Vol. 15, No. 52 IOWA PARK, WICHITA COUNTY, TEXAS 76367 THURSDAY, SEPTEMBER 13, 1984

School reform results evident in board meet

Effects of the school reform bill kept cropping up throughout Tuesday night's meeting of the school board.

Besides comments made by each of the campus principals, which is required twice annually by the reform bill, student activities, their restrictions and limits were discussed while trustees considered activities by organizations for the year.

Also, the high school golf program was eliminated.

In each case, principals remarked about how much more work had been placed on their teachers, secretaries and themselves to implement programs injected by the reform. And each administrator complimented his staff for their efforts and accomplishments.

Bob Dawson, high school principal, said school had been underway only 10 days, but it felt like two years. Many of his teachers were exceeding or about to exceed the limit of 150 student contact hours per day, with the addition of a seventh class period.

In addition, several of his teachers are having to teach classes they are not certified to teach, on an emergency basis, Dawson said.

Teachers with the most contact hours per day include: Earnie Reusch, 166; Barry Lucy, 153; Carole Venhaus, 151; Jo Ann Davis, 149; Jim Gotcher, 144; Dean Kirkpatrick, 140; Ruby Black, Jane Cowley, and John Ratcliff, 138; Tim Casper, 133; Wilbert Wynn, 129; Jean Johnson and Teresa Beckham, 128; George Collins, 121; Raydean Mattis, 118; Bonnie Medlinger, 114; Carey Roberts, 116; Jackie Denton, 115, and Gary Lyles, 110.

The purpose of adding a seventh period to the day, Dawson reminded trustees, was because more credits are required to graduate. "If we had stayed with six classes, a student would have had two electives in four years," he said.

The teachers are completely worn out by the end of the day, but they are handling the stress factor. "Everyone (teachers) is trying their dead level best to teach the courses."

As a closing comment, Dawson told the trustees "There hasn't been a good thing said on television or in newspapers about a school or a teacher in the last few years... that they weren't doing anything right... and they were!"

Junior high principal Jimmy Alsop told the board his staff is helping start a student council on campus, with 16 members and 16 alternates. An election is to be held today.

Additionally, competitive programs are being started for students in math and spelling, Alsop said.

Bradford principal Kenneth Davis said he has 376 students on campus, 11 fewer than the peak last year. He also mentioned the breakdown of the students is 204 boys and 172 girls.

Ron Woods, Kidwell principal, said he has 350 students on campus. In paying high compliment to his faculty, he said often teachers are still in their rooms at 5:30 p.m., and some are even there at 8 in the evening, working on their programs.

He also mentioned that his campus would hold open house Sept. 25, Bradford's would be the 24th and junior high the 27th.

GOLF ELIMINATED

Athletic administrator David Baugh recommended to the board that the golf program be eliminated this year, explaining "I don't like to drop any sport, but there comes a time."

He said Iowa Park has seldom been competitive, and some students had used the sport primarily to get out of classes.

But the major problem is the number of classroom hours a student will miss due to competition, which could fail them. He explained the golf courses where the teams play are not open to high school teams on weekends, weekdays only.

Therefore, a student could fail all his courses because he competes on the golf team and misses more than six days of school during the spring semester, Baugh said.

The budget for golf is \$833, but trustee Martha Dudley said absenteeism was the important factor, not the money.

Student trips and activities were also scrutinized by board members. Though they had already eliminated the Greater Southwest Music Festival for band in May, it was again on the list for approval, and again was turned down.

Likewise turned down was a proposal by the pep squad to sell candy bars at school. Noting it was to be done at noon, which is a violation of state school regulations, and the fact the organization has another sales project, it was rejected.

A magazine sales project by the senior class, and selling cookie pies by the band as a fund-raiser were both approved.

All vocational trips proposed were approved, but it was pointed out that agriculture students would have to make a choice of shows they would attend, staying below the limit of unexcused absences.

Trustees were also reminded that a student could not be permitted to miss a class he was failing, for any school activity.

In other business:

* trustees approved the sale of the building trades class project house at 704 W. Clara;

* decided to advertise for sale all unsold school-owned lots in the 700 block of West Louisa;

* decided to have the building and grounds committee study proposals for rebuilding or improving the high school track;

* and set Sept. 27 for a public hearing on the new tax rate of 53-cents, on which the already approved budget was figured.

Iowa Park's gift goal to UW is \$46,262

Formal kickoff of the 1984-85 United Way fund drive was held yesterday in Wichita Falls.

Bob Aulds has been named Iowa Park UW drive chairman. Community division chairmen include: Ron Barnes, major firms; Marilyn Hale, metro; Robert Palmer, public employees; Dr. Erwin Soell, professional, and Joni Whitis, advance gifts.

Iowa Park's goal has been increased by 7.2 percent, as has the overall budget, according to Aulds.

The local goal this year is \$46,262, as compared to \$43,155 last year.

Two years ago, local contributors gave \$29,387. So the Iowa Park

contribution to the United Way represented a 47-percent increase last year. This was primarily due to a donation by Cryovac employees totaling \$24,882.

The United Way supports The Friendly Door, Iowa Park's senior citizen facility, and Iowa Park Recreational Activities Center. Additionally it supports the Girl Scouts, Boy Scouts, Red Cross and some 30 additional agencies of the area.

"The United Way is funded completely by the donations of concerned businesses and citizens," said Aulds. "We hope our community will continue to give needed support to this important cause."

ROBERT DEAN SWORN IN AS CHIEF BY MAYOR TIM HUNTER ... Tuesday morning following city council's action.

Dean is chief Council approves new budget

The city council Monday night named Capt. Robert Dean as chief of the police department and set a tax rate that is virtually unchanged from the previous year.

In an order so quick that a Wichita Falls television cameraman didn't even have time to set up equipment and record the vote, aldermen voted unanimously in favor of the seven-year veteran of the local department.

The motion to name Dean was made by alderman George Hammonds, seconded by Johnny Coker, and all members held their hands up in the affirmative vote. Only alderman Bud Mercer was absent to be counted.

Dean fills a position which had been open some two months, during which time applications were received from wide areas of the state. Dean had been serving as temporary chief, a position he had filled on three previous occasions.

He joined the force in March of 1977 under former chief Jim Voyles, and was promoted to sergeant and then captain while Charlie Whittingstall was the head of the department. He then served under Billy Hamilton and Tom Fenley before receiving the appointment.

A large group of supporters was on hand, and let their reaction be known, as the hands of the council members were raised, by applauding.

BUDGET AND TAXES

The city's tax rate is almost the same as the 76-cent rate set last year. It was lowered to .7582-cents, to fund a budget of \$1,933,255.

Entering the year, which begins Oct. 1, with an anticipated carryover of \$400,000, the prediction is that the same amount of carryover will be on hand at the end of the year.

Anticipated revenues are \$1,174,255 to the general fund and \$759,000 to the water and sewer fund.

Expenditures anticipated are \$1,083,755 for the general fund operation; \$689,250 for the water and sewer operations; \$90,500 for general obligation bonds and \$69,750 for revenue bonds, which would leave a

zero balance for the \$1,933,255 anticipated revenue.

"I think it's one of our best budgets," commented alderman Coker.

OPERATIONAL CHANGE

An ordinance was also approved by the council which changes the operation of the water and street departments.

Instead of a superintendent for each of the departments, the change puts both departments under one officer, now entitled Public Works Director. A person to assume that position has not yet been named, but council members are convinced the change will save money and streamline the operations of both departments.

Charlie Helms, present street superintendent, is retiring in December. Dave Davis, who heads the water department, will be moved into an administration position, James Barrington, administrator, said.

Another ordinance approved was the replating of lots in Garden Valley, submitted by owner Darrell Jolly. The lots were made larger, after purchasing a small tract of land from the city.

Aldermen also approved a resolution concerning the North Texas Housing Finance Corporation, which permits the inclusion of Holliday, Quanah and Wilbarger County into the organization. Others besides Iowa Park are Wichita Falls, Henrietta, Olney, Graham, Burkburnett, Bowie, Electra, Vernon, and counties of Wichita and Clay.

Former mayor Charlie Lee, who is serving as secretary/treasurer of the Finance Association, was re-appointed by the council to represent Iowa Park on the board.

Other appointments by the council were Jack Witherspoon to the electric board and Carolyn Heavely and Buddy Ketchersid to the parks board.

Aldermen approved a proposal to permit Barrington to advertise for bids to carry out "phase 2" of the city hall renovation program. This would

include remodeling the original portion of the building, and adding a paved drive-through where citizens can pay utility bills without having to leave their cars.

Another approving vote by the council permits Barrington to enter into a contract for services of an Albuquerque engineering firm to study and prepare recommendations for improvements at the waste water treatment plant. A cap of \$2,000 for the services was put into the motion.

Barrington told the council the county had approved the contract to permit street improvement work by county crews, paid by the city. A study is to now be made to establish priorities.

Following a discussion concerning a commercial test which can be administered for issuance of electrical worker's licenses here, aldermen instructed Barrington to have an ordinance drawn for consideration at the next meeting.

Similar to Wichita Falls, tests will be provided and graded by a Florida firm.

Barrington told the council the highway department had approached him with a proposition to furnish metal trash containers and dumping service to the two rest stops west of the city.

Aldermen agreed that a fee of \$100 per month per dumpster for twice-weekly pickup would be adequate.

CABLE TV FRANCHISE

Meeting with cable television manager Raymond Greenwood, it was determined Greenwood had misunderstood the language of the franchise contract which requires council approval of any change of ownership.

Greenwood was of the opinion the approval was not required, and reminded the council he and his immediate supervisor had met with the council, informing members of the change of ownership.

At issue is the fact the former cable owner still owes some \$4,000 in franchise taxes to the city.

Hawks look to spoil Burkburnett homecoming

Tomorrow night's football game at Burkburnett has all the makings of a real barn-burner.

Because the rivalry between the two schools is one of the oldest in the area, a meeting between the Hawks and Bulldogs is always a big game.

Because when the Hawks have a winning team and figure to give the larger school a hard time, Iowa Park fans always turn out in large numbers.

But when you add the fact that Burkburnett has scheduled the Hawks as their homecoming opponent, attracting an even larger "Dog crowd" than normal, tomorrow's contest figures to be an emotional one.

The Hawks would like nothing better than to beat the Bulldogs. Not withstanding the old rivalry, but they're the small school taking on the big school now. Iowa Park was dropped back to Class AAA this year, and is no longer in the same classification as Burk.

There's also the point that the Hawks haven't beaten the Bulldogs since the 1981 season (21-18), having suffered losses of 0-24 in 1982 and 9-20 last year.

Attempting to pick up on their winning ways of last year, when they finished with a 7-3 record, the Bulldogs suffered a setback in their opener Friday. But a 7-0 loss to powerhouse Gainesville isn't considered an indication of a losing season.

Burk returns 12 lettermen, four offensive and four defensive starters. And the big figure in the black and orange backfield is a familiar name to Hawk fans: Hicks.

Tailback James Hicks weighs 195 pounds, but has 4.4 quickness and averaged 4.8 per carry during the '83 season.

As usual, the Bulldogs have size, including tackle Steve Young who has identical 6-3, 245 measurements as Hawk lineman Charles Perry.

Given another week to work on their timing, the Bulldogs aren't figured to have as many turnovers against the Hawks as they did against the Leopards. They lost the ball five times, twice on fumbles and suffered three pass interceptions.

Hawk halfback Lee Roach is

picking up where he left off last year as the leading rusher for the Mean Green. He amassed 116 yards on 11 carries last week against Breckenridge, including a big, 93-yard touchdown.

Ironically, it was the Burkburnett game last year that Roach saw his last action of the season. He carried only nine times for 31 yards against the Bulldogs, but left the game with an injury that sidelined him the balance of the year. Despite his small size, he had carried 100 times and gained 376 yards when he hung up his gear for the season.

The veteran Hawk team well remembers that 1983 game here against Burk, because most of the players saw action against the

Bulldogs. They remember gaining only 15 fewer yards (183-198) on the ground, but watching the visitors complete six of 12 attempts for 83 yards passing.

It was primarily turnovers that gave the 'Dogs the edge last year, with the Hawks losing the ball twice on fumbles and as many more on interceptions.

Only one Hawk is questionable to see action tomorrow. Kendell Hill, who is important both as runningback and in the defensive secondary, received a badly bruised back in the first quarter at Breckenridge. His contribution Friday will depend on the measure of injury and speed of recovery.

Often times, schools schedule a team figured to be weaker for

homecoming opponents. A good score by the local school makes the homecoming celebrators even happier.

But Iowa Parkans remember a similar time their Hawks were picked as homecoming opponent.

It was in 1982, when the lowly Hawks faced Gainesville when the Leopards were ranked second among all the AAAA teams in the state. A huge crowd was on hand to cheer on the Leopards.

But it didn't work, because a determined Mean Green crew spoiled that celebration, 7-6.

That's just what the Hawks have in mind tomorrow night, and it's been on their minds during workouts all week. Kickoff will be at 8 p.m.

SHERRI FOX and DAVID MARSTON

Couple selects date

Miss Sherri Denise Fox, daughter of Mrs. Pat Fox and the late Elmer Fox of Wichita Falls, and David Lee Marston, son of Mr. and Mrs. Bill Marston, will be married Oct. 27 at the Victory Baptist Church in Wichita Falls.

Miss Fox graduated from Rider High School and is employed by Lee Wholesale Floral in Wichita Falls.

Her fiancé, who is employed by Sam's Body Shop, graduated from Iowa Park High School.

November date is set

Mr. and Mrs. Louis Sefcik and Mr. and Mrs. G.H. Bushfield are announcing the engagement of their daughter, Lydia Bushfield, to Thomas McNeely, son of Mr. and Mrs. Ken McNeely of Burkburnett.

Miss Bushfield is a graduate of Iowa Park High School and is employed by KAUZ-TV in Wichita Falls. McNeely was graduated from Lytle High School and is employed at Whites home office.

The couple will exchange vows Nov. 10 at the First Christian Church in Wichita Falls.

LOOK WHO'S NEW

Mr. and Mrs. Russell Sargent of Salt Lake City, Utah, announce the birth of a son, Steven Ryan, born September 5. He weighed eight pounds, one ounce.

The baby's grandparents are Mr. and Mrs. Bill Sargent of Iowa Park and Mr. and Mrs. Vincent Berardi of Wichita Falls. Great-grandparents are Mr. and Mrs. L.D. Whitecotton of Wichita Falls, Mr. and Mrs. E.E. Sargent of Iowa Park, Mr. and Mrs. W.A. Morath of Scotland, and Mrs. Rose Berardi of New York.

Mr. and Mrs. Neal Womble of Iowa Park are announcing the birth of their son, Clifford James. He was born September 9, and weighed eight pounds, eight ounces.

The grandparents are Mrs. Clifford James of Lexington Park, Md., Darlene Gardner of Iowa Park, and Larry Womble of Amarillo. Great-grandparents are Mr. and Mrs. R.L. Perry of Iowa Park, Mr. and Mrs. Charles Womble of Wichita Falls, Mrs. Agnes James of Steubenville, Ohio, and Dr. and Mrs. Robert McLean of New Orleans, La. Great-great-grandparents are Mr. and Mrs. L.C. Perry of Iowa Park, Mrs. Ruby Green of Holliday, and Mrs. Maud Masters of Colorado Springs, Colo.

JAMIE MICHELLE JONES and CARY ALLEN HENDERSON

Announce engagement

Mrs. Betty Jones of Wichita Falls announces the engagement and approaching marriage of her daughter, Jamie Michelle, and Cary Allen Henderson, son of Margaret Henderson of Plano and Buddy Henderson of Wichita Falls.

Miss Jones is a 1984 graduate of Rider High School. Her fiancé is a graduate of Iowa Park High School and is employed by Rio Airlines.

October 20 is the date chosen for their wedding.

Bradford P-TA makes plans.

An organizational meeting of Bradford P-TA members was held Thursday at the home of Linda Gray. Members attending have either been elected or appointed to various areas of responsibility during the year, and their gathering was for the purpose of making plans for the year. Attending were: Linda Gray, president; Dee Blackwell, chaplain;

Kathy Ming, membership chairman; Vickie Williams, publicity; Beth Anderson, room mother coordinator; Karen Neves, treasurer; Gail Gafford, hospitality; Patty Mayfield and Joni Whitis, VIP; Sherry Rose, historian; Sherry Kennedy, health and safety; Pat Cravens, secretary, and Sandra Lehman, budget and finance.

Reba Snow is president

The Park Area Extension Homemakers Club elected 1984-85 officers at a meeting held in the home of Nancy Henderson Wednesday of last week.

The new officers are Reba Snow, president; Stella Cheek, vice president; Nancy Henderson, secretary; Mabel Karstetter, council delegate; Robie Cope, program; Maurice Todd, 4-H chairman; Mary Fortner and Irene Sargent, devotion; Faye Hobbs and Gerry Thurlo, recreation and decoration; Callie Stermer and Robie Cope, phone committee; and Mabel Karstetter, reporter.

After electing the officers, a fried chicken luncheon was served to the 16 members by the hostess.

The next meeting is scheduled for Wednesday in the home of Mrs. M.E. Reneau.

18 members attend Friendship Class

Eighteen members of the Friendship Class of First Baptist Church met at the church Monday evening for the month meeting. Co-hostesses were Mmes. M.E. Goforth, Roy Smith and V.I. Woodfin.

During the business meeting, officers and chairmen for 1984-85 were elected. These included Mmes. Elmer Singleton, president; C.L. McKinnon, vice president; O.S. McLemore, second vice president; Walter Scott, secretary; J.T. Parker, assistant secretary; C.L. Metz, treasurer; D.H. Ford, corresponding secretary; Homer Blalock, reporter.

Others elected were: Mmes. Goforth, chairman of bridge builders; E.T. Patterson, devotional chairman; Nelson Johnson, McLemore, outreach chairmen; Ruth Hill, F.L. McCoy, Leo Fletcher, Clay Davis and Miss Helen Reed, group captives.

It was voted to support the local food bank with groceries and a monetary gift for the September mission in action project.

Mrs. Patterson gave a devotional talk on "Faith" using statements from Billy Graham.

The next meeting will be the annual salad supper and installation service Oct. 8.

Shower fetes Mrs. Walling

A baby shower honoring Mrs. Dale Walling was given Saturday at the First Christian Church Fellowship Hall. Hostesses were Mmes.

Doug Collins, Sammy Henderson, Bill Hodges, Joe Raines, Lloyd Yarbrough, Ray Pittman, David Collins, Troy Collins, and Richard Lehman.

The refreshment table was covered with a white cloth, decorated around the edges with small nosegays of pink, blue and white roses. Two large cakes, one in the shape of a teddy bear, added an attractive accent to the setting. A centerpiece of pink and blue balloons completed the decorations.

The registry table held a bouquet of pink roses, pink plume pen and the baby book signed by 45 guests. The gift table was covered with a pink, blue, yellow and white baby quilt.

Special guests were Mrs. M.L. Walling and Mary Walling of Fort Worth, mother-in-law and sister-in-law respectively of the honoree. The hostesses presented them and the honoree with a pink, blue and white corsage with the center rose made with white baby socks.

Birk Circle meets

The Lucy Birk Circle of the First Presbyterian Church met Thursday in the home of Mrs. Mary Anna Birk. The Bible study on the parable, the sheep, and the goats was given by Titia Belle Blanks, accompanied by Mae Shelton and Rev. Betty Meadows.

After the lesson, a luncheon was served in celebration of the birthday of Rev. Meadows, pastor of First Presbyterian Church.

Choir Boosters to meet

A meeting of the high school and junior high Choir Booster Club will be held at 7:30 this evening in the high school music room.

As I See It....

By BOB HAMILTON

I don't know why it is, but every once in a while a person has to do something stupid. Like me, for instance.

If you've not seen my face this week, it's a mess. That's not to say it isn't always an ugly sight, but it's worse than usual.

My explanation: the ground hit me. To make a short story long, it happened this way. . . Dolores and I went to Sheppard AFB at the invitation of Gen. Charles and Lt. Col. Ross, for a party for press and media.

To have an activity during the afternoon, besides sitting around and talking, our gracious hosts had a couple or three activities for entertainment, including one called volleyball.

I sat out the first game, not intending to participate in the first place. But shucks, I'd been watching the Olympic teams on television, I'd seen high school teams playing, I'd watched the others playing there, so why not? Just one, short game.

It went alright, for a few minutes. But then I missed a ball that went over my head and off the court. So I went after it.

That's when the ground hit me. I hadn't taken three or four steps and the ground just hit me. It hit my forehead. It hit my glasses and my glasses dug away a good portion of skin my nose uses to keep its shape. It even mixed with some of the blood that resulted.

I was so embarrassed, I went ahead and finished the game, with my glasses doing me absolutely no good, just dangling from the ears. But it was only a couple more points, and we did win.

Trying to analyze what had happened, several things came to mind.

First of all, one should play that sport on level ground. . . in something other than boots. . . and certainly not wearing bifocal glasses.

And there's another thing. It doesn't matter how many sports you

played, at one time or another, you should be more selective if you haven't done anything physical several years and are well above the half century mark in age.

I though I learned my lesson some 10 or 12 years ago. That time I played in a benefit basketball game. It was a lot of fun and I really enjoyed it. Too

much!

The next day I found I couldn't bend my legs, a situation that didn't clear up for more than two weeks. And today, I can't squat to pet a grandchild or dog or tie my shoes.

Just about every learning experience is good. But one shouldn't wait so long in years to learn.

City sales tax above last year

Iowa Park's sales tax check for August of \$8,682.25 increased the year's total to \$91,403, slightly over two percent more than for the same period in 1983.

Through August of last year, the city had received \$89,513.83 as its share of taxable sales in the community. Sales thus far are running 2.11 percent above last year.

Electra is reporting the greatest increase in sales tax receipts over last year, 16.01 percent; Burkburnett is 8.36 percent and Wichita Falls 8.96 percent over 1983.

South Wall to be reconstructed

A major portion of South Wall is to be completely re-built and widened after being approved as a federal-aid project.

From West Highway to Diamond, which dead-ends on the east at Bradford Elementary, Wall will be reconstructed, widened and surfaced. The distance is .6 of a mile.

Notification was made last week through the State Department of Highways and Public Transportation office in Wichita Falls.

The project will be scheduled for bids within the next year, according to current plans. Jim Stacks, district engineer, said no specific dates have been set for letting of bids.

The project does not include installation of curbs and gutters, James Barrington, city administrator said. If curb and gutter were installed, the drainage of the area involved would require storm drains, which would make the project cost-prohibitive, he said.

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The Iowa Park Consolidated Independent School District will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1983 by 15.9483%. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on Sept. 25, 1984 at 7:30 PM at the School Administration Building, 413 East Cash St., Iowa Park, TX

FOR the proposal: Roy Boutwell, Jimmy Howell, Ray Hicks, Rex Wells, Martha Dudley

AGAINST the proposal: Marilyn Hale

ABSENT and not voting: G.R. Rusk

JOINS STAFF - Kari Collins has joined the Leader staff as reporter and in advertising sales. The Kamay resident is attending class three days a week at Midwestern State Univ., majoring in journalism. She is a 1983 Iowa Park High School graduate and married to Joe Tom Collins. She is not replacing Mrs. Homer Blalock, however, who continues to work at home while recovering from a broken hip suffered in July.

Burk Rotary to serve supper

The Burkburnett Rotary Club has extended to the Hawk fans of Iowa Park a special invitation to join them for supper prior to the Burkburnett vs. Iowa Park football game Friday night.

The club will be staging its annual chili and stew supper at the Burkburnett High School cafeteria, located just down the street from Bulldog Stadium. The meal will be served between the hours of 5:30 and 7:30 p.m. Prices are \$3.50 for adults and \$2 for children under 12 years of age. Tickets will be available at the door, or may be purchased in advance from the TV Cable office in Iowa Park.

Net proceeds from the event are used in various community improvement projects.

Philia members hear motivation expert

Philia Study Club held its first meeting of the 1984-85 year Monday night at Texas Electric Reddy Room. Hostesses for the occasion were Mmes. David Springer and James Rinehart.

This year's theme "Growing In Fellowship Through Service," was announced by the president Mrs. Dean Maxwell, and yearbooks, featuring three colorful butterflies, were presented to each member.

Donna Chambers, associated with Breault Realtors in Wichita Falls and a speaker for Success Motivational Institute, gave a talk on woman's place in the world of work.

She began with a short poem she had found in a magazine describing the roll of women in the past. "The writer was no one famous, but we all gather that she was frustrated with the role of women during her time," she said. "All has changed in 1984. Today a woman's role may be more frustrating than in the past. Society doesn't expect us to be ignorant and give our services for free, but what they do expect is a great deal more. Women are, many times, expected to be Superwoman and do everything super. Most women today have not chosen between family and career. Most choose to have it all, which is wonderful," she continued.

"Some of us are superwomen and if that is your goal that is also wonderful. Do play the roles that you choose. Your life is the most important thing that you have. Don't spend your life doing things other people think you should do.

"Examine all parts of your life, including family and career. Ask yourself if your life is going in the direction you want it to. Am I letting members of my family or any type of group pressure me into spending the majority of my time doing what they want me to do?

"Maybe you need to set new goals in your life or rekindle some old goals. On one hand, women are frustrated with trying to do everything they've set for themselves to do. Maybe their goal should be to simplify their life. On the other hand, some women may not feel like they're active enough or that they're achieving enough. They need to set goals that will really stretch them.

"Anything you can imagine or visualize and develop a burning desire for can be yours, if you'll plan for it and work for it.

"A plan of action is the next step. Most of us are dreamers. We know what we want. Probably few of us sit down and write out we're going to achieve our goals. We don't have a plan of action. There are several different areas to consider: your career, family, social, physical, spiritual and educational. Put each of these as a heading on paper. Under each column write down what you wish to achieve in this area. Then write the steps you will use to achieve these goals. You may discover a particular area of your life is not very important to you. Maybe it never will be. Consciously give that area a very low priority and then later on don't feel guilty about it. Have the confidence to know you have thought about it and you have chosen the best course for you. You have to set your priorities by your own value system. You have to take responsibility for these priorities.

"There may be a definite conflict of interest in your goals. Place priorities upon them. Sometimes you may have to change them.

"You need to include in your written plan a deadline for achieving these goals. Deadlines challenge you not to put it off. They allow you to see if it's just a game or if you're really trying to do these things. If you've set an impossible deadline or real

obstacles come up, don't hesitate to move the deadline. Don't scrap the whole plan. A self motivated person can tell the difference between defeat and a mere set back.

"One essential thing you must have to get what you want out of life is a burning desire to achieve. A burning desire to achieve is the difference between a mere wish and a real goal. "It also takes confidence to

succeed. We tell all our children, 'You need more confidence.' Where is it? Do you buy it? What has worked for me is little successes and building on them. Confidence is built upon success in past experiences.

"If you have plans and goals and you're really working your plan, you're going to have some success. You're going to have a good framework to build your self confidence.

The speaker concluded, saying "Be determined. Women are especially open to criticism when they're making changes in their lives. You're going to have criticism and obstacles. Be determined that 'this is really what I want.' You have consciously chosen what your work and play will be. If man only has to toil from sun to sun, it really doesn't matter if you're doing what you want to, that woman's work is never done."

Iowa Park's getting the picture in just 1 hour from KIS.

Obituaries

Coy Marshall

Services for Coy Marshall, 67, of Quanah, were held Monday afternoon at Knowles Funeral Home in Quanah, with Rev. Nodell Dennis officiating. Burial was in Quanah Memorial Park.

Marshall was born Jan. 8, 1917, in North Grosebeck. He and Willie Huffman were married in 1937 in Phoenix, Ariz.

He is survived by his wife; a daughter, Jan White of Quanah; three sons, Harvey of Hobert, Okla., John of Canton, and Donald of Huntsville, Mo.; two brothers, Virgil of Iowa Park and Jack of Huntsville, Ala.; three sisters, Ruth Marshall of Sarah, Okla., Norma Echols of Sanger, and Margaret Lane of Gore, Okla.; and seven grandchildren.

Hazel P. Maloney

Services for Hazel P. Maloney, 76, were held Saturday morning at Owens and Brumley Funeral Home in Wichita Falls with Rev. Jim Rudd, pastor of Highland Heights Christian Church, officiating. Burial was in Highland Cemetery.

She was born April 3, 1908, in Coleman.

She is survived by two sons, James of Wichita Falls, and Fred of Sunset; three sisters, Verba Laughlin of Iowa Park, Margie Abbott of Melbourne, Fla., and Mary Haydren of Sacramento, Calif. 10 grandchildren, and five great-grandchildren.

Willie L. McCreary

Services for Willie L. McCreary, 68, were held Saturday afternoon at Owens and Brumley Funeral Home in Wichita Falls with Dr. Jim Palmer, pastor of the Floral Heights United Methodist Church, officiating. Burial was in Crestview Memorial Park.

McCreary died Thursday in a Wichita Falls hospital.

He was born March 31, 1916 and had been a resident of Wichita County since 1952.

Survivors include a son, Lyndol of Reseda, Calif.; a daughter, Lynett of Battleboro, Vt.; two sisters, Glee Winters of Abilene, and Gladys Gomillion of Graham; a brother, Melvin of Iowa Park; and three grandchildren.

Adams Infant

Graveside services for the infant son of Mr. and Mrs. Harley Adams were held Saturday at Highland Cemetery under the direction of Tanner-Aulds Funeral Home.

The infant was stillborn Friday at a Wichita Falls hospital.

Survivors include the parents, a sister, Melissa Ann; and the grandparents, Mr. and Mrs. Bob Lawrence of Alvin, Mr. and Mrs. Charles Ruthledge of Wichita Falls, and Mr. and Mrs. Robert Norris of Demorest, Ga.

Wichita Farm Bureau meeting set Saturday

The annual meeting of the Wichita County Farm Bureau will be held at 7 p.m. Saturday in the Activities Center in Wichita Falls, according to Fred Dwyer, president.

A barbecue dinner is free for Farm Bureau families preceding the business session. Reservations must have been made by Wednesday.

The main purpose of the meeting is to adopt policies for the coming year. Also, new officers and directors for Precinct Two and Four will be elected.

All Farm Bureau members are invited to attend, but only

agricultural producers may vote or be elected to office, according to county by-laws.

Major issues expected to be considered include new farm programs, government regulations,

taxation, and labor said policy development chairman Raymond Schroeder of Burkburnett.

Adopted resolutions will advance to the state convention, Nov. 25-28, in San Antonio, as recommendations for policies on the state and national levels.

During the meeting Dwyer will give his annual report, and agency manager Eddie Chambers will give a report on insurance services.

The 1983 membership was 1502 farm families.

Door prizes will be given at the conclusion of the meeting.

Year's theme set by CWF

The Christian Women's Fellowship of First Christian Church met Monday evening for a salad supper and regular meeting.

Items discussed at the meeting were theme for the year, which will be "... Therefore choose life." Bible study of the gospel of John will begin Sept. 24 in the church parlor. Also, sing-songs at the nursing home will begin on Sept. 27, and will continue to be on the second and fourth Thursdays.

Women who are going to the Central Area Christian Women's Retreat at Lake Brownwood need to turn in their registration as soon as possible and make payment to CWF and give to Mona Henderson.

Wallace completes security course

Airman Curtis T. Wallace, son of Sandy and Joe Forsythe of 113 Westview, Iowa Park, has graduated from the U.S. Air Force security police specialist course at Lackland Air Force Base.

Graduates of the course studied systems security operations, tactics and weapons training and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Jerry Fairchild completes school

Pvt. Jerry L. Fairchild, son of Kenneth E. Fairchild of 1318 Sunset, Iowa Park, has graduated as an armor crewman at the U.S. Army Armor School, Fort Knox, Ky.

The training was conducted under the one station unit training (DSUT) program, which combines basic combat training and advanced individual training into a 13-week period.

During the course, students received training in the duties of a tank crewman, including firing the tank's armament and small weapons. Instruction was also given in field radio operations, map reading, and tank maintenance and repair.

Fairchild is a 1983 graduate of Iowa Park High School.

Frosh, JV look for victories

Both the Freshmen and Junior Varsity will be trying to keep their records unblemished this evening, when they host Burk Burnett in Hawk Stadium.

The Frosh outscored Breckenridge 44-28, and the JV outclassed the visiting Buckaroos 29-6, in their season openers last Thursday.

Leading 38-14 going into the final quarter, Frosh reserves played most of the final period to gain valuable experience.

The Hawk JV set the tempo in the first period, when David Meissner scampered 35 yards to score and Scott Weaver ran for the two-point conversion, giving them an 8-0 lead.

Iowa Park scored twice more in the second quarter to take a 23-0 lead to the dressing room at halftime.

Scott Davis ran from 15 yards out, and then passed 27 yards to Mike Brooks for another for scores. Weaver ran another two-pointer and Davis kicked for an extra point, after taking a five-yard penalty.

Breckenridge narrowed the score to 23-6 in the third quarter on a three-yard run, but failed on a two-point conversion.

But Danny Forman put the distance back in the score with a 15-yard scamper.

The Freshman game is to start at 5:30 p.m. today, with the JV contest beginning about 7.

Junior Hawks split openers

The Iowa Park Junior High Hawks opened their football season with the Burk Burnett Bulldogs on Tuesday afternoon.

The seventh grade Hawks barely escaped with a last second goal line stand to win, 8-0.

The lone touchdown was a forty yard run by Chad Patterson. Jimmy Duggins scored the extra points.

Good defensive performances were given by Jimmy Nicholson and Bryan Pyle.

The eighth grade Hawks came out on the losing end of their ball game. The Bulldogs won by a score of 34-8.

Burk scored three times on passes and twice on runs.

The Hawks scored with Gary Tatum making a sixty yard run, he also scored the extra points.

The Hawks next opponent will be Holliday, Tues. Sept. 18, at 5 p.m. at the junior high stadium. The junior high band marches at halftime of the eighth grade game.

Bloodmobile to be here Monday

The next scheduled visit of the Red River Regional Bloodmobile to Iowa Park is set for Monday at the Faith Baptist Church.

Jim Groves, member of the sponsoring Iowa Park Optimist Club, has announced that the hours will be from 3:30 to 7 p.m. and the goal is set for 50 units of volunteer blood.

Tennis group to meet Monday

The Iowa Park Tennis Association will meet at 7 p.m. Monday in the Texas Electric Reddy Room.

During the meeting, officers will be elected, tournaments discussed, and goals formulated for promoting tennis in Iowa Park. The meeting will be adjourned by 8 p.m. for Monday night football fans.

For additional information, call Pan Bowerman at 592-5726.

Bondurant back home to start law practice

Alyce Bondurant is believed to be the first Iowa Park High female graduate to enter law school, and she is certainly the first female graduate

from here to return home and practice law.

Well, she will begin practicing law as soon as she learns she passed her bar exam.

The daughter of Dr. D.C. Bondurant is now officed with O.N. Newman. Her work in law, until the exam results are known, is restricted to research and clerk work.

Waiting for exam results is nothing new to law school graduates. It takes a long time, but to the young attorneys, it's a lifetime. Results are expected near the end of the year.

There's the uncertainty of whether they passed or not.

Of course, if they failed the test, or parts of it, the test is re-taken. But then, there's the waiting that again follows.

Bondurant feels she wants to have a general law practice, with emphasis on family law.

She was third in her 1972 high school graduating class, and immediately entered Midwestern State Univ., receiving her Bachelor of Science Degree in political science in 1976. Staying at the Wichita Falls institution, she received her Masters of Arts in political science with a

teaching certificate.

After a stint working in the State Comptroller's office in Dallas and Wichita Falls, she entered the school of law at Texas Tech Univ. in 1981, and was graduated in May.

As far back as the eighth grade, Bondurant has wanted to be an attorney. In fact, her eighth grade theme was on that very subject. She lists Carol Lawrence and O.N. Newman as inspirations.

But once into the school of law, she wasn't too sure. It was her plight to have enrolled in the largest class Tech ever allowed, and for that matter, will ever allow in the future.

"Teachers joked about trying to thin the class out," she remarked. And they did, some. Of a class of some 270, only about 220 survived and graduated.

Why locate in Iowa Park?

Bondurant said she has lived in the city, traveled across the country and overseas with her family, and found she just doesn't want big-city living. "There's more opportunity here," she says.

She lives on the family farm, northeast of town, and admits she is perfectly happy there in the familiar surroundings.

ALYCE BONDURANT

School zones should be observed

Motorists are reminded by Chief Robert Dean that the speed limit around schools during weekdays is 20 miles per hour.

Dean said a number of drivers are failing to observe the zones, especially in the areas around

Kidwell and Bradford elementary campuses.

School zones are those streets in the immediate areas of the campuses, as well as the zone on East Highway marked with blinkers.

Junior high games moved to high school

All Iowa Park Junior High football games scheduled to be played here are moved to Hawk Stadium, according to Jimmy Alsop, principal.

Alsop explained the condition of the pipe supporting the junior high stadium has been found to be unsafe, prompting the change.

Fri., Sept. 14 - Fish with tartar sauce, meat or cheese sandwich, soup, macaroni & cheese, blackeyed peas, ole slaw, cornbread, chocolate & plain milk, cake.
 Mon., Sept. 17 - Corn dogs, meat or cheese sandwich, soup, scalloped potatoes, English peas, chocolate & plain milk, fruit cobbler.
 Tues., Sept. 18 - Chicken nuggets, meat or cheese sandwich, soup, mashed potatoes & gravy, mixed vegetables, hot rolls, butter & honey, chocolate & plain milk, brownies.
 Wed., Sept. 19 - Cheeseburgers, meat or cheese sandwich, soup, French fries, lettuce, tomatoes, pickles, onions, fruit, chocolate & plain milk, ice cream.
 Thurs., Sept. 20 - Frito pie, meat or cheese sandwich, soup, pinto beans, Spanish rice, cornbread, chocolate & plain milk, Hawaiian Cream pie.

Hawk defense dominates Breck in big play game

If you like "big plays" in the football game you are watching, you were in hog heaven Friday night at Breckenridge.

The Hawks successfully launched their 1984 football season with a 24-13 win over the Buckaroos, and disclosed a defense against the ground attack that had Mean Green fans roaring.

But the game also exposed Iowa Park's vulnerability to the passing attack.

Iowa Park's big plays, besides its almost total domination of Buckaroo runners, were by Lee Roach, James Beebe, Jerry Allen, and defensive end Rocky Martin.

But Breckenridge countered with a pair of long touchdown passes of 69 and 43 yards that kept the game's outcome in a state of suspense until the second half.

Playing a major part in the game was Mother Nature, herself. She provided a stiff breeze out of the south, ranging generally around 20-25 miles per hour, that affected numerous plays during the 48-minute contest.

Beebe, the big fullback for the Hawks, scored Iowa Park's first touchdown with 8:15 remaining in the first period. He broke 26 yards up the middle, crossing the goal line untouched.

Eventhough less than four minutes had ticked off the scoreboard clock when the Hawks scored, each team had possession of the ball twice.

Breckenridge fumbled the ball on the first play from scrimmage, and Allen claimed it on the Breck 25. But two plays later, Van Hedrick's pass attempt for a touchdown was intercepted.

Four plays later, however Breckenridge was forced to punt from its own 19 yard line, and because of the stiff wind, the Hawks were in business on the Buck's 33 yard line, even without a return.

Three plays later, Beebe scored and Allen kicked the extra point.

The Buckaroos quickly took advantage of the wind after exchanging ends of the field at the quarter.

On the second play, the hosts completed a 69-yard bomb and kicked the extra point to knot the score at 7-7.

Lee Roach switched from game's goat to hero in a scant 20 seconds.

He was the defensive secondary player who misjudged the carry of the Breckenridge pass and it was his man who scored the touchdown to tie the score.

But on the first play following the kickoff, he raced 93 yards to put the Hawks back into the lead, a position they held from that point until the final gun.

Roach, the 150-pound senior

GANG TACKLING BY THE HAWKS HELD DOWN BUCKAROO YARDAGE

tailback, is noted for his quickness, but not for his speed. Yet he took a pitchout around left end, and with good blocking had a clear field after he made his cut to the south.

But two fleet Breck defenders caught him at the Buckaroo 23, got their hands on him, but slid to the turf and had to settle for a good view of Iowa Park's second TD.

A Hawk fumble gave the Bucks possession at their 45, later in the second quarter, which set up the second TD pass by the hosts. Again a Hawk defender, this time Stephen Biddy, misjudged the carry of the passed ball.

Breckenridge tried a fake kick for the extra point which, if successful, would have given the hosts a 15-14 lead. But Allen and Phil Davis weren't fooled, and stopped the runner far short of the goal line.

That made the score 14-13 with 5:38 still remaining in the second quarter. The balance of the period was dominated by Iowa Park's defense.

Unable to pick up a first down after the Breckenridge score and kickoff, Beebe attempted to punt from his own 26. But the kick was blocked, giving Breckenridge possession on the Hawks' 12 yard line.

Two plays later, Breck fumbled and lost possession, ending a golden opportunity to score and send the

hosts into the lead.

Unable again to gain a first, Iowa Park punted and Breck had the ball on the Hawk 39. But that drive died one play later, when Davis intercepted a pass attempt. And from that point, the Hawks ran out the clock to end the half.

Chalk up the second half almost entirely to the Mean Green defensive team. Iowa Park didn't make much headway offensively, but defensively the Hawks scored and held the Bucks at bay.

Breckenridge, during the third period, was held to a minus five yards on the ground and completed one of two pass attempts for 19 yards.

On the next play after Breck's successful pass attempt, the Buckaroo quarterback faded back for another try at the airways. But a big rush and collision by Charles Perry and Allen shook the ball loose into the air.

It was snatched by defensive end Rocky Martin, who scampered 45 yards to the end zone and sent the Hawks ahead 21-13 with 3:56 remaining in the period.

A reverse play on a punt return by Biddy set up Iowa Park's final score. Biddy took a handoff on his 35 yard line and was cut down by the last Buck defender at the Breckenridge 25, or he would have scored.

A 15-yard pass from Ray Sefcik to

David Dietrichson, Iowa Park's only aerial completion of the night, took the ball to the Breck nine.

Three runs by Beebe put the ball on the six where, needing six to score on fourth down, Coach David Baugh called for Allen to attempt a field goal.

Using that same wind that had helped the hosts score, Allen's kick from the 14 yard line easily sailed through the uprights with 46 seconds remaining on the scoreboard.

Hawk fans thought they had another six-pointer on the kickoff, when Roach covered the ball in the end zone. But officials explained the old rule had been changed a couple of seasons earlier, which called an untouched kickoff that rolled dead in the end zone a touchback.

But it made no difference, because the Buckaroos had no opportunity to mount another drive from that point.

Big defensive plays were a major part of Iowa Park's game. Martin sacked Breckenridge runners for losses three times during the game, as did Perry. Another Breck fumble covered by Iowa Park was credited to Charles Adams.

Despite two blocked punts, one for no yardage and another that went only four yards downfield, Beebe averaged 29.5 yards on six kicks. He had one for 71 yards and another for 50, both with the wind.

Roach finished the game with 116 yards on 11 carries. Beebe was called on 18 times and gained 80 yards; Davis five times for 45, and Allen four times for 18 yards.

Penalties also made a big difference in the game. Iowa Park drew seven flags that set the Hawks back 70 yards, while the hosts had only a pair of five-yarders.

Cases involving juveniles get attention of police

Two incidents involving juveniles received attention of the Iowa Park Police Department during the past week.

A young male was taken into custody shortly after 11 a.m. Saturday after having allegedly exposed himself to a female employee at the Quikie.

Another was taken into custody Tuesday about 4:05 p.m. while attempting to retrieve several cans of soft drinks hidden in weeds. The youth allegedly had taken the cans earlier from a storage shed in the 100 block of East Park, owned by Carl Davis.

A 31-year-old woman was taken to a Wichita Falls hospital by ambulance after reportedly swallowing some 30 pills about 10:53 p.m. Saturday.

An attendant at Allsups said two white males drove away in a small white pickup without paying for \$15 worth of gasoline. One occupant was described as wearing white shorts and wearing a green football jersey with the number 75 on it.

Larry Washburn told police at 4:25 a.m. Friday he had found where the Dairy Queen had been entered by someone, through a small window. He said a freezer door had been left open.

At the same time, someone had apparently taken a bag of ice from an unlocked freezer at the Texaco station next door.

Three acts of criminal mischief were also reported during the week.

One was damage to the east doors of the new gymnasium at the high school, apparently done by a small truck. Done over the weekend, it was not discovered until Monday morning.

A patrolman found the Little League concession stand at the W.F. George Field had been broken into at 11:29 p.m. Tuesday. Nothing could be determined as missing.

A Burlington Railroad repairman reported at 4:26 a.m. Saturday someone had broken the crossarms at the Victoria Street crossing.

AREA OIL & GAS NEWS

A Vernon-based operator has staked location for the No. 5-CR, Waggoner "KARR", a developmental well to be located two miles south of Electra. With projected total depth of 2,000 feet, the well is in a 84-acre lease in Wichita County's Wichita Reg. Field, H&TC, Sec. 148, Blk. 14 Survey. The operator is W.T. Waggoner Estate. The well is 150 feet from the north line and 400 feet from the east line of the lease and the survey.

R.J. Butts of Iowa Park has revealed plans to drill a 1,500-ft.

developmental well in the Wichita Reg. Field. The operator has 80 acres leased, with drillsite in Wichita County's Pratt Subdivision, A-468 Survey and has designated the venture as the No. 1, Goetze "A". Drillsite is seven miles northeast of Wichita Falls. The well is 150 feet from the north line and 450 feet from the east line of the lease and survey.

Flowing 142 barrels of oil and a minor volume of gas per day on a 10/64 choke, a new producer has been completed in Wilbarger County's West Electra Field by Mobil

Producing Inc. of Houston.

Located three miles northwest of Electra, the well is designated as the No. 154 H&TC. It bottomed at 2,090-ft. total depth and will produce from a perforated interval in the Rock Crossing Formation, 2,736 to 2,746 feet into the wellbore.

The operation was in a 640-acre lease, H&TCRR Survey, 330 feet from the north line and 1,190 feet from the east line of the lease.

An 8,800-ft. Wilbarger County oil wildcat is scheduled to be spudded five miles northwest of Vernon with

Phillips Oil of Oklahoma City as the operator.

The well is in a 640-acre lease in the H&TCRR Survey A-399. It is designated as the No. 1 Hammonds "B". Drillsite was 588 feet from the east line and 2,331 feet from the north line of the lease and survey.

A 4,800-ft. developmental well is planned by Calhoun & Ellison Oil Co. of Aspermont at a drillsite ten miles north of Vernon. The location is in a 160-acre lease in the H&TC Survey, Sec. 43, Blk. 15. Well's designation is the No. 1 A.J. Jones. It is in the Fargo Field.

Location is 467 feet from the west line and 100 feet from the north line of the lease and 3,000 feet from the west line and 4,800 feet from the south line of the survey.

4-H NEWS

CITY VIEW 4-H CLUB NEEDS A LEADER

The members of the City View 4-H club are in need of a volunteer organizational leader. The major duties of an organizational leader are to help organize the club, schedule meetings and arrange for meeting places, help plan club programs, work closely with club officers and junior leaders, maintain club records and participate in leader training sessions conducted by the county Extension agents.

Organizing and maintaining a 4-H club provide enjoyable and meaningful experiences for those involved. Sharing leadership in the 4-H club helps others develop leadership skills and gain satisfaction from accomplishing goals. Volunteer leaders are the cornerstone of the 4-H program. They organize and manage 4-H clubs, conduct educational activities and serve in many other roles.

There are more than 20,000 4-H volunteer leaders in Texas. These people are generally categorized as organizational leaders, project leaders or activity leaders. Organizational leaders assume responsibility of the overall organization and operation of the 4-H club. Project leaders work with 4-H project groups and work in one or more project areas. Activity leaders work primarily in conducting various 4-H activities. There is a place for you in the Wichita County 4-H program. Anyone interested in becoming involved, call Cheryl Mapston or Donnie Peters, County Extension Agents at 766-0131 for more information.

WICHITA COUNTY 4-H OPEN HORSE SHOW

Wichita County 4-H Horse Club will sponsor their fall open horse show Oct. 15 at the Mounted Patrol Arena on FM 369. Registration begins at 9 a.m., and the show will start at 10 a.m.

Classes will include registered and grade mares and geldings, pony halter showmanship, western pleasure, western riding, western horsemanship, reining, trail, stakes race, pole bending, flags and barrel race. Also, a jackpot barrel race will be held after the show.

Entry fees will be \$3 for all show events and \$15 for the jackpot barrel race. For additional information, call 855-5624 or 692-0313.

WICHITA FALLS PROJECT SHOW SCHEDULED

The Wichita Falls Project Show will be held Oct. 15 at the 4-H Barns, 1626 Midwestern Parkway in Wichita Falls. The barns will open at 8 a.m., and showing will begin at 9 a.m. The project show is sponsored by the Lions Club.

Classes will include turkeys, chickens, rabbits, horses, dairy goats, sheep, dairy heifers, beef heifers and steers.

Exhibitors must go to school in the Wichita Falls Independent School District and in 4-H or FFA to compete in the project show.

FFA campaign starts Sunday

National Cystic Fibrosis Week begins Sunday and continues through Sept. 22.

Barney Roberts and Judy Spring are chairmen of local efforts and will coordinate the education and fund raising campaign, and the Iowa Park High School Future Homemakers of America is sponsor of the event locally.

Cystic Fibrosis is the number one genetic killer of children and young adults in America today, according to the CF Foundation.

The disease strangles and starves victims, one in 20 are unknown carriers of the gene which causes CF.

FFA News

The Iowa Park Chapter of Future Farmers of America will hold its first monthly meeting 7 p.m. Tuesday at the high school agriculture building.

Following the meeting, there will be an ice cream supper. Parents of the students are invited to attend.

Cook of the Week

Medrith (Mrs. Tommy) Collins, this week's cook, still manages to keep herself busy these days on the Collins' farms in Kamay and Odell, after her third and youngest child married in January.

Medrith has worked eight years as a secretary at the Wichita County Water Improvement District. Her husband, Tommy, is a lieutenant with the Wichita Falls Police Department, where he has been 26 years.

While they farm some at their home in Kamay, they raise wheat and short-horn cattle at the family farm in Odell. Medrith refers to short-horn cattle as her and her husband's mutual hobby. They enjoy going to the cattle shows and auctions together.

The couple's three children are Robin (Mrs. Paul Walker), Vicki (Mrs. George Huckaby III), and Joe Tom. Vicki lives in England where her husband is stationed with the U.S.

Mrs. Tommy Collins

Air Force. Medrith is planning a trip to England in October to visit her "if all goes well."

Her hobbies are indoor plants and reading.

TERIYAKI KABOBS Microwave Recipe

1 lb. top round steak, 1 1/2" thick
1 8-oz. can pineapple chunks in unsweetened juice
1/2 cup soy sauce
1/2 cup cooking oil
1 T brown sugar
1 t ground ginger
1/8 t garlic powder
1 green pepper, cut into chunks

Cut round steak lengthwise into strips 1/4" thick or less and place in plastic bag or bowl.

Drain pineapple and reserve juice. Combine 1/2 cup pineapple juice with soy sauce, oil, brown sugar, ginger and garlic powder. Pour marinade over meat, thoroughly coating all pieces. Marinate in refrigerator for at least 4 hours or overnight if possible.

Place green pepper on paper plate and cook on FULL POWER for 1 minute.

Remove beef strips from marinade, reserve marinade. Thread strips of beef (weaving back and forth) on four 9" skewers alternating with green peppers and pineapple chunks.

Place kabobs in microwave roasting rack. Brush with marinade. Cook on simmer for 5 minutes.

Exchange positions of inside and outside kabobs, turn top to bottom and brush with marinade. Cook on simmer 5-7 minutes.

DINNER-IN-A-CRUST

1 1/2 lbs. ground beef
1/2 cup coarsely chopped onion
1/2 cup chopped celery
1 can (8 oz.) tomato sauce
1 T Worcestershire Sauce
1/2 cup fine corn flake crumbs
1 1/2 t oregano
1/4 t pepper
2 eggs, beaten
3 slices cheese
1 9-inch unbaked pastry shell

Brown ground beef with onion and celery. Add tomato sauce, crumbs, salt, pepper, Worcestershire sauce, and eggs. Mix well. Pour into shell. Bake at 400 degrees about 25 minutes. Arrange cheese slices spoke fashion on filling. Return to oven to melt cheese.

APRICOT SQUARES

Mix together:
1 cup brown sugar
1 1/2 cup sifted flour
1 1/2 cup oatmeal
1 t soda
3/4 cup oleo or butter

Spread 2/3 of mixture in buttered square pan. Cover with 1 cup apricot jam and sprinkle remaining 1/3 of mixture on top. Bake at 350 degrees for 25 minutes or until brown. Cut in squares.

BEAN SALAD

2/3 cup cider vinegar
3/4 cup sugar
1 t salt
1 lb. can each - cut green beans, wax beans, kidney beans, (rinse & drain), lima beans
1 med. onion, quartered and finely sliced
1 med. green pepper, chopped
1/2 t pepper
1/2 cup salad oil
lettuce

Blend vinegar, sugar and salt in small sauce pan. Heat until the sugar is dissolved and set aside. Drain all beans and toss with onion, green pepper, vinegar mixture and pepper. Pour oil over all and store in a large covered container in refrigerator for at least 8 hours. Better after 2 or 3 days.

Local police department gets investigator grant

The Iowa Park Police Department has been funded for the hiring of a special investigator.

Requested some three months ago, notification was made late last week by State Rep. Charles Finnell, explaining the city had received a grant of \$19,011.

Texas received more than \$24-million in criminal justice grants from the Criminal Justice Division, of which \$220,000 will go to Finnell's 80th District.

The funds are derived from assessed fines paid by persons convicted of violating criminal laws in Texas, Finnell explained.

"Most of these funds will be distributed to local law enforcement departments to help initiate programs to put more officers on the street and operate projects to discourage juvenile crime," Finnell said.

Cowley receives ag scholarship

Iowa Parkman James Cowley has been notified he is the recipient of the N.K. Quarles Scholarship at East Texas State Univ., where he is a student.

A 1983 graduate of Iowa Park High, Cowley is a sophomore majoring in agriculture education and agri-business. He is the son of Mr. and Mrs. Harold Cowley.

Melissa Hatcher NHS president

The National Honor Society recently held a meeting to elect officers.

Officers for 1984-85 are Melissa Hatcher, president; Phil Clements, vice president; Holly Farnsworth, secretary-reporter; Jay Yeakley, treasurer; and Becky Roberts, historian.

Cheese distribution

The USDA cheese will be distributed from 12-6 p.m. Monday at the First Christian Fellowship Hall.

"Governor White has placed a high priority on strengthening our criminal justice system by developing more crime prevention programs," he said.

The special investigator to be hired will free patrol officers on the local force to do routine traffic work and regular patrolling. In the past, officers often had to work overtime to investigate crimes committed locally.

Other county applicants receiving criminal justice grants were: Nortex Regional Planning Commission, for regional rural crime prevention project, \$38,011; City of Electra, investigation unit, \$15,984; Wichita County, purchase of juvenile services, \$54,924; and Nortex Regional Planning Commission for criminal justice administration project (\$21,248), focus project (\$45,512) and training (\$25,337).

The scholarship is named after a retired ETSU agriculture professor. Notification was made by Jimmie Wolf, ag department professor.

Municipal Court Records

Results of municipal court held here yesterday were:

Terry Lee Burris, expired Texas registration, \$69;
Terry Lee Burris, no motor vehicle liability insurance, \$114;
Jack Steven Pulley, speeding, \$41;
Ralph Wayne Klinkerman, displayed expired motor vehicle inspection, \$40;
Pamela Sue Park, wrong way on one way, \$40;
Earl Dane Bennett II, speeding, \$42;
Stanley W. Britt, speeding, \$49;
Terry Glenn Plummer, speeding, \$41;
Eddie A. Southerland, public intoxication, \$69.

Mrs. Karstetter recognized as half-century member

Mabel Karstetter, a long-time resident of Iowa Park, and eight others were honored by the Wichita County Extension Homemakers Clubs for being active members 50 years or more, at the group's annual Fall Roundup Thursday at the 4-H Auditorium in Wichita Falls.

Mrs. Karstetter has been a member of demonstration clubs 58 years.

She joined the Beaver Creek Club in Kamay in 1926 and was a member 18 years thereafter. During that time, she served twice as president, and also held the offices of vice-president, secretary and treasurer.

In 1940, Mrs. Karstetter joined the Park Area Home Demonstration Club and served as its president as well as every other office in the club.

Karstetter has also been on the county council all but 10 of her 58 years as a club member.

She has also been a member of the sub-committee for Home Improvements for Wichita County, P-TA and several associations of the county council of P-TA.

She is a charter member of the Iowa Park Lioness Club where she has served as president, vice

president and secretary; a charter member of the First Church of God in Wichita Falls; member of the Democratic Women's Association, and active in the Women's Missionary Society.

Fellowships meet

Mrs. Margaret Carter led the study on the Red Bird Mission for a meeting of the Ruth Fellowship of First United Methodist Church held Tuesday morning in the home of Mrs. C.L. Thompson. Twelve members and one visitor were present.

Elsie Sullivan was hostess for the Rebecca Circle Fellowship. Jerry Waters was leader for the program entitled "Living on the Sunny Side," a work authored by Willard Scott. Eleven members were present.

Members of the Mary Fellowship met with nine members and one visitor present. The program, "Opening our eyes for justice - Womens issues in the '80's," was presented by Mrs. Charlie Lee assisted by Mmes. M.A. Franklin and Jack Meyers. Mrs. James Owens gave the devotional entitled "New every morning."

SHUT OUT ARCHER CITY, 18-0

Eagles claim county championship

Holliday's Eagles claimed bragging rights in Archer County for another year following an 18-0 pasting of the Archer City Wildcats last Friday night in Eagle Stadium.

In the season opener for both teams, the Eagles appeared to be the hungriest of the two, playing a spirited brand of ball in the way of past Eagle teams. That particular brand includes a defense that bends quite often to the opposition, but seldom ever breaks.

"During the game I was sure we were playing pretty poorly," head coach Don Lucy said. "But, after viewing the game on film, I realized the boys actually played quite well." Lucy added that the Wildcats were effective at times on defense when stunting, which caused problems in blocking assignments for the Eagle linemen.

THE GAME

Holliday first scored on the second drive of the night, going 52

yards in eight plays. Danny Hinsley broke free over the left side for four yards and the score, with Kelly Carver's first of three point after attempts failing to give the Eagles a 6-0 lead.

Over four minutes into the second quarter, the Eagles were forced to punt from their 47, but punter Pat Parker was roughed by a Wildcat defender, which resulted in a late flag and 15-yard penalty for the offense.

Already given new life with the

penalty, the Eagles gained another 15-yards without calling a play, as A.C. coach Mike Woods was flagged for unsportsmanlike conduct after approaching an official in the middle of the field to voice his disagreement over the roughing call.

Back to business at the Wildcat 23, Larry Krob took the handoff on a second down play and broke free on the right side for a 23-yard touchdown. Carver's kick was again off, but the host Eagles enjoyed a 12-0 lead going into halftime intermission.

Holliday carried the first half momentum into the third quarter, keeping the Wildcats deep in their own territory for most of the period.

The Wildcat offense finally got untracked late in the third period, driving to Holliday's 11, where a fourth down attempt was cut short by John Smyers, Tom Hamill, and Kelly Coats.

The two teams traded possession throughout the remainder of the third period and most of the final quarter, when Archer City was forced to punt from its three yardline, and the Eagles taking possession at the A.C. 37.

Eight plays later, Hinsley scored from 10 yards out to freeze the scoring at 18-0. Carver's third attempt at a point after was short.

It could easily have been six points

more, with Hamill apparently scoring on a 23-yard run near the end of the contest, but a procedure call on the Eagles nullified the score.

School trustees set tax rate at 67-cents

Holliday School Board Monday night set the tax rate at 67-cents per \$100 market valuation, or an increase of 20-percent over the previous rate, in action taken during the board's regular monthly meeting.

The board accepted the rate, proposed during an August meeting, which will raise local revenues for Holliday Schools from last year's \$775,138 to \$975,000 for the 1984-85 school year.

Superintendent Dan Owen pointed out that the board could legally have raised the rate another eight-percent and avoid a possible rollback, but instead trustees chose to raise the rate to the minimal amount and receive the full amount of state funding the district is entitled to.

The previous rate was 56.46-cents per \$100 valuation, and Owen said that rate would not only put the school district in the red for the coming year, but jeopardize the amount funded by the state.

Trustees were pressed to raise the rate following passage of HB-72 and HB-75 by the Texas Legislature during its special session earlier this year. The education reform bill called for sweeping changes in the state's school systems but, in many cases,

relegated the price tag to the local school districts.

"We could legally have gone up another 4 1/2-cents in the tax rate," Owen stated. "But the board and myself wanted to keep as much pressure off the taxpayers as possible at this time."

Owen added that he hoped the regular session of the legislature will result in local school districts receiving additional state funding for the mandated programs.

POLICY CHANGE
In other business, the board changed the current policy on extra-curricular activities with an amendment stating "the Holliday Independent School District will no longer schedule a game the night prior to a six-week exam." Owen said that, in the event a district or state-level scheduling problem arises, the board will allow a student or group of students to compete. "If it is

up to us, though, we are not going to schedule a game the night before a six-week test," he said.

Another major policy change approved by the board states that the school district will no longer allow use of facilities to non-school organizations which include students as members or participants. An example is Little League sports, including football, soccer and baseball. Upon approval, the board also asked that Little League coaches not schedule games during six-week tests.

PERSONNEL
The board approved the hiring of Sandy Riddle as an aide to special education.

TRANSPORTATION
Trustees also approved a new bus route for Lakeside City, to be worked out in the next few days. Transportation director and high school principal Bill Lee was placed in charge of the new route's coverage.

ROUND-UP QUEEN nominees at H.H.S. this year are from left: Audrea Birdwell, Traci Hawley, Jana Harmon and Lana Hutson.

Jazzercise slated as program topic

The Holliday Chapter of Young Homemakers of Texas will hold its September meeting at 7 p.m. Tuesday at Holliday High School. The program will include a jazzercise class by Gizell Ferguson.

DAIRY QUEEN OF HOLLIDAY

The General has some new stars.

- ★ As a community hospital, The General belongs to everyone in Wichita Falls. Your support has been strong and, thanks to you, The General has made stellar improvements that start at our front door and extend to every room in the hospital.
- ★ The General's new Radiation Oncology Center is designed to serve the entire region with the latest technology. The Center includes a sophisticated linear accelerator and computerized treatment simulator which are at the forefront of radiation therapy equipment available.
- ★ The family-centered obstetric and nursery facilities have been doubled in size. And a higher level of newborn care is now possible with the addition of seven new intermediate and four continuing care bassinets.
- ★ The General's bright, friendly pediatrics department is expanding from 18 to 26 beds. It's the only fully developed children's care facility in the area, and when we're through, every inch will be new and cheerful.
- ★ The new sixth floor and patient tower have been designed for the comfort and convenience of patients and their families. Rooms are larger and the number of private rooms has been increased. There are even special V.I.P. suites with adjoining private sitting rooms for family members.
- ★ Emergency treatment receives equal attention. There's no need to settle for less than the very best in comprehensive medical attention. The General's emergency room is nearly twice as large as before, with more examining rooms, improved access, increased parking and a covered entry for patients. No matter what your emergency needs, The General offers the finest care available.

The General. Thanks to your support, Wichita Falls now has the most modern, convenient medical facilities in the region.

Alley returns with restaurant

Another new business opened its doors recently in Holliday. Frankie Alley returns to the local business scene with the Pipeline Restaurant. The restaurant opened its doors for business Sept. 5, in the same location Alley ran a similar eatery nearly a decade ago. Alley said she will be serving frog legs and barbecue, in addition to other items. Her hours are 6 a.m. to 10 p.m. Monday thru Saturday.

Holliday gets sales tax check

Holliday's sales tax check for August of \$7,883.82 brings the year's total to \$75,225.51, an increase of over 28-percent from last year's figure. The city led Archer County entities once again in the amount refunded, a trait dating back to January. Archer City received a check for August totalling \$6,900.47, which was still a 22-percent increase over the August 1983 check. Lakeside City received a check for \$1,374.30, giving the first-year sales tax recipient a total of \$10,633 for the year. The total payments in a comparable period last year for Holliday indicates an increase of over \$10,000 in refunds.

HOME COMING

Big Red to host champs

Defending Class AA state champ Boyd received a rather rude welcome to the 1984 season last week with Decatur handing the Yellowjackets a 7-0 setback.

Tomorrow night in Eagle Stadium the Big Red hopes to extend that particular welcome in front of a partisan homecoming crowd.

The non-conference tilt, set to start at 8, should provide plenty of fireworks for the expected capacity crowd. "We are expecting another good football game, because we always have a good game against them," head coach Don Lucy said recently. "They are bigger this year than ever, bigger than us."

Big the 'Jackets are, with the weight of the offensive line from left to right reading 204, 286, 280, 228, 197 and 152 pounds.

Most of the returning lettermen for Boyd saw action last year in the Holliday-Boyd contest, won by the 'Jackets 21-12.

ROUND-UP SLATE

The traditional Senior Class Round-Up festivities include the crowning of the Band Sweetheart, Football Queen and Round-Up Queen, in addition to the barbecue and talent show Saturday.

The pep rally before the Eagle-Jacket game will start at 3:25 in the high school gymnasium.

The football queen will be crowned in ceremonies at Eagle Stadium just prior to gametime. Nominees are senior Buffie Broyles, junior Jana Harmon, sophomore Tracy Hawley, and freshman Lana Parish.

At halftime, the band queen will also be crowned on the playing field. Nominees are seniors Kelly Young,

Sherry Sadberry, Cheryl McMaster and junior Cindy Baldwin.

Following the game will be a victory dance at the gym, from 10 to midnight.

Saturday's festivities begin with a barbecue and carnival-like games on the high school campus beginning at 5 p.m. Cost for the meal is \$3.75 for adults, and \$2.75 for children under the sixth grade age. Games in booths along with a spook house and bingo will be featured.

At dusk, the procession will move inside to Erma Barton Auditorium, where a talent show will be held prior to crowning of the Round-Up Royalty.

Candidates for Round-Up Royalty are seniors Lana Hutson, escorted by Brett Gully; junior Jana Harmon, escorted by Larry Kroh; sophomore Tracy Hawley, escorted by Jimmy Pautsky; and, freshman Audrea Birdwell, escorted by Biggs Bird.

Reform bills to be explained

Holliday school officials will meet in conjunction with the first meeting of the Holliday P-TA at 7 p.m. Monday in the high school cafeteria to explain two new bills passed by the Texas Legislature and currently being implemented by school districts across the state.

Holliday superintendent Dan Owen said Tuesday that the two bills, HB-72 and HB-75, will be thoroughly discussed to give the district's taxpayers a better understanding of the changes in the students' education in addition to the increase in the tax rate.

"It is a real important meeting to the parents and to the community," Owen stated.

Principals and teachers will be introduced to the parents during the P-TA's portion of the meeting.

Owen said the meeting, although scheduled to be held in the cafeteria, could possibly be moved to the auditorium in the event more parents and other interested individuals turn out than the cafeteria will accommodate.

A babysitter will be present to watch infants during the meeting.

EDITORIAL

Thank the volunteers

At all Holliday Eagle home games, you will notice the Holliday Ambulance parked on the southwest corner of the stadium, manned by volunteers ready and able to assist in the event of an emergency during football games.

The volunteers, including five E.M.T.s (emergency medical technicians), devote a good deal of time in their efforts, attending even frosh and j.v. games on Thursdays. The only monetary compensation paid is \$50 each game by the school, which goes into the general fund for the Holliday Volunteer Fire Department. The ambulance personnel aren't the only volunteers at the football

games, with the concession stand being run by parents. The effort has saved and will continue to save the school and taxpayers a good deal of money, and everyone of them should be applauded.

The E.M.T.s working the home games include Bob Bryan, Melvin Bills, Rod Dolberry, David Wylie, and Glen Wood.

Other volunteers working with the E.M.T.s are Curt Dolberry, Bettye Tanner, Chuck Parker, Floyd Thompson, Mike Wilson and Carol Parker.

If you see any of these people, be sure and take the time to stop and thank them for a job well done.

-Kevin Hamilton

Artists' works on display here

Works of Holliday Art Association members are still being displayed at Olney Savings in Holliday, with Doris Owens and Sylvia Thomas currently showing their works.

The Art Association will hold its

next meeting at 7:30 p.m. Tuesday in the dining room of Tanner's Kuntry Store and Deli. Interested persons are encouraged to attend.

At the meeting, artist Arnold Pina will do a demonstration on acrylic painting.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 6, 1984

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (2/3 for The University of Texas System and 1/3 for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin. House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2/3 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of agencies and institutions of higher

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of those counties would be transferred to the county clerk.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county treasurer in Bexar and Collin counties."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state senate to fill a vacancy in the office of lieutenant governor."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate.

The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence.

The proposition will appear on the ballot as follows: "The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."

Estos son los informes explanatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 6 de noviembre de 1984. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.
