MRS. LITA WATSON
528 W. CLARA
IOWA PARK TX 76367 112

Election Tuesday

Voters to decide fate of Home Rule, deputy pay, 14 amendments

Voting will be held on three separate issues Tuesday: 14 proposed amendments to the state constitution; a pay raise for deputies of the Wichita County Sheriff's Department, and exclusively for residents of Iowa Park, the Home Rule Charter.

Voting will take place at two polls in Iowa Park: Precinct 32 at the

County Agriculture Building (ASCS), and Precinct 33 at Faith Baptist Church.

The county's card-punching voting units will be used for the state and county issues, and individual ballots will be used for the Home Rule Charter voting.

Polls will remain open from 7 a.m. until 7 p.m.

HOME RULE CHARTER

This will be the fourth time Iowa Parkans have voted on the Home Rule Charter issue.

Each time the voters have been asked whether they want a new charter drafted, they've responded with an approving vote. But the three times the charter has been offered to the voters, it has been turned down. Some observers feel previous charters have been voted down because: less than 10 percent of the qualified voters have cast ballots during special elections; some have found sections of proposed charters they disliked and voted against the entire charter; and, possibly the most common reason offered, is the general public's lack of understanding because they did not read copies of the charter provided them.

City Administrator James Barington has pointed out the proposed charter has very little difference with the general laws charter now governing Iowa Park, other than providing for initiative and referendum.

If approved, the new charter cannot, by law, be amended or changed for two years. And after that time, all changes must be approved by the majority of voters.

DEPUTY PAY

At issue is a demand for a 15-percent pay increase sought by the Wichita County Deputy Sheriff's Association, which has turned down an eight-percent offer by the commissioner's court.

The deputies forced the referendum by collecting the required number of petition signatures to effectively take the issue out of the commissioners' court hands and go directly to the public.

Deputies, in their plea to the public, point out the differences in pay. Just as you can keep working for you, and so Wichita County can attract and hold the higher caliber of people necessary to fight crime.

Commissioners counter, however, by pointing out that a pay increase greater than what they have offered deputies will require a tax increase.

AMENDMENTS

One of the largest offerings of constitutional amendments voters have ever faced will be on Tuesday's ballot. The amendments include:

AMENDMENT NO. 1: "The constitutional amendment to authorize the issuance of an additional \$980-million of water bonds for water conservation, water development, water quality enhancement, flood control, drainage, subsidence control, recharge, chloride control, agriculture soil and water conservation, and desalinization, to authorize a bond insurance program, and to clarify the purposes for which Texas Water Development Bonds may be issued."

AMENDMENT NO. 2: "The constitutional amendment authorizing the issuance and sale of \$200 million of Texas agricultural water conservation bonds."

AMENDMENT NO. 3: "The constitutional amendment to authorize the legislature to enact laws permitting a city or town to spend public funds and levy assessments for

the relocation or replacement of water laterals on private property."

AMENDMENT NO. 4: "The constitutional amendment authorizing proceeds from the sale of land dedicated to the permanent school fund to be used to acquire other land for that fund."

AMENDMENT NO. 5: "The constitutional amendment to authorize the legislature to regulate the provision of health care by hospital districts."

AMENDMENT NO. 6: "The constitutional amendment to permit state prisoners to be placed in penal facilities of another state pursuant to an interstate agreement."

AMENDMENT NO. 7: "The constitutional amendment authorizing Chambers County to be divided into two to six precincts."

AMENDMENT NO. 8: "The constitutional amendment providing \$500 million in additional bonding

authority for the veterans' housing assistance program and changing the definition of those veterans eligible to participate in the veterans' land program and the veterans' housing program by authorizing the legislature by law to define an eligible veteran for the purposes of those programs."

AMENDMENT NO. 9: "The constitutional amendment to protect public funds by authorizing prior approval of expenditure of emergency transfer of state appropriations."

AMENDMENT NO. 10: "The constitutional amendment authorizing the issuance of general obligation bonds to provide financing assistance for the purchase of farm and ranch land."

AMENDMENT NO. 11: "The constitutional amendment relating to the matter in which a person is charged with a criminal offense and to certain requirements applicable to

state writs and processes."

AMENDMENT NO. 12: "The constitutional amendment granting the Supreme Court of Texas and the Court of Criminal Appeals of Texas jurisdiction to answer questions of state law certified from a federal appellate court."

AMENDMENT NO. 13: "The constitutional amendment providing for the reappointment of the judicial districts of the state by the Judicial Districts Board or by the Legislative Redistricting Board, and providing for the administration and jurisdiction of constitutional courts."

AMENDMENT NO. 14: "The constitutional amendment to provide for: (1) the abolition of the office of county treasurer in Andrews County and in El Paso County; (2) the abolition of the office of county surveyor in Collin, Dallas, Denton, El Paso, Henderson, and Randall counties."

HAPPINESS IS ... BEATING VERNON
... Greg Feltman and Tommy Allen celebrate.

Hawk title hope on line

It's been a long time since the Hawks have had a shot for a district football championship, but that, for all practical purposes, is the situation tomorrow night at Springtown.

Not since 1970 have the Hawks earned a title in football, the sport that put Iowa Park on the map in the late '60s.

But because their final scheduled game is against Bridgeport, a team that is 0-3 in district and won only once all season, observers presume a final game victory. So that makes tomorrow's game with Springtown the title bout.

It was the Porcupines who snatched a playoff ticket out of the hands of the Hawks last season. A pass that appeared to be intercepted went into the hands of a Porky receiver, and he dashed into the southeast corner of Hawk Stadium's end zone for a 19-13 win.

They lost 18-27 in the first playoff round to Abilene Wylie. Springtown lost its Dist. 5-AAA opener 6-21 to Vernon. Since then, however, the Porkys have dumped Bridgeport 16-0 and Decatur 17-7.

A Porky win, coupled with Vernon finishing its two games undefeated and the Hawks beating the Bulls, would throw the title into a three-way tie.

In case of a three-way tie, a coin flip is made to decide which team stays home, which team represents the conference as winner and which as runner-up, in the playoffs.

The Porcupines take great pride in their defensive play, which Coach David Baugh

says is their strength. They shut out three other teams before Bridgeport: Justin Northwest, 18-0; Trinity Christian, 31-0 and Howe, 20-0. The other win was a 27-10 decision over Coppell.

Besides Vernon, Fort Worth Castleberry is the only other club to best the Porkys, 29-11.

In the Bridgeport game, Tim Ashcraft carried 29 times and gained 130 of his team's 335 yards. The Porkys found Decatur defenders tougher, however, as they were held to 149 yards rushing and 103 passing.

The Eagles were held to only 107 yards rushing. Senior defensive end Trey Moran, a 220-pounder, showed his power by sacking Bridgeport's quarterback twice in three consecutive plays.

Springtown has two other 220-pounders besides Moran: tackle Clay Hall, senior, and linebacker Lynn Villari, a junior. They start another defensive tackle who weighs 210, Audi King, a sophomore. And Darren King, 190 junior, is the other defensive end.

Hawk fans will remember Springtown's quarterback, Pike Martin, who is a senior this year playing at 210 pounds. He is also their punter and field goal kicker.

HOW TO GET THERE

Fans entering Springtown on Hiway 199, through Jacksboro, should turn north at the four-way stop light. After passing the bank, continue to the north side of the square and turn right. The road leads to the stadium, but, according to directions, after following a curve in the road.

IOWA PARK LEADER

Vol. 17, No. 7 IOWA PARK, WICHITA COUNTY, TEXAS 76367 THURSDAY, OCTOBER 31, 1985

Council acknowledges flooding is problem

The long-time problem of flooding in Country Hills Addition has cropped up once again before the Iowa Park City Council.

Originally addressed some 14 years earlier, recent rains have prompted residents of the area north of US 287 and east of Johnson Road to register complaints with city officials.

Engineer Kerry Maroney estimated a project to relieve flooding on Karen, Douglas, Rita and Mary streets could cost from \$100,000 to as much as \$386,000.

Source of the problem is a watershed estimated at 100 acres to the north. Aggravating the situation is the housing developments northwest of Country Hills, Shiloh, where streets and other paving has increased the runoff that is forced into Country Hills by a rise on Johnson Road, about Mary, that prevents drainage to the south along Johnson, Maroney said.

As the area east of Johnson and north of Mary is developed, Maroney said the problems would multiply.

No decision on action was taken.

but it was indicated a study to resolve the flooding would be continued.

OTHER BUSINESS

In other business, the council approved a resolution to lease property on West Highway to Harold Bartow to be used as a restaurant, approved a rate increase for purchasing water from Wichita Falls, and raised water rates to Wichita Valley Water Supply Corp. and Sereno Lago Water Supply Corp.

The northwest corner of West Highway and Fourth Street was leased to Bartow for 10 years with two five-year options. Initial lease price is \$1,200 a year, and a provision that construction be commenced within 90 days.

Council members asked that a provision be included in the contract to permit Bartow to purchase the land during or at the end of the lease agreement.

A resolution was approved authorizing an agreement with Wichita Falls to purchase treated water at a 15 percent increase. This is down from the original request of a 43

percent increase. The new rate is 74.52-cents per 1,000 gallons.

Mayor Tim Hunter warned the council to expect a rate increase of as much as 70 percent within the next two years.

Another resolution set the new rate for water sold to Wichita Valley at 87.72-cents per 1,000 gallons. The difference in that amount and what is paid to Wichita Falls is the "transmission" fee, which, it was pointed out, is considerably less than what Wichita Falls sells to the same corporation.

Minimum water rate for Sereno Lago, which includes the Horseshoe Lake housing area southeast of the city, is \$18 per metered lot at a minimum of 2,000 gallons. Additional usage includes \$3.75 per 1,000 for 3,000 to 5,000 gallons, and \$3 above 5,000 gallons.

The council took no action on two bids for a new police car, asking for clarification on some of the bid specifications.

Cravens cousins Gold Star winners

Area 4-H members walked away with a host of awards at the Annual Wichita County 4-H Achievement Banquet held Saturday evening.

Big award winners of the evening were Christy Cravens and Sheri Cravens, first cousins, both sophomores at Iowa Park High School, were honored with the 4-H Gold Star Award, the biggest achievement at the county level.

Christy, daughter of Mr. and Mrs. Ronny Cravens, of Kamay, is a member of the Valley View 4-H where she has held several offices and is president of Wichita County 4-H. In school, she is active in band, choir and student council.

Sheri is the daughter of Mr. and Mrs. Danny Cravens of Kamay and is also a member of the Valley View 4-H Club. She is District 4-H Council Delegate. She is active in band, choir and student council.

Lisa Hodges was the recipient of the "I Dare You" award, the second highest 4-H honor at the county level.

Hodges is a sophomore at Iowa Park High School and a member of the Valley View 4-H. She is the daughter of Mr. and Mrs. Jerry Hodges.

Area winners of the 4-H record book awards were Clay Carrillo-Miranda, Julie James and LaDonna Chandler of the Iowa Park 4-H Club, and Dell Blackwell, Andy Cravens, Jolene Hodges, Christy Cravens, Connie Cravens, Lisa Hodges and Markita Savage of the Valley View 4-H Club.

Judging team awards went to LaDonna Chandler of Iowa Park 4-H, and Mark Savage, George Howell, Markita Savage, Andy Cravens, Connie Cravens, Mark Phillips, Jolene Hodges, Jason Young and Susan Howell of the Valley View 4-H.

Aquilla Carrillo-Miranda of Iowa Park 4-H and Pat Cravens of Valley View 4-H were recognized as outstanding adult leaders.

Doris McKenzie was recognized as an outgoing adult leader of the Valley View 4-H club.

SHERI (LEFT) AND CHRISTY CRAVENS
... County's 4-H Club Gold Star winners.

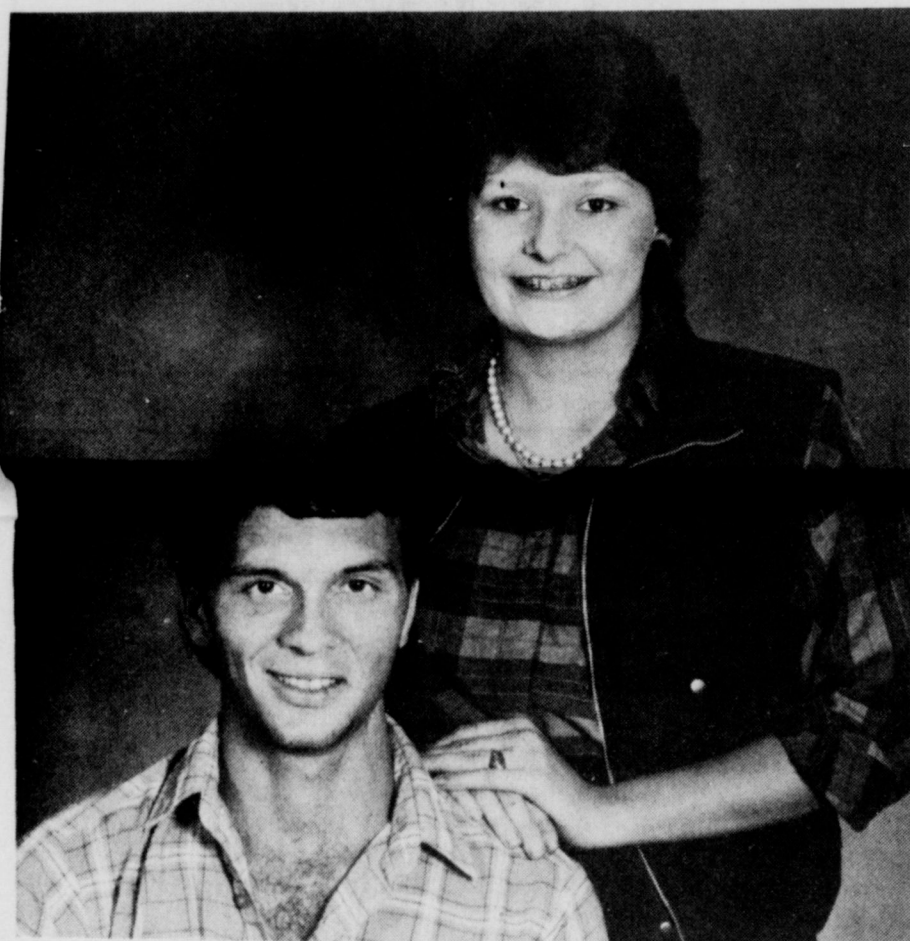

MR. AND MRS. BENNIE DOWNES

Couple to observe 50th anniversary

Friends and neighbors of Mr. and Mrs. Bennie Downes of Kamay are invited to attend a reception at their home between 2 and 4 p.m. Sunday in honor of their 50th wedding anniversary.

The reception will be hosted by their four sons and daughters-in-law, Messrs. and Mmes. James Downes of Vernon, Calvin Downes of Graham, Arnold Downes of Kamay and Charlie Downes of Bryan.

JOSEPH EDINGTON AND SANDRA YODER

Wedding vows set Saturday

Sandra Ann Yoder and Joseph Wayne Edington will be married Saturday afternoon at the New Life Cathedral in Wichita Falls, according to an announcement by their parents, Mr. and Mrs. Cecil Yoder of Iowa Park and Mr. and Mrs. Charles

Edington of Wichita Falls. Miss Yoder is a senior at Arlington High School, and her fiance who was graduated from Hirschi High School is a student at the University of Texas at Arlington where he is studying engineering.

Author, subject here Saturday

A rare event in Iowa Park, an author's autograph party will be held here Saturday, and the subject of the book will also be present.

"Cowboys Are Partly Human," and "Hank the Cowdog." A movie of his cowdog is reportedly in the making.

John Erickson of Perryton has recently published a book entitled "Ace Reid Cowpoke," about the well-known Electra native Ace Reid, creator of the Cowpoke cartoons.

The two will be at Reed Feed, formerly Farmer's Grain, 209 S. Victoria, from 1 to 4 p.m. Saturday. Erickson has several titles to his credit, including "It's A Dog's Life."

Tracing Cherokee ancestry no easy task for woman

Mrs. Clarence Shook gave a program on "Displaced Cherokees" for the Iowa Park Lioness Club at a meeting held Thursday evening in the Lions Club building.

She told a story filled with pathos of how she had spent most of her life desiring to trace her Cherokee ancestry. She was kept in darkness by relatives who thought that it was for her good because of a crime committed by a far removed paternal ancestor.

Through the years she had an insatiable desire to find out "who she was" and took advantage of every clue or hint into her Cherokee background.

In recent years, she had the good fortune of meeting a woman in a neighboring town who knew some of her ancestors and had tin types pictures of them. The woman was at first reluctant to share her information and pictures, but when she realized that what she had to

share with Mrs. Shook was a treasure trove for her, she cooperated.

Mrs. Shook started researching with renewed enthusiasm and diligence and it has paid off. She not only found many of her relatives who had been too proud to trace their ancestry, but she has written a book entitled "Displaced Cherokees - All Come Home" which is almost ready for publication.

She is an artist with more than 100 paintings to her credit. Her favorite subject, as one might expect, is Cherokee Indians, and some of her paintings are hanging in the Cherokee Historical Museum. She showed two of her paintings at the club meeting, one of her great-great-grandmother and the other of her great-grandfather. On the back of each picture she has attached a timely story.

Mrs. Herbert Adcock brought an appropriate devotion on "The

Stewardship of Our Heritage" based on the teachings of Jesus.

Mrs. C.L. Thompson was in charge of business and served as co-hostess

with Mrs. G.L. Cleveland. The room decorations consisted of fresh pumpkins, pecans and autumnal foliage.

CARD OF THANKS

Dear folks, we would sincerely like to thank everyone in Iowa Park for their prayers during this past week since our wreck. We have appreciated the concern everyone has shown, through their phone calls, cards, flowers and delicious food. It makes us proud to be part of this community of wonderful people!

Thanks Again,
Charlotte Brooks

Cook of the Week

"There are few hours of life more agreeable than the hour dedicated to afternoon tea," wrote an American novelist on his visit to England. Tea-drinking was a popular custom of the American colonists and still is with many Americans, but there are other beverages that are fast becoming favorites as an aid to gracious entertaining and living.

Mrs. Jerry Miller

A cup of Hot Tangy Punch on cold days, one of Elizabeth (Mrs. Jerry) Miller's recipes this week, will surely please the taste of those she serves. It will be a cup of cheer for a peaceful evening with the family and cause her guests to remember her pleasant hospitality.

Elizabeth describes her recipes as "quick and easy recipes for families on the go." She and her husband, who is the new pastor at Faith Baptist Church, are definitely on the go with their church duties and activities. They want to become involved in the life of the school and community. They love young people and want to show their interest in the school activities, athletics, etc. Elizabeth expressed it accurately when she said "our young people are the hope of tomorrow."

Rev. and Mrs. Miller have two children, Michael 12, and Nikki, 20 months of age.

Elizabeth was graduated from Abernathy High School and received an A.B.A. degree in elementary education from Weatherford Junior College. When the couple lived at Plainview while he was a student at Wayland Univ., she worked at Eaton's Stationery Co. and worked as a secretary for the Weatherford Democrat, a newspaper, when they lived in that town.

She likes sports and likes to participate in them. She played on the ladies softball team for three years when she lived at Weatherford. She enjoys water and snow skiing, sewing, candlewicking and crewel work and other kinds of handwork.

HOT TANGY PUNCH

(For cold days)
 4 1/2 cups cold water
 5 cups apple juice or cider
 1/4 t. cinnamon
 1/8 t. ground cloves
 1/8 t. ground nutmeg
 Combine all ingredients in saucepan, blend well. Heat to just boiling. Serve hot in cups. Makes about two quarts.

(I like to mix this and put in crock pot, turn on low. Keeps hot all day and the aroma is great).

GUM DROP COOKIES

1/2 cup margarine
 2 cups brown sugar
 2 eggs
 3/4 cup orange slices, chopped in small pieces
 2 t. vanilla
 1/4 cup pecans
 2 t. baking powder
 2 cups flour
 Melt margarine, stir in brown sugar, eggs, vanilla, orange slices and pecans; add other ingredients. Mix well, spread in greased 9x11 pan. Bake at 325 degrees. These will rise and fall. Bake until brown; cut in squares while still hot.

SAUCY SLOPPY JOES

1 lb. hamburger meat
 1 large onion, chopped
 1 cup catsup
 1 cup water
 1/2 cup cold water
 3 T flour
 1 T chili powder
 1 t. salt
 Brown 1 lb. hamburger meat, add onion. Cook over medium heat, stirring with fork to break up meat. Drain excess liquid. Add catsup, 1/2 cup cold water; stir until blended, then add 1 T chili powder and 1 t. salt. Cook over low heat. Spoon over toasted hamburger buns. (Great to serve with chips, pickles and cold drink.)

DOUBLE QUICK HOT ROLLS

1 cup warm water
 2 T sugar
 1 t. salt
 2 T shortening
 1 pkg. active yeast
 2 1/4 cups flour
 1 egg
 In mixing bowl, dissolve yeast in water; stir in sugar, half the flour, and salt. Beat with a spoon until smooth; add egg and shortening. Beat in rest of flour until smooth. Scrape down sides of bowl and cover. Let rise in warm place until double in bulk, about 30 minutes.
 Grease 12 muffin tins, fill 1/2 full. Let rise in warm place until dough reaches top of cups. Cook at 350 degrees 15 - 20 minutes.

LAYERED SALAD

1 small head lettuce
 6 chopped boiled eggs
 10 slices cooked bacon, crumbled
 2 stalks celery, chopped (may use green onions or chives)
 1 cup English peas, drained
 Longhorn cheese, grated for top
 1/2 small carton sour cream
 Mayonnaise 1/2 - 3/4 cup
 Rinse lettuce and place lettuce leaves in bottom of dish. Spread 6 chopped eggs on lettuce, then bacon, celery (green onions really good), English peas. Mix Mayonnaise and sour cream, spread on top, then sprinkle grated cheese on top of it all. (Good for company at dinner or church socials. Make a lot or little and vary ingredients for different taste.)

KATHRYN JOHNSON

Couple sets March date

Mr. and Mrs. Thomas M. Johnson, Sr. announce the engagement of their daughter, Kathryn Jean, and Bradley Hood Payne, son of Mr. and Mrs. Stephen R. Payne of Lubbock. The couple will exchange their wedding vows March 8.

Both young people were graduated from Texas Tech Univ. The bride-elect is in management with the Wal-Mart Stores and the groom-elect is a petroleum field engineer for Dresser-Allas in Odessa. Miss Johnson is the granddaughter of Mrs. Elvy Sargent of Iowa Park.

Garden Club members tour MSU facilities

Dr. Arthur Beyer, head of the Midwestern State Univ. botany department, directed a tour of the greenhouse and the grounds around Sikes Lake for eight members of the Iowa Park Garden Club and one guest, Mrs. Dorwin Wooten. Friday morning.

been set aside for student housing in the area, and that trees being planted now will be established when the dormitories are built.

Library News

In the greenhouse, he showed the group how to take cuttings from plants and root them in a flat filled with coarse sand. He showed pecan and oak trees which were grown from seed, and then tricked into two years growth in a period of one year. He explained that in order to get a hardwood seed, such as oak, to germinate, it must be frozen and then warmed to 95 degrees for a 24-hour period before planting.

The most unusual plants that the group saw in the greenhouse were a Ginger Lily, Bird of Paradise, and a 10-foot coconut palm. Dr. Beyer said that all of the plants used to landscape the university grounds were grown in the greenhouse, thus saving thousands of dollars each year.

During the drive around Sikes Lake, he explained that 64 acres has

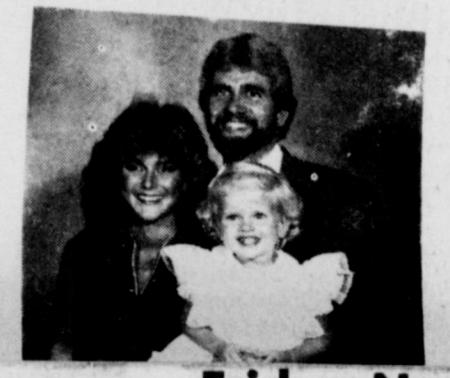

The Library will be conducting a book sale starting Friday through Nov. 8th. The hours will be 10 a.m. to noon and 2 to 4:30 p.m.

Paperbacks will be sold for 10-cents and hardbacks three for \$1. The money made will go toward the purchase of new books and media for the library.

The Library will be closed as of Friday and will not reopen until the opening of the Tom Burnett Memorial Library at a later date.

As I See It....

By BOB HAMILTON

Please take the time to cast your votes Tuesday. Don't let someone else make your decisions.

There are a host of really important issues on the ballots, all the way from how your city is to be run to how the state is to operate on various subjects.

Let me first address the issue of the Home Rule Charter.

Frankly, it is so frustrating to me for my friends, and some others who aren't, to say something like "How come we're having to vote on home rule again. We voted it down three times before."

I can only say the issue was voted down. That's correct. But, folks, no four of the charters proposed have been the same. Each was distinctly different. You need only to read them to discover the difference. Each was written by a different group of citizens who reside in our town.

And if someone tells you a Home Rule Charter takes the power out of your hands could not be further from the fact. Why do you think it is termed "Home Rule?" That's exactly what it means. The people of the community make the rules, and they can change them when needed.

Iowa Park will not fold if the charter isn't approved. But it can

make things better, in the future, if approved. And just like Tuesday's vote, no changes can ever be made without the voters' approval.

Now, please let me comment on the pay raise sought by the Wichita County Deputy Sheriff's Association. They want 15 percent more pay, instead of the eight percent offered.

I had made a comment, in this space earlier, that the group had similarities to a union. A friend, who is a deputy, disputed the organization was a union.

I can only point out, the group was organized earlier in an attempt to obtain higher pay, and it's back again, going over the heads of those who handle our county's business, the bosses of the deputies, and go directly to the public.

Because I have so many friends who are deputies, this is a difficult stand. But it's the way I believe.

If the members of our commissioners' court are not handling the county's business properly, then let's vote others into office. It is the commissioners who should know best the county's ability to pay personnel. Not the public.

I take no issue with all but one of the state constitution amendments: Number 5. That's the one that would

authorize the legislature to regulate the provision of health care by hospital districts."

If I lived in a hospital district, I wouldn't want the legislature messing with it under any circumstances. Like my city charter, I believe the people concerned know better, not the state legislature.

Specifically encourage your approval of amendments one, two and 11.

The first two amendments on the ballot deal with water issues, and this state has all too many such issues defeated in the past.

Not enough has been said about No. 11. Basically what it would do, if approved, would cut down on all the appeals criminals get after they've been convicted, because of technical wording of charges.

As I understand it, the defendant's attorney is required to make any appeals for changes in wording before the trial, not afterward.

As an example, a man charged with murdering his wife by stopping her to death before witnesses. The conviction was overturned because the charge did not specify that he did it with his feet.

That's what I'm talking about. Please, vote Tuesday!

Worth Quoting

Voters of Lampasas will decide Tuesday whether to have a Home Rule Charter drafted, and elect charter commission members.

The Lampasas Dispatch Record posed questions to charter commission candidates. Responses from some of the candidates to the question: "Why do you favor a home rule form of city government, as opposed to the city's current general law form of government?"

Milton Boone: I like the idea of home rule due to the fact that we can legislate from across the state. We need a strong city council with a professional administration. We can't afford anything less.

Mike Martin: I believe that the city has become large enough where it would be advantageous to have the flexibility offered by home rule government. I believe we are suffering at this time due to a lack of flexibility.

Charles E. Morse: I favor the home rule form of city government because it requires the citizenry of Lampasas to formulate and to adopt a city charter. Such a document would greatly enhance continuity and efficiency within the city administration, plus the civic interest generated by participating Lampasans will be beneficial overall.

Dorothea G. Harper: The city government and the county government are two governments closest to the people and, in my opinion, should be run by those people instead of the state legislature. Cities, unlike counties, have that option. Current regulating local governments are antiquated and prevent response to

growth and public service needs. The concept of home rule is the right of citizens at the grassroots level to manage their own affairs with minimum interference from the state. It is a democratic system, putting local government as close to the people governed as possible.

James D. Hoffpauir: A home rule charter for our city can provide for a more efficient form of government. Provisions can allow for management, by a professional, of the day-to-day

operation, still resting ultimate authority with the voters. The firing of top manager with the city council and mayor. The charter can also provide for the local citizens to say how they want their city to function and to grow. Our present general law government limits what we can do and places restrictions on how things are done. The home rule charter will reflect the desires of the local people and can be changed from time to time by the people.

Dudley Terry: A home rule charter will more clearly define the responsibilities of the elected officials and city employees. This has been a problem for some time. A good charter will promote efficiency, monetary savings and better service to our citizens.

C.M. Crawford: The antiquated and inefficient form of city government has more municipal ills than time or space permit comment. City Hall and even more the city council provide the "Greatest Show on Earth." It is time for the concerned voters of Lampasas to put a stop to this bizarre circus, and we can do this by adopting a home rule form of government.

If we do not pursue this, then our

only practical alternative is to "throw the rascals out" at ill-timed elections. Home rule is the best way for Lampasans to attain methodical progress to solve the ills at City Hall. Good local government provides for dialogue between officials and citizens.

Don K. Bulloch: I think that the local citizens know more about what affects Lampasas than the people in Austin.

Wreck victims home

Leah Owen and Charlotte Brooks, two women injured in a two-vehicle accident Oct. 23 on Iowa Park Road have both been released from Wichita General Hospital, but both are still recovering.

Shortly after midnight, Mrs. Brooks was driving west on Iowa Park Road and had just passed Wellington when her car was struck from the rear by an automobile driven by Jay Anthony Mitchell, 31, of 4540 Barnett Road.

Mitchell, according to the police report, was driving without his headlights and at a speed estimated at "a minimum of 83 miles per hour." Mrs. Owen suffered numerous broken bones in her face and a fractured shoulder. Mrs. Brooks had glass in a foot and side and required several stitches.

Gasoline from the car's full tank began spilling onto the two women, Mrs. Brooks said, and she was able to climb out her door window and pull Mrs. Owen outside. The fuel did not ignite, however.

The two women, both checkers at

Local police arrest two

Iowa Park police during the past week arrested two persons, one for DWI and the other for warrants out of Wichita Falls.

Matthew Curt Wallace, 27, was taken into custody at 2:57 a.m. Saturday on the road in front of Highland Cemetery. After being administered a breathalyzer test at the Wichita Falls Police Department, he was turned over to Wichita County jail, according to the report.

Tuesday morning, officers arrested Laura May Blake, 28, in the 300 block of West Highway on outstanding Department of Public Safety warrants from Wichita Falls. She was released after posting \$59 bond for charges of speeding and failure to appear.

Police Det. Tommy Adams reported at 12:10 Sunday his vehicle, while parked in front of his home on N. Fourth, had been struck by another vehicle. The vehicle was found the following day and was reportedly driven by a juvenile.

Brad Wynn, manager of Ayres Tire, told police Monday someone had broken into the business, but nothing could be determined as missing.

A lawn mower was reportedly taken from 416 E. Diamond.

Someone damaged a car parked at

Woodbriar Apartments Monday night, when it was spraypainted, police were told.

Council

Continued from page 1

Other business taken up by the council included:

- * approval to apply for a grant to construct an exercise track;
- * authorized advertising for bids to concrete the road approaches to railroad crossings;
- * set Jan. 1 as the date for tenants to be cleared out of the buildings across Wall from city hall, since the land has been purchased by the city to be cleared for a parking lot;
- * authorized advertising for repairs and preventative maintenance to the city's ground storage tanks and clearwell;
- * held the final public hearing, without comment received, on annexation of a tract of land on Smith Road;
- * and approved advertising for sale an area on North Alcott where the city has no plans to develop a street.

Local pastor tours Holy Land

The First Assembly of God honored their pastor, Rev. Charles Hensley, recently by giving him a trip to Jordan and Israel. He was a member of the Masters Tour group for the 10-day trip.

Mrs. Hensley decided against going because of her fear of flying.

Most Christians and especially ministers of the gospel welcome the chance to go to the Holy Land. Rev. Hensley said the understanding and unfolding of the scripture was the greatest benefit of the tour. His desire to go back exceeds his desire to go in the first place.

He described the hospitality of the Israelis as "unsurpassed." Whether he was sightseeing in Nazareth and Old Jerusalem or strolling along the Sea of Galilee, the people he met were friendly and anxious to make the stay of Americans as pleasant as possible. "My most touching experience on the trip was seeing the dungeon of Caiaphas, the Jewish High Priest, where Jesus spent his last night before his crucifixion," Rev. Hensley said.

Some of the places of special interest he visited were the Ruins of Petra, the Dead Sea between Jordan and Israel which is approximately 1,400 feet below sea level and the lowest spot on the face of the earth. It is also where the parchment scrolls dated from about 100 B.C. to about 100 B.C. were found several years ago.

Others were Tiberias, Capernaum, Garden of Gethsemane, Garden of the Tomb, Golgotha, and Solomon's mine.

The viewing of the Eastern Gate with its Wailing Wall, and viewing the Holy Land from Mount Nebo where Moses, the servant of the Lord

REV. CHARLES HENSLEY

was allowed to view it before he died, were awe-inspiring experiences for the minister.

Rev. Hensley said he had been asked if people had garage sales in the countries where he visited. He said he didn't see a garage sale as such, but the nearest thing to it was the markets in Old Jerusalem where people flocked with even more enthusiasm than they do in this locale.

In reference to the picture taken of him riding the horse, he said "I was embarrassed to have one of the citizens of the country lead my horse." He said, however, in this instance the man was eager to be of service in anticipation of the tip he would get. This was the only time members of the tour group did any tipping.

Rev. Hensley said that the tour was a source of spiritual strength, and

that the warm, outgoing and friendly people he met made a lasting impression on him. He showed slides of his trip to his congregation Wednesday night.

4-H CLUB NEWS

The monthly Valley View 4-H Club was held on October 22, at 7:00 in the home of Christy and Connie Cravens. The program was given by Michael Isabel with the ASCS on poisonous plants of Texas. Connie Cravens and Susan Howell have a mini-demonstration on swine.

Wichita County Food Show winners were recognized and announcements were made about the MDA Haunted House, which some 4-Hers are to help with, and the County 4-H Banquet to be held Saturday, October 26.

The next meeting will be held on November 26, at the Valley View Methodist Church. If you are interested in joining the Valley View 4-H Club call George Howell (president) at 438-2336, or Connie Cravens (membership chairman) at 438-2901.

four food classes: Main Dish, Fruits and Vegetables, Breads and Cereals, and Snacks and Desserts. Contestants in the district event are all winners of their county food show according to Elaine Houston, District Extension Director. Senior winners in each category will advance to the State 4-H Food Show next June in College Station.

The food will be on display in the mall during the afternoon and the public is invited to view them. Ribbons, sponsored by West Texas Utilities Company, and trophies will be presented during the awards ceremony at 2 p.m. Special Beef Awards will also be given by the Wichita Falls Area Cowbells.

Municipal Court Records

Results of municipal court held here yesterday were: Ricky Gene Hobbs, speeding, \$60; David Wayne Hillard, speeding, \$43; Scott Allen Jensen, exhibition of speed, \$40; Scott Allen Jensen, ran stop sign, \$40.

Cobb. Honorary pallbearers were Terrel Silvers, China B. Smith, O.N. Newman, Floyd Zion, Dewey Spruiell and Bob Birk.

Melvin D. Cantrell

Funeral services for Melvin D. Cantrell, 62, were held Wednesday afternoon at Pleasant Mound Free Will Baptist Church in Buffalo Springs, with Rev. Larry Cox, pastor, officiating. Burial was in the Buffalo Springs Cemetery under direction of Burgess Fry Funeral Home.

He was born June 26, 1923, in Friendship Community, Clay County. He lived in Wichita Falls 42 years before moving to Buffalo Springs four years ago. He was a rancher and employee of West Texas Blind and Awning Co. in Wichita Falls before becoming owner of the company. He was a member of the Pleasant Mound Free Will Baptist Church, and a former member of the Southwest Kiwanis Club in Wichita Falls.

He is survived by his wife, Francis; two sons, James M. of Vashti and Tommy of Iowa Park; two stepsons, Mike of Buffalo Springs and Tim of Bowie; a stepdaughter, Jana Wise of Perrin; a sister, Mrs. Glen Calloway of Henrietta; a brother, J.W. of Buffalo Springs; and 14 grandchildren.

Ida Lee Riggins

Services for Ida Lee Riggins, 61, were held Friday at the Southside Baptist Church in Olney with Rev. Jim Downs, pastor, officiating. Burial

was in the Restland Cemetery under direction of Lunn Funeral Home.

She was born June 24, 1924, in Perrin, and had lived in Olney about 60 years. She and Harrel Riggins were married in 1942.

Survivors include her husband; two sons, Harrel Ray of Iowa Park and Jerry Don of Olney; four brothers, Charlie Jenkins of Dallas, Ivy Alexander of Lefors, Willie Earl Alexander of Arlington, and Kenneth Alexander of Graham; two sisters, Irene Jenkins of Pampap and Ina Fay Cude of Grand Prairie; and five grandchildren.

O.P. Collins

Services for O.P. Collins, 77, were held Wednesday morning at the First Baptist Church at Haskell with Rev. Paris Barton, a Baptist minister, and Ford Cole, minister of music at the church, officiating. Burial was in the Willow Creek Cemetery under direction of Holden-McCauley Funeral Home.

He was born Jan. 29, 1908, in Wingate. He was a retired employee of the Texas Department of Highways and Public Transportation. He was a member of the First Baptist Church and Businessmen's Bible Class.

Survivors include his wife, Nellie; three daughters, Juanell Ray of Haskell, Lois Miller of Coppel and Barbara Sells of Iowa Park; two sisters, Irene Howell and Ruby Fletcher, both of Temple; two brothers, Marvin and E.C., both of Haskell; four grandchildren; and four great-grandchildren.

County cotton show set Dec. 14

By DAVID FINLEY
County Agent

Wichita County will hold its second county cotton show on Dec. 14 at Sikes Senter Mall. This show will highlight all the various aspects of cotton from production to utilization by the consumer.

Donnie Peters and I have begun taking samples of cotton for the show and will continue to do so until the middle of November. At that time, we'll have to take the samples to Lubbock to gin.

I have seen some excellent cotton fields across the county. Let me list those names because I'm sure they will be entered in the show. Those that I have seen include Jackie Gholson, Rufus King and Johnny Allred in the Wichita Valley; the Brockriede brothers, Lalk brothers, Lary McAlister and Terry McAlister at Punkin Center; and finally, Raymond Schroeder and Rayford Young at Burkburnett. I am sure there are many more, and we will be asking for entries from those soon.

Entering the county cotton show is easy and will also have some benefits. First, Donnie and I will pull a 13 foot row sample on 40 inch rows or a 17 foot sample on 30 inch rows. As I mentioned, this will be ginned at the Research and Extension Center near Lubbock, and a report on micronaire, grade, staple length and other quality factors will be obtained. A yield and percent turnout will also be figured from this sample.

Secondly, the producer will select a stalk of cotton that represents the best in his field. This stalk needs to be

stormproof, free of insect damage, and strippable, not lush in appearance. This, along with the quality information, is what will be judged Dec. 14.

Each field that a producer farms can be entered separately. Also, if there is more than one variety in a field, that too can be entered.

There are no limits to the number of entries that a producer can have. The way I see it, the more, the better. Entering this cotton show will also give the producer some indication of the quality of cotton he will have across the field before and after mechanical harvesting.

I noticed at last year's show that many people walking the mall did not even know what cotton was. They would look at a stalk and then come over and ask what it was. When I told them it was the same substance that blue jeans were made out of, their mouths would drop open and they would stare in disbelief.

This show did a lot to educate the public on what cotton is and where the jeans come from that they wear. Hopefully, this year's show will take up where last year's dropped off.

Anyway, for entering the Wichita County Cotton Show, call me at 766-0131 or come by at 1626 Midwestern Parkway.

Former residents' suit against state is settled

A former Iowa Park family was recently paid \$270,630 by the state to settle out of court a \$10-million lawsuit filed after the death of their 16-year-old daughter at the Abilene State School.

The settlement is reportedly the largest ever awarded in a suit against the Texas Department of Mental

Health and Mental Retardation.

A.L. Miller, now a resident of Nocona, and Jo Miller, a Wichita Falls resident, were the parents of Phyllis Jane Miller, who died Oct. 13, 1981 while being treated for pneumonia. She had been a resident of the state facility 29 months before her death.

Gale Lowrance

Funeral services for Gale Lowrance, 95, were held Sunday afternoon at the First Presbyterian Church with Rev. Betty Meadows, pastor, officiating. Burial was in the Highland Cemetery under direction of Tanner-Aulds Funeral Home.

He was born May 24, 1890, in Oxford, Miss., and had been a resident of Wichita County 94 years. He was a pioneer rancher and farmer in the county. He was graduated from Iowa Park High School and was honored with Gale Lowrance Day during this year's homecoming activities as the oldest graduate.

He is survived by two sons, Gene of Chico and Linton Gale of Iowa Park; a grandson; and five great-grandchildren.

Pallbearers were Dan Spruiell, James Ozee, Jim Whitaker, Jerry Robertson, W.A. George and Eldon

Iowa Park School Scene

...All information prepared by Iowa Park School Counselors.

The Iowa Park High School Library is an active and integral part of the high school curriculum program. Its purpose is to implement, enrich, and support the educational progress of the school curriculum, as well as providing materials for all subject areas and for many interests of pupils and teachers. The high school library collection contains an inventory of over 15,000 volumes and maintains fifty magazine titles for a five-year period. Several periodicals are on microfilm and microfiche and date back twenty to thirty years. The library also contains an extensive reference section which is used for research by students and teachers. Books are also selected to provide pleasure reading for library users.

In addition to providing materials, the library is also active in providing library instruction. A library orientation is presented each September to the freshman English classes. Freshman and sophomore students receive formal instruction by the librarian and English teachers in the use of the card catalog, Readers' Guide to Periodical Literature, and various reference works, as well as in the operation of microfilm and microfiche readers. Junior students receive instruction on the use of the library in preparation of a research paper immediately prior to starting their junior research paper. Other library skills instruction is given by the librarian who works closely with classroom teachers in providing instruction in conjunction with classroom assignments.

The selection of library materials is done by the librarian with suggestions welcome from administration, faculty, and students.

Regular newsletters are sent to faculty members informing them and their students of new books and materials available for their use.

The library is also the center for audiovisual equipment and media. The most recent addition to the audiovisual collection is a portable VCR and camera. This is expected to be of great use in several areas of the curriculum. Another new service provided this year is membership in KERA Channel 13. Taping of educational programs is done by the librarian and provided for classroom use in many subject areas.

The high school library is the responsibility of Linda Escue, librarian. Mrs. Escue graduated Magna Cum Laude with a Bachelor of

Science in Education degree from Midwestern State University and earned a Master of Library Science Degree from Texas Woman's University. She taught at Bradford Elementary School and Kidwell Elementary School before becoming the librarian at the high school. She is a member of Beta Phi Mu International Library Science Honor Society, Texas Library Association, Texas Association of School Librarians, Philia Study Club, and serves as secretary on the Board of Directors for the Friends of the Library of Tom Burnett Memorial Library.

Mrs. Escue is assisted in the library by senior students. These student assistants are responsible for the operation of the circulation desk and for assisting in a variety of clerical duties. They are extremely important in aiding the librarian so that she is free to work with students using the library. The assistants this year include Amy Silvers, Deryl Roy, Toby Smith, Cindy Coltrain, Pam Colwell, Cindy Lunney, Pam Feix, Stacy Grace, Melanie Smith, James Allen, Vicki Floyd, Todd Crumpton, Jeanette Garrett, and Wendy Herrington.

At one time in history libraries were considered storehouses of knowledge. Today, with world experiencing an information explosion, they are much more than storehouses. Since information is expanding and changing at such a rapid pace, it is important for individuals to know how to obtain information. One of the key responsibilities of high school libraries is to train students to use the resources of libraries to obtain information. In 1775 Samuel Johnson remarked, "Knowledge is of two kinds. We know a subject ourselves, or we know where we can find information upon it." In 1985 it is impossible to know more than a portion of the vast amount of information which is changing and multiplying every year. It is important to have library resources

available and to know how to use those resources to locate information. The library at the Iowa Park High School serves as "The Information Place" and strives to produce students capable of using libraries throughout their lifetimes.

Friday, November 1
Breakfast: Rice, fruit, milk.
Lunch: Soup and sandwich, fish nuggets, macaroni and cheese, combination salad, mixed vegetables, hush puppies, fruit cobbler, plain or chocolate milk.

Monday, November 4
Breakfast: Waffles, syrup, fruit juice, milk.
Lunch: Soup and sandwich, Crispitos, Mexi-fries, combinations salad, fruit, cookies, plain or chocolate milk.

Tuesday, November 5
Breakfast: Scrambled eggs, toast, fruit juice, milk.
Lunch: Soup and sandwich, pizza, corn, lettuce & tomatoes, fruit, plain or chocolate milk.

Wednesday, November 6
Breakfast: French toast, syrup, fruit, milk.
Lunch: Soup and sandwich, cheeseburgers, lettuce, tomatoes, pickles, onions, French fries, fruit, ice cream.

Thursday, November 7
Breakfast: Cereal, toast, jelly, fruit juice, milk.
Lunch: Soup and sandwich, chicken fried steak, mashed potatoes and gravy, green beans, carrots, hot rolls, butter, honey, pie, plain or chocolate milk.

Hawks topple touted Lions

For the second consecutive week, Iowa Park's Hawks met a Dist. 5-AAA favorite, and the outcome was exactly the same: 17-7.

The difference was, the previous week, Iowa Park was hosting Decatur. But Friday night, the assignment was tougher. The Hawks had to play at Vernon, where two years ago they were humiliated by a 42-0 shutout.

Credit three things to the victorious outcome: the offensive game plan; the Mean Green defense, and three turnovers by the Lions. Then, add to that, Iowa Park playing errorless football.

Coach David Baugh sent his offense on the field with the assignment of loosening the tough Lion defense via the airways. And he did.

Quarterback Ray Sefcik attempted six passes in the first quarter, and completed five for 42 yards. The drive stalled at the Lion 12, and Robert Adams hit an 18-yard field goal, ironically from almost exactly the same place he had missed two attempts during warmup.

Sefcik completed three more passes in the second quarter, completing two, and then connected on one other, in the final frame. In all, he was 8-for-10 and 10 yards.

Vernon fumbled the ball twice and lost the ball again on an interception. The first fumble was in the third quarter where, trailing 10-7, after picking up four yards following a first down on the Hawk four, Vernon fumbled and alert Shawn Price covered the ball on his own two yard line.

The other fumble salted the game away for the Hawks. Vernon had completed a 30-yard pass, but when Jeff Huff hit the receiver he fumbled and Scott Weaver covered on the Hawk 41, late in the fourth quarter.

The interception came on the first play from scrimmage in the fourth quarter. It was credited to linebacker Dennis Phillips.

Late in the third quarter, Vernon had advanced to the Hawk eight where the Lions attempted a screen pass. But David Meissner tackled the receiver for a three-yard loss on third down, and the Lions missed a 34-yard field goal attempt.

In all, the Mean Green defense held the touted Lion offense, which had suffered only one loss in the season opener, to 255 yards on 52 offensive plays.

COME FROM BEHIND

Actually, the Hawks had to come from behind to win Friday. Midway through the second quarter, the Lions mounted an 84-yard drive, with Ronnie

DENNIS PHILLIPS FORCES VERNON FUMBLE, BUT LIONS RECOVERED

Fanner scoring on a six-yard option pitchout and Bobby Cochran kicking the extra point.

But the lead held less than four minutes. It took the Hawks only 3:38 to drive 80 yards after the ensuing kickoff, with fullback Robbie Wilson crushing his way the final three yards over left guard.

That was Wilson's only carry with the ball in the first half.

He had one carry in the second half. It was a four-yard run over right guard and it also was a touchdown.

Adams kicked both extra points. Like their other touchdown, the Hawks marched 80 yards to score, this time with 9:26 remaining in the game.

The Lions got their hands on the ball twice more in the game. The first possession, they drove to the Hawk 37 before losing possession on downs.

Unable to gain a first down, Iowa Park punted, and it appeared the Lions narrowed the lead when a Vernon back returned the ball 68 yards for an apparent touchdown.

However a flag in front of the Vernon bench was signaled to be for clipping. As the signal was shown by the official, one of the players apparently vented his frustration

verbally, and drew an additional 15-yard walk that took the ball all the way back to Vernon's 20, where the Lions faced a first and 25 situation.

Two plays later Huff hit receiver Ron Cook who had caught a 30-yard pass, forcing the fumble that gave the Hawks possession and opportunity to run out time on the clock.

Though they failed to score any points, the Lions almost completely dominated the third period of play. Iowa Park didn't have a first down, and had only 19 yards total offense.

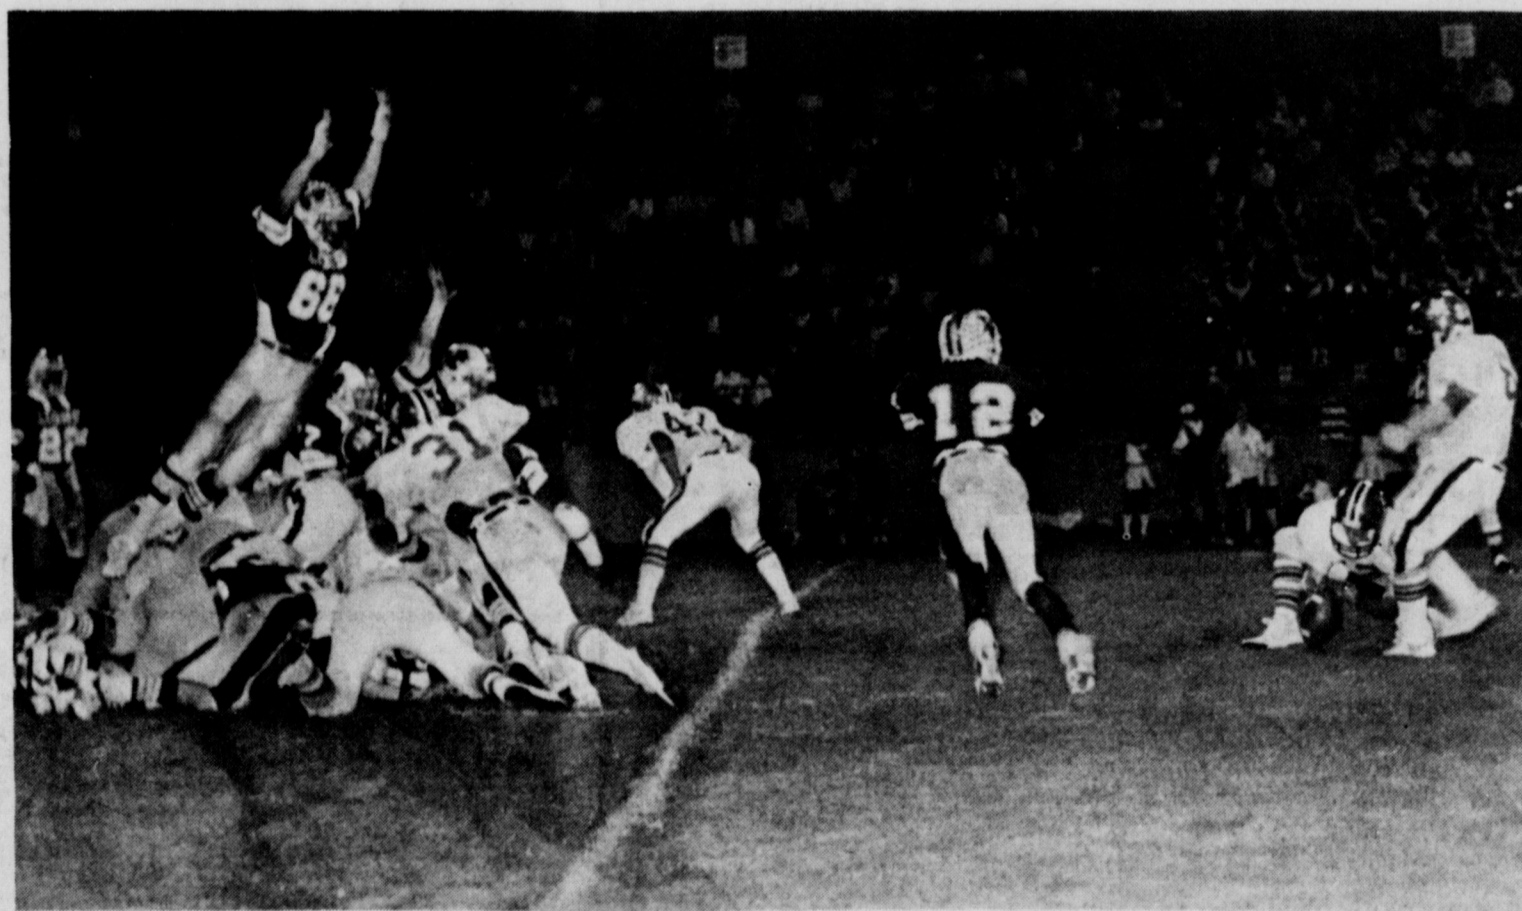

As was the case against Decatur, fullback Randy Boutwell was the leading ground gainer for Iowa Park, with 71 yards in 12 carries. Danny Forman followed with 36 yards, but he carried the ball only once.

Stephen Bidy and Weaver each caught three passes from Sefcik, Bidy's covering 56 yards and Weaver 35.

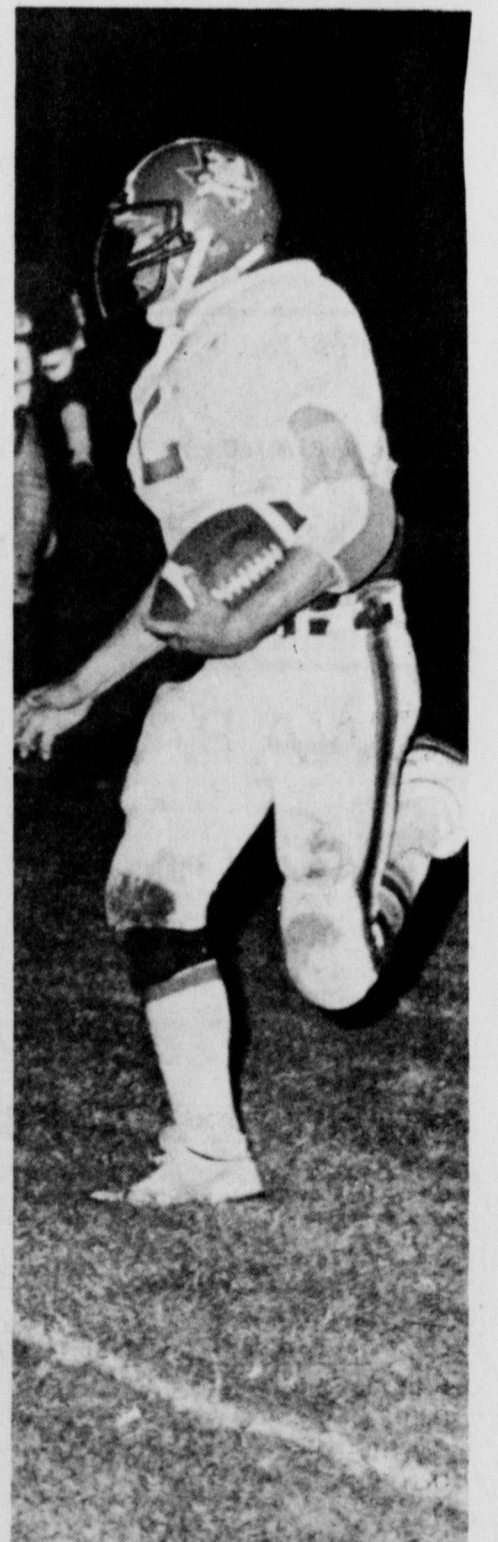

Scott Davis got the big Hawk crowd on its feet early, when he returned one of the Hawks' now famous "starburst" kickoff returns at the first of the game all the way to Vernon's 45.

Big defensive plays were credited to Price, Wilson, Phillips, Meissner, Kevin Haney and Bobby Whisnand.

Big Red takes 16-3 win over Jacksboro

As Holliday's John McGill was running down a fleet-footed back in Lee Anderson during the first quarter of Friday's contest against Jacksboro, the lanky senior lineman was not only saving the Eagles from an early deficit, he made it possible for the Big Red to maintain an even more important friend in the do-or-die

District 9-AA game: **MOMENTUM.** That momentum, coupled with a ball-control, rush-oriented offensive attack, proved to be the difference in a 16-3 win for Holliday.

The conference win puts the Big Red in a tie with Jacksboro for second behind Electra. However, the Tigers still have the state-ranked bunch

from Electra, and a potent Seymour team remaining to play. Holliday, on the other hand, must beat Petrolia and Olney in order to make post season accommodations. Petrolia is currently at the cellar of District 9-AA, while Olney is sporting a 3-2 conference record.

McGill tracked Anderson down

midway through the initial period of Friday's slugfest, stopping the strong Jacksboro back at the Holliday seven.

On the play, which covered 76 yards, Anderson found a gaping hole up the middle, and sprinted toward the goal line and was at least 15 yards ahead of the nearest player in red and white.

But McGill, utilizing his long stride, caught the Tiger back by the shoulder pads at about the 10, taking him roughly to the turf. So rough in fact, it was a good 30 seconds before Anderson was able to get back on his feet.

One play later, Anderson again carried the ball, but this time a hard hit at the line forced a fumble, and Kyle Bedford recovered for Holliday at the six, and keeping the score deadlocked 0-0.

The Eagles ran backs Larry Krob and Tim O'Brien on three rushes netting just seven yards following the fumble recovery, and quarterback-punter Pat Parker laid out a beautiful 42-yard kick to the Tiger 46.

From there, Jacksboro mounted an almost-successful drive. But good defensive play from McGill, Daniel Meador, Bobby Pautsky and O'Brien kept the ball out of the end zone. The Tigers drove to a fourth and goal situation at the Eagle three, mainly on a 31-yard run by Anderson. Jack's lineman/kicker Chad Whitaker scooped up a fumble following a bad snap on a field goal attempt, and attempted a pass to Anderson in the end zone. But O'Brien knocked the ball away to end the drive.

Another interesting note in the game, which probably illustrates Holliday's Stonewall Defense, is the fact that Holliday held Jacksboro to a minus-six yards offense, if you take away Anderson's runs of 76- and

31-yards, in addition to a first half-ending run of 47-yards, all of which amounted to nothing on the scoreboard for the tigers.

On the other side of the coin, it was the rushing of Krob (23 carries for 89 yards), and O'Brien (28 rushes for 130) that kept Holliday's drives alive, and resulted in points on the scoreboard. Krob ran with his customary energetic and bruising intensity, but O'Brien, back from a hyperextended knee injury suffered in the Electra game, returned to the starting lineup Friday with a blast, giving the Eagles an additional threat along with Krob.

Parker also kept Holliday's offense alive with his passing, completing two important drive-sustaining passes to Garner Mahan and O'Brien, totalling 78 yards.

Following Holliday's second goal line stand, a strong Tiger defense kept the Eagles deep in their own territory once again, and a facemask penalty on Parker's punt gave Jacksboro good field position late in the second quarter at Holliday's 23.

Kerry Wise and David Hoepfner pressured the Tiger quarterback into throwing two incompletions, and the two teamed with Meador to stop Anderson for no gain, forcing a field goal attempt by Whitaker from 39-yards with 1:48 left in the half, which was good, giving the home team a short-lived 3-0 lead.

Holliday responded immediately, driving from their own 32 following the kickoff with a pass from Parker to O'Brien covering 40 yards, setting up a 40-yard effort by Parker, which was plenty long and just inside the right pole for a 3-3 tie going into intermission.

SECOND HALF

Another factor in Holliday's win was the enthusiasm the Eagles displayed coming out of the locker
