IOWA PARK, TX 76367 112

News in Brief

Council to hold called meeting

A called meeting of the city council was scheduled yesterday afternoon by Mayor Tim Hunter.

The agenda called for an "executive session" to discuss "pending litigation."

Hunter confirmed the meeting was to do with action the city is

considering concerning the burned-out building in the 100 block of West Cash.

City crews had been scheduled to begin razing the structure Monday morning, but the activity was delayed pending a meeting of attorneys Wednesday.

Balloons to assist CF drive

The Iowa Park High School chapter of Future Homemakers of America will be releasing colorful balloons preceding the Iowa Park - Vernon football game tomorrow night, as sponsors of the Cystic Fibrosis Balloon Fest.

For every one-dollar donation to the Cystic Fibrosis Foundation, a postcard with the donor's address will

be attached to a balloon and released. The first postcard found and returned will win the donor a clock-radio.

The FHA chapters have made a commitment to help the Cystic Fibrosis Foundation. Persons interested should send their donations to: Cystic Fibrosis Foundation, North-East Texas Chapter, 2505 Cedar Springs #211, Dallas, TX, 75201.

Packed stadium expected for Hawk-Lion contest

It'll probably be standing room only tomorrow night in Hawk Stadium, when Iowa Park hosts Vernon in an important Dist. 5-AAA battle.

The 8 p.m. kickoff is expected to be viewed by one of the largest crowds, on both sides of the field, that has passed through the gates in a number of years.

Friday's contest has been viewed for months as possibly "the" game of the regular season for both clubs, primarily because both schools dropped down in classification this year after having been in the same district since 1971.

It was also figured to be the game to determine the district champion. That is until last week, when the

Hawks were upset by Decatur 7-14. So, while the game could still possibly determine the championship,

it is also a fight for survival for the Hawks because Vernon enters the

STAUNCH SUPPORTERS of the Hawks all season, rain, wind or perfect weather conditions, have been the Hawk Cheerleaders. Members are: from top left, Gina Weaver, Lisa Holloway, mascot Brian Todd, Becky Brown and Cindy Harper; top row, Holly Farnsworth, Jana Cummings and Kari Robnett.

Council okays gas rate increase

The City Council Monday night approved a rate increase for Lone Star Gas, but it was less than originally proposed by the utility company.

A negotiated settlement of new rates was the result of talks between the company representatives and city officials. Mayor Tim Hunter pointed out a savings resulted for local customers because a professional consultant was not hired, as has been the practice in the past.

The new rate is 80 percent of the proposed increase, which is to generate \$34,600 additional revenue for Lone Star, a 3.69-percent increase, according to the company's figures.

A basic rate of \$6 per month will be charged both residential and commercial customers. In the past,

commercial customers have paid a flat rate higher than residences.

Both residential and commercial customers will also pay the same rate for natural gas consumed, \$5,5141 per thousand cubic feet in the winter and \$5,1641 in the summer.

After the council voted unanimously to approve the ordinance establishing the new rates, local Lone Star manager Bud Burch, who had pointed out this was the first increase his company had requested in two years, said it would be at least another two years before he would have to seek another.

The council voted to delay any action on assigning a franchise to TCI Growth, Inc., for cable television service in Iowa Park.

Mayor Hunter said he would like to discuss three points with TCI

manager Raymond Greenwood before action was taken, to insure protection in the future for the city. The points included: records and reports of revenue to be provided; inclusion in the ordinance that taxes are to be paid before the franchise could be transferred should the business be sold, and proof of insurance be provided to the city.

Hunter also wants to discuss with Greenwood the possibility of cutting the term of the franchise from 20 years to seven, which Greenwood said would be unacceptable.

Another ordinance which was approved repealed an ordinance passed at the last council meeting concerning a change in the electrical code.

Members of the electrical board objected to the use of non-metallic

conduit for wiring of multi-family dwellings, the heart of the ordinance approved, and recommended it be changed back to the code's original form.

Hunter, in discussing the issue, said the council in the future would require written recommendations

from any board before an ordinance was changed, because of the confusion surrounding the earlier ordinance change.

Aldermen also voted to advertise for sale a pair of 25-foot-wide

Forgery charge filed against local

An Iowa Park woman was arrested and jailed Friday, accused of forging checks paid her by an elderly employer.

Jamie Brewer, 26, of 300 S. Wall, was accused of bilking more than \$600 from her former employer with the checks. She was placed in the county jail in lieu of \$5,000 bond set by Justice of the Peace R.L. Stewart.

Police received two reports of thefts Monday.

The rear end of a 1976 Kenworth truck, nose cone and drive assembly valued at \$1,500, was reported taken from a truck at Park Tank Truck Co.

Brian Baugh told police shortly after noon Monday that someone had taken his two rings from 906 Cornelia. One was a wedding band and the other a diamond cluster, the pair valued at \$800.

At 5:58 p.m. Monday, a white Chevrolet reportedly knocked down a mail box and drove across the yard of Jim Murfield in Shiloh Estates, and

then drove across a yard at the intersection of Yucca and Wagon-wheel.

Shortly afterward, emergency medical technicians were called to Harmony road where an automobile matching the same description had wrecked in a ditch after passing

through two fences. The driver Larry Keith Loggins, 26, a resident of Woodbriar Apartments, was treated by EMTs and transported to a Wichita Falls hospital by ambulance.

The accident was investigated by DPS trooper Ronnie Miller.

Local young couple struggles with mounting hospital bill

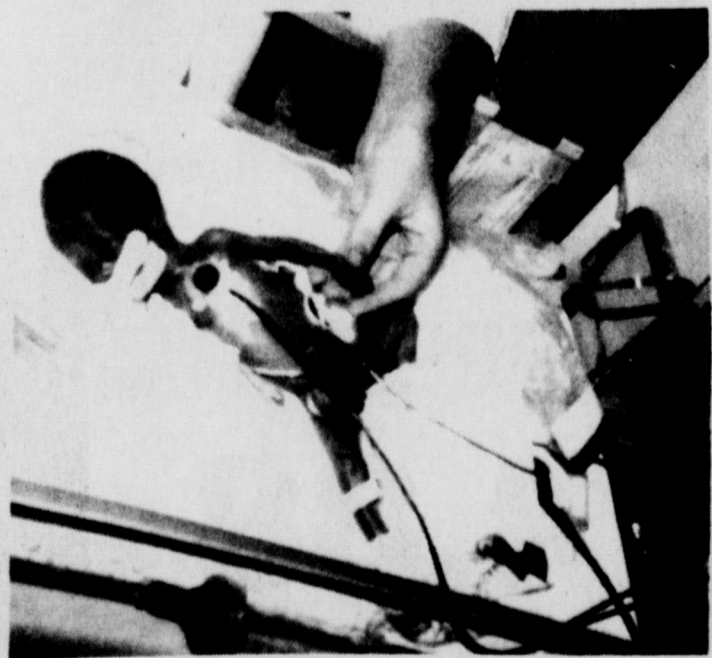

The struggle for young married couples to meet their everyday bills is not uncommon. But when a young couple's bills are mounting at the rate of more than \$2,000 per day, they need help. A lot of help.

An account has been established at State National Bank to assist Janice and Curtis Tepfer, because of bills being incurred while their premature baby is under care at the Fort Worth Children's Hospital.

Linda Diana, nicknamed "Peanut" by the nurses at Wichita General Hospital when she was born Sept. 11, was three months premature. At birth, she weighed only two pounds, one ounce, and was only 13 inches in length.

But Wichita General is not equipped or staffed to care for babies requiring the attention as "Peanut," so she was transferred to the Fort Worth facility, which specializes in caring for her type of case. This includes open heart surgery, which the infant has undergone.

The baby was down in weight at one time to one pound, 13 ounces.

But the cost of such care is extremely expensive. The mother said she should expect a daily cost of more than \$2,000. As of Friday, when "Peanut" weighed two pounds, 11 ounces, the couple's bill was \$37,000.

And she is expected to remain there until around Christmas.

The father is employed by a moving firm in Wichita Falls. But

he had not been with the firm long enough for his group insurance to cover the birth and ensuing expenses.

Those wishing to assist the young couple and baby with their financial problems can make donations at State National Bank by depositing funds to the "Janice Tepfer for Linda Tepfer, Minor" fund.

Kidwell Halloween Carnival Saturday

The traditional Kidwell Halloween Carnival will be held from 5 until 9 p.m. Saturday, sponsored by the Kidwell P-TA and featuring a "poor boy supper," spook house and assorted games.

The supper will be served beginning at 5, with the menu consisting of beans and cornbread, or Frito chili pie, with dessert and drink for \$2 per person. Nachos, desserts and drinks will also be available to the hungry crowd, and special tickets for senior citizens can be purchased beforehand at the Friendly Door for \$1.50 per person.

The games and entertainment will start at 6, with a costume contest to be held at that time.

Games include bean bag throw and fishpond, bowling alley, two cake walks, spook house, toy walk, football toss, ring toss, nerf basketball, dart throw and wet sponge toss.

ROUGH ROUTE- Larry Keith Loggins of Iowa Park was injured Monday afternoon when his car went through two ditches, the corner of a wheat field, two fences and came to rest in a third ditch. He was treated by Iowa Park EMTs and transported by ambulance to a Wichita Falls hospital.

WENDI RENEE MINEAR AND RANDAL O. DOAN

Wedding slated soon

Mr. and Mrs. Michael R. Minear of Stanwood, Wash., are announcing the engagement and approaching marriage of their daughter, Wendi Renee, to Randal Owen Doan, son of Mrs. H.L. Abernathy of Del Norte, Colo., and Bob Doan of Iowa Park.

Miss Minear attended Bowie High School and was graduated from Stanwood High School in Stanwood, Wash. She is employed at Chon's Palace in Mt. Vernon, Wash. The groom attended Rider High School and Skagit Valley College and was recently graduated from Naval Recruit Training Center in Great Lakes, Ill., and Aviation Hydraulics in Memphis, Tenn. He is employed as a cook at Rio Grande in Mt. Vernon, Wash.

The couple will exchange vows Oct. 28, at the Camano Chapel in Camano Island, Wash.

Locals slated for awards

An Iowa Park man and church are to be recognized Sunday by the Volunteer Services Council for Wichita Falls State Hospital.

The 3 p.m. event to be held in Silver Square at Parker Square Bank in Wichita Falls will feature presentation of awards by Cong. Jack Hightower.

Jim Bowman is to be among seven persons to receive a 500-hour bar, and First Methodist Church will be among eight groups receiving the Service Award.

This is the 24th year the Council has honored all volunteers who give time for the benefit of others.

Students elect Kendell Hill

At a meeting held Monday night, Iowa Park High School horticulture students elected officers.

Kendell Hill was named president; Debbie Baker, vice president; Lesa Gilmore, secretary; Elayne Olds, reporter; Doug Smith, sentinel and James Elms, treasurer. H.J. Cannon is advisor.

FFA News

The Iowa Park Chapter of Future Farmers of America has begun its annual fruit and sausage sale, to continue until Nov. 3.

Boxes of grapefruit, oranges, or apples or mixed boxes of all three can be purchased, as well as sausage in links or patties.

Proceeds from the sale sponsor the chapter's banquets, meetings, and contests.

Persons wishing to buy may contact any FFA member or the Agriculture Building at 592-9052.

Music Study Club gains four members

The Modern Music Study Club met Thursday evening with Mrs. Larry Thompson, who gave the story of the hymn-of-the-month, "All Nature's Works His Praise Declare" by Henry Ware Jr.

Mrs. Kenneth Davis directed the business and recognized four new members, Mrs. Darrell Burrell, Mrs. D.J. Cannon, Mrs. Mary Wallace and Mrs. W.A. LaBrier.

Club members presented a program of vocal music with accompaniment provided by Mrs. Michael Sargent.

BY BOARD CHAIRMAN

School reform bill related to national committee report

"It is possibly the most sweeping educational reform bill and certainly the most controversial in the history of the State of Texas," Dr. Roy Boutwell stated Thursday as he addressed the 23 Study Club on "Public Education in Texas - After 'H'." Ross Perot and His Select Committee, referring to House Bill 72.

The bill was passed during the 1984 Special Legislative Session and is a comprehensive 226-page bill, he explained.

According to the Director of Financial Aid at Midwestern State Univ., the big push for the passage of the bill in Texas and similar bills in other states was a report of the

National Commission Education appointed by President Reagan to report on the status of education in America. The report was entitled "A Nation at Risk: The Imperative for Educational Reform."

Dr. Boutwell read a few of the recommendations and asked club members to note the similarity between them and major parts of House Bill 72. These included:

- Administration and Oversight where a State Board of Education was created to make the rules and policy instead of the Commission of Education.
- School Finance. The speaker said that House Bill 72 has caused most districts to raise taxes, and that the

districts must qualify for equalization or lose tax dollars.

Career Ladder. Under the bill each teacher is now assigned to a career ladder level based on performance and experience, the assignments to be determined by local committees composed of administrators and teachers.

Personnel, which involves teacher competency exams, the district offering an in-service training program for management skills; and teacher loan programs.

Students is another major part of the bill. It requires students to attain a grade of 70 before passing and does away with exemption from final exams which has been an incentive

for students to make higher grades. It also provides tutoring service twice a week for students with grades below 70, and reduces the students in average daily attendance per teacher to 20. The bill curtails extracurricular activities, is tighter on unexcused absences, demands that the University Interscholastic League submit rules for approval to the State Board of Education, and limits interruption of classes.

School Districts - Under the bill, local school board members will be required to participate in training activities consistent with the SBOE; minimum basic skills will be given students. By Sept. 1, 1984, districts

must adopt and implement a discipline management program.

Dr. Boutwell said that he considered Senate Bill 246 the real student oriented-improvement bill. He considers House Bill 76 more of a political rather than an educational move, and he predicts that it will be altered in the next regular session of the Legislature.

Miss Ehtyle Kidwell was program leader for the afternoon and Harold Cowley, superintendent of schools, was a special guest.

Mrs. Sam Hill used "Freedom of Choice" for the title of a devotional talk. Mrs. Glenn Gwinn, a guest accordionist, gave a brief history of the instrument and then played a

waltz and polka, great tunes of yesteryear, for the arts number.

The meeting was held at Texas Electric Reddy Room and hosted by Mrs. Sam Hunter and Mrs. D.O. James.

During the social hour, refreshments were served from a table laid with beige linen and centered with a fall arrangement. Mrs. Keith Aulds, club president, presided at the silver coffee and tea services.

Walmart Sells for Less

Walmart Sells for Less

Worth Quoting

As I See It...

By BOB HAMILTON

My, what a difference a few weeks can make.

When our distinguished governor managed, with the help of a few friends, to push a \$4.8 billion tax increase through the Legislature, he was so happy he could scarcely contain himself. He was toasting his victory in champagne, and hailing his accomplishment as one of the greatest things that ever happened to Texas.

Now, in a few short weeks, he is on television defending the bill. One would think if the tax bill was such a good thing it would sell itself. It would need no defense.

In the t.v. commercials the governor says "we had to raise taxes on things like liquor, cigarettes, and beer." Anytime he has to choose between those evils and the children of Texas, our governor says, "our kids come first."

Well, let us see. According to the Legislative Budget Board's analysis of the bill, the new taxes will hit beer drinkers for \$5 million in 1985. From those who don't drink beer, but do drive automobiles on the public highways, the new tax will bring in \$420 million in 1985. Those who buy new cars will chip in another \$154 million in 1985. Those who are on cable television will contribute about \$7 million in 1985; more we might add, than is paid into the till by the beer drinkers. The one-eighth percent increase in the general sales tax will bring in \$83 million in 1985, more than 10 times the amount that will be paid by beer

drinkers. The increase in the tax on hotels and motels alone will bring in twice as much as Mr. White's tax on beer. It is projected at \$11.4 million for 1985 alone.

If you have "tangible property," such as a television set, or a clothes washer or dryer that needs repair in 1985, and if you have it repaired, you will contribute to an estimated kitty of \$33 million in new taxes. If you subscribe to a newspaper you will help the new tax bill to the tune of \$6 million next year. (Again more than the added tax on beer.)

True, the whiskey drinkers are hit harder. They will pay about \$6 million more if they buy it by the bottle, and about \$23 million if they go to a club or bar and buy it in the form of mixed drinks. Even so, they will pay less in new taxes, by about half, than those who go to the picture show or other places of "amusement." The tax on admission to places of amusement will bring in \$44 million in 1985, roughly eight times what the added tax on beer will produce.

The way my little pocket calculator

works, if you seek to amuse yourself during 1985 by drinking whiskey, or beer, or smoking cigarettes (smokers get hit pretty hard), you will help contribute a total of \$47.7 million in new taxes. If, on the other hand, you seek to amuse yourself by watching cable t.v. or going to amusement parks or picture shows, you will contribute \$51 million in new taxes. Or, if you want to amuse yourself by driving back and forth to work or going to visit Aunt Sadie, you will help contribute \$420 million in new fuel taxes.

The governor's new television commercials, in which he would have us believe that the new taxes will fall "on things like liquor, cigarettes and beer" are paid for, according to press reports, out of his "political account" and by "loans." They will cost about \$300,000.

At a later date we will try to examine the connection between the governor and those who are anxious to help him in his program of taxation and dissimulation.

KEN TOWERY
Floyd County Hesperian

I'm ready for Nov. 6 to get here and get this general election behind us.

I don't know about you, but I've had a belly full of all this campaigning, debates, so-called experts attempting to explain to me what I just heard, polls about as valid as the Mexican peso, charges and counter charges.

And, frankly, I'm sick to death of seeing Walter Mondale's face and hearing his voice.

The Democratic Party's candidate puts fear in my heart and pain in my billfold with his explanation of how he intends to raise taxes to pay off the national debt, and with his next breath tells the unemployed how he's going to put them back to work and at the same time see that our national defense was kept strong while he was convincing the Russians they should stop the arms race.

To accuse the president of increasing the national debt is sure to make a great vote-getting point. . .

among the ignorant.

Excuse me, but I said the ignorant. You see, no president in the history of our nation ever passed a bill without the sanction of congress. The fact of the matter is, a president doesn't write a bill. He can only take action on a bill that has come out of congress.

A bill can only originate in the House of Representatives. It must pass the House before it can be voted on by the Senate. And it must pass the Senate, before it can be presented to the president for his approval or veto.

President Reagan is accused of increasing the national debt. But any legislation causing the national debt

must first be passed by the House, which is by far dominated by members of Mondale's own Democratic Party.

Maybe Mondale should be campaigning against members of his own party, instead of Reagan.

One thing that bothers me, is that those who support the president may feel so confident that he will win, because of all the polls indicating he will, that they will be complacent and stay home instead of making the effort to vote.

This point in the campaign is about like the eighth month of Dolores' pregnancies with our children. It's been interesting intriguing, but I'm about ready to get it over with.

Contest

Continued from page 1

meeting without a district loss.

In fact, the Lions haven't even been scored on by their two district opponents, having posted wins over Springtown, 33-0, and last week taking measure of Bowie, 43-0.

While both teams enter the game with identical 6-1 season records, Vernon's loss, 13-21 in the season opener to Altus, wasn't an important conference contest.

After their loss to Altus, the Lions edged Lawton MacArthur 24-18, and then shut out two other teams, 28-0 over Burkburnett and 15-0 over Borger, before edging an improving Breckenridge 14-7.

Against mutual opponents, the Hawks' score have been similar to Vernon's. They edged Breckenridge 24-13 in the season opener, and then took old rival Burkburnett by a 35-6 margin. The only common 5-AAA opponent has been Bowie, 31-0 victim of the Hawks.

As virtually always in the past, the Lions possess both size and great speed. They demonstrated it both offensively and defensively the past two weeks, accumulating more than 500 yards in each game on offense. The defense allowed Springtown an average of only 1.2 yards per carry and Bowie 1.6.

The Hawks may have to play without the services of their big tackle Charles Perry.

The highly-heralded lineman had to be assisted from the muddy field last Friday, with 20 seconds remaining in the game, after re-injuring an ankle that has slowed him all season.

Since he injured it in the Breckenridge game, Perry has seen only limited action on defense, using his size and ability primarily to pen gaping holes for Hawk backs. But in an attempt to pull the game out of the fire at Decatur, he was pressed into action on defense, and the ankle was sprained once more.

Coach David Baugh said Monday that Perry was unable to put much weight on the injured limb, but the doctor had said he could return to

play when he felt he was able.

Line coach Earnie Reusch said he would continue to use Kevin Haney at tackle on defense, and call either tight end Jeff Tucker or guard Robert Adams in on offense.

The coaching staff has a reminder written on a chalk board in the dressing room, that Vernon humiliated Iowa Park 42-0 last year.

Vernon leads 7-6 in the series which began between the two district opponents back in 1971. Iowa Park edged the Lions 3-0 in 1982 and 12-0 the year before.

The Hawks are well aware of the importance of tomorrow's game. They know a win would keep them in the race for a playoff position, but only if they win all three remaining games.

Municipal Court Records

Results of municipal court held here yesterday were:

- Edward Robert Sodeman, disobeyed stop sign, \$60;
- Edward Robert Sodeman, violated drivers license restriction, \$60;
- Anthony M. Crittenden, expired motor vehicle inspection, \$60;
- Gabriel Jude Vos, expired motor vehicle inspection, \$60;
- Lino Arrendondo, speeding, \$41;
- Deborah Carol Sabine, speeding, \$44;
- Richard Lee Barnes, public intoxication, \$112.50.

Council

Continued from page 1

city-owned residential lots.

They took the action at the request of Billy Henson, who explained he had assumed they were part of his purchase when he bought his home some 25 years ago, and which he had included in a fence all this time.

Administrator James Barrington told the council he had not been aware the lots were owned by the city, since they were not on a list of city property provided by two different taxing bodies.

However, a check of records indicated the city bought the lots in a sheriff's sale for taxes back in 1966.

Henson, knowing the city cannot sell property without first placing them on the open market, asked that

the action be taken to give him an opportunity to acquire the land he thought he already owned.

The lots are identified as lots 15 and 16 of Block 80, Original Townsite.

One other item approved was the city to pay half, \$3,790.27, the loss of operating the Bicentennial Swimming Pool last summer. The school shares the cost of the pool's operation.

During a discussion period, Barrington recommended raising the water meter deposit fee to at least \$50. He pointed out the city lost \$3,500 in bad debts to customers who moved off while owing more than their \$20 deposit.

Aldermen said they wanted more information and time to consider the proposal before taking any action.

Your telephone payment agency is moving

Video Care, 403 W. Park, a store where you can pay your telephone bills in person here in Iowa Park, is closed this week (October 22-28) because the store is moving to a new location.

The store will open on Monday, October 29 at:

200 West Bank

After the re-opening, you may continue to pay your bill during Video Care's normal business hours of Monday-Friday, 8:30 a.m.-noon and 1-4:30 p.m. And don't forget, you can "mail it!" You may be able to save time and money by using the return envelope and pre-addressed return page to mail in your payment. Our address is:

Southwestern Bell Telephone Company
P.O. Box 220012
Dallas, Texas 75394

We appreciate your business!

Southwestern Bell Telephone

Watson homecoming court nominee

Wayne Watson of Iowa Park has been nominated for Homecoming Court at Texas Christian Univ.

Watson, of 520 W. Clara in Iowa Park, was nominated for the honor by TCU's Student House of Representatives, which he serves as vice president. He is a junior majoring in political science.

Homecoming Court members, to be selected in final elections Oct. 23-25, will be presented at halftime of TCU's Oct. 27 homecoming football game with the Baylor Bears.

Smith completes artillery course

Army Pvt. Fred E. Smith, son of Mr. and Mrs. Frank Smith of 300 E. Magnolia, has completed the field artillery surveyor course at Fort Sill, Okla.

During the course, students were taught mathematics, map reading and the operation of survey equipment.

Friendly Door News

- Tues., Oct. 30** - Sliced ham, blackeyed peas, cabbage, cornbread, chocolate cake.
- Wed., Oct. 31** - Oven fried chicken, au gratin potatoes, green beans, peach cobbler.

Cook of the Week

Physical fitness and health are very important to this week's cook, Teresa (Mrs. Larry) Beckham, who is the assistant girls' basketball coach at Iowa Park High School, as well as a physical science teacher.

Mrs. Beckham said she has wanted to be a teacher as long as she can remember, and being health conscious, a field as athletic coach was a natural choice. As for the students and athletic teams at I.P.H.S., she thinks they're great.

Although she has always wanted to be a teacher, she says, "I don't plan to be a teacher the rest of my life. When I've had enough of the reform bill, I plan on leaving the education field and my husband and I plan on going on the road as truckdrivers."

At home, her husband Larry, who manages the Sonic Drive-in in Burkburnett, likes to do most of the cooking.

Even though she thinks healthy foods are important in a diet, she has a self-proclaimed sweet tooth, and a strong weakness for cookies and ice cream. This weakness is also reflected in her recipes.

She was born and raised in Ohio, and moved to Wichita Falls in 1975. She graduated from Midwestern State Univ., and began teaching for the Iowa Park school system in 1981.

Among Mrs. Beckham's hobbies are jogging, reading, painting, drawing, yardwork, fishing and traveling. Her favorite "hot spot" is Las Vegas.

The couple attends Christ the King Catholic Church.

Goetze in play

Tim Goetze, a graduate student at Tarleton State Univ., has been named to the cast of "My Three Angels," this year's Homecoming production by the Tarleton Players. The show will run Oct. 23-25 and 27 in the Theatre of the Clyde Wells Fine Arts Center on the TSU campus.

Tim, a theatre major, is the son of Mr. and Mrs. Oscar Goetze of Iowa Park.

Mrs. Larry Beckham

FRIED EGG OMELET SANDWICH ON TOAST

- 2 eggs
- 2 slices bread
- 2 cheese slices
- Butter

In butter, fry 2 eggs until yolk is hard and top with cheese. Place between 2 slices of buttered toast.

PEANUT BUTTER AND JELLY SANDWICH WITH CRUNCH

- 1 T. peanut butter
- 1 T. jelly
- 2 slices bread
- Apple slices

Spread peanut butter on one slice of bread, and jelly on the other. Place apple slices in middle.

BOLOGNA AND TOAST DOUBLE DECKER SANDWICH

- 4 pieces bologna
- 2 T. mayonnaise
- 2 tomato slices
- 3 slices of bread

Toast bread. Spread with mayonnaise and place 1 tomato slice between 2 pieces of bologna in between toast slices. For an extra crunch: Place corn chips inside.

CHOCOLATE CHIP AND ICE CREAM SAMMIES

- 1 package chocolate chip cookies
- 1 half-gallon vanilla ice cream

Place 2 T. of vanilla ice cream between 2 chocolate chip cookies and press together. Another variation would be oatmeal cookies and strawberry ice cream.

DEVIL'S FOOD AND ICING SANDWICH

- 1 package devil's food cake mix
- 1 can vanilla cake icing

Place gobs of cake mix on unbuttered cookie pan. Bake at 350 degrees for 8 minutes. Remove and let cool. Spread icing on cakes and press together. Can substitute any cake mix and icing.

Jack Hightower here Tuesday

Cong. Jack Hightower of Vernon was a special guest and speaker for the Evening Lions Club's meeting and catered meal Tuesday evening. The veteran legislator presented a plaque to R.E. Waters for 32 years of perfect attendance as a Lions Club member to highlight activities for the night.

Other guests included wives of the members, and members of the Lioness Club, Mr. and Mrs. Johnny Coker, Mr. and Mrs. Robert Dean, Mrs. Jack Hightower, Nancy Davis, and Mickey Urniak.

Special music was furnished by E.B. Robinson, pianist.

Mrs. D.A. Thurlo invited those present to attend the Lioness Club meeting this evening at 7. The

program will feature Mrs. James Palmer of Wichita Falls.

GRACE'S THIRD QUARTER EARNINGS INCREASE 18%

W.R. Grace & Co., parent company of Cryovac, announced net income for the third quarter of \$33.1-million, an increase of 18 percent over the third quarter of 1983. Earnings per share improved 17 percent to 68-cents from the 58-cents reported in the 1983 third quarter. The increase was due primarily to the continuing improvement in the company's agricultural chemicals, natural resources, and restaurant operations. Sales increased 10-percent to \$1,658,317,000 from last year's third quarter figure of \$1,505,965,000.

AREA OIL & GAS NEWS

Within the city limits of Wichita Falls, Camino Corp. of Dallas has finalized a new oil producer in Wichita County's KLB Field.

The well is designated as the No. 1 Beverly Drive, pumping at the rate of 108 barrels of oil and 74,000 CF gas per day.

Location is in a 41-acre lease in the David Welch Survey. Bottomed at 5,589 feet, the well will produce from perforations 5,278 to 5,292 feet into the hole.

S&J Operating Co. of Wichita Falls has filed first production figures on two new oil wells in the Wichita Regular Field. Drillsites are five and six miles southwest of Iowa Park.

The No. 89 Fassett & Tuttle showed potential to make 15 barrels of oil per day. The operator has 794 acres leased in the ETRR Survey. Bottomed at 1,450 feet, the well will produce from perforations 1,399 to 1,406 feet into the wellbore.

The No. 6 T.J. & J.L. Waggoner "A" indicated ability to pump at the rate of ten barrels per day. It is located in a 120-acre lease in the Hezekiah George Survey. It was taken to a 1,558-ft. bottom and will produce from perforations 1,350 to 1,370 feet into the hole.

The No. 4 Brewer has been finalized by Don R. Seal of Electra.

It is a developmental well in the Wichita Regular Field, one mile southwest of Electra. Drillsite is in an 86-acre lease in the Waggoner Colony Lands Survey.

Daily potential of five barrels was posted with the Railroad Commission. The well went to a 1,997-ft. bottom. Production will be from perforations 966 to 1,071 feet into the wellbore.

Two 1,900-ft. developmental wells are planned by Toss H. Brown of Wichita Falls at drillsites in the outer blocks of Burkburnett. The locations

are in a 130-acre lease in the RRVL Survey. Wells' designations are the Nos. 30 & 31 Hobbs-Texas "B". They are in the Wichita Regular Field.

The No. 30 well is 950 feet from the east line and 420 feet from the north line of the lease and 1,420 feet from the east line and 3,600 feet from the south line of the survey.

The No. 31 well is 780 feet from the east line and 665 feet from the north line of the lease and 1,210 feet from the west line and 3,350 feet from the south line of the survey.

Quick & Rankin Oil Inc. of Wichita Falls has filed for permit to drill the No. 1 Wilkinson "A", a 5,000-ft. developmental well 14 miles south of Electra. Location is in a 320-acre lease in Wichita County's H&TCRR Survey, A-775. The well is in the Ansell KMA Field.

Location is 900 feet from the east line and 2,310 feet from the north line of the lease and survey.

A Burkburnett-based operator has staked location for the No. 18 Hodges "B", a developmental well to be located four miles southwest of Iowa Park. With projected total depth of 1,500 feet, the well is in a 155-acre lease in the Wichita Regular Field, H. Balch Survey, A-26. The operator is Joe McDonald.

The well is 500 feet from the west line and 1,500 feet from the south line of the lease and 3,721 feet from the south line and 500 feet from the west line of the survey.

Drillsite has been staked for the No. 30 Kemp-Kempner, a 1,500-ft. developmental well in the Wichita Regular Field. The operation will be located one mile south of Kamay in an 81-acre lease in the Kemps WVFL Survey. The operator is Raymond's Operating Inc. of Kamay.

Location is 1,000 feet from the south line and 1,875 feet from the east

line of the lease and survey.

McCormick-Gordon of Plano has revealed plans to drill two 2,000-ft. developmental wells in the Wichita Regular Field. The operator has 50 acres leased, with drillsites in the H&GNRR Survey and has designated the ventures as the Nos. 5 & 6 J.D. Smith. Drillsites are two miles east of Electra.

The No. 5 well is 150 feet from the north line and 150 feet from the west line of the lease and 2,488 feet from the south line of the survey.

The No. 6 well is 150 feet from the west line and 850 feet from the south line of the lease and the survey.

A 1,950-ft. developmental well is planned by W.S. Wallace of Wichita Falls at a drillsite seven miles south of Electra. The location is in the HT&BRR Survey, A-508. Well's designation is the No. 39 S.B. Burnett. It is in the Wichita Regular Field.

Location is 450 feet from the north line and 150 feet from the east line of the lease and 450 feet from the north line and 1,470 feet from the east line of the survey.

The No. 11 Henderson, a 1,850-ft. developmental well, is scheduled to be drilled in the Wichita Regular Field. Bair-Lee Oil Inc. of Wichita Falls is the operator. The well will be spudded in an 80-acre lease three miles northwest of Burkburnett in the RRVL Survey.

The well is 633 feet from the south line and 150 feet from the west line of the lease and the survey.

Showing ability to pump 103 barrels of oil and 33,000 CF casinghead gas per day on an open choke, the well No. 776 Waggoner "A" has been completed two miles

northwest of Electra by Texaco Inc. of Midland. It is in the West Electra Field.

Location is in a 389-acre lease in the M. McLaren Survey.

Texaco took the hole to 2,900-ft. TD and plugged back to 2,812. It will produce from a set of Rock Crossing Formation perforations at 2,780 to 2,788 feet into the wellbore.

The No. 7 Baker has been spudded in Wilbarger County's Regular Field eight miles south of Vernon, with F.T. Johnson Jr. of Wichita Falls as the operator. The well carries permit for 1,500-ft. maximum hole.

The operation is in a 54-acre lease in the H&TCRR Survey Sec. 83 Blk. 14. It is 150 feet from the north line and 1,840 feet from the west line of the lease and 2,490 feet from the south line and 1,840 feet from the west line of the Survey.

At a location four miles southeast of Vernon, Burk Royalty of Wichita Falls has driven stake for a 6,500-ft. developmental venture in the Wilbarger Regular Field. Designated as the No. 4 Cokery "A", it is in a 280-acre lease in the H&TCRR Survey A-282.

The well will be spudded 2,173 feet from the north line and 1,667 feet from the east line of the lease and survey.

Bennett and Guinn Inc. of Arlington have given up on their attempts to make a producer out of the No. 3 Flynn, a developmental well in Wilbarger County's Flynn Field. The well probed to a dry bottom at 8,350 feet. Location was in the H&TCRR A-769 Survey three miles southeast of Chillicothe.

An 8,600-ft. oil wildcat is scheduled for spudding in Hardeman County six miles southeast of Medicine Mounds. Designated as the No. 1 Glenn Cato, it is in a 610-acre lease in the H&TCRR Survey A-1406, with Kadane Oil of Wichita Falls as the operator.

Location is 2,959 feet from the west

line and 1,367 feet from the south line of the lease and survey.

Wildcat drilling action is scheduled in Hardeman County six miles southwest of Medicine Mounds by TXO Production Corp. of Fort Worth. Aimed at either oil or gas production, it will be known as the No. 1 Jud "A." The operation is in a 320-acre unit in the H&TCRR Survey A-205.

It will be spudded 485 feet from the north line and 700 feet from the east line of the lease and 485 feet from the north line and 1,947 feet from the west line of the survey.

The No. 1 Parker-Cole "D", a Hardeman County oil wildcat, is scheduled for spudding about 2.5 miles southeast of Medicine Mounds. Phillips Oil of Oklahoma City is the operator.

The operation is in a 40-acre unit in the N&NWRR Survey Sec. 49 Blk. H. The well carries permit for 8,600-ft. maximum depth. It will be spudded 1,664 feet from the north line and 2,291 feet from the west line of the lease and survey.

Titan Exploration Inc. of Midland is preparing to make hole for an 8,800-ft. Hardeman County wildcat 8.5 miles south of Chillicothe.

The explorer well will be known as the No. 1 Myrtle Creighton. It is in a 320-acre lease in the H&TCRR A-1544 Survey. It will be spudded 1,770 feet from the west line and 550 feet from the north line of the lease and survey.

Pumping 41 barrels of oil with a minor volume of casinghead gas per day on an open choke, a new producer has been brought on line in Hardeman County's Conley Field.

Location is eight miles west of Chillicothe, in a 640-acre lease block in the W&NWRR Survey Sec. 81 Blk. H.

The venture went to total depth of 8,222 feet after entering pay at 5,185. It will produce from perforated intervals in the Palo Pinto Formation

5,216 to 8,023 feet into the wellbore. Shell Western of Houston is the operator.

Location is 960 feet from the south line and 1,980 feet from the west line of the lease and survey.

At a location five miles east-northeast of Quanah, Enserch Exploration of Bridgeport is preparing to make hole for the No. 2 Wells-Nichols. It is a projected 9,100-ft. developmental probe in the Apex Field, Hardeman County. It is aimed at pay in the Mississippi Formation.

The well will be spudded in an 80-acre unit in the W&NWRR Survey Sec. 97 Blk. H. It is 467 feet from the east line and 1,200 feet from the north line of the lease and 150 feet from the south line and 1,934 feet from the east line of the survey.

Operating out of Wichita Falls, Eagle Oil & Gas Co. has staked location for the No. 1 Dickey, a wildcat well in Hardeman County 3.5 miles east of Quanah. With projected total depth of 9,150 feet, the venture is in a 40-acre lease in the W&NWRR Survey, A-845.

Location is 932 feet from the west line and 1,568 feet from the south line of the lease and 932 feet from the west line and 1,834 feet from the north line of the survey.

The No. 1 Hurst has been labeled as a dry hole by Eagle Oil & Gas at a location four miles east of Quanah. The wildcat try had been spudded 8-25-84 and had reached 9,060 feet total depth.

The well is 297 feet from the northeast line and 620 feet from the west line of the lease.

PHILLIP DAVIS TAKES A VAN HEDRICK PASS FOR ONLY HAWK TOUCHDOWN
[Photo courtesy of Ken Roselle of Decatur]

7-14 TO DECATUR

Hawks suffer first loss

A combination of mistakes, a downpour of rain and a good Decatur team led to Iowa Park's first loss of the season and put the Hawks' backs to the wall, as far as the playoffs are concerned.

Seven penalties, one costing a touchdown, two fumbles, an interception and a blocked field goal put the Hawks in the hole. These, coupled with a hard rain in the third quarter which took away Iowa Park's ability to loosen Decatur's tight defense, led to the loss.

The result: Decatur 14, Iowa Park 7.

Now Iowa Park is forced to win the remaining three games on the schedule, even to have an opportunity to advance into the state playoffs.

With the score tied at 7-7, James Bee took a handoff on the opening kickoff of the second half, and tightroped the west sideline 85 yards to the end zone for an apparent touchdown. But the play was called back on a clipping penalty at the Eagle 43.

The penalty set the Hawks back on their own 43 where, unable to pick up a first down, they punted.

Soon afterward, Decatur was forced to punt from the Eagle 49, and Sergio Arrendondo broke through the line of blockers and got a hand on the ball, setting up the Hawks on their own 40.

It was about this time the rain started falling by the "buckets full." However, Phillip Davis picked up 15, then Beebe ran for two, and again for 15 yards, fumbling as he was tackled. But alert Rocky Martin covered the ball on Decatur's 17.

Three plays later, having advanced to the 11, Iowa Park went for the field goal. But Jerry Allen's kick at the 20 was blocked, giving Decatur possession on its 15.

Three plays and five yards later, the Hawks again went for a block of Decatur's punt, rushing 10 men. But the momentum carried two players into the punter, after he had gotten the ball off, and the Eagles retained possession after the penalty.

Again unable to gain a first down, Decatur punted, on the first play of the fourth period. And Stephen Bidy returned the ball all the way from his 21 to the Hawk 40.

But on the first play, and the ball very slippery due to the continuing rain, the handoff between Van Hedrick and Beebe was muffed and Decatur had the ball again.

Four plays later the Eagles faked a punt from the Hawk 33, completed a 13-yard pass to the 20, and five plays later scored from two yards out.

The Eagles gave the Hawks yet

another opportunity to even the score by attempting an on-sides kick. But Arrendondo covered the ball on his 47.

Attempting to loosen the stacked Eagle defense, Hedrick attempted a short, roll-out pass, but it was intercepted. Iowa Park got the ball back one more time, at the Hawk 20 with 3:11 remaining, but was forced to gamble on fourth down and needing 19 yards for a first, and turned the ball over to the hosts for the last time, with 34 ticks remaining on the clock.

FIRST SCORE

Iowa Park received the game's opening kickoff, for the first time this season. And it may have been an omen of things to come.

On the first play, from their own 23, the Hawks lost the ball when a pitchout from Hedrick to Lee Roach was bobbled and the Eagles pounced on it at the 18.

But the Mean Green defense arose to the occasion, taking possession at the 15 after denying the hosts a first down.

Iowa Park worked the ball out to six inches short of a first down and it was decided to kick the ball away. But Beebe, who averaged 36 yards per punt for the evening, shanked the ball off the side of his foot, and Decatur had the ball on the Hawk 49.

Three plays later, Decatur completed a 25-yard pass to light up the scoreboard first.

But the Hawks marched right back to tie the score only 3:15 minutes later.

The drive featured a 33-yard pass from Hedrick to Beebe, followed by three runs by the fullback that carried the ball to Decatur's 22. But on the last run, Iowa Park took a penalty that set the Hawks back on their own 33.

Then Hedrick lofted a perfectly-placed pass into the end zone that dropped over the outstretched hands of an Eagle defender and into the hands of Davis, who made a diving catch for Iowa Park's lone touchdown.

Allen evened the score at 7-7 with 3:32 yet remaining in the first quarter.

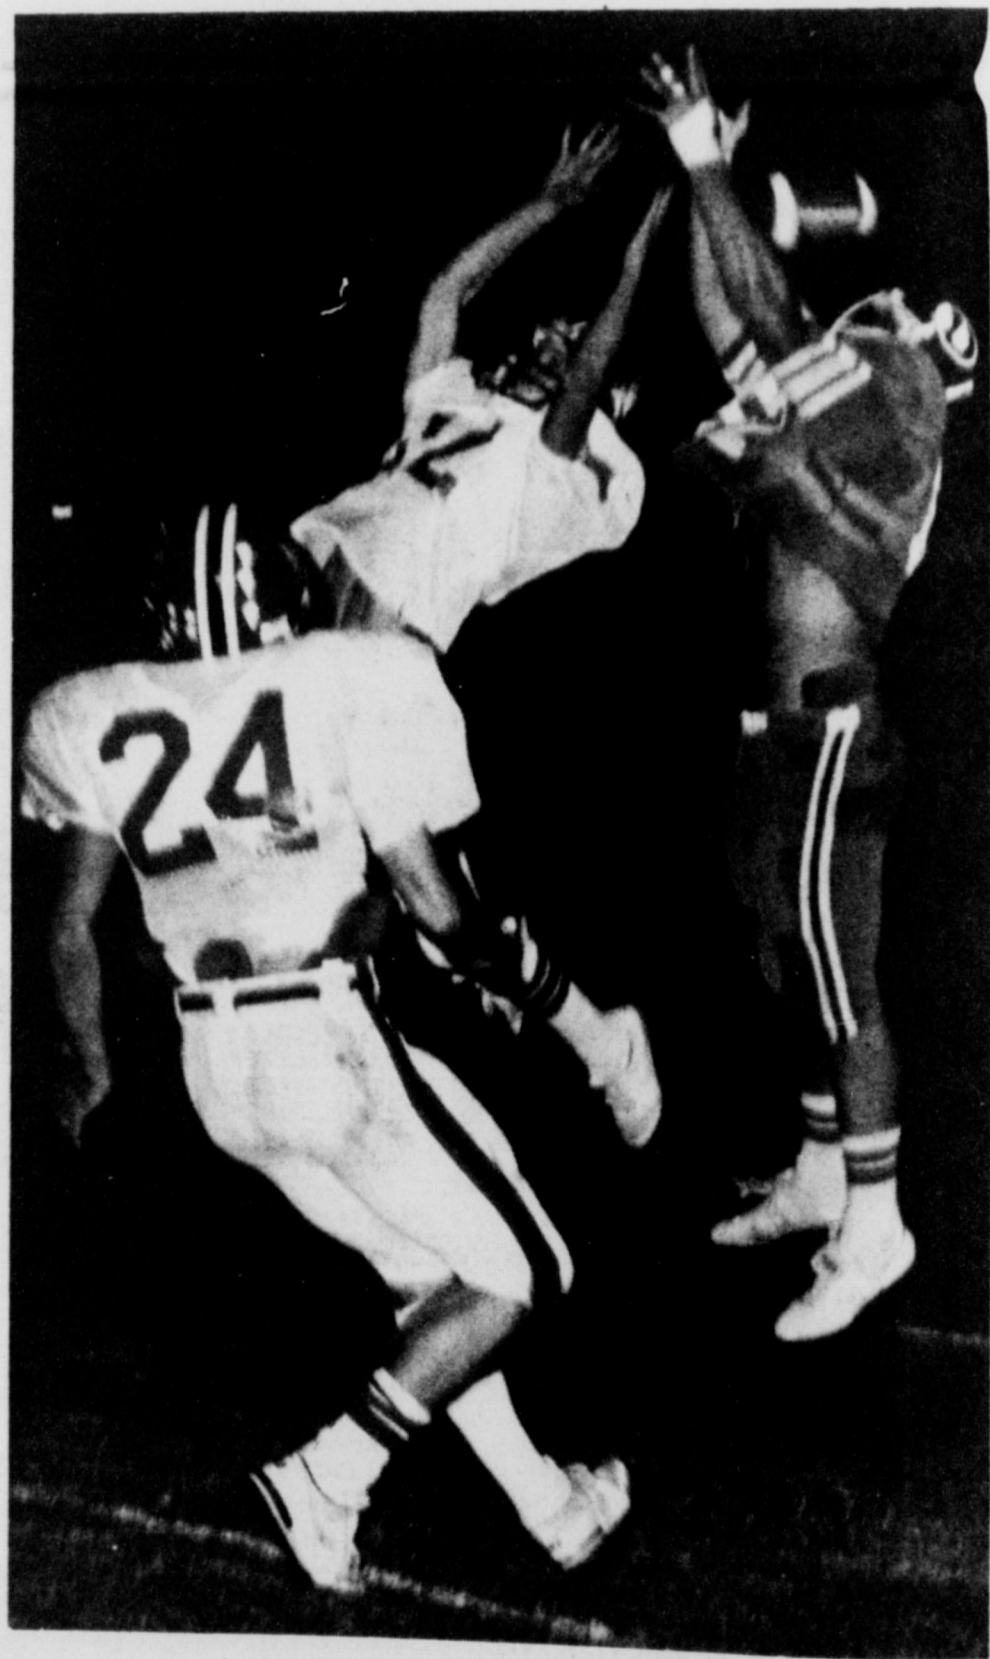

Iowa Park got the ball back three plays later, when Decatur attempted a pass deep in Hawk territory. But the receiver was covered by Ray Sefcik and Davis, with Sefcik knocking the ball high into the air and Davis catching it on the 25.

The second quarter was played mostly in the middle of the field, with Iowa Park punting three times and Decatur twice, ending the half with a 41-yard field goal attempt on the final play.

The Eagles would have been at least eight yards closer on their field goal try had it not been for Scott Young sacking the Decatur quarterback on the previous play.

It was a frustrating night for the Hawk offense. The backs were held to only 86 net yards rushing, the first time this season they had not gained 200 or more.

Obituaries

Robert F. Green

Services for Robert F. Green, 77, were held Saturday afternoon at Tanner-Aulds Funeral Home with Rev. Ken Cole, pastor of Faith Baptist Church, officiating. Burial was in Highland Cemetery.

Green was born Sept. 23, 1907, at Bridgeport. He and Beatrice Mile were married Sept. 23, 1933 at Wichita Falls, and have lived in the Iowa Park area since 1934. He was a farmer and welder and a member of the Faith Baptist Church.

Survivors include his wife; a son, Willis of Arlington; two daughters, Loveta Mae Estes of Fort Worth and Dorene Williams of Irving; a brother, James Green of New York; and five grandchildren.

Pallbearers were James Richter, Roy Johnson, Pat Pruet, Doyle Estes, Lynn Williams, and Marvin Richter.

Leta Fern Ledbetter

Services for Leta Fern Ledbetter, 44, of Wichita Falls, were Sunday afternoon at Hatton Road Baptist Church with Rev. Simon F. Stringer, pastor, officiating. Burial was in Holliday Cemetery.

She was born Dec. 10, 1939, in Wichita Falls. She was a registered nurse and a member of the Hatton

Road Baptist Church. She was a graduate of Holliday High School and Wichita General Hospital School of Nursing.

Survivors include her father, Paul King of Holliday; and two brothers, Don King of Groom, and Paul G. King of Midland.

William K. Combs

Memorial services for William K. Combs, 90, of Iowa Park will be held in Lansing, Mich., on a date to be announced by his family. He died Oct. 18 at Heritage Manor.

Combs was born July 29, 1894 in Hot Springs, Ark. He was a retired machinist.

Survivors include one son, Joseph Combs of Ft. Lucey, Fla.; two step-sons, Chester Wright and Wayne Wright, both of Lansing; a step-daughter, Lorraine Otto of Iowa Park; two grandchildren, and nine step-grandchildren.

Paul William Goetze

Services for Paul William Goetze, 66, a lifelong resident of Iowa Park, were held Oct. 13 at Tanner-Aulds Funeral Home with Rev. Ernest Hingst, pastor of

Trinity Lutheran Church of Clara, officiating. Burial was at Highland Cemetery.

Goetze died Oct. 12 in a Temple, Tex., hospital.

He was born Aug. 24, 1918, in Iowa Park. He was a farmer and a Lutheran.

Survivors include five brothers and three sisters.

Pallbearers were Larry Goetze, Tim Goetze, Jim Goetze, Donald Schappa, Douglas Schappa, and Daniel Glass.

CARD OF THANKS

We would like to thank our friends and neighbors for their support and thoughtfulness during our father's illness and death. We would like to extend a special thank you to the LVNs, Mrs. Stubbs, Mrs. Blair and Mrs. Brown and to all of their aides at the Heritage Manor for their extreme concern in making dad's last days as comfortable as possible, and for their kindness and consideration to the family.

Lorraine and Norman Otto

Monday, October 29

Breakfast: Cinnamon roll, milk, fruit.

Lunch: Tacos, salad, corn, cobbler, milk.

Snack Bar: Hamburgers, nachos, French fries, drinks.

Tuesday, October 30

Breakfast: Frosted flakes, milk, juice.

Lunch: Turkey and dumplings, creamed potatoes, green beans, hot rolls, honey, milk.

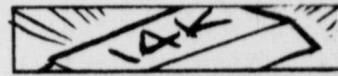

Snack Bar: Hamburger, French fries, cheese sandwich, drinks.

Wednesday, October 31

Breakfast: Cinnamon rolls, milk, juice.

Lunch: Hot dogs, chili, French fries, cookies, milk, corn.

Snack Bar: Hamburgers, French fries, nachos, drinks.

Gold can be beaten so thin that a gram will cover 56 square inches.

Letter to the Editor

Dear Mr. Hamilton:

On November 6, 1984, the voters of Texas will be asked to approve a constitutional amendment, PROPOSITION 2, which is of great importance to Midwestern State University and to all of higher education in our state.

The ballot language reads as follows: "FOR OR AGAINST

"The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

Proposition 2 establishes a new constitutionally dedicated fund for all institutions outside the University of Texas and Texas A&M Systems. At the same time, it broadens participation in the bonding program of the Permanent University Fund (PUF) to include all UT and A&M units.

With its passage, ALL public

senior colleges and universities will have dedicated funding to meet urgent needs for construction, repair and rehabilitation of existing facilities, and purchase of equipment, library books and materials.

This constitutional amendment provides the classrooms, libraries, laboratories, and educational equipment so vital to Texas students and our future.

It has widespread support from faculty members, administrators, students and others in higher education, as well as from both political parties and many officials. The governing boards of all public universities have endorsed it.

As President of Midwestern State University, I believe it is essential that all alumni and friends of Midwestern State University understand the significance of this proposition.

Please consider its importance when you cast your ballot on November 6.

Sincerely,
Louis J. Rodriguez

Let's talk.
Information about your changing telephone service from Dan Adams, Manager-Community Relations

Making your bill easier to read
If you're like most folks, you've probably noticed there are more pages in your phone bill since the split-up of the Bell System. That's because your bill now includes charges for several separate companies instead of just one like last year. Right now, the bill you receive from Southwestern Bell Telephone includes our charges for local service and long distance within your service area. It may also include long distance charges from AT&T Communications and charges from AT&T Information Systems (for leased equipment). Calls you place through other long distance companies may also be billed through Southwestern Bell Telephone if those companies choose to use our billing service. That makes it easier for you because you get one bill, and you write one check.

Solving the customer confusion
Still, this breakdown of charges by each individual company has caused some confusion. We know that, and we're doing our best to simplify your bill to reflect what you want. Your bill first started getting a new look in January. At that time, we had numerous billing changes necessary to simply accomplish divestiture. Starting in February, the company began conducting interviews with customers to find out what short-term changes and long-term changes were needed.

We've put your changes into place
Some of the changes you wanted and we adopted are:
* revising the bill summary page to include adjustments and charges for each company whose fees are included on the bill;
* removing "unpaid from last bill" from the summary page if the last bill was paid in-full;
* numbering pages consecutively to help you reassemble your bill after studying it; as well as others.

Further changes to simplify the bills will be put into place in the coming months.

Would you like more information about the changes on your bill? Call the Tele-Help toll-free number, Monday through Friday from 8 a.m. - 8 p.m. — 1/800-325-2686 (please ask for "extension 84") and request the Tele-Help Booklet No. 2 ("A Guide to Your Phone Bill"). If you'd like the booklet in Spanish, please write: Southwestern Bell Telephone, Tele-Help; P.O. Box 225265; Dallas, TX 75215.

For your information, to date, we've distributed more than 700,000 Tele-Help booklets in Texas in an effort to clear up any confusion regarding our business after divestiture. We're pleased to help our customers get the answers they need.

As always, if you have any comments, I'd like to hear from you.

Junior Hawks sweep Vernon

The Junior High Hawks handed Vernon a pair of defeats in games played here Tuesday.

Chad Patterson opened the scoring for the seventh graders on a 53 yard run. Jimmy Nicholson added two touchdowns on runs of 19 and 29 yards. Marc Cruz also had a touchdown run of 16 yards. The final score was 26-16 in favor of the Hawks. According to the coaches the whole defensive team played a strong game against Vernon.

The eighth grade Hawks, led by a stingy defense, held on to defeat Vernon 8-0.

The Hawks score came on a 20 yard run by Shannon Pearson. Gary Tatum scored the extra points. Pearson and Tatum had totals of 58 and 51 yards rushing. Will McCarthy rushed for a

JV shuts out Decatur, 26-0

The Hawk junior varsity remains undefeated and unscored on by district opponents going into tonight's game at Vernon.

After beating Bowie 13-0 in the first conference game, the JV last week shut out Decatur 26-0.

The freshmen are 1-1 in loop play after losing last week to Decatur, 6-14. They swamped Bowie 38-8 in the opener.

VALLEY VIEW 4-H CLUB HAS TOP SECRETARY

Christy Cravens, daughter of Mr. and Mrs. Ronny Cravens won "Top Club Secretary" of the year for Wichita County at the 4-H Achievement Banquet held Oct. 13th.

Christy is a six-year member of the Valley View 4-H Club. She has served as treasurer, vice-president, president, council delegate and is now serving her second year as club secretary. In addition, she has been on County Council four years, presently serving as council secretary and past District Council Delegate. She has also served on many local, county and district committees.

Christy has been very active in 4-H having had projects in foods and nutrition, sewing, turkeys, chickens, rabbits, horse, leadership, beef judging and as her main project raising lambs.

MUSIC PROGRAM OF KIDWELLBRADFORD ELEMENTARIES

The people of Iowa Park are very proud of and enjoy the wonderful talent of the junior high and high school bands and choirs. The school is very pleased to have such a fine music program available for the students in Iowa Park, and we are always well represented by these students. However, many people may not realize that these junior high and high school students must first receive a good background in music at the elementary level so that they will be ready to use their talents and develop them when they reach the secondary schools. Following is some information about the music program at the elementary level.

Mrs. Larry (Nancy) Thompson is the music teacher at Kidwell Elementary School. She graduated from Nimitz High School in Irving, Texas, in 1974. Mrs. Thompson then attended West Texas State University for three years, moved to Wichita Falls, and completed her education at Midwestern State University where she received a Bachelor's degree in Music Education in 1980. She and her husband are members of the First Baptist Church of Iowa Park, where she teaches the 1-3 Grade Children's Choir. The Thompsons have one son, Andy.

Mrs. Thompson briefly describes the goals of her music program at Kidwell as follows:

Kindergarten: to basically increase each child's skill, sensitivity, and imagination with the art of music; to provide opportunities of singing, playing, creative movement, and simple composing.

First Grade: includes recognizing and naming basic instruments in the orchestra, developing listening skills,

reading notation, continuing activities begun in kindergarten, and later on being tested on listening skills and music theory.

Second Grade: involves more detailed music theory, and includes developing singing voice and listening skills. By the end of second grade the students should be able to read music notation and simple rhythm patterns.

Students in grades K-2 will be performing for PTA meetings at different times throughout the school year.

Mrs. John (Karen) Lamberth teaches music for 3-5th grades at Bradford Elementary School. She is a native Wichitan, and a graduate of Hirschi High School and Midwestern State University. Mrs. Lamberth has had varied experience working with children. She directed music at the Southside Girls' Club for two years and has been the children's choir director at Floral Heights United Methodist Church for 2 1/2 years.

The goal Mrs. Lamberth has set for the children at Bradford is to teach them the basics of music and give them an appreciation of the art. The children who do have musical talents are encouraged to use them, and are taught the facets in which they can

use those talents. Those who are less interested in performance are taught to be good listeners by learning what to listen for in good music.

A new music room is being built at the Bradford campus, and should be completed in the near future (hopefully before Christmas). This will be a big improvement in the facilities, and the students are really looking forward to having this new room for their music classes.

Some exciting PTA programs are planned for the months of November and December. The 4th grade will be featured in a patriotic program entitled "I'm Proud to be an American," premiering on November 6. The December program, entitled "What Is Christmas?" will be presented by the 5th grade. Third graders will perform later in the school year. All parents and interested members of the community are encouraged to attend these programs.

When students enter junior high, they have had a well-rounded background in music. Many of our students then choose to participate in the band and/or choir programs available where they can enjoy many years of developing their musical talents and their appreciation of the art.

Big Red back on track; shut out Nocona

Holliday's Eagles returned from an uncharacteristic winning drought last Friday night as the Big Red and a periodic rainstorm washed the Nocona Indian's into the cellar 55-0.

After losing the last four games prior to the Indian game, three of those which counted in the District 9-AA record book, Holliday man-handled the winless Nocona club

from every conceivable angle on the playing field. In the process, the Eagles utilized the talents of the entire squad, not that there was any other choice. Joining John Smyers on the sidelines due to injuries were starters Kelly Coats and Danny Hinsley.

Head coach Don Lucy decided to start senior sparkplug Lyle Jeffcoat

at halfback, but the Eagle player enjoyed a better day on the special teams, running the initial kickoff back 37 yards to set up Holliday's first score of the game, and later returning a punt 55 yards for a touchdown.

Another player thrust from the backup role to starter was Bill Cook, who scored a touchdown from his starting spot on defense and ran a wingback reverse 62 yards for another score to aid the Eagles' cause.

Meanwhile, the Stonewall Defense performed at its best, forcing six turnovers and holding the Indians to just 76 yards total offense, including only three first downs for Nocona.

THE GAME

Jeffcoat's kickoff return of 37 yards to Holliday's 41 set up the Big Red's first touchdown drive of the night, this one taking nine plays on runs by Larry Krob and Jeffcoat. Krob finished the evening with 82 yards on nine carries, and two touchdowns. His first scoring rush came on the first drive, taking 13 steps. Of the nine plays, the spirited fullback ran six times for 40 yards, while Jeffcoat ran three times for 20 yards. Kelly Carver added the point after kick to give Holliday a 7-0 lead four and one-half minutes into the contest.

Nocona could muster only one first down following the ensuing kickoff, aided by a 17-yard interference penalty called on the Eagles. However, Cook snatched an Indian aerial on the third play, returning it 40 yards untouched into the end zone. The point after kick was wide, but the Big Red led 13-0, less than half a minute since its first score.

Nocona handled the kickoff at its 28, and drove for one first down once again before Les Dolberry snatched another Nocona aerial. Three plays later, Cook struck once again, this time blazing 62 yards around end for another Holliday score. Carver made

the point after kick to extend the lead to 20-0, finishing the scoring for the first period.

Holliday struck once again before halftime intermission, this time on a 13-yard pass from Ronnie Fellhauer, and Carver's kick gave the Big Red a 27-0 cushion going into the third period.

In the second half, Holliday busted loose for 21 more points, starting with Jeffcoat's excellent punt return of 55 yards for a touchdown. Carver made the point after kick to build a 34-0 Eagle lead.

Krob responded with his second touchdown run of the night, this one for 27 yards, and Carver's kick made it 41-0. Tim O'Brien, seeing plenty of playing time along with Jeffcoat at halfback, scored a touchdown himself, this one for 15 yards. Carver kicked the point after attempt through the uprights to build the lead to 48-0 Holliday.

Garner Mahan added his own touchdown late in the fourth period on a 47-yard blast, and Carver's kick froze the scoreboard at 55-0.

The win gives Holliday a 3-4 season record, 1-3 in District 9-AA. Nocona falls to 0-7 for the season, 0-4 in district play.

Holliday News

Eagles face Jacksboro at home tomorrow

Holliday's Eagles, fresh from a 55-0 pounding over District 9-AA foe Nocona, now sets its sights on another conference opponent in the Jacksboro Tigers tomorrow night at 8 in Eagle Stadium.

And, judging by games played thus far by both teams, tomorrow's matchup appears to be as even as any past Eagle-Tiger game. Holliday holds the edge in wins, with a season record of 3-4, 1-3 in District 9-AA play. Jacksboro, returning nine starters and 12 lettermen from a dismal 3-7 performance in '83, is currently 2-5, 1-3 in district.

The two teams have played two similar teams, Henrietta and Nocona, with the same results, 1-1. While the Big Red was humbled 15-20 against the Bearcats, the Tigers played Henrietta a little closer, finally losing 22-24. On the other hand, the Eagles' 55-0 win over the Indians was a wider margin than the Tigers could manage, with that game ending 30-7 in favor of Jacksboro.

Sporting a new coach in Gene

Griffin, the Tigers count on speed and strength to counter a lack of depth and size, according to the new mentor, and fullback-linebacker John Matlock and quarterback Glenn Fox are counted on heavily to produce results for the Purple and White.

At the start of the season, Jacksboro went 0-2 to Bowie and Bridgeport before turning in its best performance of the year in downing Decatur 9-7, a week before starting conference play. The loss to Henrietta and win over Nocona has been preceded by a 0-31 loss to Olney and a 6-7 heartbreaking loss to Petrolia, which, by the way, was the Tigers' homecoming weekend.

Entering Eagle Stadium tomorrow night with the bad taste of defeat still on their tastebuds, Jacksboro will more than likely be looking for redemption, hoping the Big Red will be no less than formidable victims.

However, looking to bring the district record closer to the .500 point and salvage a disappointing season, the Eagles will be more than likely just the opposite.

Honor rolls released

Honor rolls for the first six week period of the 1984-85 school year at Holliday Middle School and High School were released by their respective principals, Jake Cottrell and Bill Lee.

Students earning mention on the "AA" roll averaged 90 or above in each course taken, while those making the "A" roll averaged 90 or above in all classes combined.

They are -

12th GRADE AA: Rebecca Cullers, Cheryl Lowder, Sheryl McMaster, Gayle Peters. **A:** Buffie Broyles, Bill Cook, Ronnie Fellhauer, Lana Hutson, Dee Moer, Tammy Stevens, Terry Varnell.

11th GRADE AA: Laura Bills, Lad Cole, Doug Gandy, Jeff McReynolds, Robert Parkey, Rhonda Rasmussen. **A:** Kathy Davis, Michele Rippin, Kim Wylie.

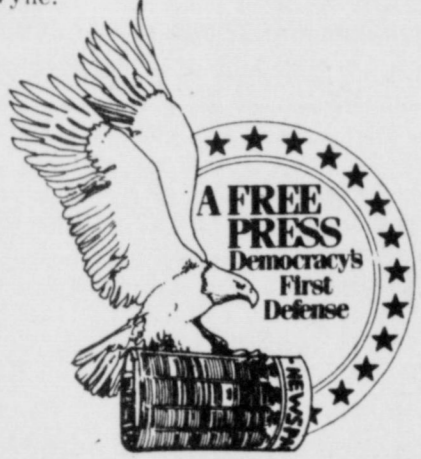

10th GRADE AA: Chuck Bearden, Darren Carlton, Davig Corbin, Stephanie Fleming, Amy Goodlett, Jason Loftis, Laurie Mankins, C.R. O'Brien. **A:** Lee Ann Canafax, Lisa Lowe, Amanda Parnell.

NINTH GRADE AA: Seretha Fennell, Jenny Ingram, Norelia Reed. **A:** Klonie Berend, Shannon O'Brien, Sandra Santellana.

EIGHTH GRADE AA: Pam Bailey, Tammy Beaves, Mary Jane Billingsley, Christy Edwards, Beth Moldenhauer, Laurie Styles. **A:** LaVonda Allred, Scott Beleher, Scott Chandler, Shonda Croxton, Melissa Favor, Kim Foster, Leslie Goodlett, Kerri Hux, Keri Lilley, LaShana Luke, Katha McAllister, Karen McReynolds, Ronnie Molina, Kathy Rathman, Michael Richards, Kelly Rippin, Mollie Salkowski, Chad Stubblefield, Kelly Wilkinson.

SEVENTH GRADE A: Penny Bailey, LeAnn Cannedy, Carla Carr, Shondra Conyca, Angie Dodson, Jody Echols, Johnny Hancock, Rickey Hogue, Brad Holmes, Ryan Menasco, Teresa Noll, Brian Roland, Jennifer Schenk, Julie Scholl, Kim Whitsitt, Renee Wilson.

SIXTH GRADE AA: Nicki White. **A:** Scott Anderson, Mandy Bird, Stephanie Crumpton, Sean Fennell, Greg Lofland, Stephanie Plowe, Lorel Wilhelm.
