Tax cut is likely by city council

With at least one, and possibly two, more meetings to be held before the city adopts its 1990-91 budget, it appears Mayor Wayne House is going to be able to reach his objective of cutting taxes.

During Monday night's council meeting, called for further study of the finances of the city for next year, it was

pointed out that the budget was built using an 8.5-cent tax reduction.

If finally approved, the city's tax rate would be set at 80-cents per \$100 valuation, down from the current rate of 85.5-cents.

And the cost for citizens possibly will be reduced even more, depending on the rate for treated water that gets council approval.

While Mayor House said a 10-percent reduction would be acceptable to him, Alderman Johnny Crawford is calling for twice or even three times that much of a reduction.

The city budget is figured in two parts, the General Fund and the Water and Sewer Fund.

The proposed budget calls for expenditures during the coming fiscal year, which begins Oct. 1, in the General Fund of \$1,661,000, and in the Water and Sewer Fund of \$972,000, for a total of \$2,633,200.

The current budget calls for expenditures of \$1,767,500 and \$1,065,000, respectively, for a total of \$2,832,500. That is a reduction of \$199,300.

Anticipated revenues, including the 8.5-cent tax reduction, would produce a balanced General Fund budget. The Water and Sewer Fund is expected to produce \$7,000 more than expenditures, but most of that is revenues from investments of excess funds.

Even with that much of a reduction in the budget, only one part-time position is eliminated. No other currently-held jobs are eliminated, Mayor House stated.

House did make the statement,

however, that he had issued an order to Administrator James Barrington to freeze all hiring.

The reductions in the expenditures were the result of line item lowerings, when the current and proposed budgets are compared.

Administrator Barrington, during Monday's meeting, told the council the same thing he has told previous councils, that his budgets are built by using liberal figures for expenditures and conservative figures for revenues. This normally produces a carryover, he admitted.

The department which experienced the greatest reduction, when the current and proposed budgets are compared, is the Public Safety Department, which includes both police and fire departments.

That budget was reduced \$57,900.

Public Works Department was reduced \$41,275; Administration, \$22,900; and Community Service was increased \$15,575. Total reductions in the General Fund amounted to \$106,400.

The Water and Sewer Dept. budget was reduced by \$85,900.

Revenues in the General Fund are expected to be down \$57,000 from last year, while the revenues for the Water and Sewer Fund are expected to be up \$4,100.

A part of the lower revenues for the General Fund is the fact that taxable values inside the city were \$100,000 lower for the coming year than they were for the current tax year.

SURE SIGN that the start of school is nearing at Iowa Park High School is the practicing of the Mean Green Marching Machine Band. Getting an early start this week were the flag corps and

drum section. Next week the entire band will hold a four-day retreat at Chaparral Baptist Camp. It's all in preparation for the group's first appearance Sept. 7, when the Hawks open season.

UP FROM 81-CENTS

Trustees studying 15-cent tax hike

The school board's meeting room was filled far beyond its capacity Tuesday night, when trustees were asked to consider a proposed balanced budget that had been calculated on a 96-cent tax rate.

So crowded was the room, with teachers, that many of them were forced to sit with campus principals and the tax collector in more than a dozen folding chairs set in the hallways outside.

Board chairman Jerry Reed told the crowd that members of the budget committee and Supt. Glen Mitchell had worked some four hours the previous night, going over a budget that was the result of several months preparation.

To fund the \$2,453,116 expenditures during the 1990-91 school year, the 1989-90 tax rate of 81-cents would have to be raised to 96-cents.

The proposal includes only a four-cent increase to fund the school's operation for the coming year.

The remaining 11-cents are to make payments on the bond issue that was approved by the district's taxpayers last fall.

No action was taken by the board on the tax increase, however, other than to agree to discuss it further, at a meeting Tuesday and again Thursday of next week. Both meetings are to begin at

7:30 p.m.

Possibly the main interest of the teachers who attended the meeting was to learn whether the district would continue its above-state-base bonus of \$1,500 plus \$300 for those who reside in the district.

At the present time, it does.

In his cover letter for the budget, Supt. Mitchell wrote:

"The proposed budget for the 1990-91 school year is the culmination of several months of preparation and planning by our staff. It is the first balanced budget that has been presented to the board in the past five years. The proposed budget includes a \$.04 increase in the maintenance and operating tax rate as well as an \$.11 increase in the debt service tax rate. Information on how the proposed tax increases will effect the

tax payer and the budget are included in the enclosed support information.

"The proposed budget does include the \$1,500 above state salary schedule for teachers plus the \$300 for those living in the school district.

"There are several major decisions listed in the support information for your consideration. There is also a recommendation on a major purchase of computers for the school system that is tied to enrollment.

"The bond construction revenue and expenditures portions of the budget are not included in the proposed budget since this is flow through money that would not give a true budget picture. This information will be in the budget that you approve on August 30.

Every effort has been made to study the budget closely and eliminate items

that are not justifiable. Over \$120,000 in capital outlay items, supplies, and services have been deleted in order to present a balanced budget," he wrote.

The superintendent, addressing the board, emphasized his point by saying, "I need the 96-cents to balance the budget, and also to get the maximum from state. It also affects future years mandating collections.

"I don't know how much state monies we will lose if we don't reach 96-cents," he stated.

New formulas regarding state funding to local districts were included in Senate Bill 1, approved in a special legislative session this summer.

Each trustee was asked to speak on their opinions of the budget.

Wendall House said, "It's evident

Action on tax expected during Monday meeting

Adopting the 1990-91 budget and lowering of water rates will be the major topics handled by the city council when it meets at 7 p.m. Monday in council chambers.

Aldermen will likely stick with the lowering of the tax rate from 88.5-cents to 80-cents per \$100 valuation, discussed at a session earlier this week, but whether the water rate is decreased 10 or 20 percent, or some other figure, remains to be decided.

Ordinances on both topics are on the meeting agenda.

Action is also expected to author-

ize the city administrator to advertise for bids to purchase materials and labor for slurry street coating work.

Three public appearances are on the agenda: Mike Grubbs requesting approval for a CROP Walk and its route; Darrel Jolley requesting that East Valley be opened to traffic, and Jesse McCullough to report on condition of the library roof and garage.

Authorization for Mayor House to sign an easement agreement with TU Electric for service lines to the Recreational Activities Center is expected to be granted.

Burglaries keep police busy

Four burglaries, two cases of criminal mischief, a theft and two arrests were listed this week on the police blotter.

Actually, there were only three burglaries, as one of the reports was a followup with inventory from the previ-

ous week.

A resident of the 100 block of James Drive told police Wednesday someone had entered the home earlier and took a set of wedding rings, a camera and a lady's watch.

The Grace Baptist Church parsonage reported the theft of a refrigerator, couch, love seat and folding chairs, amounting to approximately \$300 in value.

The theft reportedly took place between July 29 and Aug. 5.

Two of the burglaries were reported by business.

The first was the theft of several thousands of dollars worth of property from the 800 block of West Smith, and apparently by a quick-working thief.

Police were told that between 3 and 4:30 p.m. Friday, someone removed an air compressor, 10 motorcycle helmets, a battery, \$5,000 worth of tools, a welder, grinder, car radio, gas tank, repair

manuals and two full tool boxes.

Seven boxes of football and baseball cards, as well as a case and half of soft drinks, were reportedly taken sometime Monday night from a business in the 200 block of James.

Someone had apparently gained entry into the building through a wall siding.

The owner of a lawn mower told police the mower, valued at \$100, had been taken from the 800 block of North Park. Time of the theft was not listed, but the report was filed Tuesday afternoon.

A newspaper stand in the 300 block of West Highway was damaged sometime Monday night.

The owner of a rent house in the 300 block of East Magnolia filed a criminal mischief report against former renters, saying they had destroyed the car-

Firemen plan carnival in downtown Saturday

The Iowa Park Volunteer Fire Dept. will hold a major fund-raising event Saturday, in the form of a carnival.

It will begin at 10 a.m. and conclude at 5 p.m., and will be in the area of Wall and Cash streets.

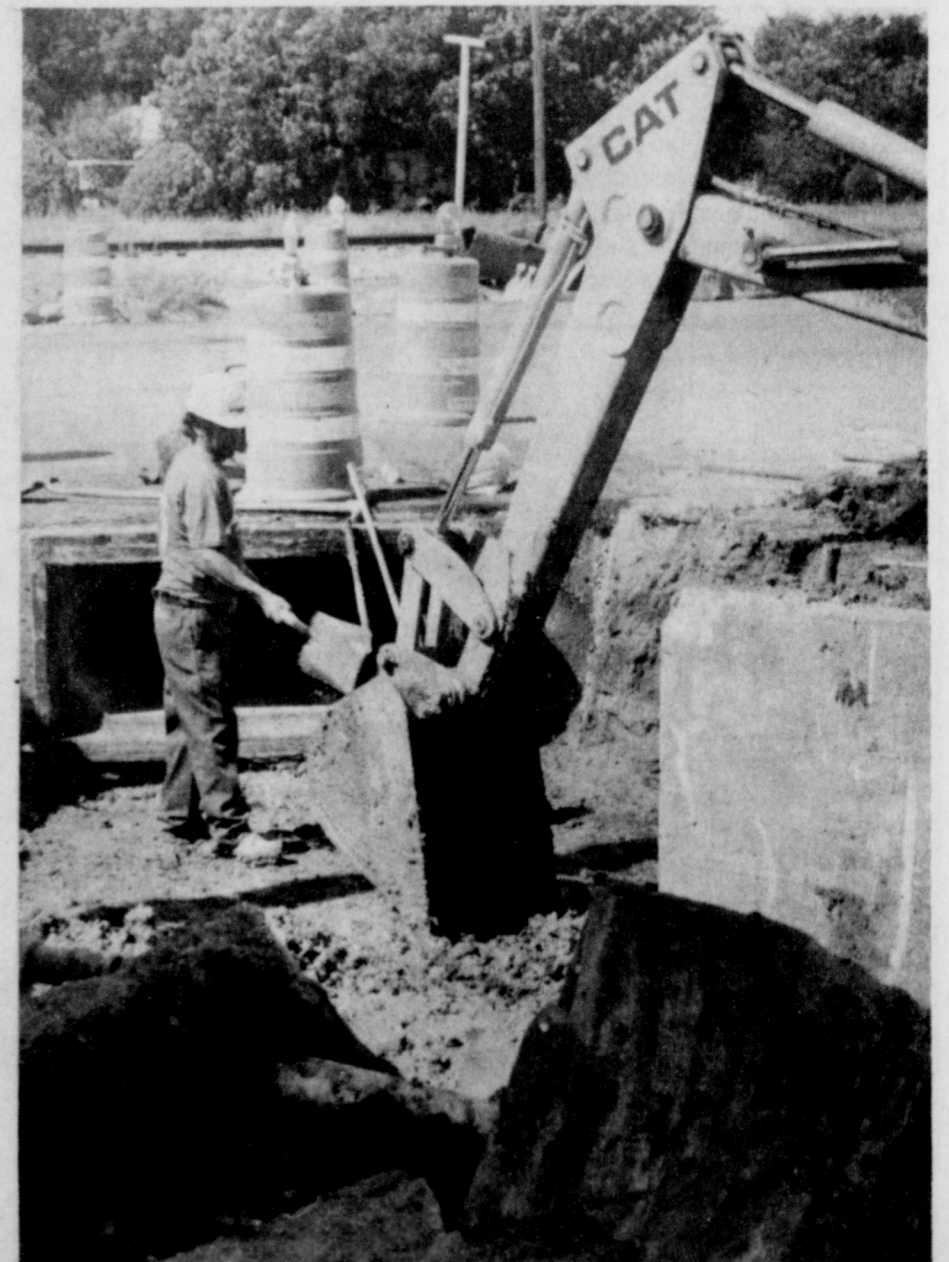

Though the firemen call it a carnival, there will be no rides. Rather, it will be more in the design of the community's annual Whoop-T-Do.

Besides an unique game of water polo, which requires the use of fire

hoses, activities will include a dunk tank, soccer kick, ring toss, coin toss, football throw, arts and crafts, as well as a fully-stocked concession stand.

There is no admission charge to enter the carnival area.

In the past, the department has counted on its street dance to raise money it needs for purchasing various types of equipment. However, interest has waned in the street dance, as evidenced by low turnout, so the firemen decided to try another avenue of fund raising.

PROBLEMS CAUSE PROBLEMS - Motorists were inconvenienced for the better part of a week at the intersection of Yosemite and West Highway, while workers installed a culvert and city personnel repaired severed water lines. The digger cut different lines, many of which are not shown on city charts, while trying to excavate. It was finally completed Tuesday.

News Briefs

New high schoolers to register

High school students, including 1989-90 eighth graders, who did not attend Iowa Park High last year should report to the school counselor's office to obtain a schedule for the beginning of school, according to Richard Davis,

principal.

New students should register between 8 a.m. and 12-noon and 1-4 p.m. Monday through Wednesday, Aug. 13-17, Davis said.

'Cotton shower' amounts vary

A "cotton shower" Saturday morning deposited a varying amount of moisture in the area, according to reports.

Virgil Woodfin recorded .08 of an inch in his gauge here in the city, but one resident who lives about five miles northwest measured an even two inches.

August Yard of Month selected

August's Yard of the Month is at 36 Surrey, the home of Mrs. Lucy Price.

Selection of the monthly honor is done by the Iowa Park Garden Club.

Commodity distribution Aug. 16

Commodities will be distributed

Thursday, Aug. 16, from noon until 6 p.m., according to Frances Park, director of distribution.

Participants should enter the west door of First Christian Church building to pick up their butter, peanut butter, flour and canned pork.

Myers, Dillards vows exchanged recently in double-ring ceremony

Mr. and Mrs. Robert Lee Dillard are at home in Wichita Falls following their marriage July 28 in Rhineland and a week cruise to the Carribean Islands of San Juan, St Thomas and St. Marten.

Mrs. Dillard is the former Janet Suzanne Myers, daughter of Mr. and Mrs. Billie Jake Myers of Rhineland. Parents of the groom are Mr. and Mrs. Richard Ray Dillard Sr. of Kamay.

The couple exchanged double ring vows in a Nuptial Mass ceremony in St. Joseph's Catholic Church in Rhineland with the bride's brother, the Rev. Jeremy B. Myers, as officiant.

Flanking the altar were spiral candelabras elegantly decked with greenery interspersed with peach-edged dogwood blooms. A unity candle matched the candelabras. Pews were marked with peach bows. White columns each held a peach-edged dogwood spray and peach bows to complete the decorations.

Carol and Kathy Pennartz of Wichita Falls were candlelighters. Scripture was read by Billie Myers, brother of the bride.

Acolytes were Kevin, Keith and Kyle Myers, nephews of the bride. Laci and Amanda Myers, nieces of the bride, were giftbearers.

Given in marriage by her father, the bride's gown was an original, styled with fitted bodice of white satin, featuring a sweetheart neckline and scalloped ruffled puff sleeves. The jeweled bodice was embroidered in pearls and crystal sequins. The back dipped to a low V with a large candybox bow adorning the point of the V.

The full skirt was made of sparkle organza with a cathedral train that was edged and decorated with scalloped ruffles. She wore gauntlets that were decorated with pearl and crystal sequins and encrusted with lace, matching the bodice.

Her veil was designed in a circlet of flowers accented by sprays of pearls

Mrs. Robert Lee Dillard

and cascading lilies of the valley that held a pouf of scalloped ruffles matching the gown's sleeves.

The bridal bouquet was a cascade of white silk roses, English ivy and tiny peach roses. Sprays of pearls were scattered throughout the bouquet, with white streamers tied in love knots.

To carry out the tradition of "something old, something new," the bride carried her mother's wedding book for

something old and borrowed her sister's pearl necklace. Something blue was her garter and her dress was new.

Serving as matron of honor was the bride's sister, Darla Coffman of Haskell. Bridesmaids were Annelle Welch of Rhineland, Mary Beth Larson, San Antonio, Mindy Myers, Rhineland, Caroline Cuba, Wichita Falls, Julie Myers, Rhineland, Laura Lowrance, Wichita Falls, all sisters of the bride.

Junior bridesmaids were Ambra Welch, Rhineland, and Erica Larson, San Antonio, both nieces of the bride. Flower girl was Kylie Myers of Munday, niece of the bride.

They wore identical tea-length gowns of spruce debutante satin. The bodice of the gowns was styled like that of the bridal gown. The skirts were gathered to the waistline and flowed to a curved bottom, caught up in four places with a bow. A double ruffle flowed from underneath.

Their hairpieces were fashioned of peach roses and miniature white flowers and greenery. The bridesmaids carried nosegays consisting of the same flowers as their hairpieces. Spruce pumps, pearl earrings, and pearl necklaces completed their ensembles.

The groom wore a white tuxedo with tails. His boutonniere was a peach rose.

Father of the groom served his son as best man. Groomsmen were Ray Dillard and Ralph Dillard, both of Iowa Park, Morris Dillard and Dennis Dillard of Wichita Falls, all brothers of the groom, Larry Welch of Rhineland and Ronny Lowrance, Wichita Falls, brothers-in-law of the bride.

Ringbearers were Blake Dillard, son of the groom, and Jordan Coffman, nephew of the bride. Serving as ushers were Larry, Danny, Tony and John Myers of Rhineland, all brothers of the bride.

They wore identical black classic cut tuxedos accented with spruce ties and cummerbunds and peach boutonnieres.

Traditional wedding music was provided by Melissa Myers, sister-in-law of the bride. St. Joseph's Choir sang the music for the mass. Martha Stewart, Wichita Falls, was soloist and presented musical selections before the ceremony and at the lighting of the unity candle, including "There Is Love" and "Wind Beneath My Wings".

The reception was held at the Columbus Club in Rhineland where Karen Kay Kuehler, cousin of the bride, presided at the register table. A white ruffled net cloth accented with white debutante bows covered the table. Featured was a bud vase of white and peach flowers, a picture of the bride and groom in a handcrafted peach clay frame and the registry book.

Matching cloths were used on the gift table and bride's table. Highlighting the bride's table was a three-tiered cake topped with a white and peach twin bell ornament. The second tier was topped with a traditional procelain bridal couple and the bottom tier held a waterfall encircled in English ivy and peach flowers.

Four satellite cakes were joined by stairways and columns to the tiered cake. Descending the stairways were nine couples depicting the bridal party.

At the bottom of the stairway was a miniature bride and groom that graced the cake of the bride's mother almost 37 years ago.

The cake consisted of six flavors, including carrot, cherry, red velvet, cherry chip, lemon and white. Mints and nuts on crystal serving pieces, a crystal bowl holding peach slush punch, and a floral arrangement of peach and ivy completed the table decor.

Backdrop for the table was white lattice work entwined with identical dogwood sprays to those used in the sanctuary.

Serving at the bride's table were Mary Myers and Tena Myers, both of Rhineland, Kelly Myers and Melissa Myers, both of Munday, sisters-in-law of the bride.

The groom's table was covered with a spruce debutante satin cloth and featured a double-tiered German Chocolate Cake decorated with a large "D."

Silver candelabras with peach candles, a silver coffee service, nuts and mints completed the table decorations. The background was wooden lattice with entwined ivy.

Serving at the bridegroom's table were Vicki Dillard and Susan Dillard, both of Iowa Park, Beth Dillard and Valerie Dillard, both of Wichita Falls, all sisters-in-law of the groom.

Distributing rice bags from white wicker baskets accented with a spruce bow and peach flowers were Robyn and Christine Dillard of Iowa Park, nieces of the groom, and Erin Larson of San

Antonio, Laurie Welch and Megan Myers of Rhineland, nieces of the bride.

They were attired in peach and green floral print dresses with a white square collar edged in lace. They were dressed identical to the gift bearers.

A barbecue dinner was served. The menu consisted of barbecued brisket, smoked sausage, potato salad, cole slaw, red beans and the trimmings.

A dance followed the meal with music provided by 3-2-3 of Abilene.

The rehearsal dinner was hosted by the couple and the groom's parents in the backyard of Larry and Annelle Welch. Charcoal burgers with trimmings and homemade ice cream was served.

The bride is a graduate of Munday High School and a 1989 graduate of Midwestern State University with a bachelor of science degree in education. She is employed by City View ISD.

Dillard is a graduate of Iowa Park High School and MSU. He is a teacher and coach in Wichita Falls ISD.

Mrs. Dillard was honoree at four pre-nuptial showers. A miscellaneous shower was given at City View. Special guests were the bride's mother and sisters, Annelle Welch and Caroline Cuba, and the groom's mother.

A bridal shower was given in Munday with the groom's mother and sister-in-law Valerie Dillard as special guests.

A kitchen shower and a lingerie shower also honored the bride in Munday.

High schooler going to university

Michelle Hooker, daughter of John and Kay Hooker, will be attending Texas Academy of Mathematics and Science at Denton beginning this fall.

Michelle has just completed her sophomore year at Iowa Park High School and will be one of 200 high school juniors from around the state chosen to participate in the program.

Texas Academy of Mathematics and Sciences is offered through the University of North Texas.

It is a two-year early admissions program that allows students who are especially talented in science and mathematics to take their last two years of high school and first two years of college concurrently in resident on the University campus.

Upon completion of the program, the Iowa Park student will receive a high school diploma from the Academy and 60 hours of college credit from the University.

Main purposes of the program are to provide an educational opportunity for gifted and talented students from Texas, and to reduce the shortage of mathematics and science professionals.

Michelle Hooker

Through the program, students receive instruction in mathematics and science to prepare them for fields such as engineering, physics, chemistry, and biology. They also take outstanding courses in humanities to insure a well-rounded first two years of their college education.

Selection criteria for the Academy include high SAT scores, recommen-

dations from teachers, an essay written by the student, academic performance, and other evidence of interest and involvement by the student in mathematics and science. Students selected demonstrated exceptional academic and social maturity.

Scouts plan supper

Iowa Park Cub Scouts and their families will be treated to a hot dog supper Saturday at 4 p.m. in Lucyland in Wichita Falls.

Those planning to attend should call Mike Hicks, 592-4250, by Friday and let him know how many will be attending.

We're trying to reach a balanced budget. We've had deficit budgets the past two years to cut the carryover. We're not after one group, just what's best for the teachers and the taxpayers. If we go from 96-cents to \$1.18 next year to reach full entitlement, it would be catastrophic. We cut all capital outlay last year. This year we're going to have to bite the bullet and catch up. At some point in time, the above base (salary) will have to be looked at. I understand we're the highest in the area."

Randy Catlin: "There are a lot of places we could cut, but I would like to keep if we can."

Sherri Kennedy said, "I agree with them both (Catlin and House), but I'm not sure some fat (is there) that can be cut. To cut above base would be the last option. If cuts affect students, then salaries must be cut."

Reed said, "If there's areas where there is fat, we need to tell Mr. Mitchell and let him try to convince us he needs it."

Keith Fisher said, "It's going to be expensive whatever we do. But we could be heroes or bums in 1994 (relating to a schedule of mandated tax increases in SB 1 to receive maximum state funding)."

According to a schedule of the effect a 96-cent tax rate would have on a home valued at \$50,000, the tax would increase \$75 over the 1989-90 rate of 81-cents.

Each penny of the tax rate, based on the 1990 net taxable value of the district of \$264,652,265, produces \$26,468 for the district.

Proposed expenditures for next year would include: \$3,459,133, or 53.78 percent, for instructional service; \$510,462, or 7.94 percent, for instructional related services; \$1,090,812, or 16.96 percent, for pupil services; \$659,640, or 10.25 percent, for maintenance and plant service; \$372,220, or 5.79 percent, for general and tax administration; \$313,893, or 4.88 percent, for debt service; and \$25,955, or .40 percent, for swimming pool.

Revenues would include: \$2,991,500, or 46.24 percent, from state; \$3,381,559, or 52.26 percent, from local, and \$97,043, or 1.5 percent, from federal.

Finnell attending Austin conference on small schools

State Rep. Charles Finnell is participating this week in a nation-wide conference in Austin on "Texas Rural, Small Schools."

"Many of our smaller, rural schools have made exemplary local educational efforts," Finnell said. "This conference is an opportunity to showcase these efforts as a model, guiding the way to school improvement."

Sponsored by the Southwest Educational Development Laboratory, the event is the first to approach the innovative topic at the nation-wide level, according to the conference director.

State Sen. Bill Haley of Center, in East Texas, will also participate in the conference Saturday.

on gasoline at the pump.

To Yankees, our stripper well folks are just as much the oil industry as is Mobil and Conoco. They're the ones, you'll remember, who were assessed that dumb "windfall profits" tax back when oil supplies were short.

I know also that a lot of our local residents are quick to blame the folks with those pumps for hiking prices, like is happening this week. And our local dealers are just reflecting the same margin of profit they've been charging to do business all along.

Where the increases originate, as far as I know, is with the major companies. Since they haven't attempted to explain why such increases are being levied, I'm left only to guess.

I know one thing, the gasoline we are buying at the pumps today was produced from crude oil that cost the majors about half what the September futures market price was the first of this week.

Two different businesses locally have told me their suppliers have alerted them to the fact that gasoline supplies are now limited, and more expensive.

One businessman said Tuesday night he had run out of gas Sunday, and called his supplier for a delivery Monday. He got it, but was told that was it for the week, and his order was the only one of four received to be filled.

And he was notified Wednesday the price had increased 15-cents as of midnight.

My point is, don't listen to what those from the non-producing states say about all oil-related people.

Our local folks are like farmers. They have to take whatever the market offers when they have production to sell. Neither the producers nor the farmers have anything to do with what the consumer pays.

And the same is true for our local businesses.

City

The latter, however, was figured before any reduction in water rates have been projected. Barrington said a 10-cent reduction in the rates would make virtually no difference in the final receipts.

But, when the council next meets to study the budget, two different budgets will be figured for the Water and Sewer Dept. One will be based on receipts using a 10-cent reduced rate, and one will be using a 20-cent reduced rate.

Crawford stated he believed the city had been overcharging patrons 26 percent to 56 percent for water. He at one time called for a 30-cent reduction, but later said he would accept a 20-cent lower rate for the budget.

pet, commode, wood panel, coper wiring and electrical wiring.

Steven Lee Swanson, 25, was taken into custody at 11:55 p.m. Saturday near Ruby and Victoria, on an outstanding warrant issued by the Wichita County Sheriff's office, for evading arrest.

Swanson, according to the blotter, was turned over to a county deputy at 12:25 to be transported to county jail.

The other arrest, of Chad Eric Ashford, 17, was made at 4:39 a.m. Wednesday after he entered a business which had barred him.

Ashford was taken into custody at Allsup's, and charged with criminal trespass and disorderly conduct.

The arrest was Ashford's fifth by Iowa Park police since his 17th birthday in February, according to records.

THOUGHTS ON THE LORD'S PRAYER

I cannot say "Our" if my religion hasn't enough room for other people and their needs. I cannot say "Father" if I do not demonstrate that relationship in my daily life. I cannot say "Which art in Heaven" if all my concerns and pursuits are earthly things. I cannot say "hallowed be Thy Name" if I, who am called by his name am not holy. I cannot say "Thy will be done" if I am unwilling or resentful of having it done in my life. I cannot say "on earth as it is in Heaven" unless I am willing to serve Him here and now. I cannot say "give us this day our daily bread" without making an honest effort for it, or by ignoring the needs of others. I cannot say "forgive us our trespasses as we forgive those who trespass against us" if I continue to bear a grudge - a grudge against anyone. I cannot say "lead us not into temptation" if I deliberately choose to stay in a place where I may be tempted. I cannot say "deliver us from evil" if I am not prepared to fight in the spiritual realm with prayer. I cannot say "Thine is the kingdom" if I do not give the King the disciplined obedience of a loyal subject. I cannot say "Thine is the glory" if I am seeking my own glory first. I cannot say "Amen" unless I can honestly also say: "Cost what it may, this is my prayer."

Patsy Todd has key role in 'Steel Magnolias'

Iowa Parkan Patsy Todd has a key part in the Backdoor Theatre production, "Steel Magnolias," which opens Friday.

Mrs. Todd will play the part of Truvy.

"This cast is dynamite," said James Downs, Backdoor ticket manager. "Recently I got a chance to see part of a rehearsal and they really do have the closeness of the characters. I can't wait to see the whole show itself."

Other characters will be played by Kay Lucy, Jean Hall, Layde Key, Nona Bailey and Kathleen McIntire.

The non-profit community theatre is located at 501 Indiana in Wichita Falls.

Miss Beverly Diane Corgill and Lee J Ewell

September wedding set

A September wedding is being planned by Miss Beverly Diane Corgill and Lee J Ewell, both of Wichita Falls.

She is the daughter of Mr. and Mrs. Harry Corgill of Comanche, Okla., and Ewell is the son of Bill Ewell of Burkburnett and Jo Nell Ewell of Wichita Falls.

Miss Corgill is a 1977 graduate of

Iowa Park High School and is employed by C.S. Bearing and Industrial Supply in Wichita Falls.

Ewell, a 1975 graduate of Burkburnett High School, is employed at Cryovac.

The wedding is set for Sept. 7, at Tom Burnett Memorial Library.

Baptist women use patriotic theme

Twelve members of the Thelma Smith Baptist Women of First Baptist Church attended the meeting held Monday evening at the church. The hostesses were Mrs. S.B. Reaves and Mrs. Homer Blalock. They were assisted by Mrs. J.T. Parker and Mrs. Buster Reaves, who was responsible for the impressive room and table decorations.

A patriotic theme accented with an early day atmosphere, governed the decorations. The long refreshment tables were covered with white and appointed with red plates and forks, red, white and blue cups, blue napkins marked with miniature American flags. Larger flags waving from apples intertwined with blue and red-starred ribbons extended the length of the center of one of the tables.

An unique Uncle Sam doll stood under a cherry tree to highlight the head table decorations. The other appointments include flags of different sizes, old fashioned bonnets, dolls dressed in the "Good Old Days" fashion and a large teddy bear. A replica of the bear was noted again on the serving table which also held a Texas-shaped block with an uplifted carved design of the Lone Star State.

During the business where Mrs.

H.E. Cummings, vice president, presided, members voted to cooperate with the Northside Baptist Church in Wichita Falls in the ministry of helping to provide used clothing for elderly women. Mrs. Bill Curry was in charge of the missionary birthday calendar observance.

Mrs. J.T. Parker served as leader

for the program, taken from Royal Service, the theme of which was "The Range of Strangers." Topics were given by Mmes. D.O. James, Curry, Elmer Singleton and Riley Thompson that emphasized the universal need of all people, whether extremely poor or extremely rich, was the gospel which has no economic barriers.

Mack L. Keck

Services for Mack L. Keck, 66, were Saturday at 10 a.m. at Hampton-Vaughn Funeral Home in Wichita Falls. Officiating were Dr. John Muir, pastor of First Christian Church, and the Rev. Charles Hamilton of Breckenridge. Graveside services were at 3 p.m. in Possum Trot and Clear Fork Cemetery in Breckenridge.

Keck died Aug. 2 in a Wichita Falls hospital. He was a brother of Ken Keck of Iowa Park.

Born April 8, 1924, in Mabelle, he had lived in the Wichita Falls area since 1948.

Keck graduated Seymour High School and received his master's degree from North Texas State University where he was a member of Geezle Athletic Fraternity.

Keck began teaching in Wichita Falls public schools in 1948 and was a football and baseball coach. He also served as dean of men at Wichita Falls High School and assistant principal at Hirschi High School.

He was a member of Texas State Teachers Association, National Education Association, Texas Coaches Association, Retired Teachers Association of Wichita Falls and the Church of Christ.

Other survivors include his wife; two sons, Kelly and Milton Keck, both of Wichita Falls; one daughter, Dana Allison of Wichita Falls; three sisters, Lucille Keck Bell, Wichita Falls, Beulah Hendrix, Vernon, Lillian Ptacek of Fort Worth, and four grandchildren.

Memorials may be made to any heart association.

John Maier

Services for John F. Maier, 92, were held Wednesday at 10 a.m. in Hampton-Vaughn Funeral Home in Wichita Falls.

The Rev. David Turner, pastor of Trinity United Methodist Church, officiated. Burial was in Highland Cemetery in Iowa Park.

Maier died Sunday in a Wichita Falls hospital.

Born July 1, 1898 in Klum, N. D., he came to this area in 1910. He was a retired baker for Maier Bakery in Iowa Park.

Maier was a member of Masonic Lodge No. 713 in Iowa Park, had served here as a city alderman and had been a volunteer fireman. He was a member of Trinity United Methodist Church.

Surviving are one son, Cleburn Maier of Houston; two sisters, Mrs. Herman Mahler of Iowa Park and Anna Miller of Wichita Falls; three granddaughters and seven great-grandchildren.

Lonnie N. Altom

Graveside services for Lonnie N. Altom, 53, of Iowa Park, will be held at 2 o'clock this afternoon at Highland Cemetery. Rev. Mark Mitchell, pastor of Kamay Baptist Church, will officiate.

He died Monday in a Wichita Falls hospital.

Altom was born Feb. 18, 1937, in Carlyle, Ill. He and Ellen Jackson were married July 17, 1958, in Benton Harbor, Mich. He was a laborer and a Baptist. Survivors include his wife; a daugh-

Nads in tourney

The Nads, a slow pitch softball club composed mainly of Iowa Park men, will compete in the Class B State Championship Softball Tournament this weekend at College Station.

Play is to commence today, with the finals slated Sunday.

The club earned an 8-4 record in league play, and qualified for the state event with a two-win, two-loss record in the Dist. 9 qualifying tourney.

Band camp to begin

Though Iowa Park's Mean Green Marching Machine may not make its first public appearance of the season until Sept. 7, the time between now and then will be fully utilized for preparation.

Some members began practice the first of this week, and the full organization will hold a four-day, retreat-style, band camp next week.

According to a schedule prepared by Director Greg Miller, drummers and flag corps members began practicing Monday.

Starting yesterday, squad leaders and drum majors were to begin their practice sessions.

All musicians are to pick up their music folders and check out instruments today and Friday.

Departure for the camp will be at 8 a.m. Monday, from the high school, and the camp, which will conclude Thursday, will be held at the Chaparral Baptist Camp, southeast of the city.

Camp is not all work and no play, however, as members were informed by letter that swimming suits should be

included in their supplies, along with bug sprays and sunscreens.

Practice sessions will continue Aug. 20-24. Miller wrote to his students, "We will meet this week but I cannot give you the times or dates as of yet due to construction at the high school. We might have to meet at the junior high."

CARD OF THANKS

We would like to take this opportunity to thank Girls' Little League President Max Henderson for coordinating his efforts with the boys league so the major and senior all-star tournaments could be held here at the boys field. We would also like to thank all the volunteers that helped get the playing field ready and maintaining it throughout the tournaments. With efforts like these it will give us a solid foundation to grow on, and allow the Girls Little League to be more competitive in the future. Again, thanks to everyone involved in allowing us to hold the all-star tournaments here at the boys field.
Stacie and Lonnie Fischer

VOCATIONAL AGRICULTURE teachers George Martin, center, and Ray Dillard of Iowa Park received the area award for teachers who do the best job of publicizing their local program in the news media. The award was presented by the president of the Vocational Agriculture Teachers Association of Texas, Tom Heffernan of Pleasanton, during a recent meeting in Corpus Christi.

IOWA PARK CISD

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The (IOWA PARK CISD) will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in (1989) by (22.2) percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on (AUG. 16, 1990) at (JR. HIGH BLDG.).

FOR the proposal: SHERI KENNEDY, RANDY CATLIN, KEITH FISHER, JERRY REED, DENNY MCCARTHY, WENDALL HOUSE, JOHN SIBLEY.

AGAINST the proposal:

PRESENT and not voting:

ABSENT:

The statement above shows the percentage increase the proposed rate represents over the (EFFECTIVE) tax rate that the unit published on (AUG. 2, 1990). The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	35,882	35,984
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	5,000	5,000
Average taxable value	30,882	30,984
Tax rate	.81	.96 <small>(proposed)</small>
Tax	250.14	297.45 <small>(proposed)</small>

Under this proposal taxes on the average home would (INCREASE) by \$ (47.31) or (18.9) percent compared with last year's taxes.

Comparing tax rates without adjusting for changes in property value, the tax rate would (INCREASE) by \$ (.15c) per \$100 of taxable value or (18.5) percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

Hawks to begin 2-a-days Monday

After having been issued their shoes and helmets Wednesday, the Hawk football players will begin two-a-day workouts Monday morning.

The sessions will be at 8 a.m. and 6 p.m., according to Head Coach Len Williams.

University Interscholastic League rules prohibit the use of pads and contact workouts through the first four days of the sessions. During that time they work out in shorts and helmets.

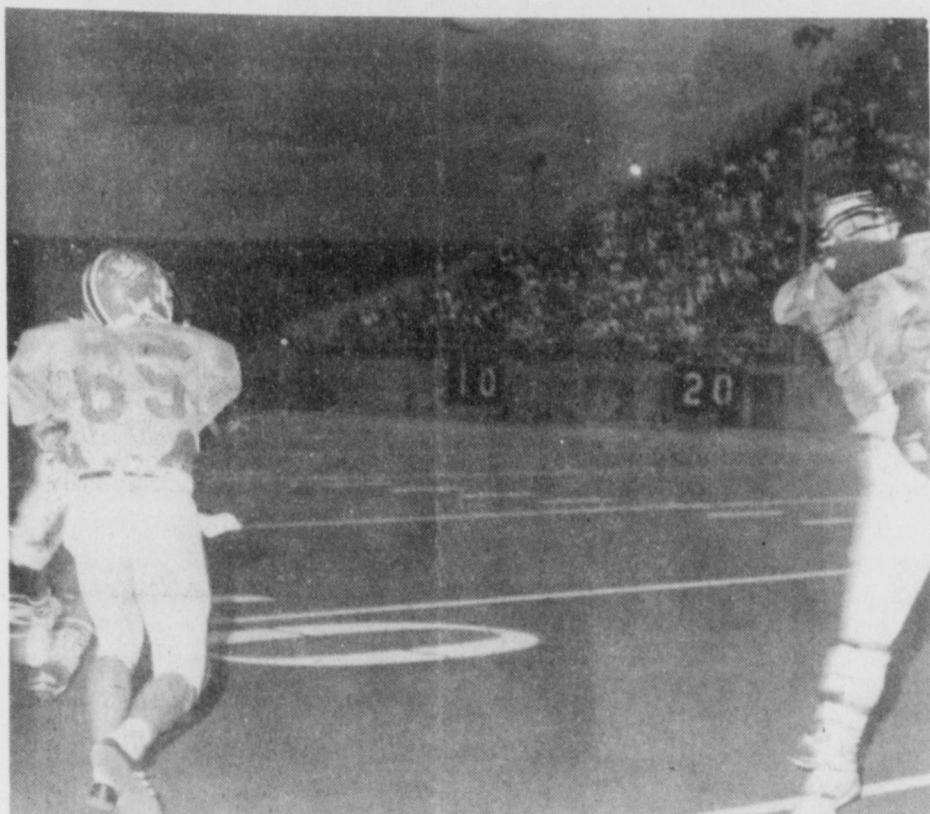

First contact workouts will begin the following Friday.

The freshmen, junior varsity and varsity will hold intrasquad scrimmages the morning of Saturday, Aug. 18. That event has been called Iowa Park's "watermelon bowl," because players and fans are treated to a watermelon feast following the scrimmage.

Varsity scrimmages, leading up to the Sept. 7 season opener against Burk Burnett, will be Aug. 24 with Holiday and Aug. 31 with Olney.

5-PITCH CHAMPS include, bottom from left, Brandon Lane, Joseph Trammel, Natilie Latimer, Jerry Kirkhart, Jim Shierry and Mike Weeks; second row, Rob Shierry, Bradley Duggins, Nick Stewart, Chase Wright and Josh Mahoney. Coaches were Mike Lane, Charles Quick and Sebern Whisnand.

DIDN'T GET THERE - Former Hawk Bruce Palmer, 85, eyes a pass from another IPHS grad, Jimmy Duggins, during the second quarter of Saturday's Oil Bowl in Wichita Falls. However, Palmer had to wait until the fourth period for his only reception, because this one was intercepted by an Oklahoma defender.

Kid football signup set

Registration for youngsters who will be playing in the Top 'O Texas Kid Football League this year will be held from 10 a.m. until 12-noon Saturday, at the county agriculture building, 220 W. Park, according to Gordon Griffith.

Players must be at least eight years of age before Sept. 1, and cannot be 12 before the same date, Griffith explained.

Interested parents who have questions are encouraged to attend the meeting, which will be "come and go."

Any youth unable to attend the registration can contact Griffith at 592-4840.

The season's start has not yet been determined, but will be decided at a meeting of area league teams.

Season ticket sales to begin next week

Season tickets for Hawk varsity football home games will go on sale Monday at the high school principal's office.

Fans who had season reserved seat tickets last year will have until the first home game, Sept. 7, to renew their option on the same seats again this year.

A book of five tickets will cost \$25. Reserved seats after the first game

will cost \$5 per game also, but can be purchased only at before the game in the principal's office.

General admission tickets this year will be \$2 for students and \$4 for adults, if purchased before the game. All general admission tickets sold at the gate will be \$5.

Season ticket sales in the office will be 8-12 a.m. and 1-4 p.m..

Announce engagement

Mr. and Mrs. Carl Tressler of Wichita Falls are announcing the forthcoming marriage of their daughter, Michelle Yvonn, to Michael Patrick Shea. He is the son of Mr. and Mrs. Paul Shea of Iowa Park.

The ceremony will be performed

Aug. 18 in the gazebo at Tom Burnett Library.

Miss Tressler is a graduate of Hirsch High School and is employed by City View Baptist Day Care.

Shea graduated Iowa Park High School and is employed at Sears. He will enter the Air Force in September.

Progressive dinner ends CWF summer activities

Members of Christian Women's Fellowship of First Christian Church ended their summer activities with a progressive dinner.

Hostesses in their homes were Helen Roberts and Mona Henderson. Marian Anderson, Betty Cole and Coleta Grubbs served as hostesses at the church Fellowship Hall.

The dinner included salad, fresh fruit, cheese, relish tray, bread sticks, spaghetti with meat sauce, green beans, cheese cake, strawberry dessert, and four-layer chocolate dessert.

Paring knives and three-piece sets of knives were distributed by Mrs. Roberts, service co-chairman, as a fund raiser.

Carrie Turner, president, expressed appreciation to the 15 members who participated and to the hostesses. Cecile Jonchere of France was a special guest.

The next meeting will be a salad supper Sept. 10 at 7 p.m. in Fellowship Hall.

Hodges wins awards in 4-H fashion show

Jolene Hodges was awarded third place in Tailored Daywear, Senior Division, and the District 4-H Top Senior Model award, at the District 3 Rolling Plains 4-H Fashion Show, held July 24, in Jayton.

At the county show, she won County Top Senior Model and placed first in Tailored Daywear, earning her a place in the district show.

Jolene's 4-H Clothing Record Book won first place in district judging and was sent to Texas A&M Univ. for state judging Aug. 14 and 15.

The daughter of Mr. and Mrs. Jerry Hodges, Jolene has been a member of the Valley View 4-H club eight years. She is president of her club, vice president of the 4-H County Council and treasurer of the 4-H County Teen Ambassadors.

Jolene will be a sophomore student at Iowa Park High School, where she is a member of the student council, band, flag corps and basketball team.

Parents to meet

A committee meeting of Cub Scout parents is scheduled for Aug. 20 at 7 p.m. at the Chamber of Commerce office.

Parents are encouraged to attend the meeting when plans for the upcoming year will be discussed.

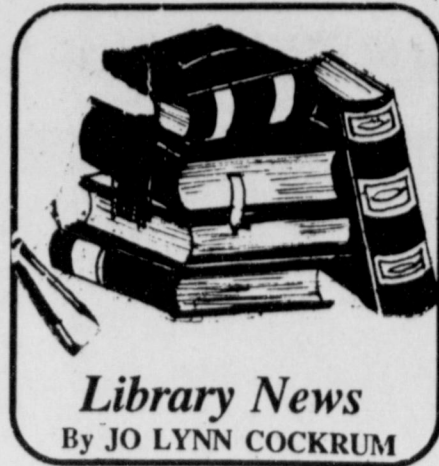

LOOK WHO'S NEW

Mr. and Mrs. Paul Wood of Fort Worth are the parents of a daughter, Courtney Diane, born July 19, weighing eight pounds, two ounces. The new baby has a sister, Lindsey Marie. Mrs. Wood is the former Cheryl Hoffman of Iowa Park.

Grandparents are Mr. and Mrs. William E. Hoffman, former Iowa Park residents, of Aurora, Colo. and R.C. Wood of Graham.

READ-TO-ME WINNERS

Members of the Read-To-Me Club held their summer exhibition and awards ceremony last Friday. Projects made during the summer meetings were displayed, certificates awarded, winners announced, and refreshments served.

This year's top three winners were: Barrett Smith, third; Lauralee Lasater, second; Judy Messer, second (tie), and Amanda Toller, first. The winners received prize selections from Waldenbooks. Amanda Toller also won the Dick Tracy balloon which was given away to carry out the "Secret Code" theme. I would like to thank everyone who had a part in the Reading Club this year. I could never have made it without you all! Special thanks to Sue Maness, Andrea Blackwell, Vikki Shea, and Kay Landiak, for all their support.

STORYTIME

A new Storytime schedule will go into effect in September, with classes available for 2-3 year olds and 4-6 year olds. The schedule is still flexible, so please contact the Library to let us know your needs.

SUMMER YOUTH THEATRE

This year the Summer Youth Theatre group will present Peter Pan. Performance will be Friday, Aug. 24, at 7:00 p.m. in the upstairs room of the Library. Cast members should make every effort to attend all practices in August (Tues. & Thurs. 11-12). Dress rehearsals will be held Aug. 21 and 23. The public is invited and encouraged to attend.

Lineman

I'm Clement Adams and I'm a lineman with TU Electric. I work with overhead power lines that bring electrical service to our homes. But unfortunately, every year some people come into contact with these high wires and are seriously injured or even killed. Often they may be simply trimming their own trees, installing a TV antenna or just cleaning a pool with a long-handled pole.

Electrical safety is a priority.

These types of accidents can be easily avoided. If people would just look up. Keep all objects away from overhead power lines. At TU Electric, we care about your safety. So give yourself a little distance.

We care about your safety.

WARNING

AREA OIL & GAS NEWS

Showing ability to pump 16 barrels of oil per day on an open choke, the No. 1 A&J-Marlborough has been brought on line in the Wichita Regular Field, 1.5 miles north of Kamay.

J.F. Hood of Fort Worth is the operator.

Hood perforated for production at 1,643 to 1,644 feet into the wellbore. Water production was recorded at five barrels per day.

Tom Swanson of Electra has staked location for a 2,000-ft. developmental venture in the Wichita Regular Field, about six miles southeast of Electra.

It will be known as the No. 2 Cato "B" with drill site in the HT&BRR Survey A-131.

The same operator has plugged and abandoned the No. 2 Glen Cato, about six miles southeast of Electra. It was drilled to a depth of about 2,000 feet in the T&NORR Survey, with no commercial shows. It was located in the Wichita Regular Field.

A depleted oil producer has been plugged and abandoned by a Tyler operator in the Wichita Regular Field, about eight miles south of Iowa Park. It was known as the No. 6 Madden KMA Sand Unit, with Arcadia Refining Co. as the operator. It was bottomed at a depth of 4,212 feet in the GCSFRR Survey.

A 1,999-ft. developmental well is scheduled for spudding in the Wilbarger Regular Field by Burk Burnett-based Landrum West Inc. It will be known as the No. 3 Andrews "L" and is located on a lease in the H&TCRR Survey A-904, about 10 miles south of Vernon. It is 550 feet from the east line and 1916 feet from the south line of the survey.

A 6,500-ft. Foard County wildcat is scheduled to be drilled by Alpine Petroleum of Abilene four miles west of Crowell. It will be known as the No. 1 Shamburger, with drillsite in the H&TCRR Survey Section 6 Block 44, 60 feet from the east line and 920 feet from the south line of the survey.

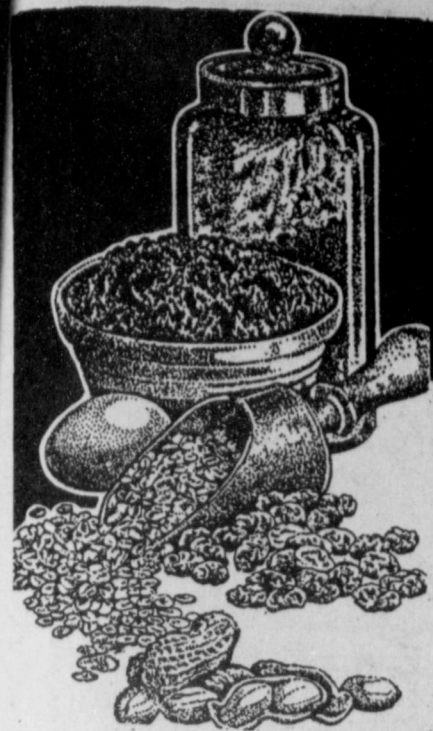

Energy has staked location for the No. 1-T King "B" in the Wichita Regular Field, about one mile east of Valley View. The well carries authority for 1,850 feet of hole making and is in the Moses Roberts Survey A-246.

Thirty depleted oilers have been phased out of production in the Wichita Regular Field's Moncrief-Munger lease assemblies, from one-half to two miles surrounding Kamay. Marshall Energy of Dallas is the operator. Total depths averaged about 3,850 feet.

Location has been staked for the No. 1-T King Shallow in the Wichita Regular Field with Texco Energy of Abilene as the operator. The well is located about two miles northwest of Valley View in the Moses Roberts Survey A-246. It is under permit for 1,850 feet of hole.

Cook of the Week

"I'm a working woman, so all of my recipes are simple," said Kayla (Mrs. Brandon Mills, the *Leader's* featured cook this week.

Kayla, the daughter of Mr. and Mrs. Terry Nault, is a 1986 graduate of Iowa Park High School. She received her beautician's license after completing the school's course in cosmetology.

She opened her own business, the Modern Style Salon, located in Wichita Falls, in January. Prior to that, she worked four years at Supercuts.

Kayla's husband, Brandon, is employed at Entex. She said they enjoy going for rides in their red, white and blue Volkswagen Baja Bug. And this year, for the first time, Kayla and Brandon are going deer hunting together.

The couple has a 14-month-old daughter, KaBryn, who was recently named "Texas All Star Babe" in a contest at Houston. Later this month, KaBryn and her parents will travel to Los Angeles, Calif., where she will compete in the "Baby Miss of America" pageant.

They are members of the First Baptist Church.

Kayla's recipes reflect the food preferences of most Texans, Mexican food and desserts. And, as she said, they are simple to prepare.

DUMP CAKE

- 1 box yellow cake mix
- 1 can cherry pie filling
- 1 can crushed pineapple
- 1 cup crushed pecans
- 1 cup melted butter

Mrs. Brandon Mills and KaBryn
