W. F. George Heads Directorate of Bank, Pres. Hill Renamed

In a stockholders meeting held Tuesday, Jan. 9, 1951, the following directors were elected to guide the policies of the State National Bank of Iowa Park: John Hirschi, W. F. George, Herman Mitchell, John C. Murphree, J. W. Van Horn, C. E. Birk, W. A. George, Earle Denny and F. E. Hill.

Stockholders were pleased with the report of the bank's condition and earnings for 1950. The bank paid a 20 per cent dividend to all holders of its stock and transferred a substantial amount to the reserve and undivided profit account.

Immediately after adjournment of the stockholders meeting, the board of directors went into a business session for the purpose of electing officers for 1951. At his own request. John Hirschi was retired

W. F. GEORGE

from his position as chairman of the board. This important job was taken over by W. F. George. Mr. Hirschi has served the bank for many years in various capacities and expressed a desire to be relieved

of his responsibility. Other officers of the bank were re-elected, as follows: F. E. Hill, president: W. A. George, vice-president; Mrs. Mildred Traylor, cashier: Miss Roberta Hill, assistant

cashier. President Hill is looking forward to 1951 and expects the bank to have another good year. He considers business conditions sound. Deposits on Dec. 30, 1950, stood at the highest point they have ever been at the end of any fiscal year in the history of the bank.

Besides the regular called report the Herald, readers will find also comparative figures for the end of 1949 and 1950, which reflect the financial condition of Iowa Park Thursday morning from Mobile to and surrounding territory as well as the growth of its banking institution

Mr. Hill expressed his appreciation to the people of Iowa Park and surrounding territory for their confidence in the bank and their cooperation in making the bank an institution of valuable service to the community.

Valley View

By Mrs. Roy Lake

Most everything is back to normal in the community. School and college groups are back in their classrooms and all seems quiet on the V.V. front. As we enjoy this beautiful weather and give thanks for being Americans, we pray that soon the battle fronts will be quiet.

This struggle is of course the topic for conversation anytime a group gets together. Most everyday we hear of more of our young men here and those who formerly lived here getting their call or enlisting.

Male attendance at the colleges has been cut almost to veterans and those over or under age since the New Year.

Another topic is the fugitive Cook. Every hitchhiker on the road resembles him for everyone is suspicious while driving down the road of any figure beside the highway. Imaginations run wild and one catching himself looking in the rear view mirror to see if a gun is being levelled at his back. Hope the search will soon end successfully.

Prowlers are again raiding our neighborhood and some things are missing. It's a shame, but this seems to be local culprits.

Solonar Farm will have an auction next Monday.

Next Tuesday will be the luncheon date at the Methodist church. We invite all who will to come and eat one of our \$1 family style meals. The WSCS ladies serve these once a month, usually the third Tuesday.

The WSCS met Monday at the church for business and Bible study. Mrs. House presented Mrs. Harrell, Mrs. Sam Spruiell and Mrs. Self as participants in the program on the topic "We Seek Him Together." It was interesting and we urge all to attend these studies.

We will not meet next Monday since so many of us will attend district conference of the church in Wichita Falls. The ladies will serve the football boys banquet which will be in the near future. Each lady of the church is asked to help in making this a success.

A dear friend and former neighbor is seriously ill in the Wichita General hospital. Albert Hayter of Gordonville, father of Mrs. Paul Coppock has not been well for the past several years. The family had Christmas together at the Coppock's and he became worse, entering the hospital last week.

Mrs. Madera is much improved. She fell in November and broke her arm and shoulder. She is a sister of Sam Spruiell.

Jackie Holmes of Wichita Falls spent the weekend with his grandparents Mr. and Mrs. Sam Spruiell.

Thad another letter from Daisy Lee Jones Cooper in Saudi Arabia. She and Bill and Nan were going on their annual trip. This time to Paris and Rome. Maybe she will run into General Ike while there. It would be fun to be with them.

I'm out of paper and am sitting in the car in town waiting for Roy to get through attending to some things. Call me if you want any items printed.

Mrs. Lochridge Is Music Club Hostess

Modern Music study club met at the home of Mrs. O. E. Lochridge Thursday evening, Jan. 11, for an interesting and varied program. Mrs. Ida Chatelain served as co-hostess and Mrs. T. M. Black was program chairman for the meeting.

Mrs. Paul Zink was in charge of a business meeting which preceded a Current Event by Mrs. Lowell

The Choral Group directed by Mrs. James Sewell were the first entertainers to appear. Their selections included "Lonesome Valley" an American folk song by George Lynn. Mrs. Lowell Short was featured as the soloist. "God moves in a mysterious way" taken from the Psalter 1615, it was originally Dundee, and the words are by William Cowper. Their last number was "Brightest and Best Are the Suns of the Morning," the morning star tune by Jas. B. Holding.

The ensemble is made up of Mesdames Lowell Short, Wayne House, Joe Chandler, Preston Pace, Ruby Monroe, Arch Hughes, Otis Gay and T. M. Black.

Mrs. Lochridge gave the first of a two part organ concert, at which time she played Scherzino (Beethoven), Pilgrims Chorus (Wagner) and Rosary (Nevin).

"Hills of Home" and "Trees"
were vocal contributions of Mrs.
Chester E. Gleason. For a piano
number, Mrs. W. G. Steele offered
Sonata in E Flat (Haydn).

Sonata in E Flat (Haydn).

The program closed on a triumphant note with organ numbers by Mrs. Lochridge. In conclusion she played Aubade (Miles), O Sacred Head Once Wounded (Bach) and The Lord's Prayer (Malotte).

At the regular directors meeting of the Wichita county Farm Bureau, plans were discussed for a county-wide meeting to be held about Feb. 12 or 19 in Iowa Park, for the purpose of voting on membership dues and services for members.

Reports were heard on the district conference held in Wichita Falls last week and of the national convention held in Dallas in December and attended by Mr. and Mrs. Wymore Downing, T. J. Pace, Mrs. John Wesley and G. D. Rigsby.

Wesley and G. D. Rigsby.

Present for the directors meeting were Wymore Downing, Solon Downing, Max Carpenter and Cathryn Sands, all of Wichita Falls; Arthur Evert of Burkburnett; Geo. Streit, T. H. Eckelkamp, Lewis Hartmangruber, all of Electra; Mr. and Mrs. John Wesley, H. B. Klinkerman, Gale Lowrance, all of Iowa Park.

Disciples Doings

The Christian Women's Fellowship met with Mrs. Chester Gleason, Monday afternoon. Mrs. Rollins Woodall, program leader, gave a resume of a new series of three programs to be studied. The topic will be "Uneasy Crossroads from the Near East."

The first item, "A Cradle of Religious Faith," provided Monday's program, and Mrs. Forest Bates contributed a paper on that subject.

Mrs. R. B. Sisk gave a map talk explaining the location of and religious significance of the Near East. The topic "A Look at Islam" was given by Mrs. Wilson Huckaby. In conclusion, Mrs. Woodall discussed "A Look at the Holy City, Jerusalem," and presented a devotional on the theme "The Lord Shall Satisfy Our Souls in Drought."

During the social hour refreshments were served from a white linen covered table. Since this was the first meeting of 1951, the words "Happy New Year" appeared on a wide red satin ribbon which lay on the table between glowing red candles at either end.

Mrs. Gleason presided at the silver service and Mrs. Woodall assisted by serving the cake.

Those present were Mmes. Sallie Henderson, S. T. Buzzard, Curtis Sewell, Grady Henderson, R. B. Sisk, W. D. Sawyer, Wilson Huckaby, Rollins Woodall, I. W. Corder, Forest Bates and Burk Scott.

Rev. and Mrs. Chester Gleason were hosts to members of the board of the Christian church at their regular meeting, Jan. 9. The parsonage was the scene of a delicious meal prepared and served by Mrs. Gleason.

After a menu of ham, yams, green salad, French bread and raisin tartlets, Chairman O. R. Owens called the meeting to order. Committee chairmen Rollins Woodall, W. G. Steele, A. L. Reed and George R. Huckaby reported on activities and plans of their committees.

Other members present were J. C. Searl, E. L. Hartfield, Paul Peterson, W. D. Sawyer.

An analysis of the local evangelistic program was the topic of the meeting.

Mr. Gleason, as director of the district Christian Youth Fellowship, was in Breckenridge, Saturday, to meet with the youth officers who planned for the winter Fellowship comp to be held in Mineral Wells on Feb. 2 and 3. In the same capacity he was in Seymour on Thursday meeting with the cabinet of the convention of Christian churches in District 12.

Pie Supper Planned At School Thursday

The Iowa Park Band Boosters club will sponsor an old fashioned ple supper Thursday evening, Jan. 18 at 7:30 in the high school auditorium.

Everyone has the privilege of bringing a ple or of purchasing one. Those brought by the girls and women will be arranged separately from the pies brought by boys or men, for the benefit of those desiring to eat the delicacies with a person of the opposite gender.

A short band concert will introduce activities of the evening. Climax will be the announcing of the band queen, who has been elected by votes from the persons whose pies are sold.

Each class in high school will select a representative and the queen will be elected from that group of girls.

Mmes. Lee Perry, Loyd Bell, Homer Blalock and James N. Easterwood attended a leadership clinic for counselors of Baptist young people's organizations at Byers on Friday. Miss Ruth Thornton of Fort Worth conducted the clinic.

Mrs. Elma Barker and sister Mrs.
E. H. Berryman of Archer City
went Wednesday to Bellevue to attend funeral services for their uncle J. M. Finch of Fort Worth.

Friendship-Four **Thousand Miles Apart**

Never quite got the hang of how to play chess myself, but I'll say this for the game-it started one of the strongest friendships I know of: between Dad Wilson in our town and a fellow in Sudbury, England.

The two of them have never met or seen each other—but for eight or nine years they've been playing chess by mail together. Dad puz-Robinson, E. B. Taylor, Will Spruzles over the Englishman's latest iell, Richey Abernathy, Carl Sulliletter, takes a couple of days to van, M. L. Smith, Kirk Beard, Neil think it over, and then airmails a chart of his next move.

Dad always thinks best with a mellow glass of beer beside his chessboard. And the fellow in England writes that he does the same. "Almost as if we were in the same room," says Dad contentedly.

From where I sit, you can talk about diplomacy and foreign policy, but it's often little friendly things-like a game of chess or a glass of beer-that can make for tolerance and understanding . . . between people of different nations, between folks here at home!

because natural gas is so clean. It is impossible to imagine a modern and successful store without natural gas service. In the last five years 17.871 new stores have been opened in cities we serve. That's one of the reasons for our building program in which we have invested over 80 million dollars. Though virtually all materials and labor for building natural gas pipe lines, compressor stations and other facilities have gone up in price, our commercial rate has not been increased. The truth is, Lone Star commercial rate for stores is lower today than 10 years ago.

Millionth Car Victim **Expected This Year**

Accident X will kill the millionth American in traffic during 1951 or early in 1952, the Association of Casualty and Surety companies pre-

Nearly 964,000 men, women and children have died in traffic accidents since 1900. The 1950 toll of more than 35,000 deaths indicates that the millionth motor fatality will occur nextx December or early

in January 1952. Accident X will not be reported as such. Its victim, like the Uvknown Soldier-just one of the statistics for that month - will be known but to God." The new unknown American, completing a million lives lost in traffic in 50 years, may be a speeding or drinking driver, a woman shopper who jaywalks,

or a child at play in the street. Like the Unknown Soldier, Victim X will be a national symbol of sacrifice, because nearly all persons killed in traffic accident lose their lives needlessly. If Victim X should become a lasting symbol of the need for greater highway safety and thus spur the entire nation to action that decreases traffic deaths and injuries, this new unknown American will save countless lives by losing his own and also will rest

"in honored glory." Whether the impending death of Victim X is postponed a month or six months depends on how seriously every American who drives and walks accepts a personal responsibility in 1951 and 1952 to reduce highway accidents.

An all-out national highway safety crusade could save 10,000 lives this year, postponing the death of Victim X well into 1952.

AMBULANCE SERVICE ANYWHERE Day or Night - Phone 3711

In the grave emergency that now confronts

Since the discovery of oil in great quantities

our country, the oil industry faces its great job

with confidence . . . because, in the past 50 years, oil

has enabled Americans to produce more, to have

more, and to live better than any other people on

at Spindletop, oil has supported a progressive eco-

the earth.

With oil came automobiles . . . mass production . . . airplanes . . . mechanized farming . . . diesel electric trains . . . ships that cross an ocean in four days.

The oil industry kept pace with this amazing progress-supplied its energy, lubricated its wheels and gears, developed new and better products for new and better American machines. Foresighted, the industry planned yesterday for today's great need for oil; today, it plans for tomorrow's.

At the beginning of another year, the oil industry faces its biggest job in all the fifty years since Spindletop. It must produce more oil in 1951 than has ever been produced before. For the defense of our country and for our economic welfare-both now and in the future-the oil industry must continue to find new oil, to develop producing oil fields, to build refining and transportation facilities.

It approaches this job with a full realization of the size and number of the problems involved, but also with a confidence born of its demonstrated ability to keep ahead of the times.

Amazing is the word for it!
