If your piano needs to be tuned or repaired, see Clyde McDonald. I now have the latest scientific equipment for tuning pianos. 1tp

KID BASEBALL HAS TEAM in IOWA PARK

The boys' baseball team coached by Randolph Clark will participate in the Kid baseball tournament to be held in Wichita Falls, Aug. 10 and 11. Boys under 14 years of age are permitted to play in the tournament.

News of the coming competition has created a great deal of interest among the boys. Randolph is scheduling games with other teams in preparation for the tournament. Thursday the boys are to play the Clara team. Recently the Iowa Park boys defeated the Clara team but not without a terrific battle. The Clara boys are good.

Due to lack of time the team will not be able to secure full baseball regalia for the tournament. They will, however, wear white T shirts and green caps. The boys will have the support of the entire town when they meet the opposing teams in August.

Added to the regular recreational program Monday evening were the activities under the leadership of the Rev. Rayborn Porter of the First Methodist church of Wichita Falls. Following the session of the District Methodist Youth Meeting, Mr. Porter directed the entire group in folk games. No one had any more fun than Bill Brubaker.

Each Sunday until the end of the recreational program, the Choral Singers will appear on the various church programs. Last Sunday the Junior Choir directed by Mrs. Lester Hawkins and Miss Lucy Lee Dale, formed the choir at the First Methodist church. The youngsters did a creditable piece of work and the directors as well as the people in attendance at the church were pleased with their singing.

In the beginning a goal was set by the recreational committee to reach every home in Iowa Park with this program if possible. In checking the lists it has been found that some few homes have not yet been represented. Please tell your neighbors about the program. Bring a friend with you the next time you come. The fun is for all the young people of Iowa Park and the surrounding communities.

BAND BOOSTERS ORGANIZE TO AID SCHOOL GET SUITS

A group of enthusiastic boosters for Iowa Park High School's band attended the band concert Friday night, July 15, and were strong in their praise for the work Don Hatch has done in bringing along his group of youngsters.

At the conclusion of the concert, Taylor George, chairman of the boys and girls committee of the Lions club, called upon the audience to form an organization dedicated to the boosting and supporting of the band.

After considerable discussion, the Band Boosters Club was formed with Arch Hughes as chairman, Mrs. T. J. Pace, vice chairman, Mrs. Miles Thompson, secretary, and Mrs. D. O. James, treasurer.

A short talk by Don Hatch, who will not be with us next year, made clear the needs and difficulties to be met by such an organization and the group went on record as firmly convinced that Iowa Park needed a good school band and the Band Boosters Club was the proper way to insure obtaining of suits and instruments necessary.

Mr. Hughes, in accepting chairmanship of the club, revealed that he had been a band member in his school days and declared that he was strongly in favor of a good band, properly equipped and handsomely accoutered.

This week Mr. Hughes announced the appointment of the following committees to implement the program of the club:

Judiciary — Miss Ethyle Kidwell, Mrs. Louise Ralston and Mrs. Herman Mitchell.
Finance — Mrs. D. O. James, Mrs. C. E. Birkman, Mrs. Elgin Denny and George Huckaby.
Publicity — Mrs. George Huckaby, Mrs. D. S. Smith and Mrs. Elaine Smith.
Transportation — J. C. Horn, Taylor George, Francis E. Barnes, Jack Ralston, Burk Scott, Buck Voyles and D. O. James.

Lee Warren of Wichita Falls was in Iowa Park on business Tuesday.

Hawkins, director of the Junior Choir of the recreational program, Christina Rogers, Beverly Croft, Barbara Griffith, Artie Sue Mitchell, Joline Cooksey, Neva Perry, Frances Arnold, June James, Kay Quick, Sheri Ann Brooks, Barbara Griffith, Ann Wilson, Sophronia Zeck, Wanda Price, Anita T. Thompson, Kathryn Kelly, Margaret Ralston, Lucy Lee Dale, assistant director, and Joan Ratcliff.

TRADES DAY, on Saturday, August 6th, will be the day of the Races in Iowa Park. Unlike the Kentucky Derby were the horses run, and the Indianapolis races where automobiles run—the entries in this race will carry their houses with them. And in this day and time, the idea is not to be laughed at.

You guessed it, it's going to be a Terrapin Race about 6:30 on the Park Hotel Square. The race is open to children and adults, with each person providing his own terrapin which he may decorate. The terrapins are to be the two-shelled variety. In other words, he has to have floor in his house.

A cash award of \$7.50 will be offered for the entry that first gets entirely outside the circle. A second award of \$5.00 will go to the entry getting second out of the circle. Other prizes for various features are being offered by some of the other merchants.

There'll be fun in Iowa Park on **TRADES DAY, AUGUST 6. Don't miss it!**

CARD OF THANKS

We take this means of expressing our heartfelt gratitude for the many kindnesses of friends and neighbors at the death of our husband and father, B. C. Cannedy. Especially do we appreciate the thoughtfulness of friends in the Wichita Valley Farms community and members of the Baptist churches at Pleasant Valley and Iowa Park.

Major and Mrs. Mac Best, formerly of Iowa Park, are on leave spending two weeks in Sand Springs, Okla. They hope to visit in Iowa Park before their return to duty.

Mothers' Camp To Be Held Here July 28 By Farmers Union

Leaders of the state organization of the Farmers Union have inaugurated a program of holding three one-day Mothers' Camps. These gatherings are slated for the latter part of July in an effort to bring about a better understanding, give more information and induce more activity in local Farmers Unions.

The camps will start around 10 a.m., with a picnic lunch at noon. All activities will be completed by 4 p.m.

Places and dates of the camps are as follows:
July 26, Lake McClellan.
July 27, Sand Hill, Floyd county, school.
July 28, Iowa Park at Wichita Valley Community House.

Leaders of the Farmers Union say that it is a family organization and that the mothers can do much at the local level in the struggle to maintain a decent standard of living for the family type farmer. All farm mothers are urged to attend one of these camps.

They promise that mothers at the camps will meet new people and gain much as the very best instructors are scheduled.

Horseshoe Lake Gets Extensive Overhaul

An extensive program of repairs and expansion of services has been initiated at Horseshoe Lake by Mr. and Mrs. O. V. Thompson, who have a lease on the recreation facilities and will operate it for boating and fishing.

Horseshoe Lake is located 4 miles from Iowa Park, 2 east and 2 south. The lake is owned by O. B. Brooks and leased to the Thompson family. They took over the past week and have started work making a better recreational site for the county.

The work is being done by the bulldozing division of the John B. Barbour Trucking company of Iowa Park and includes clearing brush from around the lake in order to make picnic grounds and better facilities for fishing. A dam is to be constructed that will deepen the lake. Then piers will be constructed.

The lake has been stocked three years and fishermen have been taking some beautiful fish from its waters.

When this project is completed, Iowa Park and the surrounding community will have a playground that are assets to the county.

Mr. and Mrs. Frank Mills of Fayetteville, Ark., were Iowa Park and Wichita Falls visitors over the past weekend. They are both students of the university at Fayetteville. Frank is an Iowa Park boy and Mrs. Mills is the former Bobbie Ann Gibbs of Wichita Falls.

SCHOOL BOARD SETS BOND VOTE FOR AUGUST 6th

The Iowa Park school board met in regular session Thursday, July 14, and acted on three petitions which had been submitted for their consideration. Notices of the call for election on these petitions are published elsewhere in the Herald.

For the past three months the board has been studying the needs of the school system as to buildings and other necessities under the Gilmer-Aiken setup.

For full details of the need for this program, the reader is referred to a discussion by Supt. W. R. Bradford in this issue.

In order to make an opportunity for all voters of the school district to become well informed, a Mass Meeting will be held in the high school auditorium at 8:00 p.m., Tuesday, August 2. Full discussion will be held on all three questions to be voted upon. Rollins Woodall, president of the board, will be in charge and the school board will be on hand with full data to answer any and all questions.

Although the measures have not yet been voted, the time element has had to be taken in consideration by the board and hiring of teachers has been done with provisions of the Gilmer-Aiken bill in mind. The election comes on August 6 and it is the sincere desire of the school board that the three issues be approved.

School Needs Review

By W. R. Bradford Superintendent

Privileges and advantages the boys and girls will have if the proposed bond election carries:

We will have at least 29 persons in our personnel for instruction, supervision, coaching, vocational work, band instructor, etc. and maybe 30 if we can qualify for the teacher of handicapped children.

We had only 24 teachers last year. Some of the work we can have will be a band instructor, which we did not have last year; a teacher for boys vocational work, shop or a general course in agriculture, which we did not have last year.

We can have a principal of the high school separated from the coaching staff. We will have at least 5 or maybe 6 persons more to instruct our boys and girls. We will have a full time librarian which will qualify our school for membership in the Southern Association, a distinction enjoyed by very few schools in Texas, and will give our graduates the privilege of entering any of the institutions of higher learning in the United States without taking the entrance examination, and we can offer more work in a practical way, such as vocational work.

The following personnel will not count on our pupil-teacher load: the superintendent, full-time principal, neither of the vocational teachers, the librarian, and handicapped teacher. In the past all of this part of the personnel counted on the teacher-pupil load.

The librarian will do only library work. The special service teachers are: librarian, school nurse, school physician, visiting teacher which is a truant officer itinerant teacher, who is a special instructor in certain subjects. We can only qualify for one of the special service teachers mentioned here and the board of education has chosen a librarian for this teacher.

A school must have 20 or more classroom units or teachers for one of the special service teachers. We can qualify for a teacher of handicapped children if we can have the room and physical set up for these children, such as a room, teaching aids, and can get a qualified teacher. Handicapped children come under 6 groups: 1-3 vision loss, 1-3 hearing loss, speech disorders, orthopedic handicaps, lowered vitality and nervous disorders. These pupils go on with their regular class work, but are given extra and special help in their handicap field. If poor in speech pronunciation, then extra help is given and in most cases individually.

We can have two rooms constructed for our primary grades much larger than the ordinary class rooms and rest rooms built in connection with the primary rooms. I mean the first grade when I say primary rooms.

We can have two or more vocational teachers if need for same exists and we can have a nice sheet iron building for our buses instead of the place we now have. We can have a vocational and band building, also we can fix up our football grandstands to take care of 500 or more people when attending our football games. We will be in a class of all other schools of this county and section of Texas.

We can relieve the crowded condition now existing in the ward school. One section of the sixth grade has to be taught in the high school building at present. The cost of all these extras and more I have not mentioned will not be over 35c on a \$100 valuation of property as rendered for state and county purposes in part of our district. If a person renders a home for \$1000 in part of our district, it will cost that person \$3.50 more school tax in part of Iowa Park School District where we are now paying \$1.00 on a \$100 valuation. In three districts now paying 50c on the \$100 valuation, it would cost \$8.50 more on a \$1000 valuation.

We paid \$14,466.29 local tax for the school program we had last year, 1948-49. If the proposed bond issue passes it will cost for the year 1949-50, \$20,943.30, an increase of \$6,477.01 for the above additional educational program and some I did not mention.

WHAT WE WILL NOT GET IF BOND ISSUE FAILS:

If the above mentioned tax and bond issues fail, Iowa Park will lose its affiliation. We cannot have the band we now have, will be deprived of the two first grades, modern classrooms, can't have additional improvement to our football sta-

dium, will be unable to build a bus barn, will not have over 24 teachers for the entire system, will have about 7 1/2 months of school and not over 8 months, and will be the only school in Wichita county not under the Gilmer-Aiken proposed minimum foundation program because all districts in Wichita county now have the \$1.50 per \$100 valuation tax.

This minimum program, not counting the bond issues, will cost Iowa Park people \$20,943.30 and the Iowa Park District will be entitled to \$30,353.64 from the minimum foundation program at Austin. It will not take over \$1.35 for our boys and girls to have all of above.

We collected last year 1948-49, for local maintenance purposes \$14,466, for bonds \$4591; if our proposed bond issue passes we will have to collect \$20,943.33 for local purposes and about \$8324 for bonds.

We owe now on bonds outstanding: 1937, W. F. George Building \$24,000; Weeth School issue \$9,500; Pleasant Valley issue \$1,200; for a total of \$34,755.

The ability of a county to pay into this program is based on the following condition in each county:

a. assessed valuation of the county, 20%.

b. scholastic population of the county 8%.

c. income for county as measured by: value added by manufacture, value of mineral products, value of agricultural products, payrolls for retail establishments, payrolls for wholesale establishments, payrolls for service establishments — all of which is 72%, for a combined total of 100 per cent.

Band Director Hired For Iowa Park School

Supt. W. R. Bradford this week announced that Thomas B. Taylor of Durant, Okla., has been secured as band director for the coming school year.

Mr. Taylor has taught band for 10 years and for two years was principal of Electra junior high. His degrees are from Southeastern State Teachers college, Durant, and the University of Oklahoma.

He spent four years in the service. Mr. Taylor has announced that he will meet with band members at 2 p.m. August 15 in the gym. Beginners will wait until school starts before they join the band.

Aged 36, Mr. Taylor is married and has two children, a boy 3 years old and a girl 2 months. The family are members of the Church of Christ.

Death Takes Father Of Mrs. Jim Miller

Benjamin Carroll Cannedy, 56, died late Thursday night, July 14, at his home on the Flying V Ranch, about eight miles from Wichita Falls on the Seymour Road. He had lived in the county for 18 years.

Mr. Cannedy is survived by the widow and eight children; six brothers and four sisters; and his mother, Mrs. Susie Cannedy of Wichita Falls.

The daughters are Mrs. Jim Miller of Iowa Park, Mrs. Thomas J. Mills of Tulsa, Texas; and Mrs. R. D. Roberts of Wichita Falls.

The sons are A. J. Cannedy and R. C. Cannedy of Wichita Falls; William A. Cannedy of Long Beach, Calif.; and Orbie C. Cannedy, formerly of Iowa Park, now living at Quanah.

Funeral services for Mr. Cannedy were held in the Allendale Baptist church last Sunday morning at 10:00 with burial at Gould, Okla.

Parking Ordinance Passed by Council

Iowa Park is trying to get away from its parking hazards, and the city council is leading the way.

Monday night the city council passed Ordinance No. 130 which is hoped to lead Iowa Park citizens to better driving and parking habits. Notice of the suggested ways of driving and parking vehicles on the streets of Iowa Park is published in this issue of the Herald. Subscribers are advised to read the notice and put into practice all the provisions of the new law.

712 Indiana Avenue Wichita Falls, Texas

Mrs. Tom Covington and daughter Sue Ellen and Mr. and Mrs. Wallace Cornforth went Wednesday morning to Kerrville to visit Mr. and Mrs. Mike Livingston. Mrs. Covington and Sue Ellen returned Friday while Mr. and Mrs. Cornforth remained for a longer visit. They report that Mike is doing nicely on a rest program, and Mrs. Livingston has gone to work in the office of the registrar of the Shriner Institute at Kerrville.

E. L. Scott will leave Saturday for a two weeks visit with relatives in Plainview.

Mr., Mrs. J. W. Roby To Live in Wichita

On Friday, July 15, Miss Mary Jeanette Speed of Wichita Falls became the bride of James Wallace Roby of Iowa Park in the First Methodist church, Wichita Falls, with Dr. Alfred Freeman, pastor, reading the marriage vows.

The bride is a daughter of Mr. and Mrs. Noble Speed, the groom is a son of Mrs. J. C. Roby of Iowa Park.

Decorations featured a large arch covered by greenery and studded with white gladioli. From an arrangement of silver bells attached to the top of the arch, white satin ribbons were garlanded to the branched candelabra on either side, from that to baskets of white gladioli and from the baskets to other candelabra. Potted ferns provided a background.

The groom, who was given in marriage by her father, was a lovely picture in bridal satin. The gown was fashioned with a long sleeved fitted bodice and a soft full skirt that swept into a long train. The bride's bouquet consisted of a white orchid showered with white satin ribbons and carried atop a white Bible.

The groom's sister Miss Hazel Ruth Roby was one of the four bridesmaids.

Bobby Speed of Wichita Falls was best man for the groom, while the ushering duties were shared by Malcolm Nichols of Iowa Park; Bill Swafford of Oklahoma City and Le Roy Mead of Wichita Falls. Preceding the ceremony, candles were lighted by Donald Short, Wichita Falls, and Milton Taylor, Iowa Park.

The bride graduated in 1948 from Wichita Falls high school and attended Hardin college during the past year.

Mr. Roby is a graduate of Cunningham high school, attended New Mexico A and M college and now is a Hardin student. During the war he served with the army.

The couple was honored with a reception in the home of the bride immediately following the wedding.

Following a short wedding trip the couple plans to establish residence at 1635 Elizabeth street in Wichita Falls.

6,000-Mile Vacation Trip Takes Iowa Park Couple to Canada

Mr. and Mrs. M. J. McDonald returned Monday from a motor trip through Missouri, Indiana, Michigan, into Canada and on to the East Coast.

While gone they visited many interesting places such as Niagara Falls, Buffalo, Albany, Salem, Boston, Providence, New York City, Philadelphia, Baltimore, Washington, Richmond, Jamestown, Williamsburg, Yorktown, Raleigh.

After spending two weeks at Rockingham, N.C., they came back by way of Charleston, S.C., Savannah, St. Augustine, the Everglades, Silver Springs, Tallahassee, Pensacola, Mobile, Biloxi, New Orleans, Lake Charles, Beaumont, San Antonio and Huntsville.

The trip covered over 6,000 miles and was an enjoyable one as they had no car trouble enroute.

Mr. and Mrs. Francis E. Barnes and daughter Millie Jo left Monday for a two weeks vacation in Houston with his mother and grandmother and to visit her sister Mrs. J. A. Mabry in Beaumont. They plan to go to New Orleans and spend a few days in Galveston, returning to Iowa Park, August 1.

Boyt Smith jr. will receive a gold pin Sunday morning at the church school of the Christian church for having attended 26 consecutive Sundays. This will be the third such award, with John Rollins Woodall and Millie Jo Barnes receiving pins two Sundays ago.

Party For Linda

Linda Crumpton was honored with a party Friday afternoon at her home on her ninth birthday. The honoree met each guest and gave out bubble gum and balloons to start the afternoon of fun which included playing games, taking pictures and opening gifts.

Refreshments of pop and homemade ice cream and cake were served to Wilma Kingcade, Sandra Crowe, Dolores Brown, Ginger Simmons and Larry, Michael, Jackie and Jimmie, her brothers.

Coaches Visit Town And Suggest Boys Get Ready for Aug. 15

Tommy Beene was in Iowa Park last Saturday making arrangements to move his family to Our Town. Tommy Beene is the new football coach, and although he was here primarily to solve the Beene housing problem, he found time to drop a few hints about what he expects during the coming football campaign.

First of all, he expects when he gets back here and starts football workouts at 7:00 a.m. August 15, to find a bunch of boys already in pretty good shape. He made some pointed suggestions that the boys should start now getting in shape. First, Tommy said, they should run at least one mile a day and take about 15 minutes of calisthenics each day.

Second, he said, they should get a football out, blow it up and start handling it. Throw it, kick it, run with it, eat with it, and then do it all over again.

Beginning promptly on opening day of practice, Tommy Beene says, things are going to be rough twice a day — 7 to 9 each morning and 7 to 9 each evening. The new coach has his eye on a district championship.

When Tommy Beene gets here at the close of summer school at Abilene, his family will be oldtimers in Iowa Park, since Mrs. Beene and Sharon Beene and Mike Beene plan to move here into the Oral Williams house around August 1. Mrs. Beene has signed up to teach in Iowa Park. Sharon is six and will enter the first grade. Mike Beene is two years old.

Bill Cook — that's another name for the sports fans to remember for next year. Bill Cook signed a contract last week as assistant coach in Iowa Park schools.

Bill Cook comes here fresh out of McMurry at Abilene, where he was a star basketball player.

Bill calls McCamey his hometown and McCamey high school his alma mater. He graduated there in 1945. Four years later he was graduated from McMurry college — in May of this year.

Twenty-three years of age, Iowa Park is his first coaching assignment. He is single, attends the Methodist church, and will make a welcome addition to the school and social activities of Iowa Park.

Mrs. Mable French of Dallas has been visiting with her daughter Mrs. John Clapp sr. for the past two weeks. On Wednesday Mrs. Clapp and Miss Clara Lowrance drove to Dallas taking Mrs. French home.

Perseverance Pays Joney Abernathy

In winning the \$1,000 award of the Lone Ranger radio contest, Miss Joney Abernathy of Iowa Park was not just lucky, say her friends, for Miss Abernathy puts skill and patient study into her efforts as a radio quiz enthusiast.

Miss Abernathy won the award by identifying the voice of a "Mystery Deputy" on the program and by writing a letter giving reasons why the deputy deserved his honorary title.

4-H Club To Conduct Electricity Use National Contest

Six 4-H club boys and girls were present at the county agent's office on Thursday, July 14, to receive instructions in the state and national "Better Methods Electric" contest.

Top winners are to receive a \$300 scholarship to the National 4-H club congress in Chicago, Dec. 1. Gold medals will be presented to all county winners.

Meeting with the group were representatives of Texas Electric Service company, sponsors of the contest in Wichita county; Bill Palmeyer, assistant county agent; and Miss Cathryn Sands, home demonstration agent.

The contestants will take a particular farm project, and outline the method used and recommend improved methods through electricity.

Those present at the meeting were Eva Nell Clements, Kenneth Munden and Lucille Wesley of Iowa Park; and Tommy Clark, Peggy Lamo and Frances Spencer of Wichita Falls.

Helton Hotel Doings

Our large family was very much upset this week at the illness of Mrs. Callie Henson. We hope she will soon be home, as she is greatly missed by all.

Miss Tommy Cannon rushed in from Camp Loteli where she spent a few weeks with the Camp Fire gals.

Eddie Boswell has just returned from a trip to Oklahoma.

Mrs. Henry Jones and grandson who have been visiting Mr. Jones, recently returned to Walters.

A. J. Henson, Odessa, came in Tuesday night to be at the bedside of his mother, who is critically ill at Wichita general hospital.

Mrs. Lily B. Richards was caught slipping out the back door on her way to visit Mrs. Jack Callon. They used to be neighbors a few years ago.

CROP Meeting Set

A representative of the Christian Rural Overseas Program of College Station will meet with a group of county church leaders to discuss the problem of organizing a local committee for the CROP this year.

This program has been approved by all the denominations of Texas. Wichita county agent, Max Carpenter, at the request of the state committee, is calling the organization meeting Friday, July 22 at 2:30 in room 304 Federal building, Wichita Falls.

Ministers and church leaders of Iowa Park have been invited to attend.

Iowa Park Singer To Lead State Institute Of Farm Bureau

Mrs. Kathernie Sue Banks, Wichita Co. Farm Bureau Sweetheart will lead the singing at the Texas Farm Bureau Institute July 24-29 at Texas A and M in College Station, Texas. Also going to attend the Institute will be Loys D. Barbour Dist. III director and Fred Minich, service agent of Burkburnett and Mrs. John Wesley, secretary-treasurer of the county organization. It is hoped that two more from the county can attend.

Classes in "Farm Bureau Policies and Philosophy" will be taught by Walter Hamond, President

of Texas Farm Bureau Federation of Tye, Texas and R. G. Arnold, Southern Region Organization Director, American Farm Bureau Federation, Auburn, Ar.

Classes in "The Farm Bureau Membership Program" will be taught by T. C. Peterson, Organization director, Wisconsin Farm Bureau Madison, Wis. and Austin Crowmover, State Field Representative, TFBF, Waco, Texas.

"Salesmanship" by Dave Mieber, Executive vice president, Southern Farm Bureau Life Insurance Co. Jackson, Miss. and Paul Edwards, Exec. vice pres. Southern Farm Casualty Insurance Co. Jackson, Miss.

"Public Speaking" by Dr. W. P. Sandford, Sandford Sales Training Service, St. Louis, Mo.

There will be three general assemblies each day. Speakers at these sessions will be M. C. Jaynes, Extension Service, A. and M. College; J. H. West, Sec. Tres. TFBF, Bishop, Texas; H. T. Cardwell, J. District 3 Field Representative, Texas Farm Bureau, Megargel, Texas; W. R. Mc Bee, Director, Group Hospital Service, Inc., Dallas, Texas; Miss Pat Murphy, Public Relations Dept. Group Hospital Service, Inc., Dallas, Texas; Roger Fleming, Director, American Farm Bureau Federation Washington Office, Washington, D. C.; Dee Knox, District 12 Field Representative; C. B. Ray, Manager, Rio Grande Valley Farm Bureau, Mercedes, Texas; Leon Lane, Dist. 10 Field Representative; Layne Beaty, Farm Editor, Radio Station WBAP, Fort Worth, Texas; Marvin Carter, State Organization Director, TFBF, Waco, Texas; Allen Kline, President, APBF; D. A Winning Combination!

- AMPLE FOOD STORAGE
- GREATER ECONOMY
- MORE CONVENIENCE
- GREATER FOOD SAFETY

—ELECTRICALLY!

Either an electric refrigerator or an electric home freezer is an extremely valuable asset in any home but the combination of the two multiplies their individual benefits many times over.

For perishables which don't lend themselves to solid freezing—milk, eggs, beverages, left-overs, jellies and the like—an electric refrigerator is the complete answer to the food storage problem. For berries, fruits, meats, poultry, game birds and animals, vegetables and other important food items, the electric home freezer provides ample protection over long periods of time.

Together, these two—the electric refrigerator and the electric home freezer—form an unbeatable food-storing combination.

YOUR CHAMBER OF COMMERCE —

Secretary - Manager of the Iowa Park Chamber of Commerce, Ruth Hill Yeargan, returned Saturday from the Southwestern C of C Managers Institute held in the Baker Hotel, Dallas, July 10-16th.

279 delegates and faculty members representing fourteen states were present. The southwestern area includes the following eight states with the number of delegates: Arkansas 33, Colorado 2, Kansas 26, Louisiana 17, Missouri 6, New Mexico 14, Oklahoma 27, Texas 142.

Other states represented were Alabama 2, District of Columbia 4, Illinois 2, Mississippi 2, Nebraska 1, Tennessee 1.

Among courses required were Finance, Membership, Program of Work, Publicity, Commercial, Industrial and Civic activities, Agriculture and Legislative problems; There were also several elective courses.

Outstanding among the teachers were Arch N. Booth, General manager, C of C of the United States, Washington who taught the "Better Leaders" course, Earl Steele, Editor Legislative Daily, Dept. Govt. Affairs, Washington who discussed Legislative Problems and Issues, and Ben B. Lawshe, Mgr. Commercial Organization Dept. C of C of the United States, Washington, who held a daily Round Table for first year and advanced students.

Two new courses were offered: Psychology in Public Speaking by Dr. Thomas H. Marsh, Southern Methodist University and Simplified Accounting by Rupert F. Cisco, Mgr. Association of Commerce, Lake Charles, La.

Many worthwhile things were also learned from successful men in the field of C of C work in Dallas, Odessa, Amarillo and Waco; Oklahoma City, Joplin, Mo.; Kansas City and Topeka, Kansas; Fayetteville and Jonesboro, Ark.; Birmingham, Ala. Pueblo, Colorado and Monroe, La.; and Texarkana.

Speaker at the Annual banquet in the crystal ball room on Wednesday evening was Charles T. Evans, vice president of the Arkansas Power and Light Co. Little Rock.

Tanner ambulance was called upon Tuesday morning to take Mrs. A. C. Henson to Wichita General hospital after she had suffered a severe stroke. Her left side was affected.

Mrs. E. L. Westrope and daughters Sharon, Artha Sue and Patricia of Pauls Valley, Okla., returned home Sunday after a visit with her sister Mrs. Roy Edwards and Mr. Edwards.

Mrs. T. M. Clark went to Fort Worth last Saturday and returned with her daughter Helen Dale Clark, student at TCU. Helen Dale does not plan to attend the second summer session.

Wednesday afternoon after Bible study, Mrs. Peggy Sullivan was hostess to a group of friends in surprise honor for Mrs. H. M. Mulkey on her birthday. Lighted candles, cake, and the birthday song were highlights of the gathering. Mr. and Mrs. Paul R. McKelvey

and sons of Columbus, S.C., are visiting this week with his mother Mrs. M. L. McKelvey. Paul has been gone from Iowa Park since 1940. He is in the paint business in Columbus.

S. Atchley, route one, Electra, bought a Hereford bull this week from the Hoge Hereford farm.

Mrs. Wells Enjoys 76th Birthday Party In Daughter's Home

Mrs. Georgia Wells was honored at a lovely birthday dinner Monday evening in the home of her daughter Mrs. C. W. Coppock and Mr. Coppock.

The host and hostess greeted the guests and seated them at a beautifully decorated table on the spacious porch. Snapdragons and petunias centered the white damask-covered table. At the conclusion of a delicious meal Mrs. Frank Smith served the birthday cake.

The honoree was then presented a number of gifts. The guest list included Mrs. Wells, Mr. and Mrs. Paul Coppock, Mr. and Mrs. Roy Lakey, Mr. and Mrs. Jack Coleman, and son Bill, Mr. and Mrs. Fred Thompson, Mr. and Mrs. Harvey Womack, Mr. and Mrs. J. C. Horn, Mesdames Buena Coleman, Frank Smith, Ida Chatelain, Bess Smith, Fenton Dale and the host and hostess.

Mrs. Wells, whose 76th birthday was celebrated, lives in her home at 512 North Wall with a housekeeper. She moved here in 1941 from Chanute, Kansas, where she owned and operated an exclusive dress shop for ladies. Mrs. Wells' formula for successful selling was never to tell a customer the dress being fitted looked lovely unless the customer did look lovely and charming in it. A gift for art that Mrs. Wells has discovered later in life now occupies much of her time.

Mrs. Wells has completed some very beautiful paintings with which she has won first honors in several art shows in Kansas. At present Mrs. Wells reads and does fancy work for pastime without the use of glasses.

A son, Frank Wood, lives in Hoisington, Kansas.

Henry Brown Family Has Large Reunion

Thirty-six members of his family were present at dinner Sunday to held Mrs. Brown and the children Ralph and Lenora celebrate the 37th birthday of Henry Brown. It came as a surprise to Henry when all the folks began assembling to share his birthday cake and sing "Happy Birthday."

A list of those present Sunday includes Mr. and Mrs. Leon Richards and family of Mill Creek, Okla.; Mr. and Mrs. James Smith and daughter of Oklahoma City; Mrs. Eldon Hale and family and Mr. and Mrs. Robert Braker of Eldorado, Okla.; Mr. and Mrs. Fred Brown of Rush Springs, Okla.; Mr. and Mrs. John Brown, Mrs. Pearl Coleman, Mr. and Mrs. Joe E. Brown and family of Marlow, Okla.; Otis Brown of Chickasha, Okla.; and Mr. and Mrs. Arnold Coleman of Iowa Park, and Mr. and Mrs. Pete Apple of Louisville, Ky.

Thursday night guests in the Henry Brown home were Mr. and Mrs. Bill Carter and son of Wichita Falls.

Mr. and Mrs. Noel Troutman of Floydada visited in the Gayle Park and King Abernathy homes Sunday.

There will be a joint meeting of the Business Women's circle and Circle One of the Presbyterian Women of the Church at the manse on Monday afternoon, July 25 at 2:30 with Mrs. M. C. Yeargan as program leader.

The program will be in the form of two playlets. Cast of "The 99%" will include Mrs. Tom Covington who takes the part of Helen, and Mrs. C. E. Birk who plays the part of Mary.

Religious emphasis will be presented in a skit featuring Miss Cecilia Yeargan as the modern young mother and Sara Cooksey as the child.

The Bible study in John 5 and 6 will be given by the leader.

Rev. M. C. Yeargan of the Presbyterian church will be speaker at the evening worship services of the Methodist, Christian and Presbyterian churches on the lawn of the Methodist church next Sunday.

Music Study Club Has Planning Session At Breakfast Meeting

A lovely summer courtesy extended to the members of the Modern Study club was the eight o'clock breakfast at the home of the club president Mrs. O. R. Owens on Wednesday, July 21.

After serving a delicious three-course breakfast, the president called the meeting to order and the business of revising the constitution and by-laws was followed by an outline of the season 1949-50 club work.

The course of study "Hymn of the Month" was presented for consideration by the program chairman Mrs. James Sewell and accepted by the membership. This promises to be a valuable and interesting study as well as being very timely.

The study is to be given on records, the lecture as well as the music included with each hymn. Also one fine arts number and a choral practice conducted by the choral director Mrs. L. E. Hawkins will be included on each program.

A feature which all will be eagerly anticipating is the presentation by the club of one of its members (Mrs. James Sewell) in a piano concert to be given at the convenience of the artist in the early spring.

September 8 is scheduled for the first meeting of the new year's work and each second Thursday of the month during the club year will be the time calendered for meetings.

Members present for the breakfast were Mesdames Lester Hawkins, Fenton Dale, James Sewell, Ida Chatelain, Charles Coppock, Gayle Park, W. G. Steele, Miss Ethyle Kidwell and the hostess.

Mrs. Tandy Welch of Bowie visited Wednesday with her daughter Mrs. John Parish and Mr. Parish, 707 East Ruby.

Mrs. E. L. Scott and daughters Jeannine and Doranna left Thursday on a three week trip to San Francisco, where they plan to visit her sister Mrs. J. R. Kiker and her brothers John and Bill Thomas.

J. F. Glosup left here Wednesday for Sulphur Springs after a 10 day visit with his daughter Mrs. J. C. Roby.

Joe Chandler Names Best Man and Ushers For August Wedding

Mr. and Mrs. E. L. Neelley of Lubbock are announcing the approaching marriage of their daughter Marily to Joe E. Chandler of Iowa Park, on Sunday, August 7.

The ceremony will take place at 3:00 p.m. in St. John's Methodist church of Lubbock.

Miss Neelley has chosen Miss Wanda Chandler, sister of the groom-elect, to be her maid of honor, and Mary Leona Kilpatrick, Doris Bales, will be attendants.

Mr. Chandler has selected Wayne House as his best man. Randolph Clark, Rodney Weaver and Dewey Horton will serve as ushers.

The young couple will make their home in Iowa Park.

New residents of Iowa Park in the near future will be Sgt. and Mrs. B. A. Braud and two children, who will make their home in the Buzzard apartments. They are coming from Keesler AFB, Miss. to his work here at Sheppard.

Mrs. John Clapp Jr. and little daughter Mable, have gone to Atlanta, Ga., for a month's visit with her parents. They left Dallas on Wednesday by plane.

Mr. and Mrs. Z. T. Todd of Armona, Calif., are here visiting with their son Herman Todd and family.
