Trustees set date for bond election

Iowa Park school trustees Tuesday night officially called for a bond election on Nov. 14, and approved a contract with Southwest Securities to handle all paperwork and sale of the bonds if approved.

The board is asking voter approval of \$2.75-million to fund construction of several classrooms, additions and other needed improvements.

Kenneth Smith, representing the financial firm, said he would help apply for a state guarantee to back the bonds which would lower the interest rate on the bonds, and do a "turn-key" job on the entire process.

The total cost of the assistance could cost as high as \$35,000, the board was told, depending on how much is involved in selling the bonds.

However, included in the contract is a clause that, if the issue is not approved by the voters, the school owes Southwest Securities nothing.

Another agreement, for auditing services of accountant Nayland Smith, was approved. Smith has for several years done the school's annual audit, but the agreement is now required by the Texas Education Agency, trustees were told.

Without exception, all four campus principals, during their annual reports to the board, said this year's school start-up was the "smoothest ever."

Generally, they explained it was because of a low turnover of faculty, as well as having fewer state-mandated regulation changes.

Supt. Glen Mitchell said he was

at a loss to explain the school's overall enrollment decline of 14 pupils from the same week last year.

There were 1,860 enrolled as of Sept. 12, down from the 1,874 reported Sept. 13. It was an increase over the 1,853 reported Sept. 17, 1987, however.

Campus enrollments Sept. 12 included 479 at Kidwell, 465 at Bradford, 405 at junior high and 511 at high school.

The board approved a very strict performance criteria for career ladder, but after Supt. Glen Mitchell explained that the proposal was made so he could determine state changes and what effect it would have on money provided for the program.

After changes are made by state, Mitchell said it would be his responsibility to provide all information and forms to teachers.

Assistant Supt. Robert Palmer, school had ordered should be delivered in a couple of months, said the district was transporting about 75 more pupils than last year.

He said between 1,100 and 1,200 boarded buses daily.

Authorization was given to select a company to test drinking fountains for lead in the water, a project which must be completed by Feb. 1.

The cost, depending on which firm is selected, will be between \$12 and \$15 for each of the 75 fountains and water supply outlets in the district, trustees were told.

All requests for fund-raising projects and field trips were approved, as was one request for a student transfer into the district.

Following an executive session which lasted more than an hour, the board chairman, Jerry Reed, explained only that no replacement would yet be named to succeed Gary Fielding, who resigned his trustee post at the last meeting.

Police activities slow

Activities slowed down considerably during the past week for the Iowa Park Police Dept., but after the previous two weeks, officers didn't mind at all.

Three arrests were reported, one theft and one apparent overdose of medicine.

Answering a driver's call about a possible driving while intoxicated, officers took Juan Fuentes, 23, into custody at 12:47 a.m. Friday near the intersection of Third Street and U.S. 287.

Fuentes was charged with public intoxication, and released on personal recognisance at 5:40 a.m.

After responding to a call about a domestic disturbance at 6 p.m. Saturday in the 100 block of South Colorado, officers took Floyd Wan Yarbrough, 32, into custody on a

charge of assault.

Prior to transporting him to the county jail, it was determined an outstanding warrant was issued on Yarbrough by the Dallas County sheriff's office for DWI probation violation.

Also arrested for public intoxication, at 11:48 p.m. Saturday on 287 just east of Johnson Road was Ronny Dale Kelley, 37. He was released at 5:30 a.m. after posting bond.

An Iowa Park man has been banned from ever going into Burnett Memorial Library.

The man returned a number of program discs owned by the library and used in the library's public computer, but one disc remains missing.

JIMMY DUGGINS FOLLOWS JAY LOGGINS FOR 37-YARD GAIN ... in third quarter Friday against Burk Burnett.

Hawks turn attention to air-minded Bulldogs

It will likely be early Saturday morning before fans get back home from Friday's 8 p.m. football game at Abilene Wylie.

Not only is it about 157 miles from the Wylie stadium to Iowa Park, but the game is expected to be lengthy, because the Bulldogs are expected to put the ball in the air a lot of times.

Wylie attempted 21 aerials in last year's 16-7 win over the Hawks. And in the Bulldogs' opener last 38 passes.

In addition, Wylie scouts were on hand to watch Burk Burnett's success with the passing game against the Hawks, when that group of 'Dogs completed 15 of 35 attempts for 190 yards.

But it wasn't the six completions that gained 77 yards against the Hawk defense last year that spelled victory for Wylie. It was four fumbles and three interceptions by the Iowa Park offense that made the difference.

Iowa Park matched its 1988 win record last week by "upsetting" the north Wichita County team 37-23.

Despite Wylie's loss to the Buckaroos, their defense was impressive. The Bulldogs allowed the Bucks only 174 yards on 44 rushing plays, and two of 18 pass completions for another 46 yards.

The season openers for both Wylie and Iowa Park were expensive, player-wise.

Facts about Friday's game

Iowa Park schools will dismiss classes 90 minutes early Friday, in order for students and fans to make the long, 157-mile trip to Abilene Wylie, where the Hawks are to kick off at 8 p.m.

The weekly pep rally will begin at 1:30 p.m., and dismiss at 1:45, school principal Richard Davis said.

Wylie does not sell game tickets in advance, so none will be available until the fans reach the stadium gate. Prices will be \$4 for adults and \$2 for students.

Wylie's stadium is located southeast of Abilene, just off the Buffalo Gap Road, Davis explained.

Fans who will be traveling through Anson will not take the "business" route, but veer to the right on the "loop" that passes the city on the west.

Continue about two miles beyond the Buffalo Gap road, past a mall, until reaching the Wylie elementary school, which will be on the driver's left. Turn right at a sign, down a slight hill, and the stadium will come into view.

News Briefs

Cool front brings heavy rains

The 1.7-inch rain received Monday morning in the Iowa Park area was welcomed, and even praised, by farmers and lawn owners alike.

But the 2.12 that almost flooded the area about midnight Tuesday was really more, and too soon, than most

wanted.

The season's first cool snap, that prompted a forecast Wednesday of a 65-degree high, has produced 3.82 inches in Virgil Woodfin's rain gauge.

But several other outlying area gauges apparently caught even more.

Funds for streets are lowered

Unless shoppers start doing more of their buying in Iowa Park, there will be less money next year for street work than the city had this year.

That is because the council has dedicated the sales taxes entirely to street projects, and Iowa Park is showing a 7.39-percent decline from 1988 in sales taxes.

The city this week received a tax rebate check of \$11,301.57 from the state comptroller's office, which was 20.22-percent less than the payment

last September.

Thus far this calendar year, Iowa Park has received \$122,933.89. Last year the total was \$132,736.79.

Electra is also reporting a 15-percent decline from 1988, but Burk Burnett is a plus 4.33 and Wichita Falls 9.07-percent.

Holliday's \$52,139.42 thus far this year is 8.91-percent more than it had received by September 1988.

September's checks represent taxes collected by monthly filers in July and reported to the comptroller's office by Aug. 21.

USDA commodities available Sept. 21

Distribution of USDA commodities will be from 12-noon to 6 p.m. Thursday of next week at the First Christian Church, according to Mar-

ian Andersen, coordinator.

Recipients can pick up powdered eggs, butter, flour, honey and peanut butter.

Council overrides veto; volunteer to help woman

City aldermen Monday night voted to override a veto of an earlier council vote, issued by the mayor, to sustain their decision giving a homeowner an additional six months to correct a public nuisance.

At the Aug. 28 meeting, aldermen disregarded Mayor Tim Hunter's warning of veto and approved a request by Mrs. Cora Blevins to allow an additional period of time to either sell or clean up her fire-damaged home at 908 E. Highway.

The mayor issued his veto, provided for under the city's general law charter, two days later.

During a consideration of veto discussion, a video film of the house and its interior was viewed, prompting criticism of its interior condition.

After viewing the film, Alderman Bud Burch said the council had been "deceived" about the condition of the structure.

He said the council had been led to believe that very little was needed to put the structure into condition to be sold, but, after seeing the film of the interior, questioned how marketable it would be to a prospective

buyer.

Darrell Jolly, a realtor who has spoken before the council for Mrs. Blevins at previous hearings, responded that there had been no deception.

"The only thing you had ever mentioned had been the exterior, and we had met your demands," he said. "We've done what you asked. I didn't say we had cleaned it out."

The interior had apparently not been cleaned since the fire last winter, and had been ransacked, apparently by vandals, since the house was vacated.

Concern was also expressed about a lock on the front door, which had been installed by the city as protection, which had been knocked off and the door left open.

A resident of the neighborhood, Mary Wilson, told the council the condition of the house was no problem to her, but acknowledged there were some youngsters in the area who do a lot of vandalism.

"I don't know in what capacity we (the city) could help clean it up. It's a dangerous precedent," comment-

ed Hunter. "It's not the intent of the council to try to take away from this woman, but to protect the others."

"I made a motion for six months," stated Alderman Johnny Coker. "I'm convinced she has no financial means. In reality, six months from now, if there are no changes, I'll probably make a motion to tear it down."

"I voted from my heart. My thinking hasn't changed. I'd give a little money, and give a Saturday afternoon to work on it."

Burch and Virgil Woodfin said they also would donate their time to help, and Hunter said he would pay the \$10 fee to have a dumpster put at the house for the cleaning.

Hunter expressed concern that the city, knowing the condition of the structure, could be held liable for anyone entering the vacated house and being injured.

He insisted the lock be replaced, and Jolly agreed to comply.

Jolly later said he had discussed the problem with a representative of the local ministerial alliance, and a

week's game.

Wylie lost the services of its starting tight end/linebacker Stacy Kirk, who reportedly suffered a broken neck in the Breckenridge game.

The six-foot, 160-pound Kirk underwent surgery over the weekend at Abilene.

Iowa Park is expected to have senior wingback/safety Bunkie Imboden back in uniform tomorrow. He was sidelined last week with a sprained ankle, suffered in the scrimmage at Olney.

Coach Williams praised his team after defeating Burk Burnett. He said the players showed heart and character by beating the larger school, which stayed close in scoring until late in the fourth quarter.

Five different backs scored the points, and there were stars aplenty.

Wingback Kelly McClure may have established the highest per-carry average in the state. He touched the ball only two times, and accounted for 95 yards. Additionally, he kicked a pair of extra points and a 38-yard field goal.

Sprinter David Slack averaged more than 10 yards on each of his seven carries, picking up 73 yards.

Quarterback Jimmy Duggins, who finished last year with a minus 76 yards on 34 carries, picked up 61 yards on eight totes Friday.

Jimmy Nicholson established himself as the short-yardage player in the Hawk backfield. The big, 198-pound fullback, bulled his way 33 yards on his seven carries.

Last year's leading Hawk carrier, Matthew Blackman, was hampered with a hip pointer he received the previous week. But he still gained 56 yards on 15 carries.

The junior runningback racked up 739 yards on 140 carries last year.

Iowa Park Garden Club discusses flower show

Twenty-five members of the Iowa Park Garden Club met Friday morning at the home of Mrs. Gladys James. Mrs. Jesse McCullough was welcomed as a new member and Mrs. Linda Smith was introduced as a guest.

Mrs. B.J. Gilmore gave the thought for the day entitled "Friends." Members answered roll call with a highlight of the summer.

Mrs. Gladys James, president, called the meeting to order. The 1989-90 yearbooks were presented by Mrs. Don Decker, vice-president, and she introduced the projects which the club will carry out this year along with each program that will be held through May.

Mrs. Norma Fortner, Yard of the Month chariman, announced that the yard of the month for September was awarded to Henry and Pam Sutton who reside at 205 East Aldine.

Mrs. Charles Seets, Flower Show chairman, announced that the theme for this year's flower show will be "Flora Rama of Eighty Nine." The show will be held Oct. 7

at the First Christian Church Fellowship Hall. She showed the new backdrop material which will be used this year, and announced that a special youth class will be added this year to encourage the youth of the community to participate.

Mrs. Joe Kennedy, treasurer, presented the proposed budget for the new year and announced that the "Vision of Beauty" calendars for 1990 will be purchased as a national project to support the National Council of Garden Clubs.

After the luncheon, which was co-hosted by Mrs. Deryl James, a workshop on Parliamentary Procedure was conducted by Mrs. Gladys James. Members discussed the eight essential steps of a main motion and Mrs. James passed out a paper of parliamentary rules to each member entitled "Parliamentary Potpourri." After the group went over and discussed the rules of parliamentary procedure.

The next meeting will be Sept. 22 at the home of Mrs. Robert Illingworth.

Arts and Crafts Assoc. finalize art show plans

Plans were finalized for the People's Choice Art Show to be held in conjunction with the Whoop-T-Do Oct. 6, at a meeting of the Iowa Park Arts and Crafts Assoc. Tuesday evening at TU Electric Reddy Room.

The show, with entries open to the public, will have several categories including oil painting, needlework, decorative crafts, various art media, acrylics, watercolor, pastels, porcelain and china painting, ceramics, dolls and toys.

The public will choose a winner in each category, with a \$25 award given to each.

Anyone wishing to enter the show, may call Dottie Jeter, 592-Commer.

In other business, a nominating

committee of Billie Railsback, Margaret Denton and Helen Reed was appointed. It was announced that new officers would be elected at the October meeting and installed in November.

Mrs. Tommie Smith presented the program on the history and decorative use of Raffea. She then conducted a workshop in which each member made a Raffea scarecrow.

The next meeting will be held Oct. 10 at the TU Electric Reddy Room.

Library News

Attention parents and baby-sitters: Don't overlook the library when planning your fall schedules this year.

Although the activities aren't as numerous as in the summer, we are offering storytime classes on a regular basis this fall. The classes are offered for children from two to six years old, and cover a variety of activities throughout the year, including parties at each holiday. Storytime hours are as follows: 4-6 years: Tuesday, 10 - 10:30 a.m.; Thursday, 1 - 1:30 p.m. 2-4 years: Friday, 9 - 9:30; 9:30-10 a.m.

If you have any questions or suggestions, please call Jo Lynn at 592-4981.

The attendance at our recent back-to-school movie was approximately 70 children, treated to popcorn and "Pee Wee's Big Adventure." Thank you to Maggie Fowler and Betty Brady for helping with all that popcorn!

Janet Walker gives Amity program

Janet Walker taught members of Amity Study Club how to make earrings out of paper when they had their first meeting of the year Monday night, at the home of Marilyn Hale.

Miss Walker displayed several examples of finished earrings, and gave each member the material to make her own creation.

Roll call was answered by each member revealing her secret pal for the past year.

Annetta Reusch gave the meditation entitled "Freedom," and read

the Pledge of Allegiance from the Red Skelton Hour, Jan. 14, 1969. The meditation was followed by the group reciting the Pledge of Allegiance.

President Evelyn Ward conducted the business meeting. She reported that books had been donated to the library in honor of last year's guest speakers, and \$50 had been given to

the city for Christmas decorations. New year books were distributed by Rita Worthy, vice president.

In other business, the club's face painting and pencil pull booth at the Whoop-T-Do was discussed. After drawing names for this year's secret pals, the meeting was adjourned and refreshments were served by Mrs. Hale and the co-hostess, Dorothy Palmer.

Cook of the Week

This week's featured cook, Melinda Scheffe, enjoys cooking, gardening and horseback riding.

The latter of the three, however, is her favorite. Raised on a farm, she said her favorite job has always been taking care of the horses.

As a result, she became interested in team penning, an event where three riders on horseback attempt to get a select group of cows out of a herd and steer them into a pen. She is currently seeking membership in the International Team Penning Assoc.

Melinda says her favorite cuisine is Mexican-style, and as two of her recipes reflect, she has good taste. While the "Red Chile Stew" is great alone, Miss Scheffe says she likes to serve it over the recipe she gave for "Chimichangas." Both of the recipes came from a cookbook her parents, Mr. and Mrs. Earl Scheffe, brought her from New Mexico.

As far as cooking, Melinda describes herself as an all-day cook. She enjoys making recipes that require a lot of preparation and ingredients.

As mentioned before, she said she enjoys gardening and was active in horticulture at Iowa Park High School, where she graduated. Her other interests include reading and dancing. She is a member of Christ The King Catholic Church.

Mix sugar and cinnamon together and sprinkle over the dough. Pecans are optional.

Roll into a log and cut into 1-inch sliced. Place onto greased cookie sheet, brush with melted butter. Let rise again until double in size. Bake 15 minutes, at 400 degrees. Glaze with your favorite topping.

DEEP DARK CHOCOLATE CAKE

- 2 cups sugar
- 1 3/4 cups flour
- 3/4 cup cocoa
- 1 1/2 tsp. baking soda
- 1 1/2 tsp. baking powder
- 1 tsp. salt
- 2 eggs
- 1 cup milk
- 1/2 cup oil
- 2 tsp. vanilla extract
- 1 cup boiling water

Heat oven to 350 degrees. Grease and flour pan. In large mixer bowl combine dry ingredients. Add eggs, milk, oil and vanilla. Beat on medium speed two minutes. Remove from mixer; stir in boiling water (batter will be thin). Pour into pan. Bake 30 to 40 minutes. Cool cake about five minutes and frost with Buttercream Frosting.

BUTTERCREAM FROSTING

- 6 Tbsp. butter, softened
- 1/2 cup cocoa
- 2 2/3 cups confectioners sugar
- 1/3 cup milk
- 1 tsp. vanilla extract

In small mixing bowl cream butter. Add cocoa and sugar alternately with milk, beat to spreading consistency (additional milk may be needed). Blend in vanilla. Makes about two cups.

PERFECT APPLE PIE

- 6 to 8 apples, pared, cored and thinly sliced
- 1 cup sugar
- 1 tsp cinnamon
- 2 Tbsp. lemon juice
- 2 Tbsp. flour
- 1/2 tsp. nutmeg
- 2 Tbsp. butter
- Pastry for 2 pie crusts

Sprinkle lemon juice over apples. Combine sugar, flour, and spices. Mix with apples. Line a 9-inch pie plate with pastry. Fill with apples; dot with butter. Adjust top crust, cutting slits for the steam to escape. To seal, wipe milk around the edges of the pastry, then press the top and bottom pastries together.

Sprinkle the top with sugar and cinnamon. Bake at 350 degrees 50 minutes or until done.

FFA Boosters host supper

The FFA Booster Club held its first meeting of the year Monday evening with a covered dish supper at the high school vocational agriculture building.

In the business meeting, new officers were elected. They include: Danny Davis, president; George Brandt, vice president; Jeanie Kyle, secretary; Darlene Phillips, treasurer, and Elaine Huff, reporter.

In other business, fund-raisers for the coming year were discussed. Plans were made for a salad supper, for the public, to be held before the football game here on Sept. 29.

Choir Boosters slate meeting

The Iowa Park Choir Boosters have slated a meeting for 7:30 p.m. Tuesday at the Iowa Park High School choir and band hall.

All parents of junior high and high school choir students are asked to attend.

RED CHILE STEW
1 lb. ground beef
2 small potatoes, peeled and diced (optional)
2-3 Tbsp. red chile powder
1 tsp. garlic salt
1 tsp. salt
1/2 cup tomato sauce
2 cups water

Brown ground beef with potatoes until cooked; stir constantly to prevent sticking; drain excess fat. Add chile powder, salts, tomato sauce, and water. Simmer 20 to 30 minutes. Serve hot with flour tortillas. Makes four to six servings.

CHIMICHANGAS
12 flour tortillas
Meat filling (see below)
1 1/2 to 2 cups shredded Longhorn cheese
Oil
1/2 pint sour cream
guacamole

MEAT FILLING
1 1/2 lbs. ground beef
1 clove garlic, minced
1/4 cup dry minced onion
1 tsp. oregano
1/4 tsp. cumin
Brown meat with garlic and onion. Add seasonings and stir well. Simmer over medium heat about 10 minutes.

Spoon 3 Tbsp. meat filling and cheese in center of each tortilla by bringing edges to center and overlapping one edge over the other, secure with a toothpick.

Fry tortillas in one inch of hot oil; fry two minutes on each side. Spread sour cream over each and top with guacamole. Makes 12.

*I like to top mine with Red Chile Stew.

CINNAMON ROLLS
1 pkg. dry yeast
1/3 cup sugar
1 tsp. salt
1 cup warm water (105 to 115 degrees)
1/4 cup oil
3 cups flour
Sprinkle yeast over water and let dissolve. In a large bowl, place dissolved yeast; add sugar, oil and salt. Stir in flour. Turn dough out onto a floured surface and knead for about three minutes.

Place into a greased bowl, turning the dough over in the oil. Cover with a cloth and let rise in a warm place until double in size. Punch down dough and spread out onto cabinet about 1/2-inch thick. Sprinkle with melted butter.

As I See It... By BOB HAMILTON

"AUSTIN - The State Board of Education, defying Lt. Gov. Bill Hobby and other legislative leaders, voted Thursday to restore funding for vocational education classes that have been sharply criticized by school reform advocates."

That is a reprint from the Sept. 8 edition of the Dallas Morning News, and I thought you ought to know.

Hobby, ousted governor Mark White, and others were the leaders in getting the school reform (HB 72) passed. And they just can't let it go. They can't yet see the things about the reform that was wrong.

But five of the nine members of the now-elected state board of education can see it, and they voted their convictions.

Bless their hearts.

Hobby, who was raised with a silver spoon in his mouth and never really had to get a job other than from his mother who was publisher of a Houston newspaper, believes

that education is the only answer to joblessness.

He and his cohorts are trying to force everyone to not enter the trades, but rather get all the "high-paying" jobs through a college education.

Dear folks, Mr. Hobby apparently believes the carpenters who built his home were holders of the PhD who were waiting for the right job to be offered.

He surely is convinced his suits are pressed by someone with a master's degree in tailoring; his favorite steaks cut by a college graduate who is about to become the company's CEO, and his car tuned by the president of Rice University.

The leaders of the reform bill say the vocational schools were just a dumping ground used by schools to rid the classrooms of troublesome students.

I can't speak for the big city schools, but I can certainly tell you, and them, that practice wasn't used in

Iowa Park.

Let me give you a couple of examples.

The leader was privileged to hire five vocational students in the past.

Let's look at how troublesome these people were. One is now a housewife, two are secretaries (one for the district attorney), one recently sold two businesses and is in a new business but some would describe it as virtually retired, and the other, our first to hire, is the medical doctor.

I would challenge White and Hobby to look at any of these five good citizens and make their worn-out accusations.

No, the board of education has done the right thing. Vocational education is neither a place to dump troublesome students nor the prescription of a life of low pay.

Students in vocational education receive more than textbook theory. It could be likened to a chemistry laboratory, in that it is hands-on education.

At one time, more than 80 percent of all Iowa Park High School's enrollment (and this is when there were more than 700 on the campus) were enrolled in one or more vocational courses.

And let me add one more item: some of our more outstanding educators were, and are, teachers of vocational courses.

Mr. Hobby, Mr. White and Mr. Perot ---- shut up and leave education to those who know the subject, and those who know what the people of the state want!

OTHER BUSINESS

When the city held its public hearing on a proposed tax increase, no one spoke up from the audience, and the hearing was promptly closed.

A called meeting was set for next Monday to pass an ordinance setting the new tax rate at .885 per \$100 valuation, a .045 increase.

An ordinance regulating alarm systems in the city was approved. It establishes an annual fee and sets a fee for false alarms.

Police Chief Alan Sheffield said his department had answered 99 burglar alarms during 1988, and only three had been valid. To date, 93 had been received, and only "three or four" had been valid.

He projected at least 120 false alarms would be sounded, based on the number thus far received.

The ordinance was fashioned after one adopted in Wichita Falls.

Another ordinance approved increases fees for animal permits.

The mayor read a proclamation calling for "Alcohol and Drug Abuse Awareness Year" in Iowa Park.

Police

Continued from page 1

The man denies having it.

A man went to the police station Wednesday evening, asking to speak to an officer.

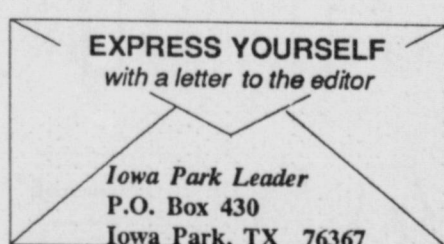

He told the police he wanted to be committed to the state hospital, and showed three empty medicine vials, explaining he had taken all their contents.

Local EMTs were called, as was the ambulance service which transported the man to Wichita General.

Too many to thank

Mr. Hamilton,
Will you please print this note of thanks in your paper thanking those who sent congratulatory cards on our 65th wedding anniversary? Too many to write them!

Breakfast kicks off UW campaign here

The United Way of Greater Wichita Falls held its Iowa Park campaign kickoff breakfast Friday at The Friendly Door.

Rev. John Mollett, chairman of this year's local effort, served as host for the meeting. He explained the Iowa Park goal for 1989 is \$64,240, with the total goal for the Greater Wichita Falls area (Iowa Park, Burk Burnett, Sheppard AFB and Wichita Falls) at \$1,702,000.

Dick Waggoner, United Way president, was on hand and reminded those in attendance the need for social services continues to be great.

He encouraged increased support so that United Way member agencies could reduce or eliminate the amount of supplementary fund raising they have to undertake.

Iowa Park campaign vice chairman, Alyce Bondurant, spoke about various United Way supported agencies, located throughout the county, which benefit Iowa Park residents.

"Over 4,700 persons from Iowa Park were served by 23 different United Way agencies," she noted. "United Way support of these agencies is extremely important to maintain their services."

Marcia "Stormy" Mikkelsen and Myrna Robinson both spoke about the importance of United Way support to the Iowa Park Recreational Activities Center and The Friendly Door.

Mollett then recognized local campaign cabinet volunteers in this year's effort, including Mrs. Robinson, Margaret Soell, Glenna Via, Wendell House and Harold Smith.

Obituaries

Lois Johnson

Services for Lois Wynell Allen Johnson, 56, of Elk City, Okla., will be at 2 p.m. today at Morrison Funeral Home in Graham with Rev. Larry Milhollon of Olney, officiating. Burial will be in Newcastle Cemetery.

She died Sunday in an Oklahoma City hospital.

Mrs. Johnson was born Feb. 16, 1933, in Newcastle. She and Bobby J. Johnson were married Sept. 2, 1955, in Henrietta. She moved to Elk City in 1967, and was a Baptist.

Survivors include her husband; four sons, Bobby Dale and Billy Jack, both of Elk City, Charles Odom of West Point, N.Y., and David Odom of Bryson; a daughter Angela Rynette Maddox of Hemet, Calif.; her mother, Vera Francis Allen of Olney; three sisters, Billie Francis Bordeaux of Las Vegas, Nev., Peggy Darlene Haygood of Jean, and Doris Dixie Maxwell of Newcastle; a brother, Harold Edward Allen of Iowa Park; and eight grandchildren.

Elmer Eugene Watts

Services for Elmer Eugene Watts, 63, were held Saturday morning in the Vernie Keel Chapel in Gainesville with Dr. Harry Roark, pastor emeritus of First Baptist Church of Gainesville, officiating.

Burial, with Masonic graveside rites, was in Fairview Cemetery.

He died Sept. 6 in a Gainesville hospital.

Watts was born Sept. 1, 1926, in Iowa Park. He and Lela Porter were married Dec. 20, 1946, in Wichita Falls. He served in the U.S. Army during World War II, and was the former owner of Nor-Tex Perforating Co. He was a member of Gainesville Masonic Lodge 210, Fort Worth Scottish Rite Moslah Temple, and he was a Baptist.

Watts is survived by his wife, Lela, of Gainesville; two sons, Mike of Decatur, and Pat of Runaway Bay; his parents, Elmer and Alma Watts of Iowa Park; a brother, Kenneth of Wichita Falls; and eight grandchildren.

"NOTHING IS EVER SURE"

SAGA OF THE EDMUND FITZGERALD

Recently the news reported the search and sighting of the Edmund Fitzgerald, which sank in the cold waters of Lake Superior during a fierce storm of November 1975. Only a week before the tragedy, chief steward Robert Rafferty had sent a post card to his wife. It said, "I will be home by November 8, however nothing is sure." The irony of his words was noted in a Detroit Free Press article listing the names of the 28 other crew members who also perished in the disaster.

Not a day passes without a reminder that our earthly life can come to an end at any moment. Whether it's a report on the evening news of a tragic plane crash, a hijacking in which hostages are killed, or the mute testimony of the obituary column, one message comes through loud and clear: we are here today, but tomorrow we may be gone! James expresses this truth in his book by saying, "For what is your life? It is even a vapor that appears for a little while and then vanishes away."

Does your brief earthly life seem futile because "nothing is ever sure?" Christ is the anchor of the soul, who paid the penalty for our sins on the cross. When we are baptized into Christ for the forgiveness of our sins (Acts 2:38) and live faithful and true for Him (Revelation 2:10) we can have a joyful certainty we can live with Him forever (John 14:1-3)! IT'S NEVER TOO EARLY TO OBEY CHRIST, BUT AT ANY MOMENT, IT COULD BE TOO LATE! Read James 4:13-17 and think about it.

AREA OIL & GAS NEWS

Holli-Tex Supply of Holliday has filed for permit to drill the No. 1 Roller, a 1,800-ft. developmental well two miles southeast of Burk Burnett. Location is in a lease in Wichita County's C. Larbaletrier Survey A-370, 450 feet from the north line and 592 feet from the west line. The well is in the Wichita County Regular Field.

An 8,500-ft. wildcat well is planned by Phillips Petroleum Company of Houston at a drillsite 13 miles northwest of Quanah, Hardeman County. The location is in a lease in the C&M RR #10 Survey A-654, 467 feet from the south line and 829 feet from the north line. Well's designation is the No. 1 Watson "C".

Paul DeCleva of Wichita Falls has filed for permit to drill the No. 1 Cato-Wilson "A", an 8,300-ft. developmental well nine miles southwest of Chillicothe. Location is in a lease in Hardeman County's H&TC RR Survey A-124, 1,814 feet from the north line and 2,840 feet from the west line. The well is in the Lawler Field.

A re-entry operation is planned by Farex Inc. of Richardson at the No. 1 Coldwell in Hardeman County's Medicine Mounds Field. With a completion depth of 7,600 feet, the well is located 3.5 miles northwest of Medicine Mounds in the HW&NW RR Survey A-115. Location is 1,327 feet from the north line and 2,069 feet from the west line of the survey.

Farex Inc. of Richardson has filed first production figures on a new oil well in the Medicine Mounds Field, Hardeman County. The No. 1 Caldwell showed potential to flow 22 barrels of oil per day, plus 8,500 CF casinghead gas and ten barrels of water.

The operator has a lease with drillsite 3.5 miles northwest of Medicine Mounds in the W&NW RR Co. Survey. Location is 1,327 feet from the north line and 566 feet from the east line of the survey.

Production will be from perforations in a conglomerate at 7,368 to 7,378 feet into the wellbore.

The No. 1 Jo Favor Baldon, a 9,000-ft. wildcat well, is scheduled to be drilled in Hardeman County. L.E. Jones Production Co. of Duncan, Okla. is the operator. The well will be spudded in a lease three miles southeast of Quanah in the W&NW RR Co. Survey A-1180. Location is 1,725 feet from the north line and 467 feet from the west line of the survey.

The No. 1 Waggoner has been finalized by Crutcher Oil Properties of Archer City.

It is a developmental well in the Wichita County Regular Field. Drillsite is 14 miles northwest of Kadane Corner in the H&TC RR Co. Survey A-108. Location is 450 feet from the east line and 150 feet from the south line of the survey.

Daily potential of 16 barrels of oil, plus 1,000 CF casinghead gas and 12 barrels of water was posted with the Railroad Commission. Production will be from perforations 996 to 1,002 feet into the hole.

Ronkaran Oil Company of Wichita Falls has plugged and abandoned an unsuccessful developmental venture in the Wichita County Regular Field. The well probed to a dry bottom at total depth of 1,850 feet and was known as the No. 2 Perkins & Cullum "C". Location was in the Denton CLS Survey A-57, 1,400 feet from the east line and 450 feet from the north line.

A Wichita Falls-based operator has staked location for the No. 1 HBJV-Bellamy, a wildcat well to be located two miles south of Quanah. With projected total depth of 8,900 feet, the well is in a lease in Hardeman County's W&NW RR Co. Survey A-453. Location is 250 feet from the north line and 1,100 feet from the east line of the survey. The operator is Trio Operating Company Inc.

WHAT SITS OUT BACK, RUNS SUMMER AND WINTER, AND SAVES YOU MONEY?

A heat pump. And there are three good reasons you should get one.

A HEAT PUMP COOLS, HEATS AND SAVES.

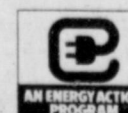

Replace your old air conditioner with a new electric heat pump. It's a high efficiency air conditioner in summer. While, in the winter, it's the most energy efficient heating system you can own. On even the coldest days, a heat pump system operates efficiently and will provide all the warmth you need.

A HEAT PUMP CAN SAVE \$130 A YEAR.

Compared to a gas furnace, a heat pump is more energy efficient. And TU Electric's low rates make heating and cooling your home with a heat pump an even better value. Tests have shown you can save \$130 or more a year by installing a heat pump.*

You can find out more about the amazing heat pump, including details on rebates, from your local heat pump dealer.

Hawks humble Burk, 37-23

A season-opening win is great. Revenge is nice. But a season-opening win after a 1-9 year and revenging last year's loss to long-time rival Burkburnett, before an almost full stadium, is a time for celebration.

And that's just what Iowa Park's Hawks did Friday night, defeating the Bulldogs 37-23.

The Mean Green defense dominated the Class AAAA visitors from the start. Meanwhile, Iowa Park's offense was building steam and scored twice in the first half, but one was nullified by a rules infraction. And in the second half, the Hawks scored four more touchdowns, all on big plays, and added a field goal.

All five Hawk touchdowns were scored by different players. And four of those were on big plays.

There was no scoring in the first quarter, other than the 46-yard pass reception and run by Matthew Blackman that was called back when an official ruled an illegal receiver was downfield on the play.

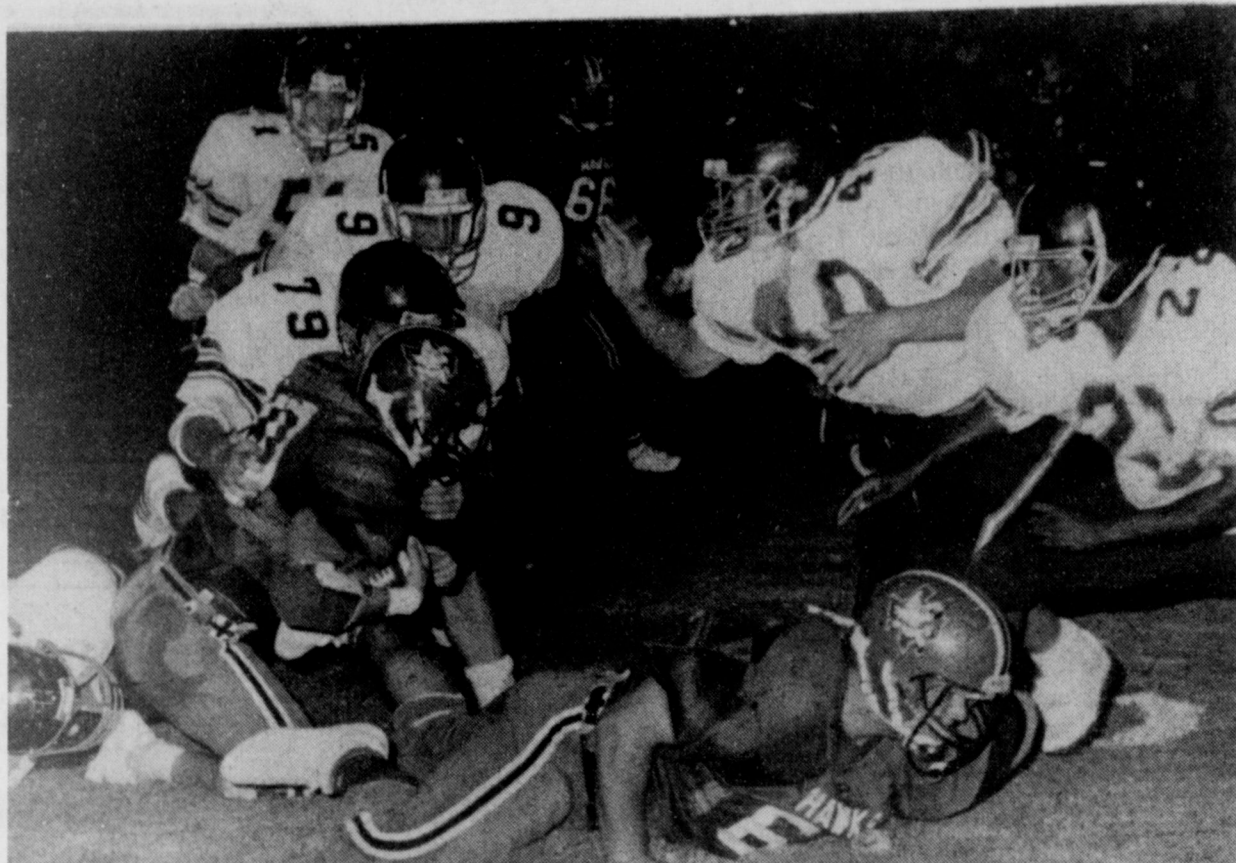

But the Hawks overcame that 10-yard penalty and continued their drive, scoring on the first play of the second period when Blackman bulled his way over right guard from a yard out. Kelly McClure's try for the extra point failed.

Burkburnett threatened only once before the halftime, driving to the Hawk 21-yard line. Facing a fourth-and-three situation, with 1:35 remaining in the quarter, the green defenders limited their visitors to only one yard, and took over to run out the clock.

The Hawks got off to a shaky start in the second half, when their "starburst" kickoff return advanced the ball no further than their own 18-yard line, they were penalized five yards, two running plays netted only one yard, and a pitch failed to connect between quarterback Jimmy Duggins and runningback Marc Cruz, only to be claimed by a Bulldog.

Burkburnett laid claim to the ball on the Hawk nine yard line, but four plays later, the Hawks reclaimed possession on their own five.

On the first play, Duggins rambled around his left end 37 yards, and followed that by tossing a pass to split end Bruce Palmer, who made a spectacular catch despite good defensive

MARC CRUZ IS NAILED AFTER ONE-YARD GAIN

coverage, and the ball was suddenly on the 'Dogs' 11.

Blackman picked up three and Burk threw a five-yard penalty, from where Jimmy Nicholson bulled his way over for the score. Nicholson added a two-point conversion, to make up for the missed extra point attempt, and Iowa Park led 14-0 with 7:20 remaining in the third period.

Burkburnett narrowed the margin on its next drive, scoring on a 14-yard pass and kicking the extra point.

But that didn't last long. On the second play following the kickoff, McClure outran the entire Burk defensive team 65 yards to score, and then kicked the extra point to give the Hawks a 21-7 lead with 34 seconds remaining in the period.

The visitors were almost as quick to respond, capping off a 53-yard drive that was

highlighted by a 21-yard pass, scoring on an eight-yard pass and tacking on two more points on another pass.

That made the score 21-15 Iowa Park, with 9:17 left in the game.

It was 24-15 at the 8:07 mark, though. Cruz returned the kickoff to the Bulldog 23 and four plays later, McClure split the uprights from 38 yards with his first field goal of the season.

David Slack gave Iowa Park breathing room about three minutes later. The Mean Green defense held Burk on downs at the Hawk 45, and two plays later, Slack scampered 49 yards (almost losing the ball at the 38) to score. The extra point kick again failed.

Anyone who left after that, with 5:10 remaining in the game, missed two touchdowns.

Five pass completions and a major penalty against the Hawks took the ball to the Iowa Park three yard line, from where the 'Dogs' quarterback scored. That put the visitors within striking distance, 30-23, with 3:10 remaining.

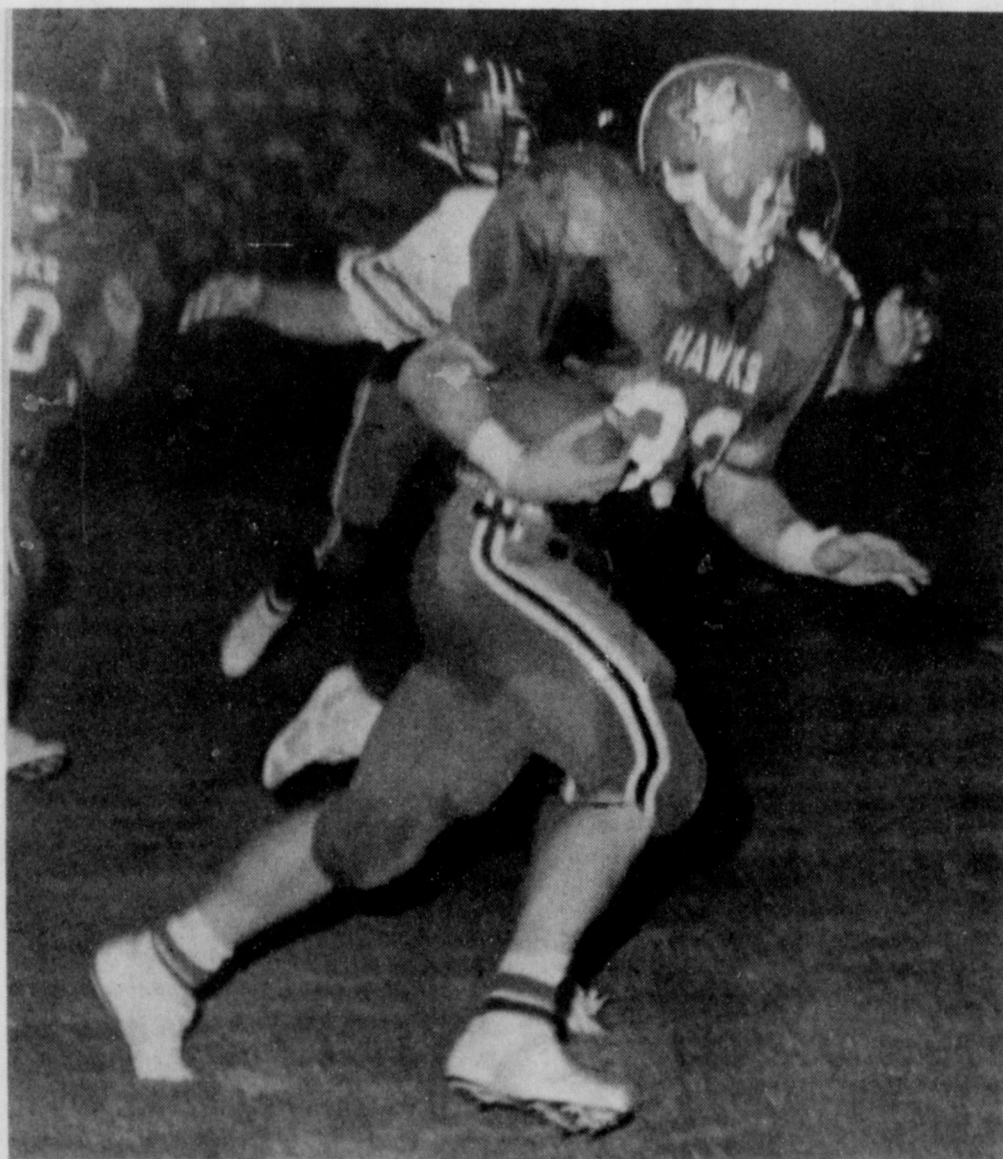

Gambling, Burkburnett tried a squib kick in an attempt to get the ball back on the kickoff. It failed, and Iowa Park had possession on its own 48.

The second Duggins-to-Palmer aerial of the evening took the ball to the Burk 10 yard line on the first play. Slack was caught five yards behind the line. Then Duggins took the snap, ran to his right, picking up key blocks by Palmer and Jay Loggins as he turned downfield, and scored. McClure's extra point kick was good.

The Mean Green defense, which gave up only one yard on the ground and nine passing in the first quarter, was virtually in command the entire contest. In fact, the Bulldogs found the only way they had of gaining yardage was through the air, and they attempted 35 passes during the game, 24 of them in the fourth quarter. Twenty fell incomplete.

Iowa Park's ground corps amassed 318 yards, with McClure carrying only twice for 95, Slack seven for 73, Duggins eight for 61, Nicholson seven for 33, and Blackman 15 for 56.

Bill Carter -- All-American

(EDITOR'S NOTE: The following article was printed in the July 27 issue of the Marlow (Okla.) Review, about former Iowa Park coach Bill Carter, who guided the Hawk track team of 1960 to the Texas state championship.)

Bill Carter is Marlow's All-American boy. Well, maybe at 66 years of age he cannot be considered a boy, but he certainly is an All-American.

Last Thursday Carter won the Pentathlon in the National Masters TAC/USA Track and Field Championship in San Diego, Calif.

The retired high school coach defeated Boo Morcom of New Hampshire for the title, something no other athlete in America had been able to accomplish since the 67-year-old Morcom began competing at the age of 51. If your arithmetic is bad that computes out to 16 years.

Carter is Marlow's 1988 Man-of-the-Year, as recognized by the Marlow Chamber of Commerce. The title fit well, as he was forced to compete with a severely injured groin pull and still won the competition.

The victory also marked the first time ever for Carter to compete in a Pentathlon, a five-event competition including the long jump, the javelin, the 200-meter dash, the discus and the 1,500-meter run.

Carter finished first in three of the five events to defeat Morcom, who was an Olympic pole vaulter in 1948. Carter totaled 3,277 points, compared with Morcom's second-place finish of 3,220.

The record point total for Carter's age group is 3,800. He said this week, "I'm going to get it next year," meaning he planned to return to the national competition and set a new record. "I can jump farther than I did, throw the discus farther, and run the 200-meter dash faster." Carter did not mean his statement to be boastful, but merely was stating fact.

The Marlow resident won the long jump phase of the pentathlon with a leap of 14'1/2". His own personal best jump is 15'7". He won the discus competition with a throw of 121'6", while his personal best in the event is 136'.

"I injured my groin on my first long jump attempt, which was the first event of the pentathlon. A

resident physician looked at it and advised me not to continue in the competition. I told him, brother I had come too far to stop now," Carter said.

The National Masters TAC/USA Track and Field Championships were officially held on the campus of San Diego State University. The pentathlon competitions were held in Balboa Stadium, located across town. Carter and his wife Evelyn were housed, along with most other athletes and their spouses, on the campus grounds.

Although Carter has distinguished himself recently in regional track and field competition, he had never thrown a javelin or run the 1,500 meters in competition, and it had been since 1948 he had competed in the 200-meter dash.

Carter won the javelin throw with a toss of 91'6", he finished first in the discus with a throw of 121'6" and he captured first place in the 1,500-meter run with a time of 6:15.

"I honestly think I can do better in all phases of competition," Carter said modestly. "Believe me I never would have mentioned the groin injury if I had not won, but it did hamper my performance. I would not have used it as an excuse for not winning."

Carter competes in the 65-69 age division. "Boo really thought he was going to win the thing again. Going into the 1,500 meters, he had a lead on me. He came over to congratulate me on coming in second (in the pentathlon) because I was 121 points down. After the 1,500 meter race I figured out how much time I beat Boo by, and figured up the final totals. I knew then I had beat him. He never did come back and congratulate me on winning though."

Carter moved to Marlow when he retired from coaching in 1981. Since then he has been anything but retired. Carter has been active in community events, serving on the Marlow Youth Council, helping with Marlow Chamber of Commerce functions and is presently a member of the Marlow Board of Education.

Marlow can be proud of the All-American boy. Who knows, we may some day have a world record holder.

The national meet is set next year for Indianapolis, Ind. Carter will definitely be there to defend his title.

Cheerleaders' Point of View

The Hawks are ready for the new season.

Many school organizations have worked this summer, preparing for the school year.

The cheerleaders have been at the high school since the first day of summer practicing, exercising and painting signs for the upcoming year.

The spirit team participated in a four-day camp, from 7:30 a.m. to 5 p.m. During the morning hours the cheerleaders taught them cheers and chants to yell at pep rallies and games. The afternoon hours consisted of painting signs for the upcoming year.

The band participated in a four-

day camp, practicing from 7 a.m. until 9 p.m. They've also been practicing almost every night for the last two weeks.

The football team went through their dreadful two-a-days and now practice only at night, but it's still a long, hard workout.

Last Friday, the Hawks gave us a 37 to 23 victory over Burk. The first win of the year not only went to the hard-working players, but the great spirit the fans showed our players.

This Friday our game will be held at Abilene. Along with the waiting and anticipation that our players will take, we hope that our fans will continue to support us through another victory.

Happy 13,
Karlee

Burk scores late to edge Frosh, 29-14

By BRUCE PALMER

The Freshman Hawks were the first to represent Iowa Park on the football field this year. The Freshmen put up a tough fight against the Bulldogs last Thursday night in Burkburnett.

The Bulldogs scored first and had a successful point conversion. Chris William then scored on a one-yard run to cap a 60-yard drive. Mark DeLa Rosa added the two-point conversion to tie up the game.

The Hawks were down 22-8 when DeLa Rosa took a Jason Miller pass 45 yards for the Hawks' second score, however the extra point failed, to make the score 22-14 going into the fourth quarter.

Burkburnett scored a late TD to make the final score 29-14.

"We really wanted to win our first game, but we were happy with the hard play of the boys," said

Coach Ray Sefcik.

The Freshmen's next showing will be tonight in Hawk Stadium against the Bowie Jackrabbits, starting at 6 p.m.

JV opener is big disappointment

By BRUCE PALMER

The JV Hawks opened their season last Thursday evening in Burkburnett. The Bulldogs came out roaring, taking the opening kickoff return to the 10-yard line and quickly punched it in.

The Bulldogs scored two more quick touchdowns to make the score 22-0 with just over five minutes left in the quarter.

The Hawks then got on track.

Offensive highlights:

- Offense had 173 net yards rushing.

- Michael Swenson returned opening kickoff 62 yards for TD.

- Chad Wright had 73 yards, scored one TD and two extra points.

- Jeremy Tatom scored two TDs and two extra points.

- Perry Green scored two extra points.

Defensive highlights:

- Covered five Seymour fumbles and held them to minus yards rushing

- Outstanding players were Brandon McLemore, Tres Beisch, Tommy Duerson and Brad Green.

All 46 members of the team got to play during the game.

Coaches are Mike Swenson, David Wright, Mike Duerson, Duffy Terry and Ralph Dillard.

They shut down Burk's offense and began to move the ball. However, turnovers kept the Hawks out of the end zone.

"They got tough on defense and began moving the ball," said Coach Tim Clark.

The Junior Varsity finally put points on the board in the third quarter, when Jonny Duggins scored on a three-yard run.

Burkburnett then broke the game open late with the final score being 43-6.

One highlight was the play of reserve QB Joel McIlroy, after starter Robert Denton went down with a mild shoulder injury.

The JV has no game scheduled tonight. However, 10 players will travel with the varsity to Wylie.

FFA gives \$500 grant for field

Iowa Park's Future Farmers of America Chapter this week presented a check to the Iowa Park Little League, to be used for development of a new field near Magnolia and West Highway.

The \$500 is a grant from the Texas Rural Communities Foundation, requested by the FFA.

President Kent Kyle made the presentation to Max Henderson, president of the Little League Association here.

Besides the financial assistance, several members of the FFA chapter donated their labor during the spring and summer to build fencing and prepare the field for grass seeding.

The new facility will be used exclusively for Senior League play.

FFA News

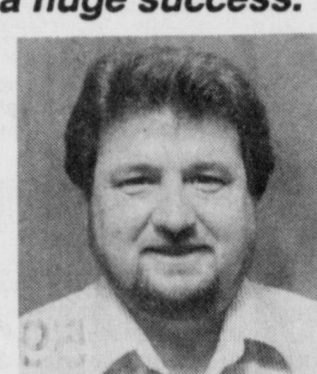

Jamie Hatcher exhibited the champion junior Charlois heifer Sunday at the West Texas Fair and Rodeo in Abilene.

Parenting education program to be topic of meeting tonight

As a result of high incidence of child abuse, teen suicide and teen pregnancy in Texas, it is evident that parents need skills to lower these statistics, according to Barbara Fangmann of the Extension Service.

A collaborative effort between the Children's Trust Fund of Texas

and the Extension Service is being initiated.

A meeting will be held at 7 this evening at the 4-H Auditorium in Wichita Falls, to establish a coalition group to conduct a needs assessment of the community to determine what is being done and what remains to be done to provide broad community parenting education programming.

Professionals and volunteers interested are encouraged to attend.

A team of four volunteers will be selected to attend a special six-hour training session at which they will receive materials to increase skills in planning, implementing and evaluation of comprehensive parenting education programs.

The training will be conducted by Dr. Dorothy Jones, Extension Family Life Specialist.

Entries sought

HOLLIDAY - The Holliday Young Homemakers will sponsor the Holliday High School homecoming parade this year, to be held Oct. 6.

Anyone wishing to enter the parade should contact Robin Calhoun, 586-1624, before the Sept. 29 deadline.

Farm Bureau meets Saturday

The annual Wichita County Farm Bureau meeting will be held at 7 p.m. Saturday in the Iowa Park High School cafeteria.

A free brisket dinner, served by the Iowa Park MuleSkinners, will precede the business meeting, but reservations should be made by today by calling 592-2156.

Members will adopt policies for the coming year, elect new officers and directors, and hear reports from committees.

Entertainment will be furnished by Billy Curtis and family.

In The Military

Completes training

Navy Firearm Recruit Jimmie B. Rogers, son of Mr. and Mrs. Roy Joiner of Holliday, has completed recruit training at San Diego.

During his eight-week training cycle, Rogers studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic fields.

A 1988 graduate of Rider High School, he joined the Navy in March.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS
OF PROPOSED
CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION
NOVEMBER 7, 1989

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the salary of members of the legislature to one-fourth of the Governor's salary and increase the salary of the Lieutenant Governor and the Speaker of the House of Representatives to one-half of the Governor's salary. The annual salary of members of the legislature, the Lieutenant Governor, and the Speaker of the House of Representatives is currently \$7,200. Under this provision, the annual salary of the Lieutenant Governor and the Speaker would be \$46,716, and the annual salary of members of the legislature would be \$23,358, based on the Governor's current annual salary of \$93,432. The increase for the Speaker and the members of the legislature would take effect when the legislature convenes for its regular session in January 1991. The increase for the Lieutenant Governor would take effect when the term of that office begins in 1991. The salary increase for the Lieutenant Governor would not make members of the legislature ineligible to run for the office of Lieutenant Governor.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to limit the salary of the lieutenant governor and the speaker of the house of representatives to not more than one-half of the governor's salary and to limit the salary of a member of the legislature to not more than one-fourth of the governor's salary."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 5 proposes a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$500 million of Texas water development bonds. The additional bonds are to be used as follows: \$250 million of the bonds are to be used for water supply loans and facilities acquisition; \$200 million of the bonds are to be used for water quality enhancement projects; and \$50 million of the bonds are to be used for flood control. The legislature may provide that \$100 million be used for subsidized loans and grants to economically distressed areas of the state for water and wastewater facilities.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the issuance of an additional \$500 million of Texas water development bonds for water supply, water quality, and flood control purposes."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 51 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds to establish a Texas agricultural fund, a rural microenterprise development fund, a Texas product development fund, and a Texas small business incubator fund in the state treasury. The Texas agricultural fund would be used to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced in Texas by Texas agricultural businesses. The rural microenterprise development fund would be used to stimulate the creation and expansion of small businesses in rural areas. The Texas product development fund would be used to aid in the development and production of new or improved products in this state. The Texas small business incubator fund would be used to stimulate the development of small businesses in the State.

The principal amount of bonds outstanding at one time could not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise develop-

ment fund. The financial assistance offered by both funds could include loan guarantees, insurance, coinsurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations. To carry out the Texas product development fund, the legislature could authorize loans, loan guarantees, and equity investments, and the issuance of up to \$25 million of general obligation bonds for initial funding. To carry out the Texas small business incubator fund, the legislature could authorize loans and grants of money, and the issuance of up to \$20 million of general obligation bonds for initial funding.

Bonds authorized under this amendment would be paid out of the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and production of Texas products and businesses."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 13 proposes a constitutional amendment that would authorize the legislature, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the legislature to exempt property of nonprofit veterans organizations from ad valorem taxation."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, other tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be taxed.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment that

would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years.

The proposed amendment will appear on the ballot as follows:
"Authorizing the members of a hospital district governing board to serve four-year terms."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and appointed officials.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 24 proposes a constitutional amendment that would allow the legislature to authorize the issuance of up to \$400 million in general obligation bonds. The proceeds of the bonds could be used to acquire, construct, or equip new correctional institutions, mental health and mental retardation institutions, youth corrections institutions, and statewide law enforcement facilities, and to repair and renovate existing facilities of those institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to facilities of corrections institutions, youth corrections institutions, and mental health and mental retardation institutions and for the expansion of statewide law enforcement facilities."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 101 proposes a constitutional amendment that would authorize the legislature to pass laws to organize and combine state agencies that perform criminal justice functions. The legislature could combine into one or more agencies all agencies that have authority over the confinement and supervision of convicted criminals, that set standards for or distribute state funds to political subdivisions with authority over the confinement and supervision of convicted criminals, and that gather information about criminal justice administration. Agencies that could be combined would include the Texas Department of Corrections, the Board of Pardons and Paroles, and the Texas Adult Probation Commission. The amendment would also authorize the legislature to pass laws authorizing the appointment of members of more than one department of government to serve on the governing body.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to organize and combine various state agencies that perform criminal justice functions."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would authorize the legislature to enact laws requiring or permitting judges to advise juries that a defendant convicted of a criminal offense can receive credit for good conduct that results in a shorter prison term and that eligibility for parole or mandatory supervision can also affect the length of time a convicted criminal serves in prison.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of \$30 would increase to \$81, which is the current maximum living expense deduction.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the permanent school fund to guarantee bonds issued by the state for the purpose of providing loans or purchasing the bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed \$750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a loan, the amount of the delinquency would be offset against other aid to which the district was entitled.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school districts."

PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the prosecutor's office, the right to restitution, and the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment

providing a bill of rights for crime victims."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 71 proposes a constitutional amendment that would require the district attorney in Fort Bend County to be elected and serve terms at the same times as criminal district attorneys in the state. Currently, criminal district attorneys are elected in gubernatorial election years and district attorneys are elected in presidential election years.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment requiring a district attorney serving in Fort Bend County to be elected and serve a term in the manner provided by general law for criminal district attorneys."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 32 proposes a constitutional amendment that would authorize the legislature, by general law, to permit charitable raffles conducted by qualified nonprofit organizations. The amendment would require that the raffles be conducted, promoted, and administered only by members of the qualified nonprofit organizations, and that the proceeds from the sale of raffle tickets must be spent for the charitable purposes of the organizations.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to permit and regulate raffles conducted by certain nonprofit organizations for charitable purposes."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment allowing the legislature to pass general laws authorizing the creation of hospital districts upon approval of a majority of the qualified voters of the district. The amendment would also permit the legislature to authorize the creation of hospital districts by general or special law in counties with populations of 75,000 or less and to authorize the commissioners courts of such counties to levy ad valorem taxes and issue general obligation bonds for the support and maintenance of such districts.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment granting to the people the right to decide whether to create and maintain hospital districts to protect the public well-being in a manner independent of the legislature."

PROPOSITION NO. 17 ON THE BALLOT

House Joint Resolution 33 proposes a constitutional amendment that would allow the legislature, by general law, to authorize the use of public money to provide local fire departments and other public fire-fighting organizations loans or other financial assistance to purchase fire-fighting equipment and to aid in complying with federal and state law. The legislature would also be allowed to authorize the use of public money for scholarships and grants to educate and train members of these organizations. Part of the money could be used for administrative costs of this program. The legislature would provide for the terms and conditions of all such scholarships, grants, loans, and other financial assistance.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations to purchase fire-fighting equipment, to aid in providing necessary equipment and facilities to comply with federal and state law, and to educate and train their members."

PROPOSITION NO. 18 ON THE BALLOT

Senate Joint Resolution 44 proposes a constitutional amendment that would repeal subsection (e) of Article III, Section 50-d of the constitution. Article III, Section 50-d currently allows the Texas Water Development Board to issue and sell Texas agricultural water conserva-

tion bonds in an amount not to exceed \$200 million, if two-thirds of the members of each house of the legislature approve. Under subsection (e), this authority will expire in November, 1989. Repeal of subsection (e) by passage of this amendment would continue in effect the authority to issue and sell the bonds.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to eliminate certain time limitations relating to the issuance of Texas agricultural water conservation bonds."

PROPOSITION NO. 19 ON THE BALLOT

Senate Joint Resolution 59 proposes a constitutional amendment that would allow local governments to invest their funds as authorized by the legislature. Currently, the constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company prevents local governments from making some kinds of investments. This proposed amendment would allow local governments to make any investments authorized by the legislature.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize local governments to invest their funds as provided by law."

PROPOSITION NO. 20 ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment which, if passed, would abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties. A majority of the voters in an affected county must vote in favor of this proposed amendment before the office is abolished in that county. If the office of county surveyor is abolished in any of these counties, the powers, duties, and functions of the office are transferred to a county officer or employee designated by the commissioners court of the county in which the office is abolished.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties."

PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 74 proposes a constitutional amendment that would authorize the legislature to enact laws authorizing the Texas Higher Education Coordinating Board or its successor to provide for, issue, and sell an additional \$75 million in general obligation bonds as college savings bonds. The form, terms, and denominations of the bonds would be prescribed by law. The interest rate and installments would be prescribed by the Texas Higher Education Coordinating Board or its successor. The maximum net effective interest rate would be set by law. Proceeds from the sale of the bonds would be credited to the Texas opportunity plan fund, which is used to make loans to students to attend institutions of higher education in Texas. The bonds and interest on the bonds would be payable from the first money coming into the treasury in each fiscal year that is not already appropriated by the constitution, less the amount remaining in the sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment providing for the issuance of general obligation bonds as college savings bonds to provide educational loans to students and to encourage the public to save for a college education."

IOWA PARK FIREMEN prepare to battle bedroom fire Tuesday morning of Roy Childers home on Old Iowa Park Road. The blaze was contained to the bedroom, but the entire house sustained smoke damage. Faulty wiring was blamed.

Sheffield speaks to Evening Lions

Alan Sheffield, Chief of Police, spoke to the evening Lions Tuesday. He was introduced by Gordon Callahan.

Sheffield said he was not going to discuss the drug and alcohol problem in the area, even though he realized that it was a real problem. He said he had come primarily to discuss some of the work of the Crime Prevention division of the Iowa Park Police Department and its financial needs at the present time, because its budget had been cut.

He said he and others were speaking to service organizations to present the need of more money to provide educational literature and to rent films.

Sheffield said the most important part of the crime prevention program was to make children aware of the danger of drugs and that special attention was being

given to elementary students this year before they enter junior high. He also said the latch key children were getting special attention.

He encouraged the members to make use of the 911 police emergency service and to be careful that it was

not abused. He praised the efforts of the 31 Neighborhood Watch groups to curb house burglaries and encouraged his listeners to have their names engraved on all of their property in case their houses were burglarized.

Vows reinstated

Karen and Bob Evans of Iowa Park reinstated their wedding vows at Faith Baptist Church Sept. 3.

Rev. Jerry Miller officiated the service.

Friendship Class elects nominating committee

Mrs. Roy Smith used "Deception" for the theme of the inspirational part of the meeting. She

mentioned various examples of deceit in both the Old and New Testaments and said "Deception is satan's main thrust at people to cause them to live inconsistent Christian lives."

Young Homemakers to welcome members HOLLIDAY - The Holliday Young Homemakers are hosting a covered dish supper at 7 p.m. Tuesday at the high school home-making room to welcome new members.

The refreshment table decorations depicted autumnal colors in bouquets of flowers complimented with a centerpiece of ivy.

The theme for the supper is "South of the Border," and anyone interested in homemaking is invited to come and bring a dish.

The monthly meeting of the Friendship Class of First Baptist Church was held Monday night at the church and hosted by Mrs. M.E. Goforth and Mrs. V.I. Woodfin. Ten members attended.

Catherine Karnes, Archer County Home Extension Agent, will be guest speaker.

During the business directed by Mrs. O.S. McLemore, a nominating committee composed of Mmes. Goforth, J.T. Parker and Homer Blalock was elected. Plans were also discussed for the next meeting Oct. 9, which will be a salad supper and installation service.

Officers for the coming year include Robin Calhoun, president; Toni Mahler, vice president; Sally Mills, secretary; Noma Campbell, treasurer; Milia Cuba, public relations; Yvonne Sternadell, historian; Brenda Stone, Becky Swanson, Katie Mitchell and Lisa Little, phone committee.

LEGAL NOTICE

SHERIFF'S SALE
THE STATE OF TEXAS
County of Wichita

NOTICE IS HEREBY GIVEN That by virtue of a certain Order of Sale issued out of the Honorable 30th District Court of Wichita County, on the 31st day of August 1989 by Dorsey Trapp, Clerk of said District Court for the sum of Two hundred thirty one and 06/100 DOLLARS plus 10% interest from date of judgment and costs of suit, under a certain judgment, in favor of Iowa Park Independent School District, Et Al in a certain cause in said Court, No. 37,338-A and styled Iowa Park Independent School District, City of Iowa Park and County of Wichita vs. Pamela Gay Morgan and Bobby Morgan and placed in my hands for service, I Thomas J. Callahan as Sheriff of Wichita County, Texas, did, on the 31st day of August 1989 levy on certain Real Estate, situated in Wichita County, Texas, described as follows, to-wit:

Lot 7-C, Block 136, Original Townsite of Iowa Park, Wichita County, Texas according to the plat of the Original Townsite of Iowa Park recorded in the Plat Records of the County Clerk of Wichita County, Texas and as described in a deed recorded in Volume 1434 at Page 80 of the Deed Records of Wichita County, Texas; commonly known as 105 East Lafayette, Iowa Park Texas.

And it is further Ordered, Adjudged, and Decreed that the owner of such property, or anyone having an interest therein, or their heirs, assigns, or legal representatives, may, within two (2) years from the date of the filing for record of the purchaser's deed and not thereafter, have the right to redeem said property as provided by law.

Note: Please be registered at the time of sale with Sheriff, Deputy Sheriff or agent conducting the sale.

and levied upon as the property of Pamela Gay Morgan and Bobby Morgan and that on the first Tuesday in October 1989, the same being the 3rd day of said month, at the Court House door, of Wichita County, in the City of Wichita Falls, Texas, at 10 A.M. by virtue of said levy and said Order of Sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Pamela Gay Morgan and Bobby Morgan.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Iowa Park Leader a newspaper published in Wichita County.

Witness my hand, this 31st day of August 1989
