Hawks want to reverse '84 game with Eagles

Time about is fair play. At least, that's the way Iowa Park is looking at tomorrow's big Dist. 5-AAA game in Hawk Stadium.

In other words, the Hawks just want to reverse last year's situation.

If you'll recall, in 1984 the Hawks traveled to Decatur sporting a perfect, 6-0, record. But they came away licking their wounds after being handed a 14-7 loss.

That game, and another a couple of weeks later against Springtown, kept Iowa Park out of the playoffs, a goal the Hawks have sought since 1970. Well, this year it's Decatur coming to Iowa Park. And the Eagles have a perfect 6-0 record.

After losing heavily via the graduation route, Decatur wasn't figured to be as much a threat for the conference title as the Eagles now pose. But last week, they shut out Bridgeport, in the first loop meeting of those two schools, 22-0.

In non-conference play, the Eagles shut out Boyd 28-0, then went 19-8 over Olney, and came back with another shutout, this time 14-0 over

Jacksboro.

The only common opponent Decatur and Iowa Park have met so far was Breckenridge, Decatur's fourth game. The Eagles ran over the Buckaroos 28-10. Iowa Park, in its season opener and while still trying to find its offense, lost to Breckenridge 28-14.

In their final non-conference game, Decatur shot down highly touted Graham, 10-6, handing the Steers their first loss of the season.

Through their first four games, the Hawks were hard pressed to get into the end zone, averaging only 9.7 points per outing.

But three weeks ago, the Mean Green offense made itself apparent, as the Hawks rolled up a 48-6 impression over Haskell, and last week put 35 points on the scoreboard in winning over Bowie. And that doesn't count three touchdowns called back in those two games.

One point that could possibly come into play tomorrow night might be how many players each team loses under the new "no-pass, no-play" rule.

While Iowa Park won't officially make its announcement until tomorrow afternoon, coaches said it appeared one reserve player on the varsity possibly would be lost. No word has been sent out of Decatur if any Eagles will be missing.

Coach David Baugh didn't know Tuesday afternoon if linebacker Jeff Tucker, possibly the largest player in that position among all district teams at 210 pounds, would be out because of a knee injury suffered against Bowie.

Decatur scored its final and winning touchdown last year by connecting on one of two completions. The game was played mostly under heavy rain conditions, but Decatur completed two of five pass attempts for 38 yards.

The Eagles are again a primarily running team. In three games coaches have seen on film, the Eagles have gone to the airways only 16 times.

The Wise County club counts heavily on field position provided by punter Lance Aldridge, who is also considered an outstanding extra point and field goal kicker.

TIGHT END DAVID DIETRICHSON DIVES FOR PASS IN END ZONE ... he missed it, but caught two others against Bowie.

Trustees appoint Brown to fill vacant seat

Former school trustee Jerald Brown was appointed Tuesday night to fill until April the seat left vacant by the recent death of Ray Hicks.

Brown is to serve until the annual trustee election is held.

Vote on the proposal was held following an hour-long executive session held by the board, during which some members were retained with the board 35 minutes.

The executive session was held, according to the meeting agenda, "concerning personnel, student matters, and appointment of someone to the school board."

Trustees also gave architect Don Daugherty the green light to commence drafting plans to add four classrooms at Kidwell Elementary.

That campus is hard-pressed to provide space required by state law to restrict the number of pupils to 22 per teacher. The addition has been discussed more than a year.

Daugherty estimated the cost of the addition would be approximately \$46.50 per square foot. But he mentioned that Wichita Falls

JERALD BROWN

construction currently underway is costing more than \$50 per square foot.

Supt. Glen Mitchell told the board he expects construction to be

completed by Aug. 1.

The board approved a bid of \$13,345 for a one-ton club cab pickup to be used by the Vocational Agriculture department. Though it was not the lowest of two bids received, the board decided to go with the larger truck, since the other was a three-quarter truck that cost

Trustees also approved ordering of a new, 47-passenger school bus, and repair work at the agriculture barn, to cost an estimated \$1,300.

Purchase of a new typewriter for the administration building, at \$1,016, was approved.

The board joined with the city in reappointing Stanley Williamson, local banker/agriculturist, to the county tax appraisal district board. This will be his third term.

Following a brief discussion, board members approved the school's discipline management program, which establishes staff members at various levels of the system. The new program is required under the school reform act.

Attempted theft, robbery keep local police busy

Numerous charges have been lodged against a trio of young Wichita Falls adults after an attempted theft here Wednesday of last week.

And an Iowa Park man is hoping to make a case against a black Wichitan he claims robbed him of more than \$1,500.

A Wal-Mart employee notified police at 1:35 p.m. of an attempted theft of a television set. A young woman had allegedly put a sales slip from a previous purchase on the set and was attempting to leave the store when confronted by an employee.

The young woman is said to have left in an automobile with another woman and man.

Police spotted the car soon afterward on West Park. It stopped by First Baptist Church, and the man fled the scene north on Yosemite.

Officers surrounded the block and began searching for the man, who was finally spotted behind a large bush near the entrance to the auditorium.

A female accomplice was apprehended later as she was walking on East Highway, and the remaining woman was taken into custody when she showed up at the police station the next day trying to get her car back.

Timothy Kevin May, 29, remains in Wichita County jail on charges of possession of drug paraphernalia, attempted theft, evading, and two Department of Public Safety traffic

warrants out of Wichita Falls. He faces \$200 bond on the first two charges, \$1,250 bond for evading and bonds on the traffic warrants are unknown.

Cheryl Lynn Brown, 24, also faces charges of possession and attempted theft, evading and possession of marijuana, which carries a \$5,000 bond. She reportedly also faces a warrant from Dallas for unauthorized carrying of a weapon.

Both were transported to Wichita County jail after facing Justice of the Peace Virgil Hill. Brown has been released after posting bond.

Cynthia Lynn Bills, 26, was charged with possession and attempted theft, and released after signing a promise to appear.

Michael Keith Bush, who resides at 809 N. Colorado, knocked on the door of Billy Joe Carter in Bogan Estates at 5:47 a.m. Friday, asking for medical help and police. He said he had been robbed at gunpoint.

Police said Bush's face showed signs of a beating.

Bush reportedly had begun riding around to bars earlier Thursday evening with a black male who drove an older model car. Shortly after 4 a.m. the car was noticed at a local convenience store where Bush reportedly purchased some food.

From there, according to Bush's statement, they drove to an area near Gilmore, Inc. where the black man allegedly drew a hand gun, forced

Bush out of the car, robbed him of \$1,400 in cash and took his watch.

A man matching Bush's description reportedly was found in jail in Wichita Falls on two serious charges.

Continued on page 4

High student attendance important to pocketbooks

There's more to attending school than education. It can also affect your pocket book.

One of the major financial provisions of House Bill 72 deals with the way that school districts receive state funds. A test period is established during the school year during which those students actually attending classes are counted, and funding is based on attendance, not enrollment.

From Oct. 7 through Nov. 1, the local school district will receive approximately \$70 for every day each student attends school, according to Supt. Glen Mitchell.

The school district will receive approximately \$2,401,000 from the state during this school year. The major portion of the money will be based on the number of students attending school during this four-week period.

Area cities join plan to fight rate hike

The Iowa Park city council Monday night took a step toward opposing a large water rate increase, by approving to share with other municipalities affected the cost of hiring a consultant.

Wichita Falls sells water to Iowa Park and other area communities. Iowa Park was notified recently its purchase rate would be increased 43 percent.

Mayor Tim Hunter told council members he had met with Wichita Falls officials concerning the proposal and, armed with some early information from the consultant, had tentatively been told the increase would be cut to 15 percent.

The consultant, Joe Nall, represented Wichita Falls when Iowa Park was given a major rate increase several years ago. His knowledge of the situation, Hunter told the council, can be very beneficial in the fight against an unusually high increase.

Cost of the consultant's fee, estimated between \$10,000 and \$15,000, will be shared by about five entities.

However, Hunter warned the council that he expects rate increases for water purchases from Wichita

Falls to be on regular two-year intervals.

Hunter told the council how Nall

News in Brief

Ray Hicks Scholarship Fund established

An account has been established at State National Bank to receive donations for the Ray Hicks Memorial Scholarship Fund.

The scholarship is being established in memory of Mr. Hicks,

farmer, agricultural leader, father of three outstanding FFA students and school trustee, who died in a farm accident Oct. 6.

Upon each receipt of donations to the fund, a card will be sent to the family, according to bank personnel.

City still leader in county

All four municipalities in Wichita County are showing increases in sales taxes over the same period in 1984, but Iowa Park continues to be the gain leader.

The city received a check for \$10,660.08, representing sales taxes collected in September. This is almost a thousand dollars over the \$9,478.37 received for the same month last year.

Iowa Park shows a nine-month

increase of 14.75 percent over last year: \$115,766.19, as compared to \$100,881.37.

The amount of sales tax received by the city is impressive, because the city council has dedicated all such money toward street improvements and construction.

Burkburnett follows Iowa Park in gain over 1984 with 6.50 percent, Electra 5.17 percent and Wichita Falls 4.61.

Commodity distribution set today

Distribution of USDA commodities will be made from noon to 6 p.m. today at First Christian Church.

To be distributed will be rice, cheese and butter.

It has been noted that the supply of butter has been cut in half, nationwide, so distribution today will be one pound per family.

Free GED class to begin Monday

A free GED class will begin Monday at Iowa Park Junior High School.

The self-paced class, which will meet every Monday and Thursday from 7 to 9 p.m., will help adults prepare for the General Education Development test. Those who pass the test will receive a state high school equivalency certificate.

The class will also be designed to allow adults the opportunity to brush up on their math and English grammar skills.

Taught by Linda Gray, the class is sponsored by the Adult Education

Division of Region Nine Education Service Center in Wichita Falls.

Weather Report

Weather reports are officially compiled for Iowa Park at the Texas Experiment Station, southeast of town.

Rainfall for week..... 1.25
Total for month..... 1.25
Total for year..... 29.84
Total for last year..... 15.52

Wildflowers are topic of Garden Club

Mrs. Mary Palmer of Wichita Falls, a native Australian and noted watercolor artist, gave an interesting and educational program on "Wildflowers" for the Iowa Park Garden Club at a meeting held Friday at Texas Electric Reddy Room. She was introduced by Mrs. Jimmy Gilmore.

Mrs. Palmer said that her love for wildflowers began with her mother and grandmother, who was the first child born in Melbourne, Australia, when she was a small girl. She has compiled a book containing hand-painted watercolor wildflowers with their native and botanical names and hopes to have it published.

She said that many of the wildflower seed were originally brought from Europe and that Dutch botanists came through Australia and took seed back to Holland with them. When Mrs. Palmer's husband retired from the military service they moved to Wichita Falls and she pursued her love for wildflowers here. She showed specimens of the flowers from her

area, and explained that wild flowers were used by our ancestors for medicine and food.

Mrs. Charlie Lee, president, served as hostess and directed the business. Mrs. China B. Smith gave the thought for the day.

During the business, Mrs. Michael Hodson reported on the outcome of the "Trash to Treasures" booth at the Whoop-Do, and Mrs. Smith stated that the scrapbook and yearbook had been mailed to the State Awards chairman. Mrs. D.O. James announced that the Yard-of-the-Month sign for October had been placed in the yard of Mrs. Dorothy Pybus.

Members voted to make monetary donations of \$25 to the Wichita Falls State Hospital and \$10 to the American Cancer Society. Mrs. Bobby Illingsworth showed the horticulture specimen.

Nineteen members and one guest, Mrs. Mae Roby of Aurora, Colo. were present.

Popular classics subject of Music Study Club meet

The home of Mrs. William LaBrier was the setting for the monthly meeting of the Modern Music Study Club Thursday evening. She was assisted with duties of entertaining by Mrs. Michael Sargent.

The program centered around classical music. Mrs. John Rentschler showed the book, "Classics That Made the Hit Parade," and told of four compositions which have had words added to them for pop tunes. Mrs. LaBrier played Peter Tchaikovsky's "Concerto No. 1," which is known in popular music as "Tonight We Love." Mrs. B.G. House played "O Splendor of God's Glory Bright" by Ambrose, the hymn of the month.

Mrs. Kenneth David conducted the business.

A Halloween motif was observed in the refreshment table decor that featured a large ceramic pumpkin.

Skin consultant provides program

The program for the Philia Study Club was presented by Penny Totten, a skin and color consultant, in a meeting held Monday evening at the home of Mrs. Wilbert Wynn. The co-hostess was Mrs. David Springer.

Mrs. Totten explained how important good skin is, especially in the ever-changing Texas weather. Each member was given the privilege of selecting her "color season."

filled with Halloween candy for the centerpiece.

The next meeting will be held Nov. 14 in the home of Mrs. John Rentschler.

Epsilon Eta has meeting

Mrs. Luther Shaw presented the first rush program for Epsilon Eta chapter of Epsilon Sigma Alpha during a meeting held Tuesday evening at the home of Mrs. Bud Mercer. The hostesses were Mrs. Tama McDowell and Mrs. Al Denton for the salad buffet dinner.

Mrs. Shaw presented the scope of ESA and each member gave a brief description of her duties on the ship, "SS" Epsilon Eta, in keeping with the with ESA.

During the business, the ESA Arts and Crafts Christmas Bazaar was discussed. It will be held Nov. 2 at Park West Shopping Center. Any crafters wishing to rent a space may contact Mrs. Marvin Robertson at 592-2681 or Mrs. Lonnie Fischer at 592-4443.

During the social hour, games of charades furnished entertainment.

The guests who were honored at the meeting were Robin Walker, Judy Mitchell, Connie Pollard, Kim French, Theresa Martin, and Mrs. Bill Vanek, a member at large.

LOOK WHO'S NEW

Timothy Glenn, an eight pound, 10-ounce son, was born to Mr. and Mrs. Randell Lucas September 14. Mrs. Lucas is the former Joan Price.

The grandparents are Mrs. Fannie Price of Iowa Park and Mr. and Mrs. R.L. Lucas of Electra.

Kyle Brandon, an eight pound, 10-ounce son, was born to Mr. and Mrs. Keith Edwards of Dallas October 13. He has a sister, Krista, four years old.

The grandparents are Mr. and Mrs. George Wood of Bethany, Okla., and Mr. and Mrs. Ken Edwards of Iowa Park.

Kayla Leann, an eight pound, two ounce daughter, was born to Mr. and Mrs. Billy Green on Sept. 27. She has one sister, Shannon, three years old.

Grandparents are Mr. and Mrs. Richard Wheeler and Mr. and Mrs. Leonard Green of Iowa Park.

Friendship Class members hold annual salad supper

The Friendship Class of First Baptist Church held the annual salad supper and installation service Monday evening at the church.

Mrs. Roy Smith conducted the installation service using "Spiritual Power" for a theme. She introduced it with a list and brief discussion of powers that directly or indirectly affect the lives of all people on the earth, then climaxed with Jesus' promise and commission, "Ye shall

receive power -- ye shall be my witnesses."

Following the installation, she presented each officer with a hand painted clothes pin with an attached key marked with "Ye shall be witnesses."

The new officers who will serve with Mrs. Glenn Mitchell, the new class teacher, will be: Mmes. O.S. McLemore, president; Elmer Singleton, vice president; Walter Scott, secretary; J.T. Parker, assistant secretary; D.H. Ford, corresponding secretary; C.L. Metz, treasurer.

Others who will serve include: Mmes. E.T. Patterson, devotional chairman; Homer Blalock, publicity; Metz and Singleton, outreach; and the group captains, Mmes. M.E. Goforth, F.L. McCoy, Leo Fletcher, Ruth Hill, Clay Davis, and Miss Helen Reed.

Mrs. Patterson used "Trusting" for the topic of her devotional talk.

Completes training

Airman 1st Class Lorena L. Patterson, daughter of Charlotte V. Pruett of Route 1, Wichita Falls, and sister of Sherry Cook of Route 2, Iowa Park, has graduated from the U.S. Air Force medical services specialist course at Sheppard Air Force Base.

Graduates were taught techniques for assisting in the care and treatment of medical patients. They also earned credits toward an associate degree through the Community College of the Air Force.

Patterson is scheduled to serve with the Air Force Regional Hospital at Sheppard Air Force Base, Texas.

Her husband, Air Force Airman 1st Class Rickey E. Patterson, is the son of Helen V. Clark and stepson of Johnny S. Clark of 4500 Weeks Park Lane, Wichita Falls.

She received an associate degree in 1983 from Texas Christian Univ.

Cook of the Week

The cheese ball is a delicious appetizer to have on hand for holiday entertaining, and one ingredient that is often used to enhance its flavor is garlic salt (or powder), a by-product of the bulbous herb of the lily family widely cultivated for its pungent compound bulbs much used in cooking.

Garlic has a long history and has always been tied with the working man. Its origin seems to be unknown, though it is believed to have spread into the Middle East and Europe from Siberia. The Chinese have known and used it for centuries, as have the Jews and Arabs. In Greece, it was once eaten as a vegetable in its own right, not simply as seasoning for something else, like most Americans use it.

Garlic was an important food of the Egyptian Pyramid builders. It was mentioned on the Calendar of Hsai, a Chinese book dating 2,000 years before Christ, and it is known to have been used by the Babylonians around 3,000 B.C. It was also a part of the Hebrew Talmudic Law, which stipulates it is used on certain dishes and on certain occasions. Magellan found it in the neighborhood of the Philippines and it is usual to assert that he brought it to America from Europe. However, it is said that an unruly member of the Cortez foray into Mexico was far ahead of scientists in bringing the existence of garlic into the Western Hemisphere.

Mrs. Keith Dyer, the former Terri Hanson, uses garlic salt to add flavor to her Cheese Ball recipe, one of her recipes for this week.

A graduate of Wichita Falls High School, she has worked as a clerk in the tax department at the Wichita County courthouse, receptionist for North Texas Medical Laboratory, and secretary for the Energy Control System. She is devoting fulltime to her job as wife, mother and homemaker at the present time.

She is a member of the Southwest Baptist Church in Wichita Falls. Her hobbies include ceramics, stencil art and most any craft. Terri and Keith, who is an daughter, five years of age pictured with her mother today. She is very proud of her stepdaughter, Hayli. 10 years old.

CHEESE BALL

2-8 oz. pkgs. cream cheese, softened
1 small can crushed pineapple, drained
1/4 cup finely chopped green pepper
1 to 2 tbsps. Lowry's seasoning salt
1/2 to 1 tsp. garlic salt
1 1/2 cups chopped pecans
Combine cheese, pineapple, green pepper, 1/2 cup pecans, then season to taste with seasoning salt and garlic salt. Mix well and chill at least 1/2 hour in refrigerator. Remove and roll in remaining pecans. Serve with wheat thins or other snack crackers.

SWISS STEAK

1 piece round steak
1 or 2 onions
1 medium can tomato sauce
Salt and pepper steak pieces and pan fry in bacon grease. Add onion slices and fry until tender. Add tomato sauce and simmer 15 to 20

Mrs. Keith Dyer

minutes. (A little water may be added as needed while simmering.)

MYSTERY PIE

20 saltine crackers, crushed finely
1/2 cup sugar
1/4 tsp. cream of tartar
3/4 cup crushed pecans
3 egg whites, beat until stiff and add 5 tbsps. sugar
1 tsp. vanilla

Add first 4 ingredients to egg and vanilla mixture and bake 20 minutes at 325 degrees. Cool and wrap in foil. Top with whipped cream.

SOUR CREAM CHICKEN ENCHILADAS

2 cups cooked chicken, cut into bite-size pieces
1 lb. Monterrey Jack cheese, grated
1 medium onion, chopped
12 corn tortillas

Soften tortillas by dipping in hot oil; drain on paper towel. Fill with chicken, onion and cheese. Roll up and place in large shallow dish.

SOUR CREAM SAUCE

1/4 cup butter
2 tbsps flour
1 can or 2 cups chicken broth
1 cup sour cream
2 jalapeno peppers, chopped
Melt butter, add flour and broth. Cook over medium heat till thick. Add sour cream and cook till hot but do not boil. Add peppers and pour over enchiladas. Bake at 350 degrees 30

VEGETABLE BREAD

1/2 cup Parmesan Cheese
1 cup scallions with ends, chopped
1/2 jar Bacon Bits (Hormel is the best.)
One half pound, crumbled bacon can be used, but it doesn't make it taste any better.

2 sticks margarine
3 cans of biscuits (10 per can)
Melt some of the butter and saute the onions and peppers, then add rest of the butter. Cut the biscuits into fourths. Swirl in butter and coat; add cheese and bacon. Set in bundt pan and bake at 350 degrees 30-40 minutes.

Serve warm. (This is great with Italian dishes.)

MEXICAN DISH

1 lb. ground beef
1 whole onion, chopped
1 can whole tomatoes
1 jar Taco sauce
1 can cream of mushroom soup
1 can Ranch Style beans
1 jalapeno pepper, chopped
1 bag Doritos

Grated cheese

Crush Doritos and place on bottom of baking dish. Layer on:
Cooked ground beef, crumbled
Can of beans

Combine onion, soup, tomatoes, pepper and Taco sauce and top the first two layers. Sprinkle grated cheese on top and bake at 350 degrees 30 minutes.

Haiti subject of UMW program

Mrs. Don Owens presented an interesting and informative program on Haiti for the United Methodist Women Tuesday morning. Her discussion was taken from Response, the UMW magazine, and articles from other sources.

The first part of the program was given over to the existing governmental conditions under the lifetime president, Duvalier, who in consolidating his power has resorted to abduction, imprisonment, torture and even murder.

Mrs. Owens explained that under his regime, there has been little economic growth, and the majority of the people are poor and lacking in basic health care because of the political exploitation.

She said that in a land no larger than the state of Maryland where six-million people live, 95 percent of them are peasants with an annual income of \$150, and that 80 percent are illiterate.

According to the speaker, much aid has been given to the people especially from the U.S., but Haiti has little to show for it because of poor accounting and much of it being dropped into waiting pockets.

In closing, she painted a bright side to the picture. She said that the Haitians are proud people who would like to have the opportunity to live above the level to which they are subjected. "Under proper governmental control and aid from other countries, they may in turn rise to the level they would like to attain," Mrs.

Church to give away Bibles

The Faith Baptist Church will be distributing New Testament Bibles in Iowa Park Oct. 21-31. The Bibles will be gifts from the church.

Rev. Jerry Miller, pastor, said if people are overlooked and desire a Bible they can go to the church and pick up one or call 592-4894 and one will be delivered.

CARD OF THANKS

The Lakeview Church of God Ladies Auxiliary would like to thank each and every one for helping make our Whoop-T-Do project a big success.

CARD OF THANKS

My family and I would like to express our thanks for the cards and visits received while I was in the hospital.

As I See It....

By BOB HAMILTON

How short our memories!
It was just a few, short years ago that Chrysler Corp. was on the rocks. Workers were laid off. Things looked glum. And, as a last-ditch solution, the people of the United States, through the federal government, loaned the corporation enough money to get back into business.
There was no question why Chrysler was closed. It couldn't keep paying the wage scale to its employees and produce a vehicle that was competitive both in price and quality.
So, with lower wages, better quality was put into its cars, and sales took off. Things boomed for Chrysler,

and the corporation was able to pay back its loan in a shorter time than had been agreed.
Now Chrysler workers are on strike. Why? Because they aren't drawing the same wages as the other automobile manufacturers.
Have they already forgotten what forced Chrysler to close in the first place? Have they forgotten that the other manufacturers had to make a big loan payment and therefore could afford to pay the higher wages?
I made mention of the fact a few columns ago, that wages cannot be established based on that someone is paid. Wages have to be set on the employee's worth, how much profit

he generates and the cost of doing business.
Chrysler workers have a big strike fund built up, I understand.
Well, I'd like to see Chrysler just close down. Let those workers cut up that strike fund, and see how long they can live on it.
Then when the money runs out, go to work for one of the foreign manufacturers who are moving to the United States. Then their salaries would be compared with those in Japan or Germany.
Or, maybe they could use that strike fund money to buy a farm. There's plenty for sale these days. As owners, they could pay themselves whatever they thought they were worth.
Know why I love the unions? They give me so much column material.

City

Continued from page 1

had discovered the area cities had not been given credit for revenue received by Wichita Falls after that city had sold some \$10-million in bonds, put the money on interest-bearing deposit about a year and not figured in the revenue into the cost of the Cyprus Street water plant improvements.
Aldermen approved two ordinances which annex tracts of land west and north of the city. Both have been subjects of two previous public appearances.
Also, public hearing was held on a third tract on Smith Road which is proposed to be annexed.
Approval of an ordinance to abandon 20 feet of right of way off Washington between Penn and Alcott was given by the council, as was another ordinance rezoning a small tract on West Highway from C-A/R to C-G.
Also approved was an ordinance amending the city code to better define manufactured housing, modular buildings and industrialized buildings.
A resolution authorizing no-smoking signs to be put up in city hall and council chambers was passed. There is no fine assessed for violation. The city will advertise for bids to

construct concrete approaches to all railroad crossings in the city. Hunter had previously said concrete would stop the rippling of asphalt normally experienced by drivers. Estimated cost is \$26,000.
A proposal to close the city library Nov. 1 for moving to the new library building was approved. Administrator James Barrington said he anticipated the new facility to be open about Dec. 2.
The council tabled action on renewing insurance for the city after hearing its "umbrella coverage" premium is being increased 47 percent. Members were told companies are shying away from even offering such insurance and costs were increasing.
Ballots for the Nov. 5 special election on the proposed Home Rule Charter were assigned. Two other elections will be held at the same polls, one on the state constitution amendments and the other on the county sheriff deputy pay raise proposal.
Precinct 32 voting will be held at the county agriculture building and Precinct 33 will be at Faith Baptist Church.
The mayor announced Larry Ashford had been hired as the city's first code enforcement officer.

UW campaign nearing end

The Iowa Park United Way fund drive has reached 65 percent of its goal, with \$34,000 collected, according to Robert Palmer, local drive chairman.
Only one week remains of the six-week campaign, and Palmer said volunteers will be working hard to reach the community's goal.

As of Tuesday, Iowa Park was second, behind Burkburnett, in percent of goal reached among participants in the Greater Wichita Falls United Way campaign.
Final collection date for Iowa Park is Tuesday, and a meeting will be held at 10 a.m. at the Chamber for all collections to be reported, Palmer said.

They all earned Division One!

It was a sweep! Everything was coming up one for Iowa Park musicians Saturday at the annual University Interscholastic League marching contest.
Iowa Park High School, Division One.

One.
Iowa Park Junior High School, Division One.
Iowa Park High School Twirlers Robbin Isbell and Lisa Hodges, Division One.

Division One rating in marching is important to any band program, because it qualifies the band to earn the coveted Sweepstakes award in the spring, if the same rating is earned in concert and sightreading contests.

Letter to the Editor

Dear Mr. Hamilton:
Since we have received our brochure for the proposed "Home Rule Charter", with election to be held 5 November 1985, I would like to address the citizenry of Iowa Park concerning this issue. I trust my letter will be published in its entirety.
This issue has come up for a vote in the past. May I ask how many times it will have to be defeated before our "Elected City Officials" realize we do not want the "Home Rule" form of

government to replace the "General Law" form of government.
From the brochure "Article II", "Powers of the City" (City Council) is self explanatory. The citizenry will not have a voice in their City Government, only the elected officials. There are 254 counties in the State of Texas and only 251 cities have "Home Rule", which isn't even an average of one city per county. This should be a reliable indicator to its merit that it is not an acceptable form of government for cities in general.
The general consensus by our elected city government is to have full power (Home Rule), with out the intervention of State guidelines, which are set forth in "General Law". With "General Law", you at least have a recourse if the guidelines are not followed. You may file a complaint at the State level. With "Home Rule" you wait until the next election and hope to get new people to serve.
Come 5 November 1985, don't let

excapism replace logic. **VOTE AGAINST** the "Home Rule Charter".
Sincerely,
Pearl Moore

Police

Continued from page 1

and no charge was yet filed yesterday on Bush's complaint.
Police took two women into custody in the 1000 block of E. Washington at 11:59 a.m. Thursday.
Gena Marie Shoulders, 27, was charged with driving while intoxicated after a breath test was administered in Wichita Falls.
Janet Lynn Gray, 35, was charged with public intoxication and also found to have two outstanding warrants from Wichita Falls, improper registration and no motor vehicle liability insurance.
Both were turned over to County Sheriff's Department.

Worth Quoting

As promised several weeks ago, former Congressman Jack Hightower has returned home to Vernon from the nation's capital, and the arrangement is apparently permanent unless he seeks and wins back the congressional seat he lost in the 13th District to Republican Beau Boulter of Amarillo.
Hightower says that supporters in Amarillo tell him he simply must oppose Boulter in the November, 1986, general election.
The former Vernon congressman said Tuesday night he has told his Amarillo friends he hasn't closed the door on another race as one of his options.
But it is evident any race against Boulter would not be just one against the former Amarillo city councilman, but against all the money and forces the GOP can muster.
Announcements have already been made that Vice President George Bush will be coming to Wichita Falls and GOP Congressman Jack Kemp will be going to Amarillo in fund raising for Boulter, participating just the sort of race Hightower might have in mind.
Hightower is now in the same position former GOP congressman Bob Price of Pampa faced after Hightower defeated him nearly 12 years ago. Price made a bid to reclaim his seat two years later, but was unsuccessful.
It apparently is general knowledge here that Hightower had as at least one of his several options the possibility of running for district judge, in the event Judge Leslie Thomas of Crowell should retire.
But Thomas has now informed

Hightower that he will not retire, but wants instead to serve another four-year term.
Hightower, of course, can also simply reopen his law practice in Vernon and enjoy the friendship and veneration of hometown residents that he has earned in a lifetime of public service.
That could easily be the most attractive of all the options.

If you want to save energy, you need to take control.

Over the years, the electric company has helped you conserve energy in lots of ways. We've helped with tips on things you could do yourself — all the way from caulking and weatherstripping, to installing just the right amount of insulation for your home. Now you can take even more control. The electric company has information that shows you the cost of operating your electric appliances. And knowing what electricity costs makes it easy for you to decide how much to use. There are also tips on many other ways to use energy wisely, like maintaining the most economical setting for your thermostat.

And remember, when it comes time to replace your old air conditioner, one of the best ways to control the amount of electricity you use, and still stay cool and comfortable, is to replace it with one that's more energy efficient. Your electric company has lots of helpful information available. Take control and get things running your way.

Library News

The Iowa Park Library is featuring books about dogs in the children's section this week.

In the juvenile section, there are the favorite dog stories about "Old Yeller" and "Savage Sam," the story of the son of "Old Yeller," both books written by Fred Gipson.

Other books about dogs that are being featured are: "Lobo," by Mackinlay Kantor, "Juneau, the Sleigh Dog" by West Lathrop, "Big Red," "Outlaw Red," and "Snow Dog" by Jim Kjelgaard.

The non-fiction and informative dog books in the juvenile section are "Skeezzer" by Elizabeth Yates, "Wonders of the Dog World" by Leon Whitney, and "The Real Book about Dogs" by Jane Sherman.

Young children's easy to read books about dogs available are: "I Love You, Mary Jane" by Lorna Balian; "Benji and the Barking Bird" and "Benji's Boat Trip" by Margaret Bloy Graham; "Pinkerton, Behave" and "A Rose for Pinkerton" by Steve Kellogg; "Puppies," published by the National Geographic Society, a colorful book about raising puppies to become healthy, playful pets for young children.

During the story hour today for

children 2-5, a dog named Spot will be featured. He is a very special puppy and will be a delight with his storybooks about himself. Other activities during the hour will be listening to and singing songs, with fingerplays about puppies.

Mrs. Billy Mashburn, librarian, states that all books checked out from the library must be returned by Nov. 11. At that time, the library will be closed until the opening of the Tom L. Burnett Memorial Library.

Halloween books are being featured this month in the children's section of the Iowa Park Public Library.

It is almost Halloween and someone has been smashing all the jack-o-lanterns on Grove Street. Mary Grace Patts and her make believe friend Nellie set out to solve the mysterious pumpkin smasher before it's too late, in the book "The Halloween Pumpkin Smasher," by Judith St. George.

Two books featuring a collection of stories for Halloween are "Witch, Goblin, and Sometimes Ghost" and "More Witch Goblin and Ghost Stories," both written by Sue Alexander.

For children who have a hard time selecting a costume for Halloween, a good book to read is "How Spider Saved Halloween" by Robert Kraus.

Georgie, the ghost featured in books by Robert Bright, has two books about him in the library for Halloween. They are "Georgie's Halloween," and "Georgie and the Noisy Ghost."

Other books being featured are "Miss Flora McFlimsey's Halloween" by Mariana, "It's Halloween, Dear Dragon," by Margaret Hillert, "The Witch Who was Afraid of Witches," by Alice Low, "It Hardly Seems Like Halloween" by David S. Rose, "The Pumpkin Patch" by Patricia Miles Martin, "Witches" by Colin Hawkins, "It's the Great Pumpkin, Charlie Brown" by Charles M. Schultz, and "The City Witch and The Country Witch" by Jay Williams.

On Halloween

On Halloween I'll go to town
And wear my trousers upside down
And wear my shoes turned inside out
And wear a wig of sauerkraut.

-Shel Silverstein

Poem featured in the book "In the Witch's Kitchen Poems for Halloween" compiled by John Brewton, Lorraine A. Blackburn, and George M. Blackburn III.

Friendly Door News

The Friendly Door members who were honored at the monthly birthday party and covered dish luncheon in October were Grace Hughes, Jettie Sampley, Bernice Green, Miles Thompson, Ruth Gard and Rosa Lee Teal.

The special events for the remainder of the month will include the band playing at Heritage Manor Oct. 28. The Word Study is conducted each second and fourth Tuesday at 10 a.m.

The schedule of events includes: band practice on Monday; grocery shopping on Wednesday; nail and toe trimming on Wednesday; and bowling on Friday afternoon. Table games and quilting fit into each day's schedule.

Thurs., Oct. 17 - Sliced ham, sweet potatoes, spinach, cornbread, cookies.
Fri., Oct. 18 - Hamburger, baked beans, candy bar.

Mon., Oct. 21 - Salmon croquette, potatoes, cole slaw, apple crisp.

Tues., Oct. 22 - Meat loaf, squash, blackeyed peas, cornbread, prunes.

Wed., Oct. 23 - Beef Stroganoff, carrots, S. tomatoes, vanilla pudding.

Thurs., Oct. 24 - Liver & onions, potatoes, English peas, oatmeal cookie.

Faith Baptist Church started 30 years ago

The Faith Baptist Church will celebrate its 30th anniversary Sunday and will start at 9:45 a.m. when Rev. Bill Campbell, a former minister, will teach the adult Sunday School lesson.

The message during the morning worship service will be delivered by Rev. Gerald Tidwell, also a former pastor, now serving as pastor of the First Baptist Church at Durant, Okla. Rev. Ken Cole, who recently resigned as pastor to become the pastor of the First Baptist Church at Dimmitt, will read the scripture and Darrell Dick, a former choir director, will provide the special music. Rev. Fred McDowell, associational missionary, will offer the invocation.

Mrs. Vernon Lewis, organist, and Mrs. John Rentschler, pianist, will serve as accompanists.

Following the service "dinner on the grounds" will be served in the Fellowship Hall. Tim Adcock of Abilene will provide the organ prelude music to start the afternoon worship service at 1:30 p.m.

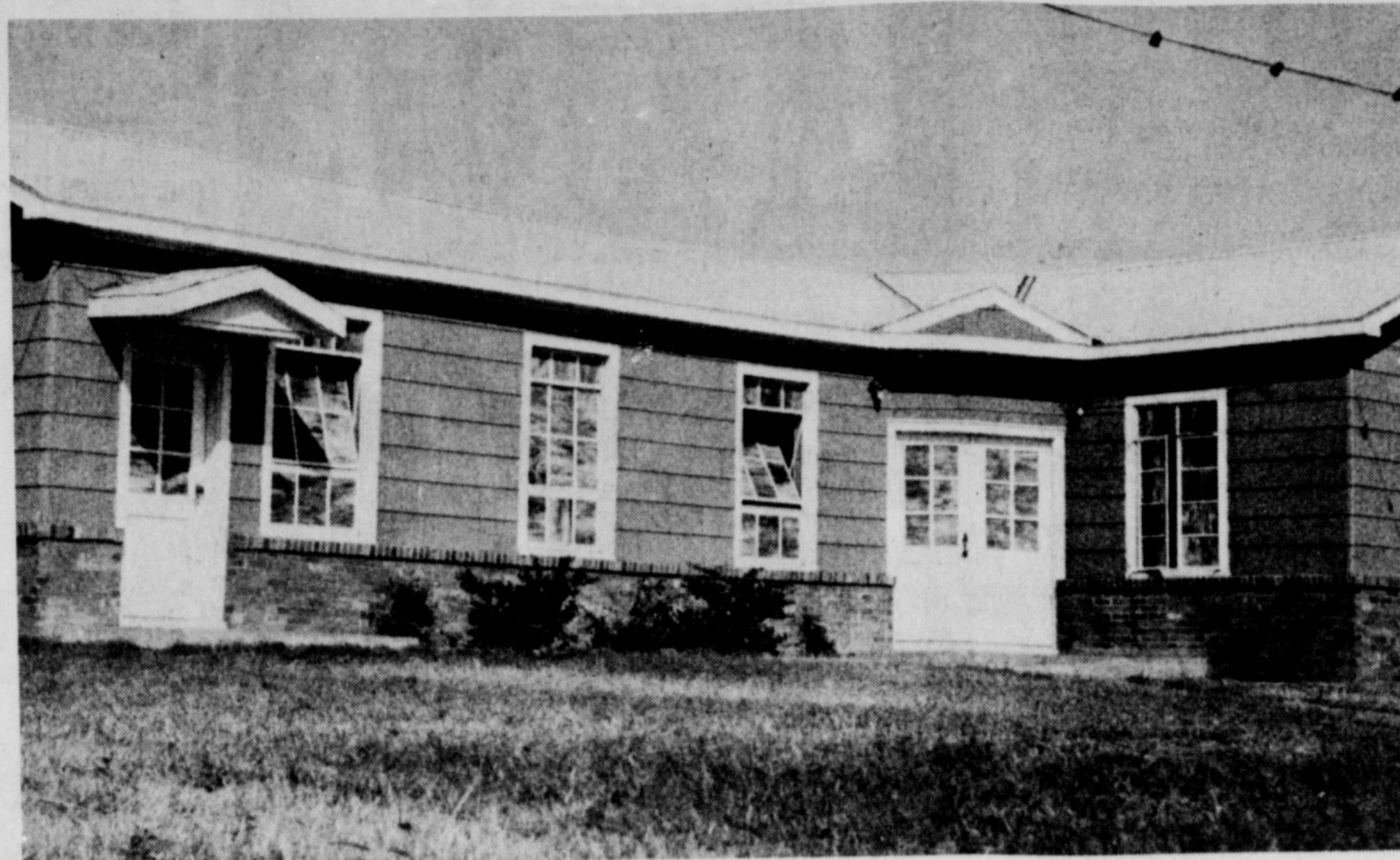

The previous choir directors of the church have been asked to lead one congregational song, and the visiting former choir members will present a message in song. Fred Parkey will present the ones present who have been licensed and ordained as ministers by the church.

Rev. John Klappenbach, pastor of the First Baptist Church at Odell, who pastored the church from 1955-1966, will deliver the message.

Herb Adcock has served as chairman of the steering committee for the anniversary celebration. Those who served with him include Mr. and Mrs. John Rentschler, Mr. and Mrs. Fred Parkey, program; Mr. and Mrs. Vernon Lewis, fellowship hosts; Mr. and Mrs. Adcock, Roberta and Virgil Hill, publicity and invitations; Mrs. E.T. Wells and Mrs. Paul Arrington, history.

The Faith Baptist Church grew from a mission started by First Baptist Church, when Rev. James N. Easterwood was the pastor, in 1953, and the mission was constituted into a church on Dec. 31, 1955. For the service, Rev. L.H. Hood served as moderator and Rev. S.F. Martin, District 11 missionary examined the church. Raymond Williams read the names of 173 members of First Baptist Church who desired to constitute the newly organized church.

The history of the church begins with a meeting held May 18, 1953 by Fred Parkey, Deloss Kagy and Mrs. Sue Wright to discuss the possibility of the First Baptist Church establishing a mission in the south part of town. The suggestion was made to the Brotherhood of the church, and volunteer men and

ORIGINAL FAITH BAPTIST CHURCH BUILDING

women were enlisted to help take a census of the area. A.L. Halbert, O.L. Deary and Joe Baxter were elected to serve with Fred Parkey and Deloss Kagy as a mission committee.

In the following months, a half block of property on South Wall Street owned by Wayne A. Harris was offered for sale for \$1,400. The owner was willing to accept \$500 as down payment and the balance in \$45 monthly payments, with no interest. The church voted to buy the property for a First Baptist Chapel.

The Amvets donated a frame

building for the auditorium. Other donations included the drawing plans,

CARD OF THANKS

We wish to express our gratitude and deep appreciation for the prayers, food, flowers, cards, phone calls and support during the illness and passing of our loved one. We are especially appreciative of Rev. Leonard Schoppa and members of Good Shepherd Lutheran Church and Faith Baptist Church.

Gerald, Shane, Tina and Chris Abila
Mr. and Mrs. Bill Carter
Mr. and Mrs. Bobby Carter
Mr. and Mrs. Mark Carter
Mr. and Mrs. Roy Black
Mr. and Mrs. James Howell
Mr. and Mrs. Henry Kiser

sand, electric wiring, laying sewer lines, plumbing, overhead fans, doors, lawyer counsel, moving the Amvet building, installation of wallboard, and lumber in a two-story house.

The first meeting in the mission was held Jan. 10, 1954 with Rev. H.M. Riek, pastor of First Baptist Church, doing the preaching during the Sunday School and training Union hours. The building where the service was held in still being used by another church in the city.

Rev. George Shropshire became the pastor of the church in June, and in September a building committee

Obituaries

Zellah Davis

Graveside services for Zellah Davis, 78, were held Wednesday afternoon at Highland Cemetery with Rev. David Jones, pastor of First Baptist Church, officiating. Burial was under direction of Tanner-Aulds Funeral Home.

Mrs. Davis, the former Zellah Thompson, was born Sept. 3, 1907, in Iowa Park and was graduated from Iowa Park High School. A 37-year resident of Wichita Falls, she taught the first grade at Sam Houston Elementary School 37 years. She had also taught at Chillicothe and Graham. She was a member of the First Baptist Church in Wichita Falls.

She is survived by a daughter, Jane Ann of Wichita Falls, and a sister, Jewelle Woods of Arlington.

Health Tips

— from Jerel Kerby

How You Can Avoid Halloween Horrors

Halloween can be a terrific holiday for kids, but it can also contain dangers more real than goblins and ghouls. Yet, with a few precautions and some careful planning, parents can make sure Halloween is both fun and safe. The following are some tips from the Children's Hospital in Boston:

- * Let your child scoop out the pumpkin for a Jack O'Lantern and draw a face on it — but only an adult should do the actual carving.
- * Likewise, only an adult should light the candle in the pumpkin. These precautions will help your children avoid cuts and burns.

TRICK OR TREATING

- * No child should go trick or treating alone. Make sure an adult accompanies young children; older children should go in groups.
- * Allow children to go trick or treating early, but make sure they avoid the evening rush hour. Remember that it is harder for motorists to see clearly at twilight than at any other time of day.
- * Give children specific neighborhood boundaries within which they may trick or treat, and warn them not to cut through yards, empty lots, or deserted areas.
- * Tell children to go only to homes of neighbors they know and only to those homes with an outside light on. Instruct them to decline invitations to enter homes.
- * Tell children to avoid neighborhood dogs, which can become hostile when startled by otherwise familiar children in unfamiliar costumes.
- * Put strips of reflective tape on the front and back of children's costumes to make them more visible to drivers.
- * Give children flashlights to carry, never candles.
- * Make sure costumes are roomy enough so that children can dress warmly. October evenings can be cold in some parts of the country.
- * All face paints, glues, and glitters should be nontoxic.
- * Make sure all costumes and accessories are flame-resistant.
- * Make sure children have adequate vision, and can breathe easily through masks.

CAUTIONS ABOUT TREATS

- * Warn children not to eat any of their treats before returning home. A filling meal before going out helps.
- * Throw away any treats that are homemade or that have torn or unsealed wrappings.
- * All fruit should be washed and cut open to check for foreign objects before it is eaten. Any suspicious treats or harmful objects should be reported to the local police.
- * Keep the number of your local poison information center handy for Halloween night.

*Comparison based on official GAMA Directory, April 1985. Offer available to qualified single-family home owner-occupants only. Expires Dec. 15.

was appointed to make plans for a long range building project. In April 1955, the first unit of a planned educational building was completed in time for Easter services, and in September ground was broken for the next unit. By this time future building plans called for a new auditorium, and in May 1957, the formal dedication of the auditorium was held.

Rev. John Klappenbach was called as pastor in March 1959; in 1962, property was purchased for a graded nursery, and the church plant was enlarged in 1965.

Other pastors not previously mentioned were Rev. Ron Killingsworth, 1970-71 and Rev. Jacky Newton, 1972-76. Rev. Jerry Miller assumed his duties as pastor Oct. 6 of this year.

The present resident membership of Faith Baptist Church is 777 and non-resident membership is 339.

The 30-year record shows 993 baptisms, and 1,547 other additions; total mission gifts \$362,237; coopera-

tive program \$212,168; other missions \$150,069; value of church property \$452,280.

Ten young men have been licensed and seven ordained to preach by the church. Those ordained include Carl Kent, Ronnie Hill, Sam Paul Callaway, Tommy Smith, Charles Halbert, Bruce Hammonds and David Kirk, who served as choir director and is now attending a seminary in California. Mr. and Mrs. Jim Miller have been commissioned by the church as part of the Service Corps of the Home Mission Board.

The church has experienced a steady growth through the years, and reached out in building houses of worship in Texas, Oklahoma, Colorado and Old Mexico. Some of the members have been a part of evangelistic efforts in Brazil, and mission efforts have extended into Korea.

The interim pastors have included Revs. Floyd Heard, Herb Crocker, Raymond Jones, Harold Riney and Gary Fielding.

PROPOSED AMENDMENTS TO HIGHLAND CEMETERY ASSOCIATION CONSTITUTION

Article III, Section 1: Membership will be open to all persons with a direct interest in HIGHLAND CEMETERY. Voting members shall maintain a 50% average attendance, if within commuting distance. Otherwise, financial contributions to the maintenance during the previous calendar year shall establish voting privileges.

Article IV, Section 1: Meetings shall be held on the 2nd Sunday of each odd-numbered month.

Article V, Section 1: (a) The office of CORRESPONDING SECRETARY shall be changed to correspondent. (b) The NINE BOARD OF DIRECTORS shall be elected by the membership, without regard to church affiliation. (c) The office of CONTROLLER shall be established. (d) The office of HISTORIAN shall be established.

Article V, Section 2: Nominating committee shall be elected by the membership at the November Meeting.

Article V, Section 3: (a) The office of President shall be enlarged to include the physical over-seeing of maintenance, and enforcement of regulations within the cemetery. The President shall be directly responsible for the caretaker and other hired labor. (b) The office of Correspondent shall involve maintaining current mailing lists for securing funds and informing members of planned activities and developments. Mailing list shall be up-dated no less than each quarter, according to the sale of lots, and deaths. The Correspondent shall write, (or have written) and mail, (or have mailed) all necessary correspondence. (c) The office of Treasurer shall maintain a daily journal of deposits and expenditures, with each entry indicating detailed source of income, and nature of expenditure. (Individual donations to be listed separately.) The Treasurer shall forward all checks to the President for counter-signature. The Treasurer shall retain all purchase invoices for no less than 10 years. All deposit records and bank statements are to be placed in a file for permanent storage. In addition to the summary report brought before the association, the Treasurer shall have the Journal available at all meetings. (d) Records, and Controller shall retain records, now kept over the Cemetery File, for Deeds to be issued. The Controller shall be responsible for preventing the duplication of deeds, or incorrect burial position, by maintaining cross-files in the Cemetery office. The Controller shall PRINT or TYPE legible file cards on all lot purchases and burials. (e) The office of Historian shall collect all known documents, clippings, obituaries, and records pertaining to Highland Cemetery, past, present, and future, and maintain said records for posterity. (f) The BOARD OF DIRECTORS shall be separately and collectively responsible for the performance of all other officers, as to their duties as outlined in the Amended Constitution. (g) It shall be the responsibility of ALL Officers to be present at ALL meetings. Should an officer, other than the President, find himself unable to attend a meeting, he shall notify an alternate to assume his duties, and to inform him of the proceedings that he missed. (The Vice President's office performs for the President in such cases.) All officers are to be aware of all phases of the association business.

HIGHLAND CEMETERY ASSOCIATION RESOLUTION:
The HIGHLAND CEMETERY ASSOCIATION, as the largest, non-profit, interdenominational, social-service organization in our community, must conduct ourselves in a responsible, business-like manner, creating respect for, and pride in our cemetery. It is therefore necessary to establish certain rules and regulations to prevent further damage, and make maintenance easier in the cemetery.

A. Individual Responsibilities:

1. It shall be the responsibility of relatives of those buried at HIGHLAND CEMETERY to remove faded or damaged arrangements before deterioration creates a blight or mowing problems. (This does not refer to funeral flowers)
2. Glass or ceramic ornaments and/or containers may not be placed on a lot, unless relatives do the regular mowing and upkeep.
3. Easels, arrangements, etc., shall be limited to two (2) per grave. These are to be placed beside the stone. There shall be nothing placed on the center of a grave site. (This does not refer to funeral flowers.)
4. There shall be no wire or picket fences, or borders of any material other than standard curbing.
5. There shall be no rock covering any lot or space outside of standard curbing. Rock inside standard curbing must not exceed curb level, i.e. ground level. Where Rock material is used in compliance, the owner is responsible for COMPLETE maintenance and upkeep. If it is not maintained, it will be filled with soil, and seeded, and the owner will be billed for the expense.
6. The owner shall be responsible for contacting the caretaker prior to any construction.

B. Contractors and/or Owners

1. Contractors shall be jointly responsible with owner for the notification of caretaker prior to construction.
2. There shall be no curbing placed around a single grave.
3. All curbing material must be either concrete or marble, with no corner posts, etc. Curbing must be absolutely ground level.
4. Curbing must be a minimum of 4" wide, and no less than 6" deep.
5. Concrete curbing must contain no less than 2 reinforcement rods, tied with wire throughout.
6. Monument bases must be a minimum of 8" thick, with steel rebars, no less than 2 bars for strength.
7. Contractor and owner shall be jointly responsible for complete clean-up following any construction work. Dirt must be filled in flush, to prevent damage to curbing, stones, or mowers. Excess dirt must be removed to an area provided by the caretaker. NO EXCEPTIONS! Sufficient time will be allowed.
8. All work shall be inspected by caretaker, during and after construction.
9. Contractors failing to comply with regulations shall be barred from future work within the cemetery, until proper restitution is made.
10. Final responsibility for the actions of a contractor shall rest on the individual who hired the work done.

C. Funeral Homes and Sub-contractors

1. Following the opening of a grave, the funeral home employee or contractor shall remove excess dirt and rock to a place provided by caretaker, leaving only enough soil to cover casket no more than 4" above ground level.
2. Funeral home worker or contractor must rake up any loose material, leaving the site as clean as possible. Flowers shall be arranged for the best appearance, with easels standing when possible.
3. Exception to above: The CARETAKER will be responsible for the removal of wilted flowers, and further leveling or filling, after family has had time to visit the grave. In bad weather, the caretaker will remove dirt, and clean site at a later date.

The Funeral Homes and/or Contractors shall be responsible for the actions of their employees, as well as for any damage done to surrounding stones or curbing, as a result of negligence, caused by their machines. (Inferior curbing will not be included in negligence claims.)

Hawks dump Hares 35-14 in opening district play

The Hawks launched their campaign for the 1985 Dist. 5-AAA championship Friday at Bowie with a convincing 35-14 win over the Jackrabbits.

It was a spectator's game, especially if they were wearing green and white, because it was full of big plays, both offensively and defensively.

For Iowa Park supporters, the conference opener looked like a runaway, as the Hawks scored 14 points in the first 5:10 minutes.

But the second quarter was all Bowie, as the Rabbits tied the score and put the game up for grabs during the second half.

But there was never any question after the midway rest period, as the Hawks completely dominated play the final 24 minutes.

Other than the second quarter, Iowa Park's Mean Green defense had things well in hand. Bowie, despite entering the game with only a 2-3 record, had averaged more than 300 yards per outing. The Rabbits rolled up 146 of their yards in the second quarter, but were held to only 251 the entire contest.

Unable to gain a first down on their first possession, the Hawks punted to Bowie's 30 yard line. And on the first snap from center, Bowie fumbled and Kevin Haney claimed it.

From the 30, Iowa Park needed only two plays to score. Scott Weaver took a snap to the right and scampered to the five, from where Randy Boutwell carried over on the next play.

Bowie punted twice before Iowa Park scored again. The Hawks were flagged for roughing the punter the first time, giving the Jackrabbits three more plays.

On the next punt, Stephen Biddy took the ball on his own 30, faked a reverse handoff, went to the left sideline and found a wall of blockers that ushered him 70 yards to the end zone.

The Jackrabbits again fumbled on the first snap from center, following

SWARMING DEFENSE OF IOWA PARK KEPT BOWIE FROM ITS USUAL YARDAGE

Biddy's TD, and Dennis Phillips claimed it on the Rabbit 25. Five plays later, Boutwell appeared to have scored from the one, but it was called back on an alleged holding penalty.

That was the first of two touchdowns cancelled for the Hawks during the evening. And another penalty on an interception that went to the Bowie four yard line was likewise nullified.

Just before the end of the first quarter, Bowie was to fumble a third time, and Robert Adams covered it at the Hawk 49.

But the third play of the second quarter was to indicate the portion of the game was Bowie's.

The Hawks fumbled the ball on a handoff between Ray Sefcik and Eric Whitman, setting up Bowie's first sustained drive on the Bowie 28. The hosts scored with 8:40 remaining in the period, thanks to a 49-yard run by Bowie back Ty Turkett.

Later, Bowie was attempting to pass from its own 30, the ball was tipped by the receiver, and Sefcik snared it, going all the way to the Jackrabbit four yard line. But Iowa Park was ruled to have interfered with a receiver, giving Bowie a first down at its own 34.

From there, the Jackrabbits mounted their second and last sustained drive, sending Turkett over from the 13.

Turkett then kicked the extra point (he scored all 14 points for Bowie), and the score was tied at 14 with 1:38 remaining in the first half.

On their second possession of the second half, the Hawks had picked up a first down and were on their own 20, when a Sefcik pass to Biddy was bobbled, and a Bowie defender caught it on the Hawk 28. On the return attempt, a Rabbit was flagged for clipping, setting the ball back on the Hawk 41.

Two plays later, Biddy intercepted a Bowie pass, giving the Hawks possession on their own 25. But Iowa Park had to punt, and a clipping penalty set the Jackrabbits all the way back on their own 15.

Two plays later, Bowie fumbled, and Charlie Stamm covered the ball for the Hawks on the Bowie 14.

A Sefcik pass drew a penalty flag, after a lengthy discussion among the officials, when it was ruled to have been an intentional grounding.

That put the ball back on the 19. But Coach David Baugh called on sophomore fullback Jim Cummings to carry the ball two consecutive plays. He picked up 14 on the first, and scored on the second, with 1:21 remaining in the third quarter.

Adams kicked his third consecutive extra point, but on the play, Bowie drew two major penalties, an unusual occurrence. One was a personal foul and the other roughing the kicker. Both were chalked off on the kickoff, which put Adams kicking from the Bowie 30.

Sefcik covered a Turkett fumble on the fifth play of Bowie's next possession, giving the Hawks possession on the Rabbit 40.

Scott Davis was called to run a reverse play, and he scampered all the way, untouched, to Bowie's end zone. But, like a 70-yarder the previous Friday night, the play was nullified, when a flag was thrown for clipping back on the 28.

Tight end Steve Allert snared a 31-yard pass on the final play of the third period, giving the Hawks a first down at the Bowie 12.

On the third play, Sefcik hit Biddy on the two, and he crossed the goal line on a 13-yard play. Adams' kick for the extra point was wide, however.

Iowa Park's next scoring drive featured an unusual play, believed to be entitled "Student Body Right." At the snap of the ball, it appears the entire team begins running to its right and the ball is pitched back to Weaver.

But a receiver, Biddy, has been sprinting downfield. Weaver hit him for 36 yards.

The drive appeared stalled, however, and Adams was called to attempt a field goal from his own 26. It was wide of the uprights, but Bowie was penalized for a personal foul, giving the Hawks a first down on the 10.

Cummings scored his second touchdown of the evening, this time from six yards out. Then, junior fullback Robbie Wilson was given the opportunity to run for the two-point conversion, and he did, making the score 35-14.

In all, nine Hawks carried the ball and four caught passes. Weaver was the leading carrier for Iowa Park, with 52 yards. Cummings had 37 and Boutwell 33.

Eagles edge Henrietta, keep playoff hope alive

KYLE BEDFORD SNAGS INTERCEPTION AGAINST BEARCATS

Holliday's Eagles remain very much in the playoff picture in District 9-AA following a 10-9 cliffhanger over Henrietta Friday in Bearcat Stadium.

It took a school-record 48-yard field goal by Pat Parker to break a 7-7 deadlock against the talented Bearcats. Parker also put two points on the scoreboard for Henrietta when he attempted to run the clock's final seconds down, taking a safety in the process.

The win gives the Big Red a 4-2, 2-1 record while the Bearcats drop to 3-3, 1-3 in district.

Holliday's offensive production was stymied somewhat with the absence of runningback Tim O'Brien. The talented back watched the game from the sidelines after suffering an injury to his knee against Electra.

Teammate Larry Krob took up much of the slack with a game-leading 111 yards on 29 carries. Eagle coach Don Lucy placed Krob, usually the starting fullback, in the halfback slot with sophomore David Hoepfner getting in plenty of playing time.

Holliday finished with 182 total yards offensively, while the Stone-wall Defense found a definite challenge in Henrietta's powerful offense, led by back Roger Jennings and quarterback Rodney Chapin.

Chapin completed 12 of 26 pass attempts for 147 yards, while Jennings led Bearcat runners in accumulating 72 yards via the rush. Bearcat Jeff Scott also showed signs of being a threat to the Eagles, breaking for two long gains enroute to a 72-yard production on eight carries.

Henrietta thrilled its hometown

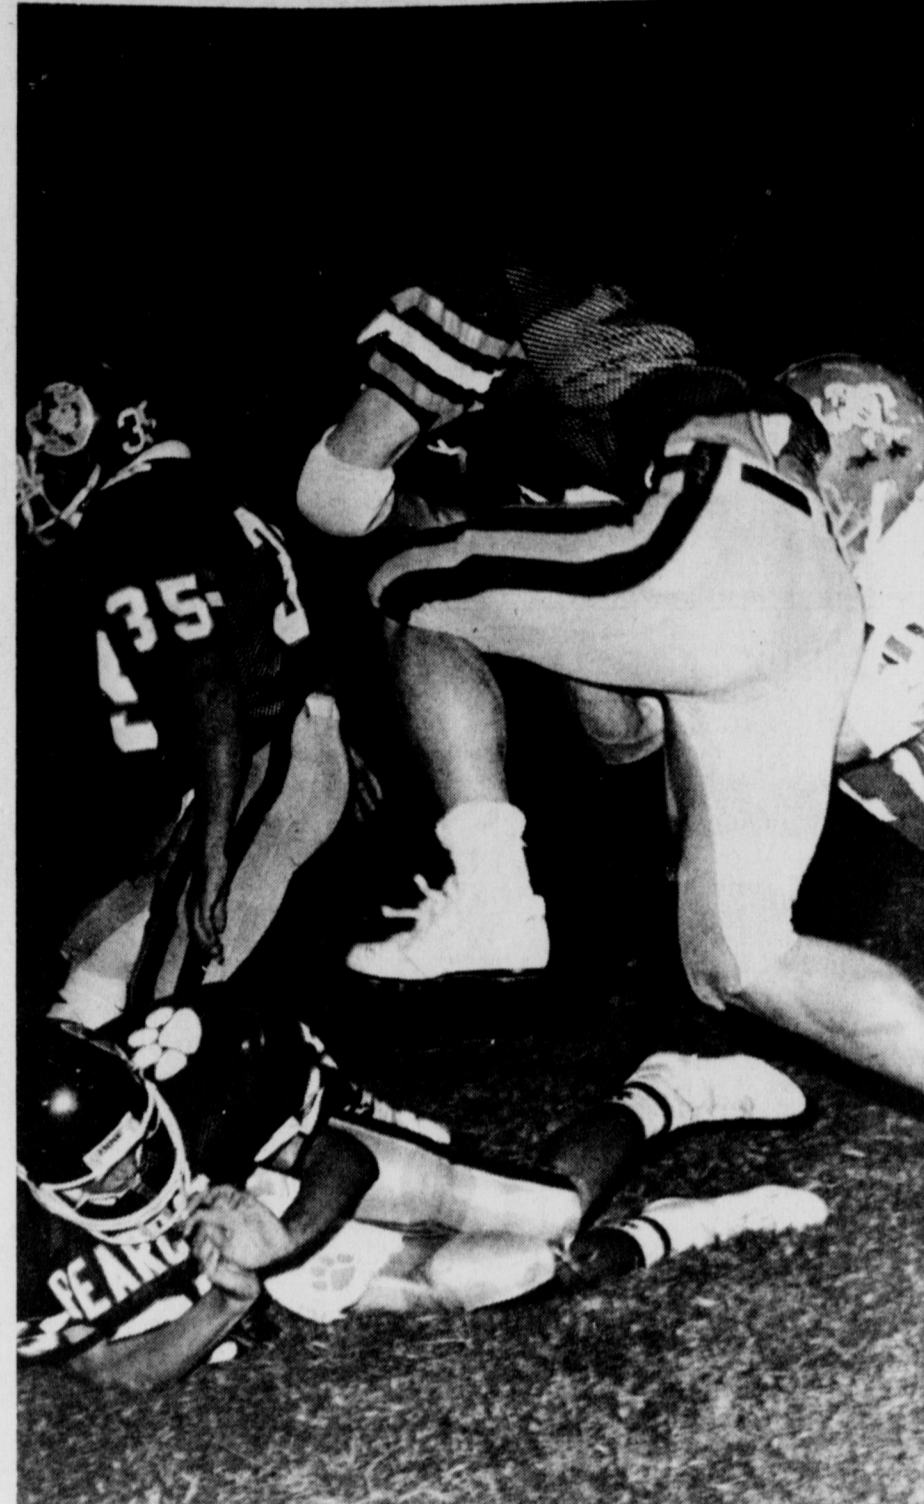

audience in the first period, scoring on the first possession of the night. Chapin connected with Jennings on what became a 48-yard pass completion for the score. Jennings kicked the extra point to give the hosts a 7-0 lead with less than a minute counted off the clock.

The Big Red responded on its next possession, capping a 15-play, 60 yard drive on Hoepfner's two-yard plunge. Parker added the extra point to tie the score at 7-7. Hoepfner, Krob, Jerry Berryman and Garner Mahan handled the ball on the scoring drive.

Neither team mounted much of a threat until late in the third quarter, when Parker nailed the 48-yard attempt to give the Eagles a 10-7 lead. Not only was the distance incredible, but the ball was also placed on the right hash-mark, making Parker adjust to the angle as well as the distance.

Late in the fourth quarter, with less than a minute remaining, Parker dropped back in punt formation, but instead ran backwards into the end zone, giving Henrietta a safety with only 14 seconds remaining. Holliday kept the Bearcats from getting anywhere near the goalline to notch the victory.
