NOTE—Dividend periods, March 1st and Sept. 1. Annually.

The following resolution was offered by Rev. J. T. L. Annis and unanimously adopted July 4th, by the conference of the M. E. church south, recently convened at Cisco. The papers of the Abilene district were respectfully requested to publish the same:

Whereas, This is a day made famous as the birthday of the greatest republic now among nations. And whereas, our holy religion enjoins on us loyalty to the government in which we live, and whereas, hundreds of good and loyal citizens are joining in its celebration. Be it resolved by this district conference, that we wish to be known as a body rejoicing in our national liberty and prosperity, and pray God that as we grow in age we as a people may grow in Godliness and that the institution so long held sacred by our fathers and ourselves may be handed down to posterity undefiled, and that we pray for our national fathers that they may be God-fearing and God-serving in fact as well as in form.

## A NEW COUNTY.

There is to be a picnic at Pioneer, Wednesday, August 13, 1890. The adjoining portions of Brown, Eastland and Callahan Counties, have been invited to make it a success.

The object is to have the subject of a new county discussed pro and con. It is advisable to ask the Legislature to create a new County out of the above named counties.

This week we publish a call for a meeting at Pioneer on the 13th of August to take steps to form a new county out of a portion of Callahan and surrounding counties. Whether the people of Callahan County will oppose the measure or not we do not know, but if they do not cut off too much of Callahan county we believe they should have a new county in the territory designated if they desire it. We only express our own convictions close upon the question and for aught we know every man in the county may take the opposite view of the matter.

The Rev. Geo. H. Thayer, of Bourbon, Ind., says: "Both myself and wife owe our lives to Shiloh's Consumption cure. Sold by R. Phillips."

## PROCLAMATION BY THE GOVERNOR OF THE STATE OF TEXAS.

D. 1883, and for the erection of public buildings, street, sewers, water works and other permanent improvements, not to exceed twenty-five cents on the one hundred dollars valuation in any one year, and except as in this Constitution otherwise provided; and the Legislature may also authorize an additional annual ad valorem tax to be levied and collected for the further maintenance of the public roads: *Provided*, That a majority of

our exchanges: Belle Plaine is situated six miles south of Ard, which has been closed for the twelve months owing to financial difficulties. Has been purchased by one holding claim against it. I. M. Onis has leased the mill and will reopen same Sept. 17th. The people of Callahan county have spent thousands of dollars on this College, but it was embarrassed with debt, which finally resulted in the College being closed to the public last year much to the regret not only of the people of this county, but the entire west. Any mention you make of the reopening of this College, will be duly appreciated by THE STAR and cheerfully reciprocated whenever opportunity offers.

**BROKEN OUT!**

How often do we see this on the faces of children and, alas, of people who otherwise are healthy? What causes it? Bad blood. The thought is terrible; the trouble is worse. No ordinary help can remove it. It requires something unusual. Do not take cheap sarsaparillas or blood purifiers. You must have something that has proven its power in both Europe and America. General Wheatcroft Nelson, of London, says: "My experience in the English army, as well as in America, convinces me that nothing so thoroughly purifies the blood, or adds to the health, vigor and life, as Dr. Acker's English Blood Elixir." This grand Elixir is sold by druggists in all parts of America. It is a good, pure, honest medicine. Try it to-day.

**LOCAL.**

Mr. and Mrs. McDowell of Big Springs are visiting Mr. and Mrs. P. L. Callahan.

We are indebted to Maj. Richardson for a catalogue of Baylor University.

Rev. D. W. Matthews of Cottonwood preached at the Baptist church Tuesday night.

THE STAR sanctum was enlivened Tuesday by the presence of our esteemed friend Mr. J. N. Alvord.

Dr. R. G. Powell went out to Teumseh Monday.

Drs. J. D. Windham and D. M. Rumph of Teumseh were in town Monday.

Justice Kane's court was in session Monday.

The T & P ran a special to the Clyde barbecue last Saturday.

Mr. and Mrs. M. M. Terry were in town Saturday.

Mr. and Mrs. A. H. Henry and daughters, Misses Fannie and Emma, of Kaufman county, are visiting Mr. and Mrs. J. N. Rushing.

W. H. Nessmith was in town yesterday.

J. H. Surles candidate for county treasurer, stopped over in Baird last Saturday night.

John Mathews left with his steam thrasher Monday going out towards Abilene.

J. W. Tatum of Belle Plaine made THE STAR a pleasant call Tuesday.

W. Q. Cross of Cottonwood was in town Tuesday and made THE STAR a pleasant call. He says crops, especially cotton was never better.

Mr. Mrs. J. L. Windham came in Monday, from Teumseh and returned to Big Springs on the evening train.

Squire J. F. Barton and his little daughter, Miss Owllet were in town trading Monday.

**Dentistry.**

Dr. T. J. Avirett from Dallas will be here all of next week, any one wanting first class work done in the line of Dentistry will find it at their interest to call on him at City Hotel. All diseases of the mouth and teeth, such as abscesses, sore and bleeding gums, neuralgia of the teeth and face. Will guarantee sets of teeth to fit, filling cleaning and extracting.

Miss Willie Gillespie went to Dallas last Thursday to spend a month with her relatives. She will return about September 1st.

John Oliver the "jolly blacksmith" of Teumseh was in town Monday.

Rev. A. S. Carver, of Glenrose, Tex., will preach at the Presbyterian church next Sunday at 11 o'clock. The public is cordially invited. See the county Fair ad.

Judge B. R. Webb has a eleven-pound boy at his house, arrived last Saturday. The Judge says the first utterance of the young lawyer was to hulloo hurrah for Jim Hogg. Now the Judge is a lawyer and an enthusiastic Hogg man, so the latter part of the above narrative must be taken cum grano salis.

See Geo. B. Eley's ad.

Uncle John Collins and wife, old and esteemed citizens of this county, left yesterday for Alton, Mo., where they will reside in the future.

Mr. and Mrs. Craig of Marshall Texas came in last Saturday on a visit to Mrs. Craig's father L. Gould. They returned home Mouday.

Read bank report.

J. R. Jones announcement for commissioner of the Putman Precinct will be found in the regular column. We are not personally acquainted with Mr. Jones but his friend, Mr. Clements who handed in his announcement, informs us that his friends and neighbors brought him out, and that it is a case of the office seeking the man, and not the man the office. This is a good recommendation and one that commends itself to the public.

A fact worth knowing is that blood diseases which all other medicines fail to cure yield slowly but surely to the blood cleansing properties of P. P. P. (Prickly Ash, Poke Root and Potassium).

Many letters are received by the P. P. P. Co. from patients, saying they had used such and such a blood purifier and sarsaparillas, mentioning their names and stating they did no good, and they did not get well until P. P. P. (Prickly Ash, Poke Root and Potassium) was tried. These letters we started to publish, when the various manufacturers wrote us fearful letters, and we discontinued same, but P. P. P. (Prickly Ash, Poke Root and Potassium) is triumphant on every occasion, and has made a host of friends in cures of Syphilis, Rheumatism, Scrofula, Blood Poison, Dyspepsia, Malaria and Female Complaints.

People wonder when they find how rapidly health is restored by taking P. P. P. (Prickly Ash, Poke Root and Potassium). The reason is simple as it is a powerful combination of the roots and herbs of the home woods. 34 Sold by Baird Drug Co.

A great many Bairdites went up to the barbecue at Clyde last Saturday. We regret that we could not be present owing to a press of job work on hand and no one to do it but ourselves. The barbecue was pronounced a success by all who were so fortunate as to be present.

The Baird kid nine did the Abilene kids up brown at the Clyde barbecue last Saturday. Jack Hoffman lead the Baird boys and Joe Rushing the Abilene kids. The score stood 19 for Baird to 13 for Abilene. The Baird kids feel considerable elated over the game as this is their second victory. They wiped up the Cisco boys a few weeks ago. The following is a list of the Baird kids.

Jack Hoffman, c; Walter Robertson, p; Geo. Roberts, 1 b; Mart Pace, 2 b; Cary Hinds, 3 b; Clint Pace, s; Tom Fraser, r; Jim Stone, c; Geo. Dean, 1 f.

**NOTICE TO LUMBER BUYERS.**

Do the people of Callahan county prefer lumber at reasonable prices all the time? Or do they prefer to buy it at less than its value for a short time, after which they will have to pay the highest prices, as has been proven in Baird in the past? We would remind the people that it is all with them, and if there is only one yard at Baird it will be because we are not sustained in trying to sell lumber at Baird as cheap as sold in other towns. We are determined to make an honest effort to sell lumber at the very lowest price possible without actual loss, and we appeal to all fair minded men to co-operate with us, otherwise our efforts will be in vain.

Very Respectfully,
