Merry Christmas

ONCE upon a time one Christmas eve, a young girl's dream came magically to life. It began with the arrival of Uncle Drosselmeyer who, to the delight of the children, came bearing gifts.

He brought a huge nutcracker in the shape of a man with a large head. But Oh...! it slipped out of his hands and broke.

As the festivities continued with song and dance, Clara picked up the broken nutcracker and put them in her doll's cradle. Later that night she went back downstairs to look at the nutcracker, and that's when the magic began.

When the clock struck midnight, mice scurried across the floor. The Christmas tree began to grow and grow and gingerbread soldiers came to life and marched about the room.

Clara watched in awe as the mice returned and began to battle with the soldiers. The Nutcracker came to life and took command of the remaining

gingerbread army. As the Nutcracker fought, the Mouse King prepared to attack, but Clara removed her slipper and hit the mouse on the head. With their leader dead, the mouse troop fled and the Nutcracker turned into a handsome prince.

The Prince invited Clara to visit his kingdom, and off they went on their journey to the Kingdom of Sweets.

They arrived at the Magic Castle on Sugar-Plum Mountain, and were greeted by the King and Queen of Snowflakes. The prince's parents honored her with a royal pageantry of song and celebration.

Clara was treated to an amazing tableau of dances from around the world... candy canes swirled around and around, marzipan maids, tumbling clowns and sugar plum fairies performed in joyous fashion.

But as all good things must end, the time came to say good-bye. Clara slipped back from her world of enchantment with visions of magic castles and sugar plums and was off in a dream world all her own, fast asleep.

Thanks to the people of Iowa Park, it doesn't take long to get well into the Christmas spirit.

All one has to do is drive around town, day or especially at night, and view the Spirit of Christmas with one's own eyes.

Our community is beautiful!

Dolores and I got out Sunday night to see the lighted sights. I've never been more impressed.

Congratulations are in order to Mr. and Mrs. Rusty Rusk and Mr. and Mrs. Charles Friday for their outstanding Christmas decorations.

They were the two first-place winners in the Chamber of Commerce-sponsored Christmas decorations contest this year.

The Rusks live at 521 W. Clara and the Fridays at 914 W. Louisa.

This was the first Christmas decorations contest in Iowa Park since back

in the mid 1970s, as I recall. Remember when the oil embargo brought out the feeling that we should all do our part to cut down on fuel consumption?

If you've not been out yet to see all the beautifully-decorated homes and yards, be sure you do before they're all taken down.

Iowa Park is a sight to behold, thanks to the people of our community.

Merry Christmas!

LADY HAWKS, LADY EAGLES BATTLE UNDER BOARD FOR LOOSE REBOUND

Iowa Park loses four to Holliday

Holliday swept a four-game stand against Iowa Park Friday night, with strikingly similar scores.

The girls' games were close but the boys' games were by wide margins.

The Lady Hawks led throughout their game until the final two minutes. Holliday had trailed 11-4 and 21-13 at the end of the first two quarters, but a 14-9 third quarter narrowed the gap.

The Lady Eagles held on to win, 35-33, and their Junior Varsity had earlier won by one, 39-38.

The Eagles set the tone of their 12th victory, without a defeat, early. They canned the first four shots they put up. And those four shots were all three-pointers.

Iowa Park couldn't overcome the 12-1 lead, and trailed 31-18 at the half. Jeremy Carroll led the Hawks with 16.

The Eagle JV had similar success, winning 63-36.

Iowa Park's two varsity clubs will next see action in the annual Archer City tournament Dec. 26-28, and the Lady Hawk JV is entered in a tourney Dec. 27-28 at Olney.

ROBERT DENTON GOES HIGH IN BLOCK ATTEMPT

Kevin Winter

On the cover

This Christmas issue's front page, in a tradition followed several years, is graced by the grandchildren of Mr. and Mrs. Bob Hamilton, publishers of the Iowa Park leader.

They include: back row from left, Lindsey and Allison Brady of Lewisville, Robert Tom and Karilea Collins of Iowa Park; Brady Hamilton of Fort Worth; seated on step, Jennifer Schroeder of Wichita Falls, Justin Brady of Lewisville, Dillon Hamilton of Fort Worth, and D'Ann Schroeder of Wichita Falls; and seated on the floor, the newest of the family, Zachary Hamilton of Iowa Park.

They say a person's life is judge by the number of friends he leaves behind. If that is the case, then Garin's cup runneth over and ours as well.

Garin's presence will be missed on this earth, but he will remain in our hearts forever. He will never be gone from those who loved him.

We cannot tell you how much we appreciate the love and support we received and the many, many prayers for Garin and for us.

God blessed us with twenty-six years with Garin. May he continue to bless us all.

RURAL ROADS were closed by high water in many parts of Wichita County last week. This is a scene on FM 369, between Old Highway and FM 367. The pickup on the left is making its way safely through the hub-deep water. But such was not the case of the automobile, in circle in the upper right corner.

Man tries to pass forged prescription

Police arrested a 32-year-old man here Friday morning who was allegedly attempting to have a forged prescription filled.

A pharmacist at Wal-Mart Pharmacy alerted police that a customer was trying to have a prescription filled, but the doctor who was supposed to have written the prescription denied having done so.

Arrested and charged with "obtaining a controlled substance by fraud" was David Chris Wilson.

He was taken before Justice of the Peace Bill Robinson, who set bond at \$750, and then transported to county jail.

Larry Don Tepfer, 32, was arrested in the 900 block of West Highway at 12:12 a.m. Monday, on an outstanding warrant issued by the Wichita County sheriff's office.

The warrant was for delivery of a controlled substance.

Tepfer was released to a county deputy at 1 a.m., according to the blotter entry, to be transported to jail.

Two thefts were included on the police blotter.

A resident in the 1300 block of

Edgehill told police \$4 in cash had been taken Friday from a coffee table in the home.

The other theft was of wooden

Christmas ornaments from a yard in the 100 block of James Drive. The ornaments were later found in the ditch near FM 368 and James.

4.49 inches measured

This may go into the record book as one of the wettest Decembers in Iowa Park history.

Since the storm system moved over the city Wednesday of last week, Iowa Park has received 4.49, according to measurements taken at the city's waste water treatment plant south of town.

When the system moved overhead, residents did not see sunshine until Sunday.

Several of the roads in the area were closed by high water.

Last week's measurement, when added to those taken early in December by Virgil Woodfin, brought the community's rainfall total to 5.89 inches for the month.

Leader printing two issues early

This issue of the Iowa Park Leader was printed early, Monday evening, in order to reach local subscribers in time for Christmas.

Because both Christmas and New Year's Day are both on Wednesday, the paper's regular printing date, both are being printed early.

Deadline for next week's paper will be the same as this issue, on Friday.

Bloodmobile here Monday

The Red Cross Bloodmobile will be at the Iowa Park Optimist Building from 4 to 6:30 p.m. Monday, Dec. 30.

Donors should take notice of the change of location. For several years, the Bloodmobile has been stopping at Faith Baptist Church.

The Optimist Building is located on the southeast corner of West Highway and Magnolia intersection, and is plainly marked by signs.

Holidays change trash pickup days

City sanitation crews will not pick up trash on Christmas or New Year's Day, according to Mike Price, public works director.

Routes normally worked on Wednesdays will be picked up on Thursdays and Fridays this and next week.

Additionally, the landfill will be closed Christmas Eve, Christmas Day and New Year's Day, Price said.

THE LORD HAS COME!
Although the Scriptures are silent concerning the day in which Jesus Christ was born, the gospel story of the birth of Jesus is told in Matthew 1: 2, and also in Luke 1 and 2. Have you ever thought of the implication it would mean to us if Jesus had not come to this earth?
If Jesus had not come we would not have God with us to bless us (Matthew 1:23); Jesus to save us from sins (Matthew 1:21); God's only begotten Son to give us eternal life (John 3:16); resurrection and life in Christ (John 11:25); an Advocate with the Father who is the propitiation for our sins (1 John 2:1, 2); forgiveness of sins (Hebrews 9:22); the significance of baptism into coming in contact with the death, burial, and resurrection of Jesus Christ (Romans 6: 3-5); a good conscience towards God (1 Peter 3:21); and infinite blessings in Christ (Ephesians 1:3).
We are thankful and glad that Jesus Christ, the Son of the living God (Matthew 16:16) was manifested in the flesh, justified in the spirit, seen of angels, preached among the nations, believed on in the world, received up in glory (1 Timothy 3:16). Let us ever live for Him who loved us and gave Himself up for us (Galatians 2:20)!

Dear Santa Clause,
How are you doing? In school we are lerning about difrent Santas, like Sinterklaas and LaBefana an-1 Father Christmas in Social Studies! If the children are bad, LaBefana will put ashes or coal in their shoes. If the children are bad Sinterklaas's Zwarte Piets (his elves) will hit their heads with a stick and sack them up and take them back to Spain where they live. Sinterklaas comes on a steam boat. He brings his White horse. The children put out hay and carrots for his horse. They hope it will be gone and candy is in them. Well I have to go now, so by.

Rains, Elliott vows read Saturday evening

Miss Jana Lou Rains became the wife of Mark Anthony Elliott, Jr. Saturday evening in an impressive candlelight ceremony at First United Methodist Church. Charles Goodgion of Gardens Edge Church of Christ in Wichita Falls officiated the double-ring ceremony.

Miss Rains is the daughter of Mr. and Mrs. John Rains of Iowa Park, and the bridegroom is the son of Mr. and Mrs. Mark Elliott, Sr. of Monroe, Louisiana.

Given in marriage by her father, the bride chose a formal white crystal taffeta gown embellished with embroidered alencon lace. The asymmetrically draped fichu collar of taffeta was trimmed with hand-beaded embroidered alencon lace. Beaded lace also trimmed the fitted bodice, made of beaded taffeta, and the long sleeves were formed of beaded English net with medallions of beaded alencon lace.

The Basque waistline of the gown featured double taffeta, pouffed on one side. A full taffeta skirt was accented with beaded alencon lace and flowed into a chapel train.

To complete her ensemble, Miss Rains wore a wreath headpiece formed of white silk flowers and pearls, with a pouf of net in back, and fingertip illusion veil.

She carried a cascade bouquet of white calla lilies and candlelight roses, accented with English ivy and candlelight satin streamers.

In keeping with bridal tradition, the bride wore her mother's pearl necklace for the "something old" and "something borrowed;" her wedding gown for "something new;" and the "something blue" garter. She also wore a brand new penny in her shoe.

Valerie Hedrick of Iowa Park was maid of honor for the bride, and Cristin Waters of Irving, Tiffany Gray and Jenny Salan, both of Iowa Park, were bridesmaids.

Wendy Elliott of Monroe, La., sister of the groom, was flower girl.

The bridal attendants wore identical tea-length gowns of iridescent green taffeta with a dark green fitted velvet bodice. The dresses featured iridescent green taffeta portrait collars with a jeweled button in the center, long green velvet sleeves, and a dropped waist.

Crescent bouquets of mauve calla lilies, candlelight roses and burgundy forget-me-nots with English ivy and burgundy satin streamers, were carried by each of the attendants.

The groom was attended by Kyle Burgoyne of Iowa Park as best man. Robert Stewart and Dale Francisco, both of Dallas, and Philip Thames of Iowa Park were groomsmen. Scott Nunn of Austin ushered wedding guests.

The groom and all male members of the wedding party were attired in classic black Milano tuxedos with white rose boutonnières. Each tuxedo featured a regular coat with white satin lapels, satin besom pockets, white wing-tip collar shirt, and black bow tie and cummerbund.

Mrs. Mark Anthony Elliott, Jr.
(Jana Lou Rains)

For the ceremony, the altar area was illuminated by the burning tapers of two diagonal candelabras placed on each side of the church's stained glass windows. Christmas greenery and burgundy satin ribbons decorated the candelabras and the unity candle, as well as the altar railing.

Large arrangements of burgundy and mauve poinsettias sat on either side of the communion table. Family pews were denoted with hurricane lamps holding burning tapers, enhanced with Christmas greenery and burgundy satin bows. Pews for guest seating were marked with Christmas greenery and burgundy satin bows.

Prior to the ceremony various sacred and traditional preludes were performed by John Teel, organist. "Trumpet in D Major" was offered for the processional. During the ceremony, Karl Klaus, pastor of First United Methodist Church, accompanied by Teel, sang "Ave Maria," and sang "The Lord's Prayer" during the lighting of the unity candle.

For her daughter's wedding, Mrs. Rains chose a dress styled with a full tea-length skirt of mauve crepe, accompanied by a long-sleeved fitted brocade jacket in shades of mauve and green, trimmed in pearls.

Mrs. Elliott wore a two-piece dress with a full tea-length skirt of emerald green, and a fitted, long-sleeved brocade jacket designed with emerald green roses on an ivory background with touches of gold.

groom's cake was a chocolate sheath cake with scrollwork in deeper chocolate and the couple's initials inscribed at the top. A silver candelabra with three burning tapers also graced the table.

A large floral arrangement in the bride's chosen colors sat atop the grand piano, flanked by a portrait of the bride, and pictures of the couple as children.

Lola Cox, cousin of the bride, Barbara Stewart, Barbara Anderson and Jan Goodgion were members of the house party. Each hostess wore a white carnation corsage with white ribbon accents.

When the newlyweds left on a honeymoon trip to Santa Fe, N.M., the bride wore a wool dress styled with long fitted sleeves, a red bodice, and a dropped scalloped waist that went to a fitted black skirt.

Miss Rains is a graduate of Iowa Park High School and attends Midwestern State Univ. The bridegroom was graduated from Iowa Park High School, and attended Midwestern State Univ., and Univ. of North Texas in Denton. He is employed by Century Business Communications.

The couple will reside in Irving.

Church Youth present Christmas program

The youth of Pleasant Valley Baptist Church presented a Christmas program, "Gloria," on Friday night for members and visitors at the church.

The program's three scenes, "The Manger," "Shepherd's Visit," and "King's Visit," was acted out by youth, ranging in age from pre-school through high school.

Diana Griffin was the director, and costumes were made by the women of the church.

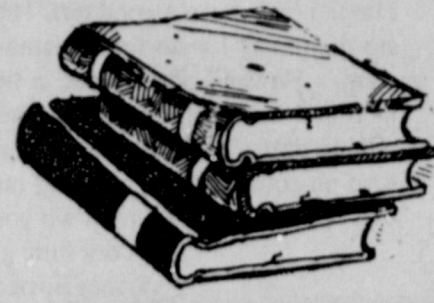

The youth sang special Christmas songs, and were joined by the audience in singing carols.

Following the program, refreshments were served in the Fellowship Hall, and gifts were distributed to all of the children.

"The youth group has not been active very long," said Carl Kent, pastor of the church, "and we're very proud of them."

BROWN-CAVETT BACK & NECK CHIROPRACTIC

Dr. Daniel Broom

MUSCLE SPASM-WHAT IS IT?

Most people with back pain who have not had a back injury are usually told they have muscle spasms. While they may indeed have muscle spasms, that is not the primary problem with their back, as they find out when muscle relaxing medications does not help or does so only temporarily.

Chiropractic manipulation has proven to be an effective treatment for muscle spasms, as it treats the actual cause of the spasm. Dr. H Thabe M.D. reported in the medical journal Manual Medicine the results of tests of several treatments for muscle spasms. Spasm or abnormal muscle activity was determined by EMG, a highly accurate test of muscle activity. Chiropractic manipulation was the most effective treatment, relieving muscle spasms to a greater degree than injections of medications.

Back muscles do not just "spasm" for no apparent reason. Muscle spasms are usually triggered by a joint in the spine. The spinal joints contain large numbers of pain nerve endings. When these nerve endings are stimulated by pinching of the joint, they reflexly trigger muscle guarding or "spasm." It is thought that this mechanism serves to "lock" the spine to prevent further movement and tissue damage. While this mechanism may protect the spine when it is injured, it can be a problem for spinal joints that gradually displace and pinch because of factors such as imbalanced posture.

As many back spasm patients have found, chiropractic treatment is often the most effective and lasting treatment.
