# Tuesday final day for absentee voting

Absentee voting in both the April 4 city and school elections will end Tuesday, and Friday is the final day applications for absentee ballots to be voted by mail will be accepted, according to the state election code.

Absentee voting is underway at city hall for the city election and the administration building for the school election.

Monday is the deadline for opposing candidates to file their second statements.

Only one place on the city council is challenged this year, with in-

cumbents Johnny Coker, Place 3, and Diane Robnett, Place 5, running unopposed.

Place 1 on the council, being vacated by George Hammonds, has drawn three candidates. They are, in order of appearance on the ballot, Keith Fisher, Virgil J. Woodfin and Charlie Brown.

Most of the competition in the April 4 election developed in races for school trustee, where none of the three incumbents is running.

Place 2, to complete the year remaining on Roy Boutwell's term,

has attracted Robert Morris, Wendall House, Ron Barnes, Larry Ashford, Roy Don Wynn, Jim Cooper, Lester Rose and Jerry Gholson.

Place 6 candidates, as they will appear on the ballot, are Jackie Gholson, Roy Reid, Denny McCarthy, Mark Raby, Beverly Cockburn, Sheri Kennedy and Don Decker.

Only two candidates filed for Place 7 on the board. They are Gary Fielding and Dee Blackwell.

Both Place 6 and 7 trustee posts are three-year terms.

EMERGENCY MEDICAL TECHNICIANS ATTEND TO SATURDAY NIGHT WRECK VICTIMS  
...both men remain in Wichita General Hospital.

## Two seriously injured in one-vehicle wreck

Two Wichita Falls men remained in Wichita General Hospital yesterday, recovering from injuries they sustained in a one-vehicle accident here Saturday night.

While on routine patrol at 10:03 p.m., Sgt. Mike Stark found a Volkswagen van stopped after running into a guard rail at the end of West Highway, near the exit of the

high school parking lot, with its motor running.

He found two men, Reggie Leroy Lacy, 46, and Jerry Wallace Campbell, 41, unconscious inside the vehicle, and immediately summoned EMTs of the fire department.

The emergency workers had considerable difficulty extracting the two from the wreckage, even though it

remained upright.

Campbell, the passenger, had been shaken from his seat, apparently at impact, and was lodged with his head and shoulders between the steering column and Lacy's lower legs.

Both men sustained massive head injuries, apparently when they struck the windshield. Neither was wearing a seat belt.

The dead end was created when US 287 bypass around the north side of the city was completed. It was marked with a barricade and large, reflective sign. The speed limit in the area is 30 miles per hour.

Skid marks were found approximately 90 feet before the van struck the barricade. The vehicle wiped out three large posts which helped support the metal barricade.

The vehicle's windshield was found approximately 45 feet beyond where the van stopped, and the large marker sign another 45 feet to the west.

Caps, apparently worn by the two men, were on the pavement about midway between the vehicle and the windshield.

Stark said he had to disconnect the battery cable to stop the engine, because the ignition key had been broken off and could not be turned.

Police have prepared a warrant for Lacy, to be served upon his dismissal from the hospital, for driving while his license was suspended.

Lacy was reported in fair condition by the hospital, while Campbell was described as being critical.

## Council gives okay on purchases, sale

The city council Monday night approved the purchase of a tractor mower and steel building, rejected all bids submitted for contract mowing of parks and lots, and decided to sell a brush chipper purchased three years ago.

Aldermen also approved a request to waive the city's solicitation ordinance where it applies to solicitors for the Wichita Falls Times and Record News.

A tractor mower to be used to mow grass around water towers got council approval. It was estimated to cost \$7,000.

A steel building was offered to the city for \$4,995, including moving it from where it is now located, to the public works department area south of the city.

At its Feb. 23 meeting, the council tabled action on six bids received to mow city property. The bids ranged from \$880 "per cycle" to \$1,447.

Lowest bid was submitted by Lawn Care Etc., owned by Kenneth Watts, and highest bid was by Claude Robertson. Gary Bradford, who had the contact last summer, bid \$1,100.

Administrator James Barrington told the council Monday the city actually didn't have to put the job out for bids, because it was considered "professional services" which do not require bidding.

Mayor Tim Hunter recommended rejecting all bids and either consider the city doing the work itself, or rebidding after making some changes in the bid specifications.

His suggestion drew a motion and it passed, but it was not determined whether the city will do the work or the project will be re-bid.

A brush chipper, purchased three years ago for \$3,500, was deemed too

labor-consuming by Mike Price, public works director, who recommended selling the equipment.

Price also told the council the city's policy of picking up brush one day each month, the last Friday, costs the city \$1,000 each day it is done. He said the city might want to eliminate the practice altogether.

Don James, editor of the Wichita Falls newspaper, appeared before the council to request a waiver from the city's ordinance covering door-to-door solicitors.

He listed as reasons that the paper had been a good and responsible neighbor more than 80 years, that the prohibition of subscription solicitation violated the state and federal constitutions, and that 1,900 families look to the paper for their livelihood.

James was told the ordinance was put into play when "numerous" complaints were received by the city hall and police department recently when a team of youths were brought here to sell subscriptions.

Barrington said some of the complainants reported the youths calling them "jerks" and stronger when they were rejected.

James, who objected to the city's demand that solicitors pay \$30 per day per person, denied having heard any complaints, and assured nothing like that would occur in the future.

Other action taken by the council included:

\* appointed David White to the Electrical Board;

\* tabled action on a request from Mike Sellers, president of the Optimist Club, that the city pave the parking lot around the Iowa Park Recreational Activities Center;

\* Approved an ordinance abandoning a 25-foot strip of South Park,

near Faith Baptist Church, to align the proper line in that area, because earlier action on a similar request had been taken by the city;

\* approved a resolution to accept Phase Three of city hall renovation, and to pay for the work completed;

\* approved Barrington's proposal to take a trip to East Texas and see how three communities were handling their solid waste disposals there;

\* tabled a proposal to purchase a laminating machine and camera;

\* held a discussion about Wichita Falls' announcement it would increase the rate for purchasing treated water by 26 percent, and also talked about increasing the local treatment plant capacity;

\* held an executive session which lasted 17 minutes;

\* and named Joe Singer, who is already Precinct 32 election judge for the April 4 election, as absentee election judge.

Two male juveniles were taken into custody at 11:28 p.m. for consumption of alcoholic beverage, taken to the police station and released to parents about an hour later.

Also resulting from the incident, Mrs. W.B. Bass, 606 N. Yosemite, complained to police there was considerable damage to her home from the party that turned into a fight.

Kevin Harkney told police he had parked his car at Johnson Road Texaco about 2 p.m. Wednesday of last week, and while he was in the restroom, someone took money from the console of the vehicle.

Harkney did not file a formal complaint with police, however.

Paula Terry told police Thursday that a set of wedding rings valued at \$1,200 was taken from her home at 408 W. Pecan during a party held there Mar. 4.

Police picked up a bicycle, reported by a citizen, from a ditch near the George ball park Sunday afternoon, and can be claimed by identifying it and proving ownership.

## Cook of the Week

Mrs. Roy Reid

Alexander Dumas said "appetite aroused, hunger or no hunger, by a succulent dish, appearing at the right moment, illustrates that hunger comes from eating." Whether we agree with him that hunger comes from eating, we are certain to agree after reading the recipes by Judy (Mrs. Roy) Reid this week that they whet the appetite and make one hungry.

One of her recipes, "Roy's Favorite Peach Cobbler," is a reminder that "as American as peach cobbler" could be said without doing injustice to the apple pie because the roundish, yellow, edible fruit is second only to the apple in world distribution.

Some of the finest peach orchards in the country are in this area, and since the season is not far off, many people are already contemplating the enjoyment of fresh peaches and cream, cobblers, pastries and preserves. Others are thinking about canning or freezing them.

Judy, the daughter of Mr. and Mrs. Sam Callaway, moved to Iowa Park from Petrolia with her parents in 1952. She started to school in the first grade here and was graduated from W.F. George High School. She was active in sports while she was in school. She was named Miss Iowa Park in 1965 and participated in state competition at Fort Worth that fall. She is presently working as a hairdresser at Adele's Creation in Wichita Falls.

Judy and Roy have one son, Jeffrey, a sixth grade student. She loves working outside and at their farm with their horses and new babies.

### ROY'S FAVORITE PEACH COBBLER

Never fail pie crust:

3 cups flour  
1 1/4 cups butter flavored Crisco  
1 tsp. salt  
1 egg, well beaten  
5 Tbs. cold water  
1 Tbs. vinegar or lemon juice, preferably lemon juice

Cut Crisco into flour and salt. Combine egg, water and lemon juice. Pour liquid into flour mixture all at once. Blend with spoon just until flour is all moistened. Roll out as you would any other pie crust. Cut into strips.

Cobbler:  
2 large cans sliced cling peaches  
3/4 cup sugar  
2 sticks oleo  
1/3 cup flour  
1 Tbl. vanilla  
Dash cinnamon and 1/4 cup sugar

Mix peaches, sugar, flour and vanilla in a 9x13 pan. (Okay if flour is lumpy). Cut margarine into pats and dot on top of filling. Now it is

ready for never fail crust. Make lattice work crust. Sprinkle cinnamon and sprinkle sugar on top. Bake at 425 degrees 30 minutes or until golden brown. This recipe calls for no crust on bottom, so you will have extra crust.

### JEFF'S FAVORITE FRESH APPLE CAKE

3 cups flour  
2 cups sugar  
1/2 tsp. salt  
1 tsp. nutmeg  
2 tps. cinnamon  
1 tsp. soda

Mix together dry ingredients, then add:

2 well beaten eggs  
2 tps. vanilla  
1 1/2 cups oil, preferably Mazola

Mix last 5 ingredients into dry mixture. Mix well, it will be thick. Put in bundt pan sprayed with Baker's Joy and bake at 350 degrees 1 hour.

In a greased rectangular baking dish, spread half cornbread mixture.

Cover with all of the meat mixture; sprinkle meat with cheese. Top with remaining cornbread mixture. Bake at 450 degrees 35 minutes. Spread with butter when ready to serve. Good with pinto beans.

### CORN CASSEROLE

2 cans whole kernel corn, drained  
1-8 oz. pkg. cream cheese  
1/2 stick oleo  
1/4 cup milk  
Canned jalapeno pepper and juice to taste

Melt cream cheese, oleo and milk in a saucepan. Add corn, 1/2 jalapeno pepper diced and juice. Mix and pour in baking dish, heat until bubbly.

### BACON-WRAPPED BEEF PATTIES

2 lbs. hamburger (lean)  
1 cup shredded Cheddar cheese  
2/3 cup chopped onion  
1/4 cup catsup  
2 Tblsp. Parmesan cheese  
2 Tblsp. Worcestershire sauce  
1 tsp. salt  
1/4 tsp. pepper  
2 eggs  
12 strips thick sliced bacon  
12 toothpicks

Combine all ingredients and mix well. Make into patties about 1-inch thick. Wrap bacon around patties and secure with toothpick. Broil 7-inches from heat 6 minutes, then turn and broil until done.

In saucepan, cook until tender squash, oleo, onion, covered in water. Season with salt and pepper. Grease casserole and layer the squash mixture, Doritos and some cheese. Repeat layers, Bake at 350 degrees 20 or 30 minutes.

**Need a 1986 Tax Break? Open an IRA!**

**Q WHAT IS AN IRA?**

**A** An Individual Retirement Account (IRA) is a special savings plan authorized by the federal government to help you accumulate funds for your retirement.

**Q WHO IS ELIGIBLE TO CONTRIBUTE TO AN IRA?**

**A** Every individual who has earned income or received alimony may contribute to an IRA. Income from other sources such as investments or inheritances does not qualify. Contributions may not be made for or after the year in which you reach age 70 1/2.

**Q HOW MUCH CAN I CONTRIBUTE TO AN IRA?**

**A** Each year you can contribute all or part of compensation, up to:

- \* Individual Taxpayer - \$2,000 for a single taxpayer.
- \* Married Taxpayer - \$4,000 for married taxpayers where both spouses have earned income (each spouse can contribute up to \$2,000 each).
- \* Spousal IRA - \$2,250 for married taxpayers filing jointly. (Yearly contributions may be unequally divided between the accounts, provided the total contribution does not exceed \$2,250 and neither account is allocated more than \$2,000).

# As I See It... By BOB HAMILTON

Harry Moore, the smiling post-man who retired and moved a few years ago to Arkansas, just couldn't keep putting around in his garden.

He's going into business. He sent me a clipping from the Mar. 12 issue of the Newton County Times about a ground breaking event in which he was involved.

Harry is going into the hand cream business in the community of Jasper.

It seems Harry became friends with a couple named Pete and Olgi Arbaugh, and Mrs. Arbaugh had an old recipe for making a hand cream. Well, according to the article,

Harry did some improvements, and the trio formed a company named ARMO which will produce hand cream, extra-dry skin cream and cleanser.

They expect to hire one other employee initially, and grow to a staff of five or six full-time people in the near future.

With all this work facing him, Harry had the gall to tell me in a note, "I still think retirement is one of the best things that can happen to a person. It gives you time to do things that you could not do otherwise."

He added, "The flowers are begin-

ning to bloom and the mountains are beautiful as usual."

Knowing Harry, something told me way back when he first said he was retiring and moving to the mountain country that he wouldn't remain content doing nothing but putting.

In case you've been wondering, the newspaper article included the following vital information: "The handcream will retail for about \$7.50 a jar and a batch of 40 jars takes about 15 minutes to make."

Making money like that, Harry won't need that Postal Service retirement check each month!

## Drive underway to replace LL lighting

A fund-raising drive is underway to finance replacement of lights for the Major and Minor Little League Baseball fields on West Magnolia, according to Pat Kennedy, league president.

Replacement of the lights, which are estimated to have been in use some 30 years, both because of deterioration of the units, as well as the need for safety.

Kennedy said one of the pipe poles broke during a wind storm last season, and others are bent from years of pressure applied by gusts.

But the lights are inadequate, he said, to the point that players in the outfield cannot see the balls when hit by batters. Last year's season was cut short because of the unsafe lighting conditions.

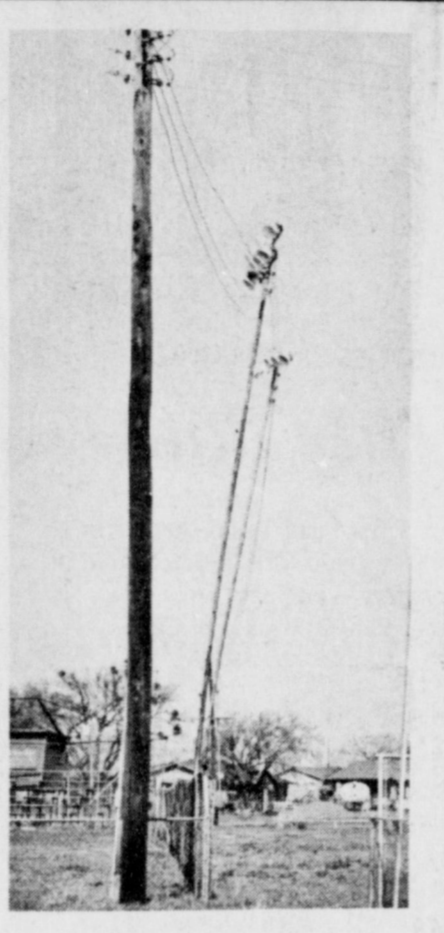

Twenty-four wood poles have already been donated, and the wiring is also expected to be donated, as well as the labor for installing the new fixtures.

Seed money for the project, which was calculated at \$18,000 if done commercially, is already in the bank or pledged, Kennedy said.

A grant from a foundation of \$7,500 is expected to be confirmed within the next two weeks, and the Iowa Park Optimist Club has donated \$1,000.

Kennedy said the Little League officers are intending to have the new lights in place before the April 25 season opening.

Donations can be made to the Iowa Park Little League, box 372, or by contacting Pat or Frank Hardin, league treasurers.

# Two Hawk track records in trouble

Two of the oldest Hawk track records appear to be in trouble this season, based on performances at the Boomtown Relays in Burk Burnett Saturday.

The long jump record of 22-10 set by Mike Brockman back in 1963 could be broken before the season's end by Scott Weaver.

Weaver, on his final jump of the day, got his steps down and won first place by more than a foot over his nearest competitor.

His leap was measured at 22-3 1/4.

The other record apparently in trouble is in the intermediate hurdles, 39.6 set by Gary Williams in 1970.

David Meissner, despite a strong northerly wind on the final 100 meters, was clocked in 40.82.

In achieving his best time, the Hawk senior bested his nearest competitor by almost two seconds.

The two accounted for most of Iowa Park varsity's 32 points against strong teams from larger schools,

such as Lawton Eisenhower, Rider, Burk Burnett, Hirschi, Duncan, and Wichita Falls High.

In fact, the Hawks scored three more points than did the Class

AAAAA Coyotes and were only nine points behind Duncan.

The Lady Hawks finished sixth with 27 points, while the freshman boys placed ninth in a field of 12

schools with 25 points, outscoring Duncan, Wichita Falls High and Hirschi.

The varsity teams will compete Saturday at Olney.

## Netters show strength

Iowa Park's tennis team showed promise of repeating as Dist. 6-AAA champion with its showing last weekend at Burk Burnett.

While the boys placed only second and the girls in a four-way tie for first, it was the competition that made their showing impressive.

Besides host Burk Burnett, the other teams included Hirschi, Vernon, Springtown, Bowie, Bridgeport, Olney, Graham, Quanah, Nona, Petrolia and Haskell.

The boys were edged by Burk by a scant one point.

They won the boys "A" doubles when Mark Molsbee and Bill Chandler defeated Vernon in the finals.

Darryll Franklin defeated a Burk player in the "B" boys singles for his title.

And Chris Blalack and Matt Gerstner wound up in second place in the boys "B" doubles, losing to Burk in the finals.

The girls tied for first with Burk, Vernon and Springtown.

Sheila Staggs defeated a Burk player in the "B" girls singles for her first place.

And Jenny Bowerman finished second in the "A" girls singles, losing to two-time defending state champion Amy Ryan of Springtown.

This weekend, the netters will compete in the Wichita Falls Classic.

It will be the final warmup for the girls, who will play in the district tournament April 3-4 in Bowie.

## Hawks, Eagles play Friday

The Hawk baseball team, which is slated to travel to Holliday for a 4 p.m. game Friday, dropped both outings during the past week.

After losing 9-2 to Graham Friday, Iowa Park dropped a 14-4 tilt Tuesday to Burk Burnett.

Graham scored four runs in the first inning, two in the second and three more in the seventh against hurler Robert Adams, who gave up nine hits.

Both Iowa Park scores were in the seventh.

Adams, Billy Kenyon, Jeff Huff and Craig Rickman each had singles.

Tuesday's loss was the first this season against Kenyon's pitching record. The Dogs got to him for eight hits.

Iowa Park's bats weren't totally silent, however. Huff had a home run, Kenyon and Adams each had doubles, and Pete Armstrong went two-for-three, accounting for the five hits given up by Burk pitcher Rob Johnson.

The Hawks are slated to close out March with a game Tuesday at Vernon.

First Dist. 6-AAA game isn't until April 28.

## Junior High track schedule

## Woods accepted for residency

Ronald A. Woods Jr., a senior medical student at the Texas Tech Univ. Regional Academic Health Center at El Paso, has been accepted into a three-year family medicine residency training program at McLennan County Family Practice in Waco.

Woods, son of Mr. and Mrs. Ronald A. Woods of Iowa Park, will graduate from the Texas Tech Univ. Health Sciences Center School of Medicine May 30, and begin residency training in July.

Residency programs consist of three-to-five years of specialty training beyond the doctor of medicine degree.

Woods and senior medical students across the country were notified

Mar. 18 of their residency assignments through the National Resident Matching Program (NRMP) of the Accreditation Council for Graduate Medical Education, participating medical specialty organizations and training programs.

Medical students apply for specific residency programs.

Applications are processed through the NRMP and the students are invited to interview for residency positions. Students are notified on "March Day."

Texas Tech medical students placed well, according to William H. Scragg, M.D., assistant dean for grad-

uate medical education at the El Paso campus.

"Seventy-five percent placed among their first three choices of residencies," he said. "Our students are competing with students from every medical school in the country for these positions. Their acceptance into their programs of choice speaks well for the quality of our graduates."

Texas Tech Univ. Health Sciences Center School of Medicine has senior medical students based at campuses in El Paso, Amarillo and Lubbock. Thirty-five members of the Class of '87 were assigned to the Regional Academic Health Center at El Paso.

**To the Residents of IPCISD**

The school board election Saturday, April 4th, will be MORE important than usual. This year we will be electing three trustees, almost half of our seven member board.

The past few years our school board has had to deal with some tough issues. Our past and present members should be commended for their foresight and decisions that were made.

Although it might look like we have come through the controversy of HB72 and looking forward to continued high education standards in Iowa Park, it might be a little premature.

With Bill Clements taking over as governor of Texas he immediately laid out plans for the state and his proposed budget. The following is a list of possible issues the new board could face:

- A. cut funding to career ladder
- B. reduce vocational education
- C. eliminate state portion of teacher sick leave
- D. ease requirements for the replacement of textbooks
- E. reduce appropriations to the Texas Education Agency

The new board will also have all the local school business to oversee.

Nevertheless the bottom line has always been and will continue to be what is best for our students' education.

However you vote, please come out on April 4th. Do not let someone else do your voting for you. Elect someone you know that will spend the time that is necessary to make wise decisions. Lets make our schools not only the envy of our county but of the state of Texas.

A. cut funding to career ladder

# Ducks Unlimited set banquet here April 3

The annual fund-raising banquet of the local Ducks Unlimited chapter will be held at 7 p.m. Friday, April 3, at the county agriculture building, 220 W. Park, according to Mike Price.

Tickets for the catered meal will be \$30 per couple, which includes \$20 annual dues to the organization.

Price said seating for the banquet is limited, and those wishing reservations should contact him at 592-9747.

Door prizes and silent and vocal auctions will be held on shotguns, wooden decoys and wildlife prints from nationally-known artists, as well as prints, knives, hunting and fishing accessories and other items.

A duck-calling contest will be held for women, with the winner receiving a limited edition print.

Ducks Unlimited is a North American non-profit organization which raises funds for the preservation of wetlands to enhance wildlife.

The organization, which began in 1937, raises over \$60-million annually to purchase wildlife habitat.

The Iowa Park chapter last year raised \$3,600 with the first banquet, and is aiming at \$5,000 this year, Price, local chairman, said.

Ducks unlimited provides members with a bi-monthly magazine, newsletters and a membership decal.

MISSY LOGAN and KYLE LONG

## Vocalists recognized

Two Iowa Park choir students, Missy Logan and Kyle Long, enjoyed being All-State twice this year.

The first, being named to the prestigious organization and performing with Texas Music Educators' Association All-State Choir in February at the association's annual convention.

Secondly, by being allowed to perform last week with the choir again, for the American Choral Directors' Association, where choral directors from across the nation heard the Texas All-State Choir. This was the only time the Choir has performed other than for the TMEA.

Since the American Association convention was being held in San Antonio, it was reasoned that it would be a good and unique experience for both Choir members and convention members for the Texas group to perform a second time. It was the first time in history for this to be done, according to Darrell Dick, Iowa Park director.

Logan and Long, both seniors, have been placed in the All-State Choir two years, which Dick describes as "a very unique experience in itself."
