yards out with less than a minute remaining in the first half. Carver's kick froze the scoreboard at 21-7 going into halftime.

O'Brien threw his second touchdown toss, this one for nine yards to Jim Rogers, following the recovery of a Bearcat fumble at the Henrietta 19 on the second play of the second half. Carver's kick was off, but Holliday maintained a 27-7 lead.

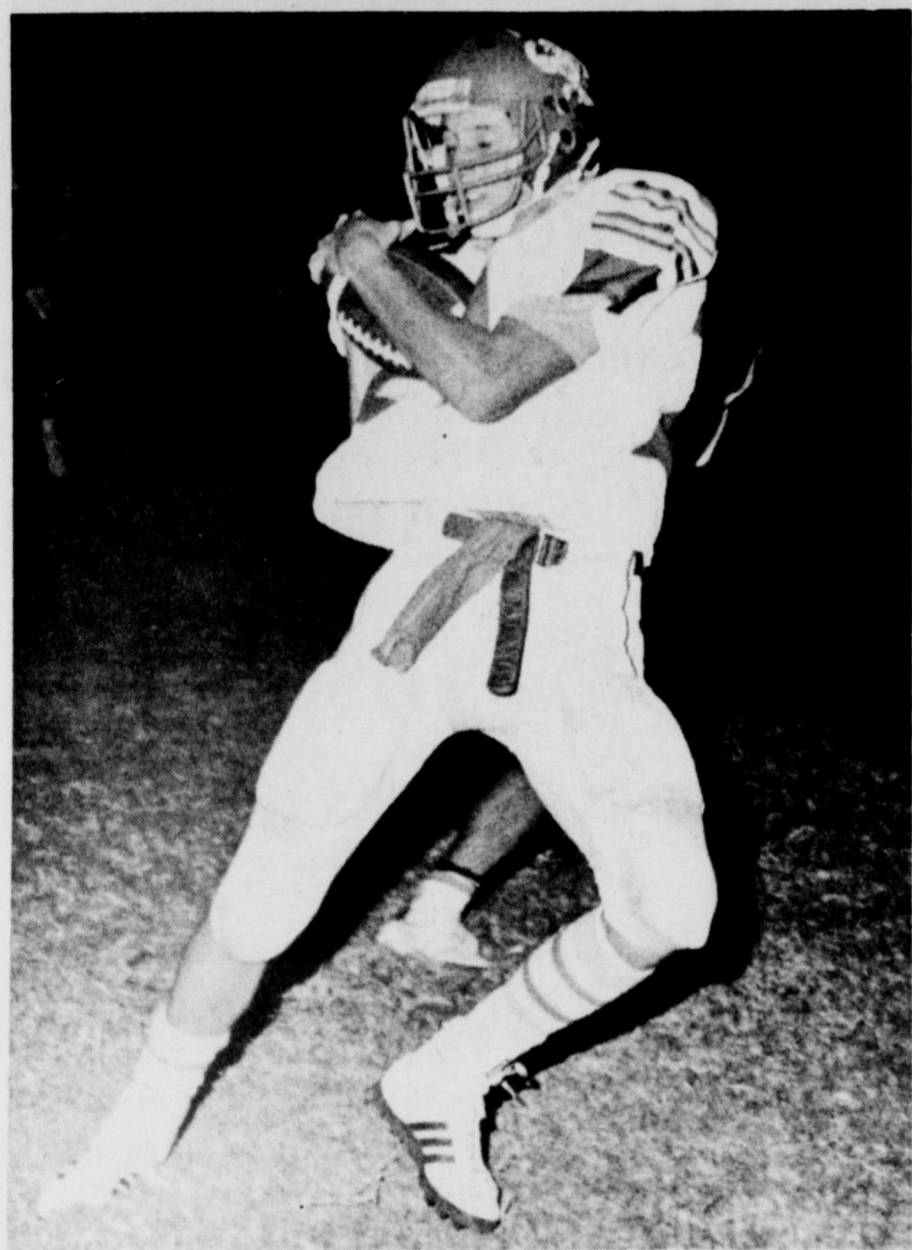

On the Big Red's next possession, O'Brien connected with Dolberry

once again for a 35-yard scoring toss, capping a five-play, 67-yard drive. Carver's kick gave the visiting Eagles a 34-7 lead with seven minutes left in the third period.

Henrietta tried to get back into the

game, but Holliday's defense wouldn't allow it. Finally, with five minutes left in the game, Bearcat Jerry Lee threw a screen pass to Roger Whatley, who proceeded 70 yards for a Henrietta touchdown. The try for a two-point conversion failed.

Pumping 80 barrels of crude per day, the No. 32 Hammon has been completed as a new producer in the Wichita Regular Field, six miles southwest of Iowa Park. S&J Operating Co. of Wichita Falls is the operator.

The well went to total depth of 1,478 feet. It will produce from a set of perforations 1,429 to 1,435 feet into the wellbore.

The operation is in a 499 acre lease in the ETRR Survey, Wichita County.

A new producer has been brought on line in the Wichita Regular Field by Claude McElroy, independent operator from Electra.

Designated as the No. 2 Williamson, the well showed it can make 16 barrels of crude daily, pumping on an open choke.

McElroy took the hole to an even 2,990 feet. It will produce from perforations 1,917 to 1,963 feet into the wellbore. Drillsite was in an 89 acre drilling unit in the Waggoner Col. Subdiv., eight miles northeast of Electra.

T&T Drilling of Electra has filed for permit to drill the No. 7 Roller in the Wichita Regular Field four miles south of Iowa Park. It is slated to bottom at 2,900 feet. Drillsite will be in a 370-acre lease, R.J. Scott Survey A-256. The well is 450 feet from the east line and 159 feet from the south line of the lease and 2,440 feet from the west line and 4,277 feet from the south line of the survey.

Operating out of Randlett, Okla., Green Producers has staked location for the No. 1 Foster Trust in the Wichita Regular Field, 15 miles west of Burkburnett. The well carries permit for 2,000 ft. total depth. It is in an 89 acre unit in the B.F. Blount Survey A-599. The well is 192 feet from the south line and 1,420 feet from the west line of the lease and survey.

A pumping oiler has been completed six miles southwest of Iowa Park in the Wichita Regular Field, with S&J Operating Co. of Wichita Falls as the operator.

It will be known as the No. 63 Fassett Tuttle "CB."

On open choke, it pumped seven barrels of oil daily from a set of perforations 1,405 to 1,411 feet into the wellbore. The well is in a 693 acre lease block in the Col. Tap RR Survey, Wichita County.

Total drilling depth was 1,446 feet.

A pair of 1,900-ft. developmental wells are scheduled in the Wichita Regular Field, five miles northwest of Burkburnett. Landrum Operating Inc. is the operator. The wells will be known as the No. 6 and No. 7 Williamson "B." They are in a 94-acre lease in the E. Stanley Survey.

Drillsite for No. 6 is 690 feet from the west line and 1,000 feet from the south line of the lease and 2,490 feet from the west line and 2,800 feet from the south line of the survey.

Drillsite for No. 7 is 1,050 feet from the west line and 1,000 feet from the south line of the lease and 2,850 feet from the west line and 2,890 feet from the south line of the survey.

Six 2,000 ft. developmental wells are scheduled to be drilled in the Wichita Regular Field by H.L. Gage, independent operator from Wichita Falls.

The wells will be known as the Nos. 11 through 16 Denny. They are situated in a 74-acre lease in the H. Balch Survey, about 19 miles southwest of Iowa Park.

Carl Catlin of Iowa Park has completed the No. 10 Birk in the Wichita Regular Field three miles south of Iowa Park. The well pumped 16 barrels of oil and a small volume of gas per day on open choke.

The location is in a 25-acre lease in Block 22 of the Douthitt Survey A-59. The well was drilled to 784 ft. bottom and will produce from perforations 690 to 702 feet into the wellbore.

S.M. Ferguson Jr. Inc. of Wichita Falls has plugged and abandoned an unsuccessful Hardeman County wildcat venture five miles south of Chillicothe. Designated as the No. 1 J.R. Barnfield, the well was spudded July 14 and bottomed dry at 8,399 ft. TD in a lease in the H&TCRR Survey Sec. 74 Blk. 16. The location was 1990 feet from the north line and 660 feet from the east line of the lease and survey.
