Newcastle Gives Hawks First Lesson On Gridiron, 38 to 6

Pregame predictions of local football fans were shattered when Newcastle's Bobcats scored a 38-6 victory over the Iowa Park Hawks last Friday night on the home field.

Iowa Park's lone counter came late in the fourth quarter when Leroy Weiss, quarterback, plunged five yards over right tackle.

Scoring of the visitors would have been more topheavy, but their first count was erased by a penalty, and several times ball carriers were brought down by Ben Huckaby, local speed salesman, when the only thing remaining between them and the double stripe was space.

Fumbles on the first two plays of the game showed the tenseness and inexperience of both teams to a marked degree. Iowa Park received the first kickoff and fumbled on their initial play from scrimmage. A Bobcat recovered only to have the Hawks recover a fumble on the next plunge.

Both teams were penalized frequently for holding, clipping and minor rule infractions that coaches can iron out before conference contests get underway.

The Bobcats hit pay dirt four times in the first half and twice in the second. Their first and last conversion attempts were good.

Head Coach W. D. Jeter and Assistant Coach Bill Cook, for the Hawks, substituted frequently; the Newcastle mentors W. W. Henderson and Frank Heatt did the same after there was little doubt as to the final victor.

Iowa Park's three returning lettermen bore the brunt of attack on both offense and defense, and Jack Stringer and Charles Blanton were outstanding backs for the Bobcats.

Officials for last week's game were Jack Williams, Texas A. and M. H. J. Hardesty, Illinois Normal and Marvin Weatherford, Midwestern University.

The Hawks will again be hosts Friday, Sept. 15, when they tangle with the Nocona Indians here in a non conference game at 8:00.

Death Claims Pioneer Mrs. McCleskey; Was Settler Here in 1888

Funeral services for Mrs. Martha McCleskey, 86-year-old former Iowa Park resident, were held Thursday at the Baptist church with Rev. James N. Easterwood officiating.

Cynthia Martha Adeline Williams was born near Prescott, Ark., Feb. 21, 1864. When she was four years old, she came to Texas with her parents and settled in Aleo near Fort Worth. In 1879 she was married to E. A. McCleskey, and in 1888 the family moved to Iowa Park.

To this union eight children were born, four of whom survive: Sam McCleskey of Fort Worth, Henry McCleskey of Pampa, Mrs. Rose Freberg and Mrs. C. M. Zink, both of Dallas. She is also survived by a sister Mrs. Nannie Yearly; two grandchildren Mrs. Nanette Brewer and Miss Blanche Zink; and three great grandchildren.

Mrs. McCleskey was a member of the Baptist church and a charter member of the Order of the Eastern Star in Iowa Park. She died at 2:50 p.m., September 12, at the age of 86 years, 8 months, 21 days.

Burial under direction of Tanner Funeral Home was made in Highland cemetery, Iowa Park. The local chapter of Eastern Star held services at the graveside for their departed member.

Easterwood Speaks To Association

Rev. James N. Easterwood delivered the sermon Monday evening at the annual meeting of Wichita-Archer Association in the Lamar Avenue Baptist church, Wichita Falls. Those from Iowa Park attending the Monday and Tuesday sessions were Mr. and Mrs. Easterwood, Messrs. Perry Blaylock, F. E. Root, Deloss Kasy and children; Mesdames E. W. Sumrall, L. E. Brooks, Lila Traylor, Curtis Hill, Wayne Short, R. R. Brubaker and Roy Mundt.

Baptist Church Is Scene of Wedding Vows For Miss Lemond and Wayne Williams

Impressive solemnity and beauty marked the wedding ceremony performed Saturday evening which united in marriage Miss Philetous Fern Lemond and Arthur Wayne Williams. Taking place at the Baptist church at 8:00 o'clock, the recitation of nuptial vows was directed by Rev. James N. Easterwood.

The bride is a daughter of Mr. and Mrs. Charlie Lemond and the groom a son of Mr. and Mrs. R. A. Williams, all local people.

Decorations in the church gave pre-eminence to an all white theme, from the white-covered rostrum to the smallest blossom that graced the space. Uprising from a central standard was a grouping of white mums, while on either side bouquets of daisies lent interesting emphasis.

To create an inverted pyramid effect, baskets of mountain snow were used for floral interspersing. The soft glow of candles arranged in seven-branched candelabra at four points among the flowers and on the extremities of the choir rail added the finishing touch to the setting.

Miss Betty Jo Hatten, organist, and Miss Frances Bell, vocalist, furnished wedding music. Preceding the ceremony Miss Hatten played "Wonderful One" and "To An Evening Star," the latter composition being background music for the lighting of candles. She accompanied Miss Bell for her solo offerings "Always" and "Because."

During the ceremony the organist played "Ave Maria" and included the traditional processional and recessional in her musical selections.

When given in marriage by her father, the bride was attired in a navy blue wool gabardine suit, the front of her jacket being set off by simulated tiers and button trimmed tabs. She wore a flattering off-the-face hat of white felt which was trimmed with a navy blue veil.

White gardenias were fashioned into a shower bouquet which the bride carried atop a white Bible. For something old she wore an opal ring belonging to Mrs. W. E. McKinney. Something borrowed was a white linen handkerchief edged with a wide border of lace which belongs to Mrs. Harrell Sullivan. Her good luck six pence was worn in the shoe to make the rhyme complete.

Miss Zada Lemond was her sister's maid of honor. She wore a beige colored wool gabardine suit with brown accessories, a blue carnation corsage at the shoulder.

Norman Williams served his brother as best man.

Miss Jane Davis of Wichita Falls and Miss Linda Norwood of Arlington, nieces of the groom, served as candelights. They were in sheer frocks of light blue Picolay styled along identical lines.

Truman Manes of Burkburnett and Pat Kingcaid of Iowa Park assumed duties of ushering.

President's Dinner Given by Music Club To Open Fall Season

Modern Music club started what promises to be a highly successful year at a dinner Thursday evening. The meal was served at the Methodist church by members of the Christian Workers Sunday School class, of which Mrs. Jack Ralston is teacher and Mrs. H. W. Weaver is president.

Honoring the music club president, Mrs. Paul Zink, the event was designated the President's Dinner. Special guests also were a group of eight who have recently been elected to membership. These include Mmes. J. Louis Quick, Chester E. Gleason, Wayne House, Lowell Short, Preston Pace, Joe Chandler, T. M. Black, Arch Hughes. Preceding dinner the last six named and Mrs. Otis Gay and Mrs. Ruby Monroe contributed several selections.

Mrs. James A. Sewell is director and accompanist of the singers. Numbers they sang were: "Medley from the Sunny South" (introducing O Susanna, Swing Low Sweet Chariot, Golden Shippers, Deep River, Dixie); "The Deaf Old Woman" (Missouri folk song); "Fireflies" (Russian folk song); "Hrady Dudy" (When I Hear the Bagpipes Playing, Czech Folk Tune); and "The Moo-Lee Flower" (Chinese air).

Decorations in the dining room emphasized the club colors of green and white. A handsome bouquet of huge white zinnias with runners of ivy formed the centerpiece for the table. Places were marked with white cards sprinkled with black musical notes and tied with green and white satin ribbons. Elsewhere in the room zinnias in a variety of colors provided further decoration. Members assembled in the church

auditorium following dinner to conclude their meeting. The club hymn was sung to precede an organ interpretation of "Berceuse" from Jodelyn (Godard) by Mrs. W. G. Steely.

The business meeting conducted by Mrs. Zink was highlighted by an epitome of the year's work by Mrs. O. E. Lochridge, program chairman.

Other club members are Mmes. C. W. Coppock, O. R. Owens, Ida Chatelein, Fenton Dale, Lester Hawkins, Dave Jaquart, Gayle Park, Bess Smith, Miss Mary Butcher, Miss Ethyle Kidwell.

MRS. PAUL ZINK

Mr. Tucker gave his daughter in marriage. Her wedding gown of white slipper satin was fashioned with a drop shoulder effect. Two deep ruffles of princess lace accented the neckline and the fitted bodice came to a point below the waistline. A shirred drape in front of the full hooped skirt was held at each side by satin roses and revealed a petticoat of lace. The long peat point sleeves and the skirt and chapel length train were edged with lace ruffles. Her fingertip length veil fell from a crown covered with seed pearls. Her bouquet was created of gardenias and stephanotis.

Miss Gloria Slaughter served as maid of honor, and bridesmaids were Miss Sherwood Turney and Miss Jean Treadway. They were in gowns of coral net and imported lace. Capes of the lace parted at the neckline in the back and extended to the waistline above full hooped skirts. Each feminine attendant carried red rosebuds.

Best man for the groom was W. L. Perryman Jr. and groomsmen were Joe Chandler and Randolph Clark of Iowa Park. Ushers were Bob Linecum and Richard Scott.

The bride's mother was in a champagne lace dress and wore a corsage of tallisman roses. The mother of the groom chose a formal frock of navy blue crepe, pink accessories and her flowers were pink roses.

A wedding reception was held on the opposite side of the garden. The guests were served from two tables. Covered with cloths of finest lace, one table held the cake and an eight branched candelabrum which held burning candles. Wedding of Johnnie Joe Bates and Miss Grace Tucker Is Performed in Dallas Flower Garden

In a flower and shrub bedecked garden which embraced a symphony of color for Sept. at the home of her uncle and aunt Mr. and Mrs. A. L. Slaughter in Dallas, Miss Billie Grace Tucker became the bride of Johnnie Joe Bates, Saturday evening, Sept. 9. A large host of relatives and friends was assembled to witness the marriage pledges by the daughter of Mr. and Mrs. W. P. Tucker of Dallas and the son of Mr. and Mrs. Forest Bates of Iowa Park. Dr. C. H. Holcomb officiated.

Hurricane lamps marked the entrance to the garden and formed a pathway by which members of the bridal party approached the nuptial space. The marriage service took place before a wrought iron archway topped with burning cathedral candles, flanked by tall urns filled with white gladioli and greenery.

Wedding music was presented by Mrs. R. A. Schlandroll, pianist, and Miss Linda Leigh, vocalist.

Many Young People Of Our Town Enrol For College Work

Iowa Park will be represented at many colleges and universities in at least four states this fall. Already a number of young people have enrolled in schools of their choice and others will depart this weekend for registration early next week.

Some are entering for the first time, others are re-entering to work toward their chosen degrees. Some are just out of high school, others are married, with one or two children, but all are working toward the same end—to educate themselves and to make useful citizens in the community and the world.

Midwestern university at Wichita Falls has the largest number of Iowa Park collegians, with NTSC ranking second. We are trying to list the name of each person who is attending or planning to attend college anywhere. If one has been omitted, please call our attention to it, because it is difficult to get an accurate list.

Southwestern university, Georgetown, claims the loyalty of Thomas Pace, who will be working toward an M. A. degree.

Frank Mills has shifted from law to business administration at the University of Arkansas, Fayetteville, where he expects to receive the BBA degree next year.

Patsy Gay and Betty Jo Hatten are attending Texas Wesleyan college at Fort Worth.

North Texas state college at Denton has attracted Bob Robinson, Pat Sewell, Jimmy Hooten, Jimmy McDonald, Joan Whistler, Jim Bradford, Jennie Adams, Avon Wilcke, Paula Ralston, Joyce Nell Beck and Bobby Beck.

Jerry Cope has gone to the West Coast where he will study at George W. Pepperdine college, Los Angeles.

Enrollment at Midwestern has been considerably swelled by Iowa Park folk including: Katy Merle Sumrall, Tom Huckaby, Keith Blawie, Don Lowrey, Ronnie Lowrey, Lucy Lee Dale, Ava Nell Lee, Betty Perry, Lynn Lovell, Juanelle James, Bobbie Ruth Brubaker, Bill Mahler, John Mahler, Travis Hill, Don Paul Lemons, Johnnie Conn, Shirley Lowrey, Wanda Chandler, Howard Gay, C. J. Cooley, Fred Vealey, Jim Miller, Noah E. Guthrie Jr., Glenn Gwinn, Delano Robertson.

Franklin Farmer has cast his lot with the Baylor students at Waco.

Texas Tech will have David Gene Dodge and Ima Jean Martin.

Bobby Birk has shifted his allegiance to Houston university after attending two years at Sherman.

Jean Weaver and Mr. and Mrs. Joe Harris are continuing their studies at the state university at Austin.

Bill Weiler, Glen Miller and Bradley Johnson are undergraduate students at A and M, College Station, while Fred Widmoyer Jr. is working on the Ph.D. degree at that institution.

As reported some time back, Sammy Shelton has chosen St. Louis university for his higher education.

Valley View

By Mrs. Roy Lakey
Last week a shadow was cast on our community by the death of our friends, the family of T. H. Ford. Those he loved were also loved and admired by all of us who knew them. Our hearts are heavy and our eyes filled with tears as we attempt to share their heavy burden with understanding and sympathy. Our prayer is that Mr. Ford (Pete), Viola Talley Ford and son Gary and Angus Doyle and Ronald will have faith, strength and courage to face the hours of readjustment that will come. At last report the injured ones were getting along as well as can be expected.

Rev. and Mrs. T. M. Jensen of Sherman, former pastor of the Ford family, and Mr. and Mrs. Myers Campbell of Waxahachie, former teachers of Helen, Preston and Viola, came for the funeral Thursday and were guests in the Lakey home Wednesday and Thursday nights.
Mr. and Mrs. Joe Wall of Austin returned Wednesday after visiting her parents Mr. and Mrs. Odis Evans.

Sunday guests of Rev. and Mrs. G. C. House were Mr. and Mrs. Polk and son and daughter of Wichita Falls and Mr. and Mrs. Julius House from Jacksboro.
Visiting Miss Sara Duncan, Sunday were George Jones and his sister Julia of Jacksboro.

Mrs. J. C. Farris of Fort Worth visited her parents last week.
Friends of the Culpepper family, Mr. and Mrs. Evans of Abilene, visited them recently after attending the Huff-Hedricks marriage in Wichita Falls.

Mr. and Mrs. Ray Anderson jr. will visit the next two weeks with his mother. His job has brought him to Seymour for that time.
People in this community are glad to see work being started on opening of some bar ditches and filling in low places up and down our highways.

Methodist WSCS met in business session Monday at the church. Mrs. Harrell brought a devotional to 10 members. Mrs. Miller reported that chairs to match the new Duncan Phyfe drop leaf table for the parsonage are to be delivered soon. It was voted that our church and WSCS contribute our share to the Wesley Foundation picnic at Midwestern university, Friday, September 15.
Next Tuesday, Sept. 19, will be luncheon day at V.V. Methodist church. All who will come get all you want of a good country dinner for \$1. Twelve o'clock noon.

Valley View folk are proud of our football boys. When we saw the gang from Louisiana, our hearts felt. They were much larger and play older boys. We sure thought Coach Ernest Sutherland had talked one time too much, since the Louisiana coach was a college friend and each got to bragging about his boys.
The Crowsville school gives its team a trip each year, so Coach Sutherland invited them here. They accepted. With the hospitality of patrons Valley View entertained and enjoyed having the Louisiana boys and their coaches.

As a result we had a good game, although the result was Crowsville 21, V.V. 12. Our boys had not been in practice except for a few days, but there were several pretty plays. I told Supt. Wilkes that, adding I couldn't tell if they were accidents or intentional. He assured me they were intended. Anyway, we'll be proud of the boys this year if they keep going as they have started. We were never a down hearted group of fans, so remember, coach

and boys, we'll be yelling our heads off for you, just over the fence.
Noticed among old boosters for V.V. Warriors were Mr. and Mrs. Bill Boyd and Mr. and Mrs. Olan Bridges from Wichita Falls.
Our college students are heading toward various colleges and universities this and next week.

June Smith and Phyllis Deel will return for their sophomore year at Midwestern. They have taken rooms in the new Queen's Dorm. Joe McDonald, Rex Coats and Frank Lewis are also returning to M.U. living at Daniel Hall. Marvin Childers goes to NTSC to continue his studies.
Miss Doris Henderson is enjoying a three weeks vacation, which she is spending at home and in Graham.

Don Brisco left last week for the navy. He was sent to California.
Miss Jo Stewart, who will return to NTSC for her junior year, helped with the news this week. She says, "All through high school we all said 'Old Joe Holmes' would never change. He went to California and came back the same 'Old Joe.' He came back the same 'Old Joe.' He went to Texas Tech and returned unchanged. But this summer Joe went to Wyoming. What did they do to you, Joe? That accent..."
Wednesday morning the sunrise was beautiful, but thoughts of a beautiful day soon vanished and I could almost hear Wiley Bishop moan when clouds grew heavier.

It was a busy week for Mr. and Mrs. John Bowman of Independence, Missouri—the week that young Linda Marie joined them.
Busy week, too, for the Bowman telephone. As Mrs. Bowman reports, "We use the telephone a lot from day to day, but we never stopped to think how helpful it really is, until we kept a record of calls. We averaged our bill—and were really surprised at the low cost—about 2¢ a local call!"
Telephone service has grown steadily in the part it plays in our daily lives—and in the value it delivers. Most folks agree it's the best buy in their budget! Southwestern Bell Telephone Co.
What else gives so much for so little

"Mrs. Dawson called Tuesday to give me her recipe for blackberry jelly. I made 13 glasses!"
"Then early Wednesday morning we knew the s.o.k. was on his way. Mother called the doctor."
"John got the cab, while Mother packed. Within minutes we were off!"
"A half hour later John called home to say that 'Junior' turned out to be a girl!"
"Mother called everyone we knew, as soon as they were up. Karen and Sharon, our other daughters, were trying to get in their two cents worth, too, of course."
"John and Mother kept our telephone record for me. I'm finishing it now. Reading it back makes me realize how much we depend on our telephone—and how little it costs!"

Light Up...
...FOR **Better LIVING!**
Now that students are starting another school term, it is vitally important that they have enough of the right kind of light for easy seeing.
All lamps used by students for home study should have at least a 100-watt bulb—150 watts in many cases—to provide good light to make their home-work easier and to prevent undue eyestrain. Lamp shades, too, are important—they should be wide enough to spread the light evenly and keep glaring, unshaded light from striking the eyes.

Mrs. Skinner Honored On Birthday, Sept. 5

A surprise birthday party was given Tuesday, Sept. 5, in honor of Mrs. C. H. Skinner. The guests arrived at her home before she got off work and the big surprise was enjoyed by as she came home to find a house full of guests.

Mrs. Skinner received many beautiful and useful gifts. Refreshments of cake, coffee and punch were served to the following guests: Bro. and Sister Ray T. Hill, Mrs. A. H. Skinner, Delton Teeters, Mr. and Mrs. J. D. Morrison, Doug and Dianne, Mr. and Mrs. Clyde Skinner, Mary, Raymond and J. L.

Mr. and Mrs. Luther Skinner, Jimmy and Mike, Mrs. Minnie Morrison, Mrs. Sally Catlin, Mrs. Artie Henson, Mr. and Mrs. Martin Calvin, Marty Paul and Lowell Don, Mrs. Mae Eaton, Mrs. Luther Watts and rs. Lula Sears.

Mrs. Skinner heard recently from her son Cpl. Robert Skinner, who has arrived in Korea. He has been in the army two years, leaving the States on August 10.

Mr. and Mrs. Herman Mahler visited in Hedley with relatives last week.

Roy Broadway and A. Y. Weaver of Wichita Falls were in town Tuesday on business.

Difficulties of Rural Life in Japan Cited By Mrs. Skelton

Mrs. Georgina Skelton and daughter Fay have just returned from a two year stay in Japan with Capt. J. A. Skelton. He is finance officer at Misawa Air Base and is unable to return until the war in Korea is ended. As the normal tour of duty is up, the dependents are allowed to return in rotation.

The flight home was interesting for Mrs. Skelton, as it was made by way of Wake Island and Honolulu, and several hours were spent at each place. The weather was good and the Pacific was beautiful from the air.

The first year in Japan was spent in Tokyo, which is quite modern and the best of everything in the occupied country is at hand. However the last year was spent in the wilds of northern Honshu, nine hours by train from the nearest city. There were few comforts of "stateside" in this area and great precaution had to be taken with food and water. This is really primitive Japan, and the Skeltons had many experiences that the average occupant never comes in contact with, such as potshots through train windows, etc., as the Russian influence is strong in that area.

Japanese there are mixed with Russian, and there is a marked Russian influence on the language. Peasants make up 95 per cent of the population and there is little culture in that area. Quite a time was had by Mrs. Skelton teaching weekly at the labor school. The purpose was to teach boys and girls fresh from the rice paddies how to do the simple chores that Americans want done in their homes.

houseboys to help the economic recovery of Japan, but the strain is sometimes much worse than doing the actual labor at hand. In Tokyo and Yokohama the training is completed to a large extent and the occupationaires live in style. Especially so, the civil service and field grade officers. This area is fairly clean and modern but the rest of Japan is a primitive, backward country. The filth and stench and disease are impossible to describe to a person who has not seen or smelled it.

Occupationaires of the Tokyo area never really see Japan, even though they take tours around the country. You have to visit in the farm homes and take numerous chances with your health and sample horrible sounding foods to really learn how Japanese live.

The Skeltons are glad they have had this opportunity, even though the going was tough at times. They have brought back about 40 colored pictures of Japanese life, and in a few days will be glad to show them to interested groups.

Easterwood; Misses Barbara Butts, Sally Eastwood, Helen Mitchell, June Robinson; Murrill Fleming, Fred Glover, Jimmy Hooten, Glen Miller, Bob Robinson, Franklin Farmer, Robert Wilcox.

Brooks on Field Trip Into Canada, Mexico And Western States

L. E. Brooks, superintendent of the Texas Agricultural Experiment Station south of Iowa Park, joined a group of 120 men Sunday to accompany them on the WFAA farm tour of the West Coast and Pacific Northwest under direction of Murray Cox of Dallas.

Mr. Brooks is representing the agriculture committee of the Wichita Falls chamber of commerce and money for his trip was provided by Everett McCullough.

The group will visit ten states, Canada and Mexico and will return Sept. 27.

Monday, Sept. 11 the party enjoyed a sightseeing and educational tour in Denver. They also visited the farm of Dr. H. E. Brubaker near Longmont; Henry James, successful cattle feeding operator; and outstanding pastures and sugar beet producing plots.

Tuesday was spent at Livingston, Montana, and Yellowstone National Park. Wednesday found the men visiting points of interest in Billings, Montana. It was their privilege to see Wind River Canyon, the most scenic place in the world, on Thursday.

Friday the men will be in Spokane, Wash., to inspect the Grand Coulee dam, the largest man made structure in the world. Here they will see how water is diverted for irrigation purposes. En route to Spokane they will stop at the Big Bend wheat area and the Moses Lake Experiment Farm.

Saturday they will visit agriculture interests in Yakima, Wash.

Other places of interest will be Seattle Harbor, Union Lake Government Canal and the Carnation farms. They will sail on the liner M. V. Chinook for Canada where they will be guests of Hon Harry Bowman, minister of agriculture of Canada. They will stop in Victoria and British Columbia and other highlights of this part of the journey will be visits to the Dominion Experiment Farm at Peninsula and the Butchart Gardens, one of the floral wonderlands of the world.

The men will return to Portland, Ore., Tuesday and following a scenic trip up Columbia river, they will proceed to Bonneville Dam and Salmon Hatchery, the farm of Walter Fisher and other farms that raise outstanding purebred polled Herefords.

Going to California next Wednesday, the party will inspect unusual livestock and agricultural exhibits and famous grape growing regions in Davis, Fresno, Sacramento and Los Angeles. They will attend the L. A. County Fair, the largest fair in the world.

On Monday, Sept. 25, Mr. Brooks

and his associates will go to Calexico, Mexico. Then they will head for El Paso and the final leg home.

Old Timer To Be 85 At T-O Fair Time

Joe Collins is not a pioneer in the way that many other of the older folk in these parts are pioneers. He has been in Iowa Park a bare eleven years, but he has been around a lot longer than that.

Mr. Collins was born in Memphis, Tenn., some 85 years ago and will celebrate his birthday on the last day of the Texas-Oklahoma Fair, Saturday, Sept. 7. He has attended the fair every year since his belated arrival in Our Town and enjoys them immensely.

Other times in the year Mr. Collins contents himself with occupying the rocking chair, and sitting about a checker table with a friend.

All in all, life has been pretty good to Joe Collins, and he intends to get the most out of it, day by day as they come along.

Presbyterian News

The Women of the Presbyterian church met with Mrs. J. B. Ridenour, Monday afternoon for Bible study. Prayer by Mrs. Gale Lowrance opened the meeting and preceded a devotional by Mrs. T. A. Uhrich, who used "Meditation" for her subject.

Mrs. C. E. Birk discussed "Home More Lastingly Christian," an article from the Presbyterian Survey.

Mrs. Ridenour taught the Bible lesson, the theme of which was Daniel's prayer for himself and his people, from the sixth chapter of "Great Bible Prayers." The study was concluded with silent prayers, the offering and mizpah benediction.

The hostess served refreshments to Mmes. T. A. Uhrich, L. Shelton, F. L. Emanuel, K. P. Abernathy, Gayle Park, C. Birk, Gale Lowrance, C. E. Birk, L. Lovelace, Fred Myers, A. H. Ester, Miss Mina Troutman and Miss Clara Lowrance.

Lions Get Prevue of Midwestern Revue

Ted Overbey is a busy little boy these days. He's trying to keep his hands on the T-O Fair and all of its last minute loose ends.

He's sizzling around like a U Know What on a What Is It?—but you can bet your last galls button that when Oct. 2 comes along Iowa Park will have a fair to write about.

Last time we saw him Ted had Jill Story and Chuck McCrary in tow. They had come up to Lions club to entertain the meat eaters in their sanctuary. And entertain they did.

Miss Story is one of the main attractions in the Midwestern University Revue which will be produced the first four nights of fair week in Iowa Park. She's a torch singer, with many gestures. Chuck is her accompanist, without whom she says she couldn't perform.

Jill and Chuck are sophomores at Midwestern and are just a part of the big show. Ted told the Lions. The revue has been written and cast by Dr. Jennie Hindman of the Wichita Falls institution. It will have drama, music, and a great lot of color.

The Lions voted not to meet during fair week, so that women who ordinarily serve them will be free to care for their fair duties.

Dick Gary of Enid, Okla., student at Yale university, who has been working in London, England, the past year, arrived for a short visit with the George R. Huckaby family Thursday. Mr. and Mrs. Harold

Bower of Burkburnett, who are former fellow students at Phillips university, spent the evening here visiting with Dick and his hosts.

Miss Mary Anne Hill went to work Monday as layout artist for Dreyfus at Dallas. She is a spring graduate in art from TSCW, Denton.

Gleasons Are Hosts For Openhouse

In recognition of the recent re-decoration of the parsonage of the Christian church, Rev. and Mrs. Chester Gleason held open house last Sunday afternoon for members and friends of the church.

Mr. and Mrs. Gleason greeted guests while their son Steve entertained the children in the backyard. John B. Barbour, who had served as chairman of the interior decorations, showed many guests through the house. A guest register, gift of the George Huckabys for the occasion, was presided over by Mrs. A. L. Reed and Mrs. Rollins Woodall.

At the punch bowl were Mrs. John B. Barbour, Mrs. W. G. Steele, Mrs. O. R. Owens. Other members

of the house party were Mrs. Fred Vealey and Mrs. Joel Cathey.

The table was laid with an ecru lace cloth centered with a crystal basket filled with queens crown, which encircled the candelabra holding pink candles, and the punch bowl set. A mantel arrangement featured flowers and berries of the fields and streams. A lovely arrangement of white gladolus on the bookcase was gift of the T. M. Clark family.

After guests viewed the house, they enjoyed cookies and frosted punch.

Mr. and Mrs. J. R. Horn and children Pamela and Michael were weekend guests in the D. O. James home. Mr. Horn is a brother of Mrs. James.

Mrs. Elvis Lancaster and DeWayne of Electra were visitors in Our Town last Saturday.

SPOTLIGHT on SPORTS

Baseball is still in the running and will be until the world series has been run off.

Last Tuesday night we saw the Gainesville secondbaseman rob Cecil McClung of a hit that would have tied the score, if not forced the Spudders to win. A hard line drive that went to the right and just above the infielder's head would have been good for a double if an unusually good leap and one handed stab hadn't been successful. We liked that play, even if it did cost a ball game.

Coaches for the Iowa Park Hawks will have to have an ironing board at each end of the field to press out all the wrinkles and kinks that showed in their inexperienced material against the Newcastle Bobcats. That is what non-conference play is for. Both mentors are blessed plenty of work the next two weeks. Some shifting around may be done in order to find the best man for the different positions.

We are a firm believer that the old desire to win, or bulldog tenacity is not inherited by an individual, and that coaches can and do have a lot to do with putting a desire to win into the entire squad. It has to be there in order to get that pleasure of stopping a ball carrier in his tracks. Coaches call it chilling the ball lugger. Now and then you find a high school boy who gets a kick out of doing just that. He's an inspiration to the entire team.

Friday we get a chance to peep through the knotholes again to watch the football Hawks against their foe, Nocona. We're not looking for a big win, but will be searching for improvement on the way our ends handle themselves by seeing it that they keep those ball carriers from going on the outside, and they make it a point to slow those monkeys down enough until our tackles can take care of the situation. Another thing we will be watching and asking for, as fans, is a more solid block and tackle. When the boys start showing that improvement, this writer will be happy, win, lose or draw.

Bleachers, band section, press box, box seats and the entire field setup are good this year. The lighting is good. The new announcing equipment is better.

The high school band and leader are to be commended on their showing and display between halves.

D. O. James, accompanied by Wilson Collins of Odell, made a business trip to Springfield, Brownstown and Vandalla, Ill., this week.

Mr. and Mrs. Leroy Montgomery of Lawton announce the birth of a daughter Thursday morning at Wichita General hospital. She weighs 7 lbs. 12 ozs. Mrs. Montgomery is the former Miss Dorothy Faye Sewell.
