Stork Shower Given For Mrs. Weaver

Pink snapdragons and pink and white roses were combined with blue and yellow candles and other appointments to decorate the home of Mrs. A. E. Bailey, Tuesday evening for a stork shower given in honor of Mrs. Rodney Weaver. Mrs. M. L. Smith was co-hostess for the party.

Especially lovely was the dining table which was covered with a white organdy cloth embossed with appliques of chartreuse linen. The table and buffet were decorated with the chosen flowers.

On the refreshment plates the cake was decorated in pink and blue rosebuds, and favors consisted of baby pants filled with mints and a scroll which carried a Thank You Note from the baby-to-be. Bobby Knecht and Carolyn Lowrey presented the gifts to the honoree in a pink and blue basket. Included in the assortment of gifts was a white wool shawl, the gift from the hostesses.

The guest list included Mmes. Gene Lowrey, Clarence Stringer, T. J. Pace, Joe Patton, Tommy Sims, Wayne House, Joe Chandler, Kirk Beard, L. C. Saturday, Feb. 24, Jimmie Martin, Claiburne Lindley, Jimmy Fox, Jimmie Jinkins, Joe Boren, Thomas Moer, Loyd Coleman, Alvin Ratcliff, Howard Klinkerman, Buddie Johnson, Clyde Hail and Kendall Hill visited two dairies in Parker county

First they visited the dairy of Wyman Grant. He has D.H.I.A. records on 56 cows; these records show how much milk the cow produced for sale, how much her feed cost, and the net profit by the month and year. Mr. Grant answered many personal questions concerning borrowing money, how much money he was making, etc. only three acres in the entire dairy. He is milking 16 cows and showing a nice profit. He stressed management and feeding. All enjoyed the trip and felt that

it was educational.

agriculture teacher in Iowa Park High School.

F. E. Hill, president of the State National Bank, is making arrangements this week to buy 10 dairy heifers to be placed with students taking Vocational Agriculture in Iowa Park High School. Boys to receive calves are: Joe Boren, Thomas Cowart, Jimmie Martin, Jimmie Jinkins, Claiburne Lindley, Buddie Johnson, Jimmie Fox, Thomas Moer, Loyd Coleman and David Padgett.

Purpose of the project is to help these boys to get started owning livestock of their own and build a better interest in dairy cattle in the community. These students are well aware of the fact that dairy farms properly managed are profitable. They intend to pay for these heifers by working out this summer and through the sale of pigs, chickens and other products they have already raised.

Addition of this group of ten calves brings the total to 19 dairy heifers purchased by F.F.A. boys this their first year of study.

Presbyterians to Hear A Cappella Choir

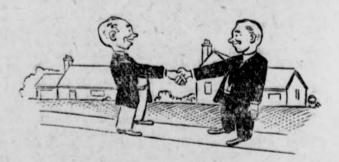

The nationally famous Austin college a Cappella choir will give a concert at the Presbyterian church in Iowa Park, Sunday, March 11 at the 11:00 o'clock worship.

Last June this choir made an extensive tour of the southern and eastern states, which was climaxed by a concert in the Madison Avenue Presbyterian church in New York City and a broadcast over NBC direct from Radio City. On this tour the choir sang before the General Assembly of the Presbyterian church in Massanetta Springs, Va. More recently it was a feature attraction at the Quadrennial Youth Convention on the world mission of the church at Auburn, Ala. During the past few years the choir has made many tours over Texas and Oklahoma, singing in churches in all parts of Texas. Last Sunday the choir was heard

on the Presbyterian Hour which was broadcast over a national network.

This organization under direction of Dr. Robert Wayne Bedford, professor of music at Austin college. has received acclaim and praise as one of the outstanding choirs of the country.
