Council sharpens axe to trim away deficit

City aldermen figure they found ways to cut a deficit over \$200,000 by about half, when they got their first look at projected needs and costs for 1989-90 at a work session Monday night.

After taking a preliminary look at the projected costs and discussing several minor ways of cutting costs, Alderman Bud Mercer commented, "I don't see where we're going to find \$200,000 (to cut)."

Administrator James Barrington responded, "We couldn't either."

But near the end of the two-hour session, aldermen proposed Barrington to figure the budget after cutting purchase of a new pickup, eliminating some \$75,000 worth of paving, reducing the police department's budget by lowering salary increases and one staff position, and greater cuts in

expenses. Mayor Tim Hunter said he did not want to completely eliminate the new paving program next year, but pointed out approximately \$75,000 was taken from the general fund to pay for this summer's projects.

For the past few years, the council has adhered to a policy of using all sales tax receipts for street work. The excess spent this year was that much above sales tax receipts.

The pickup proposed to be replaced in the budget is an eight-year-old vehicle used by the animal control officer.

While no specific cuts were detailed for the police department salary increases that were proposed, Chief Alan Sheffield had explained he wanted a starting salary of \$1,300 monthly for officers.

Aldermen were told increasing the salaries was the only way officers could be retained after gaining experience and training here, because larger cities were paying so much more than Iowa Park.

The proposed budget called for expenditures of \$215,000 more than expected revenues for the general fund and \$2,000 for the water and sewer fund.

Though the city expects to have a carryover of about \$200,000, Barrington explained that much is needed to fund operations until most property owners begin paying their taxes.

Included in the proposed budget is a six-percent blanket salary increase for all employees, Barrington said.

Two new positions are proposed next year. One is a drug investigator for the police department and the other is an additional employee at the water treatment plant which, Barrington explained, should generate more revenue than he would cost.

One of the major cost increases in the budget is for workers' compensation insurance, Barrington said that would increase about \$10,000.

Prior to presentation of the proposed budget, department heads had already done considerable cutting.

According to a printout given aldermen, capital outlay and line items for the public works department had been cut from \$278,200 to \$107,300, and \$113,000 to \$54,000 in capital outlay and line items for public utilities.

The revamped budget, after cuts suggested by the council, will not be taken up Monday night, but rather at another budget session that has not yet been slated.

Firemen's street dance on tap Saturday night

There's more than dancing on tap Saturday night, when the Iowa Park Volunteer Fire Department puts on its 11th annual street dance in the 100 block of West Cash.

"We've got at least six dignitaries who will allow donors to throw pies in their faces," stated Donald Jones, spokesman for the firemen.

The firemen will have pies ready and hands extended for donations to do the deeds.

Among those who have consent-

ed to the fund-raising activity are Alan Sheffield, chief of police; Allen Shewmake, city and school tax collector; James Barrington, city administrator; Claude Morrow, deputy county sheriff; Ray Smock, investigator for the police department, and Bob Hamilton, Leader publisher.

The Straight Shooter Band will begin playing dance music at 8 p.m., and concession stands will be open throughout the evening.

The street dance is the firemen's major fund-raising project each year.

News Briefs

New students to register

Registration of all school pupils who are not pre-registered will take place next week, according to school administrators.

Students who attended schools here last year are pre-registered.

Registration will be during the hours of 8 a.m. to 12-noon and 1-4 p.m. Monday through Wednesday at the high school, for students who

will be in the ninth through 12th grades.

New elementary and junior high pupils will register from 9-11 a.m. and 1-3 p.m.

Kidwell Elementary teaches kindergarten through second grade. Third through fifth grades are taught at Bradford Elementary. Sixth through eighth grades are taught at the junior high school.

Rainfall, temps coffee talk

Showers and low temperatures have been the topics of discussions at the coffee shops during the past week.

Two showers, Wednesday and Monday, produced a total measurement of 1.25, according to Virgil Woodfin.

He said his gauge captured .53 Wednesday, and the early-morning shower Sunday produced .72 of an inch.

Some areas to the west, around

Kamay and Lake Diversion, received about three inches Sunday.

Setting off Sunday's showers was a cold front that dropped temperatures unseasonably low.

Daytime temperatures failed to exceed 90 degrees, whereas 100-plus is normal around here.

And the low temperatures Tuesday and Wednesday reached record-setting 58 degrees.

USDA commodities to be here Aug. 17

Commodities provided by the USDA will be distributed between 12-noon and 6 p.m. Thursday, Aug. 17, at the First Christian Church, according to Marian Andersen, coordinator.

Foods to be distributed include butter, canned beans, powdered eggs, peanut butter and honey.

Police investigating thefts, vandalism

Police are investigating four reports filed during the past week of thefts and three cases of criminal mischief, according to the police blotter.

Three arrests were made during the past week, and one apparent stolen property recovered.

A resident in the 500 block of West Coleman told police Wednesday of last week someone had gone into his garage and taken a set of golf clubs, bag and pull cart, valued at \$250.

Two bicycles were reported as stolen during the period. The first was a child's bicycle from the 600 block of North Wall, and the other from the 200 block of North Bell.

Two of the criminal mischief reports involved slashed tires. The first was reported Monday, when the owner of a vehicle said one tire had been slashed while parked in the 700 block of West Coleman. The other, reported Tuesday, was two tires cut while the vehicle was parked at Woodbriar Apartments.

The vehicle at the apartment was also damaged when a can of paint was poured over it.

A vehicle parked Wednesday night in the 300 block of East Aldine had its paint scratched.

Police last Wednesday arrested Carroll Louis "Champ" Sosebee, 40, in the 3700 block of Old Iowa Park

GETTING READY - Iowa Park football coaches began preparations this week for the 1989 season, with a five-day seminar in the field house. Drawing their Xs and Os on the blackboard are defensive coordinator Dean Kirkpatrick, left, and head coach Len Williams. A story about two-a-day practice plans is on page 9.

No tax rate increase seen by school board

Unless something unexpected develops by Aug. 29, Iowa Park school trustees will adopt a new budget that calls for no increase in the previous year's 81-cent tax rate.

Following a lengthy discussion on the subject during their regularly-scheduled monthly meeting Tuesday, board members agreed to meet on that date to formally adopt the new budget and rate.

Even with the school's obligations to finance the remaining bond payments secured in the bank, new costs had developed to a point that the savings were more than covered, prompting considerable cuts in needs just to retain the 81-cent per \$100 value rate, trustees were told.

Built-in increases were raised in the legislative session from \$118,560 to \$245,600, Supt. Glen Mitchell explained.

State funding is estimated to increase this year by \$148,085, and local funding by \$25,000, for a total revenue increase of \$173,083.

Increased revenues are \$72,517 less than increased costs created by legislation.

Additionally, the district's cost of workers' compensation will jump

more than \$10,000 this year, required medicare costs increase \$7,000, and unemployment compensation also increases, Mitchell explained.

Additionally, health insurance, a fringe benefit for staff, increased \$26,978.

However, even if the district does adopt its budget and tax rate, that does not mean it will hold for the entire year.

Mitchell told the board that the state's court case on the constitutionality of its school finance program could be lost. Should that happen, the state would be required to immediately stop all monthly funding until a new and acceptable system could be developed.

"If that should happen, what little we have in carryover funds would make a big difference," he told the board.

The district will start the new school year with approximately \$1-million carryover. This finances the district's payroll and other costs of operation until local tax and state money start arriving, which is usually not until November.

With the district's taxable value of \$257,652,265, an 81-cent tax rate with 95 percent collection will generate \$2,012,842 in revenue.

"We have cut \$245,787 from the budget, including instructional supplies as well as capital outlay items," the superintendent explained. "But we can live with that."

One reason the board has been especially sensitive to holding the tax rate without an increase is that the school is planning to call for a \$2.75-million bond election later in

the fall.

The bonds will be sought to finance construction of almost 20 classrooms as well as other major work trustees have determined are needed to meet the district's growing enrollment and needs.

But Mitchell cautioned the board that several items have been cut from the new budget which will be needed over the next couple of years, and would certainly be in future budgets.

OTHER BUSINESS

In other business, trustees approved a revised attendance policy for the high school, accepted bids for supplying milk, ice cream, bread and gasoline this year, reviewed the accreditation report from the Texas Education Agency, recognized several students, and a new teacher hired.

The new attendance policy for the high school will be provided, in writing, to all students at the start of the new school year. Among the changes, only seven days absence are allowed the first semester and eight the second.

Successful bidders this year are: Preston Dairies for milk, Oak Farms for ice cream, Rainbo Bakeries for bread, and Ayres Oil for gasoline.

Mitchell said of the TEA visit conducted in December, "I was pleased with the good report we received." He said only three very minor areas received criticism.

Individuals and groups from the band and choir were recognized with framed certificates for having competed on the state level in solo and

Continued on page 4

Council to meet Monday

The city council will consider two bids and act on a proposed resolution which will fund expenses for the cemetery, during a regularly-scheduled meeting at 7 p.m. Monday in council chambers.

One of the bids sought was to sell an old house at Lake Gordon dam which has served as the public works office, and have it removed.

Aldermen have been aiming to clean up the city's property in that area.

The second bid action is for water line work to connect the relocated water tower on Emerald, with the existing transmission system.

That work was intentionally not included in the tower's relocation bid, in expectation of getting it done at a lower price.

Connection with the lines will coincide with completion of the final phase on the tower project, which is painting.

Aldermen will consider a proposal that the city collect voluntary contributions to the operational costs of Highland Cemetery.

A resolution will be acted on, which would add a 10-cent-monthly contribution to the city's utility bills that are mailed to all home and business owners, similar to the successful project that funds purchasing of Christmas decorations.

If approved, citizens will then be able to have the monthly donation cut from their bills, allow them to be continued, or even vary the amount.

Other items on the tentative agenda include:

- * appointment of a lay representative to the North Texas Library System board;
- * an ordinance increasing the public hearing fee for hearings before the Board of Adjustment;
- * a resolution to enter a mutual aid agreement for emergency services with area emergency and disaster relief agencies;
- * schedule a second budget workshop;
- * consider a proposal to light the volleyball courts with funds not provided by the city.

Does your subscription to the Leader expire this month? check the list on page 4.

Brown, Haynes solemnize vows Saturday evening in Wichita Falls

Miss Mindy Michelle Brown, daughter of Mr. and Mrs. Michael Brown of Iowa Park, and Gary Wayne Haynes, son of Mr. and Mrs. Wayn Haynes of Wichita Falls, solemnized their vows Saturday evening at The Mansion in Wichita Falls. Rev. Robert N. Fletcher, uncle of the bride, pastor of Lubbock Church of God, officiated the double-ring ceremony.

Escorted to the altar and given in marriage by her father, the bride chose a white satin gown for her special day. The gown was sheath styled with lace appliques and featured a bodice covered with tiny seed pearls and iridescent sequins. The cut-out neckline was sheer and enhanced with dangling pearls, and the shoulders of the gown, covered in lace appliques, went to fitted sleeves with lace cutouts. The back of the bodice was fashioned with lace cutouts and dangling pearls. A basque waist went to a chapel-length train extending from a large bow at the back. A bridal hat of white satin with lace trim completed Miss Brown's ensemble.

She carried a bridal bouquet of white calla lilies and pearls with silver and peacock accents.

Wendy Trantham of Iowa Park was maid of honor, and wore an iridescent peacock taffeta gown styled with puffed sleeves, a diagonal drop waist and a hi-low hemline. A hairpiece of white silk flowers and trailing pearls complemented her gown. She carried a bouquet formed of three long-stemmed calla lilies with greenery and silver and peacock accents.

Lori Bishop of Oklahoma City, Marcia Proffitt and Lisa Fletcher, cousin of the bride, both of Wichita Falls, were bridesmaids. Each were dressed identical to the maid of honor, and carried a single long-stemmed calla lily with greenery and silver and peacock accents.

The groom was attended by Dan Gomillion of Wichita Falls as best

MRS. GARY WAYNE HAYNES

man; and Al Chapa of Lake Side City, and Joel Proffitt and Pete Parker, both of Wichita Falls, as groomsmen.

Chuck Brown, brother of the bride, and Brent Brown, cousin of the bride, both of Iowa Park, were ushers.

The bride's chosen colors of peacock, silver, white and iridescents governed decorations for the ceremony.

Prior to the ceremony, Robert Fletcher sang "My Only Love." Teresa Ashley offered "Wind Beneath My Wings" for the entrance of the bride. During the ceremony, Marcia Proffitt sang "Through the Eyes of Love."

Following the ceremony, a reception was held at The Mansion, with Becky Lawson, Leslie Shanks, Denise Ward and Teri Hill serving refreshments.

Lou Ann Baugh presided at the registry table.

When the couple left on a honeymoon trip to Red River and Taos, N.M., the new Mrs. Haynes wore a blue and white floral silk sheath dress styled with a double ruffle at the bottom. The couple will make their home in Lake Side City.

The bride was graduated from Iowa Park High School and attends Midwestern State Univ. Haynes was graduated from Wichita Falls High School and attended Midwestern State Univ.

Thursday, Aug. 17
Pepper steak w/sauce over rice, red cabbage slaw, peas, green beans & carrot mix, cornbread, peanut butter cheese.

Attend Church Sunday

Allen, Kenyon wedding vows solemnized here recently

In the presence of family and friends, Miss Carrylyn Sue Allen became the wife of Billy Joe Kenyon July 24 at Tom Burnett Memorial Library. Carl Kent, pastor of Pleasant Valley Baptist Church, officiated the double-ring vows.

The bride is the daughter of Susan Allen of Iowa Park and Howard Allen of Wichita Falls, and the groom-elect is the son of Mr. and Mrs. Bobby Kenyon of Iowa Park.

Miss Allen was radiant in a

formal gown of white satin, with a hand-beaded colliere neckline and a dropped basque bodice encrusted with pearls and iridescents. The long sheer sleeves were enhanced with satin butterflies and Brussels lace appliques. The long, full skirt was edged in scalloped Brussels lace and flowed into a semi-cathedral length train. A headpiece of white silk flowers and pearls secured a floor-length veil, accented with a pouf of net at the back.

A cascade bouquet formed of

white and peach roses, lillies, and stephanotis and teal rosebuds on a background of English ivy completed her ensemble.

She was escorted to the altar and given in marriage by her father.

In keeping with bridal traditions, she wore a slip of hand-made lace, taken from her great-grandmother's wedding dress for "something old." The slip was worn by all of her granddaughters, and Miss Allen is the first great-granddaughter to participate in the tradition. She wore her wedding dress for "something new;" carried a linen and lace handkerchief belonging to her grandmother for "something borrowed;" and the "something blue" garter. She also wore in her shoe a sixpence, and a penny with the birthyear of herself and the groom.

Attending the bride as maid of honor was Amber Tyson of Iowa Park; and Karen Walker of Iowa Park was bridesmaid.

Each of the attendants wore a peach tea-length gown featuring a sheer embroidered yoke, tiered ruffled sleeves and a bow at the back of the waist, and carried a single peach rose, complimented with two teal sweet-heart roses, and accented with baby's breath and peach and white ribbon streamers.

Best man to the groom was Shannon Bernstein of Iowa Park. Brian Allen, brother of the bride, and Brian Wineinger, both of Iowa Park, acted as groomsmen.

Wineinger also assumed ushering duties, and William Allen of Iowa Park, brother of the bride, was candlelighter.

A reception was held following the ceremony at the library.

Frances Flesner presided at the bride's table, which held a single tier Italian cream cake decorated with peach and yellow roses, and the bridal bouquet and two peach rosebuds.

Brenda Trantham secured signatures of the guests.

Following a wedding trip to San Antonio and South Padre Island, the couple are at home in Iowa Park.

Out of town guests for the wedding were David and Leah Hagemann of Alma, Colo.

The bride was graduated from Iowa Park High School, and is employed by the Iowa Park Police Dept. Kenyon is a graduate of Iowa Park High School and attended Vernon Regional Junior College. He is employed by Sunshine Sleep Center.

GARY COLEMAN

Iowa Parkan survives point-blank shooting

Another Iowa Parkan who is a veteran lawman was shot only 12 days before Lt. Tommy Collins, the Leader has learned.

Gary Coleman, son of Arnold Coleman and a 1966 graduate of Iowa Park High School, was shot July 13 while on duty as the lone policeman for the city of Bovina.

He survived. Lt. Collins, a resident of Kamay and officer on the Wichita Falls Police Dept., was shot July 25 while on duty, and died that evening following surgery.

Coleman's father brought to the Leader office last week a July 19 copy of the Bovina Blade that reported the incident.

Bovina is approximately the same size as Holliday, and is located 11 miles from New Mexico on US 60, in the Panhandle.

Contacted Friday by telephone, Coleman said he was to undergo additional surgery Monday, but was able to walk, though unable to work.

His assailant has been indicted by a grand jury on a charge of attempted capital murder.

attempted capital murder.

Following his graduation from high school, Coleman served with the Department of Public Safety until 1972. After a 1974-78 stint in the U.S. Army, he worked seven years as a policeman in Tennessee and then as an officer for the city of Elgin, near Austin.

His wounding was chronicled in the Bovina Blade.

Bovina Police Chief Gary Coleman was shot last Thursday night in front of City Hall on Main Street in Bovina.

Officer Coleman was shot in the face by Travis Gene Lambert, 24, at about 11:30 p.m. Lambert was driving a pickup truck with stolen license plates and was stopped during a routine traffic check.

Lambert was put into the back seat of the police car by Coleman. The back seat of the police car has a security cage, and Lambert was not handcuffed. The officer said he was not arresting the young man at the time, and only meant to talk to him when he was put in the back seat.

Coleman was talking to him through the sliding window between the back and front seats, then turned away. Lambert called to him and when he leaned back into the car, he was shot in the face by a 25-caliber automatic handgun that Lambert had concealed.

Officer Coleman fell backwards after he was shot and Lambert crawled through the window between the seats of the patrol car and out of the driver's side of the car. Coleman managed to draw his gun and shot Lambert in the right leg. After Lambert escaped the police car, he again shot at Officer Coleman several times but missed each time. He then ran into the darkness.

Coleman called for assistance on the police radio, then got into the police car and began driving around looking for Lambert. He then decided to return to City Hall and wait for an ambulance.

Officer Coleman underwent surgery to remove the bullet which entered the lobe of a nostril, went through the roof of his mouth, bounced off his spine and lodged beside the carotid artery in his neck. He came through the surgery real well, but had difficulty in swallowing and had to be fed intravenously in bed. He was released Monday, July 17, from the Clovis High Plains Hospital where he was a patient for four days.

The following area law enforcement agencies were called in to assist the search for Lambert: the Texas Department of Public Safety, the Clovis Police Department, the Curry County Sheriff's Office, the Bailey County Sheriff's Office, the Earth, Texas Police Department, the Friona Police Department, the Texico Marshal and Parmer County Sheriff's Office.

The Clovis Police Department sent one of its canine units with Sgt. Gilbert Holguin to assist in the search.

Lambert was located about 3:15 a.m. on top of the old Isaac's building on Main Street, not far from City Hall and the Police Department building.

Lambert was taken to the doctor the next morning and his wound was clean. There were no broken bones. He is now being held in the Parmer County Jail.

The pickup was searched later and a vial of cocaine, scales to weigh it and also some marijuana were found.

Sheriff Rex Williams expressed his appreciation for the response from the Clovis Police Department and the Curry County Sheriff's Office in assisting. Williams said, "I'll be happy to return the favor anytime."

As I See It... By BOB HAMILTON

If you're not yet thoroughly disgusted with our state's workman's compensation situation, after it was the first bill introduced in the legislature's regular session and didn't get an action, and then the single subject of a special session which ended the same way...I've got more reason.

More than \$20,000 of your city and school tax dollars will be going to that fund this year ... and that's just the increase.

Iowa Park city and school district will "contribute" more than \$110,000 to that stupid fund during the coming fiscal year!

What makes it even worse, in my opinion, is that both entities provide excellent medical insurance coverage for their employees.

As far as I'm concerned, newly-elected state senator Steve Carriker, who supposedly represents this area in the legislature, is a marked man, politically.

Carriker, who supported the senate's effort to keep court trial in the worker's comp format, has attempted to lay all the blame for the bill's failure on the governor.

And Carriker adds his criticism of the governor because a second

special session wasn't called immediately after the other failed. Our legislators are going to mess around with this worker's comp program until Texas loses almost every major employer it has.

AREA OIL & GAS NEWS

The No. 7 McDonald, a 1,900-ft. developmental well, is scheduled to be drilled in the Wichita County Regular Field. Cal Jeter of Wichita Falls is the operator. The well will be spudded in a lease two miles northeast of Holliday in the Denton CSL Survey.

Three 1,999-ft. developmental wells are planned by Singleton Production Company of Iowa Park at drillsites one-half mile southwest of Kamay, Wichita County. The locations are in a lease in the KWVF Survey; 150 feet from the south line and 200 feet from the west line, 150 feet from the south line and 500 feet from the west line, and 200 feet from the east line and 400 feet from the south line, respectively. The wells are designated as the Nos. 1, 2, and 3 Strauss "A". They are in the Wichita County Regular Field.

Villa Petroleum Inc. of Arlington has filed for permit to drill the No. 1 Currie "A", a 900-ft. developmental well in the Wichita County Regular Field. Drillsite is one mile southwest of Iowa Park in the Cowheard Bro. Subdivision Survey, 150 feet from the east line and 150 feet from the north line of the survey.

A re-entry for shallower production is planned by Williams Petroleum Company Inc. of Burk Burnett at a location in the Wichita County Regular Field. Located two miles southeast of Fowlkes, the well is known as the No. 46 Burnett "B". It is in a lease in the H&GN RR Survey A-148. Location is 1,780 feet from the south line and 350 feet from the north line of the survey.

Exmoor Oil & Minerals Inc. of

WORTH QUOTING

The legislature has been wrestling with the worker compensation bill in the special session and while some compromise has been made, the two versions in the senate and the house remain pretty far apart. The latest information we received at the Herald is that about the only real change both groups have agreed upon is to raise the weekly benefits for injured workers.

This would boost it from \$238 a week to \$416.

Thus the handwriting is on the wall. The only change we are likely to see in the worker compensation laws will be a boost in the benefits, a boost in premiums, and a retention of the jury trial feature which is the trial lawyer's bread and butter.

Texas businesses will have to wait some more for relief from sky high worker compensation insurance premiums.

HAROLD HUDSON Perryton Herald

Dallas has revealed plans to drill four 2,000-ft. developmental wells in the Wichita County Regular Field.

The No. 27 S.L.C. Pratt and the No. 53 W.F. Ramming "A" are located six miles north of Iowa Park in the HT&BRR Company #1 Survey, A-124. The Pratt is located 500 feet from the north line and 150 feet from the east line of the survey while the Ramming is 710 feet from the north line and 880 feet from the east line of the survey.

Drillsite for the No. 4 C.N. Prothro is six miles southwest of Burk Burnett in the HT&B RR Company #4 Survey A-474. Location is 920 feet from the north line and 920 feet from the east line of the survey.

The No. 178 Ruyle Unit will be located six miles north of Iowa Park in the SPRR Company #2 Survey A-437, 2,560 feet from the north line and 2,580 feet from the east line.

Trio Operating Company of Wichita Falls has plugged and abandoned an unsuccessful venture in a Hardeman wildcat location, four miles south of Chillicothe. The well probed to a dry bottom at total depth of 8,267 feet. The well was known as the No. 1 HBJV-Lambert.

Goodwin speaks to Lions about cornea transplants

Jim Goodwin of Iowa Park, who has had two penetrating keratoplasty surgeries to correct a rare eye defect, spoke to the Evening Lions Tuesday on cornea transplant. He was introduced by Gordon Callahan.

Goodwin introduced his talk by complimenting the Lions Clubs everywhere for sponsoring the eye bank and helping to provide glasses for people. He said that he had met many ophthalmologists and all had expressed their gratitude to the Lions Clubs who are participating in the project.

Goodwin said he had his first cornea transplant in Houston in 1981. This was on his right eye and it took him four and a half months to recover from it. The surgery on his left eye was performed in Dallas in July of this year, and he is already back at work for Southwestern Bell Telephone Co.

He said he had worn contact lenses since the cornea defect was discovered, but the eye surgeons are

hopeful now that he can be fitted in eye glasses within a very short period to time.

Guests from the Evening Lioness Club were Mrs. C.L. Thompson and Mrs. Lem Tate.

ensemble competition.

The new music teacher for Kidwell Elementary is Nancy Thompson, who holds a degree in music from Midwestern State Univ. and has five years teaching experience, all at Kidwell.

Publicity helped

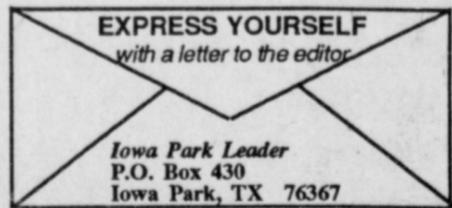

Bob,

I would like to express our gratitude to you for printing the information in the Iowa Park Leader concerning the Food Handler training schools at the Chamber office on Aug. 1, 1989.

The good response to our schools was made possible by you and your staff. It was so good in fact, we are considering holding more classes in Iowa Park in the future.

Special thanks also to the Chamber of Commerce and Susan Dillard who was very helpful and courteous. Once again thank you and I will contact you when we decide on a date for the next class.

Sincerely, Eddie G. White Public Health Inspector II

WHAT THEN???

When all the great plants of our cities have turned out their last finished work, When our merchants have made their last bargain and dismissed the last tired clerk, When our banks have raked in the last dollar and have paid out the last dividend -- When the judge of the earth says "Closed for the night," And asks for the balance -- WHAT THEN?

When the singers have sung their last anthem, When the preacher has prayed his last prayer, When people have heard their last sermon, And the sound has died out on the air, When the Bible is read for the last time, And the last invitation given to men, And each one stands facing his record, And the great book is opened -- WHAT THEN?

When the actor has played his last drama, And the mimic has made his last fun, When the movies have flashed their last picture, And the billboard displayed its last run, When the crowd seeking pleasure has vanished, And gone into darkness again, And the world that rejected its Saviour, I asked for a reason -- WHAT THEN?

When the bugle's last call sinks in silence, And the long marching columns stand still, When the Captain has given his last order, And they've captured the last fort and hill, When the flag they have hauled from the masthead, And the wounded afield have checked in, When the trumpet of ages is sounded, And we stand up before Jesus -- WHAT THEN?

Duncan, Jones vows read in double-ring ceremony Saturday

Miss Gina Lynette Duncan and Jerry Don Jones solemnized their wedding vows Saturday evening at Lamar Baptist Church in Wichita Falls. Rev. Robert Norseworthy, pastor, officiated the double-ring ceremony for the children of Mr. and Mrs. Tom Duncan of Iowa Park and Mr. and Mrs. Don Jones of Wichita Falls.

Prelude selections for the ceremony were provided by Billie Nielson of Wichita Falls, organist. Nielson offered "Through The Eyes of Love" during the seating of the mothers; and played the traditional wedding marches. Pat Holt of Holliday sang "The Wedding Song" after the father of the bride had given her in marriage, and "The Lord's Prayer," after the vows were read. "Wind Beneath My Wings" was also sung during the ceremony.

For her wedding day, Miss Duncan chose an exquisite formal white satin gown featuring a unique scalloped applique design on the skirt and hemline.

The bodice of the gown was fitted and heavily beaded with pearls and iridescent sequins. A sweetheart neckline with scalloped applique edging went to short, puffed off-the-shoulder sleeves enhanced with embroidery inlays, stand-up ruffles and small satin rosettes. The fitted waist flowed into a full skirt enhanced with rows of scalloped appliques drawn up at intervals with satin rosettes. The chapel-length train featured a scalloped lace trim.

To fully compliment her gown, she chose a headpiece formed of white flowers and sprays of pearls to hold a two-tiered waltz-length veil accented with tiny seed pearls.

She carried a cascade bouquet formed of white bridal roses interspersed with small mint roses and miniature peach carnations, and greenery and white streamers for accent.

In observing bridal tradition, Miss Duncan chose to wear a mother's ring belonging to her late maternal grandmother for "something old;" her wedding gown for

"something new;" a strand of pearls belonging to Janet Ratliff for "something borrowed;" and the "something blue" garter.

Honor attendants for the couple were Miss Jayne Elliott of Lamesa and Cameron Honea of Iowa Park.

Michelle Barnett of Denton, Jamie Benham of Knox City, and Pam Smith of Wichita Falls, aunt of the bride, were bridesmaids.

Groomsmen were Todd Duncan of Iowa Park, and Bobby Vinson and Greg Gibbs, both of Wichita Falls.

Members of the male wedding party escorted the female attendants to the altar.

The female attendants wore identical tea-length dresses of mint taffeta styled with fitted dropped waists, v-necks, puffed sleeves tapered to the elbow, and bows attached to the left side of the waist. Each carried a bouquet formed of flowers in the bride's chosen colors.

The groom was attired in an all-white tuxedo with a cummerbund and bowtie, complimented with a white rose boutonniere.

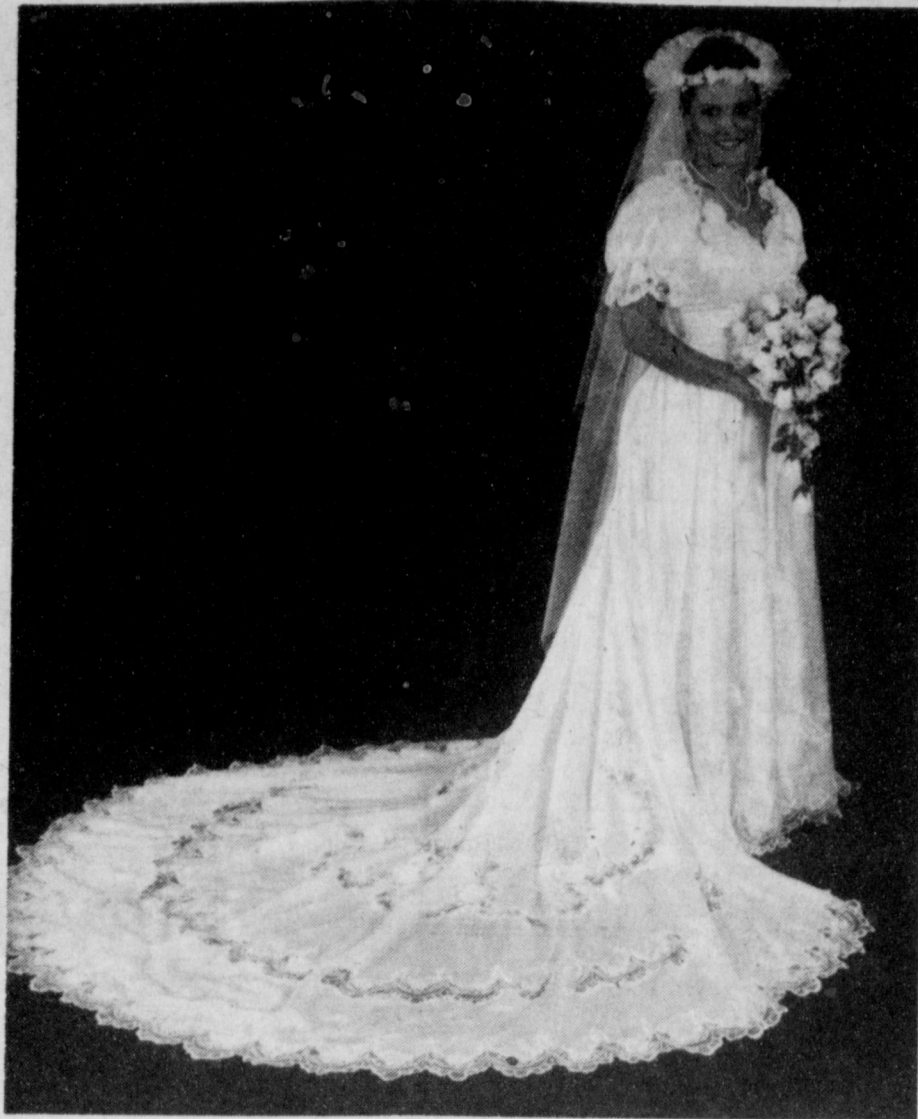

The best man and groomsmen each wore a black tuxedo accented with a mint cummerbund and bowtie, and a peach rose boutonniere.

Guy Ed Syptak of Seymour and Eddie Benham of O'Brien assumed ushering duties, and were attired in full black tuxedos complimented with a peach rose boutonniere.

Vows were exchanged before a brass archway intertwined with greenery and peach, mint and white satin ribbon. Seven-branch fan candelabras flanked the archway, and were decorated with greenery. Seating for the guests was marked with large peach bows.

Miss Duncan presented her mother with a single long-stemmed rose as she entered the sanctuary, and presented one to the groom's mother upon leaving.

Mrs. Duncan chose a two-piece suit of peach taffeta for her daughter's wedding. The suit, fashioned with elbow-length sleeves, a flared skirt and an ivory lace inset over a v-neck,

MRS. JERRY DON JONES

was complimented with ivory pumps and a strand of pearls. She was escorted to her seat by her son, Todd Duncan.

The mother of the groom, escorted to her seat by her son, wore a two-piece tea-length silk suit styled with a pleated black and white skirt

and matching pull-over top, and elbow length sleeves. Black pumps and accessories complimented her attire.

The bride's parents were hosts for a reception held at the Priddy House of Lamar Baptist Church following the ceremony.

Darlene Fairchild of Wichita Falls registered guests at a table covered with a white taffeta cloth and peach lace overlay.

The bride's table, covered in white taffeta, held a three-tiered bridal cake, iced in white and decorated with an abundance of cascading peach roses with mint accents. The confection was topped with a miniature bride and groom standing in front of a white Grecian post.

Presiding at the bride's table were Selena Hayley, Kim Boland and Connie Honea, all of Iowa Park.

The groom's table was covered with a light grey cloth, and held a chocolate cake with a basketweave design inscribed with the names of the couple and their wedding date. Serving were Cathy Duncan of Iowa Park, sister-in-law of the bride, and Darlen Fairchild of Wichita Falls.

Justin Early and Brandon Early, nephews of the groom, Heath

Hodges, nephew of the bride, and Jonathan Stewart, cousin of the bride, handed out rice bags.

When the couple left the reception for a honeymoon trip to Nuevo Vallarta, the new Mrs. Jones wore a white linen dress trimmed with a black bow at the bottom. The couple are at home in Dallas.

Out of town guests for the wedding were Mrs. Sybil Jones of Seymour, grandmother of the groom; Mr. and Mrs. Jimmy Stewart of Purdon; Mr. and Mrs. Carlos Rodgers and Mr. and Mrs. Tommy Burns and Katie, all of De Kalb; and Mr. and Mrs. Bill Poore of Dallas.

The groom's parents were hosts for a rehearsal dinner Friday evening given at the Communications Workers of America Union Hall, followed by a dance.

The bride is a graduate of Iowa Park High School where she was active in cheerleading, Future Farmers of America and student council. She is a senior physical therapy major at Texas Women's Univ in Denton, and is a member of American Physical Therapy Assoc.

Jones is a graduate of Holliday High School where he was active in sports. He is self-employed as a fence contractor.

Baptist women elect officers

The election of officers highlighted the business meeting of the Thelma Smith Baptist Women Monday evening.

Those elected were: Mmes. V.I. Woodfin, president; H.E. Cummings, vice president; Bill Curry, enlistment; Sam Hill, treasurer; Homer Blalock, secretary/reporter; E.T. Patterson, mission support; Carl McKinnon, D.O. James, Terrel Silvers, mission book leaders; J.T. Parker, S.B. Reaves, Riley Thompson, Royal Service program leaders; O.S. McLemore, missions in action; Miss Helen Reed, hostess.

Mrs. McLemore presided during the business and Mrs. Patterson was in charge of the missionary birthday calendar for the day.

Mrs. Reaves led the "Follow the Leader in Singapore" program taken from Royal Service. She had visited the city and observed that it was one of the most beautiful and interesting and one of the cleanest cities that she had seen on numerous tours of other lands. She also showed pictures of the city to enhance interest in the program.

Mrs. Reaves gave "Welcome to Singapore," an article written by Carolyn Weatherford, a former executive secretary of the Southern Baptist Convention Woman's Missionary Union, which recalled highlights of her visit to the city.

Miss Reed gave the introductory topic to the program which contained a brief history of the city and its religions.

Mrs. McKinnon and Mrs. Roy Smith discussed two people who currently share strategic plans for Singapore. They were Russell Morris, a Chinese language worker, and Jeanna Walker, who is serving on the Baptist Media, Great Joy Media Center.

The hostesses for the meeting held at the church were Mrs. Silvers and Mrs. W.F. Booher. Twelve members and one guest, Mrs. Darrell Monday, attended.

Stationed in Japan

Air Force Staff Sgt. Timothy K. Cunningham has arrived for duty in Japan.

Cunningham is a subsistence operations technician with Detachment 003, Air Force Commissary Service.

He is the son of Phyllis Cunningham of Iowa Park and Kenneth Cunningham of Lakeside City.

The sergeant is a 1978 graduate of Iowa Park High School.

Lyme Disease Prophylaxis May Not Be Necessary:

With the recent publicity on Lyme disease, some people may feel afraid to spend time in the outdoors. However, researchers at the Tufts University School of Medicine in Boston have found that not all of those bitten actually become infected. Animal studies have shown that a tick usually has to be attached for at least 24 hours to transmit the disease. In a study at Middlesex Memorial Hospital in Middletown, Conn., people who had been bitten by ticks received either penicillin or placebo prophylaxis. Only 3% who did not receive penicillin became infected. The best prevention is wearing protective clothing, using insect repellent, showering after being outdoors, and looking for attached ticks.

Are Protein Supplements Necessary?

A lot of heavy advertising has gone into promoting protein supplements for athletes, but nutrition and physiology experts still cannot say for sure whether these supplements help, hurt, or do nothing. One of the problems is that no carefully controlled studies have been conducted that take into account the athlete's regular diet and exercise regimen. It would appear that athletes may need more protein than sedentary individuals, but it generally is believed that those increased needs still fall within the recommended dietary allowance (RDA). There also appear to be significant differences between the needs of male and female athletes.

Cook of the Week

Mrs. Dee Hankins

Edith Hankins and her husband, Dee, a retired farmer, live in a lovely home on the outskirts of Iowa Park. They were residents of the Kamay area before moving to Iowa Park in 1965.

They have two children, Delores (Mrs. Robert) Young of Garland, and Johnny of Iowa Park; nine grandchildren and four great-grandchildren.

The Hankins are members of First Baptist Church, and enjoy doing things together, including working in their garden.

Edith is a very modest lady who says that she doesn't do much, "just a little sewing, cooking and canning."

But her grandchildren will tell you differently. They think "MeMaw," as she is affectionately called, "hung the moon." They love to go to her home, and say that she can whip up a meal in less time than it takes most people to think about it. The pretty clothes her granddaughters wear are frequently something "MeMaw" made.

The recipes Edith submitted for our readers are different, easy and delicious.

RED BEANS & RICE

- 1 small pkg. kidney beans
 - 1 clove garlic (chopped)
 - 1 whole onion
 - 1 T. dry parsley
 - 1 T. salt
 - 1 t. pepper
 - 1/4 t. Cayenne pepper
 - 5 strips bacon
 - Eckridge brand beef sausage, cut in lengths
- Put everything but sausage in crock pot. Add sausage last after beans are cooked. (Boil sausage in a little water to get the fat out). Serve over rice.

soup and 2 cans chicken broth. Bring to a boil. Use one package flour tortillas cut in strips. Sprinkle over top. Keep at a boil uncovered, stirring occasionally. Cook about 40 minutes. You may have to add more broth.

HERSHEY PIE

- 20 large marshmallows
 - 1/2 cup milk
 - 5 small or 3 large Hershey bars
 - 1 cup nuts (optional)
- Melt the above ingredients in top of double boiler. Chill. Prepare 1 box (2 cup size) Dream Whip as directed. Fold in cooled chocolate mixture. Pour into graham cracker crust.

DANG GOOD PIE

- 3/4 stick oleo
 - 3 eggs
 - 3 T. flour
 - 1 1/2 cup sugar
 - 1 cup coconut
 - 1 cup crushed pineapple (drained)
- Melt butter and mix with

"Let's Talk...It's The First Step" - Locally Owned

remaining ingredients. Pour filling into unbaked crust and bake one hour, or until set, in a 350 degree oven.

- 2 t. sugar
- 1/2 t. salt
- 1 t. sage
- 1/4 t. thyme (optional)
- 1/8 t. pepper
- 1 T. shortening
- 3 eggs slightly beaten
- 3/4 cup milk

Beat all with electric mixer until will mixed, not too long. Spoon filling evenly over chicken. Pour on cornbread topping. Fix four bullion cubes in 2 cups water. Pour on topping. Return to oven 30 minutes.

CHICKEN AND DRESSING

Take a fryer, cut up and flour with 1/4 cup flour. Place in a large baking pan in 1/4 cup melted butter or oleo. Cook in pre-heated oven at 350 degrees 15 minutes on one side, then 15 minutes on the other.

FILLING: While chicken is cooking, combine in skillet:

- 1/4 cup butter or oleo
- 1 cup chopped celery
- 1 cup chopped onions
- 1/2 t. salt
- 1/8 t. pepper
- 1 T. flour

Cook slowly until onion and celery wilts.

CORNBREAD TOPPING:

- 1 cup flour
- 1/2 cup cornmeal
- 1 T. baking powder

What You Don't Know Can Hurt You.

But not if you take a few minutes to learn about electrical safety around your home or business.

Here are a few safety tips worth remembering.

Overhead.

Never fly a kite, or raise an antenna or place a ladder where it can come in contact with a power line. Touching power lines with any object can result in serious injury or even death. Stay clear of all overhead power lines.

Underground.

Know before you dig. Some neighborhoods have underground power lines. If you don't know whether you have

underground power lines, or if you need to know their location, call TU Electric.

Out and around.

Pad mounted transformers, large metal boxes that are usually green or cream colored, are safe when they are closed and locked. However, if one is opened or damaged, it can be deadly. Call TU Electric immediately to report the situation and warn others to stay away until the repairman arrives.

Be safe around electricity.

Being aware of the location of power lines can save your life or the life of a loved one. So take time now, before you start your next fix-up project, to learn the location of power lines near your home or business. Because what you know about power lines can make the difference between being safe or being sorry.

DON'T LET A POWER LINE BE THE END OF THE LINE.

TU ELECTRIC
A Commitment To Service

Two-a-days start Monday

BIG CATCH - Heath Hodges, 6, proudly displays a 4-pound bass he recently caught on a local, private stocktank. He is the son of Todd and Cathy Duncan.

It's football season once again! All Iowa Park High players are to begin two-a-day workouts Monday after having received their shoes yesterday afternoon.

The entire coaching staff began meetings Monday, in preparation for a season that they intend to wind up considerably better than last year's 1-9 varsity record.

Varsity, junior varsity and freshman players are to report at 7:30 a.m. Monday, and return at 6:30 p.m.

Each morning schedule the next two weeks will begin at 7:30, but afternoon starting times will vary, according to Coach Len Williams' schedule.

Players will work through Thursday in shorts, and Friday of next

week is the first day they're allowed to put on the pads, according to University Interscholastic League rules.

When teacher inservice begins Sept. 28, that ends the two-a-day sessions. Players will work out only once daily from that point on.

The team's traditional intrasquad scrimmage will be at 9 a.m. Saturday, Aug. 19. Following that workout, players will be treated to a watermelon feed.

To prepare for the season opens the second weekend in September, all three teams will scrimmage Holliday and Olney.

Holliday will be here Aug. 25, and then the squads travel Sept. 1 to Olney.

Top 'O Texas signup slated

Registration for Top 'O Texas Football will be held from 10 a.m. to 12-noon Saturday at the ASCS building.

Players will be required to have their birth certificates with them.

There are two age groups for players. The Pee Wee League is for players 8-9 years old, and not be 10 before Sept. 1. Midget League is for players 11-12 years of age, according to a league spokeswoman.

Sports

Shorts

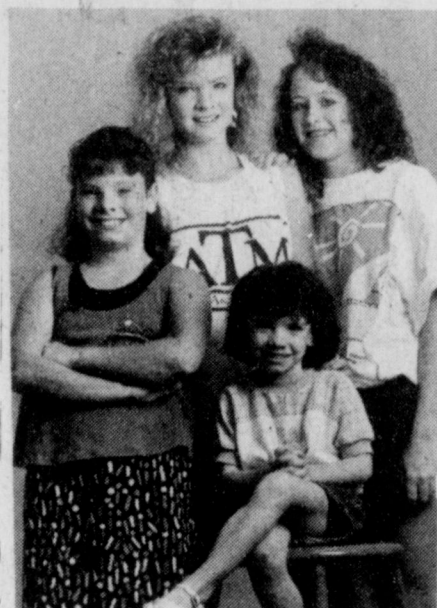

Two former Hawk team mates have recently graduated college and landed jobs. Frank Johnson has been hired as an assistant coach at Plainview, and Marc Klinkerman as trainer at Midwestern State Univ., where he also will teach.

Optimists give softball awards

Softball teams participating in the recent Iowa Park Optimist Club Fourth Annual Softball Tournament received awards at a meeting of the organization last week.

The Faith Baptist One team defeated the Cheerleaders in the last night of play to capture the championship title.

In other business, Ed Anderson gave a report on the Red Cross blood mobile held here recently, with 22 pints of blood donated. Anderson passed out volunteer pins provided by the Red Cross for members who have given of their time and blood over the years.

SUMMER VISITORS at the Cain Center in Athens, Tex., were the daughters of Mr. and Mrs. Buddy Wiggins of Iowa Park, pictured from left, Lori, 10, Lisa, 15 and Laci, 4, with friend Jan Parkey. The Center offers disc golf, swimming, picnicing and baseball tournaments, which appealed to the foursome. The Iowa Park-ans were visiting their grandparents, Mr. and Mrs. Hurl Prock. DRIVING WITH LLUMAR® ON YOUR WINDOWS IS NO SWEAT.

It's a hot, muggy day, and you're stuck inside your car. Your air conditioner runs full blast, but you're still hot under the collar. And if all that isn't bad enough, the blinding glare hurts your eyes and hampers your vision. Keep your cool with LLumar®. LLumar solar-control window film from Martin Processing reduces the sun's fury to raise your driving pleasure. Ideal for all types of vehicles, the film allows light in but keeps a considerable amount of heat and glare out. The result: You stay cooler. Your air conditioner works easier. And your car wastes less gas.

Protects your car. Protects your life.

But these are just a few of the reasons to drive with LLumar. Available in a variety of eye-appealing tints, the film adds a stylish, custom tint to your windows. It makes a sporty car look more expensive. And an expensive car look priceless. LLumar stops the sun from fading your upholstery and carpet by screening out up to 99% of harmful ultraviolet rays. It keeps the sun out of your baby's eyes. Softens jarring headlights at night. Affords more privacy, particularly for vans or RVs. And works like a steel curtain across your windows to protect your vehicle from vandalism-and you from flying glass in case of an accident. You can get LLumar only at an authorized dealer.

Engineered to resist scratching, the film cleans easily with a milk liquid detergent. An authorized dealer will help you select the right tint, then install it for you. And LLumar is covered by a limited warranty. So test drive our film today. Because LLumar takes the heat so you don't have to.

Drive over for a free estimate.
And ask about LLumar for your home and office.

We are here, year after year, to back up our written guarantee.

Moore, Lopez exchange vows Saturday in candlelight ceremony

In an elegant candlelight ceremony Saturday afternoon at the Evangel Temple in Wichita Falls, Miss Stacey Denise Moore and Jesse Leon Lopez exchanged matrimonial vows. Rev. James Heckathorn of First Church of the Nazarene in Hartsville, S.C., officiated the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Lonnie Moore, and the groom is the son of Mr. and Mrs. Paul Lopez, all of Wichita Falls.

The bride made her walk to the altar on a white carpet, illuminated by hurricane lamp pew markers decorated with sprays of sprengeri fern, baby's breath and white bows.

Kneeling benches were placed at the center of the altar area, and were decorated with hearts made of teal and mauve silk flowers and mauve bows. A 15-branch fan candelabra, centered with an arrangement of white gladiolas and miniature carnations, asparagus fern and grape ivy, provided the background for the exchange of vows, and was flanked by tall white Grecian pillars holding Boston ferns with white stephanotis.

Spiral candelabras intertwined with greenery and Bells of Ireland, extended the altar setting, and were flanked by white Grecian pillars holding arrangements of gladiolas, alstermerias and asparagus fern. Two seven-branch fan candelabras, enhanced with white gladiolas and miniature carnations, asparagus fern and grape ivy, flanked by smaller white Grecian pillars holding Boston ferns completed the altar setting.

The unity candle, lit by the bride and groom to seal their vows, was decorated with greenery and a white

MRS. JESSE LEON LOPEZ

bow, and was placed to the side of the altar area.

Given in marriage by her father, the bride wore an exquisite mermaid silhouette gown of white Alencon lace. The bodice was covered with Alencon lace featuring a Sabrina neckline edged with scalloped lace and adorned with clusters of tiny pearls and sequins. The back of the bodice was open and featured cascades of pearls. Long Victorian sleeves were fashioned with satin puffs at each shoulder, and Alencon lace tapered to a point at the wristline. The gathered mermaid satin skirt fell from the lace and pearl trimmed gown and swept to the back, with a chapel-length train secured by a large satin bow.

A shoulder-length veil accented with a large pouf of net flowed from a headband of iridescent sequins, lace and sprays of pearls, adding further interest to her wedding attire.

For the finishing touch, Miss Moore carried a free-form bouquet of long-stemmed white calla lilies with stephanotis accents, gathered with a white bow and streamers.

For sentiment, the bride carried a white lace handkerchief that belonged to her great-grandmother, the late Mrs. Virginia Carr.

The bride was attended by Lonnie Peters of Holliday as matron

of honor, and Kim Burr of Irving, Lee Ann Canafax of Holliday, Tandee Hare of Bethany, Ok., and Laurie Mankins of Dundee as bridesmaids.

Each of the attendants wore a lacy satin and sparkling silk teal tea-length gown. Each gown featured a drop waist bodice, with a hi-low hemline on the skirt and a wide satin bow at the back of the hip line. Matching teal shoes complimented the gowns.

Free-form bouquets of white calla lilies and gladiolas, and mauve alstermeria tied with iridescent, gold and teal ribbon were carried by each girl.

Miss Ashley Peters of Holliday was flower girl and wore a white lace and satin tea-length dress with a satin ruffled hemline and teal ribbon trim. She carried a white basket filled with tiny mauve and teal silk roses and silk teal rose petals, and wore a

corsage formed of white miniature carnations centered with a tiny teal rose.

Mark Peters of Holliday served as best man for the groom. Grooms-men were David Lopez, Paul Lopez and Steve Davis, all of Wichita Falls and Rodney Moore of Holliday. Matthew Peters of Holliday was ring bearer.

To compliment his attire, the groom wore a boutonniere formed of a calla lily with stephanotis accents. Male attendants wore mauve alstermeria boutonnieres, and fathers of the couple wore white rose boutonnieres.

Prelude music for the ceremony was provided by Patty Glover.

As the bride was being escorted to the altar, she paused to present her mother with a white rose. At that time, her mother sang "A Parent's Prayer." During the ceremony, Teresa Ashley offered "I Love You Most of All" and "The Wedding Prayer," and Tim Tice sang "Household of Faith." The vocalists then presented a duet, "Only God Could Love You More."

The mother of the bride chose to wear a tea-length fuschia dress with a pearl trim for her daughter's wedding. Mother of the groom wore a blue chiffon dress with a rhinestone trim. Each mother complimented her dress with a corsage formed of white roses and baby's breath.

The University Club was the setting for a post-nuptial reception, where musical entertainment was provided by Mr. and Mrs. David Holcomb, playing the piano and violin.

The refreshment tables were covered in white linen, and held the bride's and groom's cakes.

The bride's table, draped with fresh fern and garland caught up in swags with white bows, held the bridal cake, a three-tiered confection raised above a clear water fountain.

Six smaller heart-shaped cakes were placed around the fountain, and each of the cakes was iced in white and decorated with mauve and peacock blue roses. The main cake was topped with crystal swans amid white lace, pearls and white silk roses.

The groom's table held a three-tiered chocolate cake in basketweave design, topped with chocolate-dipped strawberries and fresh ivy.

Serving refreshments were Carol

Ann Johnson, Marcie Proffitt and Stephanie Fleming.

Traci Hawley registered guests.

Shelby Patterson passed out miniature cocktail glasses filled with birdseed and covered with white tulle tied with teal ribbon, from silver serving trays.

When the couple left for a honeymoon trip to Montego Bay, Jamaica, the bride was wearing a black and white polka dot dress with matching shoes, and the groom wore a black and white polka dot tie to match his attire. The couple will reside in Wichita Falls.

Special guests for the wedding include Mrs. Mafalda Wilson of Bowie and Mrs. Tommie Morre, of Wichita Falls, grandmothers of the bride.

Other out of town guests included Rev. and Mrs. James Heckathorn of Hartsville, S.C.; Mr. and Mrs. Tommy Ashley of Odessa; Lynn Cole of Tucson, Ariz.; Mr. and Mrs. Ramiro Cadena, Roxanne Cadena, Robert Lee Cadena and Lucia Sanchez, all of Falfurias.

The bride is a graduate of Holliday High School, where she was elected homecoming queen, round-up queen nominee, most admired, class beauty and student council representative. She was graduated from Miss Wade's Fashion Merchandising College in Dallas,

maintaining an honor roll average. She is employed at Betsy's in Wichita Falls.

Lopez was graduated from Petrolia High School where he was elected class president, class favorite, class beau, cutest, Mr. PHS runner-up, all-district tight end and all-district defensive end. He attended Midwestern State Univ., and is employed at Howmet.

Paper jewelry is program

Angie Covington gave instructions on making paper jewelry Tuesday evening for the Iowa Park Arts and Crafts Assoc. The meeting was held at TU Electric Reddy Room.

Mrs. Covington began by showing how to prepare the paper. She then provided the supplies for each member to create her own earrings.

Dottie Jeter, president, conducted the business session in which the members voted to have the People's Choice Art Show at the Whoop-Do this fall. Jana Monday was introduced as a new member.

The next meeting will be Sept. 12, with Tommie Smith in charge of the program.

GET A LIFETIME OF FREE SERVICE. GUARANTEED.

While you're in, we want to tell about our Lifetime Service Guarantee. The original dealer's most generous car repair guarantee in America. With it, your car's maintenance and repair needs take care of themselves. If you ever need to have your Ford, Mercury, Lincoln, or Ford Light Truck fixed, we'll give you one year of free service. If the coupon goes out, we'll give you one year of free service. We'll fix it free.

We Fix Cars For Keeps.
Lifetime Service Guarantee - Free with every covered repair at Park Ford Sales.
