Big weekend for Iowa Park!

1990 IOWA PARK HIGH SCHOOL HOMECOMING QUEEN CANDIDATES
... from left, Emily Short, Kristie Fulfer, Michelle Sellers and Julie Short.

Homecoming events told

Homecoming '90 for Iowa Park High School gets underway this evening and will continue through Saturday night, complete with bonfire, parade, football game, queen crowning, reunions and banquet for ex-students.

The bonfire, which is scheduled to be lighted at 8 tonight, will be between Burnett Field and Gordon Lake spillway.

From 11 a.m. until 1 p.m. Friday, State National Bank is hosting a free chili and bean meal for the public, under a tent set up on the vacant lot across the street south from the bank building. This is the second year the bank has secured the Iowa Park MuleSkinners to serve the public, as part of homecoming activities.

The traditional parade will get underway at 4 p.m. Friday, and its route will be through the downtown business district.

Prior to the 7:30 p.m. kickoff of the game between Iowa Park and Graham at Hawk Stadium, the IPHS homecoming queen will be crowned.

Tables manned by the Iowa Park Alumni Association will be set up at the stadium to register all former students, in an effort to update their list and mailing addresses.

Throughout Saturday, the Alumni will host a visitation and registration at the Friendly Door, where free coffee will be available.

At 7 p.m. Saturday, the annual ex-student banquet will be held in the high school cafeteria. Those attending will be served a complete steak dinner, prepared by the MuleSkinners.

Council hears request for more street work

The city council Monday night heard an appeal to improve four blocks of West Texas which, residents of the area told aldermen, were too narrow for traffic.

Mrs. Elvy Sargent told the council she had measured the pavement in front of her 204 W. Texas home, and it was only 18 feet wide.

Owners of homes in the neighborhood said there was no room for parking, and if a home's driveway was occupied any additional vehicles had to be parked on the lawns.

Mrs. Sargent said she would like her street to be repaved with concrete, compete with curb and gutter. But when told the residents would have to share in the costs, she said most would not have the money to pay for it.

She said other portions of Texas were as wide as 36 feet. She and her neighbors want as nice a street as has been built on Colorado, she said.

"I would be willing to wait until 1991," she stated.

The city has a program which would permit construction, with the city paying one-third and the residents financing their share through the city.

Burglars hit four businesses

Burglars struck four different businesses during Tuesday night, but got very little for their efforts.

The damage they caused was more than approximately \$200 in cash they stole, according to investigating officers.

Sometime between 7 p.m. Tuesday and 7 a.m. Wednesday, burglars broke into Catlin Oil, Spruiell Drilling, Sincerely Yours and Bob Ritchie Chevrolet.

They apparently drove to Iowa Park in an automobile reported stolen Tuesday in Wichita Falls. The vehicle, owned by a Burk Burnett resident, was found parked in front of King's Kids.

They are believed to have left the city in a 1991 red Camero, taken from Ritchie Chevrolet, which was found by Wichita Falls police abandoned in the

400 block of Bonner, just a block off Flood Street. Iowa Park police were notified of the finding about 11:30 a.m.

Both the vehicles and the crime scenes were being dusted for finger prints by local officers, in an effort to determine who committed the crimes.

Three tools, two tire tools and a sledge hammer, reportedly were taken from Ritchie's that were used in the burglaries. Entry into the building was gained by breaking out a window glass on the north side of the building.

Also believed to have been taken were the keys to the automobile that was stolen.

Catlin's is a block away from Ritchie's, at 318 W. Park. The burglars forced their way through the back door and rifled through desk drawers and cabinets.

Police believe they may have known the firm owns the two local car wash businesses and were hopeful of finding a large amount of coins and currency.

But they got no more than \$70 or \$75, according to inventory taken soon after the burglary was discovered.

The large tools were used to force open the front door at Spruiell's, which is a block east of Ritchie's, 307 N. Wall. The door had a dead bolt lock.

Those same tools apparently were used to "peel" the company's safe, which contained less than \$100 in petty cash, according to Dan Spruiell.

All desk drawers were rifled and their contents, as well as the safe's, was strewn over the office floor.

Glen Spruiell did not detect any problem when he arrived to open the

.91 rain here

Iowa Park received .91 of an inch precipitation from a system that passed over the city Monday, according to the measurement made by Virgil Woodfin.

The rain was set off by a cold front that affected temperatures enough Wednesday to drop to 38 degrees.

Several motorists reported having to scrape ice off their windshields, and also a heavy coat of frost on tops of vehicles.

Whoop-T-Do is Saturday

All indications lead to the fact that this year's Whoop-T-Do will be the largest in its history.

With a weather forecast of temperatures around 80 degrees, word that an unusual number of Iowa Park alumni will be on hand for homecoming activities, the district opening football Friday night, and the largest ever participation of booths, Saturday could be record setting.

As of mid week, booth reservations had been made by 35 nonprofit organizations and 27 arts and crafts, according to Susan Dillard, Chamber of Commerce secretary.

The Chamber initiated the annual event in the early 1970s for two reasons: to give former students an activity on Saturday, between the Friday night homecoming football game and the Ex-Student Association's annual banquet Saturday night; and a prime opportunity for nonprofit organizations of the school district to hold a fund-raising activity.

Because all programs and booths

of nonprofit organizations will be in the 100 block of East Cash this year, it is recommended that those attending might want to bring lawn chairs, to utilize the city park while entertainment is underway.

Those attending are also reminded by Harold Smith, Chamber president, that the city's public rest rooms in the city park will be available throughout the day.

Entertainment scheduled for the day include:

- 9 a.m. - Turtle Trot
- 9:15-10 - Junior High, High School Bands
- 10-10:30 - Quicksteppers (cloggers)
- 10:30-11:15 - Studio KG dancers
- 11:15-11:50 - Rockin' Hawkettes
- 11:50-12 - Whoop-T-Do King, Queen
- 12-1 - Gymnastics by DeDe
- 1-1:30 - North Texas Mens' Chorus
- 1:30-2 - 4-H Club Dog Show
- 2-3 - Straight Shooter Band
- 3-4 - Booster Club Sweat Auction

First conference game for Hawks

While every game is important to a varsity football team, only a championship contest could have more importance to the Hawks Friday night.

When they host the Graham Steers, it will be their first conference game of the season, it'll be played before their homecoming crowd, and it continues an old rivalry between the two clubs.

Kickoff time is 7:30 p.m., 30 minutes earlier than all the non-conference

games have started.

The Steers enter Hawk Stadium with a respectable 4-1 record, while the Hawks are 1-4.

Graham has wins over Quinlan-Ford, 9-6, Mineral Wells, 13-0, Abilene Wylie, 3-0, and Clyde, 17-10. Their only loss has been to #2 Southlake Carroll, 30-0.

The Hawks have played two of the same teams. They were edged 29-21 by Abilene Wylie, but registered their lone victory over Clyde, 9-0.

Graham's defense has been keeping the Steers in all their games thus far, according to Iowa Park's scouting report.

Offensively, they've had their problems, and the coaching staff continues to shift players around in an effort to improve.

Five Steers start both offensively and defensively.

While Graham was counting big on the throwing arm of sophomore quarterback Toby Dollar, that hasn't yet happened. Graham gained only 39 yards via the air route against Wylie, 12 against Mineral Wells and 38 in the Carroll game.

The Hawks, by comparison, gained 173 net yards rushing against Wylie, while the Steers were held to 153 by the same club.

The Hawks played shorthanded last week against Childress. Two-way starter Todd Pulley, who also handles the team's kicking chores, was out of town and missed the contest, while tackle Robert Cargal was sidelined the entire second half with a renewed shoulder injury.

Both, as well as all the rest of the Mean Green club, are expected to be ready by Friday.

This will be the 18th meeting between the two schools since 1970. The 12-7 victory last week gave the Hawks a 10-6-1 record for the series.

Junior high principal resigns

as he was seating himself.

He had served as a campus principal longer than any other current principal in the local school district.

The board agreed with the effective date, explaining information from his doctor, that Alsup would be unable to report to work before Nov. 30.

Mrs. Mollet's letter, dated Sept. 12, stated:

"I hereby submit my resignation from the position of art teacher at Iowa Park High School to be effective September 21, 1990. My husband's job transfer is requiring a move to Dallas. "I have enjoyed my time of teaching in Iowa Park CISD and appreciate your support in this matter."

The board approved employment of Catherine Lee Norton to replace Mrs. Mollet.

Mrs. Norton has three years experience as a teacher aide at Wichita Falls and Electra, and holds a BS degree in art education from Texas Woman's Univ.

Trustees met in closed session for the better part of an hour and a half. Part of that time they met with Richard Davis, high school principal.

Most of the closed-door meeting was taken up with the discussion of a successor for Alsup, it was later explained.

Subject to board action at its meeting Monday night, Randy Lovelady, who is the assistant principal at the high school, will be the new principal at the junior high school.

Also subject to board action, Dennis Brooks will take Lovelady's place at the high school.

Brooks has assumed the newly-created duties as junior high assistant principal the first of this academic year.

Helms to celebrate 50th anniversary Sunday

Mr. and Mrs. Charlie Helms will be honored at a 50th anniversary reception Sunday from 2 until 5 p.m. at Tom Burnett Memorial Library.

Hostesses for the occasion will be their daughters, Mrs. Glen (Karen) Chitwood of Lancaster, Calif., and Mrs. Roy Don (Linda) Wynn of Iowa Park.

The former Louise Shook and Helms were married Oct. 14, 1940 in

Vera. They moved to Iowa Park in 1949 from Seymour.

Helms was street superintendent for the City of Iowa Park about 15 years. Prior to working for the city he was in oil field construction work. He currently serves on the Iowa Park City Council.

Mrs. Helms is retired from Henry Dvorkin Realty where she was a long time employee. She also had worked for Bond Tool.

They are active members of First Baptist Church. Mrs. Helms is a member of TOPS Club.

The Helms have four grandchildren.

Second grade students to perform at meeting

"Our Dinosaur Friends" will be performed by the second grade students at the Kidwell P-TA meeting on Oct. 16.

The musical, under the direction of Nancy Thompson, music director, will begin at 7 p.m. in the high school auditorium.

Heritage crafts is program topic

The preservation of heritage crafts was the topic of a program presented by Annetta Reusch for members of Amity Study Club.

Meeting Monday night in the home of Margaret Denton, members answered roll call by showing hand-crafted items such as quilts, tablecloths, sweaters and baby clothes that had been handed down in their families.

Mrs. Reusch began by displaying several items that had been passed down in her family, featuring the art of quilting, crocheting, knitting, and tatting. One was a lovely handmade blouse that was close to 100 years old.

Then, she gave a brief background of knitting and crocheting. "Knitting is a way of making an elastic porous fabric from yarn by means of special needles and interlaced loops of yarn," she said. "The word comes from the Anglo Saxon word cnyttan which means to tie or to knot. Most scholars

believe the people of Scotland were the first to knit with wool," she added.

Mrs. Reusch said that crochet produces a heavy and inexpensive type of lace. This is accomplished when any yarn or thread is interwoven by means of a single hooked needle.

To conclude the program, Mrs. Reusch gave each member a skein of yard and needles, and taught them the techniques of knitting and crocheting.

Dorothy Palmer was in charge of the business session in which she gave the meditation, "Having the Time of Your Life," and led members in reciting the pledge to the flag.

Plans were completed for the club's booth at Whoop-T-Do, and members were reminded that Amity is host for the joint meeting with Philia and 23 Study Clubs November 12, at the Library. Each one should also bring

a canned food item for the local food bank to that meeting.

A new member, Janet Bowling, and two visitors, Karen McClure and Nancy Frazier, were introduced.

Following the meeting, refreshments were served by Mrs. Denton and her co-hostess, Amy Brown.

FFA Booster Club meeting is Monday

Members and others interested are encouraged to attend a regular meeting of the FFA Booster Club at 7 p.m. Monday in the Vocational Agriculture building.

Primary topic of the meeting is the organization's fund-raising projects, including the Christmas auction, according to Elaine Huff, reporter.

STATE NATIONAL BANK

"Let's Talk...It's The First Step"
Locally Owned and Operated

As I See It... By Bob Hamilton

I'll repeat myself. I said in this space back when House Bill 72 was passed with the provision of "no pass, no play" that it should be tempered so as to not discourage young athletes. We've had just such an example of what happens when a student does not make a minimum grade of 70, and his overall grades are not averaged, as I suggested. This athlete missed more than one day of classes before the six-week exams were taken, and made a failing grade. I was first told it was a 68 for the grading period, and later heard it was 64. But the point was, he had enrolled in the Honors Courses, and likely would have breezed through regular class.

I'm not opposed to the requirement of passing grades to be eligible, but I feel the student's overall grades should be averaged, rather than each class alone. I also said in that first article that the mandated requirement likely could deter many student athletes from enrolling in the accelerated courses. I think my point is made.

Welcome home, all you former IPHS students. I hope you enjoy your return visit with the school, town and friends. I've only been to one homecoming since high school. That was 10 years ago. But I'm gonna make it back for my

50th reunion. And that's not very far away. Since this problem has developed with passage of the federal government's budget, I've heard and read more than one call to shorten the time a politician can serve in office. Dick Waterfield, who visited here recently and is a candidate for congress, is calling for a six to eight year term, and "then let them go home and live under the laws and regulations they passed." I think congressmen would work harder for the public, and less to keep their jobs in Washington, under that kind of limitation. Don't you?

Wreck victim surprises doctors

Surprising his doctors, and likely those emergency workers who had to use hydraulic tools to extract him from his crushed vehicle four days earlier, Monte Castro walked out of the hospital Thursday. His back broken in four places when his car crashed sideways into a pole at the Loop 11 intersection of Old Iowa Park Road, Castro says he is able to walk with the aid of a back brace and

one crutch. His wife remains in Bethania Hospital with a broken back, and is said to be paralyzed from the waist down. She is six months pregnant. The accident occurred when Castro was coming to Iowa Park after being notified his step father, Ronald Joe Goodner, was suffering a heart attack. He did not survive it. Castro, who is staying at the home

of his mother until he is able to return to his apartment in Wichita Falls, explained a young male driver pulled into his lane of traffic, causing the accident. Because his route here was in a time of emergency, Castro acknowledged he was driving between 60 and 65 miles per hour. He also said a Wichita Falls police officer was sitting at the intersection and witnessed the wreck. Castro said he is anxious to return to his job with Powerseal Pipeline Co. in Wichita Falls, and believes he will be able to do that in another week. His wife, however, faces lengthy and expensive rehabilitation, probably in Dallas. That process is expected to cost about \$20,000, he said. Two funds have been set up in her name, where donations can be made. One is at The Burk Burnett Bank, and the other is at Cooper Hall at Sheppard AFB, where she worked. Mrs. Castro is suffering from a decompressed spinal cord. Her husband said he has hope for her recovery, noting she has experienced minor muscle twinges in her legs. The couple was married in 1988.

Street surfacing schedule reported

The city's street crews will be applying a slurry mix on several blocks of asphalt streets during the next two weeks, according to Mike Price, public works director. Price released a list of the streets to be worked, as well as the dates, so residents can avoid parking on them while crews do their work. The dates, Price pointed out, are subject to weather conditions. They include: Washington, 800-1000 blocks (Bell to Hawthorn), Monday, Oct. 15, and Tuesday, Oct. 16. Penn, 200 block (Cash to Park), Tuesday, Oct. 16. Alameda, 400-600 blocks (Penn to Victoria), Wednesday, Oct. 17. Garden, 100 block (Wall to James), Thursday, Oct. 18. James, 200 block (Colorado to Garden), Thursday, Oct. 18. Ruby, 300-400 blocks (Jackson to Pacific), Friday, Oct. 19. Poe, 100-200 blocks (Wall to Bond), Friday, Oct. 19. Alameda, 500 block (Third to Second), and 700 block (Third to Second), Monday, Oct. 22. First, 400-600 blocks (Bank to

Magnolia), Tuesday, Oct. 23, and 1000-1100 blocks (Clara to Cornelia) Wednesday, Oct. 24. Second, 1000-1100 blocks (Clara to Cornelia), Wednesday, Oct. 24. Park Plaza, 700-900 blocks (Magnolia to West Highway), Thursday and Friday, Oct. 25-26.

Trustees to meet Monday

Iowa Park school trustees are expected to confirm reassignments of two administrators, when the board meets in regular session at 7:30 p.m. Monday in the administration building. The confirmations would be to move Randy Lovelady from his post as assistant high school principal to junior high principal, and Dennis Brooks, assistant junior high principal, to fill the post vacated by Lovelady. The moves came about after the board, meeting in a called session Monday night, accepted the resignation of Jimmy Alsop, junior high principal. Action is also expected on bids

received for the purchase of chairs for the choir department, as well as requests for student transfers and changes in school board policies. The 1990 school district tax roll will be presented for approval, as will the monthly report from the tax office. An annual responsibility is for the board to set regular per-mile costs for the transportation. This also includes per-mile costs for transporting handicapped students. Besides hearing a report on enrollment from Supt. Glen Mitchell, the board will recognize math teachers in the junior high school, according to the tentative agenda.

Student attendance important

While parents are encouraged to see that their children attend school every day of the year, October is an especially important period, according to Supt. Glen Mitchell. The amount of state funds, approximately \$85 per student, received by the school district is based on attendance during this month. Beginning in 1991, state funding will be based on attendance during the entire school year, not just the four weeks of October, he pointed out. The superintendent stressed he does

not want children to attend if they are ill, but he "is urging parents to make every effort to help by seeing that their children are in school when they are well."

Man found dead in lake

Investigators of the Wichita County Sheriff's Dept. continue to work in an effort to solve the stabbing death of a 38-year-old Wichita Falls man whose body was found Wednesday of last week in Lake Buffalo. A fisherman discovered the partially clothed body floating in the water along the northeast shoreline and notified authorities. The body was sent to the Southwest Institute of Forensic Sciences in Dallas for examination. To reach the area, deputies entering the lake grounds from the east continued westward at the "Y" to the water front and turned back northeast a few yards. Rain had washed away most signs of evidence in the area, investigators said. Davidson was a life-long resident of Wichita Falls, unmarried, and employed by Tandy Leather Co. His funeral was held Monday.

CWF hears program on 'Women in Crisis'

Laura Grimsinger was guest speaker for the meeting of Christian Women's Fellowship in the church Fellowship Hall Oct. 1.

For the program on "Women in Crisis" Ms. Grimsinger gave a slide presentation "Through the Eyes of a Child." She is a representative of First Step, Inc.

The speaker explained about spouse/partner, and child abuse. Afterwards she fielded questions from the 20 women in attendance.

Carrie Turner, CWF president, presided during the business meeting when the group set Oct. 16 as work day in the church flower beds and kitchen.

Service project for November is to stuff Christmas stockings, and dress bears for the Salvation Army.

Several women are planning to attend the CWF Whirlwind Cluster luncheon at Highland Heights Christian Church Nov. 3.

A special offering for the area camp at Lake Brownwood will be re-

ceived during October and November. Worship was led by Lita Watson from the scripture, Matt. 25: 35-40.

The meeting closed with the CWF benediction.

Refreshments were served by Pam Shook and Harriet Wilson.

The group's next meeting will be Nov. 5 at 7:30 p.m. in the home of Shawnee Raines.

WHOOPT-DO

Be sure to visit the Fish Pond, sponsored by the RAC this Saturday at the Whoop-T-Do.

CLASSES

Classes in Clogging, Aerobics, Gymnastics, Painting and Ceramics are in progress. Anyone interested in enrolling in one of these classes can do so by contacting Pat at 592-4471.

LOOK WHO'S NEW

Mr. and Mrs. Joseph Edington of Iowa Park are parents of a daughter, Ashley LeAnn, born Oct. 4 at Wichita General Hospital. She weighed 8 pounds, 10 ounces. The Edingtons have a son, Justin Wayne, 21/2.

Mrs. Edington is the former Sandra Yoder. Grandparents are Cecil and Barbara Yoder of Iowa Park and Charles and Carolyn Edington of Dallas.

Barbara and David Johnston of Mesquite have a new daughter, Hannah Elizabeth, born Sept. 2 in Mesquite. She weighed 6 pounds, 11 ounces and was 19 1/2 inches long.

Grandparents are Mr. and Mrs. Jack Heddings of Iowa Park and Mr. and Mrs. Archie Johnston of Wichita Falls.

BRIDGE CLUB

Norma Harrell had the high score and Patsy Todd came in second high at the Monday Morning Bridge Club. Anyone interested in playing bridge with this group should contact Pat at 592-4471. Play begins at 9:30 each Monday morning.

VOLLEYBALL TOURNAMENT

The RAC will sponsor a 4-man, co-ed volleyball tournament beginning at 10 a.m. on Oct. 20. The fee is \$40 per team, and the first six teams to pay will receive free t-shirts.

HALLOWEEN PARTY

There will be a Halloween Party for pre-school children from 9-10:30 a.m., Oct. 26, at the RAC. There is a charge of \$1 per child.

HAUNTED HOUSE

The RAC will have a Haunted House from 8 p.m. until midnight, Oct. 27. \$1.00 per child will be charged. The Iowa Park Police Dept. will have a Halloween Carnival on the ball field next door to the RAC, beginning at 6 p.m.

Philia Study Club meets

Revisions in by-laws and constitution presented by Mrs. Don Decker were adopted by Philia Study Club members at a business meeting Tuesday night.

Mrs. Steve Gray was hostess in her home for the meeting, with Mrs. Ron Barnes as co-hostess.

Mrs. Dwayne McKee, vice president, directed other business and led the group in the Pledge of Allegiance. Mrs. Helen Burrell directed the singing of "God Bless America."

In keeping with the theme, "Conservation of Our Natural Resources," members answered roll call by naming their favorite kind of tree, or a specific tree which held significance for them.

An interesting fact presented by Mrs. Gray was that her favorite tree, the redbud, was adopted by the Oklahoma State Legislature as the state tree upon the proposal by her grandfather, a state senator.

Mrs. Vern Horsky, a former member now residing in Bella Vista, Ark., was welcomed as a special guest.

Refreshments were served to Mrs. Horsky and 12 members.

Soup labels to help Bradford students

Anita McShan, president of the Bradford Parent-Teacher Association, has informed her members that the organization is participating in the Campbell's Soup Labels for Education Program.

Depending on the number of labels collected, the school can receive various computers, software, audio visual and other items, she announced.

Collections may be sent to the school or deposited in the convenient collection cans at B&R Thriftway and King's Food.

The project will continue throughout the year.

Friendship Class holds installation ceremony

The Friendship Class of First Baptist Church held a salad supper Monday evening to precede an installation ceremony of excellent spiritual quality by Mrs. Jo Gilbert, a guest. She was introduced by Mrs. D.O. James.

The theme of the ceremony was "The Rose" and Mrs. Gilbert likened the duties of the ones she installed to the rose. She presented each one with either single, double or triple pink silk rosebuds, single red rosebuds or full grown red roses.

Mrs. Eleanor Bell was installed teacher of the class and Mrs. C.L. McKinnon was installed assistant teacher.

Officers installed included Mmes. O.S. McLemore, president; Elmer Singleton, vice president; J.T. Parker, secretary; E.T. Patterson, assistant secretary/treasurer; Lloyd Lowe, cor-

responding secretary; Homer Blalock, reporter; M.E. Goforth, bridge builder chairman; Clay Davis, Parker, F.L. McCoy, Goforth, group captains.

Following the installation, Mrs. McLemore conducted a business meeting when annual reports were made. Mrs. Patterson presented a devotional reading on "Friends and Friendships."

The table decorations featured bouquets of flowers and runners in pink and purple, the class colors. During the evening, the group sang "Others," the class song.

Where Jesus is Lord

CAN YOU SPEAK IN TONGUES?

This claim has been made by various Pentecostal groups for over 100 years, but in the past 10 years, many groups are claiming to possess such power by means of the Holy Spirit. No claim of tongue speaking or of any miraculous power should be taken at face value. Hearsay or "I hear" cannot be accepted as factual happening. The Bible is the place to check these claims to verify or deny this mania. Feelings alone will not suffice. An examination is necessary.

In Acts 2:4 "filled with the Holy Spirit and began to speak with other tongues." The apostles needed an effective way of communication since people were assembled from many nations and spoke different languages (Acts 2: 5-11). The apostles spoke in other languages to teach truth and it was to give understanding. It was not ecstatic gibberish (which came from emotions) that no one could understand. The word unknown in the King James translation appears in italics which means this word is not found in the original greek, but the translators added this word. Paul later deals with people speaking in a tongue or language where no one understood and commanded to keep silence, unless there was an interpreter who could give the meaning (1 Cor. 14:27). Every tongue then had to be from God for the purpose of teaching truth and be a language people could understand. As a result the Jews believed, were baptized, and added to the church. (Acts 2:38, 41, 47).

The miraculous tongue gift was also given to certain members of the church at Corinth. 1 Cor. 12:8-10 lists 9 spiritual gifts, which were evidently given to these Corinthian Christians. Not every Christian had all 9 gifts and no single gift like tongues that all possessed. Paul goes into much detail to make sure these Christians used this gift of tongues for teaching with understanding. He said "all things be done unto edifying." (1 Cor. 14:26). Remember that the word unknown in this chapter is added every time by the translators and means not understood (never means jabbering or not any language). In all instances it was for man's benefit that he might intelligently understand what was said.

It was associated with teaching people how to be saved and built up spiritually. These miraculous works were never intended to be permanent in the church. They were given in part until that which is perfect is come. (1 Cor. 13:10). This new and perfect thing would be a more excellent way. (1 Cor. 12:31). All of the gifts mentioned in 1 Cor. 13:8-10 were to pass away or cease. These things were to cease when the perfect thing (the complete will of God) should come.

Next week we will examine "WHAT ABOUT CLAIMS OF TONGUES TODAY?" If you would like a free booklet examining this subject call us or drop us a line at Box 520.

Lice Advice

- There are three basic types of lice which afflict people: the body louse, the head louse, and the pubic or crab louse.
- Lice cause a persistent, maddening itch.
- Lice cannot fly; they are passed from one person to another by close body contact, shared personal items or clothing.
- A lice infestation can be quickly and easily eliminated.
- Seek professional help for diagnosis and treatment.
- Your pharmacist or physician can recommend or prescribe several products, both prescription and over-the-counter, for the control of lice.
- Others who have been, or might be, in close contact with the afflicted person should also take treatment.
- Combs, brushes, upholstery, blankets and bedding may also need to be treated to avoid reinfestation.

For more information about the treatment of lice—
Ask your pharmacist.

SETTING THE PACE - The Drum and Bugle Corps from Sheppard AFB got the Third Annual CROP Walk off to a good start Saturday morning, leading the 135 participants the first quarter of a mile. Rev. Mike Grubbs, coordinator, said \$1,171 had been turned in, with 84 more envelopes still out.

Boulware installed as president

Optimist Club awards and installation banquet was Sept. 29 at La Vista Country Club.
Mickey Boulware was installed 16th president of the club by Alton Carter, Lt. Governor of Zone 3.
Other officers are Norma Young, vice president; Danny Andrews, vice president and Jim Grove, secretary-treasurer. Ed Anderson is retiring president.
Members of the board of directors who will serve one year are Everett Boulware, David Wright and Dale Thompson.
Those who will serve a two year term are Allen Shewmake, Louis Sefcik and Mike Lane. Sefcik was named program chairman.
Shorty Lyons received a Life Membership and joins the Ring of Honor. Grove was named Optimist of the Year.
Grove has served on the board of directors, as president, and for many years has been secretary-treasurer of the club. He also has served as Lt. Governor of Zone 3.
It was pointed out that Lyons has been a very active member, attends all meetings and does a great job selling Shopping Spree tickets and Christmas trees.
Optimists were reminded they will be needed Friday at 5 p.m. to help set up booths for Whoop-T-Do. They also will be needed Saturday from 8:30 a.m. until 4 p.m. Those who can help should call Shewmake at 855-8660 or 592-5082, or Sefcik at 592-5942.
Members also were requested to help chaperone the Home Coming Dance Saturday from 9:30 p.m. until 1 a.m.

Tree seedlings offered

Orders for tree seedlings to be planted for windbreaks and wildlife habitation are being taken at the Soil Conservation Service office, 303-A North Jackson.
The trees, which will enhance wildlife habitats and reduce wind erosion, include conifers and hardwoods.

Hardwoods include pecan, Red oak, Green ash, Cottonwood, Little walnut, Osage orange, Russian olive, Sandcherry, Honeylocust, American plum, Catalpa, Desert willow and Skunkbush sumac.
The packages available for wildlife plantings include packets for deer, turkey, squirrel, and quail and pheasant.
Order deadline is Feb. 14.

Dutton Funeral Home

Genuine care and concern from the Dutton family when you need them

Dutton Funeral Home, 300 E. Cash St. in Iowa Park, traces its roots back to 1908 when J.A. Tanner established Tanner Funeral Home in Iowa Park. Thus Dutton Funeral Home, operated by Larry and Norma Dutton, takes seriously its responsibility for serving the people of Iowa Park and North Texas.

The funeral home has operated continuously for 82 years, providing genuine care and concern when people need them most. After beginning the business, J.A. Tanner was joined by his son, R.A. "Buddy" Tanner in 1933. The Tanner family operated the funeral home with love and compassion for 63 years.

In 1971, Keith Aulds' family purchased the funeral home and operated it as Tanner-Aulds Funeral Home. Due to other business interests, the Aulds family sold the funeral home in August, 1989, to Larry and Norma Dutton. Don and Linda Dutton Stell also are partners in the funeral home.

Dutton Funeral Home provides thoughtful and professional funeral services conducted with dignity.

Carrying on the tradition started by the Tanner family, and continued by the Aulds family, the Dutton family provides the same services offered by larger funeral homes. Prices are comparable.

However, with Dutton Funeral Home, your family receives a personal "home town" touch and the genuine care and concern of every member of its staff.

Funeral Director Larry Dutton began his career in the funeral business with a funeral home in Electra, Texas. His introduction to the business, begun immediately after high school, left an impression with him that has remained through today.

After pursuing other business interests for several years, as well as his military service, Dutton returned to the funeral business. He attended mortuary school in Dallas, Texas, where he graduated with honors.

Dutton Funeral Home employs two full-time and six part-time staff. Co-owner Norma Dutton serves as secretary. Herb Adcock, John Rains, Max Solomon and Gerald Walsh - all longtime Iowa Park resident - assist with funerals.

Mary Thompson, also a longtime resident of Iowa Park, arranges flowers for services and acts as hostess at the funeral home. Andy Sidlauskas has worked at the funeral home for several years. He does the graveside set-ups at the cemetery.

At Dutton Funeral Home, prearranged funeral plans are available.

No interest charge is made on the monthly payout. Credit life insurance is available on pre-need plans and Dutton honors most other business insurance plans. All major credit cards may be used to pay all or a portion of funeral expenses.

Dutton Funeral Home's business hours are 9 a.m. to 5 p.m. Monday through Friday. Visitation hours are from

9 a.m. to 9 p.m. daily. The telephone number is 592-4151.

Why wait to make the arrangement for your family funeral needs. Dutton Funeral Home is ready to help you plan now, so that when the stressful situation occurs, this burden will be lifted from your shoulders. Let Dutton Funeral Home help you. You'll find a staff that understands and cares for you and your family.

Momentum, Childress drop Hawks

Five plays during the first half of Friday's non-conference game here against Childress spelled doom for Iowa Park, and the Bobcats returned home with a 22-6 win.

The first two plays were offensive mistakes by the Hawks. Both were turnovers, a fumble and an interception, inside the Childress 10 yard line. Momentum swung to the side of the visitors the balance of the half.

On the first play from scrimmage in the second quarter, following the interception, the Bobcats' leading rusher the past two seasons, broke a tackle at the line of scrimmage and outran the entire Hawk secondary 63 yards to score. After the extra point kick, the Bobcats held a 7-0 lead.

On their next series, the Hawks set up faced fourth down and were only inches from a first at their own 39 yard line. The intent was to fake a punt by Brian Luney and snap the ball short to Robert Denton,

GREG STEGER GOES HIGH FOR PASS

DON McILROY MAKES DIVING TRY FOR PASS RECEPTION

who was to run for those needed inches. But the snap was low, bobbled, lost and covered by a Bobcat at the 34.

On the first play, Childress completed a lob pass for the TD. The extra point failed, but Childress held a 13-0 lead with 8:52 remaining in the half.

A 32-yard field goal 47 ticks before the halftime break increased the Bobcat lead to 16-0.

Greg Steger intercepted a Bobcat pass late in the third period to set up Iowa Park's lone touchdown. But there was an unusual play en route.

Needing four yards on fourth down for a first, Luney was called to punt (this time for real). The punt was blocked. Luney picked it up and ran five yards for the needed first down.

A four-yard carry by Johnny Duggins and four carries by Mark de la Rosa that picked up 26 yards, plus a 15-yard penalty against the visitors, set up Denton's 10-yard pass to Duggins for the touchdown.

Denton was sacked on the extra point attempt, but the Hawks were back in the game, trailing 16-6.

Childress responded by returning a short kickoff to the Iowa Park 44. Nine plays later, the Bobcats scored on a 20-yard run. The score was held at 22-6 when Luney and Frank Banks cut down a runner on the extra point try.

When neither team drew a penalty until the final minute of the second quarter, a five-yarder against

Childress, it appeared the game was going to be relatively penalty free. But that wasn't to be the case.

Nine penalties were assessed in the second half, all of them 15-yarders. Four were against the Hawks and five against the Bobcats. One of those against Childress was punctuated by the ousting of the Bobcats' quarterback while he was doubling on defense.

Those two first-quarter turnovers by the Hawks were disastrous for Iowa Park and momentum-builders for Childress. Corey Bridwell had covered a mishandled punt by Childress on the Bobcat 37. Nine plays later, de la Rosa gained five yards to the Bobcat three, but lost the ball when he was tackled.

On the second turnover, the Hawks had driven to the Bobcat 32. Denton tried to hit Steger, who was covered by two defenders. One of the Bobcats leaped high, caught the ball and was downed at his own seven.

In all, the Hawks lost five turnovers, two on interceptions and three on fumbles. They got one each back from the Bobcats.

Denton still completed 15 of his 23 attempts. Five were to Don McIlroy for 45 yards; four to Steger for 36; three to Duggins for 21, and one each to Luney (18), de la Rosa (11) and Jason Young (6).

Duggins led all Hawk carriers with 50 yards on 12 carries. Steger's number was called three times and he gained 57 yards, 49 on one of his totes. de la Rosa carried eight times for 41 yards.

Big defensive plays were credited to Gary Green, Banks, Luney and Bridwell.

TOP 'O TEXAS FOOTBALL

IOWA PARK MIDGETS 32 SHEPPARD MIDGETS 0
Four different players scored touchdowns for Iowa Park, as the Midgets continued their undefeated ways by shutting out Sheppard 32-0.

Iowa Park is now 5-0 on the season. Shawn Fuller scored a touchdown and an extra point, while TDs also were racked up by Todd Yeager and Justin Terry, as Iowa Park built a 20-0 lead during the first half.

Fuller scored again as the second half got underway, and then, an interception by Toby Catlin set up Iowa Park's final scoring drive, capped this time by Brandon Brown.

Also contributing to the victory was the strong blocking by Matt Strange and Justin Vickers, the hard running of Dusty Johnson, and the outstanding defensive play by Jeremy Craft, Brad Green and Jeremy Tatam.

SHEPPARD PEE WEES 20 PEE WEE HAWKS 14

Sheppard's Pee Wees ran two reverses for touchdowns Saturday and beat the Hawks in overtime 20-14.

The first reverse was a 30-yarder with 3:50 left in the first quarter.

On the following kickoff, Iowa Park moved the ball down the field and, with 59 seconds remaining in the half, Toby Williams scampered 27 yards for the TD. Russ Dillard ran for the two-point conversion.

But 37 seconds before halftime, Sheppard scored again, from 29 yards out.

Just before the end of the third period, Bryan Miller scored on a 35-yarder, and that was all the scoring in regulation time.

Sheppard's other reverse for a touchdown came in overtime. It was a 25-yard run.

Players recognized by the coaches this week were Brian Lewis, Jake Ermis and Bubba Beebe.

Next game will be at 6 p.m. Saturday at Griffith Field, when the Hawks host Quannah.

Mrs. Hall feted on birthday

A special 93rd birthday celebration Sunday in Dallas honored Mrs. Alma Hall, former Iowa Park resident. All of Mrs. Hall's children and their immediate families were in attendance for the occasion.

Among the many guests attending were Ruth Reaves, sister of Mrs. Hall, and Mr. and Mrs. Buster Reaves of Iowa Park.

Mrs. Hall is the former Alma Belote, daughter of the late Mr. and Mrs. J.L. Belote, early-day residents who owned and operated a dairy just east of Iowa Park for many years.

She graduated Iowa Park High School in 1915 and attended Canyon College where she received her degree in Elementary Education. She taught locally in Weeth Independent School District.

Following Mrs. Hall's marriage to her late husband, Coleman Hall, they resided in Wichita Falls for a number of years where he served as Wichita County School Superintendent.

Mrs. Hall has been a resident of Dallas for several years.

She has two daughters, Betty Henderson and Marjorie Huddleston, both of Dallas, two sons, Douglas Hall of Dallas and E.C. Hall Jr., of Florida, several grandchildren and great-grandchildren.

HAWK SPIRIT was visibly apparent during the Hawks' football game against Childress Friday night. Michelle Cannady and Cami Franks showed their support for the Mean Green.

7th Grade sweeps pair

Iowa Park Junior High football teams were busy during the past week, seeing competition Thursday at Childress and Tuesday at Graham.

The Seventh Grade swept both contests, defeating Childress 26-6 and Graham 14-12.

The Eighth Grade shut out Childress 36-0, but lost both the "A" game, 40-8, and "B" game, 16-0, to Graham.

SEVENTH GRADE

Willie Alvarez set the tone of Thursday's game, racing 65 yards to score on the first play from scrimmage.

Other scoring included: Corkey Petty, four-yard run, followed by a two-point run by Alvarez; Toby King, on a 12-yard reception from Robert Klinkerman, and Robbie Davis, 65-yard run.

Kevin Pace covered a Childress fumble, while Brent Peeler and Klinkerman both had interceptions.

The Seventh Grade ran its season record up to 3-1-1 with its win over Graham.

Corkey Petty scored on a one-yard run. Then Robbie Davis scored on a 52-yard run.

After a penalty nullified a two-point conversion following Petty's touchdown, Klinkerman hit Petty with an 18-yard pass for the winning two pointer.

Peeler, King and Alvarez each had fumble recoveries.

EIGHTH GRADE

Though the Eighth Grade didn't score on its first play from scrimmage like the Seventh Grade at Childress, its opening TD was on a long play.

Jason Young passed to Jeremy McGowan for the touchdown. The play covered 50 yards.

Young then threw a scoring pass to Jeff Taylor, covering 30 yards. That worked so well, Young then hit Taylor on a 40-yard pass that set up Chad Simpson's 10-yard touchdown run. Young ran for the extra points.

Brad Norris scored the last pair of touchdowns, on 10- and 15-yard runs, with Simpson running for conversion points after each.

Jones, House, Scobee, Vickers and Ward were recognized for their blocking.

Young scored the "A" team's only touchdown against Graham, on a six-yard run. Norris ran for the extra points. The loss gave the team a 2-2 season record.

The "B" team's record is now one win against two losses.

All three teams will host Burk Burnett Tuesday, with the first contest kicking off at 4:30 p.m.

Frosh crush Childress

The Hawk Freshmen scored the first four times they got their hands on the ball Thursday, and cruised to a 32-14 victory over Childress.

The game was already well in hand by the end of the first quarter, after Tony Lozipone threw to Brent Brown for a 60-yard score, followed by two Don Ellis runs of 68 and 55 yards, respectively.

Lozipone ran for the two-point conversion after his TD toss, and Scott Byrd racked up two-pointers after Ellis'

touchdowns, to make the score 24-0.

Ellis broke through the line from the six in the second quarter, and Lozipone again scored the two extra points, in the second quarter.

Coach Ray Sefcik credited the strong blocking of Cody Miser, Matt Bowden, Jason Maxwell, Michael Seigler, Josh Johnson, Jimmy Lucas and Jarrod Pruitt, for the success of the backs.

The Frosh will travel to Graham today for a 5:30 p.m. contest.

JV season cancelled

Thursday's 24-13 loss to Childress was the final game of the 1990 season for the Hawk Junior Varsity.

The remaining schedule for the team was cancelled this week.

Head Coach Len Williams explained the team did not have enough depth to continue the balance of the season.

Besides starting out with fewer players than desirable, some had to be pulled up to the varsity, cutting their numbers even smaller.

Then, when the six weeks grades were completed, a few more had become ineligible, Williams said.

The remaining eligible players were added to the varsity roster.

Both Iowa Park's touchdowns at Childress were on long runs. Cody Witherspoon scored on a 30-yard scamper, and Justin Goodknight returned a kickoff 70 yards for the other.

Patrick Kennedy contributed the extra point, via his toe.

The JV season ended with one win against three losses.

Free admission for senior citizens

Senior citizens who are 65 years of age or older are eligible to receive the Senior Gold Card, which will entitle them to attend any athletic event held in Iowa Park schools, free of charge.

The issuance of the Gold Card has been approved by all of the District 5-AAA member schools.

The cards can be obtained between 8 a.m. and 4 p.m. any week day at the administration building, 413 E. Cash.

It can be used as early as this Friday's homecoming game against Graham, which is the Hawks' district opener.

Obituaries

Joe A. Kennedy

Services for Joe A. Kennedy, 70, were Tuesday at 1 p.m. at Dutton Funeral Home.

Rev. Mike Smith, pastor of First Baptist Church of Waurika, Okla., and Rev. Ed Prince, pastor of Iowa Park Church of God officiated.

Burial was in Sugden, Okla., Cemetery under direction of Dutton Funeral Home.

Kennedy died Friday in a Wichita Falls hospital.

Born Feb. 9, 1920 near Comanche, Okla. He graduated Sugden, Okla., High School and attended Oklahoma State University. He and Charlette Thompson were married March 31, 1941 in Hobart, Okla. They had lived in Iowa Park since 1984, moving from England.

He served in the 45th Division of the Army during World War II in North Africa, Sicily, Italy and Anzio Beachhead, Italy.

After his discharge, Kennedy was employed by Haliburton for 39 years, spending 20 years overseas. The last seven years he established and was head of Haliburton Training School in Great Yarmouth, England. He retired in 1984 as regional manager of Europe and Africa.

Kennedy was a Baptist and a member of Iowa Park Evening Lions Club and Orchid Society.

Survivors include his wife; one son, Kendall of Phoenix, Ariz.; one daughter, Karel Jahns of Lynden, Wash.; two sisters, Thelma Nowell and Dorothy Burditt, both of Oklahoma City and four grandchildren.

Memorials may be made to Texas Lions Camp for Handicapped Children, Kerrville, or through Evening Lions Club of Iowa Park.

Agnes Marie Lindley

Funeral services for Agnes Marie Lindley will be held at 2 p.m. Friday at the First United Methodist Church.

Rev. Randy Potter, pastor of the Holliday First Baptist Church, will officiate, and burial will be in Highland Cemetery under direction of Dutton Funeral Home.

A life-long resident of Iowa Park, Mrs. Lindley died Tuesday at her home.

She was married to Jeff Lindley on Dec. 26, 1932 in Wichita Falls. Her husband died Nov. 14, 1987.

Survivors include one son, Clay of Wichita Falls; one daughter, Jody Allen of Houston; one brother, Cotton Taylor of Utah; two sisters, Judy Payne of Victoria, and Alyce Burton of Odessa; and five grandchildren.

Magdalena Mahler

Services for Magdalena Maier Mahler, 90, were Saturday at 1 p.m. at First United Methodist Church.

Rev. Mike Grubbs, minister of First Christian Church, officiated. Burial was in Highland Cemetery under direction of Dutton Funeral Home.

Mrs. Mahler died Wednesday in Iowa Park.

Born Sept. 23, 1900 in Kulm, N.D., to German-Russian immigrant parents, she was married to Herman Mahler Dec. 24, 1926 in Wichita Falls.

She had lived in Archer County and Wichita Falls many years before moving to Iowa Park in 1928. She was a homemaker.

Mrs. Mahler was a member of First United Methodist Church and United Methodist Women's Society.

Survivors include her husband; one son, William "Bill" Mahler of Plano; one sister, Anna Miller, Wichita Falls; four grandchildren and two great-grandchildren.

Memorials may be made to the Methodist Home in Waco.

Lucy Lee Woods

Lucy Lee Woods, 58, native of Iowa Park, died Sept. 28 in a Colorado Springs, Colo., hospital.

Services were held at 9 a.m. Oct. 2 at Swan-Law Cascade Chapel in Colorado Springs, with Rev. Jim Wince officiating.

Burial was in Fort Logan Cemetery under direction of Swan-Law Funeral Directors, Inc.

Mrs. Woods was born March 1, 1932 in Iowa Park to Fenton Z. and Lucy C. (Paine) Dale, a well known family. She was the last member of the immediate family.

Mrs. Woods graduated Iowa Park High School. She was a homemaker.

She was married to Ronald D. Woods in Iowa Park Dec. 18, 1951. The couple moved to Colorado Springs from Iowa Park in 1979.

She is survived by her husband; one son, Thomas Woods of Colorado Springs; one daughter, Julia McCarthy of Atlanta, Ga., and three grandchildren.

Mildred Watson

Services for Mildred (Smith) Watson, former Iowa Park resident, were held Wednesday in Lexington, Ky.

Mrs. Watson died Sunday in a Lexington hospital following a lengthy illness.

Born Nov. 14, 1923, she moved to Iowa Park with her parents, Mr. and Mrs. John Smith, and attended Iowa Park schools.

She was married to Leo Watson June 29, 1942. They moved to Kentucky in 1960.

Survivors include her husband; one son, Mark Watson of Lexington; three daughters, Karen Mitchell of Seymour, Ind., Diane Watson and La Donna Cooper, all of Lexington; three brothers, Floyd Smith, Wichita Falls, Virgil Smith, Knoxville, Tn., Leroy Smith, Nashville, Tn.; one sister, Letha Mae Hail of Henrietta; six grandchildren and one great-grandchild.

Fred Parkey

Last rites for Fred Parkey, 74, will be held at 11 a.m. Friday at Faith Baptist Church, with Dr. Greg Ammons, pastor, and Rev. Alvis Edmonson, pastor Temple Baptist Church of Fort Worth officiating.

Burial will be in Highland Cemetery under direction of Dutton Funeral Home.

The long-time civic and church leader died Wednesday morning in a Wichita Falls hospital.

Born Mar. 18, 1916 in Cotton County, Okla., he and Mildred Stogsdill were married Sept. 29, 1939 in Chickasha, Okla. The family moved to Iowa Park in 1946.

He was manager of the Wichita Valley Irrigation District 1949-76; long-time Iowa Park school trustee; worked with the Red River Authority of Texas; deacon and Sunday school teacher at Faith Baptist Church where he had been a member since 1946, and served as a director of State National Bank.

Mr. Parkey was an alternate on the U.S. Olympic team that competed in Berlin, Germany in 1936, and earned the national collegian wrestling championship in 1937 and 1938.

A veteran of World War II, he served with the U.S. Marine Corps on Okinawa.

He is survived by his wife, Mildred, of the home; four sons, Paul James of Wichita Falls, David Wade and Gordon Fred of Iowa Park and Richard Alan of Temple, Okla.; two daughters, Ann Johnson of Iowa Park and Martha Parkey of Grand Prairie; a brother, Wade of Oakhurst, Calif.; four sisters, Marie Shannon of Duncan, Okla., Sue Klingman of Temple, Okla., Oveda

Burke of Woodbury, Tenn., and Aurelia Knox of Duncan, Okla.; 18 grandchildren and two great-grandchildren.

The family requests memorials be made to the Faith Baptist Church Building Fund.

Werner C. Davidson

Services for Werner C. Davidson, 63, were Wednesday at 2 p.m. at Sacred Heart Catholic Church in Wichita Falls. He was the father of Bryan Davidson of Iowa Park.

Rev. Ivor Koch, pastor, officiated. Christian wake services were Tuesday at 7 p.m. at Owens & Brumley Funeral Home. Burial was in Sacred Heart Cemetery.

Davidson was born Feb. 7, 1927 in Houston and had been a resident of Wichita Falls since 1948. He was owner of Werner Studios and was a Catholic.

Other survivors include his wife, Connie; a daughter, Barbara Alexander of Chattanooga, Okla.; another son, Chris Davidson of Wichita Falls; 13 grandchildren, and one great-grandchild.

Card of Thanks

We want to express our sincere appreciation for the thoughtful and kind deeds done for us during the illness and death of our father, Elmer Anderson.

A very special "thank you" to his many wonderful neighbors, to the staff of Park Home Health Services for their expert and professional care, to Della Cortez, private duty nurse, to Life Tabernacle Church of Wichita Falls for serving the noon meal, and to the wonderful staff of Dutton Funeral Home for all the extra things you did for us. May God bless each of you.

Mrs. Charles Seets

The recipes submitted by Marie (Mrs. Charles) Seets this week are sure to get the attention of mothers and grandmothers alike. The recipes are for cookies made with a cake mix. "They are so simple to make that you can have a batch stirred up before the oven gets hot," she said.

Marie has had these recipes for several years. She said that when her two sons were at home she had to work to keep a cookie jar filled. Then she found these recipes and the problem was alleviated. She still bakes these cookies when her grandchildren come for a visit.

Marie and her husband, Charles, moved to Iowa Park about four years ago from the Dallas/Fort Worth area. After retiring from the HEB School District, where he was Purchasing Director, Charles began working for Indeco Sales and Iowa Park was in his district.

They had been looking for a small town to settle in, and Marie said that Iowa Park had everything they were looking for.

Marie said that she enjoys working with different handcrafts, and she likes people. She is a member of Eastern Star, Iowa Park Garden Club, and Christian Women's Fellowship of First Christian Church.

The couple has two sons, David, who is employed by TU Electric in Keller and has two children, and Steven who is stationed with the Army in Germany and is a mechanic on Apache helicopters. He has one child.

CHOCOLATE CHIP COOKIES
1 pkg. white cake mix
1/2 cup cooking oil
2 tablespoons water
2 eggs
1 cup (6 oz. pkg.) semi-sweet chocolate pieces
1/2 cup chopped nuts

Cook of the Week

Preheat oven to 350 degrees.
Blend cake mix, oil, water and eggs. Stir in chocolate pieces and nuts. Drop from a teaspoon onto an ungreased cookie sheet. Bake at 350 degrees 10-12 minutes. (Top of cookies will look pale.) Cool on cookie sheet about 1 minute, then remove to rack to finish cooling. Makes about 3 1/2 dozen 2 1/2 inch cookies.

LIBRARY NEWS

By JO LYNN COCKRUM

The Library will be closed Saturday, Oct. 13, for Whoop-T-Do. We will be sponsoring the Gold Fish Pond once again this year. Children will have an opportunity to "catch" a live gold fish for 25-cents each. The fish are given away by a number drawing system - no hooks & worms! The booth is scheduled to be set up in the park near the Public Works office. The Library staff would like to thank Bruce and Teresa Rohrbach for making the great sign to mark our booth.

School Scene

Next week students across the state in grades, three, five, seven, nine and 11 will be taking the Texas Assessment of Academic Skills (TAAS).

As a parent, you may have a role in the testing program. Some children become nervous and anxious when told they will be taking a district or state-wide test.

Try to reduce this anxiety and make your child feel comfortable when taking these tests so an accurate picture of your child's performance level is obtained.

You can be a great help to your children if you will observe these "do's and don'ts" about tests and testing.

Do encourage your children. Praise them for the things they do well. If they feel good about themselves, they will do their best. Children who are afraid of failing are more likely to become anxious when taking tests and more likely to make mistakes.

Don't judge a child on the basis of a single test score. Test scores are not perfect measures of what a child can do. There are many other things that might influence a test score.

For example, a child can be affected by the way he or she is feeling, the setting in the classroom, and the attitude of the teacher. Remember, also, that one test is simply one test.

Meet with your child's teacher as often as possible to discuss his/her progress. Ask the teacher to suggest activities for you and your child to do at home to help prepare for tests and improve your child's understanding of school work. Parents and teachers should work together to benefit students.

Make sure your child attends school regularly. Remember, tests do reflect children's overall achievement. The more effort and energy a child puts into learning, the more likely he/she will do well on tests.

Provide a quiet, comfortable place for studying at home.

Make sure that your child is well rested on school days and especially the day of the test.

Children who are tired are less able to pay attention in class or to handle the demands of a test. See that your child has a good breakfast, is properly dressed and gets to school on time.

On testing days, offer encouragement and support to your child. When your child comes home from school, ask how the day went and compliment your child for his/her efforts. A little praise goes a long way, especially where testing is concerned.

Although test results can be over-emphasized, testing has become a part of school life. As a parent, you can help keep testing in its proper perspective.

Working with the schools in a team effort, you can make test-taking a comfortable, non-threatening experience and ensure that your child will perform to the best of his/her ability.

Girl Scout NEWS

REGISTRATION
Attention parents: Several of our new troops have not yet registered due to lack of parent cooperation. If your daughter is meeting on a regular weekly basis, please check with her troop leader to see that you have completed the proper forms and paid the proper dues. Girls who are not registered by Friday, Oct. 12, may not be allowed to participate in the Homecoming Parade. Troops still unregistered by Oct. 20 will have to discontinue meetings until proper registration is turned in. Please help our leaders help your girls by doing your part.

UPCOMING EVENTS
All registered Iowa Park Girl Scout troops (Divisions, Brownies, Juniors, and Cadets) are invited to participate in the Homecoming Parade on Friday. Girls riding in the parade should meet with their leaders at 3:30 in front of the Methodist Church, and be picked up there immediately following the parade. Parent consent forms must be turned in to troop leaders prior to parade time.
