Valley View
 By Mrs. Roy Lakey

That "ole cold germ" that's been
 around these last few weeks finally
 landed on me, so haven't been any-
 where since last Thursday and do
 not know what has happened to
 my neighbors except what Billye
 Faye, Leroy and Roy happen to re-
 member to tell me.
 On that fatal Thursday, Virginia
 McKinlay and I enjoyed the Coun-
 cil of Church Women luncheon in
 Wichita Falls. Two Iowa Park ladies
 Mrs. Gordon G. Clark and Mrs.
 Chester Gleason were guest speak-
 ers. Both were most enthusiastic
 and informative about the program.
 Before coming home we visited all
 the sick neighbors and friends we
 knew about, 5 or 6 at that time.
 Hope to goodness I didn't scatter
 the germ to those already sick, for
 my throat was getting a little tick-
 ish by then, but never thought
 much about it at the time.

Mrs. Henderson is home and is
 getting along fine.
 Mrs. Paul Lambert had pneumo-
 nia but is home again. Must stay
 in for about 10 days. She and son
 Wayne came home for the weekend
 with Paul, and she took sick sud-
 denly Friday night.

It makes me sad to have to re-
 port that Mr. Hayter, father of Mrs.
 Paul Coppock, is losing the battle
 for his life, falling every day. Words
 fail me, but all the friends join me
 in an attempt at offering our serv-
 ice and comfort and prayers to his
 family.

Brewer grocery is about out of
 business with Mrs. Brewer and Mrs.
 Thornton both on the sick list the
 last day or so.

Men's fellowship social Monday
 night was enjoyed by all who came.
 It was Ladies' Night and games of
 42 etc. were played. My family re-
 ports that refreshments of pie, ice
 cream and coffee were delicious.
 (Made me hungry when they got
 home and I ransacked the pantry,
 came up with a measly apple.)

WCSO met in the home of Mrs.
 W. W. Bishop with Mrs. Noel Hae-
 ley and Mrs. Clark Harrell sharing
 hostess duties. Mrs. George Bishop
 of Levelland was a guest.

Rev. G. C. House presented part
 of our Bible study "We Seek Him
 Together," last Sunday evening
 service. We meet Monday to con-
 tinue our study at the church, 2:30.

Thursday and Friday the district
 and conference officers training
 program was offered at 1st Church
 in Wichita Falls. Local WCSO of-
 ficers were also invited. All eight
 districts of north Texas were well
 represented.

Mrs. Evans of Honey Grove (mo-
 ther of Mrs. Clark Wilkes) attended
 the training program and visited
 them.

Marvin Dale Childers, who is get-
 ting his boot training at San Diego
 is making the adjustment from ci-
 vilian to serviceman admirably. It's
 much easier when one tries and
 we know Bud will.

Mr. and Mrs. Cecil Goins of north
 Vernon visited in the Swan Reaves
 home recently.

Guests Sunday of the Swan
 Reaves were Mrs. George Reaves,
 Mr. and Mrs. Bratton Reaves of
 Iowa Park, Mr. and Mrs. Edwin
 Davis of Electra and Mr. and Mrs.
 J. C. Farris of Fort Worth.
 Mrs. Swan Reaves is spending a
 few days with their daughter and
 son-in-law in Fort Worth. Mr.
 Reaves and Glen, accompanied by
 Bill Bush and Sara Duncan, will
 go down the latter part of the week.
 Sara will visit her parents there.

 spells or nose bleed.
 The boys brought about 100 funny

books to be taken to Sneed Air
 Force Base hospital.

Texas motorists, Texas high-
 ways and Texas taxpayers
 should be protected against
 the ONE PER CENTERS.

ONE PER CENTERS are truck
 combinations weighing, load-
 ed, 20,000 pounds or more.
 Only one of every 100 vehicles
 registered in Texas pays a li-
 cense fee for 20,000 pounds or
 more. FEWER than three out
 of every 1,000 are registered
 for more than 40,000 pounds.*

Our highways should be
 SAFE for ALL the people - in-
 dividuals, commercial users
 and the military alike.

Texas highway tax dollars
 should be conserved and used
 wisely. This can be done

- (1) by limiting the weight (gross
 load and axle load) that may
 be transported legally by
 the ONE PER CENTERS and
- (2) by enforcing the law against
 those who persist in over-
 loading.

Texas highways are paid for
 by and belong to ALL THE
 PEOPLE. Highways adequate
 for 99% of Texas users - indi-
 vidual and commercial - can
 be constructed and maintained
 for about ONE-THIRD of the
 cost made necessary by the
 weight of the ONE PER CENT-
 ERS.*

From where I sit ... by Joe Marsh

Right Under Our Nose!

Sometime back, we got word from the Governor, asking if we wanted to use the State Fire Inspection Team—a group of experts they send around to communities to inspect public buildings. We sent a letter saying: "Okay! Give us the once-over!" They came down, all right—last week. After the inspection, we got their report. Came out pretty well, all told. Town Hall and the School were O.K. Post Office just needed more sandbuckets. In fact, everything got a clean bill of health, except—the Fire Station!

From where I sit, we volunteer firemen had just been too busy keeping everyone else on the ball—and not realizing our own firehouse was not up to snuff. Like the man who worries so much about his neighbors—about whether they work hard enough, about whether they can really afford their new car, about their enjoying a temperate glass of beer—that he forgets to take a good critical look at himself now and then.

Presbyterian News

Mrs. John Clapp was hostess to Women of the Presbyterian church Monday afternoon for a general program conducted by Miss Clara Lowrance. Theme of the program was "No Wider Than the Heart Is Wide."
Mrs. J. B. Ridenour, president, opened the meeting with prayer. Topical discussions presented by the leader were: As wide as Christ, or chaos; As wide as your own back yard; and As wide as Jesus' prayer.
Mrs. A. H. Estes spoke on As wide as ecumenical Christianity, and, to close the general program, Mrs. K. P. Abernathy brought a devotional on As wide as the heart of God.

As chairman of world missions, Mrs. C. E. Birk led a prayer period to pave the way for the observance of the Week of Prayer and Self-Denial beginning Jan. 29. Scripture passages read by Mrs. C. Birk were II Chron. 7:14-15; Jer. 29:11-13.
The chairman directed the petitions of the group by comments on Let us give thanks to God, and Let us pray for forgiveness.
Plans were made for an all-day meeting at the church next Monday.

Refreshments noting a Valentine motif were served to Mmes. Gayle Park, L. Lovelace, Garland Cain, J. B. Ridenour, A. H. Estes, C. Birk, L. Shelton, K. P. Abernathy, C. E. Birk and Beverly, and Miss Clara Lowrance.

Daughters Surprise Parents with Party

When a couple celebrate their silver wedding anniversary, nothing can add quite so much happiness to the day as to have their children plan a surprise party in their honor. In such fashion, Miss Frances and Mary Gayle Park helped to make the 25th wedding anniversary of their parents Mr. and Mrs. Gayle Parks a most joyous Jan. 19th occasion.

A group of close friends and relatives were invited by the daughters to attend a "surprise 42 party in honor of their parents that evening."
Mr. and Mrs. Park received many lovely gifts.
Refreshments carrying out the silver wedding theme were served to Messrs. and Mmes. Graham Purcell of Archer City, Will Keil K. P. Abernathy, C. E. Birk and Beverly, Gale Lowrance, Walter Scott, L. F. Miller, Locke Lowrance, Mrs. C. Birk and Miss Clara Lowrance and the honored couple.

Troop 37 Boy Scouts, accompanied by their scoutmaster Wayne House, and Commissioner Buck Voyles enjoyed an all-night camp at the Hughes cabin on Lake Diversion last Saturday night. Mr. Hughes also went late and spent the night. The boys enjoyed a big fish fry on Sunday.

Misses Lou Ann Duke, Jackie Teal, Charlene Metz contributed special music at a luncheon meeting of the Order of the Beauceant at the YMCA in Wichita Falls on Wednesday of this week. Accompanied by Miss Joyce Hodges, they sang "Sometime," "Harbor Lights" and a novelty number.

Quoth Mr. Ray Ven...

Once while Ray was longly talking Suddenly he heard a squawking... It was his dear wife remarking* On his conversation sprec.

"Ray," she said, "you really should Space your calls so others could Use the party line.... It would Be fairer then, you see.

"Too, other users might get sore If you talk for evermore...." Quoth then Ray Ven, "Nevermore Will I so careless be."

Good party-line neighbors allow time between calls. That gives other people on the line a chance to use it. Party-line service is best when everyone gets his turn to call—or be called.

A prayer for our Soldiers

BY MAJOR GENERAL ROY H. PARKER
Chief of Chaplains, United States Army

Almighty God, the Creator and Preserver of all mankind, we commend to Thy special care and keeping those serving in our Army. Though they be in the midst of dangers, do Thou send Thy guardian angels for their protection. Walk beside them as they go through the valley of the shadow of death.

Knowing that all good things come from Thee, grant them courage and loyalty, through a firm faith in freedom's cause, in the present conflict. When sacrifices are called for, let them be made in the knowledge that Thou art the rewarder of Thy servants. Enable them to live valiantly and serve nobly, in the full realization that no man liveth unto himself. Grant them clear minds, strong bodies, resolute wills, and pure hearts free from hatred and bitterness, renewing them each and every day with strength, like strong men of old, who against enthroned wrong stood with confidence and courage.

Awaken in them a lively faith that will keep them close to Thee. Enable them to rest their cause upon Thy Word that though the foe be strong, yet knowing the cause as they battle for the right, they can never fail. Fill their hearts with the assurance that with Thee nothing is impossible and that all things work together for good to them that love Thee.

If it be Thy will that injuries be sustained, let them experience the touch of Thy healing hand and do Thou bless the means and the ministries employed for the restoration of their health.

In these difficult times, when the forces of evil are running rampant and many hopes seem about to be crushed, fill their hearts with an abiding sense of Thy reality and the certainty of Thy continual presence. Enable them to look to Thee when loneliness and longing overtake them; fulfill their yearnings by granting them Thine own companionship and fellowship. Enable them to realize the full meaning of Thy promise, "Lo, I am with you always."

Thou who art the Protector and Helper as well as the Giver of victory, grant unto them every good gift of body and soul and unite us with them in faith and love unceasing. Amen.

Mr. and Mrs. W. F. George have returned from a 30 days stay in Colorado Springs, Colo., where they visited their daughters Miss Nell Marie George and Mrs. Craig Larimer and Dr. Larimer.

Mrs. Martha Lou McSteen is spending a three weeks vacation in Ft. Lauderdale and Miami, Fla. Mr. and Mrs. Joe McSteen of Cleveland, Ohio, accompanied her on the trip.

Mrs. O. R. Kelly and Miss Ethyle Kidwell attended a luncheon held by the Beta Rho chapter of

Methodist Notes

"Spiritual Resources for Health" was the topic for discussion during circle sessions held Monday afternoon by members of the Woman's Society of Christian Service of the Methodist church.

General topic for the year is "Thy Saving Health Among All Nations." Mrs. Gene Lowrey was hostess for circle one. Mrs. Cliff Robinson was in charge of the program, which opened with group singing led by Mrs. James Sewell. Scripture background for the devotional was Psalm 46, which was given by Mrs. S. L. Denny, closing with prayer.

Mrs. Robinson directed the group in quiet meditation with thoughts on "Be still and know that I am God." Special talks were given by Meses. Della Craft, H. M. Mahler, R. N. Watson and Richey Abernathy. Mrs. Sewell led the group in song, after which Mrs. Robinson dismissed 12 members with prayer.

Circle two met with Mrs. H. W. Weaver, with Mrs. Fenton Dale directing the program. Mrs. Weaver gave the devotional and Mrs. Jesse Mae Owens led the group in prayer. Mrs. Kirk Beard introduced the program and discussed the day's topic. Mrs. Owens dismissed seven members with prayer.

Circle three met with Mrs. Miles Thompson with Mrs. W. E. Stockton in charge of the program. Following the devotional and prayer by Mrs. C. J. Simpson, special talks were made by Meses. Stockton, Elgin Denny and L. C. Perry. The six members were dismissed by prayer worded by Mrs. Stockton.

Soil Conservation

More than 2,000 farmers and ranchers will converge on Oklahoma City, February 20, for a three-day conference devoted to the one interest common to all of them—conservation of the nation's soil and water resources.

The occasion is the annual convention of the National Association of Soil Conservation Districts, expected to attract the elected leaders of soil conservation districts in all parts of the nation and from its territories.

Oklahoma City's central location, increasing interest in soil conservation, and the key spot occupied by agriculture in the nation's defense picture are factors which make Walters S. Davis Jr., association president, confident that attendance at this year's meeting will top 1949's Atlanta convention figure of 1,500 by at least 500 persons.

Davis, south Texas cattle rancher, and other association officers have arranged a varied and comprehensive program which includes speeches by Secretary of Agriculture Charles F. Brannan on the convention's opening day, and Dr. H. H. Bennett, chief of the USSCS, on February 22.

The program also includes meetings devoted to regional soil and water problems, panel discussions led by nationally recognized conservationists, presentation of achievement awards, election of new officers and directors, and a full round of entertainment for delegates and their wives.

Slated at a time when the American citizen is openly concerned about the prospect of world conflict and what it could mean, the convention promises to be a brass tacks "do something" event.

"The work of soil conservation districts in developing a more dependable wartime agriculture, the speeding up of the job of protecting and improving the nation's productive land, and water conservation and river basin development—these are among the problems to be discussed by convention delegates."

Comments President Davis, "I am counting on every delegate to roll up his sleeves and help us plan working policies." With the present international situation, these policies will help gain recognition of soil conservation districts and their program as one of the most important elements of our long range national planning."

Visitors interested in agricultural flood control may see an outstanding example of this work on the Washita River watershed in Oklahoma. Many thousands of acres of bottomland that were unprofitable are now turning in a profit as the result of the protection they are getting. And in the other aspects of soil and water conservation, Oklahoma offers the visitors a splendid chance to see the effectiveness of many other co-ordinated practices, which keep soil in place and provide for continuing soil improvement.

Soil conservation district leaders in Kentucky and North Dakota already have announced that their states will be represented by chartered bus delegations. And Nebraska, which topped other delegations at last year's meeting, is expected to bid again for the honor.

Local leaders of the nation's program to use soil and water scientifically will have headquarters at the Skirvin hotel and hold convention sessions at Municipal Auditorium.

It is not known at present the number of farmers and ranchers from the Wilbarger-Wichita SCD who plan to attend this meeting, but it is hoped that the district will be well represented.

SENIOR NEWS

Here it is another week and nothing of much interest has happened.

Mrs. Owens has been giving us a talk on marriage and such. We are supposed to write a long theme on our chosen vocation.

Some want to be teachers, nurses and airline hostesses—but the majority want to be housewives. In fact two of our classmates have already started their careers in this field.

Of course now—Mrs. Owens and I are against marrying so young but many lasting marriages are those that began while the two involved were considerably young. The point is that even if you choose to be a housewife instead of a school teacher, you still need to be educated to make a go of it.

So much for that. I didn't mean for this to sound like an advice column.

Mrs. McDonald has been supervising the sale of sandwiches at school some two or three days of the week. Money made is for a good purpose and the sandwiches are good, so everyone is profiting by this deal. They will use the money to send students from our school that win in the district meet, to Dallas for the regional meet.

The district meet will again be held at Iowa Park this year and we are hoping we can win again.

We have several seniors that will be competing. Patsy Mitchell and a sophomore girl will make up the girls debating team. J. C. has been trying to find someone to team up with him for boys debating.

Mr. Weathers is still trying to talk Elbert into entering the numbers sense contest but he is a bit bashful about it. You better enter, Elbert. You owe it to the school. Please!

I suppose Ella Lou is still planning to go out for declamation. And of course Page Morgan will be in the extemporaneous speaking category.

There will be several seniors in the one-act-play, but we don't yet know who. If there are any more contestants we will hear about them later.

Every desk in the sr room is filled now. Melvin moved from the jr room this week and now he is really a sr. A new girl, Betty Hall, came here this week. She moved from Bowie.

What is this we hear about Pad-diefoot going with an ex-sr? Last week it was a jr. Be sure and tell us about these things.

Wanda is pretty sad. She is still playing second fiddle to the navy. This makes the second boy friend she has lost in that way, and it all happened in about a month. If she keeps on like that the navy will be big enough to whip Korea.

J. C. and Jimmie Joy seem to be getting along just fine. She caught him winking at another girl in the hall the other day. It just happened that she was walking behind the other girl and saw the whole thing. I guess he talked his way out of it though because everything seems to be smooth.

I guess I'm going to have to be careful, because nearly every time I say something about a romance running smooth—well by the time the paper comes out it isn't.

Last week it was Wanda and Charles that made a liar out of me. But from the way things are looking, they are getting along pretty well.

Wednesday of this week was Jack-let's and Tommy's four month anniversary. It so happens that this is our only sr couple, so we are glad to see things going like this.

Seems like Sandra is getting interested in the ice man again and from what I hear, he must be interested in her too.

Kenneth and his cute soph girl are still seen in the halls together, so I guess everything is okay with them.

Well, it looks like Mr. Jeter finally took our advice and let the srs play a little more. Tuesday night when the Hawks played Crowell at the Fair Auditorium, he let the srs play quite a bit and while they were playing they really did well. Crowell won but our boys made them fight for it. The volleyball girls won over the Crowell girls to keep their record clear.

The boys play a conference game at Elvira, Friday night and I think that if everyone will be there and yell for the Hawks real loud and let them know that he has confidence in them and is backing them, they will win. We all hope so.

I understand that Patsy Jane is interested in Harold Lewis' cousin from Wichita. Is this still true, Pat?

Lucille was in the first excitement that she had ever been in, when she decided to go riding with some naturally mischievous kids. She just about got shot and was almost in a wreck. She even got to go down to the police station. She was so scared that she couldn't get out of the car, though.

Norma is getting along just fine with her beau, Eva Jane and Boyd are still doing just fine too. And of course you can all tell by seeing Lou Ann and Ben together in the halls that everything is okay with them.

Caroline Sue and Jimmy are doing right nicely and I take it everything is okay with Mary Ella and Go. don.
