BIG LIBRARY'S BIG HAUL was begun Thursday, compliments to the entire community by Allied Van Lines of Wichita Falls. They didn't charge for the service. However, the Tom L. Burnett Memorial Library will not be

opened Jan. 2, as first hoped. Librarian Kay Mashburn said Monday the shelving and preparations will not be completed until Jan. 14.

Man recovering from shot wound in side

Police and Emergency Medical Technicians answered a call Saturday evening to 706 W. Louisa where a man reportedly shot himself in the side.

They found Lee Fox Truxton, 28, with a wound in his side which he said happened while cleaning a .22-cal. rifle. He was transported to Wichita General Hospital.

Two days earlier, Brenda Ivey, who had called about the shooting incident, told police her car had been burglarized Wednesday evening and an equalizer was taken, as well as a bottle of valium and make-up bag, all valued at \$250, according to the police blotter.

A routine check of license plates Thursday led to recovery of a 1985 Ford Bronco from Lawton and the arrest of a 19-year-old man.

The vehicle had a dealer's tag, and Lawton police confirmed it had been stolen. The driver, William Earl Patterson, was arrested on a charge of "unauthorized use of a vehicle," and placed in county jail under a \$10,000 bond set by Justice of the Peace Virgil Hill. The other-five occupants were released.

Two non-residents were arrested in separate incidents on US 287, on outstanding warrants.

Maurice Clark, 20, was taken into custody when it was determined he faced three outstanding warrants from the Department of Public Safety at Lubbock. One was for speeding, another for failure to maintain financial responsibility and the third for violating promise to appear. Total fines were \$224.50.

The other driver was Loyde Gordon Roscoe, 24, on DPS warrants out of Austin, with fines amounting to \$140.

District basketball play

Basketball play gets hot and heavy for Iowa Park High teams, now that Christmas is over.

The Lady Hawks were to travel Monday night to Wichita Falls High for a triple-header, their final non-conference tune up for opening Dist. 5-AAA play Friday at Bowie, and hosting Decatur Tuesday.

The Hawks have two more games before entering conference play. They are to host Wichita Falls High Thursday, also a triple-header, and travel Tuesday to Archer City. They open district Jan. 10 by hosting Springtown. Playing last weekend in the Archer City tournament, the Hawks earned third place by winning two of their three games.

They opened Thursday with a 77-48 routing of Newcastle, lost Friday to Graham, 54-60, and the bench got a lot of playing time Saturday when they blew past Byers, 81-47.

Iowa Park had a chance to beat Graham a second time (the Steers are now 2-1 over the Hawks this season), but the third quarter proved costly when Graham outscored Iowa Park 19-8.

Actually, with less than two

minutes remaining, the Hawks pulled to within two points, but mistakes let the victory slip through their fingers. Going into that third quarter, Iowa

Park had led by a scant 24-23 margin. Three Hawks finished in double figures against the Steers: Stephen Biddy 18, Ray Sefcik and Mike Sikes 11 each.

Scoring leaders against Newcastle were Ray Sefcik, 18, Steve Johnson, 12, and Biddy and Brad Huff each had 11.

In Saturday's third-place win, Johnson was high with 24, Steve Allen had 14, Biddy 12 and Huff 10.

Reflecting over Leader files for 1985, it became glaringly apparent it was a banner year for sports at Iowa Park High School, a major change in Leadership in the schools, and a major year for loss by death.

In sports, the Hawks went all the way to the regional basketball tournament and to area in football, as well as placing second in the district track meet. The girls shared the district tennis title, and placed third in both basketball and track.

Major changes in school administration were Glen Mitchell moving here from Henrietta to fill the superintendent's position vacated by Harold Cowley, and Richard Davis replacing the retired Bob Dawson as high school principal.

It was a year of sorrow, also, as the community suffered losses of Dr. Gordon Clark, Ray Hicks, Gale Lowrance and Jerry Mays, among others.

And as the year drew to a close, the long-awaited new library was being filled with shelving, books and furniture to open the new year.

A recap of the year's major stories follows.

JANUARY

A group of interested area residents announced intentions of launching a drive to raise \$346,080 to renovate the 50-year-old Valley Farms Community House. TCU student Wayne Watson was among 18 students from that campus to be named an intern at the nation's capitol. Plans for renovation of the Burnett home for use as a library were first shown to the public at a Friends of the Library meeting. Texas Tech coach Jerry Moore was keynote speaker at the annual football banquet, where Danny Forman received the Jackie Denton Outstanding JV Player award: Phillip Davis the Outstanding Player; Charlie Adams and Jerry Allen the Ballhawker and Rocky Martin the Hustler awards. Iowa Park Police arrested two Lubbock men after discovering 10 pounds, 12 ounces of unprocessed marijuana, valued at \$20,640, in their vehicle. Mark Wicks received the Fireman of the Year Award and Bob Evans the Special Services Award at the annual banquet of Iowa Park Volunteer Fire Department. Dirt work was begun to extend Fourth Street from West Highway to Van Horn. School trustees reprimanded school superintendent Harold Cowley for using school employees (he explained they were not on school time) to replace a hot water heater at his home, and

Looking back at 1985

then extended his contract another year. Iowa Park High School principal Bob Dawson announced he would retire at the end of the school year. Recipients of the Chamber of Commerce annual awards, presented at the organization's banquet, included: Grover Cleveland, Citizen of the Year; Mrs. Homer Blalock, Outstanding Senior Citizen; Robert Wilcox, Outstanding Agriculturist; and the Outstanding Educator was awarded posthumously to Carol Edwards.

FEBRUARY

A blizzard, with eight inches of snow blown by winds and temperatures of eight below zero, forced the closing of schools. Hawk tackle Charles Perry signed an agreement to attend Texas Tech Univ. on a football scholarship. All administrators and key personnel in the schools were given a \$125-permonth salary increase. Members of the Iowa Park Garden Club celebraed their organization's 25th anniversary. The girls' varsity basketball team ended the season with a 16-7 record, but out of the playoffs. Meanwhile, the Hawks defeated Decatur in a triple overtime to win both halves of district play, and the 5-AAA crown. Iowa Parkans began coughing up two more cents for first class postage stamps, with the rest of Americans, when the Postal Service increased its rates. Water service to the entire city was cut off about two hours when the main transmission line broke. The Hawks went on to defeat Graham 45-41 for bi-district and Lampasas 51-50 for area titles, but lost 75-53 to Seminole at the regional tournament.

MARCH

Superintendent Harold Cowley submitted his resignation to accept a similar position with the Talco-Bogata schools. Joey Bates was named 5-AAA most valuable player: Lisa Holloway and Cindy Clanton were named to the All-District team, and Earnie Reusch was named boys' Coach of the Year. School trustees extended one-year contracts to 90 teachers. The city council approved a proposal by Mrs. Phil Welch to begin collecting a 10-cent voluntary donation to a Christmas decorations fund, the amount added onto monthly water bills. Aldermen also approved

an ordinance requiring all new streets be constructed with concrete, instead of asphalt. Iowa Park students dominated the top prizes at the annual Wichita County Livestock Show. For the first time since 1979, Lake Buffalo was filled by recent rains and began overflowing. Iowa Park High School A Cappella Choir earned its sixth consecutive Sweepstakes Award in UIL competition.

APRIL

Manager Frank Gossett announced a 47,000 square foot expansion for the Cryovac plant, while a 15,000 project was still underway, which will bring the firm's total to 385,000 under one roof. Phillip Davis and Kendell Hill accepted football scholarships from Kansas Wesleyan. Richard Davis was named by the school board to succeed Bob Dawson as high school principal. Diane Robnett was elected to the city council as were incumbents Johnny Coker and George Hammonds. School board incumbents Ray Hicks, Martha Dudley and Roy Boutwell were all successful in their bids for re-election; this was the first year trustees were elected by place, rather than at-large. The girls' tennis team shared the 5-AAA title with two others as Charla Blackerby and Tracey Hall won first in doubles; Joe Slack and Mark Cooke placed second in boys' doubles. Holly Farnsworth and Jay Yeakley were selected by the 23 Study Club the Outstanding Senior Girl and Boy. Iowa Park High and the entire community were shocked at the death of 16-year-old Jerry Mays, who collapsed while competing in a track meet at Holliday. Dee Blackwell succeeded Gay Bradford as secretary of the Chamber of Commerce. Two brothers were arrested for robbing Quikie Food at gunpoint. An Iowa Park man was charged with arson following investigation of a fire at his home. Nathan Phillips Construction of Wichita Falls was awarded a contract to renovate the Burnett home for a library with a low bid of \$317,816. District 13 Parent-Teacher Association spring conference hosted here drew 100 delegates. At the 5-AAA district track meet, the boys placed second and the girls third, qualifying first-place winners Brett Hale and Cindy Clanton and second-place winners Scott Weaver.

Charles Perry and Laurie Espinoza for the regional meet. MAY

Phillip Clements was announced salutatorian and Melissa Hatcher valedictorian of the 1985 graduation class. Through the first week of the month, 13.52 inches of precipitation had been measured for the year, compared with only 3.35 for the same period in 1984. Mrs. Clifton Burnett of Kamay was killed in a head-on collision at the intersection of FM 368 and 367; the driver of the other vehicle was from Vernon. Iowa Parkan Afton Pike was named Dean of Instruction at Vernon Regional Junior College's Sheppard Learning Center. Misty Hicks of the local FFA chapter was elected state vice president. Cindy Clanton won first place in the high jump at the regional meet, clearing 5-4. Long-time resident and civic leader Dr. Gordon G. Clark succumbed. Glen Mitchell was hired as new superintendent of schools, moving here from Henrietta. Iowa Park Volunteer Fire Department received a new 1,500 gallon fire truck. The Hawk baseball team had to settle for second place in district after losing a playoff to Vernon. Annual FFA Chapter awards went to: Misty Hicks, Outstanding Vo-Ag Student; Todd Crumpton, Star Chapter Farmer: George Howell, Star Greenhand; David Pike, sales project; Bob Dawson, Honorary Chapter Farmer, and Harrel Riggins, Distinguished Service. The Hawks lost bi-district play to Graham, 7-1, ending the baseball season with a 11-6 record. Retiring principal Bob Dawson, in his commencement address, told the seniors to "grow up and work hard." Texoma Fertilizer purchased Farmers Grain and

Fertilizer.

School trustees, due to an increase in kindergarten enrollment and complying with state school reform requirements, hired a fourth teacher for that class. One of Iowa Park's oldest businesses, Park Pharmacy, closed its doors. Former local police officer, Patricia (Hanna) Case, and four others were indicted by the county grand jury for criminal mischief. Mrs. Mary Bartow was named Worthy Matron of the local Eastern Star Chapter. Some 30 members of the IPHS graduating class of 1965 held their reunion. Amy Silvers and Kyle Long were delegates to the Texas Farm Bureau's 23rd annual Citizenship Seminar at San Angelo. Faith Baptist Church pastor, Rev. Ken Cole, answered a call to Dimmitt. IPHS Class of 1970 reunion was held. City alderman Don Decker resigned his post on the council when he moved outside the city limits. Resurfacing of US 287 began, followed by numerous accidents, mostly to motorcyclists.

JULY

Two local churches reported burglaries and vandalism. School board approved a bid to install sub-surface drainage at Hawk Stadium. Hank Wagoner announced his intentions to build a new eating establishment in Park West Shopping Center. IPHS graduates of 1955 held a reunion here. Kim Williams was named first recipient of the Bertha McDonald Memorial Scholarship, a project of the Alumni Athletic Association. Bud Burch was appointed to fulfill the unexpired city council term of Don Decker. Local poet, Mrs. Lucile Holm, was named recipient of the Golden Poet Award for 1985 by the World of Poetry organization in Sacramento, Calif. The city underwent a project to sealcoat dozens of blocks of paving.

AUGUST

The city hall renovation completed, a drive-through window was opened to accept payments for water bills. Eleanor Bell accepted an invitation to teach on the island of Samoa. Highland Cemetery Association launched a drive to solicit \$20,000 for construction of an open air structure and storage facility. To comply with state dictate, Iowa Park school trustees decided to hold half-day, all-year kindergarten, rather than all-day, half-year as in the past. Jerry Gholson announced purchase of R.W. Hill Insurance. On a split vote, school trustees set a tax rate of 71-cents. Mrs. Robbie Smith received a certificate in recognition of 50 years membership in Eastern Star. Rev. S.A. Luke was named pastor of Church of God. School trustees approved an annual budget of \$5,310,647.

The city council approved a budget of \$2,192,250, set a tax rate of 75.82-cents, and also announced purchase of buildings across Wall Street from city hall which is to be cleared for a parking lot. Because of increased enrollment, local school board members approved hiring of a sixth teacher for the third grade. Local United Way campaign chairman Robert Palmer announced the 1985 fund drive was established by pledges and donations of \$30,855 by Cryovac personnel. City council passed a new ordinance aimed at better control of junk cars in the city. Rev. Jerry Lynn Miller was called as new pastor of Faith Baptist Church.

OCTOBER

A drug-sniffing dog, commissioned by the school board, found marijuana twice on students at the high school in one week. An Iowa Park man, Ralph McCann, and another, Mark Pettyjohn, whose parents live here, were killed in an explosion at Central YMCA in Wichita Falls. Kari Robnett was crowned Homecoming Queen and the annual Whoop-T-Do was rated "one of the best ever." Gale Lowrance, oldest living Iowa Park schools graduate, was honored at the homecoming parade. Ray Hicks, agricultural and civic leader and also a school trustee, was killed in an explosion on his farm. Former school trustee Jerald Brown was appointed to fulfill Hicks' unexpired term. A trio of Wichitans was chased by police after an attempted theft at a local store, and an Iowa Parkan was beaten and robbed of \$1,400. Area cities joined Iowa Park in fighting a proposed water rate increase set by Wichita Falls. High school and junior high bands earned a Division One rating in the annual UIL marching contest. Faith Baptist Church observed its 30th anniversary. First effects of the state's controversial "no-pass, no-play" rule were announced: 110 at the high school and 83 at the junior high, but not all were participants of extra-curricular activities. First cousins, Sheri and Christy Cravens, were named 4-H Gold Star winners. City aldermen began a series of discussions concerning an expensive project to alleviate flooding problems in Country Hills Addition. Funeral services for Gale Lowrance were held.

"To be a good cook," someone has said, "You must get involved and cook, cook, cook."

Our New Year's Cook, Mrs. Odus Mason, has done her share of cooking for her family which includes her late husband, six children and 19 grandchildren, and through the years her love for them and her creativity undoubtedly set the flavor for many heart-warming meals. She now has six great-grandchildren, who will grow up to appreciate her cooking and join other members of the family in declaring her a "kitchen artist."

Mrs. Mason's recipes, today are splendid suggestions for what to eat after the Christmas feasting of turkey, dressing and all kinds of pastries. She has only one dessert recipe, "Fudge Cream Pie," and she included it because it is a specialty of one of her daughters. Mrs. Dick Greenwood, who is serving as a missionary with her husband in Guatemala.

The former Estelle Roberts was graduated from Frederick, Okla. High School. Following her marriage, she and her husband moved to Wichita Falls in 1929. He owned and operated a garage there until 1967 when they moved to Irving and lived there until 1975 and then moved to Iowa Park.

Both were longtime active members of Highland Heights Baptist Church during the time they lived in Wichita Falls and after they moved back from Irving. She served as president of the Woman's Missionary Union two different times and taught an adult ladies Sunday School class. Mr. Mason died in January 1984.

Mrs. Mason is currently a member of the Iowa Park First Baptist Church where she is a substitute teacher for the Alathean Sunday School class and a member of the Day Baptist Women. Her hobbies include ceramics, crocheting and sewing.

She is the mother of four daughters, Mrs. Clyde Patterson of Iowa Park, Mrs. Dick Greenwood of Guatemala. Wanda Hall of Wichita Falls and Nelda Wilbanks of Florida;

PAGE 1, IOWA PARK LEADER IOWA PARK TEXAS JUNEARY 1, 1986

Good gosh! Is it another New Year already?

Seems like only a couple of months since I was using this space to wish everyone Happy New Year for 1985.

I don't know if '86 will pass as rapidly, because there will be so much going on, so many changes and things to do. I doubt there has ever been a year to which I've looked more than next year.

For one thing, I'm looking forward to the events that will take place during the state's Sesquicentennial Besides all the things that are planned locally. I've got my calendar marked to attend the State Fair, as I did during the Centennial. I just hope I don't get lost this time, like I did 50 vears ago.

I'm looking forward to having one of the state's most beautiful community libraries, eventhough it appears now it will be two weeks into the new year before we get to use it.

County group's aim is safety

The Archer County Outreach Mental Health Center Advisory Board will be the host for the 1985 "Holidavs Ahead Campaign."

This is the first year for the Advisory Board to be the hosting agency for this statewide program started Dec. 16 and running through Jan.5.

The "Holidays Ahead Campaign" is an information, education, and prevention effort to increase the public's awareness of the holiday season, parties, and the dangers of drinking and driving.

This public awareness effort will include pamphlets on drinking and driving: and responsible hosting being placed in businesses throughout the county. Other information and ideas include the slogan: "Drinking and Driving Don't Mix - Live to See 86" on marquees in all cities in Archer County, the same slogan on cable T.V., a series of newspaper articles, public service announcements on area radio stations, participation in a panel presentation on VistaCable Vision, a Speaker's Bureau - Programs upon request, and hosting of an non-alcohol Christmas Party.

Also the Advisory Board will sponsor a slogan/logo contest in September 1986 for next year's

campaign.

Chairperson for the "Holidays Ahead Campaign" is Evon Carter of Holliday. Other Outreach Center Advisory Board members include: John Dillard, president; Charlie McDaniels, secretary/treasurer: Archer County Judge, Bill Holder: Gloria Klaras; Charley Doshier: and Wilma Elmore of Archer City: Deacon Bob Nolan of Windthorst and Revford Gardner of Megargel.

The "Holidays Ahead Campaign" is an information and awareness effort to increase public awareness of the holiday season and the dangers of drinking and driving. The stated hope of the Outreach Center Advisory Board is to have a holiday free of alcohol/drug related traffic deaths.

Finnell says he's candidate

State Representatives Charles Finnell, of Holliday, has authorized the Iowa Park Leader to announce his candidacy for re-election to the Texas House of Representatives, 80th District, subject to the May 3rd Wichita County Democratic Primary. A formal announcement will appear

at a later date.

I'm looking forward to having a couple of new eating places in Iowa Park. Not that there's one single thing wrong with those we have now. But a little more variety will make eating out a little more interesting. . . especially when we can find it right here in our own town.

I'm looking forward to adding another grandchild for next year's Christmas edition front page. That's right. Kari, our youngest, is expecting sometime this summer!

And I'm looking forward to Thursday, I'll be like a kid with a new toy, though what we're getting here at the Leader isn't a toy, by any means.

We're to have new typesetting equipment installed the second day of 1986. What we've been using is badly worn, expensive to repair and also expensive to use.

Our new equipment, which will all be Apple manufactured, costs less to purchase, less to operate, has greater capabilities and hopefully will permit us to produce a better-looking newspaper.

So, before I get buried in my effort of learning new typesetting equipment, let me wish each and all of you a very, very Happy New Year.

Tips On Dental Health

RICHARD CARVER, D.D.S.

PARTIAL DENTURES

If you have missing teeth, especially the back teeth then you should consider discussing the possibility of replacing them with a removeable partial denture. While the partial denture usually is not as functional as the natural teeth, they will give more chewing surface, help prevent the other teeth from moving, turning, and tilting.

All teeth, except the very back one, is supposed to be supported on both sides by another tooth. This support helps the teeth to remain upright and prevent food from "packing" between. Food particles remaining between the teeth promotes rapid decay, odor, gum disease, and a bad taste.

A partial denture, while bothering you at first because it's "different," should not hurt. If it "hurts," then it needs some adjustment. You will soon get used to it.

There are several kinds of removeable partials. The most common is the combination cast metal and plastic. Then there is the all plastic with wrought wire clasps. One of the most comfortable is what I call a "soft seal." It doesn't have clasps, but holds in place with silicone around the teeth. Another type is made by injection of a thermoplastic material into the mold, and is extremely tough.

Your dentist will be happy to discuss the possibilities with you. Prepared in the interest of better dental health. DR. RICHARD CARVER, Iowa Park, Tx. Phone 592-5141.

Dwyer Auto Parts

Don L. Dwyer & Winford Ballard - Owners

It's a fact! With the price of auto parts as high as they are today, the average person cannot always afford to keep his car in the best of repair. This year get your car in top notch running order for the cold weather by selecting your parts from DWYER AUTO PARTS located at Route 4 Box 15 Upper Charlie Road in Wichita Falls, phone 723-7109. These men are experts in their field and can help you select just the right part to fit any particular project. They keep in stock a complete line of good used engines, and with their use you can save many dollars over having your present engine overhauled.

From generators and alternators to transmissions, both standard and automatic this firm can supply you with practically any part you might need. They never sell parts they know are worn out or damaged without first telling you the condition of what you buy.

Everyone can save their money by selecting good used parts from this reliable concern. Remember the name, DWYER AUTO PARTS when you have scrap metal to sell - they pay top dollar for scrap metal of all types. The folks at DWYER AUTO PARTS wish everyone a Happy New Year!
