**TREMENDOUS IMPACT OF HEAVIER VAN BURIED IT INTO SMALLER PINTO**  
... workers tend to victims in car while waiting for Jaws of Life to be used.

# Monday accident takes three lives

Tragedy struck about three miles east of Iowa Park on the old highway Monday afternoon when two vehicles collided.

Three persons died in the incident: Peggy Jean Bridges, 27, her four-year-old son, Dennis, and a fetus she had been carrying some eight months.

Funeral arrangements were being made yesterday afternoon at Hampton Vaughan Funeral Home, where the bodies were taken after being released from Wichita Falls hospitals.

Mrs. Bridges' address was given as 3919 Peggy in Wichita Falls.

Highway Patrolman Ronnie Miller investigated the accident.

According to Miller, Mrs. Bridges was traveling west on the four-lane divided old highway about 3:30 p.m. After passing Rifle Range Road, her small Pinto swerved across the median for some unexplained reason. Skid marks indicated she was apparently attempting to return from the east lane to the west lane.

But at the same time, Sammie Henderson, 44, of Iowa Park was traveling east and had just topped the hill and his Chevrolet van crashed headon into the full left side of the Pinto.

The collision was said to be unavoidable on Henderson's part, because of the short distance (approximately 180 feet) he would have vision down the slope.

Emergency Medical Technicians of the Iowa Park Volunteer Fire Department were summoned and were some of the first on the scene. It took almost 20 minutes, even using the Jaws of Life, to pry the two vehicles apart so Mrs. Bridges could be extracted from the wreckage where she was pinned.

Young Dennis was taken from the floorboard and was seen to move his eyes, arms and head, but made no noise other than a groan. He was attended by an unidentified nurse while workers were extracting his mother.

Technicians and members of a Plumlee Ambulance administered CPR to both victims while awaiting a second ambulance to arrive. One victim was taken to Wichita General Hospital and the other to Bethania Hospital. Each was pronounced dead upon arrival.

Early arrivals at the scene said they could not detect any signs of life in Mrs. Bridges, indicating she was apparently killed at impact.

Henderson was transported by his wife, who was returning to her home

from Wichita Falls and saw him about to get into another private vehicle.

He had suffered massive bruising to his chest and stomach and lacerations on the knuckles of both hands and was released after treatment.

A spokesman for Hampton Vaughan said late yesterday the services would likely be held Friday, but at the time he had been unable to contact a chaplain at Sheppard AFB, where the family wanted to hold the services.

Mrs. Bridges was born Mar. 9, 1956, in Greenville, S. Carolina. She was unemployed, a member of the Baptist Church, and had lived the past year in Wichita Falls after moving there from Greenville.

Survivors include her husband, Dennis, of Greenville; a son, Shane Eugene Henry of Greenville; parents, Mr. and Mrs. Smoky Dunlap of Wichita Falls and Floyd Brooks of Greenville; three sisters, Deborah Jean Powell and Jackie Ellen Allen, both of Greenville, and Karen Robinson of Wichita Falls; and two brothers, Johnny Brooks of Charleston, S.C., and Jerry Dunlap of Wichita Falls.

Young Dennis was born May 23, 1979 in Greenville.

Vol. 15, No. 5 IOWA PARK, WICHITA COUNTY, TEXAS 76367 THURSDAY, OCTOBER 13, 1983

## Council appears ready to deannex property

Mrs. Paul Miller is apparently going to get her four-year-old wish: deannexation of her property from the city limits.

Mrs. Miller, meeting with the city council Monday night for the third or fourth time since being a resident of the city, said she was no longer asking for water service, only to be deannexed from the city.

A public hearing will be held in November on the proposal, which is required by state charter for deannexation.

Alderman Bud Thompson said he realized it would be cost prohibitive (approximately \$1,600) to the city to extend water to the Miller home and moved that the "gears be put into motion" for deannexation.

Mrs. Miller's home is in the extreme northeast corner of Iowa Park, in an area known as Bogan Acres. A long-standing problem has existed since the owners, formerly Parker Square Savings, started selling off tracts of land without meeting city requirements of platting and development of utilities in the area.

Caught in the middle, Mrs. Miller has often pleaded for water to her home. She said she would get water from Wichita Valley Water Supply Corp., which refuses to serve her while in the city limits.

In the past, she has refused to pay for extension of water to her property from the city's line which is at Bell

Road. The city has contended it had fulfilled its obligation by taking the water to the Bogan Acres property line, which is still several hundred feet from her property line.

Another home presently under construction in the area is owned by Mitch Miller. He put his own one-inch line in from his home to Bell.

In other business, aldermen approved requests to advertise for bids to purchase a communitator for the sewer treatment plant, construction of a fire department substation, purchase of a police patrol car and coverage of workers compensation insurance.

The latter insurance coverage was put out for bids after a lengthy

discussion with representatives of two firms, each offering basically the same coverage. A complex situation, aldermen felt they would follow the city attorney's recommendation and award the bid after advertising.

During the administrator's report, when James Barrington told of developer Rip Smith's request for affluent from the sewer plant which would be used on a golf course he is planning in the northwest section of town.

Recognizing there could be some problems, council members said they wanted to encourage continued study of the project and hope that whatever problems might arise could be overcome.

## School may hire drug-sniffing dog

Iowa Park school trustees Tuesday night gave the green light to initiate a drug-sniffing dog program on local campuses.

Supt. Harold Cowley told trustees "There is not a major problem, but we do have some (drugs)."

Trustees last year approved a school policy which set up procedures for bringing in drug-sniffing dogs, but at that time they decided not to go farther than establishing the policy.

At Tuesday's meeting, they

decided to allow administrative personnel to go through the preliminary procedures of public relations for the dog program, but did not go far enough to hire dogs and handlers on a regular basis.

The preliminary procedure includes assemblies on campuses, at which the program is explained fully to students and dogs with handlers are demonstrated.

Cowley said he would probably have some handlers with their dogs to

**NATURAL GAS SPRAY** - City workers late Wednesday of last week were digging to repair a water line leak when a Lone Star Gas pipeline was broken. Employees, at the direction of local utility manager Bud Burch continued digging to expose both lines so both could be sealed. The pressure of the natural gas combined with water from the

city main made a mist that carried throughout the housing nearby. The incident took place in the alley between the 400 blocks of West Texas and Aldine. Burch said the steady southerly breeze helped carry the gas away from the workers and also diluted the gas to make it less dangerous.

## Needy to receive cheese Tuesday

The distribution of the USDA cheese will be from 9 a.m. to noon and 6 p.m. to 7 p.m. Tuesday at Faith Baptist Church, 411 South Wall.

Income eligibility guidelines have been increased over those in September. A household of one person with gross income of less than \$6,318 per year can now receive cheese. For two people less than \$8,502. Add \$2,184 for each additional family member to determine eligibility.

Continued on page 11

# Homecoming, Whoop-T-Do plans build to climax

With only a week remaining until the biggest weekend of the year in Iowa Park, activities have started their build-up promising an enjoyable two-day celebration.

Friday and Saturday of next week is Homecoming and Whoop-T-Do.

Already 25 booths, 18 for non-profit organizations and seven individuals, have been reserved for the Whoop-T-Do, according to Winnie Holmes, secretary for the sponsoring Chamber of Commerce.

Deadline for booth reservations is

next Thursday. Fee is \$20 for organizations, whose booths will be in the 100 block of East Cash, and \$10 for individual craft booths which will be located on Wall.

The annual homecoming parade, which is the initial event of the big weekend, will be held at 4:30 p.m. Friday. Sponsored by the high school student council, the theme this year is "Go for the Gold."

Reservations for places in the parade can be made telephoning Lee Birk, 592-4834, or Jimmy Collazo,

592-5218, after school hours.

The game that evening will be between Iowa Park and the Gainesville Leopards. Part of the activities at the game will be coronation of homecoming queen.

Saturday night is the annual banquet meeting of the Iowa Park High Alumni Association. Thirty reservations have been received thus far, and deadline for making reservations is Wednesday. They can be made at the Chamber office.

Two visiting periods for former

students will be held during the day. One will be at the Friendly Door, formerly Tanner Hardware, and the other will be in the school library preceding the banquet.

### BOOTHS RESERVED

Organizations and their activities that have been reserved for Whoop-T-Do are:

- Hawk Booster Club - stadium cushions, T-shirts and hats;
- TOPS Dreamers - flea market;
- Eastern Star - ice cream and cake;
- Optimist Club - darts and giant

coloring books:

- Lioness Club - pies and cakes;
- Camp Fire - cake walk;
- Lions Club - Cokes and hot dogs;
- Garden Club - fried pies, sliced pie, coffee;
- MuleSkinners - chili, beans, tea;
- Opti-Mrs. Club - car smash;
- Girl Scouts - Hawk emblem coffee mugs;
- Bradford P.T.A. - duck pond, hair drying;
- Hawk Band Boosters - Band T-shirts;
- Methodist Youth Fellowship - crepes

and doughnuts;

- Evening Lions - football throw, ring toss, dime pitch, doll throw, bottle throw;
- Iowa Park 4-H Club - pony ride;
- Christian Women's Fellowship - stew, cornbread, cobbler;
- Friends of the Library - quilt giveaway.

Individual craft booths reserved have been by Collis and Pat Ikey, Betty Smith, Vernon Horsky, Sandra Mills, Joan Wagner, Mary Swaim and Janis Latimer.

# Cook of the Week

Gervaise Markham described the characteristics of a good cook: "She must have a good eye, a curious note, a perfect taste and a ready ear. She must not be butter-fingered, sweet-toothed, not faint-hearted." Many people today would probably add "and be adept at barbecuing," which has become an important part of the American cuisine.

Mrs. Billy Mashburn has at least two recipes for barbecued foods in her files. Barbecued Baked Beans and Barbecue Pot Roast, these she shares with us today.

The early settlers were taught the barbecuing methods by local Indians. The settlers passed the art down from one generation to the next, and today many favorite dishes from all parts of the country are barbecued. From western grilled steaks to New England barbecued seafood, regional favorites boast their mouth-watering smoky flavor. Henry Ford made barbecuing even more popular by inventing the charcoal briquet.

As tasty as baked beans are, barbecuing no doubt adds extra flavor and zest to them. The bean pot was a cherished possession in bygone days when people thought that the pot had to be seasoned to produce a good batch of beans. The Indians showed the pilgrims how to bake the beans with native maple syrup and bear fat. Later when molasses was imported they began making them with molasses and salt pork, and the Boston baked beans were invented.

Mrs. Mashburn, daughter of the late Mr. and Mrs. O.K. Buckholt of Quannah, was graduated from Quannah High School and Draughon's Business College. She is a member of First United Methodist Church and has been employed at the Iowa Park Library for seven years. Her husband is a civilian employee at Sheppard AFB. They have four children, Bruce of Bakersfield, Calif., Neta (Mrs. Curtis) Simmons of Wichita Falls, Paula, a senior, and Deanna, a sophomore at Iowa Park High School. They have a grandson, Brian Curtis Simmons, nine months of age.

## BARBECUED BAKED BEANS

2 cups dried navy or pinto beans  
 1/2 cup chopped onion  
 2 T corn syrup  
 2 T chili powder  
 1 small hot red chili pepper  
 3/4 cup tomato catsup  
 2 T prepared mustard  
 1 tsp salt  
 1 generous dash hot pepper sauce  
 Soak beans overnight in cold water to cover. Fry bacon until crisp. Drain drippings from bacon into baking dish or small bean pot. Add all remaining ingredients to fat and blend. Drain beans and add to mixture; blend. Crumble the crisp bacon over top; add water just to cover the beans. Cover dish or bean pot and bake at 325 degrees for two hours. Add more hot water if needed. Uncover beans during last 20 to 30 minutes. Serve from baking dish. Serves 6 to 8. A slice of smoky bacon rind used instead of sliced bacon will give a more decidedly country flavor. Brown sugar to taste may replace the corn syrup. Canned tomatoes may take the place of catsup, but if so, correct the seasoning as necessary with a little sugar, salt, cayenne and pinch of ground allspice.

## PINK SALAD

1 can Eagle Brand milk  
 1 - 9 oz. carton Cool Whip  
 1 can mandarin oranges, drained

Mrs. Billy Mashburn

1 (8 1/4 oz.) can crushed pineapple, drained  
 2 cups miniature marshmallows  
 1 can cherry pie filling  
 1 cup nuts, if desired  
 1/2 cup coconut  
 Whip Eagle Brand and Cool Whip well. Add other ingredients and mix well. Makes 10-12 large servings.

## DIVINITY ROLLS

1/2 cup water  
 2 1/2 cups sugar  
 2/3 cup light corn syrup  
 1/2 tsp. vanilla  
 2 egg whites  
 Cook sugar, syrup and water to hard-cracked stage when tested in cold water. Pour slowly over well-beaten egg whites. Beat until very stiff and cool enough to handle. Form into 5 or 6 balls and place in refrigerator until cold.  
**CARAMEL TOPPING**  
 1 cup sugar  
 1/2 cup brown sugar  
 1/2 cup light corn syrup  
 1/2 cup cream  
 1 cup milk  
 (1 1/2 cups coffee cream may be used as substitute for cream and milk)  
 1/4 cup butter.  
 Cook all ingredients until firm ball stage. Cool slightly. While still warm, dip divinity rolls into mixture, then roll in chopped pecans.

## BARBECUE POT ROAST

3 lbs. boneless rump pot roast in solid chunk  
 2 tsps. salt  
 1/2 tsp. pepper  
 3 T bacon drippings or rendered salt pork  
 3 medium onions, chopped  
 2 cloves garlic, minced  
 1/2 cup water  
 1 (8 oz.) can tomato sauce  
 2 T brown sugar  
 1 tsp. paprika  
 1/2 tsp. dry mustard  
 1/4 cup lemon juice  
 1/2 cup cider vinegar  
 1 T Worcestershire sauce  
 Butter and flour as needed for thickening.  
 Rub beef with salt and pepper. Heat drippings in a heavy pot large enough to hold meat without crowding. Brown meat on all sides. Remove from pot, add onions and garlic. Cook over moderate heat until golden. Return meat to pot; add water and tomato sauce, blend. Cover tightly. Reduce heat to low and simmer one hour and 30 minutes. Turn meat. Combine all remaining ingredients and pour over meat. Cover and cook one hour longer or until tender; baste several times. When meat is done, remove to a heated platter. Skim grease from remaining pan juices. The remaining

sauce should be thick, but if you want it thicker, add 1 T flour moistened with 2 T water or rubbed with 1 T butter. Cook, stirring constantly until desired consistency. Spoon a bit of the sauce over the meat and serve the rest in a sauceboat. Serves 6.

## CARAMEL PIE

[Mrs. Mashburn's mother's recipe]

1/4 cup cornstarch  
 1/4 tsp. salt  
 3 egg yolks  
 1/2 tsp vanilla  
 1/2 cup sugar  
 2 cups milk  
 2 T butter  
 1 9-inch baked pie shell  
 3 egg whites, stiffly beaten, with 6 T sugar for topping.

Beat egg yolks; add sugar, cornstarch, salt and milk. Cook until it begins to thicken; remove from fire. Caramelize 1/2 cup sugar in iron skillet on very low heat, add to mixture and cook until thick. Remove from fire; add butter and vanilla. Pour into cooled baked pie shell and spread with meringue topping. Bake in moderate oven 12-15 minutes.

## Kidwell P-TA slates meeting

The Kidwell P.T.A. will meet at 7:30 p.m. Tuesday in the school cafeteria.

A speaker from Region Nine will give pointers on helping first graders learn to read and the first grade rooms of Mrs. Schell and Mrs. Martin will present a musical program.

A short business meeting will be held.

## Exterior work on library to begin early November

Work on the exterior of the Burnett Memorial Library building is expected to begin the first of November. Friends of the Library board members were told at a meeting last week.

Cool-Temp Siding Co., which received the contract to do the work, was represented at the meeting by Al Trimble. Work is expected to be completed in three weeks, weather permitting.

A contract for approximately \$9,000 was let to replace exterior woodwork where needed, cover all woodwork with siding material and install storm windows. Materials to be used were examined by members.

In other business, several board members expressed intent to attend a workshop in Fort Worth Nov. 21, held by the State Library System.

Also discussed was a display of a handmade quilt to be given away at the Oct. 22 Whoop-T-Do. Donated by members of the Friendly Door, the

quilt is being used as a fund-raising project.

Preliminary draft of the organization's revised by-laws was distributed by Frank Gossett. Members are to vote on them at the next meeting, which is slated at 7 p.m. Nov. 5 in council chambers.

## ABOUT TOWN

Monty Todd, who is a patient at St. Joseph's Hospital in Fort Worth recuperating from injuries suffered in an accident Feb. 19, was a guest in the home of his grandmother, Mrs. Cornelia Todd over the week end.

## CARD OF THANKS

We want to thank our friends in Iowa Park for the prayers, cards, calls, visits and acts of kindness shown our loved one who was injured in an accident Feb. 19. He is still in St. Joseph Hospital in Fort Worth but is making progress. Continue to pray for him.

The Family of Monty Todd

## Shower fetes bride elect

Miss Elaine Cole, who will exchange wedding vows with Donald Crombie Saturday evening at the First Christian Church, was honored recently at a miscellaneous shower given in the Fellowship Hall of the church where her chosen colors of lavender and purple were given emphasis in decorations.

Hostesses for the party were Mmes. Earl Watson, Rollin Roberts, Wm. Andersen, T.M. Clark, Dale Thompson, Sammie Henderson, Wylie Williams and Miss Carey Dale Roberts.

The refreshment table in the setting commanded admiration from the honoree, her mother, Mrs. Johnny Cole, and guests. Draped with fine lavender lace over lavender, it featured a centerpiece of lavender silk irises in a crystal vase. The chosen color was carried out in refreshments and in the napkins imprinted with names of the couple in silver.

The lavender lace was repeated in the cloth for the registry table and the gift tables were laid with white lace.

Mrs. Joel Witt, who will take part in the wedding as matron of honor, sat with the honoree and her mother, who wore lavender silk corsages to complement their dresses, as they received guests and unwrapped gifts for display.

Miss Cole has been honored at two pre-nuptial courtesies in Fort Worth. One was a lingerie shower given in the home of Mrs. David Batterton, and the other was a miscellaneous shower given by Mmes. Jimmie Leggett, S.E. Hindeman, Ron Williams, Johnny Howell and Chester Barden where her business associates composed the invitation list.

## Birk Circle adopts theme

The women of the Lucy Birk Circle of First Presbyterian Church have adopted "The Parable is a Mirror" for their 1983-84 theme.

Miss Titia Belle Blanks taught the Bible lesson for a meeting of the group held Monday morning at the church and introduced the study with the meaning and purpose of a parable.

She said that the word parable literally means a "throwing alongside," and that it was an illustration with spiritual meaning, sometimes in story form and sometimes not. "The purpose of the parable is to make the truth clearer and more understandable, and to cause the hearers to see themselves as they truly are and to lead them to apply spiritual principles to their own lives," she said.

With reference to two parables, the ewe lamb and the woman of Tekoa, Miss Blanks stated that in the first, Nathan was led by God to touch the conscience of David, and in the second, Joab appealed to David's fatherly feelings and not to his conscience.

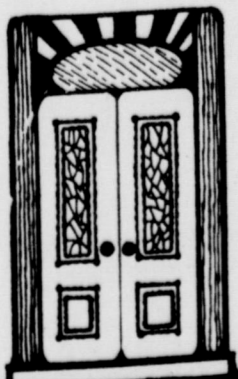

Concluding, Miss Blanks stated "parables prove that the external is the mirror in which we may behold the internal and spiritual."

## Robin Hawthorn Cosmo president

Robin Hawthorn was elected president of the Cosmetology Class Monday afternoon.

Other officers include: Brenda Knight, vice president; Ginger Baker, secretary; Keri Knecht, reporter; Brenda Copas, parliamentarian and Renee York, sergeant-at-arms.

The group is to attend an officers training clinic Oct. 29 in Arlington.

# As I See It....

By BOB HAMILTON

I kinda took the long way to get to Hawk Stadium for Friday night's game with Hirschi. From the office Thursday, I went by Ogden, Utah and Rapid City South Dakota.

You're right, it's not the normal route to see a football game, but it was certainly educational.

Five of us from Iowa Park joined 33 other area civilians, Maj. Gen. William Charles, commander of Sheppard Technical Training Center, and Maj. Cecil Ross, director of public affairs at SAFB, to take the "Civic Leader Tour."

Other Iowa Parkers were Charlie Lee, Linda Merrick, Allen Shewmake and John Barbour. The rest, mostly from Wichita Falls, represented communities including Olney, Burkburnett, Montague, Henrietta, Waurika, Grandfield and Walters.

At Hill AFB, outside Ogden, we saw the F-4 and F-16 fighter jets and their maintenance, heard a report on how great the F-16 is as a flying machine and its superiority to anything in use by the Russians, and saw the efficiency of an automated supply storage facility.

The F-16 squadron there is the largest in the Air Force.

To someone who has flown only small craft like a Piper Cub, that fighter jet is something like out of a dream. And it would also be a dream to get someone my size comfortably into its cockpit. They only want little bitty fellers jockeying those things.

As a former supplyman in the Air Force, I had a tremendous appreciation for the automated supply facility. It would require almost 10 times as many salaried personnel to accomplish what that automated equipment does. That's a big tax dollar savings! By the way, we didn't know until after we had boarded the bus to leave Hill that the brother of Iowa Parkan Harry Hildebrand is the base comptroller, there, and he had attended the noon luncheon with us.

We were flown that afternoon to Ellsworth AFB aboard a C-130 transport plane. Some of the group, most of them in fact, had never had to sit on web seats, in close quarters, like that. The craft was operated by a reserve crew from Niagara Falls, N.Y., out getting its required flying time in.

At Ellsworth, we were allowed to visit in the training room for launching Minuteman II missiles, a missile launch silo used for training, and crawl through the EC-135 aircraft which is used both as a mid-air refueling station as well as a command post for missile launching, and the huge and ancient B-52 bomber.

We learned the term "triad" as used in atomic defense terms. There are three forms of retaliation this nation will use in case it is attacked by an atomic warhead: one from ground-to-ground atomic warhead missiles; one by atomic bombs from the B-52; and one from missiles launched from submarines at sea.

Great length was taken to explain the safety features to prevent any individual or team of individuals from making an unwarranted launching of an atomic warhead, and it was comforting to know.

It was impressive to learn how many hundreds of airmen are on full-time alert daily in those two states. Believe me, it's a lot.

The various speakers were open and candid with us. They pulled no punches in saying the nation's air defense suffered under the Carter administration. And there was no question left by either speakers or crew members that this nation can't continue to rely very long on the B-52, which is 20 and more years of age.

I was impressed by a comment Gen. Charles made, about the quality of personnel in the Air Force today. There are approximately 60,000 persons on "delayed enlistment program" who are high school

(minimum) graduates and awaiting induction and training in fields desired.

At least two speakers took real shots at columnist Jack Anderson for inaccuracy of information used in reporting missiles and their use and safety as defense hardware.

Back on those B-52s, we were told the latest were built in 1962. When a crew is on alert, and five percent of all those craft are on alert at all times, the crews live at the site seven days, Thursday to Thursday. That includes both bombers and tankers.

I appreciated the Air Force asking me to tag along. The trip would have been a good one to take, even if we had paid for everything. As it was, we paid for our meals and lodging.

Oh, to keep us busy as well as afford everyone on the trip a chance to do something none had done before, Thursday night they took us to Mount Rushmore, only 25 miles from Rapid City, to view that big national monument. It was impressive.

By the way, almost everyone we talked with had been at Sheppard AFB at one time or another, and we spent about as much time updating them on Iowa Park, Burkburnett and Wichita Falls as they did answering our individual questions.

It was a heck of a trip, even if I did miss the first five plays of Friday's football game. But after you've traveled that many miles, you're lucky to make the game at all.

## Save energy with a heat pump.

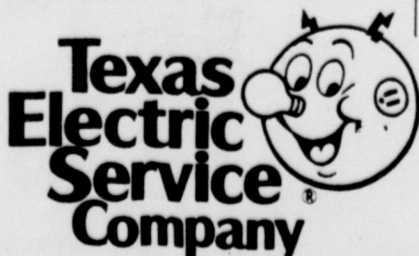

If you're planning to install a new heating or cooling system, consider a high-efficiency heat pump. It's an energy-saving, year-round alternative.

The heat pump provides year-round heating and cooling, using only electricity. During the winter, it extracts heat from the outside air (even very cold air contains heat) and brings that heat inside where it's needed. In the summer, the heat pump is a regular air conditioner, removing unwanted heat from the inside air.

The heat pump is the most efficient combination heating and cooling system that can be installed in your home today.

To learn more about the heat pump, call your air conditioning contractor. And when you call, ask about the year-round heat pump that qualifies for a bonus check from Texas Electric.

### Nine members attend meeting

Nine members of Epsilon Eta chapter of Epsilon Sigma Alpha attended the District Six seminar and meeting held in Fort Worth over the weekend. Mrs. Phil McDonald and Mrs. David Parkey chaired the seminar.

Other members participating in the seminar were Mmes. Luther Shaw, Bill Hrcirik, and Bud Mercer. Other chapter members attending were Mmes. Steve Turner, District Six educational director, Darrell Gunderson, Bill Vanek and Roy Johnson.

The Iowa Park chapter won second place for civic hours and service hours and third place for donated goods during the first quarter.

The next district meeting will be held at Bedford in January 1984.

### 4-H NEWS

A food and nutrition talk and demonstration was given Monday by County Extension Agent Cheryl Mapston, to members interested in preparing foods for the Oct. 29 4-H Food Show.

The Whoop-T-Do committee is busy making plans for the Iowa Park club's entry in the homecoming parade. The club will again sponsor the pony ride at Whoop-T-Do and encourages members to volunteer to help lead the ponies.

### Group's breakfast meeting features Southern menu

The 23 Study Club inaugurated activities for the year Thursday morning at a breakfast held in the home of Mrs. Erwin F. Soell. Mrs. Rollins Woodall and Mrs. Homer Blalock were the co-hostesses.

The southern menu consisted of orange juice, bacon, sausage, scrambled eggs, biscuits made "from scratch," butter, assorted jellies, coffee, tea and watermelon.

Preceding the meal, Mrs. Sam Hunter led members in the pledge to the flag and in repeating the club collect. Mrs. Travis Smith gave the invocation.

Mrs. D.O. James, president, conducted an initiation ceremony for two new members, Mrs. O.R. Moore and Mrs. Vernon Gilbert to precede the business meeting. She empha-

sized how "I" in Federation as related to interest, inform, instruct, inspire and involve could induce participation in the General Federation of Women's Clubs' Volunteerism project. She also described the emblems of both the G.F.W.C. and T.F.W.C.

Mrs. James used "Membership Volunteerism" for the theme of the traditional president's address in which she endeavored to inspire members to grasp opportunities which they have to serve community, state and nation through voluntary efforts.

For the arts number, Mrs. James A. Sewell, pianist, played "Sonata 17 in A Major" by Scarlatti.

During the business, Mrs. John Rentschler presented the budget for 1983-84 which was adopted.

Mrs. China B. Smith, a T.F.W.C. trustee, read a letter from the Historical Foundation requesting the club to cooperate in compiling a cookbook as a fund-raising project to reroof the state headquarters' building at Austin. It was voted to cooperate and Mmes. Charlie Lee, H.W. Carter, Smith and Miss Ethyle

Kidwell were named on the committee to secure the recipes from the club.

During the meeting, plans were finalized for the club's participation in the Santa Rosa District Fall Board Meeting and Workshop at the First Baptist Church Fellowship Hall in Iowa Park Saturday.

### Alathean members go to Glorieta

Mrs. Sam Hill and Mrs. W.F. Booher, who spent last week at the Glorieta, N.M. Baptist Assembly, gave some of the highlights of their trip for the Alathean Sunday school class of First Baptist Church Tuesday during the monthly luncheon.

Mrs. Earle Denny directed the

business when it was voted to make a monetary contribution toward the purchase of a picture for the parlor.

Nineteen members and five guests, Mrs. Hazel Boyd, Mrs. Kate Spruiell, house guests of their mother, Mrs. O.M. Jones, Rev. Hal Farnsworth, Bob Stewart and Wesley Brewer were present.

## Lottie Gowan Wilson

Services were Wednesday at First Baptist Church in Burkburnett for Lottie Gowan Wilson, 61, mother of Larry Gowan of Iowa Park. Rev. Lamoin Champ officiated and burial was in Sunset Memorial Gardens in Lawton, Okla. under direction of Owens and Brumley Funeral Home.

She was born Nov. 26, 1921, in Waurika, Okla. and was a former resident of Burkburnett. She was a member of the Baptist Church and had lived in Wichita Falls for 10 years.

Survivors include her husband, Claude W. Wilson; three sons, Larry Gowan of Iowa Park, Freddie Gowan of Burkburnett, and Jerry Gowan of Lawton, Okla.; six daughters, Wanda Crawford of Francis, Mary Teeter of Lawton, Okla., Martha Stanley of Milan, Tenn., Virginia Ruckman of Burkburnett, Nancy Hernandez of Lawton, Okla. and Sharon Hernandez of Wichita Falls; three sisters, Virgie Orr of Geary, Okla., Gladys White of Illinois and Dixie Bradley of Altus, Okla.; a brother, Lloyd Drumgoole of Del City, Okla.; 28 grandchildren; and 15 great-grandchildren.

## Catherine Crumpton

Catherine Crumpton, 64, of Route 2, Iowa Park, died Monday in a Wichita Falls hospital.

Services were Wednesday afternoon at Tanner-Aulds Funeral Home with Rev. George Topper, pastor of First United Methodist Church, officiating. Burial was in the Holiday Cemetery.

Mrs. Crumpton was born Aug. 15, 1919, in Jack County and had lived in Wichita County since 1946. She was a member of the Order of Eastern Star and First United Methodist Church. She and O.G. "Jack" Crumpton were married May 28, 1936, in Graham.

She is survived by her husband; a daughter, Linda Coats of Holliday; four sons, Mike of Iowa Park, Jackie of Holliday, Larry of Midland, and Jimmie of Wichita Falls; 10 grandchildren; and four great-grandchildren.

## A.C. Ford

Graveside services were Saturday morning in Electra Memorial Park for A.C. "Henry" Ford, 96, of Holliday. Rev. Mike Gresham, pastor of First Baptist Church, officiated. Burial was under direction of Aulds Funeral Home of Archer City.

He was born Feb. 19, 1887, in Sanger and had resided in the Wichita Falls area most of his life. He had lived in Holliday since 1970. He married Juanita Zeck March 10, 1917 in Burkburnett. She died last June.

He is survived by a daughter, Francine Holman of Oklahoma City; two sons, Jesse of Colorado Springs, Colo. and Garnett of Holliday; seven grandchildren; 16 great-grandchildren; and two great-great-grandchildren.

## Lester Thomas Sargent III

Services were Tuesday afternoon at Tanner-Aulds Funeral Home for Lester Thomas Sargent III, infant son of Lester Thomas Sargent Jr. and Deborah Elaine Sargent.

Rev. Jimmy Johnson, pastor of Grace Baptist Church, and Rev. Vinson Redder of Sacred Heart Catholic Church officiated. Burial was in Highland Cemetery.

He was born June 22, 1983, in Wichita Falls.

Besides his parents, survivors include his maternal grandparents, Mr. and Mrs. Claude E. Boles of Iowa Park; his paternal grandparents, Lester Sargent Sr. and Mrs. Agnes McDonald, both of Scotland; his great-grandparents, Mrs. Rose McDonald of Scotland and Mr. and Mrs. Walter Roy Boles of Plainview; his great-grandmother, Mrs. Corene Davis of Iowa Park; and a great-great-grandmother, Mrs. Jewell Darnell of Iowa Park.

## Fellowships meet

"The Challenge: To Be Doers of the Faith" was the program topic for Ruth and Mary Fellowships of the United Methodist Women in meetings held Tuesday morning.

The Mary Fellowship met in the home of Mrs. David Springer, and Mrs. R.E. Waters, assisted by Mrs. Charlie Lee and Mrs. Springer, gave the program. Ten were present.

Mrs. S.B. Keeter was hostess for the Ruth Fellowship, and Mrs. S.L. Thompson presented the study. Eleven members were in attendance.

Eleven members of the Rebecca Fellowship met in the church library for a program taken from "Adventures in Prayer" by Catherine Marshall and presented by Mrs. Frank Gossett.

## Grace declares 184th dividend

The Board of Directors of W.R. Grace & Co. recently declared a quarterly cash dividend of 20 cents per share on its common stock. The dividend is payable on Dec. 10, 1983 to shareholders of record as of Nov. 3, 1983.

This will be the 184th consecutive dividend paid by W.R. Grace & Co., an international company with interests in chemicals, natural resources and consumer services.

## Installation, supper held

The Friendship Sunday School class of First Baptist Church held the annual salad supper and installation service Monday in the Fellowship Hall of the church.

Tables were decorated with cloths, floral arrangements and appointments in pink and purple, the class colors, by Mmes. D.H. Ford, L.B. Jones, Lloyd Lowe and F.L. McCoy.

Mrs. Jack Railsback, director of the Adult 5 SS Department, conducted an impressive installation ceremony, using "Vessels of Service" for her theme. The interest center held a very old porcelain water pitcher and basin, still usable, suggesting that regardless of a person's age he could still be of use in the Lord's work. Around the water set were miniature vessels that she presented to officers to depict their duties as she installed them.

Those installed were Mmes. C.A. Hicks, teacher; Elmer Singleton, president; C.L. McKinnon and C.L. Metz, vice presidents; Walter Scott, secretary; J.T. Parker, assistant secretary; L.B. Jones, corresponding secretary; D.H. Ford, treasurer; Homer Blalock, reporter; E.T. Patterson, devotional chairman; M.E. Goforth, bridge builders chairman; Ruth Hill, Clay Davis, F.L. McCoy, Leo Fletcher and Nelson Johnson, group captains.

Mrs. Patterson used "The Windmill" for the topic of a devotion preceding the installation service.

During the evening, special saxophone and vocal music was presented by Rusty Stowe, minister of music and education at the church.

His selections included "Heavenly Sunlight" and "Just a Closer Walk with Thee."

Gifts of appreciation were presented to Mrs. Railsback by Mrs. Metz and to Mrs. Hicks and Mrs. Singleton by Mrs. Lowe.

Twenty-one members and two other guests, Mrs. Rusty Stowe and Mrs. D.O. James, were present.

## Students to view department trucks

Members of the Iowa Park Volunteer Fire Department this week will make visits to two elementary campuses, as part of National Fire Prevention Week.

Firemen will take trucks and equipment to Kidwell Elementary at 12:45 today and to Bradford Elementary at 1 p.m. Friday.

## CARD OF THANKS

The love and friendship that have been shown to me during my stay in the hospital and while I am recuperating at home have been a great source of inspiration to me. I have been overwhelmed at the cards and flowers that I have received, and I have felt the prayers that have been offered. For 13 years, I have summoned the EMTs when an emergency arose, but I did not fully appreciate the service they rendered until they came when they were called to me, and I am very grateful to each of them. I hope to be back doing my work at the Iowa Park Police Station before too long. Again, thanks to all of you for your love and kindness so beautifully shown.

Delores Vestal

## SOCIAL SECURITY TIPS

### SOCIAL SECURITY FOR YOUNG WORKERS

Young people first entering the work force may look upon Social Security as something for the "other guy."

For them retirement seems to be -- and is -- a long way off in the future. But Social Security provides more than retirement benefits -- benefits that all workers, regardless of age, can take advantage of.

For example, a young worker who becomes severely disabled so as to be unable to do any work for at least a year may be eligible for monthly Social Security payments. These benefits are payable at any time before age 65 provided the person has worked long enough and recently enough in Social Security-covered employment.

The law provides for a five-month waiting period, so checks start with the sixth full month of disability and continue as long as the worker

remains disabled. His or her family may be entitled to benefits as well. In addition, an individual who received disability benefits for two years is eligible for Medicare, which includes both hospital and medical insurance. Medicare helps pay for major health care costs, such as hospital and doctor bills.

Occasionally, too, young workers die. If this should happen, monthly payments can be made to the worker's family provided he or she had worked long enough under Social Security. These payments may be made to the worker's children until their 18th birthday or, if they are attending an elementary or secondary school full time, until their 19th birthday. Payments may also be made to the surviving spouse until the youngest child is 16.

# ATPE convention Monday

Mike Morrow, executive director of the Association of Texas Professional Educators (ATPE) will be the featured speaker at the Region IX ATPE convention Monday at Kiva Inn in Wichita Falls.

Morrow is a spokesman for education who can discuss the issues and presents the positive aspects of education to the people of Texas and the nation.

ATPE represents approximately 40,000 professional educators who are dedicated to quality education for Texas children. Members work in all areas of the educational system, and educators from 40 Region IX schools are expected to attend the meeting.

Registration will begin at 8:30 a.m., and inservice sessions will begin at 9 a.m. and continue until 3 p.m. The initial sessions will include Dr. Jim Rogers of Region IX Educational Service Center and Connie Stockard, also of Region IX. At 10:30 Dr. Jon Fleming, president of Texas Wesleyan College and a member of Gov. Mark White's Select Committee on Public Education will discuss "Facing the Problems of Public Education Today." The Region IX House of Delegates meeting will also be at 10:30.

Morrow will address the membership at a noon luncheon. Also attending from the state office will be past president Sallye Wiedemann and Doug Rogers, state membership chairman for this area. The Wichita Falls High School A Cappella Choir under the direction of Marvin Beach will present special music.

Sessions at 1:30 will be Gail Smith discussing Team Learning and Donna Blevins of the state ATPE office discussing Merit Pay.

ATPE president Johnny K. Vaughn of Olney said, "Morrow is the foremost leader and speaker of those involved in teacher leadership today in Texas. He has quickly become known nationwide. Hearing Mike speak will be well worth your time."

## Philia Club past reviewed

Mrs. Robbie Robinson gave a brief history of the Philia Study Club Monday evening at a meeting held in the home of Miss Linda Ayres, with Mrs. Leon Biddy, the co-hostess.

She noted that Mrs. James A. Sewell, a member of the 23 Study Club, planted the seeds in September 1962 for the organization of the club. Mrs. Robinson highlighted past service projects performed by the club, including working with Red Cross Bloodmobile, local chest X-rays and voter registration.

The history ended with an original poem by Mrs. Robinson entitled "The Beginning" and slides were shown of Philia Study Club's activities during the Bicentennial Year.

Mrs. Wm. Mattis presented Robert Frost's poem, "The Road Not Taken" for the meditation, placing emphasis on the fact that our present is formed from decisions made in the past.

Mrs. Vern Horsky led the group in unison singing "Texas, Our Texas." Mrs. David Padgett led the pledge of allegiance, and Mrs. Thomas Johnson led the Club Collect.

Mrs. Horsky directed the period devoted to business when special attention was given to the Santa Rosa District Fall Workshop to be held Saturday in the Fellowship Hall of First Baptist Church. Plans were also discussed for the November 14 meeting which will be the annual joint meeting of the three federated study clubs in Iowa Park.

Seventeen members were in attendance.

## Lighting topic of AEO program

Mrs. Ron Fullerton presented a program on "Better Lighting-Lighting for Function and Design" Monday evening for a meeting of Alpha Epsilon Omicron chapter of Beta Sigma Phi held in the home of Merry Askins.

She discussed the function of lighting and rules of good lighting which include wiring, outlets, switches, plug mold and wire mold. Mrs. Fullerton stated in selecting permanent fixtures consideration should be given to lighting qualities, brightness, wattage, efficiency and decorative style.

Janna Barry presided during the business when members were reminded of the Nov. 7 pounding party and reservations were turned in for the Oct. 30 Fall Tea.

Nine members were present.

## Municipal Court Records

Results of municipal court held here yesterday were:

Sharon Trahan Letcher, expired drivers license, \$31;  
Robert Bryon Stewart, disobeyed stop sign, \$51;

Kevin D. Wells, no motorcycle operators license, \$31;  
Kevin D. Wells, no proof of insurance, \$81;

Arron Lynn Fulfer, speeding, \$32;  
Judy Gale Silvers, speeding, \$32;

Jacky Lyn Simmons, speeding, \$45;  
Mary Avery Querner, speeding, \$38;  
Thomas Hubner, disobeyed stop sign, \$31;

Paul Curtis Rowe, improper start, \$31;

Clay Purcuss Morris, speeding, \$35;  
David Earl Lovell, public intoxication, \$31;

Jesse Allan Dunn Jr., public intoxication, \$31.

## Young Farmer chapter tops

For the third consecutive year, Wichita County Young Farmers Chapter was named Outstanding Area Chapter of the Year.

Announcement was made at a

recent area meeting, at which Clarence Mahler received the Outstanding Associate Member award and the chapter was named first place in radio and television communications competition.

# Hawk-Lion rivalry continues

Iowa Park's Hawks will try to get back on the winning side of the ledger tomorrow evening when they

travel to Vernon for their third Dist. 3-AAAA contest.

After starting the season with back-to-back wins, the Mean Green fell on hard times, losing their last three games. Two of them were district outings. The Hawks now stand at 2-3 on the season and 0-2 in district play.

Vernon's Lions, on the other hand, have no intentions of allowing the

Hawks back in the winning column. They're riding high with a 4-0-1 season and 1-1 conference record and believe they still have a chance at the loop title.

The Lions banged out wins over Altus, Borger and Stamford in non-conference play, but ran into a stubborn Boswell in their district opener and tied. Last week they shot down Mineral Wells by a convincing 33-0 score.

Since the two teams began their current series back in 1971, each has won six games. Iowa Park has won the past two years, taking a narrow

3-0 decision last year. The Lions won all six games in a row, from 1975 through 1980, after Iowa Park won the first four contests.

Vernon will have nine starters back from 1982, among 15 returning lettermen, so the Lions will be deep in experience. Coach Leo Brittain said before the season started, however, that the traditional speed of his players suffered with graduation.

Iowa Park, on the other hand, has neither experience nor speed. Only two players, Craig Whisnand and Greg Untalon, were starters for the Hawks in 1982.

## Home burglarized here Saturday

A burglary sometime between 5 and 10 p.m. Saturday at 1516 Douglas reportedly resulted in the loss of property valued at \$4,179, according to a police report.

Listed by Jim Schneider as missing were three revolvers, a jewelry box, two men's gold rings with a diamond in each, a set of engagement and weddings, \$134 in currency, man's watch and portable radio.

## FFA News

Scott Young of Iowa Park was elected president of the Wichita District at a meeting held Oct. 5 in Holliday.

Other district officers elected include Robert Parkey, Holliday, vice president; Greg Hasalaff, Vernon, secretary; Missy Kestler, Rider, treasurer; Kelly Deckerson, Jimmy Frantz, Eddie Shrum, Misty Hicks, Kim Williams, Tracy Taylor and Stacy Ward.

Others attending the meeting from the Iowa Park chapter were Natalie Patterson, Kelly Deckerson, Jimmy Frantz, Eddie Shrum, Misty Hicks, Kim Williams, Tracy Taylor and Stacy Ward.

Kim Williams was elected sweetheart of the Iowa Park FFA chapter Monday night and Barry Mahler spoke on a Young Farmers tour to Europe.

Williams, a junior, is the daughter of Mr. and Mrs. Felton Williams. Other nominees for sweetheart were Misty Hicks, Becky Whitaker and Natalie Patterson.

Annual IV FFA leadership conference is to begin at 8:30 this morning in the Wichita Falls Activity Center.

Schedule of events include:  
8:30-9:30 - registration  
9:30 - welcome by Dr. Lee Williamson, superintendent of Wichita Falls schools.

10:30 - reports on chapter programs of work by area officers.  
12:00 - lunch and keynote speech by Murray Edwards.

1:00 - personal grooming and style show by Cooley's Wester Wear.  
2:00 - film about FFA involvement  
2:30 - closing ceremony.

## TOP 'O TEXAS FOOTBALL

### Top 'O Texas Football Results

Iowa Park PeeWee Hawks 12  
Seymour PeeWee Panthers 0

Iowa Park utilized two second period scores to upend Seymour recently in Top 'O Texas football action played in Seymour.

The PeeWee Hawks mounted a long-sustained drive beginning in the first period and ending 14 plays later in the second quarter on Greg Martin's two-yard scoring run. Seymour stopped the conversion attempt, but still trailed 6-0.

On the green-and-white's next possession, at it's 40, only three plays were needed, capped by Robert Denton's 13-yard touchdown run which preceded a 44-yard run by the feisty Denton.

Again the extra-point conversion attempt was stopped by the PeeWee Panthers, with Iowa Park going ahead 12-0.

Seymour's only major scoring threat came in the final period on a trick play. Starting from Iowa Park's 45, the PeeWee Panthers ran the play to the left side, covering 44 yards before Toby Stephens caught the runner from behind at the one.

From there, Iowa Park's defense stonewalled the Seymour offense.

holding them without allowing the score. Taking over at their two, the Hawks ran the clock out to up their record to 4-1 for the year.

### Iowa Park Midget Hawks 40 Seymour Midget Panthers 16

Iowa Park's coaches heaped praise on their entire squad for the impressive win against Seymour last Saturday night in Seymour.

Behind the strong blocking of the offensive line for Iowa Park led by A.D. Sparlin, Mark Cruz ran for two touchdowns while Bryan Pyle, Jimmy Nicholson and Brandon Martin added one apiece.

Extra points following each score were made by Vance Edwards (three) and Nicholson (two).

Seymour's Cougars scored both of their touchdowns in the fourth quarter.

Defensive standouts for Iowa Park included Chad Witherspoon, Charles Houston and Jimmy Freeman. Chris Cook also covered a fumble for the Hawks, now 5-1 for the season.

The Midget Hawks travel to Henrietta this Saturday for the final game of the regular season before entering the Top 'O Texas playoffs.

## Seventh grade team wins game

Non-varsity football teams had a tough time of it during the past week, winning only one of five outings.

The seventh grade A team defeated Vernon Tuesday evening, 22-0. But the seventh grade B team lost 6-0, the same score of the eighth grade team.

Hirschi shut out Iowa Park Thursday, with the junior varsity losing 21-0 and the freshmen 40-0.

The JV and freshmen host Vernon

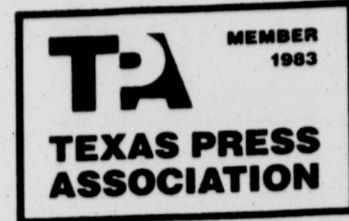

this afternoon with the first game starting at 5:30.

Junior high teams will play at City View Tuesday, where the first game is set to start at 4 p.m.

## Weather Report

Weather reports are officially compiled for Iowa Park at the Texas Experiment Station, southeast of town.

Total for month.....	3.16
Total for year.....	19.68
Total for last year.....	29.50

## FIRE CALL

10-4: Car fire at FM 369 and Iowa Park Road, 3:34-5 p.m.: 1 truck, 7 men.

10-6: Assist Electra VFD on oil tank fire: 1:24-1:50 p.m., 1 truck, 2 men.

10-9: EMT call to 200 block West Crystal: 5:28-5:55 p.m.

10-10: EMT call to Iowa Park Road and Rifle Range Road: 3:44-5:40 p.m.

Due to the rain this week, the grassfires have slowed down.

Oct. 9-15 is Fire Prevention Week.

Here are a few things to do to protect your home from fire:

1. Sit down with your family now and make step-by-step plans for emergency fire escape.

2. Diagram two routes to the outside from each room - especially each bedroom. In an apartment building, locate the exit stairs.

3. Memorize the fire department telephone number, and post it near each telephone as well. The fire department number in Iowa Park is 592-2181.

4. Choose a place outdoors where everyone will meet for "roll call," to make sure all are out safely. Plan to call the fire department from a neighbor's house in case of a real emergency.

5. Discuss with the family, especially the children, why no one should ever return to a burning house or apartment to save some favorite possessions, or even pets. Teach everyone the rule, "Once out, Stay out!"

# Area oil, gas report

Williams Petroleum Co. of Burkburnett has filed first production figures on a new oil well in the Wichita County Regular Field. The No. 26 Blagg showed potential to pump 12 barrels of oil and 1,000 CF casinghead gas per day. It will produce from an interval 790 to 795 feet into the wellbore. Total drilling depth was 1,350 feet.

The operator has 100 acres leased, with drillsite in Wichita County's W.

Graves Survey, one mile southwest of Iowa Park.

The well is located 330 feet from the north line and 450 feet from the west line of the lease and survey.

The No. 4-A Pierce-Fordyce has been finalized by James Oil Co. of Wichita Falls.

It is a developmental well in the Wichita County Regular Field, four miles east of Electra. Drillsite is in a 100-acre lease in the HT&B Survey.

Daily potential of 16 barrels was posted with the Railroad Commission. The well went to a 1,610-ft. bottom, and top of pay zone was logged at 1,595 feet. Production will be from perforations 1,595 to 1,610 feet. Production will be from perforations 1,595 to 1,610 feet into the wellbore.

The well is located 480 feet from the north line and 750 feet from the east line of the lease and survey.

A Wichita Falls-based operator has staked location for the No. 120 Staley Mangold Unit, a developmental well to be located four miles southwest of Kamay. With projected total depth of 4,000 feet, the well is in Wichita County's KMA Field, WVFL Subdivision Survey.

The operator is American Petrofina Co. of Texas.

The well will be located 1,000 feet from the north line and 4,550 feet from the east line of the lease, and 1,000 feet from the north line and 1,750 feet from the west line of the survey.

Galaxy Oil Co. of Wichita Falls has filed first production figures on a new oil well in the Wichita County Regular Field. The No. 24 J&J

Waggoner "D" showed potential to make four barrels of oil and 1,000 CF casinghead gas per day.

The operator has 80 acres leased, with drillsite in Wichita County's M.A. Willis Survey, nine miles southeast of Electra.

The well will produce from an interval 320 to 1,890 feet into the wellbore. Total drilling depth was 2,000 feet.

The well is located 350 feet from the west line and 3,750 feet from the north line of the lease and survey.

At a location three miles northwest of Electra, J.O. Bass of Wichita Falls has finalized a new oil producer in Wichita County Regular Field.

The well is designated as the No. 18 Robb, pumping oil at the rate of three barrels per day.

Location is in an 80-acre lease in the Waggoner Subdivision. Bottomed at 780 feet, the well will produce from perforations 726 to 734 feet into the hole.

The well is located 450 feet from the south line and 1,100 feet from the east line of the lease and survey.

S&J Operating Co. of Wichita Falls has filed first production figures on a new oil well in the Wichita County Regular Field. The No. 4 Waggoner "Nelson" showed potential to make seven barrels of oil per day. It will produce from an interval 608 to 612 feet into the wellbore. Total drilling depth was 2,031 feet.

The operator has 118 acres leased, with drillsite in Wichita County's J. Bradley Survey. The well will be located 325 feet from the south line and 2,125 from the east line of the

lease and survey.

Flowing 192 barrels of oil per day, along with 128,880 CF casinghead gas, the No. 1 Wyrick Oil Unit was completed successfully in the Wilbarger County Regular Field by Burk Royalty Co. of Wichita Falls.

Drillsite is four miles south of Vernon.

It was drilled to 6,200 ft. total depth and will produce from an interval 6,055 to 6,061 feet into the

wellbore. Production tests were run on a 22/64 choke, and tubing pressure registered 190 PSI.

The location is in a 40-acre lease in Wilbarger County's H&TC Survey, 836 feet from the south line and 467 feet from the east line of the lease and survey.

A Houston-based operator has staked location for ten developmental wells designated as the Nos. 150-159 Frances Sumner, three miles

northwest of Electra. With projected total depth of 2,100 feet, the wells are in a 1,099-acre lease in Wilbarger County (SPECIAL) Field, H&TCRR Survey. The operator is Mobil Producing Texas and New Mexico Inc.

Mobil Producing Texas & New Mexico Inc. of Houston has filed for permit to drill two developmental wells a depth of 2,100-ft. Location is in the 1,099-acre lease in the Wilbarger County (SPECIAL) Field.

## Dog Continued from page 1

administered the TABS test in the third, fifth and ninth grades. Those not "mastering" the ninth grade test have had the option to take it each year after until passing, but Cowley said the state is expected to require continuing taking it, eliminating the option. The state is not yet expected to require passing it for graduation, however.

Students don't always do their best to master the test because at present it has nothing to do with graduating, according to high school principal Bob Dawson.

"When you give tests to a bunch of kids who know it doesn't amount to a hill of beans, they don't care," he told board members.

Trustees are to consider the proposal and vote on it at a later meeting.

Board members met behind closed doors to discuss personnel more than an hour and a half. At times during the executive session, two attorneys, a teacher, some Bradford Elementary students and their parents were invited into the room with the board.

Following the closed meeting, which lasted from 8:30 to 9:52 p.m., there was no comment by the board and the meeting was immediately adjourned.

The school board, concurring with earlier action of the city council, voted to appoint Stanley Williamson to a second two-year term on the board of Wichita County Tax Appraisal District.

Trustees accepted the resignation of Jim Bob Merrick and hired Gail Lyles to succeed him as a teacher's aide at junior high.

# Huskies convince Hawks they are team to beat in district

Both the Hawks and their fans now join a host of others who ask "Who can beat the Huskies?"

The big Wichita Falls school made it very plain here Friday night that they are still king of the hill and if somebody wants to take the Dist. 3-AAAA crown from them, that they've held the past three years, it'll take a major effort and a lot of talent.

The Mean Green defense had its hands full all evening, just holding down the score. The 24-0 final score doesn't tell everything, especially how the visitors dominated the statistics.

Field conditions and a stubborn Hawk defense weren't the most conducive for a high-scoring game. The field was wet from the recent rains, and there was a steady breeze out of the southeast.

Hirschi had little difficulty moving the ball, but Iowa Park more than once made things more difficult for the speedy Husky offense.

The visitors held only a scant 7-0 lead when the teams went to the dressing rooms at halftime. Hirschi had been forced to punt twice, stalled out at the Hawk 11 and missed a field goal attempt, and twice turned the ball over on miscues (one fumble and a pass interception).

But during the third quarter, the Huskies made their biggest move, scoring one touchdown, adding a field goal, and amassing 116 yards rushing and 24 more passing.

Hirschi advanced the ball 239 yards rushing and 99 passing for 338 total yards offense. And though the Huskies built up a lot of ground yardage, their scores came on two passes and a two-yard run.

The Wichitans advanced to Iowa Park's 10 yard line the first time they had the ball. But a fumble at that point was claimed by Rocky Martin, scuttling the effort.

Another drive by the visitors was halted in the third quarter when Phillip Davis intercepted a pass on his own 38 yard line. The play drew a loud applause from the Iowa Park side of the stadium, because it came right after the Hawks had suffered their only turnover, a fumble at the Hirschi 47.

Later in that period, Hirschi drove to the Iowa Park two yard line. The first play following failed to advance the ball, a five-yard penalty was assessed for motion on the next snap of the ball and the ball stayed at the seven when there was no gain on a running play and on third down a pass fell incomplete.

So Hirschi had to settle for a 23-yard field goal.

The final score lit the scoreboard with 4:23 remaining in the game. It was a two-yard scamper by the quarterback.

Hawk ball carriers actually had more yardage than the 41 net yards reported in the statistics. Greg Untalon had 52 yards himself, on 15 carries; Lee Roach seven carries for 10; Bryan Fulfer two for four and Jerry Allen one for two.

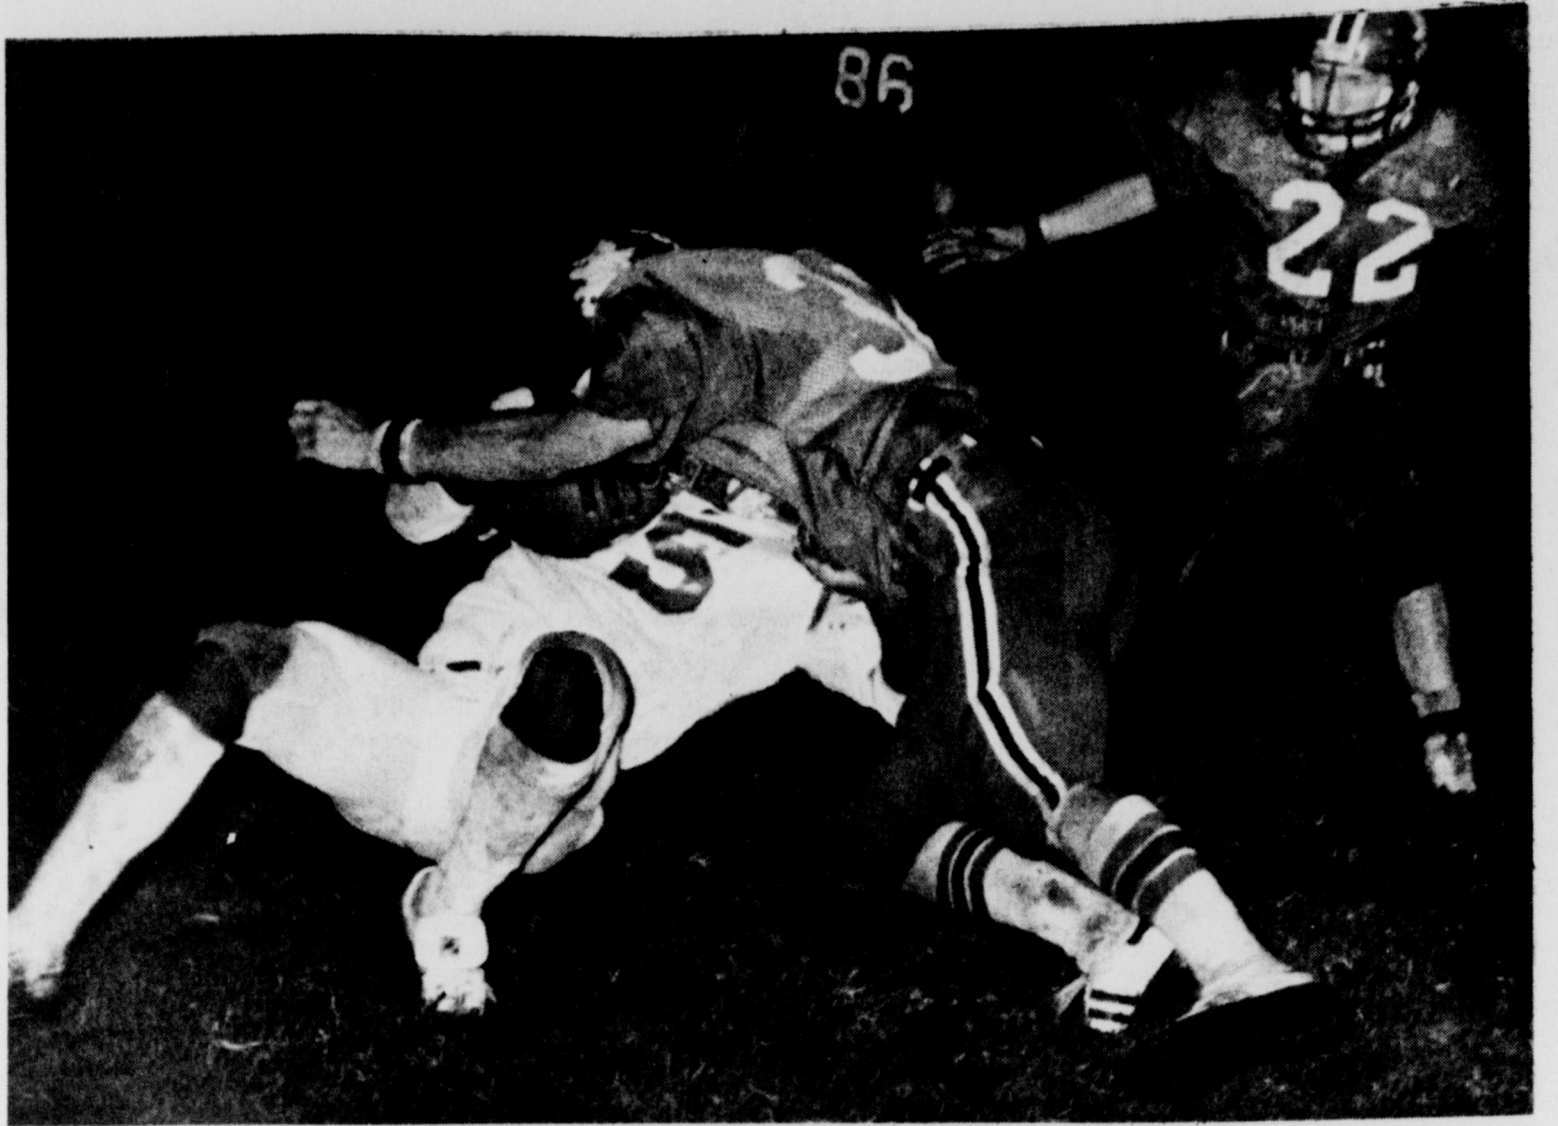

But the aggressive Husky defense gave all three Hawk quarterbacks fits. Ray Sefcik was tackled four times and lost 18 yards, Van Hedrick suffered 14 yards in losses on two plays and Dale Hayley was sacked once for a five-yard loss.

Sefcik completed two passes in the fourth quarter, a 14-yarder to Fulfer and one to Jeff Brookshire for eight yards.

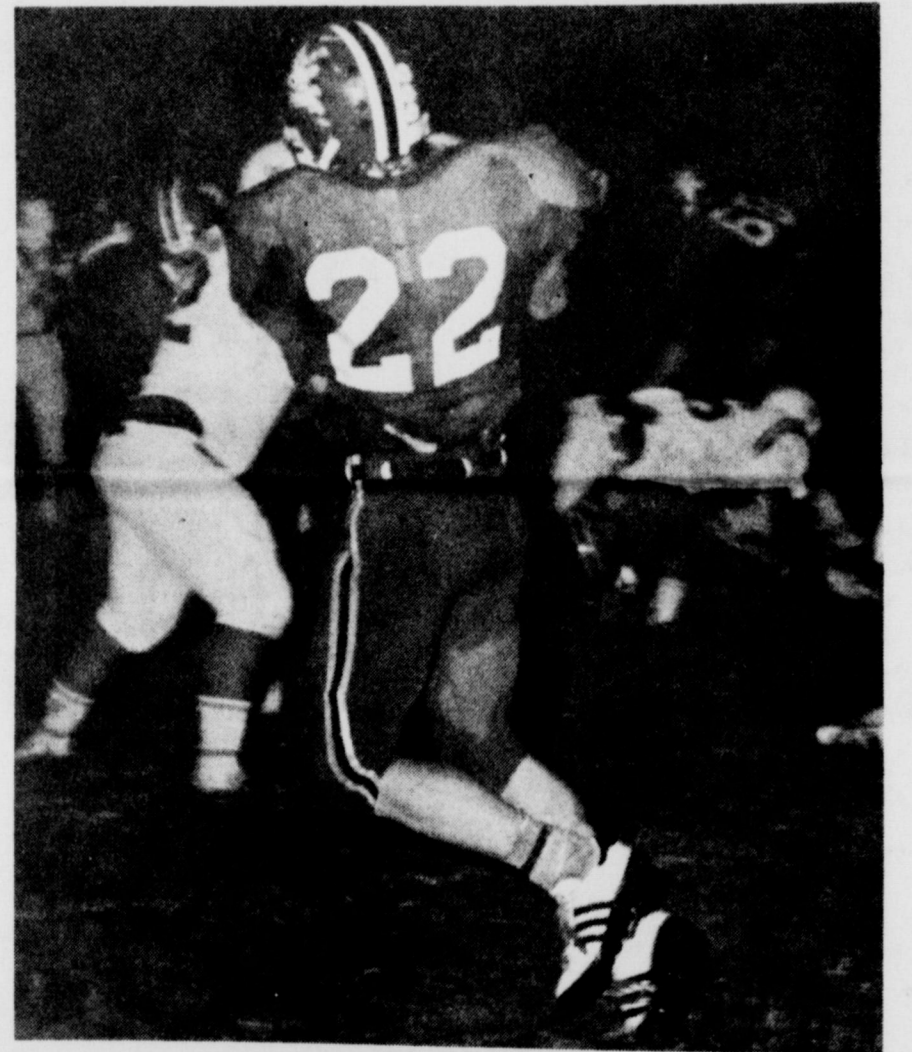

Hedrick was one-for-three in the passing department, a 23-yarder to Scott Young. However, that play wound up in a turnover when Young fumbled the ball when tackled. The Hawk coaching staff questioned officials that Young had control of the ball when he lost it.

Hirschi controlled the Hawk offense all evening. Iowa Park advanced the ball beyond its own 38 yard line only twice. The first time was Scott's fumble at the Hirschi 47, and the other was on the final possession when the clock ran out with the Hawks at Hirschi's 43 yard line.

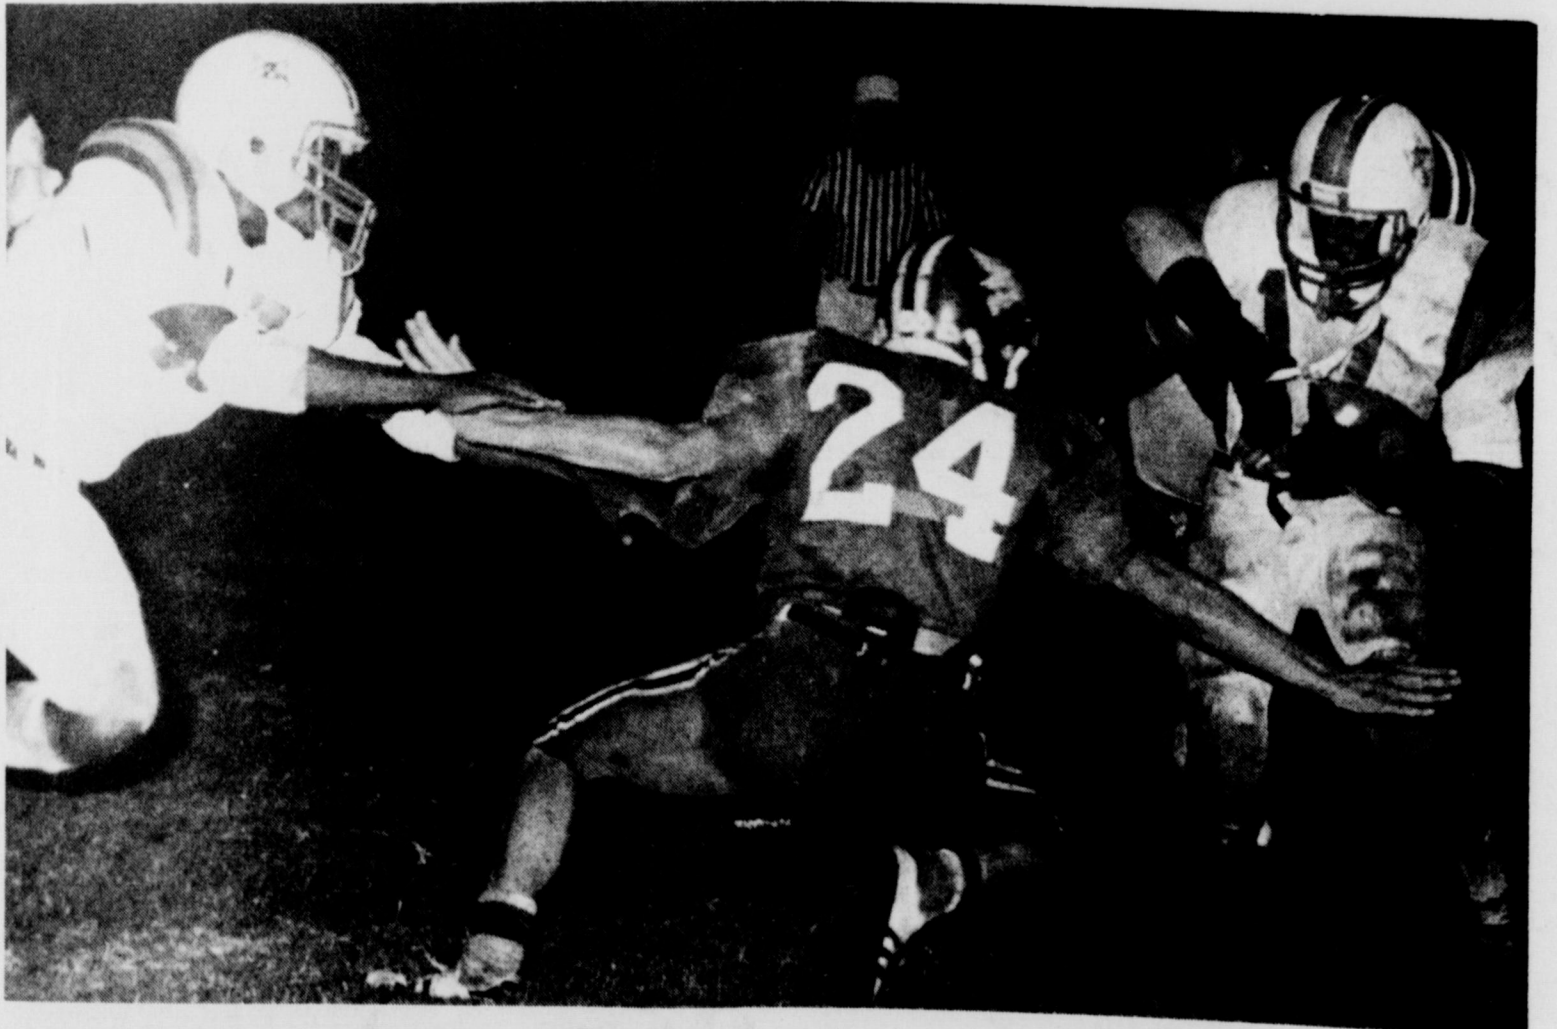

IP	Hirschi

# Eagle rally beats Jacksboro, 14-8

## Ineligible player forces Tigers to forfeit all six games played

Sounds of thunder signalled pending doom last Friday night in Jacksboro with the 2-2 Tigers holding on to a late-fourth quarter lead over the 1-3 Holliday Eagles (records for district); but when the whistle sounded to end the game, the Red Machine pulled off the win following a timely fumble recovery by Eagle linebacker Don Hobgood.

Tuesday afternoon, the Dallas Cowboy-like finish was dulled somewhat by news that Jacksboro would have to forfeit games played to date this season.

Due to the team fielding an ineligible player in those games, the Tigers dropped to 0-6 instead of 3-3.

### FORFEITURES ANNOUNCED

Following a meeting Tuesday of the executive committee of District 11-AA, chairman Don Shearmire announced that Jacksboro was to be assessed the minimum penalty for including an ineligible player on its roster. That penalty, stated Shearmire, was forfeiture of all games played to date, including district games against Holliday, Chico, and Petrolia. The Tigers easily beat Chico, and held off an improved Pirate team in those earlier district games, but, because the player exceeded the 10-semester rule, Chico and Petrolia will be assessed the win.

The result; Chico is no longer "King of the Cellar" in District 11-AA and Petrolia is now thick in the district race with only one district loss thus far, that being to Olney.

Tuesday afternoon, Holliday superintendent Dan Owen, who along with seven superintendents in the district make up the executive committee, said that Jacksboro administrators brought the mistake out in the open by itself after finding one existed. "They should be commended," Owen responded.

"Jacksboro could have gone the rest of the season with the player and I doubt that someone else would have discovered the problem."

Owen mentioned further that, in most instances involving ineligible players he has witnessed, the player was new to the school in which the infraction occurs, and was caused by misinformation or incomplete information.

### THE GAME

The Big Red opened the scoring in Tiger Stadium during the first period, driving 70 yards in six plays highlighted by quarterback Pat O'Brien's 37-yard toss to end Jim Rogers for the score. Kelly Carver's kick went astray, however, giving Holliday a 6-0 advantage.

The remaining minutes of the first half went without either team scoring, due more to drive-killing penalties than tenacious defensive strategy. Penalty-calling drew the ire of the Holliday coaches, with the Eagles being assessed 72 yards in eight flaggings, while the Tigers meanwhile played "official-perfect" ball, receiving only 30 penalty steps in six infractions witnessed by the men in stripes.

Jacksboro's only score of the game was an example of what Eagle coaches and fans deemed "bad officiating."

In the third period, the Tigers mounted a 43-yard, nine play drive with veteran back Johnny Webb going the final three yards for the score. Holliday received a roughing penalty when Webb was tackled on the sidelines, and Eagle head coach Don Lucy called for a timeout to discuss the call with officials. Evidently the officials didn't agree with the Holliday mentor, and tossed another yellow flag to prove it.

As for the extra point attempt by

the Tigers, or three extra point attempts, to be exact; the first two attempts, both kicks, were no good, but each time a flag was thrown for offsides on Holliday. On the third attempt, Jacksboro suddenly decided to go for broke, and Webb succeeded in breaking the plane of the goalline to give the Tigers an 8-6 lead.

The Eagles waited patiently for a chance to go ahead, and that opportunity came with less than five minutes to play in the game, with Hobgood covering a Tiger fumble on the Jacksboro 25.

Six plays later, Jay "Bucks" Burks, the game's leading rusher with 100 yards on 25 carries, broke off left tackle for a one-yard scoring run,

with less than three minutes to play. Danny Hinsley finished up the scoring for Holliday, running the ball in for a two-point conversion and 14-8 Holliday lead.

Eagle defensive back John Smyers snuffed a potential Jacksboro rally by intercepting a Tiger aerial at the Holliday 45 to end the game.

And then it rained.

## Annual Holliday-Petrolia grudge match set tomorrow

Tomorrow night's matchup between Holliday and Petrolia has mushroomed from what would have been just a grudge match against the two perennial foes to an important District 11-AA contest as a result of Tuesday's judgement assessed to the Jacksboro Tigers by the district's executive committee.

Jacksboro was forced to forfeit all six games played this season as a result of the team fielding an ineligible player who had more than his share of semester credits. The result is another team being included in the playoff race in the conference, namely Petrolia's Pirates.

Yes, that's right. The same team that looked like anything but a team this time last year when the Big Red mauled the rebuilding Bucs 67-0.

Following Petrolia's 33-0 blanking of Chico last week, the Pirate's 3-3 season record received a shot in the arm with Jacksboro's forfeitures and an earlier loss to the Tigers is now considered a win, and the orange and black players will converge on an expected-capacity homecoming crowd at Eagle Stadium with but one district loss to their name, that being to Olney.

Pirate signal-caller Jody Henley leads a resurging Petrolia team that is determined to prove last year was a

once-in-a-great-while disaster. Seven offensive starters and six defensive returnees accompany Henley, who threw for three touchdowns and ran for another against Chico. Rounding out the Pirate backfield are brothers David and Paul Lopez, with the latter catching two of those Henley aeriels for scores, in addition to throwing to ends Steve Kirk and Kevin Evans for a touchdown and two-point conversion, respectively, in the same game.

"They are a better team than last year," Eagle coach Don Lucy claims. "They shouldn't be taken lightly at all."

With a whole slew of Holliday High School students and exes in attendance during this week's Round-Up festivities, the 1983 edition

Red Machine will be out to prove, indeed, that they are in the same mold as past Eagle teams. Maybe not as much talent as in the past, yet with just as much guts and determination.

Get to the stadium early for a good seat.

## Powder puff game slated

Holliday High School Spirit Sisters are sponsoring a powder puff girls football game at 7 p.m. Oct. 27 in Eagle Stadium with proceeds going towards future activities by the group.

girls, with concessions offered during the game.

Ticket information will appear in next week's issue.

The newly-formed Spirit Sisters, organized to promote Holliday football, previously financed its efforts individually. But, with the strain on the girls' pocketbooks increasing combined by active interest by the student body, a powder puff game was chosen as an interesting means of financing its projects.

Freshman and junior girls will be pitted against sophomore and senior

Wingback Russell Nettles also caught a Henley pass for a 20-yard touchdown last week, and the senior also covered a blocked punt in the endzone for another Pirate score against the Dragons.

Anchoring the line for Petrolia will be tackle Richard Holley (220), and Mark McMahan (200), who also plays linebacker on defense.

# Round-Up Week now underway

ROUND-UP QUEEN NOMINEES for 1983 at Holliday High School are Staci Anderson, Kara Pautsky, Kim Wylie and Traci Hawley.

Round-Up Week festivities at Holliday High School are underway, with tomorrow night's game between the Eagles and Petrolia highlighting this important homecoming tradition.

Pregame festivities at Eagle Stadium include the crowning of the Football Queen, and at halftime the Band Sweetheart will be announced.

A homecoming dance will be held following the game until midnight in the high school gym, with students in grades nine through 12 to attend along with H.H.S. exes.

Round-Up climaxes Saturday afternoon at 5 with the Senior Class-sponsored Round-Up and barbecue, featuring smoked brisket with trimmings and games on the high school baseball field. Ceremonies will

be moved into Erma Barton Auditorium later in the day for the crowning of the Round-Up Queen and King.

Candidates for Football Queen are Laura Lowder, senior; Tammy Stevens, junior; Cindy Snider, sophomore, and Traci Hawley, freshman.

Band Sweetheart nominees are Sallye Rathman, Larna Nessel and Lisa Boyd.

Round-Up Queen and King nominees are Jay Burks and Staci Anderson, seniors; Corby Sissom and Kara Pautsky, juniors; Kim Wylie and Larry Krob, sophomores; and, Traci Hawley and Jimmy Pautsky, freshmen.

BAND SWEETHEART NOMINEES for 1983 at Holliday High School are Sallye Rathman, Larna Nessel and Lisa Boyd.

FOOTBALL QUEEN NOMINEES for 1983 at Holliday High School are Laura Lowder, Tammy Stevens, Cindy Snider and Traci Hawley.

## Trustees turn over problem to attorney

On March 10, 1981, Holliday School Board contracted with Larry Ledbetter of Ledbetter Enterprises to seal-paint the porous walls of the

high school and athletic buildings.

The decision to utilize Ledbetter's services, which carried a price tag of \$8,745.11 and five-year guarantee, seemed appropriate at the time as trustees looked for an end to the water damage to both buildings following hard rains.

At that meeting, which Ledbetter attended, trustees were informed for the second time by the contractor that his method would work, and the five-year warranty would stand firm.

Then the trouble started. What the board was led to believe was that the sealant was a neutral color that wouldn't affect the complexion of the existing tint. In reality the sealant looked more like a primer, and was definitely not a "neutral color."

To top it off, it didn't work. Then, on the board's June 23, 1981 meeting, trustees agreed to pay Ledbetter 90-percent of the contract's balance, with the remainder to be held until Ledbetter abided by the terms and sealed the walls correctly. The color of the sealant at that time was becoming less and less important to the board, and more emphasis being placed on the effectiveness of

Ledbetter's sealant.

A futile attempt to correct the work was made soon after by Ledbetter's workers, but the job was again left undone.

Now, over two years later, the board has authorized superintendent Dan Owen to turn the matter over to school attorney Roger Lee for litigation in court.

Not that Ledbetter was given more than adequate opportunities to reply to the board following contacts with school officials through the mail and on the phone.

After promising to appear before the board, Ledbetter has failed on several occasions to meet with trustees.

During Monday night's regular monthly meeting of the board, trustees agreed all avenues of compromise had been taken and exhausted, and that Lee would now be responsible for recommending future choices of action.

"I really believe the board would have done everything they could to accommodate Mr. Ledbetter if he would have appeared before it," superintendent Dan Owen said Tuesday. "But now it seems there is

no other way but to involve the school attorney."

In other business tackled by trustees, several policies mandated by the state education board were discussed and included in the school's policy book. Areas included in the policy-making were school personnel, school premises, school curriculum, compulsory education, length of

school days, fees/fines/and charges, transportation, board meetings, and money making projects.

Under money-making projects, with the new policy taking affect Nov. 1, any organization wishing to conduct a fund-raising project must first receive approval from both the principal and superintendent. Also,

no future fund-raisers can involve the selling of chances, rifles, or any project involving gambling.

# Agent 'hits ground running'

By DAVID FINLEY  
County Agent

This is the first in a series of weekly columns you will be seeing from me. Let me say that I'm really proud to be associated with Wichitans. Everyone I've met has been really nice to me.

Moving into a county the size of Wichita County from one the size of Kent County demands that you "hit the ground running," and that is precisely what's happened to me. Last Wednesday I met with one of our outstanding committees, the pecan and fruit committee. Tim Hunter from Iowa Park is the chairman of the committee and really did an outstanding job of carrying on the meeting. A lot of things were decided concerning activities for 1984 including a pecan budding and grafting clinic to be held in April, peach and apple pruning demonstration, small fruit seminar in February, a homeowners pecan seminar in January, and finally a pecan pruning meeting during early March.

Plans were also made for the upcoming pecan show to be held Dec. 2 and 3 at Sikes Senter Mall. Be sure and mark your calendars for those dates.

Cattle feeding time is fast approaching and for some Wichita County producers, it's already here. Hay of varying quality has been put

up and is now being fed. Calls are coming in on what to feed in conjunction with hay. Several producers are deciding on some type of liquid feed, depending on how much forage they have present, while others are interested in range cubes and other sources of protein feed.

Liquid feed containing 32 percent protein with urea as the protein source has been the most commonly mentioned. If you decide on feeding this, you will need to get your cattle use to it gradually. Make sure they have unlimited roughage and plenty of fresh water. Placing feed troughs within 100 feet of water will assure your cattle of getting as much water as possible. Liquid feed will cause your cattle to utilize lower quality roughages and will also make them clean up stalk fields as well.

Fleas and ticks remain a problem for a lot of Wichitans. Those pesky insects not only infest your pets but also you if given the chance. A female flea can lay over 400 eggs that will hatch in three to 12 days. The eggs deposited on the host will fall off the animal onto bedding and other areas frequently used by your pet. They will hatch, and about two weeks later, the larvae develop into non-feeding pupae. The adult stage is variable and individuals can survive long periods of starvation when detached. That's one reason they will "jump" on you

when you walk through grass infested with them.

Several chemicals are available for controlling fleas. Among these are Sevin, Korlan, Spectracide and Dursban. Granulated form will have a longer residual on your yard. Be sure and read the directions on the label carefully.

Just because it's fall in Wichita County does not mean that there is nothing to do in your gardens and lawns. There are a lot of things you can do to beautify your home and landscape. I'm going to outline a few of them each week this month. Remember, though, that there are certainly more things than I'll be telling you.

Probably the most talked about item in the flower garden at the present time is planting bulbs. Many are on sale all over town. You can watch the paper and listen to the radio and catch many of the spreads. As you plan the display of early spring color in your garden, keep in mind that a mass planting for one particular bulb or color will produce a more desirable effect than a mixture of many colors in the same location. Also, the greater number of bulbs planted, the more impressive the display will be.

The flowers of your planted bulbs will stand out more vividly when displayed with a contrasting

background. For example, white hyacinths in a bed of English ivy, yellow daffodils against a clipped hedge of Benford Holly, or red tulips standing over a blanket of yellow pansies.

Whatever you plant, buy good quality bulbs.

Lawn care should not be neglected at this time either. There are several annual cool season weed pests that will invade your lawn if special care is not taken. Their seeds will germinate from through January. This is the best time for control using a preemerge herbicide. Three herbicides that if applied now will give excellent results are Daethal, Balan or Betasan.

## Students needing autos to repair

Iowa Park High School Vocational Auto Mechanics classes are now accepting shop jobs for the students to work on in class.

The students learn by hands-on experience from vehicles provided by customers in the community. Classes need brake jobs, tune-ups, front end work and other minor repair work. The students do repairs under the watchful eye of Robert Sumner, Auto Mechanics instructor.

The shop is open from 8 a.m. until 3:45 p.m. each school day. Call Sumner at 592-4432, or go by the Vocational Auto Mechanics shop located on the corner of Johnson Road and West Highway to set up a time for repairs.

## OWN YOUR OWN BUSINESS

The office supply business can provide you with a year-round stable income. We offer a franchise opportunity that makes sense. Call for details, The Paper Clip, 761-2003.
