IOWA PARK LEADER

25 Cents

Vol. 16, No. 22 IOWA PARK, WICHITA COUNTY, TEXAS 76367 THURSDAY, FEBRUARY 14, 1985

Administrators given pay raise by trustees

When House Bill 72 was implemented in the schools this year, everyone got a pay increase except administrators and other key personnel who did not teach classes. Tuesday night, the school board corrected the state's oversight. The superintendent, assistant superintendent, principals, assistant principal, athletic director, tax collector, counselors and student placement officer each received a \$125-per-month salary increase. The proposal received an unanimous vote of the board members. Action on the salary increases, as well as one-year renewal of contracts for all key personnel was taken following an executive session which lasted 1:34.

Also under the topic of personnel, trustees accepted the resignations of three employees and set up dates for hiring a new high school principal. The resignations accepted were those of Bob Dawson, high school principal, Carlton Hicks, junior high vocational instructor, and Mrs. Lee Towns, junior high principal's secretary. All resignations are effective at the end of the current contracts.

March 25 was set as the deadline to receive applications for high school principal. Interviews of finalists will be held about April 1, with a decision to hire to be made at the April 9 board meeting. Tax Collector Alan Shewmake presented a list of 145 names of property owners who are to be sued for back taxes. He said suits have been filed already on 78, and 67 have already been sued and in the process of getting judgements.

Shewmake said each of those named had been contacted three times by his office, and once more by the school's tax attorney. The tax office, as of Tuesday, has collected 92 percent payment of the current tax roll, which amounts to \$1,226,922. Delinquent taxes collected are \$3,106, along with \$925 in penalty and interest. Attorney fees for collections have been \$601.

Trustees voted to sell this year's building and trades class project house for \$47,000, pending an agreement with the buyer to accept the house without warranty other than those of manufacturers, and making a \$5,000 "earnest money" payment.

Trips requested for high school track and tennis teams, outside the 75-mile limit set by the board, were approved. They included the track teams going to meets at Stephenville, Graham and Breckenridge, as well as the tennis team meets at Fort Worth and Boswell.

After Athletic Director David Baugh told the board the cost of one method proposed to cover the east berm of Hawk Stadium with a locking-type precast concrete could cost as much as \$50,000, Jimmy

Howell said he felt grass was the way to go.

The board has heard another proposal to cut down the slope of the berm, which is difficult to mow as well as establish a grass cover. Howell said "I'm not sure we've given grass a good enough try."

He was referring to two attempts made several years ago to establish a grass cover, and said he felt another attempt should be made.

Baugh also reported on efforts to get new lights for the stadium, install drainage around the field to carry away seeping salt water, get additional dirt on the field so it will not stand in water after rains, and

obtain visitors' side bleachers for the junior high field.

Trustee Marilyn Hale proposed to have an anonymous letter concerning her that was read during last month's meeting entered into January's minutes. Board president Roy Boutwell said the letter had been destroyed, and that he didn't feel it should be in the minutes because he said it had nothing to do with the superintendent's evaluation.

Other members said they had no objections to having a paraphrased letter put in the minutes, if it were not put in as part of the superintendent's evaluation, and voted to do so.

Police holding drugs for owner to claim

A large quantity of anti-depressant pills was discovered in a ditch here Saturday, and police are holding them for the owner to claim.

A citizen turned in a five-box package of Asedin Amoxopine tablets to police, telling them there was a larger box of the same items where the package was found.

Police went to the south side of the tracks off FM 1814 and retrieved the box. In all, there were 1,040 pills.

Later the same day, a woman turned in a box of jewelry she said her son found on a street in Garden Valley. Chief Bob Dean said the owner can describe and reclaim the items.

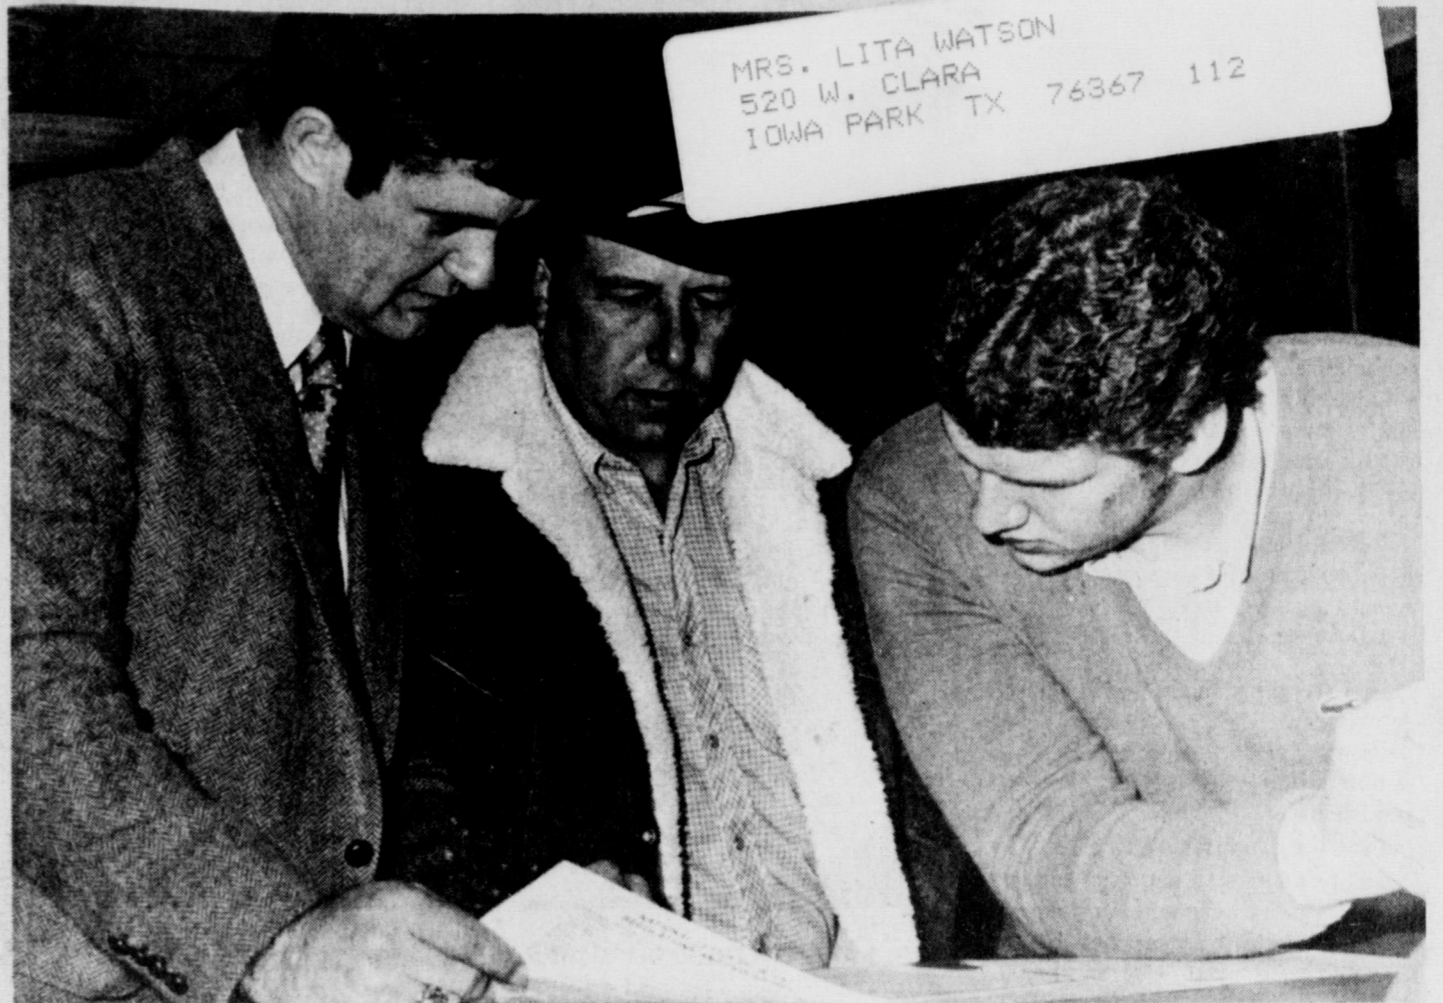

Police took into custody at 2:50 a.m. Monday a 22-year-old Bellevue woman upon learning she was driving while her license was suspended.

Shirley Mae Ratcliff was released some six hours later after posting a \$1,250 bond.

Officers received a tip at 1:27 a.m. Tuesday that a 24-year-old woman was threatening to commit suicide. She was taken into protective custody and transported at 3:07 to the state hospital.

While officers were checking out a motorist in the 1000 block of East Highway, his car caught afire and firemen had to be summoned to extinguish the blaze.

The driver, James Coy Williams Jr., 19, was found to wanted on Department of Public Safety warrants in Denton for speeding and failure to appear. He was taken into custody and released at 10:34 a.m. Wednesday after posting a \$135 bond.

SIGNS WITH TECH - Hawk tackle Charles Perry, right, signed a letter of intent Wednesday morning to play football with the Texas Tech Univ. Red Raiders. Explaining the scholarship to Charles and his father, Steve,

center, is Raider assistant coach Dick Winder. Perry became the first Hawk to be recruited by a Southwest Conference team since 1975, when David Ross went to Rice Univ.

Council expedites renovation plans

In an effort to expedite bidding procedures on the two big renovation projects of the city this year, the city council Monday night gave approval to the city administrator to advertise for bids when plans and specifications were completed.

Aldermen approved both proposals because waiting until the council meets to do the same thing could delay either project as much as three weeks, James Barrington, administrator, explained.

Though the bid specifications are not completed on the city hall remodeling project, aldermen gave Barrington permission to put on order the drive-through window unit, which will cost \$4,941.

The administrator explained the manufacturer would not penalize the city for the order if it had to be voided, in case the council turns down bids by contractors when bids are opened Mar. 7 to do the project.

But because the manufacturer requires 10 weeks to build and deliver the window unit, Barrington said it would be expedient to put the unit on order now, so it will be ready if remodeling bids are approved.

The other proposal approved was

to allow Barrington to advertise for bids to remodel the Burnett house for use as a library, once the plans and specifications are approved by the state.

The city received a \$100,000 grant to help finance the library project, but retained the right to approve plans before bids were advertised to do the work.

Barrington, pointing out the council had already approved the plans for remodeling the structure, said he and Mayor Tim Hunter were to hand-carry the plans and specifications to the agency in Austin Feb. 25, in hopes they can hasten the process. With permission to advertise after receiving state approval, Barrington will not have to wait for the next council meeting for its action.

Because of the Feb. 25 trip planned by the two men aldermen voted to cancel that date's meeting of the council after being told they would be unable to return in time for the meeting. The next regularly scheduled meeting will be Mar. 11.

An ordinance was passed by the council, officially setting the city election for April 6. Ithama Jolly was named absentee voting judge, while

Joe Singer was named judge of the Precinct 32 voting box and Ruth Gard judge of Precinct 33.

Aldermen also approved putting on the ballot a referendum to decide if voters want to allow a tax deduction of \$3,000 for persons qualifying for a disability deduction. Wording of the proposal to be put on the ballot is to be changed from the original wording, which was provided by the city's attorney.

A proposal for the administrator to purchase public official liability insurance was also approved. The city has carried such insurance, but the carrier cancelled it recently. A limit of \$1-million coverage was set by the council.

Aldermen voted to table advertising for bids to lease the city's land near the sewer treatment plant now occupied by Iowa Park Ready Mix. The topic is to be on the next meeting's agenda.

Hunter and Barrington made a brief report on meetings they had attended earlier in the day in Austin. The event, sponsored by the Texas Municipality League, concerned legislation being considered in the state capitol this session.

LOT CLEARED - The old "Brubaker Building" site at Bank and Wall was cleared this week. State National Bank plans to pave it for employee parking sometime in the future.

Candidates already filing for elections

With both the city and school having called elections to be held April 6, there are already five candidates for the six openings to be decided.

Three aldermen seats will be decided in the election, and incumbents Johnny Coker and George Hammonds have already filed for a place on the ballot.

Alderman Lita Watson has confirmed she will not seek re-election this year.

All three incumbents on the school board filed for re-election Tuesday night, shortly after the board officially called the election.

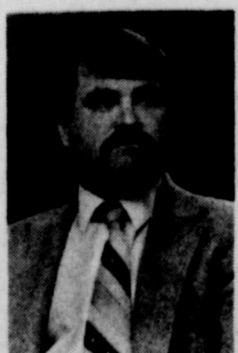

Filing were Ray Hicks, Roy Boutwell and Martha Dudley.

While the city election will still be decided at large, with the candidates receiving the greatest numbers of votes winning, the school has changed its method of electing trustees beginning with this election.

Candidates for the school board must now file for a numbered place on the ballot. A drawing was held by the board for each member's place several months earlier. At that time, numbers drawn by those whose terms expire this year were: Hicks, place one; Boutwell, place two, and Dudley, place three.

Candidates for either election will have until Mar. 6 to file for a place on the ballots.

Downtown improvements discussed at meeting

MAYOR TIM HUNTER

A six-member steering committee to formulate ideas, short and long term goals for the improvement of the downtown area resulted from a "think tank" meeting held Thursday.

The committee, appointed by Mayor Tim Hunter, is to use suggestions given during the meeting, as well as others to yet be received, and formulate plans of action to accomplish as many goals as possible.

Hunter is to head the committee

composed of Rip Smith, Tommy Key, L.W. Teel, Bob Hamilton and Kenneth Via.

Suggestions for improvements made during the meeting included:

- * building false fronts in the form of fences along the sidewalks of vacant lots in the downtown area;
- * improve the south side of buildings in the 100 block of West Cash, possibly by painting them all;
- * develop an overall plan for plants to be grown in the Park Street

divider;

* encourage absentee owners to improve their downtown buildings, or approach them to sell to local owners who would do this;

* organize an association of downtown merchants which could coordinate improvements;

* consider means of added tax levies on downtown property owners who do not keep up the appearance of buildings;

* seek ways of offering tax

incentives to fix up buildings, such as a five year freeze on taxes after a structure is improved in appearance which would give the investor an opportunity to recoup expenditure, rather than paying higher taxes immediately;

* develop and organize publicity for association in the downtown area.

Repeating comments of many prospective home buyers who have been served by developer Rip Smith, they have often said: "I've heard a

great deal about your school system, but I don't like your downtown area."

"If we have the desire to revitalize our downtown area, we will," stated Hunter, who started the meeting with the comment that he was extremely bothered about the decline of the business district, primarily after fires of the past year.

Attending the meeting were elected city officials, Chamber of Commerce representatives and numerous business owners, 34 in all.

Brown, McLemore wed in ceremony Sunday

The St. James Room of the Wichita Falls Activity Center was the scene of a double-ring wedding ceremony Sunday afternoon performed by Justice of the Peace R.L. Stewart to unite Patricia Ann Brown and James Oliver McLemore.

The couple's parents are Mr. and Mrs. Argie Gould and Mr. and Mrs. J.W. McLemore, all of Iowa Park.

The decorative setting included white tapers uplifted by two fifteen-branched brass fan-shaped candelabra entwined with fresh English ivy, a fireplace featuring a split cane planter holding a combination of plants, and a podium arrayed with tinkle lights and ivy.

Parents and grandparents of the bride and groom were seated on plush ivory couches and others sat on scattered chairs in the room.

The wedding music was furnished by Barry Plaxco, pianist, who presented prelude selections, accompanied Bob Fletcher for his vocal renditions of "If" and "To Me," and played the traditional marches.

The bride was an exquisite picture in her Illisa designer ivory gown fashioned with a sheer net bodice accented with lavish seed pearls and sequins on Alencon lace, featuring a high neckline and straight long sleeves adorned with matching Alencon lace appliques. The dropped back of the bodice was adorned with

MRS. JAMES OLIVER McLEMORE

buttons cascading to the waistline. The full skirting of the ivory netting over taffeta flowed to a cathedral train.

She wore a camelot lace cap to secure her two-tiered ivory illusion fingertip veil and completed the picture with her extraordinary bridal silk bouquet created of salmon lilies, ivory carnations, eucalyptus, pussy willow, stephanotis and baby's breath set off with a gold lame bow with long gold streamers. She remembered to keep the traditions of wearing "something old, new, borrowed and blue."

Miss Leighann Einhaus served as the bride's maid of honor. She wore a formal mallard blue matte taffeta gown designed with off-the-shoulder

neckline, full puffed sleeves, simple string type belt at the natural waistline. She wore shoes dyed to match and carried a single long stemmed red rose.

The bridesmaids, wearing identical

gowns and shoes and carrying duplicate red roses, were Mrs. Joe Williams, Mrs. Coy Martin, Miss Laura Henry and Mrs. Earniest Maulden.

The flower girl was diminutive Dena Dawn Brown, the bride's daughter. She wore a short dress styled with multi layers of raquel lace, puffed sleeves and wide ribbon sash. She, too, carried a long stemmed red rose.

The groom and his attendants, ring bearer, candlelighter and ushers wore Pierre Cardin black notch tuxedos with gleaming satin lapels, satin-trimmed pockets, satin stripes down the pants, ivory wing tip shirts, black satin ties and cummerbunds. The groom and ring bearer wore boutonnieres formed of an ivory rose and baby's breath.

Brandon McLemore, son of the groom, was ring bearer and Wade Cheek was the candlelighter.

The groom was attended by Steve Fische as best man, Terry Seascik, Mike Penrod, Jim Smith and Eddie White as groomsmen. The ushers were Mike Long and Russ Hayley. Their boutonnieres featured deep red rosettes and baby's breath.

The bride's parents presented her attendants with simulated pearl necklaces and matching earrings, and the groom's attendants with engraved money clips.

The mothers of the couple wore red pixie carnations and fresh greenery free style corsages to complement the dresses that they chose for the wedding. Mrs. Gould wore a pale blue floor length chiffon dress designed with a scoop neckline accented with iridescent and seed pearls which were repeated at the high waistline. A sheer jacket with high neckline and long sleeves completed the ensemble. Mrs. McLemore was attired in a full length green knit dress set off with dolman sleeves and gold lame stitching around the neckline.

The bride and groom hosted an elaborate catered reception following the wedding.

The piece de resistance in the setting was the four-tiered lemon-filled cake decorated with cascades of pale pink, burgundy and white roses

of the valley, water lilies and roses and topped with an array of sugar ribbons and bows. The cake set on a large octagon-shaped glass table draped with gold braid and sprinkled with rose petals and rock salt. The cake was served by Sandy Willingham, sister of the bride.

Rosebuds floating on the surface and frozen ice cubes lent a colorful touch to the punch served by Rhonda King and Diana Chavis. Another table held the champagne fountain and wedding party punch was served with the meal.

The tables where 75 guests sat for the meal were covered with red linen cloths accented with gold braid roping and sprinkled with rock salt. The decorations, rich in details, included red votive candles burning in brass holders, wicker baskets of silk iris, red rosebuds, eucalyptus, and baby's breath. The ivory napkins were imprinted with "Patty and James, February 10, 1985," and the books of matches that the couple gave as favors also bore their names.

The menu consisted of French cut drumettes with apricot sauce, glazed artichokes wrapped in bacon, chicken terrine, anchovy dip with a fresh vegetable tray, selected imported cheeses, wicker baskets of flowered vegetables, also a part of the table decorations, special wedding punch and coffee.

Silk flower arrangements in the room were provided by Mrs. Mike Brewer as a special gift to the couple.

The bride and groom were graduated from Iowa Park High School. She is manager of Al's Formal Wear and he is employed by Cryovac. Following the reception, the couple drove to Oklahoma City and left there the next day for a wedding trip to Hawaii. They will live in Iowa Park.

During January, the bride was honored at a lingerie shower given by friends in Wichita Falls, and both were honored at a pounding given by friends in Iowa Park.

Special wedding guests were Mrs. Daddie Parrott of Haskell and Mr. and Mrs. O.S. McLemore of Iowa Park, grandparents of the groom. Other out-of-town guests included Messrs. and Mmes. Ralph Tanner and Gary Pata of Oklahoma City, Charles Ritter of Altus, Okla.; Mmes. Ruby Hill, Florence Hutson and Lila Parrott of Muskogee, Okla.

LISA GOFF AND CHRIS YORK

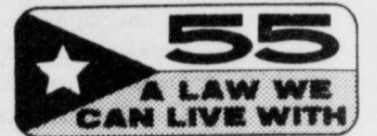

April date selected

Mr. and Mrs. Larry D. Goff of Burkburnett announce the engagement of their daughter, Lisa Renee, to Christopher Shawn York, son of Mr. and Mrs. Freddie J. York of Iowa Park.

Miss Goff is a senior at Burkburnett High School and is employed at Union Square Federal Credit Union. York graduated from

Iowa Park High School and is employed at K&C Oil Company.

The couple will exchange vows April 13, at the Evangel Temple in Wichita Falls.

LOOK WHO'S NEW

Michael Thomas, a seven pound, five ounce son, was born to Mr. and Mrs. Ernest W. Segovia Feb. 8. Mrs. Segovia is the former Theresa Raymond.

The grandparents are Mr. and Mrs. Gerard Raymond of Iowa Park and Mr. and Mrs. Ernest Segovia of Houston. The great-grandparents are Mr. and Mrs. Milbourne of Omaha, Neb. and Nina Dalton and Wayne Dalton of Houston.

We have something special that no one, no distance, no time can take away.... we have each other.

Kevin Underwood completes course

Army National Guard Pvt. Kevin D. Underwood, son of Jackie L. Underwood of 914 Foley, Iowa Park, and Sue Samples of 910 Young St., Nocona, has completed the basic field artillery cannoner course under the one station unit training (OSUT) program at Fort Sill, Okla.

During the course, students were taught the duties of a howitzer or gun section crewman. They also received instruction in communications, maintenance and the handling of ammunition and explosives.

OSUT is a program that combines basic training with advanced individual training.

As I See It....

By BOB HAMILTON

The impression I got of the appearance of Gov. Mark White, Lt. Gov. Bill Hobby and House Speaker Gib Lewis, when the trio spoke Tuesday to members of the Texas Municipal League in Austin, was that they almost broke their arms patting each other on the backs.

And what did they do that was so worthy and outstanding? Why, they helped public education. That's what.

I want to hear from the voters next fall, after all the school districts have set their tax rates for the 1985-86 year. Everyone thinks they've absorbed the major portion of the increases, but I don't think so.

The legislature has built a monster that will haunt both the elected and the electorate for years to come, especially those of us in areas where oil production is a major part of the economy.

When the Iowa Park school board set its tax rate for this year, it was generally understood that a five-cent increase for 1985-86 would be all that was needed. I don't think so.

No one could foresee the cuts in oil

prices. It was already known production, at least in the Iowa Park school district, was declining. That has been going on the past three years.

But \$3 cuts per barrel of oil weren't seen. And there very likely will be more, possibly down to the \$20 range, the way the world market is acting.

So, with the values of the petroleum tax base lowering, it's going to take increases in rates from the other segments of the district's tax base to pick up the loss.

And what was that five-cent increase that was figured going to do for? Well, the legislators voted, in case you don't remember, to continue an annual \$114 per month salary increase for all teachers, until they reach an area of about \$26,000. And the state isn't picking up but a part of those increases.

Since most of our teachers were well below that maximum level, it'll take several years of raises before they get there.

The problem created is the state telling districts what they must do, but the state's not paying for what it dictates. We are, at home.

Commodity distribution Monday

Commodity distribution has been set for noon to 6 p.m. Monday at the First Christian Church. Cheese, butter, and dry milk will be distributed.

History of valentines is study club topic

The 23 Study Club program Thursday afternoon emphasized how the very existence of old-time valentines preserves a romantic tradition precious to generations long ago.

The old-fashioned symbols of affection and love were discussed by Mrs. Joe Singer and Mrs. Homer Blalock, and the program reached a peak of interest as Mrs. Singer showed and described many valentines that she has preserved and collected through the years.

To introduce the program, Mrs. Blalock brought out that even though the origin of the romantic celebration with its attendant paper sentiments is clouded with myth and hearsay, it was first recognized as an official holiday in 1537 by amoroso Henry VIII of England who declared it so in a royal charter. She said that it was during the period from 1840 until 1870 that the commercial aspect of Feb. 14 was first recognized and

ready-made valentines were offered for sale.

Continuing, Mrs. Blalock said that during the earliest years of the tradition, the giver carefully composed a message and prepared the valentine by hand for that "special" person. By the 1900s, valentines were sent to relatives and friends and many simple cards were produced and sold for a penny a piece. However, the elaborate ones were still available in a variety of sizes, quantities and price ranges. "The romantic at heart could spend anywhere from a penny to a whole month's salary on a single symbol of affection," she stated.

Mrs. Singer explained that the most valuable of the earliest valentines were created by hand to express the senders' desires and she showed some cutwork ones, the oldest form of handmade valentines. She described and displayed several three-dimensional old-time symbols of

love, the two-dimensional cards during the era when the Campbell Soup Kids became popular, and the ones made of paper lace imported from England during 1840-70. She said that Esther Howland, who established the first American valentine company in the 1850s, relied heavily upon the paper lace for her creations.

Other types described and shown by Mrs. Singer included the self-standing which favored sunny parks, gardens, swings, swans, butterflies, birds and flowers; those decorated with satin centers and netting, sprays of shells, beads, semi-precious stones, mirrors with gill frames, birds, nests and feathers.

She also showed various "love tokens" that included many of the valentines symbols that could be sent to friends every day, and novelties, such as wall hangings and fans. The wall hangings were made of two or more cards laced together vertically with satin ribbons, and the fans were made of panels, each one depicting part of a story, and fastened together with ribbons.

In keeping with the valentine theme, Mrs. Riley Thompson told how Saint Valentine Day is celebrated in several foreign countries for the inspirational thought.

The performing arts number was presented by Erin Hefti, an elementary school student, who played a piano number, "The Half-Filled Cookie Jar" by David Carr Glover.

The program was climaxed with club members showing and telling about items of sentimental interest and their baby pictures that they had brought to the meeting.

Mrs. Singer, vice president, conducted a brief business meeting.

The meeting was held in the home of Mrs. Erwin Soell and Mrs. B.J. House was co-hostess.

Obituaries

Danny Custis

Services for Danny Custis, 33, were held Wednesday morning at the Church of Christ with Keith Parker, minister, officiating. He died Monday at his home.

Burial was in New Electra Cemetery with Tanner-Aulds Funeral Home in charge of arrangements.

He was born May 13, 1951, in Abilene and had lived in Iowa Park since 1956. He was married to Deana Cook June 12, 1971 in Iowa Park.

He was graduated from Iowa Park High School where he received the FFA Star Farmer award. He was also a graduate of Cooke County Junior College and East Texas State Univ., and had served as assistant county supervisor for the Farmers Home Administration in Hale, Potter, Baylor and Wichita counties. He was a member of the Church of Christ.

He is survived by his wife and his mother, Mrs. Wilena S. Custis, both of Iowa Park.

Ola Lee Emmons

Graveside services for Ola Lee Emmons, 79, were held Monday afternoon at Highland Cemetery with Keith Parker, minister of the Church of Christ, officiating. Burial was under direction of Tanner-Aulds Funeral Home.

She was born July 26, 1905, in Telephone, Tex. She lived in Iowa Park from 1969 until 1979 when she moved to Lompoc, Calif. where she died Friday. She was a member of the Church of Christ.

She is survived by a son, Melvin, of Lompoc.

Stella Engledow Johnson

Mrs. Stella Engledow Johnson, 66, died Monday in a Wichita Falls hospital.

Services were held Wednesday afternoon at the First Christian Church with Rev. Ken Cole, pastor of Faith Baptist Church, officiating. Burial was in Highland Cemetery with Tanner-Aulds Funeral Home in charge of arrangements.

Mrs. Johnson was born Aug. 22, 1918, in Joplin, Mo. and had lived in Iowa Park 27 years. She was a

member of the First Christian Church and Friendly Door Senior Citizens.

She is survived by three daughters, Kay Kuschel of Wichita Falls, Ann Looney of Kilgore, and Betty Bean of Iowa Park; a son, Howard Engledow of Kilgore; two brothers, H.R. Hightower of Ceres, Calif. and Lloyd Hightower of Tipton, Calif.; two sisters, Nova Bryant of Visalia, Calif. and Leatrice Bailey of Junction City, Ore.; 16 grandchildren; and six great-grandchildren.

Andrew Jackson Reece

Andrew Jackson "Jack" Reece, 77, brother of Edd Reece of Iowa Park, died Saturday in a Walters, Okla. nursing home. Services were held Monday at Hart-Wyatt Funeral Home with Rev. John Freeman officiating. Burial was in the Walters Cemetery.

He was born Jan. 27, 1908, near Walters and was a retired oil field driller.

He is survived by a son, Jack R. of Wichita Falls; a daughter, June Fouts of Longview; three brothers, Edd of Iowa Park, Dale and Roy, both of Whitesboro; a sister, Vivian McMasters of Walters; five grandchildren; and two great-grandchildren.

Korea subject of UMW study

Mrs. H.W. Carter introduced the study of "Fire Beneath the Frost" by Peggy Billings at the Tuesday morning meeting of the United Methodist Women held in the Randolph Clark Memorial Chapel.

"Ye shall be witnesses" was the scriptural basis for introductory study on Korea.

Mrs. Carter said that Korea has struggled for centuries under oppression and domination by other countries, its most powerful adversaries being Japan, China, Russia and the U.S.

She said that the church has supplied the necessary support to sustain the lower class of people known as the Memjung, and with the gospel the lower classes have been able to continue the growth of Christianity through the many years of oppression.

Mrs. S.B. Keeter conducted a short business meeting in which 19 members participated.

Time management workshop Monday

A time management workshop will be presented Monday at Iowa Park High School, sponsored by the Homemaking Department.

The adult class topic will be "How to Survive '85," and will be presented by Homemaking teachers Carey Roberts and Judy Spring.

Registration can be made by calling 592-2371 before 12-noon Monday. A fee of \$3 is required.

Garden Club recognizes leaders for anniversary

The Iowa Park Garden Club observed its 25th anniversary Thursday at a reception honoring all past presidents. The event was held in the Fellowship Hall of the First United Methodist Church.

Mrs. Frank Gossett, the overall chairman in charge of decorations, and Mrs. Vernon Gilbert, club president in charge of refreshments, were in charge of arrangements. They were assisted by Mmes. Charlie Lee, scrapbook display; W.A. George, invitations; James Gilmore, favors; and Myrl Cabe, guest registration.

The refreshment table where Mmes. Jerry Reed, Dave Davis and Gossett presided was covered with white eyelet and carried out the club colors of pink and brown in

decorations which were highlighted by a silver candelabrum arrayed with pink roses and candles in the center.

Mrs. O.N. Newman was the first president of the club organized in 1960 with approximately 20 members for the purpose of promoting conservation, horticulture and encouraging the citizens of Iowa Park to take pride in their community. The club now has a membership of 30.

In appreciation for their years of loyalty and service, Mrs. Arch Hughes, Mrs. James Sewell and the late Mrs. Curtis Hill have been presented with life memberships.

The club had undertaken many projects too numerous to mention to beautify and benefit the

community and won many state awards for their efforts during the years.

The largest project undertaken was the founding and landscaping of Burnett Park of FM Road 368. The land was cleared, hundreds of shrubs and trees planted, concrete tables and charcoal broilers put in.

The club also planted flowers around the flag pole at the city hall; spent approximately \$1,000 planting pampas grass and crepe myrtle on the expressway between Johnson Road and Pacific St. and donated many pounds of bluebonnet seeds for planting.

During Mrs. Frank Harlin's first term as president in 1968-69, the Garden Club was able to get Iowa

Park designated as a "Bird Sanctuary," and signs were placed at each entrance to the town.

In January of each year, club members plant a tree at Kidwell Elementary School on Arbor Day. One of the projects that encourages citizens to take pride in the yards is the "Yard of the Month project" where a yard is selected and marked with a wrought iron plaque. At the end of the year, one of the yards is selected for the "Yard of the Year," and the recipients are presented with an engraved plaque.

Mrs. Marvin Klinkerman who has been elected to serve as president for

1985 will be installed in May.

Those who have served the club as president include: Mmes. O.N. Newman, Morris Jacks, Clyde Hutchinson, E.F. Soell, Herman Rains, R.E. Van Horn, Richard Carver, Sam Hunter, W.A. George, Frank Harlin, James Sewell, Dick

Reilly, Sale Koonce and Miss Ethyle Kidwell.

Others are Mmes. Roy Johnson, D.O. James, China B. Smith, Luther Shaw, Charlie Lee, John Bernstein, Gordon Parkey, N.D. Hodson, Frank Harlin, Raymond Good, and Vernon Gilbert, the current president.

Camp Fire candy sale extended

Due to the bad weather the first weekend of the sale, the Camp Fire candy sale will be extended one more week and end Sunday, Feb. 24.

Enthusiastic sellers can continue to work on earning prizes ranging from candy sale emblems to stuffed

animals and color television sets. Mrs. Marsha Solomon is Iowa Park Candy Sale Chairman.

A mailing has been sent to each member of the Camp Fire Council of North Texas announcing the extended time.

PRESIDENTS POSE - Ten of the 13 Iowa Park Garden Club past presidents, still active in the organization, pose during the club's 25th anniversary reception. They are, from left, Mmes. Vernon Gilbert, Raymond Good, Frank

Harlin, Charlie Lee, China B. Smith, D.O. James, Miss Ethyle Kidwell, Mrs. Sam Hunter, Mrs. Erwin Soell and Mrs. O.N. Newman. Not pictured are Mmes. W.A. George, N.D. Hodson and James Sewell.

Heart problems is P-TA topic

Mrs. Joe Nemecek of the American Heart Association will be the speaker for a meeting of the Kidwell P.T.A. at 7:30 p.m. Tuesday. Her subject will be "Cardiovascular Disease in Our Children."

The meeting will be held in the cafeteria and the first grade students will provide special music.

YOU MAY QUALIFY FOR \$2,000 CREDIT on your income tax when you open an INDIVIDUAL RETIREMENT ANNUITY. You may begin with as little as \$50.00 IRA'S currently earning 11% Annual Interest rate.

CALL: PAT RATCLIFF REPRESENTATIVE 592-9056

Two on VJRC President's List

Two Iowa Parkans, Teresa M. Caldwell and David H. White, were named to the President's Honors List for the fall semester at Vernon Regional Junior College.

The distinction is awarded to students who achieved all "As" with a minimum course load of 12 semester hours.

Andrea is 35 ...again.

Board adopts rules covering eligibility

Holliday School Board Monday night approved changes in eligibility requirements for students participating in extracurricular activities, and changed the format of the school's vocational agriculture program for the 1985-86 school year, in action taken during the board's regular monthly meeting.

The eligibility requirements, mandated at the state level by the State Board of Education, specifies that a student must be passing at least four subjects at the end of the first semester, or three six-week period.

At the beginning of the fourth six-week period, students will have to maintain passing grades in at least four subjects, with grades to be monitored and averaged at the end of each school week. Beginning at the start of the fifth six-week period, students must be passing all courses, with grades to be monitored and averaged weekly.

The board discussed the possibility of installing a 4 1/2-day week beginning

next year, to enable spring sports and other outside activities to be held at the end of the week, on Fridays, but trustees decided against the move at this time.

VO-AG CHANGED

Due to a lack of funding for vocational agriculture programs, the board voted also to have two 11-month personnel units for the 1985-86 school year. Owen said the lack of funds is a direct result of SB-72, passed last year by the Texas Legislature, and otherwise labeled the school reform bill.

Trustees discussed other possible personnel changes, including additional hiring, as a result of SB-72, but the matter was tabled until the March meeting, when employee contracts will be up for renewal.

In a short, closed session, principals from the three grade levels went over

personnel evaluations with the board, but no action was taken later when the board returned to open session.

DRIVERS EDUCATION

The board raised the driver's education fee from \$70 to \$85 for this year, also due to a cut in state funding. Time and place for the course is yet to be announced.

TABLED MATTERS

The board tabled additions to the school calendar until the March meeting, and also tabled action on the vacancy to the Archer County Tax Appraisal Board, and a request from the band director for assistance in purchasing new band uniforms.

DEED SIGNED

Trustees signed a quick-claim deed, which allows Dr. Ed Thornton to purchase the lot where his clinic is located, from Archer County. Owen said the move was a legal maneuver enabling the county to sell the

property to Thornton, and that the school would receive approximately \$200 in back taxes owed since the 1930s, and new taxes generated for the school district would amount to around \$300 each year.

APRIL 6 ELECTION

The board also approved a slate of

absentee judges and election judges for the April 6 school election. In addition, trustees set March 6 as the last day to file as a candidate, and March 8 the date to draw for places on the ballot.

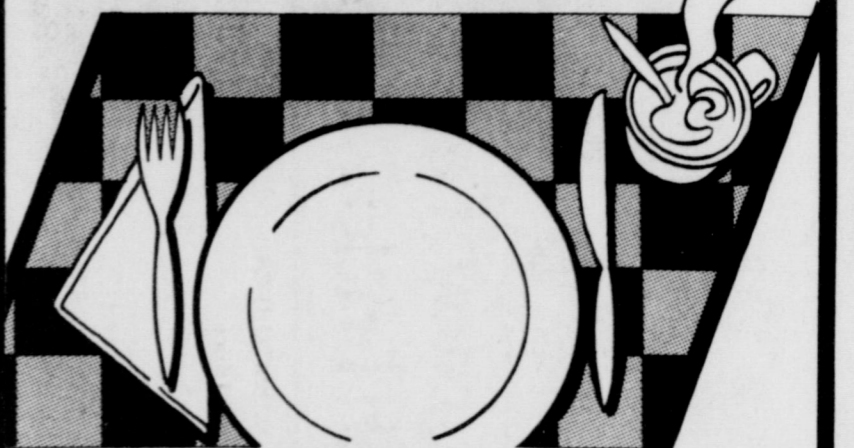

Absentee voting will be held from March 18 until April 2, in the Holliday I.S.D. tax office, located in the Holliday Elementary Building.

Bike-a-thon leader named

St. Jude Children's Research Hospital recently announced the selection of Mrs. Noma Campbell of Holliday to act as chairman for this year's bike-a-thon in Holliday. Mrs. Campbell will act in conjunction with the Holliday Chapter of Young Homemakers of Texas in coordinating the annual event.

Clifford Damstrom, Southwest Regional Director of St. Jude, said the cost of treatment, equipment, drugs, and research programs is met through such fundraising activities as the bike-a-thon.

"It is gratifying that every year in towns all across the country, volunteer leaders organize bike-a-thons to benefit St. Jude Children's Research Hospital," Damstrom commented. "This would not be possible without the help and support of dedicated chairmen."

Details of the bike-a-thon will be announced later, according to Campbell, but persons interested in assisting with or participating in the event can contact her at 586-1571.

Holliday News

Eagles wait to see

Holliday's Eagles defeated Electra at home 69-43 Tuesday evening to end regular season play in District 9-AA. Now it is a wait and see time for the red and white as two games tomorrow will decide their initial fate.

The win gives the Eagles a 4-3 record in the second round of district play, which at present is good for third place. Electra dropped to 3-4 for the second round. Holliday was led by Kurt Lilley's 18 points, aided by a 12-point production from Les Dolberry.

With Olney the undisputed winner in both the first and second rounds of play, the battle now focuses on the runner-up in the district, with Holliday holding the undisputed runner-up title in the first round.

Tomorrow night, Henrietta plays Olney, and Seymour faces Jacksboro. Depending on the results of those two

games, the Eagles will have an opponent for the runner-up title game at 7:30 p.m. Tuesday in Hirschi Fieldhouse in Wichita Falls.

Two possibilities exist, and they include:

Number 1 - If Henrietta defeats Olney tomorrow, Holliday will play Henrietta Tuesday for runner-up; and,

Number 2 - If Henrietta loses, and Seymour beats Jacksboro, then Henrietta will play Seymour Saturday night at 7 to decide the second round runnerup.

WARMUP GAME SET

The Eagles will travel to Wichita Falls for a warmup game against Archer City tomorrow night at 8:30, immediately following the Archer City vs. Byers girls' playoff game.

Kindergarten registration set

Pre-registration for kindergarten in the Holliday Schools will be held Tuesday, Feb. 26, according to Elementary Principal Carol Magee.

Parents should contact Magee if their child will be 5-years-old on or before Sept. 1, 1985, by phoning the elementary office at 586-1986.

Parents should attend a short meeting with Magee in the high school cafeteria beginning at 8:30 the morning of pre-registration. They also should bring complete health records and birth certificates with them at that time.

Friday, February 15

Breakfast: Oatmeal, toast, milk, bacon.

Lunch: Hamburgers, lettuce, tomatoes, onions, chips, ice cream, milk.

Monday, February 18

Breakfast: Frosted flakes, milk, peaches.

Lunch: Pizza, corn, salad, milk, cookies.

Tuesday, February 19

Breakfast: Donuts, milk, juice.

Lunch: Barbecue on a bun, kosher pickles, relish, mustard, French fries, crunch, milk.

Wednesday, February 20

Breakfast: Oats, milk, toast.

Lunch: Beef ravioli, cheese, fried okra, crackers, milk, fruit.

Thursday, February 21

Breakfast: Waffles, syrup, milk.

Lunch: Chicken and dumplings, potatoes, green beans, milk, fruit.

Tips On Dental Health

RICHARD CARVER, D.D.S.

TMJ SYNDROME

People that have this problem know it as a real pain. If you are having pain or tenderness around your head, neck, shoulders or back, you may be suffering from temporomandibular syndrome. It is believed that as many as 60 million people suffer from this at one time or another. It is most common among women aged 20-40.

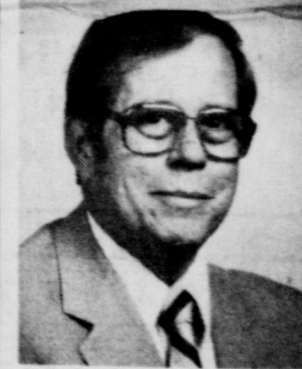

The temporomandibular joint connects the lower jaw to the skull and is located just in front of the ears. The joint and five pairs of muscles enables your jaw to move when you talk, chew or swallow. Anything that interferes so that these muscles and the joint can not work properly together causes problems such as:

- * headaches and neckaches
- * difficulty in opening the mouth
- * ringing in the ears
- * dull aching pain near the ear

The causes of TMJ syndrome appear to be varied and are not entirely understood. It can be caused by such things as aging, a blow to the head or jaw, arthritis, or opening the jaw so wide as to injure the cartilage. Probably the most common cause is a poor bite caused by loss of teeth and clenching or grinding the teeth when under stress.

Treatments may involve reshaping of certain teeth, bite plates and sometimes surgery, among other types of treatment.

Prepared in the interest of better dental health. DR. RICHARD CARVER, Phone 592-5141.

Let's talk.

Information about your changing telephone service from Dan Adams, Manager-Community Relations

Divestiture revisited: one year later

A little over three years ago — January 8, 1982, to be exact — we were stunned by the announcement that AT&T would divest itself of 22 operating companies, including Southwestern Bell, in exchange for the federal government dropping its 8-year-old anti-trust suit.

Most of us remember that moment: where we were when we heard the news, the looks on the faces around us, the feeling in the pit of the stomach as it slowly dawned on us what it was going to take to dismember the world's largest corporation.

We did what we had to do — all the while wondering if it would work.

Today, it works.

Although every one of us is still analyzing divestiture's effects on our responsibility areas and working out the glitches, we've come a long way.

Service has remained at quality levels

A year ago, when divestiture took place, some thought the Bell System breakup would cause local telephone service to deteriorate drastically. But it hasn't.

And the many changes haven't always been easy — on you or on us. We still don't know where some of our longtime work friends in other departments wound up. And I can imagine the consternation of many customers who had been accustomed over the years to one call doing all, being told overnight they would have to get their own telephones.

To help you with your questions, we introduced a series of informational booklets in 1984 called "Tele-Help." And, as a result of your questions, more booklets are coming this year, including a series for small businesses.

New revenues, new services and budget cutting

One of the principal axioms of our business has always been, "to serve well, we must earn well." Since divestiture, that's never been truer in Texas.

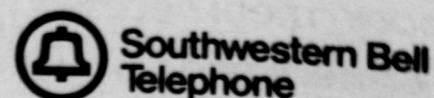

It's important to point out we've managed to get through the first year on our own as a stand-alone company without any significant increase in local residence rates. In fact, flat-rate residential service increased only 30 cents per month in 1984 — and that was the result of a rate filing a year earlier.

And despite all the havoc of divestiture, our internal measurements tell us service has never been better in Texas.

But more than ever, we understand that really satisfying customers requires a great deal more than looking good on a monthly service report. We know we have some weak spots, but we're working on them.

You see, the ultimate judge is not what our surveys tell us, but what you tell us.

And serving you is our only business. We appreciate the opportunity to do so.

Texas providing telecommunications for a growing state.

Hawks, Eagles to meet for title

Iowa Park's Hawks and Decatur's Eagles are going to have a playoff to decide the Dist. 5 AAA champion, but the date and place won't be decided until tomorrow.

Coach Earnie Reusch said yesterday that he and the Decatur mentor are to meet Friday to make the decision. Mentioned as possible sites were Graham, Wichita Falls Rider, or flip for home gym.

Reusch said he doesn't like the idea of both teams having to drive to a central place like Graham, but wouldn't mind playing at Rider, which is available.

The Hawks earned a playoff position by winning the first half of district round robin play, even though they had one loss. Decatur has finished the second half undefeated, for its playoff ticket.

Regardless of the outcome of the championship playoff, both teams will advance into the state playoffs under the UIL's new rule of two teams

representing each district. Decatur finished the regular season Tuesday with a 50-38 win over Vernon, giving the Eagles a 19-10 season record. They finished the first half of district play 3-2.

The Hawks dropped their second game of the second half Friday, 53-55, to Bowie, but Tuesday blew away Bridgeport 71-52, evening their second half record at 2-2 and 15-9 for the season.

Iowa Park will travel to Springtown today to make up the game postponed last week due to bad road conditions. While the outcome will not effect district standings, Reusch said he wanted to play it because of needed practice.

BOWIE GAME

Even though they held a five-point lead, 30-25, at the half, the Hawks went cold during the second half against the Jackrabbits.

Iowa Park missed four shots in the final 34 seconds that could have

evened the score and sent the game into overtime. But missing shots wasn't new for the Mean Green that evening. They connected on only five of 15 attempts from the charity line.

Jerry Allen led Hawk scorers with 20 points, while Joey Bates had 10.

In the freshman game, Iowa Park won 45-34. And though the Hawk JV held a one point lead with a minute to

go, they lost 47-52.

BRIDGEPORT GAME

The Hawks led at the end of the run-and-gun first quarter, 28-16, and never let up. They held a 42-29 margin at the half and 56-37 going into the final period.

Four Hawks finished in double figures: Bates, 22; Allen, 13; Mark Copeland and Stephen Bidy, 10 each.

SENIOR GUARD VAN HEDRICK HARASSES PLAYER

Frustrated Hawkettes end season at 16-7

A frustrated Hawkette team Thursday night blew their opportunity for a playoff position and lost 40-42 to Springtown.

A win would have given them the second half runner-up position behind Vernon, and forced a playoff with Bowie, first half runner-up, to decide which team advanced with the league winning Lady Lions.

Leading 14-11, 28-27 and 35-34 at the end of the three quarters, the girls were repeatedly frustrated by official calls that players were traveling with the ball.

In the final minute of play, one player bounced the ball high into the air after being whistled, and was charged with a technical foul. That gave the hosts points at the charity line.

Cindy Clanton was the only Iowa Parkan to finish in double figures, scoring 14 points.

The loss dropped the Hawkettes to 16-7 for the season, which was equally frustrating because of the loss of Coach Ray Sefcik over the Christmas holidays due to a heart attack that sidelined him.

TAILOR VITAMIN SUPPLEMENTATION TO AGE, SEX AND LIFESTYLES

Neither multiple or single vitamin dietary supplements are needed or beneficial for everyone. Vitamin supplementation should be tailored to the age and sex of the individual and to the person's lifestyle. Here are some recommendations from nutrition experts:

1. Teenagers need more vitamin B for energy and tissue growth.
2. Adults need more calcium to decrease the bone erosion process.
3. Women taking oral contraceptives should increase their vitamin C and B intake.
4. Those who smoke and drink regularly should take more vitamin C and B.
5. Most children today require more iron in their diet.
6. The geriatric population has the greatest need for vitamin supplements.

A daily multivitamin/mineral dosage should replenish their bodies needs. Megavitamin intake can be harmful. Vitamin C taken in excess, for example, can cause kidney stones. Medical counseling is needed before adding more vitamins in patients' diets.

Boxing returns to local scene

For the first time in several years, Iowa Park will host a boxing tournament.

To be held at the junior high gymnasium, bouts will begin at 7:30 p.m. Friday and Saturday, according to John Trahan, local coach.

The meet is expected to be almost as large as last week's card in Wichita Falls, with teams coming here from Nocona, Bowie, Ardmore, Lawton, Wise

County, Vernon, and two Wichita Falls clubs, Central Boys and Northwest Boys, as well as some seven local boxers.

Weight-in will be held Friday, at which time the number of bouts will be determined. If as many enter as did at Wichita Falls, there could be as many as 24 bouts Friday and 28 Saturday.

Admission per session will be \$3 for adults and \$2 for school-age children.

Four enter Houston show

Four members of the Iowa Park FFA Chapter will be participating in the Houston Livestock Show, which will begin Saturday and continue through Mar. 3.

They will have five of the 16,313 junior show entries expected. Additionally, 8,960 open show entries and 3,011 horse show entries are expected for exhibition.

The four students and their entries are: Dana Gray, a market steer; Misty Hicks, a market barrow; Doug Smith, one each market steer and market barrow; and John Wood, a market steer.

In market lamb, barrow and steer shows, a three-judge system will be used, helping insure selection of an animal based on production, feeding and carcass merit.

Cook of the Week

Food Bank leader speaks to Epsilon Eta

Adjusting to being newly married isn't easy, nor is adjusting to being for two. This week's cook, Debbie (Mrs. James) Brizey, is busy adjusting to both.

Debbie and her husband have been married just over a month and are living in Kanam. She is a graduate of West Park High School and a junior at Western State Univ. She is employed at Grigsby's Rag Doll. James is also a graduate of J.P.H.S. and is employed by Wichita County Courthouse District No. 2.

Debbie says time is the greatest enemy in her cooking. With school and job taking up much of her time, her microwave is an appliance she uses almost daily. She uses the microwave for reheating leftovers, short-cuts in cooking, and main dishes.

Of the recipes she submitted, the Lasagna is an exceptionally good time-saver, as it can be prepared in advance and frozen to reheat at a later time.

In her spare time, Debbie enjoys water skiing and clothes shopping.

Mrs. James Brizey

TATER TOT CASSEROLE
 1 lb. ground beef
 1 medium onion
 1 can mushroom soup
 1 small pkg. later tots
 1/2 lbs. uncooked ground beef in portion of 1 1/2 qt. casserole. Slice onion over top and salt and pepper to taste. Add later tots. Pour mushroom soup (diluted) over top. Bake in 350 degree oven for 1 hour or until later tots are golden brown.

One can of peas may be added after the ground beef, if desired.

QUICK PIZZA
 1 jar Ragù Pizza Quick sauce
 English muffins or regular bread
 Grated mozzarella cheese
 Parmesan cheese
 Lightly toast bread. Spread Pizza Quick sauce on bread. Sprinkle with mozzarella and Parmesan. Bake at 350 degrees for 12-15 minutes.

Another variation is to thaw frozen bread dough. Pinch off enough to roll in 8 inch circles. Follow above directions.

SMOTHERED STEAK
 1 Sirloin or round steak
 Flour, steak, season with salt and pepper, and brown in oil. Place in casserole and add:
 1 pkg. onion soup mix
 1 can cream of mushroom soup

1 can milk
 1 large can mushrooms, juice and all
 Cover and bake at 350 degrees for 1 hour.

COUNTRY FRIED STEAKS
 4 minute steaks
 1 large onion
 Flour, salt, & pepper
 1 1/2 10 oz. can golden mushroom soup
 1/2 soup can water
 Coat steaks with flour, salt and pepper. Brown in hot oil in skillet. Put in Pyrex dish. Slice onions and place over steak. Mix soup and water pour over top. Bake in 250 degree oven covered for 1 hour.

QUICK PEACH COBLER
 1/4 sticks butter
 2/2 cups Bisquick
 1 1/2 cups sugar
 2 large cans sliced peaches
 1/2 cup milk
 Melt butter in 9x13 pan. Mix Bisquick, sugar and milk, and pour over butter. Drain peaches. Save juice from one can. Spread peaches over batter. Pour juice from 1 can over all. Bake at 350 degrees for 1 hour.

This recipe can be cut in half. Serve with ice cream.

TOSTADA LASAGNA
 12 lbs. ground beef
 1 med. onion, chopped
 1 1/2 28 oz. can tomatoes, cut up
 1 1/2 8 oz. can tomato sauce
 1/2 dried oregano, crushed
 1/2 chili powder
 1/2 crushed red pepper
 1 1/2 16 oz. can red kidney beans, drained

16 lasagna noodles, cooked
 1/4 cups shredded Monterey Jack cheese
 Shredded lettuce
 Tortilla chips
 Cherry tomatoes, halved
 Cook meat and onion till browned. Drain off fat. Stir in next 5 ingredients and 1/2 teaspoons salt. Simmer, uncovered, 25 minutes. Stir in beans. Using two 10x6 1/2 inch baking dishes, arrange 4 noodles in each. Spread 1/2 meat mixture and 1/2 of the cheese atop each. Repeat layers.

Bake casserole covered in 350 degree oven 15 minutes. Uncover and bake 10 minutes. Top with lettuce, chips, and tomatoes. Makes 22 casseroles, 6 servings each.

Dave Maher, head of the Wichita Falls Area Food Bank was the guest speaker for the Tuesday evening meeting of Epsilon Eta chapter of Epsilon Sigma Alpha held in the home of Mrs. Al Denton. Mrs. Robert Bungardner was the co-hostess.

Introduced by Mrs. Darrell Gunderson, the speaker said that the food bank organization, composed mostly of volunteers, serves as a conduit through which grocers and manufacturers may channel edible but unsaleable food items. The food is stored and turned over to non-profit agencies which provide on-site meals or distribute food in emergency situations.

He said that since the food bank was established three years ago, the volume of the project has increased to distribute more than one million

pounds of edible food to the needy in 1981.

Mrs. Luther Shaw and Mrs. Bud Mercer attended the state board meeting at Marshall over the weekend. District Six, which they represented, was honored with top awards in money being raised in both civic and service projects.

During the business, it was voted to sponsor the beginner girls softball team this year. Announcement was made that the annual salad supper would be held April 16 at the First Christian Church and that the Friendly Door rhythm band would provide entertainment.

Refreshments were served from a table beautifully decorated in the valentine motif, featuring heart-shaped appointments in the colors of red, pink and white.

PUBLIC NOTICE

NOTICE OF APPLICATION FOR OIL AND GAS WASTE DISPOSAL WELL PERMIT

McGormick Gordon, P.O. Box 2036, Plano, Texas 75074 has applied to the Railroad Commission of Texas for a permit to dispose of produced salt water or other oil and gas waste by well injection into a porous formation not productive of oil or gas.

The applicant proposed to dispose of oil and gas waste into the Lo Gunnsight-Boyd Gilbert Well Number 1. The proposed disposal well is located 7 miles NE of Electra in the Regular Field in Wichita County. The waste water will be injected into stratum at the subsurface depth interval from 2049 to 2069 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended. Title 10 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

2/14/85

NOTICE TO BUILDING CONTRACTORS

Sealed Proposals addressed to the Honorable Tim Hunter, Mayor for the City of Iowa Park, Texas for the **REMODELING OF IOWA PARK CITY HALL PHASE II**, Iowa Park, Texas in accordance with the Contract Documents prepared by HARPER PERKINS ARCHITECTS will be received at the COUNCIL CHAMBERS at the City Hall, Iowa Park, Texas until 3:00 PM CST 17 MARCH 1985. Proposals will be publicly opened and read aloud at that time for presentation to the City Council on 11 March 1985. This project is a "Public Works" Project and Labor Standards and Practices set forth in various annotated Civil Statutes of the State of Texas shall be complied with.

Drawings and Specifications may be examined without charge at the office of HARPER PERKINS ARCHITECTS at 4724 Jacksboro Highway, Wichita Falls, Texas, and at the IOWA PARK CITY HALL, Iowa Park, Texas, and in the plan rooms of Lodge in Wichita Falls, Fort Worth, Abilene, and Dallas. Scan in Dallas, Texas (Contractor, Dallas: AGC in Fort Worth and Abilene. Two (2) documents may be obtained from HARPER PERKINS ARCHITECTS upon payment of a deposit of Fifty Dollars (\$50.00) as a guaranty of the safe return of the Drawings, Specifications and Contract Documents. Additional sets may be obtained by payment of fifty dollars (\$50.00) for each set of Specifications and the actual cost of reproduction for the Drawings, which is one dollar (\$1.00) per sheet. Individual sheets of Specifications may be purchased at the rate of fifteen cents (\$0.15) per sheet. All Drawings and Specifications whether obtained by deposit or by payment of reproduction cost are the property of the Architect and must be returned to him.

Each Proposal must be accompanied by a Bid Bond, Cashier's Check, or Certified Check for 5% of the amount of the Proposal, and payable unconditionally to the CITY OF IOWA PARK, TEXAS. No Bid may be withdrawn for a period of thirty (30) days subsequent to receipt of bids without the consent of the Owner.

The Owner reserves the right to reject any or all Proposals and to waive any or all informalities.
