Annual Whoop-T-Do may be record size

Iowa Park Chamber of Commerce directors Monday developed plans for the Oct. 13 Whoop-T-Do and the organization's annual all-membership meeting, which will be held Nov. 12.

President Harold Smith, pointing out that 21 non-profit organization booths and 13 for arts and crafts have already been reserved, observed, "This

is more than we've ever had at this time."

An additional game booth request also was approved during the meeting, but it required a special vote by the board.

Wal-Mart requested permission to sponsor a game booth, to be manned by employees, with all proceeds dedicated

to a Christmas party for residents of Heritage Manor.

The special vote was held, because rules for the Whoop-T-Do note booth space will be approved only for non-profit organizations.

To publicize the annual event, Tommy Key and Gene Jordan are to appear on early-morning programs of the two Wichita Falls television stations the week of Whoop-T-Do.

The all-membership meeting, during which election of officers is held, will be the second Monday, instead of the usual third Monday of November, it was decided.

Smith pointed out the third week is the same as the Thanksgiving holiday, so the date change was made.

Smith appointed Jordan, Key and Joe Hughes as the nominating committee.

It was announced 3-M Cafe had become the Chamber's newest member.

A proposal by Sam Laird that the Chamber work with the city, school and his firm, Cryovac, to develop an on-going drug awareness program received a positive reaction.

Smith told Laird, "The Chamber is 100 percent with you. It'll be a good community project."

Further development on the project is expected during the coming months.

Hawks, Eagles both looking for first wins

When the ball is kicked off at 8 Friday evening at Decatur, signaling the start of the Hawk-Eagle battle, it will be the 11th meeting between the two clubs in the 22 seasons.

But, unlike the past six seasons, the two clubs will not be members of the same district. Decatur was moved into another conference during this year's realignment by the UIL.

Though the Hawks hold a 7-3 record dating back to the 1969 season, the two teams were 3-3 as district opponents, with Decatur winning the past two outings.

The Eagles edged the Hawks 27-25 last year to earn their ticket into the state playoffs, where they lost 21-0 in bi-district to Springtown.

Eagle mentor Bobby Adkinson, starting his 16th season there, said about his 1990 squad before the season got underway, "I know we're gonna be good. We're more experienced, faster and smarter (than last year). If those things mean anything, we've got to be better."

That prediction, however, has yet to come about, as both Decatur and Iowa Park have yet to win their first games of the young season.

Testing his Eagles early, Adkinson

scheduled powerful Justin Northwest and Gainesville for their first two games. Northwest outscored Decatur 48-28, and last week Gainesville shut them out by a 37-0 margin.

Meanwhile, the Hawks were taking their lumps, losing 15-3 to Burk Burnett and 29-21 to Abilene Wylie.

All this week, the Hawks and their coaches have been working to resolve the team's fourth-quarter defensive play problems.

Of the 44 points the Mean Green defenders have allowed this year, 37 of those have come in the final 12 minutes of play. And in both cases, the Hawks had been in the lead.

Going into the season, Decatur's Adkinson was quoted as saying his secondary was a concern, with mostly newcomers in those positions.

The Hawk passing game likely will test their metal, with the passing arm of junior quarterback Robert Denton. He didn't play in the Burk Burnett game, sidelined with a shoulder bruise.

But last week, Denton completed eight of 12 attempts for 125 yards. Seven of his first eight attempts connected.

Decatur will counter with sophomore signal caller Dirk Sachse, a 170-pounder Adkinson says, "...may be our best quarterback in the last seven-eight years. He throws and runs well."

Also testing the Eagle defenders, especially tackles Johnny Murillo and

Chris Holmes, who weigh 240-plus, will be Hawk runningback Johnny Duggins.

Also a junior, Duggins appeared to find himself against Wylie, carrying 19 times for 110 yards.

Physically, both teams should be complete. The Hawks have been injury-free since the pre-season scrimmages. Adkinson said he expected the full return of halfback Bryan Lane, who didn't play last week, and Bobby Holloway, who played only defense against the Leopards.

Stolen truck found here

Iowa Park police assisted Wichita Falls police in recovering a stolen rental truck, but neither has yet been able to determine what happened to its cargo, reportedly valued at \$20,000.

A U-Haul truck was found abandoned Saturday morning on the Access Road, but when it was first reported over a state computer network, there was no response of a missing vehicle.

Shortly after, however, Wichita Falls police responded, confirming the vehicle had been reported as having been stolen overnight from the parking lot of the Hampton Inn.

According to the report, the truck was said to have contained \$20,000 worth of furniture.

Local police determined there was not a lock on the cargo area door, nor was there anything inside.

The truck had apparently been "hot wired," taken somewhere to unload, and then driven here and abandoned.

A Wichita Falls representative of the U-Haul firm retrieved the vehicle.

Three burglary reports and two complaints of criminal mischief were filed during the week with local police, according to the activity blotter.

Over \$3,000 worth of stereo equipment, compact discs, cassette tapes, albums and a VCR were said to have been taken sometime last

MORE THAN PATRIOTISM -- Kim Heasley has a personal reason for the yellow ribbon she has outside 3-M Cafe, where she works as a waitress. Her husband, S/Sgt. Robert Heasley was transferred earlier this month from Sheppard AFB to the Middle East, possibly Saudi Arabia.

Homemaker late beginning to sew, but now can't quit

By Myrna Smith

"What if I really can't sew?" Linda Smith asked herself with some anxiety.

That question occurred to her after she bought a sewing machine for her Valentine gift.

She had been telling her husband (Harold) she thought she wanted to buy a machine. "But he says I'm always thinking I'm going to do something but never do it."

Linda had in mind to buy a "plain Jane" machine to do simple sewing. But after a computer machine was demonstrated for her she decided that was what she wanted.

Now, Harold has trouble getting her away from the machine. "Why do

you want to sit at that sewing machine all day long?" he asks.

Her answer, "I've waited 30 years to do just what I wanted to do." By way of explanation, "I just love it, especially doing applique," she said, and her work shows it.

Those who visit her booth at Whoop-T-Do Oct. 13 will see the results. This is her first time to applique and her first time to have a booth at the fall event. She probably wouldn't have had one this year except for her husband's coaxing.

Some people have a knack for making an art out of a craft.

The artful way Linda has used applique, in combination with patchwork, nail heads, colorful rhinestones,

beads and a little paint is proof that she has an eye for creative design.

She has used these decorative items on denim jackets and vests and on sweat shirts that have been pre-washed. Linda has made the jackets and vests.

Her work is done in western or Southwest designs. They are all original and she has never made any two alike.

While the Smiths were on vacation this summer in Ruidoso and Santa Fe, Linda was inspired to create Southwest scenes and symbols on the clothing.

Many years ago Mrs. Smith took some lessons in oil painting, and when puff painting became popular she did some of that, but didn't like the results.

She taught herself to applique. But, she had a little help from her mother who lives in Hillsboro.

"Mother takes every craft magazine there is, I think," said Linda. However, her mother does not do crafts, but reads about how they are done. She has given Linda several tips that have helped her.

Linda now makes most of her own clothes and many of them feature applique.

Another craft she does is make Little Red Riding Hood dolls. She acquired the pattern several years ago in Branson, Mo., one of their favorite vacation spots.

She will have some of these in her booth at Whoop-T-Do. She makes them from "scratch." No two of these are dressed alike. When the doll is turned upside down it becomes the "Grandmother" and when the

LINDA (MRS. HAROLD) SMITH PROUDLY EXHIBITS HER TALENTED WORKS ... they'll be in one of the Whoop-T-Do arts and crafts booths.

grandmother's cap is removed the doll becomes "the big bad wolf."

Recently while visiting Smith's relatives in Lubbock, she attended the Southern Ladies Craft Show. Now, she is making pins and earrings using silver-plated concho buttons and colorful beads.

The Smiths moved to Iowa Park from Fort Worth about three years ago when he was made manager of TU Electric.

Linda had never lived anywhere except in the Fort Worth area. "So many people told me before we moved, 'It's just another typical West Texas town,'" said Linda. "Well, I love it.

Everything is perfect here as far as I am concerned, but I was lonesome at first."

She credits Mayor Wayne House, former TU manager, and other members of First United Methodist Church, with helping them make the transition so easy.

"I can't believe the freedom I feel here," Linda said. She was a hair dresser in Fort Worth. She and another person had a shop in one of the shopping centers.

Linda said, "We kept our shop door locked at all times and opened it only for our customers.

"It has been such a relief to me not

to have to lock my car just to run into the grocery store. I love to work in the yard and I don't worry about getting knocked in the head if I step outside," Linda continued.

She said she and her husband had discussed what career they would have pursued had they chosen something different.

Smith thinks he might have chosen a career in the military. She has always loved her job whatever she has done.

"I think I have always had a creative urge and have been fortunate to

Rainfall measured at 1.80

A long, dry spell was broken this week, as Iowa Park received 1.80 in welcomed rainfall.

Virgil Woodfin said he measured 1.23 Monday, and an additional .57 of

an inch from several "cotton showers" Tuesday. Measurements varied considerably, however, over the area.

Added to the quarter of an inch that fell the first week of the September, the city has now received 2.05.

Reception set for Rev. Mollett

An appreciation coffee honoring Rev. John Mollett and his family will be held from 10 to 12-noon Tuesday at the Friendly Door.

Rev. Mollett has been serving as

the president of the Friendly Door board of directors, and is moving in the near future to Dallas.

The public is invited to attend, according to Myrna Robinson, director.

Mr. and Mrs. David Thompson
(Gina Lee Weaver)

Weaver, Thompson wed recently in San Antonio

David Allen Thompson and his bride, the former Gina Lee Weaver are at home in Lewisville following their marriage Sept. 1.

Parents of the couple are Mr. and Mrs. John Weaver of Iowa Park and Mr. and Mrs. David Thompson of Wichita Falls.

The couple pledged double ring wedding vows at the Menger Hotel in a Victorian garden setting on the Riverwalk in San Antonio.

They were attended by the bride's brother-in-law and sister, Mr. and Mrs. Billy Blackmon of Krum.

Mrs. Thompson is a graduate of Iowa Park High School and Mid-

western State University. She was employed as an intern for the City of Iowa Park her last semester at MSU.

She now is employed by the City of Lewisville and is pursuing the Master's Degree at the University of North Texas.

Thompson graduated Rider High School in Wichita Falls and attended the University of Tulsa and MSU. Until recently he was employed by Physical Therapy & Sports Rehabilitation Clinic in Wichita Falls. Currently he is employed by Denton Regional Physical Therapy and Sports Rehabilitation Clinic and at Health and Athletic Center in Lewisville.

Norton, Feix nuptials exchanged Sept. 8

Mr. and Mrs. Jeff Feix are making their home in Wichita Falls following their marriage and a honeymoon in the Dallas area.

Feix and the former Joy Norton exchanged nuptial vows Sept. 8 at City View Baptist Church. Harvey McMurry, pastor, officiated.

Mr. and Mrs. James D. Norton of Corpus Christi are parents of the bride. Robert Feix of Concord, N.C. and Judie Morgan of Kamay are parents of the bridegroom. He is a grandson of Mr. and Mrs. Luther Raybourne of Iowa Park.

The bride wore a traditional gown of satin accented with lace trim featuring a chapel length train. A halo of white rosebuds secured the long veil that also was trimmed with lace.

She carried a bouquet of white roses intermingled with crystal flowers and seed pearls tied with white and blue ribbons. She was given in marriage by her brother-in-law, Dennis Taylor.

Roberta Henderson attended the bride as matron of honor and wore a royal blue satin tea length dress. She carried a bouquet of white and royal blue carnations surrounded by lace.

Amanda Norton, daughter of the bride, exchanged vows with the groom to unite them as a family. She wore a matching royal blue satin tea length dress and carried a bouquet identical to the matron of honor.

Mark Kennedy was best man. The groom and best man wore black tuxedos with royal blue ties and cummerbunds.

Ushers were Randy Taylor and Jed Taylor. They wore black suits.

For her daughter's wedding Mrs. Norton wore a blue street length dress complemented with a scarf. Mrs. Morgan chose a blue and white street length dress.

Music for the ceremony was composed by the best man and played by Rhonda Kennedy.

Altar of the church was decorated with an arrangement of blue and white flowers and unity candles. Mothers of the couple lighted the unity candles during the ceremony.

The reception, given by Mr. and

Mrs. Randy Henderson, was held at the church following the ceremony.

Robin Morris, Pam Tyler, Connie Feix, Rita May Taylor and Rhonda Kennedy assumed duties of serving.

The bride's cake was a three-tiered white confection decorated with royal blue to complement bride's chosen colors. Crystal and silver serving pieces were used.

A royal blue satin cloth with white lace overlay covered the table. The centerpiece featured white flowers and candle holders bearing blue candles.

The groom's table was covered with a royal blue cloth and held a basket of blue and white flowers and a German Chocolate cake. Silver and crystal serving pieces were used on the groom's table.

The new Mrs. Feix is a graduate of H.M. King High School and Bee County College. She is employed by Medical and Surgical Clinic in Wichita Falls and works for Dr. Webb Key.

Feix is a graduate of Iowa Park High School. He is employed by Wichita Falls State Hospital.

Stress reduction is meeting topic

Artie Wood of the Wichita County Sheriffs Department discussed methods of reducing stress when *Philia Study Club* members met recently.

"Working Together for Improvements of Home Life, Personal Life and Public Life," is the course of study this year chosen by the president, Nikki Phillips.

Candace McKee was hostess in her home for the meeting and salad supper. Val Jones and Linda Springer served as co-hostesses.

Officer Wood is with the Crime Prevention Department. He pointed out that an individual may be under stress and not realize it, and listed some of the side effects.

Teenagers may be under stress from their peers, employees may be under stress on the job. Wood stated that almost every one is under stress for some reason.

He showed a video, "Signs to Look for in Detecting Stress and Depression."

Some of the signs that were highlighted included listen to those who want to talk; be a friend; encourage the person to be an individual; invite them to do things with you, and look for signs that are out of the ordinary for the individual.

Roll call was answered with "The Most Interesting Thing I Did This Summer."

It was announced that the Santa Rosa Workshop is scheduled Oct. 13 at Matador. Sixteen members were in attendance.

As I See It

By Bob Hamilton

This newspaper has passed another milestone.

This is the first issue of Volume 22, which means we have now been publishing the *Leader* a full 21 years.

I got to thinking about it the other day, and realized we have young native adults, who may be finishing their college degrees next spring semester, who have never known another newspaper in Iowa Park besides the *Leader*.

In saying that, I realize that the *Iowa Park Herald* was still in publication after those young adults were born,

but I doubt they remember it.

We're always trying to improve the paper, for the reading pleasure of our readers. But this week, we've taken a few more steps to make it even more appealing. Some will not be noticeable to the untrained eye, but they're there, all the same. They are the product of our daughter, Kari Collins.

Also held to reveal this week for the first time is our adopted logo. Son Kevin, and his wife "Dooner," designed the logo, and it'll be used regularly in our product promotions. We're very

proud of it.

A logo may not mean much to most folks, but, to me, it's a coming of age and a pronouncement of self confidence.

We would have had a logo several years ago, but I never could come up with one I liked. Not until son and his talented woman put their minds to the task, and offered a very tough selection of half a dozen proposals.

Those two, by the way, are in the print advertising production department of Tandy Corp. in Fort Worth.

Leading up to this new year of production, we purchased all new computers and a laser printer recently. We were, to the best of my knowledge, the first newspaper in Texas to convert entirely to table top computer production that almost five years ago.

If we weren't the first, we were most certainly among the first.

Publishing a community newspaper is a most gratifying occupation. We have the opportunity to meet some of the finest people ever to grace this earth. We also meet a few of the others.

In short, these past 21 years have been the most satisfying in my life.

And I'll remind our native senior citizens that in only four more years, after being a resident 25 years, I will have completed my "newcomer" period.

Worth Quoting

"All men are created equal and are endowed by their Creator with certain inalienable rights. Among those are life, liberty and the pursuit of happiness." So goes the historic Declaration of Independence which most certainly changed the course of human history. Since the day when our forefathers declared independence from England, we Americans have taken it for granted that this is a nation of freedom and equality. In more recent years, however, there have been growing complaints that some are more equal than others.

Part of the outcry over the shocking disclosure that most country clubs in this country do not have black members has been a feeling that this situation destroys our concept of equality and fairness. It is just not right, so the reasoning goes, for those people to enjoy fine food and beautiful golf courses and be able to park expensive automobiles on the parking lot. We should have the same because in this country everybody is equal.

In our schools there is a growing demand to do something about the grading system because the principle of equality is violated when some students make higher grades than other students who have just as much right to an A. The answer is to change the system so that all students move along through the grades year after year even though they may not be learning much along the way.

When we made our first visit to the Soviet Union in 1974, the Inturist guides were briefed very well and instructed to defend their economic system as being wonderful because it represented true equality. In the Soviet Union, we were told, there is no class society, all are equal. Everybody makes the same wages, and they cited the example of a truck driver being paid the same as a brain surgeon. Because of this wonderful system of equality, we were told, there is no poverty in the Soviet Union because all are equal and all get the same income.

The same Inturist guides were hard put to defend the obvious difference in the standard of living between the man on the street and the Communist officials who drove around Moscow in limousines, however. It was obvious that everybody in the Soviet Union made

the same wage but they did not receive the same perks such as housing and travel and food availability. Some Soviets are more equal than others.

We have all seen what this system, supposedly based on true equality for all, has done for the Soviet Union. In its mania to promote equality of the masses the Soviet government has strangled the creative genius and individual incentive of its people. On a typical job in the Soviet Union, a worker who lays 1000 bricks a day makes exactly the same as his fellow worker who lays only 100. After a while the harder workers figure they may as well loaf, too, and that's why the workmanship of buildings and the production of the factories in the Soviet Union has been so poor compared with other nations.

What we Americans need to remember most of all is that our founding fathers did not mean that everybody was equal in all respects. They emphasized that there must be complete freedom of opportunity and recognized that each individual is different and success depends upon taking advantage of opportunities and above all, being willing to work toward the goals of success. Over the years we have drifted away from this concept of equal opportunity and now demand that the government take care of us all because we have the right to be equal. This means sharing with the rich their standard of living by taking from them and giving to us.

We see something of the same concept in sports. In the little leagues, coaches are often instructed to play every player regardless of size or ability. This is fine for those formative years. But in high school, for example, those players with more skill and more willingness to work, and more determination to succeed, are the ones rewarded with starting roles on the team. It is a harsh fact of life that we are not all equal in every respect. Some of us can do things better than others. Surely we are not going to let our distorted idea of equality somehow press us all into the same mold until we become like the Soviet Union.

City meeting slated Monday

Two resolutions and three discussion topics are on the tentative agenda for Monday night's meeting of the city council.

The meeting is to begin at 7 p.m. in council chambers.

One resolution, if approved, would authorize a request for assistance in site planning for Hammonds Park, at Lake Iowa Park.

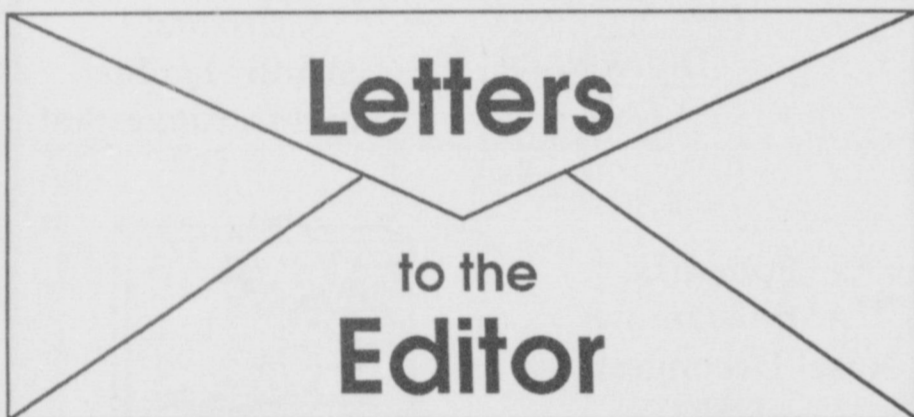

If approved, the planning project would be a prelude to seeking a state grant to improve the park area, which is

located between the gun club grounds and dock area.

The second resolution would authorize a new non-annexation agreement with Cryovac.

Council members are to discuss the city's street construction/repair policy, as well as deciding what to do about completion of the Recreational Activities Center.

Also to be discussed are travel expenses for personnel to attend a solid waste seminar at Austin in November.

Thanks for road

Thanks for our new road. Now we don't have to eat as much dust. Our Thanks goes out to Mayor House and Alderman Crawford for our defence in getting sealcoat on our roads. There are a lots better. I have lived in the McClusky Addition for 43 years longer than all my neighbors. I feel like this Thanks is for all of us down here. We have been left out more than, had anything done for us. I believe we have a chance and a better future now.

Old spirit needed

Mr. Hamilton,
Let's get that Hawk Spirit back in Iowa Park!

It is great to see the Iowa Park fans come out and watch our Hawks play football on Friday nights.

What has happened to all of the spirit, yelling, cheering, and enthusiastic supporters? This town has a proud tradition of team support either in defeat or victory. Let's keep up an old tradition in Iowa Park.

These young men have spent many long hours these past weeks practicing, learning plays, and getting excited about this season. They have lost the first two games but the caliber of their playing ability is improving. They have given their all in both games.

Without support from fans these young players get discouraged. Several of the players have asked, "What's wrong? Where is the cheering and yelling to let us know how we're doing?" They also feel they have been deserted by fans leaving early in the fourth quarter. We must be verbal supporters again, not just people sitting in the stands. Let's give the defense a hand or a cheer when they're on the field, let the offense know we are behind them. These young men deserve more!

Support those Hawks! Be loud and proud!

Doesn't like signs

Dear Editor:

Like everyone else in Wichita County, I pay a phone and utility bill. It makes me mad to see political candidates, namely Bill Sarpalius, use public poles for his signs. It is against the law to use public poles for private use and I should think that our Congressman knows it! A man who has no respect for others property and utility workers safety should be fined for breaking the law. I hope the city fines him because we are tired of paying for his abuse.

Sincerely,
Michell Hill

Mrs. Kelly Brian Dickerson
(Stephanie Melissa Jackson)

Jackson, Dickerson wed in double-ring ceremony

Stephanie Melissa Jackson became the bride of Kelly Brian Dickerson Saturday in the Assembly of God at Kamay.

Parents of the couple are Gay Jackson of Iowa Park, James Dickerson of Dallas and Janice Dickerson of Kamay.

Double ring vows were pledged at 2 p.m. directed by Rev. Leroy Helms, church pastor.

A heart-shaped archway decorated with pink and mauve flowers centered the altar area. Two large floral arrangements in the chosen bridal colors were in flanking positions. Pink and burgundy bows served as pew markers.

Sandy Adams, pianist, presented traditional wedding marches, and "You Needed Me," "The Lord's Prayer," and "Wind Beneath My Wings."

The bride was given in marriage by her brother, Steve Jackson. She wore a traditionally styled wedding gown of lace.

It featured a scoop neckline and long sleeves pointed at wrists. The full skirt was fashioned of lace tiers that fell to a chapel train.

Her lace-edged veil of illusion was trimmed with a wide band of lace. Seed pearls were sprinkled over the basque bodice, skirt and veil.

The bride carried a bouquet of pink and burgundy flowers nestled in lace.

Alena Odom of Wichita Falls served as maid of honor. Her full length pink gown was overlaid with lace and accented in the back with a large bow. She carried a petite bouquet identical to the bride's.

Bo Dickerson of Iowa Park, brother of the groom, was best man. Ushers were Wayne Attwood of Kamay and Raymond Chambers of Wichita Falls.

The groom wore a white long tailed tuxedo with pink tie and cummerbund. The best man and ushers wore black tuxedos and pink tie and cummerbund.

The bride is a junior at Iowa Park High School. Dickerson is a graduate of Iowa Park High School and is employed by Reliable Well Service in Wichita Falls.

Mrs. Clapp hosts club brunch

The home of Mrs. John Clapp was scene of a brunch Friday morning to open the new year for Iowa Park Garden Club.

Hostesses for the brunch with Mrs. Clapp were Mrs. Vern Mikkelson and Mrs. Deryl James.

The serving table featured decorations in pastel colors and held a variety of fresh fruits and finger foods. Mrs. Sybil Cash, mother of Mrs. Charles Seets, was a guest.

Mrs. Clapp, president, conducted the business meeting. Thought for the day given by Mrs. Gene Young, chaplain, focused on the word "Beginning." She read a poem entitled "For a Good Life."

Kay Cole was welcomed as a new club member.

Roll call was answered with a summer highlight.

Mrs. Deryl James, vice president, presented each member with a 1990-91 yearbook and called attention to special programs and to trips that members will be taking this season.

Yard of the Month chairman, Mrs. Gladys James, announced the yard of

Mr. and Mrs. Garry Stamm, 1510 Bentwood, had been selected Yard of the Month for September.

Mrs. James pointed out that once a yard is selected it is not eligible again for five years.

Mrs. Mikkelson, social committee chairman, highlighted the three socials that club members will have this year. They include Christmas, Valentine and an end of the year social when new officers will be installed.

Mrs. Joe Kennedy presented last year's president, Gladys James, with an engraved plaque in the shape of the state of Texas in appreciation for her work as 1989-90 president.

Members voted to make a monetary contribution to the Ministerial Alliance Crop Walk which will be held in October.

To close the business session, Mrs. Clapp reviewed duties of committee chairmen and officers for the coming year.

She closed the meeting with a poem titled, "Are You An Active Member?"

CWF holds salad supper

Christian Women's Fellowship of First Christian Church met Sept. 10 for a salad supper. Seventeen members were present.

Theme for the year is "Decisions? Decisions!"

President Carrie Turner presided over the meeting when the annual budget of \$1,190 was approved. Of this amount 65.5 percent goes to Outreach, which includes the Iowa Park Ministerial Alliance.

It was announced that the knives are selling well and more are ordered for the annual fund raiser.

Karen Lehman, worship chairman, led the group in worship and the CWF benediction to close the meeting.

A fellowship/workday was held Tuesday.

The next CWF meeting will be Oct. 1 at 7 p.m. in Fellowship Hall when Laura Grimsinger will be guest speaker. She is with the First Step program and will speak on "Women in Crisis." Visitors are welcome to attend the meeting.

GOD AND SUDDAM HUSSEIN

Saddam Hussein has the world squirming as he flexes his muscles. Those who have loved ones that are either hostages or serving in the military must be extremely tense. The situation is like an open powder keg with small children playing with matches. There is as much danger for all out war due to a mistake or accident as there is in a planned attack.

As the world wrings its hands and gropes in fear and uncertainty, let every servant of God be assured that this incident is not going undetected in heaven. Read Psalm 33:10, 11 and rejoice for the Psalmist claims that God will always control nations. "The Lord nullifies the counsel of the nations; He frustrates the plans of the peoples. The counsel of the Lord stands forever, the plans of His heart from generation to generation." Read Isaiah 10:5-19 and rejoice for Isaiah claims that nations are but rods or clubs (vs. 5), axes or saws (vs. 15), in God's hand to do His work. Assyria had no intention of doing God's will (vs. 7), but what difference did that make? Read Isaiah 40:15-31 and rejoice for Isaiah claims that, "Those who wait for the Lord will gain new strength; they will mount up with wings like eagles, they will run and not get tired, they will walk and not become weary."

The rumblings of the world are but reminders to God's people that He is still in control and still has a purpose to accomplish. Let us not be afraid of what they are afraid nor love what they love, but rather be "about our Father's business."

Saddam Hussein is but another grasshopper boasting out his importance to a universe creating and controlling God. (Isaiah 40:22).

Buckmaster is modern nanny

Editor's note: Following is an excerpt from the Amarillo Globe-News concerning Dana Buckmaster, daughter of Kay Buckmaster of Iowa Park. Miss Buckmaster, a 1988 graduate of Iowa Park High School, attended Bauder Fashion College for one year. She has been selected as a nanny by A Choice Nanny program and has been placed with a family in Leesburg, Va. She began her job in August.

Julie Andrews' portrayal of Mary Poppins, from her black derby hat down to her curly-toed, granny ankle boots, may epitomize celluloid images of nannies, but contemporary caretakers create a different picture.

For parents searching for options in child care, nannies may provide a perfect solution, said Amarilloan Carolyn Bursley Price, a recruiter for A Choice Nanny.

"A Choice Nanny is a franchise based along the East Coast in Maryland, New York, New Jersey, Virginia, Pennsylvania and Florida," Price said.

"I'm an educator and am interested in what happens in child care. Being a nanny is a viable option for young ladies to make college money, for anyone who loves children and for anyone who has child-care experience."

A typical family who employs a nanny might be two-income, professionals with infant to school-age children, Price said.

Parents need someone who will love and care for their children while they are working or traveling, "Price said.

"One family includes two doctors who have a 14-week-old infant. (They) want someone to love their baby and to be a part of their family," Price said.

"Nannies work 50 to 60 hours a week and have at least two free days a week. They earn a weekly salary of \$200 to \$300 and have free room and board. They also have good perks."

Through A Choice Nanny, care givers get the opportunity to travel and sightsee on the East Coast in a safe environment, Price said. They are near beaches, mountains and historical sights like museums and monuments.

Nannies go through an extensive screening process to ensure that they work well with children, have child-care experience and allay any of the parents' qualms, Price said.

"Most are between 20 and 24, all are high school graduates, and some have college experience," Price said.

"We check their references, send a videotaped interview to the Washington, D.C. office and compare the written information. Parents are very interested in knowing the nanny's thoughts about living away from home, discipline and various other things."

Several families may show an interest in a person, and one family will send money for the trip out to the coast, Price said. The family may deduct the price of the plane ticket from the individual's wages, but after six months, the nanny gets half of the money back and the remainder at the end of the term, Price said.

Dana Buckmaster of Iowa Park was one of the Texans Price recently placed on the East Coast. Buckmaster left for her Leesburg, Va., post July 31. Others included Amarilloans Cherrel Ashton and Shiray Powell.

"The first priority is to follow directions and instructions left by the parents," Buckmaster said.

"I want to save money to go back to school. A lot of girls are looking for a way to expand their horizons; this is one of the best ways to do that."

Nannies have specific duties and job descriptions, Price said.

"A nanny is not a maid," Price said.

"They are there to love, care and nurture the children of the family."

Ideally, parents would like to have nannies for more than a year, but most nannies sign on for one year. It gives nannies the opportunity to make a broader circle of friends."

Leticia Goodrich, owner and administrator of Goodcare Services, said their organization runs the gamut from being "a simple referral service to being able to bring in *au pairs* from overseas."

"We don't refer to them as nannies; we call them live-in care givers," Goodrich said.

"They're like a substitute while mom is at work."

Care givers also care for and entertain their young charges and chauffeur them to and from school and extracurricular activities, Goodrich said.

The Austin-based International Nanny Association provides a support base for recruiters, nannies and families.

For information, contact the association at P.O. Box 26522, Austin, Tx. 78755-0522 or (512) 454-6462.

Arts & Crafts Assoc. seek show entries

The Iowa Park Arts and Crafts Association is offering 10 categories for those interested in entering the Arts and Crafts Show Oct. 13, at the Whooop-T-Do.

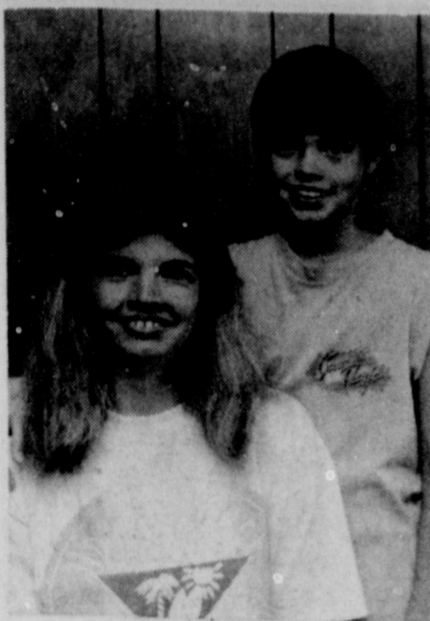

There will be a \$25 People's Choice Award given in each of the categories which include: Acrylic, Ceramics, Dolls & Toys, Needlework, Oil, Pastels, Porcelain, Watercolor, Various Art Media, and Christmas.

The items should be made by the person entering, and they should not be anything that has been entered in the previous shows.

All participants must be an adult, 18 or over, and can register between 7:30-9:00 a.m., Oct. 13, at the Lions Club Building. Entry fee is \$5 for the first three items, and \$1 for each additional item.

Identification tags for your dogs and cats are available for \$2 at Iowa Park City Hall.

Mrs. Donnie Shelton and Chris

Brenda (Mrs. Donnie) Shelton and her family moved to Iowa Park three years ago, so her husband could be closer to Cryovac where he is employed.

Brenda is a familiar figure to students at Kidwell Elementary where she is employed part-time as a crossing guard and lunch room monitor.

Born in Whittier, Calif., Brenda moved to Ardmore, Okla. when she was 12. That is where she graduated high school and met and married Donnie, a native of Wichita Falls.

The couple has an 11-year-old son, Chris, a sixth grade student at the junior high who is planning on becoming an archeologist. He is interested in fossils and collects National Geographic magazines.

Brenda has many interests, including working in her flower beds, bowling, swimming, fishing, cats, glass collectibles, and raising Brittany Spaniels.

The family is involved in bicycle riding and rode in this year's Hotter 'n Hell Hundred Bicycle Race. Brenda said that she and Chris went six miles, and Donnie, who has ridden in the race the last five years and usually goes 100 miles, went 50 miles this year.

Brenda enjoys cooking and said that she learned from her mother. The recipes she submitted include family favorites such as "Chicken Supper" and "Earthquake Cake." The recipe for "Waldorf Rice Salad" was given to her by a grandmother.

CHICKEN SUPPER

3 lb. fryer, cut up
2 sticks margarine
1 lb. bag carrots, sliced and chopped
Salt and pepper to taste
2 cups Minute Rice
1 pkg. dry onion soup mix
2 cups water

Brown chicken in margarine. Sauté carrots in same pan. Season to taste. Mix rice with soup mix. Spread in buttered 9x13 baking dish. Arrange chicken pieces on top of rice mixture and sprinkle carrots evenly over top. Add water and cover dish with foil. Bake at 350 degrees 1 hour.

EARTHQUAKE CAKE

Spray 9x13 pan with coating.
Sprinkle 1 cup chopped pecans on bottom of pan and spread. Then sprinkle 1 cup sweetened coconut on pecans.

Prepare 1 box German Chocolate cake mix w/pudding according to directions on box. Pour on top of nuts and coconut.

Beat 1-8 oz. pkg. cream cheese, 1 stick of margarine and 1 tsp. vanilla

together. Add 1 lb. powdered sugar to cream cheese mixture and stir until well blended. Spoon over top of cake with little spoonfuls and sealing the edges.

Bake 50 minutes, or until done, at 350 degrees. Cake will crack open when done. Store at room temperature.

WALDORF RICE SALAD

1/2 cup mayonnaise
1 Tbsp. sugar
3/4 cup whipped topping
1/2 cup sliced celery
1 large red apple, cored and chopped coarsely
1/3 cup pecans
1/4 cup raisins
1 1/2 cups chilled, cooked rice (1/2 cup raw)

Combine mayonnaise and sugar and fold in whipped topping.

Fold topping mixture, celery, apple, pecans and raisins into chilled rice. Makes 6 servings.

STIR FRY CABBAGE

Heat 2 Tbsp. oil in skillet or wok. Add shredded green cabbage, peeled carrot, bell pepper and onion sliced thin, and 1 Tbsp. soy sauce. Salt and pepper to taste. Stir fry to desired consistency.

BAKED BEANS

2 cans pork & beans, partially drained
1/4 cup molasses
1/4 cup brown sugar
Chopped onion
1/2 cup catsup
1 tsp. dry mustard (or prepared)
Cooked bacon (crumble and put on top)

Mix all ingredients and bake 1 hour, uncovered, at 350 degrees.

FIESTA HOMINY CASSEROLE

Saute 1 chopped onion in 1 Tbsp. oil.
Add:
1/2 tsp. cumin
1/2 tsp. salt
1/4 tsp. garlic salt
2 cans hominy (1 white & 1 yellow) drained

Stir into hominy mixture:
1/4 cup light cream or milk
3/4 cup sour cream
1 small (4 oz.) can chopped green chilies (optional)

Pour into a greased 2-quart casserole dish. Top with 1/2 cup grated longhorn cheese and bake uncovered 20 minutes in 350 degree oven.

Baptist Women elect officers

The slate of officers elected for 1990-91 includes Mmes. V.J. Woodfin, president; H.E. Cummings, first vice president; Eleanor Bell, second vice president; Homer Blalock, secretary/reporter; Elmer Singleton, treasurer; E.T. Patterson, mission support; S.B. Reaves, Roy B. Smith, mission study; J.T. Parker, Riley Thompson, Bill

Curry, Royal Service leaders; O.S. McLemore, mission action, and Miss Helen Reed, hostess.

Fifteen members of the Thelma Smith Baptist Women of First Baptist Church met at the church Monday evening for the annual Week of Prayer for State Missions program and the election of officers for 1990-91.

Mrs. E.T. Patterson, mission support chairman, presented the program based on the theme "One - - - To Glorify God." The scriptural background was inspired by Jesus' prayer that his followers would become as one in winning the lost to Christ.

The leader stated that the Mary Hill Davis offering goal for the state this year is \$4,909,090 and the goal for

the local church is \$3500. She said that Texas Baptists are culminating the five-year mission goal to begin 2,000 new churches between 1985-1990, and are now entering into phase two of Mission Texas: Reach, Grow, Serve.

Mrs. Patterson gave the figure that eight million Texans are unsaved, and devoted a major part of the program to discussing how the Mary Hill Davis offering can enable Texas Baptists to become involved in the ministries that are impacting the needs of the state. These ministries included: Key Churches, one that start new churches, Mega Focus Cities, such as Houston, San Antonio, Dallas and Fort Worth. Hispanic Baptist Theological in San Antonio, Valley Baptist Academy, and Churches in Transition.

LOOK WHO'S NEW

Dr. and Mrs. Robert Dickey of Abilene are the parents of a daughter, Claire Elizabeth, born Aug. 27, weighing six pounds, 12 ounces.

Grandparents are Robert Dickey of Wichita Falls, Jack Reynolds and the late Rose Reynolds of Iowa Park. Opal Cassidy of Frederick, Okla. is a great-grandmother.

BRIEF EXPLANATORY STATEMENT
OF PROPOSED
CONSTITUTIONAL AMENDMENT
GENERAL ELECTION
NOVEMBER 6, 1990

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 2, Sixth Called Session, 71st Legislature, proposes a constitutional amendment to provide that if the Senate, at any special session, does not take final action to confirm or reject an appointee of the Governor made during a recess of the Senate, the appointee is entitled to continue in office until the Senate rejects the appointee at a subsequent session or until the Governor appoints another person to fill the vacancy, but such a nominee whom the Senate does not act to confirm or reject at a subsequent regular session is considered to be rejected when the session ends.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to clarify the authority of the senate to consider certain nominees to state and district offices and to provide for filling vacancies in those offices."

Este es el informe explicatorio sobre la enmienda propuesta a la constitución que aparecerá en la boleta el día 6 de noviembre de 1990. Wylie overcomes Hawks in 2nd half

Memories of the last game in 1987 flashed through the minds of Hawk fans Friday night.

As the complexion of Friday's home-opener against Abilene Wylie changed completely in the second half, fans were remembering losing that state playoff game against McGregor.

Against McGregor, Iowa Park led 17-0 going into the second half, and wound up losing 21-17 to the eventual state finalists.

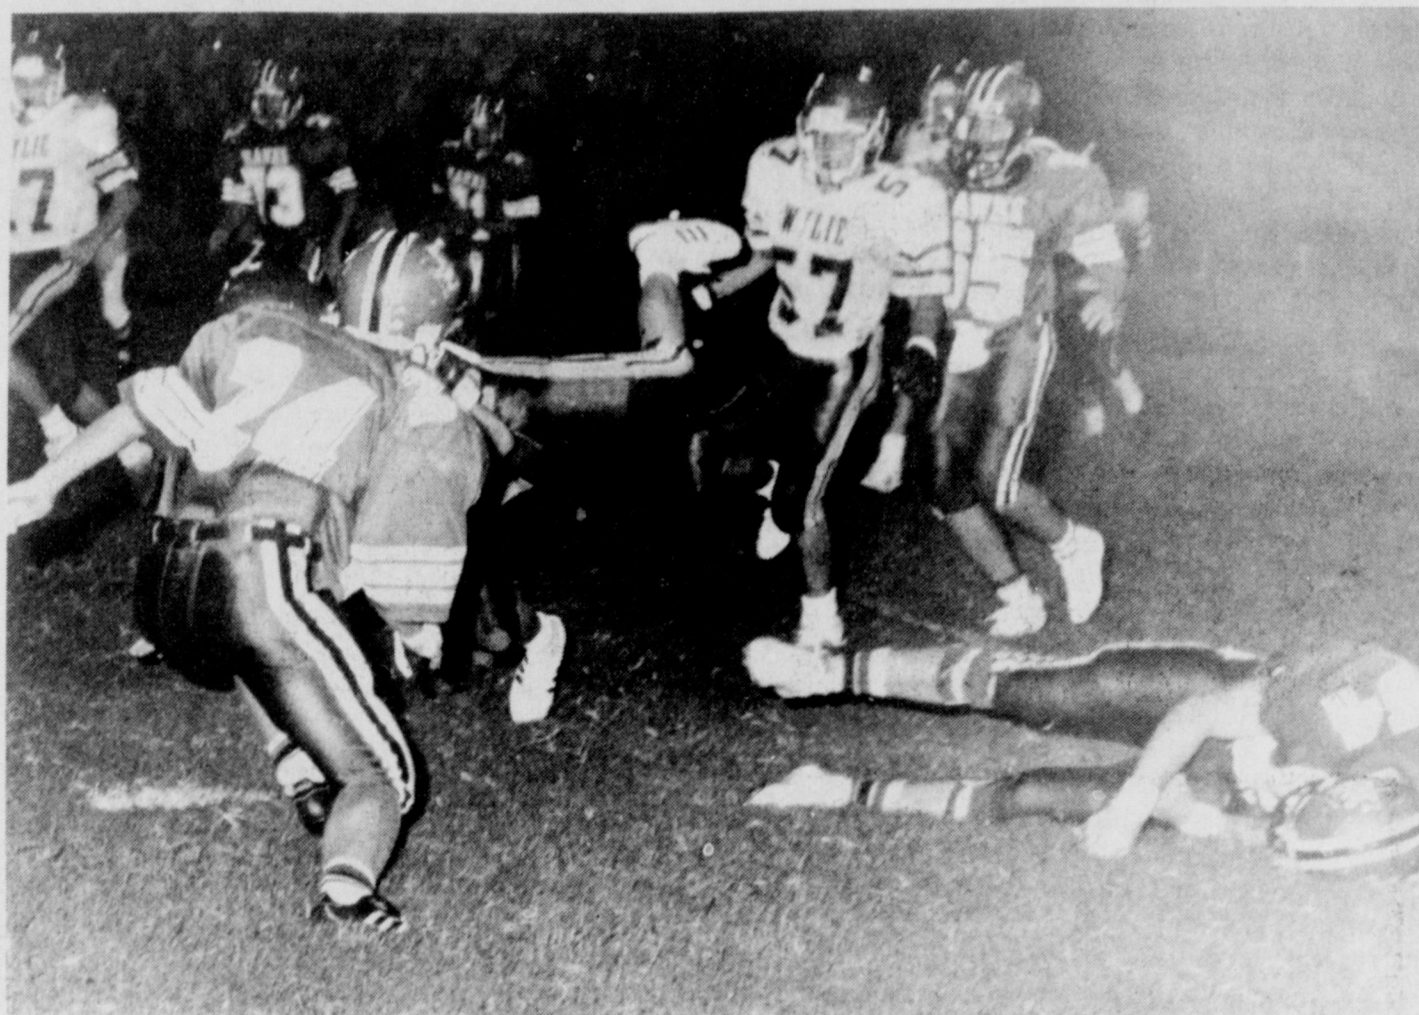

The Hawks virtually dominated play through the first half against Wylie, and the teams went to the dressing rooms for their halftime break with the Hawks leading 14-0.

But the visiting Bulldogs came roaring back in the second half of the Jekel-and-Hyde game to be just as dominating, and won, 29-21. It could have been worse, because the visitors allowed the clock to run out with the ball's nose on the Hawk goal line.

Besides scoring two of their touchdowns in the second quarter, the Hawk defense held the visitors during the first 24 minutes of play to only four first downs and 55 yards of offense, 18 passing and 37 rushing.

During the first half, junior runningback Johnny Duggins amassed 84 yards rushing, leading the Hawks to 14 first downs.

Meanwhile, in that same 24 minutes, junior quarterback Robert Denton was

completing seven of nine pass attempts for 112 additional yards.

In the second half, Duggins was held to 26 yards, 11 of those on his second TD of the evening, and Denton completed only one of three aerials.

The first Hawk scoring drive started late in the first quarter, when Greg Steger returned a punt 20 yards to the 'Dog's 45. Key plays on the drive were runs of 10 and 14 by Duggins, and a 16-yard reception by Steger. Duggins carried the ball over from three yards, and Todd Pulley kicked the extra point with 9:10 remaining in the period.

Three plays after the following kickoff the Hawks were on the march again, this time from their own 25. Three runs by Duggins, one by Pulley and a 24-yard pass reception by Clint Beavers, advanced the ball to the 'Dog four. Denton finished it off with a sprint around left end, and Pulley tackled on the extra point.

Wylie scored on its first possession of the second half, mixing 14 running and passing plays, and kicked the extra point.

But the Hawks did virtually the same thing, eating up the balance of the 4:55 remaining in the third quarter and 20 more seconds in the fourth to cover 77 yards in 12 plays. Duggins carried over from the one on the final play, and Pulley again kicked the extra point.

That made the score 21-7 with 11:40 remaining in the game.

Wylie scored with 10:39 remaining, using one running play and completing two of three passes. A screen pass covered 28 yards and the scoring pass was for 29. Again, the visitors kicked the extra point,

and the score was 21-14.

After picking up one first down, the Hawks were forced to punt. Wylie again mounted a scoring drive, this time starting from the 'Dogs' own 12. The Key play was a 37-yard draw.

Wylie, after winding up with a 14-14 tie in the season opener against Breckenridge, opted to pass for the extra point, and made it good. That gave the Bulldogs a 22-21 lead with 2:40 left on the clock.

Twice on their next possession, the Hawks lost yardage when Denton was sacked on passing plays, for a total of 18 yards. The second sack was a fourth-down play back on the Hawk four.

Four plays later, Wylie again scored and kicked the extra point with 24 seconds left in the game.

Brian Luney was tackled on the following kickoff, attempting to hand off the ball for a "starburst" return, on his own three yard line.

Duggins finished the night with 110 yards on 19 carries. Pulley carried six times for 49; Mark de la Rosa eight for 40 and Steger once for nine.

Denton completed eight of 12 passes, and suffered one interception. His receivers were Duggins (2 for 24), Beavers (2 for 41), Steger (2 for 21), and one each by Jason Young, 36 yards, and Pulley, three yards.

Todd to be presented in recital

Dee Ann Todd, senior Music Education Major at Midwestern State University, will be presented in her senior voice recital Sept 27 at 8 p.m. in Akin Auditorium.

Miss Todd, soprano, will be accompanied by Jerri Sparks, pianist. She will be presented by the Division of Fine Arts-Music.

This is a partial fulfillment of the requirements for the degree Bachelor of Music with Teacher Certification. She is a student of Dr. Shelley Archambo.

Included in her recital will be "So shall the lute and harp awake," from Judas Maccabeus by G.F. Handel; "Ave Maria" --J.S. Bach, arranged by C. Gounod; "Ave Maria" from Otello--G. Verdi;

Recitative: "Rasserena, O madre"--G. F. Handel, Aria: Rend'il sereno al ciglio from Sosarm; "Die Forelle"--F.P. Schubert; "Verborgenheit--Hugo Wolf;

"Spring Day"--Edwin McArthur; and from Old American Songs, Second Set--Aaron Copland, "The Little Horses," "At the River," and "Ching-A-Ring Chaw."

Miss Todd is a member of Mu Phi and serves as choir director at Iowa Park First United Methodist Church.

She is the daughter of Delbert and Patsy Todd of Iowa Park.

MSU graduates area students

Iowa Park area residents made up almost 10 percent of the students who completed degree requirements during the past summer terms at Midwestern State Univ.

Twelve of the 139 were from Iowa Park, Kamay or Holliday.

They included: Robin Lee Combs, BA; Bradley Leon Costello, BSE; Robert Carl Halady, BSCJ; Leslie Lee Johnson, MA; Donald Frank Keck, BS and BAAS; Asunta Stabile McCathern, BA; Byron Paul Mobley, BBA; Steven Jay Moody, ME; Kelli Eae Moore-Valdez, BAAS, and Donald Anthony Steere, BA, all of Iowa Park.

Also, Patricia Nell Cravens, ME, Kamay, and Tammy Christine Stevens, BA, Holliday.

Scouts to have fall round-up

Fall "Round Up" for Iowa Park boys interested in joining Cub Scouts, and their parents, will be held at the county agriculture building, 220 W. Park, at 7 p.m. Monday.

Boys already registered should also attend, because the regular meeting of the Den will be held.

Youth in grades one through six are eligible for membership.

1990 Hawk Midget Cheerleaders

Midget cheerleaders chosen

The Hawk Midget Cheerleaders for 1990 are Chellie Scobee, Amanda Roberts, Lori Wiggins, Meredith Brammer, Randi Tigrett, Kim Overman and Nikki Goin.

They were chosen following try-outs held in June at the Lakeview Church of God. Judges were from the cheerleading squads of Midwestern State Univ. and the Wichita Falls Texans.

The cheerleaders attended a camp at MSU in August, and won first place in competition with all of the junior high squads. This resulted in an invitation to perform at the Hotter-n-Hell Bike Race, Aug. 25, where they per-

formed with cheerleaders from MSU, Holiday Pee Wee League, and Chatanooga, Okla. high school.

The group will be cheering on Saturday nights for the Top of Texas Midget Hawk football team.

Helpful Facts

The city's Board of Adjustments meetings are at 6:15 p.m. on Mondays when there is an agenda, in Council Chambers, 103 North Wall. Public notices for all Board of Adjustments meetings are published two weeks in the *Iowa Park Leader*, and are open to the public.

CROP Walk goal set

The goal for this year's CROP Walk, to be held Oct. 6, is to attract 125 walkers and raise \$3,750.

A meeting was held Sept. 6 to organize and distribute packets for the project that will be sponsored for the third time by the Iowa Park Ministerial Alliance.

Twenty-five percent of the funds raised by the 10-kilo event will be kept in the local area to help needy families. The project is the largest single source of funds the ministerial group has to help the hungry and needy people here.

Grubbs, 592-2721, or Marian Andersen, 592-4592.

CROP is sponsored by Church World Service, a division of National Council of Church of Christ in the United States.

Tragedies such as hurricanes and earthquakes are assisted by Church World Service, as demonstrated after the 1979 tornado in Wichita Falls and the area devastated last year by Hurricane Hugo.

Named late for their play against Burkburnett were: Robert Cargal, lineman; and big hit was shared by Charles Jolly and Gary Green.

ss ss ss ss ss

A familiar name was in the news Wednesday. Jack Mildren won the Democratic party's nomination for lieutenant governor of Oklahoma. Mildren is the former All-American quarterback for the Sooners. But before that, he was All-State at Abilene High, and also holds the distinction of having set the first state high school record in the 330-yard intermediate hurdles.

TOP 'O TEXAS FOOTBALL

BURK PEE WEES 16
PEE WEE HAWKS 8

Burk scored two touchdowns in the final quarter to edge the eight and nine year old Hawks, 16-8, Saturday.

That made the Iowa Park team's record for the season 1-1, after the Pee Wees knocked off Seymour 30-8 in the season-opener.

The Hawks scored their only touchdown on a 19-yard run by Bryan Miller which was set up by a 46-yard run by quarterback Toby Williams.

Williams added the two-point conversion.

Other standouts on offense were Michael Hicks and Jeff Duerson. On Defense, Ross Dillard was the leading tackler, with help from Williams, Ryan Howard, Randy York, Wade Miser and Ronnie Smith.

Iowa Park will host Henrietta at 6 p.m. Saturday at Griffith Field.

Helpful Facts

Regular meetings of the Iowa Park city council is at 7 p.m. on second and fourth Mondays, in council chambers at 103 N. Wall. All meetings are open to the public.

In their season openers Thursday, two of the three Iowa Park Junior High football teams beat Burkburnett.

The Eighth Grade "A" won, 18-16; Eighth Grade "B" won, 8-6; but the Seventh Grade lost 28-8.

The Seventh Grade is the only team scheduled to play this week, hosting Quannah at 4:30 today.

Tuesday, all three teams will take on Graham, here, with the first game starting at 5 p.m.

Brad Norris and James Armstrong made two big defensive plays apiece to overcome a larger Burkburnett club. Norris caused two fumbles and Armstrong covered a pair.

Training to prepare workers for disaster

The Wichita County Chapter of the American Red Cross has announced its upcoming disaster preparedness training schedule.

Trained disaster volunteers are always needed to meet needs of both local communities and surrounding areas. Once training is completed, participants are invited to become members of the Disaster Action Team to maintain a high level of proficiency.

Volunteers can register by calling 322-8686.

Introduction to Disaster Services will be offered 9 a.m. to 12-noon Sept. 22. All new volunteers must take the course.

Damage Assessment will be offered 1-4 p.m. Sept. 22. The course is designed for individuals who respond to a disaster within the first 12 hours of the occurrence. Training covers the immediate door-to-door assessment of damage to structures.

Emergency Assistance to Families Module One will be offered 9 a.m. to 4 p.m. Sept. 29. The course will prepare individuals to work directly with the victims of disasters. Good interviewing skills are a major asset for volunteers of the course.

Jason Young passed to Jeremy McGowan for the first Hawk score. The play covered 70 yards.

After Armstrong covered the first of the two fumbles caused by Norris, Norris broke 50 yards to the Burk 15. On the next play, Chad Simpson scored with a run up the middle.

McGowan covered the second fumble caused by Norris to stop a Burk drive.

Iowa Park's winning touchdown was a one-yard run by Norris, which was set up by a 35-yard Young-to-Norris pass.

Burkburnett's comeback drive, late in the game, was shut down by Armstrong's second fumble recovery.

The "B" team's touchdown was a fourth-quarter pass from Jon Chips to Dale Lindegren.

And the two points that made the difference in the outcome was a run by Troy Radford.

Chris Norris scored on a 20-yard pass from Robert Klinkerman for the Seventh Grade's only TD. Corky Petty ran for the two-point conversion.

Cheerleaders' Point of View

This week we will be traveling to Decatur to win! We ask you to come and support us by showing as much spirit as possible. The spirit needs to be increased to back the Hawks to a victory.

The theme for this week is *Claw the Eagles*. The high school students will decorate their fingernails as wildly as they can imagine.

Please support the Hawks and travel with us to Decatur. LET'S WIN!

JV, Frosh play tonite

Both the Hawk Junior Varsity and Freshman teams will be looking for their first wins of the season this evening when they host Decatur.

The Frosh are to kick off the first game in Hawk Stadium at 5:30, with the JV following.

The JV didn't have a game last week, but the Freshmen played the Quannah JV, and lost, 20-8. Quannah reportedly had a number of juniors on the team.

Boosters plan bus to Clyde

A chartered bus to carry fans to the Iowa Park/Clyde varsity football game Friday of next week is being arranged by the Iowa Park Athletic Booster Club.

During the Club's regular weekly meeting Monday, members voted to charter the bus, and make it available to any fans wishing that mode of transportation.

The fee will be \$15 per person, and will include a light meal and soft drinks. Estimated time of departure is 4 p.m.

Anyone wanting to reserve seats can contact Linda Merrick at 592-4155 during the day or 592-5137 at night.

In other business, Bobby Davenport, president, called for committee reports on membership, Booster Store, Hawk yard signs, and Hawk and cheerleader pictures in businesses.

Members also voted to send a letter drafted to the *Iowa Park Leader* for

publication.

Also at the meeting, members heard reports by junior high, freshman, junior varsity and varsity coaches, as well as viewing Friday's varsity game.

Booster meetings are held at 7 p.m. each Monday at the football field house. They are open to the public.

Tips for desert mailing

The Postal Service has some helpful hints for Americans mailing parcels or packages to military personnel deployed to Operation Desert Shield.

Following those guidelines, your packages will get there promptly and efficiently, according to the Postal Service's press release.

Use a sturdy carton, large enough to accommodate the contents.

Use some form of cushioning to protect the articles inside. Seal the parcel securely. Use pressure-sensitive tape. Avoid using brown wrapping paper, cord or string on the outside.

Print the service member's name and address on the address portion of the package on one side only. It should include the person's name, rank and service number, military organization or unit, and the APO/FPO address. It's important to have the current APO/FPO address, which should be available from that service member's base in the United States.

Put your return address in the upper left hand corner of the package. Also, include your return address on a piece of paper on the inside of the package.

Remember the hot temperatures and heat of the Saudi Arabian climate when considering what to send to the troops there. Temperatures in the desert exceed 100 degrees regularly.

Items to send which are popular with the troops include audio cassette tapes, newspaper clippings, gum and hard candy. Use padded bags or boxes. Don't put articles in regular envelopes. Make sure to attach a parcel post

customs declaration form (Form 2966-A, available at local post offices) on all your packages.

The fastest way for packages to get there is Priority or First-Class mail which allows for a 5-10 day delivery.

Service men and women in Op-

eration Desert Shield can now mail letters and cassettes home free of charge. To get the free service they should place their name, military grade and complete military address in the upper left corner and should write the word "Free" in the upper right hand corner.

Obituaries

Gertrude Hart
Services for Gertrude Hart, 70, were held Tuesday morning at Dutton Funeral Home.

Mrs. Hart died Sunday in a Wichita Falls hospital.
Rev. Mark Mitchell, pastor of First Baptist Church of Kamay, officiated. Graveside services were Tuesday afternoon in Clairemont Cemetery.

Born July 24, 1920 in Kent County, she and Jack Hart were married July 2, 1938. He died in 1987.

Mrs. Hart had lived in Iowa Park since 1974. She was a member of Kamay First Baptist Church, and had formerly worked for Iowa Park school cafeterias.

Survivors are a daughter, Gayle Lyles of Valley View; four sisters, Bertha Durham of Brownfield, Rena Koonce of Jayton, Marie Harrison of Leuders and Bonnie Logsdon of Coahoma; two grandchildren and three great-grandchildren.

Memorials may be made to Kamay Baptist Church.

Donnie F. Jackson
Donnie F. Jackson, sister of Sue Karstetter of Iowa Park, died Monday in a Wichita Falls hospital.

Services will be at 3 p.m. today at Hampton-Vaughan Funeral Home with Rev. Johnnie Haney, pastor of First United Methodist Church of Electra, officiating. Burial will be in Riverside Cemetery in Byers.

Mrs. Jackson was born June 27, 1933, in Byers and was a graduate of Byers High School. She and C.V. Jackson Jr. were married Jan. 20, 1955, in Henrietta. A longtime resident of Wichita Falls, she was a homemaker and a Baptist.

Survivors include her husband; a son, Larry of Wichita Falls; her mother, Effie Hulse of Byers; a sister, Sue Karstetter of Iowa Park; and a grandson.

TU Electric plans refund

TU Electric filed an application Friday with the state Public Utility Commission asking authorization to refund about \$68-million, including interest, to its customers, according to Harold Smith, local office manager.

The amount the company is asking to refund was over collected from March through July of 1990, primarily because weather in the company's service area was milder than normal during that period.

When weather is milder than normal, customers use less electricity. Therefore, the utility firm is able to use less of its higher-priced fuel supplies to meet customers' needs.

Under the company's proposal, the refund would be made in November through a credit to bills. Residential customers who use 1,000 kilowatt-hours would receive refunds averaging about \$13. The exact refund will depend on when the PUC approval is received.

PPG announces scholarship plans

PPG Industries in Wichita Falls has announced plans for the 1992 Community Scholarship Program, according to Joel M. Ellett, plant manager and foundation agent.

The foundation's four-year scholarship is valued up to \$6,000. The winner will receive a stipend of \$1,500 for up to four years of college study or until undergraduate degree requirements are completed, whichever occurs first.

All junior students attending Iowa Park, Burkburnett and the four high schools in Wichita Falls are eligible to compete. Children of PPG employees and retirees are eligible to compete regardless of which secondary schools they attend.

Junior class students who will graduate in 1992 must submit an application form and take the combined Preliminary Scholastic Aptitude Test - National Merit Scholarship Qualifying Text (PSAT-NMSQT) on Oct. 20 or 23 to be eligible.

Applications, available at each of the schools, must be received at the Wichita Falls plant by Dec. 7.

Area Oil and Gas Report

Exmoor Oil and Minerals of Dallas has driven stake for a 1,900-ft developmental bid in the Wichita Regular Field, about seven miles northwest of Iowa Park. It will be designated as the No. 14 S.L. Heiserman "E" and is in the HT&BRR Survey A-478.

Jeffers and Bollinger of Burkburnett has filed for permit to drill the No. 10 Foster "S", a developmental well in the Wichita Regular Field eight miles west of Burkburnett. Carrying permit for 1,950 feet of hole, it is in a lease in the T.H. Barwise Survey A-633.

Showing ability to pump 15 barrels of oil per day, the No. 1 Munger "H" has been completed in the Wichita Regular Field by Singleton Production Co. of Wichita Falls.

Location is about one mile northeast of Kamay.

The well was perforated to produce a 1,221 to 1,222 feet into the hole. Water production totaled about 100 barrels per day.

A 2,000-ft. developmental venture is planned in the Wichita Regular Field by Tom Swanson, independent operator from Electra. The well will be known as the No. 2 Cato "C." It is in the H&TCRR Survey Section 67, Block 14, 2,437 feet from the west line and 150 feet from the north line of the survey, six miles southeast of Electra.

Stepped-up drilling action is planned in the North King Field, Wilbarger County, by Landrum West Inc. of Burkburnett.

The company has staked locations for a trio of 1,999-ft. developmental wells in a lease about 10 miles south of Vernon. The wells are designated as the Nos. 1, 2 and 3 Walker Smith "L." They are located in the H&TCRR Survey Section 67 Block 14. Locations are 760 feet from the west line and 1,440 feet from the south line of the survey, 1,160 feet from the west line and 1,440 feet from the south line of the survey, and 1,160 feet from the west line and 1,840 feet from the south line of the survey, respectively.

In The MILITARY

Stamm at Ft. Riley

Cadet Charles A. Stamm received practical work in military leadership at the U.S. Army ROTC advanced camp, Fort Riley, Kan.

The six-week camp, attended by cadets normally between their third and fourth year of college, includes instruction in communications, management and survival training.

Successful completion of the advanced camp and graduation from college results in a commission as a second lieutenant in either the U.S. Army, Army Reserves or National Guard.

A student at Midwestern State Univ., he is the son of Mr. and Mrs. Gary Stamm of Iowa Park.

Completes training

Pvt. Jay R. Freeman Jr. has completed basic training at Fort Jackson, S.C.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid and Army history and traditions.

He is the son of Mr. and Mrs. Jay R. Freeman of Iowa Park.
