Unsuccessful bidders complain to council

What was listed on Monday night's city council agenda as a resident's public appearance turned out to be a complaint session by two unsuccessful bidders of computer systems.

Freddie Simmons, according to the agenda, was "to discuss the purchase by the city of a computer from CPS." But when Simmons was given the floor to speak, he introduced the two unsuccessful salesmen and called on one to talk.

William McCarthy and Jimmy Sims were introduced, but McCarthy did most of the talking, alleging the city

had spent \$20,000 more on the computer it bought than the lowest of units offered in the bidding.

He and Sims accused administrator James Barrington of telling them all bids would be rejected and a new call for bids put out, that they did not have sufficient time to prepare their bids, that the purchase was "hurried up" and that Barrington was intent to buy only the CPS unit in the first place.

Several times McCarthy made allegations that Barrington had acted improperly until Alderman George Hammonds told him "If you want to

throw some darts, don't throw at him (Barrington). The council made the decision on the purchase and voted unanimously to do it."

McCarthy, shortly after the council's decision to purchase a computer, wrote a letter to all members of the council and local newspaper, in which he posed the question that Barrington might have taken a kick-back.

In response to the purchase coming so quick, Barrington recalled that the council had discussed the purchase

TO BURKBURNETT

Hawks travel Friday

You can throw the records out the window when Iowa Park and Burkburnett meet on the football field, because that old rivalry is always upsetting the "experts" attempting to predict the outcome.

The Hawks and Bulldogs will meet at 8 tomorrow evening in Burkburnett.

Neither team is enjoying a roaring success this season. Iowa Park has won three games and lost four, while Burk has won four and lost three. In district play, the Bulldogs are 2-2 after losing last week to Vernon, 28-13, and the Hawks are 1-3, following Friday's big 10-6 homecoming win over Gainesville.

David Baugh.

He was referring to senior quarterback Clay Martin, 160, and 225-pound tackle Joe Kelly, who are among the four starters returning from last year's 6-4 team.

Since the two teams have been in the same conference, Burkburnett has won eight and lost four against the Hawks. The Bulldogs broke a two-year winning streak of the Hawks last year when they shut out the Mean Green, 24-0. Iowa Park's wins came in 1973-74 and 1980-81.

"Burk has a good team with a fine quarterback who is possibly the best in the league, and one of the best tackles," commented Head Hawk

The Hawks could be short-handed again this week. Two-way starter Greg Untalon continues to nurse a knee that kept him out of action against Gainesville. He worked out Monday and Tuesday, but was held out of any contact.

Rowdy Robertson, 205-pound senior who is used mainly of defense, missed workouts early this week. He suffered a sprained ankle Friday and has been using a crutch to get around campus.

Van Hedrick is expected to continue starting at quarterback the rest of the season. He took over as field general when senior Dale Hayley underwent surgery for a hernia, and had the most successful game passing the Hawks have enjoyed all season. Hedrick completed five of nine aerial attempts for 79 yards.

Turn back clocks Saturday evening

The nation returns to standard time shortly after midnight Saturday, so people will be able to sleep an hour later Sunday.

Persons wanting to get to church on time Sunday should turn back their clocks one hour before retiring Saturday.

For those who have trouble remembering which way to turn the clock, the saying is "fall back, spring forward."

HALLOWEEN FEATURE - Iowa Park Recreational Activity Center will sponsor a haunted house for children 12 years of age and under from 6 to 8 p.m. Monday. There will be fortune telling, dunking for apples, face painting along with treats and refreshments. The only charge will be for face painting by the ESA as a fund-raiser. The event is an alternative to "trick or treating," according to Betty Merriman, RAC director.

Chief offers safety tips for Halloween tricksters

With Halloween just around the corner, the Iowa Park Police Department has offered a few suggestions that hopefully will make the celebration of this annual event one that is safe and free from accidents and unpleasant incidents.

"Actually, I would like to see the practice of youngsters going door to door, seeking treats, ended in the celebration," said Police Chief Tom Fenley. "This is dangerous both due to the possibility of the kids being hit by cars and also, unfortunately, due to the possibility of kids being given contaminated treats."

However, aware that such door to door soliciting will occur, the police department offers the following suggestions for decreasing the danger:

1. Have children wear light colored clothing, preferably with reflectorized tape front and back;
2. Do not let children go out without adult supervision, not even in the immediate neighborhood;
3. Instruct children to not consume any treats until they have returned home and everything has been closely inspected by an adult;
4. Keep children's trick or treating within a specific area, preferably the immediate neighborhood;
5. Parents should inspect all treats

VOLUNTEER FIREMEN HOSE DOWN FLAMING FURNITURE AND MERCHANDISE ... during Wednesday night's fire in Ken's Foodliner.

FIRE Grocery 'probable arson' victim

The first major business fire in Iowa Park in almost six years heavily damaged Ken's Foodliner about midnight Wednesday of last week.

"Probable arson" was listed as the cause.

Fire marshal Bud Thompson said yesterday results of samples sent to a state laboratory are necessary before a final ruling of the origin is made.

Two experts, one from Wichita Falls and one state official, have worked with Thompson in the investigation. They have identified three separate areas where fires were started in the building.

Police were the first to notice smoke coming from the back part of the building, and the signal to volunteer firemen was sounded at 11:46 p.m.

First firemen on the scene, recognizing the possibility of the fire spreading to adjoining buildings of the shopping center, summoned assistance from Wichita West and Electra volunteer departments.

Occupants of the other buildings were also notified so they could take out anything of value from their businesses, in case the fire did spread.

However, firemen were able to bring the blaze under control before it could spread, attacking the flames from both the front and rear of the building.

The three areas in which fire was started were in the middle aisle about 25 feet from the checkout stand, and in two areas in the northwest corner. There was no evidence of any fire

between the three areas of origin.

The fire in the aisle did the most damage, not only to merchandise but fixtures and structure as well.

Ken Barnes, owner of the food store, said the damage, which is covered by insurance, could run as high as \$250,000. However, J.W. Herman, adjuster for Aetna Casualty and Surety Company, said he did not believe the loss would run that high, although he did not have the inventory figures at the time.

No estimate has been made on damage to the structure, which is covered by another company. That estimate was it could run as high as \$30,000.

There was no damage to any other building in the complex, either by fire or smoke.

Barnes said he and an employee locked the building sometime between 8:35 and 8:50. He recalled arriving at his home in Wichita Falls shortly after 9 p.m.

Thompson gave Barnes permission to begin cleaning up the building about mid morning Friday, after taking a full day to investigate the building and contents.

A crew immediately began inventorying the contents, and was to complete the work sometime yesterday. All perishables were taken to the sanitary landfill and disposed, upon instructions from a representative of the state health office.

Barnes said he attempted to give meat from the freezer to the Salvation Army within 10 hours of the fire, feeling secure it was still good. But he said the state officials instructed him he could not give it away, only destroy it.

When asked what he thought of Thompson's findings, that the fire was "probable arson" in origin, Barnes said "I don't see how it could be anything else, after what they've shown me, I can see their point."

Barnes' future plans concerning reopening of the business are still undecided, he said yesterday.

He explained that the insurance policy is made out to Affiliated Food of Dallas, which financed his purchase of the business last January from Herb Skinner.

He is to meet with the Affiliated Board late this week or early next week to determine his situation, he said.

The last major business fire in Iowa Park was January of 1977, when the Fina station at Jackson and West Highway, owned by John Ratcliff, was destroyed by a blaze started along the railroad track and fanned by high southwesterly winds.

The Foodliner fire took place after the Leader had been printed Wednesday, and word still hasn't reached all of Barnes' customers. As late as yesterday noon, shoppers stopped at the store and approached it before realizing it was closed.

Alexander, Cailteux vows solemnized Saturday evening

The altar of Christ United Presbyterian Church in Wichita Falls was illuminated with tall candles burning in spiral candelabra entwined with greenery for the Saturday evening wedding of Miss Renee Dawn Alexander and Larry Ray Cailteux. The candelabra stood on either side of an archway traced with emerald greenery accented with mauve, burgundy and white roses and carnations, all forming the background for the white-cushioned kneeling bench.

The lower altar was appointed with two large baskets holding arrangements of white silk gladioli, mauve and burgundy mums and peonies, and the unity candlestick. To seal their vows, the couple lit a large wedding candle imbedded with their wedding invitation, a special gift from the bride's sister.

The choir rail, piano and organ boxes were draped with greenery and the instruments held floral bouquets in the bride's colors. Family pews were designated with votive candles banked with greenery and other church pews were topped with large bows centered with wedding bells.

Baskets of fern were placed on either side of the door leading into the sanctuary.

Rev. E.B. Compton Jr., pastor, officiated the double-ring ceremony to join in marriage the daughter of Mr. and Mrs. Loyd Alexander, Huntington Lane, Wichita Falls, and the son of Mr. and Mrs. Gary Mobray of Wichita, Kansas and Mr. and Mrs. Eldon Cailteux of Seattle, Washington.

Mrs. Mark Kyles directed signatures of wedding guests when they arrived at the church at a round table in the entry covered with white satin. It was appointed with a decorative shower of candles accented with mauve and burgundy flowers and ribbons, burgundy plume pen and the wedding book.

The wedding music was provided

MRS. LARRY RAY CAILTEUX

by Miss Mary Ann Detrich, organist, who presented a prelude concert of the couple's favorite selections, provided accompaniment for vocal selections by Mrs. Don Conyers and played the wedding marches. The vocalist sang "The Wedding Song" before the ceremony and "The Lord's Prayer" at the close.

Miss Detrich played "Trumpet Voluntary" as the bridal attendants walked to the altar, then changed to Wagner's processional when the bride entered, and concluded with Mendelssohn's recessional.

The bride was escorted to the altar by her father who presented her in marriage for her parents. She wore an exquisite gown that complemented her natural and youthful beauty. Her

white silk organza wedding dress over candlelight peau de soie was embellished with Venise and Wedgewood laces.

The rich Venise lace covered the fitted bodice, formed the design of the Queen Anne neckline and the large medallions sprinkled with pearls that adorned the full double sheer bishop sleeves. The back of the bodice added compelling charm to the gown with graceful pearl buttons extending from the neckline to a satin bow with streamers at the waistline. Multi flounces of Wedgewood lace above the hemline of the full skirt lifted briefly at the sides then extended the length of the chapel train.

The bride's two-tiered illusion veil was adorned with lace medallions and cascaded to waltz length from a Juliet cap of lace and pearls. She carried an all white silk bouquet of gardenias, apple blossoms, stephanotis and ivy.

Her "something new" tradition was a diamond gold bracelet, a gift from the groom. She wore her mother's pearls for "something old;" the groom's sister's pearl earrings for "something borrowed;" a lace and ribbon-trimmed garter for "something blue;" and a good luck penny in her shoe dated the year of her birth provided by Mrs. Tony Menzie.

The bride's attendants included a maid of honor, Miss Rita Chesser of Wichita Falls, a matron of honor, Mrs. Tony Menzie of Fort Worth, the groom's sister, and two bridesmaids, Carol Counts, the bride's sister of Fort Worth, and Miss Kristi Cooley of Iowa Park. They wore long burgundy taffeta gowns designed with heart-shaped necklines, three quarter length sleeves, fitted waistlines encircled with matching sashes and bows. They carried nosegays of mauve and burgundy silk roses.

Amber Menzie of Fort Worth, the flower girl, wore a long burgundy taffeta dress styled with fitted waist with mauve lace trimming the neckline and forming the sleeves. She carried flowers in the bride's colors in a white straw basket. Brian Cailteux of Fort Worth, the ring bearer, wore a tuxedo to match the attire of all male participants in the wedding.

Jason Counts and Gina Schaich served as candlelighters. His attire was identical to the groom's formal

suit, and she was dressed like the female members of the wedding party.

The groom, his attendants, ushers and fathers wore light gray European cutaway designer tuxedos with white wing tipped pleated shirts and gray and white silk ascots.

Tony Menzie of Fort Worth was the groom's best man. Groomsmen were Steve Cailteux of Fort Worth, Jeff Menn of Arlington and Mike Webert of Wichita, Kansas. Ushers were Loyd Alexander of Wichita Falls, brother of the bride, and Steve Schaich of Dallas.

The bride's mother chose a platinum moire taffeta gown featuring a fitted jacket with a small flared peplum trimmed with pearl and rhinestone buttons. Mrs. Cailteux wore long sleeved peach crepe street-length dress. Both wore mauve and burgundy silk roses in their corsages.

The bride's parents hosted the wedding reception in the Fellowship Hall of the church where one corner was filled with various green plants and a white iron bench to resemble a garden scene.

The bride's table served as a focal point of attention and admiration in the room. The cover featured a white lace cloth draped at the top with mauve and burgundy ribbons caught up with matching bows over white satin.

Guests were fascinated by the charm of the three-tiered white cake decorated with mauve and burgundy frosting flowers and encircled with ivy in the center of the table. Stairways at the sides held bridesmaids dressed in burgundy gowns and groomsmen in grey tuxedos and led to small cakes on either side of the fountain. A bride and groom stood in a circle of mauve bows and small burgundy flowers for the top ornament.

The table extremities held silver candelabra clothed in the finery of bouquets of flowers in the chosen hues and uprising white candles. The white bridal napkins lettered in gold with "Renee and Larry, October 22, 1983," pink wedding bell and rosette-shaped mints added bits of interest to the table decor. Mrs. Randy Catlin and Mrs. Mark Kyle

served at the table during the reception.

The groom's table, covered with burgundy pleated satin, held a three-branched silver candelabrum decorated with burgundy flowers, a double-ring cake decorated with frosting burgundy flowers, silver coffee service, bell-shaped chocolate candy, each appointment linked together with greenery. Mrs. Steve Cailteux and Mrs. Steve Schaich presided at the table.

Miss Tammy Hickey served the punch from a silver punch bowl at a round table covered with white satin. The bride and groom toasted one another with silver glasses on the table.

Following the reception, the groom hosted an hors d'oeuvres party at the Gateway Inn.

The rehearsal dinner was hosted by the groom's parents Friday evening at the Kiva Inn.

The bride was graduated from Iowa Park High School and attended Midwestern State Univ. The groom, who is employed as assistant manager of Dillard's at Fort Worth, was graduated from high school at Wichita, Kansas and attended Kansas State Univ. The couple will live in Fort Worth.

Special wedding guests were Mrs. Kenneth Heckle of Memphis, Tenn., Mrs. Walker Reed and Mr. and Mrs. Bruce Alexander, all of Savannah, Tenn. Others who attended from out-of-town were Messrs. and Mmes. Mark Koehring, Mike Weber, Harold Menzie, all of Wichita, Kansas, Mrs. Bonnie Heckle of Memphis, Tenn., Mr. and Mrs. Roy Grimes of Fort Worth, and J.D. Hurst of Ellisville, Miss.

Beta Sigma Phi hears speaker

Danny Croxson, president of the Wichita Falls Maternity Cottage, was the speaker for the Monday evening meeting of Alpha Epsilon Omicron chapter of Beta Sigma Phi at the home of Gayle Cleghorn.

He stated that the home is for pregnant abandoned married women, unwed mothers and battered pregnant wives. It was started about four years ago and is run strictly on donations. The speaker said that the home could use volunteers, linens, cookware, baby and maternity clothes.

During the business conducted by Janna Barry, the chapter adopted the Maternity Cottage as one of the projects for the year. Members were reminded of the Pounding Party Nov. 7 and the Cowboy Dance Nov. 12.

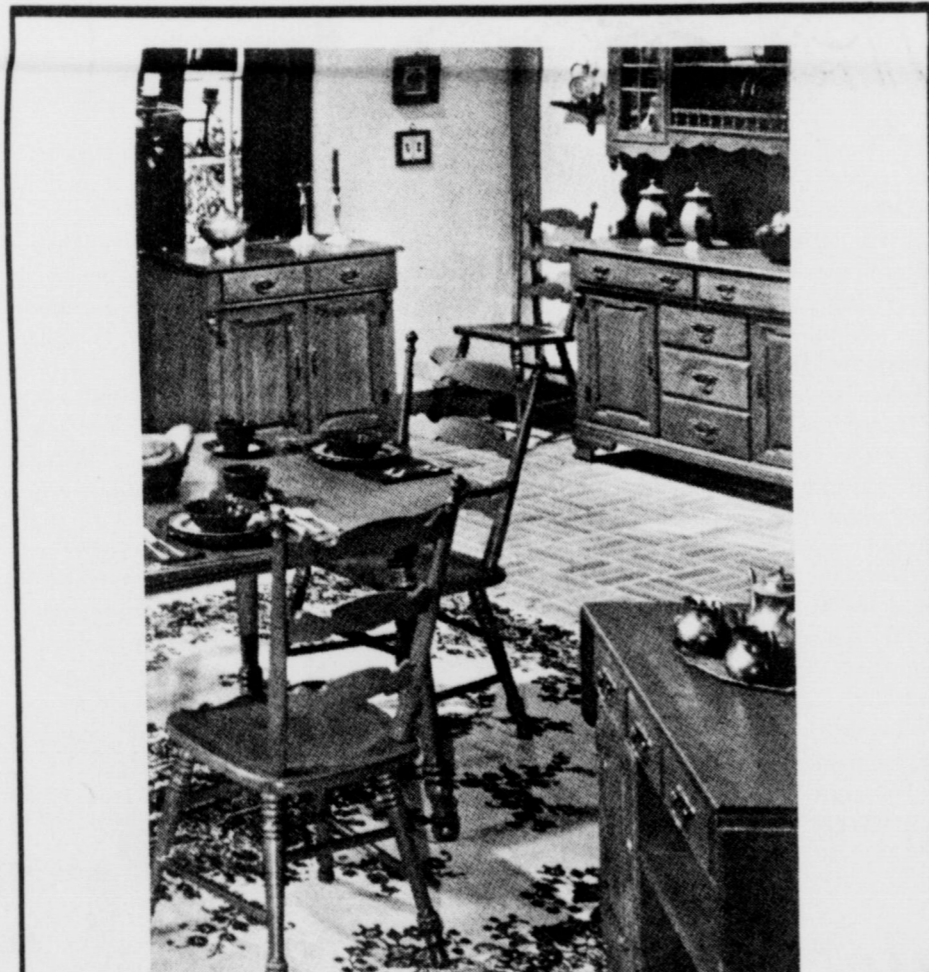

Bride elect is honored

Miss Deanna Lynne Wright, bride-elect of James Allen McGee, was honored at a miscellaneous shower Saturday at Texas Electric Reddy Room. Hostesses were Misses Vicki Baker, Stephanie Frazier and Karen Wright.

The honoree's chosen colors of yellow and blue were carried out in decorations for the party.

Special guests were Mrs. Charles B. Wright and Mrs. Earl Hudson, mothers of the engaged couple.

The wedding will take place Nov. 5.

Shower fetes bride elect

The Bible theme that will be carried out in the wedding of Miss Cynthia Wells and Phillip Farnsworth lent itself to decorations for a pre-nuptial shower given Tuesday evening for the bride-elect.

The home of Mrs. Bill Bates was the scene of the party. Serving as co-hostesses were Mmes. James Yarbrough, V.I. Woodfin, Joe Ward, Leo Thames, Joe Singer, Terrel Silvers, Jerry Robertson, Frank Roberts, Robert Mellroy, Howard Marlar, Steve Lowe, D.O. James, Alton Hunter, Vern Horsky, Herman Escue, Donald Hill, Don Dietrichson, Bill Curry, John Cummings and Keith Aulds.

The guest book rested on a brass antique music stand appointed with a replica of a red Bible opened with a pink beaded ribbon at the scripture "Whither thou goest" on one page and the names of the betrothed couple and their wedding date on the opposite page.

Each guest was pinned with one of the Bibles taken from a tray in a courtship pattern.

The refreshment table with its delicate and meticulous decorations was pleasing to the most refined tastes. It was draped with a white organza cloth appliqued with pink linen roses and bordered with pink linen. The dignified centerpiece was an antique silver epergne filled with an arrangement of red and pink sweetheart roses intermingled with baby's breath and flanked by two-branched silver candelabra holding tall pink candles. A red letter version of the Bible given to the groom-elect by his parents in 1968 was placed at the base of the epergne in front.

One extremity of the table was appointed with a silver tray holding tiny meringue cups filled with red cherries and sauces and topped with a dollop of whipped cream. An antique silver bowl inset with glass at one side was filled with the red cherries. The silver punch bowl at the opposite side of the table and the pink rice paper napkins completed the picture.

Miss Wells, Mrs. Howell Farnsworth and Trudy Sullivan, mothers of the engaged couple, were presented with corsages of red and pink carnations and baby's breath.

The couple will exchange marital vows Nov. 26 at First Baptist Church.

Mother, daughter give demonstration

Mrs. Cheryl Miller and daughter gave a program and demonstration on candy making for the Iowa Park Arts and Crafts Association at a meeting held Tuesday evening in Texas Electric Reddy Room, showing how candy may be made appropriate for various occasions.

New officers were elected to include Mmes. Joyce Schmidt, president; Wendy Martin, vice president; Shirley Hicks, secretary; and Diana Britt, treasurer.

Hobo stew party for Baptist groups

A hobo stew party was held Monday night at First Baptist Church for members of the Adult Five and Six departments of the Sunday school. Mrs. Jack Railsback and Mrs. Joe Singer, the directors, were in charge.

Following the meal of stew and corn bread eaten at tables laid with newspapers, the group sat around a camp fire for the program. Terry Escue furnished his guitar accompaniment for three vocal solos, "Walking My Baby Back Home," "On the Sunny Side of the Street" and "What a Friend We Have in Jesus."

Hobo stories were told by Jack Railsback, R.E. Reynolds, Mr. and Mrs. George Lewis and Rev. Hal Farnsworth.

Mrs. Hallie Price and the Lewises won the prize for the most typically dressed hoboes.

CARD OF THANKS

We are so grateful to our friends and relatives who have strengthened our hearts and given us courage to face our sorrow over the death of our precious little baby. Our special thanks to the EMTs, SID ladies, Dr. Earl Watson for their help, and women of the Grace Baptist Church for the meal they served on the day of the funeral. The flowers, cards, visits and every expression of concern will always be remembered and we do indeed thank each one who had a part in alleviating our sorrow.

Yeakley earns scholarship in free enterprise talks

Jay Yeakley won Texas Farm Bureau's District 3 Free Enterprise Speech Contest held Thursday, competing with six other contestants from area counties. He became eligible to enter the district contest after attending TFB's High School Students Citizenship Seminar in July at Angelo State Univ.

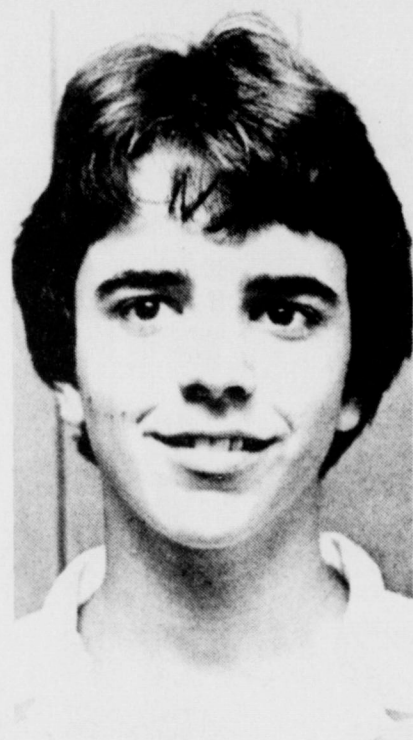

Each student had to make at least five persuasive speeches concerning free enterprise to various civic, social, school or church groups in the period of time between July 25 and Sept. 21.

As the district winner Jay will be awarded a \$750 college scholarship from Texas Farm Bureau and will compete in the state semi-finals at the TFB annual convention Nov. 27-30 in Houston. Six contestants will advance to compete in the contest finals, and a state winner and one runner-up will be chosen.

The state winner will receive a \$2,000 college scholarship, the state runner-up will receive a \$1,500 college scholarship, and each of the four finalists will receive a \$1,000 scholarship.

Jay is the son of Mr. and Mrs. Alton Yeakley and is a junior in high school. He is a talented vocalist and pianist having won many honors for his musical talents. One of the honors was to be chosen to participate in the Texas Baptist All-State Youth Choir and a special group within that choir, Living Song.

He is a member of the Iowa Park High School A Cappella Choir and

JAY YEAKLEY

received All-State honors in 1982. He is a member of Thespians and Student Council and won third in state UIL typewriting year. He is an active member of First Baptist Church, the sanctuary and youth choirs and various youth activities.

Cook of the Week

Sweet potatoes and yams, both tuberous roots cooked and eaten as vegetables, are often confused, a mistake which has often been made in the past and is still being made. The two look alike, and, to a certain extent taste alike, but they belong to two different families.

Mrs. M.L. Boylan's Sweet Potato Fritters recipe this week aroused interest in the history of the plant and its origin. According to one history of foods it was unknown in the Mediterranean World and there is no mention of it in the Bible. The oldest archeological evidence concerning the sweet potato is Peru. It was planted early in Spain. Henry VIII of England obtained sweet potato plants from Spain and ate roots in a sweet spiced pie.

Its history in the United States is minutely documented from the time of its first discovery in America by Columbus, who reported that it existed in many varieties. He was served three or four kinds at a feast given in his honor by the king of the island of Saint Thomas.

One source says that the sweet potato was being cultivated in Virginia in 1648. At one time it was considered of considerable importance to the diet of the United States in sweet potato pies, biscuits and candied, which were classed as soul foods. George Washington Carver found a hundred new uses for the sweet potato, and the Univ. of Maryland even created sweet potato ice cream to aid the state's beleaguered sweet potato growers.

According to one source, they are not so popular with Americans at the present time. Whether we prefer sweet potatoes or yams, what would Thanksgiving or Christmas dinner be without them candied to serve with the turkey and cranberry sauce? They are delicious baked, in pies, and there is a Sweet Potato Supreme cake that is "out of this world."

Marjorie Boylan of Wichita Valley Farms attended school in Archer City. She is a Methodist and member of the North Texas Tole chapter. She is also a certified Priscilla Houser tole teacher. She teaches painting at *Mustard Seed in Wichita Falls and in her home.* Her hobbies are collecting cigarette lighters and miniature dishes. She makes porcelain dolls and does oil painting and ceramics in addition to her tole painting.

Mr. Boylan works for Longhorn Music Co. in Wichita Falls. They have two sons, both graduates of Iowa Park High School, Cooper and Lonnie of Wichita Falls; and six grandchildren.

SWEET POTATO FRITTERS

- 2 cups mashed sweet potatoes
- 1/2 cup flour
- 1/2 tsp salt
- 1 tsp baking powder
- 4 tps melted butter or oleo
- 2 eggs
- 1 cup milk
- 1 T sugar

Combine butter or oleo, potatoes, sugar, milk and egg yolks. Beat until smooth. Sift flour. Measure and sift

Mrs. M.L. Boylan

with baking powder and salt; add to first mixture. Fold in stiffly beaten egg whites. Drop by teaspoonfuls into deep fat (365 degrees) and fry until brown.

OLD TIME CHILI

- 10 lbs. chili meat (or use a roast and have it ground)
- 1 cup Wesson oil
- 2 or 3 tsp. garlic powder
- 2 large onions, sliced fine
- 2 small jars Gebhardt chili powder
- 2 T cumin seed
- 3 to 4 cups water
- 1 T ground red pepper
- 2 large bell peppers, diced fine
- 3 T paprika
- 2-16 oz. cans tomato juice
- Salt and pepper to taste

Place Wesson oil in a large pot, add 1/2 chili meat and brown; then add rest of meat and brown. Add water and seasonings, except chili powder. Let cook about 3 hours on low. Add chili powder and tomato juice and cook 2 hours longer. Serves 10 and freezes well.

PEANUT BUTTER FUDGE

- 1 cup sugar
- 2 T butter or oleo
- 1 tsp vanilla
- 1 cup marshmallows
- 1/4 lb. peanut butter
- 1 cup brown sugar
- 1/2 can evaporated milk
- Few grains salt

Cook sugar, butter or oleo, milk and salt to soft boil stage (234 to 238 degrees). Add marshmallows and peanut butter just before removing from the fire. Do NOT stir. Cool to room temperature. Add flavoring and nuts or pecans, if you like, at this time. Beat until mixture is creamy, thick and will hold its shape when dropped from teaspoon. Pour into well-buttered shallow pan; cut into squares.

CHEESE CROQUETTES

- 3 T melted shortening
- 1/3 cup flour
- 1/4 tsp salt
- 1/2 cup bread crumbs
- 1/4 tsp paprika
- 1/2 cup grated cheese
- 2 eggs, well beaten
- 2/3 cup milk

Add flour and seasonings to shortening. Stir until smooth, then

add milk. Cook over hot water until thick and smooth, add 1 egg and the cheese; stir until well blended. Turn into well-oiled pan; cool, and form into small balls. Roll in crumbs then dip in beaten egg, roll in crumbs again. Fry in deep fat (365 degrees) until brown. Drain on crumpled absorbent paper. Serve with favorite sauce or plain. Serves 6.

CHICKEN CORN MEAL SOUP

- 6 cups chicken broth
- 1/4 cup diced onion
- 1 cup diced potatoes
- 1 cup chopped chicken
- 1/4 cup corn meal
- Salt and pepper

Heat broth to boiling, add vegetables. Cover and simmer until vegetables are tender. Sift in corn meal slowly, stirring constantly. Add chicken. Season to taste; cover and simmer for 10 minutes.

CHILI LOAF

- 1 cup canned peas
- 1 cup bread crumbs
- 1 egg
- 1/2 lb. ground round steak
- 1 onion, minced
- 1 T melted butter or oleo
- 1/2 tsp. chili powder
- 1 tsp salt

Combine all ingredients. Form into a loaf and bake at 375 degrees about 1 hour. Serve with tomato sauce. Serves 6.

Volunteers sought to work with functionally illiterate

A slide presentation given by Karen Diekhoff, program coordinator of the Wichita Adult Literacy Council, Thursday afternoon for the 23 Study Club meeting made members more aware of the functionally illiterate people in the nation, state and county. The speaker encouraged volunteer efforts in the competency-based adult education program and recognized Mrs. Erwin F. Soell as one of the club members who was doing volunteer work.

The slide presentation showed how the life styles of an adult man and his family were changed after he learned to read through an adult literacy program. He became independent and competent to carry on a very successful business.

Mrs. Kiekhoff gave statistics to reveal a staggering number of functionally illiterate people in the nation, state and county. She said taking the national percentage average of twenty three percent of the population functionally illiterate and applying it to the total adult population of Wichita County that about twenty percent were functionally illiterate. Those who enroll in the county's adult education program are taught on a one-to-one basis by volunteers who have been trained. Mrs. Diekhoff is the only paid staff member.

Mrs. Sam Hunter served as program leader. Mrs. L.E. Brooks brought the meditation on "Inner Attitudes of the Heart."

For the arts number, Mrs. Bill Bates discussed "Education for the

Pre-schooler in Music Kindergarten." She told of her first experience with four and five year olds in another city that convinced her that musical education could begin that early. She stressed the importance of making it a fun thing as well as a learning process and gave examples of how Halloween, Christmas and other holidays could be used to teach the young people their notes, clefs, etc.

The meeting was held in the home of Mrs. D.O. James. Co-hostesses were Mrs. James Sewell and Miss Ethyle Kidwell. Refreshments were served from a table covered with a white embroidered linen cloth purchased in Nassau and appointed with Halloween motifs.

Hawks do it again... 'upset' Gainesville

"You couldn't have written a script more exciting than that football game," beamed a Hawk fan as he headed toward the stadium exit Friday night.

He and several hundred other Iowa Parkans were elated with the 10-6 homecoming celebration victory over Gainesville. The score would have been enough, but the game was loaded with big plays and the climatic ending was a scene that would have made the weak-hearted faint.

All 10 of Iowa Park's points were scored in the second quarter. But it was the defensive platoon that spelled the difference, mounting two major stands deep in their own territory in the first and fourth quarters.

The odds were all against the Hawks, who had lost their last four games, three of which were by shutouts. Harris Rating System had the Mean Green a 23-point loser. And to top it all off, they'd lost their starting quarterback, Dale Hayley, and two-way starter Greg Untalon, to injuries.

Iowa Park's touchdown was actually set up by two Gainesville mistakes.

First, the Leopards were going to punt from the Hawk 49, when the ball sailed over the punter's hands and deep into Leopard territory. He retrieved the ball, but was tackled on his own 35, giving the Hawks possession.

On the next play, tight end Scott Young went downfield for a pass and his defender was ruled to have interfered with his attempt to catch the ball. So the Hawks had a first down at the 16.

Then Van Hedrick, who quarterbacked the entire game, threw to James Beebee in the right flat at the 11 and the big junior who was playing in the place of Untalon rambled into the end zone untouched.

Jerry Allen's kick for the extra point was good, and the Hawks led 7-0 with 9:41 remaining in the half.

Moments later, the score appeared to have been tied when a Leopard defender hit Hedrick's arm, knocking the ball into the air. Another player took the ball and raced some 45 yards to the end zone and began celebrating the touchdown.

But the officials were whistling and waving their arms, because a yellow flag lay at the Gainesville 33 and the Leopards were charged with defensive holding.

That not only gave the Hawks a first down at the Leopard 30, but kept alive their drive in the fading moments of the period.

The Hawks continued to drive to the Leopard five yard line where, with 39 seconds left, they drew a 15-yard penalty for holding.

After a pair of pass attempts fell incomplete, Allen was called on to try a field goal from the 22 yard line. Eventhough he was kicking a damp ball into a slight breeze, Allen split the uprights 32 yards away, with several yards of carry to spare.

That gave the Hawks their 10-0 lead with 12 seconds still showing in the half. Gainesville's 52-yard scoring drive in the third quarter was kept alive by a Hawk mistake.

Starting from their own 48, the Leopards were unable to pick up a first down and punted. However, Iowa Park was ruled to have too many players on the field when the ball was punted, and after the penalty the Leopards had the first they had wanted.

Ten plays later, Gainesville's quarterback skirted left end the 13 yards needed to score. But the Leopards attempted to run for the two-point conversion, and were cut down five yards shy of the goal, making the score 10-6 with 39 seconds remaining in the third quarter.

The Hawks marched all the way to the Leopard 24 yard line early in the final period. But two consecutive holding penalties took them out of any scoring possibility and they were forced to punt.

Beebee's punt was killed on the Leopard one-foot line by Jeff Brookshire, and it looked like the Mean Green had the visitors where they wanted them. But on the first play, Gainesville broke through the shallow defensive line 32 yards.

A seven-yard sack by Young forced the Leopards to punt from their own 36, and that is where the hearts of Hawk fans went into their throats.

Kendell Hill misjudged the carry of the punt. He attempted to make an over-the-shoulder catch at the 26, couldn't hold on, and Gainesville covered it at the 15.

Four plays later, needing only a yard for a first down, the left side of the Hawk defense wouldn't bend, and the runner was downed just short of the five yard line.

Game officials measured the position of the ball, and found it about three links of the measure chain short of a first down, giving the Hawks possession with 53 seconds remaining.

Hedrick used two plays to kill the remaining time on the clock.

Iowa Park had mounted another major defensive stand in the first quarter.

Gainesville's first possession of the evening began at the Leopard 37. The visitors used 11 plays to reach the Hawk six. There, with a first down, Greg Whisnand made a tackle three yards behind the line of scrimmage. The next play was a seven-yard gainer, and the following took the ball's nose right up the goal line.

The Leopards tried the left side of the Hawk line for the TD, and came up a

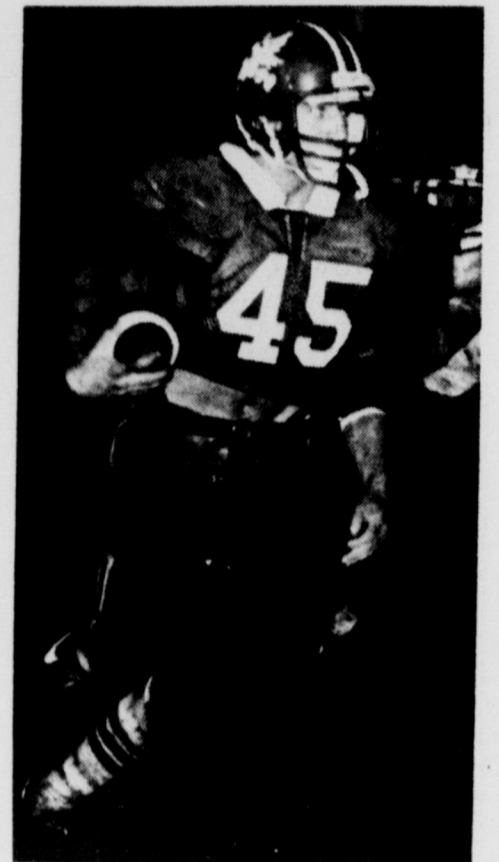

yard short, turning over possession at the one-yard line.

There were a lot of big defensive plays throughout the night by the Hawks. Two kickoff returns were fumbled by the Leopards, Young covered one and Brookshire the other. Jimmy Collazo made a big nine-yard sack late in the second quarter, Young had a five-yarder in the fourth, and Bryan Fulfer a three-yarder in the third.

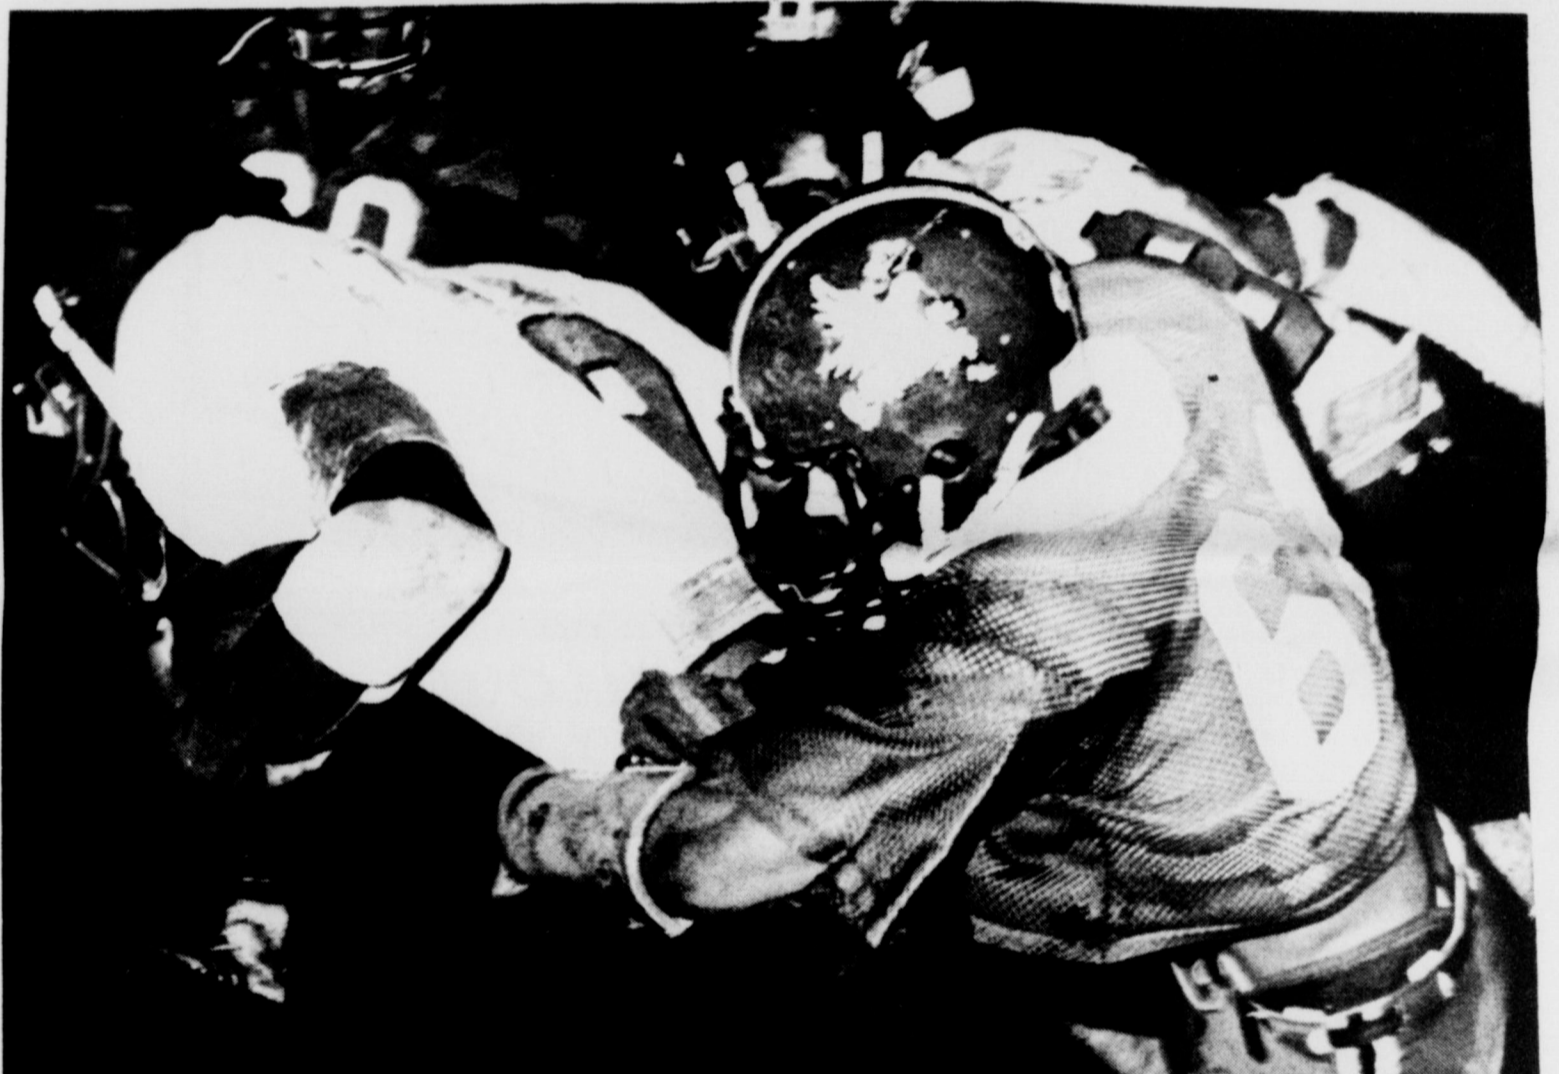

Hedrick completed five of nine pass attempts in his first varsity start, good for 79 yards. Lee Roach was the leading carrier, picking up 59 yards on 13 attempts; Beebee was 22 on eight and Fulfer 19 on five.

Beebee also had a good night punting, averaging 37 yards on five attempts.

Weather said major factor in celebration's success

The general consensus is that this year's Homecoming and Whoop-T-Do were a roaring success. . . "Couldn't have been better." There was considerable apprehen-

sion through Thursday, because of the weather. A wet weekend, observers agreed, would have put a damper on activities planned. But it was sunny Friday afternoon

when the annual parade was held. Winning entries in the parade were the 4-H Club and Auto Body Class.

And after Susan Streich, daughter of Mr. and Mrs. Cecil Streich, was crowned Homecoming Queen, the Hawks proceeded to make their stand full of fans happy by defeating Gainesville, 10-6.

Saturday night's annual banquet for the Alumni Association attracted approximately 200 persons. The Class of '73 had the largest number in the audience, 11, and the Van Horn family had the most members in attendance, nine.

Lottie Denny Lochridge won the prize for the earliest graduate of the school in attendance. Wenona Peveler Rice of Prosser, Wash. was recognized for having traveled the farthest to attend, and was presented an oil painting donated by Cordie Lehman Tucker, a former Iowa Parkan.

Homecomers had the opportunity to visit during the day at the Friendly Door and also during the hour preceding the banquet.

WHOOOP-T-DO

Weather was also credited with making the Whoop-T-Do one of the more successful in its history, according to Linda Merrick, president of the Chamber of Commerce which sponsors the event.

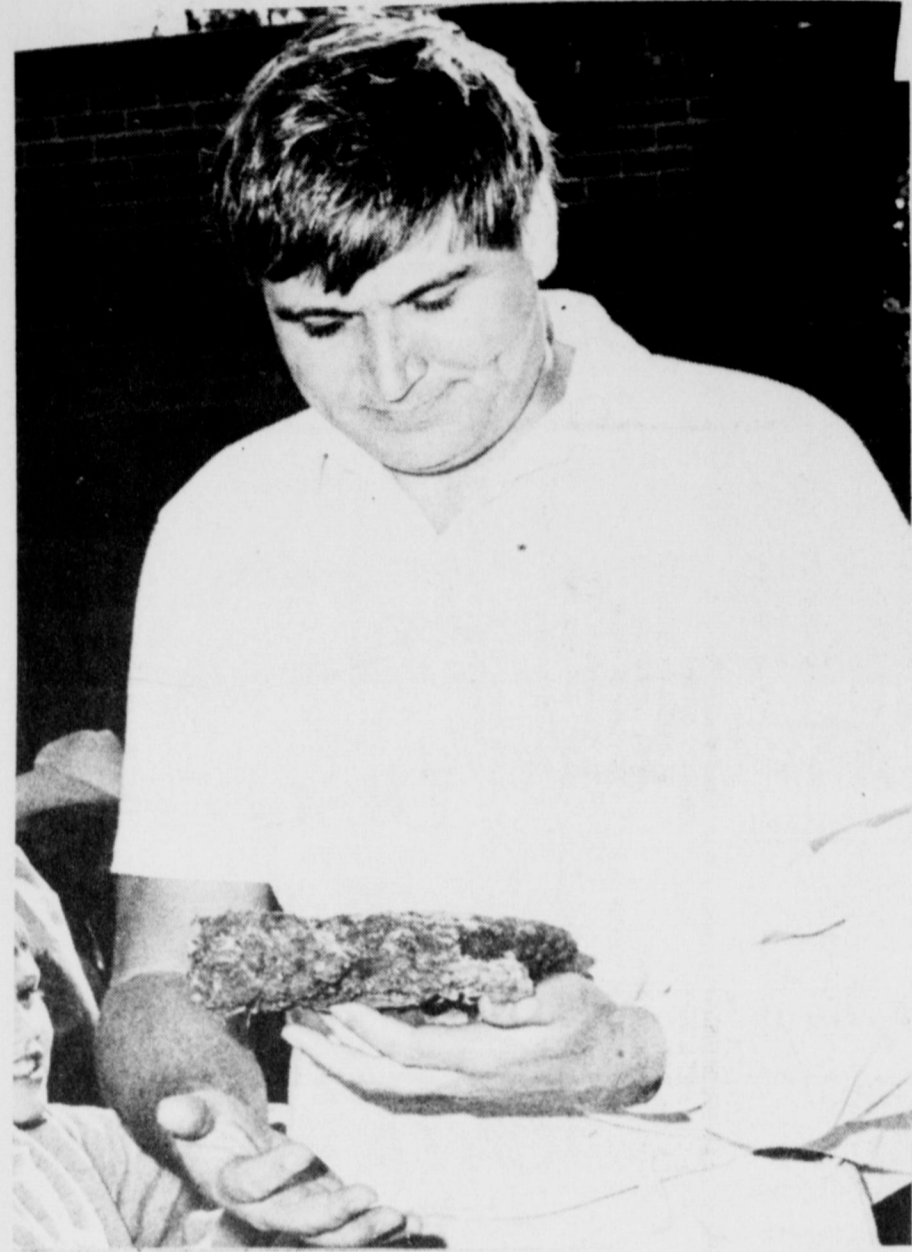

Two new events added this year by H.M. Nipper, this year's chairman, were real crowd pleasers. They were a reenactment of an old west shootout between the "good guys" and the "bad guys" and the cow chip throwing contest. The gunfighters are from a Wichita Falls organization known as "The Shootists."

First place in chip tossing went to Clark Waters and Greg Patterson won second. Each received a cash prize from State National Bank.

Three-year-old Jacob Murphy, son of Mr. and Mrs. Bryan Murphy, 711 Park Plaza, had the winning entry in the annual Turtle Trot. He received a \$25 check from Tanner-Aulds Funeral Home.

THE SHOOTISTS of Wichita Falls provided an unusual 15 minutes of entertainment Saturday for the big Whoop-T-Do crowd. As usual, the good guys, shown here with blazing guns, won out.

CHIP TOSSER - Ron Barns gingerly holds his cow chip as he awaits his turn to see how far he can throw it. The contest, held here for the first time at Saturday's Whoop-T-Do, was the day's activity finale.

Named Whoop-T-Do Queens were: Becky Petty, daughter of Mr. and Mrs. Joe Bob Petty, 0-3 age group; Brandi Swanson, daughter of Mr. and Mrs. Russell Swanson, 4-7 group; and Stephanie Lozipone, daughter of Mr. and Mrs. Carmen Lozipone, 8-12 group. The contest was sponsored by Epsilon Sigma Alpha.

People's Choice winners in the arts and crafts show, judged by the public, included: Cindy Witherspoon, oil painting; Ruby Mathews, needlework; Edith Whitley, decorating crafts; David Brott, miscellaneous division; Ray Pierce, various art media; Sally Rains, watercolor, acrylic and pastels; Adele Marlar, porcelain, china painting; and Irene Sargent, both ceramics and Christmas decorating.

First place in each division, as selected by the judges were: Oil painting - Tish Whitman, landscape; Billie Railsback, wildlife; Jack Railsback, western; Darlene Mathews, still life, and Karen Church, floral.

Needlework - Kathy Hicks, crochet and knitting; Ruby Mathews, quilting; Kitty Wilkes, embroidery; Wendy Martin, counted cross stitch and Skeet Eddins, candlewicking. Decorating crafts - Sheila Potter, tole painting; Glenna Via, stained

glass; Sue Davis, wire sculpture, and Larry Latimer, wooden items. Miscellaneous - Judy Young, toys, and David Brott, photography.

Various art media - Ray Pierce, pen and ink, and Terrel Silvers, serimshaw.

Watercolor, acrylic and pastel - Tommie Smith, floral, and Sally Rains, landscape.

Porcelain, china painting - Mildred Metz.

Ceramics - Cindy Witherspoon. Christmas decorations - Irene Sargent.

Friendly Door News

There will not be a dance tonight at Friendly Door, as previously scheduled and announced, according to Myrna Robinson.

John Conyers is promoted

John W. Conyers, son of Glynn W. Conyers of 1207 S. Wall, Iowa Park, has been promoted in the U.S. Army to the rank of sergeant first class.

Conyers is an avionic equipment maintenance supervisor in Mainz, West Germany, with the 5th Signal Command.

His wife, Ruth, is the daughter of Donald J. and Rosalie Stanton of 35903 82nd St., Littlerock, Calif.

The sergeant is a 1970 graduate of Iowa Park High School.

TRU-TEST PAINTS

PAINTING HELP SPOKEN HERE.

By Uncle Bob

Dear Uncle Bob:
 I bought all the paint for the exterior of my house several months ago at my local True Value Hardware Store but didn't get around to painting. Now I dread the thought of having to stir up all that paint. I hope it's still good.
 Procrastinating Painter

Dear Painter:
 I'm sure the True Value Hardware Store from whom you purchased your Tru-Test Paint will mix it for you on their paint shaker. Just give them a phone call before you bring the paint back. Remember our motto "True Value is More Than Just a Name. It's Our Way of Doing Business."
 Yes... your paint is still likely to be good, considering you bought it only a few months ago.

Top 'O Texas playoffs slated this weekend

Top 'O Texas playoffs for both PeeWee and Midget Leagues gets underway here Saturday with teams from Iowa Park competing for the championship trophy.

Admission to the playoffs will be \$1 for students and \$2 for adults, with proceeds going towards the purchase of trophies, patches and supplies.

The first game, starting at 2 p.m. at Griffith Field on Magnolia St. and West Highway, will feature two teams tied for first place in the PeeWee Division, Iowa Park and Henrietta. The Hawks and Cubs finished the season in a three-way tie along with Sheppard, each team sporting 5-1 records.

Immediately following the initial game, Iowa Park's Midget Hawks will take on Quanah's Warriors. Kickoff is tentatively set for 4, with the second place Hawks (5-1) hosting the third place Warriors (4-2).

At 6, Sheppard's PeeWee Cowboys (5-1) take on the Quanah Braves (2-4), and at 7:30 Sheppard's Midget Redskins (6-0) will try to keep their

record clean against the Holiday Eagles (2-4).

**Iowa Park Midget Hawks 44
Henrietta Bears 22**

Iowa Park ended regular season play on a winning note by turning in an impressive performance against Henrietta recently, prevailing 44-22.

The offensive-oriented game saw the Midget Hawks both passing and running with success, evidenced by Hawk quarterback Jimmy Nicholson's two completions. One went for a 35-yard touchdown to Vance Edwards, and another covered 40 yards to Danny Tatum.

Scoring on the ground for Iowa Park, now 5-1 for the season, were Edwards (one), Mark Cruz (two), Bryan Pyle (one), and Nicholson (one). Edwards, Pyle, Cruz and Kelly McClure added conversion runs.

Defensive standouts in the game were McClure, A.D. Sparling, Jamie Huff, and Nicholson. Edwards added

an interception to kill a Henrietta drive.

The Midget Hawks finished the season with sole possession of second place, earning them the right to

advance to the championship playoffs Oct. 29. The team's coaches encourage Iowa Parkans to attend the games, with times and matchups to be announced next week.

Rough week for five teams

It was a rough week for non-varsity football teams, with Iowa Park winning only one of six contests.

At Gainesville Thursday, Gainesville won the junior varsity and freshman games 27-0 and 31-0, respectively. Both teams will host Burk Burnett at Hawk Stadium this evening.

Tuesday, a four-game series was played here against Burk Burnett junior high teams, and only the Hawk eighth grade "B" team came out a winner, 12-0.

Burk 8-A won 28-8, 7-A 30-0 and 7-B 40-0.

The Junior High teams play again Tuesday, here against Electra, starting at 6 p.m.

Arthritis seminar scheduled today

Arthritis Management in the Kitchen will be the topic for a special seminar from 1 p.m. until 3:30 p.m. today at the 4-H Auditorium, 1626 Midwestern Pkwy. in Wichita Falls.

The seminar is sponsored by the Texas Agricultural Extension Service, Barbara Cornelius, County Extension Agent, and the Arthritis Foundation, Maureen Klein, director.

HOMECOMING QUEEN for 1983 is Miss Susan Streich, daughter of Mr. and Mrs. Cecil Streich. Coronation took place prior to the football game Friday night. She is shown being escorted to her throne by Lee Birk, student council president.

Whittingstall in NATO drill

Army Maj. William C. Whittingstall, son of Charles A. and Catherine Whittingstall of 1010 Lincoln Drive, Iowa Park, was involved in a NATO-sponsored exercise by participating in the Army's return of forces to Germany (REFORGER) and the Air Force's Crested Cap exercises.

The exercises are designed to develop uniformity of doctrine, standardize procedures for rapid response to a crisis and demonstrate solidarity in commitment to NATO goals and objectives.

Whittingstall is a commander with the 3rd Armored Cavalry Regiment

at Fort Bliss, Texas. He is a 1971 graduate of Northwestern State Univ.

Pipelines... make good neighbors

America has over 220,000 miles of petroleum pipelines carrying crude oil and products to refineries and storage terminals across the United States. Each day, more than 1.5 billion ton/miles of crude oil and products move through this network. These pipelines have a safety record second to none in the transportation industry . . . and we want you to help us keep it that way.

liquids on or a mist above the ground in the area of a pipeline.

- Flames originating from an opening in the ground. If you become aware of a pipeline leak . . .
- LEAVE THE LEAK AREA IMMEDIATELY.
- Avoid driving into vapor clouds.
- Avoid direct contact with the escaping liquids.

When you see signs like those shown above, they tell you that there's a pipeline nearby. If it's underground, you can't see it, of course. But it's there, working quietly to provide energy for you and other consumers throughout this nation.

Some of these signs list the commodity transported in the pipeline, the name of the operator, and a telephone number where the operator's representative can be reached at all times.

Although pipelines have an exceptionally good safety record, once in a while a leak can occur. Indications of a leak might include:

- A strange or unusual odor in the vicinity of a pipeline.
- A hissing or roaring sound (caused by petroleum or product escaping from a pipeline).
- A dense white cloud or fog.
- A spot of dead or discolored vegetation.
- An accumulation of petroleum

- Avoid creating sparks or sources of heat which could cause the liquids or vapor to ignite and burn. If you find yourself in a suspected vapor area, do not light a match, start an engine or even switch on an electric light.
- Notify the pipeline operator as soon as you reach a safe area. Call collect. Give your name, a description of the leak and its location. If you do not know who the pipeline operator is, call your local fire, police or sheriff's department, or the state police. Advise them of the nature and location of the emergency.

If you see someone digging near a pipeline or doing other construction work . . . or if you plan to do such work near a pipeline yourself . . . please call the telephone number shown on the sign and let the pipeline company know so damage can be avoided. It's in your interest . . . and the nation's.

America's Petroleum Pipelines

Pipelines are the safest way to move petroleum and products and you can help keep it that way!

Eagles rout Chico, 48-0

Holliday's Eagles got down to business Friday night in Chico, scoring 21 unanswered points in the first period, then cruising the rest of the game to outlast the struggling Dragons 48-0.

Head coach Don Luey gave his second and third-team units plenty of playing time in the game, something the Eagles haven't had the chance to do too often during this competitive

season.

Junior tailback Bobby James, who packs a lot of wallop in his small frame, zigged and zagged for over 100 yards and two touchdowns, including runs of four and 49-yards.

Penalties again were Holliday's worst enemies, as the men in black and white stripes called the Big Red for infractions totalling 95 yards, around 40 yards less than the Chico

offense could muster all evening. The Dragons, however, were called on for penalties only twice, totalling 20 yards.

Senior fullback Jay "Bucks" Burks scored the first touchdown of the night from four yards out, and Kelly Carver kicked his first of six successive point after kicks to give Holliday a 7-0 lead.

After an unproductive Dragon possession, the Red Machine again drove for a score, capped by Jame's four-yard run.

Before the first quarter gun sounded, James broke free for a 46-yard touchdown to end the scoring

for that period, and Holliday led 21-0.

The Eagles tallied another score before halftime, highlighted by Mark Parker's 20-yard run, giving Holliday a 28-0 lead going into intermission.

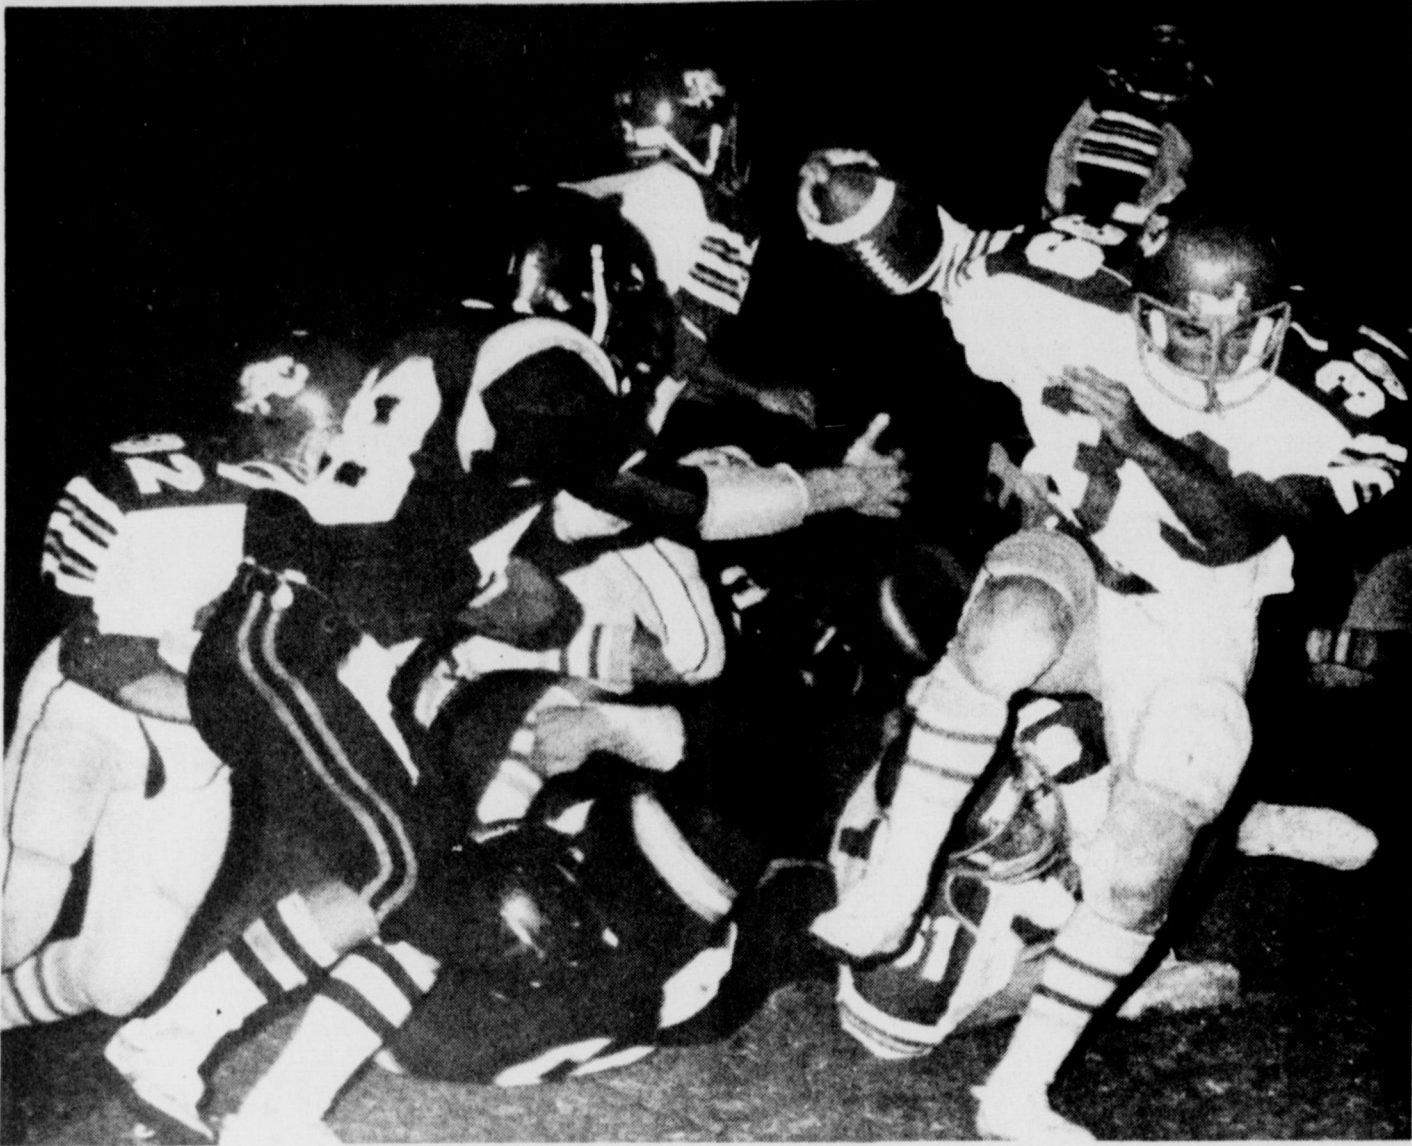

In the second half, the Red Machine scored 20 points, 13 of that coming in the final period.

Shannon West, playing tailback, ran for one touchdown from one-yard out and Lyle Jeffcoat added another from 35-yards out. Senior Don Hobgood completed the scoring for Holliday with a two-yard blast, followed by Carver's only bad kick of the evening. Nevertheless, Holliday prevailed 48-0.

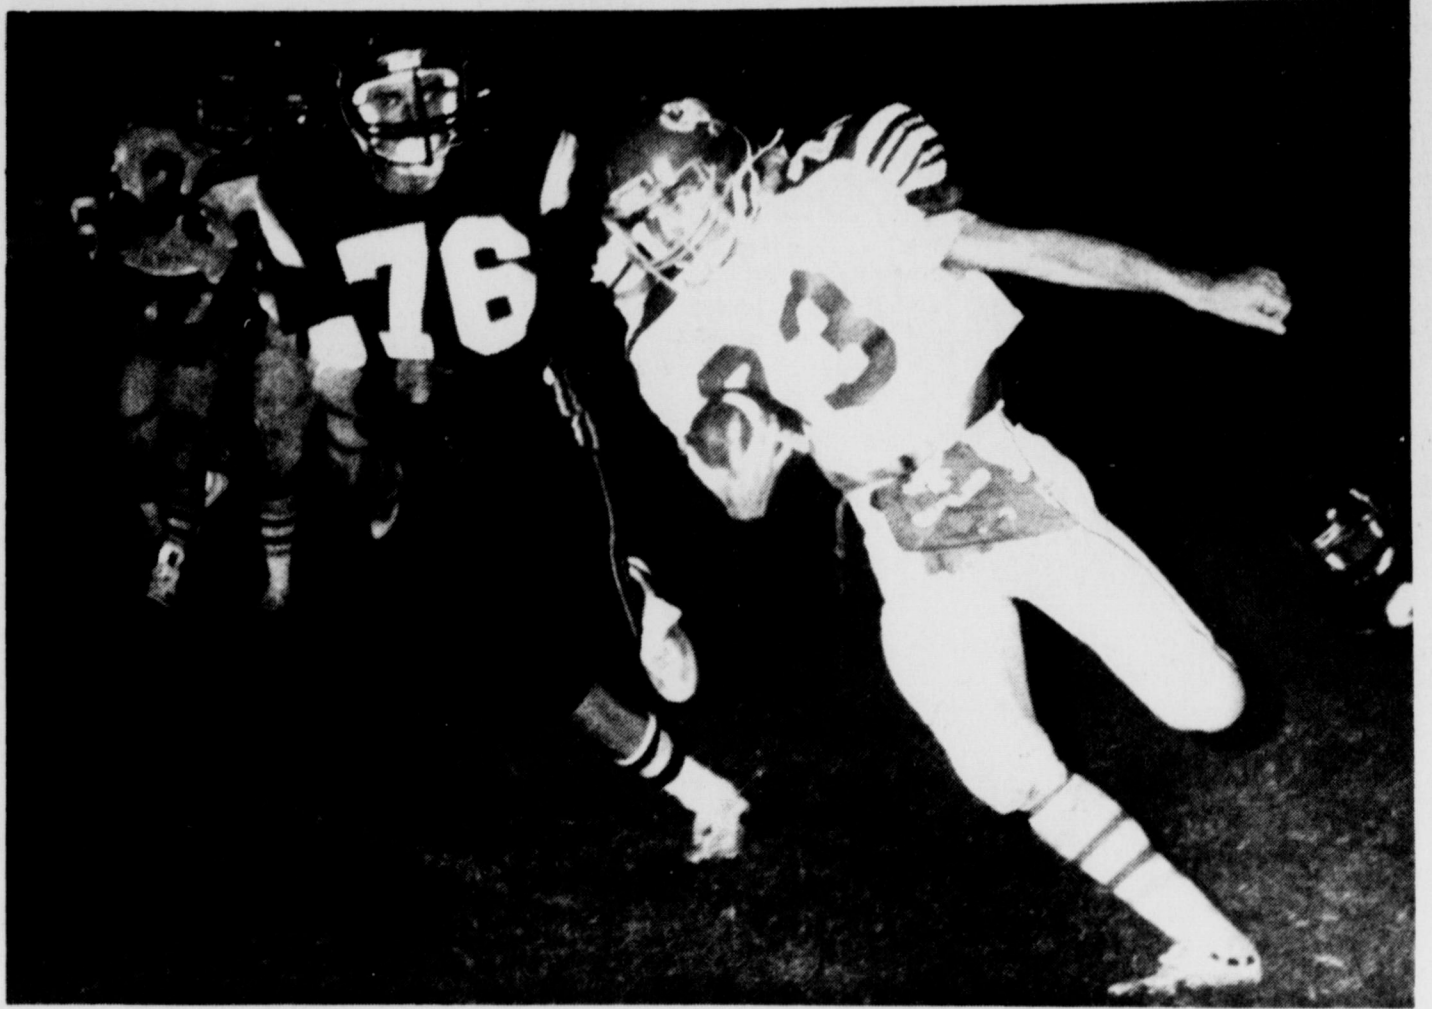

The win gives Holliday a 5-3 record for the season and 4-3 District 11-AA slate going into tomorrow night's non-conference tilt in Commerce.

Chico drops to 1-6-1 and 1-5 in district.

Eagles travel to Commerce for 7:30 p.m. game

Despite a 6-0 setback to Lake Dallas last Friday night, the Commerce Bulldogs are still in the thick of things in District 10-AAA, and all bets are they won't be taking Holliday's Eagles lightly come tomorrow night at 7:30.

The 5-2 Bulldogs will be looking to avenge a 21-7 setback handed to them last year by Holliday in Eagle Stadium, and this time the game will be played in Commerce's backyard; East Texas State University Stadium.

Finishing with an 8-3-1 record last year, Commerce returns 14 starters, including five offensive and four defensive regulars.

Leading the charge for the Bulldogs are tight end Gregg Bass

(6-3, 225), wingback Scott Jones and quarterback John Lane with an explosive passing attack. Picking up the yardage on the ground will be tailback Bruce Smith, with lineman Jeff Hudson (220), Jerry Taylor and Marcus Moore paving the way.

Returning defensive starters include tackle Doug Blohm and linebackers Dwayne Mauldin and Michael McCord.

DIRECTIONS TO COMMERCE

Take U.S. 81-287 into Decatur, U.S. 380 from Decatur through Denton, McKinney and into Greenville, then Hwy. 24 from Greenville into Commerce. The stadium at East Texas State is located off of Hwy. 24 in Commerce. Gametime is, again, at 7:30, instead of the usual 8 p.m. starting time.

Homemakers organize

The Holliday Chapter of the Young Homemakers of Texas officially organized recently, with officers elected for the inaugural year.

Officers elected are Renee Collier, president; Gloria West, vice president; Toni Mahler, secretary; Noma Campbell, treasurer; and Donna Reynolds, public relations. Robin Calhoun will serve as chapter adviser.

The purpose of Young Homemakers of Texas (YHT) is to provide for educational experiences with particular reference to the occupation of homemaking. The overall goal of YHT is to provide creative opportunities for young adults in maintaining effective personal, family, and community life.

Membership is open to all homemakers regardless of marital status. Active membership is open to young adults, not over 35 years of age and not enrolled in high school.

Individuals over 35 may serve as associate members with the rights and privileges of active members, except that of holding office.

Regular meetings will be held at 7 p.m. on the third Tuesday of each month, except for December, when it will be held on the second Tuesday. Most meetings will be held in the high school home economics department. Plans for the Nov. 15 meeting include a program to be presented by Kathryn Carnes, Archer County Extension Agent and members of the Lake Kickapoo Home Demonstration Club.

Other programs being planned include cake decorating instruction, microwave cooking, needlework, color analysis seminar, and arts and crafts. Each homemaker in the Holliday area is encouraged to attend future meetings.

Additional information can be obtained by calling Donna Reynolds, 586-1543.

Art group has 'show and tell'

Holliday Art Association held its monthly meeting Tuesday evening of last week at Speedy's Cafe with a "show and tell" highlighting the agenda.

Present at the meeting was Jimmie Young, president; Reba Dolberry, vice president; Ann Weyant, secretary/treasurer; Lois Blair and Peggy Jackson, gallery and workshop coordinators, and their assistants, Shirley Addison and Ruth Johnson. Also present was Denissa Weyant, Doris Owens, publicity chairman, was absent and in the hospital.

The "show and tell" segment of the program featured the following: Denissa Weyant, owl in pen and ink on glass; Jackson, scenery of lake, trees, fisherman in oil painting; Blair, scissortails on Bird of Paradise tree in watercolor; Dolberry, embroidered pillow, doll clothes, ceramic angel;

Young, Christmas card sample of snowbird on next in watercolor; and, Ann Weyant, wood carvings of elephant in the round and hummingbird in relief.

The "show and tell" will be continued at the Nov. 15th meeting of the art association, to begin at 7:30 p.m. at Speedy's Cafe.

Permission has been granted by Dr. Ed Thornton for some of the art association's work to be displayed in his office. An open invitation is extended to anyone wishing to join the association, with yearly dues totalling \$5.

"We want to extend our appreciation also to Speedy's manager Mark Carter and its owners, Jay Miller and Larry Ayres, for donating coffee during the meetings and use of the dining room," said member Ann Weyant.

Area oil, gas report

A 4,600-ft. wildcat for oil is planned by Texo Oil of Wichita Falls at a drillsite seven miles northeast of Electra, Wichita County. The location is in a 172-acre lease in the James Cole Survey A-37, seven miles northeast of Electra. The well is 330 feet from the west line and 330 feet from the north line of the lease and 2,179 feet from the east line and 10,840 feet from the south line of the survey.

Also applying the dry hole label to a Hardeman County explorer well was Bennett Resources Inc. of Graham. Bennett's No. 1 Tabor Estate was spudded July 17 at a drillsite nine miles south-southeast of Quanah. The well is in the W&NRR Survey Sec. 217 Blk. H, 5,147 feet from the south line and 5,364 feet from the west line of the lease and survey.

The No. 1 Harrell, a 1,300-ft. developmental try, is ready for spudding in the Wichita Regular Field eight miles west of Wichita Falls. Winfrey Oil Co. of Wichita Falls is the operator. The well will be drilled in a 300-acre lease in the DCSS Survey.

The location is 150 feet from the west line and 1,600 feet from the north line of the lease and 150 feet from the west line and 150 feet from the south line of the survey.

Glenn Scott of Iowa Park is preparing to drill a 2,000-ft. developmental venture in the Wichita Regular Field, four miles east-northeast of the Holliday township.

It will be designated as the No. 1 Larry Grimes. It is in an eight-acre lease in the Denton School Land Survey A-417. The drillsite will be 98 feet from the west line and 275 feet from the north line of the lease and survey.

Showing combined potential to pump 70 barrels of oil per day, two new producers have been brought on line in the Wichita Regular Field three miles northeast of Electra.

Texaco Inc., based in Midland, is the operator.

The wells are designated as the No. 112 and No. 114 W. B. Honaker. They pumped 30 and 40 barrels of oil per day, respectively on open choke.

Both wells bottomed at 2,000 feet. The No. 112 is in a 368-acre lease, SPRR Survey A-280, and will produce from perforations 531 to 1,210 feet into the hole. The No. 114 is in a 333-acre lease, same survey, and will produce from an interval 600 to 1,819 feet.

Drillsite for the No. 112 was 162 feet from the south line and 1,998 feet from the west line of the lease and survey. Location for the No. 114 was 858 feet from the west line and 635 feet from the south line of the lease and survey.

Joe McDonald, independent operator from Burkburnett, has filed for permit to drill the No. 13 Hodges "B," a 1,900-ft. developmental probe in the Wichita Regular Field. Location will be in a 155-acre lease in the H. Balch Survey A-26, four miles southwest of Iowa Park.

The well will be spudded 150 feet from the east line and 1,650 feet from the south line of the lease and 150 feet from the west line and 3,871 feet from the south line of the survey.

At a Wichita Regular location six miles southwest of Iowa Park, the No. 35 Hammon Fee has been brought on line showing potential to pump 20 barrels of oil per day on open choke.

S&J Operating Co. of Wichita Falls is the operator.

S&J took the hole to 1,441-ft. bottom and perforated for production 1,397 to 1,403 feet into the hole. The operation is in a 409-acre lease in the ETRR Survey A-762.

Operating out of Wichita Falls, Fresno Oil Co. has posted first production data for a pair of pumping oilers just completed 10 miles west of Burkburnett in the Wichita Regular Field.

Showing potential for five and three barrels of oil per day, the wells are designated as the No. 93 and No. 92 L.F. Ramming, respectively.

They are in a 295-acre lease in the BS&F Survey A-342 and the HT&B Survey A-124, respectively. Production intervals will range from 1,580 to 1,768 feet into the hole.

Landrum Operating Inc. of Burkburnett has staked drillsite for a 1,500-ft. well in the Wichita Regular Field seven miles southwest of Iowa Park. It will be known as the No. 27 Sparks-Mayfield. It will be spudded in a 105-acre lease in the CTRR Survey A-51, 440 feet from the north line and 700 feet from the east line of the lease and 9,449 feet from the north line and 700 feet from the east line of the survey.

A pair of new producers have been

finalized in the Wichita Regular Field three miles southeast of Burkburnett. T.G. Ruddy of Wichita Falls is the operator.

The wells are designated as the No. 11 and No. 12 Mobil-Donahoo. They showed capacity to pump three and six barrels of oil per day on open choke, respectively. They are in a 40-acre lease in the J.W. Robertson Survey A-252.

The No. 11 well went to 1,315-ft. bottomhole and will produce from perforations 1,269 to 1,273 feet. The No. 12 bottomed at 620 and will produce from a perforated interval 221 to 228 feet into the wellbore.

The No. 11 is 317 feet from the south line and 404 feet from the east line of the lease and survey. The No. 12 is 280 feet from the north line and 1,050 feet from the east line of the lease and survey.

At a location 7.5 miles southwest of Wichita Falls, Camino Corp. of Wichita Falls is preparing to make hole for the No. 3 Kilroy Dutton "A." It is a developmental well in the Wichita Regular Field with projected total depth of 1,200 feet. The operation will be in a four-acre lease in the Denton School Land Survey A-417.

Drillsite is 130 feet from the north line and 150 feet from the west line of the lease and 770 feet from the north line and 700 feet from the west line of the survey.

Independent operator Tommy Swanson of Electra is preparing to drill the No. 36 Burnett "B" in the Wichita Regular Field five miles southeast of the Electra township.

Total depth is projected to 1,150 feet. The operation will be in a 140-acre lease in the SA&MG Survey A-270. The well will be drilled 375 feet from the north line and 1,200 feet from the east line of the lease and 375 feet from the north line and 150 feet from the west line of the lease and survey.

The No. 1-B Foster-Hamilton is scheduled to be spudded in the

Wichita Regular Field 15 miles west of Burkburnett. Midwest Drilling and Producing of Wichita Falls is the operator. The well is in a six-acre lease in the Steven Denison Survey A-63, 150 feet from the north line and 150 feet from the west line of the lease and 150 feet from the north line and 710 feet from the east line of the survey. Projected total depth: 2,000 feet.

Cobra Oil and Gas, operating out of Wichita Falls, has staked drillsite for a 2,300-ft. developmental venture in the Wilbarger Regular Field 12 miles southeast of Vernon. The well is designated as the No. 1 W.T. Waggoner Estate. Location is in a 120-acre lease in the H&TCRR Survey A-638, 990 feet from the west line and 990 feet from the north line of the lease and 90 feet from the north line and 3,000 feet from the east line of the survey.

Harmel-Schaaf of Wichita Falls has filed first production figures on a new oil well in the Wichita Reg. Field. The No. 3A Roller showed potential to make 15 barrels of oil per day.

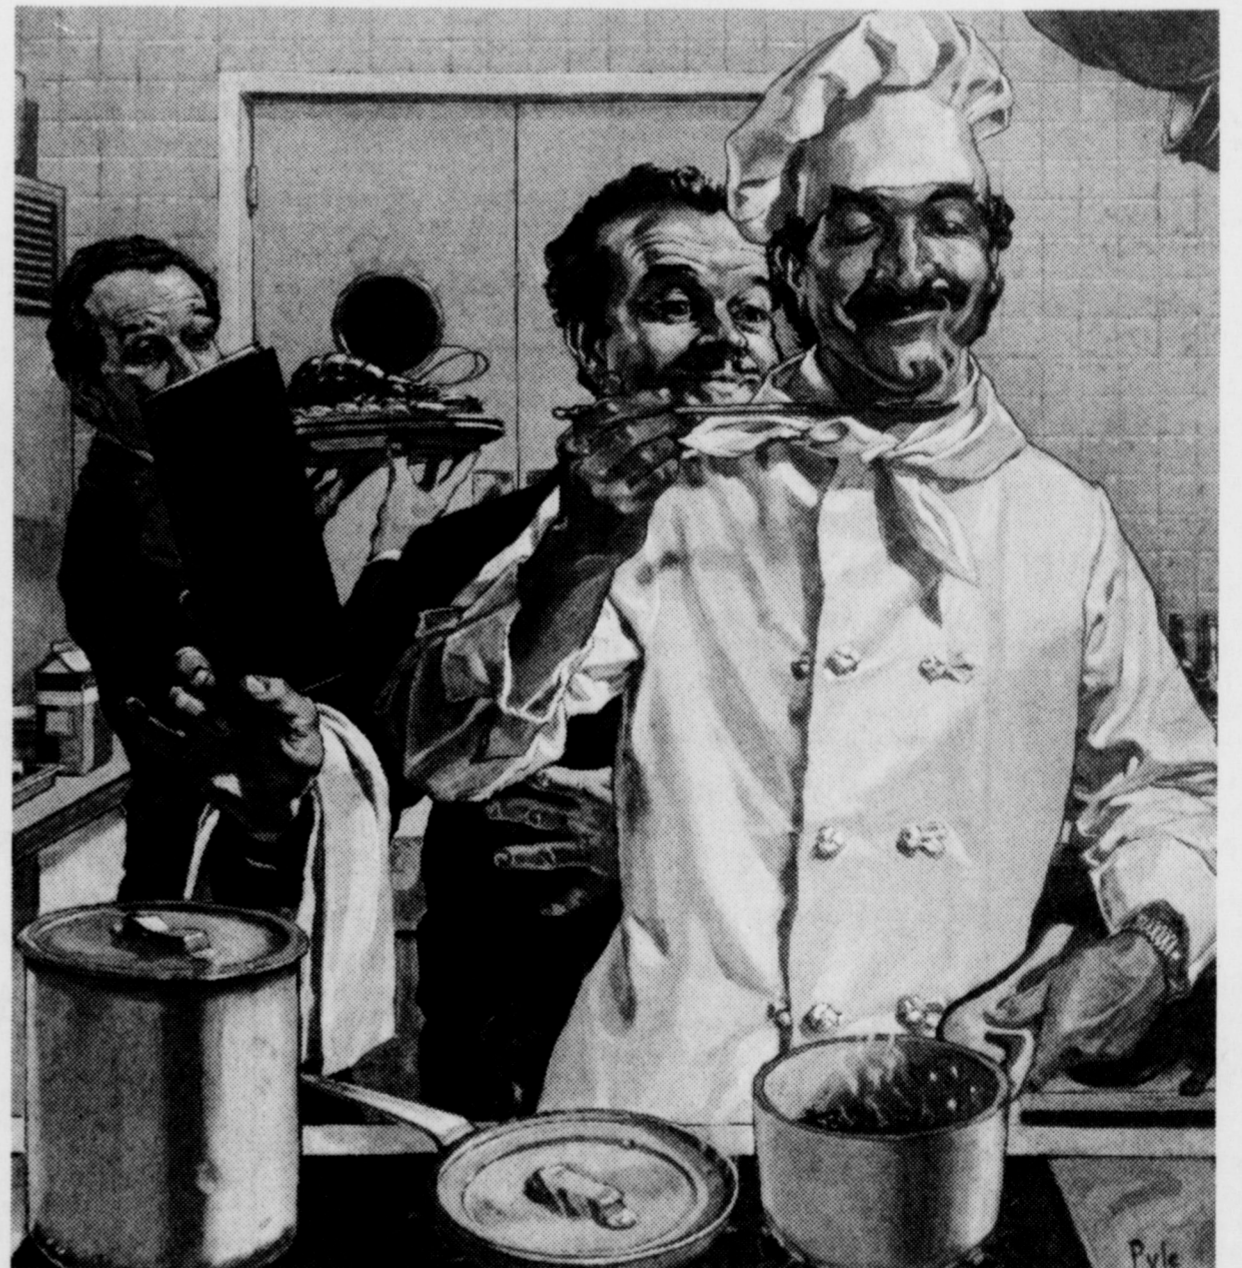

The operator has 20 acres leased, with drillsite in Wichita County's C. Larbaletrier Survey, three miles southeast of Burkburnett.

The well will produce from an interval 385 to 390 feet into the wellbore. Total drilling depth was 760 feet.

Located three miles northeast of Electra, Texaco Inc. of Midland has finalized a new oil producer in Wichita County's Wichita Reg. Field.

The well is designated as the No. 115 W.B. Honaker NCT-1, pumping oil at the rate of 22 barrels per day. The well also showed potential for 1,000 cubic feet of casinghead gas per day.

Location is in a 368-acre lease in the SPRR Survey. Bottomed at 2,000 feet, the well will produce from perforations 624 to 1,947 into the hole.

Gas ranges keep temperatures under control.

Almost all great chefs insist on natural gas ranges. Because gas gives them temperature control, par excellence.

The low flame keeps even the most delicate sauces warm without burning them. While the high flame gives immediate, intense heat for a rapid boil.

And when the flame is off, it's off! There's no hangover heat to spoil the

creation.

But control isn't the only reason they cook with gas. Gas saves money. In fact, you can cook 1½ meals on a high-efficiency gas range for the cost of cooking one on a non-gas range.

So get more for your money and get a gas range for your home. Today. We promise you, you'll be in better control of your temperature.

PARADE WATCHERS - Two youngsters had a good view of the homecoming parade as they perched atop a car on Cash Street.

POPULAR WITH CROWD - The arts and crafts show was very popular Saturday, as viewers were given the opportunity to vote on the "People's Choice" recipients. Several hundred visited the display in the Lions Club Building.

Chaparral Baptist Assembly will add major structure

Southern Baptist churches in a 13-county area of North Texas will meet at Chaparral Baptist Assembly at 2 p.m. Saturday, Nov. 12, to conduct a combined note-burning ceremony and break ground for a new

\$500,000 conference center. The new Adult Conference Worship Center will house an auditorium which will seat 300 and have 24 motel-type rooms, with a capacity of 96 people. During the

camping season, the worship center will be used by young people who attend summer camp. The conference center will be used year around for various adult meetings, such as senior adults; pastor and wife; deacons or

family enrichment retreats. Martin Littenken, Jr., president of First Federal, is general chairman for the construction.

Chaparral Baptist Assembly is located on 130 acres of wilderness, park-like area between Iowa Park and Wichita Falls, with facilities to use for religious experiences, whether it be worship, Bible study, Christian training or recreation, and is equipped for year-round use.

The camp opened for full time use in 1973. In 1983, 10,000 people used the facility. It is one of the largest encampments maintained by Southern Baptist in Texas.

Rev. Darrell Robinson, pastor of Dolphin Way Baptist Church, Mobile, Ala. will be the featured speaker for the "celebration." He was formerly pastor of First Baptist Church at Vernon and was chairman of the North Texas Baptist Area Board when Chaparral Assembly camp-site was purchased and the loan secured. Harmony, a singing group from First Baptist Church in Wichita Falls, will provide music.

Rev. Lamoine Champ, pastor of First Baptist Church of Burkburnett, is president of the 21 member board of directors who operate Chaparral Assembly. Members are from churches in Red Fork, Salt Fork and Wichita-Archer-Clay Baptist Associations.

While Southern Baptist churches and organizations have priority for the use of Chaparral, other religious denominations and secular groups may also use the assembly, according to Gary Fielding, manager. He is from Tyler and pastored three churches in Texas before coming to Chaparral in January of 1982.

4-H CLUB NEWS

WICHITA COUNTY 4-H FOOD SHOW SET

4-H'ers will match foods and nutrition expertise against each other in the Wichita County 4-H Food Show Oct. 29 at the 4-H Auditorium, 1626 Midwestern Pkwy. in Wichita Falls.

Youth from throughout Wichita County will compete in pre-4-H, junior and senior divisions according to Mrs. Cheryl Mapston, County Extension Agent. Pre 4-H is ages 7-8, junior division is 9-13 and senior division is 14-19.

Entries will be judged from 10 a.m. until noon and a tasting will begin at

noon. The admission fee will be 50-cents. Recipe books containing all entrants recipes will be on sale at 50-cents.

For the contest, each 4-H entrant will compete in one of four classes including main dish, fruits and vegetables, breads and cereals, and nutritious snacks and desserts.

"Because the foods and nutrition program focuses on nutrition, each contestant will have to demonstrate what she or he knows about nutrition, meal planning, food buying and meal service, as well as preparation techniques," Mrs. Mapston explains.

Let's talk.

Information about your changing telephone service from Dan Adams, Community Relations Manager

A look at the future

When Southwestern Bell is divested from AT&T next January and becomes a separate company, you can be sure that your local telephone service will continue working the way it always has. We're committed to providing high quality, dependable local service at affordable rates.

But there will be some changes in the way you do business with us... from how to handle telephone repairs to the way you're billed. Here's a quick look at what will and won't change:

Local service

As mentioned, Southwestern Bell will continue to be responsible for providing local telephone service. To start, stop, change or move service, you will do the same as you do now — call your Southwestern Bell business office.

Long distance service

Beginning January 1, Southwestern Bell will still provide long distance service within your surrounding area. However, calls outside this area will be handled by AT&T or other long distance companies. Since there will be more competition in the long distance market, there will be more choices for you as a customer.

Telephone sets

Between now and the first of the year, all single-line customers have the option of buying the telephones that they currently lease on a monthly basis from Southwestern Bell. If you decide to continue leasing your telephone sets, ownership of this equipment will be transferred to AT&T January 1. Of course, you'll still have the option of purchasing new telephone equipment from a variety of other suppliers. Pending agreement from the Federal Communications Commission, Southwestern Bell may also offer telephone equipment for sale, beginning in 1984.

Telephone repair

If you continue to lease the

Bell-owned telephones, repairs will be handled by AT&T beginning January 1. There will be no charge for repair of these phones, provided you either mail your leased phone or return it in person to designated AT&T locations. However, if you wish to have a service technician repair your phone on your premises, there will be a charge for this service.

Telephones purchased from Southwestern Bell before the end of the year also will be serviced by AT&T, but you'll be charged for those repairs if your set is out of warranty. Of course, repairs of telephones purchased from companies other than Bell should be referred to the store they were purchased from or the manufacturer.

Billing

You'll continue to receive one bill for all services provided today by the Bell System, except for purchases of new equipment from AT&T. This single bill — to be produced by Southwestern Bell — will list Southwestern Bell's charges separately from AT&T charges. In the future, Southwestern Bell may serve as a billing agent for other long distance companies as well. Toll-free telephone numbers of each company will be featured on your statement in case you have questions about your bill.

We want you to know

At Southwestern Bell, we want you to know about these and other changes that will affect the way we do business with you. Watch for more details in the months ahead — both in this column and in your bill insert.

Remember, if you have something to talk about, don't hesitate to drop me a line.
