## Aldermen to call May 5 election

Following a lapse of three weeks since its last meeting, the city council Monday night will face an agenda laden with nine topics, including calling an election for three of its members.

And there could be more topics. Administrator James Barrington said Wednesday that the list was still ten-

tative, and more could possibly be added by Friday afternoon.

Three members of the council, including mayor Tim Hunter and aldermen Bud Mercer and Bud Burch, will have terms expiring this spring.

The election will be held May 5. Also on the agenda are three public appearances, two ordinances, two resolutions, action on two different bid proposals, appointment of four members to the planning and zoning commission, and a proposal to simplify permits for contractors.

TU Electric manager Harold Smith has requested time to address his company's rate increase request, which is now before the state Public Utilities Commission.

One of the ordinances listed on the agenda concerns council action following Smith's appearance.

Mike Avey, of Entex Fabrications which is located near Bradford Elementary, is to request water and sewer service for his plant, which is not inside the city limits.

The third public appearance will be by Denny McCarthy, who is to seek the city's assistance in repairing fencing of land he has leased from the city at Lake Buffalo.

The second ordinance on the agenda, if approved, would abandon a 20-foot strip of right of way on the west side of the 400 block of North Victoria.

Action is to be taken on two different bid proposals, including one to construct drying beds at the water treatment plant and the other for lawn maintenance, a three-year contract.

A resolution will be considered which would seek a juvenile officer grant funding from the Criminal Justice Department.

The other resolution, postponed from a previous meeting, would accept the work of relocating the overhead water tower on Emerald St. and make final payment to the contractor.

Four persons are to be appointed to the planning and zoning commission. Two of the three-year-term seats are to expire, and two members are resigning.

Aldermen will consider a proposal that the public works department be authorized to issue books of permits, upon purchase, to plumber and electrical contractors. Permits would be filled out upon use.

APARTMENT MANAGER HERMAN SMITH IS LOADED INTO AMBULANCE ... after allegedly being shot by robber Sunday morning.

### POLICE SUSPICIOUS OF CLAIM -

## Man shot during robbery

A felony theft investigation by Iowa Park police of an alleged robbery and shooting here Sunday morning has taken a new twist.

Chief Alan Sheffield said Wednesday that his department's investigation is now turning to "the possibility the wound was self-inflicted."

The manager of Woodbriar Apartments, Herman Smith, 55, told

police he was shot by a man during the course of an armed robbery Sunday morning in his office.

Smith was taken to Wichita General Hospital for treatment of a gunshot wound in his upper left shoulder, and reportedly was to have been released from care sometime Wednesday afternoon.

The police dispatcher was notified by telephone of the incident at 10:46 a.m., according to the police blotter.

Local, county and DPS officers converged at the location and immediately launched an area search for the suspect Smith had described as a white male in his mid 30s, about five feet, 10 inches tall, long, curly blond hair, thin mustache and wearing a blue denim jacket.

Smith told police the suspect had talked with him Saturday about renting an apartment, and was there that morning to look at one.

But, the manager said, the man then pulled a silver .38 caliber revolver and demanded his money.

Smith told police he was sitting at his desk in the office at the time, and after he had handed over his billfold, he had waved his hand toward the gun and attempted to stand.

That was when the suspect shot him, he said.

The bullet passed cleanly through Smith's shoulder and struck the wall behind where he said he had been sitting.

Emergency medical volunteers said they had to cut away a down vest

Smith was wearing in order to treat the wound. He was later taken to the hospital by ambulance.

After Smith was taken away, police continued their investigation.

They later found a pistol, that was similar to the one the wounded man had described, in a robe hanging in a closet just outside the office, Sheffield said.

While no official estimate of the amount of cash the alleged robber had taken was disclosed by police, early reports indicated Smith had said he had about \$200 in his billfold.

Smith told police he had called a friend in the apartments after being shot, and the friend had notified police by dialing a 9-1-1 emergency telephone number.

### Building permits get good start

Building permits issued by city hall in January got 1990 started off in good fashion. The permits amounted to \$75,207.

January permits included:

George H. Wood, 910 W. Louisa, addition, \$6,120;  
James King, 610 W. Cornelia, addition, \$4,752;  
Lee Allen, 307 W. Emerald, alteration, \$300;  
Ayres Oil, 287 & Johnson, sign, \$10,000;  
W.C. Franklin, 1325 Edgehill, storage shed, \$480;  
Park Pharmacy, 115 W. Park, repair, \$1,900;  
Shannon Guthrie, 310 Valley, alteration, \$600;  
Bobbie Huckabee, 1503 Johnson, repair, \$3,495;  
Marty Forman, 713 W. Manes, remove, NA.

## Electra trio suspected of criminal mischief

Possible charges of criminal mischief may be filed against a trio of young men in Electra for damaging an Iowa Park student's car Tuesday night.

Actually, police had the three stopped for another reason, but had already released them before learning about the incident with the car.

Jimmy Duggins, who had played in a basketball game at Iowa Park High School earlier in the evening, went to the police station at 9:50 to report the damage.

He said he had seen an individual walk to his car and kick the door, doing considerable damage.

Though he did not give police the suspects' names, they matched

the description officers noted earlier when they stopped a car at Wall and Diamond.

In the vehicle were suspects identified as George Stephen Owen, 19, Larry Hernandez, 18, and a 16-year-old juvenile.

All three were ticketed for possession of alcoholic beverages found in the car.

Owen, it was learned through a computer check, also was wanted on an outstanding warrant from the Wichita County Sheriff's Office for public intoxication, *capius profine*.

Owen paid his fine and the three were released.

No formal charges have been filed against any of the three on the

criminal mischief case.

Donny Ray Watson, 18, was taken into custody Friday morning. Watson had three outstanding warrants against him, one locally and the others from Wichita Falls.

The local warrant was on a charge of criminal trespass, for not staying off the campus at Iowa Park High School after being instructed to do so.

The Wichita Falls warrants were for assault, stemming from an alleged fight in which Watson was involved more than a month ago.

### Reception to fete couple

A Golden Anniversary reception honoring Mr. and Mrs. K.B. Coats of Electra will be held from 2 to 4 p.m. Sunday at Electra Community Center.

The couple's children, Dan Ray Coats and Linda Watson, both of Electra, and grandchildren, will host the reception.

Mr. and Mrs. Coats were married Feb. 9, 1940, in Mounds, Okla., and have lived in the area 47 years. They are former residents of Iowa Park. Both have been associated with the National Weather Service 20 years.

Friends of the couple are invited to attend the reception.

### Baptist Women hold meeting

Twelve members of the Thelma Smith Baptist Women of First Baptist Church met Monday night for the monthly program taken from the Royal Service magazine. The theme of the program, coordinated by Mrs. J. T. Parker, was "Profile: The Sharers."

The scriptural background for the program was II Cor. 4:7, and Mrs. Parker explained how "treasure in earthen vessels" in the verse referred to the gospel in clay pots in whom God chooses to house the treasure.

The topics presented by Miss Helen Reed, Mmes. D.O. James, Elmer Singleton and O.S. McLemore gave profiles of four missionaries who are serving as living tools to share the gospel with the lost in the United States in their ministry of lay, personal and mass evangelism.

Mrs. Parker closed the program with the topic "You, A Tool?" showing how each Christian can be a vessel filled with the gospel instead of an ornament or useless tool on the shelf.

Mrs. H.E. Cummings presided during the business when plans were

made to deliver meals on wheels for the Friendly Door Feb. 12 - 16.

Mrs. Cummings and Mrs. Singleton serves as hostesses for the meeting.

### FFA Boosters to make plans

Besides discussing plans for three upcoming stock shows, members of the Iowa Park FFA Booster Club will cap off their meeting Monday night with a covered-dish supper.

The meeting is to start at 7 p.m. in the Vocational Agriculture building.

Parents and students planning to attend the Houston Stock Show are asked to be on hand to finalize plans for the trip.

In addition, all students who will have entries in the Iowa Park 4-H and FFA Stock Show (Mar. 6 and 8), and the Wichita County Junior Livestock Show (Mar. 10-12), should be at the meeting to register their entries and pay entry fees.

### Benefit dance slated

Beta Sigma Phi will host a Sweetheart Ball to benefit the Wichita Falls Hospice from 9 p.m. to 1 a.m. Saturday at the Woman's Forum in Wichita Falls.

A live band, "Sage," will perform.

Charge for the ball will be \$15 a couple, and tickets may be purchased from any Beta Sigma Phi member, or at Iowa Park Florist.

### Card of Thanks

I want to thank everybody for being so sweet during my stay in the hospital. Most of all, I want to thank Dr. Soell, Sonja, and the local E.M.T.s for saving my life. I love everybody.

Weight Loss Pill 'Baffles' Scientists

WASHINGTON - Scientists are baffled by a new weight loss formula that causes people to lose weight even though they don't change the way they normally eat.

Studies published in respected scientific journals such as The British Journal of Nutrition say that cymopsis tetragonolobus, an ingredient often used to thicken ice cream, can cause permanent weight loss without dieting or exercise. Although several explanations for the weight loss are suggested, the most likely according to scientists, is that the ingredient seems to "trap" high calorie fat particles, decreasing their absorption in the intestines.

Scientists at National dietary Research, an organization committed to the research and development of nutritional solutions to world-wide health problems, have successfully isolated and incorporated cymopsis tetragonolobus into an improved formula that greatly enhances the potential for weight loss over the ingredient alone. Called Food Source One, the revolutionary new formula provides a three-way scientifically designed process to help prevent caloric absorption.

The mechanism by which Food Source One works to decrease body weight is a complicated process called nutri-bonding. When chewed and swallowed immediately before meals, high calorie fats are replaced with lower calorie nutrients, thereby providing optimum nutrition and a minimum number of fat calories as explained in an instruction sheet that accompanies the tablets. The instruction sheet should be followed for optimum results.

Food Source One is unlike any other product on the market and is available immediately because it is not a drug and only contains natural ingredients already known to be safe. Physicians and pharmacists are praising Food Source One as a natural, drug free alternative for the treatment of obesity.

Food Source One is available at:

# As I See It...

By BOB HAMILTON

Dolores and I attended the annual mid-winter meeting of the Texas Press Association in Dallas last weekend, and I found it enjoyable, informative, and painfully disappointing.

It was enjoyable, as I've mentioned in this space other times, to get to meet with my newspaper friends from all points of the state. The programs, equipment displays and hotel accommodations were outstanding.

The informative portion had to do with two programs. One was when six of the major gubernatorial candidates submitted themselves to answer questions from publishers. The other was a speech by the head of the Texas Education Agency.

The politicians included Republicans Clayton Williams, Tom Luce and Jack Rains, along with Democrats Jim Mattox, Mark White and Rev. Otwell.

I was especially interested in their responses to my question which concerned a bill that never got to the floor of the last regular session.

I asked their reasons if they could not support legislation which would prohibit further mandates by the legislature without state funding.

Only one said he would not sup-

port it. To no one's surprise, it was Mattox, who explained the state would have no recourse should a school district not be functioning properly, or something like that.

Rains and Williams both took the mike and said they would be glad to support such legislation.

The other three, including White, who was the major arm-twister in the 1983 passage of House Bill 72 that local school districts are still paying for, never said a word.

Of the six candidates, and to my surprise, I found myself being more impressed with the responses to other questions by Rains than any of the other five.

Though I did find a lot with which to agree whenever Williams spoke.

The panel was made even more interesting because of its makeup. If you don't remember Rev. Otwell's name, he's the preacher who operated a foster home for children and was forced to close because he refused to license it, as required by state law of all such homes.

And it was Mattox and White who were in power at the time.

Preacher Otwell appears to be

using whatever forum he can gain as a candidate for governor to espouse his religious beliefs, and often had to either be cut off during one of his tirades, or be reminded to get back to the question at hand.

It appeared to me that the Rev. Otwell was about as welcome as would be a fresh cow patty on a perfume sales counter.

The painful disappointment came while I was playing a round of golf Friday afternoon.

Actually, I had not planned to play any golf, until I was invited by a friend who had reservations on the beautiful course of Las Colinas Country Club.

The game was going well, the weather was wonderful, and I felt I had the world by the tail....until we got to the 16th hole.

As I was shooting into the green, I somehow swung improperly, and severely strained a muscle in my back. It is still extremely painful.

The pain I can handle. But I couldn't finish that hole nor the last three.

That's what's painful. I doubt if I'll ever have another chance to play the Las Colinas course!

#### False alarms down

Dear Bob:

What would happen to me if I continually called the police and falsely reported a burglary in progress? This is what happens when a person arms an alarm system that they know is defective or improperly operated. Prior to the time the alarm ordinance went into effect the number of false alarms was about 20 per month. Last month only 4 false alarms were reported. That is a 75% drop! False alarms take officers off the streets.

Sincerely,  
Michael D. Grubbs

Johnson, were Southern Democrats and both were in the Senate.

Andrew Johnson was born in 1808 and Lyndon Johnson was born in 1908.

John Wilkes Booth was born in 1839 and Lee Harvey Oswald was born in 1939.

Booth and Oswald were Southerners favoring unpopular ideas.

Both Presidents' wives lost children through death while in the White House.

Lincoln's secretary, whose name was Kennedy, advised him not to go to the theater.

Kennedy's secretary, whose name was Lincoln, advised him not to go to Dallas.

John Wilkes Booth shot Lincoln in a theater and ran to a warehouse.

Lee Harvey Oswald shot Kennedy from a warehouse and ran to a theater.

The names Lincoln and Kennedy each contain seven letters.

The names Andrew Johnson and Lyndon Johnson each contain 13 letters.

The names John Wilkes Booth and Lee Harvey Oswald each contain 15 letters.

Both assassins were killed before being brought to trial.

Both Johnsons were opposed for reelection by men whose names start with "G." -- Spooked in New Jersey

everyone else.

And a second proposal, if passed, would allow the Postal Service to delay a lot of first class mail plus some second class mail, by at least one day. Estimates are that 15 to 30 percent of all first class mail would be affected.

And the Postal Service wants the authority to have different delivery standards for areas adjacent to "local" areas served by an SCF. That means that upon the discretion of the regional postal management, Midland could have much better non-local postal service than either Odessa or Andrews.

And for cities trying to diversify and bring in additional industry, the status of the "non-local" postal delivery service could give one city an edge over another.

We always thought that with the purchase of a first class stamp for an envelope, Uncle Sam was guaranteeing equal treatment and equal delivery speed for every citizen. If the new proposals go through, a first class stamp only means that the mail should get there -- eventually.

Allowing the Postal Service to make a deal with the country's largest mailers for special rates, volume discounts, and special treatment makes second class citizens, mailwise, of the rest of us.

Postal Service, like justice, should be available on equal terms to every citizen, not just the big, fat cats of the nation.

How much of it was coincidence? I refer to the assassinations of Abraham Lincoln and John F. Kennedy.

Both Lincoln and Kennedy were concerned with civil rights.

Lincoln was elected President in 1860; Kennedy in 1960.

Both were slain on a Friday and in the presence of their wives.

Both were shot from behind and in the head.

Their successors, both named

**IT'S NOT GREEK TO ME!**

Some would tell you that baptism in Acts 2:38 is not "for" remission of sins, but "because of" the remission of sins. Therefore they state that salvation comes before baptism rather than after.

The theory, that deceives many, is a fruit of wrong reasoning based on a small Greek preposition "eis", which sometimes means "because of" and other times means "for".

Is baptism "because of" the remission of sins? No, not all. Open your Bible and see for yourself why not. Please compare three Scriptures and match carefully three identically repeated sentences: Acts 2:38 "repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins"; Mark 1:4 "John did baptize in the wilderness, and preach the baptism of repentance for the remission of sins"; Matthew 26:28 "for this is my blood of the new testament which is shed for many for the remission of sins". In all three sentences, the preposition is "eis" and introduces a sentence of purpose, and not one of cause. For what reason did all Judea and Jerusalem go to John's baptism? Why was Jesus going to shed His blood? The answer is not "because of", but rather "for the purpose of". Remember, you either have a sentence of purpose or result! Be honest, let the Bible speak. Tell me now, when Jesus instituted His supper, did he say that he was going to the cross to shed His blood "because of" the remission of sins, or "for" the remission of sins? Be honest again. If Jesus shed His blood "because of" the remission of sins, then lost humans already had remission of sins before the shedding of His blood!

My friends, think straight, be honest, read your Bible. The translators were correct when they translated the Greek preposition "eis" in Acts 2:38 to mean "for" or "unto" the remission of sins.

**LIGHTS FOR COURTS** - City workers this week installed lights for the two outdoor volleyball courts. The lights will enable more teams to compete in league play, because they won't be dependant on sunlight.

## Volleyball season just around corner

A meeting to plan the upcoming volleyball season will be held Mar. 15 at the Iowa Park Recreational Activities Center.

Captains of last year's teams and all other interested players are asked to attend the discussion of fees and rules for the coming season.

A complete renovation of the volleyball fields on the block between Third and Fourth streets is

receiving a top priority, as the area is being cleaned, cleared and built for a safer place for players and children.

Lights are being erected and will be ready for use by March.

A work day for cleaning and repairs has been scheduled for Mar. 31, with April 7 an alternate date in case of bad weather.

The season tournament is slated to begin April 21, with league play to start April 30.

## Medical assistance large chunk of county welfare expenditures

The state spent a total of \$24,044,087 last year for major welfare programs in Wichita County, according to Ray Dunavant, regional administrator for the Texas Department of Human Services.

"Medical assistance had the biggest impact, with \$12,493,577 spent for aged and disabled residents of the county and \$3,580,487 for families and children in the county," he said.

Food stamps worth \$6,052,252 were issued for the fiscal year which ended Aug. 31, while Aid to Families with Dependent Children (AFDC) totaled \$1,917,780. Food stamps are funded entirely by the federal government, while the department determines eligibility of applicants and issues the food stamps.

The state and federal govern-

ments share in the cost of AFDC to families where needy children are deprived of support because of the absence or disability of one or both parents.

In addition to services and assistance to low-income residents of the county, the department extended protective services to 469 abused and neglected children and their parents or caretakers. These services, furnished without regard to family income, were designed to reduce or eliminate danger to children.

# Hawks nip Lions

The Hawks won a real nail-biter here Tuesday night against Vernon, setting the stage for their final two scheduled games of the season.

Senior Jimmy Duggins gave the Hawks a three-point lead with only nine seconds left on the scoreboard clock, and then fought off a rally by the Lions to win, 79-76.

Iowa Park travels Friday to Bowie, and closes out the schedule here Tuesday when Decatur comes to town.

The Hawks had led 19-13 when the first quarter ended, but fell behind 29-21 by the half. However, they fought back in the third, and went into the fast-paced final frame with a 57-49 cushion.

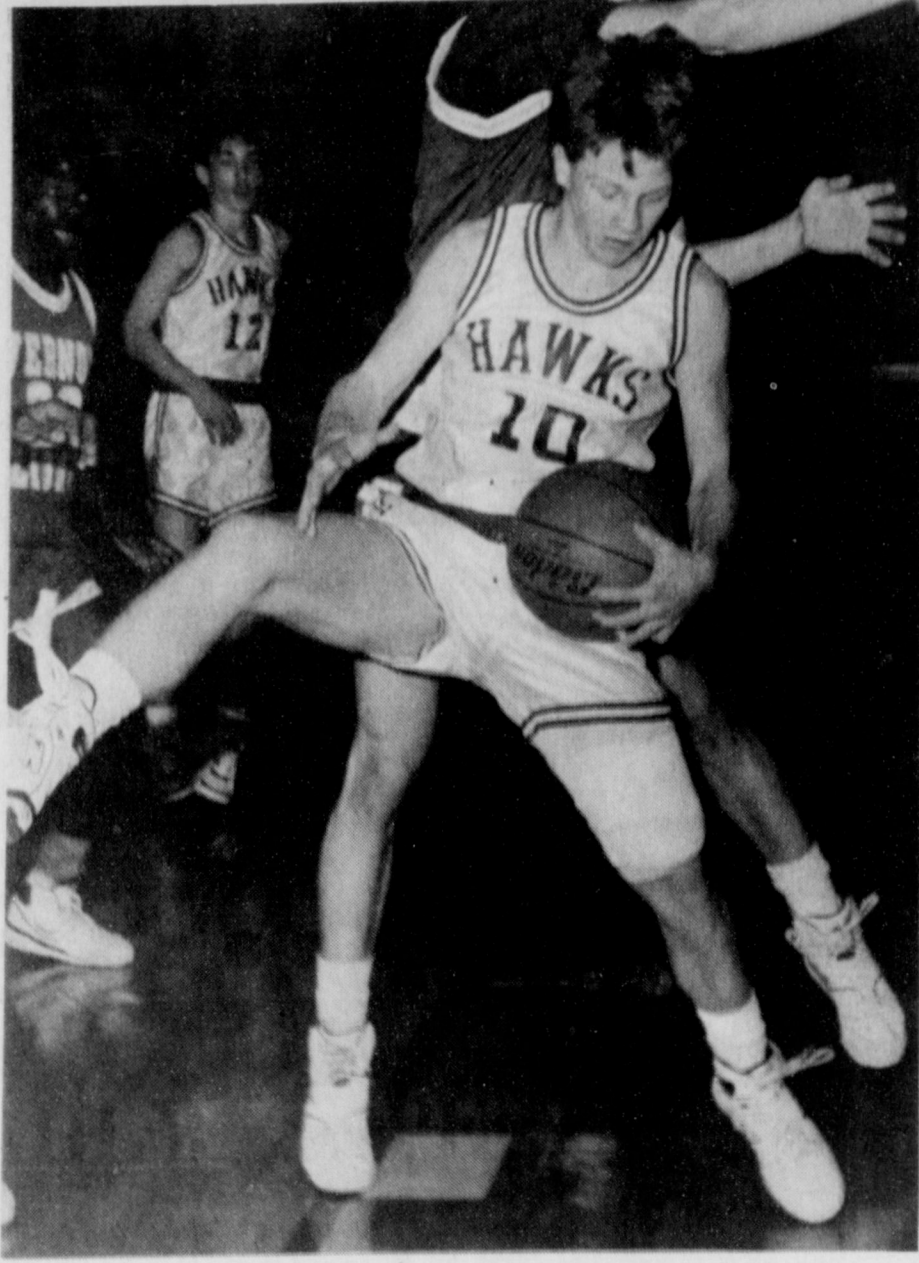

After extending their lead to 11 points, 72-61, with 4:06 remaining, and still clinging on 77-71 at the 1:06 mark, Vernon scored five unanswered points and cut the lead to only 77-76.

Duggins was called for walking with 21 seconds remaining, but a tight Hawk defense forced a turnover by the Lions with 10 seconds.

Vernon was forced to foul Duggins in hopes of getting back the ball, even though he sank both his charity tosses.

Center Wayne Chitwood fouled out on an in-bound pass play under Vernon's basket, sending a Lion to the foul line with two seconds left on the clock.

The shot was missed, and time

## Hawk baseballers set to scrimmage

The Hawk baseball team will travel to Burkburnett Tuesday for the first of four pre-season scrimmages, according to Coach Daryl Frazier.

Following that, scrimmages are slated Feb. 16 here with Holliday, Feb. 20 here with Hirschi, and Feb. 23 here with Wichita Falls High, before opening the regular season schedule Feb. 27 against Archer City.

All four of the scrimmages are to start at 4 p.m.

Dist. 5-AAA play is to get underway April 10 with Bowie, and wind up May 14, according to the schedule.

ran out on the clock.

Vernon coach Glen Methvin had correctly predicted to his Lions what would happen in the game, when he said "If you worry about the outside game then Chitwood will hurt you inside. Duggins can hurt you from either the outside or the inside."

Duggins finished the game with 33 points and Chitwood added 22 more.

The win listed the Hawk season record to .500, 13-13, and 1-2 for the second half of 5-AAA play.

One of those two second-half

losses came Friday night at Bridgeport, when the Bulls edged the Hawks 71-70 on a last-second shot.

Bridgeport had led at the end of each quarter, 24-21, 44-33 and 64-46, but the Hawks fought back in the final period.

"We had our chance to win it, but just fell short at the end," commented Coach Earnie Reusch.

Chitwood had 31 points against the Bulls and Duggins scored 13.

The Hawks' last two games will follow contests of the freshman and junior varsity teams, with the first games starting at 5 p.m. both dates.

## Girls softball meeting slated

The Iowa Park Girls Softball League will hold a meeting at 3 p.m. Sunday at the Iowa Park Chamber of Commerce building.

Potential players, coaches and volunteers are asked to attend the meeting.

## Young Hawks win

The Third and Second Grade Hawk basketball team improved on its record Friday by beating the Panthers 17-4.

Iowa Park is now 3-1 for the season.

Some interesting changes made in the UIL realignment includes Gainesville being moved back up to AAAA; Lorena and McGregor being moved up to AAA, and Shamrock being moved to Class A. The Hawks never played Lorena, but that school played West Texas here last fall in the AA playoffs. It was McGregor that knocked the Hawks out at the quarterfinal level three years ago. And Shamrock was in Iowa Park's district back in 1969.

Prior to the UIL's realignment last week, Graham head coach Mark Ball was quoted in the *Graham Leader* in explaining why he wanted out of the same district with Vernon: "The frustrating part of it is that (in 1988) there were three teams in this district ranked in the top 45 football teams in the state. This year there were four teams in the top 45. That's frustrating."

# Breckenridge replaces Decatur in UIL realignment of district

The effects of the biennial realignment by the University Interscholastic League on Iowa Park High's district memberships were minimal.

Though the district's number was changed from 5-AAA to 4-AAA, the only other change was to trade Decatur for Breckenridge.

"It was six of one and half a dozen the other," commented athletic director Len Williams. "The quality of competition and travel are about the same. Not much difference."

The district retained Bridgeport, Bowie, Graham, Vernon and Iowa Park, with Breckenridge the new "kid

on the block."

Actually, Breckenridge isn't new, having been in the district with Iowa Park, Decatur, Bowie, Jacksboro and Bridgeport the seasons of 1986-87 and 1987-88.

Decatur, the UIL announced last Thursday, is assigned not only to a new district, 9-AAA, but a different region, two.

Coaches of 4-AAA met Monday to set up their tentative schedules for football next fall.

Those games, as well as any non-conference games agreed to between coaches, cannot be made official until Feb. 21, the date set by the UIL for

such agreements.

The UIL allows a period of time between its announcement of realignment and the official date, during which any necessary changes can be made.

Williams said coaches at the district meeting had not only agreed on the dates they would play, but where they would be played.

The Head Hawk has also been working hard on scheduling his non-conference games.

He's been able to retain the oldest rivalry of the Hawks', Burk Burnett, as well as Decatur and Abilene Wylie.

And he's dropped Gainesville, which moved back to AAAA, and Mineral Wells, picking up Clyde and Childress.

This fall's meeting between Clyde and Iowa Park is believed to be a first.

But it won't be for Childress, which was a district opponent back in 1969. In their last meeting on the gridiron, Iowa Park walked over the Bobcats 41-14 enroute to its first state championship.

Scheduling of non-conference games is always difficult, a point frequently made by high school foot-

ball coaches. As of Monday, Bowie and Vernon still were looking for early-season opponents, Williams said. Gainesville also was searching as late as Monday afternoon.

As to his own non-conference scheduling, Williams said he had a tough time of it. He pointed out that there are two districts nearby made up of eight schools, which leaves those schools very few openings.

He next had to look toward the Panhandle, while searching for teams to fill his calendar.

And, for a while, the Wichita

Falls Coyotes, who dropped down to Class AAAA, were possible opponents for the next two seasons.

Iowa Park's 1990 football schedule could be as follows:

Sept. 7, Burk Burnett, there  
Sept. 14, Abilene Wylie, here  
Sept. 21, Decatur, there  
Sept. 28, Clyde, there  
Oct. 5, Childress, here  
Oct. 12, Graham, here  
Oct. 19, Bridgeport, there  
Oct. 26, Bowie, here  
Nov. 2, Breckenridge, there  
Nov. 9, Vernon, here

## Lady Hawks' season is ended

The high school basketball careers of the four Lady Hawk seniors ended abruptly Tuesday night, when Iowa Park hosted Vernon.

And it wasn't on a pleasant note.

Vernon broke the game wide open in the fourth period, after leading only 46-38, to win, 69-47.

The Lady Hawks had trailed by only 19-13 after the first quarter and 38-26 at the half. And early in the

final period, had pulled to within five points, before their own turnovers and Vernon's extremely hot shooting expanded the spread.

Freshman Erica Knight and sophomore Melody Gray led the Lady Hawks in scoring with 11 and 10 points, respectively.

At Bridgeport Friday night, it was about the same, but closer.

Bridgeport led 18-10 at the end

of the first period, but the Lady Hawks took over in the second, and went to the dressing room at the half with a 27-24 lead.

The two teams were tied at 32-all, going into the final quarter, but the host Sissies prevailed, 47-41.

Kerri Dörner, a junior, was high for Iowa Park with 12 points, follow-

ed by Knight's seven.

Losses in their final two outings left the Lady Hawks with a season record of 10-20, and 2-8 in 5-AAA competition.

Coach Jimmie Cain, completing his second year at the helm, loses four seniors: Shonna Weaver, Deanna Sosebee, Angie Turner and Jill Silvers.

But he returns nine from this year's varsity, including Gray, Knight, Dörner, Emily Short, Michelle Cannedy, Julie Short, Misti Murray, Stephany Lozipone and Marcy McCarthy.

### Boosters to meet

Iowa Park Booster Club will hold a meeting for all members at 7 p.m. Monday in the high school fieldhouse.

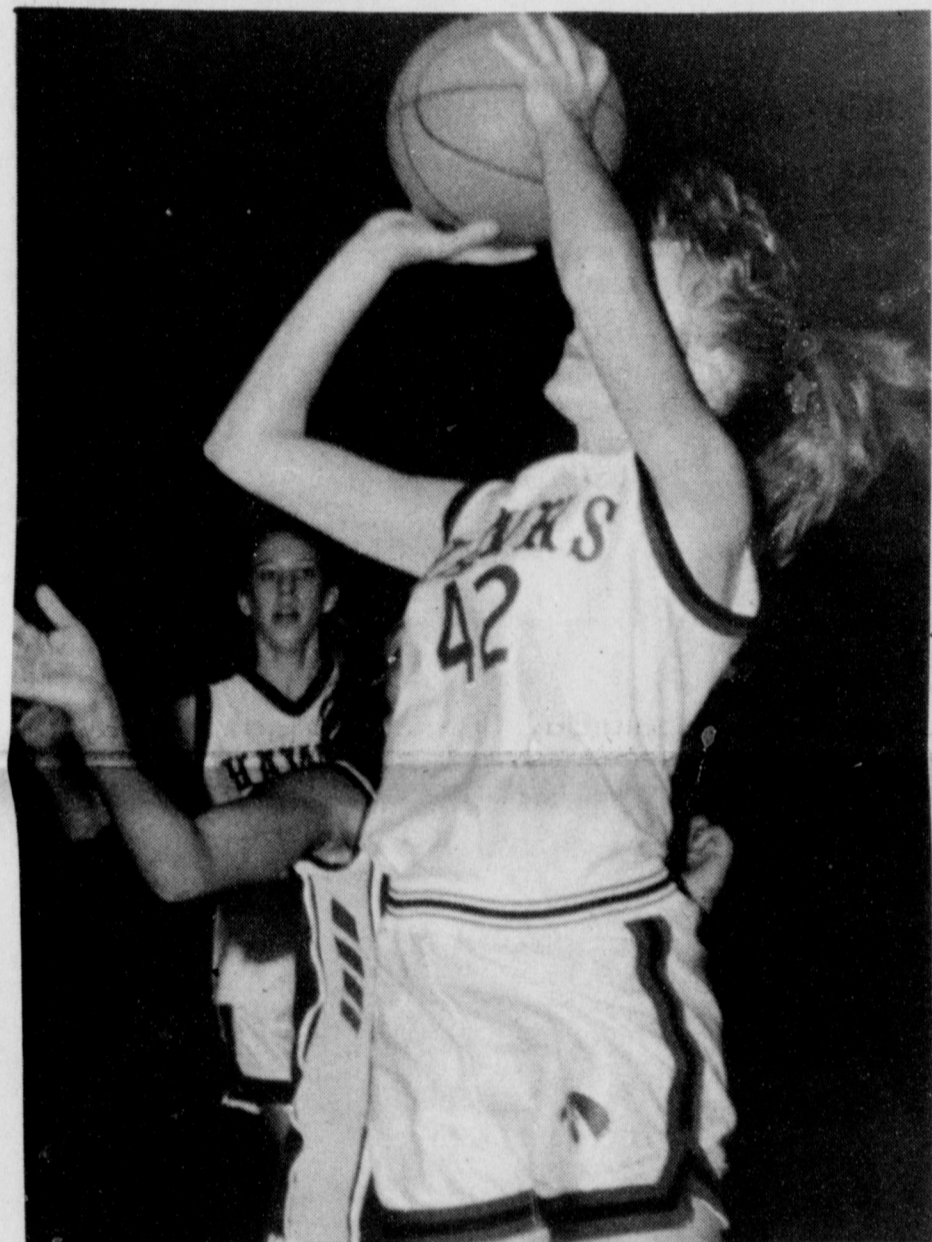

Primary item on the agenda is a discussion of spring athletic events.

### Jr. Lady Hawks finish with wins

Iowa Park Junior High girls' basketball teams wound up their seasons with wins over Notre Dame Monday.

The Seventh Grade won by a 39-15 margin, with Misti Cretsingier scoring eight points and Kerri Baver six.

The Eighth Grade won 47-26 behind the scoring of Mandy Threet, 16, Gina Inman, 12, and Jennifer Ricks, eight.

# Cook of the Week

Colleen (Mrs. Ross) Roberts is well-known to most Iowa Parkans, especially if they attended the local schools since the late 60s. She taught third grade at Kidwell Elementary from 1966 until 1973, when she became counselor at the junior high school.

A native of Medicine Mound, Colleen is a graduate of Quannah High School, North Texas State Univ., and received her masters degree at Midwestern State Univ.

Her husband, Ross, is a senior training advisor at Sheppard Air Force Base, and also farms, raising horses, cattle, and hay.

Their children are Kelly, a loan officer at Union Square Credit Union in Wichita Falls. He is married to the former Diana Smith of Iowa Park, and they have a daughter, Jacy, two years old. Their daughter, Risa, is married to former Iowa Parkan Keith Hillard. They live in Wichita Falls, and she is an instructor at S.A.F.B. Their youngest son, Kent, a song writer and musician, lives in Nashville, Tenn. He toured last fall with a gospel group.

Colleen's favorite pastime is reading, especially non-fiction or historical novels. She is also interested in calligraphy and has found many uses for it, such as invitations and copying poems for framing.

Most of the recipes Colleen submitted belonged to her mother, the late Mrs. O.T. Holmes, and were printed in the 1961 Hardeman County Home Demonstration Cook Book.

### MEXENE MEAT LOAF

1 lb. ground beef  
3/4 tsp. salt  
1/2 tsp. black pepper  
1/2 tsp. Mexene seasoning  
1 egg  
1 Tbsp. Worcestershire sauce  
1 medium onion, chopped  
1 small green pepper, chopped  
2 slices toast, crumbled  
1 cup canned tomatoes  
Blend all ingredients, shape and pat well to form close texture loaf.  
Cover loaf with thin slices onion and cover with this sauce:  
2 cups canned tomatoes, or 1 cup tomato juice and 1 cup water. Salt and pepper to taste. Sprinkle 1/2 tsp. Mexene seasoning. Bake 1 hour, basting occasionally, in 400 degree oven. Remove loaf to platter, thicken sauce slightly and pour over sliced meat loaf. Serves 4 to 6.

### QUICK 'N EASY SALMON PATTIES

1 can (15-16 ounces) pink salmon  
1 egg  
1/3 cup minced onion  
1/2 cup flour  
1 1/2 tsp. baking powder  
1 1/2 cups Crisco  
Drain salmon; set aside 2 tablespoons of the juice. In a

medium mixing bowl, mix salmon, egg and onion until sticky. Stir in flour. Add baking powder to salmon juice; stir into salmon mixture. Form into small patties and fry until golden brown (about 5 minutes) in hot Crisco. Serve with tartar sauce.

### DUMPLINGS

2 cups flour  
Pinch salt  
1 tsp. baking powder  
4 Tbsp. shortening  
3/4 cup sweet milk  
Mix and roll very thin. Cut in small pieces; drop into rich chicken broth (boiling).

### BLONDE BROWNIES

2 cups flour  
1 tsp. baking powder  
1/4 tsp. soda  
1/2 tsp. salt  
1 cup chopped pecans  
2/3 cup butter or margarine  
2 cups brown sugar  
2 eggs  
2 tsp. vanilla  
1 small pkg. chocolate chips  
Melt butter; add sugar, beaten eggs and vanilla. Add flour and dry ingredients, then nuts. Pour into greased and floured 9x13-inch pan and sprinkle chocolate chips on top. Bake at 350 degrees for 25 to 30 minutes (until toothpick comes out clean).

### OPEN FACE APPLE PIE

Slice 3 or 4 winesap apples into uncooked pie crust. Mix 1 cup sugar, 3 Tbsp. flour and sprinkle over apples, sprinkle lightly with nutmeg. Pour 1 cup sweet cream over apples and bake at 350 degrees about 45 minutes.

### HACIENDA CHICKEN

3 Tbsp. margarine  
1/2 cup onions, chopped  
1 (16 oz.) can tomatoes  
1 cup water  
1/2 cup green peppers, chopped  
1 (2 1/2 oz.) can mushrooms  
1 clove garlic  
1 tsp. salt  
1/2 cup green olives, sliced (opt.)  
3 lbs. uncooked boneless chicken breasts  
1 cup uncooked 15-minute rice (re-serve)

Melt margarine in a large pot and brown onions. Add all remaining ingredients (except rice) in order given and stir to distribute. Slow cook on top of stove until chicken is barely tender. Add rice; stir and continue cooking until chicken and rice are done. Do not overcook. Serve hot. Makes 6-8 servings.

### GERMAN'S CHOCOLATE POUND CAKE

1 pkg. (4 oz.) Baker's German's Sweet Chocolate  
2 cups sugar  
1 cup shortening  
4 eggs  
2 tsp. vanilla  
2 tsp. imitation butter flavor  
1 cup buttermilk  
3 cups sifted all-purpose flour  
1/2 tsp. soda  
1/2 tsp. salt  
Partially melt chocolate over hot water. Remove from hot water and stir rapidly until entirely melted. Cool. Cream sugar and shortening. Add eggs, flavorings and buttermilk. Sift together flour, soda, and salt; add to shortening and mix well. Stir in chocolate until blended. Pour batter into a well-greased and floured 9-inch tube pan. Bake in slow oven (300 degrees) about 1 1/2 hours. Remove from pan. While still hot, place under tightly fitting cover until thoroughly cooled.

### CHEESECAKE

Grease the bottom and lower inside half of a 10-inch spring pan with margarine. Crush 1 1/2 to 1 2/3 cups vanilla wafers and mix with 1/4 cup melted margarine. Line the

greased portion of the spring pan with crushed wafers.

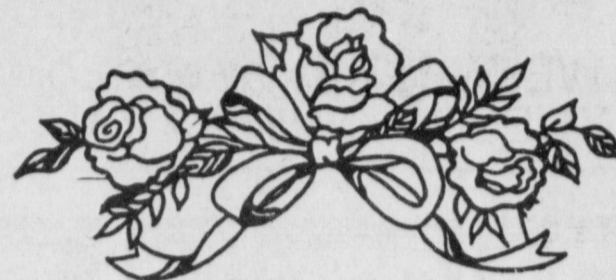

Thoroughly mix 2 8-oz. pkgs. cream cheese with 2 large eggs, 1/2 cup sugar and 3/4 Tbsp. vanilla extract. (Cheese and eggs will mix best at room temperature.)

Spoon mixture into spring pan and bake 20 minutes at 375 degrees.

Remove from oven and cool 30 to 45 minutes.

Mix 16-oz. pkg. sour cream cream (room temperature) with 1/2 cup sugar and 1 tsp. vanilla. Pour over cheese mixture and return to oven 12 to 15 minutes at 425 degrees.

Remove from oven, and when cake has cooled to room temperature, place in refrigerator until thoroughly chilled (3 to 5 hours).

HILLTOP RANCH of Iowa Park exhibited the reserve senior Angus bull calf winner at the 1990 Southwestern Exposition and Livestock Show in Fort Worth. Their entry is R&J Apollo 2748.

**25 FFA members head for Houston**

Iowa Park's Future Farmers of America chapter will be well represented at the Houston Livestock Show that starts Feb. 17 and winds up Mar. 4.

Twenty five members from here will be exhibiting project animals in the show, and two of those members will be competing in the calf scramble.

The FFA exhibitors will be competing in one of two divisions of the show - the junior division. The other division, the open show, attracts its exhibitors from the world's agricultural industry, primarily professional breeders and ranchers.

Entries in both the open and junior shows combine with horse show entries to make the Houston Livestock Show the world's largest.

Iowa Park FFA entries include: Cody Beavers, market turkeys; Kevin Beavers, market turkeys; Christie Chandler, market barrows and market turkeys; Charles Cole, market steers and market barrows; Laura Davis, market steers, market lambs and market barrows; Ross Dillard, market steers and market barrows; Lacy Downs, market lambs and market barrows; Rusty Downs, market lambs and market barrows; Cami Franks, market steers and market barrows; John Green, market steers; Brandon Greene, market barrows; Jamie Hatcher, market steers; Shelia Haynes, market barrows and market turkeys; Jamey Huff, market barrows; Scott James, market lambs; Jimmy Kaufhold, market steers, market heifers, beef scramble and market turkeys; Shawn Kaufhold, market steers, market heifers, beef scramble and market turkeys; Brian Kinnett, market barrows; Lori Kyle, market lambs; Mark Phillips, market turkeys; Michael Phillips, market steers and market turkeys; Ken Schlaud, market barrows; Shawn Sherman, market barrows; Lance Short, market barrows, and Steve Starr, market turkeys.

In all, the Iowa Park FFA chapter will have nine market steers entered, two beef heifers, five market lambs, 14 market barrows, two beef scramble and nine market turkeys.

Two of the members will be trying to match the efforts of the Brothers Kaufhold, who won calves in the scramble last year.

This year's entrants in the event are Shearman, 16, son of Mr. and Mrs. Richard Shearman, and Cole, also 16, son of Mr. and Mrs. Clyde Cole. They will be competing against 250 other contestants.

The four market animal categories represent animals raised by the exhibitor as food sources. Top animals in each of the categories are eligible for their individual market

auctions. Total money paid in 1989 at the four junior show auctions exceeded \$4.5-million.

Last year, chapter member Susan Howell exhibited the reserve champion market turkey, and it was sold for \$18,000 at the auction.

In addition to the upcoming livestock show competition, a series of lectures, seminars and live animal demonstrations again will be on the calendar for the month of February -- the International Stockmen's School.

The calf scramble event involves 28 energetic youngsters pitted against 14 vigorous calves. Each youth is committed to capturing a calf, haltering and taking it to the finish line -- but only the successful ones receive an \$800 calf purchase certificate.

The certificate is used to purchase a purebred registered beef or dairy heifer. The calf is raised by the

winner for special showing competition in the Astrohall at the following year's show. The year-long project is closely supervised by the appropriate county agent or agricultural science teacher.

Additionally, the winners are required to submit financial records, photographs and a scrapbook to the calf scramble office to detail the progress of the venture.

**Ralph Dillard's lamb 15th at Fort Worth**

Iowa Park High freshman Ralph Dillard showed his lamb to the 15th place among 187 in his group last week at the Fort Worth Stock Show.

Dillard's entry is a medium wool lightweight Suffolk.

Dillard, an FFA member, had the only animal from Iowa Park to qualify for premium money.

**AREA OIL & GAS NEWS**

Pumping 60 barrels of oil, the No. 1 Munger "A" has been completed in the Wichita Regular Field about one-half mile north of Kamay.

Daily production also included 15 barrels of salt water.

With Singleton Production of Iowa Park as the operator, the well will produce from perforations at 1,572 to 1,578 feet into the wellbore.

Operating out of Bosque Farms, N.M., Rocky Mountain Resources has posted first production figures for the No. 1 Collins in the Wichita Regular Field.

The well showed ability to pump 81 barrels of oil per day along with 14 barrels of waste water on an open choke.

Location is six miles southwest of Burkburnett. Production will be from perforations at 1,580 to 1,585 feet into the wellbore.

Showing ability to make 16 barrels of oil per day plus four barrels of water, the No. 1 L.K. Holman has

been brought on line in the Wichita Regular Field by F.T. Feltz Operating Co. of Burkburnett. Location is about one-quarter mile south of Burkburnett.

Feltz perforated for production at 389 to 400 feet into the wellbore.

The No. 1 H. Reilly has been brought on line in the Wichita Regular Field, pumping 13 barrels of oil per day along with a minor volume of salt water.

Location is four miles west of Burkburnett.

With Atapco of Midland as the operator, the well will produce from a perforated interval, 1,535 to 1,543 feet into the hole.

The No. 20 Reilly Griffin-Floyd Jordan has been completed in the Wichita Regular Field, about five miles west of Kamay.

It showed ability to pump two barrels of oil and 125 barrels of salt water per day on an open choke.

It will produce from perforations at 1,797 to 1,812 feet.

Hale-McDonald Joint Venture is listed as the operator.
