Vol. 22, No. 8 IOWA PARK, WICHITA COUNTY, TEXAS 76367 Thursday, November 8, 1990

Hawks to host Lions Friday

Playing the number one ranked team in the state in their final game of the season has not intimidated Iowa Park's Hawks.

"We're tired of hearing about them," said Head Hawk Len Williams about the Vernon Lions. "Our players are ready to get it on."

Iowa Park will host Vernon in Hawk Stadium Friday, with the kickoff set for 7:30 p.m.

After defeating the Hawks 48-14 last fall, the Lions advanced all the way to the state championship game, where they were edged 22-21 by Mexia.

That was the third consecutive loss to Vernon for Iowa Park, whose Hawks haven't defeated the Lions since 1986, with the unusual score of 5-0.

Since the two clubs began playing each other in 1970, Iowa Park has won nine, lost 10 and tied once. The Hawks have shut out the Lions five times, been shut out four, and that tied score, in 1984, ended 0-0.

Coach Leo Brittain returned 22 letters from 1989, which is part of the reason the Lions have remained the top-rated Class AAA team in the state since before the start of the season.

The key player of the Lion offense is tailback Derrick Richardson, who rushed for more than 2,200 yards and scored 32 touchdowns in 1989.

Ken Collums, the district quarter mile champ last spring, passed for more than 1,200 yards last season, completing 16 for touchdowns.

Coach Brittain, who is in his 15th season at the helm of the Lions, admittedly has the best line ever. Nine of them are 200 pounds or more, including Willard Wilson, who tips the scales at 278.

Because of the strength of the Lion line, several of the teams that have faced Vernon this season have taken to the airways.

In the season-opener, Altus completed nine of 16 pass attempts for a whopping 253 yards, while being held to only 83 rushing. Vernon won that game 35-26.

Wichita Falls High, which lost 48-13, completed five of 16 passes for 54 yards, but was able to pick up 91 rushing.

In the game with Burkburnett, won by the Lions 33-0, the Bulldogs were able to get off the big play through the airways, but none of them long enough to reach the end zone. Completing only four of 31 attempts, Burk still had 215 yards passing and 113 rushing.

Junior quarterback for the Hawks, Robert Denton, likely will be called upon to test the Lion secondary.

While he suffered his poorest completion test of the season last week at Breckenridge, completing only 28 percent of his 32 attempts for 65 yards, he entered that game with a 56 percent completion rate.

After sitting out the season opener against Burkburnett with a bruised

GREG STEGER makes one of his three receptions against Breckenridge last week. The Hawks will close out their season here tomorrow against Vernon.

shoulder, Denton has completed 68 of 134 attempts in eight games for 760 yards.

His leading receiver is another junior, Greg Steger, who has snagged 15 for 184 yards, a 12.3-yard average.

Steger is also the club's second-leading rusher. He has carried the ball 51 times for 332 yards, a 6.5 average.

Another junior, Johnny Duggins, continues to lead the Hawks on the ground, however. Thus far he's been

handed the ball 111 times and gained 474. His 75 yards against Breckenridge last week was his second-best effort of the season.

The Hawks have suffered throughout the season with injuries, having at least two starters on the sideline each of their nine games.

Coach Williams listed starting guard J'Bill Merrick, who missed last week with a shoulder injury, as being questionable for the season finale.

Sexual assault suspect sought

A 19-year-old Iowa Park woman was allegedly sexually assaulted in the area during the early morning hours Friday.

The woman lodged her complaint with Iowa Park police at 4 a.m., according to the police blotter.

But, because the assault reportedly took place at Burnett Park, at the FM 368 crossing of the Wichita River, the case was turned over to the county sheriff's department.

Deputy David Duke, who is investigating the case, said medical evidence indicates there was an assault on the woman with a foreign object, and he is narrowing down a list of suspects in the case.

A convenience store clerk who saw the victim and suspect earlier in the evening described him as a white male, 20-30 years of age, dark brown hair and driving a 1977 or '78 Monte Carlo style vehicle, according to the blotter.

Police arrested a Vernon man for public intoxication late Tuesday evening who was later arrested at Vernon for theft of approximately \$7,500.

Johnny Harris was taken into custody at 11:30 p.m. in the 400 block of East Highway, on a charge of public intoxication. His car was impounded.

While he was being booked in at

the station, it was discovered he was carrying a large amount of cash.

He was allowed to pay his fine, \$69, and also paid to have his car taken out of impoundment, all apparently with the money he was alleged to have taken.

The money reportedly was left on a counter in a Vernon business by a man involved somehow in politics, and later reported it to that city's police.

Johnny Harris, 36, was reportedly taken into custody early Wednesday by Vernon police after he returned there. He reportedly had spent most of Tuesday evening in Wichita Falls.

Iowa Park police were involved Monday afternoon in an apparent kidnapping incident that reportedly took place in the 300 block of Valley Drive.

Area residents told officers they witnessed two men grab another man, place handcuffs on him and drive away at a high rate of speed.

Area law authorities were alerted with the description of the pickup in which the trio were riding.

However, the vehicle was later found, at a bonding firm in Wichita Falls, and it was determined representatives of the firm had taken the man into custody to be transported to that city.

Chief Wayne Parsons says he has

Area's voters turn out in near-record numbers

Despite many predictions by the media that voters wouldn't turn out for Tuesday's general election, voting was heavy in the four Iowa Park area boxes.

In fact, 55 percent of all registered voters in precincts 32, 33, 34 and 60 cast ballots, either at the polls or absentee.

As usual, the largest turnout of voters was in precinct 32, where 1,649 ballots were cast. That was 57.4 percent of the 2,871 who were registered.

Precinct 60 had the highest percentage of responders, 62.6, when 293 of the 466 registered voters cast ballots.

Precinct 34 also was high, with 53.8 percent voting (209 of 395).

Only precinct 33 had fewer than half its 923 registered voters to mark ballots. Four hundred twenty four, or 45.9 percent, were counted there.

An exceptionally high number, 594, of those casting ballots were straight ticket voters. That was 23 percent of those who cast ballots in the four area boxes.

Local voters were about as equally divided between the two gubernatorial candidates as were those across the state.

Democrat Ann Richards received eight more votes, 1,079 to 1,071, than did Republican Clayton Williams.

Williams carried precinct 32, 706-649, and precinct 60, 141-108, but Richards made up the difference in precinct 33, 216-145, and precinct 34, 106-79.

Incumbent U.S. Representative Bill Sarpalius was an easy winner in the area, carrying all four boxes handsily. The same was true of incumbent U.S. Senator Phil Gramm.

On the county level, incumbent District Attorney Barry Macha carried all four of the boxes, and easily defeated challenger Ron Poole.

In the race for 30th District Judge, incumbent Bob Brotherton carried only two of the area boxes, but they were enough to overshadow his challenger Perry Westbrook.

Brotherton carried boxes 32 and 60 to total 1,153 of the area votes. Westbrook's two boxes were 33 and 34, but his total was only 1,088.

Both Macha and Brotherton were declared overall winners.

Also, Marsha Watson handily defeated Glenn Crisswell for the office of county treasurer. She also was the across-county winner.

The constitutional amendment was likewise approved locally and across the state.

The only local candidate whose name was on the ballot was incumbent Justice of the Peace for Precinct 3, Bill Robinson. He was unopposed.

In two major races where area voters were outnumbered on the state level concerned those of commissioner of agriculture and railroad commissioner.

None of the four area boxes were dominated by votes for Republican Rick Perry in his challenge of incumbent Democrat Jim Hightower for commissioner of agriculture.

Hightower won in the four boxes 1,252-919, but Perry was declared the winner over the state.

Republican Beau Boulter carried two of the four boxes in his race for railroad commissioner, but Democrat Bob Krueger carried boxes 33 and 34, as well as the state.

City, school meetings set

Sports facilities are on the city council agenda and computers on the school's, when the two entities meet next week.

The city meeting is to begin at 7 p.m. Monday in council chambers, and the school's at 7:45 p.m. Tuesday in the administration building.

Representatives of the Iowa Park Optimist Club have requested a public appearance before the council, "requesting consideration of land for a gymnasium," according to the tentative agenda released this week.

In addition, under the topic of the "mayor's report," the council will be

asked to consider participating with the Little League association the lighting of the new Senior League field.

Aldermen will consider authorizing the city administrator to enter into contacts on two projects: the electrical, heating and air conditioning work at the Recreational Activities Center, and for the construction of storm drainage and street improvements on East Valley Drive.

Authorization also will be asked for the administrator to advertise for bids to purchase a one-ton truck for the street department.

If approved, two ordinances to be

considered would abandon 22 feet on the east and west sides of Second Street in the 400 block.

A discussion is also noted on the agenda concerning the possibility of purchasing equipment for slurry work on asphalt pavement.

Supt. Glen Mitchell will discuss with trustees a proposal to purchase classroom computers, with the funding coming from increased student enrollment.

The board, once again, also will consider a proposal to exempt merchandise of businesses in the district under the freeport tax act.

Also on the agenda is considering awarding of a contract to replace the roof of the porch and forger at the junior high school gymnasium.

Trustees are to meet 30 minutes prior to the business session to inspect completed construction at Bradford Elementary.

Chamber's all-member meeting slated Monday

The annual all-member luncheon of the Iowa Park Chamber of Commerce will be held at 12-noon Monday at the Lions Club Building.

Primary purpose of the meeting is the election of officers who will be installed at the annual banquet in January.

The nominations committee has proposed the slate of Joe Hughes, president; Gene Jordan, first vice president; Larry Dutton, second vice president, and Susan Dillard, secretary and manager.

The slate of directors, whose terms would expire in 1993, includes Dutton, Sheri Kennedy, Bob Hamilton, Janice Newman, O.N. Newman, Robert Palmer, Kenneth Via and outgoing president Harold Smith.

The lunch, to be catered by 3-M Cafe, will be \$5 per person. All members of the Chamber are encouraged to attend, but are asked to contact the organization's office for reservations.

Entertainment is to be provided by one of the Iowa Park High School choirs.

Permits top \$3-million

Building permits issued by city hall during October amounted to \$71,522, and lofted the year's total above the \$3-million mark.

In the 10 months of 1990, the total of permits is now \$3,015,525.

October's permits more than doubled the \$33,800 reported in September.

Permits issued during October included:

- Johnny Terrell, 306 E. Magnolia, mobile home, \$18,000.
- Ronnie McShan, 408 N. Victoria, addition, \$6,000.
- Darin Whitman, 711 W. Louisa, storage shed, \$300.
- Ronald Rainsberg, 901 Dossia, addition, \$5,400.
- Roger York, 1613 Douglas, alteration, \$750.
- J.A. Caulfield, 1103 W. Cornelia, alteration, \$1,500.
- Mr. Easley, 313 E. Aldine, addition, \$6,000.
- Southside Fire Dept., S. Texowa, alteration, \$3,000.
- Gary Neves, 805 E. Bank, repair, \$300.
- Danny Callozo, 713 W. Rebecca, repair, \$2,000.
- Thomas Carlson, 510 W. Rebecca, alteration, \$5,000.
- M.M. Maker, 1505 Johnson Road, alteration, \$640.
- Lewis Hedrick, 1316 Emma, repair, \$250.
- Fay Brott, 308 E. Aldine, repair, \$5,202.
- Russell Guyette, 1300 Bluejay, storage shed, \$480.
- Church of Christ, E. Park, remove, N/A
- Ronnie McShan, 408 N. Victoria, shop, \$16,200.
- Daryl James, 107 James, repair, \$500.

News Briefs

1.29 rainfall measured from front

A cold front that moved into the area Saturday brought with it 1.28 in precipitation, according to the measurement taken by Virgil Woodfin.

The front struck late in the afternoon, but precipitation did not begin to

fall until that evening. Some parents sitting in the stands at Griffin Field for the Top 'O Texas championship game that night reported soft sleet was mixed with the rain, and both were pushed by heavy winds.

No commodities for November

No U.S.D.A. commodities will be distributed during the month of November, according to Marian Andersen,

local food bank coordinator. She said Nov. 15 had been set for distribution, but none is available.

"Supercities" program of Baptist Women

Mrs. Riley Thompson was the coordinator for a program on "Supercities," taken from the Royal Program magazine, Monday night for the Thelma Smith Baptist Women of First Baptist Church. The hostesses for the meeting, held at the church, were Miss Helen Reed and Mrs. Roy Smith.

Charts were used effectively to show that the prevailing theme of the program was to show that urban dwellers are fast outnumbering rural dwellers and that Christians must concentrate on evangelizing the cities all over the world. It was brought out that a supercity is a new word and new reality and the terms used for the burgeoning growth of the cities are metropolis, megalopolis, supergiant and double supergiant cities.

Mrs. Bill Curry used a chart which showed that Peking, London, New York and Tokyo, Mexico City and Shanghai were among the first cities to be supercities with over four million

population, and that Tokyo and other cities were now supergiant cities with ten million people.

Bangkok, a supercity, was discussed by Mmes. H.E. Cummings, E.T. Patterson and W.F. Booher, who spoke in first person as a doctor, a teacher in a girls school and a Bible teacher in the city. Mrs. O.S. McLemore described Bangkok as the "City of Angels" and the work of the missionaries which was hampered by slowness.

Miss Reed discussed some of the work of Southern Baptist who have been in Bangkok for 40 years, and Mrs. Smith described the effect of the "Open Home Attitude" which was started by Judson and Harriett Lenon.

Mrs. Patterson was in charge of the prayer period for missionaries on the birthday calendar for the day.

In the business meeting, conducted by Mrs. V.I. Woodfin, members voted to help provide Christmas presents for the patients at the Wichita Falls State Hospital, and to choose different young

people in the church to pray for daily. A harvest theme was tastefully carried out in refreshment table decorations.

Sixteen members, including one new member, Mrs. Jim Wright, attended the meeting.

Card of Thanks

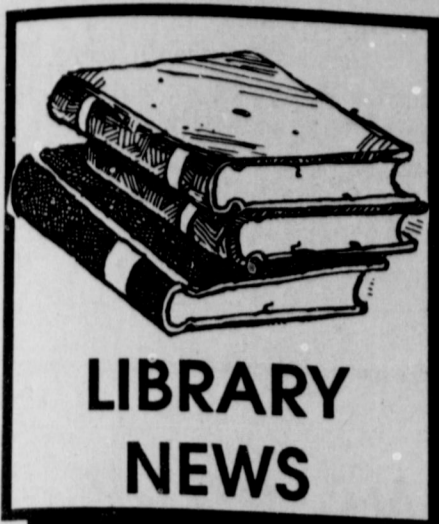

Thanks to all of you who have expressed concern for me with your prayers, cards and calls. I am doing well, but request no visits at this time as the exercises take so much time each day.

As I See It ... By Bob Hamilton

I must admit I'm glad the election is over. I don't remember ever having been bored with so much campaigning, one candidate flinging claims at another...the whole thing.

Thanks for support

The Iowa Park Police Department would like to thank the public for supporting our Halloween Carnival, as well as the following individuals and businesses for their assistance in keeping the Crime Prevention Program funded through October 1991.

Thanks for recipes

To the People of Iowa Park:

We would like to say thank you for the great tasting recipes we have used and enjoyed very much. Keep up the good work. Cordially yours, Mr. and Mrs. Ronnie McDonald Amarillo

natural, since I let my opinions be known in this space.

I get a lot of ribbing, especially in cases like this week's voting, about being a declared Republican. That's right, I have a lot of friends who are admitted Democrats. Those few Democrats who, because of politics don't want to be friends, aren't worth mentioning.

I figure, once an election is over and done with, we, as citizens, must make the best with what we've got. All that back-stabbing should be left to the candidates while campaigning.

Though I'm a Republican, I must admit that I vote for the individual. It's the national party policies with which I align myself.

If you noticed in my listing last week of those who would receive my votes, there was a liberal sprinkling of Democrats among them. And, in most cases, I justified my opinions.

Like all Texans, I'll sit back and wait to see what it's like to, once again, have a woman for a governor. That's not a sexist remark, just an observation that I probably share with millions.

When some of my friends started ribbing me about losing my vote for governor, my usual response has been to ask if we're to call our new governor "Ma Junior."

But, because I intend to live here longer than Ann Richards stays in office, I can only wish her and her administration well. And I certainly hope that administration does a better job than did Mark White's.

I can't begin to tell you how elated I am over one Democrat's defeat, however.

The fact that Rick Perry, who was raised on a farm near Haskell, beat a political hack like Jim Hightower shows there are some thinking people around our state.

No, when it comes to politics, I try my best to show my maturity. If I don't get my way, or my choices, I don't sit around and cry, and I certainly don't strike out at those who don't agree with me.

So far, everyone with whom I've talked has the same opinion.

Red Cross slates screenings

Wichita County Chapter of the American Red Cross will conduct cholesterol, glucose and blood pressure screenings Nov. 10-18 during the fourth annual "Know Your Number" project.

Screenings will be offered in Iowa Park Saturday, Nov. 10 and Monday, Nov. 12 from 9 a.m. to 5 p.m. A \$5 donation for each screening is requested, however, no one will be turned away if they are unable to pay.

Screenings also will be offered in Burkburnett and Electra. The Red Cross will be set up at Sikes Senter Saturday, Nov. 10-16, and at 1809 Fifth Street Nov. 12-16.

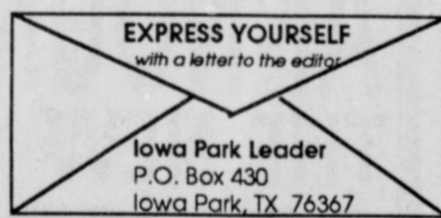

The Red Cross has served more than 30,000 people in community screenings throughout the North Texas, Southern Oklahoma area.

Wichita County Chapter of the Red Cross has the largest cholesterol screening program of any chapter in the United States. Results from these screenings indicate about two-thirds of those persons tested have cholesterol levels borderline or above.

Cholesterol is a waxy substance found naturally in the body and essential to the body's functioning. It becomes dangerous when it gets to high level since heavy deposits in the arteries restrict the flow of blood.

The National Institutes for Health released findings in 1987 which indicate that a desirable number is defined as being less than 200 milligrams of cholesterol. To find out what your number is, drop by at one of the sites Nov. 10-18.

Cholesterol and glucose screenings use a non-fasting specimen. Blood is drawn from the fingers and placed in a reflotron analyzer which returns the results in about three minutes. After the reading is taken, counselors will talk to each participant.

STAGE to perform at RAC

The Student Theatre for Awareness, Growth and Education (STAGE) will be performing Monday evening at the RAC, beginning at 7 p.m.

STAGE is a 16-member cast of high school students who have voluntarily auditioned and have been chosen to present this innovative approach to peer education.

The program for junior high and high school students, deals with teen pregnancy, peer pressure, adolescent

depression, substance abuse, teen suicide, sexual abuse, divorce and AIDS.

Admission is free, and the performances, which consist of a three-part format of skits and audience discussion, will last approximately one hour and fifteen minutes.

Helpful Facts

Persons other than the property owner doing work on a residence must be a licensed building contractor, plumber, electrician, or heating and air conditioning contractor with the City of Iowa Park, and carry a performance bond.

Optimists hear superintendent

Superintendent Glen Mitchell was speaker for the recent Optimist Club meeting. He gave members some figures on how the Iowa Park schools are growing.

Mitchell said current enrollment is at an all time high with 1,943 students. Of these, there are 1,000 students in K-5th grade.

He commented that Iowa Park schools have the best teachers and staff and the best facilities in this part of Texas.

It was announced that 23 pints of blood were collected when the Red Cross Bloodmobile was here Oct. 29. Ed Anderson, Micky Boulware, Howard Smith and Walter Beeman assisted.

Mrs. Charlie Galliton

Barbara (Mrs. Charlie) Galliton is one of those lucky people whose work involves doing one of the things she enjoys most.

Barbara, whose favorite hobbies are cooking and arts and crafts, is manager of the Good & Plenty Restaurant, and is also a partner with Edwina Sumrall in a catering service.

Barbara said that she couldn't remember a time when she didn't cook. She grew up, with five brothers and five sisters, near Checotah, Okla. She said that when she wasn't working in the field, she was at home cooking.

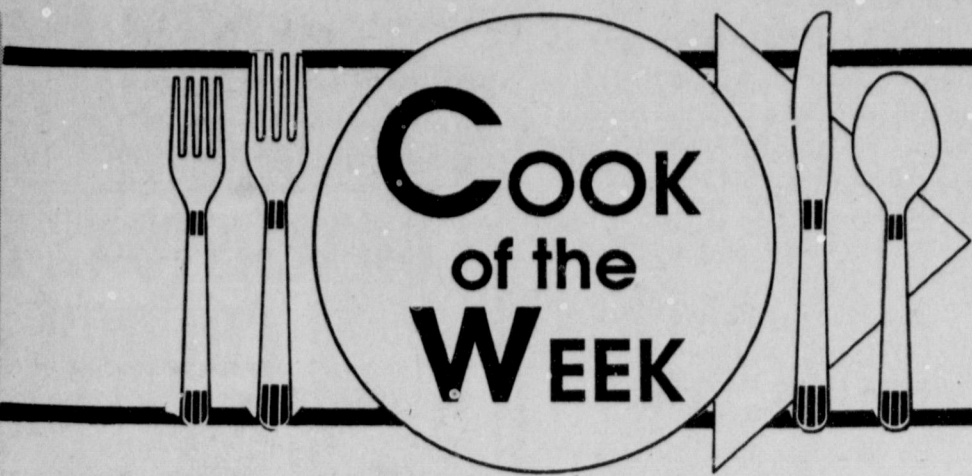

"I like to take a basic recipe and add to it, until I get the result I want," Barbara said. The recipes that she submitted this week are evidence of the success of that experimenting.

A special event for Barbara is the reunion each year, when she, her brothers, sisters, and their families get together at her mother's home in Oklahoma.

Barbara and her husband, Charlie, who works for Bearden Drilling Co., have lived in Iowa Park since 1962. They have four children, Gary, Terry, Jerry and Christy, who grew up and went to school here, and nine grandchildren.

Barbara is a member of Grace Baptist Church, and, when there is time, she and Charlie like to go camping and fishing.

SWISS STEAK
1 1/2 lb. round steak that has been tenderized and cut into six pieces. Salt

and pepper to taste, and sprinkle flour on both sides. Sear in 2 tablespoons shortening until flour is brown on both sides of meat.

Put in casserole dish and mix together:
1 can tomatoes
1/2 cup sliced onion
1/2 cup diced bell pepper
1/2 cup chopped celery
1/4 tsp. hot sauce
1/4 cup catsup

Let cook on top of stove 3 minutes. Pour over meat and cover. Let cook in 350 degree oven about 45 minutes.

FRESH APPLE CAKE

Mix well:
1 cup cooking oil
2 eggs, beaten
1 1/2 cup sugar
1/4 cup lemon juice

Sift together:
2 1/2 cups flour
1 tsp. salt
1 tsp. baking soda
2 tsp. baking powder

Add to above ingredients:
3 cups chopped apples
1 cup nuts
1 tsp. vanilla

Mix well and pour into bundt pan. Bake one hour at 350 degrees.

ICING FOR FRESH APPLE CAKE

1 cup brown sugar
1/4 cup canned milk
1 stick margarine

Cook on low five minutes. Pour over cake.

BEET & ONION SALAD

1 cup vinegar
1 cup juice from beets
1/2 tsp. salt
1/2 cup water
2 Tbsps. sugar
2 Tbsps. pickling spices

Boil 4 minutes; strain and chill. Pour over 2 cups sliced beets and 2 small onions that have been sliced and broken into thin rings. Let set in refrigerator 4 hours and serve.

STOVE TOP BAKED BEANS

Dice and brown 4 slices bacon. Remove bacon from grease and brown: 1 chopped onion
1/4 cup chopped bell pepper
1/2 cup chopped celery

Add 3/4 cup brown sugar and stir 3 minutes on low heat. Add 3/4 cup catsup and simmer about 5 minutes. Add 1 large can pork and beans and the bacon, and simmer 15 minutes.

UMW has joint meeting Tuesday

United Methodist Women met at the church on Tuesday morning for a joint business meeting.

Carlene Bennet gave the devotion, "Thanksgiving Gladness," by Amy Bolding, from her book on devotions for women's groups.

In the business meeting, conducted by Betty Dyer, members reported on Studies of the Philippines they had attended both locally and at Floral Heights United Methodist Church in Wichita Falls.

District officers, Jo Gilbert and Betty Dyer attended a Conference Training session in Gainesville last Saturday. They will be involved with

the Wichita Falls District training of local unit officers in Bowie United Methodist Church next Saturday.

The nominating committee presented a slate of officers for the coming year, and they were elected by acclamation. The new officers will be installed at the luncheon meeting on Dec. 11.

In other business, needs for the food pantry and State Hospital were discussed. Gifts of white cotton socks, body powder or lotion, and soft candies for the geriatrics ward at the State Hospital can be brought to the December luncheon.

Memorials were given to mission in the name of Maggie Mahler and Robbie Smith. It was also voted to give a special recognition pin and two extra mile awards and a gift to mission, honoring four church members.

Circle meetings on Nov. 13 will be held in the homes of Gerry Thurlo and Carlene Bennett, with Hilda Thompson and Mary Mixon serving as program leaders.

Paul A. Griffin

Graveside services for Paul A. Griffin, 81, were at 2 p.m. Thursday in Highland Cemetery.

Rev. Gregory Hardin officiated and burial was under direction of Schooler-Gordon Funeral Home of Childress.

Griffin died Oct. 29 in a Childress nursing home.

He was married to Elizabeth Estes of Iowa Park Jan. 27, 1934. He was an Army veteran of World War II.

Griffin served as Childress County deputy sheriff from 1946 to 1952 and was a deputy sheriff in Cooke County from 1955 until 1964.

He was a member of First Presbyterian Church of Gainesville.

Survivors include his wife; a son, Gene Griffin of Easley, S.C.; one daughter, Paula Ann Rasberry of Wichita, Kan.; three sisters, Alma Williams of Childress, Mary Bennett of Wichita Falls and Kathrine Nowell of Laurel Hill, N.C.; six grandchildren and four great-grandchildren.

John Elmer Ray

Graveside services for John Elmer Ray, 69, were Friday afternoon in Highland Cemetery.

Rev. Roland Earl, pastor of Eagle Mountain Baptist Church in Fort Worth officiated. Services were un-

der direction of Dutton Funeral Home. Ray, a former resident of the Iowa Park area, died Oct. 31 in Fort Worth.

Born Oct. 24, 1921, in Love County, Okla., he had lived in Springtown for three years.

He was a Baptist and was retired. Ray was a veteran of the Coast Guard.

Survivors include two daughters; one brother, Tom (Buddy) Ray of Fort Worth; one sister, Doris Sheeds of Dallas, three grandchildren and several relatives in Iowa Park.

David K. Booher

Services for David K. Booher, 57, of Cedar Hill were at 10 a.m. Wednesday in Carrollton at Rhoton Funeral Home. He was a brother of Rick Crowley of Iowa Park.

Rev. Mark Dallalio officiated. Burial was in Devol, Okla. Cemetery.

Booher was born March 19, 1933 in Randlett, Okla.

Other survivors include three sons, David, Paul and Craig, all of Carrollton; one daughter, Shelley Brown of Carrollton; a sister, Martha Chapman of Dallas and another brother, Max Crowley of Phoenix, Ariz.

Roger R. Richardson

Services for Roger R. "Rich" Richardson, 61, were Monday at 1 p.m. at Hampton-Vaughn Funeral Home.

Rev. Darius McKay, pastor of Trinity Baptist Church in Wichita Falls, officiated. Burial was with full military honors in Crestview Memorial Park.

Richardson died in a Wichita Falls Hospital Thursday.

He was born Nov. 18, 1928 in St. Louis and had lived in Wichita Falls 17 years.

He was retired from the U.S. Air Force after 28 years service. He was self-employed and was a Baptist. Richardson was a member of Wichita Falls Masonic Lodge No. 635.

Survivors include his wife, Ruth; two sons, Steve of Phoenix, Ariz., and Scott of Iowa Park; one daughter, Pam Zabbo, Wichita Falls; two brothers, Jerome of Albuquerque, N.M. and Robert of Martinez, Ga.; one sister, Beverly Darrenkamp, Holly, Mich., and seven grandchildren.

Marvin Stuckey

Last rites for Marvin Stuckey, 65, native of Iowa Park, were at 1:30 p.m. Tuesday at Lunn's Colonial Funeral Home. Chaplain E.V. Johnson officiated and burial was in Crestview Memorial Park.

Stuckey died Sunday at his home in Wichita Falls.

Born in Iowa Park July 12, 1925, Stuckey bought and sold oil field equipment before his retirement in 1984.

He served in the U.S. Navy in World War II in a unit that was awarded the Presidential Unit Citation and Navy Unit Commendation.

Stuckey was a member of City View Baptist Church and a long time resident of Wichita Falls.

He is survived by his mother, Etta Stuckey of Wichita Falls; one son Marvin Ray, Wichita Falls; two daughters, Linda Diane Simons of Ft. Leavenworth, Kan., and Sandra Kay Bowler of Wichita Falls; one sister Joyce Johnson, Wichita Falls; nine grandchildren and one great-grandchild.

"KNOW YOUR NUMBER"
For the fourth year, the Wichita County Chapter of the American Red Cross will be hosting the Cholesterol and Glucose screening. This will be done at our new annex, 300 East Park.
There will be a large banner advertising immediately in front of the building. The cost for the cholesterol test will be \$5, and the cost for glucose screening will also be \$5. The total will be \$10 if both tests are conducted. This year there will also be a free blood pressure check.
Over 25,000 people in Wichita County have had their cholesterol and glucose checked. There have been many people who have realized they either have a dangerously high cholesterol level or blood sugar level. High cholesterol is a contributing factor of coronary heart disease. If either your blood sugar is high or your cholesterol level is elevated, the Red Cross recommends you see your doctor for a checkup.
We hope you will come by and take advantage of this opportunity to insure your continued good health for yourself and your loved ones. Our desire for you is that "you may prosper and be in health, even as your soul prospers." (3 John 2).
The dates and times for this event are Saturday, November 10 from 9 a.m. to 5 p.m.; and Monday, November 12 from 9 a.m. to 5 p.m.

REGIONAL APPEARANCE - Trumpet player Tim Bradberry plays his solo as the Mean Green Marching Machine competed Saturday in the UIL regional marching contest in Wichita Falls. Iowa Park earned the second alternate position with its performance.

Dorner, Schlaud are recognized

Richard Davis, Iowa Park High School principal, announced this week that two students, Paul Schlaud and Kerri Dorner, have been named Commended Students in the National Merit Scholarship Program.

A letter of commendation from the school and National Merit Corporation, which conducts the program, will be presented to the two students.

About 35,000 commended students nationwide are being honored for their outstanding performances on the 1989 PSAT/NMSQT, which places them in the top five percent of more than one-million students who entered the 1991 Merit Program by taking the qualifying test.

Commended students scored slightly below the level required to continue in the 1991 competition, but they have shown exceptional academic promise.

An official of the Merit Program stated, "Being named a commended student in this extremely competitive program is a credit to these young people and their schools. Commended students were offered an opportunity to be referred by the Merit Program to two colleges or universities of their choice. "We hope the referral service and

the recognition commended students have earned will enhance their higher education opportunities and increase their motivation to use their abilities to the fullest. These young men and women represent an important intellectual resource which our nation needs," the official said.

Dorner, the daughter of Mr. and Mrs. Edward Dorner, is a two-year member of National Honor Society and a member of the Hawk Band. She is a standout in athletics, being named Outstanding Lady Hawk in basketball for both sophomore and junior years, and Outstanding Girl in track three years.

She has been a state qualifier in solo and ensemble as well as an All District band member. She has been named Who's Who in English I and Who's Who in SPACE II.

In her sophomore year, Dorner was one of the students honored as outstanding by the Iowa Park Optimist Club. She is also an active member of her church and is in the Teens for Christ.

The son of Mr. and Mrs. Kenneth Schlaud, Paul is active in the speech area, having won honors in debate, mock trial and one-act play.

Schlaud has also represented the school as a student council representa-

tive and speech club president.

He has been chosen Who's Who in speech, debate, U.S. History and computer science.

Schlaud was also a first place winner of the Rotary Four Way Speech Contest last year, where he won a scholarship.

ESA has program on Rehab Center

Shari Childers, from North Texas Rehab Center in Wichita Falls, gave a program on North Texas Easter Seal Rehabilitation Center for members of Epsilon Eta. She was introduced by Georgie Crago.

Childers gave several facts about the center including: 1. All money contributed to the Rehab Center remains here; 2. Treatment is given to anyone who can benefit from the services, regardless of ability to pay; 3. They care about the patients and offer a variety of programs such as to walk-physical restoration, to work-back to work, to talk-speech/language, to learn-learning disability treatment, infant/child development program, and job training/placement program. \$35 pays for one treatment. She said that the Center, which has been here for 43 years, is in the process of building a new building, located off Midwestern Parkway and Armory Road.

Dee Dee Forney was in charge of the meeting, held in the home of Connie Morris. Skeeter Clark served as co-hostess.

The opening thought was given by Cyndy Dickerson, chaplain, and guests LaJuana Vanek of Amarillo, and Trudy Jeanis of Wichita Falls were introduced.

The Thanksgiving meeting will be a dinner for members and their husbands, Nov. 4, in Wichita Falls.

BRECKENRIDGE BACK GRIMACES AS GREG STEGER AND ROBERT CARGAL STRIKE

Buckaroos overcome Hawks' halftime lead

The Breckenridge Buckaroos overcame a 2-0 halftime deficit with a pair of field goals and a long touchdown run in the third period to earn a 20-10 decision over the Hawks Friday night.

Actually, the host Bucks were credited with only six offensive plays that gained 11 or more yards, and scored on two of those.

Iowa Park's young Mean Green almost totally dominated the first half, especially the second quarter. In that 12-minute period, the Bucks were held to a minus 13 net yards on offense.

Meanwhile, Charles Jolly sacked the Breckenridge quarterback for a two-point safety. And time ran out on the scoreboard clock with the Hawks only inches away from the goal line.

Both teams exchanged touchdowns in the final period. Breckenridge again scored on a long run. But that was offset by a seven-yard TD pass reception by Greg Steger that was followed by another Robert Denton aerial to Steger for two more points.

On the fourth play of the game, Todd Pulley covered the first of four Breck fumbles, on the Bucks' 49. The Hawks appeared to have their first penetration to the Bucks' 10 on a 17-yard pass to Steger, but a 10-yard holding penalty killed that drive.

Eventhough the Hawks completely dominated the second quarter, during which Johnny Duggins compiled 42 of his evening's 75-yard total and Denton completed four passes to four receivers for 33 more yards, Iowa Park was able to put only two points on the scoreboard.

When Breckenridge kicked off following the safety, Steger returned the ball from his own 30 to the Bucks' 26. Duggins carried three times and Steger

once to reach the eight where, on fourth down and needing four yards for a first, Denton ran to the two yard line.

Steger gained one and Denton put the nose of the ball on the line on a quarterback sneak. With 13 ticks still on the clock, a snap from center Lewis Skinner to Denton didn't connect. Iowa Park maintained the ball, but time ran out and the Hawks were denied their touchdown.

Iowa Park took the second half opening kickoff, but was forced to punt four plays later from the Hawk 27. But a major penalty on the play set the ball back on Iowa Park's 14, and Joel McIlroy's kick was taken on the Hawk 37.

A 22-yard pass advanced the ball to the Iowa Park 15. But Breckenridge was held to a minus two yards on three plays, and kicked a 33-yard field goal.

On their next possession, the Hawks picked up a first down, but finally had to punt. From the Hawks' 47, Breckenridge got off two of their longest runs, 16 and 11 yards, but stalled on the eight yard line. That set up Breck's second field goal, a 28-yarder, and gave the hosts a 6-2 lead with 3:04 remaining in the third quarter.

Pulley returned the following kickoff to the Hawks' 49. But a gamble to gain two yards for a first down four plays later backfired when Chris Williams was held without a gain.

Breckenridge picked up 15 and two yards, and then broke on the longest play of the game, 39 yards, to lead 13-2 with 1:05 still to play in the period.

After the teams exchanged possession with two punts each, Denton suffered his first interception of the evening, and the ball was returned from the 50 to the Iowa Park 30. Breckenridge broke for its second touchdown on the next play and kicked the extra point with 2:35 remaining in the contest.

Unable to advance the ball after three incomplete passes, McIlroy again punted. This time he sailed the ball 55 yards downfield to the Buck 25. A fumbled pitch on the first play was covered by tackle Robert Cargal on the hosts' 22. Denton hit Pulley for eight and then completed a pass to Williams for a first down on the seven. Steger made his two scoring receptions after that. Only 23 seconds remained on the scoreboard.

Everyone in the stadium knew the Hawks were going to try an on-sides kick next. They did just that, and Mike Brewer covered it on the 50. A five-yard run by Denton and Breckenridge drew a major penalty to the Breck 30. With two seconds on the clock, Denton attempted a "hail Mary" pass into the end zone, but it was intercepted and the game was over.

Other major defensive plays by the Hawks included a fumbled punt covered by Don McIlroy and an interception by Brewer, as well as major big tackles by Gary Green and Brian Luney.

Duggins finished the game with 75 yards on 14 carries. Steger carried 12 times for 51 yards and had three receptions for 24 yards.

"Iowa Park's defense was much tougher than what we expected. Their left tackle (Robert Cargal) and middle linebacker (Gary Green) gave us a lot of problems." - Leonard Carey, Bowie coach.

The chartered bus contracted by the Booster Club Friday night to Breckenridge may have served as an omen for the evening. It was to have arrived at the high school at 4:15 and departed at 5:00. It didn't show up until after those who had reservations had loaded into their private vehicles and headed out, after 5:25.

The winner of Friday's game between Breckenridge and Graham will advance to the playoffs as the Dist. 4-AAA runner up. In case of a tie, Graham would advance.

Local pack members to "Scout for Food"

Boys from Cub Scout Pack 7 and Boy Scout Troop 37 will be distributing bags for the "Scouting for Food" Drive this Saturday.

Boys and adults will meet at 9 a.m. Saturday at the Tom Burnett Memorial Library, and deliver the bags to as many houses as there are bags to go around.

On Saturday, Nov. 17, the boys will meet, again at the Library, to pick up the bags.

Citizens are asked to place canned goods only in the bags and place on their front porch. They will be picked up and delivered to the Iowa Park Food Bank.

Boxes will also be placed at grocery stores for contributions.

A tribute to Jim Ira

I would like to pay tribute to the first black man to come to Iowa Park, so far as I know. Jim Ira and his wife, Hattie, first lived with Attorney John Murphree in their servant quarters. They later lived in Dr. Gordon Clark's servant quarters.

I believe Jim Ira was a hard worker and would do anything for his white friends. He only wanted to please them.

However, his chief diversion was to go fishing. He especially liked our young sons and taught many other boys how to fish and, of course, they adored him. They shared many of their secrets with him.

A little later there were many black people in our area who worked on area farms, like the Munger Farm. There was a Negro school in the Valley View area.

None of these belonged to Iowa Park like Jim Ira did. This picture was furnished by Alice Lewis of Wichita Falls. Jim Ira was Alice's uncle. Alice and her family lived 10 years in a little house built by the Tom Paces. She now resides in Wichita Falls with her husband, Bill, and two sons.

Midgets are champs

Playing under extreme weather conditions, Iowa Park's Midget Hawks completed the 1990 season with an unblemished record, as well as the league's championship.

Iowa Park defeated Burkburnett 22-8 to earn the title.

The locals so dominated play that they had racked up their 22 points before the end of the third quarter. Burk's score came in the fourth period.

Shawn Fulfer set the tone of the evening in the first quarter, scoring both a touchdown and the two-point conversion.

Todd Yeager racked up Iowa Park's second touchdown in the second quarter and, like Fulfer, also was called upon

to run for the successful two-point conversion.

The teams took a well-earned and warming halftime break, with Iowa Park leading 16-0.

Yeager leaped over the Burk defensive line in the third quarter to score Iowa Park's final TD of the evening.

Defensively, Justin Terry intercepted a Burkburnett pass to stall a third-quarter drive, and Justin Vickers covered a Burk fumble in the second period.

Credited with impressive tackles were Terry, Matt Strange, Brown, Fulfer, Yeager, Steve Trahan, Dusty Johnson and Shawn Campbell.

Frosh seek district crown

The Freshman Hawks put their seven-game winning streak on the line this evening, when they close out the season at Vernon.

Kickoff is set for 5:30. Iowa Park humbled Breckenridge 35-2 in Hawk Stadium last week, pulling most of their starters after their final touchdown in the third quarter.

Five different Hawks racked up Iowa Park's touchdowns.

Scott Byrd lit up the scoreboard first on a one-yard run, followed by Byrd's kick for the extra point.

Before the period ended, however, Breckenridge racked up two points on a safety.

But that was as close as the visitors would get, as Tony Lozipone hit Brent Brown early in the second period on a 44-yard TD aerial. Byrd kicked the PAT.

Don Ellis was next to get his name on the TD list, scampering 17 yards. Byrd's kick made the score 21-2.

Then, late in the second period, Lozipone threw his second scoring pass of the evening, a 20-yarder to Jerrod Pruitt. Byrd's kick made it 28-2 as the half ended.

Shortly after the teams returned to

the field after their mid-game rest period, Lozipone threaded the Buckaroo secondary to hit Stan Tigrett for 38 yards. He was knocked out of bounds at the three.

Mark Tatum scored on the next play, and Byrd again kicked the PAT.

Lozipone frustrated the visitors' secondary throughout the night, completing seven of eight passes for 221 yards. Other receivers besides Pruitt, Brown and Tigrett were Ken Cooper

and Cody Miser.

Coach Ray Sefcik credited the play of his defense as being "another outstanding game."

After losing 20-6 to Burkburnett's Frosh in the season opener and 20-8 the following week to Quanah's JV, the Hawk Frosh have marched over seven consecutive opponents.

A victory this evening would make Iowa Park the Dist. 4-AAA freshman champions.

UNDEFEATED CHAMPIONS - The Lil' Hawks finished the regular soccer season with a perfect, 10-0 record. Members are: kneeling, Guthrie Jenson, Nicholas Kennedy and Daniel Nuckolls; Coach Mike Lane, Brandon Lane, Joshua Lytle, Chase Wright, Rowdy Hebel, Adam Feltman and Coach David Wright. Bryan Swenson was not available for photo.

Cheerleaders' Point of View

The Hawks will be playing Vernon here Friday night. We encourage everyone to come and cheer the Hawks on for a victory.

There will be a special halftime presentation given by the band, and the senior band members will be introduced.

The theme for this week is "Be hip with the Hawks." The students are asked to dress up like Hippies. Good Luck, Hawks!

Vernon sweeps pair Tuesday

Both Iowa Park Junior High teams suffered losses to Vernon in their final games of the season Tuesday night.

For the Seventh Grade, it was only the second loss of the season, 34-22. That dropped the team's record to 5-2-1.

Vernon won the Eighth Grade contest 42-7.

The Hawks' lone TD was set up by a 40-yard pass from Mickey May to Jeremy McGowan.

Chad Simpson scored from the two, and Clint Scobee kicked the extra point.

The loss dropped the Eighth Grade's record to 2-5.

Stew, cornbread dinner is Friday

Homemade beef stew, cornbread, desserts and tea will be served from 5:30 to 7:30 Friday evening at the Vocational Agriculture Building.

The all-you-can-eat meal, served by the IFA Booster Club, will cost \$3 for adults and \$1.50 for children under 12 years of age.

BASKETBALL

Lady Hawks to open season

Iowa Park's Lady Hawks basketball team will waste no time in getting the season underway.

Having scrimmaged Hirschi here Tuesday night, scheduling another scrimmage here Saturday with Jacksboro, the team opens its season schedule Tuesday.

No scoring was kept for the freshman, junior varsity and varsity scrimmages Tuesday. The same is expected when Jacksboro comes here, according to Coach Jimmie Cain.

Jacksboro will not have a freshman team. So the JV will begin its scrimmage at 1 p.m., followed at 2 by the varsity clubs.

Electra will be the first regular-season opponent. The JV game is slated to get underway at 6 p.m., with the varsity playing at 7:30.

The Lady Hawk Frosh are to take on Rider's freshmen at 4:30 Tuesday.

Friday of next week, the teams will travel to Burkburnett, and Nov. 20 they will play Wichita Falls High.

Coach Earlie Reusch's Hawks will not see their first action until Nov. 20, when they will host the Coyotes of Wichita Falls High.

Both varsities are entered in the Nov. 23-24 Fantasy of Lights Tourney in Wichita Falls.

SCHOOL SCENE

Information prepared by
Iowa Park School Counselors

In a continuing effort to increase everyone's knowledge and awareness of the problems of drug abuse, Drug Free North Texas is coordinating the third annual area wide Drug Awareness Week.

Area school children are wearing "Be Drug Free" buttons and participating in special activities this week.

In America today, the most serious threat to the health and well-being of our children is drug use. No one is going to solve the drug problem alone. But when parents, schools, and communities pull together, drugs CAN be stopped.

The following recommendations describe actions that can be taken by parents to stop drug use:

Teach standards of right and wrong and demonstrate these standards through personal example.

Children who are brought up to value individual responsibility and self-discipline and to have a clear sense of right and wrong are less likely to try drugs than those who are not. Parents can help to instill these ideals by:

Setting a good example for children and not using drugs themselves;

Explaining to their children at an early age that drug use is wrong, harmful, and unlawful, and reinforcing this teaching throughout adolescence;

Encouraging self-discipline through giving children everyday duties and holding them accountable for their actions;

Establishing standards of behavior concerning drugs, drinking, dating

Sale to benefit Mark Vickers

A major fund-raising event to benefit the Mark Vickers family will be held Sunday at DJ's Horse Motel, south of Iowa Park Road on Peterson Road.

An all-day garage sale will be held; an auction at 2:30 p.m.; silent auction for local services, with final bids due at 2 p.m., and concession stands will be open from 10 a.m. until 2 p.m.

Available will be household items, tack, feed and livestock.

Rowdy Moore of Henrietta will serve as the auctioneer, and members of the 4-H Horse Club will handle the concession stand chores.

Entertainment will be provided from 11 a.m. until 2 p.m. by Gene Smith and the Midnight Riders band.

Vickers, a professional horse trainer, sustained a broken back recently and is currently confined in a Dallas hospital. He has no insurance.

Helpful Facts

Regular meetings of the Iowa Park city council is at 7 p.m. on second and fourth Mondays, in council chambers at 103 N. Wall. All meetings are open to the public.

Helpful Facts

Any person or persons soliciting door to door in any Iowa Park residential area is required to pay a fee of \$30 per day, and register at the Public Works office at the city hall.

curfews, and unsupervised activities, and enforcing them consistently and fairly;

Encouraging their children to stand by their convictions when pressured to use drugs.

Help children to resist peer pressure to use drugs by supervising their activities, knowing who their friends are, and talking with them about their interests and problems.

When parents take an active interest in their children's behavior, they provide the guidance and support children need to resist drugs. Parents can do this by:

Knowing their children's whereabouts, activities, and friends;

Working to maintain and improve family communications and listening to their children;

Being able to discuss drugs knowledgeably. It is far better for children to obtain their information from their parents than from their peers or on the street;

Communicating regularly with the parents of their children's friends and sharing their knowledge about drugs with other parents;

Being selective about their children's viewing of television and movies that portray drug use as glamorous or exciting.

In addition, parents can work with the school in its efforts to fight drugs by:

Encouraging the development of a school policy with a clear no-drug message;

Supporting administrators who are tough on drugs;

Assisting the school in monitoring students' attendance and planning and chaperoning school-sponsored activities;

Communicating regularly with the school regarding their children's behavior.

Be knowledgeable about drugs and signs of drug use. When symptoms are observed, respond promptly.

Parents are in the best position to recognize early signs of drug use in

their children. In order to prepare themselves, they should:

Learn about the extent of the drug problem in their community and in their children's schools;

Be able to recognize signs of drug use;

Meet with parents of their children's friends or classmates about the drug problem at their school. Establish a means of sharing information to determine which children are using drugs and who is supplying them.

Parents who suspect their children are using drugs often must deal with their own emotions of anger, resentment, and guilt. Frequently they deny the evidence and postpone confronting their children. Yet the earlier a drug problem is found and faced, the less difficult it is to overcome. If parents suspect their children are using drugs, they should:

Devise a plan of action. Consult with school officials and other parents;

Discuss their suspicions with their children in a calm, objective manner; Do not confront a child while he is under the influence of drugs;

Impose disciplinary measures that help remove the child from those circumstances where drug use might occur;

Seek advice and assistance from drug treatment professionals and from a parent group.

ATTENTION LEADERS:

Due to a lack of storage space at the RAC, Pat has requested that each troop remove their supplies. If you have not yet done so, please take care of this as soon as possible.

THANKS

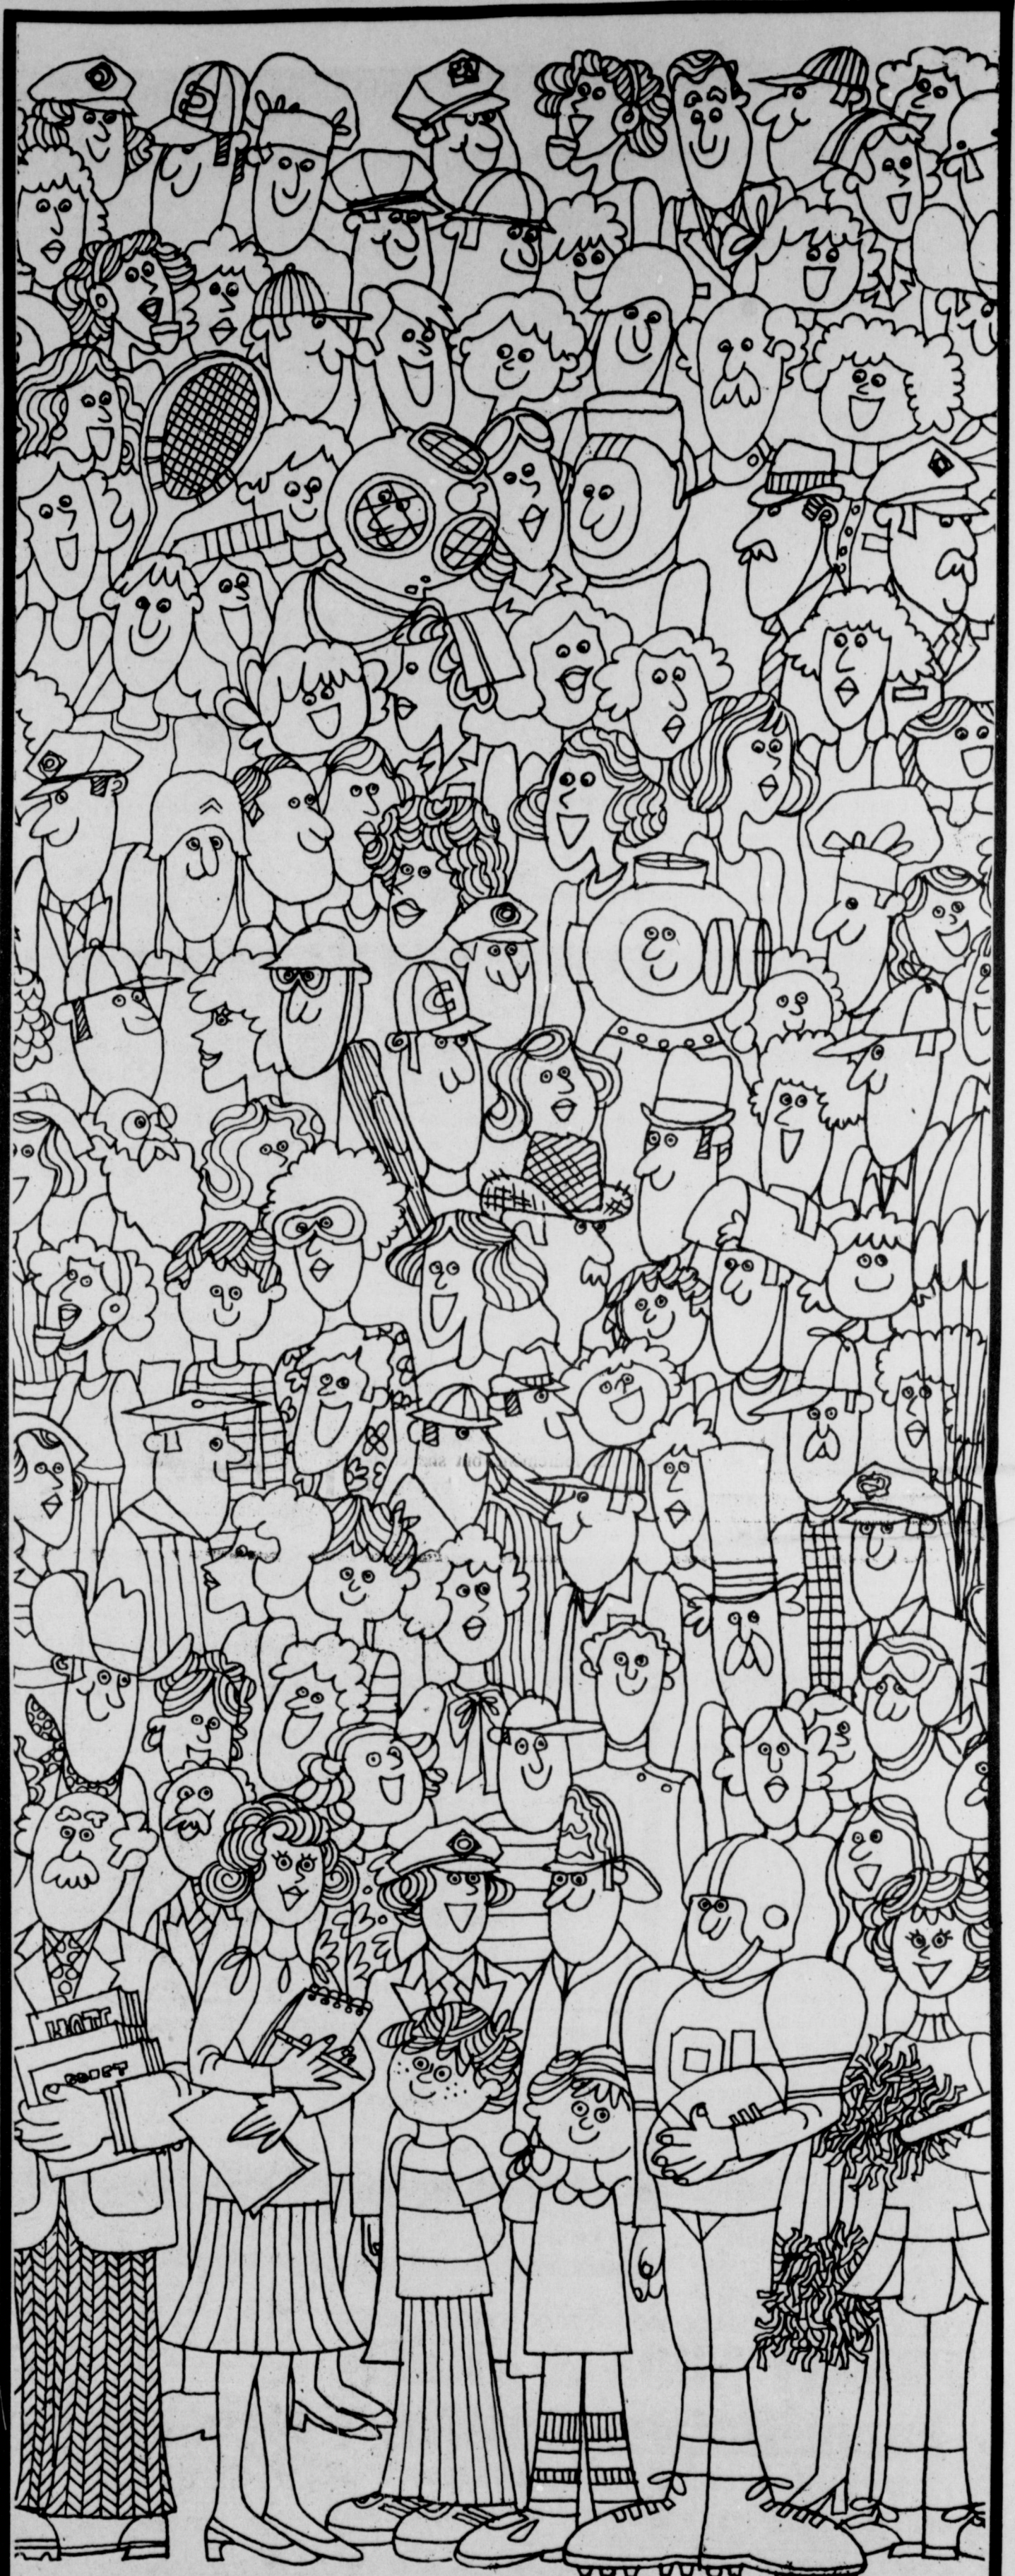

Warmest thanks are extended to Denise and David Parham for the great time had by everyone at the recent Halloween party. Denise and David were kind enough to host the party, for approximately 70 Girl Scouts, at their home. Thanks also to all of the leaders and volunteers for their extra efforts in organizing their troops and helping with decorations for this event.

UPCOMING SALE

Beginning Nov. 12, area Girl Scouts (Brownies, Juniors, and Seniors) will be conducting magazine sales as a means of fund raising for local troops and the NorCenTex Council. Please help support the Girl Scout organization by subscribing to or renewing your favorite magazine.

PARENTS MEETING

A meeting has been scheduled for this evening at 7:00 P.M. at the Iowa Park RAC for parents of all girls to be involved in the QSP magazine sale. Service Unit Director, Denise Parham, will present important information and explanations pertaining to the upcoming fundraiser. Please make every effort to attend so this will be a very successful project for our troops. For further information contact your troop leader or call Denise at 438-2344.

Retired teacher maintains interests, self-reliability

By Myrna Smith

A retired teacher, an artist, an animal and bird lover, a determined and self-reliant lady, Helen Reed continues these pursuits she has had since childhood.

Miss Reed retired from the Iowa Park Independent School District 14 years ago, after teaching here 27 years.

She said of all the years she taught and as many new buildings as were constructed, she never got to teach in a new one until shortly before she retired. She added, "And that was when the new wing was built on Bradford Elementary School."

Helen's early years were spent on W. T. Waggoner ranches. Her father began working for Waggoner as a boy and remained with him 40 years. Most of the time he was a foreman.

She was born in Electra when her father was foreman of the White Face Ranch near there. When she was small her daddy was moved to Zacaweista Ranch near Vernon as foreman.

In all the years she spent on a ranch Helen rode only one horse, "Mexico," the only one they would let her ride. He was an easy going, slow gaited horse that more or less handled himself.

She recalls one time they were killing prairie dogs on Zacaweista and someone brought her a baby one. She kept it for three years. "They make good pets," she said.

When they moved to a ranch at Encinal, 38 miles from Laredo, the big interest there was bobcats. Naturally, Helen wanted a little bobcat. "I was just sure I could tame him as he grew." Soon she realized that was a bit of folly.

After her graduation from Vernon High School in 1929, Waggoner sent her to Texas Woman's College in Denton for three years.

The fourth year Helen decided

she wanted to go to McMurry College in Abilene. Waggoner was not in favor. "He told me that all I wanted to do was go down there to that co-ed college and look for someone to marry," she laughed.

Through her growing up years, all she was ever interested in as a career was teaching and drawing. After receiving her teaching certificate, she finally attained her goal. She had majored in public school art. Her first school was at Rock Crossing.

She kept having her teaching certificate renewed each year. She commented, "It took me 20 years to get my degree."

When she was hired to teach in Iowa Park in 1949, she had to have her degree. She took summer courses at the University of Boulder and some at Midwestern State University.

She taught fourth grade and taught art in fifth and sixth grades. Miss Reed really preferred to teach fourth grade. That way she had longer to follow her pupils and see how they did in the higher grades and follow through to becoming young men and women with careers.

"I never gave retirement much thought," Miss Reed said. "I guess I thought I would teach forever."

But one year a little girl came up to her and told her, "You were my mother's teacher." Helen said, "That was sort of a shock. But I finally had to face the fact that I was getting close to retirement age."

"I made big plans of what I would do when I retired." She planned to do a lot of traveling and a lot of painting. Miss Reed became even more interested in art after retirement.

She took art in continuing education courses at Midwestern University and took a watercolor workshop in Ruidoso, N.M. by Naomi Brotherton of Dallas. She also has taken several one-day workshops.

Watercolor is her favorite medium, however, she does some pastels. She does not care for oils.

Helen has done a lot of painting since her retirement, but she commented, "If what I've read by a noted artist is true, I certainly cannot consider myself an artist yet." He made the statement that one had to do thousands of paintings to be called an artist.

"I love to do Southwest scenes and still life, particularly florals and especially roses and iris." She also does some landscapes. She has either sold or given away many of her paintings. She has executed a number of landmark sites around Iowa Park.

At the recent annual Whoop-T-Do, Helen took first and second places on both watercolors and pastels and also received the Peoples Choice Award.

She has one frame that she always uses to exhibit one of her paintings. She said, "I don't know if it is the frame that makes the painting show better, or what, but I've always taken a first place on the one that I put in that frame."

An interesting painting she has done is one of a pet parakeet, now deceased. She saved his feathers as he lost them and glued them onto the painting, making it very realistic.

Miss Reed had done some traveling since her retirement, but not nearly as much as she planned. In 1987 she had to have two surgeries very close

together.

Earlier this year she had two surgeries in three weeks. After she was released from the hospital she had to spend two months in the nursing home. Her physician thought she probably needed to stay there indefinitely because it would be too much for her to care for herself.

She argued with him and won. She had already thought out all the answers and ways she could handle any of the situations that concerned him.

Helen's current pet interest is a beautiful parakeet called "Patches" because of the twin markings that look like—you guessed it—patches on his black and white feathered back.

Patches is well known to all of Miss Reed's friends and when he gets to know a person he is very friendly and will sit on their shoulder—or their head.

The next painting she has planned will be of Patches. She plans to save his feathers like she did for the other parakeet and do the same type painting of him.

She says the only problem she has with that is breathing. Because when she is gluing the feathers on the painting, if she breathes the feathers will fly everywhere, she explained.

Miss Reed has many mementos that she is proud of. Her pupils gave her gifts through the years, especially at Christmas and she has saved many of them.

Another of her favorite keepsakes is a doll Tommie Smith made for her. She used one of Miss Reed's pillow cases for the dress and has an overskirt

HELEN REED WITH HER CONSTANT COMPANION, PATCHES THE PARAKEET

which was Helen's baby dress. She has a picture of herself in that dress made in 1910.

A small mesh bag popular in the 20s and used many times as an evening bag is special to her because it was given to her by W.T. Waggoner.

She recently has started collecting Precious Moments, because many of her friends have given them to her.

Miss Reed keeps busy with her painting and is a member of Iowa Park Arts and Crafts Club, the Music Club, American Association of Retired Persons, Texas Retired Teachers Association,

First Baptist Church, Thelma Smith Baptist Women, is a life member of Parent-Teachers Association, and stays interested in school and new teaching methods.

In The MILITARY

Completes training

Pvt. Clinton W. Jones, son of Mr. and Mrs. Jerry Jones of Iowa Park, has completed recruit training at Marine Corps Recruit Depot, San Diego, Cal.

During the 13-week training cycle, Jones was taught the basics of battle-field survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the cycle.
